Δὲν μπορῶ ἐν τούτοις νὰ συμφωνήσω πὼς τὸ μαστίγωμα τῶν νεύρων εἶναι δυνατὸν νὰ ἀποτελῆ σὲ κάθε περίπτωσι ὕψιστο ἰδεῶδες, ἀνώτατο ἐπίπεδο μουσικῆς προβολῆς. Διερωτῶμαι ἂν ὁ Μητρόπουλος, σήμερα ἕνας ὥριμος πιὰ καλλιτέχνης καὶ μία παγκόσμια φυσιογνωμία, θὰ φθάση ποτὲ κάποιο στάδιο ἀταραξίας ποὺ θὰ τοῦ ἐπιτρέπη, ἀπὸ τὸ ὕψος τῆς δεξιοτεχνίας του, τῆς ἐκπληκτικῆς μνήμης του, τῆς δαιμονικῆς ἐκφραστικῆς ἱκανότητός του νὰ ἔχη μία ἐν γνώσει τῆς δυνάμεώς του καὶ ἐκ μεγαλυτέρας ἀποστάσεως ἐπισκόπησι τῶν πραγμάτων, ὥστε νὰ προβάλλη μὲ περισσότερη ψυχικὴ ἠρεμία τὸ βάθος τῆς μουσικῆς. Τὸ ἁπλὸ αὐτὸ αἴτημα φαινόταν ἰδιαιτέρως ἐπιτακτικὸ στὴν περίπτωσι τοῦ Μπράμς. Οἱ πυρετώδεις ἐκφραστικὲς διακυμάνσεις στὴν Τρίτη συμφωνία δὲν μᾶς ἐπέτρεψαν νὰ διεισδύσουμε πέρα ἀπὸ τὴν ἰριδίζουσα ἐπιφάνεια στὰ ἀπύθμενα βάθη της, οὔτε νὰ παρακολουθήσουμε τὴν μνημειώδη ἑνότητα τῆς μορφῆς. Ὁ Μητρόπουλος εἶδε τραγικὴ κραυγὴ ἐκεῖ ποὺ ὁ Μπράμς κλεισμένος στὴν μοναξιά του διεξάγει μία ἀπεγνωσμένη, ὅμως μυστική, ἐσωτερικὴ πάλη.

Ἡ μετάβασις στὴν Δεύτερη συμφωνία τοῦ Μπράμς βρῆκε τὸν Μητρόπουλο στὴν κατάλληλη διάθεσι. Ἐπέτυχε τὸν «ποιμενικὸ» τόνο τῆς γοητευτικῆς αὐτῆς μουσικῆς καὶ μᾶς μετέδωσε τὸ αἰσιόδοξο μήνυμά της χωρὶς ἀναταραχὴ μέσα ἀπὸ τὸ πηγαῖο, ἀνεπανάληπτο ταλέντο του. Στὸ τέλος δὲν εἶχε μείνει κανεὶς ἀδιάφορος. Ὁ ἀσυγκράτητος ἐνθουσιασμὸς τοῦ κοινοῦ ἐκόπασε μόνον ὅταν ὁ Μητρόπουλος χωρὶς περιστροφὲς ἐτόνισε τοὺς πρώτους ὁμνικοὺς φθόγγους ἀπὸ τὴν Εἰσαγωγὴ τοῦ Ταγχάϋζερ, τῆς ὁποίας μᾶς ἐγνώρισε μία ἐκτὸς προγράμματος μεγαλειώδη ἑρμηνεία.

Τί νὰ προσθέσω καὶ γιὰ τὴν θαυμασία αὐτὴ ὀρχήστρα ποὺ εἴχαμε τὴν εὐτυχία νὰ γνωρίσουμε στὸν τόπο μας; Θὰ μποροῦσα νὰ γράψω ὕμνους γιὰ τὴν τεχνικὴ καὶ ἠχητικὴ ὁμοιογένεια τῶν ἐγχόρδων, ὑπογραμμίζοντας ἰδιαιτέρως τὴν βελούδινη ἀφὴ τῶν βιολοντσέλλων καὶ κοντραμπάσσων, νὰ τονίσω τὴν τρυφερὴ ἐκφραστικότητα τῶν ξυλίνων καὶ τὴν ἁπαλὴ λάμψι τῶν χαλκίνων. Ἀρκοῦμαι τὰ ἐξάρω τὸ ὑψηλὸ ἦθος τῶν μελῶν τῆς ὀρχήστρας καὶ τὴν θρησκευτικὴ προσήλωσι τους ἀπὸ τὴν ὁποία πηγάζει τὸ πλῆθος τῶν ἀρετῶν τους. Ἡ Φιλαρμονικὴ τῆς Βιέννης γνωρίζει τόσο τὴν γλῶσσα τῶν λεπτῶν ἐκμυστηρεύσεων ὅσο καὶ ἐκείνην τοῦ συναρπαστικοῦ πάθους. Στὶς ὁρμητικὲς ἐκρήξεις ἔχει ἐν τούτοις τὰ ὅριά της. Ἡ ὑπέρβασις τῆς ὡρισμένης αὐτῆς ἠχητικῆς περιοχῆς ἔχει δυσμενῆ ποιοτικὸ ἀντίκτυπο σὲ μιὰ ὀρχήστρα ἡ ὁποία στηρίζει τὴν ἱστορική φήμη της ὄχι στὴ δύναμη ἀλλὰ στὴν εὐαισθησία της. Δυστυχῶς αὐτὰ τὰ ὅρια ὑπερέβη ὁ Μητρόπουλος ἐδῶ κι' ἐκεῖ σὲ στιγμὲς ἀσυγκράτητου πάθους.

Η ΑΣΚΗΤΙΚΗ ἐμφάνιση τοῦ Δητήρη Μητρόπουλου, τὸ βαθὺ ἐνδιαφέρον του γιὰ τὸν "Αγιο Φραγκῖσκο τῆς 'Ασσίζης, ἡ μεγάλη του εὐλάβεια, ἔχουν δημιουργήσει ἕνα θρῦλο γιὰ τὶς μοναστικές τάσεις του. Philharmoniker spielten in Hemdärmeln

Wiens Meisterorchester wurde bei Athen-Gastspiel enthusiastisch gefeiert

Nach einer überaus erfolgreichen Konzertreise nach Athen sind die Wiener Philharmoniker wieder heimgekehrt und haben ihre Arbeit in der Wiener Staatsoper und zugleich die Vorarbeiten für das erste Abonnementkonzert aufgenommen. Dimitri Mitropoulos, der mit den Philharmonikern in Athen war und dort die vier Konzerte dirigierte, ist mit dem Orchester nach Wien gekommen und wird das erste Abonnementkonzert der Philharmoniker leiten, das am 27. und 28. d. im Großen Musikvereinssaal stattfindet. Für dieses Konzert wurde folgendes Programm gewählt: Couperin-Milhaud: Introduktion und Allegro; Arnold Schönberg: „Verklärte Nacht"; Franz Schmidt: Symphonie Nr. 2.

Die Wiener Philharmoniker, die in den vergangenen Jahren schon manchen großen Erfolg im Ausland feiern konnten, haben selten eine so begeisterte Aufnahme und einen solchen künstlerischen Triumph erlebt wie diesmal in Athen. Wenn es das Wetter zuließ, fanden die Konzerte in dem berühmten Stadion des Herodes Attikus statt. Leider mußten zwei Abende wegen ungünstiger Witterung in das Orpheum verlegt werden. Während das Stadion 5000 Zuschauer faßt, können im Orpheum nur etwa 2000 Besucher Platz finden. Da gab es wahre Kämpfe um die Plätze, da 3000 Kartenbesitzern das Eintrittsgeld zurückgegeben werden mußte. In Athen schrieben die Zeitungen schon im Mai über die kommenden Konzerte und im Juni wurden die Karten verkauft. Bei den Kassenschaltern stellten sich die Musikfreunde jedesmal die ganze Nacht über an.

Die Philharmoniker gaben in Athen ein reines Richard-Strauss-Programm mit „Don Juan", „Tod und Verklärung" und „Sinfonia domestica", ein reines Brahms-Programm mit der Akademischen Festouvertüre, der 2. und 3. Symphonie, und zwei Mischprogramme, in denen unter anderem die Ouvertüre „Leonore II" und die 2. Symphonie von Beethoven und Schönbergs „Verklärte Nacht" erklangen. An Zugaben spielten die Philharmoniker „Salomes Tanz" von Richard Strauss und die „Tannhäuser"-Ouvertüre von Wagner. Der Publikumsbeifall war enthusiastisch, das Echo in der griechischen Presse außerordentlich. Man liest da unter anderem: „Das weitaus beste Orchester, das man jemals in Griechenland hörte..." „...wunderbar die dynamischen Nuancen, die geistvolle Interpretation durch Mitropoulos, der berückende Streicherklang. Stets war dieses Orchester eine Einheit".

Zum ersten Male übrigens spielten die Philharmoniker ohne Frack, in weißen Hemden und schwarzer Krawatte. Bei der großen Hitze, die in Athen herrschte, wäre ein Spielen im Frack kaum möglich gewesen.

Der österreichische Botschafter gab zu Ehren der Orchestermitglieder einen Empfang, bei dem alle Spitzen der Athener Gesellschaft anwesend waren. Die Annahme einer bereits ausgesprochenen Einladung für eine Griechenland-Konzerttournee im nächsten Jahr wird kaum möglich sein, da die freien Termine des Orchesters für 1959/60 schon zur Gänze vergeben sind.

BLICK des Tages

Mitropoulos blickt zurück im Zorn

Dimitri Mitropoulos, der soeben mit den Wiener Philharmonikern aus Athen in Wien eingetroffen ist, übte auf einer Pressekonferenz in seiner Heimat, bei der er eine geschlagene Stunde auf alle Fragen der Journalisten mit großer Offenheit antwortete, sehr herbe Kritik an dem heutigen Musikbetrieb, vor allem auch an jenen modernen Komponisten, „die so schreiben, als wären sie allein auf der Welt". Mitropoulos sieht das Dilemma des zeitgenössischen Musiklebens in der immer größer werdenden Kluft zwischen Komponisten und Publikum. Aber er findet auch Worte begeisterten Lobes für einige moderne Komponisten, allen voran für den Deutschen Karlheinz Stockhausen, den er an die Spitze der fortschrittlichen Musikentwicklung stellt, dann für den Italiener Maderna und für den Amerikaner Samuel Barber, den er als den Konservativsten unter den zeitgenössischen Komponisten bezeichnet. Mitropoulos bedauerte noch einmal ausdrücklich die negative Kritik an Barbers „Vanessa", die er bei den Salzburger Festspielen als europäische Erstaufführung dirigierte. Die Kritik habe Barbers Werk unmöglich gemacht. Dabei sei seine „Vanessa" eine wirkliche Oper, wie man sie heute nur noch selten finde.

Der große Dirigent beklagte, daß die meisten modernen Komponisten sich nicht mehr für ihr Publikum interessieren und daß der Musikkritik zu schnell alles als veraltet gilt. „Selbst die Zwölftöner, und was nach ihnen kam", so erklärte er, „werden heute schon als altmodisch abgetan, während das Publikum stehengeblieben, nicht unterrichtet ist, und Beethoven, Brahms und Tschaikowskij hören will. Mitropoulos räumte ein, daß die Komponisten das Experimentieren nicht aufgeben dürfen, da ohne Experimente jeder Fortschritt sterbe. Aber er meinte, daß man das Publikum nicht zwingen dürfe, an Experimenten teilzunehmen, die es nicht verstehe. „Auch die Biologen machen ja Experimente, aber sie belästigen dabei ihre Mitmenschen nicht."

THE JEWISH CHRONICLE

"SOME OF MY BEST FRIENDS ARE ISRAELIS"

From our Correspondent

ATHENS

The Greek-born American conductor Dmitri Mitropoulos paid Jews a rather back-handed compliment in the course of a press conference here on his arrival to conduct the Vienna Symphony Orchestra in a series of festival concerts.

After speaking in glowing terms of the "wonder" that is Israel and praising the Jewish State's remarkable progress, not only in music but in all fields, he went on to add that he did not consider himself to be "a friend of the Jews, but Israelis are so different from the other Jews I meet in America, for instance, that they have provoked my admiration."

Mr. Mitropoulos added that during his visit to the State he had been offered the Directorship of a Tel Aviv orchestra but had declined acceptance because "I would not like to settle in a remote country. I prefer to go around the world."

"Many leading musicians have visited Israel," he said, "but I am proud to say that they were specially fond of me." He added smilingly "perhaps because I am myself somehow oriental."

Festliches Wochenende in der Staatsoper

„Tosca" mit Dimitri Mitropoulos — „Falstaff" mit Karajan

Zum Wochenende gab es wieder große Opernabende mit köstlicher Besetzung und zu ebenso köstlich erhöhten Preisen, so daß auch im Auditorium Glanzbesetzung herrschte. Damit war auch jenes Moment der Festlichkeit erreicht, auf das alle großen Meister der Oper in ihren grundsätzlichen Äußerungen größten Wert legen. Vielleicht ergibt sich in der Zukunft die paradoxe Entwicklung, daß der Normalbetrieb in der Oper um einige Grade festlicher verläuft, während die eigentlichen Feste in ihrer Hypertrophie allmählich verwässern...

Die „Tosca"-Vorstellung am Samstag stand unter der Leitung von Dimitri Mitropoulos. Es ist immer besonders reizvoll, wenn ein Großer eine Aufgabe übernimmt, die sonst gewohntermaßen den Routiniers zufällt. Die Wirkungskraft des Dirigenten offenbart sich da im packenden Beispiel, und mit Staunen gewahrt man, wie die eingespielte und abgeleierte Darstellungsform sich spontan verändert, wie überall frisches Leben einfließt, wie alles Spannung, Charakter, Sinn und Bedeutung erhält, wie etwa gleich die Akkordfolge der Anfangstakte mit geschärfter Kontur und in Überlebensgröße hervortritt und die grausame, beängstigende, Scarpia-Maske enthüllt.

Bisweilen freilich mag Dimitri Mitropoulos, der ein großer Virtuose ist, vom Orchesterensemble der Philharmoniker, die gleichfalls lauter Virtuosen sind, dazu verleitet werden, seine virtuose Kunst der Improvisation auch um ihrer selbst willen spielen zu lassen. Das Orchester weiß sich ihm mit außerordentlicher Geschmeidigkeit anzupassen und der musikalische Ablauf vollzieht sich in der Form einer vielfach gebrochenen Wellenlinie. Tempo und Ausdruck, Agogik und Dynamik wechseln fast mit jedem Takt. Die ungemeine Agilität, die der Dirigent dabei entfaltet, bietet an sich schon ein fesselndes Schauspiel. Aber die gebrochenen Linien, der fortwährende Wechsel und das unablässig flimmernde Licht- und Schattenspiel, das alles wirkt auf die Dauer irgendwie unnatürlich, hektisch, hysterisch, und es bleibt der fühlbare Eindruck stilistischer Unruhe.

Tosca war Birgit Nilsson, sehr repräsentativ im Gesamteindruck, vorbildlich in der Gesangleistung, imponierend in der souveränen Art, wie sie ihre Prachtstimme in allen Lagen gleichmäßig beherrscht. Die Figur als solche wird allerdings nicht lebendig. Zu sehen auf der Bühne ist ein Schemen; zu hören eine untadelige konzertante Fassung der Partie. Um so lebensvoller weiß Giuseppe di Stefano das lyrische Schicksal des Cavaradossi zu gestalten. Auf die Anfangsszene schien die Indisposition, die ihn neulich hemmte, noch ihre Schatten zu werfen, das „Vittoria!" im zweiten Akt klang bereits in voller akustischer Frische und zum Schluß hatte er wieder die alte Form gewonnen, den Glanz der Stimme und die Impulsivität seines Gesangstils. Eine vollendete Leistung bot George London als Scarpia, in Gesang und Darstellung temperamentvoll durchpulst und künstlerisch gerundet. Die Wucht seiner Tongebung besitzt unwillkürliche Dramatik. Er ist ein rechter Opernsänger, der singt, um die Bühne zu beleben.

The Record Player

Complete 'Vanessa' By Metropolitan

BARBER: VANESSA. The Metropolitan Opera production, Dimitri Mitropoulos, conductor. Victor LM 6138.

The Metropolitan's brilliantly mounted Barber-Menotti opera, after its public successes in Salzburg this summer, is now accorded the unusual distinction, for an American opera, of a complete recording.

The result is sumptuous. In many ways, the opera succeeds more on records than it did in the vastnesses of the Met. Something of this same comment came from Rudolf Bing, who felt that in a similar respect, the Salzburg production surpassed the New York one because of the smaller theater.

Again the most remarkable feature of the performance is the guiding hand, sympathetic, powerful, yet relaxed, of Mitropoulos. He compels the Metropolitan orchestra to play with a stature it frequently lacks under its customary conductors. Far more potently, Mitropoulos reads Barber's music with every ounce of understanding of its beauties and occasional weaknesses.

THE MUSIC has a luxuriant glow outwardly, and in many passages that escaped our notice on the occasion of its world premiere, a lasting strength and appeal. It stands, as we felt last winter, in the real tradition of great singing works. We trust it will be repeated this year and often.

The cast, that of the Met performances, is much as it was a month before the recording was made, on the night of the opening. Its Swedish-born tenor, Nicolai Gedda, remains the most subtle, finished singing musician and rare vocalist, with an English diction that is nuanced, sensitized and expressive as few English or American singers ever trouble to be. He is a lesson every other member of the cast might well study as they listen to the recording. A great artist.

The men are well matched, however, for Giorgio Tozzi, Chicago's great bass, is again highly in the vein of gentle humor and fine singing. Rosalind Elias as Erika is even more telling than in the big house, and Regina Resnik, who gets to sing so little in the entire work, is a powerful factor.

Eleanor Steber, much more relaxed and at ease than at the opening, still remains one of the worst examples of diction on any singing stage today. She makes some lovely sounds, but is superficial and petulant.

Mitropoulos dirigierte Puccinis „Heldenleben"

„Tosca" unter Mitropoulos: das ist Puccinis „Heldenleben", aber immer noch echte, legitime Oper. Und deshalb auch ein großer Abend, Samstag am Ring, an dem sogar die „besonderen" Preise gerechtfertigt waren.

Dimitri Mitropoulos, der vor einem Jahr in der Staatsoper die unvergeßliche „Butterfly"-Premiere dirigiert hat, ist bei Puccini gleichermaßen Romantiker und Psychologe. Er spürt mit Phantasie melodischen Nuancen nach, die er genießerisch auskostet, und er modelliert die Musik zu einem farbenreichen, schillernden Seelengemälde, wobei gewaltige Akzente gesetzt und dramaturgisch motivierte Zäsuren gemacht werden. Daß dadurch das organische Gefüge zuweilen ins Wanken gerät, muß man hinnehmen.

Trotzdem entspringt das, was manchmal als Willkür erscheinen mag, einem genauen Konzept, in dem die Sänger die ihnen gemäße, nämlich dominierende, Position einnehmen. Mitropoulos achtet trotz seiner Vorliebe für breite Tempi genau darauf, was er ihrem Atem zumuten kann, er regelt die Klangentfaltung sorgfältig zugunsten der Stimmen und reagiert schnell auf Eigenheiten, ohne die Zügel der Aufführung aus der Hand zu geben. Und es schien, als fühlten sich die Akteure auf der Bühne mit ihm als Partner wohl.

Vor allem Giuseppe di Stefano, dem Mitropoulos Gelegenheit (und Zeit) gab, betörend schönen Wohlklang, manchmal metallisch gefärbt, zu verströmen und die einzelnen Nummern mit Ruhe aufzubauen; sein Cavaradossi war wohl der beste, den er bisher in Wien gesungen hat. Großartig Birgit Nilsson; die dramatische Tosca liegt ihr natürlich viel besser als die lyrische Aida, und auch die „Drosselung" der Stimme zugunsten des tenoralen Partners war offenkundig. Sie spielt keine Primadonna, sondern eine italienische Leonore, aber sie charakterisiert diese Figur wunderbar, sie gibt ihr echtes Leben und im zweiten Akt eine erschütternde Intensität, die auch aus dem heroischen Gesang klingt. Stimmlich blieb kein Wunsch offen, es gab sogar weiche, tragende Piani und selbstverständlich imposante Spitzentöne von der Qualität echten Schwedenstahls.

Dazu noch George London als profilierter, diesmal jeder Übertreibung abgeneigter Scarpia, prächtig disponiert — kein Wunder, daß die Besucher in Begeisterung gerieten.

Wiener Philharmoniker im antiken Theater

Triumph des großen Orchesters in Athen — 5000 Zuhörer pro Konzert

Eigenbericht der „Presse"

Mi. Wien, 21. September

Vor wenigen Tagen sind die Philharmoniker nach einer überaus erfolgreichen Tournee, die nach Griechenland führte, wieder in Wien eingetroffen. Die Konzerte, die in Athen unter der Leitung Dimitri Mitropoulos' stattfanden, der in seiner Heimat wie ein Nationalheros gefeiert wurde, bedeuten neuerlich einen außerordentlichen Triumph für das Wiener Orchester.

„Einer der größten Musikabende, die man jemals in Athen erlebte, das weitaus beste Orchester, das man jemals in Griechenland hörte, Mitropoulos elektrisierte Musiker und Hörer" — so lauteten die Würdigungen der Athener Presse. Soweit es die Witterung gestattete, fanden die Konzerte im Stadion des Herodes Attikus statt, einem Freilufttheater der Antike. „PRESSE" 22.9.58

An zwei Abenden zeigte sich jedoch der Wettergott ungnädig. Da gab es dann wahre Kämpfe um die Plätze, denn das Stadion faßt 5000 Zuschauer, der geschlossene Raum, in welchen das Konzert verlegt werden mußte, bloß 2000. Somit mußte 3000 Kartenbesitzern das Eintrittsgeld zurückgegeben werden.

Die wenigen probe- und aufführungsfreien Stunden benützten die Wiener Musiker, um zahlreichen Einladungen nachzukommen und Ausflüge zu unternehmen. Einer der eindrucksvollsten war die Fahrt nach Kap Sunion mit dem berühmten Poseidon-Tempel.

Der österreichische Botschafter Friedinger-Prantner gab zu Ehren der Philharmoniker einen großen, von 500 Personen besuchten Empfang. Abschließend sei noch ein Detail vermerkt, das freilich nicht akustischer, sondern optischer Natur war: Infolge der großen Hitze, die in Athen herrschte, entschied sich das Orchester, den Frack, das traditionelle Festkleid, in den Koffern zu lassen und in weißem Hemd mit schwarzer Krawatte zu musizieren.

Erregende Korrektur an Puccini

Staatsoper: „Tosca" unter Mitropoulos mit Nilsson, London und di Stefano

Wieder einmal wurde bewiesen: es stecken mehr musikalische Werte in einer Puccini-Partitur als unsere Durchschnittskapellmeisterweisheit sich träumen läßt. Dimitri Mitropoulos hat es vor einem Jahr schon am Beispiel der „Manon Lescaut" dargetan; man feierte damals allerdings mehr ein musikalisches Ereignis an sich, da man weniger Vergleichsmöglichkeiten zur Hand hatte: Puccinis Frühwerk wird nicht besonders häufig durch den Routine-Betrieb gedreht.

Bei der „Tosca" ist das anders: diese Partitur glaubt der fleißige Opernbesucher im Schlaf zu kennen. Daß er im Grunde genommen nur eine Oper der groben theatralischen Effekte und großartiger sängerischer Entfaltungsmöglichkeiten in seinem Bewußtsein hat, lehrte ihn die Aufführung unter Mitropoulos, die einer erregenden Korrektur unseres landläufigen Puccini-Bildes gleichkam. Durch seine Gabe, jede Orchesterstimme zu individuellem Leben zu erwecken und durch klangliche und rhythmische Schattierungen Proportionen zu schaffen und zueinander in Beziehung zu setzen, hebt der Dirigent die musikalische Ordnung der „Tosca"-Partitur ins Bewußtsein des Zuhörers. Was bisher als äußerlicher Effekt galt, wird zum Ergebnis einer logischen thematischen Entwicklung; was sonst als aufgeweichte Sentimentalität nicht gerade hoch im Kunstkurs stand, wird zum Gold echter und reiner Lyrik.

Auch gesanglich war's ein großer Abend. Birgit Nilsson schwelgte in der Pracht ihrer stimmlichen Mittel und demonstrierte in jeder Phrase die Universalität ihres technischen Könnens; in der Darstellung blieb sie bis zum Schluß eine wohlerzogene Dame, der es zum Beispiel sichtlich peinlich war, in einer Kirche umarmt zu werden. Giuseppe di Stefano, dem der Cavaradossi wesentlich besser liegt als etwa der Radames, wächst künstlerisch in dem Maß, als es ihm — auf der Bühne — an den Kragen geht: sein „Vittoria" war ganz großes Musiktheater, der ganze dritte Akt im musikalisch-lyrischen Ausdruck eine Offenbarung.

Faszinierend in der Gestaltung der Rolle George London als Scarpia: kein sofort durchschaubarer brutaler Bösewicht, kein Schleicher, dem die Heimtücke vom Gesicht abzulesen ist. Er wechselt unheimlich schnell von fast charmanter Überredungskunst zu zynischer Gemeinheit. Er weiß: am meisten fürchtet man die Unberechenbaren. — Durchwegs scharf gezeichnete Typen: Karl Dönch (Mesner), Karl Weber (Angelotti) und Erich Majkut (Spoletta).

Ein Galaabend der Staatsoper, der zu Recht laut bejubelt wurde.

EUGENE ORMANDY was the first one to ask Danny to conduct.

Dimitri Mitropoulos sat unsmiling in the wings as Danny maneuvered the New York Philharmonic through a major program.

The audience and the players often were convulsed with laughter, but Mitropoulos sat grim-faced in the wings.

* * *

"MAESTRO, WHAT was wrong?" Danny asked later, humbly resigned to a strong lecture on desecrating the arts.

"It was not funny," Mitropoulos sagely replied. "You have the most fantastic natural talent for conducting a symphony orchestra that I have ever witnessed."

"I was insufferable for days after that," Danny jubilantly recalled the incident.

"This is a wonderful madness of mine, conducting symphony orchestras."

MID-MONTH RECORDINGS

"Vanessa" in Salzburg

By EVERETT HELM

SALZBURG.

THE performance of Samuel Barber's "Vanessa" in this year's Salzburg Festival broke several precedents and caused a corresponding amount of excitement and discussion. This discussion was by no means confined to musical matters; on the contrary, much of it centered around questions of policy, tradition and the like.

The facts of the matter are these. "Vanessa" was the first American opera to be performed in Salzburg, and it was the first time in Salzburg history that an opera was sung in English. Also for the first time, the Festival's novelty took the form of a guest appearance by an "outside" organization, in this instance the Metropolitan Opera of New York. And finally, "Vanessa" was not a world première, as is generally the case, but a "mere" first European performance.

All this was enough, apparently, to upset many members of the European press, especially those of the German-speaking countries. Months before the Festival began there were passing references to the "unfortunate" choice of "Vanessa"—long before anyone in Europe had any inkling as to whether the music itself were good or bad. And as the date of the première approached, strange rumors began to circulate, most of which proved to be entirely groundless. In Munich, for instance, we "had it on the best authority" that everyone concerned with the production was at everyone else's throat and that Barber and Menotti had left Salzburg in a huff. The basis of this rumor proved to be the fact that immediately after the dress rehearsal Menotti was obliged to leave Salzburg for Brussels in order to prepare the production of his own opera there. For the rest, Barber was present at the première and nobody was at anyone else's throat.

The performance was in fact a fine one—virtually a duplicate of the Met's, with Eleanor Steber as Vanessa, Rosalind Elias as Erika, Nicolai Gedda as Anatol and Giorggio Tozzi as the old doctor. Only the supporting roles of the old baroness and two servants were newly cast. The costumes were brought from New York, the scenery was an exact replica of the Met's, and Dimitri Mitropoulos conducted. The

—*Bender.*

Samuel Barber—"...chromatized Puccini?"

large units were of course local: the Vienna Philharmonic Orchestra and the chorus and ballet of the Vienna State Opera. Rudolf Bing remarked in a press conference that the Salzburg performance was quite as good as the New York one—perhaps even more effective, because of the smaller size of the Festspielhaus, which is roughly one third the size of the Met.

Since "Vanessa" has been reviewed extensively in these columns and elsewhere in America, there is no occasion to consider here the work itself. A detailed study of its reception in Salzburg, however, could lead to some highly interesting and provocative results. Among other things it would reveal striking differences in the intellectual approach to music between America and Europe. To cite just one example: "Vanessa" was judged by the European press not only for what it is but, indirectly, for what the critics thought it *ought to have been* in the light of their own ideas about modern opera. This approach led the majority of them to concentrate on what they felt were negative features and to overlook the positive aspects of the work, which might have been given more consideration.

The brunt of the criticism centered on the story and the libretto, which were variously described as dated, old-fashioned, Strindbergian, Ibsenesque, "plush," etc.—a combination of *fin de siècle* realism and pseudo-psychology. The costumes, sets and staging were then criticized for exactly the same reason, almost as if they had nothing to do with the story itself—a prime example of *non sequitur*.

The music was generally charged with being a stylistic *pasticcio*. One leading critic wrote: "a chromatized Puccini, plus a few ounces of Wagner, Strauss and Tschaikowsky and a shot of Debussy," with no mention whatsoever of those passages—particularly the lyrical ones—that are quite clearly Samuel Barber. "Eclecticism" is one of the most useful words in the critic's vocabulary for the purpose of finding fault, for there is scarcely a piece of music in existence that is not to some degree eclectic—*i.e.*, that does not reflect the music of the composer's predecessors or contemporaries.

Of course it boils down to a matter of degree, and it is a fine line that divides "legitimate" from "illegitimate" eclecticism (the former is usually described as "influence"). We know that Wagner took over stylistic ingredients from Meyerbeer and Weber, that Strauss borrowed from Wagner, the young Schönberg from Strauss, Alban Berg from Schönberg and Mahler, and so on. We are not defending "Vanessa" against charges of eclecticism, but do wish to suggest that the European press, with a few notable exceptions, may not have gone far enough into the matter when it confined its praise of the score to the purely technical "handwork." We even make bold to suggest further that much of the post-Webern music that is being written and praised in Europe today is no less eclectic, despite the fact that it is couched in a more "advanced" idiom.

THE principal singers—Eleanor Steber, Rosalind Elias, Nicolai Gedda and Giorgio Tozzi, all from the Met—and conductor Dimitri Mitropoulos received well-deserved and universal praise. Cecil Beaton's stage sets and costumes, on the other hand, were severely criticized as being "insipidly naturalistic," although no one went so far as to imply that "abstract" staging *à la* Bayreuth would have been suitable to the story of "Vanessa." A few critics even objected to the production of the work in English—a thoroughly specious argument, since Italian opera is produced in Salzburg in Italian.

All in all the reaction to "Vanessa" in the Salzburg Festival points up several interesting trends and tendencies in current European musical thought and attitudes. In the first place the European, and particularly the German attitude towards opera is swayed much more by "reason" than

Record World: New Triumph for 'Vanessa'

By HERBERT KUPFERBERG

Samuel Barber's "Vanessa" is just as much of a success on records as it was at the Metropolitan Opera House last season. Whether this means that Victor is going to sell thousands and thousands of albums and Mr. Barber will batten on the royalties thereof, I cannot say. But the solid musical and dramatic virtues which helped sell out six of seven Met performances of "Vanessa" are plainly visible, or rather audible, in the recording—broad and effective vocal lyricism, keen and knowing orchestral writing, artful characterization both musical and dramatic, and a story which if no model of swiftness and deftness is at least no more ponderous than the general—and highly successful—run of nineteenth century romantic opera.

H. Kupferberg

Since the recording is by the same singers—Eleanor Steber, Nicolai Gedda, Rosalind Elias, Giorgio Tozzi and Regina Resnik, with Dimitri Mitropoulos conducting—who appeared in the world premiere at the Met, the high competency of the performance is something you take for granted. But you may be surprised, if you heard "Vanessa" on the stage last season, to observe how its musical texture seems to gain in depth and variety with a rehearing on records. Perhaps Mr. Barber and Gian-Carlo Menotti, the librettist, might have been able to add more of an "American" flavor to their opera by changing its locale from "a northern" (and apparently Slavic) "country, the year about 1905" to New England in about the time of Eugene O'Neill. There, too, a middle-aged aunt and a young niece both might have felt varying degrees of love for a personable visitor; there, too, the end might have been tragedy and solitude.

Climactic Ensemble

On the other hand, no one has said that Messrs. Barber and Menotti wanted to write an "American" opera; perhaps they just wanted to write an opera. And as this recording of "Vanessa" builds up to its climactic and powerful last act Quintet, it leaves you with the decided feeling that they have succeeded handsomely.

"Vanessa," which inaugurates a collaboration between R. C. A.-Victor and the Metropolitan Opera, occupies five LP sides of LM-6138 ($14.98); the odd sixth side is filled by excerpts from three forthcoming Victor albums, "Lucia," "La Gioconda" and "Cavalleria." If you stack your records on an automatic changer and don't stop the phonograph as "Vanessa" ends, you'll be plump in the middle of the Sextette from "Lucia." Which may lead the unsuspecting listener to remark, "Say, that Sam Barber is really *good*."

If "Vanessa" isn't particularly an example of musical nationalism, that branch of artistic endeavor is amply represented by a number of orchestral releases.

"... 'Tosca' unter Mitropoulos: das ist Puccinis 'Heldenleben', aber immer noch echte, legitime Oper. Und deshalb auch ein grosser Abend, Samstag am Ring, an dem sogar die 'besonderen' Preise gerechtfertigt waren.

Dimitri Mitropoulos, der vor einem Jahr in der Staatsoper die unvergessliche 'Butterfly'-Premiere dirigiert hat, ist bei Puccini gleichermassen Romantiker und Psychologe. Er spuert mit Phantasie melodischen Nuancen nach, die er geniesserisch auskostet, und er modelliert die Musik zu einem farbenreichen, schillernden Seelengemaelde, wobei gewaltige Akzente gesetzt und dramaturgisch motivierte Zaesuren gemacht werden ..."

Ein Requiem für den Gouverneur

Gestern abend hatte in der Staatsoper Verdis „Maskenball" Premiere / Dirigent: Dimitri Mitropoulos

Im Vorjahr war die erste Staatsopernpremiere der „Butterfly" gewidmet, einem mittleren Puccini also, wobei das mittel nicht allein zeitlich zu verstehen ist. Heuer war ein mittlerer Verdi an der Reihe, die Oper „Ein Maskenball". Die Tendenz ist unverkennbar. Gluck und Händel, Mozart, Wagner und Strauss sind von der Repräsentation der Saisoneröffnung ausgeschlossen. Aber auch in Salieris Zeiten lebte die Hoffnung. Schließlich kam danach Mozart.

Immerhin war gestern, wie im Vorjahr bei der „Butterfly", Dimitri Mitropoulos am Pult. Das bedeutete, schon vor dem Aufgehen des Vorhangs, beim ansonsten kaum beachteten Vorspiel, höchste Intensität und Leuchtkraft des Musizierens, in den Verschwörerschritten der tiefen Streicher wie in der blühenden Geigenkantilene mit dem Thema Amelias. Die Gefühlsstärke dieses Musizierens und seine Exaktheit ließen den ganzen Abend nicht nach. Verdi kam im Orchester und, soweit es in der Hand des Dirigenten lag, auch auf der Bühne zu allen seinen Rechten.

Als sich der Vorhang zum erstenmal hob, bot sich dem Auge ein bezauberndes Interieur, ein in den Farben prachtvoll getönter und raffiniert ausgeleuchteter Saal, in dem einige Dutzend Choristen wie eine Versammlung von Großen Kurfürsten dastanden. Als sich der Vorhang zum viertenmal hob, durfte man vom nächsten Interieur Ita Maximownas bezaubert sein. Im letzten Bild, das Beifall auf offener Szene erhielt, demonstrierte sie schließlich, wie eindrucksvoll pompöse Häßlichkeit sein kann, wenn sie sich wenigstens räumlich mit Tiefe verbindet. Der Gouverneur hätte sich für seine langwierige, von mannigfachen Duetten und Ensemblesätzen unterbrochene Todesszene kein bombastischeres Mausoleum wünschen können. Das Requiem war vollständig.

In den Bildern dazwischen versandete die Phantasie von Frau Maximowna teils im Realistischen, teils im schematisch Konstruierten. Um so mehr Lob ist ihrer Einfallsfülle und ihrer Noblesse beim Entwerfen der Kostüme zu zollen. Nur der Page war so derb gekleidet, als ob er jener Gustaf Adolfs wäre, der eben aus dem Dreißigjährigen Krieg nach Hause kam.

Josef Gielens Regie wußte diesem Dekor, das in manchen Bildern gebaut war, als ob es für die Ewigkeit oder gar für eine Stagione der Mailänder Scala bestimmt wäre, einige optische Effekte abzugewinnen. Womit die Positiva der Spielführung aufgezählt sind. Im übrigen herrschten Konvention, Gewohnheiten und Unarten, wie man sie bei „Maskenball"-Aufführungen vor allem in der Chorregie an allen mittleren und kleinen Bühnen immer wieder beobachten muß. Die Szene bei der Zigeunerin, der nächtliche Spottchor und nicht zuletzt das Schlußbild, der Maskenball, an dem offenbar lauter Verschwörer teilnahmen, die vom traurigen Ende des Stückes wußten, hätten jedem Provinztheater wenig Ehre gemacht.

Auf der Bühne gab es Italiener und solche, die so sangen. Alle aber (oder fast alle) hatten große Namen. Bei Birgit Nilsson deckten sich Name und Stimme, Künstlerin und Partie. Ihre Amelia war eine Augen- und Ohrenweide. Giuseppe di Stefano verschenkte als Gouverneur Richard die Schönheiten seines Tenors wie ein Regent, der klug zu disponieren versteht. Gleich zu Beginn, dann in dem „einsamen Gefilde", in dem er Amelia das Geständnis ihrer Liebe entlockt, und am Anfang des letzten Bildes gab er reiche Proben eines ebenso kunstvollen wie emphatischen Singens. Außerhalb des Lyrischen und in den Spitzenregionen, in denen sein Tenor nur mit äußerster Espressivo-Spannung zu bestehen vermag, hielt er sich mehr zurück oder wirkte etwas forciert, selbst wenn er angesichts der Wahrsagerin zu scherzen und zu lachen vorgab. Auch die reine Intonation zählte mitunter zu den Schwierigkeiten seines Herrscheramtes.

Ettore Bastianini und seinem Sforzato-Bariton ist der düster-ernste René auf den Leib und in die Kehle geschrieben. Er macht mit beidem so lange brillante Figur, solange ihm Verdi keine zarte Kantilene abfordert. Giulietta Simionato repräsentierte den am meisten homogenen Stimmimport aus dem Süden. An ihrer theatersicher ausgespielten Ulrica war auch gesanglich kein Makel.

Ebenso tadelfrei, ja virtuos in den Koloraturen und mit tragendem Timbre in den Ensembles sang Erika Köth den Oscar, den sie dafür verdient hätte. Von den beiden Verschwörern war der eine (Norman Foster) mehr ein heimlicher, der andere hieß Tom und wurde von Ljubo Pantscheff durchaus kräftig gesungen. Karl Weber als Matrose, Kurt Equiluz als Diener und, mit Abstand, Hans Schweiger als teuflisch drapierter Richter rundeten ab.

Trotz der Großversammlung von Prominenz hinterließ die Premiere eher den Eindruck einer soliden denn einer außerordentlichen Aufführung. Auch der Beifall war dementsprechend, hatte selten die Spontaneität zündenden Einschlagens, klang oft mehr obligat als enthusiastisch und war am wärmsten und herzlichsten für Dimitri Mitropoulos.

Nächste Woche in der Oper

Maskenbälle mit Mitropoulos

Die gestrige „Maskenball"-Premiere hat übermorgen, Freitag, ihre erste Reprise und kommende Woche (Montag und Freitag) zwei weitere Wiederholungen. Die Besetzung ist bis auf Giulietta Simionato, die von Jean Madeira abgelöst wird, die der Premiere: Nilsson, Koeth, Di Stefano und Bastianini in den Hauptpartien. Auch der Dirigent bleibt derselbe: Dimitri Mitropoulos. Da er außerdem nächsten Mittwoch eine „Butterfly"-Vorstellung leitet (mit Jurinac, Hermann, Zampieri und Wächter), ist er ungekrönter Wochenregent.

Dienstag dirigiert Klobucar „Turandot" (mit Francis Yeend in der Titelpartie, Joa Gibin, Emmy Loose, Ludwig Weber), Mittwoch singt Otto Wiener in einer von Hollreiser geleiteten Hindemith-Aufführung den Mathis (Liane Synek, Elisabeth Höngen, Wilma Lipp, Karl Liebl, Anton Dermota und Oskar Czerwenka in den restlichen Partien), und Samstag dirigiert Krips eine „Zauberflöten"-Aufführung (Lipp, Koeth, Kunz, Dermota).

Stimmungsloser „Maskenball" in der Oper

Die Neuinszenierung von Verdis „Maskenball" sollte den Höhepunkt der umstrittenen „Italienischen Wochen" an der Staatsoper bringen. Ein Ensemble berühmter Namen war aufgeboten, am Pult stand einer der besten Dirigenten unserer Zeit, Regie führte der vielbewährte Josef Gielen, für Bühnenbilder und Kostüme zeichnete Ita Maximowna verantwortlich. Trotzdem wurde es ein Fest ohne rechte Stimmung, ein Abend ohne faszinierende Höhepunkte.

Das mochte vor allem daran liegen, daß mit Ausnahme des Dirigenten Dimitri Mitropoulos kaum jemand mit jenem Enthusiasmus am Werke war, den Verdi von den Künstlern fordert. Prächtige, geschickt gegliederte Bühnenbilder — das Szenarium für das Finale erhielt Sonderapplaus — wechselten mit konventionellen, die eher flüchtig hingeworfen als sorgfältig durchdacht waren. Josef Gielens Regie gruppierte immer wieder „lebende Bilder", wobei jedoch der Akzent auf „Bilder" und nicht auf „lebend" lag. Sein Hang für „opernhafte" Details verführte den Regisseur gelegentlich auch zu pomphaften Uebertreibungen. Auch der nun schon obligate Fehler war prompt wieder zur Stelle: die Einkleidung des Herzogs in ein Staatsgewand während seines Aufenthaltes bei der Wahrsagerin kann nur als verfehlt bezeichnet werden.

Die Hauptrollenträger konzentrierten sich so sehr auf den Schöngesang, daß von ihren Aktionen fast nie mitreißende Impulse ausgingen. Wenn etwa der Tenor in der Liebesszene offenkundig nur daran denkt, daß er das Duett mit einem hohen C abzuschließen hat, und die Sängerin den Blick starr auf den Dirigenten richtet, kann sich nun einmal die Illusion schwärmerischer Liebe, mag die Musik sie noch so lebendig beschwören, dem Zuschauer nicht mitteilen. Dazu kam, daß auch die Verschwörer offenkundig ihren gemütlichen Tag hatten und daß der Darsteller des René sich am wohlsten fühlte, wenn er möglichst bewegungslos seinen Part singen konnte.

So bot denn Erika Köth in der Rolle des Pagen die geschlossenste, eindrucksvollste Leistung: sie allein verband makellosen Gesang mit einer ambitionierten Darstellung. Glockenrein klangen die Koloraturen, und die Künstlerin war auch nicht überfordert, als sie in den Ensembles die Primadonnenstellung zu übernehmen und mit dramatischer Stimmentfaltung den Chor zu überstrahlen hatte. Auch Birgit Nilsson (Amelia) konnte ihr herrliches Organ, das allerdings für die weiche Verdi-Kantilene nicht immer schmiegsam genug ist, zumeist frei und herrlich entfalten. Aber die Glut jener Leidenschaften, die der Komponist schildert, lodert nicht in ihrem Herzen. Giuseppe di Stefano (Richard) begann großartig und starb einen Sängertod in schwelgerischer Schönheit, um den ihn alle Tenöre beneiden müssen. Dazwischen aber half er sich mit einigen Kraftakten — und sofort verlor sein Organ an Glanz und Treffsicherheit. Aehnliches galt für den im Spiel eindeutig langweiligen, in der Stimmentfaltung in den dramatischen Szenen sehr eindrucksvollen, in der lyrischen Kantilene etwas steifen Ettore Bastianini.

Verläßlich, aber temperamentlos gestalteten Norman Foster und Ljubo Pantscheff die Verschwörer, die Episode des Matrosen war bei Karl Weber in guten Händen. Um wieder mit Erfreulichem zu schließen: auch Giulietta Simionato, die allerdings ihre Rolle bereits bei der ersten Wiederholungsvorstellung abgibt, blieb dem undankbaren Part der Ulrica nichts schuldig.

Das Ereignis des Abends aber war die Stabführung von Dimitri Mitropoulos. Der gespannten Aufmerksamkeit des Dirigenten entging nicht der leiseste Akzent in Verdis Partitur: er feuerte die Geigen zu herrlichen Liebesliedern an, er wachte über dem feingliedrigen Plaudern der Holzbläser, er hatte den Schwung für atemberaubende Steigerungen und die Wucht für hinreißende dramatische Entladungen. Unter seiner Leitung spielten die Philharmoniker grandios, übertrafen jedes italienische Theaterorchester. Mitropoulos erhielt an diesem nicht gerade beifallsreichen Abend mit Recht den stärksten Applaus.

Neuinszenierung in der Staatsoper: „Ein Maskenball" von Verdi

Als Verdi nach „Simone Boccanegra" und „Arnoldo" nach einem neuen Opernsujet suchte, stieß er auf Scribes „Gustav III. von Schweden", einen Stoff, den Auber bereits 1833 auf die Pariser Musikbühne gebracht hatte. Die historische Handlung vom Stockholmer Königsmord Anno 1792, ins Licht einer romantischen Liebesgeschichte gerückt, fesselte den italienischen Meister wegen ihrer Lebensnähe und wegen des darin anklingenden „brillanten, leicht französischen" Stils außerordentlich. Der Komponist sah durch diesen Stoff die Möglichkeit gegeben, Wärme, Erregung und Leidenschaft musikalisch zu entfalten, und in diesem Sinne beeinflußte er mit dem ihm eigenen Fingerspitzengefühl für die Operndramatik die Textgestaltung durch Antonio Somma. Die Zensur der Bourbonen in Neapel, wo die Oper aus der Taufe gehoben werden sollte, bereitete dem Werk allerdings ein „Meer von Widerwärtigkeiten". Es wurde eine völlige Umarbeitung des Librettos, unter anderem Verzicht auf die Ballszene, Verlegung der Handlung ins Mittelalter und des Mordes hinter die Bühne, verlangt, Eingriffe, die die dramatische Spannung vollkommen beseitigt hätten. Verdi gab aber nicht nach. Und schließlich kam die Uraufführung 1859 in Rom zustande, wo man sich damit begnügte, daß der König in einen Gouverneur verwandelt und die Handlung in eine überseeische Kolonie verlegt wurde.

„Ein Maskenball" wurde ein großer Erfolg und ist es bis heute geblieben. In Wien ist das Werk seit 1870 bisher 355mal aufgeführt worden. Und mit Recht. Denn technische Vollendung, Einheit des Stils, Reichtum des Ausdrucks und dramatische Schlagkraft stempeln den „Maskenball" zu einem echten Meisterwerk italienischer Opernkunst. Die ausgewogene Verbindung von leidenschaftlicher, das Dämonische streifender Bewegtheit mit heiterer Beweglichkeit, die Holl an diesem „eigenartig intimen Seelendrama" feststellt, wirkt sich auf die innere dramatische Spannkraft entscheidend aus. Der Einsatz der musikalischen Mittel zeigt eine außerordentliche Verfeinerung, die insbesondere im Orchesterpart zu spüren ist, indem sinnenfreudige, in Melodie schwelgende Italianità und kunstvoll durchgearbeitete Gestaltungsprinzipien, seelisches Leben und theatralischer Effekt einander durchdringen. Die Singstimmen sind in allen möglichen Vortragsarten profiliert: vom fest gesprochenen Rezitativ bis zum melodisch breit und üppig ausströmenden Gesang, vom Staccatoeffekt des Chors, bis zum Parlando auf dem Grunde der ziervollen Ballettmusik.

Der Neuinszenierung, die die Wiener Staatsoper nun herausgebracht hat, gibt das Sängerensemble das mitreißende melodische Blühen in italienischer Klangintensität, der Dirigent eine romantisch erfühlte Dramatik. Die Bühnenbilder und Kostüme Ita Maximownas haben, von den Flügeln dekorativer Phantasie getragen, repräsentativen Zuschnitt. Das letzte, die große Bühnentiefe nützende Bild (Ballsaal) befriedigt das Kulissenprunk und Kostümaufwand liebende Auge ganz besonders. Josef Gielens Regie ist leider ziemlich langweilig. Ihr gelingt es vor allem auch nicht, die Distanz zu mildern, die durch die (dem Gros des Publikums unverständliche) italienische Sprache zwischen Bühne und Zuschauerraum geschaffen wird. (Daß die Nichtitaliener und insbesondere der sonst ausgezeichnete Chor — Einstudierung Richard Rossmayer — alles andere als ein erfreuliches Italienisch pflegen, ist ein nun schon bekanntes und weiter nicht verwunderliches Kapitel.)

Obgleich Giuseppe di Stefano auch diesmal darstellerisch nur selten über ein chevalereskes Schreiten hinauskommt, so ist dieser Tenor in der Rolle des Grafen Richard dennoch in Hochform. Wie da der italienische Belkantogesang mit männlicher, heldischen Glanzlichter tragender Kraft ausgestattet ist und Timbre und Vortragsart auf echt italienische Manier reichen Wohlklang und reizvolle, attraktiv nuancierte Effekte produzieren — das war der „besonderen Preise" diesmal uneingeschränkt wert. Ganz großartig die Amelia Birgit Nilssons mit ihrer durchseelten Kantilene. Der helle Glanz der nordischen Stimme, in der immer erlebte dramatische Hochspannung liegt, begann in Forte wie im Piano in italienischer Wärme und Leuchtkraft zu tönen und zu strahlen. Das Duett Amelia-Richard war der unbestreitbare Glanzpunkt des Abends.

Ettore Bastianinis Bariton sprach diesmal um einige Nuancen härter an, aber Fülle und Qualität des Organs setzten sich nichtsdestoweniger stark und schön durch. Giulietta Simionatos Persönlichkeit schien uns in der Rolle der Ulrica nicht zuletzt wegen schwacher Anregung von seiten der Regie und der Bühnenatmosphäre ein wenig beengt. Die von der Kontraalt- bis zur dramatischen Mezzolage so kostbare Stimme klang freilich in all ihrer prächtigen Fülle und souveränen Führung. Erika Köths adretter, schön und wie gestochen gesungener Oscar, die Verschworenen Norman Foster (nur fallweise hörbar) und Ljubo Pantscheff (richtig in Ton und Wirkung), sowie Karl Weber (Silvano), Hans Schweiger (Richter) und Kurt Equiluz (Diener) als verläßliche, stimmlich gegenüber den Stars keineswegs störend abfallende Stützen des Ensembles vervollständigten die Besetzungsliste.

Dimitri Mitropoulos dirigierte. Er durchatmet diese italienische Oper mit romantischer Intensität. Er schwelgt breit (doch ohne zu schleppen) in Melodie und Klang. Er geht mit den Effekten keineswegs so sorglos um, wie es die Durchschnittsdirigenten, an der Oberfläche bleibend, zu tun pflegen, sondern läßt sich eine intensive Durchdringung, eine ins dramatische Innerste lotende Konzentration des Musizierens angelegen sein. Er bietet ein Musikdrama voll warmer Leidenschaft und dramatischer Empfindung, aber auch voll Sonne, Sinnenfreude und Aufgelockertheit italienischen Temperaments. Das übt starken, überzeugenden Eindruck. — Viel Publikumsbeifall für das seit mehreren Jahren nicht gehörte Werk und seine Interpreten, insbesondere die Hauptdarsteller und den Dirigenten.

Verdi in südlichen Hitzegraden

Erste Staatsopernpremiere: Glanzvoller „Maskenball" unter Mitropoulos

Dimitri Mitropoulos wiederholte Dienstag abend am Dirigentenpult der Staatsoper einen Kraftakt, den er bereits vor Jahresfrist an Puccinis „Butterfly" bravourös bestanden hatte. Er formte aus einem handfestgängigen Repertoirewerk der Opernliteratur, das sich durch dramatische Schlagkraft und populäre Erfindung im Thematischen wie im Musikalischen, keineswegs aber durch einen besonderen Tiefgang auszeichnet, ein gewaltiges Musikdrama, in dem alles musikalisch Aussagbare zur lavaartig durchglühten Form wurde. Verdis „Maskenball" war es diesmal, der unter seinen Händen die Gipfelweihen der Opernkunst erhielt.

Mitropoulos ist als Musiker ein Phänomen: Eine faszinierende Legierung aus fanatischer Präzision und sich selbst und alles vergessender Hingabe an den Bewegungsfluß der Musik, an das musikalische Geschehen. Höchste Wachheit und ekstatische Entrückung wirken in ihm verträglich nebeneinander. Darum gehört zu seiner Dirigentenerscheinung die Exaktheit ebenso wie die hochaufgebäumte Linke, das Schütteln der Fäuste, das Zusammensacken des Körpers. Musik — ohne Rücksicht auf ihre Beschaffenheit, in ihrer destilliertesten Form, quasi „Musik an sich" — gebietet über ihn, und es mag sein, daß wie bei die Mystikern des Mittelalters, alles Eigene aus ihm gewichen ist, wenn er den Taktstock ergreift und der spiritus musicae, der Geist der Musik, über ihn kommt.

So wurde auch sein „Maskenball" zu einem farbenprächtigen Monumentalgemälde, zu einer oft atemberaubend gesteigerten Ballade. Mitropoulos gibt der Partitur federnde Spannung, gewährt ihrer immanenten Theatralik Raum, musiziert ihr kantables Melos breit aus, setzt grelle, schicksalsharte Tutti-Schläge, macht den tragischen Hintergrund durch Rubati, dynamische Abschattierungen und beziehungsvolles Herausheben der Motive aus ihrem Geflecht spürbar. Dabei achtet er immer auf das Formganze und verhindert so jene Pseudo-„italianità", bei der sich die Sänger von einer Belkanto-Oase zur nächsten vorstasten. Ohne so die Partitur spezifisch italienisch zu färben (die blendend disponierten Philharmoniker würden ihr im Wesen deutsches Klangtimbre ja auch nie ablegen können), musizierte Mitropoulos doch einen vollendeten „authentischen" Verdi.

Die Regie wird von diesem Werk, in dem sich edelstes Theaterhandwerk und musikalische Vollreife vermählt haben, in dem der Aufbau logisch, die Dramaturgie nahtlos, die Gefühle klar und groß, das Dämonische nicht psychisch, sondern milieubedingt und die Tragik handfest-plausibel ist, vor keine allzu großen Aufgaben gestellt. Josef Gielen wurde ihnen durch sinnvolle Arrangements, die auch optisch überzeugten, gerecht. Einige Längen im dritten und vierten Bild vermochte er nicht ganz zu bannen, und die italienischen Gastsänger aus den Schablonen ihrer Posen zu lösen, konnte auch ihm nicht gelingen. Bühnenbilder und vor allem Kostüme waren bei Ita Maximowna in besten Händen. Das düster Nächtige der verlangten Szenerie (Behausung Ulricas, Hochgericht) lag ihr freilich weniger als das festlich Prunkvolle der Paläste. Das letzte Bühnenbild der in Schwarz-Gold gehaltene Ballsaal, erhielt Szenenapplaus, wohl wegen seiner die ganze Bühnentiefe ausnützenden Weite, die allerdings vom optisch ungünstigen Referentensitz kaum zu erahnen war.

Drei Spitzensänger der Mailänder Scala gaben dem Abend auch gesanglich „südlich mediterranes Klima": Giuseppe di Stefano war ganz strahlender Held, dem man kleine stimmliche Unebenheiten vor den funkelnden Fermaten gerne nachsah; Ettore Bastianini als René, vorzüglich als Sänger, blieb darstellerisch steif und vermochte weder die treue Freundschaft noch den verletzten Stolz noch den Ingrimm der Rache zu mimen. Giulietta Simionato als Ulrica war hoheitsvoll im Aussehen und sparsam in den Gesten; die Dämonie überließ sie ihrer herrlich dunklen Altstimme. Birgit Nilsson war als Amelia jeder Zoll eine Fürstin. Das Leidenschaftliche und Leidende der Figur blieb ihr, die auch stimmlich weit mehr ins Wagner-Fach tendiert, versagt. Brillant Erika Köth als Page Oscar. Freilich war auch ihr Sopran für diese italienisch empfundene und italienisch gesungene Vorstellung zu „deutsch", aber die mühelose Leichtigkeit ihres Ziergesangs und die Lebendigkeit ihres Spiels rückten die Figur unvermeidlich in den Mittelpunkt.

Der Beifall im ausverkauften Opernhausrund — die „besonderen Preise" waren bis zu 210 S geklettert — tat es der Aufführung gleich und erreichte südliche Hitzegrade.

Gestern in der Staatsoper: Verdis „Maskenball" hatte Premiere

Zwei Sänger machen einen Abend zum Ereignis

Birgit Nilsson und Giuseppe di **Stefano** waren gestern abend die für sie geforderten „besonderen Preise" wert. Und das ist immerhin schon ein großes Kompliment für eine Premiere der Wiener Staatsoper.

Man darf von einem solchen Abend gerade am Ring nicht ein theatralisches oder gar geistiges Ereignis erwarten. Und wer der Meinung ist, auch eine Verdi-Premiere könnte im Gesamtkonzept oder zumindest szenisch interessant, vielleicht sogar neuartig gestaltet werden, mußte sich gestern allein mit dem akustischen Vergnügen zufrieden geben. Er konnte aber zufrieden sein. Somit auch ein Kompliment für die Sänger.

Amelia und Richard — dieses Duo machte den Abend zum musikalischen Ereignis. Es war zunächst überraschend, zu hören, wie sich innerhalb von zwei Wochen die Stimmen der Nilsson und di Stefanos aneinder gewöhnt, aufeinander abgestimmt hatten. Was kürzlich in „Aida" noch krasse Diskrepanz war, hatte diesmal den Charakter idealer Partnerschaft.

Gewiß dankt man das der Intelligenz und noblen Künstlerschaft beider Sänger. Birgit Nilsson, in ihren beiden Arien ergreifend und faszinierend durch den metallischen Glanz ihres Soprans, hat völlig zu jenem beseelten Piano gefunden, das den sinnlichen Reiz so vieler Verdi-Kantilenen ausmacht. Und Giuseppe di Stefano, der dieses Piano als natürliche stimmliche Veranlagung bereits besitzt und in seiner vollendeten Ausbildung immer wieder paradieren läßt, hat den heldischen Klang angenommen, ohne den Verdis Tenorhelden nur allzu leicht zu Schwächlingen werden. Er war zudem großartig disponiert, sang das „Nur Scherze sind's..." mit raffinierter Eleganz, die dritte Szene mit der Nilsson temperamentvoll, feurig und strahlend in der Höhe, die letzte Arie melancholisch überglänzt — alles etwas sensibel, aber in der Wirkung prächtig.

Neben diesem Paradeduo fielen die Partner etwas ab. Für Ettore Bastianini sind leider auch die eigenen Schallplatten eine schwere Konkurrenz (er teilt dieses Schicksal mit vielen anderen Prominenten), aber der edle, voluminöse Klang seines Baritons gefiel wieder sehr und ist außerdem für die Partie des René prädestiniert. Erika Köth sang mit Geschmack, Geläufigkeit und einigem Witz einen etwas zu lyrischen Pagen Oscar, Giulietta Simionato, nicht ganz in gewohnter Form, eine gruselige Ulrica. Von den beiden Verschworenen hörte man vor allem Ljubo Pantscheff, wenn er schwieg aber auch Norman Foster; Karl Weber (Silvano) machte seine Sache brav.

Am Dirigentenpult Dimitri Mitropoulos: diesmal etwas problematisch, wenn auch genial. Doch Verdi kann man nicht in symphonischem Stil dirigieren. Bei Puccini ist das möglich, weil das Orchester psychologische Kulisse ist. Bei Verdi bleibt es aber effektvoll drapierter, stimmungsvoller Hintergrund für die Sänger. Deren Primat hat Mitropoulos wohl gewahrt, aber er komplizierte den instrumentalen Aufbau, verfeinerte das Stimmgefüge und war mit Melodie und Rhythmus manchmal gar zu frei. Spannend, aber nicht immer vertretbar.

Ja — fast hätte ich's vergessen: Eine Neuinszenierung gab es auch. Ita Maximowna, die Bühnenbilder und Kostüme entworfen hatte, war erst im letzten Bild so recht zu erkennen, einem prächtigen, malerischen Saal, der die volle Tiefe der Bühne ausnützt. Voher gab es konventionelle Lösungen ohne rechte Atmosphäre, aber immerhin solide Arbeit. Was man von Josef Gielens Regie nicht unbedingt behaupten kann: Der Hof des Grafen Richard schien mir eine Welt zu sein, in der man sich langweilt, und sogar die Verschworenen gingen geruhsam und behäbig ihrem Geschäft nach, mit Schlapphut, finstrer Miene und dunklem Mantel — Opernmomos, auf das Format ihres Anführers Samuel abgestimmt.

Belkanto-Oper mit hochdramatischen Akzenten

Verdis „Maskenball" in der Staatsoper neu inszeniert — Mitropoulos am Pult — Di Stefano und Nilsson ein ideales Paar — Ita Maximowna erstmals als Bühnenbildnerin

Das permanente italienische Opernfest am Ring fand Dienstag abend in Abwesenheit der Operndirektors, der zur Zeit in Berlin dirigiert, mit der Neuinszenierung von Verdis „Maskenball" ihren vorläufigen Höhepunkt. Am Pult stand ein bedeutender Dirigent, auf den Brettern eine Elite schöner Stimmen, für die Ausstattung war eine Künstlerin gewonnen, deren Salzburger „Figaro" zu den geschmackvollsten bühnenbildnerischen Leistungen der vergangenen österreichischen Festspielsommer zählte. Für das außergewöhnliche musikalische Niveau bürgte Dimitri Mitropoulos, der die Präzision Karajans und das Temperament Furtwänglers in sich vereint. Seine Werkkenntnis ist bewundernswert: Wie immer hat er die Partitur bis auf die letzte Mordent im Kopf, wie immer schafft er den engsten Kontakt zwischen Orchester und Bühne, und wie immer spielen die Philharmoniker unter seiner Leitung mit besonderer Konzentration, Spannkraft und Plastik. Mitropoulos hat nicht jene leichte Hand, mit der man ein italienisches Feuerwerk abbrennt. Seine Stabführung lotet tiefer. Ihr leidenschaftlicher Duktus macht offenbar, wieviel imanente Dramatik noch in den leichtesten Rhythmen Verdis steckt. Da gibt es keine abgeleierte Werkelmann-Melodik, hundertemal gehörte Wendungen erhalten neues Gewicht und neue Bedeutung. Belkanto-Arien werden zu seelischen Querschnitten, kunstvolle Ensembles zur dramatischen Konfrontierung der Charaktere und Gegner. Das musikalische Erlebnis des Abends war bedeutend.

Sein Impuls übertrug sich fühlbar auf die Bretter, wo drei in den letzten Tagen fast ständig eingesetzten Mailänder Stars nicht nur intensiver in ihre Rollen hinein-, sondern mit ihren Partnern auch zu einem geschlossenen Ensemble zusammenwuchsen. Giuseppe di Stefano, diesmal trefflich disponiert und in ungeschmälertem Besitz seiner Stimmittel, sang den Grafen Richard, dessen Edelmut und Ritterlichkeit ihm weit besser liegen als die amouröse Leichtfertigkeit des „Rigoletto"-Herzogs, mit musikalischem Geschmack und dem ehrlichen Einsatz seines temperamentvollen, männlichen Tenors, wenn auch ohne den blühenden Glanz in der Höhe und ohne jenes betörende Timbre, das einst Piccaver, der eben Verstorbene, in dieser Rolle, die zu seinen besten zählte, zu geben hatte. Die Sympathien des Hauses galten einem Sänger, der keine Larmoyanz und keine Starmanieren kennt und der mit edlem, fast heldischem Anstand zu lieben, zu verzichten und zu sterben wußte.

Giulietta Simionato gab der Wahrsagerin Ulrica die fundamentalen Tiefen ihrer virtuosen Altstimme und einen packenden visionären Zug. Ettore Bastianini bot als René seine bisher überzeugendste Leistung. Den eifersüchtigen Ehemann glaube ich ihm ebensowenig wie den rachedurstigen Freundesmörder, wohl aber den unkomplizierten Haudegen, dessen blinde Treue in ebenso blinden Haß umzuschlagen vermag. Sein kraftvoller, schöner, dunkler Baßbariton, im lyrischen Legato nach wie vor schulungsbedürftig, fand in den dramatischen Wendungen seine stärksten Akzente.

Der Stern des Abends war Birgit Nilssons Amelia, deren strahlende Stimme wie ein Meteor die Szene beleuchtete und das große Liebesduett am Galgenhügel ins Hochdramatische steigerte. Keine rührende, eine heldische Amelia, die sich gegen alle Herzenswirren mit Hoheit und Seelenstärke wappnet. Entzückend Erika Köths gestiefelter Page Oscar, reizend in der figürlichen Erscheinung, im freien Anstand, im lockeren, teilnehmenden Spiel, in der natürlich perlenden Koloratur, der es auch an Innigkeit nicht fehlt. Karl Weber hat als Matrose Silvano eine kleine, brav gestaltete Szene, Ljubo Pantscheff sichert dem Verschwörerpaar stimmliches Gewicht, während sich Norman Foster mehr auf die Gestik verlegt.

Die wache Regiehand Josef Gielens auf der Bühne zu spüren, ist erfreulich. Keine revolutionäre, aber eine musikalische Hand, die zwar nirgends gegen die Konvention, aber auch nie gegen die Partitur inszeniert. Die Massenszenen sind eher zurückhaltend gestaltet, der Maskenball im Schlußbild (Choreographie Willy Fränzl) bleibt immer dezente Folie für die Hauptaktion. Der Ausgleich zwischen den statisch behandelten Chören und den mehr dynamisch bewegten Solisten wird nicht immer gefunden. Daß Ulricas Höhle, erst so streng und hölzern verriegelt, am Ende plötzlich transparent wird, so daß die huldigende Menge durch die Wand kommt und geht, ist sonderbar. Daß Amelia beim heimlichen, mitternächtlichen Gang zum Grabhügel so auffällige Farben trägt, ist zumindest unwahrscheinlich.

Im übrigen hat Ita Maximowna schöne, schmucke Kostüme geschaffen, die trotz ihrer stilistischen Uneinheitlichkeit vortrefflich wirken: am Hofe des Grafen trägt man sich frühbarock, Amelias Schalroben muten modern an, der Page Oscar ist ein niedlicher frederizianischer Kadett. Bei ihren Bühnenbildern erweist sich Frau Maximowna im Interieur glücklicher als im Exterieur. Ulricas lappenverhangene Höhle zeigt den üblichen Zuschnitt und der räumlich zu seichte Galgenhügel ist durch ein massives Galgengerüst verstellt. Sehr eindrucksvoll: die noble, schräg in die Bühne gestellte gräfliche Empfangshalle (erstes Bild) mit der mobilen Jalousienwand, eindrucksvoll auch der mit Sonderbeifall bedachte, den hölzernen fürstlichen Privattheatern der Barocke nachgebildete Ballsaal, der die Bühnentiefe imponierend nützt, in seinem Farbendreiklang Schwarz-Rot-Gold aber geschmacklich nicht ganz geglückt ist.

Gesungen wurde — natürlich — wieder italienisch, obwohl es eigentlich nicht einzusehen ist, warum die Scala-Größen hier in Wien nicht Deutsch lernen sollen, wenn Frau Nilsson und Frau Köth ihren Part italienisch lernen können. Im prominent besetzten Haus gab es festliche Premierenstimmung und ebensolchen Beifall. Er galt einer Aufführung, die sich sehen und besonders hören lassen kann. Wie lange wird sie uns erhalten bleiben?

Staatsoper: Mitropoulos dirigierte Verdis „Maskenball"

Dimitri Mitropoulos, der schon bei seinem ersten Erscheinen stürmisch begrüßt wurde, verlieh am Dienstagabend als Dirigent der neueinstudierten Verdi-Oper „Ein Maskenball" der sehr animierten Vorstellung die Suggestion seiner starken Persönlichkeit. Das Niveau der Glanzleistungen Birgit Nilssons und Giuletta Simionatos wurde von Giuseppe di Stefano, der offensichtlich noch nicht im Vollbesitz seiner stimmlichen Kräfte war, nicht erreicht. Die stilistisch nicht durchweg einheitlichen Bühnenbilder stammen von Ita Maximowna. Über die Vorstellung wird noch ausführlich berichtet. Mi.

KUNST UND KULTUR

Die Neuinszenierung in der Staatsoper:

„Ein Maskenball" oder: die Belkanto-Epidemie

„Zwischen der Direktion der Königlichen Theater in Neapel und dem Maestro Verdi schwebt gegenwärtig ein Prozeß, der vor dem Handelsgericht zur Entscheidung kommen wird und dem folgende Ursachen zugrunde liegen: Der berühmte Komponist hatte sich verpflichtet, für das Theater San Carlo für Neapel eine Oper mit dem Titel »Gustav III.« zu schreiben, welchen Stoff auch Scribe bereits für die Große Oper in Paris bearbeitet hat. Die Zensur weigerte sich jedoch, das Libretto zu genehmigen und verlangte bedeutende Änderungen an demselben, denen sich Verdi nicht unterziehen wollte. Infolgedessen wurde die Oper nicht abgeliefert, und die Direktion verlangt jetzt vierzigtausend Dukaten Schadenersatz. Man sieht dem Ausgang des Prozesses mit Spannung entgegen."

Dieser Meldung der Pariser „Gazette Musicale" vom 4. April 1858 lag die Weigerung der Zensurbehörde in Neapel zugrunde, eine Oper Verdis aufführen zu lassen, in der, und noch dazu unmittelbar nach dem Attentat Orsinis auf Napoleon III. in Paris, ein Monarch, König Georg III. von Schweden, auf der Bühne ermordet wird. Man befürchtete wohl, die Zuschauer könnten hiebei Appetit auf Königsmorde bekommen. Auch in Rom, wo Verdis „Amelia oder ein Maskenball" schließlich 1859 in einer unzulänglichen Aufführung zum erstenmal über die Bühne ging, mußte der Komponist dem Zensor des Papstes zumindest ein wenig von dem konzidieren, was er dem des Königs von Neapel rundweg abgeschlagen hatte: Aus dem schwedischen König Georg III. wurde ein amerikanischer Gouverneur von Boston gemacht, um den es in den Augen königstreuer Gemüter nicht ganz so schade war.

„Der Maskenball" schließt die Reihe der Opern der mittleren Periode Verdis ab, die er für seine politisch zerrissene Heimat geschrieben hat, und er enthält in einem kostbaren Konzentrat alles, wodurch sich der große Komponist bis dahin bereits die Unsterblichkeit gesichert hatte: schwelgerische Kantilenen und mitreißende Stretten, volltönende, melodische Chöre und Ensemblesätze von geschmeidigster, durchsichtig gegliederter Mehrstimmigkeit, zwischendurch die Operndramatik knirschender chromatischer Halbtonrückungen und drängender Synkopen, die für die empfindlicheren Zeitgenossen etwas Barbarisches hatten, hier aber einen letzten Zuschliff von beinahe gallischer Eleganz erhalten haben.

An dieser Station seines Schaffensweges angelangt, hätte der geniale Opernkomponist und italienische Nationalheld Verdi jedes Jahr aus seiner angesammelten Erfahrung zur Begeisterung seiner Landsleute eine neue Oper schöpfen — oder sich wie sein großer Landsmann Rossini an den Kochherd zurückziehen können. Statt dessen schrieb er, in jahrelangen Intervallen, seine nächsten drei Bühnenwerke „Macht des Schicksals", „Don Carlos" und „Aida" fürs Ausland und entwickelte das italienische Musikdrama weiter bis zur Vollendung seines „Othello", um dann — „Menschlichem Ermessen zufolge ist »Othello« das letzte große Werk des großen Meisters", schrieb damals ein Biograph — im Alter von 80 Jahren die unbegreifliche Genietat seiner einzigen komischen Oper, des „Falstaff", folgen zu lassen.

★

Die Neuinszenierung des „Maskenballs" hat die italienische Stagione an der Wiener Staatsoper mit einem schönen Höhepunkt abgeschlossen. Kaum zu übersehen, von wo der viele Glanz überall herkam, in der Hauptsache schien er aber doch vom Taktstock Dimitri Mitropoulos' auszustrahlen. Der griechische Zauberer scheint das Zauberkraut gepflückt zu haben, das die Macht gibt, ein symphonisch konzertierendes Orchester dem Belkanto auf der Bühne fugen- und bruchlos unterzuordnen, das Schwere und das Leichte, Dramatik und Wohllaut zu einer höheren, der idealen Verdi-Einheit zu verbinden und mit dem letzten Bild des Maskenballs noch eine letzte verinnerlichte Steigerung herbeiführen. Glücklicher Gouverneur Richard, in einem solchen Meer des Wohllautes sterben zu dürfen!

Auf der Bühne schien eine Belkantoepidemie ausgebrochen zu sein. Birgit Nilsson ist eine schlechtweg vollkommene, eine Traum-Amelia, Giuseppe di Stefano, der als Richard seinem prachtvollen Tenor keine Schonung auferlegte, singt auch herrlich, wenn er nicht indisponiert ist. Ein zum Abküssen niedlicher Page, an dem man sich nicht sattsehen und -hören kann, ist der Oscar der bezaubernden Erika Köth. Die großartige Giulietta Simionato sang die Wahrsagerin Ulrica mit jener dramatischen Kraft, die wir nach allem Vorhergegangenen von ihr erwarten durfte. Ettore Bastianini als René konnte an den ariosen Stellen seiner Partie sein schönes Organ voll zur Geltung bringen; ganz konnte sich der Rezensent mit seinem Vortrag aber wieder nicht befreunden, einer seltsamen Mischung von Gesangskultur und stimmlicher Ungelöstheit. Norman Foster und Ljubo Pantscheff waren zwei sicher singende Verschworene von verläßlicher Hinterhältigkeit.

Josef Gielen hat diesen „Maskenball" mit allzu opernkundiger Hand in Szene gesetzt. Der Bühnenbildnerin Ita Maximowna aber gelang es im letzten Bild mit einem Geniestreich, Trägerin der Titelpartie zu werden: ihr Maskenball wurde in die Musik hinein mit einem spontanen Separatapplaus bedacht. Das war die Eleganz der französischen Großen Oper, in den Kostümen verschmolzen mit südlich-italienischem Farbenprunk. Auch der grün schimmernde Gouverneurssaal im ersten Bild war von französisierender Eleganz, Wahrsagerin- und Galgenbild gerieten etwas konventioneller in pittoresker Opernromantik.

So wie diesen „Maskenball" kann sich der patriotischeste Vorkämpfer für eine deutsche Nationaloper die welsche Invasion unvergrämt gefallen lassen.

W.

Das gibt's nur einmal

Leider nur bei der gestrigen Premiere sang Giulietta Simionato die Partie der Ulrica. Sie wird in den kommenden „Maskenball"-Aufführungen der Staatsoper von Jean Madeira abgelöst

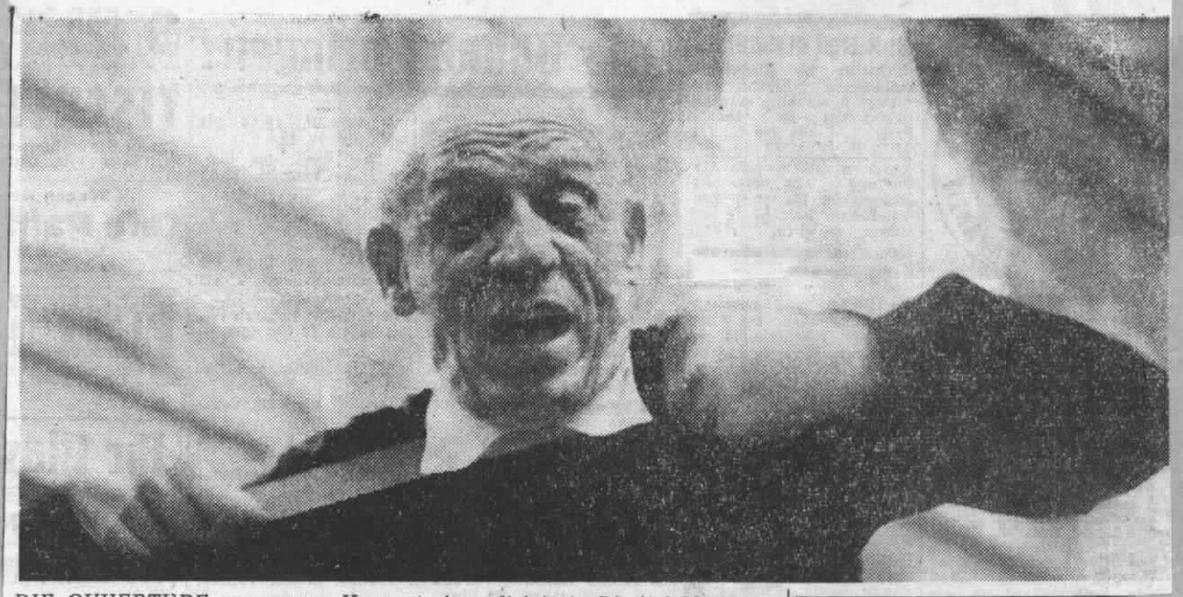
Samuel Barber's Pulitzer Prize winning opera "Vanessa," the first American opera given by the Metropolitan in 24 years and the first under the aegis of Rudolf Bing is on the markt this week in a masterful RCA Victor recording that is a certain contender for top opera album of the year honors.

Like Poulenc's recently produced "Diaglogues of the Carmelites," the four-act "Vanessa" is opera in the grand manner that is supposed to have died with Puccini but now seems headed for a major revival.

Under the sure baton of Dimitri Mitropoulos, Eleanor Steber, Nicolai Gedda, Giorgio Tozzi and Rosalind Elias renew the roles that brought them salvo after salvo of balcony bravos on opening night last Jan. 15.

The only thing American about "Vanessa" is its composer. Gian-Carlo Menotti's libretto, in sometimes strained but frequently lilting English, has to do with a tale of middle-aged love that is a Chekov and half Bronte sisters. Trite, tiresome and sometimes, particularly in the long recitative passages, almost unintelligible, it is brought to life by Barber's thrilling, wonderfully melodic score. "Vanessa" should soon join Van Cliburn at the top of the best selling list.

Tucker and Mitropoulos study score in Tel-Aviv



Israeli Tosca

Although familiar from previous visits with the intense musical life in this small country, one is surprised all the same by the goings-on in typically hot Near-East July temperature. Since the day Toscanini himself raised his baton to inaugurate the Israel Philharmonic, no conductor has been greeted in the Holy Land with such enthusiasm as Dimitri Mitropoulos. Now that the American-sponsored Frederic Mann Auditorium has given the Philharmonic an adequate home, the strenuous necessity of repeating every program nine times in Tel-Aviv alone, not counting Haifa and Jerusalem, can be mitigated. Nevertheless, during his five-week stay in Israel Mitropoulos had to lead no fewer than eight concert performances of *Tosca* to satisfy all subscribers. The choice of *Tosca* left some doubts as to the suitability for concert performance of such a dramatic libretto. Plans for Andreas Nomikos to design a semi-staged production had to be abandoned for lack of space.

Richard Tucker sang Cavaradossi with an extraordinary voice and interpretation that dominated the whole ensemble. The excellent Tosca was *Kammersängerin* Hilde Zadek of the Vienna Staatsoper, Israeli-born; the Scarpia of Cesare Bardelli. Lawrence Davidson's Sacristan and local artists in minor roles made up a superior company. The Israel Philharmonic, responding superbly to Mitropoulos' wishes, unveiled new beauties in the score. At the first performance, in the presence of Prime Minister Ben-Gurion, members of the government and the entire diplomatic corps, Mitropoulos conducted not only "The Star-Spangled Banner"—it was July 4—but the Israeli national anthem, "Hatikvah" (The Hope).

DIE OUVERTURE zur neuen Konzertsaison dirigierte Dimitri Mitropoulos: Der griechisch-amerikanische Maestro war mit plastischer Gebärde dem ersten „Philharmonischen" ein temperamentvoller Chef.

Gestern im Großen Musikvereinssaal:

Spannung aus der Hosentasche

1. Abonnementkonzert der Wiener Philharmoniker, Samstag und Sonntag im Großen Musikvereinssaal, unter der Leitung von Dimitri Mitropoulos, Programm: Werke von Couperin-Milhaud (Introduktion und Allegro), Schönberg („Verklärte Nacht") und Franz Schmidt (2. Symphonie).

Nach der Pause gab es einen vergnüglichen Zwischenfall: Vor den Augen des Publikums begann Mitropoulos verlegen herumzukramen und zog schließlich seinen Dirigentenstab aus der — Hosentasche. Die Heiterkeit im Saal war Ausdruck von Sympathie. Nicht jeder Pultgott gebärdet sich so menschlich.

Den Taktstock in der Hosentasche, die Partitur im Kopf, die Musik im Herzen und das Orchester in seiner Gewalt: das ist Dimitri Mitropoulos. Ein Künstler, dem Interpretation Dienst am Werk und subjektive Aussage bedeutet. Zwischen diesen Polen ereignet sich das faszinierende Schauspiel einer Auseinandersetzung, bei der er nicht immer auf der Seite des Komponisten, aber stets im Interesse der Musik teilnimmt. Bei ihm bedeuten Intensität, Phantasie und Persönlichkeit mehr als objektive Richtigkeit.

Man erkannte das am besten bei der zweiten Symphonie von Franz Schmidt, die fast wie ein gutes Stück klang, weil sie von Mitropoulos mit Energie und gewaltigem Aufwand an effektvollen Retuschen zumindest spannend nacherzählt wurde. An ihrer akademisch fundierten, schönseligen, wenn auch durchaus achtbaren Hinterwäldler-Mentalität vermochte allerdings auch er nichts zu ändern. Aber er kaschierte sie gut.

Auch Schönbergs „Verklärte Nacht", das aus der „Tristan"-Welt erwachsene geniale Stück auf Dehmels Gedicht von den „Zwei Menschen", mußte sich ein paar dramaturgische Eingriffe gefallen lassen. Hier dienten sie aber der äußersten Verdichtung einer ekstatischen Stimmung, der Nachzeichnung von Gedanken, Tonbildern und psychologisch motivierten Nuancen, die in ihrer Expression von ganz außerordentlichem Reiz sind.

Diese schon historische Musik, in der sich die ganze Romantik nochmals spiegelt, war unbestreitbarer Höhepunkt des Konzerts: wegen ihrer eigenen geistigen Größe und meisterlichen Konzeption, und wegen der atmosphärischen Dichte, Spannung und Präzision ihrer Wiedergabe.

Mitropoulos und die Philharmoniker

Der Wunsch, die überragende musikalische Erscheinung Dimitri Mitropoulos' enger und dauernd mit dem Wiener Musikleben verbunden zu sehen, war schon nach den ersten Opern- und Konzertaufführungen, die der großartige Dirigent in Wien geleitet hatte, einmütig. Daß Mitropoulos diesen Wunsch in der Folge erfüllen konnte, war erfreulich und brachte uns den Gewinn einer Reihe großer musikalischer Erlebnisse, die, wie wir hoffen, sich auch weiterhin fortsetzen werden.

Auch daß die Wiener Philharmoniker ihre neue Saison mit einem Konzert unter Mitropoulos eröffneten, an dessen Ende sie ihm selbst applaudierten, zeigte, daß auch dieses selbstbewußte, eigenwillige und nicht gerade risikofreudige Orchester die große lebendige Kraft eines Künstlers erkannt hat und zu schätzen weiß, der den Mut hat, die Konventionen bequemer Kommerzprogramme zu zerbrechen und das Publikum für eine Musik zu gewinnen, die nicht nach dem Starprinzip des mühelos-sicheren Publikumserfolges ausgewählt wurde, sondern aus der Verpflichtung des echten Künstlers gegenüber jeder Art echter Musik aus Vergangenheit und Gegenwart.

Mitropoulos scheut keine Arbeit, selten Gehörtes oder Neues einzustudieren und aufzuführen, im Gegenteil, gerade das ist sein musikalisches Lebenselement, das empfindet er als seine besondere Aufgabe. So gab es plötzlich in einem „Philharmonischen" Arnold Schönbergs „Verklärte Nacht", diese unerhört begabte und feinziselierte Streichermusik des ganz frühen Schönberg, der hier ein Gedicht von Richard Dehmel gleichsam als Lied für Geigen, Violen, Celli und Kontrabässe komponiert hat. Das Werk, das so gar nicht den großen Vater der Zwölftonmusik vorausahnen läßt, fand in seiner noch völlig romantischen Versponnenheit, von Mitropoulos zärtlich herausmodelliert, eine Wiedergabe durch die Philharmoniker, die allen Zauberklang der Wiener Streicher erblühen ließ.

Geradezu frenetische Beifallsstürme wurden Mitropoulos und den Philharmonikern nach der Aufführung von Franz Schmidts Zweiter Symphonie in Es-Dur zuteil. Auch diesen Österreicher hatte Mitropoulos, der das ganze Programm auswendig dirigierte, so völlig in sich, daß er all die barocke, fast allzu dick aufgetragene Üppigkeit dieses Werkes mit seiner, man möchte beinahe sagen, gewaltsamen Lebensfreude ebenso faszinierend und mit der gleichen genialen Selbstverständlichkeit wiedergab, wie das Traumgespinst der „Verklärten Nacht".

Eine schöne, alte, prächtig einherrauschende Musik des François Couperin, die Darius Milhaud neubearbeitet hat, eröffnete effektvoll das Konzert, an dessen Schluß des Beifalls für Mitropoulos kein Ende war.

Gestaltung aus dem Erlebnis

Saisonbeginn bei den Wiener Philharmonikern — Mitropoulos dirigierte

Daß Dimitri Mitropoulos dieses erste philharmonische Konzert der Saison 1958/59 mit Ouvertüre und Allegro aus der Suite „La Sultane" Françoise Couperins, und zwar in der Orchestrierung und freien Transkription Darius Milhauds, eingeleitet hat, ist charakteristisch für diesen Dirigenten; denn die typisch romantische Bearbeitung, die die Substanz, das Majestoso der barocken Klangwelt, zwar erhält, aber mit üppigen orchestralen Mitteln in eine andere Zeit transponiert, entspricht so richtig dem Verhältnis, das Mitropoulos zur Musik hat. Er erlebt jedes Werk mit großer seelischer Impulsivität, und sein Gestalten ist von diesem unmittelbaren Erleben inspiriert. Aber die Einfühlung, die er in die Tat der Aufführung umsetzt, ist im innersten Wesenskern des Werkes verwurzelt und geht mit einer präzisen technischen Durchdringung der Komposition Hand in Hand, vereinigt also die Auffassungsprinzipien des Dirigenten alter und neuer Schule. Das Ergebnis ist unbedingt eindrucksvoll.

Der spätromantischen Gefühlsbewegtheit von Arnold Schönbergs „Verklärter Nacht", über deren Erotik Dunkel und Mondlicht in eigenartigem, stimmungsdichtem Zusammenklang gebreitet sind, ist Mitropoulos mit geradezu dämonischer Einfühlsgabe gefolgt, so daß die Längen der auf einen einheitlichen, schweren Stimmungsgrundton festgelegten Komposition nicht zu sehr hervortraten.

Mitropoulos' unkonventionelle Programmbildung verzichtete auf das klassisch-romantische Standardwerk. Denn abschließend erklang die 2. Symphonie Franz Schmidts, dieses zu Unrecht meist so sehr vernachlässigten österreichischen Meisters, der über melodisch-klanglich reich quellende Einfälle verfügt und Form und Kompositionstechnik meisterlich beherrscht hat. Schmidts individueller Musikstil, der im Klang spätromantische und impressionistische Elemente vereint und des Komponisten Geburt und Wirken im deutsch-magyarisch-slawischen Grenzraum dokumentiert, gibt auch dieser Symphonie das Gepräge. Die Wiener Philharmoniker ließen das prächtig schillernde Klanggewebe der Partitur zu voller glänzender Wirkung erblühen und boten eine passionierte und präzise musizierte Wiedergabe des Werkes, dessen epische Grundhaltung und Breite, durch die Einzelsätze zum Ganzen umklammernde Variationstechnik unterstreichend, unter Mitropoulos' Leitung, mit dynamisch erreichten Effekthöhepunkten ausgestattet wurde.

MUSIK IN WIEN:

Programme, aber kein Programm

Zum ersten philharmonischen Konzert unter Dimitri Mitropoulos

Die Gesellschaft der Musikfreunde und die Wiener Philharmoniker sind die Hüter des „Grals" des Wiener Musiklebens. Während die Wiener Konzerthausgesellschaft konsequent die nicht immer eben gängigen Wege des Neuen und Unbekannten begeht, wahren diese beiden Institutionen den traditionellen und — konventionellen Anteil des Wiener Konzertbetriebes. Ihre Konzert haben darum immer einen ebenso gesellschaftlichen wie künstlerischen Aspekt: Wer in ersten Wiener Kreisen etwas gelten will, „muß" einfach im letzten Philharmonischen gewesen sein, den Karajan-Zyklus abonniert und seinen Stammsitz in der „Großen Symphonie" haben. Die Veranstalter ihrerseits leiten daraus, in einem ein wenig vitiosen Zirkel, ihre Verpflichtung ab, dem Stammpublikum nur jene Werke, die ihm — immer und immer wieder — genehm sind, anzusetzen — man will es sich ja auch für die nächste Saison erhalten.

So kommen jene Programmzyklen zustande, die Jahr für Jahr um die Gestirne Beethoven — Schubert — Brahms — Bruckner — Tschaikowsky — Strauss kreisen. Wenn es ein Jubeljahr erheischt, dann wird vielleicht ein Ausflug unternommen: Mozart, Schumann, Mahler erscheinen etwa verschämt auf den Programmen. Heuer nun hätten sich gar ehrenvolle und notwendige „Ausflüge" verlohnt. Immerhin fallen in diese Konzertsaison der 200. Todestag Händels, der 150. Todestag Haydns, der 150. Geburtstag Mendelssohn-Bartholdys, vom 300. Geburtstag Henry Purcells ganz zu schweigen. Wie ehren die beiden großen Wiener Konzertinstitutionen diese illustren Daten? Der Musikverein veranstaltet einen Beethoven-Zyklus (der unter dem greisen Klemperer zweifellos ein großes künstlerisches Ereignis werden wird) und einen Brahms-Zyklus (der durch den Dirigenten Sawallisch nicht minder Fulminantes verspricht), die Philharmoniker (die wenigstens zwei Haydn-Symphonien, Händels „Wassermusik" und die komplette „Sommernachtstraum"-Musik in ihrem Programm haben) spielen sich durch ihre Standardroute von Schuberts Achter und Neunter über Beethovens Fünfte und Sechste, Bruckners Fünfte und Sechste, Brahms' Erste zu „Daphnis und Chloë" und den „Bildern einer Ausstellung" durch. Ist soviel Uniformität, soviel Einfallslosigkeit wirklich nötig und statthaft? Hatte man nicht Sawallisch einen Zyklus mit Haydns zwölf „Londoner Symphonien" anvertrauen können, hätten nicht die Philharmoniker ihren Dirigenten einige Solistenkonzerte Haydns und zumindest die ersten vier Mendelssohn-Symphonien als Pflichtstücke vorschreiben können? Routine und Bequemlichkeit haben wieder einmal über wache, verantwortungsbewußte Programmgestaltung gesiegt.

Die Ausnahme bestätigt die Regel. Dimitri Mitropoulos, dieser unbequeme, weil konzessionslose Musiker, ist die Ausnahme. Er hat am letzten Wochenende vordemonstriert, wie die Programmgestaltung der Wiener philharmonischen Konzerte aussehen könnte, besser: wie sie vor 20 Jahren schon hätte aussehen können. Denn das Seltsame begab sich in diesem ersten philharmonischen Konzert, daß ein Konzertprogramm, das — verglichen mit den übrigen — geradezu avantgardistisch zu nennen ist, zwei Werke enthielt, die nur mehr mit dem Vorzeichen des „Es war einmal", mit dem kritischen Bewußtsein unseres Abstands von ihnen, erlebbar waren. Patina hat sich sowohl auf Arnold Schönbergs Streichsextett „Verklärte Nacht" (ein Frühwerk des Jahres 1899 über ein Dehmel-Gedicht) wie auf die Es-Dur-Symphonie, die zweite, von Franz Schmidt gelegt. In Schönbergs Stück, das eminent wichtig für seine künstlerische Mannbarwerdung ist, wetterleuchtet, ja gewittert es: Es ist harmonisch wie thematisch engverspannt, unheimlich dicht in der Stimmführung, immer wieder lodert Schönbergs Ekstatik hoch. Im ganzen aber läßt sich der Eindruck einer übermächtigen „Tristan"-Nachfolge, voll Pathos und romantischer Gefühligkeit, nicht bannen. Was für Schönberg Wagner, ist für Franz Schmidt Anton Bruckner. Er folgt diesem seinem Meister auf allen Wegen, in der Handhabung des Orchesterapparats, im Stufenbau, in der Themenbildung, in der Choralkrönung. Kleine harmonische Schärfungen, impressionistische Farbanleihen und formale Ausweitungen werden demgegenüber unwesentlich. Daß, als diese Symphonie geschrieben wurde, die Atomexplosion des „Sacre du printemps" schon stattgefunden hatte — man ahnt es nicht einmal. Viel österreichische Beschaulichkeit lebt in Schmidts Zweiter ein fröhliches und lärmend lautes Leben.

Überflüssig zu sagen, daß Dimitri Mitropoulos jede Note mit Leben erfüllte und allen drei Werken (die von Darius Milhaud bearbeitete Ouvertüre und Allegro aus „La Saltane" von Couperin hatte das Konzert eingeleitet) zwingende Gestalt verlieh. Nicht minder überflüssig zu sagen, daß die Philharmoniker (bei Schmidt auch die arg strapazierten Bläser) in Höchstform musizierten.

ÖSTERREICHISCHE NEUE TAGESZEITUNG

Glücklicher philharmonischer Start

Mitropoulos dirigierte ein prächtiges Eröffnungskonzert — Beifall für Schönberg und Schmidt

Immer wieder, wenn Mitropoulos am Pult der Philharmoniker steht, werden intensive Erinnerungen an Furtwängler lebendig. Das liegt nicht so sehr an einer äußeren Ähnlichkeit — obwohl es in der Stabführung zuweilen verblüffende Parallelitäten gibt (der abwärtsfahrende Zickzackblitz der rechten Hand!) —, als vielmehr am aufbrausenden Temperament, an der durchaus von innen herausbrechenden Gefühlskraft, die niemals klingende Geometrie, sondern stets blutvolle Musik vermittelt. Die Philharmoniker bewundern respektvoll seine souveräne Zeichengebung, sein enormes musikalisches Gedächtnis (Mitropoulos kommt sogar zu den Proben ohne Partitur, und das tut nicht einmal Karajan), und wo sie bewundern, dort sind sie auch bereit, bedingungslos „auszupacken" und ihr Bestes zu geben. Und dann sind sie einfach konkurrenzlos.

Das Programm dieses prachtvoll musizierten philharmonischen Eröffnungskonzertes war ebenso unkonventionell wie überraschend. Francois Couperin, der französische Barock- und Suitenmeister, dessen Ouvertüre und Allegro aus der Suite „La Sultane" in der freien Transkription von Darius Milhaud zum ersten Male in Wien und bei den Philharmonikern erklang, heißt nicht umsonst „Le Grand". Der Sonnenkönig wußte, wen er sich da zum Kammervirtuosen erwählte. Größe atmet diese Musik, in der auch die mystischen Hintergründe der Barocke fühlbar werden, obgleich Milhaud sehr persönliche Klangfarben beimischt und die Fassung für großes modernes Orchester (mit Harfe, Piccoloflöte und Triangel) den Originalstil stark verfremdet. Mitropoulos geht mit romantischer Haltung an das rauschende Werk heran und schlägt damit die Brücke zur „Verklärten Nacht", in der Arnold Schönberg noch einmal in sieben Tönen (und in „Tristan"-Ekstatik) schwelgte, ehe er sich den zwölf Tönen zuwandte und damit der Tonalität ade sagte. Warum hat er das getan? fragte meine Sitznachbarin mit echtem Bedauern. Vielleicht hätte er es sich überlegt, hätte er seinen tonalen Schwanengesang von Mitropoulos und den Philharmonikern spielen gehört. Was für ein Streichkörper! Eigentlich müßte man auf ihn einen Hymnus schreiben. Das philharmonische Publikum wurde richtig warm — bei Schönberg. Das gibt es auch.

Die Überraschung aber kam nach der Pause. Mit der Aufführung von Franz Schmidts „Zweiter" hat sich Mitropoulos ein besonderes Verdienst erworben. Wie lang ist es her, seit man sie nicht mehr gehört hat? Und wer sich ihrer noch erinnerte, hatte sie gewiß nicht so schön, so phantasievoll, so einfallsreich in Erinnerung. Mitropoulos dirigiert auch diese Meisterpartitur auswendig, kennt jeden Ton, jede Nuance, bringt das Werk, in dem Schmidt zwischen Brahms und Richard Strauss seine eigenen kunstvollen, klangfrohen und gefühlstiefen Wege geht, zu blühendster Wiedergabe. Hoffentlich nimmt er das Werk mit über das große Wasser; hoffentlich hat er dort wenigstens annähernd so hinreißende Interpreten wie unsere Philharmoniker.

Alexander Witeschnik

Erstes philharmonisches Konzert der Saison

II. Symphonie von Franz Schmidt mit Mitropoulos

Dimitri Mitropoulos eröffnete die philharmonische Saison. Alle Musik, die dieser geniale Dirigent erklingen läßt, leuchtet in goldenem Glanz; so auch die Aufführung der von Milhaud orchestrierten und transkribierten Couperin-Suite „La Sultane". Ob die unverkennbar klaviermäßig ersonnene Thematik des Stückes, in das Galakleid vielstimmigen Instrumentalklanges gezwängt, nicht an Ursprünglichkeit verliert, bleibe dahingestellt. Der Ausspruch Kants: „Unser Zeitalter ist das Jahrhundert der schönen Kleinigkeiten und Bagatellen", war für Milhaud keineswegs bestimmend, der die kleine geordnete Form des Couperinschen Gestaltungswillens unter die vergrößernde Lupe nimmt und ihr Würde und Pathos Racinescher Verse verleiht. In zweifacher Hinsicht jedoch ist Milhauds Bearbeitung bemerkenswert: sie ist nicht allein tönender Ausdruck einer Ästhetik, welcher der Komponist in seinen, mit Claude Rostand geführten „Gesprächen der Musik" leidenschaftlichen Ausdruck verlieh, sondern auch Bekenntnis zur nationalen Eigenschaft der „Clarté", in welcher er das Grundgesetz französischer Musikgestaltung erblickt.

Den Eindruck durchdringender Klarheit empfängt der Hörer von Schönbergs „Verklärter Nacht", dem zweiten Stück der Vortragsfolge des Konzerts nicht ohne weiteres, obgleich dieses, ursprünglich als Sextett komponierte und späterhin zur symphonischen Orchesterdichtung erweiterte Werk in manchen Akkordfortschreitungen und enharmonischen Umdeutungen schon gleichsam Vorstudien und Hinweise auf die Logik und mathematische Exaktheit des reifen Schönberg-Stils enthält. Die Abhängigkeit von Wagner, im besonderen von Tristan-artigen Ekstasen, gemischt mit impressionistischen Klangeffekten, verweist jedoch diese Komposition, die den seltsamen Versuch unternimmt, Kammermusik mit programmatischem Inhalt zu versehen, in epigonale Bezirke. In den Schöpfungen Mahlers und Regers fand der Zeitgeist der zur Neige gehenden zweiten Romantik größer dimensionierte und überzeugendere, eigenpersönliche Verkörperung. Dessenungeachtet war es ein ungetrübter Genuß, dem herrlichen Streicherklang des Orchesters zu lauschen, das unter der suggestiven Führung des Dirigenten alle Ausdrucksnuancen der Partitur in selten zu vernehmender Vollkommenheit aufblühen ließ.

Daß man ein bedeutender Komponist sein kann, ohne gleichzeitig auf den Titel Reformator oder Schulbegründer Anspruch zu erheben, beweist Franz Schmidt, dessen Es-dur-Symphonie die zweite Programmhälfte ausfüllte. Wie Mahler und Reger war es auch ihm gegeben, unter eine große Epoche der Musik den Schlußstrich zu ziehen. Seine Kunst stützt sich nicht wie die der eben Genannten auf intellektualisierende Komponenten, sie entratet jedes Nebensinnes, jeglichen Strebens nach außermusikalischer Deutung. Sie schöpft vielmehr aus der Fülle einer gesegneten Phantasie, die in ihren begnadetsten Momenten, etwa im Seitenthema des ersten Satzes der Symphonie, in transzendentale Höhen reicht. Mit Recht weist Andreas Liess, der tiefgründige Schmidt-Kenner und -Biograph, auf die gerade in diesem Werk zutage tretende meisterhafte Synthese zwischen Polyphonie und Variationsprinzip hin.

Jenseits dieser allgemein gültigen Werte aber strahlt diese Symphonie einen Zauber lokaler Natur aus. Schmidt war in der Tat ein symphonischer Barde, der die typischen Elemente österreichischen Musikempfindens zu einer Einheit verschmolz. Mag man auch in der Bläserfuge des Finales an Brucknersche Vorbilder gemahnt werden oder aus den reizvollen Walzervariationen eine Sublimierung Johann Straußschen Lustspielgeistes heraushören, so liegt hierin keineswegs gedankenloser Eklektizismus, sondern organische Weiterentwicklung durch einen wahrhaft Berufenen.

Weit über lokale Bedeutung hinausreichend, ist jedoch die Tatsache, daß ein Dirigent vom Rang Mitropoulos' erstmalig zum Sachwalter eines Franz-Schmidtschen Werkes wurde, welches er in einer begeisternden, für die Einhaltung der großen Linie, gleicherweise wie für die Pflege des Details sorgenden, keinen Wunsch offen lassenden Interpretation vorüberziehen ließ. Die mit Verklingen des letzten Taktes der Symphonie zu Ehren des Dirigenten spontan einsetzenden Ovationen der Philharmoniker, in deren Reihen zahlreiche Franz-Schmidt-Experten zu finden sind, waren nicht allein Dank für eine außerordentliche Dirigentenleistung, sondern wohl auch Ausdruck des Wunsches, sie möge sich dies- und jenseits des Ozeans noch oft wiederholen. Mi.

Hinreißender Auftakt der Konzertsaison

Mit zwei Galaveranstaltungen wurde die neue Konzertsaison eröffnet: im Musikverein konzertierten die Philharmoniker — der Dirigent Mitropoulos sorgte dabei nicht nur für herrliche Aufführungen, sondern vor allem auch für ein interessantes Programm — und im Konzerthaus erinnerten die Pianisten Paul Badura-Skoda und Jörg Demus an die hervorragende Qualität der „wienerischen Hausmusik". Beide Veranstaltungen fanden jubelnden Beifall eines begeisterten Publikums: der Auftakt für die Spielzeit 1958/59 ist prächtig geglückt.

Mitropoulos und die Philharmoniker nahmen sich — nachdem sie eine Ouvertüre von Couperin in der Orchestrierung Milhauds gespielt und damit ein zierliches Barockwerk, in einen recht drückenden Blechpanzer gehüllt, vorgestellt hatten — Schönbergs Opus 4 („Verklärte Nacht") und der II. Symphonie von Franz Schmidt an. Es ist für unser Meisterorchester zumeist ziemlich schwierig, einen Dirigenten zu finden, der es bei der Wiedergabe „ausgefallener" Werke zu führen bereit ist. An der Spitze der Philharmoniker will jeder Pultvirtuose „seinen" Brahms oder Beethoven demonstrieren, und meint, er vergebe sich etwas, wenn er auf diese erfolgverheißende Parade verzichte. Mitropoulos hingegen fand sich schon wiederholt bereit, für selten gespielte Kompositionen einzutreten. Daß er dabei jedesmal auch einen persönlichen Triumph erzielte, sollte seine Kollegen im Taktstock nachdenklich machen.

Es ist allerdings die Frage, ob jedem Orchesterleiter etwa die Darstellung der „Verklärten Nacht" von Schönberg auch nur annähernd so spannungsreich und vollkommen gelänge wie Mitropoulos. Das Stück ist für eine intime Sphäre und für sechs Instrumente geschrieben. Die Uebertragung seines feindifferenzierten Klangbildes in die großen Formen sowohl des Raumes als auch des reich besetzten Streicherensembles erforderte daher eine Einfühlung, die nicht von jedermann erwartet werden kann. Mitropoulos und die Philharmoniker haben die ihnen gestellte schwierige Aufgabe in idealer Weise gelöst. Erschütternd und ergreifend, beglückend und erhebend klang die Musik durch den goldenen Saal: keiner wird die Aufführung vergessen, der Zeuge dieses Ereignisses werden durfte.

Mitropoulos hatte sich aber auch in die Welt Franz Schmidts vorzüglich eingelebt. Es mag sein, daß er — der sich stets darauf beruft, ein Ensemble nicht nur zu führen, sondern auch von ihm zu lernen — von den Philharmonikern, denen Schmidts Tonsprache gleichsam aus Familienkreisen bekannt ist, manche Erfahrungen übernommen hatte. Sicher aber hat Mitropoulos mit untrüglichem Spürsinn vor allem jene Wesenszüge der Musik betont, die aus dem „wienerischen Musizierraum" hinausweisen. Er straffte durch dramatische Ballung einige Längen des Werkes, ließ die Geigen in den lyrischen Partien frei ausschwingen und zwang die Bläser, scharf konturierte Akzente zu setzen. Sogleich zeigte sich in der Klarheit, die der Grieche Mitropoulos — darin echter Sohn eines Mittelmeerlandes — über alles liebt, daß die Komposition Schmidts wahrlich über die lokale Sphäre hinausreicht und überall gehört zu werden verdient.

Mitten hinein in die wienerische Sphäre aber führten Jörg Demus und Paul Badura-Skoda ihr Publikum. Das vierhändige Klavierspiel ist heute aus der Mode gekommen, wie überhaupt die Hausmusik trotz vielen Bemühungen nicht mehr jenes Ansehen genießt, das sie etwa im Biedermeier gefunden hatte. Freilich entdeckten die beiden Künstler auch bei Hindemith ein fröhlich musizierendes Werk dieser Art, aber der Schwerpunkt ihres Konzerts war selbstverständlich durch die Werke Franz Schuberts gegeben, dessen Hausmusik zur edelsten Unterhaltungsmusik aller Zeiten gehört und auch heute noch ein aufnahmebereites Publikum zu finden vermag, wenn man sich ihrer nur erinnert. So spielten denn der temperamentvolle Paul und der empfindsame Jörg in einem Saal, den sie in einen Salon verwandelten, Aug in Aug und Herz am Herzen mit dem Publikum Unterhaltungsmusik; am liebsten hätten sich die Zuhörer zu ihnen aufs Podium gesetzt oder es begrüßt, wäre das Instrument mitten im Saal aufgestellt worden. Der Beifall trieb sie an, zur eigenen und des Publikums Freude immer noch etwas aus dem Schatzkästchen der Hausmusik hervorzuholen. Es war ein zauberhaft schöner Abend, der recht bald wiederholt werden sollte. Ma.

Auftakt der philharmonischen Saison

Die Tradition der eher konservativen philharmonischen Programmbildung hat beim ersten philharmonischen Konzert dieser Saison eine beachtliche Auflockerung durch die selten gespielte Zweite Symphonie in Es-dur von Franz Schmidt und die Orchesterfassung von Arnold Schönbergs Sextett „Verklärte Nacht" erfahren. Bei der lebensfrohen, festlichen Symphonie des „späten Wiener Klassikers" imponieren gleichermaßen der monumentale Bau der Ecksätze wie die brillant instrumentierten, mit ungarischen und slawischen Elementen durchsetzten Variationen über ein Pastoralthema. Dimitri Mitropoulos hat sich des Meisterwerkes mit seinem temperamentgeladenen Musikantentum angenommen, wobei er wahre Klangwunder philharmonischen Musizierens erzielen und stürmischen Publikumsdank ernten konnte. Aber auch an dem in Tristanharmonik und lyrischen Stimmungen schwelgenden Frühwerk Arnold Schönbergs konnte man das Außerordentliche des berühmten Gastdirigenten fühlen, sein sensibles verfeinertes Klanggefühl und die große Ruhe gedanklicher Reife. Eingeleitet wurde das genußreiche Konzert mit zwei von Darius Milhaud allzu kompakt instrumentierten Sätzen aus der Suite „La Sultane" von François Couperin. K. B.

Philharmonischer Beginn

Darius Milhaud, Komponist des „Christoph Colomb" und des „Pauvre matelot", aber auch des „Boeuf sur le toit" und der „Machines agricoles", hat zwei Sätze aus einer Suite von Couperin le Grand „La Sultane" (vielleicht aus dem Suitenzyklus „Les nations"?) instrumentiert und frei, sehr frei, transkribiert. Die geschickte und elegante Arbeit, die sich auf Liszts, aber wohl kaum auf Ravels und Richard Strauss' Vorbilder berufen kann, scheint uns nicht nachahmenswert, weil die Anwendung eines modernen Riesenorchesters mit Instrumenten, die es zu Couperins Zeit nicht oder nicht in dieser Form gab, den Charakter dieser Musik ebenso wie das Eigengewicht ihrer Thematik denaturiert. Barockmusik beläßt man am besten in ihrer Originalfassung.

Im alten Bayreuth Cosimas durfte man, ohne anzustoßen, nicht von „Rienzi" oder gar von den „Feen" sprechen, die als Jugendsünden, besser zu vergessen, galten. Ähnlich geht es rechtgläubigen Modernisten mit Schönbergs „Gurreliedern oder der „Verklärten Nacht" aus der Zeit vor seinem atonalen Damaskus oder sagen wir lieber: Hiroshima. Sie gelten als spätromantisch (Anathema sit!) und wagnerepigonisch, wie sie ja in ihrer Superalteration und tristanesken Lyrik wirklich stark an Wagner anknüpfen. In der chorischen Fassung, für welche die Philharmoniker ihre Ersatzreserven und ihren Landsturm zum Dienst mit dem Bogen aufgeboten hatten, wird das noch deutlicher als in der Sextett-Urfassung und der Widerspruch einer einfallsreichen, aber lyrisch-statischen Programmusik mit der spezifischen Sonatenform und der Mangel an echter Dynamik deutlicher fühlbar.

Franz Schmidts Zweite Symphonie ist in ihrem prunkenden Choral- und Bläserglanz, ihrer grandiosen, Brahms und Reger weiterbildenden Variationentechnik, ihrem slawisch-magyarischen Einschlag ein Meisterwerk. Gleich das Kopfthema, wiewohl kaum eigentlich symphonisch und eher orgel- als streichermäßig erfunden, fesselt, und das Trompetenmotiv der Überleitung — es wird uns später bei der Erwähnung des „Reiters auf weißem Roß" im „Buch mit den sieben Siegeln" wiederbegegnen — ein echt dramatischer Einfall, dem ein lyrisches Seitenthema voll Brucknerscher Innigkeit folgt. Der Variationensatz, der auch Scherzo und Trio einschließt, zeigt Schmidts stupende Meisterschaft in der Veränderung, Auflösung und Reintegration eines prachtvoll erfundenen Themas und zugleich seine Freude an der Ausweitung und kombinatorischen Vielfältigkeit der Form. Die große Bläserfuge und der an den zweiten Satz anknüpfende Variationenteil des Rondofinales klingen in einem grandiosen Bläserchoral herrlich aus.

Noch ist Schmidt hier nicht ganz er selbst, wie in der Dritten und Vierten, noch „empfängt das Werk manches Licht von der Sonne Bruckners, und der effektvolle Schluß mit der prunkhaft schweren Blecheinkleidung eines an sich weichen, graziösen Variationenthemas als Choral ist eine stilistische Kühnheit" (Joseph Marx). Aber die Symphonie ist ein schon weitgehend von den Zeitgenossen anerkanntes Meisterwerk, das genügen würde, Schmidts Herme im österreichischen Pantheon neben jene Bruckners, Wolfs und Mahlers zu stellen.

Dimitri Mitropoulos vereint Karajans Präzision und Dynamik mit Furtwänglers tiefer Seelenhaftigkeit zu herrlicher Synthese. Wie er ein ihm wesensfremdes Werk eines Österreichers — auswendig dirigierend — plastisch zu höchster Wirkung aufbaut, ist eine staunenswerte Tat. Sie konnte freilich nur mit einem erlesenen, feinfühlig mitgehenden Meisterorchester wie den Philharmonikern gelingen, aber das nimmt ihr nichts von ihrer Größe.

Jubelnder Beifall. Y.

Words As Such Get Lost In 'Vanessa'

Mitropoulos, Conductor, At His Fiery Best

By J. ALBERT FRACHT
Conductor Charleston Symphony Orchestra

"Vanessa" Opera in four acts by Barber. Record No. five out of six sides in this controversial newly-born work provides the best meeting ground for the composer, librettist, performers and audience.

It is a pity the listener must wait until the last scene for complete satisfaction with this Pulitzer Prize Opera, but the libretto by Menotti is the kind of fantasy that suits Menotti as a composer but leaves Barber with wandering hands.

With so much depending on the story, it is sad to report that words as such get lost, particularly with Eleanor Steber, whose carelessness in this sense is particularly frustrating. Words sung by the men are intelligible and meaningful and with so much at stake, the ladies, who earn fully as much, should at the very least toe that mark.

Fortunately, the production is guided by Dimitri Mitropoulos and the conductor is at his fiery best. The inspired cast of stars is headed by Miss Steber, Rosalind Elias, Regina Resnik, Nicolai Gedda, Giorgio Tozzi, George Cehanovsky and Robert Nagy.

The opera consumes five sides with side six featuring previews of RCA Victor operatic releases such as "Lucia", "Gioconda" and "Cavalleria."

"Vanessa" is Barber's first opera. We have, judging by his work, every right to expect great things from him. As Americans all, we have good reason to take great pride in Barber's genius. (RCA Victor. LM-6138).

Barber's 'Vanessa' In Both Hi-Fi, Stereo

By SAM HOOD

The recording of **Samuel Barber's "Vanessa (Opera in Four Acts)"** deserves bravos for many reasons. It's the first American opera to be produced at New York's staid Metropolitan Opera House in 25 years, it won the Pulitzer Prize, and is RCA Victor's first opera album available in both hi-fi (monaural) and stereo.

"Vanessa," also, will naturally please devotees of opera in English.

Although Mr. Barber was acclaimed on Jan. 15 at the "Met" when **"Vanessa,"** his first opera, was premiered, he has for years enjoyed a deserved reputation as a composer in all fields of serious music—symphonies, ballets, concertos, chamber music, piano solos and songs.

SAMUEL BARBER

Mr. Barber, who is only 48, was at the age of 32 named by an American Society of Composers, Authors & Publishers poll as the most performed American composer of serious music. Also, the first American score conducted by the late Arturo Toscanini was a Barber opus.

There is Tri-State interest in the career of this Pennsylvania composer. A native of West Chester, near Philadelphia, he is the nephew of the late Louise Homer, the "Met" contralto during its golden age.

Also, soprano Eleanor Steber, who sings the "Vanessa" title role for this RCA Victor album and at the "Met" performances, is a native of Wheeling, W. Va.

* * * *

RCA Victor's **"Vanessa"**—in 3-LP hi-fi album LM-6138 and stereo album LSC-6138—was recorded under the supervision of the composer and also features other members of the original cast:

Mezzo-sopranos Rosalind Elias (Erika) and Regina Resnik (The Baroness, Vanessa's mother), tenor Nicolai Gedda (Anatol), basso Giorgoi Tozzi (The Doctor), baritone George Cehanovsky (Nicholas, the major-domo) and tenor Robert Nagy (a footman). Dimitri Mitropoulos conducts the Metropolitan Opera Orchestra and Chorus.

The "Vanessa" libretto was written by Gian-Carlo Menotti who is generally thought of as a words-and-music man in opera because of his Broadway hits "The Consul," "The Saint of Bleecker Street," "The Medium" and the television Christmas opera "Ahmal and the Night Visitors."

Mr. Barber and Mr. Menotti have been friends for years, since they were fellow students at Curtis Institute of Music, in Philadelphia. Today, they share duplex studios at Mt. Kisco in up-state New York.

Mr. Menotti's libretto concerns a 1905 story which has this pessimistic theme—that waiting and hoping are the whole of life and that when a dream is realized, it is destroyed. Yet, this opera has a bittersweet plot. Though Vanessa waits for two decades to get her man, she succeeds.

Mr. Barber, known as a neo-romantic composer, has filled the "Vanessa" score with sustained lyricism. Also, he dispenses with the usual lengthy overture and gets down to the story immediately.

BARBER OPERA RECORDED—Rosalind Elias, at left, and Eleanor Steber in "Vanessa," now on LP.

Still another debut on LP is that of Samuel Barber's **Vanessa,** which had its première at the Metropolitan Opera House last season, and is heard on a three-disk R. C. A. Victor set as performed by the original cast. The title role is sung by Eleanor Steber, with Rosalind Elias, Regina Resnik, Nicolai Gedda, Giorgio Tozzi, George Cehanovsky and Robert Nagy heard in other parts, and with Dimitri Mitropoulos conducting.

Hearing the work on records reinforces the impression made by its Metropolitan première, that it was a stout try. Mr. Barber knows how to write for voices, being himself a singer; his recording of his own "Dover Beach" was re-issued on LP by Victor not long ago. He writes considerately for his vocalists, and his orchestra does not annihilate them.

The music has a pleasantly Straussian flavor, and there are passages of great beauty throughout. On records, however, as in the theatre, the work just misses that indefinable element of vitality that brings a theatre piece to life. Although "Vanessa" gains momentum as it goes along, its total impact is that of a somewhat static theatre work. But it is a composition of such elegance and distinction that one hopes the composer will soon try his hand again at this demanding musical form.

Vienna Philharmonic Heard At Athens Festival

Athens. — "Athens Festival 1958" was the title of the musical and dramatic events that were presented from late July through early September at the unique open-air Herodus Atticus Theatre on the south slope of the Acropolis.

While the dramatic events presented by the National Theatre—such as Sophocles' tragedies and Aristophanes' comedies—were of the highest quality, the musical events, with the exception of Gina Bachauer's magnificent performance and Jasha Horenstein's concert, had nothing festive or inspiring about them.

Conductors and soloists were mostly second rate, a strike within the orchestra (caused by the modest demand of augmenting the musicians' pay by an additional $5 per rehearsal —a demand that was rejected by the orchestra's management) took away a toll of 22 musicians and accounted for most of the disappointment. The absence of the late artistic director Philoctetis Economides was sadly felt.

Mitropoulos Conducts

The situation immediately changed with the arrival of the Vienna Philharmonic and Dimitri Mitropoulos. The conductor could do no wrong, and cheering crowds accompanied him from airport to doorsteps, from concert hall to press conference.

Indeed festive were the four programs offered. Unfortunately, the first rain of the season forced the second and third concert to be moved from the outdoor theatre to the concert hall, which has a smaller seating capacity. Makeshift seats had to be used to accommodate all the audience.

The programs included Beethoven's Second Symphony and "Leonore" Overture No. 2; Mr. Mitropoulos's transcription of Bach's Fantasy and Fugue in G minor; and Brahms's "Academic Festival" Overture and Second and Third Symphonies. The all-Strauss program was perhaps the most unforgettable. The orchestra has been invited to return next season and will perhaps be conducted by either Herbert von Karajan or Mr. Mitropoulos.

Hier irrte Mitropoulos

Es ist in Amerika seit langem schon Brauch geworden, Orgelkompositionen von Johann Sebastian Bach dem Konzertpublikum durch den Vortrag von Orchesterbearbeitungen zu erschließen. Komponisten und Dirigenten haben sich — wohl kaum von einer inneren Stimme gedrängt, aber eben, weil es so Sitte wurde — der Aufgabe unterzogen, Klangflächen entstehen zu lassen, wo Bach mit strenger Stimmenführung ausgekommen war. Gipfelleistungen des Ungeschmacks sind dabei zum Beispiel Leopold Stokowsky unterlaufen. Aber auch Dimitri Metropoulos hat sich ausgerechnet Bach gegenüber daran erinnert, daß er einst hatte Komponist werden wollen. Also fertigte er aus „Phantasie und Fuge g-moll" ein Orchesterwerk.

Für die Vereinigten Staaten mag derlei hingehen. Aber Dimitri Mitropoulos irrte, als er das „Werk" auch in Wien aufführen ließ. Während die Symphoniker — übrigens ohne rechtes Behagen — Bach à la Mitropoulos spielten, zweifelte man unwillkürlich an der künstlerischen Größe des Dirigenten. Diesen Zweifel widerlegte Mitropoulos allerdings bereits bei der darauffolgenden Wiedergabe der drei Orchesterstücke von Alban Berg, deren Konturen diesmal ungemein plastisch nachgezeichnet und deren Stimmungsdichte mustergültig dargetan wurden.

Hauptwerk des Konzerts war die „Sinfonia domestica" von Richard Strauss. Für die melodienselige Schilderung der Intimitäten im Haushalt des Komponisten war Mitropoulos der richtige Mann. Er glaubt dem Autor jede Phrase: hingebungsvoll zeichnet er nach, was Strauss aufgeschrieben hat. Er retuschiert Schwächen und hebt das Kraftvolle mit Begeisterung hervor. Seine eigene Leidenschaft gesellt sich zur Leidenschaftlichkeit der Schilderung, mit heißem Atem berichtet er dem Zuhörer, was alles Strauss ihm zu erzählen aufgetragen hat. Es ist kein Wunder, daß man einem solchen Anwalt jedes Detail des Berichtes bedingungslos glaubt, und ihn für seine mustergültige Darstellung mit Beifall überschüttet. Aber auch die hervorragend musizierenden Symphoniker wurden in den jubelnden Beifall einbezogen.

Moderne und Pseudomoderne unter Mitropoulos

„Das Übertragen Bachscher Klavier- und Orgelwerke für Orchester ist als überflüssig und verfehlt anzusehen", meint der große Bach-Kenner Albert Schweitzer, „auch wenn es so feinsinnig geschieht, wie Raff es mit der englischen Suite in g-moll getan hat." Die „Transkriptions-Ära", in der Bach selbst nach dem Zeitgeschmack eigene Werke und solche von Vivaldi, Telemann und Marcello für Klavier bearbeitete, ist längst vorbei, und selbst Liszts Übertragung der g-moll-Orgelfuge für Klavier ist nicht unbedingt als gelungen anzusehen.

Wird nun gar ein so monumentales Orgelwerk mit „durchbrochener, spätgotischer Technik, kühnen Linien" und „spezifisch orgelmäßiger Thematik" in das dröhnende Götterdämmerungspathos von Ventilhörnern, Ventiltrompeten, Posaunen, Baßtuba (die es zu Bachs Zeit gar nicht gab) und wildgewordenen Pauken unter Assistenz eines riesigen Streicherkörpers gar nicht „feinsinnig" transkribiert, so entsteht ein Gebilde von schrecklicher Überladenheit und stilwidriger Geschmacklosigkeit, ein wahrer Greuel vor dem Herrn. Derlei ist, wir wissen es, in USA gebräuchlich, aber darum nicht minder beklagenswert und kein Ehrenblatt in der Geschichte amerikanischen Musikverständnisses. Zur Ehre des Konzerthauspublikums wollen wir annehmen, daß der — nicht sehr intensive — Beifall dem Dirigenten, nicht dem Bearbeiter Mitropoulos galt.

Cecil Gray, einer der führenden Musikhistoriker und -kritiker Englands, der für Richard Strauss und Gustav Mahler nur Hohn und Geringschätzung aufbringt, hält Berg und Webern für die begabtesten, gesinnungsstärksten und kühnsten Schüler und Nachahmer Schönbergs, meint aber von ihnen, daß, wo Schönberg durch Instinkt und Einfall, vielleicht pervertiert und oft mißleitet, angetrieben wird, seine Schüler ohne Spontaneität, nur mit Berechnung und Überlegung schreiben, daß sie zerebral, nicht intellektuell seien. Dieses Urteil scheint uns für den hochbegabten, wenngleich „auf labyrinthischen Pfaden eigensinnig wandelnden" Alban Berg (Bruno Walter) zu hart. Die drei Orchesterstücke, von denen Montagnards wie Willy Reich und andere Rufer im Streit unbeweisbar, aber auch unwiderlegbar sagen, sie nähmen die Weltkatastrophe von 1914 ahnungsvoll vorweg, sind makaber, nihilistisch, unplastisch im Einfall, überinstrumentiert und zähflüssig, aber die Atonalität, die Konsequenz, mit der diese Musik immer „beizeiten ausbiegt, wenn der Tonsatz irgendwie in die Nähe unserer Musik kommt", wie Joseph Marx einmal geistreich gesagt hat, bildet wirklich ihren „natürlichen Hintergrund" (Constantin Lambert), und ihre Hyperexpressivität, vom „Tristan"-Erlebnis kommend, ist letztlich doch spätromantisch, mag diese Romantik auch pathologische, furchtbar verzerrte Züge tragen. Der „Wozzeck", als dessen Vorstudien diese drei Stücke gelten können, zeigt, wohin dieser Weg führte und welche große Begabung mit Berg vorzeitig aus unserem an Begabungen nicht allzu reichen Zeitalter verschwunden ist.

Als Abschluß des recht unorganischen Programms dieses Symphoniekonzerts Strauss' etwas überdimensioniertes Familienidyll „Sinfonia domestica", wirklich ein „bürgerliches Welttheater" (E. Krause), auf dem das Eheproblem lyrisch-sentimental — nicht wie im „Intermezzo" burlesk — behandelt wird. Bestünde nur nicht zwischen dem Vorwurf und seiner monumentalen Ausführung ein so großer Widerspruch und würde sich doch der Schluß mit seiner nicht immer „himmlichen" Länge größerer Kürze und Konzentration befleißen! Aber nach dem Attentat auf Bach und dem finsteren Hades der Bergschen Orchesterstücke bedeutete Strauss' symphonische Dichtung doch eine wahre Befreiung.

Mitropoulos, diesmal an der Spitze der ausgeruhten und schön musizierenden Symphoniker ist immer ein großes Erlebnis. Er dirigiert alles auswendig und beherrscht jedes Werk in seinen Einzelheiten, seinen dynamisch-agogischen Feinheiten vollkommen, ohne je ins rein Virtuose zu verfallen. Gern hätten wir von diesem Meister einen Beethoven, einen Brahms oder einen Original-Bach gehört. Aber man muß die Feste feiern, wie sie fallen, und ihn gehört zu haben ist jedenfalls eine Messe wert, selbst eine atonale.

Zwischen Weltangst und Weltfreude

Mitropoulos dirigierte im Konzerthaus Bach, Berg und Richard Strauss

Mit einem ungewöhnlichen Programm ohne Klassik und Romantik wartete Dimitri Mitropoulos im ersten Abonnementkonzert im Großen Konzerthaussaal auf. Am Anfang stand Bachs Präludium und Fuge g-Moll in einer Orchesterfassung des Dirigenten selbst, sehr zum Unterschied von der innerdeutschen Tradition nicht etwa historisierend asketisch, sondern mit Glanz und Pracht in die Instrumente eines großen Orchesters gesetzt und zu rauschenden Steigerungen gebracht — interessantes Zeugnis der Bach-Auffassung eines großen Musikers aus anderen Zonen und Breiten. Die „Drei Orchesterstücke Opus 6" von Alban Berg, 1914, also vor oder zu Beginn des ersten Weltkrieges entstanden, aber erst 1923 uraufgeführt, sind visionäre, ja prophetische Geschichte einer dem Untergang anheimfallenden Welt, und als Gebilde der „Weltangst", auch heute und in Zukunft aktuell. Klagendes Holz und gespenstiges Schlagwerk führen im Präludium zu einer Steigerung mit Beckenschlag, die etwa Antipode des berühmten Höhepunktes im Adagio der Siebenten Bruckners ist; auch der „Reigen" ist ein Tanz der Toten, deren Skelette zu grauenvollem Scheinleben erwachen. Und der letzte Satz „Marsch" — zu lang ausgesponnen —, kann sich gar nicht genugtun in der Beschwörung des Nichts. Ist nun all das auch mit durchaus originellen Mitteln gestaltet, so kehrten wir aus dieser Welt des Todes mit Richard Strauss' „Sinfonia domestica" doch wieder gern zu den Quellen des Lebens zurück. Nur unter den formenden Händen des Komponisten selbst und denen seines verewigten Schülers Clemens Krauß, hörten wir dieses Werk mit solcher Überzeugungskraft und in so strahlender Schönheit.

Damit sind wir bei Mitropoulus angelangt, einem Dirigierphänomen, das keines sein will und doch der vollkommene Dirigent ist. Nach seinem eigenen Bekenntnis muß der Orchesterführer eine dem Publikum unbekannte Musik — und das waren Bergs Stücke — „choreographieren", den „absoluten Ausdruck der Musik in eine wahrnehmbare Gestalt bringen".

Wie Mitropoulus diese Weltuntergangsmusik darstellte und zugleich akustisch deutlich machte, die Wiener Symphoniker zu einer außerordentlichen Leistung hinreißend, wie er mit seiner ganzen Gestalt dirigierte, die expressive Linke fordernd, dämpfend, beschwörend, drohend einsetzte, bis wir uns allen Trostes bar auf einem erloschenen Stern wiederfanden, war ebenso sehens- und hörenswert wie die Kraft, mit der er in der „Domestica" Idyllisches und Ergötzliches, Komisches und Dramatisches zu einem farbensatten Gemälde des Lichtes und der Freude verband. Gerade die Polarität dieser beiden Werke erwies die den Kosmos und seine Hierarchien umfassende geistige Schau dieser einzigartigen Persönlichkeit und die Unbegrenztheit ihres musikalischen Mitteilungsvermögens. Über Mitropoulus ist viel geschrieben worden. In und über seinen manchmal fast unbegreiflichen technischen Fähigkeiten ist es wohl die Liebe, die den einst zum Priester Bestimmten noch in den ärgsten Verdüsterungen der Kunst das Menschliche, in ihren Lichterreichen aber das Göttliche finden und verständlich machen läßt.

Es gab unbegrenzte Ovationen für Dirigenten und Orchester.

Weltuntergang in drei Stücken

Mitropoulos dirigierte im Großen Konzerthaussaal Alban Bergs op. 6

Hätte Alban Berg nichts weiter als die drei Orchesterstücke op. 6 geschrieben — sein Name wäre aus dem Buch der Musikgeschichte nicht zu löschen. Denn diese drei „Präludium", „Reigen" und „Marsch" betitelten Stücke sind Klang gewordene Erschütterung, tönende Vision des Weltuntergangs, aus Hellsichtigkeit geborene und in ekstatischer Erregung zu Musik geformte Verzweiflung.

Die Form kann als Legitimation der Ehrlichkeit gelten: die Ausdrucksgewalt dieser 1914 vollendeten Musik erfährt durch geistige Disziplin und Logik der Gestaltung ihre Überhöhung zur echten Aussage, zur Wahrheit schlechthin. Wie später im „Wozzeck" ist da wirklich der Prophet zum Berg gekommen. Reine Klangorgiastik, uferlose Steigerungen würden, bei allem Respekt vor Orchesterbeherrschung und Instrumentationskunst, bedenklich stimmen, die Wirkung verflachen und bestenfalls Bewunderung für das Artistische aufkommen lassen. Die Ökonomie jedoch, die Konsequenz und die Härte, mit der Berg seine Mittel einsetzt, erlauben im ersten Augenblick des Hörens nur das Gefühl der Beklemmung, so restlos decken sich Idee und Realisierung, so zwingend und so unter mächtigem schöpferischem Zwang geboren erscheint das Werk.

Völlig müßig zu fragen, ob ein Komponist nicht lieber schweigen sollte, wenn er nichts als ein Inferno zu beschwören hat. „Der Mensch ist ein Abgrund", läßt Büchner Wozzek sagen. Und gerade dem Künstler, der das Leben spiegelt, soll es verwehrt sein, in Abgründe zu blicken?

Unvorstellbar, nach diesem Opus noch andere Musik zu hören, doppelt unvorstellbar nach der suggestiv-eindringlichen Interpretation des Werkes durch Mitropoulos und die Symphoniker, dreifach unvorstellbar angesichts der Beschaffenheit des nachfolgenden Stückes. Doch der geniale Dirigent, der seine unüberwindliche Neigung für das Orchestrieren von Bachscher Orgelmusik auch an diesem Abend nicht verleugnen wollte, tat den Sprung vom hohen Berg ins wenig tiefe Tal der Strauss'schen „Sinfonia domestica" mit der keinen Widerspruch duldenden Intensität des leidenschaftlichen Musikers, der auch das tönende Familienszenarium mit seiner ganzen Stimmungsvielfalt leuchten ließ wie eitel Gold.

Die Wiedergabe des Stückes rechtfertigte somit zweifach seine Aufnahme: in das Programm und durch das Publikum. Mitropoulos stieg am Ende bis zu den Bläsern empor, um dankend Hände zu schütteln. Er tat Recht damit.

Glanzvoller Beginn

Im ersten Zyklusabend der Orchesterkonzerte entfalteten die Wiener Symphoniker im Konzerthaus alle Klangpracht des großen Orchesters. Dimitri Mitropoulos war als Dirigent ein faszinierender Magier des Taktstockes, der auf äußerst klares Musizieren achtete, kolossale Klanggemälde erstehen ließ und auf diese Weise die Partituren einprägsam und überzeugend ausdeutete.

Im Mittelpunkt des Konzerts stand die meisterhafte Wiedergabe der drei Orchesterstücke von Alban Berg. 1914, am Beginn des ersten Weltkrieges, entstanden und 1929 neugefaßt, künden sie mit den genial verwerteten Mitteln der modernen Musik erbarmungslos und beklemmend vom großen Leid der Menschheit, vom Untergang. Eine musikalische Prophezeiung, die noch Jahre nachher kaum verstanden wurde, ein mahnender Angstschrei um die Menschheit, der ungehört verhallte, bis der totale Zusammenbruch am Ende des zweiten Weltkrieges die grausame Bestätigung brachte. Nichts hat in den drei Orchesterstücken Bestand, das Thema zerbricht vor seiner Entwicklung, versucht sich im „Präludium" aus Schlagwerkgeräuschen zu bilden, gleitet im „Reigen" in Walzeransätzen ab, setzt sich auch im „Marsch", dem wildesten und unheimlichsten der drei Stücke, nicht durch. Schließlich endet alles im erbarmungslosen Schicksalsschlag des großen Hammers. Mitropoulos dirigierte auswendig und führte unsere für die Moderne besonders aufgeschlossenen Symphoniker zu einer überragenden Glanzleistung.

Nicht weniger glanzvoll war die Aufführung der Sinfonia domestica von Richard Strauß. Hier eröffnet sich eine andere Welt: Mit humorvoller Innigkeit gibt der Komponist eine musikalische Schilderung seines Familienlebens, läßt die Themen blühen und strahlen und weiß mit dem Klangzauber des großen Orchesters das Publikum zu erfreuen und zu begeistern.

Einleitend brachte Mitropoulos die eigene Orchesterfassung einer Phantasie und Fuge von Johann Sebastian Bach zu Gehör. Der ganze Orchesterapparat, das Blech voran, massiert sich hier, um dem großen Barockmeister Bach in überdimensionaler Klangstärke zu huldigen. Dabei blieb vom Geiste Bachs keine Spur mehr übrig. Was blieb, war die beifällige Anerkennung der effektvollen Instrumentationskunst des Meisterdirigenten Mitropoulos, die sich allerdings nicht an einer heute unvertretbaren Bach-Bearbeitung hätte erproben müssen.

Dr. Ruff

Mitropoulos dirigierte die Symphoniker

Spannender Abend im Konzerthaus – Sinfonia domestica von R. Strauss

Es mag verschiedene Methoden geben, um einen Konzertabend spannend zu gestalten. Die von Dimitri Mitropoulos geübte ist aus dem einfachen Grund restlos überzeugend, da sich sein Interpretentum aus der glückbringenden Dreieinigkeit von Ethik, Geist und Musikfanatismus zusammensetzt. Sohin wird in der Deutung dieses genialen Orchesterführers auch Problematisches durchscheinend, erklingt auch Altbekanntes in unversiegbarer Leuchtkraft. In der Tat, Mitropoulos zeigt durch seine Dirigentenkunst den grundlegenden Unterschied zwischen äußerlichem Effekt und tiefgehender Wirkung. Pultvirtuosentum ist ihm ein ebenso fremder Begriff wie Spezialisierung auf bestimmte Epochen der Musik oder Auftrumpfen durch eigenwillige Auffassungen. Der Blick auf das Kunstwerk, auf das Kunstwerk als solches, wird freigelegt.

Im Falle der vom Dirigenten instrumentierten Phantasie und Fuge g-moll von Johann Sebastian Bach gibt es allerdings schmückendes Beiwerk, welches dimensionsverändernde fremdartige Aspekte eröffnet. Die vor wenigen Wochen anläßlich der Salzburger Aufführung empfangenen und ausführlich wiedergegebenen Eindrücke bestätigten sich auch bei wiederholtem Anhören. Nach Bach kam Alban Berg zu Worte. Es wäre abwegig, zu leugnen, daß Bergs drei Orchesterstücke, op. 6, dem Hörer manche Härten zumuten. Indes ist bei Berg weder das konstruktive Element jemals Selbstzweck noch dient der umfangreiche instrumentale Apparat, der für diese drei, mit programmatischen Titeln versehenen Stücke vorgeschrieben ist, bloß klangverstärkenden oder illustrierenden Funktionen. Unverkennbar ist an ihnen die Auseinandersetzung mit dem symphonischen Stil der Mahlerschen Spätwerke. Sie vollzieht sich, da Berg als Komponist stets auf die Stimmen inneren Empfindens lauscht, vom Emotionellen her, und schon ob dieser, im Musikschaffen unserer Tage zur Seltenheit gewordenen Qualität verdient dieses zum Jahrhundertbeginn komponierte und 1929 neu gefaßte Frühwerk anerkennende Beachtung.

Eine hinreißende, an Klangschönheit und Deutlichkeit unübertreffliche Darstellung der „Sinfonia domestica" beschloß die Vortragsfolge. Starre Apostel der Sachlichkeit glaubten gerade dieser symphonischen Dichtung Richard Strauss' vorwerfen zu müssen, sie sei eine Verklärung des Philistertums, eine musikalische Autobiographie im Plakatstil, Argumente, die diese, in jedem Takt erlebte und nacherlebte Aufführung gar nicht zu Bewußtsein kommen ließ, zumal das Orchester der Symphoniker sich an diesem Abend selbst übertraf. Für die vorbildliche Wiedergabe der Fuge gebührt der Blechbläsergruppe noch zusätzlich ein Separatlob.

Der Typus eines expressiven Musikers

Dimitri Mitropoulos eröffnete die neue Saison des Konzerthauses

Der erste Zyklus der neuen Saison im Konzerthaus durfte im Eröffnungskonzert mit der Dirigentenkapazität eines Dimitri Mitropoulos aufwarten, der der Typus eines expressiven Musikers ist. Er fordert seinem Orchester — in diesem Falle war es das der Wiener Symphoniker — das Letzte an Ausdrucksintensität ab, hat die Zügel seines Regiments immer fest in der Hand und besteht auf restlose Erfüllung seines Willens. So leger und verbindlich er sich bei seinem Auftritt und der Entgegennahme des stürmischen Publikumsdankes gibt, so eisern ist er in seiner kraftvollen Anspannung bei der „Arbeit". Hier läßt er keinen Willen neben dem seinen gelten. Hier ist er absoluter Diktator.

Als große Seltenheit des Konzertrepertoires setzte Mitropoulos die Drei Orchesterstücke, op. 6, von Alban Berg auf das Programm. Sie sind eine Musik, deren Entstehung bzw. Vollendung im Jahre 1914 im Zusammenhang mit ihrer Neuartigkeit und ihrem zukunftsweisenden Inhalt heute ganz unglaubhaft anmutet. Man möchte eher meinen, sie ziehen in ihrer unbeirrbaren Konsequenz und Rücksichtslosigkeit das Fazit des Geschehens beider Weltkriege und ihrer Folgen zusammengenommen. Trotz solcher Weltuntergangsstimmung, die sie zu malen versuchen, zeigen sie doch auf Schritt und Tritt den feinen, kultivierten Musiker und Menschen, der hinter ihnen steht. Die Wiedergabe unter Mitropoulos war zugleich für das Orchester eine glänzende Bewährung.

Nach der Pause folgte die Sinfonia domestica von Richard Strauss, deren Aufführung aller Vorzüge der oben geschilderten Interpreationskunst des Dirigenten teilhaftig wurde. Nicht nur eine unüberbietbare Rasanz des Ausdrucks und eine vollendete Präzision in der technischen Erarbeitung, sondern auch das Auskosten aller intimen Einzelheiten dieser reichen Partitur gaben der Wiedergabe das Gepräge. Daß dabei das individuelle Ausschwingen einzelner Musikerpersönlichkeiten innerhalb des Orchesters, die gewisse Auflockerung, die einem freien Atmen des Organismus gleichkommt, etwas in den Hintergrund trat, ist unter solchen Umständen unvermeidlich.

An die Spitze des Abends stellte Mitropoulos die eigene Orchesterbearbeitung von J. S. Bachs Fantasie und Fuge in G-Moll. Daß der hervorragende Kenner aller Wirkungsmöglichkeiten des modernen Orchesters hier ein weites Feld der Betätigung fand, läßt sich leicht denken. Ob aber der Mammutapparat für die Bachsche Klangwelt der gegebene Mittler ist, bleibt natürlich fraglich. Das gehäufte kompakte Blech etwa oder die Einbeziehung der Pauken in die Thematik führten doch wohl zu weit von den Quellen der Kunst des großen Thomaskantors weg. — Mitropoulos und die Symphoniker standen im Zeichen eines begeisterten Publikumserfolges.

DIE SCHÖNHEIT DES KOMPROMISSES

Es sei mir gestattet an meinen Aufsatz anzuknüpfen, in dem ich mich mit den Antipoden Mozart—Wagner auseinandergesetzt habe. Dieser Bezug ist für mich sehr einfach dadurch gegeben, auch Verdi und Puccini sind in gewisser Hinsicht solche Antipoden. Ebenso wie ich von dem

„Wunder Mozart" gesprochen habe, könnte ich natürlich auch von dem „Wunder Verdi" sprechen. Sind denn nicht Verdis göttliche Gabe der melodischen Erfindung und seine grandiose Fruchtbarkeit neben die Mozarts zu setzen?

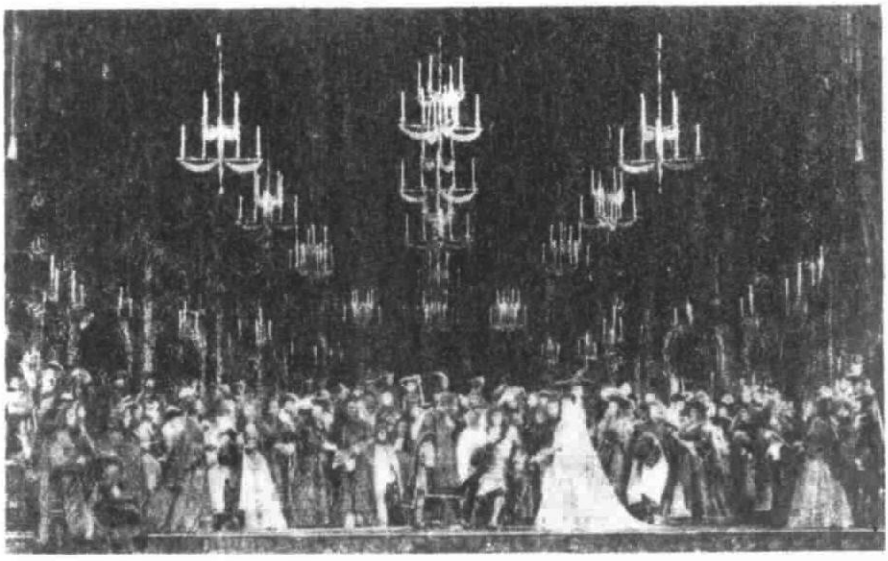
Puccini hinwiederum ist ein ganz eigenwilliges Genie. Ein Genie, das beim Publikum bekannt und beliebt ist, weil dieses immer vom Auffallenden und Effektvollen angezogen wird. Ich wage allerdings die Behauptung, daß selbst gute Musiker den realen Wert Puccinis vielfach noch nicht erkannt haben. Meiner Meinung nach hat kaum jemand noch so sehr ökonomisch für das Musiktheater geschrieben wie er. Da ist nichts überflüssig, kein Takt ist zuviel oder zu wenig! — Und diese Ökonomie besteht, obwohl Puccini niemals symphonisch komponiert hat. Er war es, der ein nahezu vollendetes Kompromiß zwischen Bühne und Musik geschlossen hat, ohne dabei auch nur die geringste Anforderung der Bühne zu opfern. Desgleichen kennt sein Werk natürlich auch kein Primat der Bühne. Im Gegen-

teil: aus eigener Erfahrung weiß ich, daß seine Musik auch ohne Bühne lebensfähig ist. Der Erfolg konzertanter Aufführungen von „Tosca" und „Butterfly", die ich dirigiert habe, haben mir dieses Phänomen bestätigt.

Darin sehe ich vor allem den Beweis für die Kraft und Stärke eines solchen Kompromisses. Der zweite große Komponist, der dieses erkannt hat, ist meiner Meinung nach Alban Berg. In seinem „Wozzeck" liegt dieselbe Ökonomie wie in den Werken von Puccini. Freilich, Puccini war Italiener und hatte nicht mit den Vorurteilen und den Kompliziertheiten zu kämpfen, denen sich ein mitteleuropäischer Komponist gegenüber sieht. Der „Wozzeck" ist ein ganz großes Vergleichsbeispiel, das niemals (auch von Berg nicht mehr) wiederholt wurde. Auch hier hat das oben von Puccini Gesagte Gültigkeit: diese Musik bleibt kraftvoll und überzeugend auch ohne Bühne. So erinnere ich mich einer von mir dirigierten konzertanten Aufführung des „Wozzeck" in New York. Nachher kam Arthur Schnabel zu mir und sagte: „Aber, das ist ja Puccini!" In diesem Augenblick verstand ich ganz genau, was er eigentlich meinte: Berg hatte sich der fulminanten Bühnentechnik Puccinis bedient. Auch hier ist vom musikalischen Standpunkt nichts überentwickelt.

Richard Strauss hat einmal gesagt, man müsse ein schlechter Musiker sein, um ein gutes Bühnenwerk zu schreiben. Wenn ich mich dieser Meinung auch nicht zur Gänze anschließe, so möchte ich doch feststellen, daß sich ein absoluter Musiker gewiß durch das Vorhandensein der Bühne gehemmt fühlen muß. Es muß also — um ein wirklich gültiges Bühnenwerk zur Entstehung zu bringen — ein großer Kompromiß gefunden und geschlossen werden. Und dies erscheint mir als ein unbeschreibbar herrliches Ereignis und läßt mich an die Worte Ghandis denken, die dieser in seiner Autobiographie über die Schönheit des Kompromisses schrieb.

Dieser Musik-Theater-Kompromiß verlangt ein gewisses Ablegen des musikalischen Fanatismus. Technik und Bühne verlangen nämlich sehr energisch ihre Rechte. Wer sich aber innerlich und künstlerisch gegen diese Ausgleichungen wehrt, wer vielleicht sogar gegen sie ankämpft, der ist dazu verurteilt, Monstren zu schaffen und unterzugehen.



Man komme mir nun nicht mit dem Einwand, ein Musiker müsse an Musik denken. Dieses Argument hat keinerlei Berechtigung, denn hier gibt es nur Alternativen. Entweder man schreibt absolute Musik oder eine Oper. Hat man sich für die Oper entschieden, dann muß man sich auch über die erforderlichen Kompromisse im klaren sein. Man muß da auch wissen, daß das Theater — etwa im Vergleich zur Poesie oder der symphonischen Musik — eine untergeordnete Ausdrucksform ist, daß das Theater etwas ewig Konventionelles ist — aber wir müssen uns mit den speziellen Wertmaßen vertraut machen.

Zurück zu Verdi und Mozart. Diese beiden begnadeten Meister haben sich freilich wenig um diese Kompromisse gekümmert und haben dennoch herrliche Musik für die Bühne geschrieben. Damals allerdings stand auch die Frage nach der Technik noch nicht so im Vordergrund wie heute. Auch Richard Wagner wollte musikalische Dramen für die Bühne schreiben, aber er konnte sich die Schönheit des Kompromisses nicht aneignen, so daß seine ganze Philosophie, seine Poesie, ja seine Bühne gesündigt haben. Seine Bühne wird untergehen, ja sie geht bereits unter. Was meiner Meinung nach überleben wird, ist Wagner als Musiker.

STAATSOPERNPREMIERE: VERDIS „MASKENBALL"

Mit dieser Saisoneröffnung in der Wiener Staatsoper hätte ein Domenico Barnaja seine reichte Freude gehabt und sie hätte ihn an die längst vergangenen Tage seiner eigenen Direktionszeit gemahnt. Allerdings hatte er damals keine „arbeitslosen" Mailänder zur Verfügung; seine Italiener standen ihm für längere Zeit zur Verfügung und zogen nicht nach dem Süden, sobald sich dort die Vorhänge der Opernhäuser hoben. Allerdings hatte er auch nicht ein bodenständiges Ensemble zur Verfügung, dafür blieb er in der Kaiserstadt Wien und leitete sein Haus. Glückliche Opernzeit, die das Flugzeug noch nicht kannte. Aber seien wir gerecht — sie hatte auch wieder den Nachteil, daß große Künstler dann nur sehr selten zu Gastspielen kamen. Diesmal war es — beinahe könnte man jetzt schon sagen: allherbstlich — Dimitri Mitropoulos, der mit einem „Maskenball" den Premierenreigen begann.

Alles, was dieser große Dirigent mit seinem Taktstock zum Klingen bringt,

Finalbild der Neuinszenierung von Verdis „Maskenball"

das wird wie von weiland Midas „vergoldet". Seine starke innere Beziehung zu den von ihm interpretierten Werken, sein Einfühlungsvermögen erschließen ihm musikalische Blickpunkte, von denen aus er — gleich einem großen Feldherrn — alles neu „aufrollt". Damit gibt er den Partituren kräftigere Klangfarben, seine Temperaturen sind frisch und lebensvoll, die Spannungsbögen von fühlbarer Intensivität.

Ita Maximowna hatte ansprechende Kostüme, historisch nicht ganz einwandfreie Bühnenbilder — auf alle Fälle aber eine sehr opernhafte Atmosphäre geschaffen. Josef Gielens Regiearbeit litt offenbar noch etwas unter der Sommerszeit. Sie beschränkte sich im wesentlichen auf das Andeuten von konventionellen Opernbewegungen. Diese können von großen Sängern dank ihrer Stimmen ja weit gemacht werden. Gesangsvereins-Chorauftstellungen hingegen, gemütliche Verschwörer und das übliche Schlußbildtableau können die Allgemeinstimmung schon stark trüben.

Auf der Bühne sang Birgit Nilsson so ziemlich alles in den Schatten, was sich ihr in den Weg stellte. Mit großer Operngestik, einer adäquaten Stimme und einer überzeugenden Persönlichkeit ausgestattet, muß man sie zu den Weltbesten dieses Fachs zählen. Am Premierenabend hatte sie Guiseppe di Stefano als Partner. Ein großer Sänger fürwahr, dessen Stimmittel in jeder Lage zu überzeugen

wissen und die auch mit aller Routine eingesetzt werden. (Ihm nachzusingen hatte es Guiseppe Zampieri recht schwer. Er zog sich stimmlich immerhin aus der Affaire, freilich, als Persönlichkeit stand er seinem Star-Kollegen wesentlich nach.) Ettore Bastianini lieh dem René all sein Schauspieltalent (und das ist gar nicht so wenig), und sang die Partie mit schöner timbrierter, klangwarmer Stimme. Die Ulrica war bei Guiletta Simionata in bester Kenle und in besten Händen. Eine grausig dämonische Studie. (Jean Madeira löste die Italienerin in den Folgevorstellungen ab. Ihre Ulrica war wesentlich gemütlicher, mehr Business-Zigeunerin. Aber mit der Stimme läßt sich das Geld schon verdienen!) Der Page Oscar (mehr wie „Gustav Adolfs Page" angetan) wurde mit aller reizvoll gespielter Knabenhaftigkeit von Erika Köth gesungen. Koloraturparade in schönster Vollendung! In kleineren Rollen: Kurt Equiluz, Norman Foster, Ljubo Pantscheff, Hans Schweiger und Karl Weber.

Beifallszentren waren: Birgit Nilsson, Dimitri Mitropouios und di Stefano.

INNSBRUCKER ORGELWOCHE 1958

Scheinbar übertönt vom Schaugepränge des internationalen Festspielbetriebs wurde in Innsbruck eine aus rein künstlerischen Motiven erstandene Idee realisiert. So bewußt entfernt von jeder äußerlichen Sensation sich dieses Ereignis vollzog, so tief mußte gerade deshalb seine Wirkung werden. Sie beruhte nicht allein auf der Demonstration vollendeten Orgelspiels, ausgewählter Instrumente und fundierten Fachwissens, sondern sie war letzlich in der starken Verinnerlichung aller dieser Werte begründet. So war es ihr auch gegeben, ein recht individuell zusammengesetztes Publikum (Innsbrucker Konzertbesucher, Gäste aus Wien und den Bundesländern, ausländische Orgelfreunde) zu einer gleichgestimmten Gemeinschaft zu formen, die mit dem Geschehen zusammenwuchs, ja in seiner Aufnahmewilligkeit selbst zu einem Bestandteil der Orgelwoche wurde.

Ihre Stärke lag in der Internationalität der Interpreten, die buchstäblich einen Überblick über den Status quo der Orgelkultur zu geben vermochte. Besonders fruchtbare Vergleichsmöglichkeiten erschloß die Begegnung mit den Vertretern Frankreichs und Italiens im Hinblick auf die deutsche Spieltradition. Alle Stileigenheiten zu einer übergeordneten Sinnfälligkeit zu verschmelzen, gelang durch die bewußte und ausschließliche Heranziehung von mechanischen Schleifladenorgeln.

Luigi Ferdinando Tagliavini war berufen, mit altitalienischen Meistern auf der Renaissanceorgel der Silbernen Kapelle der Hofburg die Orgelwoche zu eröffnen und sogleich, durch die vollkommene Synthese von Programm, Instrument und Interpretation, auch ihr Niveau zu kennzeichnen. Tagliavinis Spiel verbindet auf das glücklichste wissenschaftliche Erkenntnis mit der Lebendigkeit praktischer Musikübung und mit jener Freiheit des Vortrags, die gerade der bedeutendste Vertreter der alten italienischen Orgelmeister, Girolamo Frescobaldi, ausdrücklich fordert. Hochinteressant der Programmschluß mit A. Scarlatti als später datierter Literatur, die Tagliavini virtuos wiedergab und mit der er die Vielseitigkeit des kostbaren Instrumentes bewies, von dem bedeutende Sachverständige gesagt haben, daß sich ein Reise um die halbe Welt lohne, um es zu hören.

Anton Heiller spielte J. S. Bach: Schon aus dieser programmatischen Exponiertheit, vor allem aber aus der überragenden Persönlichkeit Heillers selbst, ergab sich für dieses Konzert die zwingende Konstellation, geistiger Mittelpunkt, Beziehungszentrum der gesamten Orgelwoche zu werden. Welche Objektivität, welche Ausgewogenheit, welch hinreißende Vitalität wohnt doch Heillers Bachspiel inne! Unmittelbar und ergreifend kommt hier zum Ausdruck, daß das Einfache immer das Richtige ist. Im intimen Rahmen der Bundes-Lehrerbildungsanstalt war es für Heillers bis ins letzte durchdachte Programmbildung maßgebend, an dem erst jüngst erbauten, tonschönen kleineren Instrument alle nur denkbaren Klangkombinationen und damit die Richtigkeit des neueren österreichischen Orgelbaues vor einem internationalen Forum aufzuzeigen, andererseits mit einer vielfältigen Werkwahl bei größter formaler Geschlossenheit die Unerschöpflichkeit Bachscher Musik zu erhellen. So besaß dieses Konzert bereits in der Struktur die Voraussetzung zur Vollkommenheit, die geniale Interpretation erfüllte sie denn auch.

Bernstein: His Strength and Weakness

By Paul Hume

LEONARD BERNSTEIN is sitting on top of just about everything one musician can sit on in this country and still not practice bi-location.

Hume

In case you have just returned from a long assignment in Albaloosa - under-the-Sea, let us fill you in. This afternoon, for instance, Bernstein's musical version of "Candide" will take over Constitution Hall. The show, which was a great delight to the critics if not to audiences on Broadway a couple of seasons back, is now being shown around in a version that opened at the Bucks County Playhouse Sept. 22. Reports from the Pennsylvania summer spot are all on the rave side.

The breezy overture Bernstein wrote for this music is on Howard Mitchell's list for the new National Symphony season. Meanwhile, Bernstein's 1957 smash hit, "West Side Story," is still selling nicely in advance, thank you, on Broadway.

AS A QUITE extraordinary teacher, via television and direct from the stage, Bernstein has proven that he can get across the basic facts of musical life to laymen with unusual power and a technique of absorbing simplicity.

With more strings to his bow—mix that metaphor!—than a pitcher who can also hit, Bernstein loves to play some of the world's trickier piano concertos while directing large orchestras in their accompaniment.

Now, barely 40, he has just been made musical director and principal conductor of the Nation's oldest symphony orchestra, the New York Philharmonic.

In recent years the Philharmonic has been suffering from a variety of problems that have had their effect on the box office. Whether or not Leonard Bernstein will succeed, as an artist, composer, musician and conductor, in solving all of these problems is something that will not be answered in a single month or, for that matter, in a single season.

HE HAS OUTLINED, as well as he could with many commitments made before he was engaged, what we have already called the most comprehensive season of symphony programs in this country's history. And this statement can stand even recalling the days of Stock in Chicago, Koussevitsky in Boston and Stokowski in Philadelphia.

For Bernstein, with trenchant use of guest conductors, and making the best use of his own strong points, has lined up concerts in which Sir John Barbirolli will conduct in major British works, Herbert von Karajan some of the great Germanic schools, Dimitri Mitropoulos in French scores, while Bernstein himself will include in his own series numerous American works, giving a magnificent overview of the history of American orchestral literature.

Almost as important as these assignments is Bernstein's sensible policy of engaging a large number of younger American artists as his soloists, NOT to play recent works but for the big standard concertos, which they now play as well as almost any of the big name imports.

Ivi[illegible], Cliburn, Stern, Tureck, Leteinei[illegible], Casselos, Lipkin, Graffman, Foss, Senofsky and others will give the Philharmonic the most impressive list of native soloists any orchestra has yet had the sense and guts to headline.

BERNSTEIN HAS already demonstrated that he, too, has what every mortal has: strengths and weaknesses. From his recent appearance in Constitution Hall it is clear that the Philharmonic will play as he asks it to. In the Ives Symphony, that was with a constant beauty of sound and alert attention, but in the Beethoven 7th, with unbelievably vulgar tone and routine application. No conductor can long afford to neglect the 19th century's additions to the orchestral repertoire, which is the heart of so much of the matter.

Bernstein has not neglected it, but he knows few of its secrets as far as beauty of tone goes. And that is a serious failing. At 40, he will grow, but where and how is his greatest problem.

One of the outstanding achievements of last season was the new production of "Madama Butterfly." The source of its success arose from the creative imagination of the three men responsible. It will be interesting to see how a change of cast and conductor will maintain the extraordinary dramatic impact that made "Butterfly" so exceptional last year.

A glance at the remaining operas of the week suggests how far Bing has advanced in his efforts to synthesize all the values at stake. The emergence of the conductor into his rightful position in operatic performance came through no accident. Dimitri Mitropoulos' success in the pit may be measured in terms of his sense of theatre. The last 20 years of opera have indicated annually how vital an outstanding conductor is.

Tosca' Scores in Rich Met Opener

By W. G. ROGERS

NEW YORK, Oct. 27 (AP)—The new season opener tonight at the Metropolitan Opera was, for the ticket buyer, the safest bet in a decade, and also probably his most expensive bet in the entire history of the 75-year-old house.

It was "Tosca" and Tebaldi, or to judge by the cheers, the other way around, Tebaldi and "Tosca."

Big Guns' Brought Out

This production of the old Puccini staple had been heard here before, and enthusiastically approved, and General Manager Rudolf Bing brought up his big guns for the cast.

Besides the regal Renata Tebaldi in the title role, Mario Del Monaco was his usual tense, keyed-up self as Cavarodossi, and George London made an utterly villainous Scarpia. It was Miss Tebaldi's chance to catch up with Maria Callas, who had the title role of "Norma" at the opening two years ago.

She caught up.

A reviewer sitting in a $40 seat—$80 family rate, for a house total of $86,687, the richest opening night ever at the Met—tended not to hurt too hard for faults, and indeed there weren't many to find.

Everybody did his assigned and expected chores nobly. Del Monaco set a high standard with his "Recondita Armonia," London handled Scarpia's "air" with his accustomed mastery, and of course Tebaldi did again the "Vissi D'Arte" which is so wonderfully suited to her velvet tones.

Tebaldi seems to be an extraplacid person for the stormy violence of a Floria Tosca. Yet she can whip up a passion in her voice, and she is big enough to give even the husky London a real fight when, with operatic knavery, he starts wrestling with her to collect his fee for pardoning Cavaradossi.

Others Listed

Dimitri Mitropoulos, who has moved to the Met from his longtime stand with the Philharmonic in Carnegie Hall, kept the popular old melodrama going at a smart speed. Other rolls were taken by other familiar singers.

Fernando Corena was the Sacristan; Clifford Harviot, Angelotti; Alessio de Paolis, Spoletta; George Cehanovsky, Sciarrone; Louis Sgarro, jailer; and Peter Burke, shepherd.

Tebaldi Goes One Up on Callas at Met Opening

By DELOS SMITH

By United Press International

NEW YORK, Oct. 28.—The "War of the Prima Donnas" has taken a new, dramatic turn—the heavier of the two claimants for recognition as the world's greatest practicing operatic soprano, Italian style, has lost weight.

This was revealed at the opening of the Metropolitan Opera's 75th year last night when Renata Tebaldi cut an admirably girlish figure and gave an out-of-this-world musical performance in the name role of the opera, "Tosca." A well-heeled audience applauded her until she and it were limp. It had to be well-heeled; the best seats cast $40 each.

As the result the box office shared Miss Tebaldi's triumph. It took in $86,687 for the single performance, a record for America's oldest and most celebrated opera house. The previous record—for opening night two seasons ago—was $75,510. Opening night prices are jacked up several times over the regular tariff.

Brings Much Comment

There had been no previous announcement of Miss Tebaldi's slimming and it occasioned much comment. Not that she was ever very heavy when you think of the traditional well-upholstered Italian soprano, but her archrival for topmost prima donna honors in the world's opera houses, Maria Meneghini Callas, has had a lot of critical acclaim over the past few seasons for her slender, girlish figure, although in all truth (in this critic's opinion) she is downright skinny.

He would give the new Tebaldi the edge on the basis of her Tosca of last night. As singer and musician she was the old Tebaldi still; that is, superb. The quality and purity of her tones, the sublety and color of her intonations, the exquisite control she exercised over every nuance of the singer's art—in these vital matters and in everything else needed to make the human voice the most thrilling of musical instruments, she showed he audience she has no rival.

In sheer singing Miss Callas can't compare, since Miss Tebaldi has the better natural voice and has no less skill in using it, but Miss Callas is the better actress although Miss Tebaldi last night showed that she has been striving to match her rival in this as well as in figure. Her acting was many cuts above that of most prima donnas.

These comparisons are based upon Miss Callas' performances of last season. She won't start appearing at the Met this season until December because she and Miss Tebaldi avoid being active members of the same operatic troupe at the same time. In short, they have no liking for one another.

Miss Tebaldi was supported brilliantly last night by George London singing the villain role, Mario del Monaco singing that of the hero, and Dimitri Mitropoulos conducting the orchestra. There are only three really important parts in "Tosca" and the three singers gave the operatic melodrama considerable impact—as musical melodrama.

Thus, "opening night at the Met," always a big social occasion in New York, was an artistic as well as a box-office success. The cream of old-line New York society ornamented the boxes; leading figures of business, industry, and of music and the theatre were all over the place.

Furs, Business Suits Mingle

Fortunes in jewels and furs festooned silky, satiny women, yet, surprisingly, a good half of the audience was not formally attired. Indeed, there were millionaires around dressed in business suits, with wives in quite ordinary-looking dresses.

And there was not one instance of unseemly behavior, in contrast to what used to go on at opening nights which a segment of Cafe Society made occasions for strictly non-operatic gaiety.

The management despised this circus atmosphere and the jacked-up opening night prices were inaugurated to curb it. The theory was that anyone not truly interested in opera wouldn't pay such prices, no matter how well-heeled he might be.

Every one of the 4,000 seats was sold for last night's season opener, and the management had to return $50,000 to would-be patrons when it ran out of seats. The reason the box-office total was a record was because prices had been boosted even higher. Last season and the season before the best seats were priced at $35. For the new season as a whole the box-office has already taken in $1,500,000 from subscribers which also is a record for the house.

Metropolitan Opens Richest Opera Season

First Night's Gross Is $86,687; Standee Crowd Lined Up All Day

By Gene Gleason

The Metropolitan Opera House celebrated its diamond anniversary appropriately last night with the largest opening-night receipts in its history — $86,687 —and the prospect of the richest season in its history.

Several hours before the curtain went up on Puccini's "Tosca," with Renata Tebaldi, Mario Del Monaco and George London in principal roles, Francis Robinson, assistant manager, released the opening night gross for the 3,616 seats and 230 standee locations.

Last year's opening night drew $73,048 and 1956's opener totaled $75,521.50. This year, opening night prices were increased, except for the balcony and family circle, to include contributions to the Opera Association. The regular price scale for the rest of the season remains the same as last year.

Mr. Robinson, reporting on the advance sales, said:

"It looks like the best season in our history. It should beat even last year's high."

Although the opera house at 39th and Broadway is marking its seventy-fifth anniversary, the association which operates it has completed only seventy-three seasnos. A fire knocked out the 1892-'93 season and the 1897-'98 season did not take place because of a management reorganization.

Rudolf Bing, general manager, described the prospective season box-office total as "colossal," but added that for him, "This season is over; we're already working on next season." Beyond that, he is planning for the Met's 1961 fall opening in its new home at Lincoln Center. He said that recent signing of three-year contracts with most opera personnel assures labor peace during the transition.

(Continued from page One)

This year marks the third time that "Tosca" opened a Met season; in 1919, it starred Geraldine Farrar, Enrico Caruso and Antonio Scotti; in 1922, the principals were Maria Jeritza, Giovanni Martinelli and Antonio Scotti. Miss Tebaldi, in the role of "Floria Tosca" last night, is one of the company's top sopranos and popular stars. Dmitri Mitropoulos conducted the opening performance.

Coffee for Standees

Mr. Bing, following his annual opening-day custom, distributed coffee to the 200 standees waiting in a long line outside the house in mid-afternoon. Two urns were emptied and about 150 paper containers were passed out before the supply was exhausted near the end of the line. "Don't fight, gentlemen," said Mr. Bing as he passed the containers to standees in the rear of the three-deep line. At the head of the line, eighteen persons were jammed into a 4 foot by 4 foot space at the south door of the Met's Broadway entrance.

A few minutes earlier, Alvin Cohen, sixteen, of 201 Buffalo Ave., Brooklyn, who claimed to have been standing first on line since Friday afternoon, returned to the line after several hours' absence, but resumption of his place was loudly refused by other standees.

Mr. Cohen appealed his case to the opera management, but a house aid said regretfully, "We can't put him back on line; there'd be a riot."

Hold Places for Hours

Other standees, mostly young men and women, with a scattering of elderly people, held their places for hours as they sat on books, camp chairs or fruit boxes. Most of them wore cold-weather clothing and many carried umbrellas.

One standee told a house guard:

"I don't like opera. I'm a psychiatrist; I'm just here to study people."

William Lee of Long Beach, L. I., a native of Cork, Ireland, asked Mr. Bing to put on Michael Balfe's opera "The Lily of Killarney," but Mr. Bing answered, "I've never heard of it." Mr. Lee, a former baritone with Irish Gilbert & Sullivan companies, sang a folk song, "The Pride of Petrofore" to prove his participating interest in music. With his wife, Adeline, also on line, he has been a Met standee for about fifteen years. He and his wife arrived yesterday at 9 a. m.

Jewelled Jubilee

Rudolf Bing is an unpredictable impresario. In past seasons his opening nights have been loaded with special and sometimes contrived attention-catching devices, ranging from an over-built debut of the stormy Callas to a kind of operatic vaudeville in which each of his stars did a turn with an aria. This season's opening night was equally startling. Mr. Bing simply offered an opera.

He chose Puccini's Tosca, a familiar favorite of opera-goers since 1900. Then he gave it a new staging which, for all its newness, eschews imaginative innovation and let the first night audience feel perfectly at home. And finally he cast it with Renata Tebaldi, Mario Del Monaco and George London, three of his most familiar and dependable stars.

But the effect was electric. This season celebrates the Met's Diamond Jubilee—and so the stage had more than its usual competition from the self-anointed stars in the Diamond Horseshoe. The glittering audience included personalities of stage (Katharine Cornell), diplomacy (Philippine Ambassador Carlos Romulo), the international set (Elsa Maxwell), the traditional gentry (Mrs. August P. Belmont), the kindred arts (bushy-headed pianist Van Cliburn) and opera itself (Patrice Munsel). But for all that, Mr. Bing's collection of stars had no difficulty in outshining the audience.

Most of this was due to Miss Tebaldi. There are those who say that she has lately been straining her voice and profess to catch a slight harshness when she reaches for the upper registers; the critics at La Scala were recently a little rough on her. But there was no slightest suggestion of this.

This time her voice was of purest ray serene. Soft and sweet in the first act duet, it took on passion in the angry second act, and in the last act even managed that most difficult of all feats—to give an outcry of despair and still retain both musical pitch and a musical tone. A slimmer Tebaldi than last we saw, and thus of more attractive appearance, she was as brilliant a Tebaldi as we have ever heard.

George London, as the malevolent chief of police who gets Tosca in his clutches, was a powerful Scarpia. He manages to drip evil, both in manner and in voice, and to do so without hamminess in his acting or bellowing in his singing.

Mr. Del Monaco, of course, can never restrain himself from showing off his powerful tenor and "belting one" even in the most inappropriate moments. But the stage director, Nathaniel Merrill, seems to have restrained him somewhat; at any rate this fault was less in evidence than usual. Moreover, even this fault is so superbly executed by Mr. Del Monaco that he dims the critical faculties.

• • •

Yet for all the brilliance of these individual stars, there was yet something else that made the evening electric. Once in a rare while in opera something happens between the singers on the stage and, if only for a brief moment, each of them seems to reach beyond their own heights. In some mysterious way the sparks fly from one to another. Such a moment, perhaps, as when Lily Pons and Tagliavini set fire to each other in Lucia; or that moment, told us from long ago, when Farrar, Scotti and Caruso met in Tosca.

For one listener there was such a moment the other evening in the second act. This is the scene where Del Monaco, as the lover, is being tortured off-stage and Scarpia is slowly turning the emotional screws on the tormented girl. The music blends the off-stage cries with the insistent demands of Scarpia and the almost hysterical pleas of Tosca, and beneath the voices there is a deep and ominous rumble from the orchestra.

Here, for the space of a few minutes, was magic. Miss Tebaldi ceased briefly to be just a diva and Mr. London just a fine craftsman; they were evil and innocence pitted against each other. Here Mr. Del Monaco's powerful voice found itself, reaching out from behind the stage to cut through and blend into the ragings on the stage. In the pit Dimitri Mitropoulos felt the exact instant to bring the orchestra up and drive the whole into an overwhelming climax.

The moment passed, to be sure. But it left its effect, and when later Tosca stabbed Scarpia and left him pinioned in death between the two candles, the scene had been purged of its usual gaudy melodrama.

The effect is not likely to be repeated, even when Tosca reappears on the Met's schedule with the same cast. Show-business sentimentality aside, there probably is an emotional lift in an opening night that calls forth something extra even from stars.

But whatever it was it made a jewelled jubilee. So bright was the performance it made you forget that the new Tosca sets are almost as dull as the old ones that had gathered the dust of years or that the new staging cannot compare with some of the Met's other re-staged productions. We hope Mr. Bing has set a pattern for the next quarter-century of opening nights—out-shining his audience with shining music.

Opera: Tebaldi Returns to the 'Met' in 'Tosca'

Noted Cast Provides Exciting Opening

By HOWARD TAUBMAN

HOW can you beat "Tosca" when you have the big-name singers? The Metropolitan Opera has them, and it celebrated its diamond jubilee by opening last night with a "Tosca" that had size and theatrical excitement.

"Tosca" on its own boils with intensity. When you people it with voices that can fill a huge opera house, you have a show that gives the public its money's worth. Even at the inflated prices that the Met can command for its opening night, the audience gets a rousing run for its money.

•

The Met, which began business at this stand seventy-five years ago, is looking forward to a new theatre in Lincoln Center three years hence. Stimulating though that prospect may be, the company is not living on promises. To judge by last night's "Tosca," it is keeping a sharp eye on current affairs, too.

This was an opening that had a special interest for operatic aficionados. It marked the return to the company of Renata Tebaldi, who missed all her engagements last season because of the death of her mother. Miss Tebaldi's absence was a grave blow to the Met management, which did what it could to adjust itself to the situation. As soon as it could negotiate with the Italian soprano, it arranged for her to sing at this opening.

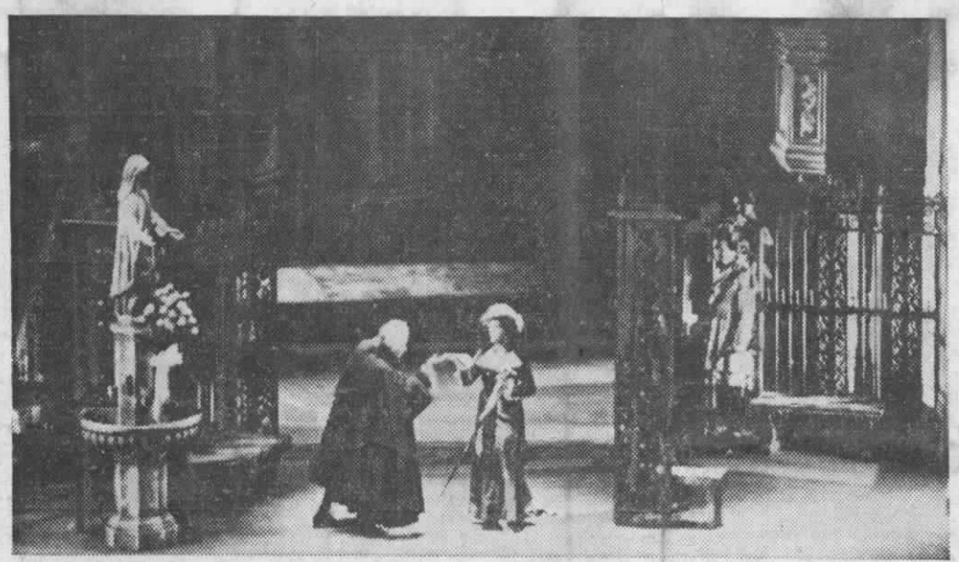
Miss Tebaldi returned in fine fettle. Her voice remains one of the most exceptional instruments of our day. It has remarkable range from the rich chest tones to the filigree pianissimos, opulence of color and abounding reserve power.

Compared with a blatant Tosca this listener heard her do with the Scala company in Brussels last June, this was more like the Tebaldi we in this country have been taught to expect. She sang with control and an effort at refinement. There were places where she poured out an excess of big tones. But her "Vissi d'arte" had taste and touching simplicity. Her performance, as a whole, was in the grand tradition — at least vocally.

George London played and sang Scarpia with sinister force. He does not sing the role with the suavity of one or two other baritones, but his characterization has individuality and consistency. He is a thoroughly dependable musician, and he sings with intelligence, developing the drama in part through the voice, as he should. The voice itself is a bit dry these days, but that is no impediment with Scarpia.

Mario Del Monaco is not really right for Cavaradossi. The tenor who is the finest Otello of our generation looks romantic enough and could provide the lyricism for this Puccini role if he would put his mind to it. But he insists on blasting away.

•



It is obviously wrong to make 'Recondita armonia" a heroic aria, which is what Mr. Del Monaco did. On the other hand, you have to admit that the audience loved those trumpet-like tones. They were far more in order in the great triumphal cry, "Vittoria, vittoria," of the second act. Here a dramatic tenor of Mr. Del Monaco's capacities gives "Tosca" a moment of fierce, thrilling exultation.

In the supporting roles the Met had its usual contingent of accomplished performers. Fernando Corena sings the Sacristan splendidly, but one wishes that he would clown less. Clifford Harvuot is an effective Angelotti. Alessio De Paolis is properly insidious as Spoletta.

Dimitri Mitropoulos conducted with the blazing temperament "Tosca" can support. There were a few moments when he let the orchestra overwhelm the principals. Fortunately, he had the singers who could ride out such temporary storms. And the orchestra, full and fresh, sounded as good as any ensemble that has been assembled for the Met pit.

•

The production passes muster. But when one thinks of the grandeur of the lécors that the Scala has for "Tosca," one feels that the Met is put to shame. Better things presumably are in store when the Opera's new home becomes a reality. One looks forward to them. At the same time, one begins to feel a touch of nostalgia. For there is an aura in this old house, and it glows with special luminosity on opening nights. We shall be glad to have a modern theatre, but we shall also miss the old place.

'Met' Sets a Record as Its 74th Season Opens

4,000 Pay $86,000 to Hear Tebaldi Sing Lead in 'Tosca'

By ROSS PARMENTER

The Metropolitan Opera opened its seventy-fourth season last night with a combination of sure-fire elements: Puccini's "Tosca," led by Dimitri Mitropoulos, and with Renata Tebaldi, Mario Del Monaco and George London in the leading roles. More than 4,000 persons paid more than $86,000 to get in.

This may well be the largest total ever paid by an American audience to hear an opera. It was certainly the Metropolitan record, for it was $10,000 more than the total of $75,510 recorded two years ago, when Maria Meneghini Callas opened the season in "Norma."

This is not to say there were more people in the opera house; that would hardly be possible. But this year orchestra seats sold for $40 each, whereas the top price last year and the year before was $35.

Despite the rise in prices, said Francis Robinson, assistant manager in charge of the box office, the company had to return more than $50,000 to persons it could not accommodate. He also said the subscription sale was the largest in the opera's history—more than $1,500,000.

There was definitely more excitement at the opening than there was last year. Then the opera was Tchaikovsky's "Eugen Onegin," a work of sad-sweet melancholy that had never been notably successful at the opera house.

The standees, who paid $2 each for admission, wede an index of the greater enthusiasm. Last year barely enough showed up to fill the quota of 280. Last night space was found for 330, and there were more than 100 who had to be turned away.

Some of those who got in had been waiting at the opera house since Friday afternoon. At 2:30 P. M. yesterday, when Rudolf Bing, the general manager, extended his traditional hospitality, there were so many on line that he and his red-coated attendants ran out of coffee twice.

"I'll take tea," joked one of the standees, just out of reach of the last drop of coffee. The comment was characteristic of the good humor of the fans. It had rained hard Saturday and Sunday, and those near the head of the line, who had been there longest, were asked why they had endured such an ordeal.

"Anything for Tebaldi," said an eager woman. "For her any sacrifice is not too great." A woman beside her chimed in, "and for Del Monaco too."

The fact that Miss Tebaldi had canceled all her American appearances last season because of the death of her mother undoubtedly fanned the eagerness to hear her last night. Mr. Bing acknowledged he had chosen "Tosca" for the first night chiefly because of the soprano.

"I promised it to Mme. Tebaldi, who hadn't had an opening," he said. "Mme. Callas has had one and Mme. [Zinka] Milanov has had three. I felt Mme. Tebaldi was justified in asking for it."

Third Time for 'Tosca'

"Tosca" entered the Metropolitan's repertory in 1901, just a year after its première in Rome. It has hardly been out of the repertory since, but last night was only the third time it had opened a season. The first time was on Nov. 17, 1919, when the stars were Geraldine Farrar, Enrico Caruso and Antonio Scotti. The second occasion was Nov. 13, 1922, when Maria Jeritza, Giovanni Martinelli and Scotti sang the leads.

Mr. Martinelli was one of these in last night's audience. Others included the pianist Van Cliburn and his mother; the Soviet conductor Kiril Kondrashin; Katharine Cornell and Guthrie McClintic, Sir Harold Caccia, British Ambassador to the United States; Carlos P. Romulo, Philippine Ambassador to the United States; Count Leonardo Vitetti, Italian Ambassador to the United Nations; Mrs. August Belmont, founder of the Metropolitan Opera Guild; Leonard Bernstein, conductor of the Philharmonic, and Anthony A. Bliss, president of the Metropolitan Opera Association.

If all had gone well in the past, last night's opening would have been the opera's seventy-sixth, since the house opened on Oct. 22, 1883. But a fire made the house unusable in 1892, and there was no season by a resident company in 1897. This explains why the new season is the seventy-five-year-old opera house's seventy-fourth season.

The opening has the atmosphere of a community celebration that has become traditional. Speculators crowded the streets to watch the audience assemble. As usual, the greatest display of jewelry and fashionable clothing was in the Thirty-ninth Street lobby. This is where the photographers wait for the celebrities.

The opera was scheduled to start at 8 o'clock, but because of the size of the audience it was seven minutes later before Mr. Mitropoulos came to the pit to conduct the National Anthem. There was a three-minute wait while the audience was photographed. Then, after a roll of three drums and a few ominous chords, the gold curtains looped up on the big church scene.

Mr. del Monaco was applauded on his entrance and there were cries of "bravo" after his "Recondita Armonia." And when Miss Tebaldi came on, carrying a big sheath of pink roses and dressed in two tones of purple, the music was drowned out. But on the whole, the audience was so absorbed in the drama that its applause was seldom out of proportion. Miss Tebaldi's "Vissi d'arte" in the second act, however, did win such plaudits that matters were held up for two minutes.

"I look foward to a new house," said Mr. Bing before last night's curtain went up. "But I don't look foward to the superhuman effort involved in the transition."

Met Presents 'Tosca' To Open Jubilee Season

By LOUIS BIANCOLLI.

Five days after its diamond jubilee, the Metropolitan Opera House opened its doors to the new opera season last night with plenty of gold in the box-office and in the voices on stage.

As if to match the company's record-breaking receipts, Renata Tebaldi and Mario del Monaco—heroine and hero of the opening night "Tosca"—poured out golden tone unstintedly. Miss Tebaldi was particularly generous that way.

The beloved Italian soprano, who withdrew from the company early last year because of her mother's death, was given an overwhelming reception by an excited crowd of 4000 that had jubilantly paid $86,000 to attend the performance.

London As Scarpia.

Rudolf Bing had obviously decided to give his affluent first-nighters their money's worth, if not more. Besides the two Italian singers, the cast featured George London as Scarpia, with Dimitri Mitropoulos conducting.

Last night being opening night, one could afford to overlook such minor misdemeanors as the untimely outbreaks of applause that muffled the opening phrases of Miss Tebaldi, and the ominous chords of Scarpia's entrance.

Such was the temper of the crowd and such was the occasion. Who could blame anyone for holding up the performance with frenzied applause and "bravos" after Miss Tebaldi's "Vissi d'arte." It was really that good!

There was further significance to last night's choice of "Tosca." This is the centennial year of Puccini's birth. Giving opening night to the Italian master was only the first of the Metropolitan's many planned tributes.

Irresistible Spell.

Thanks to the cast, and the dynamic leadership of Mr. Mitropoulos, the power and splendor of Puccini's genius came through in gripping fashion. All signs pointed to a historic Puccini season at the Metropolitan.

Not that everything was perfect in the opening act of last night's performance. There were one or two skirmishes of tempo between stage and pit, and the momentum was some time getting under way.

But once it did, "Tosca" exerted its irresistible spell on last night's audience. The second act built up with stunning impact, reaching one of the most powerful death scenes of recent years.

Few will forget that moment when Miss Tebaldi, standing over the corpse of Scarpia, snarled the words "Muori dannato!" One could sense a collective shiver go through the house.

Voice Still Strong.

Mr. del Monaco's resounding voice has lost none of its force, none of its warmth of melodic appeal, even if he applied excess pressure at times last night. His second-act outcry "Vittoria!" was shattering.

Mr. London's Scarpia was again the sinister study in polished villainy, backed by impressive utterance, he has taught us to expect from him. Fernando Corena furnished the needed comedy relief as the sacristan.

Anyway, the Metropolitan's 74th season opened last night on a brilliant vocal, social and financial note.

Tebaldi is Striking in 'Tosca'

"Tosca" was chosen to open the Metropolitan Opera Company's 75th season Monday evening. The big house was scaled to a $40 top, and drew its biggest gross, we are told, in history. The first night offered the customary fashion parade in the lobbies and Sherry's. It was quite an event.

We suspect "Tosca" was selected as the initial presentation to display the gifts of Renata Tebaldi, its major box-office magnet. Then, too, Rudolf Bing usually likes to launch a semester with a dramatic work, and this is by all odds the most rousingly dramatic of the Puccini operas.

VICTORIEN SARDOU penned the melodrama, "Tosca," as a vehicle for the volatile Sarah Bernhardt. This master craftsman shot the works with it, as did the divine Sarah. Luigi Illica and Giuseppe Giacosa caught the flamboyance of the original in their libretto, but Puccini brought warmth as well as passion to his music.

In staging "Tosca," Dino Yannopoulos has given it a theatrical touch. His conception is robust, but has its subtleties, too. The action is carefully detailed, yet the details never get in the way of the tempestuous flow of emotions. He has been eminently successful, we think, in getting striking performances from the stars.

Dimitri Mitropoulos, the most most dynamic of the Met's conductors, was on the podium. He made no compromises with score or. singers.. Like. Yannopoulos' staging, his beat was robust. Which apparently was what the premierietes wanted, judging by their robust applause.

Mme. Tebaldi, looking slimmer than we last remember her, was a striking figure in the title role. Her miming was evocative, and her singing exceptionally good under the excitements of a glittering first night. She began that test for Toscas, "Vissi d'arte," with an almost contemplative quietness, swelling the aria to a powerful climax. It won salvos of bravas.

Mario Del Monaco, one of the Met's more popular tenors, was in fine voice as Cavaradossi. He achieved resonant tones, and acted the part with consistent conviction. George London was an impressive Scarpia, cruel, lecherous and elegantly mannered. Fernando Corena also stood out as the simple, amiable Sacristan.

KURT ADLER'S chorus was well drilled, as usual, adding pictorial and vocal color to the first act ceremonies in the Church. And a salute must go to the handsome settings by Frederick Fox, who proved in this instance that, as a designer, he is at home on the Met's mammoth stage as well as Broadway's lesser ones.

We have seen and heard better "Toscas" in our time, which extends back into the Golden Age of the Met. For example, we recall fondly Scotti's incomparable Scarpia. And some magnicicent Toscas and Cavaradossis, too. But this is the Silver, rather than the Golden Age, and we should be grateful for it.

Bing is offering us the best artists available. He is also bringing in directors with theatre backgrounds to help them with their acting. And distinguished batoneers to maintain high orchestral standards. There is no doubt that he is giving the public what it wants, for there just weren't enough $40 tickets to meet the demand last night.

Another Opening For the Met

"As the curtain rises over this, the Metropolitan Opera's seventy-fourth season, it looks as though this opening night. . . . might well be the first of the last three opening nights in the venerable old house on Broadway and 39th St. Right now the indications are that the new Metropolitan Opera House up at Lincoln Square will go into operation in the fall of 1961."

The words are those of Rudolf Bing, who surely is a man who should know. And the opening night is tonight, when the glitter and gayety of a new Met season will be very much in evidence. It is greatly to Mr. Bing's credit that, in his eight-year tenure at the Met, he has preserved that glitter and added to it a musical substance and solidity which have not invariably been in evidence in the past. If this is indeed the first of the last three opening nights at the old house. Mr. Bing can look back on eight seasons of rich accomplishment, as well as to even more fruitful and memorable years at a new and thoroughly modern house.

Tonight's opening opera is Puccini's "Tosca." Mr. Bing would be the last to describe it as a novelty, but he can point to it as an example of the way the Met can imbue a tried-and-true opera with vocal richness and dramatic power. With Renata Tebaldi, Mario Del Monaco and George London in the leading roles, and Dimitri Mitropoulos conducting, it should be a performance good to the last drop of blood. Certainly we have every expectation that Mr. Bing will make these last three seasons at the old Metropolitan years worth remembering.

Metropolitan Opera Opens 75th Season With 'Tosca'

New York, Oct. 28 (AP)—The Metropolitan Opera celebrated its seventy-fifth anniversary last night—and probably one of the last few opening nights in the old Broadway opera house—with an air of nostalgia and tradition hanging over it all.

The Met, which hopes to open its 1961 season uptown in a big modern auditorium in the Lincoln Center of Performing Arts, went 'way back for its 1958-1959 opener.

The opening night opera was Puccini's "Tosca," first performed at the Met in 1901 and having its third airing at an opening night. Old-timers could remember Farrar, Caruso and Scotti as the stars of the opening night "Tosca" in 1919, or Jeritza, Martinelli and Scotti in 1922's opening night performance.

Last night it was Tebaldi, Del Monaco and London, no novices at helping the opera company put on a good show for the opening of its season.

Celebrities In Audience

Equally traditional was the performance of the opening night audience.

It was composed of diplomats, stars and former stars of the opera world, the rich and the aristocratic, and the usual sprinkling of celebrities from other parts of Broadway.

In this year of "high" fashion, when every shopgirl is wearing a new Paris look and waistlines and hems are moving into various strange places, even the fashions at opening night were amazingly traditional.

The right thing to wear to the opera still seems to be, in the minds of most lady patrons, an elegant ball gown—satin preferred—with the waist where it belongs, the figure shown off to its best advantage and the whole picture framed by mink, ermine or chinchilla and the best display of real gems available to the lady in question.

New Fashion Emphasis

Practitioners of this principle included Mrs. Rudolf Bing, wife of the Met's general manager; Mrs. Anthony Bliss, Mrs. Lorraine Manville, Mrs. August Belmont and Mrs. Robert Merrill, wife of the baritone.

One new fashion emphasis appeared to be the floor-length sheath-straight satin or brocade coat often matching the gown underneath it.

Mrs. Richard Cowell, the young and pretty blond daughter of Cornelius Vanderbilt Whitney, wore a low-cut, tight-fitting gown of cerise satin with matching coat. Mrs. Eleanor Searle Whitney, ex-wife of Cornelius Vanderbilt Whitney, came in later in an impressive sheath coat of shocking pink satin worn over a white sheath gown.

Opera Pleasing

As for the opera, its classic melodrama appeared to please everyone.

The three top staps, Renata Tebaldi as *Tosca*, Mario Del Monaco as *Cavaradossi*, and London as *Scarpia*, all performed "nobly," said Associated Press arts editor W. G. Rogers.

Tebaldi, said Rogers, may belong with the Tosca greats, alongside Maria Jeritza and Geraldine Farrar, and the performance as a whole "was a splendid send-off for the Met's diamond jubilee year."

It also was a splendid financial send-off for the 1958-1959 season, with $86,687 taken in on opening night, an all-time record. Regular orchestra seats cost $40, a $10 boost over last year.

Met Opens for Season With Artistic, Box Office Success

By DELOS SMITH

New York, Oct. 28. (UPI)—The "War of the Prima Donnas" has aken a new, dramatic turn — the heavier of the two claimants for recognition as the world's greatest practicing operatic soprano, Italian style, has lost weight.

This was revealed at the opening of the Metropolitan Opera's 75th year last night when Renata Tebaldi cut an admirably girlish figure and gave an out-of-this-world musical performance in the name role of the opera, "Tosca." A well-heeled audience applauded her until she and it were lin p. It had to be well-heeled; the best seats cost $40 each

As the result the box office shared Miss Tebaldi's triumph. It took in $86,687 for the single performance, a record for America's oldest and most celebrated opera house. The previous record — for opening night two seasons ago — was $75,510. Opening night prices are jacked up several times over the regular tariff.

There had been no previous announcement of Miss Tebaldi's slimming and it occasioned much comment. Not that she was ever very heavy when you think of the traditional well-upholstered Italian soprano, but her arch rival for topmost prima donna honors in the world's opera houses, Maria Meneghini Callas, has had a lot of critical acclaim over the past few seasons for her slender, girlish figure, although in all truth (in this critic's opinion) she is downright skinny.

He would give the new Tebaldi the edge here on the basis of her Tosca of last night. As singer and musician she was the old Tebaldi still; that is, superb. The quality and purity of her tones, the subtlety and color of her intonations, the exquisite control she exercised over every nuance of the singer's art — in these vital matters and in everything else needed to make the human voice the most thrilling of musical instruments, she showed her audience she has no rival.

Miss Tebaldi was supported brilliantly last night by George London singing the villain role, Mario Del Monaco singing that of the hero, and Dimitri Mitropoulos conducting the orchestra. There are only three really important parts in "Tosca" and the three singers gave the operatic melodrama considerable impact—as musical melodrama.

Thus, "Opening Night at the Met," always a big social occasion in New York, was an artistic as well as a box-office success.

WORDS and MUSIC

By Harriett Johnson

A Vital 'Tosca' Opens Met's Season

The Metropolitan Opera's opening of its 74th season last night may have been heralded by a discreet audience, but the performance of "Tosca" on-stage was anything but. With Dimitri Mitropoulos conducting, the melodramatic thriller was supercharged with an urgency that sometimes was electrifying, but, at other times, came through with too much current.

MARIO DEL MONACO

Under normal circumstances, Mitropoulos can rarely be accused of letting things lag, and the current occasion found him imbued with opening-night excitement to the point where the first two acts were consistently loud, with tempos whipped up to a high wind when the spirit so moved him. They may actually, at certain points, have been more hurricane in mood than in speed, but there was no doubt that the explosive nature of Sardou's shocker was not neglected by the dynamic maestro, conducting, as usual, without score.

In the title role of the Puccini opera, soprano Renata Tebaldi, a big girl with a big voice, was sympathetic to the dominating ideas of Mitropoulos. So was tenor Mario Del Monaco, making his debut as a bearded (his own) Cavaradossi. Says Del Monaco, right or wrong—painters and revolutionaries traditionally wear beards. It suits the period, so why should he shave off his novelty?

In any case, he belted out some high notes with rousing resonance, with all the free spirit, we must admit, of an uninhibited revolutionary. He held them long enough so that we felt like shifting from one foot to another, even though we were comfortably, even luxuriously seated in our $40 orchestra seat.

Miss Tebaldi, more subtle than Del Monaco, sang with keener sense of color and variety of tone in the second act, climaxing her performance with a "Vissi d' arte" which received a prolonged ovation, even giving some observers the idea that the aria might be repeated. As tribute to her high artistry, she never relinquished her characterization during the thunderous applause, and eventually the audience was forced to yield.

During the scene leading up to her driving a knife into Scarpia, she worked up a cumulative frenzy that was a worthy match to the Machiavellian police chief, the hyprocrite who admitted with supreme understatement, "Tosca, you make me forget God." George London's singing was the most sensitive of the evening from a standpoint of phrasing and he acted with his familiar diabolical effectiveness.

There was a glow to Miss Tebaldi's second act, accented, as it was, by her beautiful new cream-colored, beaded costume, made in Vienna, and topped by a black bodice and train.

In her imperious splendor she was magnificent, even though her actual knifing of Scarpia was a bit tame. Her exit, at the end of the act after the murder, was arrestingly dramatic as she opened the door and a flood of light flaunted itself at her figure, in contrast to the dead Scarpia, lying on the floor, framed by his two candles. The Dino Yanopoulos production, staged by Nathaniel Merrill, generally was admirable.

Portraying the smaller role of the Sacristan, Fernando Corena was outstanding, singing with a rich, smooth legato and acting with delicious but well-controlled humor.

The Metropolitan management contributed to the decorum of the audience by making it practically impossible for anyone to crash the gate. Even a Met staff member, who has worked in the house for 16 years, had to produce her pass in order to get by the guard. Thus, there was less of a crush than at any previous opening. There appeared to be fewer working press, fewer press agents, fewer onlookers, though, inside the auditorium, the claque appeared no less militant.

Among the assortment of celebrities present were Leonard Bernstein, wearing an opera cape, as more men should; Russian conductor Kiril Kondrashin; pianist Van Cliburn and his mother; Aly Khan and Elsa Maxwell. The dressy crowd, as usual, ranged from the elegant to the bizarre, though there was nothing to equal a man with a jeweled crown on his head, a phenomenon that characterized a ballet opening a couple of years ago.

One lapse from sobriety were a few champagne drinkers who, looking, as one observer said, as if they had just walked off the stage of "The Boy Friend," managed to descend from the bar into the lobby with glasses still full. They were quickly dispatched.

It was a night of surging music. The total, bloody, death-dealing flamboyance of "Tosca" (poison, knifing, shooting, jumping) had its counterpart in the orchestra and in the on-stage singing. Mitropoulos and his collaborators never forgot that the combine of composer Puccini, dramatist Sardou and librettists Illica and Giacosa accomplished death in four ways within approximately two hours.

Metropolitan Opera Opening Record Set; 4,000 Pay $86,000

(Picture on back page)

New York, Oct. 27 [Special]—The Metropolitan Opera opened its 74th season Monday night with a combination of sure fire elements: Puccini's "Tosca" led by Dimitri Mitropoulos, with Renata Tebaldi, Mario Del Monaco, and George London in the leading roles. More than 4,000 persons paid more than $86,000 to get in.

This may well be the largest total ever paid by an American audience to hear an opera. It was certainly the Metropolitan record, for it was $10,000 more than the $75,510 brought two years ago when Maria Meneghini Callas opened the season with "Norma."

This is not to say there were more people in the Opera house. That would hardly be possible. But this year orchestra seats sold for $40 each. The top price last year and the year before was $35.

Monday night's opening had the atmosphere of a community celebration that has become traditional when the opera opens. Spectators crowded the streets outside the Opera house to watch the audience assemble. As usual, the 39th street lobby was the area where there was the greatest display of jewelry and fashionable clothing.

In the general hubhub and excitement one did not detect much feeling of nostalgia that the maroon and gold victorian Opera house is slated for demolition. Perhaps that was because the entrance into the new opera house in the Lincoln Center for the Performing Arts is not slated until the fall of 1961. That means that two more seasons after this are assured in the present house.

Lively Night at Opera

NEW YORK—High society and the arts lived it up—at a record $40 a ticket—last night at one of the gaudiest Metropolitan Opera openings on record. There were no spectacular lunacies such as these annual occurrences used to bring forth, and from that viewpoint it was a pretty dull show.

On the other hand, there were weird hairdos by the dozens, many wacky gowns of the trapeze variety, diamonds by the bucketful, cafe society beauties past and present and Van Cliburn to send everybody into a tizzy—plus a rip-roaring opera performance that stopped the show several times. It was quite an evening, even without inebriates doing handstands.

This is the Puccini year (the Italian composer was born in Lucca, Italy, Dec. 22, 1858) and so the opera offering was his "Tosca," with Renata Tebaldi, Mario Del Monaco and George London as stars. The performance also opened the opera's Diamond Jubilee celebration, that august institution having gotten off the ground in 1883.

Plenty to Celebrate

Add to all this the fact that the Metropolitan expects to have only three more seasons at the old "yellow brewery" at Broadway and 39th St., before moving up to the proposed Lincoln Square development in 1961. Put all these together, and there is enough to celebrate, commemorate and anticipate.

The vivacious crowd on hand, enriching the Metropolitan Opera's box office by $85,000, drew from all elements of metropolitan high life. A few reminders of the old days of New York society were among the crowd. But the feeling was general that the old timers had been pushed aside by some of the newer arrivals.

New or old, the patrons and patronesses made the night brighter as they arrived in their limousines, with not a thought for the light drizzle that fell. Best vantage point, we found, was the 39th St. entrance. Here the celebrities went through the ordeal of facing a battery of photographers or, worse still, were ignored.

Beautiful Stars

Most beautiful of all, as usual, were the opera stars who swept gracefully into sight. One couldn't have wished to see prettier girls than Blanche Thebom, Roberta Peters, Patrice Munsel, Heidi Krall. A wave of applause went up as Betsy Palmer arrived in a striking green gown. Rudolf Bing, general manager of the Met, and Mrs. Bing achieved their usual arrival time, precisely at 7:45. Cliburn, by the way, was accompanied by Kiril Kondrashin, the Russian conductor who will appear with him next Sunday in Newark.

The jewelry display was encountered mostly on the persons of Hope Hampton Brulatour, whose diamonds and emeralds were ablaze, and Mrs. Claude Arpels, who stuck pretty much to diamonds "(from her husband's store window," suggested one bystander). To complete this amateur fashion revue, we might mention that ermine and chinchilla seem to be the choices this year, and that many of the gowns seem to have a Japanese influence.

For a wonder, most of the folk present also heard the opera, something that does not always happen. True enough, a few opera haters hugged the Sherry bar, through thick and thin, but inside the huge red and gold auditorium, with its diamond horseshoe of boxes, every seat was taken and 125 standees occupied the remainder of the permissible space. The audience totaled 3,800.

Fine Performance

The opera we all heard together was a fine achievement. Puccini's melodrama, with its tortures, murders and betrayals, might not seem to be festive fare, but somehow it worked out that way. Under the baton of Dmitri Mitropoulos, the wonderfully varied score spoke out with dramatic urgency, underlining every mood in this striking story of Rome in the time of Napoleon.

The evening's musical triumphs were many. Outstanding, in that it stopped the show for a good five minutes of enthusiastic shrieking, was Mme. Tebaldi's performance of the famous "Vissi d'arte, vissi d'amore," aria, sung to a fare-thee-well by the statuesque beauty. Close to this estimable success were Del Monaco's two big arias, "Recondita armonia" and "E lucevan le stelle," delivered with unerring brilliance and vigor. Baritone London's Act II scenes were a new high—or low—in vocal malevolence.

The usual massive Metropolitan production was trotted out, with Swiss guards, cardinals, choir boys and all sorts of marvelous costume effects on display, as if to outshine the gay gowns of the ladies present. They didn't quite make it, but it was a good try.

Met's Diamond Year Opened by 'Tosca'

Puccini's highly charged "Tosca" opened the Diamond Jubilee season Monday night at the Metropolitan Opera House, Dimitri Mitropoulos ably conducting.

Opening night is traditionally a spectacular with two shows for the price of one. The performance gets top billing, of course, but the audience is a close second.

This year was no different. People came to see and be seen. The ladies paraded a la trapeze, Empire, bouffant or just plain Chanel, to the sound effects provided by popping champagne corks in Sherry's, on the grand tier.

The golden-voiced Renata Tebaldi brought down the house as the passionate Tosca. Mario Del Monaco powerfully portrayed the unfortunate Cavaradossi. The hateful, vicious Scarpia was magnificently handled in George London's rich baritone.

Fernando Corena's Sacristan was a show in itself, while Alessio De Paolis and George Cehanovsky were excellent as Baron Scarpia's henchmen.

METROPOLITAN OPERA

3 Superb Voices Open in 'Tosca'

By MILES KASTENDIECK

MORE THAN USUALLY OPERA-MINDED, the glamorous opening-night audience arrived remarkably on time for the beginning of Puccini's "Tosca" and Metropolitan Opera's 74th season last night.

While there was nothing novel about the production, Rudolf Bing had assembled a top-quality cast, centered somewhat inevitably on the return of Renata Tebaldi.

If the performance turned out to be too star-studded for its own good, the fault was not his. The stars revolved in their own orbits more than was good for the opera as a whole.

With due respect for Mme. Tebaldi's beautiful voice, Mario Del Monaco's shattering singing and Dimitri Mitropoulos' intensely theatrical conducting, the honors of the evening went to George London. His Scarpia qualified easily as the most artistically created performance.

Just as the audience had outdone itself to display its finery, so Mme. Tebaldi and Del Monaco strove to sing as they have never sung before. They did. The result was inartistic but productive of vocal decibels guaranteed to win them cheers and bravos galore.

3 Superb Singers

Thus the first-night performance with three superb singers registered as vocally and orchestrally brillant but surpassed on several occasions in the past in artistic quality. It was a good show for the money—the biggest box office largess in the history of the Met at $86,687.

London stood out because he put singing the role of Scarpia first. His performance was as well-proportioned vocally as dramatically. For aristocratic elegance and downright maliciousness, it would be hard to find a more communicative portrayal.

The culminating moment in last night's "Tosca" was Scarpia's death. The third act became an anti-climax especially after Del Monaco stepped out of his role to sing "E Lucevan le Stella" vociferously.

As usual there was much to admire in Mme. Tebaldis vocal artistry. Gifted with a golden throat, she can sing radiantly, shade her voice felicitiously, and convey drama vocally. Her "Vissi d'Arte" brought down the house deservedly.

The inordinately slow tempo at which she chose to start the aria and the liberties she took for effective phrasing, however, epitomized the studied attitude her performance reflects. The melodramatic tempo of "Tosca" does not allow for deliberative action of singing.

Both Mme. Tebaldi and sometimes Del Monaco found themselves at variance with Mirtopoulos' beat. It was evident that he had to slow down for them aside from having to yield on some of the longest-held notes heard in this opera in years.

Del Monaco revealed little subtlety in his singing last night. The number of velvet tones shrank rapidly before his rafter-ringing brilliant ones. A disturbing coarseness showed at the beginning of the first act and even in the third.

Granted his power and his brilliance, his performance was that of a top-billed tenor rather than a member of a cast concentrating on re-creating "Tosca" as an opera.

Typical of a Metropolitan cast, the other singers gave excellent support. Fernando Corena as the Sacristan, Clifford Harvout as Angelotti, Alessio de Paolis as Spoletta in particular created an artistic balance of singular stability.

The stage direction appeared satisfactory except for the self-conscious action of the choristers.

Mitropoulos alternated between lush and theatrical Puccini with some unnecessary exaggeration when he became excited. His dramatic sense injects the true element of theatre into the performance. It should have the intensity he imparts naturally if overloudly. The musicians' response is excellent.

The choice of a Puccini opera for opening night recognized the advent of his centennial to be celebrated in December. The audience's absorption in "Tosca" testified to his genius as well as to the glamor of the stage performance.

Cesare Siepi as Boris.

By Jay S. Harrison

Mussorgsky's "Boris Godunov," returning last night to the Metropolitan Opera after an absence of three years, was given in such a way as to bring shame to no one, nor to cover any one with excessive glory, either. It was a reading safe and sane, sturdy and standard. High-voltage electricity lighted it up but rarely, yet there was not a moment of the work presented in total artistic darkness.

As Boris, Cesare Siepi began slowly, his "Coronation" scene lacking the ultimate in majesty and eloquence. Here, too, his voice had not yet grown stable so that a certain strain was evident in the highest register; its color, further, was a mite bleak, a shade gray.

By the second act, however, Mr. Siepi's Boris was the one we have come to know, indeed have come to expect. The "Power" monologue was a burst of mixed fury and anguish, the "Clock" aria rang with splendor. And the latter was enacted so as to strike a steel chill into any man's heart.

In the role of Shuiski, Charles Kullman offered again a perfect example of vocal quality matching dramatic demand. The part drips oil and malice: both these features Mr. Kullman manages somehow to introduce into his singing. Elsewhere, Giorgio Tozzi was a deep velvet Pimen, his voice glowing with a dark inner light, and Ezio Flagello, singing his first Varlaam with the company, managed to squeeze the comic juice out of role without finding it necessary to act a bumbling idiot. Also he sang cleanly and in tune, something most Varlaam's are not prone to do.

Kurt Baum, on the other hand, gave us, in his first Dmitri at the house, vocal work plagued by strain and irresponsibly phrased. Nor, for that matter, was he comfortable in movement. Emilia Cundari, who was new to Xenia's part, seems to have enlarged her soprano considerably in the last months and her efforts with it were genuinely affecting.

In her debut at the Met, Minon Dunn, as the Nurse, seemed comfortable in her surroundings, though detailing her skills is impossible on the basis of so short an appearance. Lastly, Nell Rankin when she had her mezzo under control, which was not always, spun out some luminous lines and was generally impressive in manner and bearing.

There are yet two comments to make. For the first, with the exception of Mr. Kullman, Mr. Tozzi and, on occasion, Mr. Siepi, the entire cast might have been singing Tibetan for all that could be understood of John Gutman's English text. For another, one yearns for a return of the Rimsky-Korsakoff orchestration—authentic or no—since the current version appears to grow more rickety as time passes. Not even Mr. Mitropoulos in the pit could encourage from his men the sonorities that ought to underline the activities of the noble Boris. The orchestra, in fact, neither shimmered nor shone. No more did the performance as a whole.

Opera: 'Boris Godunov' in English

Mussorgsky Work Is Presented at 'Met'

By HOWARD TAUBMAN

It can be done. It is possible to sing in English at the Metropolitan Opera and be understood. The cast in last night's "Boris Godunov" either was making a special effort or had mastered John Gutman's English translation. In any event, it did an admirable job of making itself comprehensible.

It would be easy to dismiss this achievement as secondary in significance. After all, singing is paramount in the opera house. But the music, particularly in Mussorgsky's operas, is designed to probe reality and to reveal character. The words are vital to a grasp of the miracle the music is accomplishing.

If our singers could sing Russian and our audiences understand it, Mussorgsky would be best served. Since English is more practicable here, it is helpful to have it decently articulated.

•

Almost as impressive as the careful enunciation was the all-round competence of the cast. To one who heard a lot of Russian opera in Soviet theatres some months ago it was cheering to note how much higher is the level of singing at the Met, even in "Boris Godunov."

It need not be pretended that our Western theatres, with their restricted funds and limited rehearsal time, can compare with the Russian houses in the staging of such a work. Nor do our performers command the spirit and idiom of a Mussorgsky as only Russians can. But if you take one consideration with another, we need not blush for our "Boris."

Cesare Siepi makes the title role a stirring, convincing impersonation. He uses his dark, smooth voice with musical subtlety and dramatic fervor, and he plays the conscience-ridden Czar with unflagging authority.

No other role bulks so large, but the Met has gone out of its way to cast the opera from strength all down the line. A tenor like Charles Kullman, who has sung leading roles, is employed for Prince Shuiski, and this small, though pivotal part strikes home. Georgio Tozzi, an enormously gifted bass, sings Pimen. Ezio Flagello, another comer among the basses, sings Varlaam in fine style. Kurt Baum brings ringing top tones to the false Dimitri. Clifford Harvuot is effective as Rangoni.

•

The women are equally in the frame. Nell Rankin sings and plays Marina attractively. Margaret Roggero as the Czar's young son, Emilia Cundari as the daughter and Martha Lipton as an innkeeper perform with verve. Mignon Dunn, American mezzo, who made her Met debut last night, handles the role of the nurse capably; she has a voice of agreeable size and color but fuller evaluation must await a bigger role.

Dimitri Mitropoulos conducts with zest and, at the same time, with enough discretion to give the singers a chance to project their English. The orchestra plays with glowing tone, even though Karol Rathaus' scoring, which the Met commissioned some seasons ago, is somewhat thin. The chorus, which is the Russian people and, therefore, more truly the hero than Boris, sings forcefully.

In this opera Mussorgsky is really describing—and mourning—the bitter lot of the Russian people in the face of its oppressors. As you read this morning's news, you observe that the lot of some individuals has not improved. If there were a Mussorgsky around today, he would have to be silent.

Puccini's 'Tosca' At Metropolitan

With Renata Tebaldi in the title role, Puccini's "Tosca" was repeated Saturday night at the Metropolitan Opera. The performance featured two major chages of cast, for Cesare Bardelli had never before sang Scarpia at the house, nor had Giuseppe Campora previously appeared this season as Cavaradossi. The remaining participants included Clifford Harvuot as Angelotti, Fernando Corena as the Sacristan, Alessio De Paolis as Spoletta, Asie Hawkins as Sciarrone and Peter Burke as a shepherd. Dimitri Mitropoulos was the conductor.

All things considered, Mr. Bardelli offered a rather lightweight Scarpia, a Scarpia-in-miniature one might say. The imperious aspects of the role he has yet to conquer, and its assorted villainies were projected without much theatrical focus. He sang agreebaly, however, especially at those moments when he was occupied in using the middle register of his baritone. At the top, his voice tends to thin out and his lowest range seems not fully developed. Still, his tone was ever warm, ever attractive in its color. The suspicion lurks that given time his Scarpia will gain in force, gain in power. At present, at any rate, his conception of the part is incompletely realized.

Mr. Campora, as is his way, was rather passive dramatically, though his singing was lovely of quality and smooth of line. The truth is, of course, that it is as hard to be vocally glamorous singing in tandem with Miss Tebaldi as it is to appear inscrutable standing next to the Sphinx, but Mr. Campora acquitted himself handsomely on all counts. What his Cavaradossi lacked in passion it recouped in beauty of tone.

Despite the excellence of some of its parts, this writer found the performance as a whole slow and sluggish, a fact directly attributable to the tempos in the pit, which were exasperating for their want of correspondence to Puccini's printed score.

A Fine 'Boris' Heard at Met

By DOUGLAS WATT

Almost six years ago, when the Met junked Rimsky-Korsakov's slick re-orchestration of "Boris Godunov" in favor of one closer to the original, the writer had some reservations about it. He no longer has.

The Mussorgsky work, by far the greatest of all Russian operas, was put on last night as the Met's second presentation of the season. It was wonderful. Karol Rathaus' scholarly reconstruction of the original score had splendid thrust under Dimitri Mitropoulos' baton and John Gutman's English translation was fine to listen to when the American members of the cast were mouthing it.

An Impressive Boris

Cesare Siepi, who seems inclined to sing a bit far back in his throat, wasn't always intelligible as Boris, but he gave a magnificent performance, anyway. A forceful, commanding figure with a rich voice, he brought dignity and power to the role. Charles Kullman was an excellent Prince Shuiski, Ezio Flagello made the most of the meaty part of Varlaam and Giorgio Tozzi was fine as Brother Pimen.

In the important role of Dimitri, Kurt Baum was stodgy and somewhat dry-voiced but he managed a few of those ringing top tones for which he has long been celebrated. Nell Rankin was a handsome and vocally effective Marina and Clifford Harvuot was first-rate as her Jesuit counselor. Mignon Dunn, a mezzo-soprano who has been heard here before, at the City Center and in concerts, made a pleasing impression in her Met debut as the nurse.

The chorus, directed by Kurt Adler, was all that could be asked for and Dino Yannopoulos' staging continues to seem admirable.

'Boris Godounoff' Staged at Met

By LOUIS BIANCOLLI.

After the frenzied tensions and commotions of Monday's opening, the Metropolitan concentrated on the sober business of presenting opera last night.

Second of the season's selections was Moussorgsky's "Boris Godounoff," in the close English version of John Gutman and in the often crude but intensely honest scoring of Moussorgsky.

While the Metropolitan production has always struck me as a worthwhile experience for all lovers of Moussorgsky's classic, I came away with mixed feelings last night.

Missed Russian Text.

To begin with, I missed the Russian text this time. For all the advantages and clarities of the English rendering, I felt the music needed the power and color of the Russian words to heighten the mood and intensify the atmosphere.

This opera is Russian through and through—a kind of epic of the Russian people. Its music flowers from the words, at times with uncanny realism. Mr. Gutman has done a clear but thankless job.

Nor was the version strengthened last night by the variety of international accents that garnished the text. Since it wasn't always easy to tell what the characters were saying, the language might just as well have been Russian.

Lean Directness.

My second misgiving was about the Moussorgsky scoring. More and more I wonder if, in spite of the naked energy and lean directness of many passages of the original, I wouldn't settle for a return to Rimsky-Korsakoff's sonorous revision.

Dimitri Mitropoulos brought out the native splendors of Moussorgsky, but even he, with all his incisive force and dramatic instinct, couldn't bring glow and substance to the score's many drab and pallid pages.

And it will take livelier acting and far more abundant vocalism than last night's to lift the current production to the level it reached when it was first exposed to view a few seasons back.

Striking Figure.

Cesare Siepi was again a striking figure as the guilt-haunted Boris, but his voice lacked its usual impact. Though he sang smoothly enough, Kurt Baum was a rather timid and lacklustre pretender to the Russian throne.

A promising mezzo from Tennessee, Mignon Dunn, entered the company is Xenia's nurse, and while Xenia herself was sweetly but rather feebly sung by Emilia Cundari, the young Fyodor was far more royally served by Margaret Roggero.

Along with Mr. Mitropoulos' orchestra, the most arresting feature of last night's performance was the chorus trained by Kurt Adler. That is Moussorgsky's true hero, the chorus, and its utterances were truly awesome last night.

WORDS and MUSIC

By Harriett Johnson

Mitropoulos Leads 'Boris' at Met

Mussorgsky's "Boris Godunov" is a stirring opera which demands stirring treatment. Though the composer didn't know his musical grammar, being almost entirely self-taught, he did possess what was more important—an unfettered musical genius; and he did know his Russian peasants.

"Boris" returned to the Metropolitan Opera last night after being absent from the repertory since the 1955-56 season. Even two and a half years seems too long a rest period, considering the elemental strength of the work and its dramatic validity in the current version. For those unfamiliar with Russian, the power of the music drama is greatly heightened by the fact that the Met's current production, initially launched in the 1952-53 season, is in English, in the first-rate translation by John Gutman, from Pushkin's poetic drama.

Despite the authoritative vitality emerging from the orchestral pit under the leadership of Dimitri Mitropoulos, this "Boris" came across with far less impact than its potential, due primarily to one major case of miscasting and to Cesare Siepi's shortcomings in the title role.

The fact of the latter's beautiful voice is no news. It was nonetheless, unhappily, often thick and muffled, interfering with his clear enunciation and expressive coloring. When his English could be understood, it was admirable. Until the final death scene, when the basso became a commanding figure, he acted the role as if his emotions were celluloid. Siepi's Czar was a stiff, inhibited figure, not a tortured murderer, consumed and eventually crazed by his guilt.

We'll rate him high for courage, however. His fall down the stairs at the end made us sure he had broken his back.

Kullman, Tozzi the Best

Tenor Kurt Baum, singing Grigoria for the first time at the Met, was lamentably miscast, despite his secure high notes in a role notable for its difficulties in this respect. His voice, for the most part, was tight and rough, while his acting proved without conviction.

The outstanding characterizations among the major roles of the large cast were those of the sinister Prince Shuiski, portrayed by Charles Kullman, and the aged monk, Pimen, sung superbly by basso Giorgio Tozzi. Tozzi's diction was exemplary and his smooth rich voice oiled to perfection.

Kullman acts Shuiski with sadistic magnificence and has the voice and technique to match the interpretation with his singing.

As Marina, Nell Rankin sang with freedom and warmth, but without the subtlety required. Her acting, also, was on the heavy side. She seemed clumsy, for instance, dancing at the party. Incidentally, we sympathized with Miss Rankin during her scene alone in Act III and suggest, as a result, that the Met use its vacuum cleaner more. With nobody else on stage while she was singing, she was accompanied by clouds of dust, the "bete noir" of those who vocalize.

The minor roles were well cast, among them, Mignon Dunn in her Met debut as Xenia's nurse, plus Emilia Cundari and Calvin Marsh, performing respectively, the roles of Xenia and Shchelkalov, for the first time. Martha Lipton as the innkeeper, Paul Franke as the Simpleton and Ezio Flagello as Varlaam were all superior in their parts.

A flame-red carpet on the stairs in the coronation scene, not used previously in this production, added a further flamboyant touch.

"Boris" Returns

After a too-long absence, Mussorgsky's "Boris Godunov" returned to the Metropolitan Opera House. The beautiful music that fairly undresses the conscience of the Czar was complemented by an excellent English translation that to one theatregoer, at least, seemed to increase the interest and appreciation of a spell-bound audience.

Because the lead role so dominates the story, it took excellent casting down the line to prevent the production from seeming artistically top-heavy.

"Boris" is an exciting opera and Cesare Siepi played the lead with fervor. He and the entire company were careful not to lose their English enunciation in the great sweeps of music. Charles Kullman as Prince Shuiski and Giorgio Tozzi as Pimen sang lustily. The chorus, which represents the Russian people, performed forcefully.

Dimitri Mitropoulos' conducting was electric but never harsh in pacing and supporting this musical story of intrigue and adversity.—E. R.

'Boris' in English Superb Offering

For the lover of grand opera unaccustomed and, in equal measure, unappreciative of enjoying his fare in English, the Metropolitan Opera's presentation of "Boris Godunov" is indeed a revelation.

Here is a perfect example of using an English translation to enhance each dramatic highlight, intensifying all the power and horror within this Mussorgsky masterpiece into one massive electrifying experience.

The Metropolitan's performance is nothing short of superb, highlighted by an overpowering Cesare Siepi in the title role of the tormented Boris. Equally effective is Charles Kullman as the conniving Prince Shuiski and Giorgio Tozzi as Brother Pimen.

In the limited part of the simpleton, Paul Franke was outstanding, drawing an ovation and several single curtain calls from a shouting audience. To this must be added the brilliant conducting job of Dimitri Mitropoulos.

Puccini Tribute

His Music Magnet on Met's Opening Night

By ALAN BRANIGAN

AMID the pomp and furore of the Metropolitan opening night last week, the most memorable single personality involved wasn't even there. But his music was, and that was enough for most of the 3,800 patrons who crowded into the house and sat enraptured through "Tosca."

The personage was, of course, Giacomo Pucini (1859-1924), whose birthday a century ago is being marked by all sorts of festivities this season. "Tosca" happens to be Puccini's most dramatic and beautiful work and with Renata Tebaldi, Mario Del Monaco and George London on hand to sing the leading roles, a success was virtually assured.

✣ ✣ ✣

WITH a few exceptions, the Met's production of the Puccini work holds well within the "verismo" or "naturalness" definition of the opera's style. The Sardou drama from which it was taken about Rome under Napoleon's rule, was an outstanding example of realistic drama, and the opera was written in that vein. The opera has none of the fantasy and farfetched incidents of some other popular works for the lyric stage but sticks pretty well to recognizable identifiable emotions.

To a certain extent, however, the endless and profuse procession that clutters up the stage at the conclusion of Act. I at the Met is overdone to the point of extravaganza. The piling up of Swiss guards, dignitaries and other panoplied persons on a stage already quite full of choristers somewhat detracts from the sinister, chilling picture of the villain, Scarpia, singing out his evil plans during the church service.

And it would be easy to think of the stagey conclusion to Act II, with Tebaldi trailing a long golden cape slowly up a staircase, as being much too contrived and artificial, as well as being out of character with the heroine's appealing personality.

✣ ✣ ✣

ASIDE from these minor infractions, the performance was full of the sanguine, supermelodic and melodramatic fire that Puccini was able to write into his scores, by some mysterious outpouring of genius. Under Dmitri Mitropoulos's direction, the emotional torrent raged along in its kaleidoscopic change of color and mood. Only Puccini was able to achieve this sort of mood music, after capturing in a single chord, or a progression of a few heart-tugging notes an emotional state of great poignancy.

Best example of this, of course, is the descending minor figure, played fortissimo, that stands for the despicable character of Scarpia, the police chief "before whom all Rome trembles," to quote the libretto. In a phrase, Puccini caught the malevolent, brutal spirit of this man.

✣ ✣ ✣

EQUALLY touching, but in a pathetic mood, is Tosca's long, desperate song about the vicissitudes of art and love, which always have a tough time in a brutal world of power politics. Few of the hero's lyrical moments convey the emotional weight of this utterance. Both of his big arias, in Act I and Act III, are contemplative in nature, although in each case the longed-for emotional climax is ringingly on hand.

The cast was magnificent in that opening night performance. The magnificent Tebaldi was ever the complete mistress of her art, and George London's Scarpia was a masterpiece of elegant, poised evil. His death scene was something extraordinary. Mario Del Monaco, possessor of a huge voice, lacked something in being plaintive, but made up in voicing that tremendous Act II outcry of "Victory" that is in some ways the high point of the opera.

There will be much more Puccini this year (even "Manon Lescaut" is being revived for the centenary), but it will be difficult to match the "Tosca" that opened the season so resoundingly.

Glamorous Opening Night

By Miles Kastendieck

New York

While the Metropolitan had a glamorous opening night, the operas of the first week would be classified as standard brand except for Moussorgsky's "Boris." For some reason the performances qualified more as routine than exceptional The impression persisted that the Metropolitan was in business again but that it had not yet attained the high quality of performance expected from its quality casts.

Puccini's "Tosca" opened the 74th season primarily in recognition of his forthcoming centennial to be celebrated in December. It also served as a good opera in which Renata Tebaldi could return to the company. In a sense, she dominated the evening, but actually George London dominated the performance. The presence of Mario Del Monaco made it possible for Rudolf Bing to boast about a superior cast.

Undoubtedly because of these three superb singers, the house was sold out by mail order over two weeks in advance of opening night. At $40 for an orchestra seat, the box office broke a record by taking in well over $86,000. The fact that mail orders totaling $50,000 were returned, indicated unusual interest in the performance: indeed, nothing quite like this bonanza had ever occurred before in the history of the Metropolitan.

Elegant Aristocracy

Mr. London's Scarpia achieved a proportion in vocal and dramatic values that stabilized the whole evening. Between his elegant aristocracy and his hard-grained maliciousness, he communicated the essence of the role. Mme Tebaldi sang radiantly at times and quite deservedly stopped the show after "Visi d'Arte," only to take liberties that accentuated her studied portrayal of the title role. Mr. Del Monaco showed little concern for subtlety; instead he concentrated on brilliant tones, primarily calculated for effect.

Dimitri Mitropoulos conducted. He brought out both the lush and the theatrical qualities of Puccini's score. In the fever of the moment he somewhat exaggerated the intensity of the orchestral playing. The remainder of the cast had such excellent singers as Fernando Corena as the Sacristen, Clifford Harvout as Angelotti, and Alessio de Paolis as Spoletta.

The return of "Boris" after an absence of three seasons brought mixed feelings. For all its fine ingredients, the performance never jelled. It is difficult to account for the reason, but it was noticeable that the mood was never caught throughout the sprawling drama. Neither Mr. Mitropoulos in the pit nor Cesare Siepi in the title role appeared attuned to the work on this occasion. Kurt Baum gave a self-conscious account of Dimitri, thus depriving the performance of requisite dramatic urgency.

It was Charles Kullman as Shuiski, Giorgio Tozzi as Brother Pimen, and Paul Franke as the Simpleton who contributed the fine moments of the evening. Part of their excellence was their clear ennunciation of the English text. Other strategic roles lacked vitality; not so the pageantry of the big scenes, however, because Dino Yannopoulos succeeds well in this kind of stage action.

OFF-BROADWAY IMPORT

Jose Quintero, Theatrical Director, Assigned to Stage 'Met' Double Bill

By JOHN BRIGGS

TIME magazine used to rely on what it called "the penetration of an innocent intellect," whereby college majors in Restoration drama would be assigned to cover ship news or the stock market.

The reasoning behind this was that the newcomer would have a fresh point of view and might turn up angles overlooked by a blasé specialist.

Along somewhat the same lines, Rudolf Bing, Metropolitan Opera general manager, has brought in from Broadway stage directors unfettered by opera-house traditions and conventions. The results, even when not unanimously approved, have usually been lively.

Mr. Bing's latest importation is José Quintero, who directed "Long Day's Journey Into Night" on Broadway and is resident director of the Circle in the Square downtown.

Mr. Quintero's intellect is so innocent that he has had almost no opera-going experience, cannot read or write music, and will be seeing "Cavalleria Rusticana" and "Pagliacci" for the first time when the Metropolitan presents his restaged versions of the two operas Friday evening.

Even so, Mr. Quintero's greatest worry is that his staging will be too conventional. "Cav" and "Pag" simply do not lend themselves to much variety of staging.

Bird Problem

Take Nedda's aria, with its imitation bird calls. "There isn't much Nedda can do except run about the stage," Mr Quintero says, "unless you want to bring in fifty million birds."

"My aim has been simplification, rather than innovation," the director says. "Overacting is a waste of energy."

Actual rehearsals at the Metropolitan have been a fascinating voyage of discovery for Mr. Quintero.

"Opera is a world unto itself," he says. "It has its own customs, its own unwritten law, its own caste system. It's an institution. In the theatre, you get together for six weeks to do a show and that's it. At the opera, tradition and seniority are important."

Accustomed to Broadway theatres, Mr. Quintero was staggered by the grandiose scale of Metropolitan operations. Its eighty-man stage crew is the largest employed in any Broadway theatre. Its outsize sets are in keeping with the dimensions of its huge stage. Twelve spotlights are required for an effect that in an ordinary theatre could be achieved with one.

Mr. Quintero had his first lighting rehearsal before he had blocked out the stage action. This is the reverse of Broadway practice. Lighting rehearsals there are held just before a show opens its out-of-town tryout.

At the Metropolitan, however, one must take the stage when one can get it, says Mr. Quintero. It is in use from morning to night, either for rehearsals or setting up scenery for the evening performance.

"For the chorus scenes, I had two rehearsals of three hours each," said Mr. Quintero. "I was told this was an unusual amount. If I were staging a crowd scene on Broadway, I'd rehearse all day, every day, for a week."

Worked With Records

Not being a musician, Mr. Quintero was unable to learn the operas from a score. Instead he familiarized himself with text and music by means of recordings.

When he had reached the point of being able to visualize the stage action, he called in a musician friend, Leigh Connell. As they played through the operas, Mr. Quintero would ask, "Where are we now?" and Mr. Connell would make a mark in the score.

In this way, when rehearsals began it was possible to give the singers precise instructions. Mr. Quintero also has enriched his mind to the extent of knowing "Cavalleria Rusticana" and "Pagliacci" by heart.

He has found the Metropolitan's vocalists a pleasure to work with. Almost without exception, he reports, they are cooperative. Dimitri Mitropoulos, who will conduct the performance, is equally receptive to new ideas.

Everybody, in fact, appears to be happy with the new Quintero production except the director himself.

He voiced to Mr. Bing his fear that he would come up with just another conventional "Cav" and "Pag."

Mr. Bing told him he was doing fine, and not to worry; then walked off to deal with the next crisis of the day.

"I don't see how Bing lives through a season," Mr. Quintero marveled.

Zinka Milanov

The famed and durable pair of one-acters, "Cavalleria Rusticana" and "Pagliacci," also known as *the* double bill, "Cav-Pag," and "Ham and Eggs," was revived last night at the Met in a thoroughly refurbished production. Rolf Gerard created the new sets and costumes, and José Quinterno made his debut as opera director, pro tem. The sets were nice—elaborate for "Cav," simple for "Pag"—and the stage director correctly sized up the difference between the two works, treating them with understanding. Yet the evening fell short of the expected sensation even though the production was studded with talent and stars.

Although the two operas have many things in common and are equally popular, they represent two very different musical personalities. Dimitri Mitropoulos, who conducted both works, failed to make this clear. Mascagni's swiftly moving Sicilian peasant drama shows a real musico-dramatic temperament, and though the naturalism of the libretto is powerful, there is still a good deal of the melodic pathos of late romanticism. Leoncavallo's verismo is much more brutal and lacking in refinement. Mr. Mitropoulos made both of them a bit too hectic and noisy.

He whips up things at the slightest provocation and even the powerful singers who made up the cast had trouble coping with the brasses. And the brasses often lagged because they did not receive a clear beat and timely cues. Add to this the noise the public made, and the verismo was really a bit overpowering.

Yet when the singers were not interrupted by applause, there were many sustained scenes worthy of the Met. Zinka Milanov (Santuzza) was in fine voice, a voice that retained its freshness even in the fortissimos. Rosalind Elias (Lola) matched her (opcratic) rival and acted with insolent poise. The Met does not have to worry about her prima donnas even if she loses one once in a while.

The gentlemen do not rate such unreserved praise. Both Primo Zamburo (Turiddu), the new tenor, nd Cesare Bardelli (Alfio) are capable singers with well-placed voices, but their dynamic range is somewhat restricted and their color spectrum a bit narrow.

The minute the prologue started in "Pagliacci" we heard a voice that has everything—range, color and volume; which simply means Leonard Warren. Mario Del Monaco (Canio) could indulge himself in all the violence he wanted, the part calls for it and the public clamors for it. That last note in his big aria was held—and held firmly—long enough for the conductor to wipe his glasses (if he wears any). Corny? Yes, but worth a sixteen-inch broadside.

Lucine Amara stood in the middle of this scorching love quadrangle and held her own beautifully, though I was unable to stay to the end where she has some more important things to sing.

The production needs a little toning down. If that is done the innate coarse power of the drama will be much more plausible.

I Pagliacci: Lucine Amara as Nedda and Mario Del Monaco in the role of Canio.

By HOWARD TAUBMAN

"CAVALLERIA RUSTICANA" and "Pagliacci" are bread-and-butter operas. You may want to do without them at times when you refine your diet and submit yourself to higher things. But there are too many people who prefer not to adopt rigorous tastes, and for them the opera house must have "Cav" and "Pag," as the trade terms them, as a basic offering.

Mindful of its duty to this large public, the Metropolitan Opera, with generous assistance from its National Council, has produced new versions of the inseparable twins. It has brought José Quintero of Broadway and off-Broadway theatre fame to stage them and Rolf Gerard to design the sets and costumes. Most important, it has cast both works with a lavish hand.

Mr. Quintero has done a careful and largely unobtrusive job. He has been at pains not to interfere with the essential things—the singing—and has eliminated a good deal of needless histrionics. He has managed to make several stagy performers act with reasonable naturalness. In the case of Lucine Amara, who has often seemed self-conscious on the stage, he has done wonders, for he has helped her to liberate herself and to mave with spontaneity.

•

In several places he has been misled into trying too hard. In the drinking song of "Cavalleria Rusticana," for example, he has asked the chorus to behave like musical-comedy Sicilians. There are other instances of prettiness. But in view of the limited time he had at his disposal, he has handled his assignment effectively.

Mr. Gerard has designed sets that are properly touched by the sun of Sicily and southern Italy. The "Cavalleria" set is particularly felicitous, with its pink stucco walls and its touches of lightness. The costumes are colorful. You never saw a Sicilian village with a populace so smartly tailored. But, after all, new costumes are bound to look new, and it is a festive time.

The Met has to dress and fill the stage as impressively as it can, but it knows perfectly well that the principal singers count heavily in these operas. It put together strong ensembles for both operas, with "Pagliacci" boasting a unit of special drawing power.

Zinka Milanov as Santuzza was in excellent form. She sang with her usual power and could also spin out a pianissimo. Her voice sounded fresh, as if it had been rested. There was no sense of strain, even in the top tones. She knows the style of this opera, and she played with restraint.

Primo Zambruno, a newcomer from Italy, made his debut as Turiddu, disclosing a good-sized tenor with more character and resonance at the top than elsewhere in the range. Rosalind Elias was a good-looking Lola and sang with richness and security. Cesare Bardelli was a well-routined Alfio, though the voice is somewhat dry. Thelma Votipka was a dependable Lucia.

Leonard Warren, with a wholly admirable command of voice and style, shone in "Pagliacci." Mario Del Monaco fairly reveled in his big opportunity, "Vesti la giubba"; when he pours out his thundering fortissimos, he is an all-conquering hero to the crowd. Miss Amara's Nedda was sung attractively. Mario Sereni brought a better baritone voice to Silvio than is often his lot. Charles Anthony did what could be done with Beppe.

•

Dimitri Mitropoulos conducted with excitement. There were times when he whipped up the orchestra so hard that even the big-voiced performers on the stage had a tough time making themselves heard. But neither of these operas deal in subtleties, and a kind of crude intensity suits them.

Indeed, the audience got into the spirit of the occasion and broke in with its plaudits and bravos when the principals made their entrances and the instant they finished their arias. Did the orchestra have something more to say? No matter. It could play for itself.

VANESSA, Samuel Barber. Metropolitan Opera Orchestra and chorus. Dimitri Mitropoulos, conducting. RCA-Victor (LM-6138). Vanessa was first performed at the Metropolitan Opera House in New York on Jan. 15 of this year. It is an American opera, and to this observer a good example of why there are few if any American operas performed. Even the voices of Eleanor Steber, Nocolai Gedda, Rosalind Elias, Giorgio Tozzi and Regina Resnik and the baton of Mitropoulos fail to bring it anywhere near the great French and Italian operas with which we are so familiar. The plot is as corny as most operas, which is of small matter, but the music just hasn't the sweep, melody and beauty to make it go. This despite the fact that it won the Pulitzer Prize for opera. The artists are good but the vehicle is too weak.

METROPOLITAN, N. Y.

"Cavalleria Rusticana" and "Pagliacci," the traditional "twin tonsil treats" in the operatic repertoire, were treated to a considerable refurbishing job by Jose Quintero, the off-Broadway and Broadway legit stager.

"Cav" and "Pag" have been revitalized in natural and fluidly produced versions. But outstanding in these new presentations was the careful casting of the very fine voices and the unusual beauty and unity of the chorus work. The effectiveness of the sets by Rolf Gerard, particularly in "Cav"; the freshness of the costuming and the overall cohesion of the company brought excitement and more believability to the blatant Italianate histrionics.

Quintero must be given credit for his partial success in eliminating the woodenness and studied postures and poses of the diehard opera stylists.

"Pagliacci" had an unusually fine cast with Lucine Amara as the lovely Nedda. Her voice was soft yet full, young and true. Leonard Warren was a superb Tonio and Mario Del Monaco made an excellent Canio.

Zinka Milanov sang the role of Santuzza in "Cavalleria Rusticana" in perfect voice, even though she's so voice-centred it's difficult for her not to be studied and stodgy. Rosalind Elias as Lola was a charming performer with a fine voice. Primo Zambruno, making his debut in a traditional Turiddu and Cesare Bardelli and Thelma Votipka were capable in their respective roles. Dimitri Mitropoulos and the orchestra didn't always seem in perfect accord either with each other or the singers in "Cav," but brought in "Pag" with stunning effectiveness. *Rose.*

'Boris' Is First Met Opera of New Season

CESARE SIEPI
. . . As Boris

By EDWIN H. SCHLOSS

The Metropolitan Opera Association will open its 74th season in the Academy of Music on Tuesday night with "Boris Godounoff." Modest Moussorgsky's great lyric tragedy will be the first of seven operas to be offered here by the New York company during the next five months. The performance will be in an English version by John Gutman using the original Moussorgsky score as revised and edited by Karol Rathaus. The same production and version was presented here by the Met in the 1952-53 season.

The title role will be sung by Cesare Siepi, with Charles Kullman, Kurt Baum, Ezio Flagello and Giorgio Tozzi in leading male supporting roles. Principal female roles will be sung by Nell Rankin, Margaret Roggero and Emilia Cundari. Dimitri Mitropoulos will conduct.

NEARLY 85 YEARS OLD

The first performance of "Boris" was at the Imperial Opera House, St. Petersburg, on Feb. 8, 1874. Since it presents a dire picture of tyranny in Russian history of the early 17th century, the premiere was hampered by objections on the part of the Russian authorities—an occurrence of more than 80 years ago which strikes a familiar note from back of the Iron Curtain today.

"Boris" has been called "properly speaking neither a drama nor an opera but rather a musical chronicle after the manner of the historical dramas of Shakespeare." The libretto, by the composer, is based on an original play by Alexander Pushkin, that famous early 19th-century poet and dramatist whose works have proved such a fertile source of inspiration to Russian composers in the field of opera, ballet and symphonic music.

HISTORIC BASIS

The story has an historic basis. Boris Fedorovich Gudonoff (1552-1605) was the brother-in-law and chief minister of Czar Feodor, son of Ivan the Terrible. Consumed by ruthless ambition, Boris caused the assassination of young Dimitri, half-brother of the Czar and his heir.

On the death of Feodor, Boris, who has committed the crime with the sole object of seizing power, has himself acclaimed by the people and ascends the throne. A young monk named Gregory, resembling the murdered Dimitri, quits his convent and leads an uprising against Boris. At the death of Boris, the false Dimitri takes advantage of the circumstance and in turn usurps the throne.

The opera follows the story from the famous Coronation Scene in Act I to the tragic climax in which Boris dies horror-driven and half demented, piteously proclaiming his own son Feodor as the new Czar. The music, powerfully dramatic and intensely nationalistic, is admirably suited to this tale of bloodshed, treachery and crime against the backgrounds of the pomp, gilded circumstance and ceremonial of court life in semi-barbaric Russia of the late 16th century.

SIX VERSIONS OF 'BORIS'

There are six versions of "Boris." Two are by Moussorgsky himself, two are in orchestrations by Rimsky-Korsakoff, the one by Karol Rathaus is being used this week, and there is one by Dimitri Shostakovich. In February of 1928 Moussorgsky's first version was introduced at the Bolshoi Theatre in Moscow.

In November of the following year Leopold Stokowski and the Philadelphia Orchestra gave the American premiere of the original "Boris" in a concert version in the Academy of Music. The first American "Boris" was sung by the Met in New York in Italian on March 19, 1913, with Toscanini conducting.

By EDWIN H. SCHLOSS

The Metropolitan Opera Association opened its 74th season in the Academy of Music last night on a note of high distinction with a splendidly staged performance of Moussorgsky's "Boris Godounov" presented to the usual capacity, glittering first-night audience.

Sung in English with manager Rudolpf Bing's star basso Cesare Siepi in the title role, a strong supporting cast and Dimitri Mitropoulos in dynamic command of the conductor's desk, it inaugurated the New York company's seven-opera seasonal cycle at Broad and Locust with appropriate eclat.

Musically and dramatically "Boris" is one of the most powerful and commanding tragedies in the operatic repertory. And last night's production rose handsomely to that challenge with a performance that had the pomp and circumstance, gorgeous facade, poignant romance, stride and impact, of a Shapespearean chronicle play brought forth in the grand manner.

It was, perhaps, not the most inspired "Boris" the Met ever brought here. Since the great Feodor Chaliapin made the leading part uniquely his own a generation ago, there have been few protagonists to dim his memory, but last night, Siepi proved that he stands high in the post-Chaliapin succession.

Singing with superb resonance and control he gave an admirable vocal account of the part and his acting, in an almost frenetically demanding role, was always convincing and in its supreme moments, of pity and terror thrilling. High spots were the monologue "I have attained to power" in which the Czar's crimes return to haunt him and reduce him to horror-stricken desperation.

Here Czar Boris is finally overwhelmed by his guilt while in one of the most dramatic touches in all opera, a clock chimes ominously as if voicing the implacable advance of revenging time. The famous "Coronation Scene," although it comes early in Act I, found Siepi already in full power.

The part of Moussorgsky's crime-sodden usurper dominates the opera and sounds the keynote of its emotional pitch. But its backgrounds are indispensable in setting forth the grim story in perspective. And in filling those needs the current "Boris" production is demonstrating that the Met's artistic resources are not only high but wide and handsome.

Thus many artists of major caliber peopled last night's supporting cast. Prominent among them were Charles Kullman in the tenor role of the venomous and oily Prince Shuiski, the Czar's treacherous adviser. Also Giorgio Tozzi, a smooth and rich-voiced basso, was outstanding as the monk, Pimen and Ezio Flagello, another gifted basso, was an effective Varlaam. Flagello, a lively comedian, scored with his mock heroic song "The Siege of Kazan."

Tenor Kurt Baum was a gallant and full-voiced Grigory.

The cast on the distaff side was equally good. Nell Rankin was an engaging and vital Marina and provided some beautiful lyric moments. Margaret Roggero as the Czar's pitiable young son; Emilia Condari as the daughter Xenia; Martha Lipton as the hostess of the inn, all made laudable contributions.

Mignon Dunn, who made her debut this season with the Met in the role of the nurse was also creditably in the picture. Other unusual artists in minor parts included Calvin Marsh as Shcheikalov; Clifford Harvout as a superb Rangoni; Paul Franke as the Simpleton, and others. John Gutman's English text was viable and undoubtedly added to the pleasure of the audience although the enunciation was by no means always crystal clear.

Moussorgsky's score, last night played in an orchestration by the composer revised and edited by Karol Rathaus instead of the usual Rimsky-Korsakov version, is intensely nationalistic in flavor. It draws heavily on Russian folk music and ceremonial religious music. Moussorgsky's talent for musical characterization and dramatic emphasis bordered on genius.

The score is Wagnerian in its use of the orchestra in interpreting, commenting on and accenting the action of the stage. And these eloquent matters, evoked last night by the expert hand of Dimitri Mitropoulos, were affectively in evidence. It has been said that the Russian people are the real heroes of "Boris Godounov" and the Metropolitan chorus cast in that role last night sang superbly.

The audience was properly demonstrative and there was the usual parade of curtain calls.

The Metropolitan Opera's new productions of Cavalleria Rusticana and Pagliacci are bright and sparkling in their new trappings, including imaginative sets and costumes by Rolf Gerard and a new staging by Jose Quintero, who himself has gained acclaim for his excellent directorial feats at the Circle in the Square Theater.

Musically, honors for the evening were equally divided between Leonard Warren and Mario Del Monaco in Pagliacci, both of whom received standing ovations from a wildly cheering audience.

Almost equally appreciated was Zinka Milanov in Cavalleria, as was Dimitri Mitropoulos conducting both operas and Primo Zambruno who made his Metropolitan debut singing opposite Miss Milanov. J. L.

'Cavalleria,' 'Pagliacci' Bring Spark to Met

By LOUIS BIANCOLLI

Newly staged versions of "Cavalleria Rusticana" and "Pagliacci" brought an appealing note of freshness to the Metropolitan repertory last night.

Anybody suspecting that the famous operatic "twins" had worn out their welcome in the area should have been on hand last night. The excitement ran high all evening. Several times the applause held up the performance.

There was a conspicuous new sound—as well as new look—about the productions. To begin with, Dimitri Mitropoulos conducted, and that alone gave the operas the extra something they needed to come back to full life.

Action Dispersed.

Then Jose Quintero was called in to supervise the staging. Mob scenes were maneuvered with new ease, action was shrewdly dispersed and a sharp sense of theater hung over the performances.

Of the two, "Pagliacci" offered much the stronger performance. One had the feeling "Cavalleria" was serving as a warmup for the real thriller to come.

Apart from the tense and invigorating conducting of Mr. Mitropoulos, the outstanding attraction of the evening was the Canio of Mario Del Monaco. The crowd quite understandably went wild over his high-pitched woes.

Captivating Fervor.

Lucine Amara applied her velvety tones to the role of Nedda, uttering the famous ballad of the first act with captivating fervor against one of the most sensitive orchestral accompaniments I have ever heard in this opera.

Leonard Warren was the thorough artist as Tonio, whether as singer or actor, winning a warm ovation for a portrayal of the mischief-making clown that was perhaps more subtle and sophisticated than customary. Mario Sereni sang Silvio.

Primo Zamburno, a young Italian tenor with a refined style and small lyric voice, made a pleasant if unspectacular debut as Turiddu in "Cavalleria," while Zinka Milanov earned deserved plaudits for her familiar Santuzza.

Cesare Bardelli certainly made Alfio's meaning clear to everybody within earshot. Best of all in last night's cast was Rosalind Elias, who combined irresistible looks with irresistible voice in the two-timing routine of Lola.

Puccini's "Tosca," which opened the Metopera season October 27, has practically become the cornerstone of the repertoire, with half a dozen sopranos scheduled for the title role. At its third performance in eight days, Renata Tebaldi again charmed a packed house with a much improved acting job in the part. If not quite up to her London waxing (best of the five complete recordings available), she was still in fine form vocally and always gave the audience the comfortable, rare feeling that every top note will be met with accuracy and beauty.

George London sang Scarpia with finesse and power and provided a brilliant characterization, while Guiseppe Campora was a Corena and Alessio de Paolis offered strong support, with the firm baton of Dimitri Mitropoulos in full command. It's a solid production all the way, one of the Met's best.

On Nov. 6, **"Boris Godunoff,"** under the baton of **Dimitri Mitropoulos,** was exciting and full of color. Cesare Siepi was the Boris and his interpretative skill made this performance memorable visually and more important, his singing gave full intensity to the emotions. Kurt Baum sang Grigori, Charles Kullman was Shuiski. Others in the large cast were Margaret Roggero, Emilia Cundari, Mignon Dunn, Giorgio Tozzi, Nell Rankin, Ezio Flagello, etc., etc. The sparce Karol Rathaus edition of the lush score does not do justice to the work.

Met at Academy—Mascagni's Twin Masterpiece Sung

By EDWIN H. SCHLOSS

The Metropolitan Opera Association brought its newly refurbished production of Mascagni's "Cavalleria Rusticana" and Leoncavallo's "I Pagliacci" to the Academy of Music last night to the great pleasure of the usual capacity audience. It was the New York company's second offering of its current series here and the first production here by the Met of the famous double bill since 1951.

"Cav" and "Pag," inseparable twins of the lyric stage, have ridden high in popular favor for almost three generations.

TIME-TESTED FAVORITES

Innumerable performances in opera houses everywhere in the Western world have resulted in a familiarity which while it has by no means bred contempt has provoked in some quarters a certain amount of patronizing condescension.

In recent years ultra-sophisticated operagoers have been inclined to relegate the music of both operas to the "hurdy-gurdy repertory" and to view their parallel stories of lethal love and lust under the hot skies of Sicily and Calabria, as "melodramatic" in a disparaging sense of the word. However, the durabiity of the Mascagni-Leoncavallo duo, at almost any level oftaste, was triumphantly reaffirmed last night in a superb production.

NEW SETS, COSTUMES

Staged by Jose Quintero, recruited from Broadway for the project, and with bright new sets and costumes by Rolf Gerard, the vitality and romantic melodic inspiration of the score in each twin and the tenseness of the drama, cannily contrived by contrasts, once more validated "Peg" and "Cav's" claim to unending popularity. Quintero's directorial dealings with "Cavalleria" kept the drama taut, at the same time respecting the almost folklike quality of the work.

The tension in "Pagliacci," balanced between the passions of the real iife actors, and the commedia del'arte atmosphere on the stage within a stage, was well maintained. In both operas the viability and imagination of the stage direction kept them well this side of becoming a concert in costume, which is sometimes their fate under humbler auspices.

VOCALLY OUTSTANDING

But most importantly both works were superlatively well sung by casts lavishly drawn from the Met's incomparable resources. In "Cavalleria," Zinka Milanov sang a mature Santuzza with a veteran aplomb that avoided sentimentality and commanded a voice still youthful in its freshness.

Primo Zambruno, the Turiddu, a newcomer from Italy to the Met's ranks making his debut here, disclosed a large and well-placed voice especially gratifying at the top. Rosalind Elias was a seductive Lola visually and vocally. Cesare Bardelli, no stranger to Academy audiences but making his debut here with the Met last night, proved to be a reliable Alfio. Thelma Votipka made a commendable contribution as Mama Lucia.

MERRILL TRIUMPH

In "Pagliacci" Robert Merrill as Tonio was one of the two bright particular stars, scoring his expected success in the Prologue. An even more brilliantly flaming comet was Mario Del Monaco as Canio. Del Monaco, a tenore robusto of almost atomic power, plunged eagerly into the role's tragic humors, especially in the celebrated "Vesti la giubba," where he successfully went all out to bring down the house. Lucine Amara was an attractive Nedda singing with her wonted beauty of voice and a great deal more dramatic mobility than usual.

Mario Sereni (another debutant) brought an excellent baritone voice to the role of Silvio. Charles Anthony was in support as Beppe. Dimitri Mitropoulos conducted with fervor and sensitivity, con brio and con amore. The many choruses were superbly sung. The audience was ecstatically appreciative and there were many curtain calls.

ON THE SQUARE

Little Upheaval

By SIM MYERS

Howard Taubman, the daring music critic of The New York Times, who has become famous for stepping on toes and campaigning vigorously against the things he thinks are wrong with the music world, has done it again.

A couple of weeks ago, he issued a blast about the "claques" who attend opera and spoil the evening by applauding their favorite stars at inappropriate times during performances. He mentioned the Maria Callas fans and was thankful that they'd not be in evidence at the Metropolitan this season, then went on to slap the wrists of the fans of other stars.

The public reacted and there is something of a minor upheaval going on in the letters columns of The Times. Some people agree with Taubman; others feel that with opera seats costing so much these days, the seat holder has every right to demonstrate if he finds the action on stage worthy of it.

Taubman and The Times seem to love these controversies. It was not so long ago that he took on Dimitri Mitropoulos, then music director of the New York Philharmonic and wrote many reviews and articles indicating he would be happier with another conductor for the orchestra.

Some wealthy music patrons of New York pounced down on him in force and even went so far as to try to use influence with his bosses in an effort to stop the writing. But The Times would not be pressured and the controversy created kept Times readers happy for long months. Letters, pro and con, poured in. It appears Taubman has done it again, judging by the reader reaction to his latest campaign.

* * *

Operatic tradition being what it is, I doubt his efforts to stop the hero-worshipping in the form of bravos and applause, is going to get very far. Indeed, I suspect an opera not interrupted by applause might be somewhat dreary, but Taubman and his readers are having fun, anyway.

George London Sings 'Godunov' At Metropolitan

George London sang the title role of "Boris Godunov" last night for the first time this season when the Moussorgsky music drama had its fourth performance at the Metropolitan Opera House, while Rosalind Elias sang Marina for the first time on this stage. Her impersonation was persuasive in the emotional and musical color of her tones with a timbre which had both incisiveness and warmth. She was also at home from a visual aspect in her general understanding of the character, although less so in one or two details.

Mr. London's Boris was dramatically impressive; in singing, appearance and gesture, it showed his thorough understanding of the role of this tragic Tsar; his voice, although not in its best estate, was employed with expressive conviction. Others who sang their assignments for the first time this season were Giulio Gari, a rather taut-voiced Grigori; Mildred Miller, who was sympathetic Fyodor; Norman Scott, a dignified Pimen, and Lawrence Davidson, an animated but not quite convincing Varlaam. Charles Kullman was a credible Shuiski.

Despite its various merits here and there, the general musical interpretation conducted by Dmitri Mitropoulos often gave an impression of a lack of pervasive vitality and limited scope; the power and emotional richness of this memorable score seemed only partially revealed.

Tebaldi, Gobbi Heard in 'Tosca' At Metropolitan

The second act of Puccini's "Tosca," which was repeated Saturday night at the Metropolitan Opera House, was only a few minutes old—the heroine was seated in mild conversation with Baron Scarpia—when it became apparent that we would behold no just-ordinarily-effective rendition of this fine, climactic scene. A few moments further along (if one, indeed, was aware of time) it became even more apparent that in Renata Tebaldi's Tosca, Tito Gobbi's Scarpia, and Dimitri Mitropoulos' over-all musical conception—a conception alertly rendered by his orchestra—that we were watching and hearing what may be the best of all possible current artistic combinations at work for the best realization of this opera.

Mr. Gobbi's return to the role was, of course, the event to which this reporter had been particularly alerted. To suggest that he hasn't the most gorgeous voice in the world is carping, and it is here conceded; that he is the best Scarpia in this writer's experience, is also condeded—with great pleasure. Miss Tebaldi sang like glory itself; Eugenio Fernandi's Mario—he had fine moments, too—was badly out-classed.

Clifford Harvout, Lawrence Davidson, Alessio De Paolis, Osie Hawkins, Calvin Marsh and Peter Burke were other contributors to a stunning evening.

CHAMBER CONCERT IS OFFERED AT 'Y'

New York Ensemble Begins Ninth Season—Variety of Grouping Featured

The New York Chamber Ensemble began its ninth season Sunday night with a program that reflected the enterprise in programing and the variety of instrumental grouping that have been characteristics of the group since the start. The concert was at the ensemble's customary home, the Lexington Avenue Young Men's and Young Women's Hebrew Association.

The ensemble is made up of members of the New York Philharmonic, which explains why it can draw on so many different types of players and how it can manage to give works that many other groups do not have the instrumental resources to perform. Dimitri Mitropoulos has always been a friend of the group and Sunday he was on hand to conduct the work requiring the largest number of players, Poulenc's "Rapsodie Nègre."

There was another guest conductor, too: Gunther Schuller, who led his own Music for Violin, Piano and Percussion. Originally it was a dance work called "Symbiosis" and this was its first concert performance.

Webern's Vier Stucke for violin and piano, in contrast, lasted only three and a half minutes, and every note of these four little pieces was fascinating. Leon Temerson and Russell Sherman were the violinist and the pianist, respectively, in both the Webern and Schuller works, with Walter Rosenberger joining them as the percussionist in the latter.

Martial Singher, a guest artist, was heard as the soloist in "La Bonne Chanson," Fauré's song cycle to poems by Verlaine. He also provided the "voice" for the Poulenc "Rapsodie." The Fauré cycle demanded rather more variety of vocal color than Mr. Singher was able to bring to it on this occasion, but, as usual, he was an imaginative interpreter. Mr. Sherman and a string quartet provided first-class accompaniments.

A String Trio by Schubert and Debussy's Sonata for flute, viola and harp were the nearest to standard works on the program. They were played with exquisite care, with John Wummer's flute playing especially lovely in the Debussy, and with David Kates matching his tones with great subtlety on the viola.

Eastern Orthodox Work For Recognition In U. S.

Five Million Christians Consider Communion Fourth Major Faith; Winning Point

By LOUIS CASSELS

New York, Dec. 5 (UPI) — It comes natural to most people to speak of the three great religious faiths, meaning Protestants, Catholics, and Jews. This national habit is a source of considerable irritation to some 5 million Americans who are members of the Eastern Orthodox Churches.

ON DOG TAGS

They believe that Eastern Orthodox is entitled to public recognition as a fourth major confession. Slowly but steadily, they seem to be getting their point across.

The U. S. armed forces now use the letters "EO" on dog tags to identify Eastern Orthodox Christions, who were previously lumped in with Protestants. President Eisenhower invited an Orthodox prelate to offer one of the four prayers at his second inaugural.

The legislatures of 17 States have enacted resolutions officially recognizing Orthodoxy as a fourth major faith. Similar legislation is pending in other States and will be introduced in the U. S. Congress next January.

To Orthodox Christians, this is not just a matter of pride, but of bringing popular usage into line with the facts of history.

For the first thousand years of its existence, the Christian Church was undivided. But friction developed between its two main centers of ecclesiastical power—Constantinople in the East and Rome in the West. The Patriarch of Constantinople, and the Greek-speaking Eastern Churches which followed his leadership, refused to acknowledge the claims of the Pope of Rome for supremacy over the entire Church.

In 1054, the estrangement was formalized by what historians call the Great Schism. The Roman Pope ex-communicated the Patriarch of Constantinople, and the Patriarch ex-communicated the Pope. The Latin-speaking Western Churches remained under the Pope, and became what is called today the Roman Catholic Church. The Eastern Churches became the Orthodox Communion.

CLAIM DIRECT LINES

Orthodox Christians say they did not split off from Rome — Rome split off from them. Their churches claim to be the direct heirs and true conservators of the original Christian faith as it was spelled out at the seven great councils of the Primitive Church.

The familiar Nicene Creed, formulated at the Council of Nicaea in 325 A. D., is one of the fullest expressions of Orthodox doctrine, and is recited at each liturgy.

Orthodox worship is elaborately ritualistic. The Church recognizes seven sacraments: baptism (which is administered to infants and adults by triple immersion); anointing or confirmation, which immediately follows baptism; penance; communion; holy orders; marriage; and holy unction (which is administered to the sick, but not necessarily as a last rite.)

Candidates for the priesthood may marry before they are ordained, but not afterwards. All Orthodox bishops are members of a monastic order which practices celibacy.

Orthodox churches have never been governed by a single head. Since the time of the Great Schism, the Patriarch of Constantinople has shared ecclesiastical authority with four other Patriarchs of major eastern cities.

Eastern Orthodoxy has tended to divide into independent, self-governing national churches, which has remained in full communion with one another. The largest national churches grew up in Middle East and the Slavic countries, notably Greece, Russia, Bulgaria, Romania, and Albania.

The first orthodox Church on American soil was built by Russian monks at Kodiak, Alaska, in 1792. The Russian missionaries won many converts among Eskimos, and built a cathedral at Sitka, before Alaska passed into U. S. hands.

NOW 21 BODIES

The growth of Orthodoxy in the continental United States was slow until the present century, when immigrants began to arrive from the Balkans and Eastern Europe. These immigrants transplanted to America the national church loyalties of their homelands.

Today there are 21 Eastern Orthodox bodies in the United States. Their total membership, as reported to the Yearbook of American Churches, is just over 2.5 million. But most Orthodox Churches count as members only adults who are heads of households. If women and children are included, the total is probably between 5 and 6 million.

The largest U. S. body is the Greek Archdiocese of North and South America, with 378 local churches and upwards of 1,150,000 recorded members. The next largest is the Russian Orthodox Greek Catholic Church of America (755,000 reported members) which has been entirely independent of its parent body in Russia since shortly after the Soviet Communist revolution. Other major bodies are the Romanian, Syrian, Serbian, and Ukrainian Orthodox Churches in America.

Orthodox churches are represented, along with most of the principal Protestant denominations, in the National and World Councils of Churches.

Members of the Orthodox Communion who are prominent in American life include Spyros Skouras, the movie magnate; Mayor George Christopher of San Francisco, Judge Stephen Scopas of New York; Dimitri Mitropoulos, the famed conductor; and catcher Gus Triandos of the Baltimore Orioles.

Mitropoulos to Conduct Symphony Tuesday Night

Dimitri Mitropoulos, the conductor who received so much acclaim when he was guest conductor last season, returns to lead the Philharmonic-Symphony orchestra at 8:30 p. m. Tuesday in Municipal auditorium.

The Greek-born musician, who at times has been conductor of

DIMITRI MITROPOULOS

the Minneapolis and New York Philharmonic orchestras and who currently is a conductor of the Metropolitan Opera and frequent guest conductor of the New York Philharmonic, arrives here Sunday and is scheduled to hold a rehearsal for the orchestra Sunday afternoon.

Mitropoulos, born to an intensely religious family, was more or less expected to become a priest, but his love of music caused him to enter Athens conservatory rather than a monastery. There, he studied piano and composition.

In 1919, he composed an opera that so impressed composer Camille Saint-Saens that the latter offered to help Mitropoulos further his musical studies in Paris. Somewhat later, Mitropoulos became an assistant conductor of the Berlin Staatsoper which position he held until 1924 when he returned to Athens to head the conservatory.

In 1930, when pianist Egon Petri became ill before his concert in Berlin, Mitropoulos not only handled the conducting but filled in as a pianist. In 1936, he was asked to come to this country and conduct the Boston Symphony. A year later he became conductor of the Minneapolis Symphony. In 1949, he accepted an offer to become a conductor of the New York Philharmonic, and in 1951 he became its music director. He resigned this position last year.

Last year, Mitropoulos was the first of several conductors to come to the aid of the orchestra during an illness of its music director, Alexander Hilsberg. His program was a triumph, praise by critics and public.

For this concert, he will pla four works, beginning with th Beethoven Leonore Overture N 2. Subsequently, he leads the o chestra in performances of th same composer's Symphony N 2, Gustav Mahler's Symphon No. 10 and a Bach Fantasy an Fugue, transcribed for orchestr by Mitropoulos.

ΜΙΑ ΚΟΠΙΩΔΗΣ ΚΑΛΛΙΤΕΧΝΙΚΗ ΠΡΟΣΠΑΘΕΙΑ

ΝΕΑ ΥΟΡΚΗ, Δεκέμβριος.—Ὁ Δημήτρης Μητρόπουλος ἐτερμάτισε τὴν ἠχογράφησι τῆς πρώτης ὅπερας ποὺ ἔκαμε τὴν ἐμφάνισί της σὲ στερεοφωνικοὺς δίσκους, τὴν «Βανέσσα» τοῦ γνωστοῦ Ἀμερικανοῦ συνθέτου Σάμουελ Μπάρμπερ, τῆς ὁποίας τὸ λιμπρέττο εἶναι ἔργο ἑνὸς ἄλλου ἐπίσης γνωστοῦ συνθέτου, τοῦ Τζιὰν Κάρλο Μενόττι. (Σημ. «Βήματος»: Τοῦ ὁποίου ἡ Ἐθνικὴ Λυρικὴ Σκηνὴ παρουσίασε ἐφέτος τὸ «Μέντιουμ»). Ἔργο ποὺ οἱ κριτικοὶ τὸ ἐτοποθέτησαν μεταξὺ δύο μουσικῶν ἐποχῶν, σὰν ἕνα εἶδος συνδετικοῦ κρίκου μεταξὺ τῆς ρωμαντικῆς παραδόσεως τοῦ παρελθόντος καὶ τῶν ἐρεαλιστικῶν» ἀπαιτήσεων τοῦ καιροῦ μας, ἡ «Βανέσσα» χρησιμοποιεῖ ὅλα τὰ ἐπιτεύγματα τῆς σύγχρονης μουσικῆς καὶ ὅλες τὶς τεχνικὲς ἐπινοήσεις τῶν μουσικῶν πρωτοπόρων τοῦ καιροῦ μας, ἀλλὰ δὲν τὰ ἀφήνει νὰ ἐνοχλήσουν, γιατὶ ἔχουν ὑποταγῆ στὴν λυρική της ὑφή.

«Πρόκειται, ἐξηγεῖ, γιὰ μιὰ ἠχογράφησι καὶ ὄχι γιὰ παράστασι. Μ' ἄλλα λόγια, τὸ μικρόφωνο εἶναι ἐκεῖνο ποὺ ἀναλαμβάνει νὰ μεταφέρῃ τὴν φωνή σας καὶ δὲν ὑπάρχει λόγος νὰ τὴν ὑψώνετε οἱ ἴδιοι. Δὲν χρειάζεται. Οἱ τεχνικοὶ κάνουν νὰ φύγουν ἀλλὰ ὁ Μητρόπουλος τοὺς φωνάζει πίσω: «Ὁ φωτισμὸς εἶναι τελείως ἀνεπαρκὴς καὶ δὲν μπορῶ νὰ διαβάσω τὶς νότες μου. Ἐπειδὴ δὲν ἔχουμε παράσταση δὲν σημαίνει ὅτι πρέπει νὰ μείνουμὲ στὸ σκοτάδι». Τὰ φῶτα ἀνάβουν.

Ὁ Μητρόπουλος διακρίνεται εἰς τὸ κέντρον ὀρθιος, διευθύνων τοὺς τραγουδιστὰς καὶ τὴν ὀρχήστραν κατὰ τὴν διάρκειαν τῆς ἠχογραφήσεως

Ὁ Μητρόπουλος κουνᾶ τὸ κεφάλι, εἶναι ἕτοιμος. Σ' ἕναν πίνακα ἀπέναντί του, ἀνάβει ἕνα κόκκινο φωτάκι: οἱ τεχνικοὶ εἶναι κι' αὐτοὶ ἕτοιμοι. Ὁ Μητρόπουλος ὑψώνει τὰ χέρια—κι' ἀρχίζει ἡ τετάρτη πρᾶξι. Δὲν περνοῦν δέκα λεπτὰ καὶ ὁ Μητρόπουλος σταματᾶ ἀπότομα. Κατεβαίνει ἀπὸ τὸ πόδιουμ καὶ, συνοδευόμενος ἀπὸ τὴν Στῆμπερ, πηγαίνει στὸ καμαρίνι τῶν τεχνικῶν: «Πῶς τὰ ἐπήγαμε;» ἐρωτᾶ. Τὰ πρῶτα δέκα λεπτὰ εἶναι πάντα δοκιμαστικά. Οἱ τεχνικοὶ παίζουν τὴν ταινία τῶν δέκα λεπτῶν, ἀκοῦν τὶς ἐντυπώσεις τοῦ Μητρόπουλου κι' ὕστερα φεύγουν γιὰ νὰ διορθώσουν τὴν θέσι ὡρισμένων μικροφώνων, νὰ ἀπομακρύνουν ἕνα ποὺ ἔκανε νὰ ἀκούγεται πολὺ δυνατὰ ἕνα μέρος τῆς ὀρχήστρας εἰς βάρος τῶν ἄλλων, προσθέτουν ἕνα ἀκόμη γιὰ νὰ ἐνισχυθῇ ἡ φωνὴ ἑνὸς καλλιτέχνου. Ξαναπαίζουν γιὰ μιὰ ἀκόμη φορὰ τὴν ταινία, διαπιστώνουν ὅτι τὸ πόδιουμ πάνω στὸ ὁποῖο εὑρίσκετο ὁ Μητρόπουλος, ὁ «μαέστρος» ὅπως τὸν ἀποκαλοῦν ὅλοι, τρίζει καὶ στέλνουν κάποιον νὰ τὸ διορθώσῃ.

Ὁ Μπάρμπερ —ποὺ εἶναι ἐπίσης παρών— παρατηρεῖ ὅτι μία καλλιτέχνις ἡ ὁποία ὑποτίθεται ὅτι εὑρίσκεται σ' ἕνα ἄλλο δωμάτιο ἀκούεται ὑπερβολικὰ εὐκρινῶς καὶ ἀποφασίζεται νὰ ἀπομακρυνθῇ λίγο τὸ μικρόφωνο ἀπὸ τὴν θέσι της καὶ ἔτσι ὅλοι ἐπιστρέφουν.

Ὅλα εἶναι ἕτοιμα, ὁ Μητρόπουλος σηκώνει τὰ χέρια, οἱ μουσικοὶ ἀρχίζουν νὰ παίζουν καὶ ἡ Ἐλεάνορ Στῆμπερ ἀκούεται στὴν πρώτη ἄρια τοῦ ρόλου τῆς «Βανέσσας». Δὲν ἀκούεται ὅμως παρὰ δύο λεπτά. Ξαφνικὰ βήχει καὶ σταματᾶ: «Μυρίζει ἐδῶ μέσα, λέγει, καὶ μοῦ εἶναι ἀδύνατο νὰ τραγουδήσω μὲ τὴν μυρωδιὰ αὐτή». «Δὲν μυρίζει ποῦρο ἀλλὰ Ἑλληνικὸ τσιγάρο ποὺ ἐκάπνισα» τῆς ἀπαντᾶ ὁ Μητρόπουλος. Ἡ Στῆμπερ ἐπιμένει ὅτι κάπου μυρίζει ποῦρο, ὅλοι φώνουν νὰ βροῦν τὸ ἔνοχο ποῦρο, ἀλλὰ τίποτε. Ἐν τῷ μεταξύ, ἡ μυρωδιὰ ἔχει εὐτυχῶς παρέλθει καὶ ἡ Στῆμπερ προθυμοποιεῖται νὰ ἀρχίσῃ καὶ πάλι.

Εἶναι ἡ πρώτη πρᾶξι, ποὺ παρουσιάζει τὴν «Βανέσσα», μιὰ ὡραιοτάτη γυναίκα ἡ ὁποία χρόνια τώρα ζῇ μόνη, μακρυὰ ἀπὸ τὸν κόσμο καὶ ἀποξενωμένη ἀπὸ τὴν οἰκογένειά της, νὰ θρηνῇ τὴν ἀγάπη ποὺ ἔχασε, τὸν Ἀνατόλ. Ξαφνικὰ ἐμφανίζεται ὁ Ἀνατὸλ —ὁ υἱὸς τοῦ παλαιοῦ της ἐραστοῦ ὁ ὁποῖος ἔρχεται νὰ δῇ τὴν γυναίκα τὴν ὁποία τόσο ἀγάπησε ὁ νεκρὸς πατέρας του.

Ἡ Βανέσσα, κι' ἐδῶ ἀρχίζει ἡ δεύτερη πρᾶξι, ἐρωτεύεται τὸν Ἀνατὸλ τὸν ὁποῖον ὅμως ἔχει ἐρωτευθῇ καὶ ἡ ἀνεψιὰ τῆς Βανέσσα, Ἐρίκα. Ὁ Ἀνατὸλ ἀγαπᾶ γιὰ μιὰ στιγμὴ τὴν Ἐρίκα στὴν ὁποία ὅμως ὁμολογεῖ ὅτι δὲν μπορεῖ νὰ τῆς ὑποσχεθῇ αἰώνια ἀγάπη καὶ ἐκείνη τὸν ἐγκαταλείπει. Ἡ Βανέσσα καὶ ὁ Ἀνατὸλ ἀρραβωνιάζονται καὶ φεύγουν ἀπὸ τὸ παλαιὸ σπίτι, ἀφήνοντας τὴν Ἐρίκα μόνη νὰ συνεχίσῃ τὴν παρόδοσι τῆς θείας της: Κλείνει τὰ παράθυρα τοῦ παλιοῦ σπιτιοῦ, σκεπάζει τοὺς καθρέφτες του, διώχνει τὸν κόσμο καὶ μένει μόνη νὰ θρηνῇ.

Ἡ ἠχογράφησις δὲν εἶναι δουλειὰ ὡρῶν, ἀλλὰ ἡμερῶν. Οἱ καλλιτέχνες ἀκούουν τὶς φωνές τους, ξαναπαίζουν σκηνὲς στὶς ὁποῖες δὲν ἔχουν ἐπιτύχει ὥσπου ἕνα ἀπόγευμα ὁ Μητρόπουλος κάμνει μιὰ ὑπόκλισι στοὺς καλλιτέχνες του καὶ τοὺς λέει: «Αὐτὸ ἦταν ὅλο. Κυρίες καὶ κύριοι χαίρετε».

Dimitri Digs Westerns To Unwind

By HERMAN DREZINSKI

"Don't reach for that gun, boy!" said the tall, strong-faced man. His voice was soft but it had the deadliness of a snake.

"You think because you're Ringo, the best gun in the West, that I'm scared of you?" said Ringo's challenger. He whipped out his gun with lightning-like rapidity. But suddenly he clapped his hand to his heart and fell over, dead. The best gun in the West had spoken again. . . .

You don't have to fret because you like movies and TV shows like that.

OK, Says Dimitri

One of the world's most famous musicians, Dimiti Mitropoulos, devotee of the Old Masters, goes along with you.

"A good Western relaxes me," he said here today. "After a hard concert, I find it just the thing."

Mitropoulos is here to guest conduct the New Orleans Philharmonic-Symphony concert at 8:30 p. m. tomorrow at the Municipal Auditorium.

Whodunits, Too

"I also like the detective movies—but they must be clever," said the noted conductor.

He added that he likes Charles Laughton, the comic Fernandel, and that versatile and lovable villain and scoundrel, Alec Guinness.

"But really I love almost anything in the movies," said Mitropoulos. "Anything except musical pictures!"

Thin, Ascetic

Mitropoulos is tall, thin, ascetic, a man of 68, with wiry muscles from early days of mountain climbing. His gray hair is bald in the back, giving him the look of a monk. In fact, he would have been one except that the church to which he aspired does not permit music in its ritual.

Mitropoulos has light blue eyes, sad brooding eyes. So it is not surprising when he says:

"I should add that it is not only light movies I see," he said. "I see all kinds. Sad ones, too."

Mitropoulos said that United States music now ranks with European music.

Likes N. O. Orchestra

He said that among the orchestras of the first rank in the United States are the New Orleans Philharmonic Symphony, and those in New York, Chicago, Cleveland, Detroit, Indianapolis, Philadelphia, St. Louis and Los Angeles.

He noted that the operas of the United States are competing with European opera and said that the Metropolitan opera is "better in efficiency, musical materials and artists." It is now trying to get a new building, he said.

Mitropoulos is busy this year conducting a series of concerts for the New York Philharmonic and directing a number of operas for the Metropolitan. The New Orleans orchestra is the only one outside New York he is conducting this year, and this only "because I have friends here." He received a tremendous ovation here last year.

For English Opera

Mitropoulos said he favors development of opera in English.

The great Greek musician also said he likes to read.

"Philosophy is my favorite reading," he added.

Asked if he still climbs mountains, he said, "Mountains are for the young."

Asked if he took any exercise, he smiled.

"Don't I get enough conducting? That's real exercise."

Mitropoulos Likes Orleans

By FRANK GAGNARD

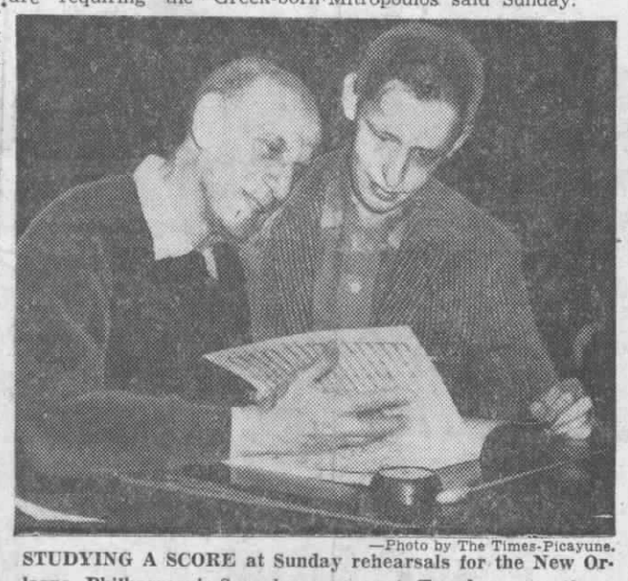
Dimitri Mitropoulos is conducting his only concert outside of New York this season in New Orleans because "I like the people."

"I was so cordially received when I appeared with the New Orleans Philharmonic-Symphony last season," he said Sunday at a rehearsal break.

Mitropoulos was preparing for Tuesday's subscription concert of the New Orleans orchestra at Municipal Auditorium. He is the first guest conductor of the season.

Rehearsals were being held in the Ivory Room of Municipal Auditorium. The first work taken up was Gustav Mahler's Symphony No. 10, which Mitropoulos said he presented for the first time in this country last season in New York.

The uncompleted work in two movements will have one of its rare subsequent performances here Tuesday. Also on the program will be Beethoven's "Leonore" Overture No. 2, Beethoven's Second Symphony, and a Bach Fantasy and Fugue arranged by Mitropoulos.



Mitropoulos said he is conducting four weeks of concerts by the New York Philharmonic this season. He resigned as director of this orchestra in 1957.

A large part of his season is being devoted to the Metropolitan Opera, where he has charge of six productions. In February he will conduct the Met's new production of Verdi's "Macbeth."

He arrived in New Orleans Sunday after a Saturday night performance at the Met of Tchaikovsky's "Eugene Onegin." "Tosca," "Cavalleria Rusticana" and "Pagliacci," "Boris Godounov," and "Vanessa" also are requiring the Greek-born conductor's services at the Met this year.

When Mitropoulos appeared here last year during regular conductor Alexander Hilsberg's illness, he attracted one of the largest audiences of the season. At that time, he praised the orchestra highly and expressed a wish to return.

"It is very nice to be back," Mitropoulos said Sunday.

MITROPOULOS LEADS CONCERT

Program Falls Short in Provocative Variety

By FRANK GAGNARD

Dimitri Mitropoulos led his only concert outside of New York this season Tuesday night at the Municipal Auditorium.

The conductor's engagement and acceptance apparently stemmed from a mutual admiration society formed during his appearance last year with the New Orleans Philharmonic-Symphony. A good number of supporters was on hand Tuesday to encourage the affair.

If last season's electric excitement was lacking, blame it partly on an auditorium heated to yule log intensity. Nor did Mitropoulos' program stimulate with provocative variety, although three of the four works were labeled in the program "requested by subscribers."

SYMPHONY CHIEF POINT

The chief point of interest was Mahler's Symphony No. 10, a two-movement fragment numbered and published posthumously. Its American premiere was conducted only last season by Mitropoulos, appearing with the New York Philharmonic.

The slow first movement contains long-breathed, mournful statements expansively deployed among the strings. The mood is not bright, and neither are the harmonies reassuring.

The second movement, marked "Allegro moderato, Purgatorio," is marked by Mahler's distinctive woodwind tints and "frolicking demon" themes for violin. There were also fleeting echoes of his happier songs, at least for one Mahler fan listening for something to warm to on first hearing.

Also in the novelty class was Mitropoulos' orchestration of Bach's Fantasy and Fugue in G Minor, for organ. It was a garish, all-stops-out enlargement. Arranger Mitropoulos did create some martial excitement in the fugue section.

ORCHESTRA VIGOROUS

As in the other works, the orchestra responded vigorously.

Beethoven's "Leonore" Overture No. 2 was satisfactorily shaped at the program's outset. The same composer's Symphony No. 2 in D Major made no notable impression on this listener. The inside temperature made stronger claims on the attention.

MITROPOULOS TO BE DIRECTOR

Famed Conductor Leads Orchestra Tonight

Dimitri Mitropoulos, famed Metropolitan Opera conductor and former music director of the New York Philharmonic Orchestra, which group he still conducts regularly, will be guest director of the New Orleans Philharmonic-Symphony Orchestra Tuesday night.

The program, sixth subscription concert, will be at 8:30 p. m. in Municipal Auditorium.

Befitting his stature in the music world, Mitropoulos has planned one of the most impressive programs of the winter entertainment season.

He opens the program with two works by Beethoven, the second Leonore overture and the Second Symphony. Then comes the first local performance of Gustav Mahler's Tenth Symphony. In conclusion, the conductor directs an orchestral transcription (by himself) of a Bach Fantasy and Fugue.

It was Mitropoulos who came to the aid of the Philharmonic-Symphony during last year's emergency occasioned by regular conductor Alexander Hilsberg's heart attack. The Greek-born musician came here as the first of several guest conductors, and was widely acclaimed by public and critics. Musicians of the orchestra considered him the most exciting conductor under whom they had ever worked, so his return to New Orleans for this concert was arranged.

Mitropoulos Program Is Set Tonight

One of the most impressive programs of the winter season will be offered at the Municipal Auditorium at 8:30 p. m. today by the New Orleans Philharmonic-Symphony Orchestra when the noted Greek conductor, Dimitri Mitropoulous, will be guest conductor.

Mitropoulous is a Metropolitan Opera conductor and is a former musical director of the New York Philharmonic Orchestra. He still gives frequent concerts with the New York orchestra.

The program tonight will include two works by Beethoven, the second Leonore overture and the Second Symphony; the first New Orleans performance of Gustav Mahler's Tenth Symphony, and an orchestral transcription made by Mitropoulos of the Bach Fantasy and Fugue.

Mitropoulos was guest conductor last season when Alexander Hilsberg suffered a heart attack. So pleased were the public, critics and orchestra that it was decided to invite him back this year.

The New Orleans orchestra is the only one outside of New York for which he has consented to be a guest conductor.

Tickets may be bought today at 605 Canal. They may also be bought at the auditorium before the concert.

Conductor Is Dynamic In Concert

By CHARLES L. DUFOUR

Dimitri Mitropoulos world-famed conductor, led the New Orleans Philharmonic Symphony Orchestra through an exciting concert last night at Municipal Auditorium.

It was the sixth subscription concert of the season and the first in which a guest conductor has taken over the podium. For Mr. Mitropoulos it was the second occasion on which he has directed the New Orleans orchestra, for last year he appeared during Alexander Hilsberg's illness.

The large audience thoroughly enjoyed Mitropoulos' dynamic and meticulous conducting and at the end of the concert which featured works of Beethoven, Mahler and Bach, he was given an ovation.

Top Musicians

There is one inescapable fact that is evident when guest conductors take over Maestro Hilsberg's orchestra. And that is that Hilsberg has created a top flight group of musicians, responsive not only to his direction but that of visiting celebrities as well. In the final analysis, an orchestra is an instrument and it is good, bad or indifferent. This instrument is played upon by the conductor. And different conductors have different styles, just as they have different personalities.

It is natural, therefore, for an orchestra under Mr. Hilsberg to sound differently under Mr. Mitropoulous, just as the same orchestra, later, will sound differently under Howard Hansen, who will be guest-conductor in March. Since all three are men of musical stature, the important thing is the orchestra sounds wonderfully, although differently, under all three. That brings us back to the point stated earlier; Alexander Hilsberg has given New Orleans a great orchestra. Last night, under Mitropoulos, the orchestra distinguished itself.

Mitropoulos is the master of precise phrasing. There is no oozing of one passage into the other; if the composer wants the music defined, accented, Mitropoulous with incisive skill gives it the exact definition.

This was evident from the beginning of the concert in which Beethoven's "Leonore Overture No. 2, Op 72 a, "was superbly performed. Heard less frequently than the "Leonore No. 3," it is familiar enough, since it embodies much, especially the trumpet fanfare, of what emerged in Beethoven's final version of the overture to his solitary opera, "Fidelio," which started out being named "Leonore."

Paced Too Slowly

Next came Beethoven's charming "Symphony No. 2 in D Minor, Op 36," in which Mitropoulos and the orchestra were impressive although it seemed to some ears as if the Scherzo (third movement) was paced too slowly. But the beauty and grace of the symphony were admirably revealed.

The first performance here of Gustav Mahler's "Symphony No. 10" evoked warm response for the playing, but there were mixed feelings regarding the piece itself, a work of two greatly contrasted movements. The first is a formless thing, getting absolutely nowhere, whereas the second movement, on the contrary, has a definite melodic line and considerable charm.

The concert ended on Mitropoulos' own arrangement of Bach's "Fantasy and Fugue in G Minor," which called for some tremendous climaxes which the conductor built up with dazzling effect. The orchestra, with honors to the trumpet section which had a lot to do, responded nobly.

'Fledermaus' Bids Farewell To '58 at Met

The Metropolitan Opera sang the Old Year out last night with Johann Strauss' "Fledermaus," which resumed its position as the company's New Year's Eve offering after its replacement by "La Perichole" during the last two seasons.

As a special tribute to the occasion, the silk-hatted men of the chorus sang the "Blue Danube" waltz to a text by John Gutman, in which the Metropolitan's assistant manager named its entire roster, with Mitropoulos and Yannopoulos among the most adroitly executed rhymes. He also included the American Guild of Musical Artists, Local 802 of the American Federation of Musicians, the authors of the text for this production, Howard Dietz and Garson Kanin, and the composer.

Regina Resnik, singing Prince Orlofsky for the first time on this stage, was in good voice and was also highly convincing in representing the profound ennui that characterizes that monied nobleman. Hilde Gueden reappeared as Rosalinda, with Roberta Peters as Adele, Theodor Uppman as Eisenstein, Cesare Valletti as Alfredo, Frank Guarrera as Falke, Clifford Harvuot as Frank and Jack Gilford as Frosch.

The tempi of the well organized performance under Erich Leinsdorf's conductorship sometimes inclined a little toward sedateness, but the evening often, if not invariably, reflected the spirit of the date and of the captivating score. F. D. P.

Metropolitan Repeats 'Vanessa'

Under the masterly direction of Dimitri Mitropoulos, Samuel Barber's "Vanessa" began its second year in the Metropolitan repertory last night with strong signs of continued interest and vitality.

As the Metropolitan's first full-length American opera in a quarter of a century, "Vanessa" struck one again as music drama of true substance and force. It is a frankly operatic score of strong emotional and melodic appeal.

Mr. Mitropoulos gave it a pulsing continuity last night. The pages of orchestral interlude were given a vivid glow and crisis were built up with stunning power. This is truly a conductor's opera.

That it is also a singer's opera was again shown by the exceptionally appealing work of such artists as Eleanor Steber, Rosalind Elias, Regina Resnik, Nicolai Gedda, and Giorgio Tozzi. They were a dedicated team last night.

The edge of glamour is dulled when a new, much-heralded opera turns one year old. Last season, Samuel Barber's "Vanessa" received its world premiere at the Metropolitan and the interest attendant on the event was high, electric, everywhere intense. But now the work has entered the repertory and the bloom is off—at least so far as its publicity value is concerned.

At any rate, "Vanessa" returned to the Met last night for the first time this season and there was no clamor, no general shout. This condition, however, does not prevent one from observing that the opera remains a full-blooded, full-throated affair which any company should be honored to produce.

The cast of the occasion was a duplicate of the debut performance, and the singers behaved very much as they had previously. Eleanor Steber, in the name role, is by no means an ideal Vanessa, since her English enunciation is rubbery and her stage deportment broader than one expects from a lady of title. Moreover, she does not float her lines with real elegance; in consequence, one finds it difficult to believe in her situation either as a Baroness or as a woman in love.

Rosalind Elias, on the other hand, contrives a touching Erika and acts as a betrayed and distraught girl certainly might. Even a slight quaver in the top range during the opening act did not dampen what was essentially a well considered and attractive portrayal.

As Anatol, Nicolai Gedda is the sole member of the cast who seems to have grown perceptibly in his role, who seems, indeed, to have approached it with a fresh eye and ear. His singing is firmer, freer, and its color-span larger and more vivid. His impersonation has expanded, deepened, taken on a new and zesty flavor, for which reason it now stands in a more significant balance to Vanessa and Erika than it had in the past. And, of course, Mr. Tozzi was superb at the start and has, in artistic consequence, not lessened in excellence by so much as a hair. Finally, Regina Resnik, as the grandmother, was a thoroughly compelling figure.

Mr. Mitropoulos, presiding over the pit, once again proved that his peers are few in the direction of the contemporary operatic literature, and Gian Carlo Menotti's stage direction remains clear, and fluent though not in every detail defensible. Further, the Met now plays the work without an intermission between the first and second acts, which gives them both a pace and focus they had formerly lacked.

In sum, "Vanessa" is back with us again. She makes fine company.

Music: 'Vanessa' Returns

Opera by Barber Has Seasonal 'Met' Bow

By HOWARD TAUBMAN

"VANESSA" returned to the Metropolitan Opera last night for the first time this season. The opera with a score by Samuel Barber and a libretto by Gian-Carlo Menotti has been granted an opportunity to make a place for itself in the repertory.

Without the fuss and feathers that marked the world première last year, "Vanessa" must now answer the question whether it can attract and hold the public on its merits. The alternative, of course, is the fate that has befallen the other American operas produced at the Met in the last half-century—oblivion.

Can "Vanessa" survive? That will depend on whether the Met public will settle for anything less than the staples of the repertory. It hardly ever does.

•

It is true that "Vanessa" is not a masterpiece. Nor does it have the fat parts for stars to enable second- and third-rate pieces to persist. But it has impressive virtues, and it deserves a hearing.

Mr. Menotti's story is put together skillfully. Though its essential spirit is sad and remote in a fin-de-siècle way, it enfolds with charm and force and sustains a dramatic line as well as a consistent mood. Mr. Barber's score gains in point and character as it goes along, and by the last act achieves an admirably high standard of lyric theatre.

Upon reacquaintance this score makes essentially the impression it left last year. The composer takes some time to arrive at an individual stylistic fusion. There are reminiscenses of this composer and that, and in the orchestra at least they form a theatrical current.

But good things begin to appear after the opening act. There are places where the music builds a nostalgic atmosphere with grace and color, and some of the climactic passages have eloquence.

•

The singers are the same as those who appeared at the première, and they are now completely in command of their parts. This helps the opera. Eleanor Steber undertook the title role last year at short notice, and understandably she had not mastered it at the first performance.

Her singing last night was secure and convincing. The scene in the second act in which she tells of what happened while she was out skating, set to difficult, light-textured, florid phrases, now counts for something.

Rosalind Elias continues to give an affecting performance as Erika. Nicolai Gedda as Anatol plays and sings discerningly, and his English enunciation remains the best in the cast. Giorgio Tozzi is amusing as the lively, old doctor, and he sings suavely. Regina Resnik brings strength to the part of the old baroness. George Cehanovsky is properly old world as a major domo.

The production strikes one again as a fine one. Cecil Beaton's sets and costumes are handsome and full of atmosphere. Dimitri Mitropoulos conducts with conviction, though he had better guard against letting the orchestra overwhelm the singers. Nathaniel Merrill has kept Mr. Menotti's staging in order.

In spirit "Vanessa" fits the dark Victorian plush and elegance of the old opera house. How long will it stay there? The Met audience will decide.

'VANESSA' AGAIN

Barber Opera Stacks Up Well Against Contemporary European Works

By HOWARD TAUBMAN

THE Metropolitan Opera has brought "Vanessa" back. This is a responsible act, if not so good for business as a string of "Aidas" or "Carmens." The opera by Samuel Barber and Gian-Carlo Menotti, which had its première last season, deserves a chance to find its own level in the repertory.

There was another reason to welcome back "Vanessa." It is always stimulating to check on one's original estimate of a new work. In this case one was particularly eager for a re-examination. During the summer "Vanessa" had been introduced to Europe at the Salzburg Festival and had been savaged by the Austrian critics. Had New York been over-indulgent to an American opera?

Upon reseeing "Vanessa," this column feels that American praise for the opera was not out of balance. It believes strongly that the violence of the European reaction was excessive. Can it be that criticism abroad did not mete out to "Vanessa" the even-handed justice it would bring to opera by contemporary Europeans?

It can be. You have but to consider the quality of some of the European pieces that are hailed with pleasure to realize that a severer standard is brought to bear on the judgment of an American opera. It is as if some Europeans resented our achievement in an area that has been a European province.

But this, you will say, is incredible. Look at the immense success "Porgy and Bess" enjoyed all over Europe. The Gershwin-Heyward work had a triumphal procession across the Continent. The very Americanism of the story, the score, the production and the performers were what won for it delighted approval.

The truth is that "Porgy and Bess" did not compete with European opera on its own terms, and it was not regarded as opera in the same sense. It may have been termed opera, but it was equated with recent developments in our musical theatre.

Not Operatic

"Porgy and Bess" has freshness and vitality. It is an ambitious effort and a distinctive accomplishment. But in musical continuity and integration it does not compare with the work of a skillful, sophisticated and gifted operatic composer. Its genre is closer to American musical comedy than to opera.

Our musical comedy is a proud and original contribution and has made its way across Europe. "Porgy and Bess" was described as opera, but it was not asked to live up to rigorous operatic requirements. And that was wise and generous, for it had special gifts of innocence to offer.

There can be no objection if "Vanessa" was expected to measure up to exacting tests for the Barber-Menotti piece seeks to swim in the mainstream of operatic tradition. There can be emphatic objection, however, if the tests are applied with a harshness not employed in the judging of other new operas.

Let us look more closely at "Vanessa," comparing what was said about it by certain Viennese critics with a calm and reasonable summation.

One reviewer said that the opera was "enough to make one cry * * * this book is simply disgusting." Another called the composer "a collector and publisher of a musical anthology." The performers—the principals, Eleanor Steber, Rosalind Elias, Nicolai Gedda and Giorgio Tozzi, were from the Met—were praised, though they sang in English. The physical production, borrowed from the Met, was also complimented. Of Dimitri Mitropoulos, who conducted in Salzburg as at the Met, it was said, "We have seldom heard so fine a musician conduct such poor music."

A Point of View

Mr. Menotti's libretto is saturated with disillusion and despair. Its two women—Vanessa and her niece, Erika—suffer in turn from a defeatism that seems to reflect the vapors of women in old-fashioned novels rather than any connection with life. But people who know remote regions of Sweden and who were familiar with old Russia contend that such women could and did exist. In any event the author is entitled to his point of view, and the people in the audience have the option of responding with sympathy or not.

But how can such a book be called "disgusting?" Are we to resume heaping moral opprobium on what we do not like? We are now amused by Beethoven's condemnation of Mozart's "Don Giovanni" because he did not approve of the libretto's subject matter. We feel properly superior to the stuffy, bourgeois Parisians who were so outraged by Carmen's behavior when the opera had its première at the Opéra-Comique. What is disgusting to one man may be affecting to another.

As for Mr. Barber's music, it is not the crime against man and nature that some of these Viennese critics made it out to be. It does reflect many influences, and at the outset it does exhibit a tentativeness of approach, as if the composer were not quite at ease in the operatic medium. But his assurance grows as he progresses. In sum, the opera has impressive assets.

Mr. Barber writes for the human voice as if he respected it. He does not hesitate to give his singers set pieces like arias and concerted numbers, and some of them are appealing. He makes an honest attempt to provide music that characterizes his people and that moves the action. He does not succeed everywhere, but his grasp constantly improves. His final act is touching lyric theatre.

It need not be argued that "Vanessa" is a masterpiece. But take it all in all, it is a work of which neither the Met nor America need be ashamed. It does not explore new musical or operatic forms, but it is serious and workmanlike. In following an accepted tradition, it ends by establishing an atmosphere of its own.

Better Than Most

Is it so much worse than Rolf Liebermann's "School for Wives," which had an enthusiastic reception from these very Austrian critics when it was put on at Salzburg? Not at all. In fact, it is a far better work, and, praise be, it does not go in for a busy modernism that is as vacuous as it is fashionable. How about Von Einem's "Der Prozess," Martin's "The Tempest," Orff's "Der Mond," to name several others warmly received in Europe? All inferior to "Vanessa."

One of the gravest troubles of "Vanessa" apparently was its American origin. Isn't opera a European invention, and shouldn't creativity in this field by materialistic Americans be suspect?

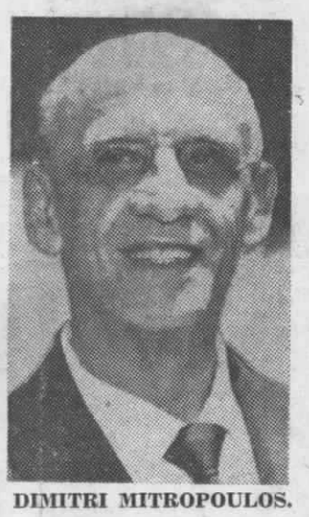
Met's 'Tosca' Again Features Pinch-Hit Role

The Metropolitan Opera must be feeling especially battered by sickness these days. Last night, as on many recent occasions, signs had to be posted in the corridors once again to announce a change in cast due to "indisposition." This time, it was Zinka Milanov who was unable to fill her assignment. Thus, Mary Curtis-Verna appeared again in the title role of "Tosca". The pinch-hitting soprano was in good form for most of the evening, but a fleeting vocal gremlin got at her toward the end of the "Vissi d'Arte" and made for a couple of peculiar effects.

Leonard Warren, who was singing Scarpia for the first time this season, was simply splendid from start to finish, and whenever he was on stage the opera pulsed in a manner that did not always prevail when he was not around. The part of Angelotti was filled creditably by Lorenzo Alvary, who was also undertaking his assignment for the first time this season.



Eugenio Fernandi, the Cavaradossi, sang brilliantly enough, and was quite effective so long as he sat down or stood motionless. Someone really should help him with the stage business of the second act, however, for his movement was so stilted and jerky that it seemed almost like a caricature of bad acting.

Dimitri Mitropoulos conducted the performance with his familiar combination of energy and precision. A. H.

DIMITRI MITROPOULOS.

Dimitri Mitropoulos, the Metropolitan Opera conductor and former musical director of the New York Philharmonic, was in New York Hospital today following a heart attack. A bulletin, issued by the hospital, said "his condition is fair and he is on the serious list."

Mr. Mitropoulos, who will be 63 on Feb. 18, has been hard at work at the Met since last fall. For weeks past he has been rehearsing the orchestra for the Met's first production of Verdi's "Macbeth" which is to have its premiere Feb. 5.

When Mr. Mitropoulos was stricken yesterday, the rehearsal was conducted by Erich Leinsdorf, who had been announced as a "Macbeth" conductor later in the season. Mr. Leinsdorf presumably will now conduct the premiere.

Miss Tebaldi's Famous Throat Is Sore

Inflammation of the most famous throat in the business caused a change of opera and a stampede of refund-seekers at the Metropolitan box-office last night.

The afflicted singer was Renata Tebaldi, scheduled to make her last Metropolitan appearance of the season in Puccini's "Manon Lescaut."

Decision to substitute "Tosca" was made late yesterday afternoon after the celebrated soprano called to inform the management of her condition.

The curtain was late last night to allow ticket-holders to make up their minds about staying or getting their money back.

Barber Opera Bids to Stay At the Met

By Miles Kastendieck
New York

In its bid for a place in the repertory, Samuel Barber's "Vanessa" returned to the Metropolitan almost a year after its world première. As the finest American opera in the Met's history, it should win popular favor on its own merits. A handsome mounting and a beautiful performance make its bid even stronger.

On reacquaintance its emotional impact is stronger than a year ago. This may be the result of more assurance on the part of the original cast. Certainly the performance has more homogeneity than a year ago. That Erika rather than Vanessa is the heroine becomes clearer.

As his first venture into opera, "Vanessa" shows certain limitations that suggest that Barber might profitably edit the work. Its slow opening is a handicap, and certain operatic conventions strike a false note. Nevertheless, through his music Barber has created a human document that has strong emotional appeal.

Miss Elias Exceptional

As Erika, Rosalind Elias reveals herself again as an exceptional singing actress. Eleanor Steber appears miscast in the title role, though she works hard to put it over. Nicolai Gedda has grown noticeably in portraying the shallow Anatol. Giorgio Tozzi and Regina Resnik repeat their notable impersonations of the old doctor and the Baroness. Dimitri Mitropoulos contributes a singularly emotional interpretation of the score.

"Vanessa" deserves to survive this and other seasons.

Mitropoulos Has Heart Attack; Conductor, 62, in Hospital Here

Dimitri Mitropoulos, a conductor of the Metropolitan Opera and former musical director of the New York Philharmonic, suffered a heart attack yesterday and was admitted to the New York Hospital.

A bulletin issued by the hospital at 10:10 o'clock last night said:

"Mr. Mitropoulos was admitted this morning with a heart attack. His condition is fair and he is on the serious list."

Illness also struck Renata Tebaldi yesterday. The singer suffered a throat infection and "Manon Lescaut," the opera in which she was to have sung last night, was canceled.

"Tosca" was given in its place, with leading roles sung by Mary Curtis-Verna, Richard Tucker and Walter Cassel. Kurt Adler conducted. It was the first appearance this season in "Tosca" for both Mr. Tucker and Mr. Adler.

Mr. Mitropoulos was to have conducted the New York Philharmonic for a month starting Feb. 23. Officials of the orchestra will meet early next week to decide upon a replacement if one is necessary.

The new Metropolitan Opera production of Verdi's "Macbeth," scheduled for Feb. 5, was also to have been directed by Mr. Mitropoulos. Yesterday's rehearsal of the opera was conducted by Erich Leinsdorf, who had been announced as a "Macbeth" conductor later in the season. Presumably Mr. Leinsdorf will now conduct the première.

Another musician who originally had been announced for "Macbeth" but will not appear in the opera is Maria Meneghini Callas, who was released by the Metropolitan early last November.

The sudden illness of Mr. Mitropoulos and the indisposition of Miss Tebaldi are the climax of a series of misfortunes that have dogged the Met since December.

On Dec. 29, Giulio Gari had to substitute for Kurt Baum in "Boris Godunov.' Richard Tucker substituted for Nicolai Gedda in "Eugene Onegin" on Dec 30; Daniele Barioni for Mr. Tucker in "Cavalleria Rusticana" on Jan. 3; Dimiter Uzunov for Carlo Bergonzi in "Aida" on Jan. 8; Cesare Valleti for Mr. Gedda in "The Magic Flute" on Jan. 9; Jean Madeira for Rise Stevens in the Jan. 12 "Carmen;" Barry Morell for Mr. Bergonzi in "La Bohème" on Jan. 14, and Mary Curtis-Verna for Zinka Milanov in "Tosca" on Jan. 16.

Busy Nights At the Opera House

When Edward Johnson was general manager of the Metropolitan Opera, he was fond of remarking that running an opera company was like running a baseball team—that you had to juggle your line-up, pinch-hit and sometimes find substitutes in a hurry. Rudolf Bing, Mr. Johnson's successor at the Met, has been having occasion lately to ponder the accuracy of this observation. For the current Met season has been marked by an unusual series of mishaps which have necessitated some swift and steady improvising.

The most serious misfortune of all, of course, is the heart attack which befell Dimitri Mitropoulos last week. Mr. Mitropoulos is one of the world's outstanding conductors, and musicians everywhere will wish him a speedy and complete recovery. Among his assignments at the Metropolitan this year was the direction of the forthcoming new production of Verdi's rarely heard opera "Macbeth." Now, presumably, Mr. Mitropoulos will be unable to conduct the premiere. Fortunately, Erich Leinsdorf, another capable conductor, is ready to take over the task.

Last Friday night, Renata Tebaldi, the noted soprano, suffered a sudden throat infection and the opera — "Manon Lescaut"—which she was to have sung had to be canceled, with another work substituted for it — a fairly unusual occurrence. And then, of course, the Met recently ran into another unexpected change, when Maria Callas departed, though here the cause was that purely operatic malady, inflammation of the temperament.

All in all, it has been quite a season, with an unwonted element of suspense added to the other qualities that operatic audiences expect. Perhaps the most remarkable aspect of all is that despite last minute crises and complications, the current opera season has remained on a high plane artistically and financially, with excellent reviews and a good number of sell-outs. Only an opera company with depth of talent and an alert management could do it, and that the Met has both is New York's good fortune.

Music

The Met's Loss Of Mitropoulos

By LOUIS BIANCOLLI.

Like everyone else who values and reveres him, I was deeply shocked when I heard that Dimitri Mitropoulos was in New York Hospital with a heart attack.

He is utterly devoted to his work and unhappy only while inactive. He drives himself mercilessly, whether at a rehearsal or a performance. He has evidently been paying for his unsparing intensity.

The condition being what it is, the chances are Mr. Mitropoulos will have to relinquish conducting for the remainder of the season. That is a distinct loss for both the Metropolitan and the Philharmonic.

Less Stimulation.

For all of us who cherish inspired and venturesome interpretations that means so much less stimulation in the months ahead, the stimulation that it is Mr. Mitropoulos' unique gift to give.

That this quality of excitement was being achieved at some cost to himself has been a matter of concern to both friends and colleagues. Warnings went unheeded. Whatever the price, this was how Dimitri Mitropoulos worked.

Music has obviously always been his life. For him it has been the dream and the fulfillment, the goal and the striving. A simple, humble man, almost ascetic in his habits, he made it the one real feast of his life.

Poetic Pulse.

Those who have heard a Mitropoulos performance know it is never just a technical and sensuous experience. Beating at its center is always a spiritual and poetic pulse that is the very essence of life.

For Mr. Mitropoulos music is also a faith and his place in it a mission. For him a symphony or an opera is a ritual through which a healing and sustaining power is released for all to share.

He is a man of great vision and depth who has nobly enriched this city's culture. Performers and public alike wish this brave and devoted artist a speedy recovery and an early return to the podium that is his real home.

3 Conductors Replace Mitropoulus on Podium

Three French-born conductors, Pierre Monteux, Jean Morel and Paul Paray, will direct the New York Philharmonic during the four weeks originally scheduled for Dimitri Mitropoulos, who suffered a heart attack last Friday. The condition of Mr. Mitropoulos yesterday was still considered serious, but he spent a comfortable night.

Mr. Monteux will conduct Feb. 23 to March 8 with Rudolf Serkin, pianist; Joseph Szigeti, violinist, and William Masselos, pianist, as soloists. Mr. Morel will conduct the concert performances of Debussy's "Pelléas et Mélisande" scheduled for March 12, 13, 14 and 15, and Mr. Paray will be in charge March 16 to 22. The programs will adhere to the general spirit of those announced for Mr. Mitropoulous during this period, with French music as a principal feature.

Mr. Morel, who is one of the Metropolitan Opera's conductors and also chief of the Julliard School's conducting department, has not conducted the Philharmonic before. Mr. Mnoteux last conducted this orchestra in the 1955-'56 season, and Mr. Paray, who is musical director of the Detroit Symphony, in 1956-'57.

Erich Leinsdorf will conduct the first performance of the Metropolitan Opera's production of Verdi's "Macbeth" on Thursday night, Feb. 5. Whether Mr. Mitropoulos will be able to conduct any of the later performances of this production, which he musically prepared, depends upon the pace of his recovery.

Γι' αὐτὸ καὶ ἡ συμφωνία αὐτὴ εἶναι γνωστὴ ὡς συμφωνία τῆς Ἀναστάσεως. Ὁ Μπροῦνο Βάλτερ μαθητὴς καὶ φίλος τοῦ μεγαλοφυοῦς συνθέτου, ἄκουσε γιὰ πρώτη φορὰ τὸ 1895 τὸ ἔργο ποὺ τδπαιξε ὁ Μάλερ. Ἀπὸ τότε ἔβαλε στὸν ἑαυτό του «τάμα». Ἔγινε ὁ μεγαλύτερος ἑρμηνευτὴς τοῦ Μάλερ καὶ ὁ ἰδεωδέστερος κληρονόμος τοῦ πνεύματος τοῦ διασήμου Αὐστριακοῦ. Πέρυσι, λοιπόν, θέλησε νὰ μεταλαμπαδέψῃ αὐτὴ τὴ φωτιὰ στοὺς μεταγενεστέρους ἠχογραφῶντας στὸ Κάρνεγκι Χὼλ τὴν συμφωνία τῆς Ἀναστάσεως. Ἀλλὰ δὲν εἶχε φτάσει στὴ μέση, ὅταν τὸν χτύπησε ἡ καρδιακὴ προσβολή. Ἦταν 80 χρονῶν καὶ οἱ γιατροὶ ἀποφάνθηκαν ὅτι τὰ πάντα εἶχαν πιὰ τελειώσει. Ἀλλ' ὁ Μπροῦνο Βάλτερ, δὲν θέλησε ν' ἀφήσῃ τὴ μοῖρα νὰ παίξῃ τὸ ἄσχημο παιγνίδι της. Στὸ κρεβάτι του δὲν ἔπαυσε νὰ διαδηλώνῃ τὴ θέλησί του νὰ τελειώσῃ τὴ συμφωνία τοῦ Μάλερ. Ἡ δύναμι τῆς θελήσεως καὶ ἡ ζωτικότης του, ποὺ εἶχαν τὴ ρίζα τους στὴν πίστι του στὴ μουσική, τὸν βοήθησαν ν' ἀναρρώσῃ. Καὶ ἕνα χρόνο ὕστερα, ὁ Μπροῦνο Βάλτερ ἀνέβηκε πάλι στὸ Κάρνεγκι Χὼλ, στάθηκε μπροστὰ στοὺς συγκινημένους μουσικοὺς τῆς ὀρχήστρας καὶ μπρὸς στὰ μικρόφωνα καὶ συνέχισε τὸν ἄθλο ἀπὸ κεῖ ποὺ τὸ χτύπημα τῆς μοίρας θέλησε νὰ τὸν σταματήσῃ. Ἡ Συμφωνία τῆς «Ἀναστάσεως» τοῦ Μάλερ εἶναι τώρα ὁλοκληρωμένη σὲ μιὰ θαυμάσια ἐγγραφὴ καὶ θὰ συνεχίσῃ τὴν παράδοσι τοῦ συνθέτου της, ποὺ μόνο ὁ Μπροῦνο Βάλτερ ξέρει τὸ μυστικό του. Θέλω νὰ πιστεύω ὅτι καὶ ὁ δικός μας Μητρόπουλος θὰ νικήσῃ κατὰ τὸν ἴδιο τρόπο τὴ μοῖρα γιὰ νὰ συνεχίσῃ τὸ τόσο λαμπρὸ ἔργο τῆς γενεᾶς τῶν μεγάλων ἀρχιμουσικῶν.

Met Presents 'Vanessa' Under Strasfogel

There were standees at the Met last evening, where Samuel Barber's "Vanessa" was given the second performance of its second season in the company's repertory. Similarly, empty seats were scarce within the range of this reporter's vision. This is good news, for contemporary opera in general—not to speak of its American component—usually finds the second-season sledding pretty tough at 39th and Broadway. Might "Vanessa" be the one to make good?

A New York audience was also given its first chance to watch the Barber-Menotti piece unfold under the guidance of a new conductor: Ignace Strasfogel, who was in attendance due to the illness of Dimitri Mitropoulos, who conducted the opera's premiere.

It was quite a different "Vanessa" that Mr. Strasfogel put to us, the other side of the coin so far as this opera's musical viability goes. More of the theater, less of the pit; more opera score than symphonic poem; more down-to-business, less ecstasy—it differed thus from the interpretation that introduced the score to us. Its texture was more taut and, for better or for worse, the music sounded less "pretty" under Mr. Strasfogel's handsomely professional direction.

Clifford Harvour, who sang the role of the Old Doctor for the first time last evening, was as competent as he could be, but he suffered inevitable comparison to Georges Tozzi's celebrated creation of the role. Eleanor Steber had the title role, Rosiland Elias was Erika, Regina Resnik the Old Baroness, and Nicolai Gedda sang Anatol.

LA MUSIQUE CLASSIQUE

Mitropoulos.

D'alarmantes nouvelles nous parviennent de New York, où l'éminent chef d'orchestre Dimitri Mitropoulos vient d'être transporté dans une clinique, en raison d'une affection cardiaque qui l'a surpris en pleine activité.

L'annonce du malaise dont souffre le grand artiste a suscité dans tous les milieux américains une émotion considérable, Car, l'on redoute qu'à son tour, Dimitri Mitropolous ne paie actuellement la rançon de l'effort surhumain qu'il accomplit, en intervenant depuis près de vingt ans, au premier plan de la vie musicale du Nouveau-Monde.

Hôte attitré du fameux Métropolitan new yorkais, Mitropoulos intervient en outre constamment à la tête des magnifiques formations symphoniques que possèdent les Etats-Unis. Mais, l'illustre «conducteur» gréco - américain interrompt parfois son activité américaine, pour entreprendre de vastes tournées de concerts en Europe.

Mitropoulos
par Florestan

Il y a deux ans, le Festival de Salzbourg l'accueillait, quelques jours avant que nous puissions nous-mêmes l'applaudir à Lucerne, à la tête des « Philharmoniker de Vienne », dans une interprétation inoubliable de la « Première Symphonie » de Schumann.

En cette occasion, et avec une exquise simplicité, Mitropoulos m'avait retracé les étapes essentielles de sa prodigieuse carrière, me précisant même que s'il s'astreignait à conduire la « totalité » de son répertoire « de mémoire », c'était là, pour lui, une nécessité impérieuse, une condition essentielle, sans la réalisation de laquelle il ne se sentait point en possession de tous ses moyens...

On sait, dans ce domaine, quel tour de force a pu réaliser Mitropoulos, interprétant au piano et conduisant tout à la fois l'exécution, combien périlleuse, du « Troisième Concerto » de Prokofiev...

Tel est le musicien « hors série », dont l'état de santé provoque de si légitimes et unanimes inquiétudes... Fort heureusement, des renseignements tout récents laissent entrevoir une amélioration qui a été jugée, par les médecins, suffisamment sensible pour que Dimitri Mitropoulos soit autorisé à recevoir la visite du ministre grec à Washington, M. Triantafylakos.

γάλη συγκίνησι ὅταν ἔμαθα ὅτι ὁ Δημήτρης Μητρόπουλος νοσηλεύεται σὲ νοσοκομεῖο τῆς Νέας Ὑόρκης συνεπείᾳ καρδιακῆς προσβολῆς. Ὡς ἐκ φύσεως ὁ Μητρόπουλος τόσο δραστήριος, νοιώθει δυστυχία, ὅταν ἀδρανῆ.

Εἶναι τόσο ἀφοσιωμένος στὴν ἐργασία του ὁ μαέστρος, ὥστε βάζει ὅλον τὸν ἑαυτό του εἴτε ὅταν διευθύνει τὴν ὀρχήστρα, εἴτε ὅταν κάνῃ πρόβα. Φθάνει πάντοτε τὰ ὅρια τῆς ὑπερκοπώσεως. Αὐτὴ ἡ ὑπερβολικὴ δραστηριότης ὑπῆρξεν ἀσφαλῶς καὶ ἡ αἰτία τῆς αἰφνιδίας νόσου του.

Ὅποια ἐξέλιξι κι' ἂν πάρῃ ἡ ἀρρώστεια του, εἶναι μᾶλλον βέβαιον ὅτι ὁ Μητρόπουλος θὰ διακόψῃ ἐπ' ὀλίγον τὰς ἐμφανίσεις του. Αὐτὸ ἀποτελεῖ ἀναμφίβολα, ἀπώλεια μεγάλη γιὰ τὴν Μετροπόλιταν καὶ τὴν Φιλαρμονικήν.

Γιὰ τὸν Μητρόπουλο, ἡ μουσικὴ εἶναι πίστις καὶ ἡ θέσις του σ' αὐτήν, ἀποστολή. Γι' αὐτὸν μιὰ συμφωνία ἢ μιὰ ὄπερα εἶναι τελετή, μέσῳ τῆς ὁποίας ἀπελευθερώνεται πρὸς ὅλους μιὰ ἐπουλωτικὴ καὶ ζωογόνος δύναμις.

Juggling Of Assignments

The performance of "Manon Lescaut" from which Renata Tebaldi was forced to make an unwilling withdrawal was also under a cloud of Metropolitan misfortune for another reason. Earlier in the day, conductor Dimitri Mitropoulos was taken to a hospital under emergency conditions for treatment of a heart attack. At this time of writing (a week later), he was reported "resting comfortably" but will do no more conducting for several months to come.

An important component in two prominent institutions of New York's musical life, the illness required a juggling of assignments at the Metropolitan, where Erich Leinsdorf has taken over the new production of Verdi's "Macbeth" and Ignace Strasfogel the direction of "Eugene Onegin" and "Vanessa", and at the Philharmonic, where Pierre Monteux and Jean Morel have been engaged for the series of programs emphasizing French music which Mitropoulos was to have conducted in March. For those who may wish to extend greetings to Mitropoulos, he is at New York Hospital, New York 21, N. Y.

'Worth Waiting for' 112 Years

Macbeth Gets to Met

By W. G. ROGERS

NEW YORK (AP) — It took Verdi's "Macbeth" 112 years to get a Metropolitan opera performance. But it looked Thursday night, and sounded too, as though it had been worth waiting for.

There have been other presentations of this somewhat ungracious work in this city, and the new voice heard in it had also been heard in town before. But, they were two firsts for the Met, and there were some very exciting perfections in both singer and production.

Leonie Rysanek, a soprano from Vienna, made her Metropolitan debut as Lady Macbeth. Though the attractive young singer gave an angry and impassioned interpretation, she didn't quite drive on to that whiplash fury which Verdi worked into many pages of his score and which Shakespeare, too, wrote into the role of the woman beset by implacable ambition.

On the other hand she had some beautiful high notes and loud, too, that never wavered and never turned shrill. Every sosund she uttered was a pleasure, and often her voice was completely lovely. She filled the vast house with her top notes, though there was not the same volume to the lower ones, unless Conductor Erich Leinsdorf, in an otherwise admirable dynamic reading, covered her voice a bit too much with his fine orchestra.

Leonard Warren had the title role, and as always, his remarkably versatile voice responded to all his demands. The script required him to simulate terror and some other emotions that he didn't always communicate, but that probably wasn't his fault.

For the other characters, Jerome Hines made an imposing Banquo, and Carlo Bergonzi was Macduff.

Carl Ebert staged the work, and Caspar Neher did costumes and sets. Both were here for the first time. Dimitri Mitropoulos began the preparation but, stricken ill, he was replaced by Leinsdorf for final rehearsals and Thursday night's premiere.

Leinsdorf to Do Recording for Met

Erich Leinsdorf, who took over the musical direction of the Metropolitan Opera's new production of Verdi's "Macbeth" on account of Dimitri Mitropoulos' illness, also will conduct this opera's current RCA-Victor recording, General Manager Rudolf Bing announced yesterday. Leonard Warren, Leonie Rysanek and other members of the original cast are taking part.

Mr. Bing also thanked the Los Angeles Philharmonic Orchestra for releasing Mr. Leinsdorf from a four-week guest conducting engagement to enable him to conduct "Macbeth," "Boris Godunoff" and other operas at the Metropolitan in March.

It was a great shock to learn that **Dimitri Mitropoulos** suffered a heart attack on Jan. 23. The fine conductor, 62 years old, left the season's plans greatly confused. He was to have conducted many of the performances, particularly the initial ones of the first Metropolitan production of Verdi's "Macbeth," an opera which will introduce Leonie Rysanek to New York audiences on Feb. 5. **Erich Leinsdorf** jumped in to take over this phase. **Ignace Strasfogel,** who had not conducted at the Met before (although had been amply prepared for this) conducted several other performances including "Eugene Onegin."

Serenity of Mitropoulos Acclaimed by Reader.

By Marion Citrin.

As an inveterate concert and opera-goer, I read with tear-dimmed eyes the beautiful tribute paid to the ailing Metropolitan Opera conductor, Dmitri Mitropoulos, by your perceptive music critic Louis Biancolli.

Some baton wielders indulge in so many antics and facial contortions that they leave the listener exhausted. These fidgety conductors give the music lover a feeling that they are on the podium solely for the purpose of exhibiting themselves.

On the other hand Maestro Mitropoulos, by his serene calm, conveys to the listener that by abnegation of self, he has indeed discovered the very depths of the composer's soul. (Ditto, when Bruno Walter is on the podium.)

Met meets crisis with air of routine

By IRVING KOLODIN

The time was 11:30 a.m. on Feb. 3, the place was the Metropolitan Opera House. Many months before, the time and the day had been selected for the dress rehearsal of the company's new production of Verdi's "Macbeth," which brings Carl Ebert and Casper Neher as director and scenic designer together with Rudolf Bing, general manager, for the first time since the latter was associated with the Glyndebourne Festival in England, a dozen years ago.

The time was at hand for the curtain rise on the last run down before the premiere two days later. But when the conductor appeared to take his place on the podium, it was not Dimitri Mitropoulos, whose participation in the venture had been announced many months before, but Erich Leinsdorf.

As everybody knows, he had been called upon in the emergency created by the sudden serious heart-attack suffered by Mitropoulos 10 days before (and from which he is making a slow recovery.) And when the curtain went up on Act I, the figure who entered from stage left as Lady Macbeth was not Maria Callas but Leonie Rysanek—a fact even more widely publicized.

• • •

ODDLY ENOUGH, the two missing members of the "team" originally scheduled to be fielded by manager Bing were both of Greek background: the two who replaced them both of Austrian (specifically Viennese) orientation. Between Leinsdorf and Mitropoulos, there was little identity of character, save the ability to converse in fluent German with Berlin-born Ebert (a facility which came naturally to Leinsdorf and belonged to Mitropoulos through youthful training in Berlin). Between Rysanek and the absent Callas, there was not even that linguistic link. The only Italian member of the cast is tenor Carlo Bergonzi.

Nevertheless, when Leinsdorf gave the downbeat, the music began to flow from the orchestra, and when the curtain rose the months of preparation by the chorus, stage crew and other elements showed clearly in the smooth response from all hands (and voices). Doubtless the entrance of Callas rather than Rysanek would have occasioned a different kind of excitement, but there was an almost visible stir among the several hundred guests (press, colleagues and friends of the singers, plus a scattering of others privileged to be present) as the new soprano raised her voice for the first time at the Metropolitan in the presence of "public." To conserve physical strength, she sang in half voice or less: but what they heard was more than promising.

• • •

FOR THOSE who have sat in on dozens of such "dress" occasions in the past, there was nothing to distinguish it from any predecessor, least of all in anything to do with tension or uncertainty related to the unforseen circumstances. Like a good baseball team, an opera house is only as strong as its "bench": and the Met's could provide at least two other conductors with public performances of "Macbeth" behind them (Karl Bohm who happens to be the conductor of the only sizable recording of the work, and Thomas Schippers, who did it in Spoleto last summer) and as many sopranos who were "up" in the part, should Leinsdorf or Rysanek falter.

Four acts and four hours later the audience dispersed, and the performing personnel got down to the real business of tidying up loose ends revealed by the day's run-through. Another operatic "crisis" had come and gone, and it was business as usual at the Met.

Dimitri Mitropoulos, who had to cancel his Met Opera pit commitments for a season because of a serious heart attack, is much better. Friends quip, "He has to be watched, he smuggles in scores like some patients smuggle in cigars."

Though a decided extrovert, Dizzy at times communicates a trace of shyness, or even unsureness. It is as if he remains unconvinced that the considerable contribution he has made to American music is as substantial as some people hold. However, Dizzy's classical brethren as well as the jazz cognoscenti recognize his tremendous musical acumen. Famed Metropolitan Opera conductor Dmitri Mitropoulos says:

"That man! When I heard him I was thrilled to death."

And Murray Karpilovsky, former solo trumpet for Toscanini's NBC Symphony, now with the Symphony of the Air, observes:

"He gets over the complete range of the horn with a wonderful facility, clarity and command of ideas. He is a superb instrumentalist."

That he is. END

Berg's Powerful 'Wozzeck' Finally Moves Into the Met

By LOUIS BIANCOLLI.

Toughest of the problem children of modern opera, Alban Berg's savagely dissonant "Wozzeck" finally crashed the Metropolitan Opera repertory last night.

With this costly and sedulously prepared production, manager Rudolf Bing carried out a vow he made when he first took over the Metropolitan—that some day, somehow, this Viennese bombshell would be staged by his company.

Bombshell it is, all right. The proverbial classical peace of the house was thoroughly shattered by the wild, stabbing fortissimos and cacophonies of an orchestra that seemed to have gone completely berserk.

Yet, no self-respecting opera company with worldwide prestige could indefinitely postpone facing "Wozzeck." Credit Mr. Bing with an act of combined faith and courage. The production is a personal triumph for him.

Triumph for Conductor.

Even more was it a personal and artistic triumph for the conductor, Karl Boehm. Here was conviction of an inspiring kind, along with a technical authority of enormous range.

Quite rightly, the audience singled out Mr. Boehm for its most emphatic and prolonged applause. I have heard only one superior interpretation of "Wozzeck"—that of Dimitri Mitropoulos with the Philharmonic eight years ago.

A great deal of hard work and dedication have gone into this production. Rehearsals ran on endlessly. Orchestra and singers were worn to a frazzle. But the care and discipline have paid off. The performance, as such, is beyond reproach.

Whether it was a smart idea to do "Wozzeck" in English is something else again. I would have preferred the biting and snarling German text, especially since much of the English was incomprehensible against the raucous volcano of Berg's orchestra.

Opera's Mental Ward.

Also, for all the attractions of the staging, I would have welcomed a darker and more gruesome atmosphere. This "Wozzeck," after all, is the psychopathic ward of modern opera. An air of malignity and madness haunts every part of it.

I found myself actually resenting the interference of everything that stood between me and the orchestra. That is where the searing and unsettling power of this opera is—in that dense jungle of raw, shrieking nerves.

They were all good last night—Eleanor Steber, Hermann Uhde (Wozzeck), Paul Franke, Karl Doench, Kurt Baum. But the combination of polyglot English and the weird ululations of Berg's speech-melody was a little hard on my system.

And what an exhausting, emotional experience the whole opera is! This poor underdog of a Wozzeck, guinea-pig, misfit and cuckold, is pushed around by everybody, till he kills his mistress and drowns trying to retrieve his knife.

Decay of the '20s.

If Berg wanted to get across the postwar decay and despair of the '20s, he certainly did so in the slithering scales and jagged shudders with which he portrays the malign forces that make a plaything of Wozzeck.

It is a masterpiece? Possibly. A gigantic fierceness is at work in this fabric. It tears through flesh and spirit. Possibly it is also something of a misfit, like Wozzeck himself. I was by turns bored, irritated, exalted—finally limp.

The last scene of the orphaned boy, skipping off on a hobby-horse after being told of his mother's death, was shattering, last night. "Wozzeck" is no picnic—either to watch or to hear. It is a frightening litany of disintegration and hopelessness.

It took courage for the Metropolitan to grapple with this monstrous and nerve-jangling score. It almost defies mastery because it hat no parallel. Right now I could use "Rigoletto" or "Pagliacci" as a tranquilizer.

Mitropoulos Observes a Rest In the Score

By ANTHONY SHANNON,
World-Telegram Staff Writer.

"Music has always been his life. For him it has been the dream and the fulfillment, the goal and the striving. A simple, humble man, almost ascetic in his habits, he made it the one real feast of his life."

Thus wrote Louis Biancolli, music critic for this newspaper, 30 days ago, after learning that Dimitri Mitropoulos was in New York Hospital with a heart attack.

"He drives himself mercilessly, whether at a rehearsal or a performance," Mr. Biancolli continued. "He is unhappy only while inactive."

DIMITRI MITROPOULOS

Still Inactive.

Dimitri Mitropoloulos is, indeed, inactive today. The hospital still carries him on its critical list. He is destined to spend many more inactive months recovering from the attack.

How is the world-famous conductor adjusting to his new station in life? What does he do to pass the long hours that constitute a hospital today? Does he hope to return to the podium?

"Of course I SHALL return," Mr. Mitropoloulos said with emphasis today. "But it will be a long time. The doctors say I cannot expect to work again until the middle of next August—at the earliest."

The Metropolitan Opera conductor and former musical director of the New York Philharmonic Orchestra celebrated his 63rd birthday just seven days ago. He is taking his latest—and most serious—illness as philosophically as possible.

Reads a Lot.

"I spend most of the days reading," he said in a deep, resonant voice.

"I have no radio, no television, and want for neither. Nor do I have music. And this, too, is good.

"Listening to music only reminds me of the past. I get sad, then excited. The doctors don't want this. They wish that I remain completely quiet."

Doctors say that if all goes well the conductor may be allowed to leave the hospital in another month or so. Then, after a long period of recuperation, music lovers may again see the familiar figure of Dimitri Mitropoloulos scurrying about the pit at the Metropolitan Opera.

Ὁ Ἑλληνικὸς Ὀρειβατικὸς Σύνδεσμος ἐπεφύλαξε στοὺς Ἀθηναίους μιὰ λαμπρὴ ἔκπληξη. Ἑορτάζοντας τὰ 30 χρόνια τῆς ζωῆς του ὠργάνωσε, ἐν συνεργασίᾳ μὲ τὴν Ἠλεκτρικὴ Ἑταιρεία Ἀθηνῶν —Πειραιῶς, στὴν αἴθουσά της τῆς ὁδοῦ Σταδίου, μιὰ ἔκθεση φωτογραφίας τοῦ βουνοῦ, ποὺ εἶναι κατὰ ἕνα τρόπον καὶ ἡ ἱστορία τῶν 30 χρόνων τοῦ Ὀρειβατικοῦ. Ὅσοι ἔχουν τὴ γεύση τοῦ ὕψους καὶ τὴν αἴσθηση τῆς ἐσωτερικῆς ἁρμονίας ποὺ παρακολουθεῖ τὸ ἀνέβασμα σὲ μιὰ δύσκολη κορυφή, θὰ αἰσθανθοῦν συγκίνηση πολλή, βλέποντας, σὲ ἐξαίσιες φωτογραφίες, θαυμάσια βαλμένες καὶ φωτισμένες, τὸ παραμύθι τῶν ἑλληνικῶν βουνῶν καὶ τῶν ἀναβάσεων στὶς κορφές τους. Ὅσοι, πάλι, δὲν ἔχουν αὐτὴ τὴ γεύση καὶ εἰρωνεύονται τοὺς «τρελλοὺς» ποὺ τὴν ἀποζητοῦν, θὰ ὑποπτευθοῦν ὅτι κάτι πρέπει νὰ κρύβεται πίσω ἀπὸ τόσο πάθος, ἀπὸ τόση ἀφοσίωση σ' ἕνα ἄθλημα ποὺ γίνεται χωρὶς κανένα πρακτικὸ σκοπό, κανένα κέρδος, καμιὰ αὐταπάτη προβολῆς: Στὴν ἐρημιὰ καὶ στὴν αὐστηρὴ σιωπὴ ἑνὸς βουνοῦ ἕνας ἄνθρωπος προσπαθεῖ, μὲ τὸ πνεῦμα περισσότερο παρὰ μὲ τὸ σῶμα, νὰ ἀντιμετρηθῇ μὲ τὴν τελειότητα ἑνὸς κατακόρυφου βράχου καὶ νὰ φτάσῃ στὴν κορφή του. Γιατί;

— Μὰ εἶναι συγκινητικό!..., μοῦ ἔλεγε προχτὲς ἀγαπητὴ φίλη, ἡ κυρία Ἰωάννα Κ. Τσάτσου καθὼς τῆς ἔδειχνα, στὴν ἔκθεση τοῦ Ὀρειβατικοῦ, νὰ προσέξῃ, σὲ μιὰ ἀπ' τὶς παλιὲς ἱστορικὲς φωτογραφίες τῆς ἔκθεσης, ἕνα πρόσωπο, ἕναν ὀρειβάτη, πολὺ νέον, μὲ τὸ σκοῦφο του, μὲ εὐτυχισμένο πρόσωπο, στὸ καταφύγιο τοῦ Ὀλύμπου.

— Ὁ Μητρόπουλος δὲν εἶναι; ρώτησε ἡ φίλη κυρία κοιτάζοντας καλύτερα.

— Καὶ βέβαια εἶναι ὁ Μητρόπουλος! Ἕνας ἀπ' τοὺς πιὸ παλιοὺς Ἕλληνες ὀρειβάτες. Ἕνας καλλιτέχνης ποὺ ἤξαιρε τι βοήθεια εἶναι στὴν ψυχὴ καὶ στὸ σῶμα ἡ ἀνάβαση σὲ μιὰ κορφή, ἡ γαλήνη τοῦ ὕψους.

Βλέποντας αὐτὴ τὴ φωτογραφία θυμήθηκα ζωηρὰ μιὰ πολύωρη, ἀλησμόνητη, μεταμεσονύκτια συνομιλία ποὺ εἶχα μὲ τὸν μαέστρο, στὸ ἀπέριττο διαμέρισμά του τῆς Νέας Ὑόρκης, ὕστερα ἀπὸ μιὰ βραδιὰ θριάμβου στὸ Κάρνεγκυ Χώλλ μὲ τὴ Φιλαρμονικὴ τῆς Νέας Ὑόρκης. Ἡ σιωπὴ ἦταν ἀπόλυτη ἐκεῖ ψηλά, κι' ὁ μεγάλος μου φίλος μιλοῦσε ὧρες, μὲ μιὰ διάθεση ἐξομολογητική, κάτω ἀπὸ ἕναν σταυρό, πλάι στὸ πιάνο του. Εἶπε γιὰ τὴν τέχνη του, γιὰ τὸ Θεό, γιὰ τὴν Ἑλλάδα, γιὰ τὸν Ἅγιο Φραγκίσκο τῆς Ἀσσίζης, γιὰ τοὺς ἀνθρώπους. Καὶ γιὰ τὰ βουνά. Μᾶς συνέδεαν, ἐκτὸς ἀπὸ ἄλλα, καὶ τὰ βουνά: εἶχε ἀνεβεῖ στὸν Ὄλυμπο, στὰ βουνὰ τοῦ Κολοράντο, στὴν κορυφὴ τοῦ Πάϊκ. Ὅ,τι ἐγύριζα κι' ἐγὼ ἀπὸ κεῖ. Ὁ Ὄλυμπος, ἡ πνευματική του αἰωνιότητα, ποὺ δοηθεῖ περισσότερο ἀπὸ κάθε τι ἄλλο νὰ αἰσθανθῇς τὸν Ὅμηρο καὶ τὰ χορικὰ τῆς τραγωδίας, ἐρχόταν ἐκεῖ, στὴ νύχτα τοῦ μακρινοῦ κόσμου, ὁραμα ἀσύλληπτο, νὰ δώσῃ λάμψη καὶ φλόγα στὴ ματιὰ τοῦ μεγάλου διδασκάλου ποὺ δὲν ἦταν μονάχα μιὰ δόξα ἀλλὰ καὶ μιὰ μαρτυρία: γιὰ τὸ τι τελειότητα μπορεῖ νὰ συνθέσῃ ἡ φύση καὶ τὸ πνεῦμα, ἡ ψυχὴ καὶ ἡ γῆ, ὅταν συμπορευθοῦν, ὅταν τὸ ἕνα δὲν ἀγνοήσει τὸ ἄλλο. Τὸ παράδειγμα τοῦ Δημήτρη Μητρόπουλου ὀρειβάτη, ὄχι ἐρασιτέχνη τοῦ βουνοῦ ἀλλὰ ποὺ τὸ ἀγαπᾶ μὲ πάθος, ποὺ τὸ ἔχει ἀνάγκη, θὰ ἔπρεπε νὰ κάμῃ νὰ σκεφτοῦν πολὺ τὰ θλιβερὰ πλάσματα τοῦ κλειστοῦ χώρου ποὺ αὐταπατῶνται ὅτι διακονοῦν γνησιώτερα τὴν Τέχνη μὲ τὸ νὰ εἶναι ἀποκομμένα ἀπ' τὴ φύση καὶ ἀπ' τὴ ζωή.

Ὁ ἀγαπητός μου κ. Νάσος Τζάρτζανος — ποὺ ἔχει γράψει καὶ τὸ ὡραῖο κείμενο ποὺ σχολιάζει, στὴν Ἔκθεση τῆς ὁδοῦ Σταδίου, τὶς φωτογραφίες τοῦ Ὀλύμπου — εἶχε τὴν καλωσύνη νὰ μοῦ στείλῃ τὸν πέμπτο τόμο, ἔτος 1933, τῶν «Ἐκδρομικῶν» — «μηνιαίας εἰκονογραφημένης τουριστικῆς καὶ ὀρειβατικῆς ἐπιθεωρήσεως τῆς Ἑλλάδος». Θεματοφύλακας τῶν ὡραιοτέρων παραδόσεων τῆς ὀρειβασίας στὴν Ἑλλάδα — μαζὶ μὲ τὸν κ. Β. Λεοντόπουλο, τὸν κ. Μιχ. Δέφνερ, τὸν κ. Πλ. Μεταξᾶ, τὸν κ. Ν. Περράκη, τὸν κ. Α. Μαρῖνο, τὸν κ. Τὸ διαβάζω μὲ συγκίνηση. Κάτω ἀπὸ μιὰ φωτογραφία μ' ἕνα ρόμπολο καὶ μὲ τὶς κορφὲς τοῦ Ὀλύμπου στὸ βάθος ὁ τίτλος : «Ἐντυπώσεις ἀπὸ μιὰν ἀνάβαση στὸν Ὄλυμπο. — Τοῦ μαέστρου κ. Δημ. Μητροπούλου». Ἀποσπῶ ἀπ' τὸ ἄρθρο αὐτὸ μερικὰ σημεῖα. Καὶ τὰ μεταφέρω ἐδῶ, χαιρετισμὸ φιλικό, μήνυμα ἀπ' τὴν Ἑλλάδα στὸν μεγάλο καλλιτέχνη ποὺ εἶναι κατάκοιτος σ' ἕνα κρεβάτι τῆς Νέας Ὑόρκης:

«... Μοῦ ἔλαχε ὁ κλῆρος — γράφει ὁ Μητρόπουλος — νὰ γράψω αὐτὰ τὰ λόγια. Εἶχα τὴν εὐτυχία μαζὺ μὲ τοὺς ἄλλους ὀκτὼ συντρόφους ν' ἀνέβω τὸ πολυθρύλητο βουνό μας. Μὲ λαχτάρα περίμενα τὴ μέρα ποὺ θὰ ξεκινούσαμε. Οὔτε κοιμόμουνα κὰν τὴ νύχτα, ξαναγίνα πάλι παιδὶ γεμάτος ἀπὸ αὐτὸ τὸ μεγάλο σκοπό: Θ' ἀνέβω στὸν Ὄλυμπο...

... Στὸ καταφύγιο τοῦ Ὀλύμπου ποὺ φτάσαμε ἔκανε ἀρκετὸ κρύο. Ἡ φωτιὰ ποὺ ἀνάψαμε στὸ τζάκι ἦταν μιὰ ἀπόλαυση. Καθήσαμε ὅλοι γύρω - γύρω κοιτάζοντας μὲ εὐχαρίστηση τὴ φωτιὰ ποὺ συγκέντρωνε τὰ μάτια μας καὶ τὴ σκέψη μας. Ἀναπολούσαμε τὸ τι εἴχαμε κατορθώσει ἢ θαυμάσει ὅλη τὴ μέρα. Σχεδιάζαμε τὴν αὐριανὴ ἀνάβαση στὶς κορυφές. Τὴν ἄλλη μέρα τὸ πρωῒ ξεκινήσαμε στὶς ἕξη, κι' ἔπειτα ἀπὸ δυὸ ὧρες κοπιαστικὴ ἀνάβαση, φθάσαμε στὴν πρώτη κορυφὴ ποὺ ὀνομάζεται «Σκολειό». Εἶναι ἀπερίγραπτο τὸ θέαμα ποὺ ἔχει ὁ ὀρειβάτης ἀπὸ κεῖ πρὸς τὶς ἄλλες κορυφές. Θὰ νόμιζε κανεὶς πὼς αὐτὴ ἡ κορυφὴ εἶναι τοποθετημένη ἐπίτηδες γιὰ νὰ προσφέρῃ στὸν τολμηρὸ ἐπισκέπτη τὴ μεγαλύτερη ἀμοιδή, μιὰ ἀφάνταστη, ὑπέροχη θέα πρὸς τὶς ψηλότερες κορυφὲς τοῦ Ὀλύμπου: τὸ Μύτικα καὶ τὸν Θρόνο τοῦ Διός, ποὺ χωρίζονται ἀπ' τὸ Σκολειὸ ἀπὸ ἕνα ἀτελείωτο βάραθρο ποὺ τρέμει κανεὶς σὰν τὸ κοιτάζει. Ἄγριες καὶ ἀπρόσιτες οἱ κορυφὲς αὐτὲς δίνουν πραγματικὰ τὴν ἐντύπωση πὼς μόνο θεοὶ μποροῦν νὰ κατοικοῦν ἐκεῖ πάνω. Εἶναι τέτοια ἡ ἐπίδραση αὐτῆς τῆς ἀσύγκριτης θέας ποὺ ξεχειλάει κανεὶς ἀπὸ ἐνθουσιασμό, αἰσθάνεται τὸν ἑαυτό του θεό. Μόλις ἔφτασα στὸ Σκολειὸ κι' ἀντίκρυσα τὸ μεγαλεῖο τῆς φύσης, φώναξα μὲ ὅλη τὴ δύναμη τῆς ψυχῆς μου: «Εἶναι ἡ εὐτυχέστερη μέρα τῆς ζωῆς μου. Τώρα πιὰ μπορῶ νὰ πεθάνω μὲ τὴ θεϊκὴ αὐτὴ εἰκόνα στὴν ψυχή μου». Ἐκαθήσαμε κάμποση ὥρα κοιτάζοντας ἀχόρταγα τὸ θέαμα, καὶ λίγο - λίγο σὰ νὰ αἰσθανόμαστε μιὰ ἕλξη πρὸς αὐτὸ τὸ ἐπικίνδυνο νέφος. Ξεκινήσαμε ὕστερα γιὰ ν' ἀνεβοῦμε σ' αὐτὲς τὶς ἀπότομες καὶ ἄγριες κορυφές. Ἦταν ἀπέναντί μας, σχεδὸν κοντά μας. Μὰ γιὰ νὰ φτάσουμε στὸ Μύτικα, ποὺ εἶναι ἡ ψηλότερη κορυφὴ (2.918 μ.) χρειασθήκαμε μιάμιση ὥρα. Ἔπρεπε νὰ κατεβοῦμε μιὰ χαμηλότερη κορυφὴ ποὺ τὴ λένε Σκάλα γιὰ ν' ἀνεβοῦμε κατόπιν στὸ Μύτικα. Χρειάζεται ἀρκετὴ τόλμη γι' αὐτὴ τὴν κατάβαση, καὶ ἄλλη τόση γιὰ τὴν ἀνάβαση. Μὲ κίνδυνο ζωῆς προχωρεῖ κανεὶς σιγά, πολὺ σιγά, περιτριγυρισμένος ἀπὸ βάραθρα, πότε καθιστός, πότε ὄρθιος, χρησιμοποιώντας χέρια καὶ πόδια — σωστὴ ἀγωνία. Μιάμιση ὥρα βάσταξε αὐτὴ ἡ δοκιμασία ὥσπου φθάσαμε στὴν φηλότερη κορυφὴ τοῦ Ὀλύμπου. Ὕστερα ἀπὸ ἄλλη μιάμιση ὥρα, μὲ τὸν ἴδιο κόπο καὶ τὴν ἴδια, τελευταία πιά, δοκιμασία, φθάσαμε ἐπιτέλους καὶ στὸ Θρόνο τοῦ Διός. Μποροῦμε νὰ ποῦμε πὼς μᾶς ἔκαμε ἐξαίρετη ὑποδοχή, γιατὶ εἴχαμε μιὰ ἔξοχη, καθάρια ἀτμόσφαιρα, μὲ θέα ἀπέραντη.

Νὰ ζῇ κανεὶς δὲν ἔχει σημασία, ν' ἀνεβαίνῃ ψηλὲς κορυφὲς βουνῶν, ν' ἀγκαλιάζῃ τὴ φύση, αὐτὸ ἔχει σημασία!»

Καὶ ὁ Μητρόπουλος τελειώνει ἔτσι τὴν περιγραφὴ τοῦ ταξιδιοῦ τοῦ Ὀλύμπου: «Νύχτα ταξιδεύουμε τώρα γιὰ τὴν Ἀθήνα ἐπιστρέφοντας μ' ἕνα τραῖνο ὑπεργεμάτο. Οὔτε ἰδέα γιὰ ὕπνο. Μὲ ἀνοιχτὰ μάτια ὀνειρευόμαστε τὸ τι εἴχαμε ζήσει, πὼς ἴσως εἴχαμε ζήσει τὶς εὐτυχέστερες μέρες τῆς ζωῆς μας».

Εὐχαριστοῦμε τὸν Ὀρειβατικὸ τῶν Ἀθηνῶν ποὺ μὲ τὴν ἔκθεσή του φωτογραφιῶν τοῦ βουνοῦ ἔδωσε στοὺς Ἀθηναίους τόση γεύση ὁμορφιάς, καὶ μᾶς ἔκαμε ἐμᾶς πάλι νὰ ἐπιθυμήσουμε δύσκολα πράγματα.

Recorded by the same cast that participated in the world premiere of this opera at the Metropolitan last season, the score by Samuel Barber to Gian-Carlo Menotti's libretto is much stronger in the orchestra than in the vocal writing, which sometimes doesn't fit too well. Rosalind Elias and Giorgio Tozzi stand out among the singers.

IN THE MUSIC FIELD

Leonard Bernstein Animates New York Philharmonic With Fresh Spirit

By HOWARD TAUBMAN

What a difference one year has wrought in the New York Philharmonic! Where in recent seasons the odor of failure had hung heavily over America's most venerable orchestral institution, the perfume of success cast its fragrance over the 1958-59 term, which ends this afternoon.

The rebirth of vitality manifested itself everywhere. The orchestra played with fresh pride and rediscovered coherence. The programs were venturesome. The public grew. The box office rejoiced.

The lion's share of the credit for this drastic change in the Philharmonic's fortunes belongs to one man. As the new music director, Leonard Bernstein brought ideas and excitement to his task.

With the announcement of Mr. Bernstein's lively plans last spring, the subscription sale spurted. When the season began, subscribers had taken up most of the Thursday-night seats and a generous proportion of the Friday, Saturday and Sunday concerts. The remaining tickets were in constant demand.

There was an influx of new customers to add to the great majority of the old, who remained loyal to the Philharmonic. Some longtime patrons departed. They did not like Mr. Bernstein's previews; they could not abide talk at a symphonic concert, even if it issued from the lips of a glamorous conferencier. Others gave up their subscriptions because they refused to tolerate the infusion of contemporary works.

More Gained

On balance, the Philharmonic gained more than it lost by its new policy. The clientele was enlarged and rejuvenated.

The programs were not above reproach, even when examined from a progressive point of view. As his main theme, threading his own eighteen weeks of concerts, Mr. Bernstein undertook a "survey" of American music. He divided the composers he chose into four groups: the older generation, the men of the Twenties, the representatives of the period between the crash and World War II and the young generation. About twenty-five compositions in these loose categories were performed.

To be candid, it was not much of a survey. It sought to cover too much territory and spread itself thin.

Mr. Bernstein is on the right track when he seeks to explore the world of contemporary music. It is noteworthy that a motif for next season will be "Twentieth Century Problems in Music." It will be joined with a "Pergolesi Festival." This is sensible program-making. Easily accessible works by a little-known master will set off avant-garde pieces. If an audience of widely divergent tastes is to be held, there must be a careful balancing of periods and styles.

Partial Solution

It is this column's conviction that this is only a partial solution of the problem of mediating between past and present. If it could muster the means, the Philharmonic should undertake special programs devoted to a wide variety of contemporary works. A useful procedure would be to set aside special weeks—in advance of the season, at its end or in midterm—to prepare a series of compositions of our own time. These could be performed for an audience that is hospitable to novel forms and idioms, and the pieces that proved most viable could be scheduled for the regular programs in the next season.

Mr. Bernstein was on the side of the angels when he attempted to give young American soloists a chance to perform on Sunday afternoons. His intention, it should be added, was to present these pianists and violinists in unfamiliar vehicles. But too many fledgling virtuosos insist on placing their reliance on the great, staple concertos. They want to be judged by the measuring rod of Bethoven, Brahms and Tchaikovsky. They do not realize that they would enlarge their opportunities if they played something different.

Mr. Bernstein, for his part, has found that it would be wise to make room for these young soloists as he does for the established figures. Why bother to rehearse an extra work for Sunday? Why not give the talented youngster a crack at all the audiences? That will be done next season.

As to the previews, Mr. Bernstein was the principal talker on Thursday nights, though several composers agreed to analyze their works. Mr. Bernstein tended occasionally to exaggerate, oversimplify and oversell. But there is no doubt that he entertained most of his listeners.

If the Thursday public likes the talks, they serve their purpose. But let no one think that Mr. Bernstein's gimmick is his charm as oral program annotator. He has also attended to musical business. His conducting, like his musicianship, has grown in depth and maturity.

While on the subject of tuneful concert fare, we cite a disk called "Marche Slav," released by Columbia and featuring the New York Philharmonic Orchestra under the direction of its recent conductor, Dimitri Mitropoulos.

In addition to the title song, which was composed by Tchaikovsky, the recording offers a melodious but lesser known Tchaikovsky work, "Capriccio Italien"; Moussorgsky's "Night on Bald Mountain" and a listenable novelty, "Four Greek Dances," by a contemporary Greek composer, Nikos Skalkottas. These dances are based on folk material of the composer's native land. They are attractive, vigorously rhythmic and spicy.

The New York Philharmonic plays all this music in fine fettle.

Philharmonic Announces New Season Works, Soloists

NEW YORK (Sp.) — The 1959-1960 season of the New York Philharmonic, beginning October 15 and continuing through May 15, 1960, has been planned as an almost continuous succession of festivals and special musical occasions.

Among the celebrations will be a Mahler Festival marking the 100th anniversary of the birth of Gustav Mahler, and paying homage to the illustrious musician who was the Philharmonic's conductor from 1909 to 1911. Works by Mahler to be heard during the festival are "Das Lied von der Erde," the Symphonie No. 1, 2, 4, 5, 9, 10, the Nocturne from Symphony No. 7, the "Kindertotenlieder," and songs with orchestra.

Bruno Walter will conduct "Das Lied von der Erde," with Maureen Forrester and Richard Lewis as soloists. Dimitri Mitropoulos will conduct the Symphonies No. 1, 5, 9, 10 and the Nocturne from No. 7; Leonard Bernstein will conduct Symphones No. 2 and 4, the "Kindertotenlieder" (with Gerard Souzay) and songs with orchestra (with Jennie Tourel).

EACH OF MR. BERNSTEIN'S periods of conducting will be built about a theme or themes, among them the following:

The Concerto, with a wide variety of solo, double, triple, and orchestral concerti, including the six "Brandenburg" Concerti by Beach.

Spring Festival of Theatre Music with programs of music for the ballet, drama and opera, and bringing the season to a close with performances of the complete "A Midsummer Night's Dream" of Mendelssohn, the cast to be announced. Plans call also for possible performances of Kurt Weill's opera, "Mahagonny" during this period.

Pergolesi Festival, celebrating the 250th anniversary of Pergolesi's birth, and including such works as the "Stabat Mater," given concurrently with a series based upon "Twentieth Century Problems in Music."

A Young Pianists Series, scheduled during Mr. Bernstein's section of the Mahler Festival.

Special works for three religious holiday seasons have been scheduled, each to be conducted by Mr. Bernstein. There will be an all-Bach Christmas program which will include the Magnificat; Bloch's Sacred Service, with Robert Merrill as soloist, at Passover time; and during the Easter season, the Verdi "Requiem," with Eileen Farrell among the soloists.

INSTRUMENTAL SOLOISTS to be heard with the Orchestra include:

Pianists: Gina Bachauer, David Bar-Illan, Leonard Bernstein, John Browning, Robert Casadesus, Philippe Entremont, Claude Frank, Gold & Fizdale, Mieczyslaw Horszowski, Byron Janis, Jacques Klein, Rudolf Serkin, Leonard Shure, Sylvia Zaremba.

FIFTH ATHENS FETE WILL BEGIN AUG. 1

Special to The New York Times.

ATHENS, June 19—The fifth annual Athens Festival will take place this year between Aug. 1 and Sept. 15. There will be diverse performances, principally of ancient Greek drama but also two French plays, symphonic concerts featuring Dimitri Mitropoulos, who was born here, and ballet.

All these performances, except the ballet, are scheduled to be held in an ancient open-air theatre adjoining the Acropolis. The Coyopouli Theatre has been reserved for the four ballet performances by the Jerome Robbins Ballet.

The ancient drama will be performed by the National Theatre Company. The series includes the "Orestia" trilogy by Aeschylus, "Oedipus at Colonus" and "Antigone" by Sophocles and "Iphigenia in Taurus" by Euripides.

Attic comedy, including Aristophanes' "The Birds," will be performed at the Karolos Koun's Art Theatre. The French plays, staged by the company of Marcelle Tassencourt, are scheduled to include Racine's "Andromaque" and Jean Le Marois' "Alexandré."

Four symphony concerts will be given by the Athens State Orchestra. On Aug. 5 and 6 the New York Philharmonic Orchestra will give two concerts with Mr. Mitropoulous conducting. If he is not sufficiently recovered from a recent heart attack, it is expected that Mr. Mitropoulos will be replaced by Leonard Bernstein and Thomas Schippers.

The Israel Symphony Orchestra of Tel Aviv will give two performances with Gina Bachauer, Greek pianist, as soloist. Two concerts are also expected from the Bamberger Symphoniker Orchestra.

Taylor's conducting experience started when he was just turning 21 and Dmitri Mitropoulos came to Birmingham with the Minneapolis Symphony Orchestra. A violin major, fresh out of the Birmingham Conservatory, Taylor was inspired by this group's playing and asked Mitropoulos, "How can I become a conductor?"

"By listening and watching and reading scores," answered Mitropoulos. "Come to Minneapolis and spend a year with me," he added.

SHORT ON money, but long on dedication, Taylor managed a year at Minneapolis, where he attended rehearsals, read scores, talked and visited with Mitropoulos and gained great insight into the art of conducting.

Metropolitan Plans

Margaret Webster will direct Verdi's "Simon Boccanegra" at the Metropolitan Opera next season, and Frederick Fox will design the décor. Not heard at the Opera House since the 1949-50 season, "Boccanegra" will have Leonard Warren, Renata Tebaldi, Richard Tucker, and Giorgio Tozzi in leading roles, with Dimitri Mitropoulos conducting. The Metropolitan Opera Guild has contributed funds for the new staging.

"Marche Slav," New York Philharmonic, Dimitri Mitropoulos, conductor (MS 6044; monaural, ML 5335). Here's still another potpourri of "pops" type pieces by Russian composers.

This one includes Tchaikovsky's Marche Slav and Capriccio Italien and Moussorgsky's Night on Bald Mountain. The monaural recording also has Skalkottas' Greek Dances.

Mitropoulos gives them all lively and spirited performances, but missing is the sense of excitement which is imparted to the same pieces on the Capitol disc by Steinberg and the Pittsburgh Symphony. In my opinion, Columbia might better have included the Skalkottas dances and omitted one of the warhorses of which there is a plethora of recordings. Stereo adds greatly to the overall listening pleasure.

Marche Slav — Tchaikovsky (Columbia, $5.98). Also on this popular-fare menu are the same composer's "Capriccio Italien" and Moussorgsky's "Night on Bald Mountain." The New York Philharmonic does itself justice in a highly creditable accounting of these well known pieces, and conductor Dimitri Mitropoulos adds more than a touch of verve and freshness. But it is the stereo technique that makes it mostly worthwhile; the sound is spacious and stupendous.

Philharmonic Listed At Lebanese Fete

NEW YORK.—A sparkling array of talent from the musical, theatrical and ballet worlds will mark the Baalbeck (Lebanon) International Festival—1959, to be held from July 25 to Aug. 30.

According to Middle East Airlines, an associated company of BOAC, the Festival is one of the Near East's prime cultural attractions. It was originated as an annual event in Baalbeck—near Beirut, Lebanon—in 1956.

Among this year's outstanding performers will be the New York Philharmonic Orchestra, scheduled to appear on Aug. 8-9, under the direction of maestro Dimitri Mitropoulos. Soloist during the fete will be Rosalind Elias, of the New York Metropolitan Opera. Of incidental interest is the fact that her parents emigrated from Zahle, a few miles from Baalbeck, to the United States.

'Η θλιβερὴ εἴδηση συνετάραξε ὁλόκληρο τὸ μουσικὸ κόσμο ποὺ ἔσπευσε νὰ ἐκδηλώση τὰ θερμὰ αἰσθήματα ἀγάπης καὶ ἀναγνώρισης στὸ μεγάλο καλλιτέχνη μαζὶ μὲ μιὰ ὁλόψυχη εὐχὴ νὰ γίνει τὸ συντομώτερο καλά.

Τὸ περιοδικό μας ἐκφράζοντας τὰ αἰσθήματα τῶν συμπατρωτῶν του, στέλνει τὶς πιὸ ἐγκάρδιες εὐχὲς γιὰ τὴν ταχύτερη ἀνάρρωση καὶ γιὰ τὴν ἐπιστροφή του τὸ γρηγορώτερο στὴν τόσο ζωντανή, γόνιμη καὶ πολύτιμη παρουσία του στὸ διεθνῆ μουσικὸ στίβο.

'Ο Μανώλης Καλομοίρης ἔγραψε τοῦτες τὶς πικρὲς ἀλήθειες : «Στὴν 'Ελλάδα, γιὰ ὅλα τὰ ζητήματα τῆς τέχνης καὶ ἰδιαίτερα τῆς μουσικῆς λειτουργεῖ ἀκόμα ἡ κλίνη τοῦ Προκρούστη. 'Η μουσική του ἰδιοφυΐα ἀναγνωρίζεται παντοῦ...

Προικισμένος μὲ ἀνήσυχο πνεῦμα ὁ Μ. ἀναζητεῖ τὴν 'Απόλυτη 'Αλήθεια στὴ ζωή, στοὺς ἀνθρώπους, στὴ μουσική. Μὲ πάθος, δύναμη, πεῖσμα κι' αὐταπάρνηση. Στὶς δοκιμὲς τῆς ἀτονικῆς ὄπερας, τοῦ συγχρόνου Ἀμερικανοῦ συνθέτη Ἄλμπαν Μπέργκ «Βότσεκ» μὲ μία παρτιτούρα ἀπὸ 20 ἀντιστικτικὲς φωνὲς τελείως ἀνεξάρτητες καὶ δίχως τονικὸ κέντρο ὁ Μ. χωρὶς παρτιτούρα σταματοῦσε τὴν ὀρχήστρα ἐδῶ κι' ἐκεῖ γιὰ νὰ κάνει τὶς παρατηρήσεις του καὶ νὰ τὴν ἐπαναφέρει μετὰ στὸ μέτρο 237 ἢ 183! Μονάχα οἱ ἐπαγγελματίαι μουσικοὶ μποροῦν νὰ ἀντιληφθοῦν τί σημαίνει αὐτό!

Ὁ Μ. ἀναζητεῖ τὴν Ἀπόλυτη Ἀλήθεια ὄχι μόνο στὶς παρτιτοῦρες καὶ στοὺς ἤχους. Τὴν ἀναζητεῖ καὶ στὴ ζωή. «Ἕνας καλὸς μουσικὸς ὀφείλει νὰ φροντίζει νὰ εἶναι καὶ ἕνας ξεχωριστὸς ἄνθρωπος» —εἶπε κι' ἔταξε ὁ Μητρόπουλος. Καὶ τὸ πέτυχε. Στὸ δεύτερο Παγκόσμιο πόλεμο ἀκολουθεῖ στὴ Μινεσσότα ἕνα νοσοκομειακὸ συνεργεῖο αἱμοδοσίας σὰν βοηθὸς νοσοκόμου. 12 - 14 ὧρες τὴν ἡμέρα φορτώνει καὶ ξεφορτώνει φιάφορα νοσοκομειακὰ ἐφόδια καὶ πλένει δοκιμαστικοὺς σωλῆνες.

Τοῦ ἀρέσει ὁ δύσκολος δρόμος κι' αὐτὸν προτιμάει πάντα.

Ὁ ἴδιος εἶναι ἁπλός, μετριόφρων καὶ εἰλικρινής: «Ἀπὸ ὅσα μοῦ εἶπε ὁ Μπουζόνι ἔχασα κάθε ἐκτίμηση γιὰ τὸν ἑαυτό μου σὰν συνθέτη. Ἄκουσα τὴ γνώμη του κι' ἔγινα ἀναθημιουργὸς ἀντὶ γιὰ δημιουργός». Θὰ μποροῦσε νὰ ἐκτιμήσει κανεὶς τὴ μετριοφροσύνη του ἂν διάβαζε τὴν κριτικὴ ποὺ ἔγραψε γιὰ τὸ μελόδραμά του «Ἀδελφὴ Βεατρίκη» ἕνας Σαὶν Σὰνς σὲ παρισινὴ ἐφημερίδα τὸ 1919!

Διαμορφώνει ἕνα ἰδιαίτερα δικό του τρόπο (στὺλ) διευθύνσεως ὀρχήστρας. Καταργεῖ τὴ μπαγκέττα. Μεταφέρει, μεταδίδει κι' ἐπιβάλλει στοὺς μουσικοὺς τῆς ὀρχήστρας τὶς ἑρμηνευτικὲς ἰδέες ἑνὸς ἔργου μέσῳ ἐκφραστικῶν κινήσεων. Μπορεῖ κανεὶς νὰ πεῖ πὼς ἕνας Στοκόβσκυ ἢ ἕνας Ὄρμαντυ διευθύνουν μὲ τὰ χέρια. Ὁ Μητρόπουλος διευθύνει μὲ τὸ σῶμα. Ὅλο τὸ εἶναι του ἀντιδρᾶ σὲ κάθε μουσικὴ δόνηση. Θὰ μποροῦσε κανεὶς νὰ πεῖ πὼς αἱ κινήσεις του εἶναι χορογραφικές. Θεωρεῖ τὴ μπαγκέντα ξεπερασμένη. Μπορεῖ νὰ ἐπιτυγχάνει «ἀνσάμπλ», ἀλλὰ δὲν μπορεῖ νὰ εἶναι ἐκφραστική. Ἐπὶ χρόνια διαμόρφωνε τὴν ἐκφραστικότητα τῶν κινήσεών του σὲ σημεῖο ὅπου καὶ ἡ παραμικρότερη ἐπιθυμία του νὰ ἀφομοιώνεται ἀκόμη καὶ ἀπὸ ἄγνωστο ὀρχηστρικὸ συγκρότημα.

Μὲ τὰ καταπληκτικὰ αὐτὰ μουσικὰ ἐφόδια ὁ Μ. μὲ τὸ χαρακτηριστικό του πάθος, ἀναζητεῖ τὴν Ἀπόλυτη Ἀλήθεια στὴ μουσική. Δὲν ὑπάρχει συμφωνικὸ ἔργο μιᾶς κάποιας πολλὲς φορὲς τέλεια ἄγνωστης ἀξίας ποὺ νὰ μὴν τραβήξει τὴν προσοχή του, καὶ νὰ μὴν ἀπασχολήσει τὴν ὀρχήστρα καὶ τὸ ἀκροατήριό του..

Ἀπὸ τοὺς προκλασσικοὺς καὶ τοὺς κλασσικοὺς στοὺς ρωμαντικοὺς καὶ μεταρωμαντικούς. Ἀπ' τὸν Σέμπεργκ ὣς τὸν Μάλερ κι' ἀπὸ τὸν Χίντεμιτ ὣς τὸν Στοκχάουζεν!.

Ὅπως ὁ Βάγκνερ ἀνέσυρε ἀπὸ τὸ χρονοντούλαπο μιὰν ἐνάτη συμφωνία τοῦ Μπετόβεν καὶ τὴν παρέδωσε στὴν αἰωνιότητα, ἔτσι καὶ ὁ Μ. ἀνακαλύπτει ἀξίες σὲ ξεχασμένα ἔργα, καὶ τὰ ἐπαναφέρει μπροστὰ στὸ ἀκροατήριο. Στὰ ἔργα ποὺ ἐκτελοῦνται συνήθως ἀπὸ τὶς συμφωνικὲς ὀρχῆστρες βρίσκει νέες κρυμμένες ὁμορφιὲς καὶ τὰ δίνει μὲ δικό του τρόπο ἀφήνοντας τοὺς μουσικοκριτικοὺς μὲ τὸ στόμα ἀνοιχτό. Ποῦ καὶ ποῦ ἀκούγονται ἀπορίες καὶ ἐπικρίσεις.

Μερικοὶ κατακρίνουν τὸ πάθος του, θεωροῦν πὼς μαστιγώνει τὰ νεῦρα τοῦ ἀκροατηρίου δίχως λόγο καὶ μάλιστα πὼς οἱ ἑρμηνεῖες του ἀποβαίνει σὲ βάρος τῆς ἑνότη-

τας τῶν ἔργων. Παρατηρήσεις πολὺ ἀφηρημένες καὶ ἴσως ὄχι καλοπροαίρετες.

«Ἀναγνωρίζω τὸ δικαίωμα τῆς κριτικῆς σὲ κάθε ἄνθρωπο —εἶπε ὁ Μ.. Κανεὶς ὅμως δὲν σκέπτεται ὅτι τὸ κοινὸν ἔχει ἀνάγκη διαφωτίσεως περισσότερο, διότι δὲν εἶναι πάντα ἐνημερωμένο ἐπὶ ὅλων τῶν μουσικῶν ζητημάτων καὶ εἶναι φυσικὸ αἱ γνώσεις του νὰ εἶναι περιωρισμένες. Οἱ κριτικοὶ πολλὲς φορὲς διατυπώνουν ἀπόψεις ποὺ ἐκφράζουν ἐκεῖνο ποὺ θὰ ἤθελαν νὰ εἶναι καὶ δὲν ἀναφέρονται καὶ εἰς τὴν οὐσίαν ἐκείνου ποὺ πραγματεύονται».

Ἀλλὰ τὴν καλύτερη ἀπάντηση δίνει τὸ κοινὸν ποὺ ἀποθεώνει παντοῦ καὶ πάντα τὸ Μ.

Ἦταν ὅμως εὔκολο στὸ Μ. νὰ ἐπιβάλει στὶς ὀρχῆστρες ποὺ διηύθυνε καὶ διευθύνει τὸ πρόγραμμά του, τὰ ἔργα τῆς προτιμήσεώς του, τὰ ἔργα τῶν συγχρόνων συνθετῶν;

Ἀπαντάει ὁ ἴδιος : «Εἶμαι ὑπὲρ τῶν νέων συνθετῶν —καὶ αὐτὸ μοῦ κόστησε τὴν ὑγεία μου. Χρειάζονται πολλὲς πρόβες τὶς ὁποῖες καμιὰ ὀρχήστρα δὲν δέχεται καὶ κανεὶς δὲ χρηματοδοτεῖ. Κι' ὅμως, γιὰ μένα ἡ σύγχρονη μουσικὴ δὲν ἀποτελεῖ καθῆκον —εἶναι ὁ μεγάλος μου ἔρωτας»!

Ἀπὸ τὴ Μινεάπολη ἀκόμη ὁ Μ. παραλαμβάνοντας τὴν συμφωνικὴ ὀρχήστρα ἀπὸ τὸν Ὄρμαντυ ἀνανεώνει τὸ ρεπερτόριό της. Ἐκτὸς τῶν Μπροῦκνερ, Ρίχαρντ Στράους, Ραχμάνινωφ, Κόνταλυ, παρουσιάζει νέα ἔργα τῶν Μιλώ, Χίντεμιτ, Μπουζόνι καὶ τῶν ἀτοναλιστῶν. Τὸ ὄνομά του γίνεται παντοῦ γνωστὸ ἀπὸ τοὺς περίφημους δίσκους συμφωνικῆς μουσικῆς, ἰδιαίτερα τῆς Κολούμπια ὑπὸ τὴν διεύθυνσή του. Πολλοὺς ἀγῶνες ἔκανε ὁ Μ. γιὰ νὰ μπορέσει τελικὰ νὰ ἐπιβάλει τὰ ἔργα αὐτὰ τῆς σύγχρονης μουσικῆς. Οἱ ἀγῶνες αὐτοὶ ἐγγίζουν τὰ ὅρια ἑνὸς πραγματικοῦ ἄθλου ἂν σκεφθεῖ κανεὶς ὅτι στὴν Ἀμερικὴ τὰ μεγάλα συγκροτήματα συμφωνικῆς μουσικῆς εἶναι ἰδιωτικὲς ἐπιχειρήσεις. Στὴν Νέα Ὑόρκη δὲν ὑπεχώρησε στὶς ἀπαιτήσεις τῆς διευθύνσεως τῆς Φιλαρμονικῆς. Ἀντίθετα, κατάφερε νὰ πείσει τὴ διεύθυνση νὰ δεχθεῖ τὰ ἔργα νέων συνθετῶν ὅπως τῶν Σέμπεργκ, Βέμπερν, Μπέργκ, Κρένεκ, Χατσατουριάν, Σοστάκοβιτς, Μιασκόβσκη, Καμπαλέβσκη κλπ. Ὁ πρῶτος γραμμοφωνημένος δίσκος ἀμερικανικῆς συμφωνικῆς μουσικῆς στὴν Ἀμερικὴ κατεγράφεται ἀπὸ τὴν Κολούμπια μὲ διευθυντὴ τὸ Μ. (δευτέρα συμφωνία τοῦ Ρότζερ Σέσονς μὲ τὴ Φιλαρμονικὴ τῆς Νέας Ὑόρκης).

Δίνει τὴν πρώτη τῆς Μικρῆς Συμφωνίας τοῦ μαύρου συνθέτη Σβάνσον, ἡ ὁποία βραβεύεται ἀπὸ τοὺς μουσικοκριτικοὺς τῆς Νέας Ὑόρκης. Παρουσιάζει στὶς Ἑνωμ. Πολιτεῖες τὴν περίφημη δεκάτη συμφωνία τοῦ Δημήτρη Σοστακόβιτς τὴν πρώτη τῆς «Ἠλέκτρας» τοῦ Στράους τὸ κονσέρτο τοῦ Χατσατουριάν. Ἀγωνίζεται γιὰ τὴ διάδοση στὶς πλατειὲς λαϊκὲς μᾶζες τῆς συμφωνικῆς μουσικῆς. Γιὰ πρώτη φορὰ στὶς Ἑνωμ. Πολιτεῖες σπάει τὴν παράδοση τοῦ Κάρνετζι Χὼλλ καὶ κατεβάζει τὴ Φιλαρμονικὴ στὸ Ρόξι Θήατερ (αἴθουσα κινηματογραφικῶν προβολῶν) γιὰ νὰ ἀκούσουν τὴν συμφωνικὴ μουσικὴ καὶ οἱ φτωχοὶ ἄνθρωποι, ποὺ δὲν εἶχαν τὴ δυνατότητα νὰ ἀγοράσουν εἰσιτήρια γιὰ τὸ Κάρνετζι Χώλλ. «Σημασία ἔχει ἡ μουσικὴ καὶ ὄχι ὁ χρόνος καὶ ὁ τόπος ὅπου παίζεται». Τὸ ἐπαναστατικὸ πείραμά του πέτυχε. Οἱ συναυλίες στὸ Ρόξι ἐπαναλαμβάνονται καὶ καθιερώνονται.

Τί ἦταν ὅμως οἱ ἀγῶνες αὐτοὶ μπροστὰ στὸ δικό του μεγάλο ἀγῶνα γιὰ τὴν κατάκτηση τῆς Ἀπόλυτης Ἀλήθειας στὴ Μουσική! Χίλιες ἀντιλήψεις καὶ θεωρίες, ἀμέτρητες σχολὲς καὶ τεχνοτροπίες. Θὰ περιωριζόταν ὁ ρόλος του σὲ ρόλο ἁπλοῦ θεατὴ καὶ μιᾶς πρωτόφαντα καταπληκτικῆς μηχανῆς ποὺ μεταφέρει μὲ ἀκρίβεια τὶς προθέσεις τοῦ συνθέτη ἀπὸ τὴν παρτιτούρα στὴν αἴθουσα τῆς συναυλίας; Ὄχι ὁ Μ. δὲν εἶναι ἕνα μουσικὸ ρομπὸτ τοῦ εἰκοστοῦ αἰῶνα! Εἶναι πάνω ἀπὸ ὅλα Ἄνθρωπος μὲ καρδιὰ ποὺ δονεῖται ἀπὸ ἀνησυχία, ποὺ χαίρεται, πονάει.

«Ἂν δὲν ἀντιληφθοῦμε τὸ νόημα τῆς ἐποχῆς μας, δὲν θὰ μπορέσουμε νὰ ἐννοήσουμε καὶ τὴ σύγχυση καὶ τὰ ναυάγιά της».

Στὸν κυκεῶνα τῶν ἀντιλήψεων καὶ θεωριῶν, σχολῶν καὶ τεχνοτροπιῶν τῆς σύγχρονης ἐποχῆς μας δυὸ βασικὰ ρεύματα διακρίνει κανείς : Τὸ ἕνα βασίζεται στὴν παράδοση, θεωρεῖ τὴ σύγχρονη τέχνη σὰν διάδοχο τῆς τέχνης τῶν μεγάλων δασκάλων, ἀκόμα βασίζεται στοὺς ἀκατάλυτους νόμους τῆς φύσεως τοῦ ἤχου (ἁρμονία), στὸ μελωδικὸ στοιχεῖο. Ἀσχολεῖται μὲ ἀνθρώπινα προ-

θλήματα καὶ συγκινήσεις καὶ ἀπευθύνεται στὸν "Ανθρωπο. Τὸ ἄλλο «κατακερματίζει κάθε ἀνθρώπινο στοιχεῖο», ξεκόβει ἀπὸ τὴν παράδοση, καταλύει τοὺς νόμους τοῦ ἤχου, ἀπορρίπτει τὸ μελωδικὸ στοιχεῖο, περιφρονεῖ τὸν "Ανθρωπο καὶ τὶς συγκινήσεις του καὶ ἀπευθύνεται στοὺς λίγους «ἐκλεκτοὺς» τοῦ πνεύματος. Τὸ ἕνα ἀντιπροσωπεύει τὴν τέχνη γιὰ τὴν τέχνη καὶ τὸ ἄλλο τὴν τέχνη γιὰ τὸν ἄνθρωπο.

Στὴν ἀναζήτηση τοῦ σωστοῦ δρόμου βοήθησε καὶ πάλι ὁ ἁπλὸς "Ανθρωπος. Ἐκεῖνος ποὺ κατακλίζει τὶς αἴθουσες τῶν συναυλιῶν τοῦ Ρόξι Θήατερ ἀλλὰ καὶ τοῦ Κάρνετζι Χώλλ.

Ὁ Δημήτρης Μητρόπουλος ἀρνεῖται τὰ ὑπερμοντέρνα ἔργα, ποὺ δὲν ἔχουν καμιὰ σχέση μὲ τὴ μουσικὴ παράδοση ἀλλὰ ἀποτελοῦν ἐγκεφαλικὰ κατασκευάσματα δίχως συγκίνηση, περιεχόμενο κι' ἀνθρώπινο στοιχεῖο. Στρέφεται στοὺς μεγάλους κλασσικοὺς ποὺ δίδαξαν στὸν κόσμο τὴν ἀληθινὴ τέχνη, στέφεται στὶς σύγχρονες συνθέσεις, ποὺ ἀκολουθοῦν τὸ δρόμο τῆς γνήσιας τέχνης. Τῆς τέχνης ποὺ δὲν ξεκόβει μὲ τὴν παράδοση καὶ ἐκφράζει τὶς ἀνησυχίες, τὰ συναισθήματα τοῦ σύγχρονου ἀνθρώπου. Στρέφεται στὴν Τέχνη γιὰ τὸν "Ανθρωπο. «Μονάχα μιὰ ζωὴ ποὺ δονεῖται ἀπὸ αἴσθημα καὶ συγκίνηση μπορεῖ νὰ μετατρέψει μιὰ συμφωνία ἀπὸ ἀσυνάρτητη συνάθροιση μουσικῶν φθόγγων σὲ μήνυμα πρὸς τὴν Ἀνθρωπότητα».

Συνθέσεις Δ. Μητροπουλου: «Ἀδελφὴ Βεατρίκη» —μελόδραμα πάνω σὲ ὁμώνυμο ἔργο τοῦ Μαίτερλινκ. Ὑποκρούσεις γιὰ τὴν «Ἠλέκτρα» τοῦ Σοφοκλέους καὶ τὸν «Ἱππόλυτο Στεφανηφόρο» τοῦ Εὐριπίδη, τὴν «Κρητικὴ Γιορτή»,
«Τρεῖς κυθηραϊκοὶ χοροί», τραγούδια σὲ στίχους τοῦ Σικελιανοῦ, Καβάφη, Λαφονταίν, Παλαμᾶ, 60 φοῦγκες διπλές, 30 χορικά, τὴν «Ἑλληνικὴ σονάτα», τὸ «Κοντσέρτο Γκρόσσο», διασκευὴ τῆς «Φαντασίας καὶ Φούγκας» σὲ σὸλ ἔλ τοῦ Μπὰχ καὶ τοῦ «Πρελούδιου καὶ Φούγκας» σὶ ἔλ τοῦ ἰδίου, ὁ «Τάφος».

THEATRE SPOTLIGHT

Dimitri Bound For Salzburg

By JIM O'CONNOR

FULLY RECOVERED FROM SURGERY last May, Dimitri Mitropoulos, eminent former musical director of the New York Philharmonic and conductor of the Metropolitan Opera and other world famous musical organizations, flew to Salzburg today. His first conducting there is set for Aug. 23 with the Vienna Philharmonic.

He will conduct Franz Schmidt's oratorio, "The Book of the Seven Seals." Schmidt is a contemporary Viennese composer.

Mitropoulos then goes to Cologne for two weeks. There he gives a Mahler concert with the North West German Radio Orchestra Aug. 30 and a Strauss concert on Sept. 7.

Beginning Sept. 18, the conductor has six performances at the Vienna Opera, where he'll be conducting "Manon Lescaut," "Tosca," "Madama Butterfly," "Un Ballo in Maschera." Plus two subscription concerts with the Vienna Philharmonic.

Mitropoulos is to return to the United States by mid-October.

ATHENIANS WARM TO PHILHARMONIC

Ovation on Ovation Greets U. S. Orchestra in First Concert of Long Tour

By A. C. SEDGEWICK
Special to The New York Times.

ATHENS, Aug. 5—Ovation followed ovation tonight when Athenians heard an American musical composition played by a full orchestra led by American - born, American - trained conductor.

The concert was held in the famed open-air Theatre of Herod Atticus, dug into the south side of the Acropolis. It opened with Samuel Barber's Second Essay for Orchestra. At the end, as an encore, came "Semper Fidelis," by John Philip Sousa.

The orchestra was the New York Philharmonic, now on a ten-week tour arranged under President Eisenhower's special International Program for Cultural Presentations and administered by the American National Theatre and Academy. Tonight's conductor was Leonard Bernstein.

The American works received tremendous applause — indeed hardly less than greeted Mozart's Concerto for Piano and Orchestra in G major and Brahms' Symphony No. 1 which followed. Mr. Bernstein was called back eight times even before the intermission in response to a seemingly unending clapping, cheering and cries of "bravo!"

According to many who regularly attend concerts in this capital, there has never been such enthusiasm as was shown tonight. All approaches to the theatre were blocked long before opening time.

It is estimated that 1,000 persons who had not been able to get seats came within earshot. The theatre, which is supposed to accommodate 3,200 persons, had in it at least another 700 sitting on rocks above tiers of benches.

In addition to "Semper Fidelis," the orchestra played Berlioz' "Roman Carnival" and Beethoven's Overture to "Egmont."

Incidentally honoring the current Athens Festival, the Philharmonic's performance was the first of fifty scheduled in twenty-nine cities in seventeen countries, including those behind the Iron Curtain. Its 120 members and staff showed themselves avid sightseers and when not performing or rehearsing were in museums or swarming over the Acropolis.

Before today's rehearsal, the musicians applauded a resolve to raise a collection for Greek orphans, paying from their own pockets as a gesture toward Greek-born Dimitri Mitropoulos, who was prevented from coming here because of a heart ailment.

DAILY NEWS, MONDAY, AUGUST 10, 1959

The recording's label may say it was conducted by Dimitri Mitropoulos (left) or the late Arturo Toscanini (right), but amateur baton wavers can always imagine they're responsible for the music surging from their home phonographs.

Η ΤΖΑΖ ΕΙΣ ΤΗΝ ΜΟΥΣΙΚΗΝ ΕΞΕΛΙΞΙΝ

ΤΟΥ ΔΗΜΗΤΡΗ ΜΗΤΡΟΠΟΥΛΟΥ

Ἡ ἐρώτησις εἶναι: Ἀποτελεῖ ἡ τζὰζ ζωτικὴν μουσικὴν τῆς σήμερον;

Ἀσφαλῶς ἡ τζὰζ εἶναι ἡ ζωτικὴ μουσικὴ τῆς παρούσης ὥρας, ἡ τουλάχιστον μία ἐκ τῶν ζωτικῶν ἐκδηλώσεων τῆς μουσικῆς. Ἐξ ἴσου ζωτικὴ ὅσον καὶ ἡ ἀτομικὴ ἐνέργεια, οἱ κατευθυνόμενοι πύραυλοι καὶ οἱ φοβερὲς ὑπερηχητικὲς ταχύτητες. Ὅλα αὐτὰ τὰ στοιχεῖα εἶναι τρόπον τινὰ οἱ δεινόσαυροι τῆς ἐποχῆς μας. Οὐδεὶς δύναται νὰ ἀντισταθῇ εἰς τὴν δύναμίν των. Εἶναι ἕτοιμοι νὰ ὑποδουλώσουν, νὰ γεμίσουν τὸν κόσμον μὲ περιπέτειες, νὰ καταστρέψουν—καὶ βεβαίως νὰ καταστραφοῦν. Ὅλα αὐτὰ τὰ στοιχεῖα εἶναι σημαντικὰ διὰ τὴν σημερινήν μας ζωήν. Εἶναι κατὰ βάσιν ἀναπόφευκτα καὶ συνεπῶς πολὺ ζωτικά. Ἀντιπροσωπεύουν τὶς ἐκφράσεις καὶ τὶς ἀνάγκες τῆς ἐποχῆς μας.

Μητρόπουλος: *Δοκιμὲς τοῦ πρίγκηπα Ἰγκὸρ τοῦ Μπορντίν*

Ἀλλ' ὅμως, κατὰ τὴν ἀνάπτυξιν τῶν εἰδῶν κατὰ τὴν διάρκειαν δισεκατομμυρίων ἐτῶν, ἡ Φύσις ποὺ ἐδημιούργησε τὰ πλέον φοβερὰ ὄντα ἐδημιούργησε ταυτοχρόνως καὶ μερικὰ ὄντα ἀσθενῆ σχετικῶς, ὅπως τὰ θηλαστικὰ ἐπὶ παραδείγματι. Αὐτά, παρὰ τὴν φαινομενικήν ἀδυναμίαν, κατώρθωσαν νὰ ἐπιζήσουν μέχρι τῶν ἡμερῶν μας, ἐνῶ οἱ δεινόσαυροι δὲν ἀποτελοῦν πλέον παρὰ ἕνα μῦθο τοῦ παρελθόντος καὶ ἕνα εἶδος διὰ τὸ μουσεῖον. Ἡ παλαιά των ἰσχὺς ὑπενθυμίζεται μόνον διὰ νὰ μᾶς χρησιμεύσῃ σὰν ἀναλογία ὅσον ἀφορᾷ τὰ προαναφερθέντα ἐνεργὰ στοιχεῖα τοῦ παρόντος. Ἡ ἐπιβίωσις εἶναι θέμα ἀπρόβλεπτον.

Εὑρέθηκα πάντοτε σὲ δύσκολον θέσιν ὅταν μὲ ρωτοῦσαν διάφοροι ἄνθρωποι τί σκέπτομαι διὰ τὴ τζάζ. Πιθανῶς νὰ ἀνέμεναν ἀπὸ μένα νὰ ἀναγνωρίσω ἁπλῶς τὴν περιπετειώδη καὶ δυναμικὴ ὕπαρξή της, πιθανῶς νὰ ἀνέμεναν νὰ πῶ ὅτι αὐτὴ εἶναι ἡ μουσικὴ τοῦ μέλλοντος. Ἀλλ' ὅμως, τὸ γεγονὸς ὅτι εἶμαι μουσικὸς δὲν δικαιολογεῖ τὴν ἐρώτησιν. Ἀσφαλῶς παραδέχομαι τὸ γεγονὸς ὅτι ἡ τζὰζ εἶναι μουσική. Ὅπως εἶναι μουσικὴ καὶ τὸ τραγούδι ἑνὸς βοσκοῦ τῶν βουνῶν, τὸ κλάμμα ἑνὸς μωροῦ, τὸ τραγούδι τῶν πουλιῶν. Ὅλα αὐτὰ εἶναι μουσική. Καὶ ὅμως δὲν ἔχουν οὐδεμίαν σχέσιν μὲ τὴν τζάζ ὅπως καὶ ἡ τζὰζ δὲν ἔχει οὐδεμίαν σχέσιν μὲ ἐμένα. Τὰ θεωρῶ στοιχεῖα καὶ τὰ ἀποδέχομαι ὡς τοιαῦτα διὰ νὰ χρησιμοποιηθοῦν ὡς στολίδια εἰς τὴν κατασκευὴν ἑνὸς τεραστίου μουσικοῦ ἀρχιτεκτονικοῦ οἰκοδομήματος Αὐτὸς εἶναι ὁ σκοπὸς καὶ ἡ τέχνη τῆς μουσικῆς ποὺ ἀντιπροσωπεύω. Ἀντιπροσωπεύω ἕνα διαφορετικὸ κόσμο, τὸν ἀποκαλούμενο κόσμο τῶν ἐγκεφαλικῶν μουσικῶν, καὶ ὡς ἑρμηνευτής, ἀφιέρωσα τὴν ζωήν μου εἰς τὴν ἑρμηνείαν τῶν δημιουργιῶν αὐτῶν τῶν ἐγκεφαλικῶν συνθετῶν.

Ἡ μουσικὴ τὴν ὁποίαν ἀντιπροσωπεύω πηγάζει ἀπὸ τὴν λατρείαν εἰς τὴν ἐκκλησίαν καὶ ἐγράφη ἀπὸ ἀνθρώπους ποὺ ὑπηρετοῦσαν τὴν ἐκκλησίαν. Ἡ μουσικὴ των συνετέθη διὰ χορωδίας μὲ σκοπὸν νὰ ψάλλουν τὴν δόξαν τοῦ Θεοῦ. Ἀργότερα ἡ μουσικὴ αὐτὴ ἤρχισε νὰ διευρύνῃ τοὺς ὁρίζοντές της, βγῆκε ἀπὸ τὴν ἐκκλησία καὶ ἔγινε κοσμικὴ μουσική, ποὺ προσπαθοῦσε νὰ ἐκφράσῃ ὄχι μόνον τὴν λατρείαν τοῦ Θεοῦ ἀλλ' ἀκόμη ἀνθρώπινα αἰσθήματα καὶ ἀνθρώπινες σκέψεις. Μία νέα ἀρχιτεκτονικὴ ἐδημιουργήθη, ἡ ἀρχιτεκτονικὴ τοῦ ἤχου. Τὰ ἀρχιτεκτονικὰ σχέδια τῆς ἐποχῆς μετεβλήθησαν σὲ μουσικὰ σχήματα. Δι' αὐτοῦ τοῦ τρόπου ἐδημιουργήθη ἡ μορφὴ τῆς συμφωνίας. Τοῦτο ὀφείλεται κυρίως εἰς τὴν Γερμανικὴν σκέψιν. Ἡ μουσικὴ τὴν ὁποία ἑρμηνεύω εἶναι ἀκόμη καθαρὰ ἀρχιτεκτονική, οἰκοδομημένη ἀπὸ ἤχους, σὲ μουσικὰ σχήματα.

Παρὰ τὸ γεγονὸς ὅτι ἡ μουσικὴ δὲν περιορίζεται πλέον εἰς τὴν ἁπλῆν λειτουργίαν τῆς λατρείας τοῦ Θεοῦ, περιέχει τόσον πολὺ τὸ στοιχεῖο αὐτὸ ὥστε νὰ μπορῶ ἄφοβα νὰ πῶ ὅτι τὸ νὰ πηγαίνῃ κανεὶς σήμερα σὲ μιὰ συμφωνικὴ συναυλία δὲν διαφέρει πολὺ ἀπὸ τὸ νὰ πηγαίνῃ στὴν ἐκκλησία. Ὑποτίθεται ὅτι πρέπει νὰ ἀπολαμβάνουμε αὐτὴν τὴν μουσικοπνευματικὴν ἔκφρασιν τοῦ νοῦ καὶ τοιουτοτρόπως, μπορεῖ νὰ χαρακτηρισθῇ σὰν διασκέδασις, ἀλλὰ εἶναι μία διασκέδασις ὑψηλῆς πνευματικῆς ποιότητος.

Ἔτσι μ' ἀρέσει νὰ θεωρῶ τὸν ἑαυτό μου σὰν ἱερέα ποὺ ἐξυπηρετεῖ ἕνα εἶδος ἐκκλησιαστικῆς συγκεντρώσεως. Εἰς τὴν ἐκπλήρωσιν τοῦ καθήκοντος αὐτοῦ θὰ εὑρισκόμουν εἰς ἐξαιρετικὰ δύσκολον θέσιν ἐὰν ἤρχετο κάποιος νὰ μὲ ρωτήσῃ τί σκέπτομαι διὰ μίαν ἐπιθεωρησιακὴν παράστασιν. Σὰν νὰ ἦτο ποτὲ δυνατὸν ἡ ἐπιθεωρησιακὴ παράστασις ἐκ τοῦ γεγονότος καὶ μόνον ὅτι ἀποτελεῖ διασκέδασιν, νὰ ἠδύνατο νὰ τοποθετηθῇ εἰς τὸ ἴδιον ἐπίπεδον μὲ τὸ εἶδος τῆς διασκεδάσεως ποὺ λαμβάνει χώραν κατὰ τὴν διάρκειαν ἐκκλησιαστικῆς συγκεντρώσεως, ἀσχολουμένης μὲ τὴν λατρείαν τοῦ Θεοῦ ἢ τὴν τέχνην τῆς μουσικῆς. Παρ' ὅλα αὐτά, θὰ ἤμουν ὁ πρῶτος ποὺ θὰ ἔλεγα ὅτι ὅλαι αἱ ἐκφράσεις τῆς ἀνθρωπίνης ζωῆς ἔχουν μιὰν δικαιολογίαν ὑπάρξεως ἀλλὰ καὶ μίαν τεραστίαν διαφοροποίησιν ὅπως ἀπὸ τοὺς πρόποδας ἑνὸς βουνοῦ εἰς τὴν κορυφήν αὐτοῦ. Ποὺ δύναται τρόπον τινὰ νὰ ἀντιπροσωπεύῃ καὶ τὴν ἄνοδον πρὸς τὸν Θεόν.

Ἐκεῖνο εἰς τὸ ὁποῖον ἐναντιοῦμαι εἶναι νὰ ἀναμένῃ ὁ κόσμος νὰ κάνω συγκρίσεις. Εἶναι εὔκολον νὰ πῇ κανεὶς ὅτι ἡ τζὰζ καὶ ὁ Φράνκ Σινάτρα καὶ ὁ Τζώννη Ραίη καὶ ὁ Ἔλβις Πρίσλεϋ καὶ ἡ μουσικὴ ποὺ δημιουργοῦν δίδει τὴν χαρὰν εἰς ἑκατὸν ἑκατομμύρια ἀνθρώπων, ἐνῶ ἡ μουσικὴ τὴν ὁποίαν δημιουργῶ ἐγὼ δίδει χαρὰν εἰς μόνον δέκα ἑκατομμύρια. Ἡ πλειοψηφία πρέπει νὰ ἀναγνωρισθῇ καὶ πιθανῶς, ἐὰν ἡ τέχνη τῆς μουσικῆς ποὺ ἀντιπροσωπεύω ἐπρόκειτο νὰ ἐξαφανισθῇ ἀπὸ τὸν κόσμον, οὐδεὶς θὰ τὸ ἀντελαμβάνετο ἐκτὸς ἀπὸ τὰ δέκα αὐτὰ ἑκατομμύρια. Ὅμως, μὲ ἕνα θαυμαστὸν τρόπο, ἡ ἴδια ἡ φύσις μᾶς ἔχει ἀποδείξει μὲ μιὰν μακρὰν σειρὰν πειραμάτων καὶ ἐξαφανίσεων, τὴν δυνατότητα τῆς ἐπιζήσεως μόνον τῆς τέχνης αὐτῆς τὴν ὁποίαν ἀπολαμβάνει μιὰ ἀσθενὴς μειοψηφία, ἐφ' ὅσον βέβαια ἀποδειχθοῦν οἱ πνευματικές της ἀξίες ἰσχυρὲς καὶ ἄφθαρτες.

Πάντως, πιστεύω ὅτι εἰς αὐτὸ τὸ βουνό, περὶ τοῦ ὁποίου ὡμίλησα πιὸ πάνω, ἡ μειοψηφία εἶναι ἡ κορυφὴ καὶ ἡ πλειοψηφία οἱ πρόποδες. Ἀλλὰ ὅπως εἶπα διατὶ νὰ κάμωμεν συγκρίσεις; Διατὶ νὰ παραπονούμεθα διὰ πράγματα ποὺ εἶναι εἰς τὴν οὐσία ἡ δόξα τῆς ζωῆς; Εἰς ὅλην τὴν σύγκρουσιν καὶ τὴν πάλην διὰ τὴν ἐπιβίωσιν θὰ ἔπρεπε νὰ ἀναμείνωμεν νὰ εὕρωμεν τὴν τεραστίαν αὐτὴν ἔκτασιν τῆς ἐκφράσεως ἀπὸ κάτω ἕως τὴν κορυφήν. Αὐτὸ ποὺ πραγματικὰ ἔχει σημασίαν εἶναι αὐτὴ αὕτη ἡ ὕπαρξις τοῦ βουνοῦ καὶ διὰ νὰ ὑπάρξῃ τὸ βουνὸν αὐτό, πρέπει νὰ ἔχει κορυφὴν καὶ πρόποδας. Καὶ τὰ δύο εἶναι ἐξ ἴσου σημαντικά. Δὲν ὑπάρχει κἂν ἀνάγκη νὰ ἐξετασθῇ ποία ἡ κορυφὴ καὶ ποῖοι οἱ πρόποδες. Ἂς δεχθοῦμε τὸ πρᾶγμα ὡς ἔχει καὶ ἂς τὸ χαροῦμε ἀναλόγως.

Ἐκτὸς αὐτοῦ, ἔχω ἀνάγκη ὅλων αὐτῶν τῶν ἑκατὸν ἑκατομμυρίων ἀνθρώπων ποὺ διαφέρουν ἀπὸ μένα διὰ νὰ ἀποδείξω τὴν ἀξίαν τῆς ὑπάρξεώς μου. Ἐσχάτως εἶχα τὴν εὐκαιρία νὰ συνεργασθῶ, δηλαδὴ νὰ ἐμφανισθῶ εἰς τὴν αὐτὴν συναυλίαν, μὲ τὸν Ντιοὺκ Ἔλλιγκτον καὶ τὸ ἐξαιρετικὰ γυμνασμένο συγκρότημά του. Ἐγὼ ἔπαιζα ἐκεῖνο τὸ εἶδος τῆς ἐνοχλητικῆς «παλαιοῦ τύπου» μουσικῆς περὶ τῆς ὁποίας ὡμίλησα καὶ ἐκεῖνος ἔπαιξε τὴν μουσικὴν ποὺ ἀντιπροσωπεύει καὶ ποὺ ἀποτελεῖ πιθανῶς τὴν πλέον προκεχωρημένην ἔκφρασιν τζάζ, τὸ ζωτικὸν καὶ μαγευτικὸν στοιχεῖον τῆς ἐποχῆς μας.

Πιστέψετέ το ἢ ὄχι, ὅταν τελείωσα τὸ μέρος τοῦ προγράμματος ποὺ ἔπαιζα, κάθησα κάτω καὶ ἀπήλαυσα κάθε λεπτὸ ποὺ ἔπαιζε ὁ Ντιοὺκ Ἔλλιγκτον. Πολὺ ἔξυπνο, πολὺ διασκεδαστικό. Οὔτε γιὰ ἕνα λεπτὸ δὲν σκέφτηκα ὅτι παρακολουθοῦσα, ἂς ποῦμε, ἀπὸ ἕνα ὑψηλότερο ἐπίπεδο. Ἁπλούστατα ἤμουν σὲ ἕνα διαφορετικὸ κόσμο καὶ ἤμουν εὐτυχὴς ποὺ μποροῦσα νὰ αἰσθάνωμαι μὲ καθαρὸ μυαλό, ὥστε νὰ μὴ μὲ ἐμποδίζει τὸ γεγονὸς ὅτι ἡ μουσική του ἔκφρασις ἀνῆκε σὲ κάτι διαφορετικὸ ἀπὸ ἐκεῖνο ποὺ ἐγὼ διακονοῦσα.

Μοῦ ἀρέσει νὰ ὑπηρετῶ μόνον τὴν μουσικὴ ποὺ ἀντιπροσωπεύω. Ἀλλ' ὅμως ἀποδέχομαι τὸ δικαίωμα ποὺ ἔχει ὁ ἄλλος κόσμος νὰ ἐκφράζεται διαφορετικὰ καὶ συνεπῶς δὲν αἰσθάνομαι καμμίαν ἀνάγκη εἴτε νὰ τοὺς μισήσω εἴτε νὰ τοὺς μειώσω διὰ νὰ ὑπεραμυνθῶ τῆς τέχνης μου. Ἀντιθέτως προσπαθῶ νὰ τοὺς καταλάβω καὶ νὰ ἱκανοποιηθῶ, εὐχαριστῶν τὸν Θεὸ ποὺ εἶμαι εἰς θέσιν νὰ ἀπολαμβάνω ἐκφράσεις μουσικῆς τέχνης διαφορετικῆς ἀπὸ αὐτὴν διὰ τὴν ὁποίαν ἐγεννήθην μὲ ἱκανότητας καὶ ταλέντο νὰ τὴν ἐξυπηρετήσω.

Μὲ ἄλλα λόγια θὰ ἤθελα νὰ πῶ ὅτι ἀγαπῶ μὲ τὴν ἴδια θέρμη ὅλα τὰ δημιουργήματα τοῦ Θεοῦ καὶ ὅλην τὴν παραγωγὴ τῆς ἀνθρωπίνης σκέψεως καὶ ἱκανότητος, δικαιώνοντας ἔτσι καὶ δοξάζοντας τὴν ὕπαρξη ἑνὸς παντοδυνάμου καὶ παναγάθου δημιουργοῦ τοῦ σύμπαντος.

Dimitri Mitropoulos

DIE FESTSPIELSTADT 1959

Apokalyptischer Klangrausch

Franz Schmidts „Buch mit den sieben Siegeln" unter Dimitri Mitropoulos

Beifallsstürme von selten erlebter Intensität durchbrausten das Festspielhaus, als Dimitri Mitropoulos, der Wiedergenesene, das letzte „Amen" aus Franz Schmidts Oratorium „Das Buch mit den sieben Siegeln" zu überwältigendem Jubel emporgesteigert hatte. Mit dieser Aufführung setzten die Festspiele dem vor zwanzig Jahren verstorbenen Meister ein klingendes Monument, das kaum einer der Beteiligten jemals vergessen wird. Vielleicht konnte nur im Österreich des Brucknerschen Tedeums und der Mahlerschen „Symphonie der Tausend" ein Werk von derart gewaltiger Größe der Konzeption geschaffen werden. Daß das mit den Mitteln des kolossalischen al fresco-Stils eines letzten Romantikers geschah, vermag kaum mehr als einige nebensächliche Details zu belasten. Franz Schmidt war sogar seiner Zeit weit voraus, als er dieses Thema der Offenbarung des Johannes aufgriff, dem sich heute die Modernen — Büchtger u. a. — mit Vorliebe zuwenden, um die Grauen des Weltuntergangs an unserer Gegenwart zu spiegeln. Charakteristisch für ihn ist jedoch, daß er sich von diesen apokalyptischen Visionen nicht zerbrechen läßt, sondern ihnen mit Brucknerscher Gläubigkeit die Hoffnung der Gnade leuchten läßt. So steht denn bei ihm der Dämonie des letzten Gerichts ein leidenschaftliches Hallelujah gegenüber. Damit werden die kontrapunktisch meisterlich gesteigerten Chöre zum Rückgrat der Partitur, die sich in gewaltigem, malerisch-dramatischem Wurf keine Zeit zu betrachtendem Ausruhen gönnt und daher keine Arien im herkömmlichen Sinne kennt. Auf drei Ebenen geht das Geschehen vor sich: auf der des berichtenden Johannes, der sich der Oper annähernden Ensembles der leidenden und tätigen Menschheit und der großen Chorerzählungen, denen nur noch die Stimme des Herrn übergeordnet ist. Damit ergibt sich ein einheitliches Crescendo, das wie bei Bruckner in einer großen Wellenform angelegt ist. Daß Franz Schmidt dabei die unerhörte Kraft der Vereinfachung eines Bach nicht zu Gebote steht, und daß er der Farbe weit größeren Raum gewährt, liegt ebenso konsequent im Bereiche seiner Möglichkeiten wie die Behandlung der Fugenform, die sich mancher Steigerungsmöglichkeiten begibt, indem sie den Themen weniger markanten Umriß gewährt. Daß dem Komponisten jedoch auch Mittel von ergreifender Ruhe zur Verfügung stehen, beweisen Stellen wie der Chorausklang „O sagt, wer kann da bestehen?" oder der Frauenchor: „Schwestern und Kinder, seid standhaft im Leiden".

Die Aufführung selbst dürfte in ihrer kolossalischen Größe so leicht nicht zu überbieten sein. Eine Partitur solchen Ausmaßes auswendig zu dirigieren, überschreitet das gewohnte menschliche Maß; wie Dimitri Mitropoulos mit ungebrochener dynamischer Intensität hier jede Einzelheit mit Leben erfüllt und mit beispielloser Ökonomie der Kräfte alles einem schöpferischen Aufbau dienstbar macht, bleibt unvergeßlich. Der von Chordirektor Reinhold Schmid vorzüglich einstudierte Chor, der Singverein der Gesellschaft der Musikfreunde zu Wien, schlossen sich ihm mit einer schon rein physisch großartigen Leistung an. Die gleiche Höchstleistung erreichte das Orchester der Wiener Philharmoniker, bei dem zumal die Bläser (Posaunen!) einer ungemein schwierigen Aufgabe gegenüberstehen. Nicht vergessen sei auch Alois Forer an der Orgel.

Von den Gesangssolisten bewätigte Anton Dermota den umfangreichen Erzählerpart des Johannes mit ungewöhnlicher Frische seines eine erstaunliche dramatische Kraft entwickelnden Tenors; auch nach der Seite des Gefühls traf er die distanzierte Ausdruckslinie des vom eigenen Erlebnis mitgerissenen Evangelisten tadelsfrei. Das eigentliche Soloquartett gab nur dem Bassisten Walter Berry bei der Verkörperung der Stimme des Herrn Gelegenheit zu stärkerem Hervortreten; er tat dies mit sakraler Würde und starker innerer Beteiligung. Neben ihm wurden auch Hilde Güden (Sopran), Ira Malaniuk (Alt) und Fritz Wunderlich ihren schönen Aufgaben voll gerecht. Der Beifall überschritt, wie gesagt, alle gewohnten Grenzen.

ΜΗΤΡΟΠΟΥΛΟΣ

Στὸ δρόμο ΤΗΣ ΖΩΗΣ

Τὴν ἐποχὴ αὐτὴ τοῦ φεστιβάλ, ὅταν περίφημες ὀρχῆστρες μὲ διακεκριμένους ἀρχιμουσικοὺς ἀκούστηκαν στὴν 'Αθήνα, ἄθελα ὁ νοῦς εἶναι φυσικὸ νὰ γυρίζῃ σὲ κεῖνον ποὺ δὲν ἦλθε.., στὸ μεγάλο παιδὶ τῆς 'Ελλάδας, στὸν ἀσύγκριτο Δημήτρη Μητρόπουλο.

"Αν καὶ τὸν βρῆκαν πολὺ καλά, οἱ γιατροί του, γιὰ κάθε ἀσφάλεια τοῦ σύστησαν νὰ ἐκπληρώσῃ ἑφέτος, μόνο τὸ τρίτον ἀπ' τὶς ὑποχρεώσεις ποὺ εἶχε ἀναλάβει. Τὸ σύνολο θ' ἀποτελοῦσε μιὰ ὑπεράνθρωπη προσπάθεια, ἔτσι ὅπως ἐκεῖνος δίνεται ὁλόκληρος στὴ μουσικὴ καὶ μὲ τὴ θαθειὰ συγκίνησι ποὺ τοῦ προκαλεῖ ἡ κάθε ἑρμηνεία.

Πάντως ὅλοι ἐμεῖς ἐδῶ ποὺ τὸν ἀγαποῦμε καὶ ξέρουμε τί ἀκριβῶς τοῦ χρωστᾶμε, παρηγοριόμαστε μὲ τὴ σκέψι πὼς τὴν εὐκαιρία ποὺ εἶχαν αὐτὸ τὸ χρόνο τὸ Σάλτσμπουργκ καὶ ἡ Βιέννη, θὰ τὴν ἔχῃ πιθανώτατα, τὸν ἑπόμενο, ἡ 'Αθήνα. Γιατί γιὰ μᾶς ἐδῶ πρὸ πάντων, τὸ ὄνομά του εἶναι συνώνυμο μὲ τὴ λέξι μουσική.

'Αλήθεια, τί τοῦ χρωστᾶμε;! Πῶς θάταν δυνατὸν ποτὲ νὰ τὸ λησμονήσουμε;

'Απὸ τόσο πολὺ νέος, μαθητὴς ἀκόμα, ἔβαζε στὶς ἐμφανίσεις του τὴν σφραγῖδα τῆς καλλιτεχνικῆς δημιουργίας. Πιὸ ὕστερα, ὅταν συνώδευε στὸ πιάνο ὅλους τοὺς ξένους σολίστες ποὺ πέρνοῦσαν ἀπ' τὴν 'Ελλάδα καὶ τοὺς καλύτερους δικούς μας, πρόσφερε τέτοια δείγματα τῆς προσωπικότητάς του, ὥστε, ἂν καὶ λεπτότατη καὶ διακριτική, ὅσο ἀκριβῶς χρειάζεται, ἡ συνοδεία του αἰχμαλώτιζε συχνὰ ἕνα μεγάλο μέρος τῆς προσοχῆς ποὺ κανονικὰ ἔπρεπε ν' ἀνήκῃ στὸ σόλο.

Κι' ἀργότερα ἀκόμα, ὅταν ἀνέλαβε τὴ διεύθυνσι τῆς ὀρχήστρας καὶ τί δὲν ἔκανε γιὰ νὰ μορφώσῃ, ὄχι μόνο τοὺς μουσικούς του, μὰ καὶ κείνους ποὺ εἶχαν τὴν καλὴ τύχη νὰ παρακολουθοῦν τὶς δοκιμές!

Χρησιμοποιοῦσε τὸ θαυμασμὸ ποὺ ἐνοιώθαμε γι' αὐτόν, γιὰ νὰ μᾶς σπρώχνῃ ὅλο καὶ βαθύτερα στὴ μουσικὴ μόρφωσι.

Δὲν κουραζόταν ποτὲ νὰ σκορπίζῃ στὸ κοινό, ποὺ τὸν περιέβαλλε κάθε μέρα καὶ μὲ πιότερη ἀγάπη, τὰ δῶρα ποὺ ὁ ἴδιος δέχθηκε ἄφθονα ἀπὸ τὴ φύσι. Γιατί τὴν προσωπικότητα τοῦ Μητρόπουλου δὲν τὴν συνθέτουν μονάχα ἡ μουσικὴ μεγαλοφυΐα καὶ ἡ πνευματικότητα. 'Ο ἐσωτερικός του κόσμος εἶναι πλημμυρισμένος ἀπὸ μιὰν ἀπέραντη καλωσύνη.

Κι' ἴσως πάνω ἀπ' ὅλα ἦταν αὐτὴ ἡ καλωσύνη του ποὺ τὸν παρακινοῦσε νὰ μεταβάλλῃ σὲ μάθημα γιὰ τοὺς ἀκροατὲς τὴν κάθε πρόβα τῆς ὀρχήστρας.

Κι' ὅπως κάθε καλὸ σ' αὐτὸ τὸν κόσμο ἀμείβεται, κατὰ κάποιο τρόπο, ὁ Μητρόπουλος δὲν ἄργησε νὰ ἀπολαύσῃ κι' ὁ ἴδιος τοὺς καρποὺς τῶν κόπων του.

Μὲ τὸ νὰ διδάσκῃ τὸ κάθε τι ποὺ ἦταν ἀπαραίτητο νὰ ξέρῃ κανεὶς γιὰ νὰ νοιώσῃ καλύτερα ἕνα συνθέτη ποὺ παιζόταν πρώτη φορὰ στὴν 'Αθήνα, καὶ γενικώτερα μὲ τὸ νὰ καταστήσῃ τὸ κοινό του ἄξιο νὰ εἰσδύῃ στὸ βαθύτερο νόημα τῆς μουσικῆς, ὁλοκλήρωσε τὴν ἐπικοινωνία μαζί του.

Κι' αὐτὸ δὲν εἶνε ἡ μεγαλύτερη φιλοδοξία τοῦ καλλιτέχνη; Μυσταγωγία εἶχε γίνει πιὰ ἡ συναυλία κάτω ἀπὸ τὴ δική του διεύθυνσι. Κι' ἡ συγκίνησι, ποὺ μποροῦσε τώρα νάναι βέβαιος ὅτι μεταδίδει καὶ πέρα ἀπὸ τοὺς μουσικοὺς τῆς ὀρχήστρας, ξαναγύριζε σ' αὐτόν. Κι' ὁ ἐνθουσιασμὸς γιὰ τὴν συμμετοχὴ τῶν ἀκροατῶν του, ἔκανε τὶς ἑρμηνεῖες του διπλὰ συγκλονιστικές.

Ποιὸς ἀπ' ὅσους εὐτύχησαν νὰ τὸν ἀκούσουν, θὰ ξεχάσῃ ποτὲ τὸ Μητρόπουλο, καθισμένο στὸ πιάνο σὰν σολίστ, νὰ διευθύνῃ τὴν ὀρχήστρα του, μὲ τὴν ἴδια πάντα ἄνεσι, τὴν ἴδια ἀκρίβεια, τὸ ἴδιο πάθος;!

'Αλήθεια, δίχως ἐκεῖνον, δίχως τὸ λαμπερό του πέρασμα ἀπὸ τὸν περιωρισμένο καὶ σκοτεινό μας ὁρίζοντα, ποιὸς ἀπὸ μᾶς ἐδῶ θἄχε τὴν ἱκανότητα νὰ κρίνῃ καὶ νὰ χαρῇ μιὰ πραγματικὰ καλὴ μουσικὴ ἐκτέλεσι;

'Ο Δημήτρης Μητρόπουλος εἶναι ποὺ ἔκανε τὸ 'Ελληνικὸ μουσικὸ κοινὸ νὰ χαρακτηρισθῇ — καὶ δίκαια — σὰν θαθειὰ μορφωμένο καὶ δυσκολοϊκανοποίητο. Τόσο ὥστε νὰ τὸ ὑπολογίζουν καὶ νὰ τὸ φοβοῦνται οἱ πιὸ φημισμένοι καλλιτέχνες τοῦ κόσμου.

Γι' αὐτὸ νόμισα χρέος μας νὰ στείλωμε, ἴσα ἴσα αὐτὴ τὴν ἐποχή, ἕνα θερμὸ χαιρετισμὸ στὸν μεγάλο ἀπόντα τοῦ φεστιβάλ, μαζὶ μὲ τὴν θεβαίωσι ὅτι δὲν τὸν ξεχνᾶμε ποτέ.

Salzburger Festspiele: Mitropoulos war einen Sonntag wert

„Sieben Siegel" mit Leidenschaft aufgebrochen

Sonderbericht für EXPRESS aus Salzburg

Es ist — von ein paar Grazer Aufführungen abgesehen — das Wiener Hausoratorium und, gemessen am musikhistorischen Begriff, nach längerer, von Mischformen geprägter Zeit wieder einmal ein echtes Kind seiner Gattung.

Trotz einer Menge bedeutender Vorzüge gelingt es bis dato nicht und nicht, das lebensbekrönende Werk Franz Schmidts wenigstens im deutschen Sprachraum zu verbreiten und bekannt zu machen. Man darf annehmen, daß sich der Verlag hinlänglich darum bemüht.

Wieso also hört man das „Buch mit sieben Siegeln" mit stereotyper Regelmäßigkeit Jahr für Jahr nur in Wien im Musikverein? An den Dirigenten kann es nicht liegen, mindestens ihrer sechs haben es auf dem Repertoire. Am Chor? Der muß allerdings eine beachtliche Portion an guter Schulung und musikalischer Qualität mitbringen, aber solche Chöre gibt es doch in deutschen Landen! Schließlich: auch die Solisten haben dankbare Partien.

Vielleicht liegt es daran, daß dieses Oratorium stilistisch „zwischen den Zeiten" liegt. Den einen klingt es bereits zu „modern", den anderen dünkt es zu rückständig, als daß sich die erhebliche Investition einer Einstudierung lohnte. Tatsächlich folgen auf Stellen gewagtester Harmonik und kühner, impulsiver Dramatik (die übrigens an „Modernität" und trefflicher Charakterisierung der Figuren etwa einen Erbse weit in den Schatten stellt!) solche von fast hahnebüchener Simplizität, zum Beispiel im Prolog oder das von einem Frühwerk übernommene „Alleluja". Das liegt indes zum Teil am kompositorischen Prinzip, das für alles „Gute" reine Diatonik und für alles „Böse" komplizierte Chromatik verwendet.

Wie dem auch sei: es gibt weit weniger Gelungenes, was man dafür aber ständig hören kann. Darum begrüßt man den Entschluß der Salzburger, heuer die „Sieben Siegel" aufgeführt zu haben, was um so leichter fiel, als ein Teil der Mitwirkenden das Werk bereits intus hatte.

Neu war der Dirigent. Das wirkte sich segensreich aus: Dimitri Mitropoulos leitete nach glücklich überstandener, schwerer Krankheit sein erstes Konzert. Es war also gewissermaßen eine doppelte Premiere: für das Werk und für Mitropoulos, dem es dafürstand, die „Sieben Siegel" auswendig zu lernen.

Um es vorwegzunehmen: wir verdankten dem genialen Dirigenten eine der schönsten Aufführungen der letzten Jahre. Was danebenging, fällt nicht auf sein Konto. Temperamentvoll, mit jugendlichem Elan und doch ruhig, völlig klar in der Zeichengebung, auf jeden Einsatz vorsorglich bedacht, waltete Mitropoulos seines Amtes und verfolgte hierbei ein im wesentlichen romantisches Konzept, was ja diesem Oratorium durchaus entspricht. Weniger auf Detailmalerei und Transparenz bedacht, versuchte er die einzelnen Visionen des Johannes als geschlossene Komplexe aufzufassen und gegeneinander nach dramatischen Prinzipien auszuspielen. Hierbei bediente er sich teils ruhigerer Tempi, als im allgemeinen üblich, teils lebhafterer. Das kam den wasserkopfgroßen, meist zu langen Fugen sehr zugute. Sie gewannen an Plastizität. Dynamisch trachtete Mitropoulos, die richtige Balance zwischen Chor und Orchester zu treffen, was ihm auch gelang, allerdings mit Schwierigkeiten, denn man pfropfte die Aufführung in das für solche Fälle akustisch ungünstige Festspielhaus. Nebenan stand — bei schönstem Wetter — die Felsenreitschule leer. Triumph der Planung!

Nach Mitropoulos am besten war der Singverein der Gesellschaft der Musikfreunde (Wien), der auch in den heikelsten Momenten den Intentionen des Dirigenten gerecht wurde. Die Einsätze klappten prächtig. Ob klanglich mehr herauszholen wäre, konnte man angesichts der nachteiligen Choraufstellung im Bühnenhintergrund nicht beurteilen. Die Wiener Philharmoniker schienen zuweilen unkonzentriert. Das merkte man an einigen Blechbläserstellen. Seltsam dünnfadig klang zuweilen das Holz; auch ein Opfer der Akustik?

Anton Dermota sang zum erstenmal den Johannes, sang ihn mit kultivierter, schöner Stimme, mußte sich aber sehr plagen und war trotz aller Mühe nicht der Johannes, wie er den Noten nach sein müßte. Die Stimme des Herrn und die Baßpartien betreute Walter Berry. Die ganze Fülle seines prächtigen Baritons warf er in die Waagschale und war übrigens der einzige, der immer richtig intonierte. Strahlend hell ertönte der Tenor von Fritz Wunderlich. Überhaupt zum erstenmal hörte ich das Duett der beiden Überlebenden (Wunderlich-Berry) richtig und schön gesungen. Hilde Güden war nicht in ihrem Fach. Doch wußte sie sich geschickt anzupassen und ihre klare Stimme vorteilhaft zu gebrauchen. Ihr zur Seite der füllige Alt Ira Malaniuks. Das ganze Quartett: Welt besser als die, welche in den meisten vergangenen Aufführungen zu hören waren.

Im ganzen: Das Salzburger Konzert könnte den Impuls für weitere „Sieben-Siegel"-Konzerte abgeben, denn vor allem das ausländische Publikum zeigte sich sehr begeistert.

Meisterwerke und Meisterinterpreten

In Salzburg: Franz Schmidts „Buch mit sieben Siegeln" unter Mitropoulos Sonatenabend Wolfgang Schneiderhan

Mit der Leitung von Franz Schmidts großem Chorwerk nach der Apokalypse des Johannes hat der Mystiker und Nachfahre griechisch-orthodoxer Bischöfe und Mönche Dimitri Mitropoulos seinen Namen abermals mit goldenen Lettern in das Buch der Geschichte der Salzburger Festspiele eingetragen. Vor zwei Jahren tat er das bereits anläßlich der Leitung der Hofmannsthal-Richard-Strausschen „Elektra". Mykenes Düsternis und das grausame Atridenschicksal gestaltete er damals bezwingend. Diesmal stand er einem der größten Werke der Musikliteratur des 20. Jahrhunderts gegenüber. 1935/37 entstanden, in grandioser Visiön kommenden Unheils konzipiert, bietet es dem Dirigenten eine schwere und lohnende Aufgabe. Schon die zeitliche Dauer ist beträchtlich. 2½ Stunden währt die Wiedergabe des ungekürzten Werkes. Mitropoulos leitet es selbstverständlich auswendig. Während er mit der linken Hand die seelischen Stimmungen gestaltet, sie behutsam dämpft oder ihnen Auftrieb gibt, ist die rechte dem Gehirn, das den Takt schlägt, zugeordnet. Herz und Gehirn ergänzen einander somit harmonisch. Gespannt und voller Energie erstehen die einzelnen Abschnitte. Der Prolog im Himmel, wo bereits dem Interpreten des Johannes, von Anton Dermota stimmlich wunderbar vorgetragen, die Hauptaufgabe zugewiesen ist, dauert ungekürzt 45 Minuten. Im dramatischen ersten Teil stand sodann das erlesene Solistenquartett mit Hilde Güden und Ira Malaniuk, Fritz Wunderlich und Walter Berry gemeinsam mit dem Singverein der Gesellschaft der Musikfreunde im Mittelpunkt des Interesses.

Der zweite Teil erbrachte mit der 20 Minuten währenden Erzählung des Johannes vom Kampf Michaels mit dem Drachen die schon technisch aller Bewunderung werte Leistung Dermotas. Ein Sonderlob auch dem Organisten Alois Forer, den Hörnern und Posaunen unserer herrlichen Philharmoniker sowie dem Chordirektor Reinhold Schmid, dem die Einstudierung der Chorpartien anvertraut war. — Das Publikum feierte diesen Höhepunkt im letzen Festspieldrittel stürmisch und harrte ein volle Viertelstunde enthusiastisch aus, obwohl die bürgerliche Mittagsstunde doch längst vorbei war.

Salzburger Festspiele:

Mitropoulos erschloß das „Buch mit sieben Siegeln"

Franz Schmidts Oratorium erstmals vor einem breiten internationalen Publikum

Von unserem nach Salzburg entsandten Musikreferenten

„Das Buch mit sieben Siegeln", Franz Schmidts ernstes, würdiges Oratorienwerk, muß für die Heimat nicht erst entdeckt werden. Ein wichtiges und wesentliches Merkmal der Komposition wird ja gerade von ihrer innigen Verbundenheit mit Heimat und heimatlicher Tradition gebildet, von ihrem Verwurzeltsein in jener österreichischen Musikalität, die ein immer noch lebendiges Echo aus der großen Vergangenheit darstellt und deren Zeugnisse zu pflegen und in Ehren zu halten uns förmlich als patriotische Pflicht auferlegt ist.

Es ist eine beinahe familiäre Beziehung, die uns das Werk besonders lieb und wert erscheinen läßt, so daß wir es nicht ohne eine gewisse Unruhe vor das Forum einer internationalen, fremden und kaum orientierten Öffentlichkeit treten sehen. Freilich, die Befriedigung wiegt dann um so mehr, wenn wir einen Künstler von so internationalem Ruf und so weitem Blick, wie Dimitri Mitropoulos mit solcher Liebe und Hingabe damit beschäftigt finden, daß er die komplizierte und umfangreiche Partitur auswendig beherrscht und ohne Blick in die Noten zu dirigieren vermag, daß er förmlich neue und überraschende Wirkungen daraus zu gewinnen weiß: wenn wir sehen, wie er das Figuren- und Farbenspiel der großen Tongemälde, die im „Buch" eingeschlossen sind, kraftvoll hervortreten läßt, wie er hier das Tempo strafft, dort breiter, feierlicher, pathetischer wird; wie er die Musik durchleuchtet, die Zusammenhänge klarlegt und wie durch seine ingeniöse Methode der Darstellung das Werk eben auch dem ferner Stehenden nahegebracht wird. So erzielte das „Buch mit sieben Siegeln" einen großen, echten, durch lauten und freudigen Beifall beglaubigten Erfolg. Ernst, Würde und Feierlichkeit der Komposition prägten sich spontan der Hörerschaft ein, die ein vollgültiges Musikfestspiel erlebt, Erhebung und Ergriffenheit erfahren hatte.

In ihrer äußeren Disposition wies die Aufführung dem Interpreten des Evangelisten eine separate Stellung an: Anton Dermota stand vor einem Lesepult, und die sichtbar erhöhte Position entsprach durchaus der dramatischen Wucht und Eindringlichkeit, womit er den Vortrag erfüllte. Seine Stimme entfaltete sich in vollster Frische, kraftvoll, glänzend und edel getönt. Ihm gegenüber befand sich ein ebenfalls vorzüglich besetztes Solistenquartett mit Hilde Güden, Ira Malaniuk, Fritz Wunderlich und Walter Berry, dessen volle, runde Baßstimme auch den Worten des Herrn Gewicht verlieh. Als Organist, an dessen Virtuosität und Kunstsinn die Zwischenspiele große Anforderungen stellen, bewährte sich Professor Alois Forer.

Für die Wiener Philharmoniker bedeutet eine Franz-Schmidt-Aufführung allemal eine Herzenssache, der sie freudig ihre besten Kräfte schenken, zumal, wenn sie sich unter der Leitung eines Dirigenten betätigen, der ihr Spiel so meisterlich zu lenken versteht. Auch vom Singverein der Gesellschaft der Musikfreunde darf man sagen, daß sich Sänger und Sängerinnen geradezu persönlich engagiert fühlen, sooft die Gelegenheit besteht, dieses Werk zur Geltung zu bringen, das ihrem Empfinden, ihrem Geschmack und Stilgefühl ebenso nahesteht, wie sie es chortechnisch beherrschen. Sie alle nahmen an einer denkwürdigen Aufführung teil, die das musikfestliche Werk weit über den Kreis lokaler Bedeutung hinaustrug.

Dagegen läßt sich's nicht leugnen, daß die Haydn-Mozart-Matinee, die tags zuvor stattfand, in ihrer Festspielbedeutung nicht unbedenklich einschrumpfte. Um Mozarts köstliches Es-Dur-Konzert für zwei Klaviere bemühte sich das Pianistenpaar Gregoria Gobbi Nardi und Rio Nardi, das dieser Aufgabe wohl nicht recht gewachsen war, weder technisch noch musikalisch, das verwischt, verworren und bisweilen geradezu schülerhaft spielte. Sehr hübsch erzählt die Erläuterung im Programm, daß Mozart dieses Konzert für sich und seine Schwester geschrieben hat. In der Mozart-Stadt sind die besten pianistischen Qualitäten gerade gut genug, um das erlauchte Geschwisterpaar zu vertreten.

Auch die Sängerin Dodi Protero, der zwei Mozart-Arien anvertraut waren, führte nicht eben zu einem Glanzpunkt im Programm. Ihre Stimme klang ziemlich dürftig, und das Theater, das sie mit Händen und Armen oder mit dem Mienenspiel ihres herzigen Soubrettengesichtchens aufführte, trug eher dazu bei, den dilettantischen Eindruck zu verstärken.

Konzerte vom Charakter dieser Matineen stehen ästhetisch und stilistisch auf einer gefährlichen und prekären Schnittlinie und bedürften der Mitwirkung hochqualifizierter Kräfte, um im Gleichgewicht gehalten zu werden. Für den milieugebundenen Gemütlichkeitston sorgt das Instrumentalensemble der „Camerata academica", der Bernhard Paumgartner den Rückhalt seines großen Kennertums schenkt. Auf die Fähigkeit der Gäste und der Mitwirkenden aber vermag seine Autorität keinerlei Einfluß zu nehmen. Da muß schon etwas vorsichtiger gewählt und eingeladen werden.

Salzburger Festspiele 1959:

„Sieben Siegel" gewinnen an Boden

Von unserem zu den Festspielen entsandten Musikkritiker Lothar Knessl

Salzburg, 24. August

Nun hat man sich doch auch in Salzburg entschlossen, Franz Schmidts zweifellos großartiges Spätwerk, das „Buch mit den Sieben Siegeln" aufzuführen und dadurch — hoffentlich nachhaltig — beigetragen, dieses vielfach verkannte, in seiner Gesamtkonzeption echte Oratorium zu verbreiten. Denn bis jetzt wurden die „Sieben Siegel" eigentlich nur in Wien aufgebrochen; da allerdings fast in jeder Saison.

Die Voraussetzungen für eine Aufführung in Salzburg waren die denkbar besten. Erstens hatte man den Singverein der Gesellschaft der Musikfreunde zur Hand, der ja dank des kontinuierlichen Einstudierens durch Rheinhold Schmid das Werk sozusagen aus dem Handgelenk beherrscht. Und das ist wichtig, denn die Anforderungen an den Chor sind groß, vergrößern sich noch, wenn die akustischen Voraussetzungen so ungünstig sind wie im Festspielhaus. (Der Chor steht ganz hinten auf der Bühne, und unmittelbar davor sitzt das schwere Blech, das solcherart natürlich imstande ist, den Vokalklang zu eleminieren. Warum ging man nicht in die Felsenreitschule?)

Zweitens genossen die Salzburger den unschätzbaren Vorteil, den gottlob wiedergenesenen Dimitri Mitropoulos für dieses Konzert verpflichten zu können, der damit zum erstenmal nach seiner Krankheit wieder am Dirigentenpult stand. In seiner unfreiwilligen Karenzzeit nahm er die Gelegenheit wahr, sich mit den „Sieben Siegeln" gründlich zu befassen, so daß er — sehr zur Verblüffung der Mitwirkenden — praktisch jede Stimme bis ins kleinste Detail auswendig beherrschte.

Franz Schmidt war ein der Tradition verpflichteter Spätromantiker, der, als typischer Süddeutscher, am Rande der funktionellen Harmonik immer noch einiges Neuland eroberte und diese Eroberungen meist in den sehr kunstvoll gearbeiteten Fugen zur Anwendung brachte. Trotz aller Kunstfertigkeit vermögen aber diese bis zur Quadrupelfuge aufgebauschten Gebilde nur gelegentlich zu überzeugen, ein Beweis, daß auch musikalische Formen, einmal aus ihrer Zeitbezogenheit gebracht, an Überzeugungskraft verlieren. Trotz dieser Einschränkung verfügt das Werk über eine beachtliche Anzahl packender Stellen, die jede heutige Aufführung rechtfertigen. Einzelne Abschnitte klingen obendrein viel „moderner" als so manch zeitgenössisches Werk.

Diese den „Sieben Siegeln" innewohnende Diskrepanz mag vielleicht ihre Verbreitung ein wenig untergraben. Ein Teil der Hörer möchte gern immerfort in den schlichten, tonalen Klängen des Prologs im Himmel schwelgen und ist über die faszinierenden Visionen beim Erscheinen des zweiten, dritten und vierten apokalyptischen Reiters schokiert, dem andern Teil sind etliche Partien, wie „Heilig ist Gott der Allmächtige" oder das „Alleluja", zu primitiv, zu schablonenhaft. Diesen Einwand muß man gelten lassen. Doch sollte man wissen, daß dahinter auch eine kompositorische Absicht Schmidts steckt, der die Elemente des Himmlischen oder Göttlichen in das einfache (vielleicht zuweilen pathetische) Kleid der Diatonik hüllte, während die Elemente der Vernichtung und des Unterganges im Pfuhl expressiver Chromatik herumwühlen — dort allerdings mit erstaunlicher Meisterschaft. Gewiß sind es gerade diese Spannungen, die letztlich das Werk reizvoll und interessant machen.

Die Salzburger Aufführung war eine der schönsten der letzten Jahre. Mitropoulos hatte sich ein eher romantisches Konzept zurechtgelegt, nahm einzelne Stellen erstaunlich langsam, andere wieder sehr rasch, vor allem die Fugen, was diesen erfreulich über die oft zu weite Distanz half. Endlich hatte die Wasserfuge einen verfolgbaren Aufbau, die immer stürmischer werdende Wellenbewegung ließ sich bis zum Höhepunkt deutlich verfolgen. Wo es ging, deckte er zugunsten des Chors ab. Im ganzen trachtete er danach, die Großabschnitte als Einheit wirken zu lassen und dialektisch gegeneinander zu stellen. Daß Mitropoulos die psalmodierende Herrenchorstelle des Epilogs dynamisch auf den Text bezog, ist eine sehr subjektive Interpretation, die nicht unbedingt überzeugt.

Der Singverein leistete Außerordentliches, er setzte alle Kräfte ein, um gegen das Orchester aufzukommen. Übrigens mit Erfolg. Dank der klaren, ruhigen, überaus sinnvollen Zeichengebung des Dirigenten kam auch jeder Einsatz präzise. Die im allgemeinen sou-

Salzburg

Das Österreichische, das eigentlich zentrale und tragende Element im Salzburger Festspielprogramm in reiner Gestalt zu vertreten, kam der Grieche Dimitri Mitropoulos aus New York. Er brachte einen der bedeutungsvollsten und charakteristischsten Beiträge zum Konzertprogramm: Franz Schmidts oratorisches Spätwerk „Das Buch mit sieben Siegeln". Der Vertreter der konservativen Wiener Tradition, der Antipode Schönbergs und seiner Schule, hat mit der stilverschmelzenden, Gregorianik, Fugenkunst und spätromantische Klangmittel umfassenden Komposition apokalyptischer Texte ein Vermächtnis hinterlassen, das mehr ist als ahnungsvolle, am Vorabend des zweiten Weltkrieges niedergeschriebene Vorhersage kommender Schrecken. Es ist ein Werk großer geistlicher Musik, überzeugend durch seine stilistische Qualität, durch die Beschwörung alten, durch Johann Joseph Fux und Bruckner repräsentierten Handwerksgeistes, fesselnd und bannend durch die Kraft düsterer und strahlender Weltgerichts-Visionen. Mitropoulos, der die Wiener Philharmoniker, den Singverein der Gesellschaft der Musikfreunde und vorzügliche Solisten zur Verfügung hatte, brachte eine Aufführung zustande, die ebenso durch Klarheit der Disposition wie durch ekstatische Glut religiösen Erlebens hinriß und vielleicht den künstlerischen Höhepunkt des Festspielmonats überhaupt bedeutete. Sollte es nicht möglich sein, diesen unvergleichlichen Dirigenten, der seine Laufbahn in Berlin begann, einmal wieder als Gast nach Berlin zu holen?

Mitropoulos siegt für sieben Siegel

Die gestrige Aufführung des Schmidt-Oratoriums „Das Buch mit sieben Siegeln": ein Markstein der Festspiele

Von unserem nach Salzburg entsandten Kulturredakteur Herbert Schneiber

Der Salzburger Festspielberichterstatter darf ein erfreuliches Ereignis buchen: Dimitri Mitropoulos' Sieg für Franz Schmidts „Buch mit sieben Siegeln". Der berühmte Dirigent, nach gefährlicher Krankheit seinen zahllosen Freunden und Verehrern in aller Welt wiedergeschenkt, hatte es sich nicht nehmen lassen, seine Salzburger Verpflichtung einzuhalten. Eine Verpflichtung, die doppelt schwer wog, weil sie nicht einem x-beliebigen Allerweltskonzert galt, nicht irgend einem Programm aus dem Repertoirekoffer, sondern der Aufführung eines riesigen Oratoriums, das dem Dirigenten neu war und in seinen geistigen und technischen Dimensionen einige Einstudierungsarbeit verursachte.

Mitropoulos hat, ohne Rücksicht auf seine Rekonvaleszenz, keine Mühe gescheut und ist dem Mammutwerk mit staunenswerter Energie an den gewaltigen Leib gerückt, hat die Seele darin erschlossen und den Pulsschlag jenes Fühlens und inneren Schauens spürbar werden lassen, der Franz Schmidt einst zu diesen apokalyptischen Visionen inspiriert hat. Wenn das bislang nur im süddeutschen Raum (genauer: in Wien, Graz und ein wenig auch in Bayern) populär gewordene Oratorium nunmehr auch im Ausland zu Aufführungsehren kommen sollte, dann wäre dies nicht zuletzt das Verdienst von Mitropoulos. Die internationale „Salzburger Premiere" des Stückes verlief jedenfalls überaus verheißungsvoll, und das Echo am Ende der fast dreistündigen Aufführung, der Beifallssturm von fast viertelstündiger Dauer, bestätigte den Sieg eines großen Dirigenten für ein großes Werk.

Denn das Werk ist groß nicht nur in seinen Ausmaßen, nicht nur im Griff nach jenen Dingen, die darzustellen der Kunst vorbehalten bleibt; der Kunst, weil sie das Geheimnis wahrt, das Primat des Unenträtselbaren, weil sie, wo die Ratio zu fragen nicht aufhört, sich dem Glauben verschwistert, um den Menschen zu erhöhen und zu verklären, der sich in Gott geborgen weiß. Diese Demut ist Schmidt eigen, wie sie Bruckner eigen war, und alle Kraft und Naivität des Empfindens und aller Reichtum der Phantasie fließen aus ihr. Gewiß: Schmidts Musik ist stilistisch vielfältig orientiert, und sein „Buch mit sieben Siegeln" zumal eine grandiose Symbiose unterschiedlichster Ausdrucks- und Formelemente. Doch mag auch das Werk in seiner äußeren Erscheinung „zwischen den Zeiten" stehen: sein Gehalt steht über ihnen, wurzelt in der Stärke einer in sich geschlossenen Persönlichkeit, ist geprägt durch Verstand und Intuition, wie sie in solcher Ausgewogenheit nur dem zuteil werden, der seiner Sache sicher ist.

Auch Mitropoulos war seiner Sache sicher, dirigierte mit fühlbarer Beteiligung, führte Chor, Orchester und Solisten spontan und souverän, setzte den großen erzählenden Part des Evangelisten von den malerisch gestalteten, reich nuancierten Szenen gut ab, ließ es den himmlischen Visionen nicht an Licht und Poesie und den schaurigen Bildern nach Aufbrechen des zweiten Siegels nicht an erschütternder Eindringlichkeit fehlen. Bei all dem wurde die Struktur des klar gebauten Werkes mit seinen vielen Ensembles, den prachtvollen Chorsätzen und den nicht minder dichtgefügten Instrumentalnummern als das Wesentliche und Wesenhafte des Oratoriums stets deutlich gemacht, war vom ersten Wort des Evangelisten bis zu dessen letztem „Amen!" ein wunderbarer Bogen gespannt.

Die Hauptstütze der Aufführung war neben den Philharmonikern, die in diesem letzten Oratorium der musikalischen Romantik mehr beansprucht werden als in den meisten Vorgängern des Werkes, der Chor des Singvereins, und er war es im zweiten Teil des Konzertes, als ins Männerensemble Sicherheit und Festigkeit eingekehrt waren, auch wirklich: in der großen Klangentfaltung und in der Deklamationsintensität. Weniger fundiert und fundierend wirkte das Orgelspiel Alois Forers, das in den großen Fugen weder geistig noch musikalisch von irgend einem Konzept belastet zu sein schien.

Die Solisten führte Anton Dermota an: Sein Evangelist war machtvoll und, von den tieferen Lagen abgesehen, auch wortdeutlich gesungen, freilich mehr dem irdischen Wohllaut als dem überirdischen Glanz ergeben. Immerhin eine respektable Leistung außerhalb des eigentlichen Faches des Künstlers. Das übrige Quartett erfreute mit angenehmem Klang vor allem in den Soli: Hilde Güden, Ira Malaniuk, Fritz Wunderlich und Walter Berry. Letzterer gab der Stimme des Herrn pastose Fülle und einen Anhauch jener Reife, die sich später sicher einstellen wird.

Das Halleluja vor dem Epilog breitete sich nachher über das ganze Festspielhaus aus.

NEUNTES ORCHESTERKONZERT:

„Das Buch mit sieben Siegeln"

Mit der Aufführung von Franz Schmidts Monumentalwerk „Das Buch mit sieben Siegeln" haben die Salzburger Festspiele — nach langem Zögern — eine Ehrenpflicht erfüllt. Mehr als das: Von den allzuvielen, die das Werk noch nicht kannten, mögen Tausende nun endlich zu ihm bekehrt sein, ob sie im Festspielhaus anwesend waren oder der Rundfunkübertragung lauschten. Sie mögen erlebt haben, daß geschichtliche „Einteilung" nicht viel zu besagen hat; wer es beklagt, daß der Wiener Franz Schmidt eine Kompositionen in einer „Zwischenzeit" schuf, in einem Niemandsland sozusagen zwischen Romantik und „Musica nova", den verführt die graue Theorie zu einer Verkennung der Tatsachen. Für andere Werke von Schmidt mag die Beurteilung stimmen, nicht aber für dieses „Buch mit sieben Siegeln", diese größte und großartigste Komposition des 1939 verstorbenen Meisters. Hier ist die Stilfrage vollständig zur Nebensache geworden, hier spricht ein genial Begnadeter zu uns und zu den Menschen späterer Zeit (aus deren Perspektive ein paar Jahrzehnte, die heute musikwissenschaftlich wichtig scheinen, sich in größeren Räumen einordnen — oder verlieren werden). Daß die Begnadung zu spüren ist, daß die Musik berührt und packt, ist maßgebend. In welcher Sprache sich der Komponist ausdrückt, zählt daneben sehr wenig. Schmidt hat alle wertvollen Sprachmittel von der Gregorianik bis zur Romantik und darüber hinaus verwendet und ohne Bruch mit den eigenständigen Kunstmitteln verbunden. Als Schöpfer des gewaltigen Oratoriums nach des Johannes „Offenbarung" steht nun Franz Schmidt, wie Strauss es einmal ausdrückte, mit in der Reihe der „großen Sphinxe", die in die Ewigkeit ragen.

Im Festspielhaus dirigierte Dimitri Mitropoulos; die Großzügigkeit der Gestaltung und die Intensität des musikalischen Miterlebens in jedem Augenblick, die wir an diesem überragenden Partituren-Kenner stets bewundert haben, bewährten sich derart, daß die Hervorrufe kein Ende nehmen wollten. Die Solisten des Gesanges waren: Hilde Güden, Sopran, Ira Malaniuk, Alt, Anton Dermota, Tenor, Fritz Wunderlich, Tenor, und Walter Berry, Baß. Man müßte jedem von ihnen einen eigenen Abschnitt widmen, doch würdigt sie am besten ein Lob ihres hervorragenden Zusammenwirkens. Gleiches gilt von den Wiener Philharmonikern und von dem Orgelmeister Alois Forer. Den Singverein der Gesellschaft der Musikfreunde in Wien hatte Chordirektor Reinhold Schmid einstudiert.

Wenn die Chöre (gemessen an der Leistung de „Missa solemnis"-Aufführung) nicht an alle Stellen unsere Wünsche erfüllten und wenn di Auffassung einiger Werkstellen durch de Dirigenten uns etwas fremdartig anmutete, s spielt das eine geringe Rolle gegenüber d Tatsache dieser Aufführung überhaupt, die zwe fellos Festspielglanz und ganz großes Forma besaß. Da war wohl keiner, den der dramatisch Bericht des Evangelisten, der Appell zum Jüng sten Gericht, die Gnadenbotschaft des Herr und gar das jubilierende Haleluja im Final nicht erschüttert hätten. Erschütterung und Er hebung durch die Kunst — dieses Ziel wurd erreicht.

JULIUS HEGYI

By CHARLES PENNINGTON

Dimitri Mitropoulos, former conductor of the New York Philharmonic, was the greatet single influence in his musical life, Julius says. He studied conducting under Mitropoulos for three years, although he maintains conducting is a subject which cannot really be taught. You have a feeling for it or you don't. He has immense respect for Mitropoulos, both as a musician and as an individual. The great conductor regards money as only a crude necessity for living. He kept wads of it in a briefcase, and when he went out he'd grab a handful of bills and stuff in his pocket. He never counted it.

RUNDSCHAU – 2-9-59

Mitropoulos' gelassener Triumph

Erstes Sinfoniekonzert im Funkhaus

Der Auftakt der Rundfunk-Sinfoniekonzerte, in die letzten Sommertage vorverlegt, bringt das Kölner Publikum in den Genuß der beiden einzigen Konzerte, die Dimitri Mitropoulos, der Chef des Neuyorker Philharmonischen Orchesters, in diesem Winter in Deutschland dirigieren wird.

Der erste Abend brachte mit B. A. Zimmermanns Oboenkonzert und Mahlers Sechster ein etwas exzentrisches Programm, wenn man nicht den Mann Mitropoulos als das Zentrum betrachten will.

Zimmermanns Oboenkonzert, dem Kölner Publikum vertraut, ist ein gutes Stück und wird deshalb wohl ein Repertoirestück werden, es hat darüber hinaus für sich, interessant zu sein, denn an Oboenkonzerten gibt es ja nicht allzuviel. Lothar Faber bläst den Solopart, der das Werk von Anfang bis Ende bald bewegt, bald rhapsodisch beherrscht, mit Meisterschaft, und ein Werk, das an den Hörer doch einige Anforderungen stellt, vom Publikum zum Beginn des Konzertwinters so freudig aufgenommen zu sehen, ist ein gutes Zeichen.

Ob Mahlers Sechste die gewaltige, auch physische Anstrengung für Dirigent und Orchester letztlich wert ist? Jedenfalls erwirbt sich der WDR ein Verdienst, wenn er angesichts des bevorstehenden 100. Geburtstages von Gustav Mahler den Zyklus der Symphonien vervollständigt, und ist, die Sechste zu hören, für den, der bereit ist, hinter Musik Zeit und Geschichte zu spüren, ein echtes Abenteuer. Denn diese überdimensional grandiose und in ihrer Art zweifellos meisterliche musikalische k.u.k. Weltausstellung alles dessen, was man in der Donaumonarchie hatte, was es in der Donaumonarchie gab, wovon sie wußte, woran sie sich erinnerte, spricht gerade im Kontrast von äußerster Kultiviertheit und schlimmster Stilbrüchigkeit mehr aus vom Glanz und Elend Oesterreich-Ungarns als mancher historische Foliant. Daß Mahler auch in seiner Sechsten kein Preuße war, dafür freilich wissen wir ihm erleichtert Dank. So steht hier zum Glück wenigstens nicht Wilhelm II. im Hintergrund, sondern es lächelt resigniert Franz Joseph.

Mitte des Abends aber war zwangsläufig Mitropoulos. Er ist ein Aristokrat unter den Dirigenten, und vielleicht war es sogar ein Vorzug, ihn gerade in einem weiträumig endlosen Werk in Ruhe sehen und beobachten zu können, das musikalisch nicht von der Erscheinung des Dirigenten ablenkt. Mitropoulos' Ueberlegenheit, auch ein Riesenorchester mit wenigen, aber welch subtilen und dabei präzisen Gesten zu vollem Glanz zu führen und dabei klanglich auf das raffinierteste zu differenzieren, feierte hier einen selbst in den höchsten Augenblicken letztlich gelassenen Triumph, und zumal in den Uebergängen erwies Mitropoulos sich als Meister.

Es ist ein Genuß, diesen Mann dirigieren zu sehen. Es war ebenso ein Genuß, das Rundfunk-Sinfonie-Orchester unter dieser Hand so klingen zu hören. **H. R**

Zimmermann und Mahler im Funkhaus Köln

Mitropoulos dirigierte mit Elan und festem Griff

Nach der Sommerpause zeigte sich das Kölner Rundfunk-Sinfonie-Orchester in seinem ersten Konzert der neuen Spielzeit in hervorragender Form. Unter Dimitri Mitropoulos, der im kommenden Winter häufiger am Kölner Funkpult erscheinen wird, spielte es ein Programm, das auf starken Kontrastwirkungen aufgebaut war: Kontrast zwischen unterkühltem und überlastetem Ausdruck, zwischen strichzarter Zeichnung und quastbreitem Pinselstrich, zwischen aussparender, fast aphoristischer Kürze und bekenntnisseliger, manchmal quälender Länge — Bernd Alois Zimmermanns Oboenkonzert und Gustav Mahlers 6. Sinfonie. Mitropoulos dirigierte beide Werke mit Elan und festem Griff auswendig; bis auf Zimmermanns letzten Satz, der in der Wiedergabe nicht überzeugend als Ganzes, sondern mehr als eine Episodenkette geriet, war die Interpretation mustergültig, bei Mahler dynamisch weit ausladend, in der Begleitung des überlegenen Solisten Lothar Faber bewundernswert geschmeidig und nervig. Zimmermanns Konzert stammt aus dem Jahre 1952 und wurde für Donaueschingen komponiert. Es ist seriell gebaut, hat zum vorgeschriebenen kleinen Orchester (das in Köln auf sechs Kontrabässen stand) eine kleine Schlagzeuggarnitur, mit der besonders aparte Klangfarben erzeugt werden, und stellt in der Solopartie Ansprüche, für die es in Europa kaum eine Handvoll Interpreten gibt. Ein interessantes und vitales Stück, Qualitätsware im immer reicher werdenden Tagesangebot jener Musik, die von Schönberg und Webern ausgeht.

Die Wiederbegegnung mit Mahlers sechster Sinfonie war eine Enttäuschung. Unter zahllosen Einfällen und Motivspielen findet sich nicht ein einziges Thema von echt sinfonischem Atem, das die Zeiten überdauern könnte. Gewaltige Ausbrüche mit monumentaler Dynamik erinnern an Makarts und Pilotys Schwelgereien. Militärische Rhythmen, eine merkwürdige Vorliebe des Meisters, als Reminiszenz an erste musikalische Kindheitseindrücke, werden von einer bissigen Ironie aufgefangen; in den Gefühlspartien reicht die Skala von trivialer Harmlosigkeit bis zur überhitzten Glut, nur die Wahrheit einer echten Herzwärme ist nirgendwo zu spüren. Auch das Lächeln nicht; es kann nicht aus den sarkastisch verbissenen Pointen entstehen, die Mahlers Witz ausmachen. Sicherlich war Mahler seinem Zeitgenossen Bruckner in der Beherrschung des kompositorischen Handwerks und aller Sonderkniffe instrumentatorischer Art weit überlegen, und sicher hat er auch in seinen Chorsinfonien wirklich große Werke geschaffen: das Bleibende ist ihm dennoch nicht gelungen.

Das Kölner Publikum, das Zimmermanns Konzert mit Interesse und innerer Beweglichkeit verfolgte, war großenteils der Länge und den ständigen Entladungen der Sinfonie nicht gewachsen. Die lebhafte Anerkennung galt dem Dirigenten und dem Orchester, dessen Bläser mit Recht Sonderbeifall bekamen. **H. Schultz**

Beginn mit Mahler

Erstes Sinfoniekonzert des WDR unter Mitropoulos

Die während schöner Ferienwochen dicht geschlossenen Schleusen der Kultur wurden pünktlich hochgezogen. Das erste Sinfoniekonzert im Funkhaus eröffnete die musikalische Saison. Auf den weißen Blättern des Terminkalenders regen sich erste schüchterne Triebe des kommenden Winters.

Dirigent und Rekonvaleszent Dimitri Mitropoulos, der auch in diesem Jahr über den Atlantik ins sommerliche Festivaleuropa gekommen ist (im kommenden Sommer wird er gesundheitshalber pausieren), wird in der kommenden Woche im Funkhaus zum Gedenken an den vor zehn Jahren Gestorbenen Werke von Strauß dirigieren.

Sein erster Kölner Abend dieses Jahres galt mit der Sechsten Sinfonie dem Gedächtnis Gustav Mahlers, dessen sinfonisches Werk der Nord- und Westdeutsche Rundfunk 1960, 100 Jahre nach seiner Geburt, zyklisch darbieten wollen.

Unser Verhältnis zu Gustav Mahler ist recht kompliziert, ein Komplex von Respekt, Schuldgefühl, Mitleid und jener Abneigung, die jede Stilepoche gegen die ihr unmittelbar vorangehende empfindet. Aber bei näherem Zusehen entdeckt man in Mahlers Werk, das den Schlußpunkt hinter die Epoche der romantischen Sinfonik setzt, die Anfänge des Neuen. Mitropoulos verstand es, hinter der ins Maßlose strebenden Fassade Mahlers instrumentale Melodik herauszukristallisieren, zwischen den erdrückenden Schatten Berlioz' und Bruckners den Lyriker, aber auch den großartig die sinfonischen Dimensionen ausmessenden, aus der Improvisation genialisch seine Themen entfaltenden Dramatiker zwischen Impression und Expression künstlerisch und menschlich ganz nahe zu bringen, im Kaleidoskop widerstrebender Charakterzüge die Einheit der großen Künstlerpersönlichkeit erlebbar zu machen.

Die gewaltige Anstrengung von Dirigent und großartigem Funkorchester wurde von den gelichteten Reihen der beinahe erdrückten Hörer mit lebhaftester Dankbarkeit anerkannt.

In dem virtuos spielerischen Oboenkonzert von Bernd Alois Zimmermann erspielte sich eingangs der hochbegabte junge Lothar Faber einen starken, verdienten Applaus. **GA**

KÖLNER STADT-ANZEIGER, Mittwoch, 2. Sept. 1959

Tragisch und konzertant

Mitropoulos dirigiert das 1. WDR-Konzert

Seit 1945 hat es hier in Köln nur wenige Gustav-Mahler-Aufführungen gegeben. Die rein instrumentalen Werke der mittleren Schaffenszeit fehlten gänzlich. Höchst dankenswert also, daß der Westdeutsche Rundfunk dieses Versäumnis nachholte und im ersten öffentlichen Sinfonie-Konzert der neuen Saison Mahlers sechste Sinfonie auf das Programm setzte.

Man hat Mahlers „Sechste" oft als tragisches Selbstbekenntnis bezeichnet. Und kaum eines seiner Werke spiegelt die Sehnsucht nach Klärung, Befreiung und Selbstüberwindung dieses Einsamen deutlicher als sie. Aber auch das Mißverhältnis zwischen reinem Wollen und Vollbringen, zwischen äußerem Aufwand (obwohl die Mittel hier begrenzter bleiben als in den aufgeblähten und vokal erweiterten Sinfonien) und wirklichem Gehalt.

Gustav Mahler wollte die klassisch-romantische Form der Sinfonie nach dem Vorbild Beethovens und seines Lehrmeisters Bruckner noch einmal zum Wachsen bringen. Für beides reichte seine Kraft nicht aus. Sein Werk blieb ein gewaltiger, ein genialer Torso.

Unter der Gastleitung von Dimitri Mitropoulos, dem Wahlamerikaner griechischer Abkunft, hörte man eine Wiedergabe von solch bezwingender Größe, Geschlossenheit und Intensität, daß man nur schwer in die Wirklichkeit zurückfinden konnte. Mit starker geistiger Spannkraft schlug er den Bogen über das Riesenwerk vom zerrissenen Allegro zu Beginn bis zur tödlichen Resignation des Abgesangs. Bewundernswert, wie er die gewitterfahlen und grellen Lichter des Scherzo heraushob und den weltabgewandten Gesang des Andante zu ergreifender Schwermut sammelte. Er bewahrt die Partitur nicht nur notengetreu im Kopf, sondern hat sie geistig bis in das kleinste Motiv durchgearbeitet. Die Aufführung loben, heißt zugleich, das Spiel des Rundfunk-Sinfonie-Orchesters hervorheben.

Das Oboenkonzert des 41jährigen Bernd Alois Zimmermann hatte den Abend eröffnet. Ein aus modernem Geist empfundenes Stück voll starker Spannungen, dessen größter Vorzug darin besteht, daß es dem Soloinstrument höchst anspruchsvolle und brillante Aufgaben stellt. Lothar Faber, der Solo-Oboer des Rundfunk-Orchesters, spielte es nobel im Ton, voll Witz und Verve im kapriziösen, Strawinsky gewidmeten Kopfsatz und dem tänzerisch-beschwingten Finale, und strebte auch hier wie im ausgedehnten rhapsodischen Mittelsatz genau fixierten expressiven Schwerpunkten zu. Schade, daß sich mit dem begleitenden Orchester gelegentliche Unstimmigkeiten ergaben und deshalb das Werkchen in Mitropoulos' durchlichteter Wiedergabe nicht die volle Wirkung seiner konzertanten Reize entfalten konnte. *Margo Schuchardt*

DIE WELT 4-9-59

Gustav Mahlers tragische „Sechste"

Frühzeitiger Auftakt zum Jubiläumsjahr beim WDR

Eigenbericht der WELT

Köln, 3. September

Großer Moment der 48. Werkminute — von insgesamt 75 in der ungekürzten Wiedergabe von Mahlers Sechster Sinfonie unter Dimitri Mitropoulos. Der Aufmarsch einer Klangarmee ist vollzogen, der Generalappell aller Instrumentalcharaktere Europas. Im selben Moment, in dem sich die Phalanx endgültig rüstet, erliegt sie jedoch einem stillen Anhauch. Jedes Klangindividuum die Partitur hinauf und hinab wird ein Fremdling unter Hunderten seinesgleichen.

War Gustav Mahler ein Epigone, der es noch einmal mit dem deutschen Musikidealismus von der „Volksweise" bis zum Bruckner-Choral halten wollte? Weit gefehlt, er war ein leidenschaftlicher Prüfer, auf dessen Ergebnissen die Wiener Schönberg-Leute bereits in den nämlichen Jahren um 1905 weiterbauen konnten.

Bis zum „Hundertsten" 1960 gedenkt der Rundfunk, in die allgemeine Mahler-Ignoranz Bresche zu legen. NDR und WDR teilen sich in die Darbietung aller Orchesterwerke des Komponisten.

Mitropoulos' Deutung der tragischen „Sechsten" im Kölner Funkhaus erreichte Sättigungsgrade romantischer Farben und operierte mit Streukegeln antiromantischer Fehlfarben, wie man sie so überzeugend als Kontraste selten erlebte. Nur daß er eingangs vieles als reine rauhe Architektur führen wollte, tat der Vorbereitung des Kommenden nicht sehr gut. Bernd Alois Zimmermanns Oboenkonzert 1952 dirigierte er ebenfalls auswendig: ein repertoirewürdiges Virtuosenstück, zu Ehren des komplizierten Strawinskij von 1915 geschrieben, trillerreich, metallisch instrumentiert und für einen Oboer erster Güte (Lothar Faber) wie für die Orchestermitglieder gleichermaßen ergiebig.

Wiedergenesen, noch hagerer von Statur, geistig eifervoll wie je, leitet der betagte Mitropoulos vorerst nur diese zwei Konzerte auf deutschem Boden. Das zweite geht nächsten Montag von Köln aus gleichfalls über die Mittelwellen und gilt dem Gedenken von Richard Strauß. U. L/L.

Auftakt zu Mahlers „Hundertstem"

Im Kölner Funkhaus: Die sechste Sinfonie

Großer Moment der 48. Werkminute — von insgesamt 75 in der ungekürzten Wiedergabe von Mahlers „Sechster" unter Dimitri Mitropoulos! Der Aufmarsch einer Klang-Armee ist vollzogen, viele halten sie immer noch für eine orchestrale Massenversammlung. Nein, es ist ein umfassender Generalappell aller Instrumental-Charaktere Europas. Jetzt, im selben Moment, da sich die Phalanx endgültig rüstet voranzuschreiten, wirkt sie unter einem riesigen stillen Anhauch wie auseinandergeblasen. Jedes Klangindividuum die Partitur hinauf und hinab wird ein Fremdling unter hunderten seinesgleichen.

War Gustav Mahler ein Epigone, der es nochmal mit dem deutschen Musik-Idealismus von der „Volks"-weise bis zum Brucknerchoral halten wollte? Weit gefehlt, er war der leidenschaftlichste Probierer und Prüfer, auf dessen Ergebnissen die Wiener Schönberg-Leute bereits in den nämlichen Jahren um 1905 weiter aufbauen konnten. Aber das weiß das Publikum bis heute noch nicht recht.

Bis zum hundertsten Geburtstag 1960 gedenkt nun der Rundfunk in die allgemeine Mahler-Ignoranz gewaltig Bresche zu legen. NDR und WDR teilen sich in die Darbietung aller Orchesterwerke des Komponisten.

Mitropoulos' Deutung der tragischen Sechsten im Kölner Funkhaus erreichte Sättigungsgrade romantischer Farben und operierte mit Streukegeln antiromantischer Fehlfarben, wie man sie so überzeugend als Gegensätze noch nicht erlebte. Nur daß er eingangs vieles als reine rauhe Architektur hochführen wollte, tat der Vorbereitung des Kommenden nicht sehr gut.

Mahlers „Sechste" unter Mitropoulos

Konzert im Kölner Funkhaus

Großer Moment der 48. Werkminute — von insgesamt 75 in der ungekürzten Wiedergabe von Mahlers Sechster Sinfonie unter Dimitri Mitropoulos! Der Aufmarsch einer Klang-Armee ist vollzogen, viele halten sie immer noch für eine instrumentale Massenversammlung. Nein, es ist ein umfassender Generalappell aller Instrumental-Charaktere Europas. Jetzt im selben Moment, da sich die Phalanx endgültig rüstet voranzuschreiten, wirkt sie unter einem riesigen stillen Anhauch wie auseinandergeblasen. Jedes Klangindividuum die Partitur hinauf und hinab wird ein Fremdling unter Hunderten seinesgleichen.

War Gustav Mahler ein Epigone, der es nochmal mit dem deutschen Musik-Idealismus von der „Volks"weise bis zum Brucknerchoral halten wollte? Weit gefehlt, er war der leidenschaftlichste Probierer und Prüfer, auf dessen Ergebnissen die Wiener Schönberg-Leute bereits in den nämlichen Jahren um 1905 weiter aufbauen konnten.

Bis zum „Hundertsten" 1960 gedenkt der Rundfunk in die allgemeine Mahler-Ignoranz gewaltig Bresche zu legen. NDR und WDR teilen sich in die Darbietung aller Orchesterwerke des Komponisten.

Mitropoulos' Deutung der tragischen „Sechsten" im Kölner Funkhaus erreichte Sättigungs-grade romantischer Farben und operierte mit Streukegeln antiromantischer Fehlfarben, wie man sie so zwingend als Kontraste noch nicht erlebte. Nur daß er eingangs vieles als reine rauhe Architektur hochfahren wollte, tat der Vorbereitung des Kommenden nicht sehr gut. Bernd Alois Zimmermanns Oboenkonzert 1952 dirigierte er ebenfalls auswendig: ein repertoirewürdiges Virtuosenstück, zu Ehren des komplizierten 1915er Strawinsky geschrieben, trillerreich, metallisch instrumentiert und für einen Oboer erster Güte (Lothar Faber) wie für die Orchestermitglieder gleichermaßen ergiebig.

Wiedergenesen, noch hagerer von Statur, geistig eifervoll wie je, leitet der betagte Mitropoulos vorerst nur diese zwei Konzerte auf deutschem Boden. Das zweite geht nächsten Montag von Köln aus gleichfalls über die Mittelwellen und gilt dem Gedenken von Richard Strauß. -t.z.

R. Strauß, der Klassiker?

WDR-Gedenkkonzert im Kölner Funkhaus

Als Richard Strauß vor nun zehn Jahren starb, zählte er zu den wenigen prominenten Deutschen, die sich auch nach den dreißiger und vierziger Jahren und nach allen Zusammenbrüchen in der Welt der Bewunderung und Hochachtung erfreuen durften. Das liegt gewiß mit daran, daß Strauß, den anderen vielleicht noch mehr als uns, als ein gebliebenes Symbol der glücklichen Zeit vor 1914 erschien, die Stefan Zweig so wehmütig aber treffend als die „Welt von gestern" bezeichnet hat.

„Symphonischer Optimismus in Fin de siècle-Form, dem 20. Jahrhundert gewidmet", so sollte ursprünglich der „Zarathustra" im Untertitel heißen, und hätte Strauß das stehen lassen, wäre auf einer seiner bedeutendsten Partituren von eigener Hand die gewollte oder ungewollte eigene Selbsteinschätzung verewigt worden.

Wir können nur feststellen, daß dieser Optimismus zu optimistisch war, und zwar wundervolle, aber doch zu leichtgewichtige Kost für das 20. Jahrhundert — trotz allen äußeren Glanzes, trotz aller äußeren Kraft.

So hat denn Strauß in diesem „Zarathustra" auch selbst mit den bohrend fremden Schlußpiccicati der Bässe bedeutet, daß er keine philosophische und keine tragische Natur war, und damit mußte auch sein gewaltiger Anlauf auf das Tragische, die „Elektra", Anlauf bleiben: großartig, imponierend, aber von letztlich doch nicht voller Überzeugungskraft. Betörend war der Illustrator Strauß, daher liebt man den „Don Quixote".

Strauß zu feiern hatten sich Dimitri Mitropoulos am Pult, die Elektra Astrid Varnay und das Kölner Rundfunk-Sinfonie-Orchester mit Alwin Bauer (Violoncell), Paul Schröer (Bratsche) und Helmut Zernick (Violine) an Solopulten vereinigt.

Mit seltener Schönheit spielte Alwin Bauer einen Don Quixote von großer Eleganz und Noblesse, Sancho Pansa Paul Schröer stand ihm nicht nach. Mit Astrid Varnay erschien eine der großen Elektra-Darstellerinnen von heute; scheinbar mühelos bewältigte sie mit königlicher Stimme den gewaltigen Monolog. Mitropoulos, im „Don Quixote" mit inneren Spannungen sehr zurückhaltend, hatte sie sich für den „Zarathustra" aufgespart, den er großartig exponierte; leider folgte ihm an diesem Abend das Orchester an einigen Stellen nicht immer ganz so, wie man es sonst gewohnt ist.

Die Frage nun, ob Richard Strauß ein Klassiker war oder wird, ist vielleicht verfrüht. Doch wer an diesem Vorabend seines 10. Todestages das Kölner Funkhaus verließ, spürte gewiß eines: daß wir da viel Vergängliches gehört haben und unwiderruflich nicht mehr leben in einer „Welt von gestern".

Also sprach Richard Strauß

WDR-Konzert zum 10. Todestag des Komponisten

Das Ende des zweiten Weltkriegs erlebte Richard Strauß in Garmisch. Als die Amerikaner anrückten und in sein Haus dringen wollten, trat ihnen der Einundachtzigjährige mit den Worten entgegen: „I am Richard Strauß, the composer of the »Rosenkavalier«." Da zogen sie freundlichst ab. Strauß ging ins Zimmer zurück und schrieb in sein Tagebuch: „Ein totaler Sieg des Geistes über die rohe Materie."

Nenne man's, wie man will — Strauß' Schaffen ist einer der letzten großen Weltsiege der Musik, der hinreißende Epilog einer Epoche, bei aller zeitgebundenen Materialgenüßlichkeit in den sinfonischen Anfängen des geborenen Musikdramatikers ein Werk so aus einem Guß, daß auch seine schwächeren Teile noch im Glanz des Ganzen leben. Zu diesen zählt sicher die „frei nach Nietzsche" geschaffene Tondichtung „Also sprach Zarathustra", mit der Dimitri Mitropoulos ein Sonderkonzert des Westdeutschen Rundfunks zum 10. Todestag des Meisters beschloß.

Der Entrüstungssturm, der vor mehr als 60 Jahren das Werk umtobte, ist uns kaum mehr verständlich. Was ihn hervorrief, war die Furcht vor der Selbstherrlichkeit des „Programms", das sich nun auch so völlig abstrakter und spekulativer Dinge wie philosophischer Gedanken zu bemächtigen schien. Aber also sprach Richard Strauß: Als Hexenmeister der Instrumentation, der die Umwertung aller Werte bestenfalls in einer noch reicheren sinnlichen Pracht des Klanges vollzog; als dithyrambischer Diesseitsmusiker, der sich mit der dürren Fuge „Von der Wissenschaft" schwer genug tat; als naiver Stimmungsmensch, dem Nietzsche, der Dichter, nicht der Philosoph, einen Anlaß zur Musik gab.

Hat er also auch nicht den „Übermenschen" in Partitur gesetzt — beinahe Übermenschliches fordert Strauß doch von den Orchestermusikern. Zwei Jahre später, im 1898 zu Köln uraufgeführten „Don Quixote", mit dem Mitropoulos das Konzert eröffnete, liegen die Gründe für solche verwegenen Forderungen in der szenischen Illustrationsfreudigkeit einiger Variationen. Inzwischen hat man über die sausenden Windmühlenflügel, das Blöken der Schafe, das Blitzen und Fallen der Wassertropfen hinweg auf die rein musikalische Schönheit einer der geistreichsten Strauß-Partituren horchen gelernt; die wundersame Poesie des „Don-Quixote"-Ausklangs gehört zum Geläutertsten, was Strauß überhaupt komponiert hat.

Beide Werke bedürfen des wahren Beschwörers am Pult. Mitropoulos legt die Strauß eigentümlichen orchestralen Schichtungen mit geradezu ekstatischer Hingabe bloß, die in einer konvulsivisch anmutenden, übrigens an Furtwängler erinnernden Zeichengebung sichtbar wird. Seine scharfe, ja grelle Belichtung des Straußschen Klangdetails verblüfft fast mehr als die Präzision und zusammenfassende Kraft der Gestaltung (wieviel schlanker und schwereloser hat Strauß selbst dergleichen musiziert!). Immerhin fördert sie Erstaunliches zutage, und virtuos bis in den zünftigen Walzerschmiß des „Tanzlieds" im „Zarathustra", bis in die schauderhaft schwierigen Tremolos des gestopften Blechs, die flatterzüngigen Flötenpassagen, die abenteuerlichen Horn- und Trompetentriller antwortet die großartige Mannschaft des Kölner Rundfunk-Sinfonie-Orchesters dem kühnen Anruf. Im dialogisch zugespitzten Leitgedanken des „Don Quixote" figurierte Alwin Bauers Solocello galant und innig als tragischer Ritter, charakterisierte die Bratsche Paul Schröers mit Witz den dümmlichen Sancho Pansa.

In der Mitte des Programms der Dramatiker Strauß: Auch für die akustischen Sensationen seiner Komposition von Hofmannsthals spätromantischer Hypertrophie des „Elektra"-Mythos sind uns die Ohren längst nachgewachsen. Von der genialen Architektur dieser dramatischen Monumentalsinfonie gibt der Monolog der Elektra einen Begriff: Astrid Varney, rühmlichst bekannte Vertreterin der Partie, sang ihn mit unvergleichlicher Strahlkraft und seelischer Intensität.

Strauß im Funkhaus

Mitropoulos dirigierte am zehnten Todestag

Zehn Jahre sind vergangen, seit Richard Strauß 85jährig starb, als letzter aus der Generation der Debussy, Mahler, Pfitzner, Busoni. Als Anhängsel einer Epoche (wie er sich selbst nannte), hat er noch die jüngeren Kollegen Reger und Ravel, Bartók und Webern überlebt. Mit einigen seiner sinfonischen Dichtungen, wie dem Till Eulenspiegel, mit Musizieropern wie Rosenkavalier und Arabella ist Strauß auch heute nicht aus unseren Programmen wegzudenken. Der WDR feierte ihn mit einem Sonderkonzert unter Leitung von Dimitri Mitropoulos am Vorabend des Todestages.

Mitropoulos, der bereits vor einer Woche in glänzendster Weise das Bild des vor hundert Jahren geborenen Mahler beschworen hatte, war als Nachlaßverwalter von Strauß beinahe noch mehr in seinem Element. Zwischen zwei sinfonischen Dichtungen aus Strauß' revolutionärer Frühzeit — Don Quixote und Zarathustra — stellte Mitropoulos als musikdramatisches Exempel den Monolog der Elektra.

In der Bayreuther Heroine Astrid Varnay, die bereits in New York die ganze Elektra unter seiner Stabführung gesungen hatte, war diesem gewaltigen Mittelstück des Abends eine Interpretin mit einem wirklich angemessenen Ausdrucks- und Stimmvolumen gewonnen.

Die Kunst, außerordentliche Spannungen mit sparsamem Aufwand zu erzeugen, charakterisierte die Elektra-Wiedergabe ebenso wie die der beiden sinfonischen Dichtungen. Das war kein Ohrenschmaus mit teils scharfen, teils süßen Reizen, kein bajuwarisch-wilhelminischer Bombast. Mitropoulos holt mehr als instrumentale Linien, farbige Flächen, als eine Vielfalt verschiedener Valeurs aus der Partitur. In einer Art Stereophonie des Orchesters staffelt er die Stimmen zur räumlichen Tiefe, macht er das Konzertpodium zur Bühne. Hierin ist er Toscanini verwandt, während er im sensiblen, niemals nervösen, stets weit atmenden Führen des Orchesters an den mittleren Furtwängler erinnert. Die Wildnis dieser frühen Partituren wird nicht zu pedantisch durchforstet. Das verleiht Mitropoulos Interpretation die Frische farbfeuchten Originals. Alles fließt, wird in einen großen Strom eingeschmolzen, nicht auf dem Präsentierteller dargereicht.

Mitropoulos ließ neben den Solisten (außer Astrid Varnay, der ausgezeichnete Cellist Alwin Bauer, der Bratscher Paul Schröer und der Geiger Helmut Zern..r) das glänzende, inspirierte Orchester in sehr demokratischer Manier am zunächst zurückhaltenderen, dann sehr starken Beifall teilhaben. Ein großer Abend. **GA**

Ἡ παγκόσμιος πρεμιέρα τοῦ «Ὀρατορίου» τοῦ Σμίτ

ΑΛΗΘΙΝΗ ΑΠΟΘΕΩΣΙΣ

ΒΙΕΝΝΗ, Αὔγουστος.— Ὡς χαρμόσυνον γεγονὸς καὶ ὡς σταθμὸς εἰς τὰ χρονικὰ τῶν καλλιτεχνικῶν ἐκδηλώσεων τοῦ Σάλτσμπουργκ χαρακτηρίζεται ἀπὸ ὅλους τοὺς μουσικοὺς κριτικοὺς καὶ τὰς καλλιτεχνικὰς ἐπιφυλλίδας τῶν ἐφημερίδων τῆς Δυτικῆς Εὐρώπης «ὁ θρίαμβος ποὺ κατήγαγεν ὁ Δημήτρης Μητρόπουλος» μὲ τὴν ἑρμηνείαν τοῦ ὀρατορίου τοῦ Φράντς Σμὶτ «Τὸ ἑπτασφράγιστο βιβλίο». Διότι ἡ «περίλαμπρος νίκη», τὴν ὁποίαν κατήγαγεν ὁ διάσημος Ἕλλην μαέστρος, χάρις εἰς τὴν ὁποίαν ἐπεβλήθη πλέον τὸ ἀνωτέρω ἔργον τοῦ Σμὶτ εἰς τὴν διεθνῆ πρεμιέραν τοῦ Σάλτσμπουργκ εἶναι κατ' ἐξοχὴν μιὰ νίκη τοῦ ἀπαράμιλλου ταλέντου, τῆς δυναμικῆς του ἀποδόσεως καὶ τῆς ἀπεράντου θεληματικότητος τοῦ Μητροπούλου.

«Μετὰ ἐπικίνδυνον ἀσθένειαν, γράφουν οἱ ἐφημερίδες, ἀποδίδεται καὶ πάλιν ἐξ ὁλοκλήρου ὁ διάσημος Μητρόπουλος εἰς τοὺς ἀπείρους ἀνὰ τὸν Κόσμον φίλους καὶ θαυμαστάς του. Δὲν ἔστερξε νὰ παραχωρήσῃ εἰς ἄλλον τὴν πηγαίαν χαρὰν ποὺ τοῦ ἐχάριζε ἡ ἰδέα τῆς πειθαρχίας πρὸς τὰς ἀνειλημμένας του ὑποχρεώσεις καὶ τῆς προσδολῆς ἑνὸς νέου ἔργου εἰς τὸ διεθνὲς μουσικὸν κοινόν», προσθέτουν χαρακτηριστικῶς οἱ ξένοι μουσικοὶ κριτικοί, ὑπογραμμίζοντες ὅτι τὸ ἔργον αὐτὸ παρουσίαζε τεραστίας δυσχερείας. Διότι δὲν ἐπρόκειτο περὶ οἱουδήποτε προγράμματος «ποὺ βγῆκε ἀπὸ τὸ ντουλάπι τῶν ρεπερτορίων», ἀλλὰ διὰ τὸ ἀνέβασμα ἑνὸς γιγαντιαίου ὀρατορίου, τοῦ ὁποίου αἱ τεχνικαὶ καὶ πνευματικαὶ διαστάσεις ἀπῄτησαν εἰδικὴν μελέτην καὶ ἐνημέρωσιν τοῦ ὀρχιμουσικοῦ, εἰς τὸν ὁποῖον ἦτο τελείως ἄγνωστον ὁλόκληρον τὸ ἔργον.

«Χωρὶς νὰ λάβῃ ὅπ' ὄψιν του τοὺς φραγμοὺς ποὺ ἐπέβαλεν εἰς αὐτὸν ἡ κατάστασις τῆς ἀναρρώσεως, ὁ Μητρόπουλος δὲν ἐφείσθη οὐδενὸς κόπου καὶ μὲ ἐκπληκτικὴν ἐνεργητικότητα ἐπελήφθη τοῦ Ἔργου. Καὶ κατώρθωσε νὰ εὕρῃ τὸν ἐσωτερικὸν παλμὸν ποὺ ἐνέπνευσε τὸν δημιουργόν του καὶ νὰ ὁδηγήσῃ τὸ κόρο, τὴν ὀρχήστραν καὶ τοὺς σολίστ εἰς μίαν τοιαύτην συνοχὴν καὶ ἔξαρσιν ὥστε νὰ γίνουν αἰσθηταὶ οἱ οὐράνιες ὁπτασίες, τὸ φῶς, ἡ ποίησις καὶ οἱ φρικιαστικὲς εἰκόνες τοῦ Ἔργου.

«Ὁ Μητρόπουλος ἦτο δέβαιος διὰ τὸν ἑαυτόν του ὅπως ἀπέδειξεν ἡ δικαίωσις τῶν προσπαθειῶν του ὄχι μόνον ἀπὸ τὰ χειροκροτήματα καὶ τὰς ἐπευφημίας, ποὺ διήρκεσαν πέραν τοῦ ἑνὸς τετάρτου καὶ ποὺ ἐπεσφράγισαν τὴν νίκην τοῦ μεγάλου Ἕλληνος μαέστρου, ἀλλὰ καὶ ἀπὸ τὴν πλήρη συνοχήν, τὴν ὁποίαν οὗτος ἐπέτυχε κατὰ τὴν ἐκτέλεσιν» μεταξὺ τῆς Φιλαρμονικῆς τῆς Βιέννης, τῆς χορωδίας καὶ τῶν σολίστ Χίλντε Γκύντεν, Ἴρα Μαλανιούκ, Ἄντον Ντερμότα, Φρὶτς Βούντερλιχ καὶ Βάλτερ Μπέρρυ. Τὸ «ἁλληλούϊα» προτοῦ ἐπιλόγου ἀπετέλεσε συγχρόνως τὸν πρόλογον τῶν ζωηρῶν ἐπευφημιῶν τοῦ κοινοῦ.

Ο ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΣ ΕΦΘΑΣΕ ΣΤΗΝ ΒΙΕΝΝΗ

Τηλεγράφημα ἀπὸ τὴν Βιέννη ἀναφέρει, ὅτι ἔφθασε χθὲς ἐκεῖ ὁ διάσημος Ἕλλην μαέστρος Δημήτρης Μητρόπουλος, ὁ ὁποῖος στὶς 17 τοῦ μηνὸς θὰ διευθύνῃ τὴν πρεμιέρα τῆς «Τόσκας» ἀπὸ τὴν Κρατικὴ Ὄπερα τῆς Αὐστριακῆς πρωτευούσης.

—Ἀξίζει νὰ σημειωθῇ, ὅτι στὴν παράστασι αὐτὴ θὰ τραγουδήσουν ὑπὸ τὴν διεύθυνσι τοῦ Δημήτρη Μητρόπουλου ἡ διάσημη σοπράνο Ρενάτα Τεμπάλντι, ὁ τενόρος Γκιουζέππε ντὶ Στέφανο καὶ ὁ βαρύτονος Τίτο Γκόμπι.

ΕΠΙΤΥΧΙΕΣ ΣΤΗΝ ΚΟΛΩΝΙΑ

Ἐν τῷ μεταξύ, πληροφορίες ἀπὸ τὴν Κολωνία ἀναφέρουν ὅτι ἡ συναυλία ποὺ ἐδόθη ἐκεῖ προχθὲς μὲ τὴ Συμφωνικὴ τῆς πόλεως σ' ἕνα πρόγραμμα μὲ ἔργα Ρίχ. Στράους, ὑπὸ τὴν διεύθυνσι τοῦ Δημήτρη Μητρόπουλου, ἐσημείωσε μεγάλη ἐπιτυχία. Στὸ τέλος τῆς συναυλίας τὸ κοινὸ ἀπεθέωσε μὲ ἐπευφημίες καὶ χειροκροτήματα τὸν διάσημο Ἕλληνα μαέστρο.

—Ἐξ ἄλλου, τὴν προπερασμένη Δευτέρα ὁ Δημήτρης Μητρόπουλος διηύθυνε καὶ πάλι μὲ ἐξαιρετικὴ ἐπιτυχία στὴν Κολωνία μιὰ συναυλία μὲ ἔργα Μάλλερ.

ΕΝΘΟΥΣΙΩΔΕΙΣ ΚΡΙΤΙΚΕΣ ΓΙΑ ΤΟΝ ΔΗΜΗΤΡΗ ΜΗΤΡΟΠΟΥΛΟ

Σὲ ἄρθρο του στὴν ἐφημερίδα «Τὰ Νέα τοῦ Σάλτσμπουργκ» ὁ Χάνς Γκέοργκ Μπόντε πλέκει τὸ ἐγκώμιο τοῦ Δημήτρη Μητρόπουλου, τοῦ θριαμβευτοῦ τοῦ ἐφετεινοῦ Φεστιβάλ. «Καταιγισμὸς ἐπευφημιῶν, γράφει ὁ Αὐστριακὸς κριτικός, συνεκλόνισε τὴν αἴθουσα ὅταν ὁ Δημήτρης Μητρόπουλος μέσα σὲ ἀτμόσφαιρα ἀποθεώσεως, ἄφησε νὰ ἠχήσῃ τὸ τελευταῖο Ἀμὴν τοῦ Ὀρατορίου «Τὸ Βιβλίο μὲ τὶς ἑπτὰ Σφραγῖδες» τοῦ Φράντς Σμίτ. Μὲ τὴν ἐκτέλεσι αὐτὴν τὸ Φεστιβάλ τοῦ Σάλτσμπουργκ ἔστησε στὸν πρὸ εἰκοσαετίας ἀποθανόντα συνθέτη ἕνα ἠχητικὸ μνημεῖο ποὺ κανένας μας δὲν θὰ μποροῦσε νὰ ξεχάσῃ μιὰ ἐκτέλεσι ἀνυπέρβλητη σὲ ἐπιβλητικὸ μεγαλεῖο. Τὸ νὰ διευθύνῃς ἀπ' ἔξω μιὰ παρτιτούρα αὐτῶν τῶν διαστάσεων ξεπερνᾷ ἤδη τὶς συνήθεις ἀνθρώπινες δυνατότητες — ὁ τρόπος μὲ τὸν ὁποῖο ὁ Μητρόπουλος μὲ ἀδιάσπαστη δυναμικὴ ἔνταση ἐζωντάνεψε τὴν κάθε λεπτομέρεια, ὑποτάσσοντας μὲ ἀπαράμιλλη δηκονομία δυνάμεων τὰ πάντα σὲ μιὰ δημιουργικὴ ἀνιοῦσα πρὸς τὴν κορυφή, θὰ μείνῃ ἀξέχαστο!»

—Ἄλλη ἐφημερίς, «Ὁ Τύπος» τῆς Βιέννης γράφει:

«...Φυσικὰ ἡ ἱκανοποίησίς μας ἀπὸ τὸ ἔργο κερδίζει σὲ βαρύτητα ὅταν βλέπομε ἕνα καλλιτέχνη τέτοιας διεθνοῦς αἴγλης, τόσο πλατειᾶς προσοπτικῆς νὰ τοῦ ἀφιερώνῃ ὅλη του τὴν ἀγάπη κι' ἐμβρίθεια σὲ βαθμὸ ν' ἀποστηθίσῃ ἀπόλυτα τὴν ἀγκώδη καὶ πολύπλοκη αὐτὴ παρτιτούρα, ἀπὸ τὴν ὁποία ἀποσπᾷ ἐντελῶς πρωτόκουστες, καταπληκτικὲς ἐκδηλώσεις — ὅταν βλέπομε μὲ πόση δύναμι προβάλλει τὶς μορφὲς καὶ τὰ χρώματα τῆς τεράστιας αὐτῆς ἠχητικῆς εἰκόνας — συμπυκνώνοντας ἐδῶ τὸ τέμπο, πλαταίνοντας τὸ ἐκεῖ μεγαλεπήβολα καὶ παθητικὰ — πῶς ἐμποτίζει τὴν μουσικὴ μὲ φῶς, πῶς διασαφηνίζει ἀλληλουχίες καὶ σχέσεις, μὲ τὸν δικό του ἐκεῖνο τρόπο νὰ καθιστᾷ ἕνα ἔργο οἰκεῖο καὶ στοὺς μὴ προσκείμενους. Ἔτσι τὸ «Βιβλίο μὲ τὶς 7 Σφραγῖδες» ἐγνώρισε ἕναν μεγάλο, ἀληθινὸ θρίαμβο. Ἡ βαθύτητα, ἡ μεγαλόπνοη εὐγένεια, ἡ πνευματικὴ ὑπεροχὴ τοῦ ἔργου, χαράχτηκαν αὐθόρμητα καὶ βαθειὰ στὴ συνείδησι τῶν ἀκροατῶν ποὺ ἔζησαν μιὰ ἀληθινὰ τελετουργικὴ μουσικὴ ἑρμηνεία, βαθειὰ συγκλονιστικὴ καὶ ἐξυφωτικήν».

ΕΝΑΣ ΘΡΙΑΜΒΟΣ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

ΣΑΛΤΣΜΠΟΥΡΓΚ, Σεπτέμβριος.— "Οταν ὁ Δημήτρης Μητρόπουλος, μὲ μιὰ ἀκατανίκητη ἀναλλίαστ, ξεσήκωνε ἀπ' τοὺς ἠχητικοὺς ὄγκους, ποὺ διηύθυνε τὸ τελικὸ «Ἀμήν», στὸ ὀρατόριο τοῦ Φράντς Σμὶτ «Ἡ Βίβλος μὲ τὶς Ἑπτὰ Σφραγῖδε»», μιὰ θύελλα χειροκροτημάτων σπάνιας ἐντάσεως συγκλόνισε τὸ «Θεσπιλχάουζ». Μ' αὐτὴν τὴν ἐκτέλεσι, οἱ Ἰθύνοντες τῶν Καλλιτεχνικῶν Ἑορτῶν τοῦ Σάλτσμπουργκ ἔστηναν ἕνα ἠχητικὸ μνημεῖο στὸν μεγάλο συνθέτη ποὺ πέθανε πρὶν εἴκοσι χρόνια. "Ισως μόνο στὴν Αὐστρία τῆς Μπρουκνερικῆς «Δοξολογίας» καὶ τῆς «Συμφωνίας τῶν Χιλίων» τοῦ Μάλερ, μποροῦσε νὰ δημιουργηθῇ ἕνα ἔργο τέτοιου ἐπιβλητικοῦ μεγαλείου. Παρὰ τὴν ρωμαντικὴ του ἔμπνευσι, ὁ Φράντς Σμὶτ προηγήθη τῆς ἐποχῆς του ἀγγίζοντας αὐτὸ τὸ θέμα τῆς Ἀποκαλύψεως τοῦ Ἰωάννου, ἕνα θέμα πρὸς τὸ ὁποῖον στρέφονται μὲ ἰδιαίτερη προτίμησι σήμερα οἱ «μοντέρνοι» — Μπὺχτγκερ κ. ἄ. — γιὰ ν' ἀπεικονίσουν τὴν καταστροφή, τὸ τέλος τοῦ κόσμου στὶς ἡμέρες μας. Χαρακτηριστικό, ὡς τόσο, γιὰ τὸν Σμὶτ εἶναι πὼς δὲν ἀφίνεται νὰ καταθλιβῇ ἀπ' αὐτὲς τὶς φρικιαστικὲς ὀπτασίες τῆς Ἀποκαλύψεως, ἀλλά, μὲ μιὰ Μπρουκνερικὴ πίστι, τοὺς δίνει τὸ φῶς καὶ τὴν λάμψι τῆς Θείας Χάριτος. Ἔτσι, ἀντίκρυ στὴ σατανικότητα τῆς Ὑστάτης Κρίσεως, βάζει ἕνα γεμᾶτο πάθος «Ἀλληλουΐα». Τὰ κόρα χρησιμοποιοῦνται μὲ ἀντιστικτικὴ μαεστρία, γίνονται ἡ σπονδυλικὴ στήλη τῆς παρτιτούρας καὶ μὲ μιὰ συνεχῆ δραματικὴ ἔξαρσι, δὲν ἔχουν στιγμὴ ἀναπαύσεως, ἔτσι ποὺ κατὰ συνέπειαν, καμμιὰ ὄρια δὲν ξεχωρίζει μὲ τὴ συνειθισμένη ἔννοια τῆς «ἄριας». Σὲ τρία «ἐπιπεδα» ἐξελίσσεται τὸ ἔργο: Σ' ἐκεῖνο τῆς ἀφηγήσεως τοῦ Ἰωάννου, στὸ σύνολο τῆς πονεμμένης ἀνθρωπότητος καὶ στὶς μεγάλες ἀφηγήσεις τοῦ κόρου, ποὺ πάνω του ξεχωρίζει μόνο ἡ φωνὴ τοῦ Κυρίου. "Ετσι πραγματοποιεῖται ἕνα ἐνιαῖο «κρεσσέντο» πού, ὅπως στὸν Μπρούκνερ, ξετυλίγεται κατὰ κύματα. Τὸ ὅτι ὁ Φράντς Σμὶτ δὲν ἀκολουθεῖ τὴν ἁπλότητα ἑνὸς Μπὰχ καὶ δίνει πολὺ περισσότερη θέσι στὰ χρώματα, αὐτὸ εἶναι τὸ ἴδιο συνετὲς μὲ τὶς δυνατότητες του ὅσο καὶ ἡ χρησιμοποίησις τῆς φόρμας τῆς φούγγας, πού, σὲ μερικὲς ὑπερεντάσεις της δὲν ἀφίνει ἀρκετὰ καθαρὸ τὸ περίγραμμα τῶν θεμάτων. Τὸ ὅτι, ὡς τόσο, ὁ συνθέτης διαθέτει καὶ μέσα συγκινητικῆς ἠρεμίας ἀποδεικνύεται σὲ ὡρισμένα μέρη, ὅπως στὸ ἁπαλὸ τραγοῦδι τοῦ κόρου: «"Ω, πές, ποιὸς μπορεῖ ν' ἀνθέξῃ πιά;» ἢ στὴ μελωδία τοῦ γυναικείου κόρου: «Ἀδελφὲς καὶ παιδιά, μείνατε σταθερὰ στὸν πόνο...».

Ἡ ἐκτέλεσις ἑνὸς τέτοιου κολοσσιαίου ἔργου, δὲν ἦταν καθόλου κάτι τὸ τόσο εὔκολο. Καὶ τὸ νὰ διευθύνῃ κανεὶς μιὰ παρτιτούρα τέτοιας ἐκτάσεως καὶ τέτοιου βάθους ἀπὸ μνήμης, αὐτὸ ὑπερβαίνει τὸ συνειθισμένο ἀνθρώπινο μέτρο. Ὁ τρόπος ποὺ ὁ Δημήτρης Μητρόπουλος, μὲ ἀδιάκοπη δυναμικὴ ἔντασι, γεμίζει ζωὴ κάθε λεπτομέρεια καὶ μὲ μιὰ ἀσύγκριτη οἰκονομία τῶν δυνάμεων χρησιμοποιεῖ τὸ πᾶν δημιουργικὰ γιὰ νὰ ὑψώσῃ στέρεα τὸ τεράστιο αὐτὸ ἠχητικὸ οἰκοδόμημα, εἶναι κάτι ποὺ μένει ἀλησμόνητο.

"Εναν μεγαλειώδη ἄθλο ἐπέτυχαν ὑπὸ τὸν Μητρόπουλο τὰ κόρα τῆς «Ζίγκφεράϊν» τῆς Ἑταιρίας τῶν Φίλων τῆς Μουσικῆς τῆς Βιέννης, ποὺ εἶχε διδάξει ὁ διευθυντής τους Ράϊνχολντ Σμίντ. Τὸν ἴδιο ὕψιστο ἄθλο ἐπέτυχεν ἡ Φιλαρμονικὴ Ὀρχήστρα τῆς Βιέννης πού, ἐπὶ πλέον, τὰ πνευστά της (ἴδιως οἱ σάλπιγγες) εἶχαν νὰ ὑπερπηδήσουν ἀφάνταστες δυσκολίες. Κι' ἂς μὴν ξεχάσουμε τὸν "Αλοϊς Φόρερ ποὺ εἶνε ἀναλάβει τὸ ἐκκλησιαστικὸ "Οργανο.

Τὸν Ἰωάννη ἑρμήνευσε μὲ δραματικὴ φωνὴ ὁ τενόρος "Αντον Ντερμότα, ἐνῶ τὴν Φωνὴ τοῦ Κυρίου ἐνσάρκωνε ὁ βαθύφωνος Βάλτερ Μπέρρυ. Τὸ κουαρτέττο τῶν σολίστ ποὺ ἀπετελεῖτο ἀπὸ τὴν ὑψίφωνο Χίλντε Γκύντεν, τὴν μεσόφωνο "Ιρα Μάλανιουκ, τὸν τενόρο Φρὶτς Βούντερλιχ καὶ τὸν βαθύφωνο Μπέρρυ εἶναι ἐντεταγμένο ἔτσι μέσα στὸ σύνολο, ποὺ μόνο τὸν βαθύφωνο ἀφίνει νὰ ξεχωρίζῃ. Καθὼς εἶπα παραπάνω, τὰ χειροκροτήματα κα οἱ ἐπευφημίες ξεπέρασαν κάθε συνηθισμένο ὅριο.

Θὰ ἤθελα νὰ πληροφορηθῶν οἱ Ἀθηναῖοι φίλοι τῆς μουσικῆς, ὅτι ὁ μαθητής μου μαέστρος Ντίξον, ποὺ ἔχει διευθύνει ἐπανειλημμένως τὴν Κρατικὴ Ὀρχήστρα τῶν Ἀθηνῶν, προσελήφθη μὲ συμβόλαιο στὴν Συμφωνικὴ Ὀρχήστρα τοῦ Κονσερβατουὰρ τῆς Βοστώνης, ποὺ εἶναι μαζὶ μὲ τὴν Συμφωνικὴ Ὀρχήστρα τῆς Ἀκαδημίας Τζιούλλιαρτ δύο ἀπὸ τὶς καλύτερες ὀρχήστρες τῆς Ἀμερικῆς.

Ἐν συνεχείᾳ θὰ διευθύνω στὴ Βιέννη δυὸ συμφωνικὲς συναυλίες, καθὼς καὶ δέκα παραστάσεις στὴν ὄπερα τῆς Βιέννης. Συγκεκριμένως θὰ διευθύνω τὴν «Τόσκα», τὴν «Μπατερφλάϋ», τὴν «Μανόν», τὸν «Μπάλο ἰν μάσκερα» καὶ τὴν «Καβαλερία Ρουστικάνα». Αὐτὰ μέχρι τέλους Ὀκτωβρίου. Μετὰ θ' ἀναχωρήσω πάλι γιὰ τὴν Ἀμερική. Στὸ προσεχὲς Φεστιβὰλ Σάλτσμπουργκ θὰ διευθύνω μιὰ ὄπερα, ἡ ὁποία ἀκόμη δὲν ἔχει ἀνακοινωθῆ.

— Ποιές ἦταν οἱ καλύτερες ἐντυπώσεις σας ἀπὸ τὸ Φεστιβὰλ Σάλτσμπουργκ;

— Κάθε παράστασις, κάθε συναυλία, ἔχει φθάσει σὲ τέτοια τέλεια ἀπόδοσι, ὥστε εἶναι δύσκολο νὰ ξεδιαλέξῃ κανεὶς ποιὸ εἶναι τὸ καλύτερο. Πάντως ξεχώρισα τὴν «Μίσσα Σολέμνις» καὶ τὸν «Ὀρφέα» μὲ τὸν Φὸν Κάραγιαν, τὴ «Σιωπηλὴ Γυναῖκα» τοῦ Ρίχαρντ Στράους μὲ τὸν Κὰρλ Μπὶμ καὶ τὴν μοντέρνα ὄπερα τοῦ Ρίχαρντ Στράους μὲ τὸν Κὰρλ Μπὶμ καὶ τὴν μοντέρνα ὄπερα τοῦ Χάϊμο "Ερμπσε «Τζουλιέττα». Ὁ νέος αὐτὸς συνθέτης, κατὰ τὴν γνώμη μου, δίνει τὶς περισσότερες ὑποσχέσεις, γιὰ νὰ γράψῃ μιὰν ὥριμη σημερινὴ ὄπερα.

— Ποιά εἶναι ἡ γνώμη σας γιὰ τὴ νέα μουσικὴ γενεὰ συνθετῶν τῆς Εὐρώπης Χέντσε, Στοκχάουζεν, Νόνο, Ξενάκη κ.ἄ.

— Γιὰ τοὺς νέους σύγχρονους συνθέτες, μοῦ εἶπεν ὅτι βρίσκονται ἀκόμα στὸ στάδιο τοῦ πειραματισμοῦ καὶ ὅτι ἔχουν μιὰ τάσι, ποὺ κλίνει περισσότερο πρὸς τὴν μηχανικὴ κατασκευή, παρὰ πρὸς μιὰ πνευματικὴ σύλληψι. Αὐτὸ φυσικὰ δαδίζει μὲ τὸ πνεῦμα τῆς ἐποχῆς, καὶ ἀκόμα δὲν ἔχουμε σαφεῖς ἐνδείξεις σὲ τί αἰσθητικὰ ἀποτελέσματα θὰ καταλήξῃ. Μ' ἐνδιαφέρουν πάντως πολὺ ὡρισμένες δημιουργίες τους καὶ νομίζω, ὅτι ἐμεῖς ὀφείλουμε νὰ τοὺς δοηθήσουμε παρουσιάζοντας ἀξιόλογα ἔργα τους στὸ μεγάλο κοινό.

Τελειώνοντας τὴ συζήτησί μας μὲ παρεκάλεσε νὰ μεταδώσω στὸ ἀγαπημένο του ἑλληνικὸ κοινὸ τὸν ἀκόλουθο χαιρετισμό:

«Μοῦ κόστισε πάρα πολὺ πού λόγοι ὑγείας, πραγματικά, δὲν μοῦ ἐπέτρεψαν νὰ ἔλθω στὴν Ἑλλάδα, διότι δύο φορὲς ποὺ ἤλθα μὲ τὴν Φιλαρμονικὴ τῆς Νέας Ὑόρκης καὶ τὴν Φιλαρμονικὴ τῆς Βιέννης, ἐνοιωσα τὴ μεγαλύτερη συγκίνησι τῆς ζωῆς μου καὶ τῆς ὅλης μου καρριέρας, τὴν ὁποία ὀφείλω στὴν ἐμπιστοσύνη ποὺ μοῦ ἔδειξαν οἱ Ἀθηναῖοι καὶ μ' ἐδοήθησαν νὰ ἐξελιχθῶ»

*Mit größter Spannung wartete gestern das Publikum der Philharmonischen Konzerte auf das Erscheinen des Dirigenten Dimitri Mitropoulos. Erstes „Philharmonisches" der Saison: Mitropoulos dirigierte „Don Quixote" und „Also sprach Zarathustra" von Strauss

Nach der Richard-Strauss-Festwoche der Staatsoper fand das Gedenken an den 10. Todestag des Meisters auch im 1. Philharmonischen Abonnementskonzert seinen Niederschlag. Besonders erfreulich dabei die Grundidee, zwei relativ selten gespielte Tondichtungen zusammenzuspannen: Die tragikomischen Abenteuer des „Don Quixote" sind im Konzertsaal ungefähr ebenso rar wie das großartige Pathos der Phantasie über Nietzsches „Also sprach Zarathustra". In ihrer Struktur und in ihrer geistigen Haltung sind diese beiden Werke einander diametral entgegengesetzt und haben nur das eine gemeinsam, daß sie Orchester und Dirigenten Gelegenheit geben zu zeigen, was in ihnen — dem Orchester und dem Dirigenten — steckt.

„Phantastische Variationen über ein Thema ritterlichen Charakters" steht als Formbezeichnung über dem „Don Quixote", womit die Anlage des ganzen Werkes hinreichend gekennzeichnet erscheint. Sie ist bei allem orchestralen Glanz mehr kammermusikalischer Natur (die zahlreichen solistischen Einlagen gehören zu diesem Bild, wobei durchaus nicht nur an das Solocello und die Solobratsche zu denken ist). Hier durfte es sich erweisen, daß Dimitri Mitropoulos keineswegs in erster Linie ein mitreißender „Orchesteraufrührer" ist: mit sehr behutsamer Hand legte er das Gespinst der Linien und thematischen Verflechtungen bloß, ließ den Witz der rhythmischen Gegensätze aufsprühen und mit unnachahmlicher Eleganz die Pointen der absonderlichen Kadenzierungen fallen. Und wo es um Witz, Eleganz und klangliche Delikatesse geht, sind die Philharmoniker mit ganzem Herzen dabei, im Solo (Emanuel Brabec, Ferdinand Stangler) und im Tutti.

Nach den Träumen des Ritters von der traurigen Gestalt die Träume Zarathustras, den dithyrambischen Visionen Nietzsches nachempfunden. Die Vorwürfe, die man Strauss nach der Uraufführung machte, er habe ein philosophisches System in Musik umsetzen wollen, erscheinen heute grotesk: Also hat kein Philosoph gesprochen! Mit einer solchen Inbrunst, mit so visionärer Kraft, mit einer solchen Kühnheit der Phantasie, die souverän Diesseitiges (Apotheose des Tanzes), Geistiges und Naturphänomene (Sonnenaufgang) zur Einheit bindet, drückt sich nur der Künstler aus. Mitropoulos und die Philharmoniker wuchsen in ihrer Interpretation des „Zarathustra" noch über die schon brillante Leistung bei „Quixote" hinaus und bereiteten ein Fest, in dem höchst irdisches Musikantentum und geschliffene Gedanklichkeit eine nur in Wien mögliche innige Symbiose eingingen.

Wochenende im Musikvereinssaal:

EXPRESS 21-9-59

Der philharmonische Auftakt

1. Abonnementkonzert der Wiener Philharmoniker, Samstag und Sonntag im Großen Musikvereinssaal, unter der Leitung von Dimitri Mitropoulos. Programm: „Don Quichote" und „Also sprach Zarathustra" von Richard Strauss.

„Man müßte das mindestens fünfundzwanzigmal hören, dann könnte man's vielleicht verstehen!" — also sprach eine Dame zu ihrem Begleiter in der Pause des ersten Abonnementkonzertes der Wiener Philharmoniker am Sonntag, mit dem traditionsgemäß die Konzertsaison begann. Gemeint war Richard Strauss' „Don Quichote", immerhin sechzig Jahre alte programmatische Illustrationsmusik. Man sieht: die Philharmoniker haben es mit ihren Abonnenten und Programmen nicht leicht.

Der philharmonische Auftakt, anläßlich der zehnten Wiederkehr des Todestages von Richard Strauss zur Gänze dessen Werk gewidmet, war, wie zu erwarten, gewichtig, spannend und genußreich. Wobei Mitropoulos, in der scheinbaren Großzügigkeit der Gestik immer mehr Furtwängler ähnlich, für die fällige Überraschung sorgte: „Don Quichote", von den meisten Dirigenten als Ölgemälde hergezeigt, führte er als dezentes Aquarell vor, liebevoll in der Detailmalerei, kammermusikalisch gedämpft, wo nur irgend möglich, im Sinne der literarischen Vorlage episch und beschaulich, nur ganz selten theatralisch erhitzt. Den Titelhelden porträtierte Emanuel Brabec mit größter Tonschönheit und technisch überlegen in seinem Cellosolo; als Sancho Pansa war ihm Ferdinand Stangler (Solobratsche) ein würdiger Partner.

DIRIGIERTE das erste „Philharmonische": Dimitri Mitropoulos.

Hatte Dimitri Mitropoulos schon hier zuweilen versucht, harmonische Härten in der Wiedergabe auszuprägen, so nützte er diese Möglichkeit. Spannungen zu erzeugen, nach der Pause beim „Zarathustra" ganz besonders. Dessen Gedankenflug wurde zur gewaltigen symphonischen Dichtung: die breiten Steigerungen der Musik und ihre thematische Verarbeitung waren plastisch, intensiv und organisch dargestellt. Daß die Interpretation weniger von intellektuellem Raffinement als von echtem romantischem Empfinden gesteuert war, durfte man bei Mitropoulos erwarten.

Die Leistung des Orchesters, allzu leicht als Selbstverständlichkeit hingenommen, war bedeutend, der Klang der Streicher von jener Fülle und exakten Weichheit (nicht mit Weichlichkeit zu verwechseln!), die auf der bevorstehenden Weltreise gewiß wieder am meisten bewundert werden dürften.

Theater und Kunst

Philharmonische Strauss-Gedenkfeier

Nicht nur aus Pietät für den Großmeister, mit dem sie durch Jahrzehnte künstlerisch so eng verbunden waren, gedachten die Philharmoniker in ihrem ersten Konzert seiner, sondern auch weil sie sich in dieser von Stefan Zweig als unhumanistisch, ja antihumanistisch gekennzeichneten Zeit, an deren Anfang nicht das Wort oder der Geist, sondern das Elektronengehirn und die Logarithmentafel stehen, zu Strauss' Lebens- und Kunstauffassungen bekennen.

„Don Quixote" und „Zarathustra", die auf dem Programm standen, gehören nicht zu seinen erfolgreichsten Werken. Die ironisch-phantastische Grundhaltung des Variationenwerkes, das die klanglichen Ausdrucksmittel barock übersteigert und tonmalerische Virtuosität bis zu den äußersten Grenzen treibt, ist problematisch, und den vollen Genuß könnte, wie Krause richtig bemerkt, eigentlich nur der „wissende" Hörer haben, der zuvor die einzelnen Kapitel des Cervantes nachgelesen hat. Aber das wollte Strauss kaum. Ihm lag nur daran, in diesen köstlichen „Veränderungen" der beiden kontrastierten Themen funkelnden Witz leuchten zu lassen und den Hörer durch die mannigfaltigen Aventuren des traurigen Ritters und seines pfiffigen Knappen zu jenem lyrischen Epilog zu führen, in dem wir, ähnlich wie im „Till", von dem weisen Narren wehmütigen Abschied nehmen. Es war einmal ...

Ganz anders, aber auch keineswegs als „caviar to the general", wirkt die Popularphilosophie Zarathustras, tönendes Abbild der Geisteswelt eines Dichter-Philosophen, dem die Musik so unendlich viel bedeutete. Das Werk begegnete von Anfang an selbst bei Geistern wie Romain Rolland Mißverständnis, und vielleicht hat Hugo Wolf, der Strauss freilich nicht mochte, nicht übertrieben, wenn er die Wiener Erstaufführung unter Hans Richter als „Heiterkeitserfolg" bezeichnete. Aber wie es doch in dieser Musik blüt und grünt, wie sich die Freuden und Leidenschaften, das großartige Grab- und das Tanzlied endlich zur Verklärung aufschwingen und doch ein letzter Erdenrest ungelöst bleibt!

Die Philharmoniker widmeten beiden Werken ihr bestes Können und führten sie unter Dimitri Mitropoulos' Leitung zu stärkster Wirkung und echtem Erfolg. Beide Werke stellen ja in ihrer unerhört komplizierten und raffinierten Instrumentation höchste Anforderungen an das Orchester und sind Virtuosenstücke. Mitropoulos weiß mit sparsamen Bewegungen, die Spitze des Taktstockes meist dem Boden zugekehrt, unmerklich jeden Solisten, jede Orchestergruppe exakt heranzuholen, gewisse Längen und allzu redseligbreite Stellen (vor allem im „Quixote") zu überbrücken und Höhepunkte von unerhörtem Glanz und zauberhafter Schönheit zu erzielen. Wie er die gefährliche, leicht zu einem Klangbrei entartende „Wissenschafts"-Fuge klar aufbaut oder den „Tanz der leichten Füße" zu dionysischem Übermut emporsteigert, ist grandios. Vielleicht war Krauß wienerischer, leichtbeschwingter, Furtwängler emphatisch-romantischer: aber Mitropoulos' Leistung hätte zweifellos doch auch dem Meister selbst gefallen.

Stürmischer Beifall für das Orchester, für die ausgezeichneten Solisten Emanuel Brabec (Don Quixote) und Ferdinand Stengler (Sancho Pansa) und last, not least für Mitropoulos. Und ein Gefühl innigen Dankes und unzerstörbarer Verbundenheit für Richard Strauss, den Unvergeßlichen. Ein schöner Beginn.

Don Quixote und Zarathustra

Philharmonischer Konzertauftakt unter Dimitri Mitropoulos

Das erste Abonnementkonzert der Wiener Philharmoniker stand unter der Leitung von Dimitri Mitropoulos. Auf dem Programm standen, dem Gedenktag vom 8. d. Rechnung tragend, zwei Symphonische Dichtungen von Richard Strauss. Mitropoulos ist ein hervorragender Interpret auch dieses Meisters, und die Art, wie er sich der Musik widmet, hat ebensoviel richtige Beziehung zum Stil als Eigenart. Den „Don Quixote" legte Mitropoulos ganz auf subtile Konturierung, auf geradezu kammermusikalische Gesamtwirkung hin an. Dadurch wurde die Feinheit der Einfälle und der reichen instrumentalen Linienführung aufs deutlichste hervorgekehrt, und Mitropoulos hat auf diese Weise wertvoll betont, wie bei Strauss die rein musikalische Form und Entwicklung (Phantastische Variationen über ein Thema ritterlichen Charakters) die Gebundenheit an das äußerliche Programm überwindet. Emanuel Brabec spielte das Cellosolo. Es ist gut, wenn der Solist dem Orchester angehört, weil dadurch das richtige innige Verhältnis des solistischen Anteils zu Ganzen hergestellt wird; ein Orchester wie die Philharmoniker kann es sich auch gar wohl leisten, den Cellisten aus den eigenen Reihen zu berufen. Brabec musizierte ebenso vorzüglich wie sein Kollege Ferdinand Stangler (Viola), und das Orchester folgte den Intentionen Mitropoulos' auf schönste, kultivierteste Art.

Die Tondichtung „Also sprach Zarathustra" gab der Dirigent mit der gebührenden dithyrambischen Intensität in Duktus und Farbe wieder und führte sie zu ganz großer, doch nicht im geringsten plakathafter Wirkung. Die Philharmoniker konnten in ihrer weltberühmten warm, füllig und beseelt leuchtenden Klangpracht schwelgen. — Starker Beifall.

Die Philharmoniker feierten Richard Strauss

„Don Quixote" und „Zarathustra" mit Dimitri Mitropoulos

Das Eröffnungskonzert der philharmonischen Saison im Musikverein wurde zu einer großartigen Manifestation unwandelbarer Richard-Strauss-Liebe und -Verehrung, die Wiens führendes Orchester dem großen Komponisten, der einen Schlußstrich unter das erhabenste, schönste Kapitel abendländischer Musik zog, entgegenbrachte und entgegenbringt. Der Genius loci half mit, dieser denkwürdigen Veranstaltung den Zauber einer persönlichen Note zu verleihen. An der gleichen Stelle, an welcher diesmal Dimitri Mitropoulos in selten anzutreffender Vollkommenheit seines Amtes waltete, hat der Komponist oft und oft die authentische Interpretation seiner Schöpfungen demonstriert. Schattenbilder der Erinnerung verschmolzen mit der glückhaften Gegenwart einer Stunde begnadeten Musizierens, die, als Verbeugung vor dem Genie des Komponisten gedacht, dessen Todestag sich im September zum zehntenmal jährte, zu einem Herzensbekenntnis wurde, welches das Orchester der Philharmoniker in Höchstform zeigte.

Aus dem Kosmos des Strauss'schen symphonischen Oeuvres erwählte man für die Programmbildung dieser Gedächtnisfeier „Also sprach Zarathustra" und „Don Quixote", Werke, deren Komposition noch ins vorige Jahrhundert reicht, die der Zeitablauf jedoch nun von veränderten Blickpunkten aus betrachten lehrt. Wie häufig war ein gegen die Gattung „Symphonische Dichtung" erhobener Vorwurf zu vernehmen, der in der Programmatik bleierne Fesseln zu suchen vermeinte, welche das musikalische Geschehen zu rein illustrativen Funktionen herabmindern und durch effekthaschende Kunstgriffe über die Banalität solchen Kompositionsstils hinwegtäuschen sollten. Die tonmalerischen Farbflecke der Strauss'schen Palette, die bei der Generation unserer Großväter je nach Temperament Schmunzeln, Erstaunen oder Bestürzung auslösten, empfinden wir heute als Ornamente und völlig unessentiell angesichts der Fülle melodischer, harmonischer und instrumentaler Pracht, die sie umhüllen. Strauss-Orchesterwerke sind durchaus absolute Musik im vollen Sinn der Begriffsempfindung. Ihre Titelgebungen bedeuten weit eher Hinweise auf Quellen der Inspiration als Aufschriften einer eng umrissenen Übersetzung dieses oder jenes Themas ins Musikalische.

Die These von der ewigen Wiederkunft der Dinge, die Nietzsche dem Zarathustra-Kult der Perser entnahm, hat das lebensbejahende, alles Irdische universell und genial erfassende Künstlertum des Meisters zu einem seiner schönsten Werke entflammt, von dem Bartok in seiner Erinnerung schreibt, es habe ihn beim ersten Anhören aus der Stagnation, in der sein eigenes kompositorisches Schaffen geraten sei, befreit. Die Schönheiten des Werkes ließ Dimitri Mitropoulos in jenen Höhenregionen der Vollendung erblühen, die zu erreichen nur einer Künstlerpsyche seiner Art beschieden ist, in der Ethik und Begeisterung, souveränes Beherrschen der Materie und magistrale Dirigentenfähigkeit einen Bund geschlossen haben. Der Jubel, der den berühmten Dirigenten begrüßte und bedankte, war nicht zuletzt Ausdruck freudiger Genugtuung, ihn nach überstandener Krankheit in ungebrochener Schaffenskraft wirken zu sehen.

Dem leuchtenden Kolossalgemälde des „Zarathustra" ging eine subtile, bis ins letzte klanglich und rhythmisch ausgefeilte Wiedergabe des „Don Quixote" voran, dieses Doppelkonzerts für Cello und Viola in symphonischer Umrahmung. Die Solopartien erfuhren durch Emanuel Brabec und Ferdinand Stangler mustergültige Wiedergabe. Mitropoulos bevorzugte diesmal auffallend breite Tempi, eine Auffassung, die sich durchaus rechtfertigen läßt: erfordert doch der Vortrag von Legenden und Märchen Beschaulichkeit. Sohin wurden die zahlreichen Rezitative der Partitur nicht zu hektischen Zwischenrufen, sondern zu sinnvoller Wechselrede zwischen dem melancholischen, dem schwindenden Glanz des Rittertums vorausahnenden Edelmann und seinem ulkigen Knappen.

Philharmoniker feiern Richard Strauß

Die Wiener Philharmoniker, vollendete Interpreten der großen Komponisten aller Länder, dürfen sich im besonderen mit Recht ein Richard-Strauß-Orchester nennen. Die Tradition ihrer Strauß-Wiedergabe geht auf den eng mit ihnen verbundenen Meister selbst zurück, dessen Willen sie nun einer jüngeren Generation vermitteln. Die symphonische Dichtung „Don Quixote" stand am Anfang ihres ersten diesjährigen Abonnementskonzerts. Das 1897 geschaffene Werk ist einer der kühnsten Vorstöße in die Musik des 20. Jahrhunderts. Sein Reichtum an melodischen, harmonischen und orchestralen Einfällen hat bis heute den Reiz des fesselnd Neuen nicht verloren. Selbst die naturalistische Tonmalerei, wie etwa die Imitation einer blökenden Hammelherde, bleibt hier (zum Unterschied von der späteren „Alpensymphonie") bloße Arabeske, und sprengt nicht den Rahmen der musikalischen Form von „phantastischen Variationen über ein ritterliches Thema". Weitaus weniger neu und kühn ist die gewiß auf breitere Kreise wirkende symphonische Dichtung „Also sprach Zarathustra". „Frei nach Nietzsche" komponiert, widerhallt in ihr ein unverkennbares Mißverständnis des Philosophen, der durchaus nicht so harmlos war wie manche schon den „Rosenkavalier" vorwegnehmende Walzerepisoden dieser Musik. Immerhin: auch ein schwächerer Strauß bleibt die Arbeit eines starken Musikers.

Dimitri Mitropoulos, der die Strauß-Feier der Philharmoniker leitete, nahm den „Don Quixote" mit ungewohnter Breite. Eine gewisse Schwere des Ausdrucks und stellenweise des Klanges, die Strauß selbst am Dirigenpult immer zu vermeiden wußte, war die Folge. Zuverlässig und tonschön spielten Emanuel Brabec und Ferdinand Stangler die schwierigen Soli. Weit mehr entsprach die Klangwelt des „Zarathustra" der außerordentlichen Dirigentenpersönlichkeit Mitropoulos'. Hier wurde, wie die Partitur es vorschreibt, das gigantische Orchester bald zu monumentaler Fülle entfesselt, bald zu kammermusikalischer Feinheit gedämmt. Und die einzigartigen Philharmoniker, die den Hörer zu berauschen vermögen, ohne ihm sein klaren Kopf zu nehmen, feierten einen Triumph, der mit triumphalem Beifall belohnt wurde.

ÖSTERREICHISCHE NEUE TAGESZEITUNG

Glanzvoll musizierte Philosophie unter Mitropoulos

Philharmonischer Auftakt in memoriam Richard Strauss — „Zarathustra" siegte über „Don Quixote"

Der Beginn des neuen philharmonischen Jahres stand im Zeichen von Richard Strauss, dessen Todestag sich kürzlich zum zehnten Male jährte, dessen ganze Liebe den Wiener Philharmonikern gehörte, denen er einmal (zu ihrer Hundertjahrfeier) schrieb: „Nur wer die Wiener Philharmoniker dirigiert hat, weiß, was sie sind, das bleibt unser eigenstes Geheimnis! Ihr versteht mich schon: hier — wie am Pult."

Das Eröffnungskonzert, in der Programmwahl nicht ganz glücklich (zwei symphonische Dichtungen aus derselben Schaffensperiode des Meisters mit allzu ähnlichem instrumentalem Habitus) brachte zugleich ein herzliches Wiedersehen mit Dimitri Mitropoulos, der, nach seiner schweren Erkrankung und schmerzlich langen Pause, zum ersten Male wieder in Wien am Pult der Philharmoniker stand: ein wenig müde, wie uns schien, und um einige Schritte weiter dem Kreis des realen Daseins entrückt. Die „Phantastischen Variationen über ein ritterliches Thema" zu den tragikomischen Aventüren des Ritters von der traurigen Gestalt, gerieten denn auch mehr ins Lyrisch-Tragische als ins Komische. Die hier von Strauss so meisterhaft instrumentierte Ironie wollte nicht recht blitzen (was für ein verwegenes Feuerwerk pflegte Clemens Krauss da mit den Philharmonikern abzubrennen!), Rosinantes Gang war ein wenig schleppend, die tollen Bocksprünge Don Quixotes und Sancho Pansas, die musikalischen Attacken gegen Hammelherden, Windmühlenflügel und Bettelmönche erschienen wie hinter einem Schleier, und es war irgendwie ergreifend, zu hören, wie Mitropoulos eigentlich erst am Ende des Werkes ganz zu Richard Strauss und zu sich selber fand, indem er Don Quixote einen still-verklärten, völlig ins All verschwebenden, wahrhaft versöhnlichen Tod schenkte. Ferdinand Stangler spielte die Bratschensoli (Sancho Pansa) mit kammermusikalischer Dezenz, Emanuel Brabec das Solo-Cello (Don Quixote) mit konzisem Strich und wundervollem Ton ohne ins Artistische auszubrechen.

Nach der Pause nahm Mitropoulos den Stab erst so recht in die Hand. Die vital musizierte Gedankenwelt des „Zarathustra" liegt seinem romantischen Temperament auch weit besser. Hier hatte alles Kraft, Größe und Hintergrund. Die Sonne ging strahlend auf, das Kredo leuchtete über den Talnebeln der Hinterwäldler, der Geist triumphierte und die Philosophie der Freude im unverfälschten Walzertakt („Ich würde nur an einen Gott glauben, der zu tanzen verstünde", bekannte Nietsche einmal) wuchs ins Dithyrambische. Mitropoulos setzte machtvolle Höhepunkte und führte die prächtig und geschmeidig musizierenden Philharmoniker auf steile Gipfel. So wurde es doch noch ein richtiges Richard-Strauss-Fest. „Tosca" — verspätet und verbilligt

Zum gestrigen Puccini-Abend der Staatsoper mit italienischer Verschubgarnitur

Weil Giuseppe di Stefano erkrankt ist, spielte man gestern in der Staatsoper „Tosca" statt „Manon Lescaut", und dies nicht ab halb acht, sondern erst ab acht Uhr, da die „besonderen" Preise in „erhöhte" umgewandelt worden waren und die Besucher an den Abendkassen Schlange standen. Immerhin: Puccini und Mitropoulos waren auf dem Programmzettel geblieben. Trotzdem war es kein „besonderer" Abend noch ein erhöhter Genuß, was da die In- und Umdispositionen bewirkt hatten. Und nach dem ersten Akt wurde man das bedrückende Gefühl nicht los, die Vorstellung hätte immer noch zu früh begonnen. Cavaradossi plagte sich mit jeder lyrischen Phrase und war hörbar aufgeregt, Tosca sang alle hohen Töne mit absolut unzulässigen Schleifern an und machte ohne Pause ein recht pikiertes Gesicht, und Scarpia schien, was die Dämonie seiner Gestalt anlangt, im selben Maße reduziert zu sein wie das große erste Finale, in dem eine Reihe von Statisten fehlte.

Im zweiten Akt ging's dann besser. Roberto Turini, ein Tenor, der seine Zukunft zum nicht geringen Teil wohl schon hinter sich hat, ließ im „Gloria, Victoria" seine heldischen Seiten und Saiten erkennen und springen, Maria Curtis-Verna machte zwar darstellerisch aus ihrer Floria Tosca noch immer nicht eine „berühmte Sängerin", durfte jedoch mit dem tadelfrei gesungenen „Gebet" dieses Attribut für sich selbst in Anspruch nehmen, und Ettore Bastianini, der sich weiterhin enthielt, den Scarpia etwa auch zu spielen, überraschte immerhin mit der Neuheit, daß diese Partie sogar für einen Belcantisten eine lohnende Aufgabe sein kann. Bastianinis Polizeichef hatte, wenn schon nichts anderes, Gold in der Kehle.

Auf der Engelsburg entfaltete sich Tosca als Liebende in Spiel und Gesang zu vollkommener Einheit. Wohllaut und Gefühlsreichtum des nunmehr ruhig geführten Soprans waren kaum zu überbieten. Und Turini lenkte seinen eher trockenen, dem schmelzreichen Legato-Bogen durchaus abgeneigten Tenor mit Anstand und Routine durch die Fährnisse der großen Romanze und des langen Liebesduetts.

Dimitri Mitropoulos dirigierte intensiv und nuancenreich, mitunter mehr der Breite huldigend, als dies bei dem Mangel an großen Sängerpersönlichkeiten recht sein konnte. Erich Majkut erwies sich in der regielich ungeschickt gelösten Schlußszene einmal mehr als Improvisationskünstler.

ΝΕΕΣ ΕΝΘΟΥΣΙΩΔΕΙΣ ΚΡΙΤΙΚΕΣ ΓΙΑ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟ

Στις ἐφημερίδες τῆς Βιέννης ἐδημοσιεύθησαν πρὸ ἡμερῶν ἐνθουσιώδεις κριτικὲς γιὰ τὶς συναυλίες τὶς ὁποῖες διηύθυνε ἐκεῖ ὁ μεγάλος Ἕλλην μαέστρος Δημήτρης Μητρόπουλος, μὲ τὸν «Δὸν Κιχώτη» καὶ τὸ «Τάδε ἔφη Ζαρατούστρας» τοῦ Ρίχαρντ Στράους.

— «Μετὰ τὴν ἀναμνηστικὴ ἑβδομάδα στὴν Ὄπερα, γράφει ὁ κριτικὸς Ραῦντολφ Βάϊσχάπελ, ἡ μνήμη τοῦ Ρίχαρντ Στράους ἐτιμήθη καὶ μὲ τὴν ἐναρκτήριο συναυλία τῆς Φιλαρμονικῆς. Ἰδιαιτέρως εὐχάριστο νὰ δοθοῦν δύο ἀραιὰ παιζόμενα ἔργα του — οἱ κωμικοτραγικὲς περιπέτειες τοῦ Δὸν Κιχώτη εἶναι τόσο σπάνιο ἀκρόαμα ὅσο καὶ ἡ μεγαλειώδης παθητικὴ Φαντασία «Τάδε ἔφη Ζαρατούστρας». Ἐδῶ (Δὸν Κιχώτης) διαπιστώθηκε ὅτι ὁ Μητρόπουλος δὲν εἶναι πρωτίστως ἕνας συναρπαστικὸς «διεγέρτης τῆς ὀρχήστρας»! Μὲ στοχαστικὰ ἁπαλὸ χέρι ἀπεκόλυψε τὴν ὀψὴ τῶν θεματικῶν συμπλεγμάτων, ἄφησε ν' ἀναλάμψη τὸ σκῶμμα τῶν ρυθμικῶν ἀντιθέσεων καὶ ν' ἀπηχήσουν μὲ ἀπαράμιλλη κομψότητα οἱ παράξενες κατακλεῖδες. Ὅπου πρόκειται γιὰ χιοῦμορ, λεπτότητα καὶ χάρι, οἱ φιλαρμονικοὶ συμπράττουν μὲ τὴν καρδιά τους. Μετὰ τὶς ὀνειροπολήσεις τοῦ Ἱππότη τῆς Ἑλληνικῆς Μορφῆς, οἱ ὀνειροπολήσεις τοῦ Ζαρατούστρα, οἱ διθυραμβικοὶ δραματισμοὶ τοῦ Νίτσε... ὁ Μητρόπουλος καὶ ἡ Φιλαρμονικὴ ὑψώθηκαν σ' αὐτὴ τὴν ἑρμηνεία ὑπεράνω καὶ αὐτῆς τῆς ἤδη Ἐκλαμπρης ἑρμηνείας τοῦ Δὸν Κιχώτη, καὶ μᾶς παρέθεσαν μιὰ πανδαισία, ὅπου ἐπίγεια τεχνικὴ καὶ ἐξιδανικευμένη πνευματικότητα ἐπραγματοποίησαν μιὰ εὐτυχῆ συμβίωσι».

— Ἐξ ἄλλου, ἡ ἐφημερὶς «Τύπος» τῆς 22 Σεπτεμβρίου γράφει: «Ἡ ἐναρκτήριος συναυλία τῆς Φιλαρμονικῆς ἦταν μιὰ μεγαλειώδης ἐκδήλωσις ἀγάπης καὶ θαυμασμοῦ πρὸς τὸν Ρ. Στράους. Τὸ «πνεῦμα τοῦ τόπου» προσέδωσε στὴν μνημειώδη αὐτὴ ὀργάνωσι τὴν μαγεία μιᾶς προσωπικῆς νότας! Στὴ θέσι ὅπου σήμερα ὁ Μητρόπουλος λειτουργοῦσε μὲ ἀνυπέρβλητη τελειότητα, ὁ ἴδιος ὁ συνθέτης ἐπὶ χρόνια καὶ χρόνια μᾶς ἀπεκάλυπτε τὸ αὐθεντικὸ νόημα τῶν δημιουργημάτων του. Οἱ ὀπτασίες τῆς μνήμης συγχέονται μὲ τὸ εὐτυχὲς παρὸν μιᾶς ὑπερευλογημένης μουσικῆς στιγμῆς, προσφερομένης εὐλαβικὰ στὴν μεγαλοφυΐα τοῦ συνθέτη, κατὰ τὴν δεκάτη ἐπέτειο τοῦ θανάτου του... Ὁ Μητρόπουλος ἄφησε ν' ἀνθίσουν οἱ δομρφιὲς τοῦ ἔργου (Ζαρατούστρας) στὶς ὕψιστες ἐκεῖνες κορυφὲς τελειότητας τὶς ὁποῖες δὲν εἶναι δοσμένο νὰ πλησιάση παρὰ μιὰ καλλιτεχνικὴ φύσις σὰν τὴ δική του—ὅπου ἦθος κι' ἐνθουσιασμός, ἡγεμονικὴ κυριαρχία τῆς ὕλης καὶ ὑπέρτατη ἱκανότητα τῆς διευθύνσεως, ἔχουν συνδεθῆ κατὰ τρόπο θαυμαστό. Οἱ ἐπευφημίες ποὺ ὑποδέχτηκαν καὶ ποὺ εὐχαρίστησαν τὸν διάσημο ἀρχιμουσικό, ἦταν συγχρόνως καὶ ἡ ἐκδήλωσις μιᾶς χαρούμενης ἱκανοποιήσεως νὰ τὸν ξαναβοοῦν, ὕστερα ἀπὸ μακρὰ ἀρρώστεια, γεμᾶτο σφρίγος καὶ ἀκμὴ στὴν δημιουργική του δρᾶσι. Τῆς ἐκθαμβωτικῶς μεγαλειώδους ἑρμηνείας τοῦ Ζαρατούστρα, εἶχε προηγηθῆ μιὰ λεπτεπίλεπτη, ὡς τὴν τελευταία λεπτομέρεια ρυθμικὰ καὶ ἠχητικὰ ἐπεξεργασμένη ἀπόδοσι τοῦ Δὸν Κιχώτη. Τούτη τὴ φορὰ ὁ Μητρόπουλος προτίμησε τὰ πλατειὰ τέμπι, μιὰ ἀντίληψις ποὺ δικαιολογεῖται ἀπόλυτα, ἐφ' ὅσον ἡ ἀφήγησις μύθων καὶ παραμυθιῶν ἀπαιτεῖ μιὰ ρεμβώδη ἐνατένισι. Ἔτσι, τὰ πολυπληθῆ ρεσιτατίβα τοῦ ἔργου δὲν ἦταν νευρικὲς κραυγές, ἀλλὰ γεμᾶτες νόημα ἐρωταποκρίσεις μεταξὺ τοῦ μελαγχολικοῦ δραματιστῆ καὶ τοῦ ἀστείου ἀκολούθου του».

KUNST UND KULTUR

Philharmonischer Strauss-Strauß

In seiner symphonischen Dichtung „Don Quixote" hatte der dreiunddreißigjährige Richard Strauss den Gipfel seiner tonmalerischen Meisterschaft erklommen, die ihn befähigte, nach seinen eigenen Worten, „ein Bierglas in Musik zu setzen". Nur, daß hier aus dem Bierschaum, in Klang umgesetzt, eine der großartigsten Gestalten der Weltliteratur stieg, ein Verrückter, der auf Windmühlen losreitet, immer wieder im törichten Zorn aufbraust, aber auch ein echter Ritter, der sein Herz in freilich nicht mehr zeitgemäßer Romantik allem Schönen und Edlen aufgeschlossen hat. Wie schon im „Till Eulenspiegel" unterlegt Strauss auch diesem genialen Tongemälde eine althergebrachte musikalische Form, hier die der Variation; in phantastischen Veränderungen deutet die schwelgerische Orchestersprache das Bild des Ritters von der traurigen Gestalt inmitten seiner verschiedenen Abenteuer.

In dem ersten Philharmonischen Konzert, anläßlich seines zehnten Todestages ausschließlich Strauss gewidmet, legte Dimitri Mitropoulos in seiner Interpretation das Hauptgewicht nicht sosehr auf äußerliche Orchestervirtuosität als auf das Verträumt-Grüblerische des vereinsamten Ritters. Der hagere Dirigent stürzt sich mit der Intensität eines Geiers auf Einzelheiten am Rande, während sein Taktstock mit geringstem Aufwand das Tongeschehen in streng geordneten Bahnen hält, zeichnet seine Linke einzelne Figuren nach, nimmt sie vorweg, oft aber feuert sie auch nur dazu an, einen lang angehaltenen Ton mit besonderem Ausdruck vorzutragen. An den affektvollen Höhepunkten, wenn sich Don Quixote zornig im Sattel emporreckt oder das Gold des Blechs zum Angriff bläst oder eine überschwängliche Melodik zur nächtlichen Träumerei einladet, da überließ Mitropoulos aber überlegen das ihm anvertraute Meisterorchester sich selber, das aus eigenem am allerschönsten aufblühte. Sehr schön spielte Emanuel Brabec die den Ritter charakterisierenden Cellosoli, fast noch schöner Ferdinand Stangler die Sancho Pansas leere und doch gemütvolle Geschwätzigkeit schildernde Solobratsche.

In nicht ganz die gleichen seligen Tongefilde lud nach der Pause das zweite Strauss-Werk „Also sprach Zarathustra" ein. Wohl welträtselten die tiefen Streicher recht stimmungsvoll und trugen die philharmonischen Geigen die olympische Heurigenmusik des Zarathustrischen Tanzwalzers mit mitreißendem Schwung vor, einigten sich auch unter der souveränen Führung ihres Dirigenten das volle Orchester und die von Franz Schütz gemeisterte Orgel zur Straussischen Klangorgie. Hier stört aber doch heute bereits ein wenig die Diskrepanz zwischen musikalischem Gedanken und Aufwand, aus dem Straussischen Bierglas schäumt hier weniger Nietzsches tiefgründig-nervöse Dichterphilosophie als bajuwarisch-lebensfrohe Hofbräuhaus-Weltbetrachtung.

Nun, eine guteingeschenkte Maß ist auf jeden Fall erquicklicher als ein schlechtverstandener Nietzsche; das meinte auch das Publikum und dankte auch diesem Werk mit stürmischem Applaus.

6. Oktober 1959 NEUES ÖSTERREICH

Zweites Philharmonisches unter Mitropoulos

Die ursprünglich als Finale von Beethovens B-dur-Quartett op. 130 geplante, wegen ihrer Länge und Schwierigkeit von ihm später losgelöste gewaltige Doppelfuge op. 133 bleibt auch in der Bülow-Weingartnerischen Orchesterbearbeitung, die sie durchsichtiger und besser klingen läßt, noch durchaus problematisch. Gewiß gehört sie zu Beethovens eigenartigsten und tiefsinnigsten Schöpfungen, die auch durch thematische Verwandtschaft mit den Quartetten in a-moll und cis-moll besonders interessant wird. Aber ihr enormer Umfang und die Trockenheit des Klanges rücken sie in die Nähe von Bachs Kunst der Fuge.

Mozarts Konzertante Symphonie für Violine, Bratsche und Orchester (KV 364) vom Herbst 1779 (Einstein, Schiedermair), nicht von 1780, wie das Programmheft angibt, gehört zu den ausgeglichensten und melodisch reichsten Werken des Meisters. In ihrer besonders im langsamen Satz tiefgründigen und im Finale zu heiterer Lebensfreude sich durchringenden Thematik übertrifft sie die Pariser Konzertante für vier Bläser und Orchester (KV Anh. 9) ebenso an Reichtum des Einfalls wie das Es-dur-Konzert für zwei Klaviere (KV 365) aus derselben Schaffenszeit an Größe und Ernst. Die Instrumentation — skordierte Soloviola und geteilte Ripienibratschen — ist selbst für einen Meister wie Mozart von außergewöhnlicher und tiefer Wirkung. Willi Boskowsky (Violine) und Rudolf Streng (Bratsche) spielten ihre schwierigen Solo-Parte technisch vollendet, brillant, und doch mit tiefem Ausdruck. Das reizvolle Spiel der ineinander verschlungenen, bald alternierenden, bald imitierenden oder in Terzen und Oktaven zusammenfindenden Stimmen trat schön und klar hervor.

Zuletzt eine von Mitropoulos aus den beiden „Romeo- und Julia"-Suiten Sergej Prokofjews wirkungsvoll zusammengestellte Satzfolge, in der der hochdramatische Charakter dieser ursprünglich für die Bühne gedachten (Ballett-)Musik plastisch hervortritt. Entstanden nach seiner Rückkehr zu einer natürlich modern erweiterten, aber doch eindeutigen Tonalität, zeigt sie Prokofjews beste Seiten: enormes satztechnisches Können, sehr persönliche, originelle Instrumentation und harmonische Kühnheit, die freilich immer in der dramatischen Situation ihre Begründung findet. Ausgezeichnet sind vor allem die stark rhythmisch betonten Sätze, wie das Maskenspiel, der Volkstanz (ein geniales Stück!), die erschütternde Trauermusik am Grabe Julias und die skurrile Schilderung Pater Lorenzos. Etwas schwächer bleiben die eigentlich lyrischen Episoden, wie die ins Opernhaft-Konventionelle ausklingende Trennungsszene und vor allem die Szene am Balkon, die zuviel Gewicht auf — zweifellos schöne — Instrumentationswirkung legt. Es war die Lerche und nicht die Nachtigall. Aber dieses Werk wird sich neben Berlioz und Tschaikowskij behaupten, weil es voll Kraft und origineller Schönheit ist.

Das erlesene Programm zeigte Dimitri Mitropoulos wieder als Interpreten von stärkster Ausdrucksintensität und souveräner Meisterschaft in der Führung eines aus lauter Virtuosen bestehenden, und doch völlig homogenen Orchesters, wie es die Philharmoniker sind. Beethovens herbe Kontrapunktik, Mozarts tief beseelte, innige Melodik und Prokofjews erregende Dramatik wurden mit gleicher Vollendung geboten. Das Publikum zeigte sich mit Recht dankbar und beglückt.

7 / Montag, 5. Oktober 1959 KURIER

‚Philharmonisches' ohne Symphonie

Zum zweiten Abonnementkonzert unter der Leitung von Dimitri Mitropoulos

Ein merkwürdiges und dank des Fehlens einer großen Symphonie sicher wenig populäres Programm. Aber Mitropoulos kann sich den Verzicht auf Gängiges leisten; seine Popularität, die ihre Wurzel nicht im Bereich der Sensation, sondern in Bezirken künstlerischer und menschlicher Verehrung hat, und seine geistige Überzeugungskraft sichern ihm auch dann den Erfolg, wenn er vom Pfad der Routine abweicht und Stücke aufführt, die nur wenige seiner Kollegen im Repertoirekoffer haben.

Der kühne Griff bei der Programmerstellung war Mitropoulos auch in der Funktion des Dirigenten eigen, als er Beethovens große Fuge in B in der Fassung für Streichorchester in heftigem Marcato musizieren ließ, alle berechtigten Bedenken gegen derlei Transkriptionen mit der Gewalt rhythmischer Bewegung und der Schönheit des Klanges in den Winkel der Theorie verweisend. Und die erzählerische Prägnanz und stimmungshafte Dichte von Prokofieff „Romeo und Julia"-Ballettmusik, die in einer Auslese des Dirigenten zu hören war, fanden in Mitropoulos genau den Ausdrucksinterpreten, den diese geistig ganz der Romantik zugehörige Tongemäldegalerie erfordert.

Romantisch (im Sinne von: romantisiert) war auch die Wiedergabe der Konzertanten Symphonie für Violine und Viola von Mozart: das Andante wurde als Adagio gespielt. Willi Boskovsky und Rudolf Streng waren die stilvertrauten Solisten dieses wohlbestallten dreisätzigen Doppelkonzerts, dem Orchester Ehre machend, das sie an die Rampe des Podiums delegiert hatte.

Μαγκαφάνα

(ΣΤΗΝ ΠΕΡΙΟΧΗ ΕΝΟΣ ΒΥΖΑΝΤΙΝΟΥ ΑΡΧΟΝΤΟΣ ΤΗΣ ΑΤΤΙΚΗΣ)

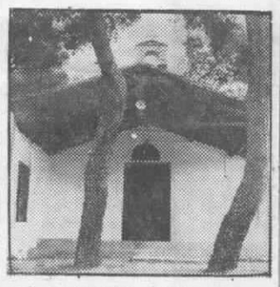
Τὸ σπίτι τῆς κ. Καίτης Κουτσογιάννη

ΠΕΡΙΗΓΟΥΜΕΝΟΙ τὴν Ἀττική, ἀγαπητοί μου ἀναγνῶστες, θὰ πᾶμε σήμερα σ' ἕνα ἀπ' τὰ ὡραιότερα τοπία της, τὰ καθαυτὸ ἀττικά: στὴ Μαγκουφάνα, τὴ Μαγκαφάνα τῶν Βυζαντινῶν καιρῶν. Εἶνε μιὰ μεγάλη περιοχὴ ποὺ ἐκτείνεται ἀπ' τὴ βορεινὴ πλευρὰ τοῦ Μαρουσιοῦ καὶ φτάνει ἴσαμε τὴν Ἁγία Παρασκευὴ ποὺ εἶνε στὰ νότια τῆς Κηφισιᾶς, κάτω ἀπὸ τὸ Στροφύλι, χαμηλὰ ἀπ' τὸ τέρμα τοῦ σιδηροδρόμου. Πεῦκα καὶ ἐλαιῶνες κατασκεπάζουν τοὺς μικροὺς λόφους μέ μιὰ ἡμεράδα ποὺ ἔρχεται νὰ

Ὁ μεγάλος μαέστρος Δημήτρης Μητρόπουλος

ἀναμετρηθῆ μὲ τὸ μεγαλεῖο τῶν ὄγκων τῆς Πάρνηθας, ποὺ ἡ Μαγκουφάνα τοὺς θεωρεῖ πέρα ἀπὸ τὴ μικρὴ πεδιάδα, στὴν αὐστηρὴ τους τελειότητα. Τὸ φῶς, τὸ χρῶμα, τὸ ὕφος τοῦ τοπίου στὴ Μαγκουφάνα, τώρα τὶς φθινοπωρινὲς μέρες, ὅταν ἀρχίζη νὰ βασιλεύη ὁ ἥλιος, ἔχουν μιὰ ἀσύλληπτη ἁρμονία, ποὺ δύσκολα θὰ τὴ βρῆ ὁ ταξιδιώτης σὲ ἄλλο μέρος τῆς Ἀττικῆς.

ΟΛΑ ὑπακοῦνε αὐτὴν τὴν ὥρα, τὴν ἑσπερινή, στὴ Μαγκουφάνα σ' ἕνα ρυθμὸ ποὺ ἀποστρέφεται τὴν κραυγή, ποὺ ἐναλλάσσει τοὺς τόνους μὲ μιὰ αὐστηρὴ πειθαρχία, σὰ νὰ ὑπάρχη κάποιο λειτουργικὸ τυπικὸ τῆς φύσεως ποὺ ὑπαγορεύει τοὺς νόμους του. Εἶχα αὐτὴ τὴν ἐπίμονη αἴσθησι τοῦ «λειτουργικοῦ» προχτές, καθὼς ἔβλεπα τὴ μέρα νὰ βασιλεύη σ' ἕνα θαυμάσιο κτῆμα τῆς Ἁγίας Παρασκευῆς τῆς Μαγκουφάνας: στὸ κτῆμα τῆς Καίτης Κατσογιάννη καὶ τῆς Ἑλένης Μοσχοβάκη. Σ' αὐτὸ τὸ σπίτι λατρεύουν τὴ μουσικὴ καὶ τὰ λουλούδια. Δὲν ὑπάρχει ἀθηναϊκὸ σπίτι ποὺ νὰ ξέρη νὰ στολίση καλύτερα τὰ λουλούδια, νὰ τὰ «συνθέση» μέσα στὸν κλειστὸ χῶρο. Σ' αὐτὸ τὸ κτῆμα μὲ τὰ μεγάλα πεῦκα ποὺ τοῦ θύμιζαν τὸ δικό του τὸν πευκιά, τὸν χαμένο, τοῦ Ξυλόκαστρου, ἀγαποῦσε ὁ Ἄγγελος Σικελιανὸς νὰ ἀπαγγέλλη στίχους του. Σ' αὐτὸ τὸ κτῆμα καταφεύγει πάντα, ὅταν ἔρχεται στὴν Ἑλλάδα ὁ Δημήτρης Μητρόπουλος.



ΤΟΝ ΘΥΜΑΜΑΙ, τὸν μεγάλο μαέστρο, πρὶν ἀπὸ λίγα χρόνια, μιὰ βραδυὰ στὸ πελώριο Στάδιο τῆς Νέας Ὑόρκης. Ἔκανε ζέστη φοβερή, ὑγρή. Ὁ Μητρόπουλος διηύθυνε τὴ Φιλαρμονικὴ τῆς Νέας Ὑόρκης, παίζοντας ταυτοχρόνως ὁ ἴδιος στὸ πιάνο στὸ κοτσέρτο τοῦ Προκόπιεφ. Αὐτὸ ἀπαιτοῦσε ἔντασι τρομακτική, ὁ μαέστρος ἦταν ἐξουθενωμένος. Τὸν ἀπεθέωσαν — ἕνα κοινὸ ἀλλόφρον ἀπὸ ἐνθουσιασμό. Ὅταν πήγαμε, μόλις τέλειωσε ἡ συναυλία νὰ τὸν συγχαροῦμε μαζὶ μὲ τὴ διάσημη καλλιτέχνιδα, τὴν Ἑλένη Νικολαΐδη, τὸν βρήκαμε περικυκλωμένον ἀπ' τὸν κόσμο νὰ σφίγγη τὰ χέρια ποὺ τοῦ ἔτειναν μὲ μάτια ἁπλανῆ. Ἦταν φανερὸ ὅτι μέσα σ' αὐτὸ τὸ κῦμα τῆς ζέστης, τοῦ θριάμβου καὶ τῆς κούρασης δὲν ξεχώριζε πρόσωπα — ὅλα ἦταν συγκεχυμένα καὶ θολά. Ὅταν τὸν πλησίασα τοῦ εἶπα τὴ μαγικὴ λέξι ποὺ σκέφτηκα ἐκείνη τὴ στιγμὴ ὅτι θὰ τὸν ἠλέκτριζε:

— Σᾶς φέρνω χαιρετίσματα ἀπὸ τὴ Μαγκουφάνα.

Ἄστραψε ἡ ματιά του, καθὼς ταξίδευε στὴ μαγεία τῆς ἀττικῆς αὐτῆς γῆς, σφίξαμε τὰ χέρια, ὁ μαέστρος ξέχασε ὅλον τὸν ἄλλον κύκλο τοῦ θαυμασμοῦ, γύρω του, ποὺ βοοῦσε, μιλήσαμε γιὰ μιὰ προσεχῆ συνάντησί μας, γιὰ τὴ φιλία μας ποὺ ἄρχιζε. Μὲ τὴ Μαγκουφάνα στὴ Νέα Ὑόρκη!

ΤΙ ΘΑ ΠΗ Μαγκουφάνα; Ἀπὸ ποῦ ἔρχεται αὐτὸ τὸ ὄνομα; Ὁ ἀείμνηστος Ἀκαδημαϊκός, ὁ Ἀθηναιολάτρης, ὁ Δ. Γρ. Καμπούρογλου, δημοσίευσε στὴν «Ἑστία» τῆς 28 Ἰουνίου τοῦ 1898 ἕνα τοπογραφικὸ σημείωμα γιὰ τὴ Μαγκουφάνα, ἀφιερωμένο: Τῷ φίλῳ Κ. Γ. Κατσίμπαλη. «Ἐν Ἀθήναις καὶ τὴ Ἀττικῇ ἐν γένει — ἔγραφε — ὑπάρχουσι περιοχαὶ φέρουσαι τὰ ὀνόματα — οὖσαι δὲ ποτε βεβαίως καὶ κτήματα — μεγάλων Βυζαντινῶν οἰκογενειῶν. Οἱ μεγιστάνες οὗτοι, οἱ ὀνοματίσαντες τὴν Ἀττικήν, ἦσαν ἄραγε πάντες ἀθηναϊκῆς καταγωγῆς; Ἤ, μήπως, διὰ λόγους ἐκδηλώσεως σεβασμοῦ πρὸς τὴν δαιμονίαν τῶν Ἀθηναίων πόλιν, ἀκολουθοῦντες ματαιότητα ἢ συρμόν τινα, ἀπέκτων ἰδιοκτησίας ἐν τῇ Ἀττικῇ. Τοῦτο εἶνε, δι' ἐμὲ τουλάχιστον, εἰσέτι ἱστορικὸν πρόβλημα».

ΣΥΝΕΧΙΖΕΙ ὁ Δ. Γρ. Καμπούρογλου: «Ὁπωσδήποτε ἀπαντῶμεν περιοχὰς ἐν τῇ Ἀττικῇ φερούσας τὸ μέγα ὄνομα λ.χ. τοῦ Βρανᾶ, τοῦ Καματεροῦ, τοῦ Πικέρνη (τίτλος) ὡς καὶ τοῦ μεταγενεστέρου Ἱέρακος. Ἐπίσης ἀπαντῶμεν ἐν Ἀθήναις καὶ κτίρια φέροντα τὸ ὄνομα λ.χ. τοῦ Ραγκαβᾶ, τοῦ Καρύκη καὶ ἄλλων πολλῶν ἐπισημοτήτων. Μία ἐκ τῶν διασήμων Βυζαντινῶν οἰκογενειῶν ἦτο, ὡς γνωστόν, καὶ τοῦ Μαγκαφᾶ. Ταύτης κτῆμα ἦτο ποτὲ ἡ κατὰ τὸ Μαρούσι, πάντοτε θαυμασία ἀλλ' ἤδη καὶ εὐτυχὴς τοποθεσία τοῦ Μαγκαφᾶ, ἡ Μαγκαφάνα· (Ὅπως ὑπῆρχε Κουβελᾶς καὶ Κουβελάνος, φαίνεται ὅτι καὶ ἡ οἰκογένεια αὐτὴ ἦτο

Τὸ ἐκκλησάκι Ἁγία Παρασκευὴ τῆς Μαγκουφάνας

γνωστὴ ὑπὸ δύο τύπους Μαγκαφᾶς καὶ Μαγκαφάνας).

Ὅπως δὲ τὸ κτῆμα Τατόη (τοῦ Ἀρτίκη Τατόη, ἰδιοκτήτου πρὸ δυόμισι αἰώνων τῆς Δεκελείας) ἔγινε τὸ Τατόι· τὸ κτῆμα τοῦ Ρέντη (ἀρχαιοτάτης ἀθηναϊκῆς οἰκογενείας συγγενευούσης πρὸς τοὺς Δούκας των Ἀθηνῶν Ἀτζαγόλας) ἔγινε τὸ Ρέντι, οὕτω καὶ τὸ κτῆμα τοῦ Μαγκαφᾶ ἢ Μαγκαφάνα ἔγινεν ἡ Μαγκαφάνα».

Ὁ Δ. Γρ. Καμπούρογλου ἐπιλέγει στὸ τοπογραφικό του σημείωμα ὅτι τὸ «χυδαϊκὸν» Μαγκουφάνα ἐκ τῆς λέξεως, ἢ μᾶλλον ὕβρεως, μαγκούφης «προῆλθεν ἐκ τῆς ἐγχωρίου προ στυχιᾶς».

ΕΚΕΙ ΣΤΗ ΜΑΓΚΟΥΦΑΝΑ, πλάϊ στὸ Μαρούσι, πάνω σ' ἕνα λόφο εἶχε τὸ ἐρημητήριό του ἕνας ἄρχοντας τῆς νεώτερης ἀθηναϊκῆς κοινωνίας, τῶν ἀρχῶν τοῦ αἰῶνα μας, ὁ Κωνσταντῖνος Κατσίμπαλης. Σ' αὐτὸ τὸ ἐρημητήριο, στὸν Πύργο τοῦ Κατσίμπαλη, φαίνεται πὼς βρίσκαν καταφυγὴ ὅλοι οἱ σπουδαῖοι λόγιοι τοῦ καιροῦ. Καὶ τὸ περιγράφουν. Γράφει ὁ Κωστὴς Παλαμᾶς στὰ «Παρασκήνια» τοῦ Ὀκτωβρίου τοῦ 1927: «Κοντὰ στὸν ἀνοιχτὸν ἀέρα, στοῦ πράσινου τὸ ἤσκιωμα, στὸ σκαλιστὸ περίγραμμα τῶν ἀττικῶν βουνῶν... δὲν λησμονεῖ ὁ ποιητὴς πὼς πέρασε αὐτοῦ μέσα στὴν ἡσυχαστικὴ σκήτη τοῦ Κωνσταντίνου Κατσίμπαλη κάποιες ὧρες ἀφιερωμένες στὴ λατρεία τοῦ ὡραίου οὐράνοῦ καὶ τοῦ ὡραίου στίχου».

Ὁ ἀκαδημαϊκὸς Ζαχαρίας Παπαντωνίου ἀπολαμβάνει τὸ σπίτι τοῦ λόφου φιλοπαίγμων. Περιγράφει στὸ «Ἐμπρὸς» τῆς 14.7.11: «... Ὁ λόφος εἶνε τόσον μικρὸς ὅσον ἀρκεῖ διὰ νὰ μὴ φουρκιζώμεθα ὅταν τὸν ἀνεβαίνωμεν, καὶ τόσον μεγάλος ὥστε νὰ εἶνε λόφος... Γύρω ὁ Πάρνης ἀνώμαλος, τραχὺς καὶ μυώδης μέσα εἰς βαθυκύανον φελόνι, ἡ Πεντέλη, ἀέτωμα ἀρχαίου ναοῦ, καὶ ἡ πλαγιασμένη ὑπὸ λεπτὸν ὕφασμα γυναίκα μὲ τὴν θυλητάτην καμπύλην τῆς λαγόνος, ὁ Ὑμηττός».

ΚΑΙ Ο Ι. ΚΟΝΔΥΛΑΚΗΣ σαγηνεμένος κι' αὐτὸς ἀπὸ τὴ μαγεία τοῦ λόφου «τοῦ ὁμφαλοῦ τῆς Ἀττικῆς» περιέγραφε στὸ «Ἐμπρὸς» τῆς ὁ Ἰούλιος τοῦ 1910 πὼς ἔβλεπε «νὰ ἐπέρχεται ἡ ἑσπέρα, νὰ ἐπιχύνωνται αἱ σκιαὶ αἴτινες γίνονται αἰσθηταὶ μόνον εἰς τὴν βαθμιαίαν ἀλλαγὴν τῶν χρωμάτων... Τὴν σιγὴν τῆς φύσεως διαδέχεται ἡ βοὴ τῶν γρύλλων, τῶν τεττίγων τῆς νυκτός, μία βοὴ ἄπειρος ἥτις ἀνέρχεται ὡς παλμὸς ἐκ τῶν κόλπων τῆς γῆς...».

Μισὴ ὥρα μακρυὰ ἀπὸ τὸ σπίτι τοῦ λόφου εἶνε ἕνα βυζαντινὸ ξωκκλήσι. Καθὼς ἀναφέρει ὁ Παπαντωνίου ἦταν καταχωμένο ὡς τὴ στέγη του. Τὸ ξέχωσαν καὶ τὸ ἀνακαίνισαν. Ὁ Δ. Γρ. Καμπούρογλου ἀνακάλυψε τὴ χρονολογία του. Ἦταν τετρακοσίων χρόνων. «Σώζονται τρεῖς ἁγιογραφίαι του, μεταξὺ τῶν ὁποίων καὶ μία Θεοτόκος τοῦ ἱεροῦ βήματος, τοιχογραφία τρέμουσα μεταξὺ ἀδεξιότητος καὶ τέχνης ὅλη ἀγνότης μὲ δύο μεγάλα μάτια καὶ λεπτὸν μυστικὸν πρόσωπον. Ὅταν τὸ ἐξέχωσαν εὑρήκαν δύο πελωρίους σκελετοὺς Βυζαντινῶν θαμμένων ἐκεῖ εἰς τὸν οἶκον τοῦ Ἁγίου, πιθανῶς τῶν Μαγκαφάδων».

ΑΥΤΟΝ ΤΟΝ παλαιὸ κόσμο, τὸν εἰρηνικό, τὸν ἀντιανθρωποφαγικό, τῶν πατέρων μας, μᾶς θύμισε ἡ σημερινὴ περιήγησί μας στὴ Μαγκουφάνα. Τί ἀπέγινε ὁ κόσμος αὐτός, αὐτὸ τὸ ὕφος, τί ἀπέγινε τὸ σπίτι τοῦ λόφου; Ὅλα εἶνε παρελθὸν καὶ χοῦς. Ἀναπαυθῆκαν οἱ ἄνθρωποι στὴ γῆ, ὁ Κ. Κατσίμπαλης σ' ἕνα νεκροταφεῖο τοῦ Παρισιοῦ, ὁ Παλαμᾶς, ὁ Παπαντωνίου, ὁ Κονδυλάκης. Μένει ἀκόμα ἀσύλητο τὸ τοπίο ἐκεῖ κατὰ τὴν Ἁγία Παρασκευή.

Ὡς πότε;

Romeo und Julia liebten nach der Klassik

2. Abonnementkonzert der Wiener Philharmoniker, Samstag und Sonntag im Großen Musikvereinssaal, unter Leitung von Dimitri Mitropoulos. Programm: Werke von Beethoven (Große Fuge, op. 133), Mozart (Konzertante Symphonie — Soli: Willy Boskowsky und Rudolf Streng) und Prokofieff (Suite aus „Romeo und Julia").

Ein wohltuend ausgefallenes Programm. Man könnte auch sagen: ein auffallend wohltuendes Programm. Drei Stücke, die man selten hört — schon allein wegen seiner Bevorzugung von Raritäten sollte man Dimitri Mitropoulos möglichst häufig nach Wien einladen.

Beethovens „Große Fuge", als Finalsatz des B-Dur-Streichquartetts komponiert, jedoch später von dieser Stelle entfernt, weil die Zeitgenossen damit nichts anzufangen wußten, und schließlich als selbständiges Opus 133 herausgegeben: der rücksichtslose Verzicht auf „schönen" Klang zugunsten strenger formaler Logik. In diesem spannungsgeladenen Satz, dessen Stimmführung von kühner Härte ist, hat Beethoven in Tönen gedacht. Daß sich dieser Denkvorgang von einem Streichquartett leichter realisieren läßt als von chorischer Besetzung, hat Weingartner in seiner Bearbeitung zu kaschieren versucht: Ihm ging es mehr um Kontraste als um die Konstruktion. Und auch der jetzige Interpret, Mitropoulos, machte den gleichen Fehler: er zielte zu sehr ins Monumentale, wo Geistiges erörtert wird. An Intensität herrschte allerdings weder bei ihm noch bei den Philharmonischen Streichern Mangel.

Mozarts „Symphonie concertante": anmutige Gelegenheit für zwei virtuos veranlagte Orchesterstimmführer, solides Können zu beweisen. Die Herren Boskowsky und Streng spielten ihren Part mit schönem Ton und ausgezeichneter Technik, wenn auch ihre eher gemütvolle Auffassung mit Mitropoulos' Hang zum Dramatisieren (der sich schon in ein paar eigenwilligen Sforzatoakzenten der Einleitung manifestierte) nicht immer korrespondierte. Trotzdem war's ein schönes, genaues, liebevolles Zusammenspiel.

Prokofieffs Ballett „Romeo und Julia", als komplettes Werk abendfüllend, berühmtes Beispiel der neueren russischen Ballettkultur, diesmal nur fragmentarisch in einer vom Dirigenten getroffenen Auswahl von Stücken aus beiden existierenden Orchestersuiten: sehr stark illustrative, raffiniert erdachte und tänzerisch erfundene Musik, rhythmisch komplizierte Emotionen und weite lyrische Passagen von echter Empfindung, grelle Klangeffekte benachbart verhaltener, intimer Szenen von zauberhaftem Reiz. Außerdem ein Stück, wie für Mitropoulos geschaffen: seine faszinierende Gabe, über die Musiker und ein Werk so zu disponieren, daß tatsächlich ein Maximum an sinnlicher Spannung entsteht, kam hier beiden, Musikern und Werk, auch tatsächlich zugute. „Romeo und Julia" war diesmal der Idealfall einer Ballettaufführung bei fehlender Bühne...

Erregende Shakespeare-Oper ohne Worte

Prachtvolles „Philharmonisches" unter Mitropoulos — Prokofjews „Romeo und Julia" als Höhepunkt

Am Wochenende bescherten die Wiener Philharmoniker ihren Abonnenten ein hinreißendes Konzert von außerordentlicher Güte. Außerordentlich schon in der Intensität des Musizierens, in der sich Dirigent und Orchester vollkommen einig fanden. Außerordentlich auch in der völlig unkonventionellen Programmwahl, die freilich kaum ahnen ließ, wie anregend sie sein würde. Transskriptionen von Streichquartettsätzen für großes Streichorchester steht unsere Zeit mit ihrem geschärften stilistischen Gewissen im allgemeinen skeptisch gegenüber. Beethovens „Große Fuge" op. 133 aber rechtfertigt eine solche Übertragung, die sich übrigens — wie das Programmheft zu vermelden weiß — auf so bedeutende Männer wie Hans von Bülow und Felix Weingartner berufen darf. Die große Besetzung nimmt diesem grüblerisch-prometheischen Selbstgespräch eines Einsamen und völlig Ertaubten, das die Grenzen des intimen Vierspiels fast zersprengt, manches von seiner Ruppigkeit. Die geistigen Dimensionen dieses Satzes, der noch heute seine umwerfende Modernität vorweist, kommen dabei ins rechte Lot. Mitropoulos blieb Beethoven nichts an innerer Größe schuldig. Die Philharmoniker gaben dazu ihren herrlichen Streicherklang.

Zwei ihrer besten Streicher traten dann solistisch hervor. Eigentlich sitzen ja bei ihnen fast lauter Solisten am Pult. Sie können aus dem Vollen schöpfen, wenn es gilt, Mozarts köstliche „Konzertante Symphonie für Violine und Viola" zu interpretieren. Willy Boskovsky spielte den Geigenpart mit jener zauberhaften Leichtigkeit und schwebenden Süße, die immer mehr zum Inbegriff des wienerischen Musizierens wird. So oder ähnlich muß seinerzeit Hellmesberger jun. gegeigt haben. Rudolf Streng schmiegte sich mit seinem prachtvoll satten, runden und warmen Bratschenton eng an die Geige an und übernahm, wo es galt, mit Temperament die Führung. Die heiklen Kadenzen im Duett saßen wie angemessen. Die Philharmoniker begleiteten ihre Kollegen unter Mitropoulos' sorgsam abtönendem Stab, mit jener mozartischen Mischung von symphonisch und musikantisch, die man eigentlich in solcher Reinheit nur in Wien hören kann.

Nach soviel klassischer Vollkommenheit gab es zuletzt noch eine echte Überraschung: Serge Prokofjews „Romeo-und-Julia"-Ballett in einem suitenmäßigen Auszug, den Mitropoulos mit kundiger Hand selbst vorgenommen hatte, und den er nun mit überwältigendem Einsatz interpretierte. In solcher Intensität dargeboten, wirkte das Werk wie eine Offenbarung: in seiner Plastik, seiner Originalität, seinem echten Pathos, seiner faszinierenden Klanglichkeit und seiner zupackenden Dramatik. Eine erregende Shakespeare-Oper ohne Worte begab sich auf dem Konzertpodium. Mitropoulos riß die Philharmoniker zu einer virtuosen Leistung ersten Ranges und die Zuhörer zu stürmischen Ovationen hin.

Seßhafter Dirigent Mitropoulos
Im Stil eines großen Herrn

Gustav Mahlers 8. Symphonie, dem Mahler-Gedenkjahr zu Ehren, wird **Dimitri Mitropoulos** bei den Salzburger Festspielen 1960 dirigieren: auf eine Oper wollte er mangels genügender Vorbereitungszeit lieber verzichten. Der berühmte Grieche, dem Österreich besonders die Förderung der Kompositionen von Alban Berg und Franz Schmidt im Ausland zu danken hat, kann den heute seltenen Ruhm für sich in Anspruch nehmen, ein „seßhafter" Dirigent zu sein. Neun Monate lang steht er dem New-Yorker Musikleben zur Verfügung, zwei Wien und den Salzburger Festspielen. Vor 6 Jahren beeindruckte ihn die Mozart-Stadt anläßlich einer Reiseunterbrechung von wenigen Stunden so stark, daß er sich dem Festspielpräsidium als Dirigent anbot. Auf Bedenken, ob seine üblichen Dollarhonorare im Budget Salzburgs unterzubringen wären, antwortete er im Stil eines großen Herrn: indem er ein leeres Vertragsformular unterzeichnete.

Mitropoulos, Hale Again, Set 18 Months Ahead; 'Turandot', 'Elektra' at Met

Vienna, Oct. 6.

Conductor Dimitri Mitropoulos seems to have made an impressive recovery from his heart attack in Manhattan a year ago. He has been having an active and brilliantly received season in the Austrian capital, with both the Vienna Philharmonic and the Italian repertory at Statoper. (Latter suffered the cancellation of Renata Tebaldi with a throat ailment.)

Mitropoulos will be in New York later this fall for four weeks of Mahler commemorative concerts with the N. Y. Philharmonic as well as chores with the Met Opera until Easter.

Bookings for the Greek-born conductor extend well ahead, including Berlin and Vienna symphonic assignments next spring. A year from November he's set to handle a new production of Busoni's opera, "Doctor Faustus" at Koeln, Germany's new opera house.

Conductor will also lead new productions of "Turandot" and "Elektra" at Metropolitan Opera in December 1960 and January

Mitropoulos an der Oper: Verismus mit Leidenschaft

Mit einemmal begann die „Cavalleria rusticana" ohne jegliche Langeweile. Nicht aus Gründen der Regie — diese blieb wie eh und je —, sondern auf Grund der Musik, die Dimitri Mitropoulos zu ungeahntem Leben erweckte und entfachte. Ein feuriger Geist durchleuchtete die Partitur, verlieh ihr selbst an unbedeutenden Stellen wirksame Ausdruckskraft, steigerte dramatische Kulminationen mit erregender Intensität. Mitropoulos nahm einige Tempi breiter, andere lebhafter als gewohnt, und entfernte sich damit erfreulich vom Durchschnitt. Jede Melodie, jede musikalische Phrase führte ihr akzentuiertes Eigenleben, durfte dank zahlreicher, souveräner und natürlich eingebauter Rubati atmen, Spannungen drängend anstreben, Lösungen beruhigend einleiten. Der Dirigent öffnete die Partitur wie einen Fächer, dessen intime Zeichen der Liebe und Leidenschaft nunmehr zur Allgemeinheit sprechen.

In dieser Plastizität folgten ihm Philharmoniker und Bühne mühelos. Mitropoulos gab den Solisten Zeit, ihre Stimmen zu präsentieren (aber nie zuviel), hielt Ensembles und Chor sicher in seinen beweglichen Händen, auch wenn der Kirchenchor nach wie vor falsch wie ein Kirchenchor klang. Das Orchester durfte im Tutti-forte aufblühen, auch aufschreien, wo es die Situation erforderte, und überdeckte dennoch nie die Sänger.

Freilich behaupteten sich nur Sänger von Format. Christl Goltz (Santuzza) etwa, die stimmlich bestens disponiert war und ihre Partie mit echtem Ausdruck sang. Jetzt sollte sie nur noch ihr Spiel — worin sich gegenüber früher schon vieles besserte — günstiger disponieren. Oder Aldo Protti, der hier erstmals den Alfio (statt Berry) sang und in unverändert bewährter Qualität brillierte.

Mit dem „Bajazzo"-Prolog leitete er auch die Superoper der Leidenschaften ein. Denn was schon dank Mitropoulos der „Cavalleria" zugute kam, mußte sich bei dem musikalisch effektvolleren „Bajazzo" noch weit mehr auswirken. Neben dem unvergleichlichen Protti faszinierte Wilma Lipp (Nedda) in einer beklemmend lebensnahen Darstellung. Sie konnte sich seit der Première in dieser Rolle richtig freispielen und freisingen, agiert nun als die triebhafte, haßerfüllte, gleich aber wieder liebende Nedda. Als echter Theater-Bajazzo (Canio) gastierte Antonio Annaloro. Er verfügt über einen lauten, hellen, hohen Tenor von beachtlicher Qualität, der manchmal freilich weit hinten angesetzt wird. Die Mittellage ist unbefriedigend, sein Spiel veristisch, sonst nicht besser als das vieler anderer Tenöre.

Auch kaum besser als jenes von Karl Terkal, der in der „Cavalleria" den Turridu in bester Bel-canto-Manier sang, seine Melodien vorbildlich gestaltete, angenehm schluchzte und allem noch metallischen Glanz aufsetzte, damit sämtliche Zampieris und Co. in die Ecke wies. Vielleicht steht einmal im Programm (wie diesmal bezüglich Berry-Protti), daß sich Herr Terkal in liebenswürdiger Weise bereit erklärt habe, für Herrn ... die Partie des Bajazzo zu übernehmen. Da wären wir neugierig, das würde uns freuen.

Prokofieffs getanzte Shakespeare-Tragödie

Das „Romeo-und-Julia"-Ballett unter Dimitri Mitropoulos

Dimitri Mitropoulos ließ im zweiten Philharmonischen Konzert Auszüge aus Prokofieffs „Romeo-und-Julia"-Musik in einer von ihm getroffenen Auswahl vernehmen. Der Gedanke, den Romeo-und-Julia-Stoff tänzerisch zu gestalten, wirkt zunächst befremdend. Durch Mimik und Gestik läßt sich wohl das Gerippe einer Bühnenhandlung andeuten, nicht aber die Vielfalt der psychologischen Schattierungen eines Dramas, und schon gar nicht die Dichterworte, welche den Situationen und Gestalten erst Leben einhauchen.

Der Komponist, der dieses zum Ballett gewandelte tragische Thema musikalisch untermalen soll, sieht sich der eigentümlichen Aufgabe gegenüber, nicht Shakespeare zu vertonen, sondern einige Momentphotographien zu kolorieren, welche Brennpunkte der Dichtung festhalten. Konzertante Fassungen von Ballettmusiken erwecken überdies noch zusätzlich den Eindruck des Fragmentarischen. Entbehren sie doch der optischen Unterstützung, welche manche instrumentale Einzelheit, manchen unerwarteten Tempowechsel, diesen oder jenen Akzent der Erregung oder der Besänftigung erst verständlich erscheinen lassen. Prokofieff unternahm es also, einen Torso ins Musikalische zu übersetzen. Bedenken solcher Art vermochten indes seine überquellende Phantasie nicht zu hemmen. Zu Beginn seiner Komponistenlaufbahn wollte er alle strenge, schulmäßige Diszipin zum Teufel jagen und ein spontanes Musizieren, ein gleichsam in Permanenz erklärtes „Scherzando" in Noten ausdrücken.

Diese Maxime wurde im Laufe der Zeit nicht konsequent durchgeführt. Prokofieffs geniales Vollblutmusikertum hat Werke von der Bedeutung der V. Symphonie oder des 3. Klavierkonzerts geschaffen, die in der Plastik ihrer Thematik und Formvollendung des Aufbaues keineswegs wie aus dem Ärmel geschüttelt klingen. Die „Romeo-und-Julia"-Ballettmusik jedoch hinterläßt oft den Eindruck, als wäre sie von leichter Hand entworfen. Sie durchmißt viele Ausdrucksskalen, gebärdet sich bisweilen rührselig in Wendungen von Massenetscher Empfindsamkeit, um dann im Sturzflug in der Manege des Zirkus oder in der Nähe des Tonfilms zu landen. Diese Wandlungen vollziehen sich sehr spannend. Nicht alle Einfälle des Komponisten sind originell, vieles an ihnen aber ist durchaus originell aufgezäumt. Stärker, als die der Schilderung des Poetischen gewidmeten Episoden, sind solche, in welchen bodenständige Melodik und Rhythmik aufscheint, die, vom Dröhnen des Schlagzeugs umspielt, sehr interessante Harmonisierungen aufweisen.

In dieser Gruppe läßt ein rhythmisch sehr pointierter Satz aufhorchen, der als Gegenstück zum berühmten Marsch aus der „Liebe zu den drei Orangen" angesprochen werden könnte. Prokofieffs Melodienbildung tönt gelegentlich allzu himmelblau; dies mag ein Anpassen des aus Amerika in die Sowjetunion heimgekehrten Komponisten an staatlich sanktionierte Kunsttendenzen sein.

Beethovens op. 133 leitete das Konzert ein. Der volle Streicherglanz des in echt philharmonischer Schönheit wiedergegebenen Werkes kehrt vielleicht dessen abstrakten Charakter weniger hervor, als es die Quartettfassung vermag. Andererseits unterstreicht jedoch die Orchesterbearbeitung die universellen, in die Zukunft weisenden Aspekte der Komposition. In berückendem Geigenklang erblühte auch Mozarts konzertante Symphonie für Violine und Viola (KV 364), die in Willi Boskowsky und Rudolf Streng technisch und stilistisch meisterhafte Interpreten fanden. Mitropoulos' überragende Dirigentenkunst stellte sich mit Geist und Herz in den Dienst der Klassik und der Novität. Den stürmischen Applauskundgebungen des Publikums gesellten sich begeisterte Ovationen der Philharmoniker.

Großes Theater rund um die Lipp in „Bajazzo"

Großes Theater ereignete sich gestern abend in der Wiener Staatsoper zwischen 21.30 und 22 Uhr: eine halbe Stunde „Bajazzo", in der die Bühne zur dramatischen Anstalt wurde. Packender Naturalismus, echte Leidenschaft, nackte Brutalität in einem Stück, das dies auch verträgt.

Wilma Lipp als Nedda war Anlaß und Mittelpunkt der Bühnenleidenschaften. Sie hat ihre Auffassung seit der Premiere (im Frühjahr) nicht unwesentlich vereinfacht, sie denkt weniger, scheint es, und läßt sich mehr treiben, sie ist — Pardon — richtig ordinär, wo's am Platze ist, und sie singt, spielt, lebt diese Rolle jetzt mit einem dramatischen Impetus, der erstaunlich ist. Allein die paar (schwerwiegenden) Sekunden zwischen Tonios Züchtigung und Silvios Auftritt waren grandios, weil rücksichtslos ausgespielt. Und die Stimme war gegenüber der sanften Pamina vom Sonntag kaum wiederzuerkennen.

Neben ihr Aldo Protti als handfester Tonio (und wieder: der prachtvoll hingeschmetterte Prolog ...!) und ein neuer Canio namens Antonio Annaloro (er hat am Ring schon zwei-, dreimal gesungen), der zwar keine Mittellage und nur Höhe, wenig Technik und trotzdem erstaunliche Sicherheit, gutes Material und schlechte Schulung hat, aber mit Elan und schauspielerischem Draufgängertum Effekt macht. Sie alle spielten Theater, daß die Bretter krachten.

Die vorangegangene „Cavalleria rusticana" war auch bemerkenswert: weil Christl Goltz ihre Santuzza reduziert hatte, nicht mehr nur im Laufschritt über die Bühne eilte, die Pantomime während des Zwischenspiels entfallen ließ und stimmlich sehr gut disponiert war; weil Karl Terkal seinen italienischen Kollegen das Schluchzen, aber auch einige überraschend schöne Phrasierungen abgeguckt hat; weil Aldo Protti für Berry eingesprungen war und auch gleich den Alfio seinem Tonio (ausgezeichnet) voransang.

Und Dimitri Mitropoulos dirigierte: voll Spannung, liebevoll melodische Nuancen auskostend, zwischen breitem Schwelgen und heftig zupackenden Akzenten herrlich ausbalanciert, klanglich eher dezent, und — wenn dringend nötig — auch ruhig, überlegen und bescheiden begleitend. Er machte fesselnde Musik. Er empfand ihren Herzschlag. Wir werden diesen großen Künstler in den nächsten Monaten sehr vermissen.

Intermezzo sinfonico ohne Gymnastik

Gestern in der Staatsoper: Mitropoulos dirigiert „Cavalleria" und „Bajazzo"

Ein „Cavalleria"-Intermezzo ohne Santuzza-Gymnastik, ohne pantomimische Bodenübungen, die Schmerz und Verzweiflung verdeutlichen sollen: eine wahre Wohltat. Sie ist offenbar Dimitri Mitropoulos zu danken, der sich diesen Regieausfall Wolf Dieter Ludwigs nicht bieten ließ. Mitropoulos war auch das unsentimentale, kammermusikalisch gelockerte Philharmoniker-Spiel in diesem Intermezzo zuzuschreiben, und noch manches an dem Abend, dem von der Bühne her nur Wilma Lipp und, mit Abstand, Christl Goltz, Terkal und Protti einiges Format gaben.

Zu Mitropoulos: Temperament und Feinnervigkeit bestimmten auch diesmal seine Interpretationen. Sie sind, im Zusteuern auf Höhepunkte, stets von einem Unruhevibrato erfüllt, eher unstet und überraschungsreich im Tempo (und darum nicht leicht für die Sänger), aber von großartiger Leuchtkraft im Orchestralen, von instrumentaler Plastik selbst im verhaltenen Begleiten. Und alles, jede Phrase, jeder Akzent hat den Stempel persönlicher Überzeugungskraft.

Auf der Bühne war dergleichen kaum zu registrieren. Christl Goltz als hier freilich falsch eingesetzte Individualität und Terkal mit seinem Material hatten bei Mascagni noch am ehesten Staatsopernformat. Protti war als Alfio eingesprungen, sang routiniert und leger und ließ erkennen, wie stark Berry in dieser Partie wirkt. Im „Bajazzo"-Prolog, dessen Wiedergabe keine Spuren von Gestaltung zeichneten, ließ Protti erkennen, daß er, nicht achtend aller Vortragszeichen, der konstanteste und lautstärkste Mezzoforte-Bariton des Hauses ist.

Künstlerisch geformt und tadelfrei gesungen wurden im „Bajazzo" zwei Partien: die Nedda (durch Wilma Lipp, die sich auch richtig freigespielt hat) und der Beppo (Kurt Equiluz).

Antonio Annaloro, der Darsteller des Tonio, wäre in Innsbruck wahrscheinlich nicht übers Probezimmer hinausgekommen. Ein Tenor der dritten Klasse, wenn man — um Partienvorgänger als legitimen Maßstab zu nehmen und zu nennen — Vickers in die Extraklasse und Tobin in die erste einweist. Ein kehliges Stimmchen, das grad für den Beppo reichen könnte, hier aber zu (falschen) dramatischen Hochtönen gequält wird und über weite Strecken gottlob unhörbar bleibt. Nicht anders das Spiel: Annaloro mimt den Bajazzo als Bajazzo. Als ob die Staatsoper eine Pawlatschen wäre, eine Schmiere. Und das Schlimme: all das Ungekonnte und Unsolide ist auch in höchstem Maße uninteressant, ohne genialen Funken, ohne persönlichen Reiz. Ab nach Italien damit!

Nicht verbessert hat sich leider Claude Heater, dessen Silvio nach wie vor verhangen klingt, kein Temperament besitzt, keinen Glanz und — in der Stimme wenigstens — keine Wärme. Ein Anfänger mit dem müden, fahlen Timbre eines Aufhörers — was soll er in einem Haus, das für ausgesungene Stimmen recht wenig Aufgaben hat?

Dimitri Mitropoulos charms audiences with his amazing memory and musical integrity

By DICK OWEN

NEWS FOTOS BY DAVID McLANE

Dimitri Mitropoulos, onstage at Metropolitan Opera House, drills the chorus.

Thoroughly relaxed in his small penthouse, the maestro concentrates on score.

SUNDAY NEWS, OCTOBER 25, 1959

IF THERE is one outstanding personality in the world of music today, a figure the least controversial and the one most widely recognized as the leader in his field, that person is Dimitri Mitropoulos, conductor at the Metropolitan House in New York. He will make his first appearance of this season on Thursday, when he conducts "Tosca."

Although he has been in this country since 1936 and has conducted orchestras throughout the world, he is still something of an enigma.

His appearance is striking. He is bald—and seems to have never been anything else. His face is crag-like. A bachelor, he is rarely mentioned in newspapers except in respect to his art. He avoids social shindigs. He is impatient with flattery. He is deeply religious. Above all, he is the most erudite musician of our time.

His memory is magical, as any musician who has ever played with him will aver. He is completely catholic in taste. He relishes a great symphony, of course, but he gets a charge out of a modern jazz ensemble, as well. He has consistently encouraged unknown composers, even financed them in their music courses. Born in Greece, he is a constant champion of this, his adopted land. He feels that music may yet, some day, conquer the atom bomb.

His manner of conducting complements his striking appearance. He jumps, stamps his feet, jerks his arms about and shakes his bald head from side to side.

He never uses a score but commits everything to memory. How does he do it? How can he recall hundreds, thousands of scores?

"The first thing to overcome is fear," he says. "I had to convince myself that I could learn the scores and conquer the fear that my memory would fail me during a performance. I tackled fear many years ago. I used to climb mountains where, if one becomes afraid, almost certain death will result. Well, I am still here."

Indeed, until his recent heart attack, he was just as active in his 63d year as when he delighted the musically and socially-conscious audience of the Boston Symphony Orchestra in 1936 at his first appearance in America.

His success there saw him appointed director of the Minneapolis Symphony Orchestra in 1937. He raised this orchestra to a position of pre-eminence before he moved in 1949 to the New York Philharmonic Orchestra, which he left last year but where he still appears as a guest conductor.

Critics have all been his friends. A modest man, he prefers to have praise of his talents kept within bounds. "I do not like to be called a great conductor," he said. "I am satisfied if I am among the good ones."

Perhaps part of the secret of his ability to recreate great music lies in his expressed conviction, "A conductor or a creative artist throughout a performance must transmit human principles by means of music, just as a priest during Mass identifies himself with the beauty of its spirituality. Skill is not enough. Students must understand their connection to the moral purposes of art."

Leonie Rysanek, soprano, discusses part of Verdi's "Macbeth" at Met rehearsal.

A glance around his apartment emphasizes this personal attitude he has toward life. He sits beneath a crucifix. There is a rosary nearby and an open Bible. But he is no great churchgoer (he was raised in the Greek Catholic Church). He may well be found saying a prayer before a performance begins. At rehearsals he never loses his temper or indulges in profanity.

He is an unwavering champion of American orchestras. He says, with humor, "We have developed what I call a beauty-parlor sonority. We have the greatest orchestras in the world, although most Americans don't realize this." He is impatient with people who praise European orchestras as superior to our own. "It just isn't true," he says.

How does one become a good conductor? Can the art be taught?

"I do not believe that one can teach conducting," he said. "The musical principles, yes. All I can hope is to be an example to younger musicians. I believe I have been."

Most musicians feel his hope has been fulfilled. When the directors of the Philharmonic asked him what kind of present he would like as a token of their appreciation his answer was prompt. "Give me permission to play an unknown work by an American."

To Mitropoulos, music is a way of life. He is seldom far from an orchestral score or piano (he is an accomplished pianist). He believes that art is irrevocably tied in with human values and that as long as artists believe this and express it in their works, the human race must advance toward its ultimate goal of perfection.

Mitropolous Conducts Fiery Performance

By ROSS PARMENTER

LAST year "Tosca" opened at the Metropolitan Opera season. This year the popular Puccini opera was saved for the third bill, and Rudolf Bing presented it at the opera house last night with largely familiar elements in the restudied version that Dimitri Mitropoulos took over four seasons ago.

Mr. Mitropoulos himself was one of the familiar elements. And this was a season for pleasure all round. "Tosca" was the last opera Mr. Mitropoulos led at the Metropolitan. That was last Jan. 21. Two days later he had a heart attack that caused everyone serious concern. This was his first appearance in New York since his recovery.

He looked gaunter than before, but there was no diminution in the fieriness of his interpretation. And he did not spare himself. It might be added, too, that he is not sparing himself during the season just beginning. He is scheduled to lead thirty performances at the Metropolitan, including the new production of "Simon Boccanegra" and "Parsifal," a work he has not undertaken here before.

●

Mr. Mitropoulos' authority and his ability to make the orchestra play highly expressive color were apparent from the opening bars of the brief overture. Thereafter he was always alert to underline the intensity of the drama in the purely orchestral moments, yet at the same time he saw to it that the dynamics, without loss of impact, were considerately adjusted in texture when the singers were singing.

In the famous instrumental interludes, after Tosca's stabbing of Scarpia, and the coming of dawn over Castel Sant'Angelo, he made the orchestra an especially vital part of the performance. The audience applauded him warmly at the start of each act and redoubled its applause when he came before the gold curtains with the principals at the end of the opera.

●

Zinka Milanov had the title role. She was far from her best in the first act, but in the second one her voice steadied and she began to sing with her old vocal opulence. Her "Vissi d'arte" brought cheers. As an actress she etches the part in the broadest lines. This style was not always appropriate, but it stood her in good stead for the melodramatic killing of Scarpia.

Leonard Warren was the Scarpia, and he was the outstanding member of the cast. Each year, it seems, he is more fully in the part, and he now has acquired a good deal of the Baron's elegance, without loss of the ability to convey man's fundamental brutality. Vocally, it was an endless pleasure to listen to him, for he can sing with amazing nuance, being as effective in his cajoling wooing of Tosca as in his imperious commands and in the big moments of the part when great rolling tones are needed.

Eugenio Fernandi was the Cavaradossi. His huge voice was thrilling in the triumphant cry of "Victoria" in the second act, but elswhere it tended to be rather inflexible, and there was little subtlety in his acting to offset the general effect of stiffness.

Roald Reitan contributed an effective character bit as the jailer in his second role with the company. Norman Scott was Angelotti, Lawrence Davidson was the Sacristan and Paul Franke and Osie Hawkins were Scarpia's two chief henchmen. The boys' part of the shepherd in the last act was sung by George Ryan in place of Peter Burke, who was indisposed.

Recalls South American Tour

"No doubt, the world has more love for artists than for politicians" was Dimitri Mitropoulos' comment upon the triumphant return of the New York Philharmonic from its South American tour two years ago. The tour, which coincided with the official "good-will" visit of Vice President Nixon, saw unrestrained enthusiasm for the American performers. Mitropoulos and Leonard Bernstein were "mobbed by hundreds of Latin American people, but they did not have to be afraid." The rough treatment accorded Mr. Nixon was in sharp contrast.

As I watched the recent Bernstein-Philharmonic telecast (on film) from Moscow and observed how the music dissolved all geographic, economic and politician barriers between Western performers and Eastern listeners, I became more convinced than ever that it will be the common cultural ties that bind East and West that will save the world from annihilation. Our politicians are slow in coming to this realization, but come to it they must.

'Tosca' Pleases At Met Opera

The Metropolitan Opera's first "Tosca" of the season was performed last Thursday in a most satisfactory manner.

Although Zinka Milanov in the leading part was a little slow in warming up to the occasion, she reached her pace in time to render her great arias of the final act in great form. In the role of Baron Scarpia, Leonard Warren gave another of his outstandingly magnificent performances, meeting the demands of the part both vocally and histrionically.

In the part of Cavaradossi, Eugenio Fernandi left something to be desired as an actor, but vocally he came through to the satisfaction of an enthusiastic audience.

But if any palms are to be awarded for the evening, perhaps they should go to Dimitri Mitropoulos, making his return to the orchestra pit for the first time since his recent illness. His conducting of the purely orchestral passages and his over-all command of the entire performance was everything the New York music public has come to expect from him.

FIRST 'BUTTERFLY' OF SEASON AT 'MET'

"Madama Butterfly," which had its first performance of the season at the Metropolitan Opera Saturday evening, continues to be a fresh, bright and authentic-looking production as overhauled and redesigned two seasons ago by Yoshio Aoyama and Motohiro Nagasaka.

The excellent cast was headed by Antonietta Stella, who gave a good account of herself in the titie role. Miss Stella's Cio-Cio-San is an appealing stage figure and the music is well suited to her voice. Her singing of "Un bel dì" was received with special approval by Saturday's audience.

As at previous hearings, Barry Morell proved a splendid Pinkerton. His bright, well-focused tenor voice carries well and he sings the music expressively. Still other sympathetic portrayals were those of Margaret Roggero as Suzuki and Clifford Harvuot as Sharpless.

A newcomer to the cast was Charles Kullman, singing Goro for the first time with the company and meeting very capably the demands of the role. Others in the cast were Joan Wall, George Cehanovsky, Osie Hawkins, Calvin Marsh and Luigi de Cesare. Dimitri Mitropoulos' conducting was spirited and well-paced.

Metropolitan Opera

('TOSCA')

The New York public gave a rousing ovation to the gaunt and wiry conductor, Dimitri Mitropoulos, missing since his January heart attack. He showed no diminuition of vigor or fieriness of interpretation. He injected a drama and excitment into the score which made "Tosca" appear fresh and stimulating as it seldom does with other conductors.

If dramatic and emotional force emanated from the pit, unfortunately only Leonard Warren echoed it on the stage. His Scarpia was suave and silken venom in characterization, vocally satisfying in coloring and phrasing. Eugenio Fernandi as Cavaradossi has a huge voice and produces his tones well and on pitch, but he seems dramatically unaware of what he was doing in the plot.

Zinka Milanov in the title role gave only few moments of quality and the soft tones for which she has been so celebrated in the past. Her acting style is, of course, invariably atrocious.

Mary Curtis-Verna and Jussi Bjoerling took the leads in yesterday afternoon's "Tosca" at the Metropolitan Opera.

Both singers are familiar exponents of these parts, but Mr. Bjoerling has not sung Cavaradossi here since early in 1957 and Miss Curtis-Verna's appearance as Floria Tosca was her first this season at the Met.

Although he is not imposing in the part visually, Mr. Bjoerling's musical resources are still large enough to make up for it. He created the essentials of the role with his voice and with a keen sense of musical timing. Of vocal beauty there was his usual plenty, although one or two big moments were just short of maximum strength.

Miss Curtis-Verna was forceful and commanding in the title role, a part she has perhaps sung more than any other at the Met. Her voice has gained a measure of richness and security.

Cornell MacNeil was again Baron Scarpia and Norman Scott, Lawrence Davidson and Paul Franke were familiar in smaller roles. Dimitri Mitropoulos led a performance distinguished for its expressive phrasing and tension.

SOVIET COMPOSERS SEE OPERA AT 'MET'

4 of Touring Group Attend 'Butterfly'—Kabalevsky Gives Mitropoulos Gift

Four of the five visiting Soviet composers were guests of the Metropolitan Opera House at last night's performance of Puccini's "Madama Butterfly." The exception was Dmitri Shostakovich, who begged off because he was tired.

At the end of the first act, the party was further reduced when Boris Yarustovsky, the critic in the visiting group, left the opera house. The Russians who remained hastened to explain that this was no reflection on the performance, but Mr. Yarustovsky, too, was tired. The group has been traveling strenuously ever since its arrival in the United States on Oct. 22.

The four who stayed were Dmitri Kabalevsky, Tikhon Khrennikov, Konstantin Dankevich and Fikfret Amirov. Between the second and third acts they attended a reception in the lounge of the Opera Club as personal guests of Anthony A. Bliss, president of the Metropolitan Opera Association. Champagne was served. Among the other guests were Leonard Warren and Blanche Thebom, American opera singers who have performed in Russia.

After the performance the party went backstage. There they met Dimitri Mitropoulos, the conductor of the opera. Mr. Kabalevsky presented to the conductor the score he had been nursing carefully all evening. It was an autographed copy of his Fourth Symphony and he gave it to Mr. Mitropoulos to show his gratitude because the conductor introduced the work to the United States with the New York Philharmonic two years ago.

Opera

'Tosca' Enhanced By Mitropoulos

By LOUIS BIANCOLLI.

A jubilant roar of welcome greeted Dimitri Mitropoulos to the Metropolitan podium last night.

The opera was Puccini's "Tosca"—the same opera he had last conducted on Jan. 21 of this year before suffering the heart attack that cut short his Metropolitan engagement.

If Mr. Mitropoulos ever had any doubts as to how New Yorkers feel about him, those doubts were dispelled by the warm and moving ovation given him by last night's large gathering.

A Truly Great Man.

This is a truly great man who has come back to us after a brave grapple with illness—great musically and great personally. The man and the artist were equally honored last night by a devoted and grateful public.

Many looked for some sort of change in the maestro, maybe a prescribed note of caution. There was nothing of the sort—not that I could notice.

If anything, Mr. Mitropoulos was more dynamic than ever. He seemed to find Puccini as fresh and stimulating as always, and one would have sworn that "Tosca" was his favorite opera.

Conductor's Night.

In short, it was conductor's night at the Metropolitan. An exciting pulse of drama ran through orchestra and chorus, and Puccini stood out once more as the unexcelled master of musical theater.

Of the singers, Leonard Warren caught and projected this note best. If his Scarpia was again an absorbing study in suave villainy, it was also an object lesson in shrewd vocal coloring and phrasing.

Mr. Warren was rousingly applauded, as were Zinka Milanov and Eugenio Fernandi, who applied themselves fervidly if not brilliantly to the demands of Tosca and Mario Cavaradossi.

If there was excitement in the air at the Metropolitan last night, it was generated largely by two musical giants—the Italian Giacomo Puccini and the Greek Dimitri Mitropoulos.

'Tosca' Is Sung at the Met, With Mitropoulos in the Pit

By Francis D. Perkins

With a trio of principals well known in their roles, Puccini's "Tosca" revived familiar impressions in its first performance of the season at the Metropolitan Opera House last night. Zinka Milanov was the Tosca, with Eugenio Fernandi as Mario Cavaradossi and Leonard Warren as the nefarious Scarpia, while Dimitri Mitropoulos conducted for the first time here since his recovery from the illness that brought his schedule to a premature close last January.

"Tosca" has been a staple of the Metropolitan's repertory too long to need extensive comment on a score that is a remarkable combination of melodramatic vividness, a wide span of emotional force, structural skill and musical invention.

The musical interpretation under Mr. Mitropoulos realized the opera's moods and contrasts of expressive atmosphere, and the lucid orchestral playing was well balanced in its relation to the voices. The score has its periods of at least surface relaxation before regathering tension for the next climax, and the conductor understood their dramatic value, but at times in the second act the pace seemed to broaden to a rather excessive degree.

Apart from this Mr. Mitropoulos' tempi were persuasive and flexible, and the most impassioned measures of the score were projected with due impact and momentum.

Miss Milanov's Tosca was convincingly emotional both for the ear and for the eye in that heroine's relatively few happy moments as well as in her stressful ones. Her singing strayed occasionally from vocal rectitude in a few of its most vigorous notes, but otherwise usually exhibited its customary notable quality and color. While one or two gestures outran the bounds of necessity, her acting contributed materially to the general dramatic effect.

Mr. Fernandi sang with bright and generally well produced tones and was dramatically at home in his role, while Mr. Warren's Scarpia vividly reflected that character's blend of subtlety and craft with cruelty and violence, which were set forth in singing marked by skilful use of fine shades and contrasts of color and volume.

Norman Scott was the Angelotti, with Lawrence Davidson as an effective Sacristan and Paul Franke as Spoletta Roald Reitan, as the jailer, was the only new member of a visible cast which also included Osie Hawkins as Sciarrone, and George Ryan replaced Peter Burke as the youth who sings the shepherd's offstage song.

Dimitri Mitropoulos charms audiences with his amazing memory and musical integrity

By DICK OWEN

IF THERE is one outstanding personality in the world of music today, a figure the least controversial and the one most widely recognized as the leader in his field, that person is Dimitri Mitropoulos, conductor at the Metropolitan House in New York. He will make his first appearance of this season on Thursday, when he conducts "Tosca."

Although he has been in this country since 1936 and has conducted orchestras throughout the world, he is still something of an enigma.

His appearance is striking. He is bald—and seems to have never been anything else. His face is crag-like. A bachelor, he is rarely mentioned in newspapers except in respect to his art. He avoids social shindigs. He is impatient with flattery. He is deeply religious. Above all, he is the most erudite musician of our time.

His memory is magical, as any musician who has ever played with him will aver. He is completely catholic in taste. He relishes a great symphony, of course, but he gets a charge out of a modern jazz ensemble, as well. He has consistently encouraged unknown composers, even financed them in their music courses. Born in Greece, he is a constant champion of this, his adopted land. He feels that music may yet, some day, conquer the atom bomb.

His manner of conducting complements his striking appearance. He jumps, stamps his feet, jerks his arms about and shakes his bald head from side to side.

He never uses a score but commits everything to memory. How does he do it? How can he recall hundreds, thousands of scores?

"The first thing to overcome is fear," he says. "I had to convince myself that I could learn the scores and conquer the fear that my memory would fail me during a performance. I tackled fear many years ago. I used to climb mountains where, if one becomes afraid, almost certain death will result. Well, I am still here."

Indeed, until his recent heart attack, he was just as active in his 63d year as when he delighted the musically and socially-conscious audience of the Boston Symphony Orchestra in 1936 at his first appearance in America.

His success there saw him appointed director of the Minneapolis Symphony Orchestra in 1937. He raised this orchestra to a position of pre-eminence before he moved in 1949 to the New York Philharmonic Orchestra, which he left last year but where he still appears as a guest conductor.

Critics have all been his friends. A modest man, he prefers to have praise of his talents kept within bounds. "I do not like to be called a great conductor," he said. "I am satisfied if I am among the good ones."

Perhaps part of the secret of his ability to recreate great music lies in his expressed conviction, "A conductor or a creative artist throughout a performance must transmit human principles by means of music, just as a priest during Mass identifies himself with the beauty of its spirituality. Skill is not enough. Students must understand their connection to the moral purposes of art."

Leonie Rysanek, soprano, discusses part of Verdi's "Macbeth" at Met rehearsal.

A glance around his apartment emphasizes this personal attitude he has toward life. He sits beneath a crucifix. There is a rosary nearby and an open Bible. But he is no great churchgoer (he was raised in the Greek Catholic Church). He may well be found saying a prayer before a performance begins. At rehearsals he never loses his temper or indulges in profanity.

He is an unwavering champion of American orchestras. He says, with humor, "We have developed what I call a beauty-parlor sonority. We have the greatest orchestras in the world, although most Americans don't realize this." He is impatient with people who praise European orchestras as superior to our own. "It just isn't true," he says.

How does one become a good conductor? Can the art be taught?

"I do not believe that one can teach conducting," he said. "The musical principles, yes. All I can hope is to be an example to younger musicians. I believe I have been."

Most musicians feel his hope has been fulfilled. When the directors of the Philharmonic asked him what kind of present he would like as a token of their appreciation his answer was prompt. "Give me permission to play an unknown work by an American."

To Mitropoulos, music is a way of life. He is seldom far from an orchestral score or piano (he is an accomplished pianist). He believes that art is irrevocably tied in with human values and that as long as artists believe this and express it in their works, the human race must advance toward its ultimate goal of perfection.

'Tosca' Pleases At Met Opera

The Metropolitan Opera's first "Tosca" of the season was performed last Thursday in a most satisfactory manner.

Although Zinka Milanov in the leading part was a little slow in warming up to the occasion, she reached her pace in time to render her great arias of the final act in great form. In the role of Baron Scarpia, Leonard Warren gave another of his outstandingly magnificent performances, meeting the demands of the part both vocally and histrionically.

In the part of Cavaradossi, Eugenio Fernandi left something to be desired as an actor, but vocally he came through to the satisfaction of an enthusiatic audience.

But if any palms are to be awarded for the evening, perhaps they should go to Dimitri Mitropoulos, making his return to the orchestra pit for the first time since his recent illness. His conducting of the purely orchestral passages and his over-all command of the entire performance was everything the New York music public has come to expect from him. **D. O.**

FIRST 'BUTTERFLY' OF SEASON AT 'MET'

"Madama Butterfly," which had its first performance of the season at the Metropolitan Opera Saturday evening, continues to be a fresh, bright and authentic-looking production as overhauled and redesigned two seasons ago by Yoshio Aoyama and Motohiro Nagasaka.

The excellent cast was headed by Antonietta Stella, who gave a good account of herself in the title role. Miss Stella's Cio-Cio-San is an appealing stage figure and the music is well suited to her voice. Her singing of "Un bel di" was received with special approval by Saturday's audience.

As at previous hearings, Barry Morell proved a splendid Pinkerton. His bright, well-focused tenor voice carries well and he sings the music expressively. Still other sympathetic portrayals were those of Margaret Roggero as Suzuki and Clifford Harvuot as Sharpless.

A newcomer to the cast was Charles Kullman, singing Goro for the first time with the company, and meeting very capably the demands of the role. Others in the cast were Joan Wall, George Cehanovsky, Osie Hawkins, Calvin Marsh and Luigi de Cesare. Dimitri Mitropoulos' conducting was spirited and well-paced. **J. B.**

Metropolitan Opera

('TOSCA')

The New York public gave a rousing ovation to the gaunt and wiry conductor, Dimitri Mitropoulos, missing since his January heart attack. He showed no diminuition of vigor or fieriness of interpretation. He injected a drama and exitment into the score which made "Tosca" appear fresh and stimulating as it seldom does with other conductors.

If dramatic and emotional force emanated from the pit, unfortunately only Leonard Warren echoed it on the stage. His Scarpia was suave and silken venom in characterization, vocally satisfying in coloring and phrasing. Eugenio Fernandi as Cavaradossi has a huge voice and produces his tones well and on pitch, but he seems dramatically unaware of what he was doing in the plot.

Zinka Milanov in the title role gave only few moments of quality and the soft tones for which she has been so celebrated in the past. Her acting style is, of course, invariably atrocious. *Goth.*

Mary Curtis-Verna and Jussi Bjoerling took the leads in yesterday afternoon's "Tosca" at the Metropolitan Opera.

Both singers are familiar exponents of these parts, but Mr. Bjoerling has not sung Cavaradossi here since early in 1957 and Miss Curtis-Verna's appearance as Floria Tosca was her first this season at the Met.

Although he is not imposing in the part visually, Mr. Bjoerling's musical resources are still large enough to make up for it. He created the essentials of the role with his voice and with a keen sense of musical timing. Of vocal beauty there was his usual plenty, although one or two big moments were just short of maximum strength.

Miss Curtis-Verna was forceful and commanding in the title role, a part she has perhaps sung more than any other at the Met. Her voice has gained a measure of richness and security.

Cornell MacNeil was again Baron Scarpia and Norman Scott, Lawrence Davidson and Paul Franke were familiar in smaller roles. Dimitri Mitropoulous led a performance distinguished for its expressive phrasing and tension. **E. S.**

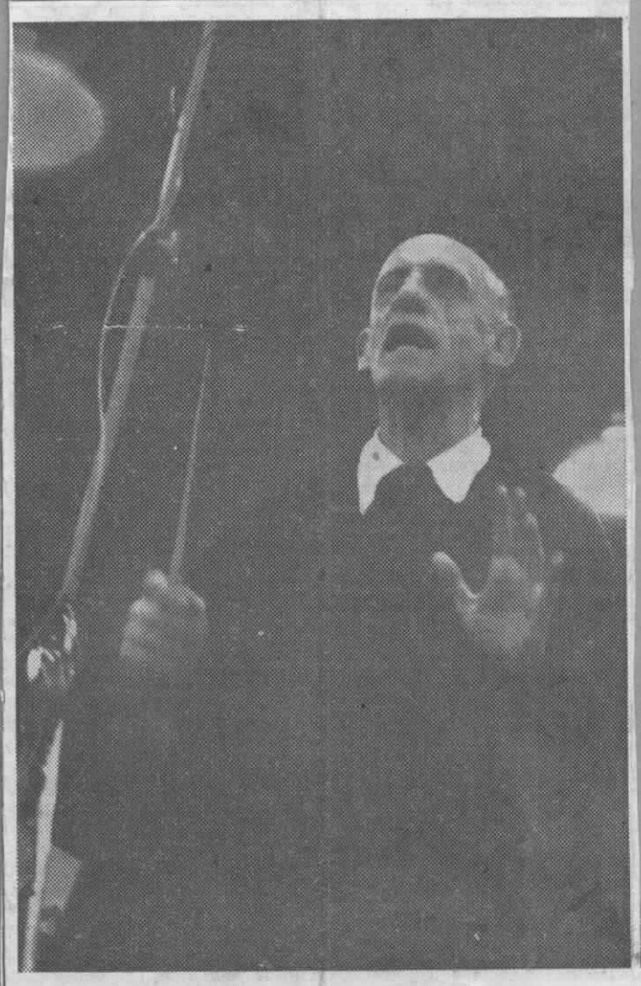
SOVIET COMPOSERS SEE OPERA AT 'MET'

4 of Touring Group Attend 'Butterfly'—Kabalevsky Gives Mitropoulos Gift



Four of the five visiting Soviet composers were guests of the Metropolitan Opera House at last night's performance of Puccini's "Madama Butterfly." The exception was Dmitri Shostakovich, who begged off because he was tired.

At the end of the first act, the party was further reduced when Boris Yarustovsky, the critic in the visiting group, left the opera house. The Russians who remained hastened to explain that this was no reflection on the performance, but Mr. Yarustovsky, too, was tired. The group has been traveling strenuously ever since its arrival in the United States on Oct. 22.

The four who stayed were Dmitri Kabalevsky, Tikhon Khrennikov, Konstantin Dankevich and Fikfret Amirov. Between the second and third acts they attended a reception in the lounge of the Opera Club as personal guests of Anthony A. Bliss, president of the Metropolitan Opera Association. Champagne was served. Among the other guests were Leonard Warren and Blanche Thebom, American opera singers who have performed in Russia.

After the performance the party went backstage. There they met Dimitri Mitropoulos, the conductor of the opera. Mr. Kabalevsky presented to the conductor the score he had been nursing carefully all evening. It was an autographed copy of his Fourth Symphony and he gave it to Mr. Mitropoulos to show his gratitude because the conductor introduced the work to the United States with the New York Philharmonic two years ago.

Music: Mahler Honored

Philharmonic's Series Opens With His Fifth

By ERIC SALZMAN

THE New York Philharmonic marked the arrival of 1960 with a program that commemorated a former music director and that was conducted by another.

Gustav Mahler, who led the orchestra fifty years ago, was represented by his Fifth Symphony. The orchestra, under the direction of Dimitri Mitropoulos, played it at the preview concert on New Year's Eve and again yesterday afternoon at Carnegie Hall.

There are breezy melodies in this work; there are slow waltz tunes, sentimental phrases and wild excited music. In more than an hour and a quarter, the symphony passes through all kinds of textures and moods, from the simplest to the most complex from the opening Funeral March to the final, massive peroration.

But over everything hangs the heavy hand of the solemn, tortured man who made his music in the fear of death; who wanted to challenge the passing of time by setting up his own sense of time in which an "Adagietto," a small adagio, lasts fifteen minutes by itself.

•

He was a sophisticated, complex Viennese who wanted to write simple, even banal, music. But he put it into the most complex structures and loaded it down with counterpoint and elaboration. He constantly strove to perfect an already superlative orchestration and as a result of his constant changes, no two scores agree and the orchestral parts are still different.

All these things come out in the Fifth Symphony—length, over-elaboration of simple material, arbitrariness, vulgarity and musical indecision (he even spoils the final peroration with a momentary lunge in another musical direction). Yet with it all, there is a tragic grandeur as well as masterful touches of musical logic and technique. And there is an overwhelming desire to comprehend all kinds of musical and human experiences within the framework of the poor inflated symphonic form that was due, within a few years, to burst completely. This alone, must command respect.

It is an interesting historical fact that the modern Viennese school of Schoenberg and his colleagues always acknowledged a debt to Mahler, and admirers of that music still feel a kinship with him. Mr. Mitropoulos obviously is one of these and his performance was full of the musical insights that the conductor knows how to find in a challenging piece; plus a sensitivity to this musical

Dmitri Mitropoulos

world that could set it forth convincingly and grandly but without undue exaggeration or sentimentality.

The orchestra responded in kind and, while every detail was not perfect, the impetuousness, the stops and starts, the melancholy phrases and the grandiose climaxes were all set forth in their proper place with sureness and cohesion.

The same was true of the "Grosse Fugue" of Beethoven, which was performed in a version for string orchestra. One might question the wisdom of placing two heavy meat courses one after another, but, at any rate, both were well cooked.

•

The program was the first in a series in which ten major works of Mahler will appear. The concerts will commemorate the 100th anniversary of Mahler's birth as well as the fiftieth year since he was appointed musical director of the orchestra.

Although he led the Philharmonic for only one full season (he collapsed after a concert during the second of his regular seasons here and died shortly thereafter), he left his mark. While constantly quarreling with the management, he reorganized and strengthened the organization, instituting Sunday concerts and tours as well as cycles of concerts of the very type in which his own music is now being performed.

Fifty years after the orchestra's first tour, it went to Europe and the Near East on its longest jaunt to date. In a short ceremony following yesterday's concert, Mr. and Mrs. David M. Keiser, the president of the Philharmonic and his wife, presented the members of the orchestra with medals, designed by Mrs. Keiser, commemorating the trip.

Music: Philharmonic

Mitropoulos And Mahler

By LOUIS BIANCOLLI.

The combined grandeur of great music and great conducting marked the return of Dimitri Mitropoulos to the Philharmonic podium in Carnegie Hall over New Year's Eve and day.

In the double capacity of Mahler specialist and profound all-around interpreter of the world's classics, the Maestro was absolutely the right man to open the Society's anniversary tribute to a composer who was himself a Philharmonic conductor 50 years ago.

Few ovations can have been so deeply gratifying to Mr. Mitropoulos as that following Mahler's Fifth Symphony. Here was moving testimonial of the crowd's esteem and gratitude for himself and for a composer long the target of savage attacks

Excited Crowd.

It did one's heart good — as it must have done Mr. Mitropoulos'—to observe the excited behavior of the crowd. The "Bravos!" rang out loudly from all parts of the house. For the moment there seemed to be but one god in music—Gustav Mahler—and his prophet was Dimitri Mitropoulos.

This is one giant of a symphony—in quality no less than in size, scope and duration. It has its strange interludes of pallid simplicity, but somehow they redeem themselves in the over-all momentum and conviction of plan.

Each of the five movements is almost a symphony in itself. Each seems a self-sufficing world of energy and feeling. Yet all cohere in a related system of keys, harmony and themes that make it a single drama.

One hesitates to speak of drama here because Mahler denied having any specific program in mind. This would seem to make the Fifth Symphony absolute music, complete in terms of itself. But that wasn't like Mahler.

Tortured Spirit.

Program or not, behind the Fifth Symphony, as behind Beethoven's Fifth, is the torment and turmoil of a creative mind perpetually aware of itself and the world about him. Mahler recorded his tortured spirit in all his music.

He could no more exclude himself from his music than Emily Dickinson could exclude herself from her poetry. The Fifth is another testament of the passionate unrest and questioning with which Mahler confronted life.

The Fifth Symphony is thus another adventure of the spirit. There are fearful crises, sudden calms, complex dilemmas, ironic contrasts of sunshine and shadow, and a final affirmation of life.

The Philharmonic's centenary observance of Mahler's birth has opened on a brilliant and jubilant note. In the weeks to come, Mr. Mitropoulos, Leonard Bernstein and Bruno Walter will be doing the cause of Mahler—and that of music—a unique and timely service.

To precede the Fifth Symphony, Mr. Mitropoulos gave a reading of Weingartner's arrangement of Beethoven's "Grand Fugue" compounded of probing intellect and utter lucidity of design. Welcome back, Maestro!

MUSIC

PAUL HENRY LANG

New York Philharmonic

For a couple of years we have been watching with some uneasiness the program policies of the Philharmonic. Their endeavor to present historical surveys and outlines, here of American music, there of the concerto, etc., can lead to awkward situations. Once the orchestra embarks on some sort of a "survey," the bread and butter pieces, the "classics," must be squeezed wherever there is room for them often with incongruous results. Actually, successful concerts call for a very simple recipe: good variety of well-selected music of all ages and schools in intelligently blended, compatible programs.

Yesterday's concert was the first of a commemorative historical series devoted to Mahler. Now anniversary celebrations are a pleasant thought, and can be enjoyable; there are composers of whom you never get tired—but Mahler is not one of them. Even so, if some of his works that do not monopolize the whole evening are companioned by something a little less pessimistic, sad, and saturated with *Weltschmerz*, perhaps this is feasible.

Now Dmitri Mitropoulos, whom every one was pleased to see on the rostrum restored to health and conducting with his old vigor, prefaced Mahler's Fifth Symphony with the unlikeliest of "overtures." The "Grand Fugue" is a work so concentrated and complicated that it has always been considered a sphynx among the Beethovenian pyramids.

This is chamber music, expressly and carefully designed for string quartet. What Mr. Mitropoulos presented was a transcription, a thickened orchestral version that placed a second head on the rump of the sphynx. Since the work was exceedingly well played, some of the "grand" in the fugue was conveyed, but the intricate contrapuntal conversation of four sophisticated musicians, which is what this is supposed to be, was drowned by the dynamic weight of the orchestra.

So when the first strains of the funeral march which opens Mahler's Fifth Symphony were heard, our mind was already cluttered up with a dose of somewhat cryptic music. Now we entered the realm of the dead, for this symphony is in the orbit of Mahler's own "Children's Death Songs."

The themes of the first movement border on the banal, yet here and there we are taken by their pathos, but soon the ponderous pace becomes wearisome. The second movement offers some more cryptic polyphony, but one looks forward to the scherzo; surely such a movement cannot be stretched into eternity. Now the banality reaches alarming proportions, the unhappy waltz that is the main subject, just goes on and on, the movement saved only by the very fine horn playing of James Chambers.

Pretty nearly an hour has passed since the trumpet started the funeral march, so an intermission was necessary for all hands, on the stage and in the auditorium. Imagine an intermission in the middle of a symphony! Then came an Adagietto — *langsamissimo* — for harp and strings that did not seem to have anything to do with the rest of the symphony, followed by a really outsize finale.

A tortured romantic who stems from the neo-German school will not end a symphony on the rather friendly tone which prevails in the first part of the finale. A chorale, that arch enemy of the symphony, appears to remind us of the earnestness of life, then the composer piles all the motifs on top of one another in a roaring *stretto* that threatens to shatter our ears and our senses.

Mr. Mitropoulos, who conducted with obvious sincerity and devotion, gave the work his all and the musicians followed him faithfully. The orchestra sounded glorious and kept sounding glorious for every one of the eighty minutes it takes to perform this monstrous symphony. Yet I wondered what meaning this sad, overworked, unconnected, and prolix music has for us. Mahler's sincerity and integrity impressed the rising neo-Viennese school at the opening of our century, but to most of us the agonizing conflict of this sorely tried man no longer speaks with eloquence.

Philharmonic audiences are in for some tough sledding—there are eight and a half Mahler symphonies yet to come!

Mahler Festival Begins As Mitropoulos Conducts

By HENRY BECKETT

The N. Y. Philharmonic's 1960 Mahler Festival at Carnegie Hall has opened with Dimitri Mitropoulos conducting the Fifth Symphony, a work appropriate for a new year of uncertainty and confusion.

Bruno Walter, friend and advocate of Gustav Mahler, the still controversial composer born 100 years ago and the Philharmonic's music director 50 years ago, reports words spoken to him by Mahler:

"What grim darkness underlies life? Whence have we come? Whither are we bound? Why do I fancy I am free, when my character constricts me like a prison? How can cruelty and evil be the handwork of a loving God? Will death at last reveal the meaning of life?"

Not that the New Year's Day symphony says just that. Music can't be translated into words, for music begins where words leave off. But at least the symphony is the product of a man who felt and thought in that mood.

This festival will last into April and all who take it seriously might read "Gustav Mahler," the book by Walter, who will conduct Mahler's "The Song of the Earth" in the last four concerts of the festival. Midway in the series, Leonard Bernstein will conduct.

Its gigantic funeral march, bitter Viennese waltz, fateful drum beats, and themes of lamentation, make the Fifth of tragic import. But it never whimpers or whines in defeat, as some recent music does. It faces life with dignity, has stature, magnifies the human condition.

Shanet quotes from Mahler's letter to his wife: "O, if only I had been born a clerk and appointed baritone at the opera house . . . could only give the first performances of my symphonies 50 years after my death . . . were only a Russian police spy . . ."

Shanet comments that "Mahler's estimate of 50 years after his death for the general acceptance of his symphonies seems to have been an accurate one. Today that half century has almost gone by and a Mahler festival like this is already possible."

More than possible. It's welcome. Friday's audience was excited by the music, enthusiastic over the conductor's insight and the eloquence of the orchestra.

This confirms what Walter hopefully wrote: "In our art the new, challenging, revolutionary, passes in the course of time over into the known, accepted, familiar."

The creative artist is ahead of his time and his appraisers are too much bound to what is already accepted. Yet a few, the ones who mean most, appreciate him as he works and in this case Walter was one. Of the 5th he wrote, "This is music. Passionate, wild, heroic, exuberant, fiery, solemn, tender, it covers the whole gamut of feeling."

How amusing to fancy that the fantastic marches in this symphony might not exist had Mahler's childhood nurse not found that "there's something in a soldier," and kept company with one while her small charge played in the barracks yard and overheard the military band at practice.

James Chambers was fine in the horn solo. Beethoven's Grand Fugue, B-flat major, began the program. Mr. and Mrs. David M. Keiser, Philharmonic president and his wife, presented the players with medals, designed by Mrs. Keiser, commemorating the 1959 European tour.

Mitropoulos Brings Out Mahler's Best

By MILES KASTENDIECK

IF MAHLER'S MUSIC is played as understandingly throughout the Philharmonic's current cycle as the Fifth Symphony was in Carnegie Hall yesterday afternoon, these concerts will be memorable moments for Mahler and for the Philharmonic. The New Year began auspiciously.

It fell to Dimitri Mitropoulos to open this cycle commemorating the 100th anniversary Mahler's birth and the 50th anniversary of the composer-conductor's first season as the Philharmonic's musical director.

Mitropoulos was most welcome not only as guest conductor but also as an outstanding interpreter of Mahler, for whose music he obviously has strong affinity.

The Fifth Symphony proved an excellent choice to begin the cycle. It challenges the music lover as it challenged Mahler himself. In this centennial observation it calls for a revaluation of Mahler's music on its own terms, not on those already set forth in print especially by Mahler's detractors. There is little wonder that he once wished that he could "give the first performances of my symphonies 50 years after my death."

Needn't Worry

With Mitropoulos to present the Fifth, however, he had no reason to worry. A magnificent performance, revealing the contents of the music as well as its ingenious orchestration, disclosed Mahler in the fullness of his powers.

From the trumpet call in the first measures to the brilliant outburst of its final coda, the symphony offers much in an hour and a quarter for ready acceptance in this "age of the common man."

Fortunately, Mitropoulos called an intermission between the third and fourth movements to make the work more easily assimilated. This made possible a fuller appreciation of the adagietto and the finale after 45 minutes of listening to the other three movements.

Incidentally, the theme of the adagietto reminded the listener that it bore the stamp of individuality characteristic of Mahler's melodic harmonizing. Detected in the funeral march of the First, it is simply confirmed here.

Recalls 'Tristan'

Some might note that the slow movement has reminiscent stretches of Wagner's "Tristan" and that the lively pages of the finale recall the last scene of his "Die Meistersinger," but these matters do not cloud the Mahler idiom which gives his music its own hallmark. Of that more could be said if space permitted.

Suffice to say that the composer's ingenuity in writing codas shone forth at the end of each movement yesterday, so painstakingly did Mitropoulos fashion them. This is practically [illegible] with Mitropoulos and the musicians responding to his feeling for it, the stream of musical consciousness that personifies Mahler had its moments of glorification.

The concert began with an enlightening performance of Beethoven's Grand Fugue, Opus 134. It is an extraordinarily anticipatory work and proved an excellent foil for the Mahler. And if Beethoven was "the man who freed music in the 19th century," then perhaps Mahler freed music in the 20th.

At a critical turning point, the Fifth of Mahler may hold a strategic position just as it did for the composer.

A work by Gunther Schuller in seven-channel stereo will be performed by the New York Philharmonic under Dimitri Mitropoulos on next week-end's program.

The work, entitled "Spectra," uses seven different groups of instruments disposed around the stage so that they may be heard separately or combined into various larger combinations. The title suggests the use of a series of instrumental colors arranged in space as well as time.

The work was commissioned indirectly by Mr. Mitropoulos. When he retired as Music Director of the Philharmonic, the board of directors wanted to present a gift to him but he suggested that the money be used instead to commission a new work.

Mitropoulos Triumphs at Carnegie Hall

By LOUIS BIANCOLLI.

The privilege of hearing Dimitri Mitropoulos conduct was again profoundly appreciated by the Philharmonic patrons at the second program of the Mahler Festival in Carnegie Hall yesterday afternoon and Thursday night.

If possible, Mr. Mitropoulos gave an even more overpowering reading of the First Symphony than he had of the Fifth last week. But this may be only because this week's performance had the impact of immediacy. It is closer to me as I write, therefore more vivid and shattering.

Again, the behavior of the crowd was a treat in itself for Mahlerites, who for years bemoaned the neglect and apathy that threatened his survival. This was a completely absorbed audience, spiritually and artistically involved in the experience.

And what an experience these geniuses — Mitropoulos and Mahler — made of it! There was, of course, the ever-fascinating music, oscillating between the repose of nature and a savage tumult of spirit. But there was the performance, too!

Mr. Mitropoulos seemed to stake everything he believed in and cherished on it. Not only was he utterly identified with the music, but for the moment with every member of the orchestra, too. The result was a perfect union of ideals that had the quality of creation compounded.

The symphony never seemed so alive and timely. The transition from the mock-funereal calm of the third movement to the explosive crash of the finale was staggering. Those who didnt know it was coming looked at one another in awe.

Perfect Performance.

Where and how Mr. Mitropoulos achieved this power of revelation is his secret, as much a secret, perhaps, as where and how the young symphonic technic so far in advance of his time.

Technically, the performance was as perfect as anything heard so far this season. Whatever it takes to reach the ultimate in bringing the cold print of music to living reality, Mr. Mitropoulos and the Philharmonic mobilized together for the First Symphony.

The reaction of the crowd was again proof that Mahler, at long last, is being taken on his own terms, not those of Brahms, Strauss, Wagner, or Tschaikowsky. Mahler thought, felt, lived passionately, and his music is the image of the man.

He made no bones about his obsessions of death and disease, about shattered illusions, and the endless search for solace of spirit. He found refuge in nature and the bright laughter of children. The brevity of life haunted him — and the Unknown.

Triumphant Note.

The First Symphony begins in the bosom of nature, as if spring were slowly stirring to life; it ends on a triumphant note. In between are the acid mockery of a Death March and a wild tumult of soul that are "all we need of hell."

There are few places in music that match the frenzied turbulence of the first part of the Finale. What Mr. Mitropoulos and the Philharmonic contrived between them at that point is as much as may be humanly expected of a conductor and an orchestra.

Also on the bill was a brilliant performance by Gina Bachauer of the robust and rousing Piano Concerto of Arthur Bliss. But the program really belonged to Mahler, Mr. Mitropoulos and the Philharmonic. Together they made symphonic history.

Philharmonic Plays More Of Gustav Mahler's Music

By Francis D. Perkins

The New York Philharmonic continued its observance of Gustav Mahler's centenary at Carnegie Hall yesterday when Dimitri Mitropoulos devoted the second and major part of his program to the Symphony No. 1, in D major. Gina Bachauer was the soloist in the orchestra's only other offering of the afternoon, Sir Arthur Bliss' Piano Concerto.

Commissioned by the British Council as part of the British contribution to the New York World's Fair, it was first played on the warm evening of June 10, 1939, by Solomon with the Philharmonic under Sir Adrian Boult's guest leadership. Mr. Mitropoulos conducted a Philharmonic performance in 1950, with Leonard Pennario as soloist. It is extensive and effective, romantic and rather derivative, although the composer often merges his influences in a personal idiom.

The soloist's assignment is exacting and rewarding, with a generous opportunity for a full display of technical resources, power and range of moods. The scoring has a wide array of color and, despite its frequent opulence, is not overwrought, although there were one or two points which seemed to call for a dynamic contest between the soloist and the ensemble. The opening and various other episodes are imposing; the imaginative and intimate opening of the adagio is distinctly personal in style. But the concerto has its weaknesses, including uneveness in the cogency of its musical ideas and a certain lengthiness; it arouses attention, but does not always hold it.

Power and Sonority

Miss Bachauer's interpretation was memorable in its power and sonority; her technical brilliance was matched by her understanding and projection of the music's emotional atmosphere, both in proclamative and less outspoken measures. With largeness of scale, her performance was also laudable for its fine shading of volume and hue, while power never competed with lucidity. The orchestral playing was well proportioned and expressively revealing.

As compared with Mahler's Symphony No. 5, which opened the Philharmonic's Mahler Festival last week, his first symphony requires no undue attentive strain; its fifty-three-minute span is relatively short for this composer, and its themes are engaging, while it has a frequent freshness and directness which are less often to be found in the later major works. Its expressive significance is usually self-evident, not needing external explanations.

The finale, indeed, has one Mahlerian weakness; a search for a magnificent close that falls short of its goal, in spite of an intent and devoted performance such as this one under Mr. Mitropoulos. It was not only a matter of admirable playing and emotional persuasion, but also one of taking a long interpretative view of each movement, giving it an unbroken continuity and not offsetting an ultimate climax by overstressing an earlier one. This structural understanding was especially noteworthy in the constantly waxing brightening revelation of the first movement, from a sense of early dawn to one of full daylight.

Music: Bliss Concerto

Gina Bachauer Plays With Philharmonic

By HOWARD TAUBMAN

A REMINDER that international expositions can leave behind them something more than memories of aching feet was offered by the New York Philharmonic at Carnegie Hall yesterday afternoon. It took the form of a piano concerto by Sir Arthur Bliss, which was written for the New York World's Fair of 1939.

In 1938, when the composer accepted the commission of a concerto to be performed during British Week at the fair, he was not yet Sir Arthur nor the Master of the Queen's Music. That these titles came his way is not surprising. He was a craftsman with an eclectic style, and in the concerto he showed that he could write with a slashing, nineteenth-century flair. The grand manner is likely to attract attention and honors.

The concerto had its première at Carnegie Hall on June 10, 1939, with Sir Adrian Boult conducting the New York Philharmonic and Solomon as the soloist. In a handsome gesture Mr. Bliss dedicated the work "to the people of the United States of America."

•

The conductor yesterday was Dimitri Mitropoulos and the soloist Gina Bachauer. With the cooperation of the orchestra they provided a rousing reading. In many ways the work is suited to their sympathies. Its proportions are big. Its thematic material is broadly romantic, even sentimental, and the writing is splashy, colorful and at times nostalgically lyrical like Rachmaninoff's.

The piano part calls for bravura playing, and Miss Bachauer has this commodity in overflowing measure. In the full-voiced first movement, where the piano often takes on the huge apparatus of a modern symphony on even terms, the pianist more than held her own. The style was filled with virtuosity and tension. In the more subdued song of the slow movement the piano sang with subtle glowing tone.

Miss Bachauer played the concerto with such commanding authority that one wondered whether she had not re-enforced some of the passages for the solo instrument. If she has, she has done the concerto no harm.

The Program

NEW YORK PHILHARMONIC, Dimitri Mitropoulos, conductor. Gina Bachauer, pianist. At Carnegie Hall.
Symphony No. 1.....Mahler
Piano Concerto.....Bliss

The only other piece on the program was Mahler's First Symphony. Mr. Mitropoulos, who has a special fondness and appreciation for this composer, conducted it with control as well as passion. In the climactic moments he did not hesitate to ask for all the sonority the orchestra could give. For the most part, however, his conception was not needlessly inflated. The restraint and taste of the long-drawn out introduction were symptomatic of the conductor's approach.

•

The symphony itself, which takes almost an hour to traverse, is not a swollen affair if judged by Mahler's symphonic standards. Some of its ideas are commonplace, and they are treated with a persistence that amounts to obsession. And yet a sense of pathos emerges from the banality.

Surely Mahler, a remarkable musician, had no illusions about the distinction of his material. Did he choose it and work it as he did because he wished to convey the saving wonder art can discover in ordinariness and bitterness?

A Musical Spectrum

When Gunther Schuller's "Spectra" is introduced by the Philharmonic under Dimitri Mitropoulos this Thursday night, the orchestra, in a seating arrangement devised by the composer, will be divided into seven groups which can operate independently or be joined into a single unit. The work, whose title refers to the use of various instrumental colors, was commissioned by Mr. Mitropoulos, who planned to present it last season. The conductor's illness was the reason for the premiere's postponement.

When Mr. Mitropoulos decided to retire as the Philharmonic's music director, the society's directors offered him a parting gift; he suggested that it take the form of a commission to a young American composer. Mr. Schuller, whose father is a Philharmonic violinist, was the recipient. He was the Metropolitan Opera's first horn until a few months ago, when he resigned to gain time for composing, conducting and other activities.

Mahler Cycle

In recognition of the centennial of Gustav Mahler's birth, the Philharmonic has undertaken a Mahler cycle which will include most of his outstanding works. Since the occasion also marks the 50th anniversary of Mahler's first season as the Philharmonic's musical director, the cycle has special meaning for New York.

Since Mahler himself had wished that he could give the first performance of his symphonies 50 years after his passing, this tribute to him comes into special focus. Had he been able to hear Dimitri Mitropoulos conduct his Fifth Symphony on the opening program, he would have been content to accept the exceptional interpretation which it received. As a confessed Mahlerite Mr. Mitropoulos finds much spiritual content in Mahler's music and experiences a great deal of fascination with his orchestration. It was not surprising, then, to find the Fifth Symphony so understandingly played.

To detract attention from the unusual length of the Fifth, Mr. Mitropoulos chose to place an intermission between the third and fourth movements. This unusual arrangement may disturb devout Mahlerites, but on this occasion it achieved the purpose for which it was done. The audience could assimilate the music of the last two movements much more readily and gain a fuller appreciation of the music.

Somewhat astutely, Mr. Mitropoulos chose to begin this concert with Beethoven's Grand Fugue, Op. 138. This proved an excellent foil for the Mahler. It also brought up a significant point. By coincidence, the juxtaposition called attention to the relative position of the two men in relation to their respective centuries: As Beethoven freed music in the 19th, so Mahler did the same for the 20th. The cycle should prove most provocative under these circumstances.

Mitropoulos Leads Mahler's 'First'

Gustav Mahler originally subtitled his First Symphony "Titan." The description can as well describe his status as a composer for this turbulent man was a symphonic giant.

His Symphony No. 1, performed Friday afternoon by the N. Y. Philharmonic at Carnegie Hall, is extraordinary in many ways, but especially because it stamps the breadth and individuality of his style far more than the "firsts" of many other composers.

There is a violence in Mahler which is reflected by the adverse reactions to his music on the part of a minority of listeners. The following has happened at many concerts:

Audiences like the one Friday, all enthralled through works which take far longer to complete than most symphonies. The "First," comparatively short, takes 50 minutes.

They applaud wildly and long. But a few diffidents, including some critics, feel differently. These latter fume at this enthusiastic response, and rush quickly to inform their readers that they are "misled."

I remember observing one set of Carnegie Hall listeners overpowered by a magnificent performance of the Mahler "Second" with Ormandy and the Philadelphians. They cheered for over ten minutes at the concert's conclusion, but meanwhile some writers were busy maligning the proceedings and diatribes appeared in some of the next day's papers.

Mahler, though, not only survives but gains followers the more his music becomes known through recordings and performances. Sheer musical vitality such as his will override temporary fences just as powerful rivers break weak dams.

Mahler has also benefited in the immediate past by being performed by many conductors of major status. Mitropoulos' Walter, Ormandy, Steinberg and Bernstein — all ardent protagonists of his genius are a few.

Once Philharmonic Conductor

The Philharmonic's present "Mahler Festival" honors not only the 100th anniversary of his birth, May 18, 1911, but also the 50th anniversary of his debut as the Philharmonic's musical director.

Mahler was a firebrand, both as composer and conductor, and for two seasons, from 1909 to 1911, was the hero of the Philharmonic.

Though he later withdrew the word "Titan" from his "First," he wrote a sympathetic Berlin Critic, Max Marschalk, in 1900 that there was "some justification for the title."

The Symphony uses for a portion of its themes, ideas taken from his Song Cycle, "Songs of a Wandering Journeyman," and at the head of the introduction to the first movement are the words "Like the Voices of Nature."

The ironic third movement, a ghostly parody which takes as its point of departure an engraving by Jacques Callot, "The Huntsman's Funeral," is an eerie incantation, highly imaginative and evocative.

Basically a pessimist, Mahler's affirmative genius triumphs over his skepticism and disillusion in the exaltation and total glory at the end of the First's "Stormily Agitated" Finale.

Mitropoulos conducted the work from memory with the impassioned inspiration of a master who comprehends the whole and who can richly communicate it.

Bachauer In Bliss Concerto

The program opened with Greek pianist Gina Bachauer's stunning performance of the Concerto for Piano and Orchestra by the English composer, Arthur Bliss.

With all the mediocre contemporary piano concertos offered us during the past years, we wonder why this superior work has not been heard more frequently since its Carnegie Hall premiere here, June 10, 1939. Bliss dedicated the piece "to the People of the United States of America" and it was commissioned by the British Council for the British Week at the 1939 N. Y. World's Fair.

In three movements, the Concerto is vigorously expressive in its first and third movements, while its second movement, "Adagio," is [illegible] reflection of an [illegible] tone. [illegible] language is [illegible] even strengthened by his admirable skill as a craftsman. His imagination is virile and expansive. There is [illegible] moment throughout the Concerto's 35 minutes of playing time.

Letters to the Editor

Are Music Critics Necessary?

To the N. Y. Herald Tribune:

I should like to comment on the report of your music critic, Paul Henry Lang, about the last concert of the New York Philharmonic.

Whenever a bull in the ring catches the sight of a red cloak or cloth held by the matador or one of his assistants, he lowers his head and in blind rage storms forward to annihilate it and everything else that comes in his way.

The same happens to your music critic whenever a work by Mahler or Bruckner is performed. There cannot be any question to his rights to dislike the music of those composers, and to say so. As a matter of fact, this letter-writer also prefers the music of Mozart, Beethoven and Schubert, and possibly also by Rossini and Verdi. However, in the case of Mr. Lang and Mahler or Bruckner, his rage turns a criticism into a diatribe.

Within a short column we read the words . . . banal, ponderous, wearisome, cryptic, the banality reaches alarming proportions, unhappy, monstrous, sad, overworked, unconnected, prolix, agonizing, no longer speaks with eloquence. This is only a selection of the invectives hurled against a composer whose 100th birthday and the fiftieth anniversary of his working with the New York Philharmonic is celebrated by a grateful musical organization, and by famous musicians and conductors as Mitropoulos, Bruno Walter and others who apparently are of a diametrically different opinion.

The necessity or desirability of the function of a newspaper music critic is altogether debatable, but as it has become a journalistic tradition, his business should be to report on new works, first performances, performers, etc. Why it should be necessary to pounce upon a work of art, fifty-five years old and hundreds of times performed, every time it is executed, is beyond my understanding, and the occasion of a special anniversary and celebration is certainly the worst time to do so.

As there will be about ten more performances within this celebration, and your regular readers know beforehand what Mr. Lang will write on each of these occasions, and might only be surprised by new heights of vituperation. Why should not Mr. Lang spare himself the tortures of sitting through all these performances and leave it to his colleagues to attend and to write the reports.

Mahler Festival Now Under Way

1794

By LELOS SMITH

NEW YORK (UPI) — The New York Philharmonic is in the midst of a "Festival" dedicated to the music of Gustav Mahler, and one of the featured Mahler pieces will be that most unfestive "Songs on the Death of Children." (Ugh!)

There was nothing whatever festive about the man. But the New York Philharmonic has an excuse for its festival other than 1960 being the 100th anniversary year of Mahler's birth. Exactly 50 years ago Mahler was music director of the Philharmonic.

DIDN'T SURVIVE

It's a wonder the orchestra survived his two stormy seasons. Mahler himself really didn't. He collapsed after a concert toward the end of the second, and died a few months later in Vienna. He had exhausted himself from a lifetime of trying to be an implacable god among men.

The two seasons were continuous storm and strife. He drove musicians as though they were slaves, with no thought of their sensibilities. It had been the same during his preceding and brief sojourn at the Metropolitan Opera. It had been that way at the Vienna Philharmonic and Opera.

The music world took a lot from Mahler because it knew he was a genius. But of music's morbidly mixed-up geniuses, Mahler probably is the saddest. In his life-time, he drew incredibly brilliant performances from musicians who despied him to a man—or almost to a man. There was no possibility of his obtaining happiness from that sort of thing.

EXHAUSTING

As a creative genius, his posterity has to put up with a lot, too. To get his passages of stirring or sublime symphonic beauty, it has to sit through dull and moaning passages of exhausting length. You can see what a genius he was when those spots of genius still bribe audiences to endure so much.

Mahler himself conducted the orchestra in the American premiere of "Songs on the Death of Children" in January 1910. It will perform them again during the festival, for the first time since then. Another example of the orchestra's devotion to the memory of its erstwhile music director is his last and uncompleted symphony, his 10th.

It got around to playing it for the first time—in 1958. That fragment will be performed again during the festival, which opened with the series of weekend concerts beginning Dec. 31, and will continue for eight consecutive weekends, until Feb. 21.

NINTH WEEKEND

There will be a ninth weekend of it, but that won't come until April. The first four concert series are conducted by Dimitri Mitropoulos, to whom the Mahler music has always had particular appeal. The second series will be conducted by Leonard Bernstein, who has never displayed any particular affinity. In April, the venerable Bruno Walter will conduct the last one. In his youth, Walter was Mahler's musical assistant, and Walter's devotion to the genius has never wavered.

ROBERT C. MARSH

Critic At-Large

MITROPOULOS AND MAHLER

Both the New York Philharmonic and the Chicago Symphony are considering the 1960-61 period to be "Mahler" years. During 1960 we commemorate the 100th anniversary of his birth, and the Philharmonic adds to this its recognition of 50 years since Mahler was fired as its music director. In 1961 we may mark 50 years since the death of this great composer and conductor.

Dimitri Mitropoulos, a confirmed admirer of Mahler, is in charge of the majority of the programs that make up the Philharmonic's Mahler festival, and by happenstance the second item on his schedule was the "Symphony No. 1 in D" which Igor Markevitch will play here Thursday and Friday as the second item in our Mahler series.

Heard in Carnegie Hall, Mitropoulos's statement of the "First" had a lyric and dramatic power that grew through four long movements to yield a brilliant fulfillment of the work.

A Controversial Composer

"MAHLER PRODUCES a kind of fanaticism," Mitropoulos explained. "People either are for him or against him. Recording companies have no interest in him. Even today in Vienna the Philharmonic retains an antagonism to Mahler. Karajan, who is Viennese in his attitude, refuses to conduct his music.

"The one time I went to see Toscanini I asked him why he never played any music by Mahler. He told me it was fit to be used only as Kleenex. This sort of attitude is possible only when there are fundamental spiritual differences between the attitudes of two men.

"Here in New York, every time I play Mahler a few of the critics repeat the same charges against his music. They see its weaknesses, and these faults are real, but they fail to see its imagination and strength. Without considering these elements, you cannot do Mahler justice."

Mitropoulos began his series with the "Fifth" and will give the "Seventh," "Ninth," and the uncompleted "Tenth" symphony later this month. His favorites are the "Third," which he did in New York not too long ago, and the "Sixth"—neither of which have ever been played in Chicago.

One-Symphony Evening

"THE TROUBLE with the long Mahler symphonies," Mitropoulos commented, "is that they are a full evening of music in themselves. Like Strauss's "Salome" and "Elektra," you must come to hear one highly concentrated score and then go home. If you think in terms of a short opening work, then a 20-minute piece, then an intermission, and then a symphony that lasts an hour and a half, it is all psychologically wrong.

"I like to play half the symphony, give the audience a chance to relax for a few minutes, and then complete it. According to my dear friend Bruno Walter, putting an intermission in the middle of a unified work like a Mahler symphony is my grave sin, but I feel it is necessary. When the audience is given this chance to shift its attention from the stage, it returns better able to enjoy the final movements of the score. When I first did this in Vienna I expected all sort of criticism, but everyone said they had never been able to follow the last part of the music with greater pleasure.

"Come to Salzburg this summer and see how this works in the eighth.'"

I said I would try to do just that.

Mahler's 10th Tops Program

By MILES KASTENDIECK

ONLY ONE MOVEMENT of Mahler's Tenth Symphony constituted the third program in the Philharmonic's Mahler cycle in Carnegie Hall yesterday afternoon. While it took second place in news value to the premiere of Gunther Schuller's "Spectra," it dominated the concert in musical value and probably in historical value.

"Spectra" represents a generous gesture on the part of conductor Dimitri Mitropoulos. Instead of accepting a parting gift for himself from the Philharmonic on his retirement as music director, he suggested their commissioning a work from a young American composer.

The result is a work of revolutionary character which proved appalling in its possibilities.

Mr. Schuller should be greatly indebted to Mr. Mitropoulos for the brilliant performance his music received; that is, if it can be called music in the accepted sense.

Not to look a gift-horse in the mouth, the work breaks with tradition much more violently than anything Mahler did, though Mahler has influenced more contemporary composers than any other figure in the early years of this century. Others, however, have done as much!

Splits Orchestra

Frankly experimental, "Spectra" discards formal tonal organization for physical-acoustical (stereophonic?) sounds as well as any previously accepted seating arrangement of the orchestra.

Splitting the orchestra into seven "color" groups, the work proceeds to use various color series structurally. Sound travels in, around, and through the orchestra and comes out as the most-advanced modern impressionism. While it fascinates, as preoccupation with occupational noises can hypnotize; it communicates upheaval.

In presenting unrelated sounds newly related, "Spectra" has color as some modern art has attained it through placing gobs of pigment on canvases. It sounded like movie music without benefit of a screen.

Since it went on and on, the question of its purpose or direction arose and remains unanswered at the moment. Mr. Schuller was present to acknowledge polite applause.

If Schuller came as a startling contrast to Mahler, Liszt followed in more startling contrast. This was accentuated the more because the performance of the Piano Concerto in E Flat on the part of Mr. Mitropoulos and David Bar-Illan, the soloist, followed an exceptionally musical course.

Usually this work sounds like a display piece for virtuoso pianists. Yesterday it had its musical values restored through proper pacing and the use of brilliance only when called for.

Mr. Bar-Illan has the bigness and fullness of tone that suggests the grand manner, the pianistic control that gives him remarkable mastery of his instrument, and the poetic sensibilities that can temper any virtuoso propensities. Some sentimental touches revealed his youth, the remainder of an exceptional performance confirmed it. His future is bright indeed.

Philharmonic Offers Premiere of Work

By HOWARD TAUBMAN

IN his new composition, "Spectra," Gunther Schuller has reseated the orchestra to bypass "the acoustically insurmountable ensemble problems" of nineteenth-century procedures.

The only trouble with the piece, disclosed at yesterday afternoon's New York Philharmonic concert, was that the revolution in seating didn't seem worth the bother. Mr. Schuller's product resembled that of a bright efficiency engineer who has glib charts on paper to show how functional is his new layout but who has failed to take into account the human quotient.

Mr. Schuller's seating plan is designed to bring out "the variegated color possibilities of the modern orchestra." He has groups of instruments from each choir in close-knit blocs. The flute and oboe are among the violins. A bass flute sits under the conductor's nose not far from the violas. A bassoon, contrabassoon, tuba and the trombones are wedged between the 'cellos and contrabasses.

•

The composer's scheme is to divide the orchestra into seven groups, five of them of chamber-music size. In this way, he feels, he can turn antiphonal ideas into integral aspects of his work.

The difficulty is that a sense of independent units is not conveyed. The extra dimension of space that Mr. Schuller seeks is not there. The musicians are still crowded onto the same old Carnegie Hall stage, and the isolation of colors and timbres does not occur with the sharpness of definition that the composer imagined. If he could deploy his performers over widely separated spaces, he might get what he is aiming at.

But if he achieved his aim, would it be worth the effort? Not on the basis of the essential content of "Spectra." The score is more like a series of sound effects. Mr. Schuller, a young American with a lively interest in jazz as well as symphonic practices, has spun out a series of colors with considerable skill. But they don't add up to anything. There is no mood or emotion. "Spectra" is symptomatic of so much contemporary output, enormously clever and thoroughly dispiriting.

Dimitri Mitropoulos, who conducted, has a close connection with "Spectra." When he retired as music director of the Philharmonic, the society wished to present to him a parting gift, and he asked if he might turn over the money as a commission to an American. Mr. Schuller, whose father has been a string player with the orchestra for more than three decades, was his choice. The composer has dedicated his work to his benefactor.

Mr. Mitropoulos conducted the piece with a command of its disparate strands, and the orchestra played effectively. When the 35-year-old composer came out for a bow, the musicians, proud of a colleague's son, applauded him at least as warmly as did the audience.

Mr. Mitropoulos was an eloquent interpreter of the slow movement of Mahler's unfinished Tenth Symphony. In this huge fragment, the composer reached deep into his tortured soul. Despite its surface calm and the relatively sparing use of a large orchestra, the music is a lacerated testament. Mr. Mitropoulos was right to intensify his reading even where the score called for great tranquillity. The orchestra played impressively.

•

The soloist was the Israeli pianist David Bar-Illan. It is difficult, of course, to fail with Liszt's Concerto No. 1, but Mr. Bar-Illan made an admirable contribution in his own right. His piano style is big; his tone has developed solidly; he can phrase with romantic ardor. There was the panache of a self-assured young virtuoso in his interpretation.

Mr. Mitropoulos led the concerto with gusto, and added the "Mephisto" Waltz as a concluding number. The popular Liszt pieces were like a cheerful antidote to Mahler's sublimated miseries and Mr. Schuller's experimental acoustics.

Markevitch played the Mahler in the manner of a Slav rather than a Teuton, stressing the lyrical and romantic elements of the score, and tightening its somewhat loose structure with tempos on the brisk side.

It was an effective performance that resulted in one of the most enthusiastic demonstrations I have heard from a Symphony audience this winter. My personal reaction was that the slower reading of this score I heard from Dimitri Mitropoulos last week in New York was somewhat more powerful.

FOR HER SOLO appearance with the Philharmonic, Madame Bachauer rejuvenated the 1939 B Flat Major Piano Concerto of Sir Arthur Bliss, composed by the present Master of the Queen's Musick for the New York World's Fair. At that time it was played by Solomon.

She has the grander more expansive manner, which, at the same time, is leashed to her sense of ensemble rather than display. This accounted for thrilling presentation of the second and third movements, the better part of the concerto.

The first movement is largely piano bravura, which is uncongenial to the Bachauer temperament. But she found the movement's ultimate if disjointed musical values and the playing was the last word in strength and resonance of tone as well as spectacular technique. Spiritually the Bliss Concerto is late nineteenth century. Madame Bachauer with the conductor, Dimitri Mitropoulos, saw it sympathetically and without the usual happenings when Greek meets Greek.

For her Tuesday night concert here, Madame Bachauer will play Beethoven's Sonata in A Major, Opus 2, No. 2; Brahms' Sonata in F. Minor, No. 2; Schumann's "Kinderscenen" No. 15 and three movements from Stravinsky's "Petrouchka."—J.R.

Clever 'Spectra' Shatters Senses

By LOUIS BIANCOLLI.

Until two months ago the solo horn player of the Metropolitan Opera Orchestra was a man named Gunther Schuller. Between horn-calls, Mr. Schuller was incubating a bomb. That bomb detonated in Carnegie Hall at the latest Philharmonic concert.

It looked fairly harmless as listed in yesterday's program —"Spectra." These are days of spectrums of all kinds, earthly and astronomical. Mr. Schuller's "Spectra" merely refers to a series of colors. But colors blew up a whole tradition yesterday.

To begin with, the score called for a complete re-seating of the orchestra. This accommodated Mr. Schuller's explosive atonal technique by splitting the orchestra into seven groups, five of chamber music size, operating singly or together.

Two Intermissions.

This meant two intermissions yesterday—the regular one on the stage, and the one between Mr. Schuller's "Spectra" and Mahler's 10th Symphony that was needed for the complete re-deployment of chairs, desks, and men.

"Spectra" is startling stuff — jagged, raucous, spooky, fiendishly clever, pitiless in its bold vandalism. It tears apart the whole edifice of music and sets up a terrifying chamber of horrors in its place.

After the first stabbing notes, I thought this was going to be more tedious cacophony. But there is ghastly design here, a squirming web-like growth that holds you will-less and fascinated. This may be the shape of the future, friends.

The score was written as a gift for Dimitri Mitropoulos, who conducted it with the unearthly power that is his alone. As a performance "Spectra" was simply incredible. I don't know a tougher assignment for conductor and orchestra.

Listening to Liszt's E-Flat Major Piano Concerto and the "Mephisto" Waltz, after Mr. Schuller's detonation, was like waking up from a nightmare. Even Mephistopheles was reassuringly tonal, and his devil-tries only harmonic clowning.

A true Lisztean of virtuoso brilliance an dflair sat at the keyboard in the concerto—the young Israeli-born David Bar-Illan, who confirmed earlier impressions with eloquent displays of temperament, tone, and technique. This boy can play!

Profound Reading.

Continuing the centennary observance of Mahler's birth, and the 50th anniversary of his Philharmonic debut, Mr. Mitropoulos conducted a typically profound and poetic reading of the unfinished 10th Symphony.

It was Mr. Mitropoulos who brought this music into the Philharmonic repertory two year ago. It is Mahler's valedictory to life and music—a poignant document prophetic and resigned.

One again visualized the afflicted genius, racing against time, feverishly sketching out the remaining movements, every now and then jotting down a heartbreaking marginal note to his beloved Alma. How he hated to go, but how bravely he went!

That was a man—Gustav Mahler!

Bar-Illan's Debut; Mahler's 'Tenth'

Gunther Schuller's "Spectra," by its title, gave the keynote of the N. Y. Philharmonic's concert Friday afternoon in Carnegie Hall.

It opened with Mahler's despairing "Andante" from his uncompleted Symphony No. 10. By the time of the closing Liszt "Mephisto Waltz," the program had run the spectrum's gamut, emotionally speaking.

David Bar-Illan, dynamic 23-year old Israeli pianist, brought youthful vigor and superior skill to the Liszt E Flat Piano Concerto. Dimitri Mitropoulos, who conducted, was a sympathetic collaborator in the free rhythmic treatment accorded the lyrical sections.

Though Bar-Illan's approach was romantic, verging on the sentimental, it was a sensitive, fervent interpretation, enhanced by exciting technical bravura.

Schuller's "Spectra," in its premiere performances this week, offered as its chief distinction the varied instrumental color which its name suggested. The 17-minute piece is a study in orchestral sonority with the orchestra divided into seven novel units, each a compact ensemble in itself.

Horn Hobnobs with Cello

Members of the brass and woodwind choirs, particularly, had left their respective homeplates for other bases. One French horn, for instance, hobnobbed with a cello and a bass clarinet while a brother was sitting with other woodwinds and strings diagonally across the stage.

The first and second violins were treated more conservatively. For the most part they stayed put, but the harp stood unconventionally directly in front of the conductor. "Spectra" thus is one of those rare pieces in which the conductor is ordered to feast his eyes on the instrumentalist who almost invariably is a distaff member of the

Schuller, whose father plays in the Philharmonic's violin section, was himself, formerly first-horn with the Metropolitan Opera Orchestra. Mitropoulos, who commissioned "Spectra," did so with money he received as a parting gift from the Board of Directors of the Philharmonic given for this express purpose at his request.

The premiere, originally supposed to have been last season, was delayed because of Mitropoulos'

Jungle of Sonority

As there is little in the music of thematic interest, the sound effects eventually get tiresome. The work is a jungle of sonority, varying from a lush exotheism in the strings, which could provide mood music for a dramatization of Hudson's "Green Mansions," to abstruse patter in the brass. Percussionist Chime on Ladder

The percussion section is big

Highlighted in appearance at [illegible] by a gong suspended in the center of a ladder, set a rear stage center.

My use of the word "jungle," however, doesn't intend to imply lack of organization. Schuller's instrumental imagination is resourceful and disciplined by experience, but its ideas are lacking in substance.

Mitropoulos conducted the work with the utmost devotion. The inconsequential material, unfortunately hade his contribution far less compelling than it proved to be in the Mahler.

He conducted the 25-minute "Andante" from memory in a manner which contributed incisively to an overwhelming experience.

In this Tenth Symphony, as Olka Newlin points out in the program notes, Mahler was an inspired prophet. With the spectre of his own death dogging him, he wrote a movement replete with tragic grandeur, foreshadowing [illegible] which that was to come.

He reaches his climaxes through a series of excruciating dissonances which are awesome in their inevitability. As he builds toward them, he succeeds in achieving a transfigured magnificence in the manner of a Greek tragedy inexorably moving to its terrible doom.

Mahler was expressing the ultimate dark fate of everyone in this score and yet his genius miraculously lulled the hell with glory.

If anything, Mr. Mitropoulos the Greek Dimitri Mitropoulos.

MUSIC

Lester Trimble

THE FIRST program in the New York Philharmonic's Mahler Festival was conducted by Dimitri Mitropoulos; it offered Mahler's Symphony No. 5, and with it the *Grosse Fuge*, Opus 133, by Beethoven, in Weingartner's string-orchestra arrangement. Two movements of the featured work were given before the intermission and two after; a splendid way of handling a difficult programming situation and of helping to relieve the weight of length in this inordinately long symphony.

Mahler has always been a controversial figure. He is one of that special breed of composer whose music wraps a mystique about itself like an Arab tent, the inside of which smells like heaven to some people and smothers others. In my experience, the ones in this country who feel most at home on the inside are likely to be expatriate Viennese musicians or critics who find Mahler's melodic style a handy club with which to beat contemporary composers. There are, also, a very few enthusiasts among the composing fraternity itself. These are usually musicians who want desperately to continue the Germanic symphonic tradition, which is supposed to have died after Mahler, and to make warm contact with a mass audience. For the latter purpose, Mahler's sprawling, late-romantic kind of composition appears a likely answer. Shostakovitch, as a particular instance among contemporary Soviet musicians, has shown his affection for Mahler. If the Russian's music had not been harmed by the very diseases of giantism and diffuseness which he caught from the earlier composer, this would be a better recommendation.

I HAVE never stayed with any determination either inside or outside the Mahler tent. Eavesdropping at the flap, much of what I have heard has been attractive. But I do not believe in art which cannot be appreciated or judged except by special, or lax, criteria, and I am resistant to all-night monologues. Mahler, it seems to me, has no real relationship to the mainstream of twentieth-century music. But there is a flawed beauty in his work which I find intriguing.

Of the four long movements in the Fifth Symphony, the only one that really holds together is the Adagietto. This is often played as an independent piece, and I suspect the public has made it a favorite partly because the feelings and form are disciplined sufficiently to achieve coherence. It has a very special mood and a very distinct something to say.

Unfortunately, Mitropoulos did not conduct this movement very tellingly. The pervading difficulty of the *Adagietto* — its vagueness of pulse — was allowed to get out of hand, and as a result there was at one moment no pulse at all, and at another such an excess of rubato that a series of awkward, fictitious pulses were erected.

The other movements of the symphony wander around in the subjective miasma that only a programatic symphony dares entertain. Since Mahler disliked spelling out the scenario of an orchestral work, the listener has one of two choices in his response: either he grants the composer freedom to go anywhere he likes, without respect to abstract musical logic — which is to say that anything at all goes — or he admits to himself that he is lost in a sea of arbitrariness. My response is the latter. The *Rondo-Finale*, as an example, seems to me the absolute apotheosis of the *non sequitur*; its fugal razzmatazz getting nowhere; the music changing direction every few bars, especially toward the end. By almost any standards, it is a very messy job of composition.

BEETHOVEN'S *Grosse Fuge*, on the other hand, is one of the most amazing works in the entire literature. It is the only Beethoven opus which almost seems to bear out the contention of some of the composer's contemporaries that he was mad. He was not, of course. But the *Grosse Fuge* embodies such concentrated demonic force, and moves so boldly beyond the rhythmic and contrapuntal boundaries which, even to the end of his career, Beethoven usually stayed within, that it ends by staggering both intellect and feeling. I was glad to hear the work even in the Weingartner version. But the *Grosse Fuge* does not really speak properly except when played by the quartet of strings for which it was written. Some of the tensile quality goes out; the superhuman concentration of force within a capsule of instruments cannot take place. The *Grosse Fuge* is a bizarre piece, but no feat of orchestral expansion will normalize it.

Mahler, Schuller Works Played by Philharmonic

By Francis D. Perkins

The New York Philharmonic continued its serial observance of Gustav Mahler's centenary yesterday afternoon, when it played the first movement of his unfinished Tenth Symphony under Dimitri Mitropoulos' direction. The orchestra's musicians then shuffled their places upon the stage for Gunther Schuller's new "Spectra," and resumed their normal seating after the intermission for two works by Franz Liszt — the Piano Concerto in E flat, with David Bar-Illan as soloist, and the "Mephisto Waltz."

"Spectra," which was first played publicly in Thursday night's performance of this program, was commissioned by Mr. Mitropoulos, whose illness at the time prevented him from introducing it last season. Mr. Schuller, who believes that the conventional orchestral seating is inadequate for today's music, divides the players of "Spectra" into seven groups, which can operate separately or as a single unit.

Orchestral Sonorities

Other compositions by Mr. Schuller which have been heard here have illustrated his notable skill and frequent unconventionality in the use of orchestral sonorities, and this is the principal feature of "Spectra," whose orchestral spectrum is remarkable in extent and variety, ranging from bold aggressiveness to occasional relieving lyricism and including, towards the end, some grotesquely sardonic combinations. Besides stridently bold colors, he employs subtle and fine-spun blends in this example of his instrumental craftsmanship.

But, at least at a first hearing, "Spectra" does not give a sense of definite form. This is not because Mr. Schuller has avoided "a preconceived formal mold into which the music could be poured," to quote from his explanatory statement, but because the work needs more continuity and apparent destination. Various basic ideas recur in this series of short episodes, but the music's sectional nature strains a listener's attention, and that may be a reason why its reception was polite rather than enthusiastic.

Bar-Illan Impresses

Mr. Bar-Illan, who was born in Israel and studied both there and in New York, had already made a noteworthy impression here as a recitalist, and this was repeated and enhanced by his interpretation of Liszt's first piano concerto. He played it with thorough technical mastery and polish, a constantly musical tone which never became percussive, and complete disclosure of detail. Besides these external merits, the talented Israeli pianist also showed his understanding both of Liszt's brand of romanticism both in the concerto's proclamative passages, which he made convincing without exaggeration, and in its calmer lyric episodes, conveying the atmosphere of Liszt's music and of its time with admirable finesse of dynamic shading, flexibility of phrase and sensitive communication of mood.

The orchestral co-operation under Mr. Mitropoulos' leadership was well proportioned and discerning, and the vivid and spirited performance of the Mephisto Waltz also testified to the conductor's flair of Liszt's works.

Heard 2 Years Ago

The first movement of Mahler's incompleted last symphony was played here by the Philharmonic under Mr. Mitropoulos two seasons ago, and by the Boston Symphony earlier this season. In itself it does not give an impression of incompletion; its prevailing mood is one of lyric meditation, sometimes serene with an undertone of resignation and sometimes suggesting an implication of past tragedy. While it again seemed slightly too extensive, it has a sincerity and eloquence which were fully reflected in this laudably wrought and emotionally revealing performance under Mr. Mitropoulos, who used Ernst Krenek's edition of the score.

Music: Mahler's Ninth

Mitropoulos Ends Stint With Philharmonic

By HOWARD TAUBMAN

WITH the gigantic and often affecting Ninth Symphony, Dimitri Mitropoulos is concluding this week his share of the New York Philharmonic's Mahler Festival as well as his four-week guest engagement. He has served Mahler with distinction.

The performance of the Ninth at Carnegie Hall yesterday afternoon was impressive in its perception. Mr. Mitropoulos' absorption in his task was so thorough and the orchestra's playing rose so admirably to the challenge that one felt as if there were no middlemen between the composer and the listener.

•

This is a symphony of despair and resignation, but it is no longer, as some of this composer's earlier, sprawling works, a flagellation of the spirit. Bruno Walter, who was successively Mahler's protégé, friend and devoted interpreter, has called it a document of "departure," meaning, of course, departure in the ultimate sense. The thought and emotion of farewell pervade every note.

If there is no self-pity in the first movement, it is nevertheless somber and depressed. In the second movement the laendler, the old Austrian dance form, brings a wry kind of lightness but little good cheer. The scherzo with its remarkable contrapuntal writing is agitated and intense but not vitalizing. In the long, slow final movement the composer seems at last to come to terms with himself and his destiny.

Here there is an intimation that Mahler has achieved peace. If it is not lasting, as the unfinished fragments of the Tenth Symphony make clear, it is a resting point. One can only hope that it provided release for the tormented man. In its moving spirituality it stands as a testament.

Mahler completed this symphony in 1910, a year before his death, and it received its first performance under Mr. Walter's direction in 1912. With "Das Lied von Der Erde," which Mr. Walter will conduct in a guest appearance with the Philharmonic later this season, it encompasses the mature Mahler, who has refined, if not shortened, his work and has summed up a tortured internal life.

Mr. Mitropoulos saw to it that all the strands of the enormous fabric were in place, clearly articulated and sensitively fused. His pacing was just. His sense of style was unfaltering. Conducting from memory, he sustained the curve of a symphony more than seventy minutes in length. The task was not made easier by the need to provide for an intermission between the second and third movements.

•

The Philharmonic gave Mr. Mitropoulos fine cooperation in the symphony and in the opening Passacaglia by Webern. This piece, which was written in 1908, is the composer's Op. 1. Compared with his later product, it is remarkably extended (almost fifteen minutes) and almost lush in its use of a full orchestra, and Brahmsian thematic material.

Reminiscences of Mahler are here, too, and this is historically just. The writer of immense symphonies was the spiritual forerunner of Schoenberg, Webern and the others who made a revolution that has not run its course.

Mahler's Ninth Features Concert by Philharmonic

CARNEGIE HALL
Orchestral concert yesterday afternoon. Conductor: Dimitri Mitropoulos. The program:
Passacaglia, Op. 1.....Anton Webern
Symphony No. 9.....Gustav Mahler

By Jay S. Harrison

You may say what you like about Gustav Mahler, but, in my view, you cannot deny him a share of greatness. Only a great spirit could have conceived the finale of his Ninth Symphony: only a master musician could have dreamed the dream that inspired it. Mahler's Ninth was the main topic of yesterday afternoon's Philharmonic concert under the direction of Dimitri Mitropoulos and it impressed again as a work of pure genius.

No—the word "pure" is misused. In the Ninth, as in all of Mahler's pieces, it is the composer's basic impurity that so exasperates the listener. The man simply could not control the flow of his ideas, could neither sift nor sort them nor even conspire to keep them on the same level of inspiration. What emerges is a compound of the false and the true, the former taking the shape of scrappy little tunes, the latter arriving in a cloak of sublimity that has few equals in music. Myself, I know of no single movement in the literature that parallels the closing Adagio of the Ninth, nor is there another piece that affects me in quite the same way. It seems supernaturally right in every measure and phrase; I cannot imagine how a note of it might be changed without untidying the whole.

Other Movements

This observation, however, is confined exclusively to the last movement, since the others are weakened by typical Mahlerian diseases. They are too long, combine elements that refuse to mix and are so aggressively over-developed that the tunes virtually scream out to be let alone. In the opening section, to cite only one instance, the interval of the descending major second is elaborated to the point where the ear, in desperation, quite refuses to hear any more of it. But, as I say, the close of the entire business is sufficiently grand to insure Mahler a firm place in music's hall of nobility.

In terms of performance it should be no surprise to discover that Mr. Mitropoulos' was impeccable. The piece is a fiendish one to conduct and bloodcurdling to play, though neither of these facts would you realize on hearing yesterday's Philharmonic rendition. Technically, the interpretation was as smooth as a mirror and it reflected, moreover, every ounce of the expressivity that is planted in the score. Indeed, it was the kind of reading that banishes (or at least minimizes) disagreements, though it should be pointed out that the second movement was faster than the composer requests and the third slower than the music warrants. That these conditions had no adverse effect on the performance in general indicates how wondrous and compelling it really was.

Remarkable, too, was the program's first number, Webern's Passacaglia. It is his Opus I and is not, therefore, characteristic of his mature style, but it points very clearly to the directions he was later to take. Also, it impresses on its own account. It is an intense, agonized, almost neurotic work that speaks forcefully and communicates with power. In this manner, at any rate, it was given yesterday. The result, I assure you, was perfect and struck a nerve.

Mitropoulos Conducts Mahler's Ninth

By LOUIS BIANCOLLI.

Any season that features a performance of Mahler's last complete symphony like that of Dimitri Mitropoulos and the Philharmonic yesterday may be pardonably known—at least among Mahlerites—as the Season of the Ninth.

Special Occasions.

To judge by the rapt behavior and capacity size of the crowd, the Mahlerites are definitely on the increase; indeed, there would seem, as of these commemorative weeks, to be very little line of demarcation between them and Philharmonic patrons in general.

Thursday night and yesterday afternoon were special occasions in a special centennial observance of the Viennese master. If the Ninth Symphony, being both great music and relatively unfamiliar music, is big news, Mr. Mitropoulous made it still bigger news.

Frankly, it was so long since I had last heard this gigantic score, I had forgotten what extraordinary power and diversity were contained in it. The first movement is still a stickler in contrast and conflict of attitude, but what a gripping experience the whole symphony is!

As Mr. Mitropoulous himself explained, the symphony is a unified spiritual experience, ideally heard without interruption. But he recognized its great length and the necessity of breaking it up into two halves divided by an intermission.

Accordingly, the audience was given the first two movements, preceded by Anton Webern's strangely fascinating "Passacaglia." After the intermission came the Rondo Burlesque and the Adagio Finale.

Break Is Needed.

One could feel the need of a break. Webern's early "Passacaglia," with its mysterious feelers toward the future, and the two Mahler movements almost made a concert in themselves. Both the spirit and the flesh needed a recess.

Still in his early 20s when he wrote the "Passacaglia," Webern was already a marked man for the atonal millenium ahead. There are nods to Brahms, Wagner and Mahler and the standard jingle of keys, but the rebel's profile, to quote Howard Shanet, is already perceptible.

The performance was a revelation — of the eager young mind and heart of Webern and of the extraordinary power of Mr. Mitropoulos to identify himself with another man's music like a second creator.

Mr. Mitropoulos gave it all the urgency of a drama from life. No one has so profoundly fathomed the meaning of Mahler. The symphony bulked as an intensely personal document, compelling in every shading of its message. But it was magnificent music-making, too.

Mr. Mitropoulos' behest, the orchestra outdid itself in rhythmic vitality, diversified color, and a truly enchanted euphony of tone. Something of the conductor's missionary fervor gripped the whole orchestra, and, in turn, the whole Carnegie audience.

Mitropoulos Leads Mahler's 'Ninth'

The storm and torture in Gustav Mahler's personality are present somewhere in each of his symphonies. Few composers have expressed the man in his works as Mahler did.

Even the "First," completed when he was 28, bears the stamp if not the etching of the rebellion, conflicts and the tragic grandeur of the later works.

In this milieu of rarified subjectivity, one of the most personal of the symphonies is the "Ninth," part of the so-called "Death triology," written in 1910 during the final summer of his life. He died the following May with the Tenth Symphony unfinished.

Rarely heard in the concert hall because of its length and its deviousness, the Symphony had an incandescent performance at Carnegie Hall Friday afternoon by the N. Y. Philharmonic, Dimitri Mitropoulos conducting.

The program consisted of only two pieces: the Webbern "Passacaglia for Orchestra, Op. 1," which took less than ten minutes, and the Mahler.

Communicated Poignancy

While Mitropoulos has always had an affinity for Mahler's music, his performances during the past month of the First, Fifth, Ninth and Tenth Symphonies have communicated a poignancy that never seared so deeply before.

Conducting the "Ninth" from memory with the utmost absorption, he evoked its mocking irony in the third movement, the "Burleske," while he gave the final Adagio his sublime benediction.

And, in the midst of tragedy and transfiguration, he remembered Mahler's lustiness. The pandemonium in the brass at the end of the "Burleske," had the gruff humor of an upheaval at a Brueghelesque country fair.

The slow waltz rhythm of the second movement, marked "In the tempo of a comfortable Laendler," represents a brilliant example of Mahler's genius for picturesque instrumentation.

He pits the horn and bassoon against one another with satirical drollery, topping it all with a wispy piccolo ending. Mitropoulos had the orchestra literally on tiptoe in its depiction of this mood of rueful expectancy.

Perceptive Programming

It was perceptive programming to open with the Webern "Passacaglia." In Mahler's wide melodic skips, in the free movement of his independent lines, in the tension of his design, there is much that foreshadows Webern, Berg and other iconoclasts to follow him. Webern's debt to Mahler is especially apparent in this Passacaglia.

"My time will yet come," is a famous Mahler quotation which has been realized more than ever before during recent years. The 100th anniversary of his birth adds impetus to the performance.

But the time of the sometimes obscure and searching "Ninth" may not yet be so close as, for instance, the "Second"

Mitropoulos' Return
(N.Y. PHILHARMONIC)

Philharmonic's "Mahler Festival" (100th anniversary of birth, 50th of his debut as the Philharmonic's musical director, 1909-1911) points up his widening audience as time goes by. Mahler music is played more often, there are now many recordings extant and the main benefit is that conductors of major status like Bruno Walter, Eugene Ormandy, William Steinberg and Dimitri Mitropoulos are his ardent followers.

Audience that listened in Carnegie to a performance of Mahler's "First" Symphony had reason to be completely absorbed—seldom has this symphony appeared so alive. Composer, conductor and every member of the orchestra brought about a perfect union of ideas—and seemed to achieve ultimate satisfaction.

Concert opened with a piano concerto by Sir Arthur Bliss, played in brilliant virtuoso fashion by the Greek pianist, Gina Bachauer. She exhibited powerful playing in the grand manner. A stunning performance. *Goth.*

Mitropoulos Excels

By MILES KASTENDIECK

DIMITRI MITROPOULOS played Mahler's highly individual Ninth Symphony with the Philharmonic in Carnegie Hall yesterday afternoon. The occasion became memorable for his noble interpretation as well as for the rare opportunity to hear a living performance of this work.

Fifty years have not dimmed the modernity of this music. One doesn't still has to work hard along with the composer. A half century has made it more accessible, but the first movement still can baffle the listener. Mahler has reached into the Twentieth Century almost as he reached out toward death which preoccupied his mind.

Even someone who did not know how this subject dominated his thought could sense the nature of his contemplative mood.

The extraordinary aspect of the symphony is Mahler's way of sharing his experience with the listener. Perhaps this stream of consciousness explains the apparent discursive nature of the music. He has curiously worked it out this way.

Emotional Power

In this sense, Mahler proclaims the emotional power of music as more significant than its intellectual discipline of musical thought.

Those who accept this premise enjoy their Mahler, those who do not, complain of the length of such a work and of its lack of focus. Yet the Ninth Symphony ends at the end into an expression of serenity quite beyond words. The finale seems to discover Mahler's problem behind the barriers of sound into poetic understanding.

As to how this work must have influenced composers like Shostakovich and Samuel Barber, much might be discovered. Written in 1910, the Ninth Symphony forecasts the trend of contemporary music quite dramatically. Its spiritual influence, however, remained in suspended animation for about 30 years.

Only just before World War II did contemporary composers begin to converge meaning in the sense that Mahler meant it.

Mahler Landmark

That Mr. Mitropoulos understood all this became evident in the reading of all four movements, but particularly in the finale and the adagio. The Museum of the finest symphonic performances with all the mockery written into the middle movements.

As Mr. Mitropoulos' "Farewell" as the end of his guest conducting, this performance will stand as a landmark in the Mahler cycle as well as in the 100th anniversary of Mahler's birth.

Webern's Passacaglia, Opus 1, written just before Mahler undertook his symphony, also prophesized the course of things to come as the century advanced. It proved to be a timely forecast of why audiences would grow skeptical of music in the next few decades.

Dimitri Mitropoulos returned to the podium of the New York Philharmonic after a season's absence to open the Mahler Festival during the week-end of Dec. 31, Jan. 1, 2 and 3, when the programs were devoted to Beethoven's Grand Fugue in B flat major Op. 133, and Mahler's Fifth Symphony. Beethoven's Fugue is a big, heavy work and the Mahler Fifth, taking well over an hour of playing time, made the program a demanding one, both for interpreter and listener. In the hands of Mitropoulos, there was tremendous depth and understanding in the readings, and every detail was carried out with meticulous care. The Mahler symphony, although long and overblown has many beautiful and delightful moments. The Adagietto is one of the loveliest slow movements in the symphonic repertoire. This festival commemorates the 100th anniversary of Mahler's birth as well as the 50th anniversary of the first season when Mahler was Music Director of the New York Philharmonic.

We heard the second program of the Mahler Festival, Jan. 10, with Mitropoulos again in excellent form. The program was divided between the Bliss Concerto for Piano and Orchestra and Mahler's First Symphony. The Bliss Concerto was written in 1938 and is dedicated "to the People of the United States of America." It is a big, attractive work, with romantic overtones, and was wonderfully performed by **Gina Bachauer,** beautifully backed up by Mitropoulos and the orchestra. Mitropoulos was also impressive in his discerning interpretation of Mahler's First.

The third program of the Mahler Festival, Jan. 17, contained only one movement by this composer, the Andante of his unfinished Tenth Symphony. Mitropoulos was impressive in his interpretation of this long, slow movement, and the orchestra responded eloquently. Then followed the premiere performance of Gunther Schuller's "Spectra," a work dedicated to Mr. Mitropoulos. Mr. Schuller has given specific directions about rearranging the orchestra, and has some novel instrumental and thematic effects, but the total result is an ineffective piece of writing. There were places where the instruments howled and bellowed, and one in which they sang below their proper range. This does not impress us as music. The second half was devoted to some very accomplished playing of Liszt. Israeli pianist **David Bar-Illan** was really excellent in the First Piano Concerto, not only endowing it with his sure-fingered technique, but giving it warmth and artistry. The program closed with the delightful Mephisto Waltz.

Dimitri Mitropoulos concluded his four-week stint with the Philharmonic, Jan. 24, with performances of Webern's Passacaglia for Orchestra, Op. 1, and Mahler's great Ninth Symphony. Maestro Mitropoulos has been most impressive in this series of concerts. His style of conducting seems more controlled than it was formerly, and yet, he is able to draw more from the orchestra. He still has a remarkable dramatic sense, for which he is so well known, but added to this is a greater warmth and roundness.

THE FULL SCORE

Mitropoulos Gives Fine Performance

By John White

Most of the Mahler festival so far has been in Mitropoulos' hands. By the time the New York Philharmonic concludes this broadcast season Leonard Bernstein and Bruno Walter will have given further performances for a total of five of the nine symphonies (1, 2, 4, 5 and 9), movements from two (the 7th and the unfinished 10th), and some of the songs with orchestra including the magnificent Chinese cycle, "The Song of the Earth."

The festival commemorates the 100th year of Mahler's birth and the 50th anniversary of his first season as musical director of this historic American orchestra.

Part of this bounty for the Mahler enthusiast (who is to some degree a perpetual adolescent) we shared in the proper spirit. Taking the most student-rated seat in Carnegie Hall, one of the best in the house, we leaned a chin on the highest balcony railing and had an unimpeded view of the mile-drop to the stage where Mitropoulos and the orchestra wrestled with the First Symphony.

Needed Bonus

The distance was a needed bonus, since this hour-long symphony is a sustained preparation for the final moment when eight French horns, six each of trumpets and trombones, and a quartet of kettle drums cut loose with one of the most unrestrained, athletic climaxes in orchestral music. This passage is a veritable hymn to immaturity.

It was worth waiting for. Mitropoulos with this orchestra gives some of the best Mahler performances heard anywhere. The eccentric, extreme style of his conducting seems perfectly geared to Mahler's music, it's searing intensity, ardor, and ungainly romantic excesses.

The individuality and powerful personal convictions of both conductor and composer are matched for those moments of rude but unforgettable beauty, and far more than moments, those hours of the unique Mahlerian time-scale in which some listeners find exquisite boredom and others find a seventh heaven of twilight romanticism.

Mystical Music

For the present generation of Mahler enthusiasts, Mitropoulos has been an important leader. Beginning with an antiquated shellac recording of the First twenty years ago, the Greek conductor has given American audiences some electrifying experiences of the Viennese symphonist's world-weary, mystical and egocentric music.

Since surrendering the directorship of the Philharmonic because of a serious illness, Mitropoulos has conducted very little, and it was thrilling to see him back at the helm of the orchestra for music so strong in self-identification, and for a composer whom he has championed. For Mitropoulos in turn, the players of the Philharmonic gave an enthusiasm well above their everyday level.

The most electrifying moment in this performance of the First Symphony came with an antithesis of the conductor's art. Usually racked by the music he conducts to a fevered choreography somewhere between ballet and whirling dervishes, Mitropoulas spellbound the audience with the most brilliant piece of "non-conducting" I have ever seen.

Beginning the third movement where the choirs of the orchestra, slowly join in a long crescendo, a funeral march caricature of the "Frere Jacques" melody, Mitropoulos gave two beats to the drummer and went into a trance. While the orchestra worked itself into a frenzied fortissimo through several minutes of steady rhythm, the conductor stood motionless and absorbed in the music, controlling its course as though by will power alone. The effect was hair-raising.

Grand Finale

For this immobility Mitropoulos more than made up in the heaven-rending finale. To the great peals of trumpets and volleys of drums he carved the air in great arcs that could mean only "Excelsior!" The effect was almost surrealistic after the parodies, the conscious banalities, the echt Austrian laendler, and inspired erotic melodies that make up this remarkable First Symphony.

No small fraction of the excitement of this performance came from the knowledge that Mahler himself had stood in this same spot 50 years ago and conducted his First Symphony for a hostile New York audience. That concert, like the present one, proved that there was not possible, and never would be, a lukewarm, halfway approach to his music for performers or listeners.

He was either a bad composer or a very powerful one, and his performances would be occasional ones only for those convinced of his power. This conviction, which we share, would be forever based more on enthusiasm than judgment.

New York Philharmonic, piano; Dimitri Mitropoulos, **Conductor; Gina Bachauer,** Jan. 9, E—The hero of this evening was Mitropoulos. His conducting was a magnificent exhibition of using the baton for shaping the phrase, governing the **melos,** and building the musical idea, rather than a mere beating of time. Such discrimination does not fit the habits of many of our conductors; it did this one.

Mahler's Symphony No. 1 is a huge work; one can get lost in its byways unless one is properly directed, or one can get bored if the scenery remains hidden behind the shades of performance similarity. The quasi-improvisatory elements of the opening movement emerged with excitement. It was revealing—as if heard for the first time. The other movements were as exhilarating. One might argue the reticence of the final movement (*"stürmisch bewegt"*), but one could not but applaud the playing and sonority of the orchestra. For once the brass stormed, but did so artistically. This was no brass band joining a symphony orchestra. It was a moulding of orchestral sound which one rarely encounters.

The soloist did nobly with the pyrotechnical Romanticisms of the Bliss Piano Concerto. Bachauer is the epitome of the virtuoso school, and the crashing double octaves and other tabulations of concerto showmanship were tossed off and yet had sense. The Bliss is a piece that one can thoroughly dislike, for it is not original. But this reviewer (and the audience) liked it. Why not? It has pace and it has ideas, it also has regard for orchestral color so that mere accompaniment is eliminated and a true duologue results. And—with due respect to Rachmaninoff and Tchaikovsky—a fresh concerto is a pleasure.

New York Philharmonic, Dimitri Mitropoulos, conductor, Jan. 3, A—The playing of Mahler's Symphony No. 5 by the Philharmonic under the baton of Dimitri Mitropoulos marked the 100th anniversary of Mahler's birth and the 50th anniversary of his first season as music director of this world famous orchestra. The variations of color and mood in the Fifth are remarkable. Though it is a lengthy work, it never lags. Mitropoulos let no detail of subtle shading or dynamic escape unattended. He conducted with amazing agility and great perception. The stately, measured pulse of the **Trauermarsch** (Funeral March) made one feel that he actually saw the procession of sorrow pass before his eyes in all its majesty. The Scherzo in Part Two was stunningly graceful and featured the solo horn passages of James Chambers, whose intonation and tone were notable. The final movement rose to rhapsodic heights that left the crowded house clamoring for more.

The concert began with the strings paying homage to Beethoven in his masterful Grand Fugue, Op. 133. But this was Mahler's "day" and if one can forgive the alliteration, Mahler, Mitropoulos and his musicians were magnificent.

MITROPOULOS LEADS TWIN BILL AT 'MET'

"Cavalleria Rusticana" and "Pagliacci" were Saturday afternoon's double bill at the Metropolitan Opera, the latter with Kurt Baum and Robert Merrill making first appearances of the season as Canio and Tonio.

Mr. Baum's voice, notable for the power and dependability of it supper range, found Canio's music congenial, and the tenor acted the role with great intensity. Mr. Merrill, in fine voice, received a hearty demonstration for his brilliant singing of the prologue.

Others in the cast wer Lucine Amara, Charles Anthony, Frank Guarrera, Joseph Folmer and William Starling. In the "Cavalleria Rusticana" cast were Nell Rankin, Helen Vanni, Jan Peerce, Walter Cassel and Thelma Votipka, Dimitri Mitropoulos conducted both operas.

Cavalleria Rusticana
Pagliacci

Jan. 30.—The matinee performance of the ever-popular double bill included Kurt Baum and Robert Merrill in the cast for the first time this season. Mr. Baum's Canio and Mr. Merrill's Tonio are familiar portrayals in the Leoncavallo opera. With Dimitri Mitropoulos drawing a dramatic, tense performance from the orchestra, the singers were equally inspired. Mr. Baum's high notes were often thrilling, and Mr. Merrill, always a dependable artist, was on every count splendid.

As Gunther Schuller's new "Spectra" for seven groups of instruments left me in a state of semi-shock, I borrowed the composer's score with which to have at it a few more times, with a tape of the broadcast. No doubt this is how some of the audience felt at the "Sacre du printemps" premiere 38 years ago, but if anyone now expects me to tell him categorically whether I think this is another "Sacre", he is doomed to disappointment. It must have been just about as difficult for the performers as the original "Sacre", and its inexorable tension, while hardly precipitating a riot, did find relief in some audience laughter on the slightest of pretexts. As for myself, having encountered Webern, Boulez, and all the rest of it, I had never heard anything that struck me as so *emotionally* incoherent and downright ugly in sound. Anything producing such a strongly negative reaction intrigues me enormously.

"Spectra" is an avowedly abstract work, concerned with exploring, in the 34-year-old composer's own words, "the variegated color possibilities of the modern orchestra" as an "all-pervading structural element", to which end he has reshuffled the players as thoroughly as he and others have the musical syntax to which pre-serial music has long adhered. Rehearing it with the score persuades me that the thoroughly professional Schuller has pursued his expressed goal with brilliance and imagination, following no existing form or dogma. What a vast labor alone! At one point there are 60 vertical parts in the score. And his color sense *is* truly prodigious. Yet in psychological terms we know that complete artistic abstraction does not exist, since one person's abstraction cannot be another's, even in doodling. Stravinsky may claim that he chooses any note he cares to with his rational mind alone, but the finished product invariably reveals that in fact he had no choice, since every bar is indelibly stamped with his instinctive and inexorably evolving personality.

As Mahler perceptively put it: "One does not compose, one is composed". And what "Spectra" reveals to me of an artist who is, after all, living and breathing in *this* world, and subject to it, is a vein of intense beauty set in a spiritual desolation and disruption as vast as that proclaimed by our existentialist thinkers, but more frightening in terms of the more primitive and pure emotions plumbed by music. For whether or not a new syntax is ultimately meaningful, the very fact of its being so ardently and sometimes desperately sought by sensitive artists surely is. And when an experienced composer is making his own rules, the result may be so personal that emotional rejection of it is easily rationalized as intellectual judgment. Thus, on the basis of a single hearing, Mr. Schuller's piece was instantly summarized in certain quarters as being glibly fabricated, without the "human" element. I suppose anything is possible, but my own feeling is that there are more glib critics about than composers.

Mr. Mitropoulos, it would seem, has also evolved in his thinking about the Adagio of Mahler's Tenth, which has lost the restlessness he imparted two years ago, and now flows more calmly and evenly. He even understated that vivid outburst before the coda which gives rise to a unique and fantastically scored dominant seventh chord. Perhaps his aural sense was jaded by the savage final 12-tone chord of "Spectra", or perhaps he was just relaxing in a secure possession and saving his effort for battles to come. But the over-all result was affecting in the extreme, being the closest to a true Adagio I remember hearing from him.

I cannot imagine how pianist David Bar-Illan from Haifa felt coming on in the midst of all that, but it did not disturb his eloquent projection of the old-fashioned Liszt Concerto in the least. This wide-touring young pianist and much-honored graduate of Juilliard and Mannes performed it as if he had never heard that it was a war horse, reminding us again that Liszt could be infinitely delicate as well as showy. The unpredictable evening wound up with a waltz, even though a Mephistophelian one!

Ἡ σειρὰ τῶν συναυλιῶν τοῦ Δημήτρη Μητρόπουλου μὲ τὴν Φιλαρμονικὴ τῆς Νέας Ὑόρκης ἔκλεισε τὴν περασμένη ἑβδομάδα μέσα σὲ ἀφάνταστη ἐπιτυχία καὶ ἐνθουσιασμὸ τοῦ κοινοῦ ποὺ στὸ πρόσωπο τοῦ διάσημου ἀρχιμουσικοῦ ξαναβρήκε πάλι τὶς μεγάλες μουσικὲς στιγμὲς τοῦ «Κάρνεγκυ Χώλλ».

—Μετὰ τὴν ἐκτέλεσι τῆς Πρώτης καὶ τῆς Πέμπτης Συμφωνίας τοῦ Μάλερ, ἡ σειρὰ ἔργων τοῦ Μάλερ ἔκλεισε μὲ τὴν 9ην συμφωνία ποὺ ὑπῆρξε τὸ ἐπιστέγασμα τῆς ἐκπληκτικῆς ἐφετεινῆς ἐπιτυχίας τοῦ Μητρόπουλου. Τὸ κοινὸν τὸν ἀπεθέωσε καὶ δὲν ἔννοοῦσε νὰ ἐγκαταλείψῃ τὴν αἴθουσα, ἡ δὲ κριτικὴ σύσσωμος τοῦ ἀφιέρωσε τὰ πιὸ ἐνθουσιώδη σχόλια.

Η ΕΡΜΗΝΕΙΑ ΤΗΣ ΕΝΑΤΗΣ ΤΟΥ ΜΑΛΕΡ ΚΑΤΑΠΛΗΚΤΙΚΗ

Πρῶτος ὁ Ταουμπμαν στοὺς «Ταίμς τῆς Νέας Ὑόρκης» ἐγραφε: «Ἡ ἑρμηνεία τῆς 9ης συμφωνίας τοῦ Μάλερ ὑπῆρξε καταπληκτική. Ἡ ταύτισις τοῦ Μητρόπουλου μὲ τὸ ἔργο ἦταν τόσο ἀπόλυτη καὶ ἡ ὀρχήστρα ἀνυψώθηκε τόσο θαυμαστὰ στὶς ἀπαιτήσεις του, ὥστε εἶχε κανεὶς τὴν ἐντύπωσι ὅ,τι δὲν ὑπῆρχαν μεσάζοντες μεταξὺ συνθέτη καὶ ἀκροατοῦ».

—Ὁ Χάρισσον, ἐξ ἄλλου, γράφει στὸν «Κήρυκα-Βῆμα»: «Μὲ τὸν Μητροπουλο, ἡ 9η τοῦ Μάλερ μᾶς ἀπεκαλύφθη σὰν δημιούργημα καθαρῆς μεγαλοφυΐας. Ἔργο διαβολικό, γιὰ νὰ τὸ διευθύνῃς, αἱματηρὰ κοπιαστικὸ γιὰ νὰ τὸ ἑρμηνεύσῃς. Ὡστόσο, ἀκούγοντας τὴν ἐκτέλεσι αὐτή, καμμιὰ ἀπὸ τὶς ἰδιότητές του δὲν μᾶς ἔγινε ἀντιληπτή. Τεχνικὰ ἡ ἑρμηνεία ἦταν στιλπνὴ σὰν καθρέφτης, ἀντικαθρεφτίζοντας συγχρόνως τὴν κάθε ραγίδα τῆς ἐκφραστικότητος τῆς παρτιτούρας».

ΤΑΥΤΙΖΕΤΑΙ ΜΕ ΚΑΘΕ ΕΡΓΟ ΣΑΝ ΔΕΥΤΕΡΟΣ ΔΗΜΙΟΥΡΓΟΣ

Ὁ «Τηλέγραφος» ἐπίσης μὲ τὴν ὑπογραφὴ τοῦ Μπιανκόλι γράφει: «Ἡ ἑρμηνεία τῆς «Πασσακάλιας» τοῦ Ἄντον Βέμπερν ἦταν μιὰ ἀποκάλυψις καὶ τῆς ἐνθέρμης νεαρῆς διάνοιας καὶ καρδιᾶς τοῦ συνθέτη καὶ τῆς τεράστιας δυνάμεως τοῦ Μητρόπουλου νὰ ταυτίζῃ τὸν ἑαυτό του μὲ τὴν μουσικὴ ἑνὸς ἄλλου, σὰν δεύτερος δημιουργός. Ὁ Μητρόπουλος ἔδωσε στὸ ἔργο τὴν ἀναγκαιότητα ἑνὸς δράματος παρμένου ἀπὸ τὴν ζωή. Στὴν προσταγὴ τοῦ μαέστρου της ἡ ὀρχήστρα ξεπέρασε τὸν ἑαυτό της σὲ ρυθμικὴ ζωντάνια, ποικιλία χρωμάτων καὶ ἀληθινὰ μαγευτικὴ εὐφωνία. Κάτι ἀπὸ τοῦ μαέστρου τὴν ἀποστολικὴ ζέση ἔδρασε ὁλόκληρη τὴν ὀρχήστρα καὶ ὕστερα ὁλόκληρη τὴν αἴθουσα τοῦ Κάρνεγκυ Χώλλ». Ὁ Μητρόπουλος τώρα θὰ ξεκουραστῇ γιὰ λίγο καὶ μετὰ θὰ διευθύνῃ στὴν «Μετροπόλιταν».

ΝΕΑ ΥΟΡΚΗ, Φεβρουάριος. — Ὁ διάσημος Ἕλλην ἀρχιμουσικὸς Δημήτρης Μητρόπουλος, ἐνεφανίσθη πάλιν εἰς ὅλην του τὴν δόξαν, προκαλέσας ἐκρήξεις ἐνθουσιασμοῦ μεταξὺ τῶν μουσοφίλων τῆς Ἀμερικανικῆς μεγαλουπόλεως. Ὁ Μητρόπουλος διευθύνει κατὰ τὴν παροῦσαν περίοδον τὴν Μητροπολιτικὴν ὀρχήστρα τῆς Νέας Ὑόρκης εἰς σειρὰν συναυλιῶν ποὺ ὠργανώθησαν ἐν τῷ πλαισίῳ τοῦ «Φεστιβὰλ Μάλερ» κατὰ τὸ ὁποῖον ὁ μέγας Ἕλλην μαέστρος θὰ παρουσιάσῃ εἰς τὸ Ἀμερικανικὸν κοινὸν μερικὰ ἀπὸ τὰ μεγαλύτερα συμφωνικὰ ἔργα τοῦ μεγάλου Αὐστριακοῦ συνθέτου.

Εἶναι χαρακτηριστικὰ τὰ ἐνθουσιώδη ἐγκώμια τῶν μουσικῶν κριτικῶν ὅλων τῶν ἐφημερίδων τῆς Νέας Ὑόρκης διὰ τὴν θριαμβευτικὴν αὐτὴν περίοδον ἐμφανίσεων τοῦ Μητρόπουλου. Στὸ πρόγραμμα τῆς πρώτης ἑβδομάδος ὁ Ἕλλην ἀρχιμουσικὸς διηύθυνε δύο ἔργα: Τὴν Μεγάλη Φούγκα τοῦ Μπετόβεν καὶ τὴν 5η Συμφωνία τοῦ Μάλερ. Καὶ ἰδοὺ πῶς ὑπεδέχθησαν τὴν θαυμασίαν ἐκτέλεσιν οἱ εἰδικοὶ κριτικοί:

«Ἐπιβλητικὸς συνδυασμὸς μεγαλόπνοης μουσικῆς καὶ μεγαλόπνοης διεύθυνσης ἡ ἐπιστροφὴ τοῦ Δημήτρη Μητρόπουλου στὸ πόντιουμ τῆς Φιλαρμονικῆς», γράφει στὸν «Παγκόσμιο Τηλέγραφο» ὁ κ. Μπιάνκολλι. «Στὴν διπλή του ἱκανότητα ὡς εἰδικοῦ Μαλεριστοῦ καὶ βαθύτατου ἑρμηνευτὴ τῆς παγκόσμιας κλασσικῆς φιλολογίας, ὁ Μαέστρος Μητρόπουλος ἦταν ὁ ἀπόλυτα ἐνδεδειγμένος ν' ἀνοίξῃ τὸ Φεστιβὰλ Μάλερ προσφερόμενο ἀπὸ τὴν Φιλαρμονικὴ ὡς φόρον τιμῆς στὸν συνθέτη ποὺ ἔδω καὶ 50 χρόνια ὑπῆρξε καὶ καλλιτεχνικὸς της Διευθυντής. Σπάνια ἐπευφημίες μπορεῖ νὰ ἱκανοποίησαν βαθύτερα τὸν Μητρόπουλο ἀπὸ ἐκεῖνες ποὺ τοῦ προσέφερε τὸ κοινὸ τοῦ Κάρνεγκι Χώλ μετὰ τὴν ἐκτέλεση τῆς 5ης Συμφωνίας τοῦ Μάλερ. Ἦταν μιὰ συγκινητικὴ ἐκδήλωση τοῦ θαυμασμοῦ τοῦ πλήθους γι' αὐτὸν τὸν ἴδιο καὶ γιὰ τὸν συνθέτη ποὺ ἐπὶ χρόνια ὑπῆρξε ὁ στόχος βαρβάρων ἐπιθέσεων. Ἔκανε καλὸ στὴν καρδιὰ τοῦ καθενὸς — ὑποθέτω καὶ τοῦ κ. Μητρόπουλου — νὰ παρατηρῇ τὴν ἐξαλλη συμπεριφορὰ τοῦ κοινοῦ. Τὰ «μπράβο» ἀντηχοῦσαν ἀπ' ὅλες τὶς πλευρὲς τῆς αἴθουσας! Γιὰ μιὰ στιγμὴ φάνηκε σὰν νὰ μὴν ὑπῆρχε παρὰ ἕνας θεὸς τῆς μουσικῆς, καὶ ὁ Μητρόπουλος ὁ προφήτης του! Αὐτὴ ἡ συμφωνία εἶναι ἕνας γίγας ὄχι λιγώτερο ἀπὸ ἀπόψεως ποιότητας ὅσο καὶ ἀπὸ ἀπόψεως διαστάσεων, σχηματισμοῦ καὶ διαρκείας. Τῆς 5ης Συμφωνίας εἶχε προηγηθῆ μιὰ βαθυστόχαστη ὅσο κι' ἐξόχως διαυγὴς ἑρμηνεία τῆς Μεγάλης Φούγκας τοῦ Μπετόβεν. Καλῶς μᾶς γύρισες, Μαέστρο!».

*

Ὁ κ. Σάλμαν, ἐξ ἄλλου, στοὺς «Τάϊμς», σημειώνει τὰ ἑξῆς: «Ἡ ἑρμηνεία τῆς 5ης Συμφωνίας τοῦ Μάλερ ἀπὸ τὸν Μητρόπουλο ἦταν πλούσια σὲ μουσικὲς ἐνοράσεις τὶς ὁποῖες αὐτὸς ὁ μαέστρος γνωρίζει ν' ἀποκαλύπτῃ σὲ ἔργα τόσο προκλητικῶς ἀπαιτητικὰ ὅσο αὐτὸ — ἐπὶ πλέον μιὰ εὐαισθησία γιὰ τὸ μουσικό του περιεχόμενο, ἱκανὴ νὰ τὸ ἀναπτύξῃ καὶ νὰ τὸ προβάλλῃ μὲ πειστικότητα καὶ μεγαλεῖο, εἴχως καμμιὰ ὑπερβολὴ ἢ ὑπέρμετρους συναισθηματισμούς... Ἡ ὀρχήστρα ἀνταποκρίθηκε ὁλόψυχα. Ἡ ἀκάθεκτος ὁρμή, οἱ παύσεις, οἱ ἐκκινήσεις, οἱ γεμᾶτες μελαγχολία φράσεις, τὰ μεγαλειώδη κορυφώματα, ἀνεπτύχθησαν μὲ ἀσφαλῆ μαεστρία καὶ διαυγῆ ἀλληλουχία. Τὸ ἴδιο πρέπει νὰ λεχθῇ καὶ γιὰ τὴν ἐκτέλεση τῆς Μεγάλης Φούγκας τοῦ Μπετόβεν κατὰ διασκευὴ Βάϊνγκάρντνερ».

*

Στὴν «Ἀμερικανικὴ Ἐφημερίδα» ὁ κ. Κάσσεντικ ἔγραφε: «Ἂν ἡ μουσικὴ τοῦ Μάλερ ἐκτελεσθῇ μὲ τέτοια πειστικὴ καταληπτικότητα καθ' ὅλη τὴν διάρκεια τῶν 8 ἑβδομάδων τοῦ Φεστιβὰλ Μάλερ ὅπως ἐξετελέσθη χθὲς ἡ 5η του συμφωνία, οἱ συναυλίες αὐτὲς θ' ἀποτελέσουν μνημειώδη σταθμὸ στὴν ἱστορία τοῦ Μάλερ καὶ τῆς Φιλαρμονικῆς. Ὁ καινούργιος χρόνος ἄρχισε ὑπὸ λαμπροὺς οἰωνούς. Ὁ κ. Μητρόπουλος εἶναι ἐνθουσιωδῶς εὐπρόσδεκτος ὄχι μόνο ὡς μαέστρος ἀλλὰ καὶ ὡς ἔξοχος ἑρμηνευτὴς τοῦ Μάλερ... Μιὰ θαυμασία ἐκτέλεση, ἀποκαλύπτουσα τόσο τὴν οὐσία τῆς μουσικῆς, ὅσο καὶ τὴν περιτεχνη ἐνορχήστρωσή της — ἀνέδειξε τὸν Μάλερ σ' ὅλη τὴν πληρότητα τῶν δυνάμεών του... ἡ ἰδιοφυΐα τοῦ Μάλερ νὰ γράφῃ «κόντες» (codas) ἔλαμψε στὸ τέλος τοῦ κάθε μέρους, τόσο ζωγραφικὰ τὶς ἀνέπτυξε ὁ Μητρόπουλος. Μὲ τὸν Μητρόπουλο καὶ τοὺς μουσικοὺς τῆς ὀρχήστρας ποὺ ἀνταποκρίθηκαν ἔτσι στὰ αἰσθήματά του, ὁ χείμαρρος τῆς μουσικῆς συνείδησης ποὺ χαρακτηρίζει τὸν Μάλερ βρῆκε χθὲς στιγμὲς ἀποθεώσεως... Ἡ συναυλία ἄρχισε μὲ μιὰ ἐκθαμβωτικὴ ἑρμηνεία τῆς Μεγάλης Φούγκας τοῦ Μπετόβεν.

*

Τὸ πρόγραμμα τῆς δεύτερης ἑβδομάδας, περιέλαβε τὰ ἑξῆς ἔργα: 1) Μπλίς, Κοντσέρτο γιὰ πιάνο καὶ ὀρχήστρα. Σολίστ Τζίνα Μπαχάουερ, καὶ 2) Μάλερ, Συμφωνία ἀριθ. 1. Ἰδοὺ τί γράφει ὁ κ. Τάουμπμαν στοὺς «Τάϊμς»: «Μαέστρος ἦταν ὁ Μητρόπουλος καὶ σολίστ ἡ Τζίνα Μπαχάουερ. Μὲ τὴν συνεργασία καὶ τῆς ὀρχήστρας προσέφεραν μιὰ συναρπαστικὴ ἑρμηνεία τοῦ κοντσέρτου τοῦ Μπλίς. Τὸ μέρος τοῦ πιάνου ἀπαιτεῖ μεγάλη δεξιοτεχνία, ἱκανότητα, ποὺ ἡ κ. Μπαχάουερ κατέχει σὲ ὑπέρτατο βαθμό. Στὴν πολυφωνικότητα τοῦ πρώτου μέρους ὅπου τὸ πιάνο ἀποτελεῖ αὐτὸ καθ' ἑαυτὸ ἕνα ὀρχηστρικὸ συγκρότημα, ἡ πιανίστα περισσότερο παρὰ διεκρίθη. Τὸ στὺλ ἦταν γεμᾶτο λάμψη καὶ ἔνταση. Στὸ λυρικώτερο ἀργὸ μέρος, τὸ πιάνο τραγούδησε μὲ λεπτὸ ἐνθερμο ἦχο. Ἡ κ. Μπαχάουερ ἔπαιξε τὸ κοντσέρτο μὲ δεσπόζουσα αὐθεντία. Τὸ μοναδικὸ ἄλλο ἔργο τοῦ προγράμματος ἦταν ἡ 1η Συμφωνία τοῦ Μάλερ. Ὁ κ. Μητρόπουλος ποὺ τρέφει ἐξαιρετικὴ ἀγάπη κι' ἐκτίμησι γι' αὐτὸν τὸν συνθέτη, τὴν ἀπέδωσε μὲ ἐπιβλητικὴ κυριαρχία ὅσο καὶ μὲ πάθος. Στὰ κατακόρυφα σημεῖα δὲν ἐδίσταζε νὰ ζητῇ ὅλο τὸν ἦχο ποὺ ἡ ὀρχήστρα μπορεῖ νὰ προσφέρῃ, δίχως ποτὲ νὰ ὑπερβαίνῃ τὸ μέτρον. Γενικὰ ἡ ἐγκράτεια καὶ τὸ γοῦστο ἦταν αὐτὸ ποὺ χαρακτήριζε τὴν ἀντίληψη τοῦ μαέστρου».

*

Ἐξ ἴσου θερμὸ σχόλιο ἀφιέρωσε ὁ «Παγκόσμιος Τηλέγραφος» μὲ τὸν χαρακτηριστικὸ μάλιστα τίτλο: «Ὁ Μητρόπουλος θριαμβεύει στὸ Κάρνεγκι - Χώλ».

Εἰς τὴν ἑτέραν μεγάλην ἐφημερίδα «Κῆρυξ - Βῆμα», ὁ κ. Πέρκινς τονίζει: «Δὲν ἦταν μονάχα ζήτημα θαυμασίας ἐκτέλεσης καὶ πειστικῆς ὑποβολῆς — ἦταν ἀκόμα ζήτημα διορατικῆς ἑρμηνευτικῆς ἐποπτείας, ποὺ ἔδινε στὸ κάθε μέρος μιὰ ἀδιάσπαστη συνοχὴ ἔτσι ὥστε ἕνα μεταγενέστερο κορύφωμα νὰ μὴν ἐκμηδενίζεται διὰ τῆς ὑπερέμφασης ἑνὸς προηγουμένου. Αὐτὴ ἡ ἀρχιτεκτονικὴ δεινότητα ἦταν ἰδιαίτερα ἀξιοσημείωτη στὴν ἀδιάκοπα αὐξουσα φωτεινότητα τοῦ πρώτου μέρους, ὑπὸ τὴν ἔννοια: «ἀπὸ τὴν πρώτη αὐγὴ ὡς τὸ ἄπλετο φῶς τοῦ μεσημεριοῦ». Ἡ ἑρμηνεία τῆς κ. Μπαχάουερ ἦταν μνημειώδης γιὰ τὴν δύναμη καὶ ἠχητική της πληρότητα. Τὴν τεχνική της δεινότητα ἔφθανε ἡ βαθειά της κατανόηση καὶ ἡ προβολὴ τῆς συναισθηματικῆς ἀτμόσφαιρας τῆς μουσικῆς, τόσο στὰ ἐμφαντικὰ ὅσο καὶ στὰ ἐσωτερικότερα μέρη τοῦ ἔργου. Ἡ μεγάλης κλίμακος ἐκτέλεσίς της ἦταν ἐπίσης ἀξιοσημείωτη γιὰ τὴν λεπτότητα τῶν χρωματισμῶν καὶ διαβαθμίσεων ὄγκου καὶ ποιότητος ἤχου. Ποτὲ ἡ δύναμη δὲν συναγωνίσθηκε τὴν διαύγεια. Ἡ συνοδεία ἀπὸ τὴν ὀρχήστρα ἦταν τέλεια ζυγισμένη καὶ ἀποκαλυπτική».

Τὸ τρίτον πρόγραμμα τοῦ Μητρόπουλου περιελάμβανε τὰ ἑξῆς ἔργα: 1) Πασσακάλια ἔργ. 1 τοῦ Ἄντον Βέμπερν καὶ 2) Συμφωνία ἀρ. 9 τοῦ Γούσταβ Μάλερ. Ὁ κ. Τάουμπμαν εἰς τοὺς «Τάϊμς» ἔγραφε τὰ ἑξῆς: «Ἡ ἑρμηνεία τῆς 9ης τοῦ Μάλερ ἦταν καταπληκτική. Ὁ ταυτισμὸς τοῦ Μητρόπουλου μὲ τὸ ἔργο ἦταν τόσο ἀπόλυτος καὶ ἡ ὀρχήστρα ἀνυψώθηκε τόσο θαυμαστὰ στὶς ἀπαιτήσεις του ὥστε εἶχε κανεὶς τὴν ἐντύπωση ὅτι δὲν ὑπῆρχαν μεσάζοντες μεταξὺ συνθέτη καὶ ἀκροατοῦ.

Ὁ κ. Χάρισσον ἔγραφε στὸν «Κήρυκα - Βῆμα»: «Ὑπὸ τὸν κ. Μητρόπουλον ἡ 9η Μάλερ μᾶς ἀποκαλύφθηκε σὰν δημιούργημα καθαρῆς μεγαλοφυΐας. Ἔργο διαβολεμένο νὰ τὸ διευθύνῃς, αἱματηρὰ κοπιαστικὸ νὰ τὸ παίξῃς! Ὡστόσο ἀκούγοντας τὴν χθεσινή του ἐκτέλεσι, καμμιὰ ἀπ' αὐτὲς του τὶς ἰδιότητες δὲν μᾶς ἔγινε ἀντιληπτή. Τεχνικῶς ἡ ἑρμηνεία ἦταν στιλπνὴ σὰν καθρέφτης, ἀντικαθρεφτίζοντας συγχρόνως τὴν κάθε ρανίδα ἐκφραστικότητας τῆς παρτιτούρας».

Verdi Emphasized By 'Met' Schedule

MET IN MINIATURE — Rudolf Bing, Metropolitan Opera general manager, studies a model of the set for the prologue of Verdi's "Simon Boccanegra," which will have a new production.

NEW YORK (AP) — "There's a very long list of operas," said the Metropolitan Opera's general manager Rudolf Bing, holding his hands apart to show how long.

"And our repertory, though I shouldn't say it," he said with a smile, "our repertory is a sort of remainder.

"At least, I sometimes think it's what we have left after we cross out the opera for which we have no singer, and the opera for which we have no scenery, and the one there is no time to rehearse."

VERDI IS POPULAR

He was explaining the choices which the Met—meaning mainly the manager—has made during his 10 years when the emphasis has been heavily on Giuseppe Verdi. The ninth Verdi opera to be given a new production, and the third in this season alone, is "Simon Boccanegra," to be shown to the public next Tuesday night. The 10th, "Nabucco," the handy shortening of "Nabucodonosor," will open the 1960-61 season next October. Out of 40 operas completely refurbished in these 10 years, a quarter have been Verdi and the runner-up is Mozart.

"But seriously," Bing said, "the operatic greats are Wagner, Mozart, Puccini, Verdi. Verdi in particular is not only a great composer but a great person, freedom-loving, possessed of an enormous dramatic sense."

"One's own predilections matter, of course," he continued — sitting at his desk in about the noisiest office in town, on the ground floor of the old opera house at the corner of 39th St. and 7th Ave., with traffic right outside the windows as loud as 10 Verdi operas played all at once.

"The decisions have been mine," he said, "though always after consultation.

DIFFERS FROM THEATER

"All opera houses are repertory houses. Not one of them can afford to put on the same work night after night. There are two reasons: The singer can't sing two nights in a row, as actors can play in the theater; and there isn't money enough to hire two equally good casts even if two equally good casts existed.

"When I came here, my first-night opener was Verdi's 'Don Carlo,' and I planned even then to redo the entire Verdi list. When I was very young I was a great Wagnerian, but one's ideas change. I am delighted to find the New York public growing fonder of Mozart all the time.

"But primarily the Metropolitan's audience has Italian preferences. Besides, as it happens, in the last 10 years there has arisen both here and abroad a great number of first-rate singers for the Italian repertory. So obviously we were tempted to do the works we could do well.

"It is only just recently that we have run across the singers we need for Eagner. We may have appeared to be short-changing Wagner, but it was nothing we could help."

The new "Simon Boccanegra," which hasn't been heard at the Met for 10 years, will be presented thanks to funds given by the Metropolitan Opera Guild. Frederick Fox will do sets and costumes, and Margaret Webster will stage it; it is her third Verdi assignment for the Met, the others being "Don Carlo" and "Aida."

Dimitri Mitropoulos will conduct. Leonard Warren will sing the title role, and the female lead will be entrusted to Mary Curtis-Verna. This soprano from Salem, Mass., has sung often at the Met, and in lead parts, but they have usually been last-minute substitutions. This is a substitution, too, for Renata Tebaldi. But Miss Tebaldi bowed out of this particular premiere so long ago that Miss Curtis-Verna was the management's deliberate choice, and she has had her full share of rehearsals with the entire company.

"Simon Boccanegra" will be performed once in Philadelphia, once a week here for the Met's six more weeks of this season, and then taken on the road.

PUCCINI: "La Tosca," complete opera, with Renata Tebaldi, Mario del Monaco, George London and the orchestra and chorus of the Accademia di Santa Cecilia, Rome, under the direction of Francesco Molinari-Pradelli (London, stereophonic).

The particular interest of this recording for opera lovers of Houston is that it comes so near offering the principal cast of a quite historic performance of "Tosca" at the Music Hall in May, 1957.

That signal occasion, furnished by the Metropolitan, both introduced Renata Tebaldi to the local stage and resulted, under the musical direction of Dimitri Mitropoulos, in a completely inspired and unforgettable realization of Puccini's opera. I do not think this recording, glorious though it is, entirely matches the beauties of that evening, or matches its peculiar fire—

'Simon Boccanegra'

METROPOLITAN OPERA HOUSE

Opera in three acts and a prologue, libretto by Francesco Maria Piave, music by Giuseppe Verdi. The cast:

Simon Boccanegra.....Leonard Warren
Amelia .....Mary Curtis-Verna
Fiesco .....Giorgio Tozzi
Gabriele Adorno.....Richard Tucker
Paolo .....Ezio Flagello
Pietro .....Norman Scott
A Captain.....Robert Nagy
Amelia's Maid.....Athena Vicos

Conductor, Dimitri Mitropoulos; staged by Margaret Webster; sets designed by Frederick Fox; costumes designed by Motley.

Leonard Warren as Simon Boccanegra.

"Simon Boccanegra" is one of those operas of Verdi's middle periods which were first unsuccessful and which he later reworked from stem to stern. While never so popular as the famous trio of operas that preceded it in the eighteen fifties, the refurbished "Boccanegra" gradually gained ground though it does not yet occupy the place it deserves.

As presented last night by the Metropolitan Opera in a remarkably fine production, with a million dollar cast, sumptuous new sets, and magnificent costumes, "Simon Boccanegra" made a tremendous impression. Though even the ministrations of one of the world's greatest librettists, Arrigo Boito, could not make the story entirely acceptable, or even fully understandable, it does not matter. Verdi found opportunities for characterization, for dramatic confrontations, and for genre painting, all of which more than compensate for the clumsiness of the book.

And make no mistake, this is no ephemeral score, the hands of the future composer of "Otello" are upon its pages. The revision came twenty years after the original composition and the ageing Verdi had already written "Aida" and the Requiem; therefore the immense experience and development of a seasond and serene master were behind the man who undertook the revision of his old score.

"Boccanegra" is an absorbing, intense, and poetic opera, with scenes and finales as powerful as anything in the best Verdi. I should like to say right at the outset that Dimitri Mitropoulos, the conductor, realized not only every bit of the power and dramatic tension, but all the delicacy and story-telling quality of the work. It is one of his finest achievements that deserves unqualified praise.

One can search high a low before finding such an overwhelming musical portrait as the principal figure in this opera. It is one of the great baritone roles and last night it was entrusted to a great baritone, Leonard Warren. Mr. Warren made Boccanegra altogether his own, a vibrant, tragic, and mesmerizing portrayal, sung with a voice that obeyed every command. When he vented his wrath on Paolo you could feel the man crumple under the terrific malediction. It was an unforgettable scene.

Giorgio Tozzi's Fiesco was an absolutely first rate rendition of a role in which he must impersonate a young man and then a worn and tried old man. His singing was simply wonderful; warm and beautifully articulated. What an artist!

Ezio Flagello (Paolo) is emerging as a major artist. His voice, which I have always found very attractive, is gaining in volume, his pitch is solid as a rock, but last night he showed an emotional fervor that raised his stature very considerably.

Richard Tucker (Gabriele) sang like a real Italian tenor. His big voice soared, and he, too, threw himself into his role with fervor. Occasionally, and curiously enough only in the middle register, he pushes a little bit, but he is always the star tenor, every inch of it.

The one weak link in this superb cast—every one of them an American — was Mary Curtis-Verna, who sang Amelia. Miss Curtis-Verna has a nice voice, a powerful one, and at times she employs it beautifully, but it is not a reliable voice. Especially in the faster passages she cannot get set and both pitch and articulation are indistinct. However, she did her best; it was her misfortune that she was surrounded by exceptional artists.

Frederick Fox's sets were handsome, and the costumes by Motley stunning, but their effectiveness was vastly enhanced by Margaret Webster's magnificent staging. There were no idle strollers and there was no semaphoring, every person on the stage moved with purpose and even the smallest gestures were carefully integrated into the whole. As to the crowded finales, I have seldom seen them managed with such dramatic vigor.

"Boccanegra" is one of the season's most exciting artistic triumphs—don't miss it.

'Simon Boccanegra' in Handsome Met Revival

By DOUGLAS WATT

In the second scene of the first act, "Simon Boccanegra" comes startingly to life as bold orchestral thrusts underscore the dramatic scene in Simon's council chamber. No wonder; with this opera some 25 years behind him and "Otello" coming up, Verdi and his last librettist, Arrigo Boito, rewrote the entire scene.

Elsewhere, last night's revival at the Met offered us a generous amount of pretty music adorning one of Verdi's more confusing plots. Based on the career of a 14th Century Italian patriot of peaceful motives, it is briming with intrigue, mistaken identity and, of course, tenor-soprano love.

Handsome Costumes

The new production (except for some 1949-50 showings, the Met hasn't bothered with the work since Lawrence Tibbett's last appearances in it over 20 years ago) is a handsome one in which an array of unusually beautiful costumes by Motley fit neatly into some attractive sets by Frederick Fox. Margaret Webster has staged the opera extremely well and Dimitri Mitropoulos conducted it with force and skill.

Singing the same roles they sang 10 seasons ago, Leonard Warren as Simon and Richard Tucker as Gabriele brought their remarkable vocal skills to bear on somewhat wooden characters. After a shaky start in which she seemed to be singing just under her opening aria, Mary Curtis-Verna settled down to some agreeable, though not distinguished, singing as Amelia. Ezio Flagello, as the conspirator Paolo, and Giorgio Tozzi as Simon's noble enemy, were both excellent.

Though "Simon Boccanegra" is not Verdi at his most satisfactory, the music and the quality of the production make this a must for any Verdi fan. Rudolf Bing, who has served Verdi fans so well during his time at the Met, deserves congratulations and so does the Metropolitan Opera Guild, which put up the money and which benefitted from last night's proceeds.

'Simon Boccanegra' in Sumptuous Metropolitan Staging

By Miles Kastendieck
New York

With the return of Verdi's "Simon Boccanegra," the Metropolitan Opera finds itself with another outstanding success. A new production and an all-star cast among the male singers have given the opera a fresh impetus. The chief credit for its triumph, however, must be assigned to Dimitri Mitropolous and Margaret Webster. They have seen in it all the old-fashioned Italian melodrama that it is.

Perhaps for the first time in its short history at the Met (since 1932) "Simon Boccanegra" has come into focus, and people will realize that it holds a much more important place among Verdi's works than hitherto given it. Not only does it qualify as traditional grand opera, but the council chamber scene at the end of the first act rates as one of the greatest scenes in the whole history of opera. While some traces of the early version of 1857 remain, Verdi so completely revised it in 1881 that the maturity of his genius has given it both depth and power.

A Stunning Evening

The new production has crystallized all this. The result is a stunning evening of lyric theater in the true sense of both words. As Verdi let his melodies flow, so Boito pointed up situations to make the story believable. Usually the plot has appeared too complicated and coincidental, but Miss Webster has so designed the stage action as to bring credence into its complexities. She has done for "Simon Boccanegra" in Rudolf Bing's tenth season what she did for "Don Carlos" at the very beginning of his general managership.

Yet without the inimitable sense of theater which characterizes Mr. Mitropoulos's interpretation of the score, the essence of the melodrama inherent in 14th-century intrigue would not have become so vivid. He has intensified the music to match the gathering momentum of the melodrama. All this constitutes opera as theater in its most dramatic sense.

Since pictorial values are significant in producing such a work, the distinctive settings of Frederick Fox and the outstanding costumes of Motley made a handsome contribution. Perhaps the illusion of richness is conveyed more successfully through the costuming than through the sets. In the general average of quality in present-day décors, this one might be considered sumptuous.

This is a man's opera. Fiesco, Paolo, and Gabriele, together with Simon, present a masculine front that demands topnotch singers. These roles have been admirably cast. In the title role Leonard Warren, as expected, created a definite character that quite dominated the stage. Whether in his moment of venting his wrath on Paolo or succumbing to the slow poison which he fights during the final scene, he showed how fine an artist in song and action he has become. This role may be the pinnacle of his career. The texture of his voice and the expressivity of his singing were truly memorable.

It may well be that Richard Tucker has never sung more magnificently than as Gabriele on this occasion. His voice soared radiantly throughout the evening, and he acted his role with much more conviction than usual.

A Human Impersonation

Giorgio Tozzi created another notable character study in portraying Fiesco. As a younger man in the prologue, and an old man during the remainder of the opera, he was singularly human in his impersonation. The notably warm quality of his voice added further dimension to his artistry. Finally, Ezio Flagello emerged as a much more important singer than ever before. His Paolo sounded more substantial vocally and more solid dramatically than in other portrayals.

Though not quite in the class of her male associates, Mary Curtis-Verna gave a wholly adequate account of Amelia. When at her best her voice had its moments of distinction, but it was not consistently strong and clear. She acted with intelligence.

What perhaps might be considered quite significent is the fact that this display of vocalism came from a completely American cast. While this may not be news, its performance in this thoroughly Italian opera suggests how accomplished native singers have become.

This first performance was given as a benefit for the Metropolitan Opera Guild. The production represented another of their valuable gifts to the Met. They can be most pleased that in every way they have contributed to the production of an opera that from now on should assume a much more prominent position in the repertory.

'Boccanegra' Returns to Met

By LOUIS BIANCOLLI.

Thanks largely to Dimitri Mitropoulos and a strong all-American cast, Verdi's "Simon Boccanegra" — absent for a decade from the Metropolitan stage — began a new lease on life last night.

Sponsored by the Metropolitan Opera Guild, the sprawling saga of political intrigue in 14th century Genoa was brilliantly staged by Margaret Webster. The production is a credit to Rudolf Bing's wide-ranging tastes.

Mr. Mitropoulos combined dynamic power and supreme refinement in conducting this intermediary opera of Verdi's that ranges in style from the lyric freshness of "Il Trovatore" to the raging holocaust of "Otello."

Drastic Overhauling.

A fiasco when first heard in 1857, "Simon Boccanegra" was given drastic overhauling a quarter of a century later, the result being a score that at its best is one short step from Verdi's Shakespearean masterpiece.

It was that miracle man of librettists, Arrigo Boito, who patched up Piave's impossible book and inspired Verdi to revise and compose music that rescued "Simon Boccanegra" from complete disaster.

Not that the opera is an open book as it now stands. The mistaken identities, aliases, time lapses, unexplained appearances and disappearances make "La Gioconda" seem like a nursery rhyme in comparison.

Special citations would have been in order last night for those fortunate few who could, without arduous previous study, explain just who was saying what at any given moment and why.

The beauty of it is that it didn't very much matter. Time and again, a scene took fire, a character burst into compelling utterance, and the orchestra seethed with that living commotion that is Verdi's.

There is one stately scene that not even Moussorgsky in "Boris Godounoff" surpassed, and that is the confrontation of Boccanegra and his malign secret foe Paolo in the council chamber of the Genovese ruler.

Great Moment.

That was one of the great moments of the Metropolitan season last night—the swirling agitation of the mob, the clashing factions, the cringing schemer and the majestic wrath of Leonard Warren as Boccanegra.

Mr. Warren was obviously saving his voice for his magnificent scene. He rose to it nobly, and for the rest of the evening the portrayal evolved as one of his most accomplished.

This was true, too, of Ezio Flagello's Paolo — an interpretation of sinister and unctuous power. Lingering traces of a recent illness prevented Giorgio Tozzi's performance as Fiesco from being even more gripping than it was.

For lyrical beauty and ardent delivery nobody excelled Richard Tucker last night. As Gabriele Adorno the tenor was in complete command of his golden voice, and one would have sworn he was to the Italian manner born.

Assuming a gruelling assignment intended for Renata Tebaldi, Mary Curtis-Verna sang the part of Amelia with care and intelligence, and Norman Scott was typically adroit in the role of Pietro.

Miss Webster rates high praise for her distinguished staging; so does Kurt Adler for his training of the chorus. But the hero of the occasion was that fervid and dedicated genius Dimitri Mitropoulos. And, of course, Giuseppe Verdi.

Opera Excellence

It takes a highly skilled complex of artists and technicians to produce a grand opera performance and seldom can it be said that it has operated close to the maximum. But this was the case in the new production of Verdi's "Simon Boccanegra" at the Metropolitan Opera.

This is not to say that the opera itself, about 3.6 million to about 2.4 million, in the decade, can be ranked with Verdi's "Otello." The awkwardness of the libretto, the implausibility of the hyper-melo dramatic story involving mixed identities, and the lapse of 25 years during the action tend to confuse the viewer; the same characters appear as young people and later as old ones. It also puts the performers to an unusual strain. But it was perhaps this strain, as well as the opportunities in the fine Verdi score, that brought out the best in them.

The involved operatic story of "Simon Boccanegra" is based on a historical personality, a popular Genoese nobleman who in 1339 became Doge of that Republic during strife between the Guelphs and Ghibellines. He died of poisoning in 1363. These are main events in the opera. But in the revolutionary atmosphere of Verdi's Italy Simon was changed in the libretto into a corsair and man of the people, devoted to establishing peace and justice but doomed by the times and his own moral failings.

Leonard Warren as Simon, was in as good lyric voice as we have ever heard him. But his excellent performance was overshadowed by Richard Tucker as Adorno, a role he filled with both singing and acting elegance. Giorgio Tozzi as Fiesco performed to the limit of his considerable capacities, and the duet between Mr. Tucker's tenor and Mr. Tozzi's bass in the the first act ranked as one of our more memorable operatic experiences. If as Amelia, Mary Curtis-Verna seemed only competent in place of the absent Renata Tebaldi, it was because of the unusual quality of the other performances. Dimitri Mitropoulos conducted with artistic restraint and we could not fault his musicians.

The new sets by Frederick Fox successfully evoke 14th Century Genoa with the props and costuming for the famous Council Chamber scene, a standout. Margaret Webster's staging of the mob scene and the damning of Paolo in the Chamber was done with just the right amount of reserve to stop short of the emotional boomerang that can lie in melodrama.

It did seem to us that the performance in the last two acts did not quite come up to the unusual level of the Prologue and Act I. Partly this is traceable to the difficulties inherent in this opera which Verdi revised over 20 years after it first appeared and was judged a failure.

But no dobut it was also due to fatigue setting in; three and one-half hours of uniformly excellent performance is a lot to expect of even the best artists. Certainly the new "Simon Boccanegra" is a very worthwhile addition to the Met's repertoire.

Guarrera Sings Role Of Warren

By LOUIS BIANCOLLI.

A great challenge and responsibility was bravely met by Frank Guarrera in last night's performance of Verdi's "Simon Boccanegra."

Two weeks ago the late Leonard Warren gave a stupendous portrayal of the 14th Century Genoese ruler, only to die suddenly three nights later on the stage he had so nobly adorned for two decades.

It must have been with some trepidation that Mr. Guarrera moved into the role and robes of such a formidable artist. He is to be congratulated on both his stamina and his accomplishment.

It was not a weighty or dominating performance. Mr. Guarrera's voice sounded rather light and even withdrawn. But an earnest intensity was there, and the studied phrase and gesture of a true artist.

Also new to the current production was the Amelia of Renata Tebaldi. In elegance and finery, she was a majestic figure out of the early Italian Renaissance. And an impassioned one too.

It may be that Miss Tebaldi's top tones have sounded purer and less edgy in the past. But the golden glory of her voice was there for all to hear, and the pianissimo that is whispered magic.

Having written about the rest of the cast two weeks ago, I'd like to dwell for a moment on what to me is not only the highpoint of "Simon Boccanegra," but a highpoint of the theatrical season.

I refer to the scene in the Council Chamber, in which, amid a mounting tension of cross charges and mob threats, Simon pronounces a curse on the secret foe conspiring against him.

The hero there last night was conductor Dimitri Mitropoulos. Music and action fused into a powerhouse of suspense as Simon moved slowly towards the cringing Paolo, and orchestra and chorus blazed into fury. Where is there anything like it?

While the opera packs plenty of good music and drama after that, for me it really begins there. It is as if Verdi, in one short step, plunges from the worst pages of "The Sicilian Vespers" into the dynamo of "Otello."

As staged by the Metropolitan, it is not only grand opera at its best—but theatre at its most compelling.

Second 'Simon' Lacks Warren, Has Tebaldi

By DOUGLAS WATT

Last night's second performance of the Met's excellent new "Simon Boccanegra" production differed from the first in two important respects: Leonard Warren was missing from the title role and Renata Tebaldi was present in the role of Amelia.

It would be idle to pretend that Frank Guarrera, who has succeeded to the part of Simon, filled the late Warren's shoes. But then, who could have? Smaller physically and vocally than the great baritone, he was not the commanding figure that strode the big stage just two weeks back. Nevertheless, Guarrera rose to the occasion impressively, singing with artistry and evenness of tone equal to that of any other member of the cast.

Makes a Difference

Miss Tebaldi's presence make a great deal of difference to the production, as you can well imagine. The Amelia was the weak spot opening night. Now in the part that she was originally scheduled to create in this mounting of the Verdi opera but had to forego because of illness, she brings to it all her remarkable opulence and beauty of voice. The fine cast, otherwise the same as before, includes Richard Tucker's powerful Gabriele, Giorgio Tozzi's superbly sung Fiesco and Ezio Flagello's telling account of Paolo. And Dimitri Mitropoulos conducts the work splendidly.

The Big Moment

The high spot is, of course, the council chamber scene and what a magificent thing it is. One of the most striking passages in all opera, it is presented here with unfailing skill. Margaret Webster's staging, Mitropoulos' conducting, the singing of both principals and chorus, the costumes and the scenery all blend into an unforgettable image held in place by the tremendous thrust of Verdi's writing.

We must all be grateful that Verdi, still troubled by "Simon" a quarter of a century after he had first composed it, went to work on it again, creating this council chamber scene as we know it. For its duration, "Simon" becomes an entirely different opera. The rest will do, but this is genius.

Memorial Concert for Warren

TO THE EDITOR OF THE NEW YORK TIMES:

Leonard Warren will long be remembered not only because he was an extraordinary baritone and outstanding interpreter of Verdian roles, but because his was truly one of the most magnificent voices of this century. The world, especially New York and the Metropolitan Opera House, became the richer because of him.

What better tribute than for the "Met" to sponsor a memorial concert, with Dimitri Mitropoulos leading the orchestra during the first half, and Fausto Cleva directing after the intermission in excerpts from the operas that, for those of us still living, have become synonymous with the illustrious name of Leonard Warren?

Carnegie Hall Gets Reprieve On Swan Song

Special to The Inquirer

NEW YORK, March 29.—Hopes ran high Tuesday among friends of famous and venerable Carnegie Hall that its death sentence will be repealed soon by Gov. Nelson A. Rockefeller's signing of a bill, already passed unanimously by the Legislature.

The bill would permit New York City to acquire the mellowed old building, opened May 5, 1891, through condemnation if necessary, and then turn it over to a corporation to operate without profit.

PRESS PARLEY WEDNESDAY

So staunch were the hopes, that a press conference has been called for Wednesday afternoon in Mayor Robert F. Wagner's office. At that time, the Mayor and leaders of the Citizens Committee for Carnegie Hall, headed by Isaac Stern, violinist, will discuss plans for the venerable structure.

Carnegie Hall's fate for a time seemed sealed. It had been decided originally to raze it in view of the pending construction of a modern new concert hall as part of New York's $75,000,000 Lincoln Center for the performing arts.

60 PROMINENT NAMES

The New York Committee includes about 60 names prominent in the arts and otherwise. Mrs. Eleanor Roosevelt is honorary chairman. Others are Jacob M. Kaplan, industrialist and philanthropist; Frederick W. Richmond, investment banker; Fritz Kreisler, Arturo Rubenstein, Fritz Reiner, director of the Chicago Symphony Orchestra; Dame Myra Hess, Marian Anderson, Van Cliburn, Dmitri Mitropoulis, Mischa Elman, and Gregor Piatigorski.

A nonprofit corporation called the Carnegie Hall Society, Inc., has been formed to take over, rehabilitate and operate Carnegie Hall if Rockefeller signs the bill.

Tosca

March 22.—Superbly jeweled and gowned, Antonietta Stella appeared as Tosca for the first time this season. She was not in her best voice and seemed plagued by a cold. Consequently she held her voice down most of the evening which created some surprisingly effective moments. Temperamentally she is ideal for the role. Though some of the second act was overly exaggerated, it had a potent dramatic thrust that often was chilling.

Appearing as Mario for the first time this season was Carlo Bergonzi. He is better suited for this role than the more dramatic parts he has done this season. In a lyric role such as this his voice has a freshness and buoyancy which is a delight.

Cornell MacNeil's Scarpia is dramatically more secure and satisfying than it was at the first of the season, and, as ever, his rich voice provides some of the finest moments of the evening. Much of the tense excitement of the drama was due to Dimitri Mitropoulos' firm hand in the pit.

Music: Uhde as Scarpia

German Baritone Sings in 'Tosca' at 'Met'

By HOWARD TAUBMAN

THERE are not many more exacting roles for the acting singer than Scarpia in "Tosca." Hermann Uhde, German baritone, sang the part for the first time at the Metropolitan Opera last night. And as if to burden himself with the memory of one of the greatest Scarpias in the theatre's history, he donned the costume of Antonio Scotti.

Although he is too young to have seen and heard the Scarpia of the Italian baritone in his prime, Mr. Uhde surely was aware of its tradition. It is almost three decades since Scotti trod the Met boards and brought his incomparable brand of suave villainy to the part of the merciless police chief of Rome. There have been many fine Scarpias since, including Lawrence Tibbett and Leonard Warren, but none had the lean figure to fit Scotti's costume.

•

As an actor Mr. Uhde managed Scarpia with considerable effectiveness. His surface manner was smooth, even benevolent. When the iron of his will cut through his smiling exterior, he could be chilling in his force. At no point did he overplay.

Mr. Uhde's singing did not achieve the same standard. He is an intelligent singer, and he phrases with musicianship. He is one of those rare Germans who does not rob the Italian tongue of its essential music. But his baritone is not big, and it is just a bit shopworn at the top. In the finale of the first act he could scarcely be heard, and there were moments in the second when he had to push to make way against the surging orchestra.

In her first Tosca of the season, Renata Tebaldi was nothing less than magnificent vocally. Her soprano was in its best estate. The slight edge and the tendency to miss the center of a note, which had been manifest several weeks ago, were gone. She had control and unlimited reserves of power. Her singing of "Vissi d'arte" was exquisite as vocalism and as musical art.

•

Miss Tebaldi played the role with engaging warmth and temperament. But her second-act costume, with its long train, was a hazard, not only to herself but also to Scarpia. When Mr. Uhde should have been pursuing her lustfully, he had to keep at least six paces away for fear of stepping on the dress. And in moments of great tension, Miss Tebaldi had to pause and get the long train arranged so that it would not be in her own way.

Barry Morell, in his first Mario of the season, sang with freshness and lyricism. Others in the familiar cast were Fernando Corena, Norman Scott, Paul Franke, Osie Hawkins and Roald Reitan. Dimitri Mitropoulos conducted with the fervor of a man discovering "Tosca."

Opera

Colzani Sings 'Boccanegra'

By LOUIS BIANCOLLI.

Still another baritone, this time a new one from Italy, stepped last night into the role so brilliantly portrayed earlier this season by the late Leonard Warren.

The opera was Verdi's "Simon Boccanegra," the role the 14th century patriot-ruler of the same name, and the newcomer, Anselmo Colzani, a prominent member of the La Scala company of Milan for the last six years.

Mr. Colzani, after a short period of nervous flurry and adjustment to the new surroundings, proved himself a stalwart addition to the company. His big scene, as it is that of the opera, was that of the Council Chamber in the second act.

There Mr. Colzani, who had seemed little more than acceptable in the previous scenes, rose splendidly to the demands of the music and drama. Singing and acting combined to compelling purpose. This became a great impersonation.

Without being over-resonant, Mr. Colzani's voice is strong and forceful, and he knows how to make every note, not to mention every word, count in the phrase. The subtlety of the man in speech or song was remarkable.

That scene is Boccanegra's, of course, provided a commanding personality with a sure instinct for theater, portrays him. Such was Leonard Warren, such is Frank Guarrera and such is Anselmo Colzani.

Having heard the opera twice before this season, I thought I'd be able to take the confrontation of Boccanegra and Paolo in stride. The effect was even more powerful last night. It was sheer electricity, that scene in the Council Chamber.

The crowd dynamics were even tenser last night, and the hushed and tone-less "Be accursed!" came from the chorus like an insidious threat of doom to the whole house.

Mr. Contanzi was in excellent company on the night of his debut—a Renata Tebaldi in divine voice, a Richard Tucker not far behind, a Jerome Hines at the peak of his powers, and an Ezio Flagello as the season's most consummate villain.

And let's not forget Dimitri Mitropoulos. Verdi's score packs plenty of power as it is. Superimpose the pulsing impetus and intensity of this podium genius and you have a "Simon Boccanegra" that is the greatest single achievement of the season.

Renata Tebaldi Performs Tosca

By LOUIS BIANCOLLI.

To a mounting obbligato of excited feeling, Renata Tebaldi gave a spectacular performance as Tosca at the Metropolitan Opera House last night.

While this was not Miss Tebaldi's first portrayal of the Puccini heroine here, it was the first this season, and the first, I might add, with a new dimension of power and depth.

By power I mean both vocal and dramatic. Miss Tebaldi's performance was no less an example of operatic acting at its best than it was an example of singing almost unique today.

That "Vissi D'Arte" would stop the show was a foregone conclusion; in fact it stopped it last night till Miss Tebaldi, not wishing to bow out of character, merely raised her face. The greatness of the woman was in that gesture—and the humility.

Concern had been expressed in some quarters that Miss Tebaldi was not quite up to par this season. This certainly was news to last night's crowd. The golden glory of the voice was as conspicuous as the midday sun.

I get impatient with people who deny Miss Tebaldi any real acting ability or feeling. Here was a Tosca to be compared with the greatest of my time—and exceeded by none in voice.

An impressive new Scarpia was Hermann Uhde—a villain of malign courtesy who paced the stage like an elegant panther stalking its victim and pouncing with savage suddenness. Not much voice—but what commanding sense of theater!

I thought Barry Morell astonishingly good last night. His is not a large voice, but a pure and clear one, backed by real intelligence and style. He made Cavaradossi completely believable and his cry of "Victory!" was the season's most thrilling.

There was some unscheduled hilarity last night when Scarpia, startled by the knock on the door during the seduction scene, jumped back abruptly and adjusted his collar. That was a fastidious police chief for you!

If the heroine of the performance was Miss Tebaldi, its undisputed hero was Dimitri Mitropoulos. Thanks to him, the Metropolitan once more became a powerhouse of high-voltage drama. How that orchestra lashed, grieved and exulted!

ΜΙΑ ΤΕΛΕΥΤΑΙΑ ΣΚΙΑΓΡΑΦΙΑ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Ο ΜΕΓΑΛΟΣ ΜΑΕΣΤΡΟΣ ΜΕ ΤΗΝ ΚΑΤΑΠΛΗΚΤΙΚΗ ΚΑΛΛΙΤΕΧΝΙΚΗ ΣΤΑΔΙΟΔΡΟΜΙΑ ΕΙΝΕ 64 ΕΤΩΝ ΚΑΙ ΖΗ ΣΑΝ ΑΣΚΗΤΗΣ. - Η ΑΠΙΣΤΕΥΤΗ ΜΕΤΡΙΟΦΡΟΣΥΝΗ ΤΟΥ

«Η ΜΟΥΣΙΚΗ ΔΕΝ ΕΙΝΕ ΕΠΑΓΓΕΛΜΑ, ΕΙΝΕ ΑΠΟΣΤΟΛΗ!»

Εἰς τὸ μεγάλης κυκλοφορίας ἰταλικὸν περιοδικὸν «Τζέντε» (=Κόσμος), δημοσιεύεται ἐγκωμιαστικὸν ἄρθρον διὰ τὸν διάσημον Ἕλληνα μαέστρον κ. Δημήτρη Μητρόπουλον, μετὰ τοῦ ὁποίου ἡ συνεργάτις τοῦ περιοδικοῦ κ. Κλάρα Πιζάνι, εἶχε μακρὰν συνομιλίαν.

Εἶνε πολὺ δύσκολο —γράφει ἡ κ. Πιζάνι—νὰ συναντήσῃ κανεὶς τὸν Μητρόπουλον, λόγω τῆς μονήρους καὶ ἐντελῶς ἀποτραβηγμένης ζωῆς, ποὺ ὁ διάσημος Ἕλλην ἀρχιμουσικὸς διάγει. Τὸν συνήντησα τυχαίως στὸ ἑστιατόριο «Πάτσυ'ς», ἕνα μικρὸ Ἰταλικὸ ἑστιατόριο, πολὺ κοντὰ στὸ «Μέγα Βόρειον Ξενοδοχεῖον», ὅπου ὁ Μητρόπουλος εἶνε ἐγκατεστημένος ἀπὸ δέκα καὶ πλέον ἐτῶν. Στὸ ἑστιατόριο αὐτὸ ὁ Μητρόπουλος γευματίζει τακτικώτατα, προτιμῶντας νὰ κάθεται πάντα στὸ ἴδιο τραπέζι, ποὺ κρατεῖται μονίμως στὴν διάθεσί του. Ὁ ἴδιος ὁ μαέστρος τὸ ἀποκαλεῖ «τὸ τραπέζι τοῦ καλοῦ θείου» καὶ δέχεται ὡς ὁμοτράπεζό του μὲ καλωσύνη καὶ προθυμία ὁποιονδήποτε παρουσιασθῇ ἐκεῖ, γνωστὸν ἢ ἄγνωστον.

Ὁ Μητρόπουλος εἶνε τώρα ἐξηντατεσσάρων ἐτῶν. Εἶνε σχεδὸν ἐντελῶς φαλακρός. Τὸ πρόσωπό του, ὅπως λέγει ὁ ἴδιος, εἶνε τὸ ἰδεῶδες μοντέλο γιὰ κάθε γλύπτη, λόγω τῶν ἐντόνων χαρακτηριστικῶν του καὶ τῆς ἐκφραστικότητός του καὶ τῆς εὐκινησίας τῶν μυῶν του.

Λόγω τῆς ζωῆς ποὺ ὁ μαέστρος διάγει, μιᾶς ζωῆς ἥρεμης καὶ ἀθόρυβης, οἱ Ἀμερικανοὶ τὸν ἀποκαλοῦν ἀσκητή. Καὶ ἔχουν ἀπολύτως δίκιο. Ἡ ἁπλότης τοῦ μαέστρου εἶνε, πραγματικά, ἀπίστευτη. Τὸ φαγητό του εἶνε λιτότατο, ἡ δὲ περιβολή του σχεδὸν φτωχική. Ἂν ἐξαιρέσῃ κανεὶς τὶς ἐπίσημες ἐμφανίσεις του μὲ τὴν ὀρχήστρα, ὅπου φορεῖ ὑποχρεωτικὰ τὸ καθιερωμένο φράκο, ἡ καθημερινὴ ἐμφάνισις τοῦ Μητροπούλου θυμίζει φτωχὸν καλλιτέχνη: Ὑποκάμισο χωρὶς γραβάτα, ἕνα πουλόβερ, ἕνα σκοῦρο παντελόνι καὶ πέδιλα. Ὅταν βρίσκεται ἔξω, προσθέτει στὰ ἀνωτέρω καὶ ἕνα σακάκι ἀπὸ σουέτ.

Ὅταν ὁμιλῇ ἔχει διαρκῶς γυρισμένα τὰ μάτια του πρὸς τὰ κάτω. Ὁ λόγος του εἶνε συνεχὴς καὶ δὲν ἀναμένει ἀπαντήσεις καὶ παρατηρήσεις.

Μοῦ εἶπε:

— Πολλοὶ μὲ λέγουν ἀσκητὴ καὶ μοναχό. Δὲν εἶμαι τίποτε ἀπὸ αὐτά. Μὰ θαυμάζω τὸν Ἅγιο Φραγκίσκο κι' ἂς εἶνε ἕνας Καθολικὸς Ἅγιος, ἐνῶ ἐγὼ ἀνήκω στὸ Ἑλληνοορθόδοξο δόγμα. Ἔχει βεβαίως, διαφορὰ τὸ νὰ θαυμάζῃ κανεὶς κάποιον ἀπὸ τὸ ν' ἀκολουθῇ τὴν διδασκαλία του. Τὴν μουσικὴ τὴν θεωρῶ ὄχι ὡς ἐπάγγελμα, ἀλλὰ ὡς μιὰ ἀποστολή, ποὺ πρέπει νὰ ἐκπληρώσω. Δὲν ἴδρυσα, ὅμως, ποτὲ κανένα θρησκευτικὸ τάγμα. Πρὸ μερικῶν ἐτῶν εἶχε γραφῇ γιὰ μένα ἕνα ἄρθρο σὲ κάποιο ἰταλικὸ περιοδικό, τοῦ ὁποίου ὁ συντάκτης μὲ παρουσίαζε ὡς ἕνα φιλάνθρωπο ἑκατομμυριοῦχο. Τὸ ἀποτέλεσμα ἦταν πὼς δέχθηκα ὁλόκληρη βροχὴ ἀπὸ ἐπιστολὲς διαφόρων, οἱ ὁποῖοι ζητοῦσαν τὴν ἐνίσχυσίν μου διὰ τὴν ἵδρυσιν Ἀσύλων Ἀνιάτων, Ὀρφανοτροφείων, Γυμναστηρίων κ.λ.π.

Ἐνῶ μοῦ ἔλεγε ὅλα αὐτά, ὁ μαέστρος ἔτρωγε τὴν μακαρονάδα του καὶ ταυτοχρόνως ἐκινεῖτο πάνω στὸ κάθισμά του, σὰν νὰ διηύθυνε καμμιὰ ὀρχήστρα.

*

Ἡ σταδιοδρομία τοῦ Δημήτρη Μητρόπουλου χαρακτηρίζεται ἀπὸ τὶς γοργές του προόδους. Σὲ ἡλικία 23 ἐτῶν, μαζὶ μὲ τὸ δίπλωμά του ἀπὸ τὸ Ὠδεῖον Ἀθηνῶν, ἔλαβε καὶ μιὰ ὑποτροφία γιὰ σπουδὲς στὸ Κονσερβατουὰρ τῶν Βρυξελλῶν. Μετὰ ἕνα χρόνο πῆγε μὲ ἄλλη ὑποτροφία στὸ Ὠδεῖον τοῦ Βερολίνου, ὅπου παρηκολούθησε μαθήματα τοῦ διασήμου Φερούτσιο Μπουζόνι, ὁ ὁποῖος ἐπηρέασε ἀποφασιστικὰ τὴν καλλιτεχνική του σταδιοδρομία.

Στὸ μεταξύ, ὁ νεαρὸς Μητρόπουλος, εἶχε συνθέσει ἀρκετὲς σονάτες, ἕνα «κοντσέρτο γκρόσσο» καὶ μιὰ ὄπερα, τὴν «Ἀδελφὴ Βεατρίκη», ἡ ὁποία, στὰ 1919, δόθηκε μὲ μεγάλη ἐπιτυχία ἀπὸ τὸ Ὠδεῖον Ἀθηνῶν.

Ὁ Μπουζόνι, ὅμως, τὸν ἔπεισε νὰ ἐγκαταλείψῃ τὴν σύνθεσι, τὸ πιάνο καὶ τὸ «ὄργανο» ποὺ εἶχε σπουδάσει καὶ ν' ἀφοσιωθῇ στὴν διεύθυνσι ὀρχήστρας. Ὁ Μητρόπουλος ἀκολούθησε τὴν συμβουλή του καὶ σὲ λίγον καιρὸ ἔγινε διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας τοῦ Βερολίνου, σὲ ἡλικία, ἤδη, 28 μόλις ἐτῶν. Τότε ἀκριβῶς ἐκλήθη στὴν Ἀθήνα, ὅπου καὶ ἀνέλαβε τὴν διεύθυνσι τοῦ Ἐθνικοῦ Ὠδείου.

Στὰ 1937, ὁ Μητρόπουλος ἔφυγε γιὰ τὴν Ἀμερική, ὅπου καὶ ἐγκατεστάθη ὁριστικὰ καὶ διαδοχικῶς ἀνέλαβε τὴν διεύθυνσι τῶν μεγαλυτέρων ἀμερικανικῶν ὀρχηστρῶν: τῆς Μητροπολιτικῆς Ὄπερας τῆς Νέας Ὑόρκης, τῆς Ὀρχήστρας τῆς Μιννεαπόλεως καί, ἀργότερα, τῆς ὀρχήστρας τοῦ Κάρνετζι Χώλλ, τὴν ὁποία καὶ διευθύνει μέχρι σήμερα.

Ὁ Μητρόπουλος δὲν εἶνε ὁ τύπος τοῦ ἰδιότροπου καὶ δίαιτου ἀρχιμουσικοῦ, ὅπως ὁ μακαρίτης Ἀρθοῦρος Τοσκανίνι. Εἶνε προσηνὴς καὶ εὐγενικός, συμπεριφέρεται δὲ πρὸς ὅλους μὲ ἐξαιρετικὴ λεπτότητα. Ἀποφεύγει δὲ νὰ ἀξιολογῇ. Μὲ τὴν ἴδια, λόγου χάριν, συμπάθεια καὶ θαυμασμὸ ὁμιλεῖ καὶ γιὰ τὴν Μαρία Κάλλας καὶ γιὰ τὴν μεγάλη της ἀντίζηλο Ρενάτα Τεμπάλντι.

Ὁ μόνος ἄνθρωπος στὸν κόσμο, γιὰ τὸν ὁποῖο ὁ Ἕλλην μαέστρος ὁμιλεῖ μὲ αὐστηρότητα, εἶνε ὁ ἴδιος ὁ ἑαυτός του. «Εἶμαι πάντα γεμᾶτος ἀμφιβολίες» λέγει. «Η: «Δὲν μπορῶ ποτὲ νὰ ξανακούσω ἕνα δίσκο δικό μου, γιατὶ φοβᾶμαι ὅτι θὰ ἀνακαλύψω πολλὰ λάθη, ὅτι θὰ διαπιστώσω πὼς πολλὰ μέρη τῆς συνθέσεως θὰ ἔπρεπε νὰ τὰ ἀποδώσω διαφορετικά, καλύτερα...».

Αὐτὸ εἶνε κάτι ποὺ θυμίζει τὴν μετριοφροσύνη τῶν πραγματικὰ μεγάλων καλλιτεχνῶν. Καὶ ὁ Μητρόπουλος εἶνε πραγματικὰ ἕνας μεγάλος καλλιτέχνης, ἕνας μεγάλος μετριόφρων.

Ὁ Δημήτρης Μητρόπουλος στὸ διαμέρισμά του στὸ «Μέγα Βόρειον Ξενοδοχεῖον» τῆς Νέας Ὑόρκης, ὅπου ἀπὸ δέκα καὶ πλέον ἐτῶν διαμένει. Ἕνα πραγματικὰ καλλιτεχνικὸ περιβάλλον.

Artists' Epic Stamina Features Music Season

By LOUIS BIANCOLLI.

Few music seasons have been as rich in personal drama and stamina as that which is soon to end. For those who love music it is a proud and awesome record to contemplate.

We have beheld the tragedy of a great American baritone, apparently in the pink of health, collapse suddenly and die in the midst of one of his most splendid performances.

We have seen conductors in their 80s, one at 85, lead orchestras with a fervor and exuberance that ridiculed the calendar count of the years. The podium would seem to be a good place to stay young.

At the opera house, the chronicle of sudden indisposition and replacement was a hectic and valiant one, highlighted by the emergency use of three Tristans in one night.

At Carnegie, we have watched Jennie Tourel pinch-hit on a few hours' notice for a stricken singer in a taxing and hazardous score by Gustav Mahler that she had not sung in 10 years.

We have heard Renata Tebaldi return here uneasily in the grip of fatigue and emotional stress and after a performance or two rise to new heights of vocal and dramatic magnificence. The love and loyalty of added thousands was her reward.

And let's not forget our own Leonard Bernstein. How this versatile and ubiquitous musician has been able to be so many things in so many different places without folding up under the strain is an epic in itself. He must be made of iron.

There are those who have expressed concern that the intensity and energy that Mr. Bernstein applies to each of his roles—as conductor, pianist, commentator, writer, and three-ply composer—will tell on his health.

They cite Mahler as warning of the perilous drain on physical resources of full-scale activity as conductor and composer. But Mahler was worn out by monumental conflicts and stresses. Mr. Bernstein enjoys being Mr. Bernstein.

Knowing his devotion and reverence for Dimitri Mitropoulos, I feel certain Mr. Bernstein would be the first to join me in singling him out for a special citation for both accomplishment and valor this season.

Humble and dedicated as ever, Mr. Mitropoulos recovered from what was very nearly a fatal heart attack to conduct both the Philharmonic and the Metropolitan Opera in performances of unforgettable power and beauty.

Even with such illustrious Mahlerites as Bruno Walter, George Szell, and Mr. Bernstein in the field, Mr. Mitropoulos managed to communicate an extra depth and insight of his own.

Perhaps his own close view of the abyss had sharpened Mr. Mitropoulos' vision of Mahler's bruised spirit and the restless groping of his mind among the whys and wherefors of life.

ONLY IN AMERICA

A Tear For Old Carnegie Hall

By HARRY GOLDEN

Carnegie Hall has a new lease on life. Governor Nelson Rockefeller of New York has signed a bill giving friends of Carnegia Hall an opportunity to save the old pile on the corner of Seventh Avenue and Fifty-seventh Street in Manhattan. The New York City fathers are also acting to save it.

New York City has regained its sanity. What kind of a World's Fair do they think they are going to have in 1964 with just one concert hall in town. Brussels, which is a little provincial European town by comparison, has six concert halls, one erected just for the Fair.

Just on population figures alone, I can say with great assurance that New York can use two concert halls. And I will go further. I will bet that the acoustics in the Lincoln Center never match the acoustics of old Carnegie Hall. I remember when they built Radio City Music Hall and promised that here the Metropolitan Opera would eventually locate. They had sound engineers and acoustical experts, everything. But the super-numeraries kept tripping over the microphones so the Met said thank you all the same, the old opera house will do.

Harry Golden

On top of everything else, Carnegie Hall is an historic landmark. The ghost of every great singer, composer, pianist and conductor inhabits Carnegie Hall. Every musical genius produced in the Western world in the last fifty years has performed there. Carnegie Hall is hallowed ground. Here Arturo Toscanini conducted Beethoven's Ninth Symphony. Nothing like it has ever been heard before. Here every Christmas time the Oratorical Society of New York presents Handel's Messiah exactly as he scored it. Here some of the greatest singers in our world made their debut at midnight concerts. Here Josef Hoffman celebrated his fiftieth anniversary as a concert pianist and received a note from President Franklin D. Roosevelt. "I was at your debut fifty years ago. . . . My mother dressed me up and took me to Carnegie Hall. . . ."

I do not understand why the citizens of New York will tolerate this desecration of their city. Even more I do not understand why the musicians are not up in arms. Indeed, where are Hurok, Bing, Bernstein, Heifetz, Horowitz, Rubinstein, Mitropoulos and Ormondy?

Salzburger Festspiele:

Orchesterkonzerte zur Sonntagsfeier

Matinee moderner Musik — Mitropoulos dirigierte die Berliner Philharmoniker

Von unserem nach Salzburg entsandten Musikkritiker

Das Thema der musikalischen Sonntagsunterhaltungen war diesmal die moderne Musik in mehr oder weniger akkreditierten Erscheinungsformen. Eine beträchtliche Entwicklungsspanne wurde dabei durchmessen, die rund ein Vierteljahrhundert umfaßte und von Strawinskys „Feuervogel", 1910, zum zweiten Klavierkonzert von Ernst Krenek, 1937, führte. Die Komposition des jüngsten Werkes in dieser Auswahl liegt selbst bereits wieder fast ein Vierteljahrhundert zurück, und wenn auch sein Autor den Fortschrittsgedanken unentwegt vorangetragen hat, so ist eben doch eine jüngere, noch modernere und noch fortschrittlichere Generation bereits sehr energisch über ihn vorgestoßen.

Kreneks Klavierkonzert bildete das Mittelstück einer Sonntagsmatinee, die im alten Festspielhaus stattfand und von den Wiener Philharmonikern unter Heinz Wallberg bestritten wurde. Die „Mathis"-Symphonie von Hindemith und die „Feuervogelsuite" von Strawinsky bildeten die umrahmenden Programmstücke. Musterbeispiele moderner Musik, die bereits in die Weltliteratur eingegangen sind, schlossen ein Werk ein, das solche Geltung noch zu erwerben hat. Diese Zusammenstellung darf ihrerseits als das Muster einer vernünftigen und geradezu vorbildlichen Programmbildung gepriesen werden. Sie hatte repräsentativen, festspielhaften Charakter und schien auch auf unsere Philharmoniker, die ja nicht gerade als Schwärmer für moderne Musik bekannt sind, anregend und befruchtend gewirkt zu haben. Sie spielten wahrhaft animiert und interessiert, und ebenso zeigte sich Heinz Wallberg in bester Form, sympathisch, gewandt, temperamentvoll und mit sichtlicher Künstlerfreude den stilistisch so eigentümlichen Werken, die er vorführte, jeweils hingegeben.

Das Sonntagabendkonzert rief das Auditorium ins neue Festspielhaus, wo die Berliner Philharmoniker unter der Leitung von Dimitri Mitropoulos konzertierten. Auch das Gastorchester spielte in bester, festspielhafter Verfassung und offenbar beflügelt durch die Gegenwart des gefeierten Dirigenten. Vor allem die Bläsergruppen — Holz und Blech — ließen ihre oft gepriesenen Spezialvorzüge glänzen, während sich das Gesamtensemble wieder durch die Tugend seines vorbildlichen Zusammenspielens auszeichnete, das keine erlernte Präzision vermittelt, sondern den Eindruck einer spontanen und künstlerisch empfundenen Manifestation erweckt. Anders wäre es nicht möglich gewesen, mit der Schottischen Symphonie von Mendelssohn einen derart enthusiastischen Applaus zu erzielen. Gewiß, durch Mitropoulos als Dirigenten empfing man eine wunderbar inspirierte, zart beschwingte, im Geiste belebte, im Körperlichen graziöse und leichtfüßige Wiedergabe, aber der Beifallsjubel, der ihr folgte, das frenetische Händeklatschen und Füßetrampeln, für das der Dirigent mit zufriedener und schließlich mit beinahe verlegener Miene dankte, wurde von der glücklichen Laune des gesamten Orchesters hervorgerufen.

Das gewichtige Stück moderner Prägung im Programm wurde durch Schönbergs op. 31, den „Variationen für Orchester" gebildet. Das Werk führt uns gleichsam ins Innere der Werkstatt des Geistes, dorthin, wo die Apparaturen und Retorten stehen, in welchen das Neue auf künstlichem Wege zustande kommt. Mitropoulos dirigierte auswendig, und die Berliner Musiker spielten mit solcher Überlegenheit, daß man meinen konnte, sie hätten gleichfalls ihren Part im Kopf und bedürften keiner Notenblätter. Nur die vielen Unwissenden im Saal mochten im dunkeln tappen, sich manchmal magisch angezogen aber dann auch wieder abgestoßen fühlen. Aber niemals wurden sie gelangweilt, denn mit jeder neuen Phase und mit jeder neuen Variation wurde ihnen auch ein neues geistiges Abenteuer geboten.

Débussys „La mer", das Schlußstück des Konzerts, wird dagegen längst nicht mehr als Abenteuer empfunden, sondern wir genießen diese Musik wie wir die Sonne, das Wasser, den Wellengang und alle die koloristischen und atmosphärischen Spiegelungen, von denen die Musik handelt, am Meeresufer in uns aufnehmen. Abermals war die Wiedergabe so vollendet und der Eindruck so realistisch, daß man sich nachher förmlich gestärkt, urlaubsgestärkt und sonngebräunt fühlte.

SIEBENTES ORCHESTERKONZERT:

Zauberkünstler Mitropoulos

„Carmen"-Szene standen ihr die Amerikaner Henry Trimble als Don José und Norman

Ein herrlicher Dirigent, ein herrlicher Klangkörper, ein herrlich akustischer Raum — insgesamt also genug der Herrlichkeit für ein Festspiel-Orchesterkonzert, sollte man meinen. Es fehlte aber an einem überragenden Werk im Programm, an einem ganz großen Kunstwerk, dem die Künstler und der Raum an diesem Sonntagabend zu Diensten gewesen wären. Nichts gegen Mendelssohn, den liebenswürdigen Schöpfer so vieler poetischer Melodien. Nichts gegen Debussy, den Maler-Komponisten mit den wundersamen Klangfarben. Nichts auch schließlich gegen Schönberg, den vielgeschmähten und vielbewunderten Zwölfender; die Menschheit unserer Tage hat weiß Gott schon Schlimmeres überstanden. Wäre neben zweien von diesen drei Autoren nur noch einer gestanden, dessen Werk über romantische Landschafts-, Meeres- und Seelenver-Stimmung höher hinaufgeragt hätte (es gibt solcher Werke doch gar nicht so wenige), dann dürfte man mit aufrichtiger Freude an dieses Konzert zurückdenken.

Auf dem Programm standen, wie angedeutet, eine Symphonie von Mendelssohn: Opus 56, genannt die „Schottische". Danach die Variationen für großes Orchester, op. 31 von Arnold Schönberg. Endlich „La Mer" von Claude Debussy. Das Berliner Philharmonische Orchester musizierte im neuen Festspielhaus so wunderbar, wie wir es nun schon wiederholt erfahren haben; diesen Berlinern schulden wir in Salzburg viel Dank für ihre Mitwirkung bei unseren Festspielen, die mit dem hier besprochenen Konzert und mit der heutigen letzten Aufführung von Martins „Mysterium" beendet ist — wir möchten das vorzügliche Orchester in einem der kommenden Jahre gern wieder zu Gast haben! — Der Dirigent des Abends war Dimitri Mitropoulos. Ihm galten wie den Berlinern die begeistertsten Zurufe nach der „Schottischen" und nach „La Mer", denn Mitropoulus ist ein wahrer Zauberkünstler, der dramatische Spannung und eminente Wirkung zu suggerieren vermag, und das Orchester half ihm dabei mit allerbestem Vermögen. Mitropoulos zauberte auch aus den Schönberg-Variationen (die übrigens in Berlin 1928 von demselben Orchester uraufgeführt wurden) erstaunlichen musikalischen Effekt. Er ist halt ein Musikant durch und durch, dem alles zu Musik wird. Es war stellenweise hinreißend, solchen Midas-Zauber zu beobachten.

Ovationen für Dimitri Mitropoulos

Orchesterkonzert der Berliner Philharmonie

Der Sonntagabend im neuen Festspielhaus wurde zu einem konzertanten Höhepunkt der Salzburger Jubiläumsfestspiele: in der Gestaltung der a-moll-Symphonie Mendelssohns, der sogenannten „Schottischen", inspiriert von einer Reise nach Edinburgh, erbrachte Dimitri Mitropoulos, der große griechische Dirigent aus New York, den Beweis, wie sehr die Musik des romantischen Zeitalters „lebt", wenn eine Interpretenpersönlichkeit seines Formats Detail und Zusammenfassung verantwortet. Kaum, daß er Zäsuren zwischen den vier Symphoniesätzen machte. In einer Art Balladenform band er die einzelnen Teile der erlebnishaften Symphonie aneinander, legte die Kontraste der einzelnen Stimmungen phrasierungsmäßig weit auseinander, ließ das Orchester jubeln und schwelgen, tanzen und singen, erhob die Form zu klassischer Größe und belebte den Inhalt mit persönlichen Romantizismen. Die Berliner Philharmonie war solchem Beginn ein stets willfähriges, großartig klingendes Instrument!

Mitropoulos' Eintreten für die Musik des 20. Jahrhunderts ist bekannt. Stand nun bei Keilberth Alban Berg (mit seinem Violinkonzert) zur Debatte, brachte Wallberg Krenek, Boulez Webern, so war nun das Haupt der neuen Wiener Schule, Arnold Schönberg, mit seines opus 31, den Variationen für Orchester, vertreten. Bezeichnend, daß kein anderer als Furtwängler das Werk vor 32 Jahren in Berlin uraufgeführt hat. Die äußeren und inneren Parallelen häufen sich zwischen den beiden großen Dirigenten! War Furtwängler in seinem letzten Lebensjahrzehnt zur Ablehnung der Zwölftontechnik gekommen, so dürfte sich Mitropoulos, wieder gleich Furtwängler selbst schöpferischer Musiker, nicht so rigoros entscheiden. Er gibt sein Bestes, dieser Musik eines Schönberg zum Durchbruch, zur Wirkung auf den einzelnen Zuhörer zu verhelfen.

Nach der Frühromantik, der Spätkonstruktion der Impressionismus. Die drei „Bilder" Debussys „La mer" verdichtete der bejubelte Dirigent zu prachtvollen Stimmungen, deren Diferenziertheit mit einer seltenen Synthese konform ging. Das Publikum benützte jede Möglichkeit, mit dem Dirigenten Beifallskontakt aufzunehmen. Mit jugendlichem Schritt eilte Mitropoulos immer wieder aufs Podium zurück, um zu danken, um seine Einigkeit mit dem hervorragenden, ausgeruhten Orchester zu bekunden. Seine Geste gegenüber der Holzbläsergruppe, sie nach der Mendelssohn-Symphonie besonders gefeiert zu wissen, war von rührender Herzlichkeit gegenüber der persönlichen Leistung jedes einzelnen Musikers getragen.

Ein großer Salzburger Abend: Mitropoulos dirigiert Schönberg

Von unserem nach Salzburg entsandten Kulturredakteur Otto F. Beer

Nicht nur die Festspielbühne, auch das Programm hat heuer Cinemascopebreite erreicht. Dabei ist es seltsam, wie sich nun in der dritten und vierten Woche die Ereignisse häufen. Von Ereignissen zu sprechen, besteht insbesondere dann Grund, wenn man den Sinn des Musiklebens nicht im bloßen Nachproduzieren sehen will, sondern in der Produktion. An neuen Werken brachten nun gerade die letzten Tage mehr, als man sonst in Salzburg erhoffen durfte. Der Abend, an dem im neuen Festspielhaus Mitropoulos die Berliner Philharmoniker dirigierte, gehörte gewiß zu den glücklichsten dieses Festspielsommers. Er beschwor den Vergleich mit Salzburgs großen Toscanini-Abenden herauf.

Die Berliner Philharmoniker begannen mit Mendelssohns Dritter Symphonie, der schottischen. Sie nahm sich in dieser Programmbildung ein wenig fremd aus; ein Werk, in dem alles außen liegt, stand da neben zwei anderen, deren Ausstrahlung ganz von innen kommt. Das Schumann-Wort, Mendelssohn sei der Mozart des 19. Jahrhunderts gewesen, erscheint uns heute doch recht anfechtbar. Was Mozart vor allem groß macht — diese übersprudelnde Einfallskraft, bei der kaum ein Achttakter zu Ende gehen kann, ohne daß er einen anderen, unvorhergesehenen Verlauf nimmt — ist doch weit entfernt von der glatten Mendelssohnischen Weis'. Doch wußte Mitropoulos das Werk in ungemein interessantes Licht zu stellen, entfalteten die Berliner einen köstlichen Reichtum an Klangfarben, an gehauchtem Pianissimo und knallendem Blech, ja Mitropoulos bestand bei den Holzbläsern sogar darauf, daß sie sich am Ende der Symphonie erhoben und einen Sonderapplaus in Empfang nahmen.

Das Mittelstück waren Arnold Schönbergs Orchestervariationen op. 31, zwischen 1926 und 1928 entstanden und bald nachher von eben diesem Orchester unter Furtwängler uraufgeführt. In diesem Werk, das sich kaum aufs erste Hören erschließt, wird die Variationentechnik ungeheuer ausgeweitet und durch die Arbeit mit Reihen bereichert. Eine unbeschränkte Klangphantasie schaltet hier frei, entlockt dem Orchester traumhaft unwirkliche Klänge, Akkordgruppen verschieben sich ineinander, Motivfetzen irrlichtern durch ein Orchester von unglaublicher Farbigkeit, Bewegungsspiele führen Instrumentengruppen gegen- und ineinander. Die geistige Faszination dieser Musik ist überwältigend, und was zuerst spröde erschien, verliert rasch den Charakter des Theorems, wird blühendes Phantasiegebilde von seltsam bestechendem Reiz. Das Orchester leistete hier Erstaunliches, und Mitropoulos (der auch dieses schwierige Werk auswendig dirigierte) verstand es, diesem Tongewoge eine geradezu sprechende Plastik zu geben und die Motive klar herauszumodellieren.

In Debussys „La mer" schließlich erreichte die Virtuosität der Wiedergabe das Wunderbare. Die Orchesterdichtung, in der sich alle Kräfte des musikalischen Impressionismus zu einer großen Offenbarung zu versammeln scheinen, ist zwischen 1903 und 1905 in Dieppe, angesichts des immer wieder sein Antlitz wandelnden Atlantik entstanden. Die instrumentale Meisterschaft und blühende Klangphantasie Debussys erreichen hier ihren Höhepunkt. Immer wieder nehmen die fluktuierenden Klangwogen dieser drei Sätze andere Gestalten an — so wie das Meer, das nie das gleiche ist. Im Schlußsatz gibt es einen Dialog zwischen dem Wind und dem Ozean, der sich als ein fesselndes Gespräch zwischen Bläsern und Streichern zu dramatischer Steigerung entwickelt und mit ungeheuren Klangexplosionen endet. Mitropoulos konnte hier sowohl die stupende Delikatesse seines Orchesters zeigen, wie auch die mächtigen Klangfluten sich ungehemmt entfalten lassen. Seine Zeichengebung läßt alles Selbstverständliche weg, modelliert nur das Wesentliche und wirkt solcherart wie eine gestische Stenographie von höchster Konzentration. Die hohe Brillanz und klangliche Virtuosität dieses Abschlusses entfesselten im Publikum Beifallsstürme, die denen auf Debussys Ozean an Intensität kaum nachstanden.

KURIER

Eine Symphonie wurde wiederentdeckt

Dimitri Mitropoulos dirigierte Sonntag im Neuen Festspielhaus Musik von Mendelssohn, Schönberg und Debussy

Von unserem nach Salzburg entsandten Kulturredakteur Herbert Schneiber

Ein Prachtkonzert, schon des außergewöhnlichen Programms wegen (Mendelssohns „Schottische", die Orchestervariationen op. 31 von Schönberg und Debussys „La mer"). Ein unvergeßlicher Abend aber auch durch die Persönlichkeit des Dirigenten und die Leistung des Orchesters.

Dimitri Mitropoulos, zu Beginn, zwischendurch und am Ende des Abends mit einem Jubelsturm begrüßt, den künstlerische Verehrung gleichermaßen wie menschliche Sympathie entfacht hatte — Dimitri Mitropoulos dirigierte eingangs die III. Symphonie von Mendelssohn, die „Schottische", so beschwingt, so mit der Zeit geizend, daß schon die wundersamen Impressionen des sonst stets als recht lang empfundenen ersten Satzes balladeske Dichte und dramatische Stimmung erhielten. Aus einem Guß, wie das Scherzo selbst, gelang auch seine Interpretation, wobei die Eleganz des Spiels der Berliner Philharmoniker, ihr schlanker und beweglicher Ton zumal in den Holzbläsern dafür sorgte, daß der poetische Zauber dieser Sommernachtsträumerei keine Sekunde lang getrübt wurde, daß den klaren Sternenhimmel über dem nächtlichen Elfenreigen kein Wölkchen der Sentimentalität verdunkelte.

Das schmalzlose Musizieren des Orchesters half auch über den weniger eindrucksvollen langsamen Satz hinweg und stellte im bewegten Finale die Balance von romantischem Ausdruck und klassischer Formenstrenge mit Stilgefühl und Klangnoblesse sicher. Der Beifall nach dem Schlußakkord erreichte eine Länge und eine Heftigkeit, wie sie sonst nur am Ende eines Konzertes zu registrieren ist, und er schien zu bestätigen, daß Mitropoulos und die Berliner an diesem Abend eine Symphonie entdecken halfen, die im Repertoire der großen Dirigenten leider sträflich vernachlässigt wird.

Mitropoulos, sein so ergiebig nervöses Temperament, seine quasi ständig vibrierende Feinfühligkeit und seine Intensität im Sich-Ausgeben und Sich-Mitteilen, verschafften auch den 1928 vollendeten Variationen für Orchester op. 31 von Arnold Schönberg das höchstmögliche Maß an unmittelbarer Wirkung und sinnlicher Faßbarkeit. Und das will einiges bedeuten an Einfühlung und Einsicht, die das durchgeistigt konzipierte, klanglich jedoch oft hypertrophe und also eher schwer überschau- und durchhörbare Werk von seinem Interpreten fordert. Die Berliner waren da vorzügliche Helfer, grundierten tonlich mit der gebotenen Zartheit und gaben dort scharfe Konturen, wo der Verlauf der thematischen Linien Plastik verlangte. Sie hielten die rechte Mitte zwischen malerischer und zeichnerischer Ausdeutung und wußten auch manchen Point der Instrumentation in seinem Zusammenhang mit dem Gesamtbau klarzumachen.

Nach dem Schönberg-Opus, das erwartungsgemäß gedämpfteren Applaus hatte, tauchten Dirigent und Orchester tief in Debussys „La mer" hinein, um alle Schätze aus dem Grund dieser leuchtenden Partitur herauszuholen und sie im bewegten Wellenspiel eines faszinierenden Orchesterklanges darzubieten. Das Echo, die Beifallsbrandung, war dementsprechend. Mitropoulos und das Berliner Orchester ernteten für einen Abend, der zum Festspiel wurde, schier endlose Ovationen.

Symbolhaftes Naturerlebnis

Das Siebente Orchesterkonzert unter Dimitri Mitropoulos im neuen Festspielhaus

Wie sehr Felix Mendelssohn-Bartholdy, in dessen Persönlichkeit sich der bildnerisch sehende und der das Gesehene in Musik umsetzende Künstler die Waage hielten, die Landschaft als Symbol und Spiegel der Seele erlebte, das ließ uns Dimitri Mitropoulos im 7. Orchesterkonzert der Festspiele auf dem Umweg über Debussy erleben. Der alte Klang-Magier, der nach seiner schweren Erkrankung heute wieder mit beispielloser, jugendlicher Elastizität auftritt, brachte es mit den verständlicherweise weit frischer als ihre Namensvettern aus Wien wirkenden Berliner Philharmonikern zustande, die „Schottische Symphonie" in a-moll op. 56 beinahe als eine Sensation empfinden zu lassen. Das Geheimnis dieser durch die ungewöhnliche Biegsamkeit der espressiven Struktur, durch die fluktuierende Agogik der rhythmischen Übergänge und durch die verschleierte Delikatesse der Farbgebung ausgezeichneten Interpretation liegt in der Tat auf der Linie Debussys und seiner „vegetativen Dynamik". Wie in des französischen Meisters drei symphonischen Skizzen „La Mer", die den großartigen Abschluß des Abends bildeten, weht auch in der „Schottischen" der atmende Pulsschlag der See. Aber dieses Ungeheure von Weite und Horizont ist in beiden Fällen nicht als imposantes Schaugepränge programmatisch empfunden, sondern als Urgrund alles Seienden. Dabei ist das Meer Debussys weit entfernt von ozeanischer Wildheit, sondern es ist eher mediterran, ein „Spiel der Wellen" und ein „Dialog von Wind und Meer". Von dieser Transparenz des Südlichen aus konnte es kommen, daß auch Mendelssohns schottische Nebelwelt etwas von ihrer nordischen Strenge verlor, übrigens nicht zu ihrem Schaden. In dieser ungewöhnlich durchsichtigen Interpretation, bei der Schwalbés Streicher ebensolche Wunder vollbrachten wie die makellosen Holzbläser, traf man immer wieder auf bisher nicht gehörte Feinheiten der Instrumentation, so etwa auf einen seltsam schwirrenden Effekt im 2. Satz. Das leidenschaftlich-verhaltene Pathos des einleitenden Andante con moto blieb seinerseits nicht ohne Rückwirkungen auf die Wiedergabe von Debussys „La Mer", dem von hier aus ein Mehr an Dämonie zufloß. Darüber hinaus hat man bei Debussys Werk das Ineinanderfluten und Gegeneinanderlaufen der Wellen selten so verdichtet und so sehr als Spiegel musikalischer Vorgänge gedeutet gehört wie hier. Ein Genuß für sich die oft an Furtwängler erinnernden Ausdrucksbewegungen des Dirigenten, die Präzision mit höchster, suggestiver Freizügigkeit verbinden.

In die Mitte des Programms hatte Mitropoulos Schönbergs Variationen für Orchester op. 31 gestellt. Gerade in dieser Umgebung empfand man so recht, wie wenig das konstruktiv-gedankliche Moment der erstmals auf das große Orchester übertragenen Zwölftontechnik den emotionellen Kern einer urmusikalischen, auf Klang und Farbe ausgerichteten Musikalität zu zerstören vermochte. Auf der anderen Seite verstand man bereits an diesem Übergangswerk, warum sich ein Anton von Webern zu immer stärkerer Konzentration gedrängt fühlte. Das Orchester, allen voran Michel Schwalbé, durfte bei den neun Variationen seine ganzen solistischen Fähigkeiten ausspielen, so etwa bei der walzernahen 4. Variation (Harfe, Mandoline, Celesta und Tamburin) oder der espressiven 7. Variation mit Pikkoloflöte, Celesta und Solovioline. Der Beifall, der bei Mendelssohn und Debussy stürmische Formen angenommen hatte, erreichte auch bei Schönberg ein nicht gewöhnliches Maß von Herzlichkeit.

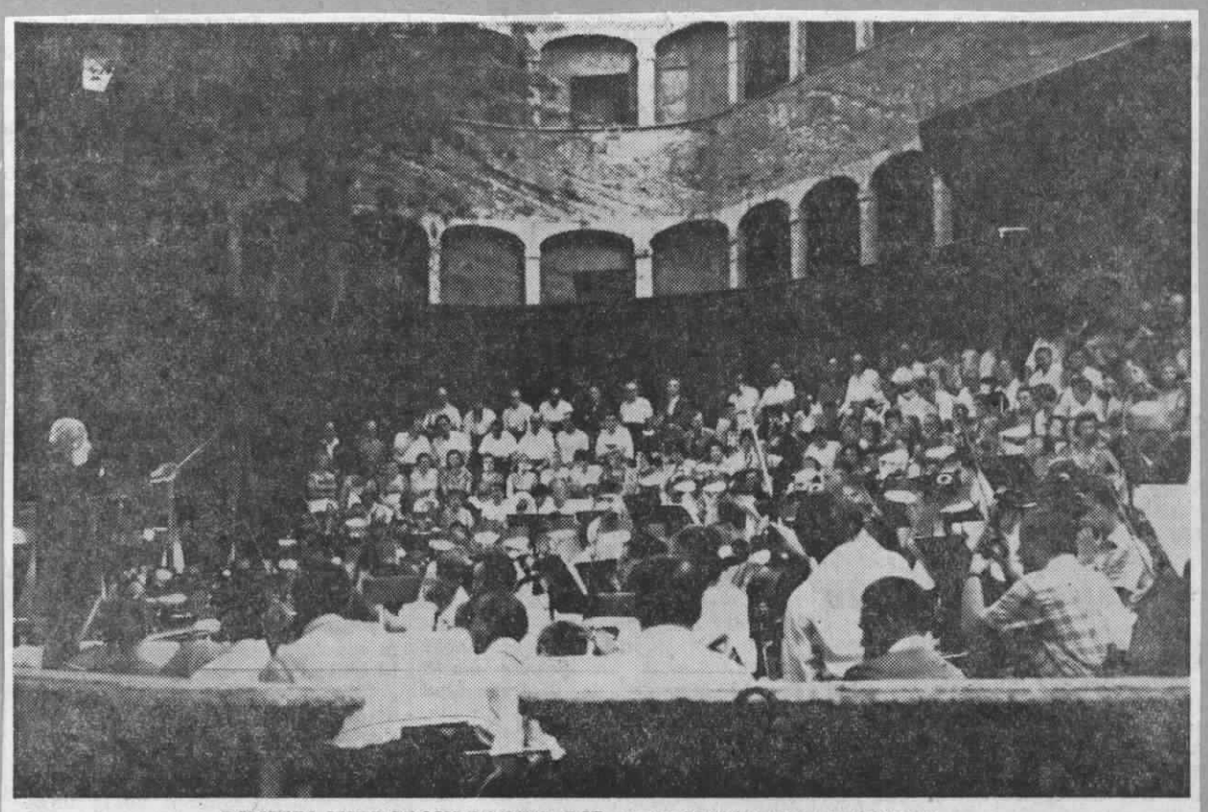
Veni creator Spiritus



Gustav Mahlers VIII. Symphonie unter Dimitri Mitropoulos in der Felsenreitschule

Der von geistigen und künstlerischen Energien sondergleichen getragene triumphale Schlußakkord, den dieses 9. und letzte Orchesterkonzert brachte, unterstrich nicht nur die Hochwertigkeit der in diesem Jahre geleisteten Festspiel-Arbeit, sondern verstärkte auch die Hoffnung, daß die Persönlichkeit von Dimitri Mitropoulos in der nächsten Saison den ihr gebührenden Raum am Opern- und Konzertpult einnehmen wird. Darauf läßt schon der überaus herzliche, spontane Dank schließen, mit dem Präsident Dr. Paumgartner den berühmten Gast am Schluß des Konzerts persönlich bedachte.

Die „Symphonie der Tausend", wie man Gustav Mahlers VIII. Symphonie etwas euphemistisch bezeichnet hat — in Wirklichkeit zählt man etwa die Hälfte dieser Zahl an Mitwirkenden, eine immerhin durchaus respektable Summe —, ist ein echter Prüfstein für jeden Dirigenten. Das bezieht sich weniger auf die Fähigkeit, ein derart überdimensionales Ensemble zusammenzuhalten, als vielmehr auf das rein geistige Problem, ein geniales, aber in der Wahl seiner Mittel vielfach problematisches Werk von innen heraus ganzheitlich zu gestalten. In diesem Sinne vollbrachte Dimitri Mitropoulos eine wahrhaft einmalige Leistung, die auch nach der rein gedächtnismäßigen Seite hin — der Dirigent leitete das Riesenwerk wie stets auswendig — imponierend wirken mußte. Bezeichnend war bereits, daß er der riesigen Chororgie des einleitenden Hymnus „Veni creator Spiritus" nichts von seiner berauschenden Klangpracht nahm, die das Solo-Septett trotz größter Anstrengungen in den Tonfluten fast ertrinken läßt. Hier abzudämpfen, wäre ein Fehler, denn Mahler unterlag dabei selbst in seinem Bestreben, das Unmögliche zu realisieren, der Suggestion der großen Zahl an Stelle der geistigen Vertiefung. Aber mit diesem übereinandergetürmten monumentalen Chorbau gewann Mitropoulos den richtigen Ausgangspunkt für den zweiten, der Schlußszene von Goethes „Faust II" entnommenen Teil. In einer großzügigen Verschmelzung musikdramatischer und symphonischer Elemente (im Gegensatz etwa zu Bruckner, der orgelmäßig in Klangflächen denkt) hat Mahler hier alles auf eine mystische und geistbetonte Innendramatik zurückgenommen, die Mitropoulos mit einzigartiger Ökonomie der Kräfte entwickelte. Man muß es erlebt haben, wie der Dirigent die einleitende antikische Natur-Idylle intensivierte, um das alles dann in die mystischen Schauer des „heiligen Liebesorts" überzuleiten. Eine glühende Gläubigkeit war dabei mit äußerster musikalischer Logik zu verbinden. Auf diese Weise vergißt man völlig die mancherlei Inkonsequenzen und Entgleisungen des Komponisten, so etwa die wenig überzeugende Verwendung der Mandoline an einer der gefühlsintensivsten Stellen, oder das Vorbeigehen an dem eigentlichen Charakter des büßenden Gretchens. Dafür entmaterialisierte Mitropoulos die Vision der einherschwebenden mater gloriosa zu einer Gloriole des Göttlichen, wie denn überhaupt das Symbol des Lichts — das in natura — in einem modernen Kirchenraum mit seinen breit einfallenden Strahlen die Felsenreitschule zu einem sakralen Raum umgestaltete — für die Deutung von Mitropoulos bezeichnend schien.

Die Aufführung selbst bestach schon rein äußerlich durch die eindrucksvolle Gruppierung aller Mitwirkenden und ließ eine ungewöhnlich sorgfältige Vorbereitung erkennen. Intonationssicherheit, schwelgerische Klangpracht und Präzision kennzeichneten die Leistung der Konzertvereinigung des Wiener Staatsopernchors, des Singvereins der Musikfreunde Wien und der Wiener Sängerknaben, die entsprechend der Anlage der Partitur Mühe hatten, sich gegen die alles beherrschenden Klangmassen der Wiener Philharmoniker durchzusetzen. Großartig waren diesmal die durch einen Extrachor verstärkten Blechbläser. Auch dem Solistenseptett Mimi Coertse und Hilde Zadek (Sopran), Lukretia West und Ira Malaniuk (Alt), Giuseppe Zampieri (Tenor), Hermann Prey (Bariton) und Otto Edelmann (Baß) wird es beim Hymnus oft recht schwer gemacht, dafür entschädigte es sich im zweiten Teil, wo sich der helle Sopran Mimi Coertses der in der Höhe glanzlosen Stimme von Hilde Zadek überlegen zeigte. Trotzdem boten alle Solisten eine auch rein physisch außerordentliche Leistung. An der Orgel vermochte diesmal Prof. Franz Sauer stark hervorzutreten.

Der Jubel nach dem Hymnus und am Schluß kannte keine Grenzen. Der greise Dirigent ließ es sich nicht nehmen, zu jeder einzelnen Gruppe der Mitwirkenden hinaufzusteigen und ihnen allen persönlich zu danken. Es war zweifellos eines der stärksten Erlebnisse der ausklingenden Festspiele. *Hans Georg Bonte*

Mitropoulos and 2 Singers Hailed for Performances

SALZBURG, Austria, Aug. 28 (AP)—Dimitri Mitropoulos, the conductor, Mimi Coertse, a South African soprano, and Lucretia West, United States alto, received standing ovations today from an enthusiastic audience for their performance of Gustav Mahler's Eighth symphony at the 1960 Salzburg Music Festival.

Mr. Mitropoulos directed 500 instrumentalists and vocalists, including the Vienna Philharmonic Orchestra, the State Opera Chorus, and the Vienna Saengerknaben Choir.

The critic of the Austrian press agency said "hardly ever before was there such enthusiasm. Mitropoulos and his soloists, Miss Coertse and Miss West, performed Mahler's music as a memorable dedication to humanity."

Bergschluchten in der Felsenreitschule

Dimitri Mitropoulos dirigierte gestern im IX. Orchesterkonzert der Festspiele Gustav Mahlers „Achte"

Von unserem nach Salzburg entsandten Kulturredakteur Herbert Schneiber

Ein wahrhaft gigantisches Finale, dieses letzte Orchesterkonzert der heurigen Festspiele, in dem Dimitri Mitropoulos Gustav Mahlers VIII. Symphonie aufführte — mit den Philharmonikern, dem Staatsopernchor, dem Singverein, den Sängerknaben und sieben Solisten: Mimi Coertse, Hilde Zadek, Lucretia West, Ira Malaniuk, Giuseppe Zampieri, Hermann Prey und Otto Edelmann. Doch nicht allein das Aufgebot für diese symphonische Monsterkantate, die zu Recht den Titel „Symphonie der Tausend" trägt, war überwältigend: für die großartige Dirigentenleistung vor allem ist dieses Attribut zutreffend, für eine Leistung, die sich auf gründlichste Kenntnis dieses musikalischen Zyklopen stützte — auf eine Kenntnis, die schon bei den Proben den Verzicht auf eine Partitur gestattete und durch die so gegebene Souveränität des Auswendig-Dirigierens umso mehr Kräfte fürs Inwendige, für den überdimensionalen Inhalt der Musik und ihre gewaltige Architektur freimachte.

Mitropoulos hatte bereits den musikalisch mehr überzeugenden ersten Teil des Werkes, der auf einen alten Pfingsthymnus („Veni, creator spiritus") geschrieben ist, überaus wirksam angelegt, ließ durch straffe und scharf gegeneinander abgesetzte Tempi den Aufbau der Symphonie besonders deutlich werden und vereinte mit diesem zügigen Musizieren sehr erfolgreich das Bemühen um durchsichtigen Klang und ein schlankes Espressivo, das schließlich eine Finalsteigerung ohne chaotische Nebenerscheinungen ermöglichte. Ein überaus intensives, stets von mitreißender Kraft genährtes und doch maßvolles Temperament führte so den Riesenapparat zu den gebotenen Höhepunkten, die auch als solche zu empfinden waren, weil trotz der Heerschar der Mitwirkenden nie der Eindruck des Groben oder Plumpen entstand. Die hervorragende Akustik der Felsenreitschule war in diesen Plan spürbar wissend einbezogen worden.

Bei der Aufführung des zweiten Teiles durfte man des Dirigenten Kraft, seinen Spannungsnerv bewundern und einen Al-fresco-Elan dazu, der viel mithalf, manche eher platte Vertonung der Schlußszene aus Goethes „Faust II" durch dramatische Akzente auch im Orchesterpart weniger unglücklich erscheinen zu lassen. Und die Fähigkeit von Mitropoulos, großer Musik dann, wenn sie besonders stark ist, erst recht ein überragendes Medium zu sein, feierte ihren stärksten Triumph schon zum Beginn des zweiten Teiles, bei der Interpretation des Orchestervorspieles und des nachfolgenden Echochores in den Bergschluchten.

Der geniale Dirigent, der am Ende des Konzertes von allen Seiten mit Beifall überschüttet wurde, als sich Chöre, Orchester und Solisten dem Publikum anschlossen, hatte für das große Vorhaben eine vorzüglich studierte Streitmacht zur Stelle: Singverein und Staatsopernchor waren wie die Sängerknaben und das Orchester stets auf der Höhe des Anspruchs, und nur im Solistenseptett gab es mit Giuseppe Zampieri und Otto Edelmann bedauerliche Fehlanzeigen. Ausgezeichnet beide Soprane: Mimi Coertse trotz gelegentlicher Höhenschärfen, Hilde Zadek trotz häufigen Flackerns in eben jenen Lagen; vortrefflich Lucretia West, der Ira Malaniuk als zweiter Alt assistierte, und ein Haupttreffer, wie in Wien, Hermann Prey als Pater ecstaticus.

Mitropoulos führt die Massen zum Siege

Zum großen Ausklang der Salzburger Festspiele: Mahlers VIII. Symphonie in der Felsenreitschule

Eigentlich ist Mahlers VIII. Symphonie mit ihrem Massenaufgebot von Wirkungen, mit ihrer Bildungsmusik und literarischen Ambition das krönende Ende der Ringstraßenzeit. Dem berauschten, entfesselten Makart, den schwelgenden Baumeistern tritt hier der türmende Komponist und Kapellmeister zur Seite. Klangwirkung, Instrumentierung und manche Harmonie führt von Berlioz her in Zukünftiges, aber die ganze Konzeption schließt doch eher die reiche, auch pompöse Erntezeit vor dem Expressionismus ab. Es mag auch der Traum des genialen Dirigenten, wie ein Feldherr zu herrschen, Klangmassen und -tönungen aufzuwühlen, die Partitur beeinflußt haben. Jedenfalls muß man sich erst mit der Monstrosität abfinden, die uns heute eher hemmt als einnimmt. Den Wiener Versuchen der letzten Jahre, dieses schwierige Werk aufzuführen, wurde nun in Salzburg die Erfüllung. Gerade für solche Unternehmungen sind die Möglichkeiten der anderes ausschließenden Konzentration beste Voraussetzung. Kommt nun noch ein Dirigent dazu, der dieses Werk in erstaunlichster Weise beherrscht, so daß er bei den Proben sogar jede Taktnummer sofort aus dem Gedächtnis angeben kann, der außerdem mit künstlerischer Überzeugung und großer Energie das Klangbild, das er in sich trägt, verwirklicht, so durfte man Festliches erwarten. Es wurde auch wirklich ein Fest.

Die Felsenreitschule erscheint in ihrer Größe und mit den Möglichkeiten der Staffelung bis hoch hinauf in die Felsbogen für die Aufführung wie geschaffen. Schallenkende Holzbaldachine kommen der zu hellen Akustik zugute. Die ganze linke Hälfte vor uns gehört der willkommenen Armee des Chors des Singvereins der Musikfreunde Wien; die rechte nimmt der Staatsopernchor ein; in der Mitte stehen die Sängerknaben, vor ihnen die Solisten und eben in den Felsbogen befindet sich die Bläserverstärkung. Das dicht bevölkerte Orchester der Wiener Philharmoniker, aufgebaut auf zehn Bässe, mit vier Harfen, Orgel und großem Schlagzeug, füllt den Raum bis knapp zu den Reihen der Hörer. Die Symphonie der Tausend verlangt zwar nicht diese Zahl der Mitwirkenden, aber gegen 400 Erlesene dürften am Werke sein. Die Reitschule mit ihren Felsen, den einfallenden Sonnenstrahlen und der imponierenden Weite gibt diesem Werk, das den Geist Gottes zu beschwören sucht und dann die Verklärung des ringenden Menschen mit Goethes Schlußgesängen aus „Faust II" zu komponieren versucht, spürbar eine Sonderstellung, den gewaltigen Rahmen für gewaltiges Wollen.

Gewaltig entfaltete sich der Hymnus „Veni, creator spiritus", dreisätzig, im Sonatenbau geformt, mit der großen Fuge im mittleren Teil auf einsame Höhen des Könnens führend. Das herrliche Gloria stimmen die Sängerknaben an und die Steigerung führt zu einer nicht überbietbaren Klangfülle. Mahler schrieb in die Partitur „Es ist absolut untersagt, daß sich die Vertreter der Solostimmen bei dieser Unisonostelle schonen"; bei dieser Aufführung schonte sich niemand, an keiner Stelle.

Mitropoulos gab das besessene Vorbild. Er hatte wirklich alle Fäden in der Hand, das halbe Tausend im Blick, Mahler im Herzen und jede Note im Hirn. Mit dem Bau des Hymnus ist kompositorisch allerdings der Höhepunkt erreicht. Die Faustgestaltung hat gute, mittelprächtige und schwache Strecken. Illustrativ setzt die Schilderung von Wald, Fels und Einöde interessant ein, die Bässe des Staatsopernchors konnten ihre Profundität zeigen; dann nähert sich die Seligkeit dem „Lied von der Erde", senkt sich aufschwebend zu Regionen, die Puccini unter den Seligen grüßt; bis dann der Schluß „Alles Vergängliche..." wieder dem Musikhimmel näherbringt. Die relativen Schwächen wurden aber diesmal viel, viel weniger fühlbar als bei den letzten Aufführungen in Wien. Was Mitropoulos in wenigen, allerdings beispielhaft konzentrierten und mitreißenden Proben zustande brachte, ist erstaunlich. Er öffnete alle Klangsubtilität, alle Klangkraft, hielt das Werk innerlich konzentriert zusammen.

Alle gaben ihr Möglichstes. Wenn man das von den Wiener Philharmonikern sagt, dann ist damit Besonderes gesagt, sie spielten einfach herrlich, die Zartheit manches Pianos war köstlich. Und dann die Chöre! Die Gegenüberstellung der Meisterchöre hob den künstlerischen Ehrgeiz zum Nutzen des Werkes. Sehr sicher der Knabenchor. Unter den Solisten erklomm Mimi Coertse exponierte Höhen, in tieferen Regionen klingt die Stimme farbloser; umgekehrt verhält es sich bei Hilde Zadek, die mit den vielen Höhen Mühe hatte, durch dramatisches Temperament manche tiefere Stelle mit edlem Klang füllte. Gediegen das Singen im Alt: Lukretia West und Ira Malaniuk. Giuseppe Zampieri ist die Welt Mahlers wohl etwas fremd, der Schmelz seines Tenors war für manche Stelle erfreulich, für manche auch gefährlich. Mahler mag wohl hier der Oper verhaftet sein, aber nicht ganz der italienischen. Hermann Prey sprang für Otto Wiener ein und sang die Höhenlage des Pater Ecstaticus mit grundmusikalischem Ausdruck. Ausdrucksarm klang eher die Stimme Otto Edelmanns, doch ist der Gesang des Pater Profundus auch in der Komposition etwas trocken.

Das Publikum stand ganz im Banne des so vermittelten Werkes. Mitropoulos war sichtlich mit der Leistung der von ihm Geführten zufrieden, er eilte durch die weiten Räume und bezeugte allen gesondert seine Anerkennung: den Solisten, den Knaben, dem Opernchor, dem Singverein und besonders herzlich den Philharmonikern. Die Anerkennung dieses besonderen Musikers kommt einer Zustimmung durch Gustav Mahler gleich der mit seiner Achten einen entscheidenden Beitrag für die Festlichkeit Salzburgs gab; ein Festspielwerk, das wohl nur in dieser Atmosphäre richtig zu wirken vermag. Gerade beim grandiosen Schluß fielen die Sonnenstrahlen auf Mitropoulos, eine Inszenierung des Himmels, die dieser Spiritus rector verdient hat: Das Vergängliche, hier ward's Ereignis.

Durchgeistigung und Raffinesse

Letztes Orchesterkonzert in Salzburg: Mahlers „Achte" unter Mitropoulos

In der Pause des Schlußkonzertes der Salzburger Festspiele, nach dem ersten Satz von Mahlers „Sinfonie der Tausend" unter Dimitri Mitropoulos: Eine ältere Dame stöhnt, während sie merkbar erschöpft zum Büfett wankt, ihrem Begleiter zu: „Wer soll denn diese Schrotladung ertragen können?!" Es wäre zu untersuchen, ob besagte Dame schon vor der musikalischen Massenkundgebung in der Felsenreitschule an Migräne gelitten hat, aber es wäre ihr jedenfalls nicht zu verdenken, wenn ihr das zu gleichen Teilen gewaltige wie gewaltsame Tönen des monströsen Pfingstgesanges nervliches Leid angetan hätte. Diese wahrhaftig tausendstimmigen Veni-Rufe nach dem Creator spiritus, dem „Quell des Lebens und Strahl der Liebe", übersteigen schon das rein körperliche Aufnahmevermögen, sie verpuffen — nochmals aus dem Publikum zitiert — wie eine Schrotladung, da sie nicht gezielt, sondern in blinder Verklärung abgefeuert, in der Breite wohl Spuren hinterlassen, aber am Herzen eigentlich vorbeigehen.

Mahler verlangt von seinen Zuhörern, daß sie ihm den größten Teil des Weges zu seiner versponnenden Geistigkeit entgegenkommen. Er stellt sich ihnen nicht als Tonsetzer, sondern als umgesetzte mystisch-psychische Substanz. Aber auch in dieser Einsicht läßt sich die Schöpferpersönlichkeit Mahlers nicht endgültig fixieren, es bliebe noch die Frage zu behandeln, ob er nicht einfach als Parasit in literarischen Sphären zu nehmen ist. Im zweiten Abschnitt seiner 8. Symphonie in Es-Dur, der die Schlußszene aus Goethes „Faust" textlich zur Grundlage hat, wird diese Frage in aller Deutlichkeit gestellt. Hier wird das Wort nicht musikalisch gedeutet, sondern an ihm herumgetüftelt, es wird so lange gewendet und das Innerste nach außen gekehrt, bis ihm Stimmungsgehalte entströmen, die musikalisch aufgelöst werden können. „Die Entstehung der Musik aus dem Geiste des Wortes" könnte der Untertitel dieser Anachoretenszenen der „Sinfonie der Tausend" lauten. Was dabei entsteht, ist allerdings nicht Musik im reinen Sinne, sondern eine Philosophie in Tönen nach den Gesetzen der Literatur.

Beim Vortrag dieses Werkes muß demnach vor allem die Distanz zwischen Durchgeistigung und Raffinesse der Partitur und deren Realisierungsmöglichkeiten bedacht werden. Die Aufzeichnung erfolgte sozusagen am grünen Tisch der Tonsprache, ihre Wiedergabe kann der Wucht des Gewollten wohl nie ganz entsprechen. Auch durch Dimitri Mitropoulus bekam man nur einen Querschnitt des Werkes vor das geistige Auge. Diesen allerdings klar umrissen, und in ihm alles zum musikalischen Schwerpunkt bezogen. Eine hochaufragende, massive Silhouette. Dort und da mußten sich zwischen dem Orchester gigantischen Ausmaßes, den drei Chören (Konzertvereinigung Wiener Staatsopernchor, Singverein der Gesellschaft der Musikfreunde Wien und Wiener Sängerknaben) und den sieben Gesangsolisten, die das gesamte Bühnenrund der Felsenreitschule füllten, strukturelle Bruchstellen ergeben. Das Werk, dessen Interpretation fast zwei Stunden in Anspruch nimmt, ist wahrscheinlich nur in wochenlanger intensiver Probenarbeit nahtlos zu bewältigen. Der Impetus des Dirigenten, der Wiener Philharmoniker und der Solisten Mimmi Coertse, Hilde Zadek, Lucretia West, Ira Malaniuk, Giuseppe Zampieri, Hermann Prey und Otto Edelmann kittete jedoch die manchmal hörbare technische Brüchigkeit, so daß das am Schluß vor allem Mitropoulos umjubelnde Publikum mit einem runden und starken Gesamteindruck entlassen wurde.

NEUNTES ORCHESTERKONZERT:

Das Unzulängliche wurde Ereignis

In der Felsenreitschule dirigierte Dimitri Mitropoulos die „Symphonie der Tausend" von Gustav Mahler, die vor 50 Jahren uraufgeführt wurde. Da heuer zugleich der 100. Wiederkehr von Mahlers Geburtstag zu gedenken war, fehlte es nicht am Anlaß zu der schwierigen und kostspieligen Aufführung des Kolossalwerkes, dem man die Bezeichnung „Symphonie der Tausend" gegeben hat. Etwa ein halbes Tausend Mitwirkender war tatsächlich auf der Bühne der Felsenreitschule und auch in den Felsarkaden aufgeboten: Sieben Gesangssolisten, zwei große gemischte Chöre — Konzertvereinigung Wiener Staatsopernchor und Singverein der Gesellschaft der Musikfreunde Wien —, der Chor der Wiener Sängerknaben sowie das Orchester der Wiener Philharmoniker in stärkster Besetzung, ergänzt von einer Anzahl weiterer Instrumentalisten. Ein solches Aufgebot hatte Mahler vorgeschrieben — allein fürs Orchester u. a. 50 Streicher, fast 40 Bläser, Orgel, Harmonien, fünf (!) Harfen, Celesta, Klavier, Mandoline. Solche Heerscharen von Künstlern zum Gesamtsieg zu führen, ist Mitropoulos der Richtige, wenn's einen gibt auf dieser Welt. Er beherrscht das Werk auswendig, seine Gesten erscheinen allgegenwärtig, sie lenken und leiten, halten weise zurück und steigern gewaltig — welch Schauspiel! Was an Wirkung aus dieser Achten zu holen ist, das hat Mitropoulos ad lucem gebracht, unterstützt von den großartig vorstudierten, einsatzbereiten Chören und von den mit starker Intensität (bei über 30 Grad im Zeitplan-Schatten) mitmachenden Musikern. Die Gesangssolisten hatten, jede und jeder für sich, Gelegenheit zur Stimmentfaltung: Mimi Coertse und Hilde Zadek, Lucretia West und Ira Malaniuk, Giuseppe Zampieri, Hermann Prey und Otto Edelmann. — Der Gesamteindruck: ein Gesamtsieg (wie schon gesagt) der Künstler unter und dank Mitropoulos' Führung. Die Sieger bezwangen auch die Schwächen des Werks, das ja eigentlich keine Symphonie ist, sondern aus zwei kaum zusammenhängenden Chorsätzen besteht, deren erstem Mahler den alten Hymnus „Veni creatur spiritus" unterlegte, während er im zweiten die Schlußszene von Goethes „Faust II" vertonte. — Gustav Mahler hielt viel von seiner Musik: „Das Universum beginnt zu tönen und zu klingen, es sind nicht mehr menschliche Stimmen, sondern Planeten und Sonnen, welche kreisen." So großes Wollen mag man bewundern, auch wenn das Ziel nicht erreicht werden konnte. „Alles Vergängliche ist nur ein Gleichnis", so schließt das Werk; „das Unzulängliche, hier wird's Ereignis..." Wir lassen das Zitat für das Werk und die Aufführung im letzten Salzburger Festspiel-Konzert dieses Jahres gelten.

Dr. Hehn

Erregender Abschied von den Salzburger Festspielen 1960

Die „Symphonie der Tausend"

Von unserem in die Festspielstadt entsandten Musikkritiker Dr. E. W.

Den absoluten Höhepunkt in der fünfwöchigen erreignisreichen Zeit der Salzburger Festspiele 1960 setzte Dimitri Mitropoulos Sonntag in der Felsenreitschule als Dirigent der VIII. Symphonie Gustav Mahlers, der Auferstehungssymphonie, der Symphonie der Tausend, wie das großproportionierte, monumentale Werk gern genannt wird. Der Jubilare Chopin, Schumann und Hugo Wolf wurde schon im Rahmen der Solistenkonzerte und Liederabende gedacht. Die 100. Wiederkehr des Geburtstages Gustav Mahlers konnte in der Mozart-Stadt nicht schöner gefeiert werden als mit dieser solennen und grandios zusammengefaßten Interpretation.

Mahler hat heute noch ebenso viele glühende Bewunderer wie Gegner seines Oeuvres. Man mag zu ihm stehen wie man will — integres Mühen um den schöpferischen Weg „per Aspera ad Astra" wird ihm niemand absprechen können. Wenn nun ein Meister wie Mitropoulos kommt und das weitraumige Werk Mahlers mit einem extrovertierten Hymnus „Veni Creator Spiritus" und der an der Schwelle der modernen Zeit stehenden Vertonung der „Faust"-Schlußszene mehr als kongenial nachgestaltet, dann kann sich die Ehrlichkeit und der Wucht des geistig-seelischen Bezuges keiner der Zuhörer entziehen.

Man möchte mit Mitropoulus, der in den letzten Jahren Pfitzner, Berlioz, Mendelssohn, Franz Schmidt in neuer Zusammenschau seinem Publikum vermittelt hat, das ganze Ensemble begeistert feiern: die herrlich musizierenden Wiener Philharmoniker, die Gemeinschaft der drei erstklassigen Chöre (Staatsopernchor, Singverein der Wiener Gesellschaft der Musikfreunde und Wiener Sängerknaben), den Organisten Franz Sauer und das Septett der Solisten aus alle Herren Ländern (die Südafrikanerin Mimi Courtse mit ihrem schönen Höhensopran, die Norddeutsche Hilde Zadek mit ihrer dramatischen Stimme, die zupackende dunkelhäutige Nordamerikanerin Lucretia West und die Ukrainerin Ira Malaniuk mit ihrem samtweichen Organ, den Belcantisten Giuseppe Zampieri von den Gestaden des Mittelmeeres, den Berliner Bariton von Format Hermann Prey und den Wiener Bassisten Otto Edelmann).

Mit dem griechischen Dirigenten aus Nordamerika ist den Festspielen an der Salzach ein bedeutender Künstler und ein hervorragender Mensch zugewachsen, den wir auch im kommenden Jahr wieder in führender Position als Dirigent sehen möchten.

Mahler und Mitropoulos

Bemerkungen zum letzten Orchesterkonzert

Stand das Jahr 1956 weltweit im Zeichen Mozarts, war 1959 für europäische Begriffe ein Joseph-Haydn-Jahr, so gedachte in diesem Jahr die Musikwelt Frederic Chopins und Robert Schumanns, Hugo Wolfs und Gustav Mahlers. Alle vier durch Geburtsdaten jubilierende Komponisten waren im Programm der Festspiele würdig vertreten: der Klaviermeister durch Geza Andas Programmwahl, Schumann und Wolf durch drei Liederabende; ein ehrenderes Gedenken, als es Gustav Mahler gestern vormittag durch eine solenne Aufführung der Achten, der Auferstehungssymphonie, der „Symphonie der Tausend", zuteil wurde, kann man sich einfach nicht vorstellen. Uns Jüngeren war es nicht gegeben, dieses Monsterwerk, das in seinem Streben sich höchsten Zielen naht, allzu oft zu hören. Aber von den vier oder fünf Aufführungen wird uns die gestrige, wird uns die Tat Dimitri Mitropoulos', als die stärkste, als die lebendigste und zugleich als die mystischste in Erinnerung bleiben.

★

Mahler hat heute noch viele Justament-Freunde und viele Justament-Gegner. Begreiflich bei einem Mann seiner interpretatorischen Begabung, begreiflich bei einem Künstler in der Zeit vor dem Ersten Weltkrieg, der rund um die Jahrhundertwende die Zeichen einer neuen Epoche heraufziehen sah und gleichzeitig am Ende einer Romantik stand, an der er mit allen Fasern seines Herzens hing. Schumanns Doppelnatur, die des Eusebius und des Florestan, ist introvertiert. Mahlers heroische und empfindsame Geisteswelt drängt ebenso sehr nach innen wie nach außen. Der dramatische Künstler im Leben war ein betonter Lyriker im Schöpferischen, der jedoch immer wieder im Epischen sein Glück suchte. Der symphonische Mahler ist und bleibt ein Sänger, der von der Zerrissenheit seines Herzens kündet und von der Sehnsucht nach ewigem Heil. Ein Sänger im Sinne der Antike, der den herumziehenden Aöden im hellenischen Raume gleicht. Der der eigenen Seele in seiner schöpferischen Aussage genügen, aber auch den Beifall der Könige erringen will. Keine andere Symphonie als gerade diese Achte kündet so stark den Dualismus des introvertierten und des extravertierten musischen Menschen. Man vergleiche den ersten und den zweiten Teil: den Hymnus „Veni creator spiritus" und die Schlußszene aus „Faust" und man hat den ganzen leidfreudigen, lyrisch-dramatisierten, philosophisch-musizierenden Gustav Mahler sozusagen in stärkstmöglicher Vergrößerung vor sich. Den Komponisten, der der Ringstraße seines Gesamtschaffens den ersten Wolkenkratzer schuf, und in diesem Riesenbau, der mit all seiner Breite in die Höhe strebt, sich selbst einige Zimmerchen reserviert. Das Pro und Contra zu Mahler ist mehr oder minder ein außermusikalisches Problem. Es stellt die nur mit Ja und Nein beantwortbare Frage, ob man Prometheus auch für einen Göttlichen halten kann.

★

Mitropoulos ist der Schutzherr aller prometheischen Versuche, das Feuer den Menschen zu bringen und immer wieder von neuem zu entfachen. Er ist vielleicht der einzige unter den Dirigenten der Gegenwart, dessen innerste Überzeugung diesen Versuchern des Himmels und der Erde helfen kann und will. Dimitri Mitropoulos holt das Große auch aus dem Werk der Kleineren heraus, stellt den inneren Auftrag des Schaffenmüssens heraus und entwertet die bisherige landläufige Wertungskala der Musikwelt. So geschah es sozusagen vorgestern mit Franz Schmidt, gestern mit Mendelssohn, heute mit Gustav Mahler. Die Lauterkeit seines Willens identifiziert sich mit der inneren Gerechtigkeit jedes schöpferischen Beginnens. Und die Stärke seines Künstlertums stellt Interpreten und Komponisten ganz dicht nebeneinander. Wolfgang Schneiderhan hat kürzlich das Wort von den zwei Menschen gesagt, die in verschiedener Weise Weingläser in Händen halten. Der ungetrübte Klang beim Anstoßen ist der Beweis für die integre Haltung beider. Klingt es nicht, so klafft eine Kluft zwischen Schöpfer und nachschöpferischem Musiker, zwischen Werk und Wiedergabe.

★

Und wie es klang: dicht, spannend, gespannt, nicht auslassend, intensiv. Die Wiener Philharmoniker überboten sich an Einfühlung, die drei Chöre, deren Direktoren Richard Roßmayr, Reinhold Schmid und Helmuth Froschauer besonderer Dank für die aufopferungsvolle Einstudierung zu sagen ist, waren mit ganzer Seele am Singen: die Konzertvereinigung Wiener Staatsopernchor, der Singverein der Gesellschaft der Musikfreunde in Wien und die Wiener Sängerknaben. Franz Sauer war der mitreißende Organist. Aus aller Herren Ländern stammten die Interpreten der Soloaufgaben: Mimi Coertse mit ihrem eindrucksvollen Höhensopran aus Südafrika, Hilde Zadek mit der dramatischen Fülle ihrer Stimme aus Norddeutschland, die dunkelhäutige Lucretia West in ihrer Alt-Intensität aus den Vereinigten Staaten von Nordamerika, Ira Malaniuk mit ihrem samtweichen Mezzo aus der Ukraine, Giuseppe Zampieri mit seinem bel-canto-Gesang von den Gestaden des Mittelmeeres, Hermann Prey als gestalterischer Bariton aus Berlin und Otto Edelmann in der Unmittelbarkeit seines Baßbaritons aus Wien. Der Grieche Dimitri Mitropoulos, Weltbürger und Weltphilosoph zugleich, hatte die Intelligenz, den Mut und die Kraft, all diese Personen auf den Zuschnitt des Mahlerschen Partiturpapiers, mehr noch auf die innere Gewalt der Mahlerschen Sehnsuchtsgedanken zu einigen. Die Stürme des Beifalls für eine solche schöpferische Interpretation wollten kein Ende nehmen. Eines der bedeutendsten Festwochenkonzerte war uns als letzte Podiumsveranstaltung geschenkt worden. Dem Fluidum der Aufführung kam die Felsenreitschule sehr entgegen. Der steil einfallende Sonnenstrahl zu Ende kam bei den Worten: „Das Unzulängliche, hier wirds Ereignis!" *Erik Werba*

Salzburger Festspiele:

Gustav Mahlers 8. Symphonie in der Felsenreitschule

Großartige Aufführung unter Dimitri Mitropoulos mit den Wiener Philharmonikern

Wenn je in neuerer Zeit eine Festspielsymphonie komponiert wurde, so ist es Mahlers „Achte". Sie gehört nach Salzburg, und es wäre nur recht und billig, wenn ihr die Festspiele eine ähnliche Pflege angedeihen ließen wie dem „Jedermann" von Hofmannsthal. Wurde die Symphonie nicht vorahnend eigens für den geistigen und akustischen Raum geschrieben, den sie hier findet? Sie sollte eine ständige Einrichtung im Spielplan sein und könnte einen stilistischen Rückhalt für eine organische Programmgestaltung der Konzerte bilden.

Da diesem Werk nunmehr eine so schöne, würdige und überaus eindrucksvolle Aufführung bereitet wurde, wollen wir uns nicht über Gebühr bei der melancholischen Betrachtung aufhalten, wie beschämend lange es gedauert hat, bis die gewissen Widerstände, Vorurteile und Antipathien, die sich Gustav Mahler und seiner Musik immer wieder entgegenstellen, überwunden werden konnten. Wahrscheinlich hätte es noch länger gedauert, wenn nicht durch den äußeren Anlaß des hundertsten Geburtstages ein übermächtiger Zwang ausgeübt worden wäre. Aber alle Melancholie soll uns nicht hindern, diese Salzburger Mahler-Feier in dankbarer Erinnerung zu bewahren.

Die Aufführung war einem großen Dirigenten und Musikgestalter wie Dimitri Mitropoulos anvertraut. Sie fand im magischen Raum der Felsenreitschule statt, die sich aufs glücklichste dafür eignet. Nebst dem Orchester der Wiener Philharmoniker waren die Sängerscharen des Staatsopernchors und des Singvereins der Gesellschaft der Musikfreunde sowie eine stattliche Anzahl Wiener Sängerknaben aufgeboten. Nicht die gleiche glanzvolle Qualität zeigte die Besetzung der Solopartien. Was wirkliches Festspielmaß ausmacht, war einzig bei Hermann Prey und Lucretia West zu erkennen.

Im Hinblick auf die großartige Disposition des Ganzen wiegt, was an Enttäuschung von den Gesangsoli ausging, nicht allzu schwer. Überwältigend richteten sich die großen Chor-, Orchester- und Klangpolyphonien des ersten Teiles auf. In feiner sinnvoller Abschattierung ließ der Dirigent die Architektur, das formale Konzept des Werkes hervortreten, und in den Kolossalwirkungen, die er erreichte, teilte sich Vielheit, aber nicht Mäßigkeit mit. Nicht eine frenetische Fortissimo-Manifestation brach über die Hörer herein, sondern der Hymnus gliederte sich in planvoller Ordnung, entsprechend etwa der barocken Weiträumigkeit, die Mahlers Musik hier offenkundig anstrebt.

Die Analogien für die Musikdarstellung des zweiten Teiles sind weniger in barocken als in mittelalterlichen Vorstellungen zu suchen. Mahler folgt hier der Dichtung Goethes, indem er sich nicht so sehr von Wort und Vers, wie von Stimmung und Szene anregen läßt. Dieses Stimmungsmäßige und Szenenhafte der Musik wurde durch Mitropoulos besonders packend hervorgehoben. In der Orchestereinleitung betonte er den impressionistischen Charakter der Musik und aus dem Klangbild sah man greifbar die Bergschluchten und die zwischen den Klüften gelagerten Anachoreten erstehen. Von außerordentlicher Wirkung war es ferner, wie dann aus dem Halbdunkel mit jedem neuen szenischen Aspekt zu immer helleren Regionen auf der musikalischen Mysterienbühne vorgegangen wurde, bis sich der Himmel öffnet, die Mater gloriosa einherschwebt, das Unbeschreibliche getan wird und das Mysterium sich vollendet.

Die Aufführung zeichnete sich auch durch große künstlerische Vornehmheit aus. Sie löste die Symphonie aus ihrer Gebundenheit an die Masse der Mitwirkenden. Nicht das banale und protzige Schlagwort von der „Symphonie der Tausend" wurde verwirklicht, sondern im musikalischen Sinnbild formte sich die umfassende, geistige, weltanschauliche Vision des Künstlers, der diese Symphonie komponierte.

Daß diese Vision in festspielhafter Nachschöpfung das Auditorium unserer Gegenwart zu bewegen, zu begeistern, zu enthusiasmieren vermag, bewies der jubelnde Beifall der dem Schlußakkord folgte. Dieser Beifall war in der Tat eine Kundgebung der Tausend, die mit Händeklatschen und Füßetrampeln ihre innere Bewegtheit zeigten und die damit dem Dirigenten, dem Orchester und den Chören für ihre außerordentlichen Leistungen dankten.

Mitropoulos triumphiert mit Mahler

Das Schlußkonzert der Salzburger Festspiele

Mit einem Höhepunkt sondergleichen ging die Konzertreihe der Salzburger Festspiele 1960 zu Ende: *Dimitri Mitropoulos* dirigierte in der Felsenreitschule Gustav Mahlers Achte Symphonie, die „Symphonie der Tausend". Zwei Barrieren sah der Kritiker dabei vor seinem Bestreben, dem Werk gegenüber einen objektiven Standpunkt einzunehmen, errichtet. Als erste das grandiose Szenarium, zu dem der gewaltige Apparat der Wiener Philharmoniker, der Konzertvereinigung des Wiener Staatsopernchors, des Singvereins der Gesellschaft der Musikfreunde und der Wiener Sängerknaben in amphitheatralischer Anordnung aufgebaut war, in seiner Mitte die sieben Solisten einschließend, gipfelnd in den Blechbläsern des Fernorchesters in der Felsengalerie, zu Seiten erhöht flankiert von vier Harfen, den Pauken und dem Spieltisch der Orgel: Wie soll man sich von der Suggestion dieses optischen Eindrucks freimachen können, zumal wenn die Sonne durch wahrhaft raffinierte Effekte ihres Lichteinfalls und seiner Reflexe auf den blitzenden Instrumenten das Monumentalbild noch impressionistisch verzaubert?

Die zweite Barriere aber, schwerer zu überwinden, schuf für den Kritiker eine sentimentale Erinnerung: Vor fast einem halben Jahrhundert hat er, genauso als Matrosenbüblein gekleidet wie die Sängerknaben, in seiner Heimatstadt Darmstadt im Knabenchor der „Achten" mitgesungen, als dort die erste Aufführung des Riesenwerks — zwei Jahre nach der von Mahler selbst dirigierten Münchner Uraufführung — stattfand. (An der Celesta saß damals der 22jährige dritte Kapellmeister Erich Kleiber.) Es war seine erste Begegnung mit der modernen Musik, ein überwältigender Eindruck.

*

Man verzeihe die Abschweifung ins Private. Erinnerung und Bildeindruck wurden alsbald zurückgedrängt von der Gegenwart eines dirigentischen Gestaltungswillens, dem es nicht um die Entladung der Klangmassen ging (mit der sich die „Achte" auf die billigste Weise „imposant" machen läßt), sondern um die Verwirklichung dessen, was man treffend Mahlers „Klangraumempfinden" genannt hat — genau dessen also, was den inneren Zusammenhang der 1906 komponierten Es-Dur-Symphonie, die eigentlich eine symphonische Kantate ist, mit der Musik der jüngsten Gegenwart dokumentiert. „Von ganz verschiedenen Seiten her müssen die Themen kommen und völlig verschieden sein in Rhythmik und Melodik": Scheint dieser Satz Mahlers nicht schon die Klangraumstruktur jüngster „stereophonischer" Partituren von Berio, Pousseur, Boulez und anderen vorauszunehmen? War die Aufführung unter Mitropoulos nichts anderes als die klingende Exegese dieses Satzes, nicht ein Beweis für die (so oft geleugnete) Kontinuität in der Entwicklung der Musik unseres Jahrhunderts von seinem Anfang bis hinaus über seine Mitte?

Aber es war nicht nur die einzigartige Klangregie, mit der der wie stets ohne Partitur dirigierende Maestro die Zuhörer faszinierte, sondern auch die vollkommene Einschmelzung von spätromantischer, die Innigkeit wie den Überschwang einbegreifender Expressivität in die ungestüme, ins Kolossale ausgeweitete Polyphonie, in der die motivisch-kontrapunktische Detailarbeit dennoch ebenso klar zu verfolgen war wie in der immensen Klangarchitektur der Verlauf etwa der zart-schwirrenden Mandolinenstimme oder einer Solobratsche. Mitropoulos gelingt es, die Kluft, die sich bei Mahler so oft zwischen schöpferischem Impuls und hochfliegendem Willen auftut, völlig zu überbrücken. Es gibt, wenn er die „Achte" dirigiert, keinen Abstand mehr zwischen dem, was in dieser Musik „Wurf" (Thematik) und Logik (Verarbeitung) ist, kein Auseinanderfallen in lapidare und intime Partien, keinen Widerspruch zwischen Vergeistigung und Sinnfälligkeit; man braucht beispielsweise nur die beiden Erscheinungsformen des Mater-Gloriosa-Themas, einmal im E-Dur-Adagissimo, das andere Mal in der liedhaften D-Dur-Anmut des „Neige, neige" der „Una poenitentium" (Gretchen, sich anschmiegend) gegeneinanderzuhalten, um dessen innezuwerden. Das Ekstatische wie das Konstruktive, die verzehrende, nach innen glühende Inbrunst und der in die Welt hineindröhnende Ruf, man möchte fast sagen: Appell an den Schöpfer Geist, führt Mitropoulos zu einer grandiosen Einheit, und wie man in seiner Wiedergabe der „Achten" spürt, was Mahler musikalisch (über die Wiener Schule Schönbergs und Weberns) mit den nachfolgenden Generationen verbindet, so erkennt man auch klar, wie ihn sein geistiges und humanitäres Pathos in die Nachfolge Beethovens stellt. Und solches zu spüren und zu erkennen, ist für uns heute wichtiger als die Überwältigung durch den Apparat, dem man einst mehr als dem Geist des Werkes huldigte, indem man ihm die (auf dem Salzburger Programmzettel denn auch nicht mehr zu findende) Benennung „Symphonie der Tausend" gab.

*

Die Leistungen der Chöre, die von ihren Leitern Richard Roßmayr, Reinhold Schmid und Helmut Froschauer einstudiert waren, waren phantastisch; Klangvolumen, Intonation, Wortdeklamation, Ausdruck — man kann Wien um seine Sänger beneiden, von den Philharmonikern, die unter Mitropoulos einen ihrer größten Tage im ohnehin glanzvoll absolvierten Salzburger Programm hatten, nicht zu reden. Einige Wünsche ließ nur das Solistenensemble offen; Tenor und zweiter Sopran blieben merklich hinter dem herrlich auf dem hohen C strahlenden ersten Sopran *Mimi Coertses*, den schön ineinanderklingenden Alten *Ira Malaniuks* und der farbigen Amerikanerin *Lucretia West*, dem intensiven Bariton *Hermann Preys* und dem klangvollen, wenn auch die Tiefen des „Pater profundus" nicht ganz ausmessenden Baß *Otto Edelmanns* zurück. Das ändert nichts an dem großartigen Gesamteindruck dieser Aufführung, die man als den wichtigsten aktuellen Beitrag zu der sich ohne Zweifel anbahnenden Revision in Sachen Mahler (im Jahr seines 100. Geburtstags) anzusehen hat. *K. H. Ruppel*

Salzburger Festspiele 1960:

Faszinierende „Achte" Mahlers unter Mitropoulos

Von unserem nach Salzburg entsandten Musikkritiker Lothar Knessl

Ein würdiger, ein grandioser Abschluß des diesjährigen Orchesterkonzert-Zyklus: Dimitri Mitropoulos herrschte über das Riesenaufgebot von Mitwirkenden, das den Bühnenraum in der Felsenreitschule bis auf den letzten Platz füllte — Riesenaufgebot, weil die Klangmassen der Achten Symphonie von Gustav Mahler ein Heer von Mitwirkenden erfordern. Also vereinigten sich zu gemeinsamem Musizieren in der „Symphonie der Tausend" Wiener Philharmoniker, Solisten, Wiener Sängerknaben, Singverein und Staatsopernchor. Inzwischen ist — wohl unter dem Einfluß des holden Engelsgesanges — glückliche Eintracht und beständiger Frieden zwischen den beiden Chören ausgebrochen; man hatte sich noch rechtzeitig geeinigt, wer nun wirklich den ersten und zweiten Chorpart übernehmen müsse (der Staatsopernchor sah sich außerstande, umzulernen, da erst vier Tage vor der Aufführung die notwendige und vorstudierte Verstärkung eintraf).

Das Ergebnis des gemeinsamen Arbeitens mit und unter Mitropoulos war jedenfalls dachten und instrumentierten Partitur mit einem Edelschinken zu tun zu haben, auf einmal gab es keine „Leerläufe", keine süßlich kitschigen Wonneklänge, keine Fortissimo-Orgien. Mitropoulos brachte das Kunststück zuwege, nach nur vier Proben den Mitwirkenden das erforderliche individuelle Spielen und Singen, kurz, das selbständige Mitarbeiten beizubringen und auf diese Weise bei der Aufführung dem Publikum die wesentlichen Punkte der Partitur klarzulegen, das eng verklammerte thematische Gefüge aufzuzeigen.

Schon der erste Teil der Symphonie, über den altchristlichen Pfingsthymnus „Veni creator spiritus" errichtet, wälzte sich nicht in der leider häufig fabrizierten, dicken, lauten Marschsauce dahin, sondern zeigte sich im vielfarbigen Licht einer trotz aller Weite und Kraft äußerst dichten Exposition zum zweiten Teil, einer musikalischen Überhöhung der Schlußszene von Goethes „Faust II". Mitropoulos nahm immer wieder die Lautstärke zurück, ließ daher die blechgepanzerten Höhepunkte um so herrlicher aufglänzen, modifizierte klug und unaufdringlich die Tempi, löste da ein wichtiges Instrumentalmotiv, dort eine bedeutsame vokale Formulierung aus dem hundertfach verstrickten Stimmgeflecht und erzielte damit Klarheit, Plastizität, Brillanz, Monumentalität. Vor allem aber gelang es ihm, jene thematischen Ketten, die beide Teile des Werkes aneinanderbinden, mit unnachahmlichem Blick für das Ganze im Vordergrund der Klangkomplexe wirksam werden zu lassen. Man verstand die textlichen Beziehungen, die gedanklichen Einheiten, durch variative Elemente immer wieder abgewandelt. Der zweite Teil vermittelte dank der deutenden Tätigkeit des Dirigenten alle jene Visionen, die Goethe um die Faustsche Erlösung lagerte. Wobei wieder Mahlers symbolhafte Harmonik (Spannungen bei den „Erdenresten", reine Klänge in den „höheren Sphären") ans Tageslicht trat. Mitropoulos wählte überall dort, wo eventuell aufdringliche Süße in den Noten verborgen sein mochte, leichte, zügige Tempi; an anderen Stellen wieder, die etwa dem Aufbau von Spannungen, dem Vorbereiten von Ruhepunkten dienten, hielt er mit dem Tempo zurück, gestattete breite Zeitmaße.

Man könnte nun vielleicht einwenden, diese recht häufigen Rubati seien kein Mahler mehr, sondern nur noch Mitropoulos. Dem ist nicht so. Denn erstens verschmähte Mahler selbst die Rubati keineswegs, und zweitens wählte sie Mitropoulos in einer Art, die dem Hörer das Riesenwerk nahebrachte. Wem es gelingt, die Schönheiten dieser Achten Symphonie so überzeugend zu vermitteln, dem ist nur zu danken. Und das Publikum dankte auch, mit „nicht enden wollendem Beifall", wie man zu sagen pflegt.

Zu guter Letzt dankte auch Mitropoulos selbst. Er ließ es sich nicht nehmen, gewissermaßen jedem einzelnen Mitwirkenden für die Mitarbeit die Hand zu schütteln.

Damit hatte er eine Menge zu tun. Die Philharmoniker gaben ihr Bestes, Sängerknaben, Singverein und Staatsopernchor waren mit Eifer bei der Sache, hauchten ein edles Piano und überstrahlten im Tutti das Orchester und die (klanglich wenig erfreuliche) Orgel. Daß die jüngeren Engel einmal schleppten und das Echo davonlief, fiel nicht ins Gewicht. Mimi Coertse bemühte sich mit Erfolg um ihre recht unangenehme Partie, Lucretia West sang mit echtem Gefühl, Hilde Zadek und Ira Malaniuk schienen stimmlich ein wenig unruhig. Ein sehr weiches Gemüt hatte Doctor Marianus, da er sich uns mit Hilfe Giuseppe Zampieris mitteilte; im übrigen durfte man sich über die Qualitäten des Tenors freuen. Sehr intensiv und stimmgewaltig Hermann Prey als Pater Ecstaticus. In etwas zu tiefen Regionen der voluminöse Pater Profundus Otto Edelmanns.

Mahlers „Achte" setzte den gewaltigen Schlußpunkt der heurigen Salzburger Festspiele, obwohl diese erst am Mittwoch offiziell enden. Betrachten wir rückblickend nur die neun Orchesterkonzerte, müssen wir mit deren Programm mehr als zufrieden sein. Altes und Neues hielten einander die Waage, Mozart bildete den einen, die „Wiener Schule" den anderen Schwerpunkt. Dazu erstklassige, man darf ruhig sagen: weltbeste Dirigenten. Im ganzen ein Konzept, wie man es auch in den Wiener Abonnentenzyklen gern hätte und wie man es sich ähnlich im kommenden Jahr in Salzburg wünschen würde. Hoffentlich gehen diese Wünsche in Erfüllung.

Salzburger Bilanz: Allenthalben blieben Wünsche offen

Eigenbericht der WELT
Salzburg, 2. September

In den Kaffeegärten werden die Tische zusammengerückt, Wind schleicht kühl um die Ecken, und diskret flüstert der Regen der Stadt ins Dekolleté: Wieder ist ein Salzburger Festspieljahr vorüber, alles löst sich in melancholische Harmonien auf, die Künstler haben schon vor Tagen ihre Gagenkonten abgedeckt, weil es der Aberglaube vor dem Monatsende vorschreibt. Noch kann man, in einem Mittelding zwischen KZ-Kleidung und Pyjama aus feinstem Seidentrikot, Ginsberg im Gasthof von Maria Plain begegnen. Mancher hängt nun eine kleine Erholung an, die meisten aber sind bereits auf den Flügeln des Gesanges und der Constellations an den Ort ihrer fernen und ferneren Tätigkeit entflohen.

Gern würde sich Salzburg in den dicken Loden seiner Wintermonate hüllen, zerfetzte nicht eine arge Disharmonie diese Tage. Das plötzliche Ausscheiden Karajans als künstlerischer Leiter hat die Gemüter stark erregt, ein Zugstück und Kassenmagnet scheint damit zu entschwinden, und nun, wo es so weit gekommen ist, bemerkt man erst, was man damit verlieren würde. Das ist's, selbst der große Künstler Mitropoulos könnte nicht die gleiche verkehrsfördernde Wirkung tun.

Das Phänomen ist durchaus österreichisch: Einem einzelnen steht eine Gruppe aus teils namhaften, teils bloß politisch gefärbten und endlich auch mediokren Figuren gegenüber, deren Massengewicht schwer zu überwinden ist. Ist der einzelne stark genug, so setzt er sich durch, aber es kostet ihn viel Kraft. Läßt er sich auf ein Kompromiß ein, so hat er es leicht, er wird aber immer tiefer tauchen müssen. Wenn nicht alles täuscht, ist die Aussicht, Karajan als intransigenten künstlerischen Leiter los zu werden und als zugkräftigen Dirigenten zu behalten, demnach sehr gering.

Das ist die Kakophonie, die sich in den harmonischen Ausklang der Festspielzeit mischt, die, wie man nun auf einmal erfährt, erfolgreicher als in früheren Jahren abgelaufen ist. Die Einnahmen waren höher als im Voranschlag vorgesehen; es kamen um 29 700 Besucher mehr als im Vorjahr; so scheint also, daß sich das Karajansche Konzept ganz gut bewährt hat. Das kommende Jahr wird zusätzlich durch den Umstand belastet sein, daß das reizende alte Landestheater möglicherweise als Spiel-Raum ausscheidet. Es soll repariert und, leider, von Grund auf renoviert werden.

Da wäre es halt nett gewesen, wenn das alte Festspielhaus seine Rolle hätte übernehmen können, wofür es aber infolge seiner ungünstigen Akustik und Bauweise nicht in der Lage ist. Man müßte es umbauen, um fünfhundert Sitze vermindern, um eine Stehgalerie bereichern; aber noch ist das nötige Geld nicht vorhanden. Und wer könnte den Umbau besser machen als derjenige, der das alte Haus erbaut hat, so äußert der Festspielpräsident, Hofrat Paumgartner, seine persönliche, nicht seine offizielle Meinung; wobei die Anwesenden ihre kleine Freude daran haben, daß ihm ein Lapsus Linguae unterläuft: Derjenige solle den Umbau machen, der das alte Haus „erpatzt" hat, Professor Clemens Holzmeister, von dem auch schon ein Entwurf vorliegt. Die Öffentlichkeit aber fordert die Ausschreibung eines Architekten-Wettbewerbs. Doch das ist Zukunftsmusik.

Was die abgelaufene Saison betrifft, so ist man, nun jenseits des materiellen Erfolges, nicht eben begeistert. Das Neue Haus hat sich als akustisch ausgezeichnet mit einer kleinen Einschränkung für die Bläser erwiesen, aber als Raum so gut wie unbewältigt gezeigt. Die Orchesterkonzerte hielten den gewohnten Standard, die Leistung auf dem Theatersektor blieb hinter allen Erwartungen zurück. So ragte das Jubiläumsjahr und der Neubeginn im großen Haus von der künstlerischen Leistung her kaum über frühere Jahre hinaus. Es ist alles noch offen, und die Formulierung in dem Abschiedskommuniqué für Karajan, seine "Tätigkeit als künstlerischer Leiter" sei „mit der Eröffnung des neuen Festspielhauses erfüllt", ist nicht nur schlechtes Deutsch, sondern auch fadenscheinig.

Und dafür wünscht Salzburg nicht ein vielköpfiges und anonymes Gremium, dessen Mitglieder sich fallweise hintereinannder verstecken, sondern einen mit allen Vollmachten ausgerüsteten Könner. Wieder einmal könnte die Demokratie von den alten Zeiten lernen, wo selbst Kaiser Franz Joseph es seiner einzigen und besten Freundin Katharina Schratt abgelehnt hat, für sie beim Burgtheaterdirektor zu intervenieren.

Große Oper in der Felsenreitschule

Verdis „Boccanegra" unter Mitropoulos als Freilichtinszenierung

Ergänzend zu unserer Meldung in der gestrigen Ausgabe über die Verpflichtung des berühmten italienischen Baritons Tito Gobbi für die Titelpartie des „Simone Boccanegra" erfahren wir, daß diese Verdi-Oper 1961 in der Felsenreitschule aufgeführt werden wird. Die Programmdisposition kam im persönlichen Einvernehmen des Präsidenten Doktor Paumgartner mit Dimitri Mitropoulos zustande, der als Dirigent des Werkes gewonnen wurde.

Damit ist der interessanteste traditionelle Spielort der Salzburger Festspiele für das kommende Jahr wieder mit einer großen Oper belegt, die an diesem Platze ihre Wirkung nicht verfehlen wird. Die in der Mitte des 14. Jahrhunderts spielende Intrigenhandlung um die Dogenherrschaft in Genua wurde von Verdi musikalisch als eines seiner bedeutendsten Werke gestaltet. Kein Zweifel, daß es die Festspieldirektion verstehen wird, neben dem exzellenten Tito Gobbi eine im übrigen nicht minder glänzende Sängerbesetzung zu verpflichten.

Ob Herbert von Karajan bei den Festspielen 1961 den „Don Giovanni" und den „Rosenkavalier" als Reprisen selbst wieder übernehmen und ob er überhaupt in Salzburg dirigieren wird, konnte von dem um die Klärung dieser Frage gegenwärtig bemühten Kuratoriumsvorsitzenden in Wien bis jetzt nicht eruiert werden.

Stern unter Stars: Dimitri Mitropoulos

Gestern in der Staatsoper: Premiere von Verdis Oper „Die Macht des Schicksals" in Margarethe Wallmanns Inszenierung

Sie war wieder ganz da an diesem Abend, die Faszinationskraft der großen Oper, der so oft Totgesagten. Alles, was man gegen sie vorbringen kann, die Unlogik der Handlung, die blutigen Verwicklungen, die Unnatur der Verbindung von Wort und Musik — das alles wurde wesenlos durch das Genie, das Verdi heißt und dessen Stern in heilstem Glanz über dieser Premiere strahlte.

Danken wir es zuerst und vor allem Dimitri Mitropoulos, dem Dirigenten der Aufführung. Er „entschnörkelt" Verdi völlig; unter ihm bekommt jede Note ihren Sinn, lebt und atmet jede Phrase. Er weiß genau, wann der Rhythmus und wann die Melodie formbildend ist,

wann das Orchester und wann die Sänger das „Wort" haben. Und wie er die Sänger führt! Mitropoulos bringt sie dahin, daß sie wie eine Ergänzung zu den Orchesterstimmen wirken — sie korrespondieren zu jeder dynamischen Nuance, die Mitropoulos den Instrumentalisten abfordert —, dabei aber nichts von ihrer Menschlichkeit, nichts vom natürlichen Ausdruck der menschlichen Stimme einbüßen. Es waren Stars, große Stars unter den Sängern, aber der Stern des Abends hieß unzweifelhaft Mitropoulos.

Antonietta Stella sang die Leonore. Mit einer Kultur, die nichts Gekünsteltes, mit einer echten Empfindung, die keine Spur von Sentimentalität hatte. Die Schönheit ihres Legatosingens berührt ebenso wie die Kraft ihres die Orchesterfluten überstrahlenden Organs, das nur in den höchsten Lagen gerade soviel Glanz vermissen läßt, als nötig ist, um das Publikum in Raserei zu versetzen. Aber denkt man an den Pianissimoeinsatz am Schluß des Kirchenbildes, dann erscheint der kleine Fehler wie eine läßliche Sünde, durch die Antonietta Stella als ganze Persönlichkeit noch liebenswerter wirkt.

Ihr großartiger Gegensatz: die Simionato in der Rolle der Preciosilla. Wie sie es anfängt, in dieser Rolle einen kleinen Stich ins Ordinäre immer wieder im letzten Augenblick abzufangen und triumphierend als große Künstlerin dazustehen, die sich alles erlauben kann, das ist ihr Geheimnis. Jedenfalls war ihre „Rataplan"-Nummer einer der fulminantesten Höhepunkte dieses an Höhepunkten nicht armen Abends.

Sie wurden in der Hauptsache von Giuseppe di Stefano in der Rolle des Alvaro und Ettore Bastianini gesetzt, der den Don Carlos sang. Die beiden Edelstimmen ergänzten einander in den Duetten wunderbar: Der Kontrast war gerade groß genug, um die Gegensätzlichkeit der Charaktere zu verdeutlichen, aber doch wieder nicht so groß, um die völlige Harmonie im Musikalischen in Gefahr zu bringen. Beide packten durch die Intensität, mit der sie ihre Stimmen den Figuren, die sie darzustellen hatten, dienstbar machten. Sie usurpierten auch den größten Teil des Szenenbeifalls, der in dieser Aufführung fast nach jeder Nummer die Musik ablöste.

In den kleineren, jedoch wichtigen Rollen des Fra Melitone und des Pater Guardian waren Karl Dönch und Walter Kreppel auf der Höhe ihrer Aufgaben.

Die Inszenierung Margarethe Wallmanns machte wieder die Vorliebe dieser Regisseurin für das Dekorative, für die sinnvolle Gliederung der Massenszenen deutlich. Solange sich diese Vorliebe in Grenzen hielt (bis zum vierten Bild einschließlich), war man gefesselt von der Bewegtheit auf der Bühne, von der Farbengruppierung, von der Ausleuchtung der Szene und der beinahe choreographischen Raumausnützung. Doch in den Kriegsbildern überdrehte Margarethe Wallmann ihre Phantasie, und ein höchst merkwürdiges Element neckischer Floskeln machte sich bemerkbar: die uniformierten Mädchen mit ihren blauroten Plisseeröckchen, das Lazarett und überhaupt das ganze Soldatenspiel konnten sogar gutmütige Zuschauer zum Lachen reizen.

Die Bühnenbilder von Georges Wakhewitsch hatten alle bereits bekannten Vor- und Nachteile der Arbeiten dieses Künstlers: bestechend schöne Farbigkeit, Interieurs von herrlichen räumlichen Proportionen; daneben aber wieder die schon abgegriffenen Trümmerlandschaften mit Chirico-Atmosphäre.

Aber was verschlägt's: Verdi hat einen neuerlichen Triumph gefeiert!

Μάλερ: «Συμφωνία τῶν Χιλίων» στὸ Φεστιβὰλ τοῦ Σάλτσμπουργκ

ΥΠΟ ΤΟΝ ΔΗΜΗΤΡΗ ΜΗΤΡΟΠΟΥΛΟ

Ἡ στήλη μας θεωρεῖ σήμερα καθῆκον της ν' ἀφιερωθῆ, ἀντὶ στὰ συνηθισμένα μουσικὰ νέα, σ' ἕνα καὶ μόνο γεγονός, στὴν ἐκτέλεσι τῆς περίφημης «Συμφωνίας τῶν Χιλίων» τοῦ Γκούσταβ Μάλερ ποὺ δόθηκε στὶς Ἑορτὲς τοῦ Σάλτσμπουργκ, ὡς ἐνάτη καὶ τελευταία συναυλία αὐτῶν τῶν ἑορτῶν, ποὺ φέτος κλείσανε τὴν 40ετηρίδα ἀπὸ τὴν ἵδρυσί τους —εἶναι τὸ πρῶτο Εὐρωπαϊκὸ Φεστιβάλ — καὶ ποὺ ἡ ἐκτέλεσίς της θεωρήθηκε ὡς «ἐξαιρετικὸ γεγονὸς» ἀκόμα καὶ γιὰ τὴν Αὐστρία.

«Ἐξαιρετικὸ γεγονὸς» ἐπειδὴ ἡ δη αὐτὴ Συμφωνία τοῦ Μάλερ εἶναι ἐξαιρετικὰ δύσκολη, τόσο ἀπὸ τεχνικῆς ὅσο καὶ ἑρμηνευτικῆς ἀπόψεως, συνάμα ἐξαιρετικὰ πολυδάπανη ἐπειδή, κολοσσιαῖο ἔργο, ἀπαιτεῖ ἂν ὄχι χίλιους ἐκτελεστάς — τὴν ὀνομασία «τῶν Χιλίων» ἔδωσε ὁ Ἴδιος ὁ Μάλερ— ἀλλὰ ἀκριβῶς πεντακοσίους: Ἑπτὰ σολίστες τραγουδιοῦ, δύο μικτὲς χορῳδίες, μιὰ παιδικὴ χορῳδία, μιὰ μεγάλη ὀρχήστρα: 50 ἔγχορδα, 40 πνευστά, ὄργανον, 5 ἅρπες, τσελέστα, πιάνο καὶ μιὰ ὁμάδα ἀπὸ μαντολίνα!

Στὴν προκειμένη περίστασι, λά βαιναν μέρος ἡ Φιλαρμονικὴ Ὀρχήστρα τῆς Βιέννης ἐνισχυμένη, τὰ κόρα τῆς Κρατικῆς Ὄπερας καὶ τῆς Ἑταιρίας τῶν «Φίλων τῆς Μουσικῆς», ἐπίσης τῆς Βιέννης, καθὼς καὶ ἡ περίφημη Βιεννέζικη Παιδικὴ Χορῳδία. Καὶ ὁ κριτικὸς δρ Χέν. τῆς ἐφημερίδος «Σαλτσμπούργκερ Φόλκσμπλάτ» ὑπὸ τὸν τίτλο: «Τὸ ἄφθαστο ἔγινε πραγματικότης», γράφει: «Ἂν ὑπάρχη κάποιος σ' αὐτὸν τὸν κόσμο ποὺ νὰ μπορῆ νὰ ὁδηγήση μιὰ τέτοια στρατιὰ ἀπὸ καλλιτέχνες σὲ ὁλοκληρωτικὴ νίκη, αὐτὸς εἶναι ὁ Μητρόπουλος. Κατέχει τὸ τεράστιο ἔργο ἀπὸ μνήμης, τὰ χέρια του φαίνονται «πανταχοῦ παρόντα», ὁδηγοῦν καὶ διευθύνουν, συγκρατοῦν μὲ σοφία ἢ ἐξωθοῦν σ' ἐκπληκτικὲς ἐντάσεις, γενικά, ὁ Μητρόπουλος δγάζει στὸ φῶς ὅ,τι ὑπάρχει σ' αὐτὴν τὴν Ὀγδόη, ποὺ στὴν πραγματικότητα, δὲν εἶναι Συμφωνία, ἀλλὰ ἀποτελεῖται ἀπὸ δυὸ χορῳδιακὰ μέρη ποὺ στὸ πρῶτο ὁ Μάλερ παίρνει τὸν παληὸ ὕμνο «Βένι Κρεάτουρ Σπίριτους», ἐνῶ στὸ δεύτερο μελοποιεῖ τὴν τελικὴ σκηνὴ τοῦ 2ου «Φάουστ». Ὁ Ἴδιος ὁ Μάλερ ἔγραφε γι' αὐτὴ τὴ μουσική του: «Τὸ Σύμπαν ἀρχίζει νὰ ἠχῆ καὶ νὰ ψάλλη, δὲν εἶναι πιὰ ἀνθρώπινες φωνές, ἀλλὰ πλανῆτες καὶ ἥλιοι ποὺ περιστρέφονται καὶ δονοῦνται... Τὸ ἄφθαστο γίνεται ἐδῶ πραγματικότης» Κι' αὐτὸ ταιριάζει ἀπόλυτα στὴν ἑρμηνεία τοῦ Μητρόπουλου».

Ὁ Ἔρικ Βέρμπα, κριτικὸς τῆς «Σαλτσμπουργκερ Φόλκστσάϊτουγκ», ἀφοῦ ἀναλύση λεπτομερῶς τὸ ἔργο, γράφει: «Ὁ Μητρόπουλος εἶναι ὁ προστάτης θεὸς κάθε προμηθεϊκῆς ἀπόπειρας, ἐκεῖνος ποὺ φέρνει τὴ φωτιὰ στοὺς ἀνθρώπους καὶ πάντα, ἐκ νέου τὴν ἀπλώνει. Εἶναι ἴσως ὁ μοναδικὸς ἀνάμεσα στοὺς τωρινοὺς ἀρχιμουσικοὺς ποὺ μπορεῖ καὶ θέλει, μὲ τὴν ἐσώτατη πίστι του νὰ βοηθήση αὐτὲς τὶς ἀπόπειρες τοῦ οὐρανοῦ καὶ τῆς γῆς. Ὁ Δημήτρης Μητρόπουλος βγάζει τὸ μεγάλο ἀκόμα καὶ ἀπ' τὸ ἔργο τῶν μικρότερων, ἀναδείχνει τὴν ἐσώτερη ὥθησι τῆς δημιουργίας, καταρρίπτοντας τὴν ὡς τώρα κλίμακα ἀξιοποιήσεως τοῦ μουσικοῦ κόσμου. Ἔτσι ἔγινε προχθὲς μὲ τὸ ἔργο τοῦ Φράντς Σμίτ, χτὲς μὲ τὸν Μέντελσον, σήμερα μὲ τὸν Μάλερ. Καὶ πῶς ἀντήχησε τὸ ὅλον! πυκνό, ἔντονο, συνταρακτικό, συναρπαστικό. Οἱ «Βῖνερ Φιλαρμόνικερ» ξεπέρασαν τὸν ἑαυτό τους, τὰ τρία κόρα, χάρις στοὺς διευθυντὲς τους ποὺ τὰ εἶχαν προετοιμάσει—Ρίχαρντ Ρομάγιερ, Ράϊνχολντ Σμὶτ καὶ Χέλμουτ Φροσσάουερ — δόθηκαν μ' ὅλη τους τὴν ψυχὴ στὸ τραγούδι. Ὁ Φράντς Ζάουερ ἦταν ὁ συναρπαστικὸς ὀργανίστας. Οἱ σολίστες προέρχονταν ἀπ' ὅλα τὰ μέρη τοῦ κόσμου: Ἡ Μιμὴ Κέρτσε μὲ τὴν ἐντυπωσιακὴ σοπράνο φωνή της, ἀπ' τὴ Νότιο Ἀφρική, ἡ Χίλντε Τσάντεκ, μὲ τὴ δραματική της πληρότητα, ἀπ' τὴ Βάρειο Γερμανία, ἡ μαύρη Λουκρέτσια Οὐέστ, θαυμαστὴ μεσόφωνος, ἀπ' τὴ Βόρειο Ἀμερική, ἡ Ἴρα Μαλανιούκ, ὄλλη θελουδένια μεσόφωνος ἀπ' τὴν Οὐκρανία, ὁ Γκιουζέππε Ζανπιέρι μὲ τὸ εμπὲλ—κάντο» τραγούδι του ἀπ' τὴν Ἰταλία, ὁ βαρύτονος Χέρμαν Πρέϊ ἀπ' τὸ Βερολῖνο, ὁ βαθύφωνος Ὄττο Ἔντελμαν ἀπ' τὴ Βιέννη. Ὁ Ἕλληνας Δημήτρης Μητρόπουλος, κοσμοπολίτης καὶ κοσμοφιλόσοφος συνάμα, εἶχε τὴν εὐφυΐα, τὸ θάρρος καὶ τὴ δύναμι νὰ ἑνώση ὅλους αὐτοὺς στὶς σελίδες τοῦ Μάλερ καὶ κάτι πολὺ περισσότερο, νὰ τοὺς ἑνώση στὴν ἐσώτερη δύναμι, στὴν ἐσώτερη ἀφοδρότητα τῶν νοσταλγικῶν σκέψεων τοῦ Μάλερ. Ἡ θύελλα τῶν χειροκροτημάτων γιὰ μιὰ τέτοια δημιουργικὴ ἑρμηνεία δὲν ἔπαιρνε τέλος. Κι' ἀληθινά, «τὸ ἄφθαστο, γινόταν ἐδῶ πραγματικότης».

Ὁ κριτικὸς τῶν «Σλατσμπούργκερ Ναχρίχτεν», Χάνς Γκέοργκ Μπόντε, ἀφοῦ τονίση ὅτι πρέπει ν' ἀπαιτηθῆ ἡ συμμετοχὴ τοῦ Δημήτρη Μητρόπουλου κατὰ τὴν προσεχῆ «σαιζὸν» μὲ εὐρύτερη δικαιοδοσία, τόσο στὸ ἀναλόγιο τῆς Ὄπερας, ὅσο καὶ τῆς συναυλίας, γράφει: «Ἡ Συμφωνία αὐτὴ τοῦ Μάλερ εἶναι μιὰ ἀληθινὴ λυδία λίθος γιὰ κάθε ἀρχιμουσικό. Αὐτὸ ἀφορᾶ λιγώτερο τὴν Ἱκανότητα τοῦ νὰ συγκρατήση κανεὶς ἕνα τέτοιο πολυπρόσωπο σύνολο, ὅσο τὸ καθαρὰ πνευματικὸ πρόβλημα, νὰ ἀναπλάση καὶ νὰ φωτίση ἕνα μεγαλοφυές, ἀλλὰ στὴν ἐκλογὴ τῶν μέσων του πολυειδῶς προβληματικὸ ἔργο. Καὶ ὁ Μητρόπουλος πραγματοποίησε ἕνα, ἀληθινά, μοναδικὸ κατόρθωμα, ποὺ, καὶ ἀπὸ πλευρᾶς μνήμης — ὁ Μητρόπουλος διηύθυνε τὸ τεράστιο ἔργο ὅπως πάντα «ἀπέξω» — ἦταν καταπληκτικό. Χαρακτηριστικὸ ἦταν ἤδη τὸ ξέσπασμα τοῦ εἰσαγωγικοῦ Ὕμνου, ἕνα χορῳδιακὸ ὄργιο μὲ τὴν ἰλιγγιώδη ἠχητικὴ μεγαλοπρέπειά του, Ἔπειτα ἡ ἀπίστευτη συνένωσις τῶν μουσικοδραματικῶν καὶ συμφωνικῶν στοιχείων, ὁ μυστικισμὸς καὶ ἡ πνευματικὴ ἐσωτερικὴ δραματικότης, ποὺ ὁ Μητρόπουλος ἀνέπτυξε μὲ μιὰ μοναδικὴ οἰκονομία δυνάμεων. Μιὰ φλογερὴ θρησκευτικὴ πίστις συνδέθηκε μὲ μιὰ ἄφθαστη μουσικὴ λογική».

Ἀλλὰ θὰ ἦταν ἀδύνατο νὰ μεταφέρουμε ἐδῶ τὶς τρεῖς στῆλες ποὺ ὁ κ. Μπόντε ἀφιερώνει στὸν Ἕλληνα μαέστρο. Στὸ τέλος γράφει: «Ἦταν ἀναμφισβήτητα ἕνα ἀπ' τὰ μεγαλύτερα γεγονότα τοῦ Φεστιβὰλ μας».

Ἡ Συμφωνία τοῦ Μάλερ δόθηκε στὴν παληὰ «Φέλσενράϊτσούλε» —Ἱππευτικὴ σχολὴ τοῦ Σάλτσμπουργκ — ποὺ περιβάλλεται ἀπὸ βράχους. (Φέλσεν).

Die Premiere am Wochenende:

Die Macht des Dirigenten

Die Ökonomie, die Verdi in seiner „Macht des Schicksals", 1862 in Petersburg uraufgeführt, in der Verwaltung des Musikgutes bewies, sie fehlt seinem Librettisten Piave, der hier, wohl zwar nach einer Bühnenvorlage, in epischer Breite einfach einen Hintertreppenroman aufblättert. In dieser knalligen Schicksalstragödie löst eine von selbst losgehende Pistole die ganze infernalische Schicksalsmaschine aus, man stirbt und flucht ohne Grund, Flüche werden wirksam ohne Grund, die Macht des Schicksals führt die Leute zusammen und auseinander, die Schicksalsbündler fliehen in Kloster und Krieg, man singt dazu „Addio" am Anfang, in der Mitte und am Ende. Die Handlung hüpft in Raum und Zeit umher, nichts entwickelt sich mit operndramatischer Folgerichtigkeit aus dem anderen, und die Ohnmacht des Autors feiert ihren Treiumph, wenn der brüderliche Racheengel Carlos seinen ehemaligen Waffenbruder, der im Kloster Frieden gesucht hat, mit dem Degen aus diesem herauskitzelt, im Duell dann gerade vor der Tür jener Eremitage fällt, in der seine Schwester Frieden gesucht hat, und diese noch rasch, gleichsam im Dolchumdrehen, in den Tod mitnimmt.

Verdi, längst souveräner Meister seiner Musikweltsprache, mochte an diesem Kitschbilderbuch der kontrastreiche Wechsel des Milieus gereizt haben, bald Kloster bald Feldlager, dem im Seelenklima Fluch und Rache einerseits, klösterliches Vergessen und Verzeihen anderseits entsprach. Daß das Buch nichts taugte, hat Verdi wohl selbst eingesehen, als er zu einer zweiten Fassung eine Textrevision forderte, und spätere Textrettungsversuche wie etwa der des begeisterten Verdi-Priesters Werfel konnten die grundlegenden dramaturgischen Mängel auch nicht beseitigen. Der Komponist aber nützte seine Chance, er machte gut, was der Librettist verdarb; was dieser auseinanderfallen ließ, der dramatische Feueratem dieser Musik bläst es wieder zusammen. Die Ohnmacht eines Bühnenschicksals gibt es gar nicht, die wir nicht gern in Kauf nähmen, um diesen Melodienfluß, diese Ensemblesätze zu hören.

Vor allem, wenn, wie in der Neuinszenierung in der Staatsoper, ein Dirigent wie Dimitri Mitropoulos am Pult steht. In seinem Lager war Verdi! Er formte mit begnadeter Hand jeden schlanken Kantilenenbogen im Vortrag der Sänger und er entfachte die Orchesterglut; sein Taktstock schaufelte jetzt Leidenschaften und hob das Musikgeschehen dann wieder in die lichtesten Sphären, wo die Engel singen. Die Ouvertüre wurde unter Mitropoulos zu einer machtvoll geballten Schicksalssymphonie, die uns mit nachgerade antiker Größe das erzählte, was das Textbuch uns nur vorstammelt: Daß wir alle nur Spreu im Winde sind, die Katarakte unserer Leidenschaften spurlos an den Felsen des Schicksals zerschellen und Beruhigung nur in der Abgeschlossenheit von den Lockungen der Welt und im eigenen Inneren zu finden ist.

Mit der unsichtbaren Angelrute seines Taktstockes holte sich der große Dirigent aber auch die Seelen seiner Sänger und hob sie ihnen in die Kehle. Wie eine Engelsstimme schwebte immer wieder, in der Partie der Leonora, Antonietta Stellas Gesang über die aufgewühlten Klangwogen. Auch ihr Spiel ist hinreißend: in ihrer Weltflucht hinter Klostermauern scheint die schöne Italienerin plötzlich zu einem kleinwinzigen Menschlein zusammenzuschrumpfen. Als unglücklicher Alvaro unterwarf Giuseppe di Stefano seinen explosiven Prachttenor anfangs stellenweise nur mit einigem Zögern dem Taktstock des Feldherrn am Dirigentenpult, um, ein Überwundener, sich im letzten Akt ganz in die Generallinie Mitropoulos' einzufügen. In dem Duett mit dem von Ettore Bastianini prachtvoll gesungenen Carlos warfen die beiden stimmgewaltigen Sänger in die ökonomische Reife dieses Musikdramas auch noch den jugendlichen „Rigoletto"-Sturm hinein, und es schäumte die Italianità. Mit gewohntem Temperament, das am Ring schon längst das Ehrenbürgerrecht erworben hat, sang Giulietta Simionato die kriegerische Zigeunerin, prachtvoll tönte Walter Kreppel die Klosterweisheit des Paters Guardian, die Klostersuppe schenkte als Klosterbruder mit guter Charkteristik im Spiel Karl Dönch aus.

Margarethe Wallmanns Regie birgt und verbirgt viel Verdienstvolles: So etwa versteht sie ihre singenden Akteure klug, den Blick stets auf den Handlungskern gerichtet, ihre verschlungenen Bühnenwege zu führen, und die erwähnte Wirkung der ins Kloster gehenden Antonietta Stella ist natürlich zum guten Teil der bühnenkundigen Regie, unterstützt von dem klobig-monumentalen Bühnenbild Georges Wakhewitschs, zu danken. Auch mit dem Licht wußten Regisseuse und ihr Bühnenbildner einprägsam zu malen, wie etwa in der Schenke des zweiten Bildes, wo sich die in Rot getauchten zechenden Landsleute effektvoll von der im Dunkeln einziehenden Pilgerschar abheben. Ganz daneben gingen die ambitioniert gedachten Kampfszenen; unsere viel zu friedlich gesinnte Komparserie darf man auf keine Schlachtfelder führen.

Begeisterter Premierenapplaus eines entflammten Publikums, bezwungen von der Macht der Verdi-Musik, des Gesanges und des Dirigenten Mitropoulos. F. W.

Gestern in der Staatsoper: Premiere von „Macht des Schicksals"

Schöne Stimmen, schöne Weisen, genialer Dirigent

Die Inszenierung von Verdi-Opern muß gerade in unserer Zeit, der die Romantik zugunsten glatter Sachlichkeit recht gründlich abhanden gekommen ist, ein ungelöstes Problem bleiben. Denn all die durchaus realistisch gemeinten Kampf-, Schlacht-, Duell-, Kloster-, Zigeuner- und Liebesszenen, die bei Verdi herrlichste Musik auslösen, aber im dramaturgischen Sinn doch meist kein Theaterstück ausmachen, kann man weder stilisieren, noch abstrahieren, noch sonst irgendeiner werkfremden (oder stilfremden) Regie unterordnen. Man kann sie wohl nur so inszenieren, wie es diesmal Margarethe Wallmann an einigen Szenen der „Macht des Schicksals" demonstriert hat: konventionell und realistisch. Das ist nicht ganz nach unserem Geschmack — gewiß. Und deshalb bleiben bei jeder guten Verdi-Aufführung heutzutage doch meist als bestimmende Eindrücke: Schöne Stimmen, schöne Weisen.

Davon gab's diesmal, bei der ersten Herbstpremiere der Wiener Staatsoper, die gestern vor einem illustren Publikum zu (ausnahmsweise gerechtfertigten) besonderen Preisen stattfand, genug zu hören. Eine ganz hervorragende Besetzung aller Hauptrollen machte diesen Abend zu einem glänzenden Fest des Belkanto.

Der Star des Abends war für mich wieder einmal Giuseppe di Stefano. Diesmal in hervorragender Disposition und Geberlaune. Sein Alvaro, schon in Erscheinung und verhaltenem Spiel die richtige Mischung aus schwärmerischem Liebhaber und heißblütigem Edelmann, war so prachtvoll gesungen, mit solch schmiegsamer Lyrik in der Kantilene und derart metallischem Glanz in den Ausbrüchen, mit so beispielhaft kultivierter Phrasierung und einer mitreißend strahlenden Höhe, mit so edler Kraft und echter Anteilnahme im stimmlichen Ausdruck, daß ich mir eine bessere Interpretation dieser schönen Partie kaum vorstellen kann.

Auch Ettore Bastianini ging ganz aus seiner Reserve, die er sonst manchmal sich selbst auferlegt, heraus. Carlos war in seiner ruhigen, überlegenen Darstellung kein Theaterschurke, sondern ein sonorer, adeliger Gegenspieler des „Helden" — nicht mehr, aber auch nicht weniger. In seiner Rachsucht ist noch Anstand, und auch stimmlich wird auf Schönheit des Singens, angenehmes Legato, Geschmeidigkeit der Deklamation und gute Placierung der Töne genau geachtet. Bastianini läßt sich von einer Situation kaum mitreißen, aber er läßt dafür seinen herrlichen Bariton prächtig strömen. Ein guter Ausgleich.

Leonora di Vargas war Antonietta Stella: auf konventionell-beteiligte Art angenehm gespielt, mit feiner Empfindung und exzellenter Gesangskultur vorgetragen, geschmackvoll in jeder Phrase und mit exakten, leuchtenden Spitzentönen ... nur die Überzeugungskraft fehlte ein wenig. Jene Überzeugungskraft, die etwa Giulietta Simionato in überreichem Maß besitzt; ihre Preziosilla war komödiantisch und lebendig, bühnenbeherrschend und mitreißend in jeder Geste und durch jeden Ton.

Die Kirche wurde durch „Einheimische" vertreten: Walter Kreppel sang einen edlen, herzlichen Pater Guardian und paßte sich dem Stil seiner italienischen Partner großartig an — ich habe diesen Bassisten schon seit langem nicht so gut in Form erlebt. Und Karl Dönchs Fra Melitone: ein schrulliger Klosterbruder, der sehr drastisch gezeichnet war.

Am Dirigentpult das Herz und die Seele der Aufführung: Dimitri Mitropoulos, schon bei seinem Erscheinen mit demonstrativer Herzlichkeit begrüßt und bereits nach der hinreißend feurigen, rasanten, klangschönen Ouverture mit stürmischen Ovationen gefeiert, demonstrierte wieder die hohe Kunst des Theaterkapellmeisters von Rang. Aus vielen kleinen Nuancen, akzentuierten Rhythmen und hervorgehobenen melodischen Phrasen, Tempomodifikationen und dynamischen Effekten resultiert seine ungemein lebendige, spannende und farbige Darstellung der Musik. Trotzdem drängte sich Mitropoulos nie ungebührlich vor: wie er seine eigenen Wege geht, und trotzdem subtil, exakt und — wenn's sein muß — auch nachgiebig begleitet, wie er das (hervorragend spielende und auch solistisch brillante) Orchester immer wieder dämpft, wie er gleichsam nebenbei Sänger führt, obwohl man glaubt, er ließe sich führen: das ist genial. Ich glaube, bei Dimitri Mitropoulos hat die Anwendung dieses heiklen Wortes wirklich Berechtigung.

Zuletzt nochmals die Inszenierung: In typischen Wakhewitsch-Dekorationen unterschiedlicher Qualität führte Frau Wallmann, wie gesagt, konventionelle Regie. Wie erwartet, gerieten die kirchlichen Aktionen sehr kerzenbewehrt und ausführlich. Und manches war geschickt, aber doch nur eilig (zu kurze Probenzeit!) gestellt. Eher komisch die Schlachtszenen mit der Gänsemarsch-Soldateska („Das letzte Aufgebot"). Vollkommen mißglückt die siebente Szene mit dem Rataplan: da wurde fröhlicher Operettenkrieg gefeiert.

Karl Löbl

FRA MELITONE, der streitbare Klosterbruder, blieb als einziger von der letzten Wiener Premiere der „Macht des Schicksals" (im Theater an der Wien) übrig: Karl Dönch (unser Bild, vorne) sang auch bei der gestrigen Verdi-Premiere der Staatsoper diese Rolle, inmitten eines italienischen Starensembles, das großen Erfolg hatte.

„Macht des Schicksals" wich der Macht der Musik

Verdis Opernwerk neuinszeniert in der Staatsoper, mit Mitropoulos am Pult und in der Regie Margarethe Wallmanns

Wie so manche von Verdi vertonten Operntexte stellt auch der Text der „Macht des Schicksals" eine Kette von Unlogik, Unwahrscheinlichkeit und Wirrnissen dar. Weder Handlung noch handelnde Figuren dürfen Anspruch erheben, ernst genommen zu werden oder gar menschliche Anteilnahme zu erregen. Das kümmerte indes F. M. Piave, den findigen und routinierten Librettisten, wenig, dem es hauptsächlich darum ging, gruseliges, aufregendes Theatergeschehen vorzuführen.

In Franz Werfels Verdi-Roman findet sich ein vermutlich erfundener Dialog zwischen dem Komponisten und dem Librettisten „Der Macht des Schicksals", in dessen Verlauf Verdi ausruft: „Piave, man kann deine Verse aushöhnen — szenische Phantasie hast du besessen!" Diese also gerühmte Gabe der Phantasie offenbart sich aber in diesem Operntext nicht durchaus autark, sondern stützt sich vielfach auf bewährte Vorbilder. Die Szene vom Tod des Marchese ähnelt stimmungsgemäß der Ermordung des Komturs durch Don Giovanni, und im derb polternden Fra Melitone erkennt man unschwer einen Zwillingsbruder von Schillers geiferndem Kapuziner.

Lust am Abenteuerlichen

Zur Entlastung des Autors vom Vorwurf des Kopierens und anderer Sünden seines Buches, sei angeführt, daß es dem Geist der Entstehungsepoche des Werkes — mag er uns Heutigen auch als Ungeist anmuten — durchaus entsprach. Die Nachwirkungen der napoleonischen Kriege und der ihnen folgenden Revolutionen verblaßten allmählich. Das Motto des Franzosenkönigs Louis Philipp: „Bereichert euch", wurde zum Wahlspruch eines aufblühenden, biederen, bürgerlich gewordenen Europa, welches Sensationen, die es nicht mehr erleben konnte, in der Literatur und im Rampenlicht begegnen wollte. Sich am Abenteuerlichen zu erquicken, wurde vor allem zur Tagesmode im romanischen Kulturkreis, der, anders als der deutschsprachige, seinen Tribut an das Weltgefühl der Romantik nicht in Schilderungen von Waldträumereien, Wanderlust und Ausblicke auf giebelige Dächer, sondern im Aufzeigen aufwühlender nervenaufpeitschender Ereignisse zollte.

Ausblick auf die Alterswerke

An letztgenannten gibt es in der „Macht des Schicksals" nur allzu reichliche. Genügend jedenfalls, um Verdis Theaterinstinkte anzulocken, das Qui-pro-quo der verworrenen Haupthandlung — die überdies durch scharf profilierte Episodenfiguren von der Art der wahrsagenden Zigeunerin oder des einfältigen Maultiertreibers verbrämt ist — in Musik zu setzen. Verdis überschäumende Schaffenskraft zeitigte melodische Blüten von unterschiedlicher Qualität. Neben dem herrlichen einleitenden Ges-Dur-Duett der Verliebten, den wundervollen drei Arien der Leonore, gibt es auch banale Wendungen. Das leitmotivisch verwendete Hauptthema der Leonore ist das Geschenk einer begnadeten Stunde, mündet aber in der Ouverture in ein nahezu operettenhaftes Brio à la Rossini. Schließlich steht ja auch in Rigoletto" der klassische Gassenhauer der „Donna è mobile" in der Nachbarschaft von Genieblitzen

Gleichzeitig, ob sie sich nun erhaben oder primitiv manifestieren, zeugt jeder Takt dieser Partitur von Meisterschaft und Melodienreichtum, in dessen Zauber die „Macht des Schicksals" der Macht der Musik weicht. In vieler Hinsicht eröffnet diese nach dem „Maskenball" und vor „Don Carlos" komponierte Oper bereits Ausblicke auf den Stil der Alterswerke. Schon kündet sich die Loslösung von der virtuosen Oper durch Vertiefung des musikdramatischen Ausdruckes aus, und auch die Vokalpolyphonie stellt sich häufiger ein als in früheren Verdi-Opern. Viele mit souveräner Leichtigkeit geformte humoristische Wendungen der Partitur wurden von der zeitgenössischen Kritik als Annäherung an französische Stilelemente bezeichnet. Jedoch übernimmt Verdi diese Äußerlichkeiten nicht als Nachahmer, sondern prägt sie zu musikalischen eigenpersönlichen Aussagen.

Die Aufführung einer Oper dieser Gattung stellt Bühnenbildner und Regisseur vor nahezu unlösbare Schwierigkeiten. Beide müssen sich gleichsam als Dolmetscher einer toten Sprache betätigen und für etwas eintreten, an das sie als Künstler des 20. Jahrhunderts nicht mehr recht glauben und das seine Wiedererweckung einzig der Musik eines Genies verdankt. Zum Lob Georges Wakhewitschs und Margarethe Wallmanns sei angeführt, daß sie ungeachtet dieser ästhetischen Hypothek, vielfach Vollgültiges dargeboten haben.

Wien kennt und schätzt Wakhewitschs Phantasie für Farbwirkungen und seinen untrüglichen Sinn für Raumproportionen. Glänzend gelang der Zwischenvorhang, der durch Lot und Sanduhr den unentrinnbaren Zeitablauf versinnbildlicht. Desgleichen die Prospekte, die einmal von El Greco, ein andermal von Salvator Dali Anregungen beziehen. Die Pracht der Kostüme läßt vergessen, daß Puderperücken und Halskrausen genaugenommen verschiedenen historischen Epochen angehören.

In der lebendigen und bildhaften Gestaltung der Massenszenen zeigt Margarethe Wallmann ihr umfangreiches kulturelles Wissen und ihr Geschick in der Disposition unwahrscheinlichster Situationen. In den Klosterszenen wäre Vereinfachung und Entpathetisierung der Wirkung zuträglicher gewesen. Daß das Können beider Künstler an der neckischen Rataplan-Szene scheiterte, liegt in der verstaubten Unnatur dieses Intermezzos.

Suggestive Leistungen

In Superlativen muß des musikalischen Teiles des Abends gedacht werden. Über Dimitri Mitropoulos' grandiose Dirigentenleistung neue Lobesworte auszusprechen, hieße Eulen nach Athen tragen. Das vielgebrauchte Wort von „Dienen am Werk" wird hier beglückende Wirklichkeit. Unter dieses genialen Musikers suggestiver Führung wurde jedes instrumentale Detail, jede Gesangphrase zum Ausdruck einer ethisch fundierten Kunstgesinnung und eines vorbildlichen, auf einsamer Höhe stehenden Künstlertums.

Die anfeuernden Impulse, die vom Dirigentenpult ausgingen, ließen die singenden Stars dieses Abends zu Superstars werden. Durch selten erreichbare Vollkommenheit zeichneten sich Antoinetta Stella, Giuseppe di Stefano, Ettore Bastianini aus, die Glanzleistungen an Stimmschönheit und Gesangskultur boten. Giulietta Simionatos Zigeunerin ist ein Kabinettstück soubrettenhafter Opernkunst, die nie ins Vulgäre abgleitet. In bester stimmlicher Verfassung erklang Ludwig Welters mächtiger Baß, Karl Dönch und Walter Kreppel bewährten sich stimmlich wie schauspielerisch ganz brillant.

Im Domino der Verdischen Opernmuse hat das Schicksal an die Pforten der Staatsoper gepocht, die ihm einen triumphalen Empfang bereitete. Begeisterte Zustimmung dankte für einen Theaterabend von bedeutendem Format.

Theater und Kunst

Neuinszenierte „Macht des Schicksals" in Starbesetzung

Verdis „Forza del destino" nach langer Pause wieder in den Spielplan aufgenommen zu haben, war richtig, obwohl das Werk mit seinem blutrünstig-schauerlichen Text, in dem nach einem guten Wort Hanslicks die Macht der Logik zugunsten der Macht des Schicksals, eines blind wütenden, sinnlosen Schicksals im Sinne Zacharias Werners, abdankt, und trotz einer unleugbaren Buntscheckigkeit und unorganischen Struktur seiner bedeutenden Musik zu jenen Opern des Meisters zählt, die nicht leben und nicht sterben können. Verdi ist hier schon im Besitz vollkommener Meisterschaft und strebt zielbewußt, wenn auch noch mit Rückschlägen und Kompromissen, seinem späten Opernideal zu, dem „dramatisch-psychologischen Musikdrama" (K. Holl), das allerdings — anders als bei Wagner — auf dem Primat der Singstimme als Trägerin der dramatischen Affekte beruht, aber doch ein immer sorgfältig behandeltes, immer expansiver und ausdrucksintensiver verwendetes Orchester neben die Singstimmen setzt. In dieser Epoche hat der Meister nicht nur ältere Werke im Sinne der neuen Ideen umgearbeitet, sondern auch eine Reihe von Opern geschaffen, die sich tastend und experimentierend im Neuland bewegen, wie den „Boccanegra", den „Carlos", den „Maskenball" und eben die „Macht des Schicksals". Kennzeichnend bleibt, daß er die meisten davon gründlich umgearbeitet und den Errungenschaften des Spätstils angeglichen hat. Aber wer weiß, ob nicht zuletzt von seinem riesigen Oeuvre doch nur die ganz einheitlichen Werke der Mittelzeit, wie „Troubadour", „Rigoletto", „Traviata", „Maskenball" und die letzten Meisterwerke, von der „Aida" aufwärts, bestehen werden?

Die Aufführung war glanzvoller als jene von 1952, als man an der Wien noch sparen, rechnen und trachten mußte, das eigene, mit Gästen behutsam verstärkte Ensemble einzusetzen. Heute, da der Finanzminister als Goldregen zur Danae am Opernring gekommen ist, konnte man alles, was in Italien gut und sehr teuer ist, heranziehen; das eigene Ensemble war auf zweite und dritte Plätze gestellt.

Antonietta Stella, nicht nur eine prachtvolle Bühnenerscheinung, sondern auch ein dramatischer Sopran von starker Ausdruckskraft, verkörpert die unglückliche Leonore mit schönster Konzeption und überzeugender stimmlicher wie darstellerischer Gestaltung, die — an italienischen Begriffen gemessen — individualisierend und sorgfältig ist. Arien und Ensembles waren ausgezeichnet gesungen.

Ihrem mörderischen, von altspanischem Adels- und Rassenstolz zu unmenschlicher Grausamkeit getriebenen Bruder Carlos leiht Ettore Bastianini die Kraft starker, unbeugsamer Männlichkeit und eines vielleicht etwas ermüdeten, aber schlagkräftigen und imposanten dramatischen Baritons. Die Auseinandersetzungen mit seinem Feind Alvaro, das ganz im Typus des Verdischen Schwurduetts (Carlos, Othello) gehaltene Duo des dritten Akts wie das stürmische, atemraubende des vierten gelangen ihm ausgezeichnet.

Nicht ganz auf dieser Höhe stand Giuseppe di Stefanos Inkasproß Alvaro. Sein Tenor besitzt edles Metall und Leuchtkraft, aber die Partie erfordert stärkere dramatische Akzente, selbst die Arien sind durchaus bewegt und nicht lyrisch-kontemplativ. Das Spiel blieb recht konventionell und steigerte sich erst im zweiten Duett überzeugend. Vom Falsett könnte sparsamerer Gebrauch gemacht werden.

Die Preziosilla Giulietta Simionatos tritt durch die Beweglichkeit und Originalität dieser hervorragenden Künstlerin stärker in den Vordergrund, als es einer Nebenfigur eigentlich bestimmt ist. Sie ist nicht nur im dramatischen, sondern auch im Spiel-Altfach wohlbewandert und stellt eine Gestalt auf die Szene, „auserlesen fürs Marketenderinnen- und Zigeunerwesen".

Ausgezeichnet, würdevoll und echt W. Kreppel als Guardian, Karl Dönch als gar nicht heiligmäßiger, polternder Bruder Melitone, eine Prete rosso, der seine Kapuzinerpredigt — im Grunde ist es eine Dominikanerstandpauke — und seine widerspenstigen Auseinandersetzungen mit dem Guardian fein zu pointieren weiß. In Nebenrollen gut Hugo Meyer-Welfing, Harald Pröglhöf, Franz Bierbach und Ludwig Welter.

Dimitri Mitropoulos ist kein milder Herr. Er weiß seinen Willen Orchester wie Bühne energisch aufzuzwingen und erreicht so wirksame Synthese und dramatische Spannung. Zu bedauern ist die Zerreißung des ersten Akts durch Voranstellung der ersten Szene als Vorspiel, dem die Ouvertüre folgt. Wir haben das schon 1952 gerügt, weil es sinnstörend und unverdisch ist. Die Potpourri-Ouvertüre bringt ja die Hauptthemen der Oper, darunter auch die des Vorspiels, das also hier die Ouvertüre antizipiert. Auch folgen die Ereignisse Schlag auf Schlag, und die erste Szene ist nicht ein exponierendes Vorspiel à la „Rheingold", sondern der auslösende Beginn der Tragödie.

Georges Wakhevitchs Bühnenbilder sind stilvoll, bis auf den unnötigen quasi-surrealistischen Zwischenvorhang, Margarete Wallmanns Regie diskret, aber geschickt. Mit der nur zu Kontrastzwecken und unmotiviert in der Zweitfassung von 1868 eingefügten Rataplanszene, die auf das Niveau der opéra comique, ja der Operette herabsteigt, weiß freilich auch sie wenig anzufangen. Es ist und bleibt ein lebendes Bild mit Fahnenschwenken und Aufzügen, welche die Regie gleich der Josef Gielens liebt, vor allem, wenn es sich um fackeltragende Prozessionen handelt. Für die sparsam bemessenen tänzerischen Möglichkeiten trat das Ballett mit Dimitrije Parlić' Choreographie glücklich ein.

Der Erfolg war entschieden, es gab schon auf offener Szene, ja dank der unermüdlichen Arbeit der Galerie, fast nach jeder Arie, jedem Ensemble lebhaften Beifall, der freilich in manchen Fällen wenig überzeugende Spontaneität besaß. Die Galerie, einst unbestechliche Kritik und Gewissen des Hauses, tendiert heute bedauerlicherweise zu lärmenden, disziplinlosen Kundgebungen und ist auf Kult des Belcanto, der Spitzentöne und der schönen Phrasierung, ja — was noch schlimmer ist — auf Vergötzung der Stars auf der Bühne wie am Pult eingestellt: eine unausbleibliche Folge des gegenwärtigen Starsystems, der Vernachlässigung des Ensembles, der Unterschätzung der eigenen Kräfte und last, not least der fortschreitenden Verwelschung des Hauses, in dem die deutsche Sprache wie die deutsche Oper schon auf den zweiten Platz gerückt sind.

Warum sollen die Jungen am Ende anders zwitschern als die Alten sungen? Haben Mahler, Strauss, Furtwängler und Krauß umsonst gelebt? Man möchte es beinahe glauben.

Die Macht des Schicksals und des Kitsches

Verdi-Premiere am Ring in Hollywooder Technicolormanier — Der Abend gehörte Mitropoulos und Antonietta Stella

Es begann so verheißungsvoll. Dimitri Mitropoulos erschien am Pult und das Haus brach in Begeisterung aus. Mitropoulos hob den Stab und Verdi, der Große, Leidenschaftliche, Glühende, war zugegen. Das konzentrierte Vorspiel steigerte noch die Erwartung: Leonore will mit ihrem Geliebten Don Alvaro heimlich entfliehen. Ihr Vater, der Marchese überrascht sie. Alvaro verzichtet darauf, sich mit der Waffe zu verteidigen. Er wirft die Pistole von sich. Der Schuß löst sich und trifft den Marchese tödlich. Mit einem Fluch auf den Lippen stirbt er. Entsetzt flieht das Paar ...

Die Handlung zu Verdis „Macht des Schicksals" ist dunkel und verworren, wie nur noch jene im „Troubadour". Das hat hier wie dort ein musikdramatisches Meisterwerk nicht verhindert, wenn auch in der „Macht des Schicksals" noch mancher Stilbruch offenkundig ist. Verdis dramatisches Feuer entzündet sich nicht an der Logik der Vorgänge, sondern an den menschlichen Urgefühlen: an der Liebe, die Leonore erfüllt, an dem Haß, der Don Carlos, ihren Bruder, zur Rache treibt. Etwas von der dunklen Glut des Werkes hat Georges Wakhewitsch in die weiträumige noble Schloßhalle des Vorspiels eingefangen. Verdis leidenschaftliche Kraft aber brach wie ein Vulkan aus der Ouvertüre, die das Haus zu minutenlangen Ovationen für Mitropoulos hinriß. Ein großer Abend schien sich anzukündigen. Aber mit der Macht des Schicksals ist kein ewiger Bund zu flechten ...

Das Unbehagen begann mit einem surrealistischen Zwischenvorhang — flammender Turm, bekrönt mit zerbrochenem Stundenglas, von dem eine Art Pendel herabhängt —, ein an sich dekoratives, in der Verdi-Atmosphäre aber völlig verfehltes Kulissenstück, das sich offenbar selbst als „displaced" empfand, weil es jedesmal beim Aufziehen bedenklich knarrte. Das Unbehagen setzte sich fort bei einem mißlungenen Klosterbild im ersten Akt mit pseudogotischem Portal und dem Ungetüm eines monströsen Holzkreuzes im Vordergrund. Daneben gab es in diesem Akt immerhin eine freundliche, durch zweigeschossige Arkaden aufgelockerte Schenke und ein Klosterinneres, das aus Dämmermystik und Katakombenstimmung seine Wirkung bezog.

Ganz dick wurde es erst im zweiten Akt. Schlachtenbilder sind immer heikel. Wakhewitsch aber ist alles andere denn ein Schlachtenmaler. Seine geschmäcklerisch kolorierten, adrett blessierten Kriegsschauplätze erinnern fatal an gewisse Hollywoodschinken in Technicolor, wo auch in den verzweifeltsten Situationen die Hauptdarsteller ihr Make-up nicht zu verlieren pflegen. Seine piekfeinen Uniformen, seine niedlichen Kanonen aus Pappe würden in Donizettis „Regimentstochter" und besonders in Millöckers „Bettelstudent" trefflich Staat machen. Von der Macht des Schicksals ist da keine Spur ...

Verschärft wird dieser Rutsch in die Operette noch durch die Regie Margarethe Wallmanns, die — bis dahin in konventionellen Bahnen schreitend — hier völlig den Verdi-Boden unter den Füßen verliert, mit ihren im Gänsemarsch über die Bretter pirschenden Kriegern unfreiwillige Heiterkeit erregte und mit ihrem üppigen Monturenzauber in der Chorszene rund um das „Rataplan" der Zigeunerin Preziosilla hoffnungslos in den Kitsch hineinschlittert. Der verjüngte Staatsopernchor (von Richard Roßmayer einstudiert) ließ sich davon nicht beirren; er sang frisch, präzise und ambitioniert. Dimitrije Parlics Choreographie blieb unerheblich.

Mitropoulos konnte nicht alles retten, aber viel. Sein temperamentvoller Stab, der Karajans Präzision und Furtwänglers Leidenschaft verbindet, riß immer wieder das Niveau des Abends kraftvoll hoch. Musikalisch gab es Vollkommenes: das Spiel der Philharmoniker — blühend in den Geigen, virtuos und klangmächtig in den Bläsergrupen (hier war wirklich die Macht des Schicksals zu spüren) — und der Gesang von Antonietta Stella als Leonore. Ein beispielhaft gepflegter, prachtvoll geschulter Sopran mit einheitlicher Linie, runder Tiefe und schlanker Höhe. Eine Tebaldi-Stimme, die weniger durch sinnliche Wärme als durch ihre Kultur, durch Vergeistigung und seelischen Ausdruck besticht. Die herbe, schlanke Erscheinung wirkt ebenso dezent und sympatisch wie das sparsame, zurückhaltende, verinnerlichte Spiel. Leonores große Gesänge waren die Glanzpunkte, ihre Begegnungen mit Alvaro-di Stefano die dramatischen Knotenpunkte auf der Bühne. Di Stefano gewinnt sein Publikum auch dort, wo er einmal statt gelösten Glanz gepreßte Höhen gibt. Als Liebhaber mit männlichem Charme, als kultivierter Sänger, der sich nicht schont, rechtfertigt er immer die besonderen Preise. Diesmal vor allem in seiner blühenden Tenorarie, die Reminiszenzen an die Glanzzeit Piccavers weckte.

Für die Partie des rachsüchtigen Don Carlos fehlt es Ettore Bastianini keineswegs an der Schwärze eines wuchtigen männlichen Belkantobaritons, wohl aber an Spieltemperament und auch etwas an Lockerheit und Beweglichkeit in der Stimme. Die anstrengende Rachearie zwang ihn zu überfordertem Einsatz. Dagegen stellt Giulietta Simionato ihre Zigeunerin Preziosilla mit der Gelöstheit und Sicherheit souverän beherrschter Stimmittel gleichsam aus dem Handgelenk auf die Bretter. Walter Kreppel hatte als Pater Guardian ruhige, sonor strömende Basseswürde. Karl Dönch glitt als kauziger, kapuzinerpredigender Fra Melitone — wie immer, wenn ihn die Regie verläßt oder gewähren läßt — in die skurrile Farce. Ludwig Welter starb als stimmlich profunder Marchese viel zu früh. Harald Pröglhof sang seinen Alcalden mit Anstand. Annemarie Ludwig (Kammerzofe), Hugo Meyer-Welfing (Maultiertreiber) und Franz Bierbach Chirurgus) bewährten sich in kurzen Szenen.

Es war — trotz splendidem Einsatz — kein glücklicher Premierenstart am Ring, aber ein großer Abend für Mitropoulos und Antonietta Stella.

Neuinszenierung von „Macht des Schicksals"

Besetzung — Schicksal der Oper

Dieser Meinung war auch Verdi, wenn er klagte, daß man, um Erfolg zu haben, zu einer Oper auch die richtigen Sänger braucht. Ich möchte hinzufügen: Und den richtigen Dirigenten! Entscheidend für den Erfolg der Neuinszenierung von „Macht des Schicksals" in der Wiener Staatsoper war die hervorragende Besetzung und die Betrauung von Dimitri Mitropoulos mit der musikalischen Einstudierung und Leitung des Werkes. Durch beides wurde zur dramatischen Realität gemacht, was trotz der Meisterpartitur des mittleren Verdi bei Durchschnittsaufführungen nur allzuleicht in blutleerer Opernschablone steckenbleibt (wofür natürlich das Libretto wesentlich verantwortlich ist). Aber auch die Musik für sich allein genommen, braucht die souverän gestaltende Hand, soll sie über den Reichtum an melodischem Einfall und über die wirkungsvoll gesetzten dramatischen Momente hinaus zum tragenden Element einer aus neun Bildern bestehenden Oper werden. Und da hat Mitropoulos Großartiges geleistet: Nicht nur jede einzelne Phrase, jedes kleinste Detail war ausgefeilt, er baute das Werk zu einer großen Einheit auf, gab ihm geballte dramatische Wucht und setzte Höhepunkte von solcher Eindruckskraft, daß man packendstes musikalisches Theater erlebte. Schon die Ouvertüre: Sie wirkte, als hätte man sie bisher nie gehört! Und noch etwas: Mitropoulos dirigiert nicht nur für das — übrigens ganz hervorragend spielende — Orchester, sondern gleichermaßen für die Sänger. Er weiß um die Wechselbeziehung zwischen Bühne und Orchesterraum: Er läßt die Musiker den Sänger tragen und nicht erschlagen!

Die Neuinszenierung war ein Triumph für den Dirigenten; er empfing Beifallsstürme, wie man sie auch in diesem Haus selten hört. Aber sie war auch ein Triumph italienischen Operngesanges. Hier wirkte ein Ensemble — und es war ein Ensemble! — herrlichster, großer Stimmen: Antonietta Stella konnte die Lenora mit einem Sopran ausstatten, der keinen Wunsch offen ließ, Giuseppe di Stefano setzte für den Alvaro seinen Tenor mit einer Durchschlagskraft und strahlenden Höhe ein, wie sie selbst dieser Spitzensänger nicht immer parat hat. Der Don Carlos von Ettore Bastianini überzeugte durch Schönheit und Kultur der Stimme ebenso wie durch sein Auftreten, Giulietta Simionato gab die junge Zigeunerin mit soviel Temperament und nahm mit ihren einmaligen Stimmmitteln (die herrliche Höhe!) so restlos für sich ein, daß diese — streng genommen überflüssige Rolle — zu einer Glanzleistung des Abends wurde. Und unsere heimischen Sänger fügten sich in dieses erlesene Ensemble bruchlos ein: Von edler Haltung und mit wirklich schönem, volltönendem Baß Walter Kreppel als Pater Guardian, als Sänger-Schauspieler ganz groß in Form Karl Dönch (Fra Melitone), profiliert und stimmlich überzeugend Ludwig Welter als Marchese. Und da diesmal die Besetzung bis zu den kleinsten Rollen befriedigte, sind noch Annemarie Ludwig und die Herren Pröglhöf, Meyer-Welfing und Bierbach zu erwähnen.

Die Inszenierung von Margarethe Wallmann war an dem großen Erfolg in geringerem Maße beteiligt. Sie ging im wesentlichen konventionelle Wege, einige Gruppierungen sind eindrucksvoll (der Aufzug der Mönche oder die Szene der Bettler vor dem Kloster), andere sind weniger gelungen (der Marketenderinnen-Rummel des „Rataplans" ist Revue mit Girl-Gleichschritt und die Kriegsszenen mit dem Schießbudenkampflärm sorgen unfreiwillig für Heiterkeit). Bühnenbild und Kostüme (Georges Wakhewitsch) vermeiden Experimente und schaffen in der Gegenüberstellung von Schwarzweiß und fröhlicher Buntheit (Volksszenen) gute Gegensätze. Die spanischen Tänze (Choreographie: Dimitrije Parlic) sind Theatertanz ohne besondere Ambitionen, der Chor sang und agierte vortrefflich.

„Nashörner" zu Weihnachten in der Josefstadt

Der große Publikumserfolg von Ionescos „Die Nashörner" im Kleinen Theater im Konzerthaus hat die Direktion veranlaßt, das Werk um die Weihnachtszeit mit neuen Dekorationen in den Spielplan des großen Hauses in der Josefstadt aufzunehmen. Franz Meßner, der mit Helene Thimig auf einer Deutschlandtournee in Ibsens „Gespenstern" auftritt, wird nach Beendigung des Urlaubs wieder eine der beiden Hauptrollen in den „Nashörnern" übernehmen.

Die Wallmann und der Krawallmann

Dimitri Mitropoulos dirigiert in der Staatsoper „Die Macht des Schicksals"

Eigentlich sollte man ja die Opernkritik italienisch schreiben, um im Stil zu bleiben. Aber ich konnte mich leider nicht ausreichend vorbereiten, ich würde zu eintönig sein, ich weiß zwar, was „häßlich", nicht aber, was „strohtrocken", „staubtrocken" und „wurstig" auf italienisch heißt, ich weiß zwar, was „singen", nicht aber, was „heruntersingen" und „drauflossingen" auf italienisch heißt, ich kann das alles in der Geschwindigkeit nicht mehr erlernen, denn ich bin, wie das in der Oper ja gelegentlich vorkommt, im letzten Moment eingesprungen; ein Kollege, der beruflich abwesend sein muß, hat mich darum gebeten.

Und ich habe gern angenommen. Ich wollte die Blütezeit der Wiener Staatsoper, von der man soviel hört und liest, einmal auf mich wirken lassen. Ich wollte das erleben, wofür so viele Leute hohe, höchste und noch höhere Preise bezahlen, was die Wiener ins Kartenbüro und die Texaner nach Wien treibt. Jetzt hab' ich's. Und wenn ich die Wiener Oper auf Grund der neuinszenierten „Macht des Schicksals" beurteile, muß ich sagen: Der Himmel sende ihr bald einen neuen Gustav Mahler, der sie von dieser Blüte erlöst! Auch ein Schalk würde genügen.

Chor und Orchester können bleiben, wie sie sind. Alles andere müßte weg.

Gewiß: „Die Macht des Schicksals" ist ein recht problematisches Werk, ein Produkt des Übergangs, der stilistischen Ratlosigkeit, umgearbeitet, uneinheitlich, nicht mehr recht aus der mittleren und noch nicht ganz aus der späten Zeit des Komponisten, aus vielerlei heterogenen Elementen bestehend, aber immerhin durchaus und auf vielfache Weise zu realisieren, sogar besonders reizvoll für den Versuch szenischer und musikalischer Lösungen. Versuche solcher Art wurden vorgestern in der Wiener Staatsoper nicht unternommen. Jeder einzelne arbeitete mehr oder weniger wacker seine Gage ab, gemeinsam waren dabei nur Ort und Zeit des Abarbeitens.

Daß italienisch gesungen wird, ist in diesem Fall kein Handikap, sondern eine Art Segen. Wenn man lediglich „tralala" und „rataplan" versteht, meint man, daß der Rest des Texts, verstünde man ihn, sinnvoll, dramatisch und spannend wäre, was aber durchaus nicht zutrifft. Das Libretto ist von troubadourischer Verworrenheit und hat auch durch die Werfel-Neufassung nicht wesentlich gewonnen. So wie in dieser Werfel-Fassung wird auch diesmal die Ouvertüre nicht vor Beginn, sondern im ersten Zwischenakt gespielt. Wenn das die Alma erfährt, verlangt sie Tantiemen.

Während der Ouvertüre ist ein Prospekt sichtbar, der anscheinend die Macht des Schicksals darstellen soll: In der Mitte ein Turm, oben ein lädierter Eierbecher. Von diesem hängt ein Gewicht im Stil einer Pendeluhr herab. Rechts und links am Turm sind Mitteldinge zwischen Flammen und Haaren angebracht — links blond, rechts schwarz. Unterhalb sehen wir ramponierte Pflastersteine. Links hinten kahle Bäume, rechts hinten etliche Fahnen in verschiedenen Stadien der Zerfetztheit. So hab' ich mir schon immer die Macht des Schicksals vorgestellt. Und sie dient nicht nur zur optischen Störung der Ouvertüre. Sie wird auch in den beiden großen Pausen zur Ansicht dargeboten und sodann mit störendem Gepolter hochgezogen.

Damit sind wir bei den Dekorationen von Georges Wakhewitsch angelangt. Diese sind von bedeutender Scheußlichkeit und noch dazu sehr uneinheitlich. Sie zeichnen sich durch eine fast süchtige Vorliebe für entlaubte Stämme aus und scheinen im Hinblick auf das neue Salzburger Festspielhaus konzipiert, denn sie sind von karajanischer Überdimensioniertheit. Einmal ist überall später Abend, nur in der Mitte des Himmels strahlen leuchtend und statisch zwei Patzen in Rot und Gelb. Daß die holde Leonore in einem Felsen wohnt, mag hingehen. Daß sie, wenn sie diesen betritt, eine Türe hinter sich zumacht, ist schon bedenklich. Daß man aber an dieser Türe klingeln kann, streift an Parodie.

Damit sind wir zu Margarethe Wallmann vorgedrungen, deren Inszenierung viele parodistische Elemente aneinanderreiht. Da ist ein Schlachtbild von starker unfreiwilliger Komik, da müssen nach der Schlacht Soldaten (Verwundete? Tote?) sehr lange Zeit in gefälligen, aber unsäglich gekünstelten Stellungen herumliegen und -lahnln, um das Bild zu beleben, darunter einer mit rechtwinkelig vorgebeugtem Rumpf, auf sein Gewehr gestützt. Man setzt sich mit dem Rücken zum Tisch zu Tisch, um dort ein Nachtmahl einzunehmen, das nur aus Getränken besteht, und nachher wird das Tischtuch mitsamt den Bechern abgenommen. Der große Rataplan-Chor — er wird delikatest gesungen (Einstudierung Richard Rossmayer) — ist im Stil einer Revue aus den zwanziger Jahren aufgezogen, die Massenszenen sind schlecht, die Einzelszenen gar nicht inszeniert. Viele Jahrzehnte neuer Opernregie sind total ignoriert.

Im Orchester waltet Dimitri Mitropoulos und macht großen Lärm. Er verwechselt Krawall mit Intensität, Dynamik und Dramatik. Er verlegt immer wieder den Schwerpunkt ins Orchester, wo er bei Verdi nichts zu suchen hat. Das mtata deckt die Sänger zu, als würde nicht der Dirigent die Sänger begleiten, sondern diese ihn. Von einer großlinigen, durchdachten Konzeption (das sogenannte Musizieren) ist keine Rede. Und so werden auf der Bühne die Partien recht zufällig, willkürlich und undifferenziert heruntergesungen, in den letzten beiden Bildern wird von den Herren dann mehr drauflosgesungen, nicht sehr schön, eine Art Bell-Canto. Und das, was man musikdramatische Gestaltung nennt, begibt sich nur, wenn Karl Dönch (von der Wiener Staatsoper als Gast) zu sehen und zu hören ist.

Giuseppe di Stefano, zweifellos ein brauchbarer Tenorist, bleibt durchaus wurstig und passiv, zeigt etliche Sängerunarten und präsentiert gelegentlich einzelne gepflegte Töne. Ludwig Welter muß schon nach wenigen Einsätzen sterben, was man bedauert. Die weiteren tiefen Partien sind dem staubtrockenen Ettore Bastianini und dem strohtrockenen Walter Kreppel anvertraut.

Antonietta Stella hat exquisite zarte Töne zu bieten, reicht aber weder im Lyrischen noch im Dramatischen völlig aus. Schade, daß sie ihr ausdrucksvolles Gesicht nur ganz selten in echte, erlebte Darstellung einbezieht und diese durch unsägliche, unmögliche Gestik ruiniert. Es werden überhaupt sehr viele Arme in die Luft gestreckt und in die Hüften gestemmt, letzteres namentlich von Giulietta Simionato, einer, wenn die Analogie gestattet ist, Krawattel-Altistin, die ihre beiden Auftritte sozusagen mit dem linken Stimmband erledigt, im Kielwasser ihrer Popularität segelt und das, was sie für Temperament hält, gerissen, unbedenklich und höchst unkünstlerisch verkauft.

Die Texaner im Parkett, im Stehparterre, in den Logen und auf den Galerien lärmten, als der Dirigent erschien, setzten diese Tätigkeit bei jedem sich bietenden Anlaß fort und lärmten zum Schluß nicht nur die Solisten, sondern auch Mitropoulos, Wallmann und Wakhewitsch wiederholt vor den Vorhang.

Außer den bereits Genannten verzeichnet der Theaterzettel noch die Namen einiger Beteiligter, die am Rande des Erfolgs blieben: Annemarie Ludwig, Harald Pröglhöf, Hugo Meyer-Welfing, Franz Bierbach und Giuseppe Verdi. **Hans Weigel**

Staatsoper

Gold aus Mitropoulos' Händen

Verdis „Macht des Schicksals", die erste Staatsopernpremiere dieser Saison, war unter der genialen, hinreißenden Leitung Dimitri Mitropoulos', der schon bei seinem Erscheinen mit nicht endenwollenden Begeisterungsstürmen gefeiert wurde, eine erstrangige Glanzaufführung. Unter seiner impulsiven Leitung wurden aus den Gesangstars Antonietta Stella, Giulietta Simionato, Giuseppe di Stefano, Ettore Bastianini Superstars, neben denen sich die (ebenfalls italienisch singenden) Kollegen unseres Ensembles Ludwig Welter, Karl Dönch, Walter Kreppel ebenbürtig behaupteten.

Schwierige Aufgaben stellt die Neuaufführung jedes Werkes Verdis aus der mittleren Schaffensperiode an Regisseure und Bühnenbildner. Soll man einfach historische Vorbilder kopieren, soll man stilisieren oder gar Versuche in der Richtung des Abstrakten unternehmen? Georges Wakhewitsch als Bühnenbildner und Margarethe Wallmann als Regisseur fanden hier einen Mittelweg. Ihre Erfahrungen und ihr kulturhistorisches Wissen ließen sie einen Stil finden, der zeigt, wie man Schöpfungen aus dieser als geschmacksunsicher geltenden Zeitepoche modernisieren kann, ohne deren Grundkolorit zu verwischen. Unter den prächtigen Szenenbildern dominiert eine von Salvador Dali inspirierte Vision des unentrinnbaren, schicksalhaften Zeitablaufes.

Verdis Partitur enthält Genieblitze und simpel volkstümlich Klingendes. Dieser Qualitätsunterschied wird unter Mitropoulus' Stabführung aber kaum merkbar. Er ist ein König Midas der Musik, unter dessen Händen alles zu Gold wird. Mi

Die wunderbare Kraft der Behutsamkeit

Das erste „Philharmonische" der Saison: ein Mahler-Fest mit Mitropoulos

Mahlers riesige „Neunte" — man hat sie zuletzt im Konzerthaus gehört, diesen Juni unter Horenstein. Unter den Händen von Mitropoulos ist sie ein anderes Werk geworden, spannender, erregender in den Mittelsätzen, deren skurrile und dämonische Züge schärfere Konturen erhielten, und gefühlstärker und gedankentiefer im Andante zum Beginn und im Adagio zum Schluß.

Der Dirigent, dem es zu danken ist, daß diesmal kein Abonnent auf seine Karte und seinen Platz verzichtete (was vor Jahren bei einem Mahler-Programm Kubeliks durchaus nicht der Fall war), konnte seine Popularität einmal öfter in den Dienst einer künstlerischen Aufgabe von Rang stellen. Wozu nicht nur die gültige und darum überzeugende Wiedergabe dieser bedeutenden Musik gehört, sondern schon das Eintreten für Gustav Mahler an sich, gerade in Wien, gerade in einem Philharmonischen Konzert.

Mitropoulos' Kontakt zur Geistes- und Empfindungswelt Mahlers ist ebenso tief wie spontan; die geforderte Plastik und Konzentration im Spiel der Philharmoniker war darum eine Selbstverständlichkeit. Die bis in feinste Differenzierungen gewahrte Vitalität im Ton bezeugte, daß der Dirigent auch mit der Behutsamkeit noch Kraft verbindet, daß für ihn ein Pianissimo kein Anlaß ist, blutleer musizieren zu lassen.

Das Konzert, das mit Weberns Orchester-Passacaglia op. 1 einbegleitet wurde, entließ einen Teil des Publikums in echter Ergriffenheit. Jener Teil wird dem Dirigenten und dem Orchester für diese Begegnung Dank wissen.

Philharmonischer Beginn

Es war ein guter Anfang der philharmonischen Spielzeit, die nicht nur, wie immer, viel Schönes, sondern diesmal auch manch Interessantes, selten Gehörtes verspricht. Schön (im echten konzentrierten Sinn dieses oft mißbrauchten Wortes) und allzu selten gehört ist Gustav Mahlers IX. Symphonie: entstanden nach dem „Lied von der Erde" als ein großes Lied ohne Worte von der Erde, als eine Musik des Abschieds von dieser Welt, die dem Scheidenden kein Glück gebracht und zur Beglückung derer, die nach ihm kommen, ewig weiter blühen wird im Lenz. Ungewöhnlich ist diese Musik in ihrem Ausdrucksbereich, der von volksliedhafter Träumerei bis zu schmerzlicher Verzerrung reicht. Ungewöhnlich ist sie in ihrer Form, mit zwei langsamen Hauptsätzen zum Anfang und zum Abschluß, die erfüllt sind von „unendlichen Melodien" nicht nach Wagners Art, sondern nach Mahlers neuer Weise, und mit zwei lebhaften, vitalen und grotesken Mittelsätzen. Ungewöhnlich schließlich ist diese Symphonie in der Kühnheit der Ausdrucksmittel, die weit ins 20. Jahrhundert hinein weisen, ohne die Brücken zur Vergangenheit, das ist zur Allgemeinverständlichkeit, abzubrechen.

Vorherging im Programm des Konzerts Weberns Passacaglia, opus 1, ein in der Tonsprache durchaus „normales", von feinster Sensibilität zeugendes Werk, das freilich, obgleich nur ein Jahr vor Mahlers „Neunter" komponiert, älter, konventioneller anmutet als diese und, insofern ungünstig gestellt, im Gesamtbild des Konzerts verblaßte.

Ungewöhnlich wie Mahlers Symphonie war auch die Meisterschaft, mit der unsere Philharmoniker sie spielten. Anläßlich der Aufführung einiger zeitgenössischer Musikwerke, an denen dieses Orchester — der Not gehorchend, nicht dem eigenen Triebe — in den letzten Jahren mitwirkte, ist ihm in einem Teil der Presse der Vorwurf mangelnden Verständnisses für das Neue gemacht worden. Das mag für einiges „Neue" gelten, mit dem seine Komponisten (auf deutsch: Zusammensetzer) nichts sagen wollen, und an dem daher nichts zu verstehen ist. Aber wirkliche Musiker — und das sind die Wiener Philharmoniker — kennen keinen Unterschied zwischen alter und wirklich neuer, sondern nur zwischen guter und schlechter Musik. So spielte unser erstes Orchester auch Mahlers problemreiche IX. Symphonie mit solcher Lebendigkeit und Wandlungsfähigkeit des Ausdruckes, mit solcher Wärme und Klarheit des Klanges, mit solcher Größe der Linienführung, als ginge es um ein längst selbstverständliches Werk der klassischen Musik. Allerdings stand ein Dirigent auf dem Podium, der musikalische Probleme überall dort, wo sie lösbar sind, zu lösen versteht und auch schwer Verständliches selbstverständlich macht: Dimitri Mitropoulos, unter den Orchesterleitern von heute einer der hervorragendsten Musiker und Techniker, dessen Hand, von einem schlagenden Herzen und einem denkenden Kopf geführt, Werk und Orchester zu einem in die Tiefe reichenden Erfolg führte.

ÖSTERREICHISCHE NEUE TAGESZEITUNG Dienstag, 4. Oktober 1960

Die Philharmoniker werden „revolutionär"

Mitropoulos eröffnete die Abonnementkonzerte mit Anton Webern und Gustav Mahler

So völlig aus der Art der klassischen Normprogramme haben die Philharmoniker ihre Abonnementkonzerte wohl noch nicht eröffnet. Dimitri Mitropoulos geht Mozart und Beethoven gern aus dem Weg und liebt die ausgefallenen Dinge. So gab es an der Spitze der neuen Saison gar eine philharmonische Erstaufführung: Anton von Weberns „Passacaglia für Orchester", der ein beträchtlicher Teil des philharmonischen Stammpublikums mit Skepsis entgegengesehen haben dürfte. Aber dazu bestand kein Anlaß. Weberns Opus 1 ist noch stark dem romantischen Klang verpflichtet. Ein überraschend expressives und empfindungsdichtes Werk, fern aller intellektuellen Askese. Gute Musik, persönliche Musik, die eindrucksvoll im Pianissimo beginnt — zögernde Pizzikatoschritte markieren den Passacaglia-Rhythmus — und am Ende wieder still ins Pianissimo zurücksinkt. Dazwischen liegt eine mächtige Steigerung von echtem Pathos. So wie Mitropoulos diesen frühen Webern dirigiert, temperamentvoll und musikantisch, ersteht das faßbare Bild einer Seelenlandschaft, die in Zukünftiges weist.

Pause gab es keine, und auch das war eigentlich „aus der Art". Unmittelbar auf Webern setzte Mitropoulos sein Mahler-Bekenntnis, und das gelang überraschenderweise ohne Gewaltsamkeiten. Die „Neunte", mit der Gustav Mahler bitteren, zuweilen auch verbitterten und schließlich doch ergreifenden Abschied nahm vom Leben, hat man zuletzt bei den Wiener Festwochen unter Horenstein in einer beachtlichen Aufführung gehört. Nun konnte man sie in einer großartigen Aufführung hören. Mitropoulos indentifiziert sich völlig mit diesem überdimensionierten Werk, seine impetuose Hand vermag auch über die ermüdenden Längen und die weiten Strecken dünner Substanz, über das grelle Nebeneinander von Ernst und Parodie, von Seriosität und (gewollter?) Banalität (in den beiden Mittelsätzen) hinweg spürbar zu machen, daß hier immer um Großes gerungen wird. Der packenden Konfrontierung von Leben und Tod im ersten Satz kann man sich schwerlich entziehen und das unverkennbar bruckner'sche Finale — der demütige Ausklang zitiert fast notengetreu das Ende aus dem Adagio von Bruckners Streichquintett — versöhnt mit manchen Zwiespältigkeiten dieser Supersymphonie. Hier, in diesem Schlußsatz besonders, ist Innigkeit und Wärme, hier ist Größe und echte Menschlichkeit.

Die Philharmoniker leisteten Mitropoulos hervorragende Dienste, gaben die ganze Schönheit ihres herrlichen Streicherklanges und die stolze Majestät ihre Bläser. So wurde es schließlich doch weit mehr als eine pietätvolle Exhumierung; es wurde eine würdige philharmonische Gedenkfeier für den Jahresregenten Gustav Mahler. Und als solche wurde sie auch vom Publikum empfangen und bedankt. Alexander Witeschnik

Dienstag, 4. Oktober 1960, Nr. 231 DAS KLEINE VOLKSBLATT

Mitropoulos dirigierte Webern und Mahler:

Die neue Saison der Wiener Philharmoniker

Sie wurde am vergangenen Wochenende mit dem ersten Abonnementkonzert eröffnet. Ein Blick auf das Jahresgesamtprogramm läßt uns Bach, Händel, Haydn, Mozart, Schubert völlig, Beethoven bis auf ein Klavierkonzert und seine Erste Symphonie vermissen. Man hat den Eindruck, in diesem Konzertjahr beherrschen Spezialistenprogramme die Gesamtaussage: Mitropoulos mit neuen oder noch nicht völlig durchgesetzten Werken, Kubelik wieder mit Mahler, der russische Komponist Chatschaturian mit eigenen Werken, Rossi mit alten und neuen Italienern, Böhm mit Richard Strauss und Hindemith ... Nur drei Dirigenten, Karajan, Schuricht und Knappertsbusch, bleiben Beethoven, Schumann, auch Nicolai, erst recht Brahms und Bruckner treu; zu diesen Meistern treten dann noch Bartok und Sibelius, Klassiker der Moderne und letzter Romantiker, in den Karajan-Konzerten.

Dimitri Mitropoulos ist dafür bekannt und geschätzt, daß er Werke von Zwischenepochen, Kompositionen vernachlässigter Meister nicht nur aufs Programm setzt, sondern auch begeistert probt und werkhingerissen aufführt. So trat er diesmal für Weberns noch durchaus spätromantisch gesinnte Passacaglia Opus 1 und für Gustav Mahlers Neunte Symphonie ein. Unsere Philharmoniker ließen sich willig in die knappe und in die verbreiterte Aussage führen, machten die kontrapunktische Studie und den bittersüßen Abschied vom Leben zu klingender und der Melodie hingegebener Musik, konnten aber für diese beiden Komponisten, die das Ende einer Epoche und den Anfang einer neuen Zeit mit ihren Werken charakterisieren, nicht mehr als einen Achtungserfolg erringen.

Richard Strauss hatte vor 16 Jahren in seinem künstlerischen Vermächtnisbrief an Karl Böhm vorgeschlagen, der Spielplan der Wiener Staatsoper hätte ausnahmslos unangefochtene und unanfechtbare Meisterwerke zu umschließen, das Haus am Ring möge einem Museum klingender Musik der letzten dreihundert Jahre gleichen. Ein solcher Plan ist seit Jahrzehnten auf dem Podium des Großen Musikvereinssaales in den Programmen der Abonnementkonzerte der Wiener Philharmoniker verwirklicht worden; da kann es dann nicht wundernehmen, wenn problematische Werke unseres Jahrhunderts nicht so „ankommen", wie es das heiße Bemühen der Interpreten an sich verdiente.

Erstes Philharmonisches Konzert der Saison

Dimitri Mitropoulos dirigierte Mahlers Neunte Symphonie

Die im Zug befindliche Mahler-Renaissance zeitigt erfreuliche Folgen. Kann doch der tiefere, ihr innewohnende Sinn vorwiegend darin liegen, Mahlers Schöpfungen dauernd dem Repertoire einzubürgern, ihnen jenes Heimatrecht zu sichern, das des Komponisten Heimat bisher nur zaudernd gewährte und oft hartnäckiger verweigerte als das Ausland. Hierin scheint sich nun ein Wandel anzubahnen. Das Verständnis für Mahlers Musik ist im Wachsen begriffen und dehnt sich erfreulicherweise auch auf jene Spätwerke aus, die bisher nicht die Popularität der Vierten Symphonie oder „Des Liedes von der Erde" erreichen konnten. Sie bedeutet für Orchester und Auditorium vielfach Neuland, das zu erschließen nur einem wahrhaft Berufenen, der über geniale Fähigkeiten verfügt, wie Dimitri Mitropoulos, gegeben ist.

Zum Hauptstück des von ihm geleiteten Konzerts wählte er Mahlers Neunte Symphonie, ein Werk des Abschieds und der gleichen geistigen Atmosphäre wie „Das Lied von der Erde". Man könnte es als Lied zwischen Himmel und Erde ansprechen. Im ersten Satz, einem Kontrapunkt divergierender seelischer Emotionen, wechselt der Blick auf Jenseits mit dem Rückblick auf Irdisches. Die Sphären der Transzendenz werden im abschließenden Adagio erreicht, welches neben dem Finale der Dritten Symphonie zu den ergreifendsten Lento-Sätzen Mahlers gehört. „Sursum corda, sagt die christliche Religion. So hat Mahler gelebt. Es gibt die Reue, es gibt die Sehnsucht —", schrieb Anton von Webern an Alban Berg nach erstmaligem Anhören des Liedes von der Erde. Diese Worte lassen sich mit gleicher Berechtigung auf die überirdische Schönheit des Ausklangs der Neunten Symphonie anwenden.

Von den beiden Mittelsätzen des Werkes ist wohl das erste Intermezzo das schwerer zugängliche. Mahler nannte das Blumenstück seiner Dritten Symphonie das „Unbekümmertste, das ich je geschrieben habe". Vom Ländler der Neunten könnte man das gerade Gegenteil behaupten. Im Wechsel komplexer Stimmungen, die von gespenstisch parodierender Walzerfreudigkeit bis zu Ausbrüchen unbändigen Weltschmerzes reichen, gewährt dieser Satz Einblick in das zerrissene Innenleben eines unablässig Grübelnden und wird zum Wahrzeichen eines Gottsuchertums, das aus den Wirrnissen des Alltags nach Höhengefilden strebt.

Gerade in der Ausdeutung dieses Symphonieteiles zeigt sich Mitropoulos' geniales Erfassen von Mahlers Psyche, und von den unverkennbar charakteristischen Merkmalen seiner Musiksprache. Unter des Dirigenten meisterlicher Führung wird sie gleichsam entsentimentalisiert und erklingt, wo es nottut, in schonungslosem Aufzeigen von Kontrasten, deren unvermitteltes Einsetzen nicht gemildert, sondern bewußt unterstrichen wird. Angesichts dieser energiegeladenen Auslegung, die auch in technischer Hinsicht den Idealen der Vollkommenheit entsprach, schwinden Einwände gegen das angeblich Zeitgebundene an Mahlers Symphonik. In der Interpretation durch Dimitri Mitropoulos wird ihr Gegenwartscharakter, ihre vom Zeitablauf unabhängige Aktualität offenkundig.

Das Konzert begann mit Weberns „Passacaglia für Orchester, op. 1". Zu den Spätwerken Weberns verhält sich diese Jugendkomposition wie in der Reihe der Wagnerischen Musikdramen „Rienzi" zur „Götterdämmerung". Die Durchorganisierung der musikalischen Materie vollzieht sich stellenweise noch in der Umhüllung von Harmonien, die von Tristans Leidenschaft beeinflußt werden. Das kurze Werk dürfte hauptsächlich musikhistorischem Interesse begegnen.

Der starke Beifall, der dem Dirigenten und dem Orchester nach Konzertschluß entgegenscholl, klang nicht, wie dies bei Aufführungen selten gespielter Werke oft der Fall ist, als wäre er Ausdruck respektvoller Hochachtung, sondern schien vom Herzen zu kommen.

4. Oktober 1960 — NEUES ÖSTERREICH

Philharmonischer Saisonbeginn mit Webern und Mahler

Vor fünfundzwanzig Jahren hätte ein Eröffnungsprogramm mit Webern und Mahlers Neunter noch befremdet. Heute gehört eher Mut dazu, solche in ihrer geistigen Haltung durchaus maßvolle Werke auf den Spielplan zu setzen. Anton Weberns Passacaglia ist freilich ein eingebürgertes Jugendwerk des Komponisten, das abschiednehmend auf Tonalität und funktionelle Harmonik zurückblickt, sie aber zu verlassen im Begriffe ist. Der Einfluß der strengen Form wirkt, an das Finale von Brahms' Vierter erinnernd, noch bindend, formgebend, das am Beginn im Streicherpizzikato aufgestellte „ostinato" bildet den Ariadnefaden, der durch labyrinthische Irrgänge komplizierter Stimmführungen leitet und das Verständnis erleichtert. Der Einfall selbst ist freilich weder bedeutend noch ergiebig, aber seine trotzig sich aufbäumenden Intervalle bewahren einen Rest von Gefühlsausdruck, und aus dem Werk spricht eine starke Persönlichkeit.

Hätte Webern auf dieser Grundlage weiter komponiert, stünde seine Herme heute ebensowenig in der dodekaphonen Walhalla wie jene eines Schönberg, der die „Verklärte Nacht" und die „Gurrelieder" nicht hinter sich gelassen hätte. Wenn Schönberg später, ein neuer Samson, die Pfeiler, an die er sich mit Ketten der Tonalität geschmiedet glaubte, zum Einsturz brachte, so löste sich der feinere, subtilere Webern zwar auch bald von ihnen los, aber nach einer relativ kurzen Periode „freier Atonalität" formte er kleine, bald auch etwas umfangreichere Gebilde von seltsamem, pointillistischem Klangreiz, miniaturistische Kleinstrukturen aus intensiv permutierten Motiven, ja, er näherte sich später sogar wieder der Sonatenform.

Von Webern, dem Mahler-Bewunderer, führt kein Weg zu Mahler, der schon 1903 von Schönberg, wie Fred Prieberg berichtet, sagte: „Wozu schreibe ich noch Symphonien, wenn das die Musik der Zukunft sein soll?" Die Neunte des Meisters steht jedenfalls trotz neuartiger Struktur, kühnen Härten der Stimmführung und fortschreitender Lockerung der Harmonik immer noch fest auf tonalem Boden und invertiert wohl die Symphonieform, ohne sie aber aufzugeben. Nicht thematisch, jedoch stimmungsmäßig, instrumentationstechnisch und geistig knüpft sie dort an, wo das „Lied von der Erde" schließt. Eine „Abschiedssymphonie" hat Bruno Walter, der es als erster in Händen hielt und später uraufführte, das Werk genannt, und es ist, als spräche aus dem herrlichen ersten Satz jener Wegmüde, der dort sagt: „Leb wohl, mein Freund, ich gehe in die Berge... mir war auf dieser Erde das Glück nicht hold." Es ist Mahler selbst, der nun an den Grenzen jenes Reiches angelangt ist, von dem kein Wanderer wiederkehrt. Noch einmal erinnert er sich aus ferner Rückschau der lieben, versonnenen Melodik der „Wunderhorn"-Symphonien, greift er, wie ratlos und parodierend, auf ein Motiv aus der Fünften zurück, läßt uns Anklänge an den Trauermarsch der Ersten, diesmal eine Marche au supplice, an einen Hexensabbat toller Gespenstererscheinungen vernehmen. Aber dann kommt die große Ruhe, das „Verfließen einer Wolke im Blau des Himmelsraumes" (Walter), jene unirdische, jenseitige Stimmung, die an Brahms' „Feldeinsamkeit" erinnert, einer der seltenen Punkte, an denen sich die beiden so verschiedenen Meister begegnen. Die Musik zerrinnt, verfließt in den hohen Streichern, die letzten Erinnerungen an Brucknerschen Choral, aber auch an die tiefe, sehnsüchtige Innigkeit der Adagios aus den „Wunderhorn"-Symphonien weichen, und wir stehen am Ende. Es ist jener Abschied, der — im „Lied von der Erde" vorweggenommen — keinen Gedanken an ein Wiedersehen offenläßt.

Wir hörten das Werk beim Musikfest in guter Wiedergabe. Dimitri Mitropoulos, der immer mehr an den alten Furtwängler erinnert, wirkt stärker, impulsiver, zwingender, und der philharmonische Orchesterklang ist in keinem Takt einem anderen vergleichbar. Es ist alles expressiv, wild bewegt und dann endlich verzückt, nach oben strebend und zur — völlig unpathetischen — Verklärung entschwebend. Eine Leistung von unerhörter Vollkommenheit für den Dirigenten wie für das Orchester, dem härteste Aufgaben gestellt werden: die schwierigen Streicherpassagen, vor allem der Solovioline, die milden Hörner, oft gedämpft die fast kantablen Trompeten, ausdrucksvoll das Holz, exakt das Schlagwerk und die heiklen Glocken.

Starker Beifall.

3. Oktober 1960 — EXPRESS

Wochenende im Musikverein: „Philharmonisches" unter Mitropoulos

Die Zeit, die ist ein sonderbar Ding

1. Abonnementkonzert der Wiener Philharmoniker, Samstag und Sonntag im Großen Musikvereinssaal, unter der Leitung von Dimitri Mitropoulos. Programm: Werke von Anton von Webern (Passacaglia, op. 1) und Gustav Mahler (IX. Symphonie in D-Dur).

Weberns Passacaglia dauert elf Minuten, Mahlers letzte Symphonie siebenmal so lang. Nach der Konsumation der Stücke würde man glauben, bei Webern höchstens die Hälfte der tatsächlich verstrichenen Zeit verbracht zu haben; hingegen dehnt sich Mahler zu mehreren Stunden. Die Zeit, die ist eben ein sonderbar Ding. Oder: alles ist relativ...

Die Zeit hat auch an beiden Werken ihre klärende Funktion erfüllt. Weberns Passacaglia dünkt uns heute der Beginn einer neuen Art der musikalischen Formulierung zu sein, Mahlers „Neunte" der Schlußpunkt hinter der hypertrophisch wuchernden Subjektivität der Spätromantik. Von Webern wird man gefesselt. Diesen Mahler bestaunt man bloß.

Die Passacaglia, deren musikalische Entwicklung sich aus trägem Räkeln aufrafft zu wacher Leidenschaft, kommt aus der tristansüchtigen Atmosphäre einer abgenützten Chromatik und stößt energisch die Tür auf in die neue Welt der ausgesparten, abstrahierenden Klangkonstruktionen, wie sie Webern später entwickelt hat. Sie ist noch tonal beziehbar und eher leicht zu hören, aber sie läßt kommende Komplikationen ahnen.

Mahlers Monstersymphonie, nach Paul Bekker am besten „Was mir der Tod erzählt" zu betiteln, schließt mit einem sehnsuchtsvoll klagenden, Abschied nehmenden, in seiner Einfachheit wahrhaft großen Adagio, das man in -zehn oder -zig Jahren wahrscheinlich losgelöst vom angeschwollenen Rumpf der übrigen drei Sätze gern hören wird. (Warum auch nicht loslösen?) Vorher gibt es einen fast parodistisch derben Ländler, ein burleskes Rondo von gewaltiger Ausdehnung, vor allem aber ein schier endloses Andante als Einleitung. Lauter gewiß stark empfundene, bedeutende, kühn konzipierte Musik. Nur so schrecklich langatmig, daß dieser Atem dem Hörer oft genug wegbleibt...

Trotz einer wahrhaft großartigen Wiedergabe, an der das Orchester und sein überlegen disponierender Dirigent sorgfältig gearbeitet hatten.

Κι' ἐφέτος ὁ Δημήτρης Μητρόπουλος ὑπῆρξεν ἡ δεσπόζουσα φυσιογνωμία εἰς τό Φεστιβάλ τοῦ Σάλτσμπουργκ. Τό ἐνδιαφέρον τοῦ μουσικοῦ κόσμου καί τοῦ διεθνοῦς κοινοῦ ἦταν ἑστραμμένο πρός τόν "Ελληνα μαέστρο καί ἡ συναυλία μέ τήν Φιλαρμονική τῆς Νέας Ὑόρκης ἀπετέλεσε τό κύριον γεγονός τοῦ Φεστιβάλ. Ἡ ἀναμονή ἦτο μεγάλη, ἀφοῦ ἐπρόκειτο νά ἀκούσουν τόν Μητρόπουλο μετά ἀπό τρία χρόνια ἀπουσίας καί νά ἀκούσουν τήν Φιλαρμονική μέ τήν ὁποίαν ὁ Μητρόπουλος εἶχε ἐπιτύχει τά μεγαλύτερα καλλιτεχνικά ἀποτελέσματα. Ἡ ἀναμονή ἐδικαιώθη ἀπολύτως. Ἡ συναυλία ἀπετέλεσε ἕνα ἀπό τά μεγαλύτερα καλλιτεχνικά γεγονότα τῆς μουσικῆς ζωῆς τοῦ Σάλτσμπουργκ καί ἕνα ἀπό τά ὑψηλότερα σημεῖα τῆς καριέρας τοῦ Μητροπούλου.

Ὁ Δημήτρης Μητρόπουλος ἐνῶ διευθύνει συναυλίαν

Ἡ ἐπιτυχία ὀφείλεται ἐξ ἴσου εἰς τό ὑπέροχον πρόγραμμα καί εἰς τήν ἐξαιρετικήν ἐκτέλεσιν. Τό πρόγραμμα ἦτο ἀφιερωμένον εἰς τήν μνήμην τοῦ Ἀλμπέρτ Σβάϊτσερ καί περιελάμβανε τήν Συμφωνίαν ἀρ. 40 τοῦ Μότσαρτ, τήν Συμφωνίαν ἀρ. 1 τοῦ Μπραμς καί τήν Συμφωνίαν ἀρ. 9 τοῦ Σοστακόβιτς. Μετά τό Σάλτσμπουργκ ὁ Μητρόπουλος θά μεταβῆ στό Βερολῖνο, ὅπου θά διευθύνη τήν Μπερλίνερ Φιλαρμόνικερ. Ἡ ἐντύπωσις τήν ὁποίαν εἶχαν τά μέλη τῆς ὀρχήστρας αὐτῆς κατά τήν ἐφετεινή τους συνεργασίαν μέ τόν Μητρόπουλο ὑπῆρξεν ἐκπληκτική. Εἰς τό πρόγραμμα τῆς συναυλίας, ἐκτός τῆς Σκωτικῆς Συμφωνίας τοῦ Μέντελσον καί τῆς «Θάλασσας» τοῦ Ντεμπυσσύ, ὁ Μητρόπουλος διηύθυνε τό «θέμα καί βαριασιόν» τοῦ Σαῖνμπεργκ. Ἔργο δυσκολώτατο, πού ἡ Φιλαρμονική τοῦ Βερολίνου δέν εἶχε ποτέ παίξει καί κατά βάθος οὔτε τό συμπαθοῦσαν οἱ μουσικοί. Ἐν τούτοις, τόσο τούς παρέσυρε ἡ μεγαλοφυΐα τοῦ Μητροπούλου, ὥστε μετά τίς τρεῖς πρόβες ἐδήλωσαν "Ο,τι μάθαμε σέ τρεῖς πρόβες μέ τόν μαέστρο αὐτόν, δέν θά μποροῦσε ἄλλος νά μᾶς τό διδάξη σέ ἕνα ὁλόκληρο χρόνο!

Μετά τό Βερολῖνο, ἀκολουθεῖ πάλι μιά περίοδος στή Βιέννη, μέ ἀκαθόριστα ἀκόμη προγράμματα συμφωνικῶν συναυλιῶν καί ὄπερες, καί μετά στήν Κολωνία, ὅπου θά διευθύνη τό ἡμιτελές ἔργο τοῦ Σαῖνμπεργκ. Μετά τήν Εὐρώπη, ἔρχεται πάλι ἡ σειρά τῆς Ἀμερικῆς. Στή Μετροπόλιταν "Οπερα θά διευθύνη ἐφέτος τή νέα ὄπερα τοῦ Μενότι «Ὁ Χιονάνθρωπος». Ἐπίσης τήν «Τουραντό» τοῦ Πουτσίνι σέ νέα σκηνική διασκευή, καί δύο ἄλλες ὄπερες καί μέ τήν Φιλαρμονική τῆς Νέας Ὑόρκης 16 συναυλίες. Οἱ συναυλίες Μάλερ, πού διηύθυνε ἐφέτος στή Νέα Ὑόρκη, ἐθεωρήθησαν τό σημαντικώτερο καλλιτεχνικό γεγονός τοῦ ἔτους. Γι' αὐτό, ὅταν ρώτησαν οἱ δημοσιογράφοι τούς μουσικούς, πῶς ἔπαιξαν τόσο ἀριστουργηματικά μέ τόν Μητρόπουλο καί τόσο routinièrika μέ τούς ἄλλους, ἀπήντησαν: «Μά ἐάν παρασυρόμαστε καί δίναμε κάθε φορά ἀπό τόν ἑαυτό μας ὅσο δώσαμε στίς συναυλίες τοῦ Μητρόπουλου, θά εἴχαμε πεθάνει πρίν τελειώση ἡ σαιζόν! Εὐτυχῶς ὅτι μόνο αὐτός εἶναι ἄξιος νά παρασύρη σέ τέτοια θαύματα».

Στόν ἴδιο διθυραμβικό τόνο γράφει καί ὁ Ἔρβιν Μίτταγκ στόν «Τύπο» τῆς Βιέννης : «Μέ ὑπερβετικά πρέπει νά μνημονευθῆ τό μουσικό μέρος τῆς παραστάσεως. Τό νά ἐκφράση κανείς νέους ἐπαίνους γιά τήν μεγαλειώδη διεύθυνσι τοῦ Δημ. Μητροπούλου, θά ἦταν νά κομίση γλαύκας στάς Ἀθήνας! Ἡ κοινότοπη ἔκφρασις «ἀφοσίωσις στήν ὑπηρεσία τοῦ ἔργου» γίνεται ἐδῶ εὐτυχής πραγματικότης. Κάτω ἀπό τήν ὑποβλητική διεύθυνσι τοῦ μεγαλοφυοῦς αὐτοῦ μουσικοῦ, ἡ κάθε λεπτομέρεια τῆς ὀρχήστρας, ἡ κάθε λυρική φράσις, γίνεται ἡ ἔκφρασις ἑνός ἠθικά ἐδραιωμένου καλλιτεχνικοῦ φρονήματος, ἑνός σέ ἀπροσπέλαστα ὕψη ὁρθωμένου καλλιτεχνικοῦ ἰδανικοῦ».

φοῦ προτάσσει τόν τίτλο «Δ ι α ν ο μ ή: Ἡ μ ο ί ρ α τ ῆ ς Ὄ π ε ρ α ς». Αὐτῆς τῆς γνώμης ἦταν καί ὁ Βέρντι ὅ-ταν παρεπονεῖτο ὅτι γιά νά ἐπιτύχη μιά ὄπερα χρειάζεται καί τούς κατάλληλους τραγουδιστές — θά ἔπρεπε νά προσθέσουμε: καί τόν κατάλληλο μαέστρο! Ἀποφασιστικό γιά τήν ἐπιτυχία τῆς καινούργιας σκηνοθεσίας τῆς «Δύναμης τοῦ Πεπρωμένου» στήν Ὄπερα τῆς Βιέννης ὑπῆρξε ἡ ἀνάθεσις τῆς διδασκαλίας καί μουσικῆς διευθύνσεως στόν Μητρόπουλο. Ἔτσι κατέστη δραματική πραγματικότης αὐτό πού, παρά τήν λαμπρότητα τῆς παρτιτούρας τοῦ Βέρντι, πολύ εὔκολα, σέ τρέχουσες παραστάσεις, δέν εἶναι παρά τυποποιημένο ἀναιμικό μελόδραμα — πρᾶγμα γιά τό ὁποῖο εὐθύνεται κυρίως τό λιμπρέτο. Ἀλλά καί ἡ μουσική αὐτή καθ' αὐτή χρειάζεται τήν πλαστική δύναμι ἑνός σκληροῦ χεριοῦ, ὥστε πέρα ἀπό τόν πλοῦτο τῶν μελωδικῶν ἰδεῶν, πέρα ἀπό τίς ἐντυπωσιακές δραματικές στιγμές νά ὁλοκληρωθῆ σέ Ὄπερα ἐννέα εἰκόνων. Ἐδῶ ὁ Μητρόπουλος ἐπραγματοποίησε κάτι τό θαυμάσιο! Ὄχι μόνο ἡ κάθε φράσις, ἡ ἐλαχίστη λεπτομέρεια ἦταν τέλεια ἐπεξεργασμένες, ἀλλά τό ὅλο οἰκοδόμημα ὑψώθηκε σέ ἐπιβλητική ἑνότητα. Ὁ Μητρόπουλος τοῦ προσέδωσε δραματική βαρύτητα, κορυφώματα τέτοιας ἐντάσεως, ὥστε ζήσαμε στιγμές συγκλονιστικοῦ μουσικοῦ δράματος. Ἤδη ἡ Οὐβερτοῦρα μᾶς ἔδωσε τήν ἐντύπωσι ὅτι δέν τήν εἴχαμε ξανακούσει ποτέ. Καί κάτι ἀκόμα: Ὁ Μητρόπουλος δέν διευθύνει μονάχα γιά τήν ὀρχήστρα, ἀλλά συγχρόνως καί γιά τούς τραγουδιστές. Γνωρίζει τήν ἀλληλοεξάρτησι σκηνῆς καί ὀρχήστρας. Ἀφίνει τήν ὀρχήστρα νά φέρη τόν τραγουδιστή καί ὄχι νά τόν σκοτώνη. Ἡ παράστασις ἦταν ἕνας θρίαμβος γιά τόν μαέστρο. Δέχτηκε ἐκδηλώσεις τέτοιες πού σπάνια ἀκούγονται σ' αὐτή τήν αἴθουσα».

„Unübertrefflich vollkommene" Uraufführung

Mitropoulos leitete die „Jahreszeiten"-Symphonie von Theodor Berger im Musikverein

Die Veränderungen, welchen die Natur durch den Wechsel der Jahreszeiten unterworfen ist, haben seit eh und je die Phantasie schöpferischer Musiker angeregt. Bloß die Aspekte dieser Betrachtungen sind dem jeweils vorherrschenden Weltgefühl gemäß verschiedener Art. Bei Mozart oder Couperin verbinden sich mit den Vorstellungen winterlicher Monate Gedanken an höfische Karnevalslustbarkeiten, mit denen des Herbstes Assoziationen an jagdliche Vergnügungen. Von ähnlichen und anderen genrebilderartigen Fassungen, wie sie auch der genialen Simplizität des Haydnschen Oratoriums eignet, hält sich Theodor Bergers viersätzige „Jahreszeiten"-Symphonie, die im zweiten philharmonischen Konzert erstmalig erklang, bewußt frei. Sie ist tönender Ausdruck kosmischer Kräfte, deren Wesen und Walten das Atomzeitalter zu enträtseln sucht. Sie ist ferner nicht Programm-, sondern Inhaltsmusik und somit ihrem gedanklichen Konzept nach durchaus aktuell.

Daß sie es auch in formaler und klanglicher Hinsicht ist, überrascht nicht den mit der sehr persönlichen Note der Bergerschen Musiksprache Vertrauten. Ihren charakteristischen Merkmalen begegnet man in jeder Zeile dieser Partitur: am entscheidensten dort, wo der Pulsschlag des musikalischen Geschehens lebhafter pocht, wie dies in den fünf Tonszenen des den Sommer versinnbildlichenden Finales der Fall ist. Dieser Satz gemahnt an einen hymnischen Tanz, dessen Ekstasen keineswegs, wie es so häufig in den Gefilden romantischer Musik der Fall ist, in weitausholender Stimmungsmalerei verharren, sondern in ein organisch aufgebautes Creszendo münden. Bei aller Logik und Knappheit des Aufbaues waltet nirgends in diesen kunstvoll gefügten symphonischen Gebilden bloßer Konstruktivismus vor. Auch manche, beim ersten Anhören weniger eingängige Abschnitte, wie „Wintersonne" oder „Verödung", fesseln durch eine Fülle instrumentaler und harmonischer Reize. Ebensowenig wie in seinen früheren Werken hat sich Berger auch in der „Jahreszeiten"-Symphonie nie völlig von Grundlagen der Tonalität entfernt. Interessante Akkordkombinationen bezeugen eine nahe innere Beziehung zum Impressionismus, dessen Prinzipien Berger, ohne sie bloß äußerlich zu kopieren, eigenpersönlich variiert. Die überaus herzliche Aufnahme der Novität rief den anwesenden Komponisten wiederholte Male aufs Podium und entkräftete den sattsam bekannten Einwand von angeblichen Vorurteilen der Wiener gegenüber zeitgenössischen Werken.

Die vom Komponisten als „unübertrefflich vollkommen" bezeichnete Aufführung dankt man der souveränen Auslegung durch Dimitri Mitropoulos, der, wie stets üblich, das komplizierte Werk bis in die letzten Verästelungen im Gedächtnis hatte und es auswendig leitete. Es war nicht die einzige Großtat des Künstlers in diesem Konzert, das mit einer beglückenden Wiedergabe von Schumanns C-Dur-Symphonie begann. In der Deutung Mitropoulos' schwinden oft vorgebrachte Argumente gegen den allzu liedhaften oder pianistischen Charakter der Schumannschen Symphoniethemen und deren wenig transparente Instrumentation dahin. Unter den zahlreichen Höhepunkten dieser unendlich belebten, von einem einheitlichen Konzept geformten künstlerischen Leistung sei der hinreißende Schluß des Scherzos ausdrücklich hervorgehoben.

Nach einer stilistisch wie klanglich gleicherweise prächtigen Wiedergabe von Débussys „La Mer" setzten Ovationen ein, die sich schließlich auf Mitropoulos konzentrierten und auch die Wiener Philharmoniker in den Reihen der Beifallsspender sahen. Die kurze, nur allzu kurze Zeitspanne seines Wirkens in Wien bedeutete auch diesmal eine Reihe erlesener musikalischer Genüsse. Daß sie sich als Dauerinstitution unseres Musiklebens in Zukunft wiederholen werden, war das Tröstliche an dieser Stunde des vorläufigen Abschiedes. Mi

Jahreszeiten – diesmal nicht von Haydn

Mitropoulos brachte im II. Philharmonischen Konzert als Uraufführung Theodor Bergers „Jahreszeiten"-Symphonie

Ein wahrhaft sensationelles „Philharmonisches" mit einer Uraufführung als Mittelteil und Mittelpunkt. Dimitri Mitropoulos und das Orchester seien für diesen Einfall herzlich bedankt. Wieweit das Werk für die Ewigkeit geschaffen ist, mag man nach einmaligem Anhören ungern entscheiden. Die Zweitbegegnung mit Theodor Bergers „Jahreszeiten"-Symphonie steht ja unmittelbar bevor: noch in diesem Jahr wird sie in der Staatsoper ein zweitesmal uraufgeführt, und zwar als Ballett.

Starke Bewegung ist es denn auch, die den beiden Ecksätzen, dem Herbst und dem Sommer, nachhaltige Wirkung gibt. Vor allem der erste Satz ist dicht gebaut, ein prägnantes Thema, das in variierter Form das ganze Werk durchzieht, wird rhythmisch und harmonisch durchgearbeitet, atomisiert und wieder zusammengeflickt, ohne an Schwungkraft zu verlieren. Ebenso ist auch das Finale gut angekurbelt, im eifrigen Mit- und Gegeneinander verschiedener Bewegungsimpulse, die im Takt und in der Instrumentation wirkungsvoll kontrastiert werden, ehe sie in eine mächtige, schier nicht endenwollende Schlußsteigerung einmünden.

Mehr eingefroren hingegen, auch in der Inspiration, nehmen sich die Mittelsätze aus („Winter" und „Frühling"). Sie bleiben im Illustrativen hängen, scheinen schwächer in der absoluten musikalischen Kraft. Nun, abwarten, wie sich das choreographieren läßt und als Theatermusik ausnimmt (Herr Parlic wird hoffentlich nicht die etwas merkwürdigen Programmdeutungen als Unterlagen nehmen). Der Publikumserfolg am Samstag war jedenfalls außerordentlich, wenn man von dem Fehlen der bei einer Uraufführung eigentlich obligaten Pfiffe absieht, und Dirigent und Musiker wurden vom Komponisten zu Recht zum Beifallsempfang beordert.

Zu Beginn des Konzertes führte Mitropoulos mit den Philharmonikern Schumanns „Zweite" auf. Auch hier wurde eine Tat gesetzt, denn das Werk hat neben seinen unleugbaren Schwächen (vor allem im ersten Satz), die der Dirigent prachtvoll zu kaschieren verstand, auch seine ebenso unanzweifelbaren Schönheiten, derer man in der sehr empfunden gestalteten und klanglich wunderbar ausgewogenen Wiedergabe vor allem im Scherzo und im Adagio gewahr wurde.

Nach dem Ballett kam die Palette: der philharmonische Farbenreichtum, entfesselt an Debussys „La mer". Eine virtuose Entfesselung, voller Glanz und Poesie und Temperament. Und am Ende rauschte, wie das Meer, der Beifall. *Herbert Schneiber*

Zum Gedenken an Dimitri Mitropoulos

Verehrte Hörerinnen und Hörer!

Viele von Ihnen werden vorgestern etwa um die gleiche Zeit die dritte Sinfonie von Gustav Mahler unter der Leitung von Dimitri Mitropoulos gehört haben. Die Aufführung dieses Werkes im großen Sendesaal des Kölner Funkhauses,ist, wie wir soeben erfuhren, das letzte öffentliche Konzert gewesen, das der große Dirigent geleitet hat.

Dimitri Mitropoulos ist heute morgen im Alter von 64 Jahren während einer Probe in der Mailänder Scala, wo er das gleiche Werk einstudierte, einem Gehirnschlag erlegen.

Wir sind erschüttert, daß uns wieder ein Musiker und Mensch verlassen hat, der einer Generation angehörte, von der wir unwiederbringlich Abschied nehmen müssen. Fritz Busch, Clemens Krauß, Wilhelm Furtwängler, Erich Kleiber sind ihm vorangegangen. Es befällt uns eine große Trauer, wenn wir gewahr werden, daß immer weniger große Persönlichkeiten, große Interpreten, große Musiker unter uns weilen.

Niemand, der am Montag im großen Saal des Kölner Funkhauses anwesend war, mag geahnt haben, daß der Dirigent dieses Konzert nur unter einer starken gesundheitlichen Belastung nach der Pause weiterführte. Wir, die wir ihn gut kannten und in seiner Nähe waren, wußten, daß es eines besonderen Entschlusses bedurfte, nach den Anstrengungen des ersten Satzes den einstündigen zweiten Teil des Werkes im wahrsten Sinne des Wortes durchzustehen. Die Sinfonie erklang in einer fast weltentrückten Transparenz. Am Ende des Abends zeigte sich Maestro Mitropoulos erlöst und beglückt über die Aufführung, die seinen künstlerischen Absichten voll und ganz entsprochen hatte. Er konnte sich deshalb nicht entschließen, seine Absicht, mit den Proben für das gleiche Werk heute in Mailand zu beginnen, rückgängig zu machen, und freute sich wieder auf die Rückkehr nach Köln, um in diesem Monat noch 2 weitere Konzerte mit dem Kölner Rundfunk-Sinfonie-Orchester zu leiten, für das er besondere Sympathien hatte.

-2-

Hören Sie noch einmal zum Gedenken an Dimitri Mitropoulos den letzten Satz der dritten Sinfonie von Gustav Mahler, mit dem der Dirigent sein künstlerisches Leben beschloß. Der Satz trägt die Vortragsbezeichnungen: Langsam. Ruhevoll. Empfunden.
Gustav Mahler gab ihm wie allen Sätzen dieser Sinfonie bei der Uraufführung eine Überschrift. Diese lautete für den sechsten Satz: "Was die Liebe mir sagt."

La mer
Drei symphonische Skizzen

1. De l'aube à midi sur la mer
2. Jeux de vagues
3. Dialogue du vent et de la mer

Robert Schumann

geboren am 8. Juni 1810 in Zwickau/Sachsen,
gestorben am 29. Juli 1866 zu Endenich bei Bonn am Rhein.

Symphonie Nr. 2, C-Dur, op. 61

König Oskar I. von Schweden und Norwegen gewidmet.

Besetzung: zwei Flöten, zwei Oboen, zwei Klarinetten, zwei Fagotte, zwei Hörner, zwei Trompeten, drei Posaunen, Pauken, Streicher.

Schumanns C-Dur-Symphonie, ihrer Entstehung nach eigentlich des Meisters drittes symphonisches Werk, rückte nur deshalb auf die zweite Stelle und unmittelbar neben die „Frühlingssymphonie" (Symphonie Nr. 1, B-Dur, op. 38 aus dem Jahr 1841), da ihr Schöpfer die ursprünglich mit „Nummer 2" bezeichnete „Symphonische Phantasie" im Jahr 1853 einer Umarbeitung unterzog, die er dann mit der uns vertrauten Bezeichnung „Symphonie Nr. 4, d-Moll, op. 120" versah.

Die Komposition von Opus 61 fällt in das Jahr 1845, in eine Zeit schwerer gesundheitlicher Krisen, weshalb Schumann selbst seine Symphonie als den „Widerstand des Geistes, durch den ich meinen Zustand zu bekämpfen suchte", bezeichnete. Anlage und Ausdehnung dieses Werkes weisen zwar deutlich darauf hin, daß der Schöpfer mit dieser Symphonie etwas Besonderes aussagen wollte, die den Geist lähmende Krankheit aber gebot neuer kraftvoller Eingebung gebieterisch Einhalt. Im pathetischen Streben nach Höherem erreicht sie nicht den lebensbejahenden und schaffensfreudigen Schwung der „Frühlingssymphonie", schmerzliche Resignation vielmehr und leidenschaftliches Aufbegehren suchen nach einem Ausdruck, der die vier Symphoniesätze — im Sinne Beethovens — gedanklich miteinander verbindet.

Wie es um den geistigen und musikalischen Inhalt dieses Werkes bestellt war, wußte Schumann, stets auch gegen sich selbst gerecht und hart in Urteil und Kritik, wenn er schrieb: „Die Symphonie schrieb ich im Dezember 1845 noch halb krank; mir ist als müßte man ihr das anhören. Erst im letzten Satz fing ich an, mich wieder zu fühlen; wirklich wurde ich auch nach Beendigung des Werkes wieder wohler. Sonst aber, wie gesagt, erinnert sie mich an eine dunkle Zeit."

Im Frühjahr 1846 war das neue Werk vollendet und erlebte unter Mendelssohns Leitung am 5. November desselben Jahres in einem Leipziger Gewandhauskonzert seine Uraufführung. Es wurde bereits am 16. November wiederholt, um mit Schumann zu sprechen ein Beweis dafür, daß auch „solche Schmerzensklänge Interesse erwecken können."

1. Satz. Sostenuto assai — Allegro ma non troppo

Pianissimo eröffnet ein den Blechbläsern anvertrautes Fanfarenmotiv

groß und bedeutend die Einleitung zum ersten Allegro; Kindheitserinnerungen kehren damit in Schumanns Gedächtnis zurück: das abendliche Choralblasen der Türmer von Zwickau. Dieser Gedanke erhebt sich zum Leit- und Schicksalsmotiv, das mit Ausnahme des Adagios stets wiederkehrt.

Streicher und Holzbläser spinnen dazu einen geheimnisvollen Kontrapunkt, daneben zuckt aber auch schon andeutungsweise der punktierte Rhythmus auf, der als Hauptthema

das nun folgende Allegro beherrscht.

Während ein Suchen nach Klarheit, ein Ringen um Wahrheit, ein geradezu faustisches Streben das großartige Sostenuto durchleuchtet, entspricht die Durchführung des Allegros nicht durchwegs dieser bedeutungsvollen Vorbereitung. Werden dann aber mit kraftvoller Intensität Höhepunkte erreicht, sind sie Ausrufe eines tief im Herzen nagenden Schmerzes.

„Con fuoco" stürmt die Coda dem Satzende zu; anknüpfend an den Beginn kehrt sie das Bläserthema kräftig hervor.

2. Satz. Scherzo. Allegro vivace

Unterschiedlich zur häufigeren Gepflogenheit findet sich das Scherzo anstatt im dritten bereits im zweiten Satz. Vorerst noch eigensinnig und verhangen entwickelt es sich aus einem dem Klavier abgelauschten Motiv.

Es entfaltet sich in großzügigen Partien zu einem echten Schumann, der in ihm die ganze romantische Naturpoesie heraufbeschwört und darin sogar „freudenvollere Töne" aufklingen läßt.

Dieser Hauptteil umrahmt zwei Trios, von denen das erste

durch seine zierlichen und anmutigen Holzbläserfiguren entzückt, während auch das zweite

in den Ritartandos am Schluß der einzelnen Abschnitte die versonnene Schüchternheit Schumannscher Empfindung zum Ausdruck bringt.

3. Satz. Adagio espressivo

Mit dem wunderbaren Adagio des dritten Satzes ist der Höhepunkt der Symphonie erreicht. Auf nur ein einziges Thema

gestellt, strahlt es Ruhe und Beseeltheit aus, immer neue und innigere Wendungen der so ergreifend schönen Melodie abgewinnend. In zarte Harmonien gebettet, überwölbt sie inbrünstig-entrückt das Träumen von schöneren Welten. Sie verheißt Erfüllung, die jede Sehnsucht stillt, während die Holzbläser noch einmal das Thema aufgreifen und die Violinen im entschwebend zarten Triller von der Höhe herniedersteigen.

4. Satz. Finale. Allegro molto vivace

Anklänge an Themen aus den drei vorhergegangenen Sätzen treten auch im Finale auf, der Hauptgedanke des Adagios espressivo wandelt sich zu einem Seitensatz und die Bratschen und Celli erheben vorerst sehnsuchtsvoll ihre Stimmen als schwärmerischen Gegensatz zu dem kraftvollen Hauptthema,

das marschartigen Charakter trägt, über das sie schließlich aber auch die Oberhand gewinnen.

Daraus weitet sich eine erschütternde Stimmung des Verzichts, besonders ergreifend an der Stelle, an der dieses innige Thema langsam verklingend in drei Generalpausen erlischt. Trotz eines zweimal versuchten Aufschwungs will aber die wehmütige Abschiedsstimmung nicht weichen, bis endlich das große Fanfarenthema des ersten Satzes, das Leitmotiv der ganzen Symphonie, als leuchtend festlicher Höhepunkt den Abschluß krönt.

Theodor Berger

geboren am 18. Mai 1905 in Traismauer (Niederösterreich).

Jahreszeiten

Symphonie in vier Sätzen.

Besetzung: Drei Flöten, zwei Oboen, Englischhorn, drei Klarinetten, drei Fagotte, vier Hörner in F, drei Trompeten, drei Posaunen, Tuba, Pauken, große Trommel, kleine Trommel, Becken, Tambourin, Glockenspiel, Harfe, Streicher.

Theodor Berger lebt „ohne berufliche Bindung" (wie ein Lexikon schreibt, das sich mit Gewohnheitsrecht wundert, daß man vom Komponieren existieren kann) in Wien. Der Franz-Schmidt-Schüler hat seine eigene Tonsprache entwickelt, die seine bekannt gewordenen Orchesterwerke wie „Rondo giocoso", „Malinconia", „Chronique symphonique" (früher Ballade), die auch dem philharmonischen Publikum wohlbekannte „Legende vom Prinzen Eugen", das Ballett „Homerische Symphonie" — um nur die wichtigsten zu nennen — profiliert. Das nun zum ersten Mal erklingende neue Werk wird im nächsten Ballett-Premieren-Abend der Wiener Staatsoper mit choreographischer Ausdeutung aufgeführt werden.

Die viersätzigen „Jahreszeiten", deren Stirnsatz dem Herbst gewidmet ist, hat ein Programm und der Komponist selbst hat uns die Unterlage für die Deutung der einzelnen Satzphasen zur Verfügung gestellt. Er tat es in zweifacher Form: jeweils mit einem Substantiv charakterisiert, dieses aber dann auch erweitert. Berger meint: „Vielleicht empfiehlt der poetische Takt, im Programmheft nur die knappen Titel aufzuzeigen. Demgegenüber zeigt wieder die Erfahrung, daß es viele Konzertbesucher gibt, die bei den erweiterten Titeln besser genießen können." In Hinblick darauf scheint es angebracht, mit beiden Titeln, mit dem Fingerzeig und mit der Erläuterung, die jeweilige Situation dem Hörer nahezubringen:

Der erste Satz steht unter den Motti Herbstsonne (Berstender Schwang der Fruchtsonne), Reife (Spätsommerlicher Reifetrieb), Ernte (Frühherbstlicher Erntedrang), Vogelzug (Herbstlicher Vogelzug), Scheiden (Tiefherbstliches Abglimmen und Scheiden), Entsagen (Spätherbstliche Entsagung), Einsamkeit (Vorwinterliche Vereinsamung).

Darin erkennen wir also das Nebeneinander von Natur- und Persönlichkeitsstimmungen.

Je vierteilig ist das innere Programm der beiden Binnensätze.

„Wintersonne", „Verödung", „Schneesturm" und „Vereisung" werden in „Gläserne Sonne, eisiger Himmel, frierender Wald", „Winterliche Verlorenheit", „Bitzliger Wind" und „Weiße Waldgruft" übersetzt. .

„Frühlingssonne" wird dann mit „Schwereloser Blütenball, wiederkehrender Vogelzug", „Corso" mit „Frühlingspromenaden", „Flora" mit „Vegetation des Erwachens und Findens" und „Verschweben" mit „Abendlichem Verschweben der Lenzdüfte" erläutert.

Der abschließende „Sommer"-Satz hat fünf „Ton-Szenen": Sonne (Hochsommerlicher Feuerball), Schwüle (Vorgewitterliche Spannung), Gewitter (Wolkenbruch, Blitzschlag, „Roter Hahn"), Entspannung (Aufklärung, Sonne, Erquickung) und Hymnus (Spätsommerlicher Glückstanz). — Und damit findet gleichzeitig der Kreislauf eines Jahres seine abschließende Erfüllung.

Claude Achille Debussy

geboren am 22. August 1862 in Saint-Germain en Laye,
gestorben am 26. März 1918 zu Paris.

La mer

Drei symphonische Skizzen.

Besetzung: Piccolo, zwei Flöten, zwei Oboen, Englischhorn, zwei Klarinetten, drei Fagotte, vier Hörner, drei Trompeten, drei Posaunen, Tuba, drei Pauken, große Trommel, Becken, Tamtam, zwei Harfen, Streicher.

Die symphonische Dichtung „La mer" ist eine der bedeutendsten Tonschöpfungen des Impressionismus, dieser musikalischen Richtung, welche zu Ende des vergangenen Jahrhunderts in Frankreich entstand und in der Person Debussys nicht nur ihren Begründer, sondern auch ihren hervorragendsten Vertreter fand. Man kann ohne Übertreibung behaupten, daß niemals eine so enge Verwandtschaft zwischen Musik und Malerei offenkundig wurde, als es im impressionistischen Stil der Fall war. Debussy hat Gemälde in Töne übersetzt. Die zarten Farben Monets, Corots und anderer Meister dieser Schule fanden durch ihn adäquaten musikalischen Ausdruck. Stimmungen wurden zu Klängen, die aneinandergereihten Farbflecken vergleichbar, neue harmonische Bildungen ergaben. Die Vielfalt komplizierter Rhythmen, die Debussy bevorzugte, erwecken in Verbindung mit einer häufig einzelne Instrumente solistisch hervortreten lassenden Orchestrierung den Eindruck des Schimmernden, Oszillierenden.

Die ursprünglichen Titel der dreiteiligen Musikdichtung lauteten: „Mer belle aux Iles Sanguinaires — Jeux de vagues — Le vent fait danser la mer". Die erste und letzte Überschrift wurden dann geändert und durch die seither gebräuchlichen und allgemein verständlichen Bezeichnungen ersetzt.

Die drei symphonischen Bilder sind vermutlich der Niederschlag von Jugendeindrücken, die Debussy an der Küste von Cannes, wo er als Knabe weilte, empfing. „Meine Erinnerungen

an diese Gegend gehen bis an mein sechstes Jahr zurück. Ich sehe noch die Eisenbahnlinie vor mir, die an unserem Hause vorbeilief und das mit dem Horizont verfließende Meer, dann die Straße von Antibes, wo es so viele Rosen gab, wie ich sie in meinem Leben niemals wieder sah", erzählte Debussy seinem Verleger Jacques Durand. In seinen Lebenserinnerungen erzählt Durand Einzelheiten über die Entstehungsgeschichte der drei symphonischen Skizzen, die in den Jahren 1903 bis 1905 komponiert wurden. Debussy wohnte damals in Paris in einem kleinen Haus der Avenue du Bois de Boulogne. Sein Arbeitstisch war mit stilvollen Gegenständen der japanischen Kunst bedeckt. An der Wand hing ein farbiger Stich von Hokuskai, der eine brandende schäumende Woge darstellte. Für dieses Bild zeigte Debussy stets besondere Vorliebe. „Nicht die Naturerscheinung selbst", schreibt treffend Ernst Decsey in seiner Debussy-Biographie, „ein Bild davon genügte, um den Künstler zu inspirieren. Debussy ist durch die Kunst zur Kunst gekommen."

De l'aube à midi sur la mer

Der erste Abschnitt der Tondichtung beginnt mit einer in Quarten aufsteigenden Figur der Bratschen, die von leisen Paukenwirbeln und Harfentönen begleitet, den Meeresspiegel im Grau der ersten Morgenstunde charakterisiert.

Trompeten und Englischhorn deuten leise verklingend ein Thema an, das im weiteren Verlauf immer mehr an Bedeutung gewinnt.

Die majestätische Ruhe, die diese Introduktion atmet, hält indes nicht an. Geteilte Streicher und Cellos, denen sich ver-

einzelte Ausrufe der Holzbläser zugesellen, versinnbildlichen den erwachenden Tag. Die ersten Lichtstrahlen fallen ein. Luft und Wasser beleben sich. Diese genial der Natur abgelauschte Schilderung erreicht ihren Höhepunkt mit dem Eintritt eines Hörnerthemas.

Triolenrhythmen beherrschen diesen Teil, der, an Stimmführung und harmonischen Kombinationen immer reicher werdend, in die Coda mündet, die mit einer ausdrucksvollen Melodie des Solo-Violoncellos und des Englischhorns einsetzt. Ein mächtiges Crescendo des Orchesters, in dem Harfen und Holzbläser die Reflexe des Wassers malen, beschließt den Satz. Der Tag ist angebrochen, die Sonne hat ihre Herrschaft angetreten.

Jeux de vagues

Der zweite Satz mag als Schulbeispiel impressionistischer Musikauffassung gelten. Debussy war es nicht darum zu tun, wie es in den symphonischen Dichtungen der Neuromantik oft der Fall ist, eine der Wirklichkeit entsprechende Photographie in Tönen zu schaffen. Vielmehr sollten die Eindrücke und Stimmungen, die der Anblick des ständig sich erneuernden Wellenspiels auslöst, zum Ausdruck gebracht werden. Dieser Satz hat die Form einer freien Rhapsodie und ergeht sich in immer subtileren Kombinationen „als sei die Phantasie des Komponisten eben durch die Arbeit zu immer neuen Variationen angeregt worden" (Decsey).

Über den Tremolis der Streicher und gebrochenen Akkorden der Holzbläser ertönen Figuren,

die an eine Brise über dem Meeresspiegel denken lassen. Ihnen folgt, gleichsam als Reaktion, die Antwort des unendlichen Wasserspiegels, an dessen Glitzern und Flimmern die schwelgerischen Trillerketten der Violinen erinnern.

Dialogue du vent et de la mer

Eine sehnsuchtsvolle Phrase in cis-Moll leitet den dritten Abschnitt, das Zwiegespräch zwischen Wind und Wellen, ein. In diesem Satz zeichnen sich zwei Bewegungslinien ab: die erste, meist akkordisch, den Holzbläsern zugeteilt, die zweite vorwiegend den Streichern anvertraut. In langen Strecken dieser Skizze hält die Illusion eines Zwiegespräches vor. Von hohen Streicherlagen und Harfen begleitet, meldet sich ein Choralthema der gedämpften Hörner im Mittelteil. Ein ausdrucksvoller Gedanke,

zunächst vom Cello gebracht und dann von der ersten Flöte übernommen, gewinnt immer mehr an Bedeutung. In der Schlußapotheose läßt der untrügliche Sinn des Komponisten für Klangwirkungen die Bläser stärker zu Worte kommen. Das Choralthema erscheint im vollen Glanz des Blechbläserklanges

und bildet den mächtigen Epilog dieser von unstillbarer Liebe zur Natur erfüllten Tondichtung.

DIMITRI MITROPOULOS

Atheismus in der Musik

Vom Beginn der musikalischen Betätigung der Menschheit bis zum heutigen Tage lassen sich drei Perioden der Entwicklung deutlich erkennen: die göttliche Periode (die Musik im Dienste der Religion), die menschliche — mit der Entwicklung ins Allzumenschliche (romantische Periode) und schließlich die mechanische, unmenschliche — man kann sogar sagen die atheistische Periode der heutigen Zeit. Der Übergang von einer Periode zur anderen entsprang dem Bedürfnis einer Reaktion. Folgte nun der Wechsel vom Göttlichen zum Menschlichen einer natürlichen Entwicklung, so erwuchs aus dem Allzumenschlichen eine Reaktion, die zum totalen Mechanismus, zum „Athematismus", zum Atheismus führte.

Diese Erscheinung ist allen Künsten gemein. In der Malerei führte die Entwicklung des 20. Jahrhunderts zur Abstraktion. Die Musik ist nun an sich eine abstrakte Kunst, doch galt zu allen Zeiten als wesentlicher konkreter Inhalt ihrer Aussage das Thema, ohne das ein musikalisches Kunstwerk nicht denkbar war. Die heutige Avantgarde verleugnet aber das Thema und postuliert das organisierte Chaos. Diese Entwicklung in den Künsten entspricht dem Wandel der Lebensauffassung der Menschheit, der vom Polytheismus zum Monotheismus und schließlich zum Atheismus der heutigen Zeit führte — und der Künstler ist es, der stets unter dem Einfluß des Geistes seiner Zeit und der Entwicklung der Zivilisation steht. Daher weist auch die heutige Interpretation die Merkmale der Technik und des Tempos unserer Zeit auf. Dazu kommt die Entwicklung der zunehmenden technischen Beherrschung des Instrumentes, die eine Beschleunigung des musikalischen Tempos ermöglicht. Man braucht heute ja auch nur sechs Stunden, um von Amerika nach Europa zu kommen. Ebenso ist auch in der Musik das Pathetische und Romantische veraltet und das schnelle Tempo zeitgemäß.

Die Geschichte der Kunst spiegelt die Änderung der allgemeinen Lebenseinstellung der Menschheit und die christliche Religion hat sich durch Reformen und die Aufsplitterung in verschiedene Kirchen und Sekten dahin entwickelt, daß man heute von einem Anarchismus in der Religion oder — mit den Worten der Musik — von einem „Atonalismus" reden könnte, der in seiner stärksten Reaktion zum Atheismus wurde. Statt daß

alle christlichen Kirchen, überhaupt alle Religionen und Gläubigen der Erde sich einigten, sind sie durch ihren Dogmatismus und die daraus erwachsende Zersplitterung so schwach geworden, daß die Idee des Atheismus erfolgreich zu werden scheint. Christus jedoch hat die Hebräer gelehrt, daß Jehova nicht ein „Privatgott" von Israel sei, sondern ein und derselbe Gott für alle Menschen. Und bereits Sokrates sagte fünf Jahrhunderte früher, daß es nur einen Gott gibt. Er wurde dafür zum Tode verurteilt und später haben die Griechen aus Angst einen Tempel dem unbekannten Gott geweiht, in dem Paulus seine erste Rede in Athen hielt. Was aber haben wir daraus gelernt? Nichts! Die Zersplitterung der christlichen Religion hat uns an den Punkt gebracht, daß jeder zu seinem Gott betet, er möge seinen Feind bestrafen. Auf diese Weise ist uns auch erlaubt, gegen unsere Feinde zu kämpfen und sie zu töten. Und wir erwarten dazu den Segen unseres Gottes.

Und nun wieder zurück zur Musik. Die jüngste Generation der Komponisten glaubt an ein organisiertes Chaos. Der Instrumentalist wird bei der Ausführung ihrer Kompositionen zur Maschine, die ohne Beteiligung des Gefühls oder der Persönlichkeit lediglich die Aufgabe hat, ab und zu in unendlich vielen Kombinationen einen oder zwei Töne zu spielen. Weil aber dieses organisierte Chaos zur Bewältigung der Schwierigkeiten bei der Ausführung eine Unzahl von Proben erfordert und kostspielig ist, wird das elektronische Instrument der einfachste Ausweg, diese Art von Musik zum Erklingen zu bringen. Also weg mit den Themen, weg mit den Interpreten! — Immerhin wurde aber seit Bestehen der musikalischen Kunst genug Musik komponiert, so daß die Hoffnung besteht, daß die Orchestermusiker und Dirigenten auch weiterhin noch Beschäftigung finden...

Wie kann man aber der letzten Konsqeuenz dieser Entwicklung, die die völlige Mechanisierung der Musik bedeutet, ausweichen? Was ist denn die Zukunft der Menschheit, wenn es überhaupt noch eine Zukunft gibt?

Wird man vielleicht als Reaktion auf diese Entwicklung etwas Neues, Besseres finden? Ich fürchte, auf dem Punkte, wo wir jetzt stehen, ist die einzige Reaktion die vollständige Vernichtung der Menschheit — und ihrer Kunst. Doch Einstein tröstet uns, indem er sagt: „Wenn nach einer totalen Vernichtung der Menschheit noch irgendwo Menschen übrigbleiben, so werden sie eben wieder von vorne beginnen — und auch wieder ein T h e m a haben."

Zurück zu den alten Meistern —
und es wird ein Fortschritt sein.
Giuseppe Verdi

Otto Nicolai, dessen Gründung der Philharmonischen Konzerte, wie er selbst sagte, das bedeutendste war, was er in seinen Wiener Jahren getan hatte, trug in sein Tagebuch ein: „In diesen Konzerten habe ich bis jetzt nur durchaus klassische Musik zur Aufführung gebracht und in diesem Sinne sollen sie auch fortbestehen."

Eine bedeutungsvolle Erklärung, wenn man bedenkt, daß sie 1845, also zu einer Zeit gegeben wurde, da Mozart ein halbes Jahrhundert, Haydn sechsunddreißig und Beethoven gar erst achtzehn Jahre tot waren, Brahms und Bruckner ihre ersten Kompositionen schrieben und Gustav Mahler, Richard Strauss oder Franz Schmidt noch gar nicht geboren waren.

Die Wiener Philharmoniker haben nun tatsächlich, der Weisung ihres Gründers gemäß, immer wieder und vor allem „nur durchaus klassische Musik" gepflegt. Sie haben sich solcherart den Ruf erworben, konservativ zu sein, ja allzu konservativ. Es ging soweit, daß man ihnen vorwarf, bei den Gräbern von Brahms und Bruckner stehen geblieben zu sein, immer nur der Vergangenheit gelebt zu haben, ohne die Gegenwart zur Kenntnis zu nehmen. Nun, es gab Philharmonische Konzerte, in denen Johannes Brahms die Uraufführungen seiner Haydn-Variationen oder der Tragischen Ouverture selbst dirigierte, in denen zeitgenössische, zu ihrer Zeit zuweilen auch recht umstrittene Meister wie Wagner, Verdi, Bruckner, Mahler, Strauss, Pfitzner, Schönberg, Furtwängler oder Paul Hindemith etwa nach den Aufführungen ihrer Kompositionen sich für den Beifall bedanken konnten.

Daß die Wiener Philharmoniker dem neuen, dem zeitgenössischen Werk gegenüber zu allen Zeiten keineswegs verschlossen waren, wird nicht allein nur durch die heutige Uraufführung der „Jahreszeiten" von Theodor Berger bewiesen, sondern auch durch die Programme der Philharmonischen Konzerte von

DIMITRI MITROPOULOS †

Der große Dirigent starb am Pult in der Mailänder Scala

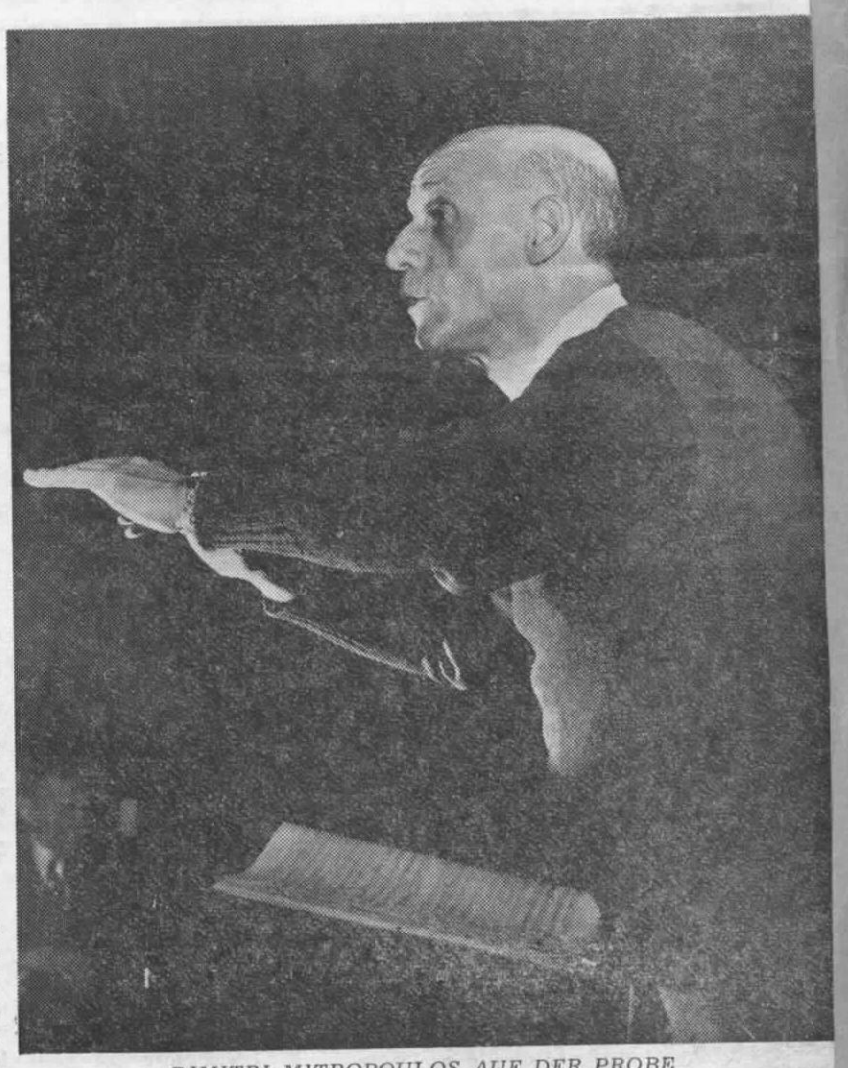
Gestern, am Allerseelentag, mußte das Salzburger Festspielhaus Trauer anlegen, und viele der großen Opernhäuser und Musikhallen der Welt hißten die schwarze Fahne wie die Mailänder Scala: Dort geschah es am grauen Vormittag, als die Orchesterprobe zu Gustav Mahlers 3. Symphonie gerade richtig begonnen hatte, daß dem Maestro auf dem Podium plötzlich der Stab entfiel. Einen halben Takt lang stand seine hagere Gestalt hoch aufgerichtet still, — dann stürzte der Körper in sich zusammen. Dimitri Mitropoulos war abberufen. 64 Jahre alt, ein wenig früher als die anderen Großen, die die Musikwelt vor ihm im letzten Dezennium der Reihe nach verlor, — Fritz Busch, Furtwängler, Krauss, Kleiber, van Beinum —, aber an künstlerischer Reife auf seiner höchsten Höhe angelangt, so traf ihn der Tod an. Es war am selben Platz, wo er dreißig Jahre vorher sein erstes Konzert an der Scala geleitet hatte. Nun war das jähe Ende gesetzt. Als der Theaterarzt erschien, hatte er so gut wie nichts mehr zu helfen. Der Befund lautete auf Gehirnschlag. Der Ambulanzwagen des Croce Rossa raste mit einem Sterbenden zum Hospital. Der Weg war länger als die Frist, die Dimitri Mitropoulos noch beschieden war . . .

In aller Welt mögen sich heute die Musikfreunde, die Musiker und Sänger das Bild dieser großartigen, eigenwilligen und dennoch ganz zum Dienen bestimmten Existenz des Dirigenten und Kapellmeisters Mitropoulos noch einmal vergegenwärtigen: Seine kontemplative Kraft, die aus der Klarheit aller seiner Interpretationen sprach, sein durchdringendes Formgefühl, welches Strenge und impetuoser Schwung zu einer wunderbar hellsichtigen Dynamik der Wiedergabe emporführten, und immer aufs neue sein staunenerregendes, souveränes Gedächtnis, das ihn fast alle Werke der Konzert- und Opernliteratur frei vom Notenbild beherrschen ließ, — das war eine Summe von ingeniöser Begabung, die Ehrfurcht gebot.

In Salzburg erlebte es ein vielsprachiges Publikum zum letztenmal in der Felsenreitschule, im vergangenen August, als der große griechische Musiker und Deuter Gustav Mahlers „Symphonie der Tausend" auf solche Art zu einem unvergeßlichen Triumph führte. (Jahre vorher war es eine grandiose „Elektra".) Das nächste Mal, bei den Festspielen 1961, hätte am selben Ort die Neueinstudierung des „Simone Boccanegra" von seiner Hand größte Erwartungen zu erfüllen gehabt und zwei Symphoniekonzerte wären wieder unter seinem Namen gestanden.

Die Wiener Staatsoper, wo der Verewigte vor wenigen Wochen noch Verdis „Macht des Schicksals" vorbereitet und dirigiert hatte, verliert, wie es in einer Trauerbotschaft der Direktion heißt, eine ihrer ganz großen Persönlichkeiten am Pult, die seit 1956 dem Hause aufs engste verbunden war. Das Konzertleben in der Bundeshauptstadt, dem in dieser Saison mit dem Künstler noch zwei glückhafte Musikabende im ersten und zweiten Abonnementkonzert gegönnt waren, wird das Wirken dieses herrlichen, leidenschaftlichen Musikers ebenso hart entbehren wie die bedeutenden Orchester, denen er hier wie in anderen Weltstädten seine hinreißenden Kräfte an Einsicht und Können mitzuteilen wußte.

Dimitri Mitropoulos wurde am 18. Februar 1896 in Athen geboren. Er stammte aus einer Familie von Geistlichen und Mönchen; sein Großvater war Priester der griechisch-orthodoxen Kirche, sein Großonkel bekleidete die Würde eines Erzbischofs. Eine Zeitlang drängte es auch Dimitri zum Priesteramt, aber seine Liebe zur Musik war stärker. Mit sieben Jahren begann der Knabe, Klavier zu spielen, mit zwölf trat er in das Athener Konservatorium ein, mit vierzehn komponierte er. Im Alter von 23 Jahren schrieb er nach einem Text von Maeterlinck die Oper „Schwester Beatrice", die vom Athener Konservatorium aufgeführt wurde und den Beifall des damals 86jährigen französischen Komponisten Camille Saint-Saëns fand. Sein Musikstudium führte Mitropoulos später nach Brüssel und Berlin, wo er Schüler von Ferruccio Busoni wurde.



Seine internationale Dirigentenkarriere begann 1930, als er eingeladen wurde, die Berliner Philharmoniker zu dirigieren. Es wurde ein doppeltes Debut: Als in letzter Minute der Pianist, der das Klavierkonzert Nr. 3 von Prokofieff spielen sollte, erkrankte, spielte Mitropoulos das Werk selbst und dirigierte das Orchester vom Klavier aus. Das wurde die Stunde eines entscheidenden Erfolges.

Berlin war nur der Anfang einer Laufbahn, die über Frankreich, England, Belgien, Italien, Sowjetrußland und Monte Carlo nach Amerika führte, wo Koussevitzky den jungen Kollegen einlud, mit den Bostoner Symphonikern zu musizieren. Mitropoulos wurde 1936 der Nachfolger Eugene Ormandys als ständiger Leiter dieses Orchesters. Von da an wirkte der Künstler hauptsächlich in USA und erlangte 1946 die Rechte eines amerikanischen Staatsbürgers. 1949/50 wurde er neben Stokowski zweiter Dirigent der New-Yorker Philharmoniker und ein Jahr später, bis 1957, deren ständiger Leiter.

Dimitri Mitropoulos ist in fast allen Musikstädten der Welt und bei den bedeutendsten Festspielen zweier Kontinente als Konzert- und Operndirigent hervorgetreten. Sein künstlerischer Alltag kannte bis zum letzten Tage — so wie bei allen überragenden Meistern seines Faches — keine Schonung seiner eigenen Person. Dies kam am tiefsten und schönsten vielen zeitgenössischen Musikern zugute, denen Mitropoulos mit unbeirrbarer Konsequenz und entsprechend seinem Wertgefühl unzählige Chancen von Aufführungen ihrer Werke gab.

Von seiner Hand stammen nicht wenige Kompositionen für Orchester-, Kammermusik und Liedgesang. Es war ihm eigen, daß man darüber durch ihn selbst am wenigsten erfuhr.

Stroncato da un collasso *Dimitri Mitropoulos* mentre prova alla Scala

Il celebre direttore d'orchestra aveva appena iniziato la terza sinfonia di Mahler quando si è accasciato sul podio - E' morto mentre veniva trasportato all'ospedale

MILANO, 2.

Dimitri Mitropoulos, il famoso direttore d'orchestra, è morto stamani pochi minuti dopo mezzogiorno a Milano.

Il maestro è stato colto da collasso cardiaco mentre sul podio della Scala aveva iniziato le prove della terza sinfonia di Mahler unico pezzo in programma per il concerto di lunedì prossimo.

Dimitri Mitropoulos era giunto a Milano ieri sera. Alle 10,30 di stamani si era recato alla Scala. Dieci minuti dopo, entrato nella sala, dove si trovava già l'orchestra aveva cominciato le prove. Prima di iniziare, il maestro aveva salutato gli orchestrali rammaricandosi che le sue condizioni di salute gli avessero impedito di essere presente ad altri concerti.

Concludendo il suo breve discorsetto, Mitropoulos aveva detto con un certo sapore di presagio: « Un uomo quando è vecchio è come una vecchia automobile che fatica ad andare ». Aveva quindi dato il via alle prove. Vestiva un abito sportivo, come di consueto, dirigeva senza partitura. Dopo poche battute, improvvisamente, si è abbattuto sul podio e cadendo si è prodotto una ferita al sopracciglio.

Gli orchestrali gli si sono stretti subito attorno. Accorreva anche il medico di servizio, che ordinava immediatamente il trasporto all'ospedale. Sull'ambulanza dei vigili del fuoco, giunta nel frattempo, hanno preso posto, accanto al mestro, lo stesso sanitario ed il segretario generale dell'ente dottor Oldani. Dimitri Mitropoulos era già in coma; il sanitario gli praticava alcune iniezioni durante il tragitto ma prima che la lettiga giungesse al policlinico, il maestro spirava senza aver ripreso conoscenza.

Nato ad Atene nel 1896, Dimitri Mitropoulos compì gli studi musicali nel locale conservatorio, si perfezionò a Bruxelles sotto il maestro Gilson e successivamente a Berlino con Busoni. Nella capitale tedesca ottenne anche i primi successi come direttore d'orchestra.

Nel 1924 fu chiamato alla direzione dell'orchestra sinfonica di Atene e mantenne tale incarico per vari anni, esplicando contemporaneamente parte della sua attività all'estero. Nel 1930 ottenne la cattedra di composizione presso il conservatorio di Atene. Dall'attività internazionale le sue energie furono pienamente assorbite nel 1930, anno in cui iniziò una serie di concerti in Germania, Francia, Inghilterra, Belgio, Italia, URSS, Principato di Monaco e Stati Uniti, Paesi nei quali raccolse vasti, unanimi consensi.

Nel 1938 tornò negli Stati Uniti, dove diresse le più importanti orchestre, tra le quali l'orchestra sinfonica di Minneapolis, dimostrandosi anche dinamico organizzatore e innovatore. Nel 1951 fu nominato direttore titolare della Philarmonic Symphony Society di New York dove diresse varie volte anche al Metropolitan.

Non trascurò tuttavia di ripresentarsi più volte ai pubblici europei: raccolse grandi successi al festival di Salisburgo, al Maggio Musicale Fiorentino, e alle stagioni sinfoniche e operistiche del teatro della Scala di Milano e dell'Accademia Nazionale di Santa Cecilia in Roma.

Compositore egli stesso, annoverava fra i suoi lavori giovanili un'opera, la « Sorella Beatrice », su testo di Maeterlinck, che suscitò l'entusiasmo di Camillo Saintsaens

Nel 1955 gli era stato conferito il premio San Luca dal cenacolo fiorentino dei XII Apostoli.

Era stato nominato accademico onorario di Santa Cecilia il 12 gennaio scorso.

Un vuoto incolmabile

Dimitri Mitropoulos è morto sulla breccia, come Arturo Nikish, come Arturo Rodzinski e come altri illustri direttori. Si sapeva da tempo che fosse infermo, e la sostituzione con altro maestro del Parsifal *che doveva dirigere lo scorso anno alla Scala ne fu dolorosa conferma. Poi si seppe con gioia che aveva ripreso la sua attività, riscuotendo nuovi grandi successi in America ed anche in Europa.*

Mitropoulos apparteneva a quella « media guardia » dei direttori d'orchestra, a noi contemporanea. La vecchia guardia (principe Toscanini!) era ormai un ricordo, vivo, per nostra fortuna, in quell'incalcolabile, benefico ritrovato che è il disco. Perciò erano i direttori della generazione di Mitropoulos quelli sui quali esecuzioni ed offerte dei capolavori della letteratura musicale finivano per costituirsi in altrettanti testi. Anche per il fatto che questa generazione aveva su quella precedente il vantaggio di un'approfondita esperienza di cultura e di critica.

E chi ha potuto conversare con Mitropoulos se ne è reso ben conto. Arguto, cordiale, ma anche incisivo era il discorrere suo in merito a fatti, autori ed avvenimenti della musica. Dove il suo gusto s'era, negli ultimi tempi, alquanto mutato, orientandosi risolutamente verso quelle opere di più specifico contenuto spirituale, e il Parsifal *era stato la mèta di questo suo atteggiamento.*

Mitropoulos è stato, però, anche assertore nel fatto delle espressioni più tipicamente d'avanguardia, cosicchè il Wozzeck *deve proprio a lui la popolarità che gli è venuta con sicura e diretta cognizione di causa. Era, anzi, il più autorevole specialista del repertorio moderno, senza, per questo, essere di meno nella vivacissima esegesi delle opere maggiori del repertorio romantico.*

Tutti ricorderanno la geniale edizione che pochi anni fa si ebbe al Maggio Musicale della Fanciulla del West *(che ebbe anche la regia di Curzio Malaparte). L'arte di Mitropoulos si misurò, allora, in tutta la sua elevatezza: un conoscitore di certosina lena nell'indagine della partitura, seguita da un'animazione della medesima che a qualcuno sembrò quasi dionisiaca, pur nella sua limpidezza.*

Qui la situazione di Mitropoulos, nel quadro, cioè, dei viventi direttori d'orchestra, si mostra senz'altro eccezionale. E perciò la sua scomparsa non potrà essere tanto facilmente rimarginata.

Domani i funerali del maestro Mitropoulos

Milano, 3 novembre.

I funerali del maestro Dimitri Mitropoulos, morto ieri mattina sul palcoscenico della Scala, si svolgeranno sabato mattina.

Dalla camera ardente allestita al policlinico, dove fino a stamani si è svolto un mesto pellegrinaggio di personalità del mondo artistico milanese, di autorità e di ammiratori dello scomparso, la salma è stata portata all'istituto di medicina di via Mangiagalli per l'autopsia. Domani il professor Marrubini e alcuni specialisti la « prepareranno » per il trasferimento negli Stati Uniti o in Grecia dove avrebbe definitivamente sepoltura dopo la provvisoria tumulazione al cimitero monumentale di Milano.

Pare che il governo ellenico abbia espresso il desiderio di poter celebrare onoranze funebri nazionali al grande musicista. Si ignora se la richiesta sarà accolta, poichè l'assenso è ancora condizionato, naturalmente, dalle eventuali ultime volontà del maestro e dall'atteggiamento che potranno assumere le autorità degli Stati Uniti, paese del quale Mitropoulos aveva assunto la cittadinanza. Se la richiesta di Atene venisse accettata, il corpo imbalsamato verrebbe trasportato in Grecia da un aereo militare ed esposto nella cattedrale di Atene.

If anything, Mr. Mitropoulos the Greek Dimitri Mitropoulos.

the shepherd's onstage song.

LA TROMBA SQUILLO', UNA GRANDE BACCHETTA CADDE

Mitropoulos crolla improvvisamente sul podio mentre sta dirigendo una prova alla «Scala»

"Mi sento come una vecchia automobile piena di cose che non vanno„ aveva detto poco prima di morire il celebre direttore ai professori d'orchestra - L'anno scorso aveva avuto un infarto, ma non si era concesso sufficiente riposo

Dimitri Mitropoulos era il frate laico della direzione orchestrale moderna, come il terziario di un nuovo ordine monastico in cui il fuoco spirituale sembrava travolgere il «raptus» medesimo dell'impeto ricreativo di sonorità torrenziali. Si schierava perciò fra gli interpreti più fervidi e, in un senso squisitamente religioso, più devoti della generazione musicale che ebbe in Toscanini, Furtwaengler e Bruno Walter i patriarchi e nel quasi coetaneo Victor De Sabata il degno fratello d'apostolato. Un isolato, Mitropoulos, dalla personalità complessa. Forse, un introverso. Certo, un artista che prima d'interessarsi alle partiture ciclopiche di Strauss e successori del neoromanticismo tedesco, da Schoenberg a Webern, di cui fu dominatore indiscusso, amava sprofondarsi nella lettura dei *Fioretti* francescani e degli *Opuscola* di Tommaso d'Aquino, per risollevarsene, purificata la mente e ringiovanite le forze, fino alle estasi di Caterina senese e della Carmelitana d'Avila.

A vederlo, a parlargli, piaceva più ancora che a sentirlo palpitare attraverso la orchestra rabescata e smagliante. Si diffondeva dalla sua voce pacata una serenità d'uomo semplice ed affabile, dall'anima incredibilmente mite, dai principi evangelici, dalle opere (le nascoste, e del cui segreto era geloso) caritatevoli quando non misericordiose. Sprigionavano dal volto emaciato e dallo sguardo mobilissimo le lampeggianti vibrazioni che unicamente risvegliava il desiderio delle cose eterne e la strenua volontà di bene: morale volontà, che stava alla base d'ogni sua realizzazione d'arte.

Piaceva ed incantava. Ed è chiaro che non facciamo questione, qui, della tecnica direttoriale eccezionalissima, che aveva fatto di lui un maestro conteso in tutto il mondo. Chiaro che neppure si vogliono ritessere, nell'ora imprevista e funesta all'amico innanzi che allo scrittore di necrologi, le lodi d'una coscienza di studioso non mai soddisfatto, che rifiutava innumerevoli vantaggiosissime offerte perchè un solo dubbio, un solo impercettibile dubbio filologico o stilistico, minava la fede e comprometteva la certezza; cosicchè assistere a un suo concerto finalmente compiuto, a una sua concertazione d'opera finalmente varata e consacrata dal successo, significava l'avventura di partecipare a un avvenimento perfetto: che è, insistiamo, la proprietà delle cose eterne da lui desiderate.

Il maestro Dimitri Mitropoulos in una recente foto, mentre dirige le prove di un concerto.

Commovente, affascinante, in Dimitri Mitropoulos, appariva soprattutto il sentimento umano dei rapporti che lo legavano alla vita di ogni giorno, e di ogni simile, dietro il presupposto obbligato di una vita, la sua, intimamente e intensamente contemplativa. Posizione che si rifletteva immancabilmente sui risultati artistici da lui maturati nella sofferenza e conseguiti come per un fatto d'amore simbolico, dunque come per un rito rivelatore di passione mistica; meglio di unione mistica. Di qui la commozione, il fascino delle apparizioni di Mitropoulos sui podi teatrali e concertistici, quasi sempre avvinte a un misterioso ricordo e risospinte da un misterioso affetto. Di qui il carattere per così dire liturgico delle sue rare prestazioni, circondate da una specie di timore reverenziale piuttosto che coronate dagli osanna clamorosi del pubblico.

Adesso è andato. E' andato come doveva, dall'alto di uno sgabello che per lui era un po' la cattedra, un po' il pulpito, un po' il confessionale. E' andato mentre meditava d'innalzarsi e completarsi, come altre volte, in un anelito di canto non ancora concluso nelle penombre claustrali della Scala. Doveva andarsene così, in silenzio, umile monacello ancora intento a versare olio nelle lampade del tempio per il canto a venire, canto di Gustav Mahler, profeta dei profeti, ma l'olio si riversa sul suolo sacro alle muse, e va perduto quando il canto non si è ancora configurato in cosa eterna, com'egli sognava.

Se si facesse l'autopsia del cuore di Dimitri, essa rivelerebbe quello che si scoprì un lontano giorno nel cuore della Carmelitana immortalata a Roma dal genio di Bernini: la presenza d'una cicatrice che lo divideva quasi interamente.

terrompere l'attività, e questo gli aveva impedito di tornare nei termini previsti. Aveva ripreso dopo qualche mese di riposo e pare che ci sia stato un secondo allarme, meno grave, comunque ignorato.

Appena arrivato, l'altra sera, aveva telefonato al segretario artistico della Scala, il maestro Renzo Bianchi; aveva voluto sapere i nomi di alcuni professori dell'orchestra che sarebbero stati maggiormente impegnati nel concerto tutto dedicato alla sinfonia numero 3 di Mahler, in occasione del centenario della nascita del compositore, che lo stesso Mitropoulos ha contribuito forse più di chiunque altro a rivalutare.

Stanco appariva ieri mattina, al contrario, quando è arrivato alla Scala dal suo albergo, con qualche minuto di anticipo sull'ora fissata. Ha preso un caffè, prima di entrare, assieme con il primo oboe prof. Michele Visai, il quale ha notato che il maestro aveva un leggero affanno. Ma era lo stesso affanno di tanti anni prima, quando Mitropoulos era venuto alla Scala a dirigere il «Wozzeck» di Berg, una dura battaglia modernista. Il maestro l'aveva spuntata, aveva anche saputo parlare al pubblico eccitato, in un intervallo, proponendo di rimandare alla fine i dissensi o gli applausi. Un fatto raro nella storia della Scala. E poi prima di incominciare la prova in palcoscenico — come sempre nei concerti — Mitropoulos s'era lasciato sfuggire una frase curiosa: «Mi sento come una vecchia automobile piena di cose che non vanno; comunque, insieme ce la faremo».

Non ce l'ha fatta. Meno di mezz'ora dopo era tutto finito. Più tardi la salma è stata composta nella camera ardente del Policlinico, in via Francesco Sforza 38. Aveva sempre indosso l'abito di grisaglia quasi nera con cui s'era recato alla prova, la camicia blu. Intorno alla salma quattro grandi ceri, davanti un vaso di crisantemi, inviati dalla Scala, mentre i professori dell'orchestra a turno di quattro lo vegliavano. Stamane si vedrà, ma sembra necessario che la salma venga trasferita all'obitorio, sia per le formalità di legge sia per la preparazione necessaria prima del trasporto negli Stati Uniti. La direzione della Scala e la fedelissima segretaria di Mitropoulos, la signorina Trudi Goth, si sono occupate di conserva delle diverse pratiche.

Sparsasi la notizia, è incominciato verso la camera ardente un pellegrinaggio di ammiratori ed amici che man mano si è andato intensificando. Un sacerdote ortodosso è venuto a benedire la salma. Da tutto il mondo sono giunti fasci di telegrammi testimonianti l'universale lutto. Il concerto in programma ieri sera alla Scala non è stato sospeso, nello stesso spirito che aveva spinto il maestro a servire l'arte, al di là di qualsiasi dubbio. A lui l'orchestra ha dedicato, prima di incominciare, la marcia funebre dell'«Eroica» di Beethoven.

Mitropoulos era nato ad Atene nel marzo 1896, e si affermò giovanissimo come direttore di orchestra e come pianista. Passò in seguito all'Opera di Berlino, fu direttore dell'orchestra sinfonica di Parigi fino al 1932. Successivamente in America, con l'aiuto di Sergio Kussevitski, fu direttore stabile dell'orchestra sinfonica di Minneapolis e poi della Filarmonica di Nuova York.

Meditò da giovane di prendere i voti, più tardi si propose di «servire Dio attraverso la musica». Aveva anche passione per le cose d'arte; a Milano, dove ebbe occasione di frequenti ritorni, l'unico svago che si concedeva erano le visite a musei e negozi di antiquari. Si esprimeva perfettamente nella nostra lingua, che amava, rivelando l'origine straniera solo attraverso qualche durezza di accento. La prima volta che diresse alla Scala fu nel 1934, tornò nel 1935 e in altre stagioni, prima e dopo la guerra. Nel 1946 doveva partecipare, per desiderio di Toscanini, che lo apprezzava come uno dei maggiori direttori viventi, alla prima stagione sinfonica scaligera. Non potè per una malattia; mandò invece la sua offerta per la ricostruzione del teatro. Toscanini lo sostituì personalmente: un gesto che non avrebbe fatto, probabilmente, per altri.

La grande giornata scaligera di Mitropoulos fu quella della prima del «Wozzeck», nel 1952. Da allora era diventato veramente di casa, con il pubblico milanese. Nel 1954 diresse ancora l'«Elettra», di Strauss e l'«Arlecchino», di Busoni, del quale era stato, fra l'altro, allievo, a Berlino, come pianista. L'ultima volta aveva diretto alla Scala nel giugno del 1957; era in programma la Sesta sinfonia di Mahler, qui non ancora mai eseguita.

CORDOGLIO IN TUTTO IL MONDO per la scomparsa di Mitropoulos

La salma verrà traslata in una città straniera per la cremazione, poi le ceneri saranno trasportate ad Atene o a Nuova York

Nella forma più semplice e schiva il feretro contenente la salma di Dimitri Mitropoulos sarà domani trasferito da Milano ad una città straniera che si presume sia Lugano, dove si procederà alla cremazione, come il maestro aveva disposto nel suo testamento. Si provvederà poi al trasporto nella città dove le sue ceneri riposeranno per sempre: forse New York, dove Mitropoulos — cittadino americano ormai da tanti anni — risiedeva; più probabilmente Atene, che rivendica le spoglie di questo suo grande figlio.

Nel testamento aperto ieri dal notaio che ne era depositario, a Nuova York, Mitropoulos oltre al desiderio di essere cremato aveva espresso la preghiera che si evitasse qualsiasi manifestazione pubblica presente il suo corpo; che si rinunziasse ai fiori e ad altri omaggi; non esprimeva invece nessuna indicazione sul luogo della sepoltura. Ripetuti scambi telefonici sono avvenuti perciò ieri fra la direzione della Scala, la segretaria del maestro, il Consolato generale degli Stati Uniti da una parte; il notaio americano e altre persone dall'altra. Si era pensato in un primo tempo ad un solenne corteo funebre, a Milano, che partisse dalla Scala o vi facesse sosta: ma come si poteva conciliare questo progetto con il desiderio di Mitropoulos di evitare qualsiasi manifestazione? Si doveva dare una sepoltura provvisoria al maestro qui, nel cimitero Monumentale, in attesa di altre decisioni?

Le consultazioni si sono ripetute fino a tarda sera e finalmente le disposizioni prese sono state quelle più consone allo spirito e alle parole del testamento. Non vi sarà corteo funebre. La salma che si trova ora all'Istituto di medicina legale, verrà chiusa nel feretro, che sarà esposto domani dalle 11 alle 15 in una camera ardente, allestita nello stesso Istituto; e quelli che vorranno, potranno sfilare davanti per un omaggio silenzioso, dal quale saranno esclusi i fiori — s'è detto — e ogni segno di pompa. Alle 15 il feretro verrà caricato su un furgone funebre che partirà per una città straniera di cui non è fatto il nome ufficialmente, allo scopo di evitare lungo il percorso manifestazioni di lutto o di curiosità; ma che si presume appunto sia Lugano.

Continuano intanto ovunque le manifestazioni di lutto: da ogni parte del mondo arrivano ancora alla direzione della Scala fasci di telegrammi, fra cui quelli dell'Opéra di Parigi, della Filarmonica di Vienna, del teatro Comunale di Firenze, del Metropolitan e della Carnegie Hall di Nuova York; ha telefonato invece da Santa Margherita il maestro Victor De Sabata per esprimere il suo vivo cordoglio. Moltissime personalità del mondo musicale e artistico presenti a Milano avevano reso omaggio l'altra sera alla salma — come si è già riferito — nella camera ardente allestita al Policlinico; ieri mattina il pellegrinaggio è ripreso, ma quasi subito doveva essere interrotto, alle 9, perchè il corpo di Mitropoulos doveva essere trasferito all'Istituto di medicina legale.

Nel pomeriggio è stato eseguito l'esame necroscopico prescritto dalla legge, che ha confermato quanto il medico del teatro aveva constatato e quanto si sapeva. La morte di Mitropoulos è avvenuta per un nuovo attacco del male che lo aveva già gravemente colpito nel gennaio dello scorso anno. Chiusa questa necessaria formalità, la salma è stata composta in una cassa provvisoria in attesa delle decisioni poi rese note.

L'orchestra ha suonato ieri sera per lui

La marcia funebre dell'«Eroica» di Beethoven eseguita all'inizio del concerto scaligero

Alle 10,38 ieri mattina, sul palcoscenico della Scala, Dimitri Mitropoulos ha allungato il braccio, con gesto imperioso, verso la prima tromba: l'orchestra ha taciuto, nel silenzio avvolto di ombre lo strumento solo ha lanciato il suo primo squillo stridente. In quel momento, l'alta, ossuta figura del direttore d'orchestra si affloscia-va su se stessa, pareva svanire in una repentina magia teatrale. Mitropoulos moriva, come forse s'era augurato, sul podio.

I professori dell'orchestra più vicini hanno avuto la sensazione che il direttore cercasse appoggio sulla sedia dalle lunghe gambe che era stata preparata alle sue spalle, per i momenti di pausa durante la prova. Ma Mitropoulos non è riuscito, è crollato in avanti, ha urtato senza rumore contro il gradino di legno, è scivolato davanti ai leggii. Il professor Marcello Turio, violista, se l'è visto disteso a terra, il viso cereo solcato da un rivolo di sangue che usciva da un taglio alla tempia sinistra.

E' accorso il dottor Giancarlo Bandi, medico di servizio, che ha cercato invano di rianimare il maestro, trasportato intanto nell'antipalcoscenico; qualcuno aveva già chiamato un'ambulanza che ha trasportato Mitropoulos sempre incosciente verso il Policlinico. In ospedale, non s'è potuto far altro che constatare la morte avvenuta — dice il referto — per sospetto infarto miocardico. Non è escluso, però, un fatto cerebrale. Così se n'è andato Mitropoulos, come altre grandi bacchette.

Eppure, l'altra sera, arrivando a Milano dalla Germania Mitropoulos pareva, con i suoi sessantaquattro anni, animato da ardore giovanile. Quel tanto di ironico e di elegante che il tempo aveva inciso con il bulino nel suo viso asciutto, non gli impediva di esprimere la sua contentezza di tornare finalmente alla Scala dopo quasi quattro anni. Nel gennaio dell'anno scorso un primo attacco di cuore lo aveva costretto a in-

Le spoglie di Mitropoulos trasferite oggi a Lugano

E' stato deciso che le ceneri del maestro trovino l'ultimo riposo ad Atene

Dalle 11 alle 14.30 di oggi, come già annunciato, il pubblico sarà ammesso nella camera ardente dove è esposto il feretro con la salma del maestro Dimitri Mitropoulos, presso l'Istituto di medicina legale. E' questo l'unico omaggio ammesso, nello spirito del testamento lasciato dall'artista. Il feretro sarà quindi trasportato a Lugano, dove la salma sarà cremata: le pratiche relative, a Milano, avrebbero richiesto infatti maggior tempo, data la differenza delle norme legislative vigenti. Infine le ceneri del maestro verranno trasferite ad Atene e conservate presso la sede dell'Accademia reale. Sono convenuti ieri a Milano, per un estremo saluto alle spoglie di Mitropoulos, i rappresentanti dei teatri d'opera di Atene, Salisburgo e Vienna.

I concerti alla Scala

Alla Scala, il diciassettesimo concerto in abbonamento A, con l'esecuzione della *Sinfonia n. 3* di Mahler, avrà luogo lunedì e sarà diretto da Hermann Scherchen: da oggi le prenotazioni. Da lunedì quelle per il recital che Arturo Benedetti Michelangeli darà mercoledì (diciottesimo concerto A).

DIMITRI MITROPOULOS

Mentre alla Scala di Milano provava il Concerto che avrebbe dovuto dirigere qualche giorno più tardi, il maestro Dimitri Mitropoulos è caduto, stroncato da un attacco di trombosi cerebrale.

Mitropoulos, uno dei maggiori direttori di orchestra dei nostri tempi (così lo definì lo stesso Toscanini) nacque in Grecia (ad Atene) nel 1896. Aveva un ampio repertorio nel quale aveva accolto (cosa che altri grandi si erano rifiutati di fare) i compositori rappresentanti le tendenze più audaci della nostra epoca. Accanto ai classici e ai romantici del passato egli aveva fatto suoi i campioni della musica dodecafonica. Amato da tutti, godeva di particolari simpatie in Italia a cui era legato da tanti cari ricordi. Alla Scala era tornato, dopo una lunga assenza (già lo scorso anno Mitropoulos aveva dovuto interrompere la sua attività in seguito a un infarto), la mattina della sciagura. Non stava bene. Volle salire al podio. Rivolse cordiali parole di saluto agli orchestrali tra cui contava tanti amici. Attaccò la Terza Sinfonia di Gustavo Mahler. Poche battute e si abbattè di schianto. Morì al Policlinico subito dopo essere stato ricoverato. La sera stessa, alla Scala, l'orchestra gli rese omaggio suonando per lui la Marcia funebre dell'« Eroica » di Beethoven.

UN MISSIONARIO DELLA BACCHETTA

Dimitri Mitropoulos ha combattuto per l'arte fino all'ultimo

Cronaca musicale di Teodoro Celli

Ebbi occasione di discorrere con Dimitri Mitropoulos, dopo la prova d'un suo concerto, una sera del luglio 1953. Un anno prima, o poco più, il maestro aveva presentato alla Scala il *Wozzeck* di Alban Berg, l'opera che gli zelatori della scuola schoenberghiana considerano un capolavoro assoluto e tutti gli altri musicisti un lavoro pieno d'interessanti intenzioni; e la serata era stata tempestosa. Affranti sotto il peso delle sonorità berghiane, a volte asperrime, alcuni del pubblico avevano preso a zittire o a fischiare, durante l'esecuzione del second'atto. Allora, quando il sipario era calato, Mitropoulos s'era presentato alla ribalta, aveva chiesto silenzio col gesto, e aveva detto press'a poco: « La musica del *Wozzeck* è assai difficile, e il dirigerla a memoria richiede una concentrazione straordinaria: prego dunque il pubblico di rimandare ogni manifestazione di dissenso alla fine degli atti ». Il discorsetto, che rompeva una delle tante immutabili tradizioni della Scala — secondo la quale il direttore d'orchestra non deve esprimersi se non col gesto, dal podio, e con l'inchino alla ribalta — era stato variamente commentato. Per conto mio, avevo pensato: "Quest'uomo è un grande musicista; ma ama esibirsi: né Toscanini né De Sabata hanno mai esortato il pubblico al silenzio, dal palcoscenico". E questo mio pensiero avevo espresso, il giorno seguente, nel render conto della rappresentazione, sulle colonne d'un quotidiano. Ma l'anno appresso, parlando con Mitropoulos nel suo camerino, a prova di concerto finita, compresi che non era vero, che il mio sospetto era stato ingiusto; e lo dissi, al maestro; e promisi che l'avrei ripetuto per iscritto, come lo ripetei e lo ripeto, ora che Mitropoulos ha chiuso la sua giornata terrena, precipitando dal podio della Scala nell'eternità. Mitropoulos non era un esibizionista: era un missionario. S'era dato alla musica come all'ordine monastico che Dio gli assegnava per illuminare le coscienze; per illuminarle con la categoria del bello, ch'egli — vero greco — sentiva inscindibile da quella del buono. La sera in cui gli parlai, compresi qual era la forza che lo sospingeva sul podio, quella che gli aveva suggerito il famoso discorsetto dopo il secondo atto del *Wozzeck*; era la stessa che aveva spronato San Paolo: « Guai a me se non evangelizzo! ».

Mi accolse con rara umanità, quella sera, e ironizzò amabilmente sulle parole che io avevo scritto a proposito dell'incidente del *Wozzeck*. « Io devo fare ascoltare la musica, devo farla capire, se no tradisco la missione che m'è rimasta nella vita. La musica di tutti, di Alban Berg o di Verdi, non importa ». (Aveva appena terminato di dirigere *La forza del destino*, a Firenze). Teneva fra le mani un rosario dai grani neri e rozzi, e ne faceva scorrere le perline, con movimenti abilissimi di quelle sue dita lunghe, vibranti, nodose, che sembravano le dita d'un prestigiatore. Chiesi il motivo che lo induceva a tener con sé un oggetto che normalmente i direttori d'orchestra non portano, tantomeno nei camerini di teatro; ed egli mi rispose: « Questo non è un rosario, o meglio, lo è solo per me. È un *comboloi*, diciamo un "rosario laico", che s'usa, da noi, in Grecia, per impegnare le dita. Mi serve per evitare di fumare: i medici mi hanno trovato il cuore un po' affaticato, si vede che ho contato troppo sulle mie forze; e allora faccio correre le dita al mio *comboloi* anziché al pacchetto delle sigarette ». Ma io credo che di quel rosario Mitropoulos si servisse anche per la preghiera; poiché il colloquio con Dio era a lui abituale, sia che si trovasse in una camera d'albergo, sia in una cabina d'aereo, sia nel camerino d'un teatro: dovunque lo portasse la sua immensa fama di straordinario guidatore d'orchestre. La musica, l'abbiamo detto, era il regno del bello, dove egli s'era rifugiato per servir Dio, dacché altra possibilità d'una santa milizia gli era stata negata. Mitropoulos, nato ad Atene il 1° marzo 1896, di religione greco-orotodossa, aveva trascorso, ancor giovinetto, un periodo nel monastero di Monte Athos, meditando di darsi alla vita contemplativa; poi aveva visto il proprio futuro come quello d'un missionario. Ma la vocazione alla musica s'era fatta sentire, imperiosa: Mitropoulos aveva il talento per diventare un grande pianista. Fu il pianoforte ad allontanarlo dalla sua patria: andò a Berlino, a studiare con Ferruccio Busoni. Alla direzione d'orchestra si accostò soltanto più tardi. « Il direttore d'orchestra », mi spiegò egli stesso, « mi appariva come una specie di dittatore, come un tiranno che inevitabilmente deve violentare la sensibilità artistica dei professori d'orchestra, che spesso sono individualità musicali eccellenti e degne di rispetto ». Tuttavia Mitropoulos divenne direttore; e fu quando scoprì che non era necessario tiranneggiare i professori d'orchestra: si poteva persuaderli. Fu il più eloquente e suadente e amabile fra i grandi capitani di falangi orchestrali: chi ha suonato con lui lo sa e non lo dimenticherà. Dirigeva spesso senza bacchetta. « Un metodo pericoloso », diceva, « ma efficacissimo quando il maestro possiede mani particolarmente espressive ». Come le sue, che vedevo, quella sera, sgranare e risgranare le perline del nero rosario.

Il viso di Mitropoulos era quello, asciutto e abbronzato, d'una guida alpina. E in realtà egli amava la montagna; ma dell'alpinismo dava una definizione non sportiva, morale. « L'alpinismo », diceva, « vale soprattutto come accettazione volontaria d'una sofferenza ». Anche la direzione d'orchestra era divenuta per lui, da ultimo, l'accettazione volontaria d'una sofferenza. Ai primi del '59 era stato colto da infarto, a New York: i grani del *comboloi* erano giunti troppo tardi a difenderlo, forse. Aveva passato mesi in un letto, per rimettersi in salute; poi s'era levato, guarito come si guarisce da un male che ferisce il cuore. Avrebbe potuto andarsene in una località climatica, a far la vita del ricco signore in perenne vacanza. Diciamo pure che avrebbe dovuto. Ma allora, certo, Mitropoulos disse a se stesso, ancora una volta: « Guai a me se non dirigo! ». E tornò sul podio.

È morto sul podio della Scala, stramazzando fra i professori atterriti, quei professori che aveva tante volte, non tiranneggiato, ma persuaso. È morto come morì Failoni, sul podio del teatro dell'Opera di Budapest nel 1947; come morì, nell'agosto del 1930, Sigfrido Wagner, sul podio di Bayreuth, dopo l'ultima nota della *marcia funebre* del terz'atto del *Crepuscolo*. È morto col cuore spezzato, come Erich Kleiber, come Otto Ackermann, come tanti eroi di quest'arte della direzione che chiede tutte le energie del corpo e dello spirito, in misura spietata. Ma gli ultimi suoi pensieri sono stati certo di gioia. Gioia per aver combattuto fino alla fine il buon combattimento dell'arte; gioia perché la sua offerta era stata accettata, fino all'istante supremo.

MITROPOULOS HA VOLUTO FINIRE COME MOLIÈRE

Morte alla Scala

Dimitri Mitropoulos durante una prova. Il maestro è morto alla Scala di Milano il 2 novembre, mentre concertava.

EUGENIO GARA

LA FINE di Molière. Sul campo, sul suo campo di battaglia. Dimitri Mitropoulos è stramazzato sul podio della Scala, la mattina del 2 novembre, giorno dei Morti, alle 10,38, durante la prova di quella *Terza sinfonia* di Mahler che avrebbe dovuto dirigere nel concerto di lunedì, insieme con la *Passacaglia* di Webern. Anche lui, come accadde a Molière la sera del 17 febbraio 1673, durante una recita del *Malade imaginaire*, non è spirato subitò, ma pochi minuti dopo, appena trasportato all'ospedale.

Probabilmente sapeva di dover morire così. L'infarto cardiaco che lo aveva colpito il giorno di capodanno del '59 poteva lasciargli qualche illusione soltanto nel caso che egli abbandonasse il suo posto, si mettesse a riposo. Quella del direttore d'orchestra è una professione che non dà tregua, che impegna tutte le forze dell'artista fino allo spasimo, e non è davvero con un cuore malato che si può esercitarla. Tutto ciò Mitropoulos lo sapeva perfettamente. Ma egli, che nel periodo della lontana adolescenza aveva pensato di prendere i voti, continuò a considerarsi anche dopo, anche come musicista, « al servizio di Dio ». Nel suo caso particolare certe grosse parole come missione, ascetismo e via dicendo, che così spesso, e così a sproposito, ricorrono nelle prose in morte degli artisti celebrati, riacquistano tutta la loro efficacia. La lebbra della retorica, trattandosi di un Mitropoulos, non le sfiora. Ma c'è di più. Quando un grande direttore d'orchestra se ne va, si sente parlare puntualmente di « irreparabile vuoto », anche se si tratta di uno di quei patriarchi che hanno ormai depositato la gloriosa bacchetta nella vetrina dei ricordi: già usciti dalla vita pulsante dell'arte. Ma l'espressione è ben valida per il sessantaquattrenne Mitropoulos, rimasto al suo posto come una fedele, preziosa sentinella. Il posto vuoto che egli lascia dietro di sé, questo sì non è facile vedere chi possa occuparlo con altrettanta autorità.

Nato ad Atene il 1° marzo del 1896, aveva studiato nel conservatorio della capitale greca sotto la guida del Marsick e del Wassenhoven. Con quest'ultimo, il pianoforte, e con tali risultati da far pensare che si sarebbe presto allineato tra i virtuosi della tastiera. (Nel '18, infatti, proprio per meriti pianistici gli daranno la medaglia d'oro). Combattente nel '16 sul fronte bulgaro, durante la prima guerra mondiale, nei periodi di tregua si dedicò attivamente alla composizione e scrisse una *Mise au tombeau du Christ* che fu eseguita nello stesso anno sotto la sua direzione. Verrà, due anni dopo, addirittura un'opera ispirata da Maeterlinck, *Soeur Béatrice*, che andò in scena al teatro di Atene; più tardi altri pezzi tra cui un *Concerto grosso per orchestra* e infine musiche di scena per l'*Elettra* e l'*Ippolito* di Euripide. Il '20 fu per lui un anno importante, per il fecondo incontro con Saint-Saëns che gli consigliò di mettere a punto i suoi studi di composizione a Bruxelles, con Paul Gilson. Vi stette un anno; ma poiché il pianoforte era sempre in cima ai suoi pensieri, si trasferì successivamente a Berlino, dove ebbe modo di perfezionarsi alla scuola di Ferruccio Busoni.

In quei tre anni berlinesi, tra

Dimitri Mitropoulos era nato ad Atene nel 1896. Giovinetto, si era ritirato fra i monaci del monte Atos, poi la vocazione musicale aveva prevalso in lui.

il '21 e il '24, fece anche le sue prime prove come direttore di orchestra, sostituto al teatro dell'Opera. Tirocinio inappagabile che rafforzò il suo gusto per la severità e la precisione da applicarsi a se stessi prima che agli altri. Tornò in Grecia in possesso, oltre al resto, di un saldo mestiere. Tra il '25 e il '30 la sua attività si svolge tra la direzione dell'orchestra sinfonica di Atene, l'insegnamento al conservatorio e brevi tournées in alcune città d'Europa. Nel '30, ecco finalmente la prima scrittura alla Filarmonica di Berlino, con la quale si presenterà anche a Parigi e a Londra, facendosi apprezzare non soltanto come direttore ma altresì come solista nel *Concerto per pianoforte e orchestra in do maggiore* di Prokofiev. A invitarlo in America fu Serge Koussevitzky nel 1936. Lì cominciò la sua grande stagione. Fu prima a Boston, poi alla Minneapolis Symphony Orchestra, poi sul podio della New York Philharmonic, infine alla NBC Symphony.

Era ormai entrato nell'esiguo gruppo di direttori di indiscussa rinomanza mondiale. Dopo la guerra, tra coloro che seguivano dappresso i Toscanini, i Walter, i grandi insomma della generazione precedente, Mitropoulos si trovò in primissima fila al fianco di Furtwaengler, di De Sabata e pochi altri. Tanto che nel '49, avendo Stokowski abbandonato la direzione della Philharmonic, venne chiamato proprio lui, il «domenicano» Dimitri, a succedergli. E tenne stupendamente il proprio posto, senza peraltro trascurare del tutto l'appassionante attività teatrale. Intensificandola, anzi, con prove sempre più impegnative. Anche lui, come Toscanini e gli altri già citati, non considerò il teatro un'attività inferiore, o deteriore, del mondo sonoro. Gli estetizzanti, e formali, distinguo tra musica pura e musica impura, non lo convinsero mai del tutto. A essi, evidentemente, preferì sostituire una più semplice separazione tra musica e rumore. Apostolo infiammato, rivelatore commovente della musica moderna (le sue battaglie per Mahler, per Schoenberg, per il *Wozzeck* di Alban Berg non saranno dimenticate), servì la causa del melodramma con dedizione esemplare. Passava con magistrale penetrazione dalle roccio. se sonorità dell'*Elettra* di Strauss alle elaborate raffinatezze dell'*Arlecchino* busoniano, dal cromatismo sfavillante del *Boris* alle romantiche esaltazioni del primo Verdi. Sempre alla ricerca di un'alta verità poetica, teso perennemente alla rivelazione della parola interna della musica, di quel palpito segreto che il pentagramma rivela soltanto ai suoi lettori privilegiati.

Personalmente lo ricorderemo come lo vedemmo l'ultima volta al Maggio Fiorentino, tre anni addietro. Mitropoulos doveva amare particolarmente il Verdi grifagno, nient'affatto addomesticato dell'*Ernani*. Impossibile descrivere la carica di vitalità che si sprigionava dalla sua orchestra, gli stacchi impetuosi, quegli abbandoni vigilati sempre e tuttavia tenerissimi, dove l'ispirazione bruciante di Verdi era tutto, e l'enfasi, l'eloquenza fine a se stessa non si affacciavano mai. Ricorderemo il corno del vecchio Silva, il suo tragico richiamo di morte.

Anche lui, anche Mitropoulos si è abbattuto, l'altra mattina, mentre la prima tromba della Scala ubbidiva al suo perentorio comando. Non è sempre la campana a suonare, nell'ora del destino, come Hemingway pensava.

Dimitri Mitropoulos gestorben

Wie soeben aus Mailand gemeldet wird, ist dort heute der Dirigent Dimitri Mitropoulos an einer Herzschwäche gestorben. Er war 64 Jahre alt. Wien hat dem berühmten Amerikaner griechischer Herkunft nicht nur für viele musikalische Erlebnisse in Staatsoper und Musikverein zu danken, sondern auch für die internationale Förderung der Kompositionen von Alban Berg und Franz Schmidt. Für die von ihm für Salzburg übernommenen Aufgaben muß nun Ersatz gefunden werden.

Sein letztes ...ert in Köln

Dimitri Mitropoulos plötzlich vers... hied mit Mahler

Zwei Tage nach seinem Mahler-Konzert im Kölner Funkhaus ist der Dirigent Dimitri Mitropoulos in Mailand kurz nach Beginn einer Opernprobe gestorben. Schon nach der ersten Hälfte der Mahler-Sinfonie, deren zwei Teile durch die Konzertpause getrennt waren, trat im Funkhaus ein kritischer Zustand seiner seit Jahren geschwächten Gesundheit ein. Fast unheimlich ist die Parallele zum Tod Erich Kleibers, der vor vier Jahren in Zürich starb, nachdem er wenige Tage zuvor im Kölner Funksaal als Morzart- und Weber-Dirigent gefeiert worden war.

Der Grieche Mitropoulos, 1896 geboren, hat entscheidende Lehrjahre in Berlin verbracht, wo er sich bei Busoni den letzten pianistischen Schliff holte und eine Zeitlang Korrepetitor an der Staatsoper war. Als Achtundzwanzigjähriger wurde er zum Leiter des Sinfonieorchesters seiner Vaterstadt Athen berufen. 1930 dirigierte er zum erstenmal in Berlin. Koussewitzki holte ihn nach Amerika, wo er über Minneapolis nach Neuyork kam, zum Leiter der Philharmoniker avancierte und an der Metropolitan dirigierte.

Der schlanke, fast kahlköpfige Mann, den man wegen seiner beschwörend vibrierenden Rechten oft mit Furtwängler verglichen hat, war ein Dirigent von einzigartigem Klangsinn. Von seiner fakirhaften Konzentration ging ... geistige Magie aus, eine hin... ßende Suggestion, der keiner von den Musikern und niemand im Publikum sich entziehen konnte. Er dirigierte alles auswendig, und schon bei der ersten Probe des unfaßbar schwierigen Violinkonzerts von Schönberg hatte er keine Partitur vor sich. Ein überaus sensibler Musiker ohne die Spur von Nervosität und ohne jegliche Eitelkeit. Ursprünglich zum Priester bestimmt, lebte er völlig einfach. Nie trennte er sich von dem Kruzifix, das er unter dem Hemd trug. Geht man die in den letzten Jahren stark gelichtete Liste der Dirigenten durch, so darf man sagen, daß nun der größte unter ihnen dahingegangen ist. **E.**

„Was mir die Liebe sagt" — so hatte Gustav Mahler den Schlußsatz seiner dritten Sinfonie überschrieben, die Dimitri Mitropoulos im Mahlerzyklus des Westdeutschen Rundfunks dirigierte. Mahler hat die Programmtitel später weggelassen. Doch ähnlich schildern auch die anderen Sätze, was ihm „gesagt" wurde von den wilden Blumen, den Tieren des Waldes, vom Menschen und von den Engeln.

Der zart anhebende, orgelhaft-glorreich zum Abschluß gebrachte Liebeshymnus ist nicht der umfangreichste, aber der melodienseligste und intensivste Sinfoniesatz, ... geschrieben hat. Das, ...unendliche Me... findet hier ...

Vor ... onen Gewalt des ... stummte plötzlich ... tige, in dem man ... nicht zur Ruhe gekomm... blem Mahler" sieht. Deu... wurde an diesem großartigen Mahler-Abend im großen Sendesaal vor allem, daß das Problem Mahler zum guten Teil ein Dirigenten-Problem ist.

Wenn es von Mitropoulos gelöst wird, scheint es sich in ein Wunder der Interpretation aufzulösen. Denn an diesem Abend war über das Maß sinfonischer Wirkungen hinaus die polyphone Melodik bis ins letzte gehört und geformt, nicht nur mit Intensität und Atem, sondern auch mit jener ruhevollen Phrasierung, wie man sie nur bei Dirigenten großen Stils findet.

Solche Qualitäten der faszinierenden Ruhe und gesammelten Kraft prägten auch den riesenhaften Kopfsatz, der in der motivisch-kontrapunktischen Detailarbeit zu einer überwältigenden Klangarchitektur anwuchs; noch in den wilden Ekstasen ganz mahlerisch „außer sich" und dennoch vom Dirigenten mit stählerner Kraft gebändigt.

Im Misterioso des Nietzsche-Gesangs „O Mensch, gib acht! Was spricht die tiefe Mitternacht?" trat die Altistin Lucretia West mit nächtlich vibrierender Poesie hervor. Im schlichten Volksliedton sangen die Damen des von Bernhard Zimmermann einstudierten Rundfunkchors und die Knabenschola des Kölner Domchors (Domkapellmeister Adolf Wendel) den Engelsgesang. Mit bewundernswerter Klangschönheit und Intensität spielte das Rundfunksinfonieorchester. Ein Sonderlob den Solisten der Posaune und der Trompete.

Rührend, wie der gefeierte Dirigent schließlich selbst eine Beifallsrunde über das vollbesetzte Podium unternahm, wie er voller Zustimmung seinen Musikern dankte. **mr**

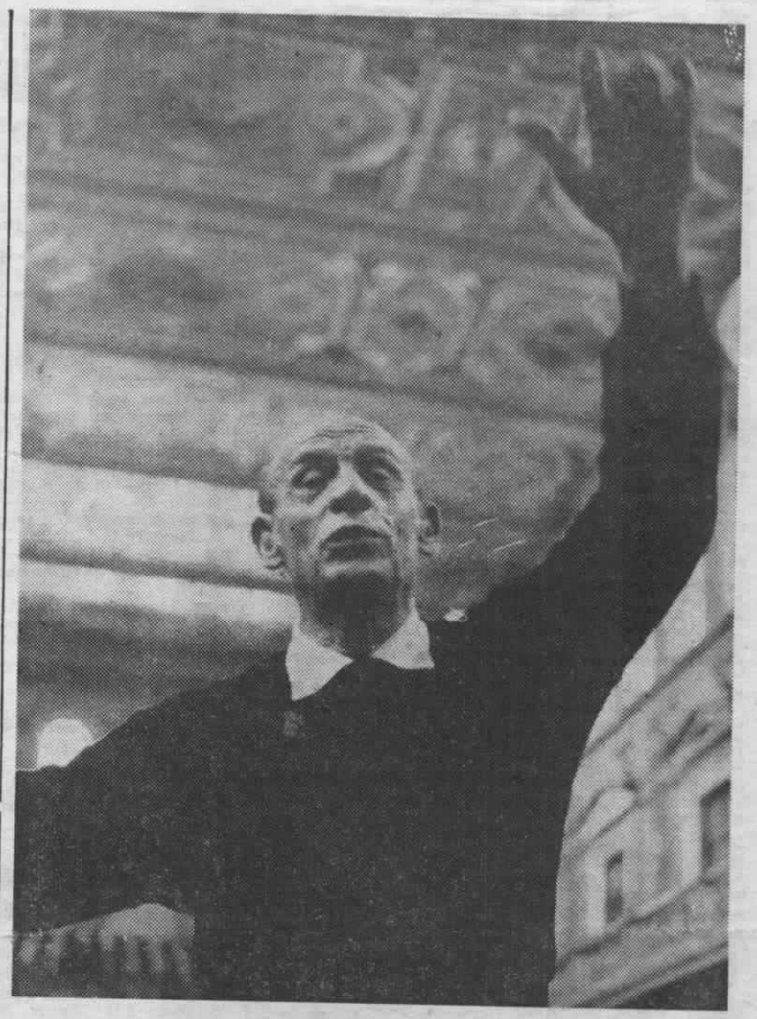
Dimitri Mitropoulos gestorben Wien trauert um einen Freund

Während einer Probe in der Mailänder Scala starb Dimitri Mitropoulos, einer der ganz Großen unter den Dirigenten, gestern vormittag an den Folgen einer Herzattacke. Er hatte schon vor der Probe über Müdigkeit geklagt, dann aber doch die Arbeit an der Dritten Symphonie von Gustav Mahler aufgenommen. Knappe zehn Minuten nach Probenbeginn stand er für einen Augenblick bewegungslos am Pult und brach dann zusammen. Der Theaterarzt konnte keine Hilfe mehr bringen, Dimitri Mitropoulos' Herz hatte zu schlagen aufgehört.

Mitropoulos wurde 1897 in Athen geboren, sollte ursprünglich Geistlicher werden und wechselte erst spät zur Musik hinüber. Nach Erfolgen in Griechenland ging er 1936 nach Boston und wurde innerhalb kürzester Zeit der amerikanische Dirigent. Sein aufrichtiges Interesse für die zeitgenössische Musik und seine Liebe zu vergessener oder nur selten aufgeführter „alter" Musik hielten sich die Waage, sein phänomenales Können als Orchesterleiter und sein Arbeitseifer, der von jedem Orchester Unerhörtes forderte, selbst aber auch immer alles hergab, machten ihn zu einem der größten und beliebtesten Dirigenten unserer Zeit.

Von 1951 bis 1957 war Mitropoulos Chefdirigent der New-Yorker Philharmoniker, die unter seiner Leitung zu einem der besten Orchester der Welt wurden — 1955 gastierte er mit diesem Ensemble im Konzerthaus und kam dabei zum erstenmal nach Wien. Die Atmosphäre Wiens nahm ihn sofort gefangen. Einen Vertrag für die Salzburger Festspiele 1956 unterschrieb er, ohne auch nur einen Blick auf die Höhe der Gage zu werfen: „Ich bin glücklich, in Salzburg sein zu dürfen und mit den Wiener Philharmonikern arbeiten zu können", sagte er, als man, auf lange Verhandlungen gefaßt, mit dem Vertragsentwurf zu ihm kam.



Seine erste Probe zu den Salzburger Festspielen werden die Wiener Philharmoniker wohl nie vergessen. Er hatte nicht nur sämtliche Werke auswendig studiert (das verblüffte jedes Ensemble, mit dem er zum erstenmal arbeitete), sondern auch die Namensliste des Orchesters und begrüßte gleich jeden Musiker mit Namen. Als man ihm eine Probe seines unglaublichen Gedächtnisses abverlangte, bat er nur um irgendeine Taktziffer in der Fünften Symphonie von Prokofieff. Dann sang er jedem einzelnen Instrument vor, was es genau in diesem Takt zu spielen hatte.

Berühmte Orchester haben ihre Eigenarten, ihre Vorlieben und auch ihre Abneigungen. Die Wiener Philharmoniker aber schlossen noch an diesem ersten Vormittag Freundschaft mit Mitropoulos und hielten sie bis zu seinem Tode. Sie spielten unter ihm unvergeßliche Konzerte in Salzburg und Wien, sie studierten mit ihm in der Staatsoper „Butterfly" und jüngst „Die Macht des Schicksals" ein, sie baten ihn, in jeder Saison zwei ihrer Abonnementskonzerte zu dirigieren: im vergangenen Monat stand er noch zweimal am Dirigentenpult im Musikverein und wurde vom Wiener Publikum, das seinem Orchester in die Freundschaft mit Mitropoulos gefolgt war, enthusiastisch gefeiert.

Im nächsten Sommer hätte Mitropoulos eine konzertante Aufführung der „Jacobsleiter" von Arnold Schönberg im Konzerthaus dirigieren und bei den Salzburger Festspielen Verdis „Simone Boccanegra" einstudieren sollen. Unendlich viel Arbeit lag noch vor ihm, die jetzt ungetan bleiben wird. Denn den hageren, asketischen, fanatischen Musiker wird kein anderer so leicht ersetzen.

In den kurzen freien Augenblicken, die Mitropoulos zwischen seinen Arbeiten in Wien, Mailand, New York blieben, studierte er Werke junger Komponisten, die er, wenn sie ihm gut erschienen, in seinen Konzerten aufführte. In den Pausen der Konzerte und der Proben aber „studierte" Mitropoulos die Menschen, die zu ihm kamen und mit denen er oft Freundschaft schloß, wenn sie ihm dazu wert erschienen.

Der große Dirigent, in aller Welt gefeiert und begehrt, liebte Österreich sehr. Er hatte im vergangenen Sommer nur zwei Konzerte in Salzburg zu dirigieren; doch er war schon einen Monat vor seinem ersten Konzert da, um sich „einzuleben", um die Atmosphäre zu genießen, um mit seinen Freunden, den Philharmonikern, beisammen zu sein. Diese Tage in Salzburg und die anderthalb Monate, die er dann noch in Wien verbrachte, waren seine letzten ruhigen Augenblicke. Bevor er sich noch in die kräftefressende neue Saison begab, nahm ihn der Tod zu sich.

Musiker und Musikliebhaber in aller Welt trauern nun um einen großen Dirigenten. Wir in Wien trauern auch um einen großen Menschen, der unser Freund war und den wir nicht vergessen werden. **Franz Endler**

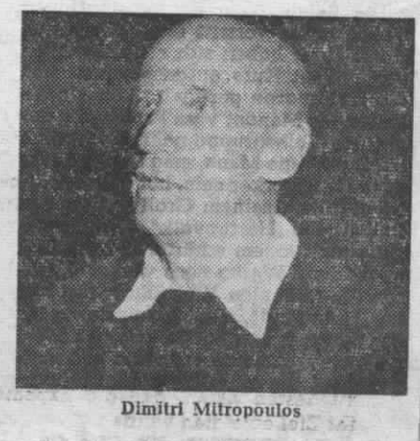
In Köln dirigierte er sein letztes Konzert

Dimitri Mitropoulos erlag einem Herzanfall

Niemand unter den Besuchern des Sonderkonzerts, das der Westdeutsche Rundfunk am Montagabend im Kölner Funkhaus zum Gustav-Mahler-Jahr veranstaltete, konnte nach der prachtvollen Aufführung von Mahlers dritter Sinfonie durch den Dirigenten Dimitri Mitropoulos und das Kölner Rundfunk-Sinfonieorchester wohl auch nur leise ahnen, daß er Zeuge des letzten Konzerts dieses berühmten Dirigenten gewesen war: Mitropoulos, der am Dienstag in Mailand eintraf, wo er am 7. November dieselbe Mahler-Sinfonie dirigieren sollte, erlitt gestern während einer Probe in der Scala einen Herzanfall. Er stand einen Augenblick regungslos und fiel dann aufs Podium. Auf dem Transport ins Krankenhaus starb er. Mitropoulos ist 64 Jahre alt geworden.



Schon bei seinem Kölner Konzert erlitt Mitropoulos in der Pause eine Herzattacke. Dem Arzt, der ihm riet, das Konzert abzubrechen, sagte er: „Aber diese Aufregung gehört nun einmal zum Dirigieren. Ich habe immer Lampenfieber." Wenige Stunden nach dem großen Kölner Erfolg fuhr er schon nach Mailand weiter. Mitropoulos wollte in der nächsten Spielzeit die „Faust"-Oper seines verehrten Lehrers Busoni bei Oscar Fritz Schuh in Köln dirigieren.

Der Verlust dieses großen Dirigenten ist schmerzlich. Der gebürtige Athener, einst Schüler Busonis, Kapellmeister der Berliner Staatsoper und Gast in allen europäischen Musikzentren, seit 1951 ständiger Leiter der New Yorker Philharmoniker, galt schon früh als einer der hervorragendsten Mittler klassischer und romantischer Musik. Später begriff man, was ihm fast noch bedeutenderen Ruf verschaffen sollte: die großartige Überzeugungskraft, mit der er Musik unserer Zeit, vor allem das Werk Schönbergs, Kreneks und Alban Bergs, interpretierte.

Es bleibt ein Verdienst des Kölner Rundfunks, Mitropoulos mehrfach als Konzertdirigenten nach Köln gezogen zu haben. Unvergeßlich die erste Begegnung mit ihm vor sechs Jahren in einer Aufführung von Schönbergs Violinkonzert: Nie ist uns stärkere Gewißheit geworden, daß für den großen Unbequemen die Stunde jederzeit schlägt, wenn man ihn nur mit solcher Klarheit offenbart. Diese Klarheit war das Ergebnis der vollkommenen geistigen Durchdringung des Werkes, die Mitropoulos in einer unerbittlich analysierenden und vordisponierenden Denkarbeit leistete. Das Rätsel, das er so oft seinem Publikum aufgab, wie er ohne Taktstock und ohne Partitur, mit kaum wahrnehmbaren Hand- und Kopfbewegungen die entferntesten Tonbezüge übersah, findet darin seine Lösung. Zugleich aber trat in Mitropoulos' Aufführungen Neuer Musik überraschend hervor, bis zu welcher Intensität auch des klangsinnlichen Ausdrucks die vermeintlich so harte und spröde Moderne geführt werden kann. *F. *

Mahlers dritte Sinfonie, die unter Mitropoulos aus Anlaß des Mahler-Gedenkjahres im Kölner Funkhaus aufgeführt wurde, beginnt mit einem Satz, der runde 40 Minuten dauert. Danach wird die große Pause gesetzt, worauf die fünf anderen Sätze folgen. Diesen ersten Satz ist man erfahrungsgemäß leid, bevor noch das Hauptthema auftritt. Daß dies die Schuld der Interpreten und nicht des Komponisten ist, war vielleicht die kräftigste Lektion, die Mitropoulos erteilt hat. Er setzte den strittigen Satz mit einer solch überwältigenden Geschlossenheit hin, daß von Uberlänge keine Rede mehr sein konnte. Er zeigte die immanente Logik des Stückes modellartig für alle ähnlichen Fälle. Der Zwiespalt der Interpretation liegt dann im Werk selbst. Nach dem ersten Satz strebt Mahlers Musik von der musikalischen Logik fast ins Programmatische. Wer mit der Wiener Mahler-Tradition vertraut ist, erfuhr allerdings auch hier das Erlebnis eines neuen Stückes. Denn Mitropoulos behandelte auch die übrigen Sätze sinfonisch und entzog sie der bloß poetisierenden Stimmung. So hob er Mahler aus der Zeitgebundenheit seiner Heimatatmosphäre in die reine, klare Luft des großen Gedankens. Aus dem anheimelnd Gemütlichen wurde musikalische Idee. Dem gewaltigen Eindruck der Sinfonie und ihrer großartigen, vom Frauenchor des WDR, der Knabenschola des Kölner Domchors, dem Rundfunk-Sinfonie-Orchester und der prächtigen Lucretia West in der Altpartie getragenen Aufführung vermochte sich niemand zu entziehen. Man brachte Mitropoulos wahre Ovationen dar *Dr. K.*

Zum Tode des Dirigenten Dimitri Mitropoulos

Von unserem Redaktionsmitglied

Hamburg, 2. November

Die Nachricht vom Tode des Dirigenten Dimitri Mitropoulos ist besonders erschütternd für alle, die ihn eben noch, am Montagabend in Köln und über den Sender des WDR, Mahlers Dritte Sinfonie hatten dirigieren hören (siehe nebenstehenden Bericht). In diesem Künstler verliert die internationale Musikwelt einen ihrer markantesten und bedeutendsten Orchesterleiter: einen leidenschaftlichen, vom Werk und seiner Sendung besessenen Musiker, der sich an seiner Aufgabe verzehrte und dem es wie wenigen anderen neben ihm gegeben war, sein Publikum zu enthusiasmieren.

1896 in Athen geboren, studierte Mitropoulos in Griechenland, Belgien und Deutschland, wo er von Ferrucio Busoni als Pianist ausgebildet wurde. Seine glänzende Dirigentenlaufbahn begann er zu Anfang der zwanziger Jahre an der Berliner Staatsoper Unter den Linden.

Er siedelte 1936 in die USA über, wo er schließlich über Stationen wie Minneapolis, Boston und Cleveland zum Chef der New Yorker Philharmoniker (1951 bis 1958) und damit neben Leopold Stokowski, Eugene Ormandy, Charles Münch und Bruno Walter zu einem der bedeutendsten Dirigenten der Neuen Welt aufrückte. Außerdem war er lange Zeit ständiger Dirigent der Metropolitan-Oper.

Nach dem Kriege ist Mitropoulos, der als Komponist mit Orchester- und Kammermusik, mit Liedern sowie der Oper „Schwester Beatrice" hervortrat, immer wieder auch in Deutschland sowie beim Maggio Musicale in Florenz, bei den Salzburger Festspielen und an der Mailänder Scala gefeiert worden.

Gerade für die laufende Spielzeit hatte er eine große Anzahl von künstlerischen Verpflichtungen übernommen. Aber bereits 1959 erlitt er in Deutschland einen schweren Herzanfall. Das wiederholte sich jetzt am Mittwoch während einer Probe für Mahlers Dritte Sinfonie in der Mailänder Scala. Mitten aus seiner Arbeit herausgerissen, starb Mitropoulos auf dem Wege zum Krankenhaus.

Eigenbericht der WELT

Köln, 2. November

Kann oder darf man sich die bizarre und grandiose Gestalt des E.T.A. Hoffmann-Kapellmeisters Kreisler anders vorstellen? Anderthalb Jahrhunderte romantischer Wahrheitssuche meinte man aus dem Riesenphänomen der Dritten Mahler-Sinfonie in Dimitri Mitropoulos' Deutung herauszuhören.

Wie von Fiebern durchschüttelt, begann der Dirigent das Energiefeld einer halben Streicher-Hundertschaft aufzurühren und aufzuladen, lange schon bevor die Bögen aus der Ruhestellung auffahren sollten. Wiederum hielt er sich über Minutenbruchteile reglos, starr, gespannt, als ob er für eine Bronze- oder Eisenplastik Modell stehen wollte; während dessen aber geschah ein Halbdutzend punktgenauer Bläsereinsätze rund um ihn her.

Als ein Großmeister der Energie-Planwirtschaft auf immensen Orchesterfeldern war Mitropoulos im Kölner Funksaal bereits vor acht Tagen mit Schönbergs Orchestervariationen und „La Mer" von Debussy wiederaufgetreten. Diese zweite Darbietung jetzt, direkt ausgestrahlt vom gesamten nordwestdeutschen Sendenetz, lief aber auf eine weitere, kaum vermutete Rechtfertigung Gustav Mahlers hinaus.

Hat nicht Mahler, über Wunderhorn und Herder weit zurückdenkend, Solomelodien für Stimmen erfunden, die er zu seiner eigenen Zeit für ausgestorben ansehen mußte? Ohne Vorwissen, daß derart allgewaltige Naturstimmen eines Tages wieder vorhanden sein würden, erst die Europäerin Kathleen Ferrier und dann ein ganzer Kreis ebenholzhäutiger Spiritual-Spezialistinnen, darunter die für den Kölner Gedenkabend verpflichtete Lucretia West als eine der besten?

Zum Linksaußenplatz in Nähe der Harfen, den sich die Solo-Altistin für den Vortrag ihrer Nietzschezeilen ausgesucht hatte, um hernach gleich einer „Sitzenden" von Maillol zuzuhören — zum Chordirektor Zimmermann, zum Posaunenpult Willy Walthers und weiter kreuz und quer ging Mitropoulos während des tobenden Beifalls auf Wanderschaft, um jedem einzelnen zu danken.

Mitropoulos in Mailand einem Schlaganfall erlegen

Während der Probenarbeit zu Mahlers Dritter in der Scala zusammengebrochen

Dimitri Mitropoulos am Dirigentenpult

Dimitri Mitropoulos, der weltberühmte Dirigent, der gerade auch zum Wiener Musikleben eine besondere Bindung hatte, ist Mittwoch morgen in Mailand einem Gehirnschlag erlegen. Er stand im 64. Lebensjahr.

Der Tod erreichte Mitropoulos am Dirigentenpult, während er eine Probe zu Gustav Mahlers 3. Symphonie in der Mailänder Scala leitete. Schon vorher hatte er über Müdigkeit geklagt. Während er dirigierte, blieb er plötzlich einen Augenblick lang bewegungslos am Pult, dann stürzte er zu Boden. Die Probe hatte etwa eine Viertelstunde gedauert. Der Theaterarzt konnte keine Hilfe mehr bringen. Ein Sprecher der Scala teilte mit, Mitropoulos sei noch auf der Fahrt ins Krankenhaus gestorben.

Schon im vergangenen Jahr hatte Mitropoulos in Deutschland eine Herzattacke erlitten, konnte sich später wieder vollkommen erholen.

Mitropoulos' erstes Auftreten in Wien erfolgte vor fünf Jahren an der Spitze der New-Yorker Philharmoniker im Konzerthaus. Zuletzt dirigierte er hier das erste und das zweite Abonnementkonzert der Wiener Philharmoniker und die Neuinszenierung von Verdis „Die Macht des Schicksals" in der Staatsoper, die am 20. September Premiere hatte.

Auch bei den Salzburger Festspielen hatte Mitropoulos mitgewirkt. In diesem Sommer dirigierte er dort Konzerte der Wiener und Berliner Philharmoniker. Bei den kommenden Festspielen sollte er eine Neuinszenierung von Verdis „Simone Boccanegra" im Neuen Festspielhaus dirigieren und bei den kommenden Wiener Festwochen Arnold Schönbergs „Die Jakobsleiter" als Uraufführung im Konzerthaus herausbringen.

Mitropoulos, 1896 in Athen geboren, sollte zunächst Priester werden, entschied sich jedoch schließlich für die Musik. Er übernahm mit 25 Jahren die Leitung des Athener Symphonie-Konservatoriums. Er komponierte auch, gab das Komponieren jedoch auf, um sich ganz auf die Arbeit als Dirigent zu konzentrieren. 1937 nahm er eine Einladung als Gastdirigent nach Minneapolis an und blieb anschließend zwölf Jahre im Mittleren Westen der USA. 1949 übernahm er zusammen mit Leopold Stokowski die Leitung der New-Yorker Philharmoniker.

Eine Erklärung der Staatsoper

Im Namen der Wiener Staatsoper gab Generalsekretär Seefehlner folgende Erklärung ab:

„Die Wiener Staatsoper ist durch das plötzliche Ableben des großen Dirigenten Dimitri Mitropoulos, der seit 1956 mit der Wiener Staatsoper auf das engste verbunden war, schwer getroffen worden. Die Staatsoper verdankte Mitropoulos nicht nur eine Reihe großer Abende, sondern sie verdankte ihm auch eine beispielhafte hingebungsvolle Arbeit an den künstlerischen Aufgaben unseres Hauses.

Die Mitglieder der Staatsoper, allen voran das Orchester der Wiener Staatsoper, wird seine leidenschaftliche, selbstlose Persönlichkeit, die bei der Verfolgung künstlerischer Ziele keine Rücksicht auf die eigene Person kannte, als eine der ganz großen Persönlichkeiten des Musiklebens in dauerndem Andenken halten und dabei niemals vergessen, daß Mitropoulos ein wunderbar gütiger Mensch gewesen ist, für den es nichts anderes auf der Welt gegeben hat als Dienst an der Musik und am Menschen."

Österreich wird ihn schmerzlich vermissen ...

Mit Dimitri Mitropoulos ist ein Künstler dahin, der in der vordersten Reihe stand und dessen Wirken beispielhaft war für den hohen Standard unserer heutigen Musikausübung. Er war die personifizierte Perfektion, und wenn er dirigierte, empfing man den Eindruck, daß das Orchester unter seiner Leitung gar nicht anders als perfekt spielen konnte. Sein Darstellungsstil setzte absolute Sachlichkeit und äußerste Genauigkeit voraus; aber diese Voraussetzungen entsprangen keiner Schulmeisterei oder Rechthaberei, sondern einer lebendigen, blühenden Liebe zur Sache.

Diese Liebe erstreckte sich auf die gesamte Musikliteratur. Unübertrefflich aber war er in der Darstellung romantischer, spätromantischer oder moderner Musikwerke, wobei er nicht bloß am Erprobten und Bewährten haften blieb, sondern mit leicht entzündlichem Temperament stets auch bereit war, sich für weniger Bekanntes und weniger Wirkungssicheres herzhaft einzusetzen, ohne je das Geringste von seiner idealen Forderung preiszugeben.

Nach Wien und Österreich kam Mitropoulos verhältnismäßig spät. Erst vor wenigen Jahren lernten wir ihn persönlich schätzen und bewundern. Aber dann wurde um so herzlicher Freundschaft geschlossen. Bei den Philharmonikern, in der Wiener Oper oder bei den Salzburger Festspielen ...

Die Musikfeierstunden mit ihm bleiben uns unvergeßlich, angefangen von jener „Elektra"-Aufführung in der Felsenreitschule, als man das Werk wie neu geschaffen empfing, ausgestattet mit neuen Farben, neuen Nuancen und neuen Feinheiten, die man vordem kaum wahrgenommen hatte, bis zu den jüngsten Mahler-Aufführungen, die dem Publikum die ästhetischen Werte der Mahler-Welt so lieb und verständnisvoll erschlossen.

Mitropoulos war ein Phänomen im Hinblick auf sein musikalisches Gedächtnis, das die Partiturseiten einer Komposition mit photographischer Treue im Geist festhielt. Außerordentlich muß auch seine innere Wandlungsfähigkeit gewesen sein, die ihm solche Leistungen ermöglichte.

An der Spitze der Wiener Philharmoniker verwandelte er sich dann eben auch im Sinn unserer lokalen Wiener Musikprägung und nahm etwa Franz Schmidt oder Theodor Berger unter seinen Schutz und Schirm. Wir werden ihn aufs schmerzlichste vermissen, bei den Philharmonikern, in der Oper und ganz besonders in Salzburg.

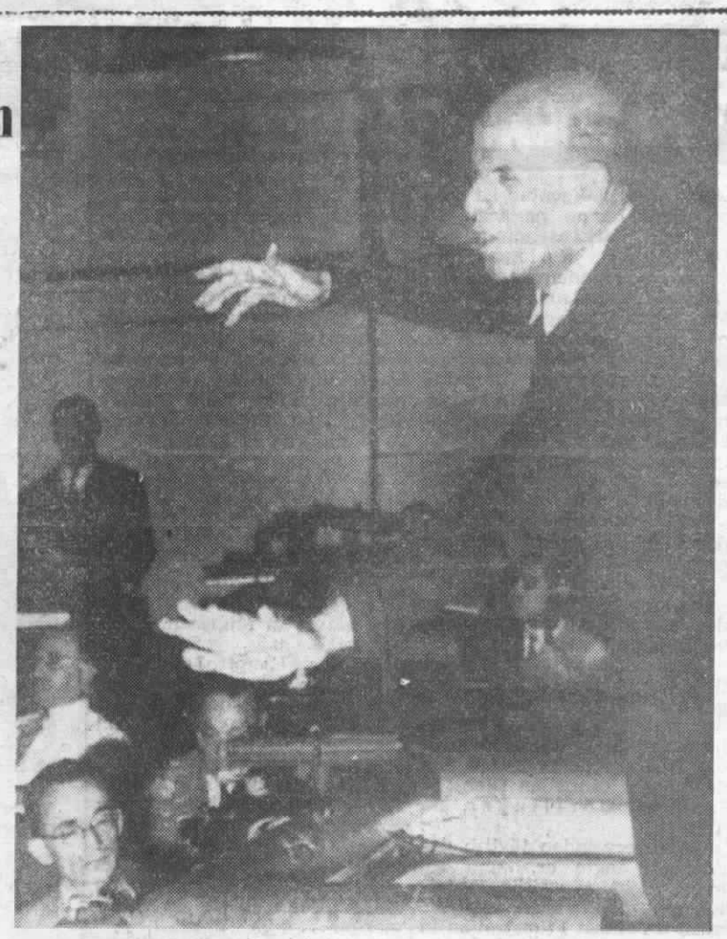
Während einer Orchesterprobe in Mailand stürzte er zusammen

Dimitri Mitropoulos ist gestern früh gestorben
Die Welt trauert um einen großen Musiker

Gestern mittag verbreiteten die internationalen Nachrichtenagenturen eine Meldung tragischen Inhalts: Dimitri Mitropoulos, der weltberühmte Dirigent, ist Mittwoch früh in Mailand nach einer plötzlichen Herzattacke gestorben.

Seit zehn Minuten hatte er in der Scala mit dem Orchester für eine bevorstehende Aufführung von Gustav Mahlers Dritter Symphonie geprobt. Plötzlich entfiel ihm der Taktstock — einen Augenblick lang stand er bewegungslos vor den Musikern, dann stürzte er zu Boden. Der Theaterarzt konnte keine Hilfe mehr bringen — nur als Ursache des eingetretenen Todes Gehirnschlag angeben.



Unfaßbar ist dieser Todesfall. Noch vor etwas mehr als zwei Wochen durften wir den großen Musiker zuletzt in Wien erleben: als Dirigenten der ersten beiden philharmonischen Abonnementkonzerte, als Leiter der Staatsopern-Neuinszenierung von Verdis „Macht des Schicksals" und ihrer Reprisen. Unfaßbar auch daß wir ihn nie mehr werden hören können: weder bei den Wiener Festwochen, bei denen er im Juni zwei Konzerte (darunter die Uraufführung von Schönbergs „Jakobsleiter") hätte leiten sollen, noch bei den Salzburger Festspielen, die eigens auf seinen Wunsch in der Felsenreitschule Verdis „Simone Boccanegra" für den Sommer 1961 angesetzt haben.

Mitropoulos, 1896 in Athen geboren, stammte aus einer Familie von Priestern und Mönchen. Sein Musikstudium begann er im Alter von sieben Jahren, mit vierzehn begann er zu komponieren. Über Brüssel kam er dann nach Berlin, studierte bei Busoni, und ging 1921 als Korrepetitor an die Berliner Staatsoper. Dort erprobte er sich auch als Dirigent. Für fünf Jahre kehrte er schließlich in seine Heimatstadt zurück: das Athener Symphonieorchester hatte ihm die Chefposition angeboten.

Die internationale Karriere setzte etwas später, 1930, ein. Wieder war Berlin die Basis. Bei einem Konzert der Berliner Philharmoniker war in letzter Minute der Solist von Prokofieffs drittem Klavierkonzert, einem Stück von außergewöhnlicher Schwierigkeit, erkrankt. Der Dirigent sprang auch als Solist ein, leitete das Orchester vom Klavier aus — ein Sensationserfolg für Mitropoulos und Beginn seiner Karriere, die über Frankreich, England, Belgien, Italien, Rußland und Monte Carlo nach Amerika führte. 1936 dirigierte er in Boston, von 1938 bis 1949, also elf Jahre lang, war er Chef des Symphonieorchesters von Minneapolis, 1950 bis 1957 in gleicher Position bei den New-Yorker Philharmonikern.

Während der letzten fünf Jahre war der hagere, hochgewachsene Dirigent mit dem markanten Profil und den herrischen Gesten regelmäßig zu Gast in Wien und Salzburg. An der Staatsoper leitete er die Premieren von „Madame Butterfly" (1957), „Ein Maskenball" (1958) und heuer „Macht des Schicksals", in Salzburg waren ihm „Don Giovanni", „Elektra" und „Vanessa" anvertraut gewesen. Auf den Konzertpodien trat er immer für die weniger bekannten Werke der Klassik und Romantik und vor allem für die Moderne ein; Schönberg, Berg und Webern machte er für die Wiener Philharmoniker erst so recht „salonfähig". Gustav Mahler gehörte seine besondere Verehrung.

Mitropoulos hätte in ein paar Wochen nach Amerika zurückkehren sollen, um an der Metropolitan Opera zu dirigieren, wo er seit mehreren Jahren ständig tätig war.

UPI-FUNKBILD AUS MAILAND: Dimitri Mitropoulos am letzten Probentag vor dem Orchester der Mailänder Scala, das gestern erschütterter Zeuge seines plötzlichen Todes wurde. Das untere Bild, etwa ein Jahr alt, zeigt ihn bei einer Probe im Wiener Musikverein.

In memoriam

Er starb, wie er gelebt hatte: für die Musik, bei der Arbeit. Er starb mit Musik. Mahlers Dritte Symphonie im Kopf und in den Ohren. Die Symphonie, deren letzter Satz den Titel trägt: „Was mir die Liebe erzählt."

Seit dem Tod Furtwänglers und Toscaninis hat uns kein Dirigentenabschied so sehr erschüttert. Denn Mitropoulos war nicht nur von Beruf, sondern aus innerster Berufung Musiker. Eine zwingende Persönlichkeit, ein souveräner Könner. Ein großer Mensch auch, vor allem.

Er hatte auf dem Podium das Wesen eines Diktators. Aber sein unerbittlicher Wille, seine herrische Kraft setzte er nur im Dienst der ihm anvertrauten Musik und nie zur Schaustellung seiner eigenen Person ein.

Er hatte alle Partituren, deren er sich annahm, im Kopf. Und er hatte die in ihnen verzeichnete Musik im Herzen. Er war also ein romantischer Intellektueller. Das schönste, was man einem Musiker nachrühmen kann.

Er war von bescheidenem, hilfsbereitem und freundlichem Wesen. Er führte nicht das Leben einer Taktstockdiva, sondern blieb in einer selbstgewählten, kargen Zurückgezogenheit, in der er allein war mit dem, was ihm in der Kunst am wichtigsten schien: dem Geist.

Er suchte nicht den Weg des billigen Erfolgs. Seine Erfolge erzwang er durch kompromißlosen persönlichen Einsatz. Er schmeichelte nicht — weder dem Publikum, noch den Musikern. Er war unbequem, wie alles Große.

Jetzt ist er nicht mehr. Die großen „alten Herren" im Elysium sorgen für ihren Nachwuchs. Traurig für uns. Denn große Persönlichkeiten und ehrliche Musiker von Mitropoulos' Art gibt's heute nicht mehr allzu viele. Und jede gläubige Künstlerseele, die unserem materialistischen Zeitalter verlorengeht, wird ja leider doch nur von Geschäftsleuten ersetzt.

Dimitri Mitropoulos in Mailand gestorben

Ein schwerer Verlust für die Musikzentren des alten und des neuen Kontinents; ein schwerer Verlust auch für alle jene, die es sich zur Aufgabe machten, ihr Leben der Kunst zu weihen; am Allerseelentag brach in der Scala kurz nach Beginn einer Probe für Mahlers Dritte Symphonie Dimitri Mitropoulos auf dem Podiaum zusammen und starb an den Folgen eines Gehirnschlags.

Es wäre müßig, über die Bedeutung des 1896 in Athen geborenen Dirigenten viele Worte zu verlieren. Jeder Konzert- und Opernbesucher kannte ihn und seine einzigartige Fähigkeit, ein Orchester zu leiten. Er dirigierte nicht, er lenkte, führte die Musiker zu den Schönheiten der jeweils auf dem Programm stehenden Werke.

Hatte sich Mitropoulos einmal entschlossen, eine Oper oder Symphonie, ein Oratorium oder Orchesterwerk aufzuführen, stürzte er sich mit Fanatismus in die Arbeit. Und zwar begann er bei sich selbst: bis zur ersten Probe hatte er die Musik buchstäblich im kleinen Finger, vor allem natürlich im Kopf. Keine Note, keine Stimme, kein Instrument und kein Takt blieb ihm verborgen. Seine Ohren trügten ihn nie. Ohne die Partitur vor sich zu haben, wußte er jeden geringsten Fehler, jede kleinste Abweichung zu nennen, selbst wenn er einem Riesenapparat vorstand.

Mitropoulos widmete sein Leben kompromißlos der Musik. Er war nur dann glücklich, wenn er Musiker und Sänger um sich wußte und wenn er sich an den Stätten seines Wirkens einen — Kaffee kochen konnte. Den Kaffee brauchte er, um seinen Ärger über jene Künstler zu vergessen, die nichts anderes als den materiellen Gewinn im Sinne hatten.

Der Tod holte ihn unvermittelt aus der Arbeit. Zwanzig Minuten waren ihm noch vergönnt, seine Persönlichkeit, sein Herz in ein Werk Mahlers zu versenken, eines Komponisten, für den er sich in den vergangenen Monaten mit unermüdlicher Leidenschaft einsetzte. Wir wissen nicht, wer berufen wäre, an die nun verwaiste Stelle Mitropoulos' zu treten.

Ein großer Mensch und Künstler ist nicht mehr

Dimitri Mitropoulos gestern während einer Probe an der Mailänder Scala einem Herzanfall erlegen

Dimitri Mitropoulos, der in zwei Weltteilen berühmte und hochgeschätzte Dirigent, ist gestern nach einer Herzattacke plötzlich in Mailand gestorben. Mitropoulos brach während der Proben für Gustav Mahlers 3. Symphonie in der Scala zusammen. Für einen Moment stand er bewegungslos am Pult und stürzte dann zu Boden. Der Theaterarzt konnte keine Hilfe mehr bringen.

*

DIMITRI MITROPOULOS, der hinreißende Dirigent, wie wir ihn alle kannten, verehrten und liebten.

Die Nachricht vom Tode des Dirigenten Dimitri Mitropoulos trifft das musikalische Herz Österreichs und besonders Wiens viel tiefer und schmerzlicher, als das noch vor einem Jahrzehnt der Fall gewesen wäre. Damals war uns sein Name wohl ein internationaler Begriff, heute ist er ein Stück unseres Musiklebens. Es ist nicht zum erstenmal, daß sich große Musikerpersönlichkeiten erst in späten Jahren, dann aber um so enger, dem klingenden Zentrum des Kontinents verbunden fühlen. Auch Mitropoulos stand bereits auf der Höhe seiner Karriere, als es ihn zu uns führte: zu den Salzburger Festspielen, ans Pult der Philharmoniker, mit denen er weite Reisen unternahm, an die Staatsoper, die ihm unvergeßliche Abende dankt.

Der amerikanische Künstler griechischer Abkunft und deutscher Musikerziehung — er war Schüler Busonis — begann in Berlin, kam auf dem Umweg über Athen nach den Staaten und war dort bald an der Spitze aller bedeutenden Orchester des Landes zu sehen: er leitete das Bostoner Symphonieorchester, das von Minneapolis, seit 1950 auch, neben Stokowski, die New-Yorker Philharmoniker, denen er freilich von Gatspielen längst vertraut war. An der Met war er ebenso daheim wie an der Mailänder Scala, bei den Edinburger Festivals wie schließlich auch in Salzburg oder Wien.

Sein Wahlspruch „Es ist die Musik, die zählt; Zeit und Ort spielen keine Rolle" war kein bloßes Lippenbekenntnis. Mitropoulos' tiefreligiöse Kunst- und Lebensauffassung — er entstammt einer Familie von Priestern — ließ ihn zum Fanatiker der Musik werden. Sein höchst expressiver Stil, verbunden mit technischer Vollendung (er war auch ein beachtlicher Pianist!) und einem wahren Elektronengehirn, was Gedächtnis und Präzision betrifft, schufen ihm sein Profiel, das keiner vergessen wird, der es je am Pult erlebte.

Persönlich zurückgezogen und von spartanischen Ansprüchen, stand er mit seinem Empfinden und dem Verstande dennoch allen großen Fragen der Menschheit offen, soziales Fühlen war ihm so selbstverständlich wie Aristokratie der Geisteshaltung. Sein Repertoire umfaßte, man darf es ruhig sagen, alle Musik aller Zeiten, sofern sie Größe und Wesenhaftigkeit atmet. Seine Taten geben, auch in Wien, das beste Beispiel dafür.

Ein großer Künstler kann niemals ersetzt werden. Er kann nur beglükken oder uns fehlen. Mitropoulos hat uns oft beglückt — erst vor wenigen Wochen an der Spitze der Wiener Philharmoniker und am Pult der Staatsoper — und wird uns immer fehlen.

Der Generalsekretär der Wiener Staatsoper, Dr. Egon Seefehlner, erklärt zum Tode des Künstlers:

DIMITRI MITROPOULOS

Von Erwin Mittag

Das ist nun sieben Jahre her. Der Zufall führte Dimitri Mitropoulos zum erstenmal nach Salzburg. Er war von der Atmosphäre der Mozartstadt so begeistert, daß er an die Festspieldirektion die Bitte richtete, hier einmal dirigieren zu dürfen. Präsident Pouthon, überglücklich über dieses bescheiden vorgebrachte unerwartete Offert, brachte als einziges Gegenargument finanzielle Bedenken vor. Wird Salzburg die an Dollar-Honorare gewöhnten Ansprüche des Meisterdirigenten befriedigen können? Als einzige Antwort setzte Mitropoulos seine Unterschrift unter ein nicht ausgefülltes Vertragsformular. Die Höhe des Honorars zu fixieren, überließ er Salzburg.

Im nächsten Jahr stand er an der Spitze der Wiener Philharmoniker. „Sie kennen mich nicht, meine Herren, aber ich kenne Sie", waren seine ersten Worte vor Probebeginn. „Nicht wahr, Herr Boskovsky sitzt am ersten Geigenpult, Professor Freiberg bläst das Horn, Professor Hanzl das Fagott", und so ging es weiter. Das war die erste Probe einer ans Wunderbare grenzenden Gedächtnisfähigkeit. Ihr folgten in wenigen Minuten weitere noch erstaunlichere. Prokofieffs V. Symphonie hatte Mitropoulos dermaßen inne, daß er selbst die einzelnen Ziffern, die über den Notenlinien der Partitur verzeichnet sind, lückenlos vor sich sah.

Bescheidenheit und Freigebigkeit waren die typischen Wesenszüge seines künstlerischen Naturells. Eine griechische Kompatriotin Mitropoulos' bat ihn um einen sehr großen Betrag zur Anschaffung eines Rollstuhls für ihren zum Krüppel gewordenen Gatten. Der Bitte wurde nicht bloß sofort stattgegeben, sondern die geforderte Summe wurde noch wesentlich erhöht. All das klingt nach Legendenbildung und nach Schönfärberei, ist aber die reine Wahrheit. Denn ebenso wie Mitropoulos' Künstlertum auf einer stupenden Musikalität fußte, war auch seine Lebensauffassung bis in die kleinsten Einzelheiten von ethischen Momenten bestimmt.

Vom Managerfieber unserer Tage war dieser große Künstler völlig frei. Er verkaufte seine Interpretationen nicht als Ware und verzichtete auf die Massenreklame der Fernsehübertragung. Persönlich durchaus bedürfnislos, beseelte ihn ein fanatischer Schaffensdrang.

Das war sein Lebenselixier. Sein Heimgang bedeutet für die Musikwelt einen unersetzlichen Verlust, der das österreichische Musikleben um so schwerer trifft, das er in den letzten Jahren durch unvergeßliche künstlerische Leistungen außerordentlich bereichert hat.

Dimitri Mitropoulos gestorben

Aus Mailand erreicht uns die erschütternde Nachricht,daß Dimitri Mitropoulos, einer der berühmtesten und bedeutendsten Dirigenten unserer Zeit, gestern vormittag einer Herzattacke erlegen ist. Der Künstler stürzte während einer Probe zu Gustav Mahlers III. Symphonie, die er kommenden Montag in der Mailänder Scala dirigieren sollte, tot zusammen.

Dimitri Mitropoulos wurde 1896 in Athen geboren. Vor die Wahl gestellt, entweder Priester oder Musiker zu werden, entschied er sich für die Musik und betrieb seine Studien zuerst am Athener Konservatorium, danach in Brüssel und Berlin. Im Alter von 25 Jahren wurde er zum Leiter des Athener Symphonie-Orchesters berufen; Gastspiele führten ihn in der Folgezeit in alle bedeutenden Musikzentren Italiens, Österreichs, Deutschlands, Frankreichs und Englands. 1936 hatte er sein amerikanisches Debüt in Boston, und nach einem Gastspiel in Minneapolis im darauffolgenden Jahr blieb er zwölf Jahre lang im Mittelwesten der USA. 1949 übernahm er mit Leopold Stokowski zusammen die New-Yorker Philharmoniker, denen er von 1951 bis 1957 als alleiniger Chef vorstand. Seit Dimitri Mitropoulos 1956 an der Wiener Staatsoper gastierte und dabei sofort einen innigen Kontakt mit dem Publikum, dem Orchester und den Sängern fand, war er dem Musikleben unserer Stadt und den Salzburger Festspielen besonders eng verbunden. Die Wiener Philharmoniker, zu deren ständigen Dirigenten der Künstler in den letzten Jahren gehörte, zeichneten ihn durch die Überreichung der Nicolai-Medaille aus. Sein Wirken im Haus am Ring fand mit der Premiere von Verdis Oper „Die Macht des Schicksals" am 23. September den Höhepunkt; und alle, die an dieser Premiere teilnehmen durften, waren überzeugt, daß es nur ein vorläufiger Höhepunkt sein würde. Die Gedanken eilten voraus zur Aufführung von Schönbergs „Jakobsleiter" beim nächstjährigen Musikfest des Konzerthauses und zur Salzburger Premiere von „Simone Boccanegra" im Festspielsommer 1961.

Mit Mitropoulos ist einer jener seltenen Großen dahingegangen, die man nicht nur scheu verehrt, sondern von Herzen geliebt hat. Das gilt sowohl für das Publikum als auch für alle Künstler, die unter ihm gearbeitet haben. Mit dem Willen zu größter Klarheit verband sich in diesem begnadeten Künstler ein unmittelbares und vehementes musikalisches Temperament. Doch weder Wille noch Temperament machten ihn zum furchterregenden Diktator und Dompteur: eine große Liebe zu den Menschen, die aus einem gütigen Herzen kam, ließ solche Machtdemonstrationen nicht zu. So hat er sich den schönsten Ruhm erworben, der einem ausübenden Musiker erreichbar ist: indem er musizierte, diente er den Menschen.

Die Staatsoper ehrt Dimitri Mitropoulos

Trauerkundgebung vor Beginn der Vorstellung am Samstag

Wien, 4. November

Vor Beginn der Samstagvorstellung von Verdis „Macht des Schicksals" in der Wiener Staatsoper findet eine Trauerkundgebung für Dimitri Mitropoulos statt. Der Zeitpunkt wurde mit Rücksicht auf die am gleichen Tage in Mailand vor sich gehende Totenehrung des verewigten Dirigenten gewählt und der Aufführung eines Werkes vorangesetzt, das er vor kurzem selbst in der Wiener Staatsoper einstudiert und dirigiert hat. Im Gedenken an Dimitri Mitropoulos wird die „Maurische Trauermusik" von Wolfgang Amadeus Mozart erklingen.

Wie aus New York gemeldet wird, steht nun fest, daß die sterblichen Überreste von Dimitri Mitropoulos in seiner griechischen Heimat beigesetzt werden. Der Leichnam wird am kommenden Mittwoch auf dem Luftwege in die Schweiz gebracht werden, wo die Kremation stattfindet — in Italien sind Verbrennungen untersagt —, um schließlich mit einem griechischen Militärflugzeug nach Athen geflogen zu werden, wo ein Staatsbegräbnis stattfinden soll. Der Impresario des Verstorbenen teilte mit, daß die Aschenurne im Hof des Konservatoriums des königlichen Musikkollegiums in Athen ihren Platz finden wird.

In Mailand wird sich der Leichenzug vom Operngebäude zum „Cimetero Monumentale" bewegen, wo der Leichnam bis kommenden Mittwoch verbleiben soll. Die Obduktion der Leiche des Dirigenten hat die Diagnose bestätigt, daß der Tod durch eine Herzattacke eingetreten ist.

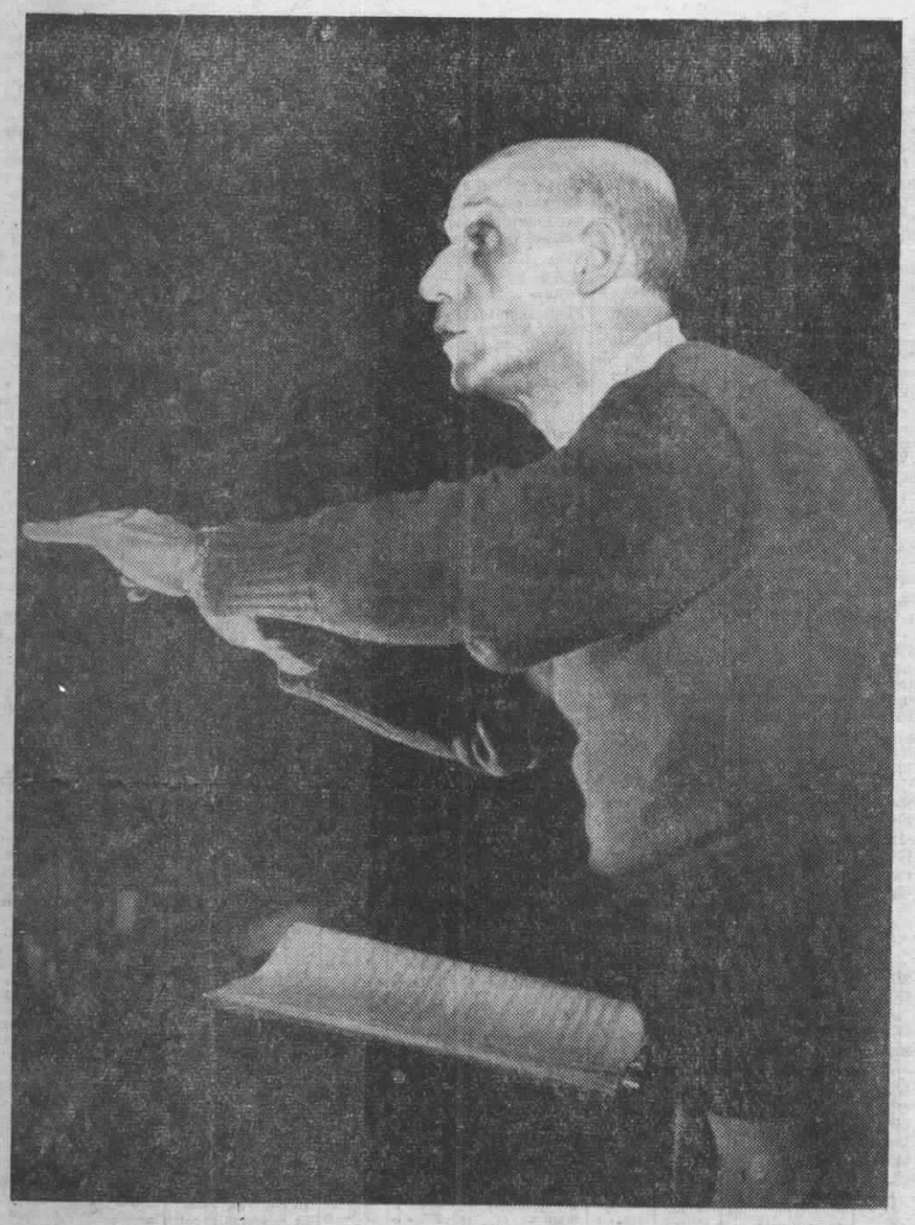
Mitropoulos' letzte Deutung

Kurz vor seinem Tode dirigierte er Mahlers 3. Sinfonie

Eigenbericht der WELT

Köln, 3. November

Kann oder darf man sich die bizarre und grandiose Gestalt des E. T. A.-Hoffmann-Kapellmeisters Kreisler anders vorstellen? Anderthalb Jahrhunderte romantischer Wahrheitssuche meinte man aus dem Riesenphänomen der Dritten Mahler-Sinfonie in Dimitri Mitropoulos' Deutung herauszuhören.



Wie von Fiebern durchschüttelt, begann der Dirigent das Energiefeld einer halben Streicher-Hundertschaft aufzurühren und aufzuladen, lange schon bevor die Bögen aus der Ruhestellung auffahren sollten. Wiederum hielt er sich über Minutenbruchteile reglos, starr, gespannt, als ob er für eine Bronze- oder Eisenplastik Modell stehen wollte; währenddessen aber geschah ein halbes Dutzend punktgenauer Bläsereinsätze rund um ihn her.

Als ein Großmeister der Energie-Planwirtschaft auf immensen Orchesterfeldern war Mitropoulos im Kölner Funksaal bereits vor acht Tagen mit Schönbergs Orchestervariationen und „La Mer" von Debussy wiederaufgetreten. Diese zweite Darbietung jetzt, direkt ausgestrahlt vom gesamten nordwestdeutschen Sendenetz, lief aber auf eine weitere, kaum vermutete Rechtfertigung Gustav Mahlers hinaus.

Hat nicht Mahler, über Wunderhorn und Herder weit zurückdenkend, Solomelodien für Stimmen erfunden, die er zu seiner eigenen Zeit für ausgestorben ansehen mußte? Ohne Vorwissen, daß derart allgewaltige Naturstimmen eines Tages wieder vorhanden sein würden, erst die Europäerin Kathleen Ferrier und dann ein ganzer Kreis ebenholzhäutiger Spiritual-Spezialistinnen, darunter die für den Kölner Gedenkabend verpflichtete Lucretia West als eine der besten?

Zum Linksaußenplatz in Nähe der Harfen, den sich die Solo-Altistin für den Vortrag ihrer Nietzschezeilen ausgesucht hatte, um hernach gleich einer „Sitzenden" von Maillol zuzuhören — zum Chordirektor Zimmermann, zum Posaunenpult Willy Walthers und weiter kreuz und quer ging Mitropoulos während des tobenden Beifalls auf Wanderschaft, um jedem einzelnen zu danken. Über vier Wochen lang, für vier Kölner Abende und mehrere auswärts, sollte ihn das Rundfunk-Sinfonieorchester der Domstadt für sich haben. Doch dieses war nun der letzte Abend.

Der Tod am Pult

Dimitri Mitropoulos in Mailand gestorben

„Ich fühle mich sehr ermüdet. Ich bin wie ein altes Automobil, das aber noch immer fährt." So hatte er, als er die Probe zu Mahlers Dritter Symphonie begann, zu den Orchestermusikern gesagt, ganz leger, so wie er immer mit den Musikern umgegangen war. Dann begann die Arbeit. „Pan erwacht" steht über dem ersten Satz der Mahlerschen Dritten, jener Programm-Symphonie mit den Liebesdeutungen von Blume, Tier, Mensch und Engel, jener Symphonie auch, darin das Zarathustra-Wort „O Mensch, gib acht" zum Motto gewählt ist. Das also war die Musik seiner letzten Augenblicke — vor etwa zehn Minuten hatte die Probe begonnen, dann stand er einen Moment regungslos und fiel auf das Podium: Dimitri Mitropoulos.

In Athen war er am 1. März 1896 geboren. Er hat es Freunden immer wieder erzählt, wie schwer ihm die Entscheidung gefallen war, ob er Priester oder Musiker werden solle. Ein geheimes priesterliches Wesen hat er sich bewahrt, etwas vom Logos-Glauben war immer in seiner musikalischen Deutung. Mitropoulos, der schmale, große Mann, im Umriß ein wenig an Furtwängler erinnernd, hatte einen kahlen Schädel und tiefe Furchen im ledernen Gesicht. die kräftige Nase, das suchende Auge — man hätte ihn sich wahrhaftig auf einem Berg Athos denken können. Aber er verbarg sich hinter einer nüchtern knappen Handwerklichkeit. Von Busoni, bei dem er in Berlin studierte, übernahm er die ästhetischen Prinzipien der Neuen Musik, und sein ganzes Leben lang ist Mitropoulos ein klärender Mitgänger an der Seite der Musica viva geblieben. Wie bei den Dirigenten der Spitze, zu denen er bald aufrückte — an der Berliner Staatsoper war er zuerst Korrepetitor, dann holte ihn, den noch nicht 30jährigen, seine Heimatstadt Athen als Leiter des Sinfonieorchesters —, gehörten ihm die Kontinente. 1930 stand er schon am Pult der Berliner Philharmoniker, 1937 war er Chef des Sinfonieorchesters in Minneapolis. Ueber ein Jahrzehnt blieb er im amerikanischen Mittelwesten. Keines der großen Instrumente, das sich nicht seiner Hand anvertraut hätte, in New York war er einer der Präzeptoren des Philharmonischen Orchesters für eine entscheidende Phase — was das Orchester und was ihn selbst betrifft. Mit diesem Orchester kam er auch 1955 nach Europa zurück. Seitdem gehörte er zu den Säulen der Salzburger Festspiele. Der Oper gab er dort sein gebändigtes Temperament, als wollte er jedesmal mit der Musik die Szene überwinden. Unvergessene „Elektra"! Am Musikleben unserer Gegenwart hat er mit dem heftigen Akzent einer spirituellen Leidenschaft, einer magischen Intensität mitgeformt. Er hat gerade im letzten Jahr dank der Einladung des Westdeutschen Rundfunks mit dem grandiosen Kölner Orchester mehrmals musiziert und auch dort Strauß und Mahler auf das Programm gesetzt.

Am Tag bevor er nach Mailand fuhr, um dort zu sterben, hat er am Montag dieser Woche in Köln am Rhein sein letztes Konzert dirigiert. Wieder hatte Mahler auf dem Programm gestanden. Er war dem Werke treu, er hielt es gleich Bruno Walter für eine Verpflichtung, Mahlers Musik klingen zu lassen. Es war die gleiche Dritte, mit der er in Mailand zu proben begonnen hatte — „O Mensch, gib acht" — und die ihn nun in den Tod hineingeleitet hat. ofr

Mitropoulos gestorben

Sein Tod trifft Salzburgs Festspiele besonders schwer

Dimitri Mitropoulos ist gestern in Mailand einer Herzattacke erlegen. Er brach in der Scala während der Proben für Gustav Mahlers 3. Symphonie zusammen. Einen Augenblick lang stand er bewegungslos am Pult, dann stürzte er zu Boden. Der Theaterarzt konnte keine Hilfe mehr bringen. Mitropoulos hatte vorher über Müdigkeit geklagt. Die Orchesterprobe hatte kaum zehn Minuten gedauert, als die Katastrophe eintrat. Schon im vergangenen Jahr hatte Mitropoulos in Deutschland eine Herzattacke erlitten, von der er sich aber wieder völlig erholt zu haben schien.

Der Tod des bedeutenden Dirigenten ist für das Musikleben in aller Welt ein schwerer Schlag, besonders hart trifft er auch Salzburg, die Salzburger Festspiele, zu deren hervorragendsten musikalischen Leitern Mitropoulos zählte. Er hat im vergangenen Festspielsommer je ein Konzert der Wiener und Berliner Philharmoniker dirigiert, er sollte nächstes Jahr neben Orchesterkonzerten auch die Verdi-Oper „Simone Boccanegra" in der Felsenreitschule dirigieren. Nun hat der Tod diese markante Persönlichkeit, die nicht nur großes Künstlertum, sondern nach allgemeiner Auffassung auch hohe Menschlichkeit auszeichnete, mitten aus der geliebten Tätigkeit, vom Dirigentenpult weg, zu sich genommen.

Dimitri Mitropoulos wurde am 18. Februar 1896 in Athen geboren, erhielt seine musikalische Ausbildung zunächst am Konservatorium in Athen, setzte seine Studien in Belgien fort und beschloß sie in Deutschland. Er ist Schüler Busonis gewesen. Seine Laufbahn als Kapellmeister begann Mitropoulos an der Berliner Staatsoper, anschließend (von 1924 bis 1930) war er Dirigent der Symphonie-Konzerte des Musikkonservatoriums in Athen. In den folgenden Jahren machte er seinen Namen als Orchesterdirigent auf zahlreichen Gastspielreisen in ganz Europa bekannt. 1936 ging er nach Amerika, wo er die Symphonie-Orchester in Boston, New York, Cleveland und Minneapolis leitete. Gastspiele führten ihn aber durch ganz Nord- und Südamerika. Von 1951 bis 1957 war er Chefdirigent der New Yorker Philharmoniker. Mitropoulos ist auch als Komponist hervorgetreten, so mit der Oper „Schwester Beatrice" und mit Orchester- und Kammermusik.

Eine Erklärung des Pressebüros der Salzburger Festspiele zum Tode Mitropoulos stellt fest, daß der große Dirigent seit seinem ersten Salzburger Konzert im Jahre 1954 mit den Festspielen eng verbunden war. Wiederholt bekräftigte Mitropoulos seine herzliche Sympathie für die Mozartstadt, in die er immer wieder mit Freude zurückkehrte. Sein Salzburger Wirken bestätigte ihn als großen Richard-Strauss-Dirigenten und Förderer des zeitgenössischen Musikschaffens.

DIMITRI MITROPOULOS ZUM GEDENKEN

Am 2. November 1960 starb in Mailand Dimitri Mitropoulos. Während einer Probe zu einem Konzert. Mitten aus der Musik heraus, die sein Leben war, wurde er von dieser Welt abberufen. Wie ihm die Gnade geschenkt worden war, in der Musik die Erfüllung seines Lebens finden zu dürfen, so war ihm auch die Gnade geschenkt worden, in Musik zu sterben. Ohne Schmerzen, ohne Leiden. Wie der Tod in Hugo von Hofmannsthals „Spiel vom Sterben des reichen Mannes" Jedermann inmitten seiner Tischgesellschaft die Hand aufs Herz legt und ihn erstarren läßt, so hat es wohl auch Dimitri Mitropoulos erfahren: Der Tod legte ihm die Hand aufs Herz. Hochaufgerichtet, wie zu einer Säule erstarrt, verharrte er einen Augenblick. Sein Ohr hörte wohl noch den Nachklang der Mahlerschen Musik, die er eben geprobt hatte, sein Blick aber ging schon ins Leere. Dann brach er zusammen. Die Welt war um einen großen Menschen ärmer geworden.

Dimitri Mitropoulos war nicht allein einer der hervorragendsten Dirigenten, ein Phänomen mit einem geradezu legendären Gedächtnis, dessen Interpretationen der musikalischen Werke in Oper und Konzert unvergessen bleiben, ja in die Musikgeschichte eingehen werden. Dimitri Mitropoulos war auch ein gütiger, stets hilfsbereiter und vor allem ein demütiger Mensch, demütig vor Gott und seinen Schöpfungen, demütig vor der Kunst. Und dies hat wohl auch jeder empfunden, der jemals Dimitri Mitropoulos am Dirigentenpult gesehen hat, der die von ihm interpretierte Musik gleichermaßen mit dem Ohr und dem Herzen gehört und aufgenommen hat.

A MASTERFUL CONDUCTOR

Dimitri Mitropoulos

Dimitri Mitropoulos, conductor of the New York Philharmonic Orchestra died in Milan yesterday after collapsing on the podium at the La Scala Opera House. He was 64.

Mitropoulos, born in Athens in 1896 of an extremely religious family—one grandfather was an Orthodox priest and the other grandfather an archbishop—is reputed to have declared at the age of 7 that he would become a monk and a composer "for the greater glory of God." He went to the Athens Conservatory of Music and there wrote his opera "Sister Beatrice." He continued his studies at Brussels and Berlin.

In 1924 he accepted the directorship of the Athens Conservatory Symphony, and appeared as a guest conductor with almost every major orchestra in Europe. He composed orchestral and chamber music, piano music, and songs, but finally gave up composition to concentrate on conducting. In 1937 he went to Minneapolis and conducted the Symphony Orchestra there, and in 1949 accepted co-conductorship of the New York Philharmonic with Leopold Stokowski. In 1950 he was named full conductor.

Neville Cardus writes:

Mitropoulos was a conductor of extraordinary technical command, with a good quick musical brain and of strong emotional responses. His understanding of form usually controlled his feelings, but he seldom presented a work at less than high voltage. So masterful was his technical grip on an orchestra that, as he conducted, he seemed to be in close touch with every group of instrumentalists, playing on them with something of the

immediate touch of a pianist on the keyboard. This embracing technique was possible because of his remarkable knowledge, both of scores and of the players' capacities. His knowledge and memory were indeed exceptional; I have been told that he rehearsed "Wozzeck" without score.

There was a priest-like air about him—bald, cadaverous, and slender. He would at times retire to some fastness, there to brood on the problems of his art. A performance of the Fourth Symphony of Vaughan Williams, conducted a few years ago at the Edinburgh Festival, remains electrically in mind. The orchestra, I think, was the New York Symphony. The performance was red-hot, galvanic in the first movement, not allowed to become depressed in the andante, of rare gusto in the scherzo, and terrific in the forging energy of the finale. Mitropoulos's interpretation persuaded me that this symphony was one of the most powerful, passionate, and genius-charged of our century; subsequent performances I have heard reduced the vitality at least a half.

Only one conductor from Europe who has worked any length of time in America has escaped influences calculated to streamline his technique and tend to make his performances spectacular rather than deeply moving aesthetically. He is Bruno Walter. Even Toscanini suffered some hardening of the musical arteries. Mitropoulos also seemed at times to demonstrate or "put over" a masterpiece for the glory of magnificent orchestral virtuosity; but not often. He lacked the simple restraint and relaxations needed to conduct Mozart satisfactorily. Many of my critic colleagues, admittedly, have admired Mitropoulos's Mozart; most of them, I think, are too young to know how simply and unself-consciously Mozart once was allowed to speak for himself. A typical Richard Strauss interpretation of a Mozart symphony would today probably be regarded as dull or of low blood-pressure. Mitropoulos rather lacked sensuous charm, or the poise of rhythm which tells of an easy ripe culture. He was a fascinating mixture of musical apostle and orchestral virtuoso. His musicianship was probably not excelled by any living conductor. At his best he could almost persuade us that he was being visited by genius, or by some force beyond the scope of rare talent—which is high praise for a conductor. He was, in fact, a conductor of the present day, unrivalled in contemporary music. He made the classics sound modern in tension.

DEATH OF MR. DIMITRI MITROPOULOS

FROM OUR CORRESPONDENT

MILAN, Nov. 2

Mr. Dimitri Mitropoulos, the Greek-American orchestral conductor, died today in a Milan hospital soon after having a heart attack while rehearsing the orchestra of La Scala for a concert.

In 1959 he had to give up conducting for some time after a heart attack. Last night he arrived in Milan from Germany and this morning, as he took his place for the rehearsal, he was heard to say: "I feel like an old car, but I hope to carry on all the same."

The orchestra had just begun a Mahler symphony when he collapsed. The theatre doctor was called and he was at once taken to hospital by ambulance.

Obituary

MR. DIMITRI MITROPOULOS

GREECE'S GREATEST CONDUCTOR

Mr. Dimitri Mitropoulos, whose death is reported on another page, was Greece's greatest conductor, a convinced and eloquent champion of new music, and an orchestral trainer of outstanding brilliance whose work with the New York Philharmonic Symphony Orchestra made a deep impression on his two visits to this country as their conductor.

It was not to conducting that Mitropoulos aspired in his youth but to composition—and to a monastic life. His family and forebears included several monks and priests, and Dimitri, who was born in Athens on March 1, 1896, fully intended from boyhood to devote his life to the Orthodox church, giving back to God the musical talent which had already shown itself in him. The world claimed Mitropoulos's musicianship, but he remained a deeply religious man, spartan in his daily life and mystical in his thought, though remarkably practical in his music-making.

In Athens he studied pianoforte and musical theory, graduating in 1918 with a gold medal for his piano playing. Two years later his first and only opera, *Sister Beatrice*, was produced in Athens and roused the interest of Saint-Saëns, who proposed that Mitropoulos should go to study with him in Paris; the young composer had, however, already made plans to study composition in Brussels with Paul Gilson, where he also trained as an organist. He was by now a pianist of high promise and from Brussels he went to Berlin as a member of Busoni's pianoforte master class, at the same time earning his living as a *repetiteur* at the Berlin State Opera. In 1924 he returned to teach in Athens, but also to conduct there.

From 1927 his direction of the Athens Conservatory Orchestra began to attract a more than local reputation, both for the sheer quality of the orchestral playing and for Mitropoulos's championship of new music and of neglected classics. In 1930 he was invited to conduct the Berlin Philharmonic Orchestra, and when his soloist failed to appear, caused a stir by performing Prokofiev's third piano concerto himself, as well as conducting the orchestra.

The success of this dual role encouraged Mitropoulos to make it a feature of his repertory. After tours of Europe and Russia he was invited by Sergei Kussevitsky in 1936 to conduct the Boston Symphony Orchestra, and from then on he worked principally in America, first as conductor of the Minneapolis Symphony Orchestra from 1937 to 1949, and subsequently of the New York Philharmonic Symphony Orchestra with which he visited London and the Edinburgh Festival. In recent years he had conducted fairly regularly at the Metropolitan Opera in New York, and in 1958 brought Samuel Barber's opera *Vanessa* to Salzburg festival for its European premiere. He was often to be heard at other European music festivals, and it is to be regretted that he visited London so rarely.

Mitropoulos's performances were characterized by white-hot intensity. In the classics his impulsiveness and ardour sometimes resulted in lopsided or unstylish interpretations, but the impulsiveness sprang from no inner uncertainty, but from profound knowledge of the music and from convictions that he could not restrain. In romantic music, particularly of the Russian school, he was a thrilling interpreter; but it was in contemporary works that he excelled, from Richard Strauss to the serialists of today. He conducted without a baton and from memory, even at rehearsal—American musicians were dumbfounded by his command of every detail in the score of Berg's *Wozzeck* when he prepared and conducted the concert performance which was recorded for the gramophone (it has yet to be issued in this country). His memory was not, however, photographic; he learned his scores the hard way, by scrupulous analysis. British audiences will best remember him for the magnificent reading of Vaughan Williams's fourth symphony which he conducted at the Edinburgh Festival in 1951 and again in 1955. We are slow to accept foreigners' interpretations of British music, but many musicians who thought that they knew this symphony well found themselves capitulating utterly before this revelatory performance by an American orchestra under its Greek conductor.

Conductor dies during La Scala rehearsal

From LESLIE CHILDE

ROME, Wednesday.

THE 64-year-old conductor and composer, Dimitri Mitropoulos, collapsed on the stage of Milan's La Scala Opera House today, and died on his way to hospital.

He had been conducting a rehearsal for 20 minutes when he stopped suddenly. The baton dropped from his hand, and he fell.

Musicians who were practising for a concert at the famous opera house next Monday, rushed to his aid. Many were in tears.

It was on the stage at La Scala that Mr. Mitropoulos began his climb to world fame 30 years ago. Tonight, a special performance of Beethoven's "Eroica" was staged there in his honour.

FELT TIRED

"He died like a soldier—on duty," said one official.

Athens-born Mr. Mitropoulos had appeared as guest conductor in England and many other countries.

He first went to America in 1936, and held appointments with top orchestras there.

He had a phenomenal memory, and is reputed to have known by heart the whole score of more than 50 symphonies.

A few minutes before going on-stage yesterday, he said: "I feel very tired, like an old car—but one that still works."

MUSIC OF HIGH TENSION

By MARTIN COOPER

DIMITRI MITROPOULOS, the Greek-born conductor and composer, has died in Milan aged 64. He became an American citizen in 1946.

He was, with Nicos Skalkotas and Maria Callas, one of the most remarkable musicians that Greece has given to Western Europe in this century.

He was born in Athens in 1896. After studying there, he had an opera and a symphonic poem performed before he left to continue his studies in Western Europe, at first in Brussels under Gilson and then at the Berlin High School for Music, where he spent three years in Busoni's master-class.

Returning to Athens in 1924, he spent the next six years conducting there, introducing many unfamiliar works both new and old and doing much to raise the standard of Greek orchestral playing.

AMERICAN DEBUT

A concert with the Berlin Philharmonic Orchestra in 1930, when he both conducted and also appeared as soloist in a Prokofiev piano concerto, made his name famous outside his own country. After touring as a conductor in Europe he made his American debut, with the Boston Symphony Orchestra, in 1936.

The next year he was appointed permanent conductor of the Minneapolis Symphony Orchestra, a post which he held until 1949, when he first joined and then succeeded Stokowski as conductor of the New York Philharmonic. He became conductor at the New York Metropolitan Opera House in 1954.

His appearances in this country were at the Edinburgh Festivals of 1950 and 1956, an occasion when his tense, electrical interpretation of Vaughan Williams's Fourth Symphony made a great impression.

In general, he was most successful in music of high nervous tension and had a marked predilection for "Elektra" and "Wozzeck."

OBITUARY

Dimitri Mitropoulos

DIMITRI MITROPOULOS, the 64-year-old Greek-born conductor and composer, had a stroke while rehearsing for a performance at La Scala, Milan, yesterday and died on the way to hospital.

Just before he collapsed on the Podium, he said to the orchestra: "As you can see, I am still alive."

In 1949 Mitropoulos accepted co-conductorship of the New York Philharmonic with Leopold Stokowski. In 1950 he was named full conductor, and took the orchestra on extensive tours.

Maria Callas, the opera singer, said when she heard the news of Mitropoulos' death: "He was going to conduct a performance of 'Medea' in which I was to star in Athens next summer."

Last night, Mitropoulos' body lay at a Milan hospital. Keeping vigil during the evening hours were four of his orchestra.

His musical memory was second only to that of Toscanini. He kept the complete scores of more than 50 symphonies in his head, conducting both rehearsals and performances without reference to the score.

Funeral arrangements have not yet been announced.

Composers' Debt

Schoenberg and Berg among the Europeans, BARBER among the Americans owed much to him. So did Artur Schnabel, still better remembered as a great pianist than as an *avant-garde* composer.

In England, SIR JOHN BARBIROLLI announced that he was to take over from LEOPOLD STOKOWSKI as chief conductor of the Houston (Texas) Symphony Orchestra for the 1961-62 season. Mancunians, and others, were relieved to learn, after many rumours, that Sir John would not be breaking his ties with the Hallé.

MUSIC

Death of a Champion

THE death of the Greek conductor, Dmitri Mitropulos, at sixty-four, robbed contemporary composers of one of their most gifted and ardent champions.

He combined virtuosity and extreme intensity with a remarkable analytical mind which he put largely at the service, first in Athens, then in America, of men whose orchestral compositions were at first often regarded as incomprehensible and unplayable.

Hommage à Dimitri Mitropoulos

TRIBUNE DE GENEVE 27-11-60

Le matin du 3 novembre 1960, Dimitri Mitropoulos est mort au pupitre de la Scala de Milan, alors qu'il faisait répéter une symphonie de Mahler. Ce décès soudain prive le monde musical d'un des plus éminents chefs d'orchestres de notre époque.

Dimitri Mitropoulos naquit à Athènes le 18 février 1896 ; son père souhaitait le voir devenir officier de marine, mais le jeune homme se sentit attiré de bonne heure par la musique, et il s'inscrivit au Conservatoire de la capitale hellénique. Au cours de son adolescence, il envisagea momentanément de se consacrer à la vie monastique, au Mont Athos ; il renonça toutefois à ce projet lorsqu'il apprit que la condition de moine lui interdisait de se consacrer à la musique, et continua à étudier le piano et la composition.

Avant même de quitter le Conservatoire, il avait écrit un opéra, *Sœur Béatrice*, d'après la pièce de Maeterlinck. En 1918, il se rendit à Bruxelles, où il fut l'élève de Paul Gilson, puis à Berlin, où Busoni fut son maître. Dans cette dernière ville, il fut appelé au poste de répétiteur de l'Opéra d'Etat, et il remplit ces fonctions jusqu'en 1925.

Au cours des années suivantes, Dimitri Mitropoulos assuma la direction de l'Orchestre symphonique du conservatoire d'Athènes, encourageant en même temps les compositeurs de son pays. Il entreprit en 1930 sa première grande tournée européenne, dirigeant en particulier à Paris, Berlin et Bruxelles, puis, en 1932, à Rome, Florence, Londres et à nouveau Paris.

En 1934, Dimitri Mitropoulos dut au hasard de se révéler au public berlinois en qualité de pianiste ; il devait, en effet, diriger l'Orchestre philharmonique de cette ville dans un programme comprenant le *Troisième concerto pour piano* de Prokofiev. Egon Petri, qui devait être le soliste de cette œuvre, fut, à la dernière minute, la victime d'un empêchement : Dimitri Mitropoulos le remplaça pour ainsi dire au pied levé, interprétant la partie de piano en même temps qu'il dirigeait l'orchestre. Il lui arriva à plus d'une reprise, par la suite, de cumuler ces deux rôles au cours de ses concerts...

Dimitri Mitropoulos fut appelé en 1937, à la direction de l'Orchestre symphonique de Minneapolis ; il resta douze ans à la tête de cet ensemble, dont il fit un des meilleurs des Etats-Unis. Au cours de cette période, il acquit — en 1946 — la nationalité américaine, et dirigea, d'autre part, les orchestres de Boston, New-York et Cleveland. En 1949, il succéda à Bruno Walter au pupitre de l'Orchestre philarmonique-symphonique de New-York, et il était enfin, depuis 1954, chef de l'orchestre du Metropolitan Opera de cette dernière ville.

Si ces interprétations des œuvres classiques constituaient des modèles de passion contrôlée et de sensibilité intelligente, Dimitri Mitropoulos était en même temps un ardent apôtre de la musique contemporaine: il fit connaître au public américain plusieurs des partitions les plus significatives du XXe siècle, et Samuel Barber et Dimitri Chostakovitch, pour ne citer qu'eux, lui doivent une large part de la renommée dont leurs pages jouissent aux Etats-Unis...

Après *Sœur Béatrice*, Dimitri Mitropoulos composa un certain nombre d'autres œuvres, la plupart d'entre elles étant destinées à un grand orchestre. Il convient de mentionner, parmi celles-ci, sa *Symphonie du Christ*, la *Fête crétoise*, un *Concerto grosso*, la *Passacaille et ostinato*, les *Trois danses de Cythère*, ainsi que des musiques de scène (pour *l'Electre* de Sophocle et l'*Hippolyte d'Euripide*). Il a également mis en musique des poèmes de Palamas et de Cavafy, et est enfin l'auteur d'orchestrations de diverses pages de Bach.

Cependant, c'est avant tout en qualité de chef d'orchestre que Dimitri Mitropoulos demeurera dans le souvenir des mélomanes. Son respect à l'égard de la partition qu'il devait interpréter, la chaleur et l'enthousiasme qu'il communiquait à ses musiciens, avaient fait de lui un des maîtres les plus fréquemment invités aux divers Festivals de musique, en Europe aussi bien qu'en Amérique.

Parmi ceux de ses enregistrements qui sont actuellement disponibles en Suisse, nous mentionnons d'abord ses interprétations de quelques œuvres du XIXe siècle : la *Symphonie fantastique* de Berlioz **(Philips-Réalités C-12)**, *l'Ecossaise* et la *Symphonie de la Réformation* de Mendelssohn **(Philips G 03542 L)**, la *Seconde symphonie* de Borodine **(Philips A 01227 L)** attestent la souplesse de son talent ; faisons une place à part à ses versions de deux symphonies de Tchaïkowsky, la *Cinquième* **(Philips S 04605 L)** et la *Pathétique* **(Philips A 01366 L)** qui prennent place parmi les deux ou trois plus beaux enregistrements de ces œuvres, pourtant fréquemment servies par le disque.

Dimitri Mitropoulos nous a également laissé d'attachantes interprétations de *La mer* de Debussy **(Philips A 01100 L)** et de *Petrouchka* de Stravinsky **(Philips G 05620 R)**. Pourtant, s'il nous fallait indiquer des préférences parmi ses enregistrements de pages contemporaines, nous n'hésiterions pas à choisir son admirable sélection du ballet *Roméo et Juliette* de Prokofiev **(Philips A 01380 L)**, ainsi que la *Dixième symphonie* de Chostakovitch **(Philips A 01175 L)**.

Il convient encore de relever la mesure avec laquelle Dimitri Mitropoulos savait accompagner un soliste lors de l'exécution d'un concerto : l'orchestre était mis au service de ce soliste, avec déférence et précision, sans jamais devenir pour autant un comparse. Sa collaboration avec le pianiste Robert Casadesus nous a valu une des plus belles interprétations du *Cinquième concerto*, dit *L'empereur*, de Beethoven **(Philips A 01215 L)**, où l'unité de conception existant entre le soliste et le chef d'orchestre est véritablement exemplaire. Mentionnons encore les disques dans lesquels il accompagne le violoniste Zino Francescatti : *concertos* de Bruch **(Philips S 06638 R)**, de Mendelssohn et de Tchaïkovsky **(Philips A 01214 L)**. Nous devons à Isaac Stern et à Dimitri Mitropoulos le meilleur, sans doute, des enregistrements du *Premier concerto pour violon* de Prokofiev **(Philips-Réalités C-8)** ; et c'est avec David Oïstrakh, enfin, que le grand chef d'orchestre révéla au public américain le *Concerto pour violon* de Chostakovitch **(Philips A 01238 L)**.

★

Nous ne saurions mieux conclure qu'en citant le critique français Maurice Le Roux, qui résumait ainsi ses impressions de Dimitri Mitropoulos en 1954 : « Un prestigieux homme de musique, traitant son art comme une mission, et les musiciens d'orchestre comme ses frères... Il travaille avec acharnement, s'habituant à la tolérance, à l'humilité, dédiant à l'orchestre la meilleure part des applaudissements du public... Il est difficile de voir un chef dont la présence sur la scène exerce une plus aveuglante fascination. Une vitalité diabolique, une présence vigilante aux quatre coins de l'orchestre, une personnalité rayonnante... Tout cela passe dans l'orchestre, les sonorités des instruments se modifient, l'éventail des nuances s'ouvre plus largement, donnant aux partitions classiques des dimensions et des éclairages inconnus... Un homme dépourvu de toute vanité, et dont l'exemple sera sans doute décisif dans l'évolution de l'art de la direction d'orchestre... »

Mitropoulos
meurt subitement
à la Scala de Milan

MILAN, 3 (AFP) — **Dimitri Mitropoulos est mort, mercredi matin, au pupitre de la Scala de Milan, pendant qu'il faisait répéter une symphonie de Mahler.**

C'était un musicien connu dans le monde entier,

Né à Athènes le 18 février 1896, il poursuivit ses études de musique en Belgique et en Allemagne, après les avoir commencées au Conservatoire d'Athènes.

Il fut l'un des chefs d'orchestre de l'Opéra de Berlin, dirigea l'ensemble symphonique d'Athènes, enseigna à l'Odéon et se rendit célèbre par de nombreuses tournées en Europe et dans le monde.

En 1936, il émigra aux Etats-Unis, dont il devint citoyen en 1946. Il dirigea plusieurs grands orchestres symphoniques américains, pour prendre la direction, en 1954, de l'orchestre du Metropolitan Opera de New York. Il fut l'un des maîtres les plus fêtés des grands festivals internationaux des dix dernières années, notamment des concerts donnés à l'occasion du Festival de Grande-Bretagne. Très attaché à la musique française, il était considéré comme l'un de ses meilleurs popagandistes.

L'été dernier, Mitropoulos, qui paraissait en pleine possession de ses étonnants moyens, avait encore dirigé au Festival de Salzbourg, la symphonie de Mahler, dite des Mille, avec un brio et un sens de la grandeur si étonnant que ce concert fut, à n'en pas douter, l'un des sommets du dit festival. La salle, débordante d'admiration, sut témoigner sa reconnaissance au gré d'innombrables rappels.

Depuis, Mitropoulos avait encore présidé à divers concerts et représentations d'opéras à Vienne.

Avec Mitropoulos, c'est un des tout premiers chefs d'orchestre de notre temps qui s'en est malheureusement allé hier.

Trauer um Mitropoulos

s. Dimitri Mitropoulos, der weltbekannte und zumeist in Amerika tätige Dirigent, ist nach kurzer Krankheit 64 Jahre alt in Mailand dahingeschieden, nach einer Herzschwäche während der Orchesterprobe zu einer Mahler-Sinfonie in der Scala. Mitropoulos war Hellene, aus Athen gebürtig, wo er auch seine erste musikalische Ausbildung erhalten hatte. Später studierte er u. a. bei Busoni und wirkte als Korrepetitor an der Staatsoper Berlin. Doch Hellas rief diesen begabten Sohn. Dimitri Mitropoulos leitete noch nicht 30jährig die repräsentativen Orchesterkonzerte in Athen. Sein Stern jedoch leuchtete bald über Griechenland hinaus. Gastspiele führten Mitropoulos durch Europa und durch Amerika. Die Vereinigten Staaten wurden auch ihm, wie andern Musikern von weltweitem Klang, zur zweiten Heimat. Seit 1951 stand Dimitri Mitropoulos den New Yorker Philharmonikern vor, mit denen er seit vielen Jahren schon besonders verbunden sich fühlte. An der Spitze dieses Orchesters und als Gast während der Festwochen in Luzern war dieser begnadete, im Konzertsaal und im Theater ebenso heimische Dirigent auch in der Schweiz wahrlich kein Unbekannter. Der Rahmen seiner Meisterschaft schien weitgespannt. Die Partituren älterer und auch moderner Slawen einschliesslich Schostakowitsch erblühten unter seinem Stab in herrlichen Farben. Für Zeitgenossen und insbesondere für Alban Berg setzte sich Mitropoulos mutig ein. Er dirigierte stets auswendig.

Mort subite du chef d'orchestre

DIMITRI MITROPOULOS

au pupitre de la Scala de Milan

MILAN, 2 novembre. — Le chef d'orchestre grec Dimitri Mitropoulos est mort, hier matin, à la suite d'un malaise soudain, au pupitre de la Scala de Milan, pendant qu'il faisait répéter une symphonie de Mahler. M. Mitropoulos était âgé de 64 ans. (Afp)

Le poste de chef du « New-York Philarmonic Orchestra » que Dimitri Mitropoulos occupa dès 1949 fut l'aboutissement d'une fulgurante carrière. Cette carrière débuta à Athènes où il naquit en 1896. En effet, après des études au conservatoire de cette ville, puis à Bruxelles et à Berlin où il fut l'élève de Busoni, Mitropoulos déploya en Grèce, et dans de nombreux pays d'Europe et d'Amérique, une intense activité de chef d'orchestre, de pianiste et de compositeur. Professeur de composition au Conservatoire d'Athènes, il se fixa dès 1936 aux USA, notamment à Boston.

Dimitri Mitropoulos était doué d'une prodigieuse mémoire musicale. Son goût de la couleur orchestrale le prédisposant à l'interprétation de Tchaïkovsky, des Russes et de certaines partitions modernes. Il réalisa de mémoire le premier enregistrement en longue durée de l'opéra « Wozzeck » d'Alban Berg, à la tête de l'Orchestre philarmonique de New York. Son répertoire, cependant, était fort étendu. Rappelons qu'il dirigea un concert au Festival de Lucerne il y a deux ans.

Mitropoulos composa un opéra « Sœur Beatrice » (écrit d'après la pièce de Maeterlinck), de la musique de scène pour des tragédies d'Euripide, des œuvres symphoniques et de musique de chambre.

Son humour à la fois vif et souriant était célèbre. On affirme qu'il apprenait par cœur les noms des instrumentistes des orchestres qu'il dirigeait, lors de ses tournées, afin de les connaître personnellement. Remarquable trait de sympathie humaine et excellent exercice cérébral...

MUSIQUE

Dimitri Mitropoulos

● *Maurice Le Roux, directeur de l'Orchestre national, dit ce que fut la vie d'un musicien exceptionnel.*

MERCREDI dernier, à Milan, il faisait répéter la 3e Symphonie de Mahler par l'orchestre de la Scala. Sans pupitre, selon son habitude, avec la partition tout entière (les notes, les instruments, les nuances, les chiffres) dans la tête et dans le cœur. Et soudain, c'est le cœur qui l'abandonne : il meurt, debout, en plein travail, au milieu des musiciens ses amis, la seule famille qu'il ait choisi d'avoir pour entourer sa vie.

En effet, Mitropoulos n'était pas un chef d'orchestre comme les autres. Les artistes de l'orchestre étaient ses frères, il se considérait seulement comme un « surinstrumentiste », jouant de l'orchestre comme d'autres du violon ou du hautbois. Il les faisait acclamer par le public avant de prendre part lui-même au succès, il les saluait avant de saluer le public, il apprenait par cœur le nom des musiciens des orchestres où il était invité, il faisait cadeau de tout ce qui pouvait faire plaisir ou rendre service, il donnait ses disques, ses vêtements, sa voiture.

Une mission

De moins généreux que lui ont parfois considéré tous ces gestes comme bizarres ou démagogiques. Lorsqu'on a connu tant soit peu Mitropoulos, on sait que ce grand artiste était au contraire animé des plus hautes pensées, et que tout en étant un homme de théâtre merveilleux, il avait un absolu respect pour les êtres, et pour les choses.

Il traitait son art comme une mission, une sorte d'apostolat, auquel il convenait de tout sacrifier. Lorsque j'ai fait sa connaissance à Salzbourg, en 1954, ses premiers mots ont été ceux-ci : « *Celui qui veut être chef d'orchestre, c'est-à-dire imposer sa propre conception d'une œuvre à cent artistes qui ont vraisemblablement chacun une conception particulière de cette œuvre, doit mériter cet insolent privilège. Il ne travaillera jamais assez pour avoir le droit d'être à cette place. Il doit respecter d'autant plus la personne humaine, qu'il sait qu'il est obligé de violenter la sensibilité de tous pour imposer la sienne. Il faut donc qu'il soit plus doué, plus musicien que les autres, plus travailleur, plus tolérant, plus modeste, plus désintéressé, plus pur.* »

Ces mots, restés gravés dans ma mémoire, résument assez bien, je crois, la conception de vie de Mitropoulos. On a dit que, autrefois, il avait passé plusieurs mois dans les monastères du mont Athos et que c'est là qu'il aurait puisé le secret de sa vie intérieure. Mitropoulos s'est toujours défendu de cette anecdote qui fait partie de toutes ses biographies. Pourtant, il avait une grande soif de silence et de solitude, compléments sans doute indispensables à la vie publique brillante et aux activités frénétiques d'un grand chef d'orchestre international.

Sur grand écran

C'est ainsi que lorsque Mitropoulos venait passer quinze jours à Venise, ce n'était ni dans les hôtels du Lido ni dans les palais donnant sur le Grand Canal qu'il s'installait, mais dans la petite île de Torcello, dont le calme lui permettait de méditer longuement sur les œuvres qu'il préparait, et d'en apprendre par cœur tous les détails.

Ce travail intellectuel et particulièrement cette mémoire exceptionnelle sont évidemment les facultés qui stupéfiaient le plus les musiciens et le public. Il savait tout par cœur, il pouvait tout jouer au piano, il aurait pu récrire toutes les partitions. Non seulement, il dirigeait les concerts par cœur, ce que font la plupart des chefs, et qui est tout à fait naturel, mais il faisait toutes les répétitions sans partition, même les œuvres contemporaines les plus complexes, même les opéras, comportant solistes, scène, chœurs, ballets, etc.

S'agissant d'œuvres aussi difficiles que le « Wozzeck » d'Alban Berg, on demeure confondu devant une telle performance. Mitropoulos n'en tirait, du reste, aucune vanité, précisant seulement qu'il s'y était entraîné méthodiquement par des exercices quotidiens pendant trente années. « *Je considère,* ajoutait-il, *comme un manque de respect, une lâcheté et une paresse inadmissibles de se présenter devant un orchestre sans connaître à fond ses partitions.* »

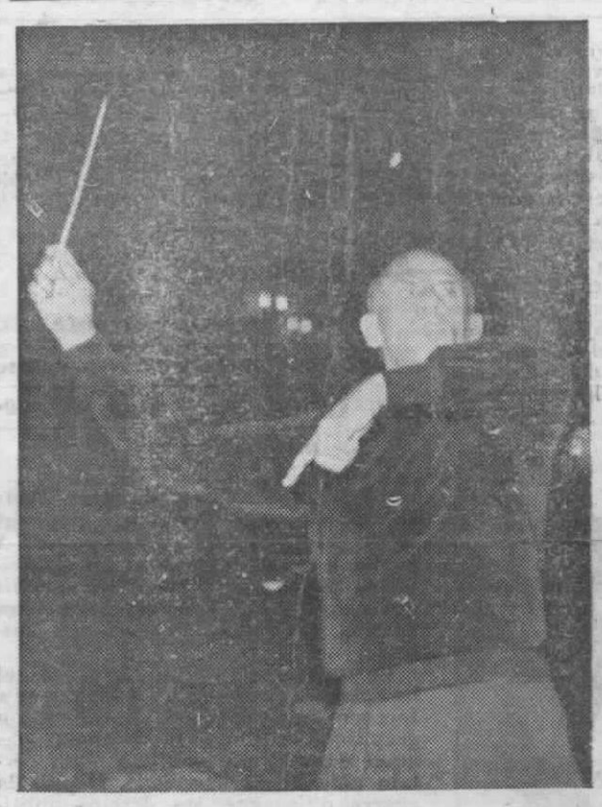
On aurait pu craindre qu'une telle organisation cérébrale, une telle lucidité, un tel travail intellectuel, n'empêchassent Mitropoulos d'exprimer physiquement la musique. Au contraire, il était difficile de voir un chef exerçant une plus aveuglante fascination. Une vitalité diabolique, une présence vigilante aux quatre coins de l'orchestre l'engageaient à une plastique d'une particulière vitalité. Il réunissait tous les dons physiques des plus grands chefs : puissance concentrée de Monteux, tendresse de Bruno Walter, souplesse élastique de Karajan, élégance capricieuse de Münch, dignité austère de Furtwängler...

Tout cela « passait » dans l'orchestre, les sonorités des instruments se modifiaient, l'éventail des nuances s'ouvrait plus largement, donnant aux partitions classiques des éclairages et des dimensions inconnus.

Ceux qui savent lire les partitions étaient éblouis de constater qu'un tel rajeunissement sonore n'était que la projection intégrale et fidèle des œuvres, mais « sur grand écran », si l'on peut dire.

Démarche analogue à celle de Toscanini, il y a cinquante ans, l'aventure de Mitropoulos a été celle d'un prodigieux homme de musique qui a respecté intégralement les œuvres qu'il dirigeait, prenant conscience de tous les détails, et remettant seulement en question les « clichés de sensibilité » qui déforment habituellement les œuvres trop entendues.

Depuis vingt ans



Il a su faire respecter aux Etats-Unis la tradition européenne, les tempos, les nuances, les équilibres sonores, tous ce qui fait le style. Il aura été, tout en étant résolument tourné vers l'avenir, par sa façon de vivre, ses goûts, sa passion pour la musique contemporaine, le défenseur d'une civilisation.

C'est donc une très grande perte que le monde musical vient d'éprouver, et particulièrement la France, qui ne l'avait pour ainsi dire pas revu depuis vingt ans, sauf un bref passage avec l'Orchestre Philharmonique de New York il y a trois ans. J'attendais avec impatience l'année prochaine, car il m'avait promis de venir diriger deux concerts à l'Orchestre National et tous les artistes de l'Orchestre s'en réjouissaient déjà. A notre passage en Grèce, en août dernier, des contacts avaient été pris, et l'Orchestre National allait être invité à donner sous sa direction deux concerts au Théâtre d'Epidaure...

Il nous reste ses disques où nous retrouverons son enseignement musical. Mais il nous reste aussi ses photographies où nous conserverons son image. Car au-delà de l'héritage technique, c'est davantage un témoignage humain que Mitropoulos nous laisse. En regardant ce visage, qui ressemblait à la fois à Gide, à Grock, à Picasso, nous pourrons méditer longtemps sur l'exceptionnelle qualité de cet artiste exceptionnel et de cet homme exemplaire.

Born in Athens, Greece, on Feb. 18, 1896 he was the son of a merchant. As a boy he almost made a vocation of religion. Two of his uncles were monks in the Greek Orthodox Church, and one of his great-uncles was an Archbishop.

But music became the major influence in his life.

Trying to Reach God'

Dimiti Mitripoulos, 64, Is Dead

MILAN, Italy, Nov. 2 UPI) — Dimitri Mitropoulos, Greek-born conductor, collapsed on the podium of the La Scala opera house today and died of a cerebral hemorrhage a short time later. He was 64.

Mr. Mitropoulos, a U. S. citizen and former director of the New York and Minneapolis Philharmonic orchestras, was conducting a rehearsal for a concert next Monday when he stopped abruptly, mumbled he was ill, and toppled to the floor of the great opera house where he had made his Italian debut 30 years ago.

A spokesman for La Scala said Mr. Mitropoulos had been conducting for about 20 minutes.

AMBULANCE

"He suddenly collapsed on the podium, and orchestral musicians stopped playing and rushed to his assistance," the spokesman said. "An ambulance was immediately summoned. but he died on his way to Milan's Polyclinic Hospital."

Altho forced to retire from full-time work because of a heart attack almost two years ago, Mr. Mitropoulos had resumed his musical efforts to the exten that his health permitted.

La Scala officials planned to cancel tonight's concert as a sign of respect.

The music world was shocked by his death. Many were on the verge of tears as they spoke of him.

U. S. Consul Earl Thomas Crain rushed to La Scala when he heard of Mr. Mitropolous' death, apparently to discuss funeral arrangements.

BACHELOR

Mitropoulos never married because he said he felt he could not do justice to two jobs. To him music was worship.

He was born in Athens Feb. 18, 1896, the son of a merchant. He studied at the Athens Conservatory of Music, where he wrote and produced an opera based on Maurice Maeterlinck's "Sister Beatrice."

He continued his studies in Brussels and Berlin, and became assistant conductor of the Berlin State Opera.

At the age of 28, he became director of the Athens Conservatory symphony.

DMITRI MITROPOULOS

During the early years, Mr. Mitropoulos composed orchestral and chamber music, piano music and songs, but he finally gave up composition to concentrate on conducting. He often doubled as piano soloist, conducting from the keyboard.

MINNEAPOLIS

He was invited to the United States by Serge Koussevitsky to be guest conductor of the Boston Symphony in 1936. The next year he went to Minneapolis where he conducted for 12 years and won a nationwide reputation.

He moved to The New York Philharmonic in 1949, sharing conducting duties with Leopold Stokowski. In 1950 he was named full conductor of the Philharmonic. In 1958 he turned the musical directorship of the Philharmonic over to Leonard Bernstein, and gave his full attention to his duties at the Metropolitan Opera House where he had first accepted guest conductor's tasks in the 1954-55 season.

In 1959, a heart attack almost compelled him to cancel his Met appearances. He recovered and carried on with his music until death struck him down in action.

Mr. Mitropoulos spoke continually of "realizing God" and climbed mountains to be nearer his Creator.

He gave away his riches to students of religion and art, keeping for himself only enough for a cell-like hotel room where he lived alone in "passionate calm." His wardrobe was limited to the necessities, and he usually ate simple fare in ordinary restaurants.

PROPHET

He saw himself as prophet and priest of contemporary musical styles — and he often said he "expected no mercy" from those who did not share his credo. His was a personal obligation to the composers of his time, and he never shunned this duty — tho he also was master of the great classics.

He was particularly interested in playing the works of young American composers, many of whom were members of the salon over which he presided at the counter of a hamburger cafe near New York's Carnegie Hall.

"Every mountain has its beauty," Mr. Mitropoulos was fond of saying, "and every man has his own mountain to climb. The composer and the conductor are only trying to reach God and help others to do the same. My ambition has been to become an example to the younger generation."

Famed Musician Died Like Soldier At Post

MILAN, Italy (UPI) — Dimitri Mitropoulos, world-famed Greek-born orchestra conductor who collapsed on the podium of the La Scala Opera House today and died of a cerebral hemorrhage a short time later was a U.S. citizen and former director of the New York and Minneapolis Philharmonic orchestras.

He stopped abruptly during a rehearsal, mumbled he was ill, and toppled to the floor of the great opera house where he had made his Italian debut 30 years ago.

Although forced to retire from full-time work because of a heart attack almost two years ago, Mitropoulos had resumed his musical efforts to the extent that his health permitted.

La Scala officials planned to cancel tonight's concert as a sign of respect for the great maestro, whose body was placed in a simple room at the hospital while several musicians stood by as a silent guard of honor.

The music world was shocked by his death. Many were on the verge of tears as they spoke of him, and one said he "was certainly one of the greatest conductors we had here."

Died Like Soldier

"He died just like a soldier in his fighting place, the podium which he climbed 30 years ago for his first concert at La Scala," one said.

U. S. Consul Earl Thomas Crain rushed to La Scala when he heard of Mitropoulos's death, apparently to discuss plans for disposition of the body and funeral arrangements.

Mitropoulos, who never married because he said he felt he could not do justice to two jobs, was as dedicated to his musical art as monks are dedicated to their devotions. To him music was worship.

The church was in his blood, the legacy of generations of ecclesiastical ancestors. Born in Athens, Feb. 18, 1896, the son of a merchant, he might have entered a monastery and become a monk if there had not been rules against taking musical instruments with him.

Instead, he enrolled at the Athens Conservatory of Music, where he wrote and produced an opera based on Maurice Maeterlinck's "Sister Beatrice."

He continued his studies in Brussels and Berlin, where he studied composition under Ferruccio Busoni and accepted the assistant conductorship of the Berlin State Opera.

Took Athens Post

At the age of 28, He became director of the Athens Conservatory Symphony, where his fame spread throughout Europe and he received more invitations to be guest conductor of major orchestras than he could accept.

He was invited to the United States by Serge Koussevitsky to be guest conductor of the Boston Symphony in 1936. The next year he went to Minneapolis to conduct the symphony there, staying on for 12 years and winning a nationwide reputation through coast-to-coast tours.

He moved to the New York Philharmonic in 1949, sharing conducting duties with Leopold Stokowski. In 1950 he was named full conductor of the Philharmonic. In 1958 he turned the musical directorship of the Philharmonic over to Leonard Bernstein, and gave his full attention to his duties at the Metropolitan Opera House where he had first accepted guest conductor's tasks in the 1954-55 season.

"I would not have been so happy if it had been anyone else. The first person with talent whom I'd discovered when I came to this country in 1936 was Lenny Bernstein."

Mr. Mitropoulos continued a full schedule of guest appearances with the New York Philharmonic, Milan's La Scala Opera, the Salzburg Festival and other leading musical organizations on both sides of the Atlantic. He had become an American citizen in 1946.

His preoccupation with religious tenets remained throughout his life. Howard Taubman, the music editor of the New York Times, once compared his tall, lean figure, his gleaming bald head, and his lean, deeply lined face to the appearance of a monk.

Close friends said Mr. Mitropoulos had complete disregard for money, elegant clothes and elaborate living quarters. He lived with almost monastic simplicity.

He never married. Once when his English was uncertain, he described himself as "a lonely wolf."

Dimitri Mitropoulos of Symphony Fame Dies

By JOHN K. SHERMAN
The Star's Music Editor

Dimitri Mitropoulos, one of the great 20th century conductors and leader of the Minneapolis Symphony orchestra from 1937 to 1949, died today in Milan Italy, of a stroke suffered while rehearsing for a performance at La Scala Opera house.

The Greek-born musician, 64, had been rehearsing Mahler's Third symphony for about 10 minutes when he stopped, stood motionless for a moment, then fell from the podium. He died on the way to the hospital.

"I feel very fatigued," he had said a few minutes earlier. "I am an old automobile that still works, however."

Apparently death was due to a heart attack. Two years ago he had suffered an attack while rehearsing in New York and afterward had walked to the hospital for treatment.

After a few months of impatient rest he resumed most of his commitments as orchestra and opera conductor and continued to commute between the United States and Europe to fulfill his conducting assignments.

After leaving Minneapolis, he became musical director and principal conductor of the New York Philharmonic. More recently he had been one of the chief conductors of the Metropolitan Opera and continued as occasional guest conductor of the Philharmonic.

Meanwhile he extended his already large reputation in Europe and conducted in the musical capitals of the continent and in summer music festivals.

His last appearance in Minneapolis was in May of 1958, when he conducted the Metropolitan Opera production of Tchaikovsky's "Eugen Onegin."

Mr. Mitropoulos was the best loved of all the permanent conductors of the Minneapolis Symphony. He was an interpretive genius of the first magnitude, and his performances were highly personalized, fiery and almost always exciting.

He felt it his duty to take on challenging assignments, mostly in the field of modern music, and he treated his listeners to the most rousing course in difficult contemporary idions that they had ever experienced.

A deeply religious man who had been reared in Athens in a family that had contained many Greek Orthodox ecclesiastics, he looked looked upon music as a religion and himself as its monk-like servant.

He was an ascetic who never married, because he felt he could not do justice to two jobs, and there was something of self-sacrifice in a profession which demanded long and lonely hours of study and memorization.

In Minneapolis he rarely conducted from score and even for complex modern works played only once he memorized every note and expression mark. His program often was "stiff" for his customers, but he regarded himself not so much an entertainer as an educator who was obligated to lead the musical public to the high places of tonal art.

The symbol of his life was the mountain, and the climbing of it, figuratively and actually, was one of his great preoccupations.

In his younger years he was an eager mountain climber. The writer remembers receiving a picture postcard from him in the early '40s, with a cross marking a peak in the Grand Tetons.

"I have just climbed the most fierceful mountain in the U.S." was the proud message.

New to America when he arrived in Minneapolis, Mr. Mitropoulos became an eager moviegoer, claiming that he learned more about American ways and customs through the films than in any other way. Everq ticket-taker in movie houses, including the second-run theaters, knew him by sight.

On the other hand, he was an intellectual of great cultivation and background, a reader of Thomas Mann, Kierkegaard and Nietzsche. The German philosopher had been one of his youthful enthusiasms and he had once made a pilgrimage, in his early years, to the grave of ..ietzsche to pay homage to his memory.

On the platform he was a memorable figure unlike any other of his colleagues in the music world. Bald, lithe, and rawboned, he would explode from the wings at the start of a concert, walk to the rostrum with the loose-limbed lope of a professional hiker and then spread his long arms and tapering pianist's fingers in a mesmeric gesture.

With the first downbeat he started punching the air barehanded, unleashing a weird repertoire of frenzied gestures and scowls and grimaces that registered every emotion from terror to ecstacy. His quivering fram and flailing fists gave the picture of a man quaking with a peculiarly vital and rhythmic form of palsy.

It was as if the music were an electric current that passed through his body to make it jerk and vibrate.

Some of the most sensational evenings in Northrop auditorium were his appearances as piano soloist, a role he combined with that of leader in a most spectacular kind of tonal sorcery, giving the illusion of a man with four hands.

Mr. Mitropoulos was far from being a "society man" while in Minneapolis, dodging gracefully as many bids as possible to cocktail parties and soirees. He was happier when consorting with his musicians in long talk fests in which he often led the conversation to philosophical planes. He was a brilliant talker and always a man of great speculative curiosity.

A gourmet—he once taught the writer to eat if not enjoy such things as snails and yogurt—he was also, when in a hurry, a quick eater at hamburger stands.

He was basically democratic and, during the war years on tour, would travel with his men in dnusty day coaches. His traveling costume included a beret and a napsack slung over his shoulders, and his only luxury was a bottle of Minneapolis spring water.

He was once stopped from entering the Minneapolis Symphony train by a conductor who thought he was a tramp trying to hitch a ride.

Mr. Mitropoulos' generosity, which he tried to keep secret, was legend. Out of his salary he helped struggling young musicians pay for their lessons and better instuments, and he gave many a young composer his first hearing in Northrop auditorium.

One of them was Roque Cordero, a Panamanian who was a Minneapolis resident in the '40s and has since become an outstanding Latin-American composer.

In late years, as I have occasionally seen him in New York, Hollywood and once in Salzburg, when he conducted the Berlioz Requiem, the has looked haggard and hollow-cheeked, like a man who was living on his nerve. There was much vitality in his gaunt frame, but he used all of it every day.

Even before his heart attack he often mentioned death, regarding it as one of those absolutes everyone must face fearlessly. He often implied he would rather die on the platform than in bed.

While recuperating from his first heart attack, he could hardly be restrained from returning full-time to his chosen profession.

It was finally agreed that the only way he could be happy and carry out his ideals of contributing to society was to let him resume his conducting, which he would have done in any event.

No doubt had he been told that he would meet his end on a conductor's platform La Scala, he would have expressed satisfaction. He died "with his boots on," and I'm sure that's the way he would have wanted it.

There will be a memorial observance at Friday's opening concert of the Minneapolis Symphony in Northrop auditorium.

Eager to learn and with an ear that rejected nothing except the cheap and easy, Mr. Mitropoulos was much interested in American jazz, which he called the "apotheosis of the syncope."

I recall taking him to a Benny Goodman concert and introducing him backstage to the king of swing, and going with him to a nightclub appearance of the late "Fats" Waller.

One of the amusing episodes of his sojourn here was a gathering of young jazz fans at the University of Minnesota, where a new song, "Beat Me, Dimitri," was unveiled in his honor.

After listening to the piece, he graciously but firmly told the young people that it was not good enough, making the point that funny music must be approached seriously to realize its purpose.

He was always on call for any event where his presence would lend aid to music. Coming back once from a guest engagement with the New York Philharmonic, he went out to North high school to conduct its band.

His performance at Northrop were mostly quick-stepping, reflecting an ardent Mediterranean temperament. Infused always with driving energy and full of accent and point, his interpretations were sometimes manipulated and mannered, but always vivid and deeply felt.

For the Sunday "pop" concerts he showed himself no adherent of the lollypop school of conducting, and these affairs often became abbreviated versions of the Friday night programs.

One of the acoustical improvements at Northrop Mitropoulos brought about almost singlehandedly. This was a shell of seasoned wood which cost $5,000.

So eager was Mitropoulos for this equipment that he impulsively broke all the rules of committee action and public campaigning and dipped into his own pocket and then formed a solicitation of committee of one himself, to raise the money needed.

Some musicians were on the verge of tears when they learned Mitropoulos had passed away.

Very Popular

"He was a very popular figure here," said one of them. "He spoke perfect Italian and was certainly one of the greatest conductors we had here. He died just like a soldier in his fighting place — the podium which he climbed 30 years ago for his first concert at La Scala."

DIMITRI MITROPOULOS

Mitropoulos, one of the world's great conductors, became the New York Philharmonic's director in 1950 after serving as coconductor with Leopold Stokowski for one year.

Born in Athens

Mitropoulos was born in Athens, Greece, the son of a leather merchant. His grandfather had been a Greek Orthodox priest and his greatuncle an archbishop.

He had planned to enter a monastery but a rule against bringing musical instruments with him caused Mitropoulos to reject the life of a monk.

Although his father wanted him to study for a naval career, Mitropoulos decided to become a musician and composer. He left the Odeion, the conservatory at Athens, and went to Berlin to study composition under Ferruccio Busoni.

The young composer of the opera "Soeur Beatrice" turned all his attention to piano and conducting. He served as conductor of the Athens Symphony and as guest conductor of the Berlin Philharmonic before winning the attention of Serge Koussevitzky who invited him to appear in Boston in 1936.

The following year, Mitropoulos was named permanent director of the Minneapolis orchestra.

12 Years in Midwest

For 12 years, he remained in the midwest where he was acclaimed by his audiences.

The conductor, who said he never married "because to make a marriage successful is a job, and I do not think I could do two jobs well," went to New York in 1949 and became famous for his emotional acrobatics on the podium.

While in New York, Mitropoulos continued his habit of rejecting engraved invitations to social functions — preferring instead the hamburger joint around the corner where he presided over his followers in a black turtle-neck sweater.

Dimitri Mitropoulos Stricken Conducting Rehearsal In Italy

MILAN, Italy (AP) — Dimitri Mitropoulos, 63, noted Greek-American symphonic and operatic conductor, collapsed and died today while rehearsing at La Scala Opera House.

He had been rehearsing Mahler's 3rd Symphony for about 10 minutes when he stopped, stood motionless for a moment, then fell. He died on the way to a hospital.

"I feel very fatigued," he had said a few minutes earlier. "I am an old automobile which still works, however."

Apparently death was due to a heart attack.

Symphony, Opera Conductor

Mitropoulos had been conductor of the Minneapolis Symphony and then of the New York Philharmonic. In recent years he also had been a leading conductor with New York's Metropolitan Opera and had toured in Europe extensively each year.

Mitropoulous was to have conducted this season at New York's Metropolitan Opera, where he had scored a notable success in recent years, and was also to have made guest appearances with the New York Philharmonic.

He suffered a heart attack on Jan. 23, 1959, in New York, but later recovered and resumed conducting.

One of the outstanding conductors of his era, Mitropoulous was both a great interpreter of symphonic and operatic classics and a staunch champion of modern music.

His memory for music was phenomenal, on a par with that of the late Arturo Toscanini. Mitropoulos not only conducted without a score but also rehearsed the same way.

Born in Greece

Born in Athens, Greece, on Feb. 18, 1896, Mitropoulos was the son of a merchant. He planned to enter a monastery but changed his mind when he learned he would be forbidden to have a little harmonium. Instead he enrolled at the Athens Conservatory, where he quickly established himself as a virtuoso pianist and gifted composer.

He was conductor of the Minneapolis Symphony for 10 years, from 1939 to 1949, then came to New York to head the Philharmonic.

After nearly 10 years as permanent conductor of the New York orchestra, Mitropoulos announced he was abdicating the post but continued a full schedule of guest appearances with leading musical organizations on both sides of the Atlantic. He had become an American citizen in 1946.

He never married.

Famed Conductor Was 64

Dimitri Mitropolous Succumbs During Rehearsal at La Scala

(By United Press International)

MILAN, Italy, Nov. 2.—Dimitri Mitropoulos, world-famed Greek-born orchestra conductor, collapsed on the podium of the La Scala Opera House today and died of a cerebral hemmorrhage a short time later. He was 64.

Mitropoulos, a U. S. citizen and former director of the New York and Minneapolis Philharmonic Orchestras, was conducting a rehearsal for a concert he was due to give next Monday when he stopped abruptly, mumbled he was ill, and toppled to the floor of the great opera house where he had made his Italian debut 30 years ago.

A spokesman for La Scala said Metropoulos had been conducting for about 20 minutes when his baton fell from his hand.

"He suddenly collapsed on the podium, and orchestral musicians stopped playing and rushed to his assistance," the spokesman said. "An ambulance was immediately summoned, but he died on his way to Milan's Polyclinic Hospital."

Cerebral Hemorrhage

Doctors there said their preliminary diagnosis was that he died of a cerebral hemorrhage.

Although forced to retire from full-time work because of a heart attack almost two years ago, Mitropoulos had resumed his musical efforts to the extent that his health permitted.

La Scala officials planned to cancel tonight's concert as a sign of respect for the great maestro, whose body was placed in a simple room at the hospital while several musicians stood by as a silent guard of honor.

The music world was shocked by his death. Many were on the verge of tears as they spoke of him, and one said he "was certainly one of the greatest conductors we had here."

"He died just like a soldier in his fighting place, the podium which he climbed 30 years ago for his first concert at La Scala," one said.

U. S. Consul Earl Thomas Crain rushed to La Scala when he heard of Mitropoulos's death, apparently to discuss plans for disposition of the body and funeral arrangements.

Mitropoulos, who never married because he said he felt he could not do justice to two jobs, was as dedicated to his musical art as monks are dedicated to their devotions. To him music was worship.

The church was in his blood, the legacy of generations of ecclesiastical ancestors. Born in Athens Feb. 18, 1896, the son of a merchant, he might have entered a monastery and become a monk if there had not been rules against taking musical instruments with him.

Instead, he enrolled at the Athens Conservatory of Music, where he wrote and produced an opera based on Maurice Maeterlinck's "Sister Beatrice."

He continued his studies in Brussels and Berlin, where he studied composition under Ferruccio Busoni and accepted the assistant conductorship of the Berlin State Opera.

Famed at 28

At the age of 28, he became director of the Athens Conservatory Symphony, where his fame spread throughout Europe and he received more invitations to be guest conductor of major orchestras than he could accept.

During these early years, Mitropoulous composed orchestral and chamber music, piano music and songs, but he finally gave up composition to concentrate on conducting. He often doubled as piano soloist with orchestras, conducting from the keyboard.

He was invited to the United States by Serge Koussevitsky to be guest conductor of the Boston Symphony in 1936. The next year he went to Minneapolis to conduct the symphony there, staying on for 12 years and winning a nationwide reputation through coast-to-coast tours.

He moved to the New York Philharmonic in 1949, sharing conducting duties with Leopold Stokowski. In 1950 he was named full conductor of the Philharmonic. In 1958 he turned the musical directorship of the Philharmonic over to Leonard Bernstein, and gave his full attention to his duties at the Metropolitan Opera House where he had first accepted guest conductor's tasks in the 1954-55 season.

In early 1959, he suffered the heart attack that forced him to bed for several months and compelled him to cancel his Met appearances for the rest of the season. He recovered, however, and carried on with his music until death struck him down in action.

RITES FOR MITROPOULOS

Greek Plane Sent For Dead Maestro

MILAN, Italy, Nov. 3 (UPI).—The Greek government sent a C-47 transport plane here today to take the body of world-famed conductor Dimitri Mitropoulos back to Greece for a state funeral.

The body of the Greek-born conductor, who died yesterday after collapsing during a rehearsal in La Scala Opera House, will be returned to Athens at noon tomorrow and will lie in state for three days before burial.

Mr. Mitropoulos mounted the podium at La Scala yesterday, told the musicians in the orchestra "As you can see, I am still alive," and then collapsed. He died on the way to a hospital.

A preliminary diagnosis said the 64-year-old conductor died of a cerebral hemorrhage. But doctors did not rule out a heart attack may have caused his death and a post mortem was planned for today.

The entire music world was stunned. Operatic queen Maria Callas said she "deeply admired" Mr. Mitropoulos, who once directed the Minneapolis and New York philharmonic orchestras.

"It's terrible," she said, her voice trembling. "He was a dear, good man who was always so kind and full of understanding . . ."

La Scala superintendent Antonio Ghiringhelli said Mr. Mitropoulos' death was a serious blow to the world of music.

ST. LUCIA PRIZE

Pariso Votto, superintendent of Florence's community theatre, said: "the conductor was a beloved figure in Florence for his performances during the traditional Florentine May festivals."

A capacity audience stood last night in La Scala when conductor Ferenc Friesay conducted a special performance of Beethoven's "Eroica" symphony to honor the memory of the maestro who fell unconscious from the same podium earlier in the day.

Mitropoulos Collapses At La Scala and Dies

His life—Page 26.

By The Associated Press

MILAN, Italy, Nov. 2. — Dimitri Mitropoulos, sixty-four, an austere musical perfectionist who conducted orchestra in the United States for many years, toppled from the podium at La Scala Opera House today and died, apparently a victim of a heart attack.

Mr. Mitropoulos, born in Greece, had spent ten-year tenures as conductor of the Minneapolis Symphony and then the New York Philharmonic. Later, he conducted at the Metropolitan Opera and toured extensively in Europe.

Mr. Mitropoulos was rehearsing Gustav Mahler's third symphony for a concert here Monday. A few minutes before taking up his baton, he had complained of being tired.

"I feel very fatigued," he said. "I am an old automobile that still works, however."

Then he rehearsed the orchestra for about ten minutes. Suddenly he stopped and put a hand to his heart. Before any of the musicians could reach him, he collapsed and fell from the podium.

He was rushed to a hospital, but died on the way.

Mr. Mitropoulos suffered a heart attack early last year in New York. He appeared to have recovered. He came here last night.

Tributes In New York

In memory of Mr. Mitropoulos, the New York Philharmonic Orchestra will play "Urlicht" from Mahler's Second Symphony at the start of its preview performance tonight. Leonard Bernstein will conduct and the soloist will be Jennie Tourel. Mr. Mitropoulos was one of Mahler's strongest champions.

At last night's performance of "Boris Godunov," the Metropolitan Opera paid a special tribute to Mr. Mitropoulos. After Rudolf Bing, general manager, addressed the audience just before the performance, the orchestra played the music of the Blessed Spirit from Gluck's "Orfeo" without a conductor, in honor of Mr. Mitropoulos.

Mitropoulos an Austere And Inspiring Musician

Built Up Minneapolis Symphony, Led the Philharmonic and at Met

The American public knew Dimitri Mitropoulos, the conductor who died in Milan, Italy, yesterday, as an austere figure with craggy features, standing in the opera pit or on the concert podium, blazing with energy, exhorting singers and players under his direction to supreme efforts.

What the public did not see was the dedicated work of this warm-hearted and inspiring musician with the organizations he presided over. It was he who built the Minneapolis orchestra into a major ensemble, and in New York both the Philharmonic and the Metropolitan Opera felt the lasting effects of his vast knowledge of music and his commanding personality.

The international reputation of Mr. Mitropoulos, may be said to date from a March night in 1930. He was then thirty-four, and had been engaged to conduct the Berlin Philharmonic. Egon Petri, the Dutch pianist was supposed to play Prokofieff's Third Piano Concerto on the occasion, but failed to appear.

Mr. Mitropoulos stepped into Mr. Petri's place and played brilliantly while simultaneously conducting the orchestra.

This exhibition of versatility made headlines throughout Europe, and Mr. Mitropoulos was called upon to repeat it in most of the large cities of the continent.

His calm approach to the distressing problem of not having a pianist, and his own excellence as a substitute, should not have been surprising. It was not his nature to be upset about anything. Throughout his career, he was never known to lose his temper, which helped greatly to endear him to artists. And he had spent years perfecting himself as a virtuoso pianist.

His study of piano began seven years after his birth in Athens, Greece. By his twelfth year his musical bent was so clear that his father, a leather merchant, abandoned his hope of having the boy become a marine officer and consented to his enrollment at the Odeon, the conservatory at Athens.

Composer at Fourteen

He began to compose at fourteen, chiefly background music for the tragedies of Sophocles and Euripides. At twenty-three, while a student at the University of Athens, he wrote his only opera, "Soeur Beatrice," based on the play of that name by Maurice Maeterlinck. The music was described as "Debussy-esque."

It was in 1936 that Mr. Mitropoulos came to America to conduct for the first time. He came chiefly on the reputation he had earned for simultaneously conducting and playing the Prokofieff concerto — a reputation which, incidentally, so irritated Prokofieff, who liked to play the concerto himself, that he wrote another for his own use.

Mr. Mitropoulos traveled across the ocean third class—he never lived lavishly—and served as guest conductor of the Boston Symphony Orchestra for two weeks. His first performance was greeted by a great burst of applause and wild cheers.

Guest appearances in Cleveland and Minneapolis followed, and in the fall of 1937 Mr. Mitropoulos got his first orchestra of his own—the Minneapolis Symphony.

During the next twelve years, he built it into what has been described as "one of the most notable ensembles in the country." At the outset, he announced that at least three programs in each season would be devoted to "intellectual concerts" featuring music such as that of Gustav Mahler, Arnold Schoenberg and Paul Hindemith. Eventually Mr. Mitropoulos became best known for his excellence in interpreting such nineteenth and twentieth century scores. Of many recordings made by the Minneapolis orchestra under his direction, that of Mahler's "First Symphony" is probably the most admired.

In 1940, he received the Mahler Medal of Honor for "his efforts to create greater interest in and appreciation of" that composer's scores in the United States.

Mr. Mitropoulos first appeared in New York, where he eventually was to become musical director of the New York Philharmonic and a conductor of the Metropolitan Opera, in December 1940. For his first concert here, as guest conductor of the Philharmonic, he offered Richard Strauss' "Sinfonia Domestica." One critic wrote that he made the work so "incredibly exciting" that "the subscribers . . . did everything but steal the goalposts."

Mr. Mitropoulos conducted the Philharmonic again in the next two seasons and brought the Minneapolis Symphony to Carnegie Hall each year between 1943 and 1947.

In 1948, the Philharmonic, which had not had a regular conductor for two years, announced that Mr. Mitropoulos and Leopold Stokowski would share the responsibilities of a regular conductor. Mr. Stokowski subsequently resigned and in December 1949 it was announced that Mr. Mitropoulos would become the Philharmonic's musical director.

Introduced Many Works

At the Philharmonic, Mr. Mitropoulos introduced many works hitherto unheard in New York, among them the Shostakovich Tenth Symphony and Violin Concerto, the controversial Concerto for Jazzband and Orchestra by Liebermann and the works of a number of American composers. As an innovation, intended to reach a new audience, he twice took the Philharmonic to the Roxy Theater for two-week engagements of playing between films. "It's the music that counts," the conductor said. "The time or place doesn't matter."

Mr. Mitropoulos first conducted at the Metropolitan Opera House in the 1954-'55 season. His appearances there increased in number each year, and in 1957 he resigned from the Philharmonic to devote still more time to conducting opera.

Before leaving the Philharmonic, Mr. Mitropoulos received the gold "Orpheus" award of Mantua, Italy, as the outstanding conductor of 1956, and, in 1957, a citation from the National Music Council for outstanding service to American music through his Philharmonic concerts.

At the opera house, Mr. Mitropoulos conducted the opening night performance of "Eugene Onegin" in 1957 and the opening night performance of "Tosca" in 1958. In recent years he had conducted both opera and concert performances in Europe.

Mr. Mitropoulos was a man of contrasts. On the podium, where he seldom used a score, he was a foot-stamper and a fist-waver. It was said that at times he gave the impression of vigorously shaking himself out like a rug. One of his hobbies required fully as much vigor—mountain climbing. But another was reading philosophy and the Greek dramatists.

His wants were simple, but one of them was cherry pie, another was clothes that were somewhat flamboyant and another was double-feature Western movies. It was known that he had financially helped a number of college students and young composers.

His approach to music was religious. This was natural, for he was the grand-nephew of an archbishop of the Greek Orthodox Church and the nephew of two monks. "Music for me," he once said, "is concerned with religious feeling and mystical expression. It arouses feelings toward God."

Although he had several compositions to his credit as a young man, he gave up composing after studying for several years in Brussels and Berlin. "I lost respect for myself as a composer," he explained, "and ended up as a re-creator instead of a creator."

He became an American citizen in 1946.

Burial of Mitropoulos Rests on Desires in Will

MILAN, Italy, Nov. 3 (AP) Plans by Greeks, Italians and Americans to honor the late conductor Dimitri Mitropoulos were held in abeyance tonight awaiting the opening of the Musician's will in New York.

Mr. Mitropoulos, Greek-born former conductor of the New York philarmonic orchestra, died at the age of 64 yesterday after apparently suffering a heart attack on the podium of the La Scala Opera House. An autopsy to determine the exact cause of death is to be performed Friday.

A Greek Royal Air Force plane arrived in Milan to take the body back to Greece to lie in state in the Athens Cathedral beforeb urial in Mitropoulos's native country.

But Trudy Goth, the maestro's American secretary, said she thought Mr. Mitropoulos wanted to be buried in his adopted country. He became an American citizen in 1946. Miss Goth said Mr. Mitropoulos' will, in the possession of a New York notary public, expressed the wish that his body be cremated.

The U S.. Consulate here said it is awaiting opening of the will before deciding what to do with the body.

Meanwhile, Milan city officials and the management of the La Scala Opera house made tentative arrangements for a funeral ceremony here Saturday.

These plans called for a funeral cortege from La Scala through the City's central streets.

The 64-year-old musician had been rehearsing Mahler's Third Symphony for about 10 minutes when he stopped, stood motionless for a moment, then fell from the podium. He died on the way to a hospital.

HAD FELT FATIGUED

"I feel very fatigued," he had said a few minutes earlier. "I am an old automobile which still works, however."

Apparently death was due to a heart attack.

Mr. Mitropoulos had been conductor of the Minneapolis Symphony and then of the New York Philharmonic for 10 years each. In recent years he also was a leading conductor at New York's Metropolitan Opera and toured Europe extensively.

N. Y. APPEARANCES SET

Mr. Mitropoulos was to have conducted at the Metropolitan this season, where he had scored notable successes in recent years. He was also to have made guest appearances with the New York Philharmonic.

He had suffered a heart attack Jan. 23, 1959, in New York, but recovered and resumed conducting. Last winter several of his concerts were among the most successful of the Philharmonic's Mahler Festival.

One of the outstanding conductors of his era, Mr. Mitropoulos was both a great interpreter of symphonic and operatic classics and a staunch champion of modern music.

REVIVED 'ELEKTRA'

He introduced Shostakovich's 10th Symphony to New York audiences, revived Strauss' "Elektra" in a sensational concert performance with the Philharmonic and conducted the world premiere of the Barber-Menotti opera "Vanessa" in January, 1958. It was the first American opera performed at the Metropolitan in many years.

His memory for music was phenomenal, on a par with that of the late Arturo Toscanini. Mr. Mitropoulos not only conducted but rehearsed withotu a score.

BORN IN ATHENS

Born in Athens, Greece, on Feb. 18, 1896, Mr. Mitropoulos was the son of a merchant. As a boy he almost became a monk. Two of his uncles were monks in the Greek Orthodox Church, and one of his great-uncles an Archbishop.

But music was also a major influence in his life. Young Dimitri planned to enter a monastery but changed his mind when he learned he would be forbidden to have a little harmonium. Instead he enrolled at the Athens Conservatory, where he quickly established himself as a virtuoso pianist and a gifted composer. Then, while studying with Ferruccio Busoni in Berlin, he discovered conducting, his true niche in music.

LIVED SIMPLY

Close friends said Mitropoulos had complete disregard for money, elegant clothes and elaborate living quarters. He lived with almost monastic simplicity.

He never married. Once, when his English was uncertain, he described himself as "a lonely wolf."

OFTEN IN PHILADELPHIA

Dimitri Mitropoulos had often appeared in Philadelphia, at both the Academy of Music and Robin Hood Dell.

He made his local debut in July, 1944, as guest conductor at Robin Hood Dell. He made such a hit that he was named music director and principal conductor for all of the 1945 season, a post to which he returned for the following three years. These four seasons were the most successful, artistically, in the Dell's history up to that time.

HERE IN 1948

The conductor also officiated on the podium at the Philadelphia Music Festival in June, 1948, at Philadelphia (then Municipal) Stadium.

Mr. Mitropoulos was guest conductor of the Philadelphia Orchestra several times here, and in recent seasons had often visited as conductor of the Metropolitan Opera. He last appeared in this city as conductor of the Metropolitan revival of Verdi's "Simon Boccanegra" March 8, 1960.

MITROPOULOS FALLS DEAD ON MILAN PODIUM

Like Old Car, He Says Before Collapse

MILAN, Italy, Nov. 2 (UPI) Dimitri Mitropoulos, Greek-American conductor, collapsed and died today of a cerebral hemorrhage as he was conducting the La Scala opera house orchestra in a rehearsal of Mahler's "Third Symphony."

Mitropoulos

Mitropoulos, 64, who regarded music as a means of reaching God, had returned to the La Scala podium for the first time in several years. He had suffered a heart attack Jan. 23, 1959, in New York.

"Like Old Car"

"I am very touched at being among you after a long absence which was due to my health," he told the musicians today as he mounted the podium. "I am just like an old car which needs repairs now and then. But, as you can see, I am still alive."

Then Maestro Mitropoulos' baton gave the downbeat and the rehearsal began. After 45 beats he waved the musicians to a halt and made some comment on the opening passage. He appeared ready to resume but suddenly put his right hand to his forehead and fell face first.

"Maestro, Maestro!" the musicians cried as they hurried to his side. The maestro died in an ambulance.

U. S. Debut in 1936

Mitropoulos, Greek by birth and American by adoption, made his American debut in 1936 with the Boston Symphony orchestra after a brilliant European career. He later directed both the New York and Minneapolis philharmonic orchestras.

Mitropoulos was born in Athens in 1896, the son of a merchant. At one point he planned to enter a monastery but changed his mind when he learned he could not take musical instruments with him.

He was known for his dramatic and vivid conducting methods.

In 1924, Mitropoulos accepted the directorship of the Athens conservatory symphony after studying at the Athens conservatory of music, and in Brussels and Berlin. His fame spread and he was guest conductor for almost every major European symphony from 1930 to 1936.

Invited to Boston

In 1936, he was invited to the United States by Serge Koussevitzky to be guest conductor of the Boston symphony. In 1937 he went to Minneapolis to conduct and remained in the middle west for 12 years.

In 1949, he accepted co-conductorship of the New York Philharmonic with Leopold Stokowski. In New York he continued his habit of spurning social functions in favor of the hamburger diner around the corner where he presided over his followers in a black turtleneck sweater.

In 1950, he took over the full conductorship of the New York Philharmonic. He launched the orchestra on extensive tours by bus, shocking staid music circles by traveling with the players.

ACCLAIMED HERE

Dimitri Mitropoulos first appeared in Chicago with his Minneapolis orchestra before World War II, and won the acclaim of critics.

He returned on many occasions either as guest conductor of the Chicago Symphony orchestra during its usual season, or as guest conductor of the Chicago Symphony during its summer season in Ravinia park.

Mitropoulos also conducted at the Lyric opera and at Orchestra hall here.

Mitropoulos had a phenomenal memory for music. He conducted and rehearsed without a score. This in part may have been due to the simplicity in which he lived, allowing few diversions to interfere with his music.

Mitropoulos Dies in Milan at 64; Stricken at La Scala Rehearsal

Ex-Director of Philharmonic and Minneapolis Orchestra Led Many 'Met' Operas

By The Associated Press.

MILAN, Italy, Nov. 2—Dimitri Mitropoulos, former conductor of the New York Philharmonic, toppled from the podium at La Scala Opera House today and died, apparently of a heart attack. He was 64 years old.

Mr. Mitropoulos had spent ten years as conductor of the Minneapolis Symphony before taking the New York Philharmonic post. Later he conducted at New York's Metropolitan Opera and toured extensively in Europe.

He was rehearsing Gustav Mahler's Third Symphony today for a concert here Monday. A few minutes before taking up his baton, he had complained of being tired.

Mr. Mitropoulos suffered a heart attack early last year in Germany, but he appeared to have recovered. He came here last night.

Colorful Musical Figure

Mr. Mitropoulos had been a fixture in the American musical scene since 1937. Tall, lean, bald, with an expressively craggy face and intense animation, he was one of the most colorful of conductors. In orchestral concerts he rarely used a baton, and his beat was a combination of jerky hand shakes, shoulder wigglings and body writhings.

Generally he conducted without using a score, and his memory was awe-inspiring in its scope. Mr. Mitropoulos reveled in complicated music—the more complicated, the better—and he had memorized not only the complete orchestrations but also the cue numbers or letters.

His musical tastes were strongly oriented toward the modern school, with special attention to the twelve-tone composers. But his musical culture took in all periods, though he was not considered so convincing an interpreter in romantic and early music as he was in the moderns.

Noted as a Pianist

Mr. Mitropoulos was also a brilliant pianist. His first great success came in Berlin, in March, 1930, when he made a guest appearance as conductor of the Berlin Philharmonic and his piano soloist, Egon Petri, became indisposed.

Mr. Mitropoulos decided to play the scheduled work, Prokofieff's Piano Concerto No. 3, and to conduct it from the keyboard. News of this feat swept Europe. Mr. Mitropoulos later repeated the performance in New York, on Jan. 5, 1943. In recent years, however, he had not ben active at the keyboard.

Born in Athens on Feb. 18, 1896, Mr. Mitropoulos was destined by his father for the merchant marine. As a boy, however, his musical talents were so strongly manifest that he was sent to the Athens Conservatory instead of to a maritime school. He graduated from the conservatory and also from the University of Athens, where he composed an opera based on a play by Maurice Maeterlinck.

From Greece, Mr. Mitropoulos went to Belgium and thence to Berlin, where he studied composition with Busoni. But he soon abandoned composition and concentrated on conducting, studying with Erich Kleiber. From 1921 to 1924 he was assistant conductor of the Berlin Staatsoper. Returning to his native city, he became permanent conductor of the Athens Symphony.

During the twelve years Mr. Mitropoulos directed the Athens Symphony he made frequent guest appearances throughout Europe. He was invited to the United States by the late Serge Koussevitzky, conductor of the Boston Symphony. Dr. Koussevitsky had never met Mr. Mitropoulos, but he had seen him conduct and was greatly impressed.

Mr. Mitropoulos made his first appearance in the United States in 1936, leading the Boston Symphony and making guest appearances with American orchestras. The next year he succeeded Eugene Ormandy as conductor of the Minneapolis Symphony.

Refused to Attend Parties

With his strong streak of religious mysticism, his refusal to attend society parties, his frugal life and his unconventional programs, he was the most eccentric conductor Minneapolis had encountered. But soon he was accepted and beloved.

Mr. Mitropoulos remained in Minneapolis for twelve years before taking over the New York Philharmonic-Symphony. But he first conducted the Philharmonic as a guest on Dec. 19, 1940.

His program included one of his specialties, the "Sinfonia Domestica" by Richard Strauss. Olin Downes, reviewing the concert for The New York Times, wrote that the conductor made the score so "incredibly exciting" that "the subscribers * * * did everything but steal the goal posts."

Thereafter, Mr. Mitropoulos made regular guest appearances with the Philharmonic. During the 1949-50 season, he shared the podium with Leopold Stokowski, and the next year he was appointed musical director.

During his tenure with the Philharmonic, Mr. Mitropoulos introduced many new pieces of music and also revived many masterpieces of the twentieth century, among them Berg's "Wozzeck" and Schoenberg's "Erwartung," in addition to major works by Richard Strauss, Milhaud and others.

In 1951 Mr. Mitropoulos took the orchestra to play at the Edinburgh Festival, and in 1955 the orchestra, under his direction, made a European tour. He also shared the podium with Leonard Bernstein on the Philharmonic's Latin-American tour in the spring of 1958.

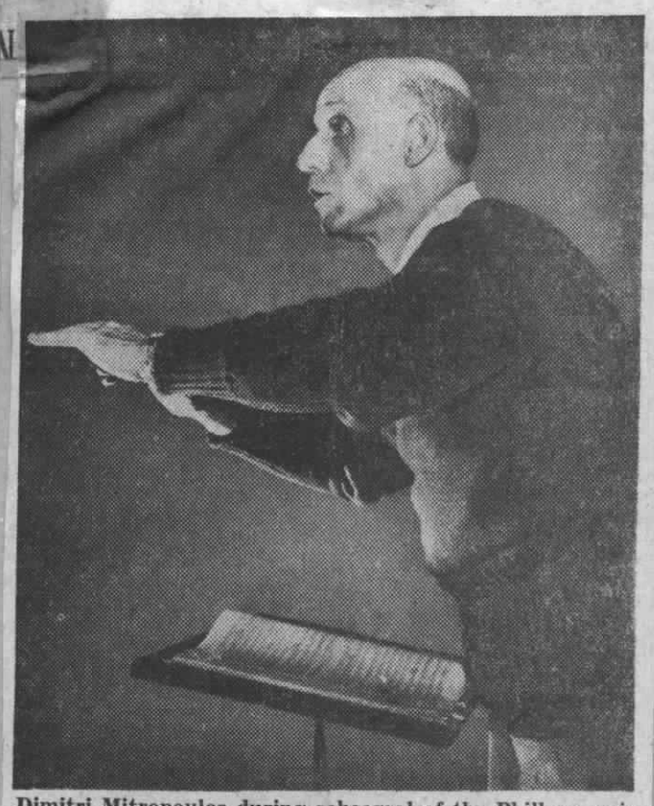
Invited by the Metropolitan Opera for the 1054-55 season, Mr. Mitropoulos made his frst appearance there conducting Strauss' "Salome." He concentrated on the Italian school, but he also directed Tchaikovsky's "Eugene Onegin," Wagner's "Die Walkuiere" and the world première of Samuel Barber's "Vanessa."

Mr. Mitropoulos came under attack during the course of a page-long examination of the Philharmonic by Howard Taubman, the music critic of The Times, on April 29, 1956. There had been critical complaints that the orchestra was slipping and that its morale was not what it should be. Mr. Taubman, in his analysis, suggested that perhaps Mr. Mitropoulos, with all his undeniable brilliance, was not the man for the job.

Succeeded by Bernstein

In any case, Mr. Mitropoulos began concentrating on the opera. As he made more and more appearances at the Met, he did fewer and fewer with the Philharmonic. During the 1957-58 season he shared the podium with Mr. Bernstein, who was named musical director the next season. Mr. Mitropoulos, however, was invited for a month-long guest appearance.

But Mr. Mitropoulos was never able to conduct those concerts. On Jan. 23 of last year he suffered a heart attack, which also prevented him from completing his season with the Metropolitan Opera.



But the summer, though, he was sufficiently recovered to conduct at the Salzburg Festival, and on Oct. 29 he was back at the Metropolitan leading "Tosca" with all his old fieriness. In fact, 1959-60 was a heavy season for him in New York. He did not do the "Parsifal" he was scheduled for at the Met, but he fulfilled his other engagements, including the revival of Verdi's "Simon Boccanegra."

Mr. Mitropoulos also led sixteen concerts with the Philharmonic. He concluded his engagement with an impressive performance of Mahler's Ninth Symphony.

His last appearance with the Metropolitan was on April 16, when he helped to close the season by conducting "Madama Butterfly" on the afternoon of the last day of the company's New York stand. During the summer he was back again conducting at the Salzburg Festival.

He was to have returned to New York in time to lead the Philharmonic on Dec. 18, with Sviatoslav Richter, Soviet pianist, as the soloist. He also was to have conducted four operas at the Metropolitan Opera.

Mr. Mitropoulos, who became an American citizen in 1946, never married. He was the recipient of many honorary degrees and received the French Legion of Honor in 1951.

Death of Mitropoulos Disrupts 'Met' and Philharmonic Plans

The death of Dimitri Mitropoulos yesterday will precipitate difficult replacement searches by the Metropolitan Opera and the New York Philharmonic.

Mr. Mitropoulos was scheduled to conduct four operas at the Metropolitan this season beginning in the middle of December.

He was to lead one of the major new productions of the season, Puccini's "Turandot," which is scheduled for Feb. 24 with Birgit Nilsson in the title role, and a revival of Richard Strauss' "Elektra." He had been closely associated with the latter work since his concert performances of the opera with the New York Philharmonic in 1949 and 1958.

Mr. Mitropoulos was also scheduled to lead two Verdi operas, "Don Carlo" and "Simon Boccanegra."

His Philharmonic schedule included a pension fund concert with Sviatoslav Richter, Soviet pianist, on Dec. 18, a concert that was already sold out, as well as four sets of regular subscription programs between Dec. 29 and Jan. 22.

Mahler's Third Symphony was to have occupied the entire first concert. The other three programs were overwhelmingly contemporary and included works by Schoenberg, Berg, Krenek, Scriabin, Khatchaturian, Prokofieff, Morton Gould and Nikos Skalkottas, a modern Greek composer.

Memorial Planned

Tonight the Philharmonic will perform the "Urlicht" movement from Mahler's Symphony No. 2, the "Resurrection," in memory of Mr. Mitropoulos. The work, which will be added to the regular program, will be directed by Leonard Bernstein, and Jennie Tourel will be the soloist. Both Mitropoulos and Mahler served as music director of the orchestra.

The Metropolitan paid its tribute to the conductor's memory last night before the performance of Mussorgsky's "Boris Godunov," a work that Mr. Mitropoulos often conducted at the opera house. Rudolf Bing, general manager of the company, said a few words and the orchestra played the "Dance of the Blessed Spirits" from Gluck's "Orfeo ed Euridice"—without a conductor.

Neither the Metropolitan nor the Philharmonic has yet indicated replacements for Mr. Mitropoulos, although a Philharmonic spokesman said yesterday that an announcement would be forthcoming shortly. It is expected that the orchestra will attempt to maintain he same ype of programs. The concerts, as planned, are notable for their special character, reflecting Mr. Mitropoulos' tastes and interests.

His death will not affect the schedules of our other musical organizations in this country since the conductor was restricting his American musical appearances to New York. When Fritz Reiner recently became ill, Mr. Mitropoulos was offered dates with the Chicago Symphony but refused them on the advice of his physician.

Plagued With Problems

The Philharmonic has been plagued with conductor difficulties this season. The concerts of next Thursday to Nov. 13 and Nov. 17 to 20 were scheduled originally to be conducted by Mr. Reiner. Instead, Aaron Copland will conduct the first set, Carlos Chavez, the second.

On Oct. 1, Leonard Bernstein became ill while conducting one of the first concerts of the season and Gregory Millar, an assistant conductor of the orchestra, had to take over. The concert of Oct. 2 was then divided among the orchestra's three assistants, Russell Stanger, Elyakum Shapira and Mr. Millar.

David M. Kaiser, president of the Philharmonic, paid tribute yesterday to Mr. Mitropoulos, saying:

"The death of this man, dedicated to music to a degree almost beyond the human, touches very deeply at the emotions of all at the New York Philharmonic. The memory of his performances and of the nobility of his spirit will remain alive and honored in the hands of everyone of us."

Mr. Bing issued the following statement:

"Another great tragedy has befallen the Metropolitan Opera and indeed the musical world. Dimitri Mitropoulos was not only one of the great musicians and great conductors of our time but also an outstanding human being. His death is felt by everyone at the Metropolitan as a personal loss and indeed all the members of the orchestra were his friends. Naturally, the Metropolitan opera will go on and other great conductors may come and go but Dimitri Mitropoulos is irreplaceable and will not be forgotten."

Mitropoulos Dies Of Heart Attack

MILAN, Italy (AP) — Dimitri Mitropoulos, an austere musical perfectionist who conducted orchestras in the United States for many years, toppled from the podium at La Scala Opera House yesterday and died, apparently a victim of a heart attack.

Mitropoulos, born in Greece 64 years ago, had spent 10-year tenures as conductor of the Minneapolis Symphony and then the New York Philharmonic. Later he conducted at New York's Metropolitan Opera and toured extensively in Europe.

Mitropoulos was rehearsing Gustav Mahleh's 3rd Symphony for a concert here Monday. A few minutes before taking up his baton, he had complained of being tired.

"I feel very fatigued," he said. "I am an old automobile that still works, however."

THEN HE rehearsed the orchestra for about 10 minutes. Suddenly he stopped and put a hand to his heart. Before any of the musicians could reach him, he collapsed and fell from the podium.

He was rushed to Milan's Polyclinic Hospital but died on the way.

Born the son of a merchant in Athens, young Dimitri once wanted to enter a monastery. When told he could not have a harmonium in his cell, he decided against that and enrolled in the Athens Conservatory.

He soon established himself as a virtuoso pianist and a gifted composer. It was while studying with Feruccio Busoni in Berlin that he discovered his talents as a conductor.

He conducted in Europe's musical capitals until 1936, when he came to America.

His musical career was marked by devotion to the classics and operatic music.

Here's a note from this paper's Dick Owen: "Dimitri Mitropoulos expected to go on conducting until he was 70. Then he planned to quit. He told me of a custom among the ancient Greek gods. When they grew old they didn't wait for senility to destroy their dignity. They would go to the top of a volcano and plunge in. He promised he would join me in the jump when we were both too old to function. I doubt that he was wealthy. There must be many musicians who remember how generously he helped them with cash when they needed it. Only once did I hear him say an unkind word about another conductor. This was when he was ill last year. I visited him and he complained about being cooped up all day. I commented that this was better than the lot of Leopold Stokowski, then in a custody battle with Gloria Vanderbilt. 'He'll lose it,' Mitropoulos said. 'He's so stingy.' Stoki did lose, too."

Mitropoulos Dies on Podium At La Scala

Conductor Feels Tired, Collapses During Rehearsal

Associated Press.

MILAN, Italy, Nov. 2.—Dimitri Mitropoulos, noted Greek-American symphonic and operatic conductor, collapsed and died today while rehearsing at La Scala Opera House.

The 64-year-old musician had been rehearsing Mahler's Third Symphony for about 10 minutes when he stopped, stood motionless for a moment, then fell from the podium. He died on the way to a hospital.

"I feel very fatigued," he had said a few minutes earlier. "I am an old automobile which still works, however."

Heart Attack Blamed.

Apparently death was due to a heart attack.

Mr. Mitropoulos had spent 10-year tenures as conductor of the Minneapolis Symphony and then of the New York Philharmonic. In recent years he also had been a leading conductor with New York's Metropolitan Opera and had toured in Europe each year.

He suffered a heart attack on Jan. 23, 1959, in New York, but recovered and resumed conducting.

DIMITRI MITROPOULOS

Merchant's Son.

Born in Athens, Greece, on Feb. 18, 1896, Mr. Mitropoulos was the son of a merchant. He planned to enter a monastery but changed his mind when he learned musical instruments were forbidden.

He enrolled at the Athens Conservatory. While studying with Ferruccio Busoni in Berlin, he discovered conducting and his true niche in music.

(Sketch of Mr. Mitropoulos' career appears on Page 31).

Mitropoulos Found No Cause Too Big

Dimitri Mitropoulos who died today in Milan, Italy, kept 20 million notes in his head and slept on a cot.

He made many thousands of dollars a year, but gave most of it away, and lived alone in a hotel.

He conducted the world's great music in the world's greatest halls, but played boogie woogie on the piano for students, and once led an orchestra through Stravinsky's "Story of a Soldier" while wearing a GI fatigue uniform.

What sort of man was Dimitri Mitropoulos?

A genius.

He was also an ascetic, a mountain climber, philosopher, drugstore hanger-outer, a deeply religious man, and such a sucker for a cabbie's tale of woe that he was good for a $10 tip every time.

Born in Athens.

To Dimitri Mitropoulos, no cause was too large, no man too small.

He was born in Athens, Feb. 18, 1896, the son of a devoutly Greek Orthodox merchants. Young Dimitri enrolled at the Athens Conservatory of Music, where he wrote and produced an opera based on Maurice Maeterlinck's "Sister Beatrice."

Teachers and students saw in the young man the potential of greatness. This potential was honed by further study in Brussels, and brought to a razor-edge in Berlin, where young Dimitri studied under Ferruccio Busoni and accepted the assistant conductorship of the Berlin State Opera.

In 1924, at 28, he took over the directorship of the Athens Conservatory Symphony. Mr. Mitropoulos composed orchestral and chamber music piano music, and even songs. He often doubled as piano soloist, and conducted from the keyboard.

Went to Boston.

His fame spread, and with it his appearance—as guest conductor of every major orchestra on the continent.

In 1936, the late Dr. Serge Koussevitsky wanted Mr. Mitropoulos to be a guest conductor with his Boston Symphony. Patrons were sceptical, but they put up $500 for Mr. Mitropoulos, and told him if he was interested he could pay his own passage.

Once on the Boston podium, the Greek launched an incredible display of fist-shaking, crouching, shadow-boxing and even jumping into the air.

When the evening was over, cheers filled the house. Volcanic ovations followed in New York and Philadelphia. Musicians talked incredulously of the Greek's memory—"why he keeps 50 symphonies, 20 million notes in his head"—and as the applause and the talk broke over the country, Minneapolis listened.

Avoid Social Life.

In 1937, the Midwest city invited Mr. Mitropoulos to conduct its symphony. There followed a 12-year honeymoon, ruffled only slightly by the conductor's insistence upon teaching his audiences to appreciate such modern masters as Krenek, Berg and Schoenberg. If they didn't seem to understand a composition the first time, he played it over again—on the same program.

Tall and balding, with frizzy hair that made him look not unlike a tonsured monk, Mr. Mitropoulos practiced his asceticism by avoiding the social functions of millers' wives. He preferred the corner drug store, and chats with students and just plain people.

Although he was reputed to be earning about $25,000 a year, Mr. Mitropoulos contended he needed only $3000 on which to live. He slept on a cot in a college dormitory, played boogie for the students; and gave much of his money to a variety of charities, most of them educational.

There was the time, for instance, a young Cuban composer visited Minneapolis to show the conductor his scores. Mr. Mitropoulos reduced the man to tears by telling him they were terrible, then offered to pay his way through a course in composition at the University of Minnesota.

'Spiritual Victories.'

In 1949, Mr. Mitropoulos came here to accept the co-conductorship of the New York Philharmonic with Leopold Stokowski.

A year later, he was named to the top music job in the country—full conductorship of the Philharmonic.

He referred to his successful performances (and there was rarely an unsuccessful one) as "moral triumphs" and "spiritual victories." There were many such until, in 1957, Mr. Mitropoulos turned the Philharmonic podium over to Leonard Bernstein.

"The Philharmonic can't have a permanent conductor for life," the Greek artist commented at the time. "I believe it should get the juice of every talented man for a certain time."

Served as Guest.

Mr. Mitropoulos continued to conduct, as a guest both with the Philharmonic and the Metropolitan Opera.

As Mr. Mitropoulos always liked to say when parting from friends:

"So long. And God be with you."

Maestro Mitropoulos Stricken in Milan, Dies

MILAN, Italy, Nov. 2 (UPL)—Greek-American conductor Dimitri Mitropoulos collapsed and died today of a cerebral hemorrhage as he was conducting the La Scala Opera House orchestra in a rehearsal of Mahler's "Third Symphony."

Mr. Mitropoulos, 64, who regarded music as a means of reaching God, had returned to the La Scala podium for the first time in several years. He had suffered a heart attack Jan. 23, 1959 in New York.

"I am very touched at being among you after a long absence which was due to my health," he told the musicians today as he mounted the podium. "I am just like an old car which needs repairs now and then. But, as you can see, I am still alive."

Then Maestro Mitropoulos' baton gave the downbeat and the rehearsal of the Mahler symphony began. After 45 beats he waved the musicians to a halt and made some comment on the opening passage. He appeared ready to resume but suddenly put his right hand to his forehead and fell face first.

"Maestro, maestro!" he musiciansc ried as they rushed to his side.

Dies in Ambulance

A doctor was called and an ambulance ordered immediately. But the maestro died as the ambulance raced through Milan traffic.

Tonight, Mr. Mitropoulos' body, clad in a black satin suit, blue shirt and black tie, rested on a small bed in a black-draped room at Milan's city hospital. A candle burned at each corner.

Around the bed, standing watches throughout the evening hours, were four of the men he was closiest to at death—the musicians of his orchestra. Their concert scheduled for tonight for canceled.

Provisional arrangements were made tonight for burial Saturday at Milan's Monumentale Cemetery.

La Scala honored Mr. Mitropoulos tonight with a special performance of Beethoven's "Eroica" at a concert conducted by Hungary's Ferec Fricsay.

Antonio Ghiringhelli, superintendent of La Scala Opera House, said Mr. Mitropoulos' death "was a terrible blow to the world of music. There is no one who can match his stature." Opera diva Maria Callas was shocked.

"It's terrible," she said with trembling voice. "He was a dear, good man who was always so kind and full of understanding."

"I Cherish the Memory"

In New York, Eleanor Steeber, one of the sopranos who sang frequently at the Metropolitan Opera House under his direction, said: "I cherish the memory of my work with him."

Coloratura Roberta Peters said: "It was always an inspiration to sing under Maestro Mitropoulos' direction. He was one of the world's greatest and sincerest musicians . . ."

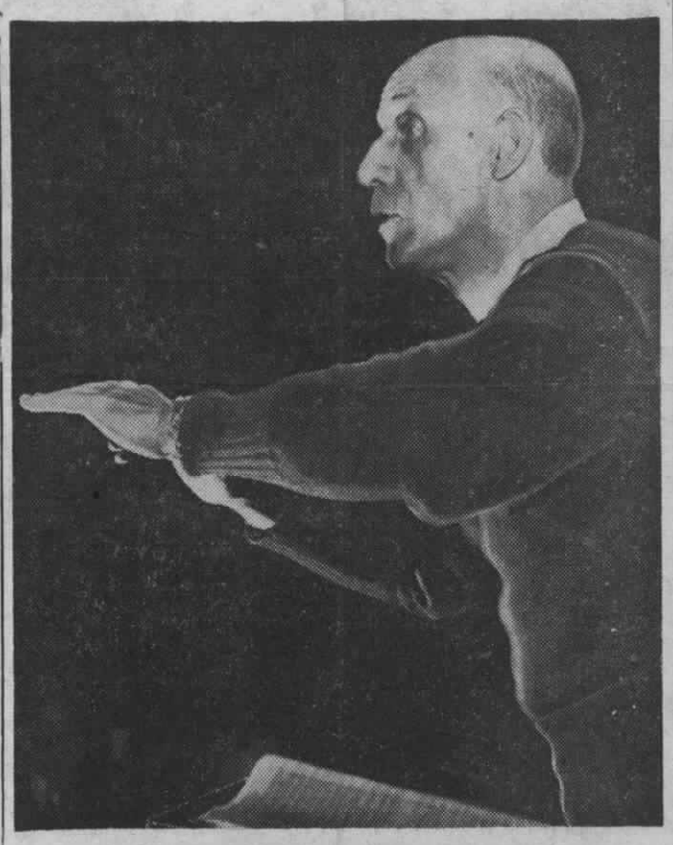
Barry Morell, tenor, said "Music was his life and I alwayt felt this in all my associations with him.

Mr. Mitropoulos, Greek by birth and American by adoption, made his American debut in 1936 with the Boston Symphony after a brilliant European career. He had been director of the New York and Minneapolis Philharmonic Orchestras.

He was born in Athens in 1896, the son of a merchant. At one point he planned to enter a monastery but his love of music was too great and he changed his mind when he learned he could not take musical instruments with him.

He was known for his dramatic and vivid conducting methods. Critics said his fervor gave to him an insight in music that made him one of the world's greatest orchestra conductors.

In 1924, Mr. Mitropoulos accepted the directorship of the Athens Conservatory Symphony after studying at the Athens Conservatory of Music, and in Brussels and Berlin. His fame spread throughout Europe and he was guest conductor for almost every major symphony from 1930 to 1936.



Came to U. S. as Guest

In 1936, he was invited to the United States by Serge Koussevitzky to be guest conductor of the Boston Symphony. In 1937 he went to Minneapolis to conduct and remained in the middle west for 12 years.

In 1949, he accepted co-conductorship of the New York Philharmonic with Leopold Stokowski. In New York, he continued his habit of spurning social functions in favor of the hamburger diner around the corner where he presided over his followers in a black turtleneck sweater.

In 1950, he took over the full conductorship of the New York Philharmonic and launched the orchestra on extensive tours by bus, shocking staid music circles by traveling with the players.

The conductor was renowned for his musical memory, second only to that of Arturo Toscanini. In his head were said to be the complete scores of more than 50 symphonoes.

Mitropoulos to Receive State Funeral in Athens

MILAN, Italy, Nov. 3.—(UPI)—The Greek government today ordered a military plane sent here to take the body of Dimitri Mitropoulos back to Athens for a state funeral.

A Greek spokesman said the body of the Greek-born conductor, who died yesterday after collapsing during a rehearsal in Milan's La Scala Opera House, will lie in state for three days before burial.

A preliminary diagnosis said the 64-year-old conductor died of a cerebral hemorrhage. But doctors said a heart attack may have caused his death and a post-mortem was planned.

STUNS MUSIC WORLD

The entire music world was stunned. Operatic queen Maria Callas said she "deeply admired" Mitropoulos, who once directed the Minneapolis and New York Philharmonic orchestras.

"It's terrible," she said, her voice trembling. "He was a dear, good man who was always so kind and full of understanding . . ."

A capacity audience stood last night in La Scala when Ferenc Fricsay conducted a special performance of Beethoven's "Eroica" Symphony to honor the memory of the maestro who fell unconscious from the same podium earlier in the day.

LONG ILLNESS

Yesterday was the first day Mitropoulos had occupied the opera house podium for several years because of illness.

When he faced the orchestra for the first rehearsal of a concert scheduled for Monday, he smiled and told the musicians:

"I am very touched at being among you after a long absence which was due to my health. I am just like an old car which needs repairs now and then. But, as you can see, I am still alive."

Minutes later the great conductor, who regarded music as a means to reach God, was dead.

Dimitri Mitropoulos

Dedicated, intense, ascetic—these are the adjectives which occurred over and over again when admirers wrote either of Mitropoulos's conducting or his life. As a young man he had transferred his devotion from monasticism to music, and to music he gave a taut and driving force which, while it offended lovers of the lush and romantic, took him to the top level of the world's conductors. Fame and position made little difference to the man who traveled with his possessions in a knapsack, preferred an evening at the movies to a reception, and prided himself on knowing the name of every instrumentalist in every orchestra he conducted.

So large did Mitropoulos loom as a conductor that his other talents were all but obscured, yet he was a virtuoso pianist and a composer of distinction. He also delighted in forwarding—often at his own expense—the musical education of promising young people, and was tireless in charitable work. More than a great conductor has been lost with the death of Dimitri Mitropoulos.

Mitropoulos Dies While Conducting

MILAN, Italy, Nov. 2 (UPI)—Famed Greek-born conductor Dimitri Mitropoulos, 64, former director of the Minneapolis and New York Philharmonic orchestras, died today after a sudden illness.

He collapsed on the podium of La Scala Opera House and died of a cerebral hemorrhage. It was at La Scala that he made his debut 30 years ago.

Mitropoulos, one of the world's great conductors, became the New York Philharmonic's director in 1950 after serving as co-conductor with Leopold Stokowski for one year.

In January, 1959, the temperamental but brilliant conductor was stricken with a heart attack and was forced into retirement.

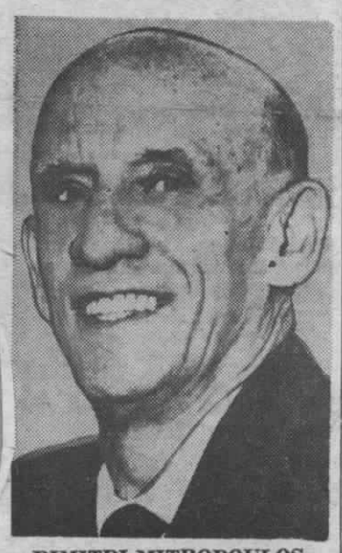
By EDWARD KOSNER

Dimitri Mitropoulos, the austere Greek who became one of the world's most celebrated symphonic conductors, collapsed on the podium and died today while rehearsing at La Scala in Milan.



Mitropoulos, 64, who led the New York Philharmonic and conducted at the Metropolitan, had been rehearsing Mahler's Third Symphony at the famed Italian opera house.

Suddenly he stopped, wavered a moment—then fell from the podium, apparently the victim of a heart attack.

A moment before, he had remarked: "I feel very fatigued. I am an old automobile which still works, however."

He was sped to a hospital, but died on the way.

The Greek Orthodox faith of his ancestors had been the first inspiration of his life. And when he turned to music in his mature years, he brought to his work the religious zeal of the monastery.

DIMITRI MITROPOULOS

A tall, lean man with a phenomenal memory, he drove himself unmercifully until he had a heart attack here in January, 1959.

After his recovery, he returned to the podium in a full schedule of engagements at La Scala, the Metropolitan and as a guest conductor at the Philharmonic. He had served for ten years as musical director of the Philharmonic, stepping down in 1957.

The opposite of the flamboyant symphonic conductor in private life, Mitropoulos was a dynamic figure before a great orchestra. Using neither score nor baton, he drove his men, prodding them with athletic arm motions, stamps of the feet and vigorous shakes of his balding head.

Acclaimed as a great interpreter of symphonic and operatic works, he was also an outspoken champion of modern music and American orchestras and conductors.

Bernstein His Protege

And he backed up his words with actions.

He shepherded Leonard Bernstein, his protege, into his post at the Philharmonic when he "abdicated" three years ago.

The music world was more than a little startled by the elevation of Bernstein, a comparatively young man, to the peak of American concert music. But Mitropoulos' faith was justified.

"I would not have been so happy if it had been anyone else," Mitropoulos said after Bernstein was named to succeed him. "The first person with talent whom I'd discovered when I came to this country in 1936 was Lenny Bernstein."

Introduced Many Firsts

Besides championing new talent, Mitropoulos was also instrumental in introducing new works to the concert repertory. He was the first to conduct Shostakovich's 10th Symphony in New York and in January, 1958 led the world premiere of "Vanessa," the work by Samuel Barber and Gian-Carlo Menotti which was the first American opera to be performed at the Metropolitan in many years.

Music and religion were the twin themes of Mitropoulos' life.

As a boy he had almost made a vocation of the Greek Orthodox faith. But he gave up plans to enter the monastery when he learned he would be forbidden to have the little harmonium he treasured.

Instead, he entered the conservatory in Athens, the city of his birth, and quickly displayed his gifts as a virtuoso pianist and a gifted composer.

Came to U. S. in 1936

It was later, while studying with Ferruccio Busoni in Berlin, that he discovered his true vocation—conducting.

He came to the U. S. in 1936 as a guest conductor in Boston and stayed here to lead the Minneapolis Symphony for 12 years. He served in guest engagements with the New York Philharmonic until he was appointed its musical director.

Mitropoulos was rehearsing Gustav Mahler's Third Symphony for a concert here Monday. A few minutes before taking up his baton he had complained of being tired.

"I feel very fatigued," he said. "I am an old automobile that still works, however."

Then he rehearsed the orchestra for about 10 minutes. Suddenly he stopped and put a hand to his heart. Before any of the musicians could reach him, he collapsed and fell from the podium.

He was rushed to Milan's Polyclinic Hospital but died on the way.

He soon established himself as a virtuoso pianist and a gifted composer. It was while studying with Feruccio Busoni in Berlin that he discovered his talents as a conductor. He conducted in Europe's musical capitals until 1936, when he went to America.

He began his tenure at Minneapolis in 1939, then moved to New York and resigned in 1949. He had become an American citizen in 1946.

His musical career was marked by devotion to the classics and operatic music. But he was also a staunch champion of modern music and introduced many new works.

Mitropoulos had a phenomenal memory for music. He conducted and rehearsed without a score. This in part may have been due to the simplicity in which he lived, allowing few diversions to interfere with his music.

A tall, lean, bald man, his deeply lined face gave him the appearance of a monk. He remained deeply religious throughout his life. He never married. Once when his English was uncertain he described himself as "a lonely wolf."

Dimitri Mitropoulos

AMONG TWIN CITIES people with a special fondness for symphonic music there has persisted for many years the feeling that somehow Dimitri Mitropoulos belonged to them. He had left in 1949, after 12 years as conductor of the Minneapolis Symphony orchestra, but nobody who ever heard a Mitropoulos concert was likely to forget it.

The wiry, energetic Greek, whose two chief interests were music and mountain climbing, would step up on the podium of Northrop auditorium, turn to the orchestra without baton and without score, and fill the hall with excitement. "He had such fire . . . He had such spirit," one still hears from his old fans.

Even at the height of his Minneapolis career, Mitropoulos was a controversial subject. He conducted music as he thought it should sound, which often was quite different from the more traditional interpretations of other leading conductors. He taught Minnesota audiences to listen to much modern music, somewhat against their will at times. He was a man of strong ideas, strong feelings, strong music—admired but not always understood.

But Mitropoulos was missed when he went on to the New York Philharmonic, the Metropolitan opera, La Scala and other European musical organizations. Mitropoulos concerts here were recalled, Mitropoulos anecdotes were retold, and at the time of a heart attack in 1958, many Minnesotans were concerned about his health and career.

A couple of years ago, when a Minneapolis friend spoke to the maestro backstage after an opera in Vienna and suggested that perhaps he should take life a little easier, Mitropoulos brushed the idea aside. "When I die, I want to die conducting," he said.

He got that wish, at 64, when he was stricken during a rehearsal at La Scala opera house in Milan, Italy, and died soon afterward. He was a musician to the last moment.

Dmitri Mitropoulos Dies at 64; Baton in His Hand to the Last

Milan, Italy, Nov. 2 (UPI).—Famed Greek-born Dmitri Mitropoulos, 64, collapsed and died today of a cerebral hemorrhage as he was conducting the La Scala Opera House orchestra in a rehearsal.

Mitropoulos, who regarded music as a means of reaching God, had returned to the La Scala podium for the first time in several years. He had suffered a heart attack Jan. 23, 1959, in New York.

As he mounted the podium today he told the musicians: "I am just like an old car which needs repairs now and then. But, as you can see, I am still alive."

Starts Rehearsal

Then Maestro Mitropoulos' baton gave the downbeat and the rehearsal of Mahler's Third Symphony began. After 45 beats he waved the musicians to a halt. Suddenly he put his right hand to his forehead and fell face first.

He died in an ambulance racing to a hospital.

In Athens, Greek Premier Constantine Karamanlis said the conductor's body would be buried in Greece.

U.S. Debut in '36

Mitropoulos, American by adoption, made his U. S. debut in 1936 with the Boston Symphony after a brilliant European career. He had been director of the New York and Minneapolis Philharmonic Orchestras.

The son of a merchant, he planned to enter a monastery but changed his mind when he learned he could not have a harmonium in his cell. He then entered the Athens Conservatory.

He was known for his dramatic and vivid conducting methods. In 1924, Mitropoulos accepted the

directorship of the Athens Conservatory Symphony. His fame spread throughout Europe and he was guest conductor with almost every major symphony from 1930 to 1936.

Invited to Boston

In 1936, he was invited by Serge Koussevitzky to be guest conductor of the Boston Symphony. In 1937 he went to Minneapolis to conduct and remained in the Middle West for 12 years.

In 1949, he accepted co-conductorship of the New York Philharmonic with Leopold Stokowski. In New York, he continued his habit of spurning social functions in favor of the hamburger diner around the corner where he presided over his followers in a black turtleneck sweater.

Takes Over in New York

In 1950, he took over the full conductorship of the New York Philharmonic and launched the orchestra on extensive tours by bus, shocking staid music circles by traveling with the players.

The conductor was renowned for his musical memory, second only to that of Arturo Toscanini. He was said to have memorized the complete scores of more than 50 symphonies.

MILAN, Italy (AP)—Dimitri Mitropoulos, noted Greek-American symphonic and operatic conductor, collapsed and died Wednesday while rehearsing at La Scala Opera House.

The 64-year-old musician had been rehearsing Mavler's "Third Symphony" for about 10 minutes when he stopped, stood motionless for a moment, then fell from the podium. He died on the way to a hospital.

"I feel very fatigued," he had said a few minutes earlier. "I am an old automobile which still works, however."

Apparently death was due to a heart attack.

Leading Conductor

Mr. Mitropoulos had spent 10-year tenures as conductor of the Minneapolis Symphony and then of the New York Philharmonic. In recent years he also had been a leading conductor with New York's Metropolitan Opera Company and had toured in Europe extensively each year.

He was to have conducted this season at the Metropolitan and was also to have made guest appearances with the New York Philharmonic.

He suffered a heart attack on Jan., 23, 1959, in New York, but later recovered and resumed conducting.

One of the outstanding conductors of his era, Mr. Mitropoulos was both a great interpreter of symphonic and operatic classics and a stanch champion of modern music.

Phenomenal Memory

He introduced Shostakovich's "Tenth Symphony" to New York audiences, revived Strauss's "Elektra" in a sensational concert performance with the Philharmonic and conducted the world premiere of the Barber-Menotti opera "Vanessa" in January, 1959, the first American opera performed at the Metropolitan in many years.

His memory for music was phenonemnal, on a par with that of the late Arturo Toscanini. Mr. Mitropoulos not only conducted without a score but also rehearsed the same way.

Born in Athens, Greece, on Feb. 18, 1896, Mr. Mitropoulos was the son of a merchant. As a boy he almost made a vocation of religion. Two of his uncles were monks in the Greek Orthodox Church, and one of his great-uncles was an archbishop.

But music was a major influence in his life also. Young Dimitri planned to enter a monastery but changed his mind when he learned he would be forbidden to have a little harmonium. Instead he enrolled at the Athens Conservatory, where he quickly established himself as a virtuoso pianist and a gifted composer. Then, while studying with Ferruccio Busoni in Berlin, he discovered conducting and his true niche in music.

'Abdicates' Post

He was conductor of the Minneapolis Symphony for 10 years, from 1939 to 1949, then went to New York to head the Philharmonic.

After nearly 10 years as permanent conductor of the New York orchestra, Mr. Mitropoulos announced he was "abdicating" the post. Leonard Bernstein was named to succeed him and Mr. Mitropoulos said:

"I would not have been so happy if it had been anyone else. The first person with talent whom I'd discovered when I came to this country in 1936 was Lenny Bernstein."

Mr. Mitropoulos continued a full schedule of guest appearances with the New York Philharmonic, Milan's La Scala, the Salzburg Festival and other leading musical organizations on both sides of the Atlantic. He had become an American citizen in 1946.

Music World Mourns Maestro's Death

DIMITRI MITROPOULOS' REHEARSALS WERE MARKED BY LIVELY GESTURES AND SOMETIMES BY LEAPS

THE LARGEST number of members ever attending a meeting of the Minneapolis Symphony's board of directors rose quietly from their chairs Wednesday.

The 50 members stood for a minute in the Minneapolis club and silently passed a resolution creating a Dimitri Mitropoulos memorial fund.

THE GREAT Greek maestro, who conducted the Minneapolis orchestra for 12 years, was dead. He died in Milan, Italy, yesterday while leading the La Scala opera house orchestra in a rehearsal of Gustav Mahler's "Third Symphony."

At 3 p.m. in Northrop Memorial auditorium, conductor Stanislaw Skrowaczewski and the 89 members of the Minneapolis Symphony stood for a minute of silence.

"Quite a few of these men and women—some 35 per cent — played under Mitropoulos," said Charles Bellows, president of the orchestral association.

"It is because of the tremendous debt of the orchestra and of the people of the Twin Cities that the board felt a memorial fund should be established," he said.

Mitropoulos, 64, had returned to the La Scala podium for the first time since he suffered a heart attack Jan. 23, 1959, in New York.

"I AM VERY touched at being among you after a long absence which was due to my health," he told the musicians as he walked to the podium. "I am just like an old car which needs repairs now and then. But, as you can see, I am still alive."

Mitropoulos gave a downbeat. Rehearsal of Mahler's "Third" began, without score, without baton.

After 45 beats he waved the orchestra to a halt and commented on the opening passage. He appeared ready to resume.

Suddenly he put his right hand to his forehead and fell face first off the stand.

"Maestro, maestro!" shouted the musicians as they rushed to his side.

A DOCTOR was called, an ambulance ordered.

But the maestro died of a cerebral hemorrhage as the ambulance raced through Milan traffic.

Last night, Mitropoulos' body, dressed in a black satin suit, blue shirt and black tie, lay on a small bed in a black-draped room in Milan's city hospital. A candle burned at each corner of the bed.

Standing watches throughout the evening were four of the men he was closest to at death—the musicians of his orchestra.

Last night La Scala honored Mitropoulos with a special performance of Beethoven's "Eroica." Hungarian Ferenc Fricsay conducted.

Mitropoulos was born in Athens. He planned to enter a monastery but changed his mind when he was told musical instruments were not allowed.

TRAINED at the Athens conservatory, he had a solid European reputation but was little known in the United States. When he first conducted the Minneapolis Symphony as a guest in 1937, he had to identify himself to reporters and orchestra officials who met him at the train station.

After his guest appearance he signed a contract as regular conductor succeeding Eugene Ormandy, who left at the end of the 1935-36 season.

In 1949 Mitropoulos left Minneapolis and became one of the two regular conductors of the New York Philharmonic.

At his farewell concert in Minneapolis, the leather-bald maestro told an audience of more than 4,000 persons: "I have given you the best years of my life. My heart will stay here."

After 10 years in New York, he resigned his post but continued a full schedule of guest appearances.

WHILE in Minneapolis he lived in a one-room apartment at 510 Groveland Av. He was a bachelor.

Mitropoulos was known for his support of modern composers. He conducted the world premieres of many of their compositions and was awarded a medal for his efforts to make Gustav Mahler's music better known.

Friday night at Northrop, a written tribute will be inserted in the opening-night program. No memorial concert is planned by the symphony at the present time.

Saturday Mitropoulos will be buried in Milan's Monumentale cemetery.

Music

Mitropoulos One of Greatest

By LOUIS BIANCOLLI

It is with deep personal sorrow that I write these lines about Dimitri Mitropoulos. As a musician and artist he was my ideal; as a man who helped others he was a saint.

I knew almost nothing of the maestro's private life, other than the fact that he shared everything he had with others and never turned a deaf ear to a plea for financial help. From what I heard, the compassion of the man was limitless.

In my few talks with him I found him inspiring and humble. There was no false modesty about him, but absolutely no trace of the snob or aristocrat. Those who wrote harshly of him may be pleased to know he never spoke harshly of them. That wasn't his way.

His death is an incalculable loss to music. After all I have written about him, it may seem redundant of me to express my conviction, without qualification, that after Arturo Toscanini, Dimitri Mitropoulos was the greatest conductor of our time.

It may even shock some people to know that in many areas I preferred Mitropoulos to Toscanini as a conductor. Nothing I recall of Toscanini's surpassed the stupendous achievement of Mitropoulos' Mahler performances last season.

Much as I revered the Italian and proud as I was to share his national background, I was never happy about his browbeating tantrums at rehearsal. Mitropoulos never once forgot that before all else his musicians were human beings, fallible and sensitive. They loved him for it.

Being a religious man, he had a profoundly spiritual conception of music and his place in it. When he made the choice of music rather than the ministry he felt he was still serving man and therefore God.

This was again a private matter. To the musicians and the public he was the wholly dedicated conductor concerned solely with communicating the message of the composer in all its exalted beauty and intensity. That was faith enough.

In his habits of eating and living, I suppose Mitropoulos was something of an ascetic. But ascetics cut themselves off from humanity. Passionately as he loved music, Mitropoulos loved people even more. His heart went out to them through every one of his performances.

When I heard of his death on the radio Wednesday morning I felt that all of us in music—musicians, listeners, and writers—had lost a friend and benefactor. The whole fabric of world music has received a jolt.

Mitropoulos was very much a man of his time. No other conductor had his grasp of twentieth century fashions in music. At times one was convinced he was the composer's other and better self. But his mastery of the classics was no less profound.

Men of this caliber are irreplaceable. Let us, in tribute to this noble and inspiring soul, cherish the more gratefully the many brilliant conductors who survive him and the thousands of musicians who were privileged to play for him.

'GREAT NAME'

TO THE EDITOR:

While I enjoyed reading Harold Schonberg's "Tyrants—and Gods—of the Podium" (Nov. 27), which did so much to illuminate the "mystery" of conductors, for me there was one great name that should have been a part of this otherwise extremely comprehensive article—that of Dimitri Mitropoulos.

Perhaps no tyrannical remembrances of Maestro Mitropoulos were at hand when the story was written, but those of us who worked with him remember his capacity for outbursts as well as his enormous gentility.

I recall a dress rehearsal in Florence of the last act of "Girl of the Golden West" which went badly, very badly. It didn't help to have a tenor not only allergic to but also afraid of horses. Maestro Mitropoulos raged and stormed at the tenor, the horse and me, and I fled to my dressing room, upset to the verge of tears. We repeated the scene later in the day and when I came on stage to begin, astride

Dimitri Mitropoulos.

the horse, Mitropoulos paused before entering the pit, and came up to me and said, "I am sorry I made you cry."

I cannot help at this time but recall Mitropoulos whose memory is still fresh, whose inspiration is still creative, and who belongs both among the tyrants and the titans of music. ELEANOR STEBER.

Mitropoulos Request Asks Fund For Commissioning U. S. Music

Dimitri Mitropoulos, the conductor, who died in Milan, Italy, on Wednesday, left a written request that those wishing to remember him at his death contribute to a fund to commission compositions from American composers instead of sending flowers for funeral or memorial services.

He also asked that the fund be administered by the New York Philharmonic Society.

"A wish of this kind is typical of Mr. Mitropoulos' great generosity," said a spokesman for the orchestra. "The Philharmonic would be honored to carry it out."

These requests, along with directions that his body should be cremated and that the ashes should be sent to Greece, were included in a letter that had been left with Barton G. Hocker, Mr. Mitropoulos' business adviser. The letter was dated April 10, 1959. Mr. Hocker also has the conductor's will, which is to be probated later.

Mr. Mitropoulos' body will be cremated in Switzerland today. This afternoon, the conductors and staff of La Scala Opera, along with representatives of the City of Milan, will pay public tribute to the conductor's memory.

A Greek Government airplane is scheduled to take the ashes to Athens for deposit in the Conservatory of Music there.

The Philharmonic concert began yesterday afternoon with a moment's silent tribute by the standing audience in memory of the great musician who for two decades was associated with the orchestra. But Dimitri Mitropoulos, the ardent and dedicated musician, cannot be honored silently; music was his life, therefore Mr. Bernstein prefaced the concert with a tribute in sound. The tender and hushed strains of the "Urlicht" movement from Mahler's "Resurrection Symphony," the solo part taken by Jennie Tourel, provided a fitting and quietly eloquent lament for the passing of a friend of the Philharmonic and of its public.

Died. Dimitri Mitropoulos, 64, virtuoso conductor and pianist who followed a musical calling with mystical fervor; of a heart attack; in La Scala Opera House, Milan. Athens-born of ecclesiastical lineage, Greek Orthodox Mitropoulos gave himself to music with the dedication of a monk (which he once intended to be), lived frugally, gave away his money to students as his hero St. Francis of Assisi did, became an apostle of modern composers. On the podium he danced, shook his fringed pate, conducting without a score from an awesome memory. Off the podium he read philosophy, the Greek dramatists, but for diversion Mitropoulos climbed mountains.

MITROPOULOS' ASHES WILL GO TO ATHENS

Special to The New York Times

MILAN, Italy, Nov. 5—The body of Dimitri Mitropoulos, the Greek conductor who died on Wednesday after collapsing on the podium of La Scala Opera during a rehearsal, left for Lugano, Switzerland, in a motor hearse this afternoon.

Dr. Antonio Ghiringhelli, the superintendent of La Scala, the representatives of the Vienna and Salzburg Opera houses, and a large crowd of artists, friends and admirers gathered in farewell outside the Institute of Legal Medicine where a post morten had been performed.

It is understood that Mr. Mitropoulos' body will be cremated immediately on its arrival in Lugano this evening. Italian law prohibits cremation. An urn containing the ashes will be flown tomorrow to Athens.

Special to The New York Times.

ATHENS, Nov. 5—Authorities here expect to receive the ashes of Mr. Mitropoulos, who was born here. They said that because the Greek Orthodox Church, a state religion, does not allow cremation, there would be a lay service in the conductor's honor.

The remains will be deposited in an urn either in the famous outdoor ancient theatre of Herod Atticus or in the Athens Conservatory of Music, where Mr. Mitropoulos began his musical career.

Noted Conductor Dies Of Heart Attack

MILAN, Italy — Dimitri Mitropoulos, the noted symphony conductor was stricken with a heart attack while rehearsing the LaScala Symphony Orchestra in the famed LaScala Opera House, Wednesday.

He was on the podium in the very act of directing the orchestra when suddenly he clutched at his chest and before anyone could reach him, toppled from the podium onto the stage.

He was rushed to Milan's Poly-Clinic hospital, but was dead on arrival.

Mitropoulos, born in Greece 64 years ago, had spent 10-year tenures as conductor of the Minneapolis Symphony and then the New York Philharmonic. Later he conducted at New York's Metropolitan Opera and toured extensively in Europe.

He soon established himself as a virtuoso pianist and a gifted composer. It was while studying with Feruccio Busoni in Berlin that he discovered his talents as a conductor. He conducted in Europe's musical capitals until 1936, when he went to America.

He began his tenure at Minneapolis in 1939, then moved to New York and resigned in 1949. He had become an American citizen in 1946.

His musical career was marked by devotion to the classics and operatic music. But he was also a staunch champion of modern music and introduced many new works.

Mitropoulos had a phenomenal memory for music. He conducted and rehearsed without a score. This in part may have been due to the simplicity in which he lived, allowing few diversions to interfere with his music.

Music: Philharmonic Pays Tribute to Mitropoulos

Mahler Work Added to Program in Homage

By RAYMOND ERICSON

THE memory of Dimitri Mitropoulos, who died on Wednesday, hovered over Carnegie Hall during the New York Philharmonic concert yesterday afternoon.

The saddening thought was uppermost in the minds of many present that they would never again see Mr. Mitropoulos' tall, spare, loose-jointed figure and his ascetic face or hear the kind of Olympian performance he could win from the orchestra when he was at his best.

•

When Leonard Bernstein mounted the podium, he motioned to the audience to rise for a moment's silent tribute to the former conductor of the orchestra. When the people were seated again, he turned and led an unscheduled work, the "Urlicht" ("Primal Light") movement from Mahler's Second, or "Resurrection," Symphony.

Mr. Bernstein chose the perfect tribute, for Mr. Mitropoulos was one of the great exponents of Mahler's music, with all its complex apparatus in performance, its Romantic aura and its mysticism. Mr. Bernstein quietly conducted the serene score, tinged lightly with melancholy, which suggests man's hope for "a little light to show the way into the blessed life beyond." Jennie Tourel, with her consummate artistry, was the mezzo-soprano soloist.

The tribute was added to the Thursday night "preview" concert and will be played when the program is repeated tonight and tomorrow afternoon.

•

The major work on the program, too, was one that coincided with Mr. Mitropoulos' temperament. It was Liszt's "A Faust Symphony," which brought to a close Mr. Bernstein's series of programs devoted to Schumann and the Romantic movement.

In Memoriam

DIMITRI MITROPOULOS

February 18, 1896 - November 2, 1960

The life of Dimitri Mitropoulos has been put at the disposal of music, selflessly and unsparingly, in a devotion almost beyond the human. Two decades of that dedicated life, beginning in the season 1940-41, were interwoven with the destinies of the New York Philharmonic, including seven years when he was its Music Director.

His death brings international grief. It at the same time touches in a very personal way the deepest emotions of all associated with the New York Philharmonic, where the memory of his performances and of the nobility of his spirit will remain alive and honored in every heart.

In memory of this surpassing musician and warmly loved friend, Mr. Leonard Bernstein, Miss Jennie Tourel, and the Orchestra will perform at the beginning of the concert this evening the Fourth Movement, "Urlicht" ("Primal Light") of the "Resurrection" Symphony by Gustav Mahler.

Mahler Played for Mitropoulos

The destinies of Dimitri Mitropoulos and Gustave Mahler were closely intertwined in life, and lately in death. Leonard Bernstein, therefore, chose a fitting tribute when he opened Friday afternoon's N. Y. Philharmonic program with the fourth movement, "Urlicht," (Primal Life) from Mahler's Second Symphony, the "Resurrection," with mezzo-soprano Jennie Tourel as soloist.

"I am from God and will return to God," says the text.

When Bernstein and Miss Tourel came to the front of the Hall stage, the orchestra rose. Bernstein then signaled that the audience should also rise. He stood silently with bowed head for a moment before beginning the concert. The beauty of the music was movingly re-created through the dedication which Bernstein and Miss Tourel brought to it, both performing without score, as Mitropoulos almost inevitably did.

Possessing probably the most phenomenal musical memory of any contemporary conductor, he frequently rehearsed without score as well as leaving it behind in performance.

Died Wednesday in Milan

Mitropoulos, who died Wednesday in Milan, shortly after having been stricken with a heart attack during a rehearsal of Mahler's Third Symphony at the La Scala Opera House, had been affiliated with the Philharmonic since 1940 and was its music director for seven years, beginning with the 1950-51 season.

His last appearance with the orchestra was, prophetically, on Jan. 24, when he led an unforgettable performance of Mahler's Ninth Symphony, which Bruno Walter has described as "inspired by an intense spiritual agitation: the sense of departure."

MINNEAPOLIS HAILS ITS NEW CONDUCTOR

Special to The New York Times.

MINNEAPOLIS, Nov. 5—The fifty-eighth season of the Minneapolis Symphony Orchestra opened last evening with a rare first-night sell-out audience of 4,922 and an enthusiastic welcome for the orchestra's new musical director, Stanislaw Skrowaczewski.

Before the 37-year-old conductor had even lifted his baton to lead the National Anthem, the audience, which had overflowed into the orchestra pit of Northrop Auditorium on the University of Minnesota campus, gave him a standing ovation.

After Beethoven's "Eroica" Symphony, Mr. Skrowaczewski was called back for three curtain calls. Five curtain calls and another standing acclaim followed his rendition of the Berlioz Symphonie Fantastique. The two standard works were chosen for his debut by the slim, young Pole because "if I were to play something new and unknown to the public, they wouldn't have anything to compare me with."

A solemn note was added to the festive occasion by the last-minute insertion in the program of a brief tribute to Dimitri Mitropoulos who, from 1937 to 1949, was the orchestra's fourth permanent director. Mr. Mitropoulos died Wednesday in Milan, Italy.

Dedicated to Music

Conductor Mitropoulos Lived for His Art

By ALAN BRANIGAN

A MAN of music—such is the only description possible for Dmitri Mitropoulos who died last week, in the saddle, as it were. The great Greek maestro was in the midst of a rehearsal of a Mahler symphony in Milan when the end came and it would be difficult to imagine a more appropriate moment.

Mitropoulos had long been a champion and advocate of the symsymphonies of Gustav Mahler and made musical history last year when he conducted many of Mahler's works at concerts of the New York Philharmonic. From outer appearances, it hadn't seemed an especially felicitous combination—the ascetic, cool, craggy Mitropoulos and the lush, amiable eloquent, long-winded Mahler. One might even call them opposites. But the results were magnificent and audiences in New York—and the country at large by radio—were enriched by some magnificent, memorable performances.

✣ ✣ ✣

ODDLY enough, it was in a performance of Mahler that this reveiewer first encountered. Mitropoulos' Jove-like personality. This was away back in 1941, when outdoor concerts were being held in June at the Newark Schools Stadium. One of the conductors that year turned out to be the tall, quiet Greek maestro who up to that time had been known as the immensely successful conductor of the Minneapolis Symphony.

To mark his Newark visit—this was long before he was named as head of the Philharmonic—Mitropoulos chose Mahler's Symphony No. 1 in D, the same one that was played here last season by Steinberg and the Boston Symphony. It was our introduction to Mahler and we recall vividly the excitement and thrill of encountering such a masterpiece, especially as done by so compelling and incisive a personality as Mitropoulos revealed.

✣ ✣ ✣

AMONG the conductor's other Newark appearances was a markedly successful concert in 1956. The program, in which one of the local reviewers noted a "soaring, electrifying sound" in the Philharmonic under Mitropoulos' baton, included Weber's "Freischutz" Overture, Schumann Symphony No. 2 in C and the Causson B Flat Symphony. Certainly here was a program that indicated the maestro's inquiring and adventurous mind.

The conductor's life was dedicated wholly to music. Nothing else seemed to have any significance for him, except perhaps religious philosophy. He lived in Spartan simplicity, in a tiny apartment with a piano and musical scores scattered all over in profusion. Sometimes he crossed the Atlantic tourist class, also a Spartan occupation. He made a great deal of money and gave away much of it to young musicians to help their careers. He liked fairly flashy clothes, but otherwise seemed to be a recluse, a hermit who on the podium was given to foot stampings and other dramatic gestures.

✣ ✣ ✣

DURING Mitropoulos' later career with the Philharmonic, he showed an increasing interest in opera, especially of unusual kinds. One of his triumphs was a revival of Alban Berg's "Wozzeck," which had been given in New York only as an offbeat novelty in the 1920s. Mitropoulos gave it in a powerful dynamic concert version that suddenly awakened a public response to this obscure masterpiece. The Berg work then was taken up and produced by the City Center Opera and later by the Metropolitan.

It was at the latter house that the conductor achieved some of his finest musical effects. We recall with pleasure the excitement of Mitropoulos' direction of "Tosca," with Tebaldi in the leading role. Puccini's tingling and poignant score seemed to have every last emotion wrung out of it by the urgency and dramatic fevor of the conductor. He even made a glorious musical experience of such a work as Samuel Barber's "Vanesa,." an otherwise puzzling and disappointing opera.

This season in New York, the famous Greek had been engaged to take part in the Met's revival of "Turandot" and at the first orchestral performances by Sviatislav Richter, the famous Russian virtuoso pianist. Now a replacement will have to be found, and it will be a difficult task. Musicians like Mitropoulos are extremely rare.

Mitropoulos Honored by Bernstein

It was only fitting that Leonard Bernstein should open the weekend Philharmonic programs with the "Urlicht" movement from Mahler's Second Symphony.

The man whose memory the performance enshrined had devoted a lifetime of genius to crusading for Mahler. It was, in fact, in the service of Mahler—while rehearsing his Third Symphony—that Dimitri Mitropoulos collapsed and died last Wednesday.

Those hearing Jennie Tourel sing the solo part at this performance must have vividly recalled the intense and compassionate artist no longer in our midst. Soloist, conductor, and orchestra made his presence deeply felt.

Mr. Bernstein, profoundly grieved by the death of his colleague and friend, conducted Liszt's "A Faust Symphony" as if that too were a tribute to Mitropoulos. The performance amounted to a rebirth of the neglected score. Its vitality and drive were breath-taking.

Excellent assistance was provided by the Choral Art Society and Charles Bressler, tenor. Earlier, Christian Ferras, the young French violinist, had been the thoughtful soloist in Bach's E Major Concerto.

With the Liszt performance Mr. Bernstein ended his brilliant survey of the Romantic Movement in Music—a survey rich in contrast and illumination that would have fascinated the man who first spotted his great gift — Dimitri Mitropoulos.

Music Notes

Dimitri Mitropoulos Complex Personality

By ERIC McLEAN

DIMITRI MITROPOULOS was sixty-four when he died on the podium of La Scala, on Wednesday. Considering that the average age of today's front-rank conductors is somewhere in the high seventies, Mitropoulos can be said to have died young, and for anyone who had met this extraordinary man the news of his death was difficult to credit. It is true that he had not been in good health for some months (he had had an earlier heart attack last January) but his indestructible good humor and driving energy did not seem to be the traits of an ailing man.

The most striking characteristics of Mitropoulos were nearly all youthful ones; The almost inexhaustible enthusiasm with which he conducted both rehearsals and performances; his uneasiness in the social gatherings to which all conductors are subjected; his boyish love of exotic sweets and double-feature cowboy pictures; his insistence on travelling by bus with the musicians of the orchestra.

These were a bizarre part of the personality of the man. The intellect was something else. He had one of the most extraordinary musical memories of this century, equalled only by that of Toscanini. He was a serious student of philosophy, an intimate friend of Henri Bergson and the celebrated Greek writer, Nikos Kazantzakis. He spoke and wrote in six languages with equal fluency, and he was respected among scholars as an authority on classical Greek theatre.

I met him twice, once with a group of friends in a little Italian restaurant in New York, following a hair-raising performance of Strauss's 'Salome' at the Metropolitan Opera; and once in Salzburg where he had conducted Berlioz' Requiem. In both cases I was struck by his relaxed manner and easy conversation which contrasted so sharply with his almost frenzied behaviour on the podium.

DIMITRI MITROPOULOS

Casting about for something to say, I told Mitropoulos how much I had enjoyed the background music he had composed for the play 'Hippolytus' which I had seen in a production of the National Greek Theatre. Mitropoulos seemed puzzled for a moment, then suddenly remembered.

"Don't tell me they've resurrected that trivial stuff," he said. "I composed that when I was in my teens."

He had tripped me. Although I had seen a line in the theatre program crediting the background music to him, the play was too absorbing to pay much attention to the music itself.

He recognized my embarrassment, and his rough-hewn face wrinkled into a reassuring smile.

"I thought it was a masterpiece when I wrote it," he said. It made me feel better, but I decided it would be wiser to let him lead the conversation from that point on. And a fascinating conversation it was, ranging from Russian iconography, through Austrian baroque architecture, to Mediterranean spear fishing.

He rarely touched on music, however. Music for him was something to be made, and listened to, but not discussed.

I learned later that Mitropoulos always spoke disparagingly of his own compositions, and most of the newspaper obituaries quoted him as saying that he had given up the idea of creating music after his studies with Busoni. "I lost all respect for myself as a composer," he was reported to have said, "I listened to Busoni, absorbed his knowledge, and ended up as a re-creater instead of a creator."

Yet ten years after his studies with Busoni, Mitropoulos composed his Concerto Grosso, a work which attracted wide attention in Europe.

Re-creation, however, was unquestionably his most important contribution to music, not only because of his unforgettable interpretations of such composers as Strauss, in both the opera house and the concert hall, but also for his persistent championing of the works of young composers. It should be remembered that the extraordinarily successful production of Berg's 'Wozzeck' four years ago was largely his work.

But Mitropoulos was not a paragon, and his limitations showed up mainly in the classical repertoire. Within his own great areas of interest he had few equals, however, and the world's musical scene will never be the same without him.

Dimitri Mitropoulos, Whose Life Was Music

New York knew Dimitri Mitropoulos well, for the climax of his career as a conductor came here, first at the Philharmonic and later at the Metropolitan Opera. Not every conductor is equally at home in symphony and in opera, but Mr. Mitropoulos was no ordinary musician. To his dramatic understanding and technical mastery he joined a sense of dedication and devotion to his art.

Mr. Mitropoulos wasn't the kind of conductor who stayed within the safe confines of the standard repertory. He liked to explore music and extend its frontiers, and modern composers, Americans not excepted, knew him as their friend. It was typical that he should have been rehearsing one of the lesser-known Mahler symphonies when he was fatally stricken in Italy yesterday.

Although he had undergone a serious attack early last year, Mr. Mitropoulos took up the burdens of his calling once again simply because life to him meant music, and nothing else. We had been counting upon seeing and listening to him this season at the Metropolitan and in Carnegie Hall. Now we shall never have that privilege. But the picture of his lean, spare, ascetic figure upon a podium is one that will long dwell in many memories.

NEW YORK HERALD TRIBUNE, SUNDAY, NOVEMBER 6, 1960

Portrait of a Priestly, Human Musician

By JAY S. HARRISON

My first meeting with Dimitri Mitropoulos took place in 1947 at a performance of the Robinson Jeffers version of "Medea" featuring Judith Anderson. We were both standees, and during intermission a mutual acquaintance introduced us. Suddenly, immediately, we became close friends, principally because Mitropoulos felt a rush of warmth toward anyone who was a theater-goer.

The stage, especially that aspect of it which was concerned with strong drama, was very much a part of Mitropoulos' life. He was, in fact, a man whose every action had some kind of drama to it. His appearance, his speech, his manner of conducting, his personal philosophy—all of these had a halo of theater about them. I say theater, not theatricality, for there was no tinseled sham about the Maestro: whatever he did, despite outward appearances to the contrary, was genuine and real.

Dimitri Mitropoulos, March 1, 1896—Nov. 2, 1960.

His Answer

He believed wholly in whatever he did. As a conductor he was often criticized for bringing to music a kind of burning and violent excitement which some thought excessive and undignified.

In answer to this he would merely say—and I give it to you word for word, as I frequently took notes when we were together—"I happen to be the kind of person whom music affects in a very strange way. Music makes me passionate and nervous and restless and sometimes it ties me up in emotional knots.

"If a score does that to me I have to communicate it to my audience. What good is a conductor who doesn't want to make an audience feel what he feels? I am not a metronome, I am an interpreter. If what I have to say through my music bothers some people, then they have every reason not to listen. But if I do not do what I know is right, then I lie to myself and my God."

He was an intensely serious man, even as he applied himself to the most casual things. For example, one night not so long ago he invited me to a film—he adored movies of any sort—which as it turned out happened to be wretched in every conceivable way.

But it was far from disturbing to Mitropoulos. He decided on the spot to recast it in his own fashion. Every few seconds he would nudge me awake and say, "Now I tell you, you would not have fallen asleep if this part"—and he would point to the screen—"were played by John Wayne. And that young fellow would be perfect for Paul Newman. And the heroine, she needs a Magnani, not a pipsqueak."

All of this was said in dead earnestness, he was not making a joke. It was not Mitropoulos' way to be funny about anything. He was watching a movie that he felt could be bettered and he went about analyzing it scene by scene, as though it could immediately be remade to his specifications. Everything with which he came into contact he wanted to improve. That was the condition which drove him to seek perfection.

But he knew perfection was impossible in all things save religion. He thought, as a youth, of joining the clergy, but the attraction of music led him into other directions. Still, he would discuss at great length the interrelationship between God and music, and he rather imagined that his position as a conductor was not unlike that of a priest. "We both serve something ideal," he would say, "and we are here to serve mankind."

Regarding his philosophy of music, that, too, had a firmly religious base. "Schoenberg," he would tell you, "went outside of the usual tonal system because that tonal system no longer was a way for him to express his faith. He found his faith in atonality and it made him strong. And this strength is what attracted most of our young composers to him. He was an apostle; and because he believed he drew followers."

But even allowing the complications of his thought processes and the dynamism of his presence, Dimitri Mitropoulos was essentially a simple man. He lived almost like a hermit. When he was permanent conductor of the Minneapolis Symphony he occupied one room so small it could scarcely hold a piano, and his hotel apartment in New York was so frugally decorated that it somewhat resembled a stage after the scenery had been struck. And though he made a fortune, he rarely spent over $3,000 a year on himself, the remainder of his salary being given over to young students to insure their continued study in either theology or composing.

His Disposition

That was only one reason why he was widely loved. In the whole music world, which is traditionally a hotbed of jealousies and rancor, there was not a person to say a word against him. He never shouted, never lost his temper, never denied a favor. Even when he failed to get the conductorship of the Boston Symphony, a post he deeply wanted, there was not a shred of anger in him.

But while music and religion were the core of his life, he was not without hobbies, principal among which was the climbing of mountains. "I climb mountains," he would say, "because I like to conquer things; to me conquering a mountain is like conquering a new and difficult score. Also, when I am on top of a peak I feel profoundly a sense of life, but also a sense of death. For I will tell you, I am going to die by falling down a mountain."

His prophecy came true. When death called him on Tuesday he was atop a very special mountain. And that was his podium.

Dimitri Mitropoulos, Conductor, Dies at 63

By Associated Press

MILAN, Italy—Dimitri Mitropoulos, noted Greek-American symphonic and operatic conductor, collapsed and died today while rehearsing at La Scala Opera House.

The 63-year-old musician had been rehearsing Mahler's Third Symphony for about 10 minutes when he stopped, stood motionless for a moment, then fell from the podium. He died on the way to a hospital.

"I feel very fatigued," he had said a few minutes earlier. "I am an old automobile which still works, however."

Apparently death was due to a heart attack.

Mitropoulos had spent 10-year tenures as conductor of the Minneapolis Symphony and then of the New York Philharmonic. In recent years he also had been a leading conductor with New York's Metropolitan Opera Company and had toured in Europe extensively each year.

Mitropoulos was to have conducted this season at New York's Metropolitan Opera, where he had scored a notable success in recent years, and was also to have made guest appearances with the New York Philharmonic.

He suffered a heart attack January 23, 1959, in New York, but later recovered and resumed conducting.

Mitropoulos introduced Shostakovich's 10th Symphony to New York audiences, revived Strauss' "Elektra" in a sensational concert performance with the Philharmonic and conducted the world premiere of the Barber-Menotti opera "Vanessa" in January, 1958, the first American opera performed at the Metropolitan in many years.

Mitropoulos not only conducted without a score but also rehearsed the same way.

Born in Athens, Greece, February 18, 1896, Mitropoulos was the son of a merchant.

Young Dimitri planned to enter a monastery but changed his mind when he learned he would be forbidden to have a little harmonium. Instead he enrolled at the Athens Conservatory, where he quickly established himself as a virtuoso pianist and a gifted composer. Then, while studying with Ferruccio Busoni in Berlin, he discovered conducting and his true niche in music.

He was conductor of the Minneapolis Symphony for 10 years, from 1939 to 1949, then came to New York to head the Philharmonic.

After nearly 10 years as permanent conductor of the New York orchestra, Mitropoulos announced he was "abdicating" the post. Leonard Bernstein was named to succeed him.

MILAN, Italy, Nov. 2.—Greek-American conductor Dmitri Mitropoulos collapsed and died Wednesday of a cerebral hemorrhage as he was conducting the La Scala Opera House orchestra in a rehearsal of Mahler's "Third Symphony."

Mitropoulos, 64, who regarded music as a means of reaching God, had returned to the La Scala podium for the first time in several years. He had suffered a heart attack Jan. 23, 1959, in New York.

Mitropoulos' baton gave the downbeat and the rehearsal of the Mahler symphony began. After 45 beats he waved the musicians to a halt and made some comment on the opening passage. He appeared ready to resume but suddenly put his right hand to his forehead and fell face first.

Dies In Ambulance

The maestro died in an ambulance racing through Milan traffic.

Provisional arrangements were made for burial Saturday in Milan's Monumentale Cemetery. La Scala honored Mitropoulos Wednesday night with a special performance of Beethoven's "Eroica" at a concert conducted by Hungary's Ferec Fricsay.

Mitropoulos, Greek by birth and American by adoption, made his American debut in 1936 with the Boston Symphony after a brilliant European career. He had been director of the New York and Minneapolis Philharmonic Orchestras.

Mitropoulos was born in Athens in 1896, the son of a merchant. At one point he planned to enter a monastery but his love of music was too great and he changed his mind when he learned he could not take musical instruments with him.

Dramatic Conductor

He was known for his dramatic and vivid conducting methods. Critics said his fervor gave to him an insight in music that made him one of the world's greatest orchestra conductors.

In 1924, Mitropoulos accepted the directorship of the Athens Conservatory Symphony after studying at the Athens Conservatory of Music, and in Brussels and Berlin. His fame spread throughout Europe and he was guest conductor for almost every major symphony orchestra from 1930 to 1936.

In 1936, he was invited to the United States by Dr. Serge Koussevitzky to be guest conductor of the Boston Symphony. In 1937 he went to Minneapolis, Minn., to conduct and remained in the Middle West for 12 years.

In 1949, he accepted co-conductorship of the New York Philharmonic with Leopold Stokowski. In New York, he continued his habit of spurning social functions in favor of the hamburger diner around the corner where he presided over his followers in a black turtleneck sweater.

In 1950, he took over the full conductorship of the New York Philharmonic and launched the orchestra on extensive tours by bus, shocking staid music circles by traveling with the players.

The conductor was renowned for his musical memory, second only to that of Arturo Toscanini. In his head were said to be the complete scores of more than 50 symphonies.

Heart Attack at La Scala

Maestro Mitropoulos, 64, Falls From Podium, Dies

MILAN, Italy, Nov. 2 (AP).—Dimitri Mitropoulos, an austere musical perfectionist who conducted orchestras in the United States for many years, toppled from the podium at La Scala Opera House today and died, apparently a victim of a heart attack.

Mitropoulos, born in Greece 64 years ago, had spent 10-year tenures as conductor of the Minneapolis Symphony and then the New York Philharmonic. Later he conducted at New York's Metropolitan Opera and toured extensively in Europe.

Mitropoulos was rehearsing Gustav Mahler's 3rd Symphony for a concert here Monday. A few minutes before taking up his baton, he had complained of being tired.

"I feel very fatigued," he said. "I am an old automobile that still works, however."

Then he rehearsed the orchestra for about 10 minutes. Suddenly he stopped and put a hand to his heart. Before any of the musicians could rea him, he collapsed and fell fro the podium.

He was rushed to Milan's Polyclinic Hospital but died on the way.

Mitropoulos suffered a heart attack early last year in Germany. He appeared to have recovered. He came here last night an dplunged into rehearsal today.

Born the son of a merchant in Athens, young Dimitri once wanted to enter a monastery. When told he could not have a harmonium in his cell, he decided against that and enrolled in the Athens Conservatory.

He soon established himself as a virtuoso pianist and a gifted composer. It was while studying with Feruccio Busoni in Berlin that he discovered his talents as a conductor. He conducted in Europe's musical capitals until 1936, when he came to America.

He began his tenure at Minneapolis in 1939, then moved to New York and resigned in 1949. He had become an American citizen in 1946.

His musical career was marked by devotion to the classics and operatic music. But he was also a staunch champion of modern music and introduced many new works.

Mitropoulos had a phenomenal memory for music. He conducted and rehearsed without a score. This in part may have been due to the simplicity in which he lived, allowing few diversions to interfere with his music.

A tall, lean, bald man, his deeply lined face gave him the appearance of a monk. He remained deeply religious through his life. He never married. Once when his English was uncertain he described himself as "a lonely wolf."

Conductors and Music

To the N. Y. Herald Tribune:

Indubitably, there are numerous conductors whose concerts are very worth while attending. But some of these conductors go through so many gyrations and antics, facial expressions and other distracting movements that they seem to leave the listener in a state of exhaustion from just watching them for a few hours. They also give the concert-goer a feeling that they are on the podium only for the purpose of exhibiting themselves.

On the other hand, it was an especially enriching experience for me to have attended a concert when Mr. Mitropoulos was on the podium. Because of Mr. Mitropoulos' serene expression and the calmness of his mien, he conveyed the idea to the listener that by abnegation of self he had indeed discovered the very depth of the composer's soul. (Ditto, when Dr. Bruno Walter is on the podium.)

HE LIVED FOR MUSIC

Mitropoulos Conducted Until Death Came

By HAROLD C. SCHONBERG

DIMITRI MITROPOULOS collapsed last Wednesday during a rehearsal at La Scala. He was taking the orchestra through the hurdles of Mahler's Third Symphony. Within the hour, the 64-year-old conductor was dead. And thus he joins the ranks of those musicians — Leonard Warren, Simon Barere and the others — who died literally in harness.

It was almost a miracle that he continued as long as he did. He had suffered a previous heart attack in New York, on Jan. 23, 1959. At that time he spoke to this writer on the telephone, from a hospital bed. It was nothing, it was nothing, he kept on insisting. He said that he would conduct in Bayreuth that summer; and that he would somehow fulfill all of his other engagements.

Nobody believed him. Mr. Mitropoulos was a very sick man. But he did keep his engagements. He f'ogged his sick body to death, coming back to this city to play a prominent part in the Mahler Festival of the New York Philharmonic, and also making appearances at the Metropolitan Opera.

Of him it could be said that he lived and died for music. He was a heavy reader and he had other intellectual pursuits, but music was his only close companion. And he had gifts far beyond the ordinary. He also had his failings. But for sheer musical ability few conductors could begin to approach his genius.

Amazing Memory

His memory was photographic, and it was the despair of all other conductors. Only Toscanini had this kind of mind. Once, at a Philharmonic reception at which George Szell was a guest, Mr. Szell—one of the great musicians himself—admiringly passed his hand over the notably bald pate of the Greek conductor. "You see," he said to some Philharmonic musicians, "his brains have pushed out his hair."

Stories about the Mitropoulos memory are part of the folklore of music. A typical one concerns the occasion he visited a composer's home to discuss a work in progress. He found the complicated, atonal score lying on a table in manuscript. He had never seen the music in his life. While talking to the composer he idly flipped the pages of the manuscript.

"Well!" the composer said some years later, reminiscing about the visit. "We were just chatting about this and that, and Mitropoulos suddenly started talking about my score. I looked to see if he had a copy, and he didn't. The copy was on the table. Mitropoulos asked me if this and that would work. He asked about an instrumental combination two measures before a certain section. He wondered if the brass choirs would balance there. He wondered why I had used a certain harmonic progression instead of a more natural one. Do you know, he had about memorized the score while leafing through it and talking to me at the same time?"

The more complicated the music, the more Mr. Mitropoulos liked it. Twelve-tone music was his specialty. So were the symphonies of Mahler and the larger tone poems of Strauss, such as the "Sinfonia Domestica." He was less successful in early music. His was the type of mind that responded to complexity rather than simplicity.

Markings Too

He would come to rehearsals with a blueprint of the score in his head. Not only had he memorized the music itself, but also all of its cues and letter markings. He could stop the orchestra and tell an errant wind player that at Section J the note was A natural and not A flat. He read scores with the ease of a linguist going over a book on elementary grammar. A formidable pianist, he could illustrate on the keyboard anything in the classic or modern school.

In recent years he had not concentrated on the piano. But who can forget his performances, in 1943, of the Prokofieff Piano Concerto No. 3? It was incisive, propulsive, glittering playing, full of the demonism of the music. Mr. Mitropoulos conducted the orchestra at the same time. It was a stunt that he often repeated, and he told some people not long ago that it frankly *was* a stunt. "I was younger then," he said apologetically.

Gentle Sweetness

He was a gentle, sweet man, and that was one of his troubles. A great man on the American scene once said something about nice guys finishing last. Mr. Mitropoulos did not finish last, far from it, but had he possessed more steel to his nature he would have been an even greater conductor.

A great conductor must be a lion tamer. Mr. Mitropoulos was far too gentle to snarl back at the lions under his baton. As a result, orchestra players had a tendency to take advantage of his good nature. This did not lead to a very strong type of discipline. Players loved him and respected him, but they also often did what they wanted to do rather than what he wanted them to do.

The musicians of the Philharmonic found him a stanch friend. It was he who helped them form the New York Chamber Ensemble, and not many outside the orchestra know the part he played in its operation. He often said that the greatest pleasure he had was to conduct these men—or to appear with them as piano soloist—in programs of chamber music.

To these players he gave precious time. He also gave a good deal of money, a commodity he never regarded as precious. It was through his financial generosity that the New York Chamber Ensemble was able to play all the modern works it featured. And in January of 1959, while gasping for breath in an oxygen tent, he called for his checkbook and wrote out something for the New York Chamber Ensemble. This, he said, would take care of the deficit that he knew was coming.

There really was something innocent and saintlike about him. He considered himself a twentieth-century disciple of St. Francis, and he often would express himself in terms that were almost ecclesiastical.

"Every mountain has its own beauty," he said, "and every man has his own mountain to climb. The composer and conductor are only trying to reach God and help the others to do the same. My ambition has been to become an example to the younger generation."

He will be missed. His forthcoming programs with the Philharmonic were to have included works dear to him: the Mahler Third, the Schoenberg Variations, Berg's Three Pieces for Orchestra and Prokofieff's Third Piano Concerto, among others. New Yorkers never again will have the chance to see his lean figure on the podium, arms convulsing in his curious beat, his entire body trembling to the rhythm of the music.

His Legacy

But he has left a legacy. His ten years with the Philharmonic, and his work with the Metropolitan, were productive of evenings that are historic in the musical life of this city: the concert versions of Berg's "Wozzeck," Schoenberg's "Erwartung," Busoni's "Arlecchino" and Strauss' "Elektra." It was he who had directed the world première, at the Metropolitan, of Barber's "Vanessa," and it was he who was the conductor at so many of the Metropolitan revivals and new productions. The man who so loved avant-garde music loved Puccini and Verdi with equal passion. To him there was no one border to the kingdom of music. And he considered himself one of the humbler subjects in that kingdom.

ΜΙΛΑΝΟΝ, 2. (Γιουνάϊτεντ— Ρώϋτερ — Γαλλ. Πρ.)— Αἱ συνθῆκαι ὑπὸ τὰς ὁποίας ἐτελεύτησε τὴν ζωήν του σήμερον ἐνταῦθα ὁ Δημήτρης Μητρόπουλος, ὑπῆρξαν ἄξιαι καλλιτέχνου τῆς ὁλκῆς τοῦ θανόντος. Ὁ Μητρόπουλος ἀπέθανεν ὄρθιος εἰς σφικτὸν ἐναγκαλισμὸν τῆς Μούσης, τὴν ὁποίαν ἐλάτρευσε καὶ ἐλάμπρυνεν ἐπὶ μακρὰ ἔτη. Ὁ θάνατος τὸν εὗρε καθ' ἣν στιγμὴν ἔσφιγγε τὴν «μπαγκέτα», ἡ ὁποία ἔπεσεν ἐπὶ τοῦ δαπέδου τῆς σκηνῆς ἀπὸ τὰ παραλύσαντα δάκτυλά του.

Πράγματι, εἰς τὴν Σκάλαν τοῦ Μιλάνου ἐπρόκειτο νὰ δοθῇ τὴν προσεχῆ Δευτέραν ἡ Τρίτη Συμφωνία τοῦ Μάλερ καὶ τὴν συναυλίαν θὰ διηύθυνεν ὁ Μητρόπουλος. Διὰ σήμερον τὴν πρωΐαν εἶχεν ὁρισθῆ ἡ δοκιμή. Τὴν 10.15 πρωϊνὴν προσῆλθεν ὁ Μητρόπουλος συνοδευόμενος ἀπὸ τὴν γραμματέα του κ. Τρούντυ Γκόθ. Ἦτο εὐχαρις, ὑγιὴς καὶ τίποτε δὲν ἐπρόδιδε τὸ μετ' ὀλίγον τέλος του. Ἐπροχώρει μὲ τὸ σύνηθες ζωηρὸν βῆμα του, χαιρετῶν γνωστοὺς καὶ φίλους. Ἐβάδιζε βραδέως καὶ ἐδείκνυε διάθεσιν νὰ συνομιλῇ μὲ ὅσους συνήντα.

Εἰς τὸν χῶρον τῆς Σκάλας εὑρίσκεται τὸ καφενεῖον «Μπίφφι Σκάλα», εἰς τὸ ὁποῖον λαμβάνουν τὰ ἀναψυκτικὰ των οἱ καλλιτέχναι. Καθ' ἣν στιγμὴν διήρκετο ὁ Μητρόπουλος τὸν ἀντελήφθη ὁ καθήμενος ἐκεῖ Ἕλλην τενόρος Ντίνος Ἐγκολφόπουλος, ὅστις ἠγέρθη καὶ ἔσπευσε πρὸς συνάντησιν τοῦ μεγάλου μαέστρου. Ὄρθιοι οἱ δύο καλλιτέχναι ἐσταμάτησαν ἐπὶ ἀρκετὰ λεπτὰ συνομιλοῦντες. Ὁ Μητρόπουλος ἐζήτησε πληροφορίας ἀπὸ τὸν συνομιλητήν του σχετικὰς μὲ τὴν καλλιτεχνικὴν του δραστηριότητα καὶ ἐν συνεχείᾳ ἀντήλλαξαν τὰς τυπικὰς φράσεις περὶ ὑγείας. Ὁ Ἐγκολφόπουλος, γνωρίζων τὴν πάθησιν τοῦ Μητροπούλου, τοῦ ἐξέφρασε τὴν ἱκανοποίησίν του διότι τὸν εὗρισκε καλά. Καὶ ὁ Μητρόπουλος τοῦ ἀπήντησε:

— Δόξα τῷ Θεῷ, αἰσθάνομαι πολὺ καλά.

Ἀκολούθως ὁ Μητρόπουλος ἐπροχώρησεν εἰς τὸ ἐσωτερικὸν τῆς Σκάλας καὶ ἤρχισε τὴν δοκιμήν, ἡ ὁποία ἐπροχώρει κανονικῶς καὶ χωρὶς τίποτε νὰ προδίδῃ τὰς θλιβερὰς ἐξελίξεις.

Εἶχον παρέλθη περίπου εἴκοσι λεπτὰ ἀπὸ τῆς ἐνάρξεως τῆς «πρόβας», ὅτε οἱ μουσικοὶ καὶ ἄλλοι παριστάμενοι εἶδον τὴν «μπαγκέττα» νὰ ἐκφεύγῃ ἀπὸ τὰς χεῖρας τοῦ καλλιτέχνου καὶ νὰ πίπτῃ ἐπὶ τοῦ δαπέδου. Ὁ Μητρόπουλος εἶχεν ὠχριάσῃ, ἀλλὰ τὸ χέρι του ἐκρατήθη ἀκόμη ἐπί τινα δευτερόλεπτα εἰς τὴν θέσιν ποὺ εὑρίσκετο μὲ τὴν «μπαγκέττα» προτοῦ καταπέσῃ. Οἱ παριστάμενοι ἔσπευσαν νὰ τοῦ προσφέρουν κάθισμα, εἰς τὸ ὁποῖον ἐκάθησε καὶ κατώρθωσε νὰ φέρῃ καὶ πάλιν τὰς δύο χεῖρας εἰς τὴν κεφαλήν του— αἰσθανόμενος προφανῶς ζάλην καὶ πιθανῶς πόνον ἀπὸ τὴν ἐγκεφαλικὴν αἱμορραγίαν, ἡ ὁποία τὸν εἶχε προσβάλῃ ἤδη. Ἔσπευσαν νὰ τοῦ φέρουν νερό, ἐνῶ ἄλλοι τὸν ἠρώτων τί αἰσθάνεται. Δὲν ἠδυνήθη ὅμως νὰ προφέρῃ οὔτε λέξιν καὶ ἀντὶ ἄλλης ἀπαντήσεως— προτοῦ κἂν φθάσῃ τὸ νερο— ὁ Μητρόπουλος ἐξέφυγε τοῦ καθίσματός του καὶ ἔπεσε κατὰ γῆς.

Ἐν τῷ μεταξὺ εἶχεν εἰδοποιηθῇ ὁ ἰατρὸς τῆς Σκάλας, ὁ ὁποῖος ἔφθασε καὶ ἤρχισε νὰ κάμνῃ ἐντόνους μαλάξεις εἰς τὴν καρδίαν τοῦ ἀσθενοῦς, ἐνῶ μετεκαλεῖτο ἐπειγόντως φορεῖον διὰ νὰ τὸν μεταφέρῃ εἰς νοσηλευτικὸν ἵδρυμα.

Ὁ Δημήτρης Μητρόπουλος ἐξέπνευσε καθ' ὁδόν, ἐνῶ μετεφέρετο ἐν πάσῃ σπουδῇ εἰς τὸ νοσοκομεῖον, ὅπου οἱ ἰατροὶ μόνον τὸν θάνατόν του ἠδυνήθησαν νὰ διαπιστώσουν.

ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Ὁ ἀσύγκριτος μάγος τῶν ἤχων στὸ βασίλειο τῆς μουσικῆς

ΤΟΥ κ. Δ. Α. ΧΑΜΟΥΔΟΠΟΥΛΟΥ

Λαμπερὴ καὶ θερμὴ ἡ φλόγα, καθὼς ἀνάσταινε ἀπ' τὸ ψυχρὸ μουσικὸ πεντάγραμμο τοὺς ἤχους καὶ τὰ μουσικὰ χρώματα, ἔσβησε ἄξαφνα, παίρνοντας μαζύ της καὶ ἤχους καὶ χρώματα καὶ ἀφίνοντας στὴ θέση τῆς ζωντανῆς δράσης τὸ κενὸ τῆς σιωπῆς καὶ τοῦ φοβεροῦ μυστηρίου.

Ἀπ' τὴν ἑλληνικὴ γῆ ξεπήδησε ἡ φλόγα αὐτὴ· διέγραψε μίαν ὑπέροχη τροχιά, φωτίζοντας τὸ διεθνὲς μουσικὸ στερέωμα, καὶ χάθηκε ἀπότομα, δίχως νὰ μειωθῇ ἡ δύναμη καὶ ἡ ἔντασή της, στὰ σκότη τοῦ ἀγνώστου.

Σκότη, γιατί ὁ θνητὸς δὲ θὰ μπορέσῃ ποτὲ νὰ σηκώσῃ τὸν πέπλο, ποὺ τοῦ κρύβει τὸν ἄλλο κόσμο.

Σκότη πρὸς τὴν κατεύθυνση, πρὸς τὴν ὁποία τράβηξε καὶ χάθηκε ἡ φλόγα, ἀλλὰ καὶ σκότη πρὸς τὴν πηγὴ καὶ τοὺς τόπους, ἀπ' τοὺς ὁποίους μᾶς ἦλθε.

Ποιὰ δύναμη, γιὰ νὰ μεταβάλῃ ἄξαφνα τὸ νῶρο τῆς ἐνέργειας καὶ τῆς δημιουργίας σὲ χῶρο τῆς σιωπῆς;

Καὶ ποιὰ δύναμη, γιὰ νὰ δώσῃ σ' ἕναν θνητὸ τόσην ἐξουσία στοὺς ἤχους καὶ στὴν ἀποκάλυψη μιᾶς θεϊκῆς γλώσσας;

Ἂν στὰ ἐρωτήματα αὐτὰ δὲ βρίσκεται ἀπάντηση, ὅμως τὸ φῶς, ποὺ χάισε στὴ μουσικὴ τέχνη ὁ χθεσινὸς μεγάλος νεκρὸς — ὁ Δημήτρης Μητρόπουλος, εἶναι μιὰ πραγματικότητα, εἶναι κάτι, ποὺ μπόρεσε νὰ τὸ συλλάβῃ ὁ ἀνθρώπινος νοῦς καὶ ἡ ἀνθρώπινη διαίσθηση.

Χρόνια τώρα ὁ Δημήτρης Μητρόπουλος ἦταν γιὰ τὸν κόσμον ὅλον ὁ μεγάλος ἀρχιμουσικὸς ὁ μεγάλος τῆς Τέχνης

Ἡ φλόγα αὐτή, ποὺ ἔσβησε ἀπότομα χτές, ζέστανε τὶς καρδιὲς καὶ κατώρθωνε κατὰ τὴ στιγμὴ τῆς μουσικῆς ἀναδημιουργίας νὰ ἑνώνῃ τοὺς ἀνθρώπους, χωρὶς διάκριση ἐθνότητας ἢ φυλῆς· κάτω ἀπ' λαμπερὴ καὶ ζωογόνα ἀκτινοβολία της.

Ἀντηχοῦν ἀκόμα στ' αὐτιά μας οἱ μαγικὲς ἑρμηνεῖες του, μαγικὲς γιατὶ ἦταν τὰ γεννήματα μιᾶς ἀπόλυτα προσωπικῆς τέχνης, μιᾶς αὐστηρὰ ὑποκειμενικῆς δύναμης, φλογερῆς σὲ ἔκταση καὶ ὕψος.

Ἀντηχοῦν ἰδιαίτερα τὰ ὅσα ἔδωσε ὅταν, ὕστερα ἀπὸ χρόνων ἀπουσία ἐπισκέφθηκε τὸ 1955 καὶ τὸ 1958 τὸν τόπο του, ἐπὶ κεφαλῆς τῆς Φιλαρμονικῆς Ὀρχήστρας Νέας Ὑόρκης τὴν πρώτη φορά, τῆς Φιλαρμονικῆς τῆς Βιέννης, τὴ δεύτερη.

Ὁ Μητρόπουλος ἦταν κάτι τὸ ἐντελῶς «ξεγωριστὸ» μέσα στὸ βασίλειο τῆς μουσικῆς.

Ἡ τέχνη του ὡς ἀρχιμουσικοῦ - ἑρμηνευτῆ οὔτε τὸ ἐλάχιστο ἔκρυβε ἴχνος «ἀντιγραφῆς»· καὶ δὲν ἦταν (οὔτε καὶ εἶναι) πρόσφορη σὲ «μιμήσεις».

Στέκει μόνη της στὸ μουσικὸ στερέωμα.

Ἡ πέννα μου χαράζει μὲ συγκίνηση τὶς γραμμὲς αὐτὲς — συγκίνηση γιατί ὁ γράφων εἶχε τὴν εὐτυχία συνάμα νὰ συνεργασθῇ, ὡς βιολιστὴς τῆς Συμφωνικῆς Ὀρχήστρας, ἐπὶ ἀρκετὰ χρόνια μὲ τὸν μεγάλον αὐτὸν ἀρχιμουσικὸ καὶ τὴν τιμὴ νὰ παίξῃ δημοσίᾳ μαζύ του μουσικὴ γιὰ βιολὶ καὶ πιάνο.

Ἡ τέχνη του καὶ ἂν δὲν δημιουργῇ σχολή, ὅμως εἶναι ἕνα ὁλόφωτο σημεῖο, μιὰ ἑρμηνευτικὴ γλῶσσα, ποὺ πάντα πρέπει κανεὶς νὰ τὴ μελετᾷ, νὰ τὴν προσέχῃ, νὰ τὴν ἀκούῃ. Δὲ θὰ λησμονήσω ὅταν, ἕνα βράδυ, ἀνοίγοντας τυχαῖα τὸ ραδιόφωνό μου, πέτυχα τὴν ὄπερα (μουσικὴ κωμῳδία) τοῦ Ραβέλ «Ἡ ἱσπανικὴ ὥρα», μὲ μουσικὸ διευθυντὴ τὸν Μητρόπουλο.

Τί ἐκτέλεση ἦταν αὐτή; Τί λαφράδα, τί πλοῦτος χρώματος, τὶ εὐκίνητος, ζωντανὸς ρυθμός ἦταν αὐτός;

Καὶ σκέφτηκα : ἄραγε ὑπάρχει ἄλλος ποὺ νὰ μπορῇ νὰ ἑρμηνεύῃ ἔτσι μιὰ τέτοια μουσική; Ἦταν πραγματικὰ μεγάλος ὁ Μητρόπουλος ἰδίως προκειμένου γιὰ μουσικὴ ἀπὸ τὶς τελευταῖες δεκαετίας τοῦ περασμένου αἰῶνα καὶ ἐδῶ.

Οἱ δυὸ μεγάλες πηγὲς τοῦ ὁρμητικοῦ αὐτοῦ χειμάρρου — τὸ ἔνστικτο καὶ τὸ συναίσθημα—καὶ τὰ δυὸ βασικὰ «στο χεῖρε» τῆς τέχνης του, ὡς ἀρχιμουσικοῦ — ὁ ἑρμηνευτὴς καὶ ἐκτελεστὴς τὴν ἴδια ὥρα — ἀποτελοῦσαν σὲ συνδυασμὸ μὲ τὸ βαθειὰ προσωπικὸ του ὕφος, τὸ μυστικὸ τῆς τέχνης του, τὴ «μαγεία» τῆς καλλιτεχνικῆς προσφορᾶς του.

Ὁ Μητρόπουλος ἦταν. ἂς μοῦ ἐπιτραπῇ ἡ ἔκφραση, ὁ ἑρμηνευτὴς τῆς «μπαγκέττας».

Ἡ «μπαγκέττα» αὐτὴ σπανίως σχημάτιζε τοὺς ἀριθμοὺς τοῦ μουσικοῦ μέτρου.

Ἦταν, μαζὺ μὲ τὰ χέρια, τὰ δάχτυλα τοὺς βραχίονες τὸ κεφάλι, τὸ σῶμα ὁλόκληρο, τὴ μάσκα, ἕνα «μουσικὸ ὄργανο», ἡ συνισταμένη τῆς ὅλης μουσικῆς προσφορᾶς του.

Καὶ ποιητεύτο, ἔλεγες, ὁ ὀπτικὸς παράγοντας γιὰ ν' ἀκολουθήσῃ, σὰν ἄμεση καὶ φυσικὴ συνέπεια, ὁ ἀκουστικός.

Μιὰ τέχνη μὲ ἄφθονο τὸ ρομαντικὸ στοιχεῖο. μέσα ὅμως στὰ πλαίσια τῶν σύγχρονων αἰσθητικῶν ρευμάτων.

Μιὰ τέχνη ποὺ καὶ στὸ ρεαλιστικό της μέρος εἶχε κάτι ἀπ' τὸ ἀσύλληπτο καὶ τὴ διαφάνεια τοῦ ἤχου.

Μιὰ τέχνη, ποὺ ἠλέκτριζε τὰ πλήθη.

Τέχνη, θὰ μποροῦσε ἴσως νὰ πῇ κανείς, τῶν μαζῶν, ποὺ περιέκλειε, ὡστόσο, ἄπειρα τὰ θαυμάσια σὲ ἐκφραστικὴ λεπτότητα.

Μὲ τὸ θάνατο τοῦ Δημήτρη Μητρόπουλου ἡ Ἑλλάδα ἔχασε ἕνα μεγάλο τέκνο της. Ἕναν πρεσβευτή της πού, καὶ ὅν ἦταν μακρυὰ ἀπ' τὸν τόπο του, θύμιζε πάντα καὶ συνέβαζε τὸ ὄνομα τῆς πατρίδας του μὲ τὸ ὡραῖο καὶ τὸ ἀληθινό, καὶ ἡ διεθνὴς μουσικὴ μιὰν ἀπ' τὶς ἰσχυρότερες καὶ πιὸ ἐνδιαφέρουσες φυσιογνωμίες στὸν τομέα. ἰδιαίτερα, τῆς τέχνης τοῦ ἀρχιμουσικοῦ.

Τέτοιοι καλλιτέχνες δείχνουν πιὸ τὸ ἀληθινὸ νόημα τῆς μουσικῆς καὶ πιὰ ἡ θέση της στὴν πνευματικὴ δραστηριότητα καὶ τὴ ζωὴ τῶν ἀνθρώπων.

Γι' αὐτὸ τὸ ὄνομά τους καὶ ἡ προσφορά τους δὲν σβήνουν ποτέ.

ΣΥΝΕΧΕΙΑ ΕΚ ΤΗΣ 1ης ΣΕΛΙΔΟΣ

Μητρόπουλος ἐκ τῆς Σκάλας, νεκρὸς πλέον καθ' ὁ ἐκπνεύσας καθ' ὁδόν, ἐπολιορκήθη ἀμέσως ἀπὸ πλῆθη κόσμου, καλλιτεχνικοῦ καὶ ἁπλοῦ, ὅστις ἔσπευδε νὰ βεβαιωθῇ δι' ἐκεῖνο τὸ ὁποῖον ἐθεώρει ὡς ἀπίστευτον.

Εἰς τὴν Σκάλαν ἐπεκράτησε θλῖψις καὶ ἀνέκφραστος συγκίνησις. Ἡ Διεύθυνσις κατ' ἀρχὰς ἀνεκοίνωσεν ὅτι θὰ ἀργήσῃ ἀπόψε εἰς ἔνδειξιν πένθους διὰ τὸν θάνατον τοῦ μεγάλου καλλιτέχνου. Ὀλίγον βραδύτερον ὅμως, ἐπεκράτησαν ἄλλαι σκέψεις καὶ ἀνεκοινώθη ὅτι θὰ δοθῇ ἀπόψε συναυλία εἰς μνήμην τοῦ Μητροπούλου μὲ τὴν «Ἡρωϊκὴν» συμφωνίαν τοῦ Μπετόβεν, ὑπὸ τὴν διεύθυνσιν τοῦ Οὔγγρου μαέστρου Φέρεκ Φρίσκαϋ.

Εἶναι ἀδύνατον νὰ περιγραφῇ ἡ ἀτμόσφαιρα ἡ ὁποία ἐπεκράτησεν ἀπόψε εἰς τὴν Σκάλαν ὅταν ἐδίδετο ἡ συναυλία αὐτή. Ἦτο ἀτμόσφαιρα πέραν τῆς θλίψεως τοῦ θανάτου καὶ τῶν φροντίδων τῆς ζωῆς, μία ὁμαδικὴ ἔξαρσις καὶ τιμὴ πρὸς ὅ,τι ἐξεπροσώπησεν εἰς τὸν κόσμον αὐτὸν ὁ μεγάλος καλλιτέχνης. Ἦτο συγχρόνως ἀποχαιρετισμὸς πρὸς αὐτὸν καὶ λατρεία πρὸς τὰς ἀνωτέρας βαθμίδας τελειότητος τοῦ ἀνθρωπίνου πνεύματος. Ὁ Οὔγγρος μαέστρος διηύθυνεν εὐθυτενὴς τὴν ὀρχήστραν του ἐνῶ τὸ πυκνὸν ἀκροατήριον παρηκολούθει σύγνουν.

Συγχρόνως μὲ τὴν συναυλίαν ἤρχισαν νὰ γίνωνται προετοιμασίαι διὰ τὸν ἐνταφιασμὸν ἐνταῦθα τοῦ Μητροπούλου καὶ ὡρίσθη πρὸς τοῦτο τὸ νεκροταφεῖον Μουσομεντάλε τοῦ Μιλάνου. Ἐν τῷ μεταξύ, ὅμως, ἐλήφθησαν τηλεγραφήματα ἐξ Ἀθηνῶν μεταδίδοντα τὴν ἀπόφασιν τῆς ἑλληνικῆς κυβερνήσεως ὅπως ἡ κηδεία γίνῃ εἰς τὴν Ἑλλάδα.

ΒΑΘΕΙΑ ΣΥΓΚΙΝΗΣΙΣ ΕΙΣ ΤΑΣ ΑΘΗΝΑΣ

Ἡ εἴδησις τοῦ θανάτου τοῦ Δημήτρη Μητροπούλου γνωσθεῖσα εἰς τὰς Ἀθήνας διὰ τοῦ Ραδιοφωνικοῦ Σταθμοῦ Ἀθηνῶν καὶ ἐκτάκτων ἐκδόσεων ἐφημερίδων προεκάλεσε βαθεῖαν συγκίνησιν εἰς τὸν λαόν.

Ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος ἔδωσεν ἐντολὴν εἰς τὸ Γενικὸν Ἐπιτελεῖον Ἀεροπορίας νὰ στείλῃ ἀεροσκάφος τῆς ΕΒΑ εἰς τὸ Μιλάνον διὰ τὴν μεταφορὰν τῆς σοροῦ τοῦ μεγάλου ἀρχιμουσικοῦ εἰς Ἀθήνας.

Ταυτοχρόνως ὁ ὑπουργὸς τῆς Προεδρίας κ. Τσάτσος ἐπεκοινώνησε τηλεφωνικῶς μὲ τὸν Ἕλληνα πρόξενον εἰς τὸ Μιλάνον, πρὸς τὸν ὁποῖον ἔδωσεν ἐντολὴν ὅπως ὁ νεκρὸς τοῦ Μητροπούλου ταριχευθῇ προκειμένου μετὰ τὴν μεταφοράν του εἰς Ἀθήνας νὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν ναὸν τῆς Μητροπόλεως. Ἡ κηδεία θὰ γίνῃ δημοσία δαπάνῃ εἰς ἡμέραν καὶ ὥραν ὁρισθησομένην.

ΔΗΛΩΣΕΙΣ ΤΟΥ κ. ΒΟΓΙΑΤΖΗ

Ὁ ὑπουργὸς τῆς Παιδείας κ. Γ. Βογιατζῆς, πληροφορηθεὶς τὸν θάνατον τοῦ Δημ. Μητροπούλου, ἐδήλωσε τὰ ἑξῆς:

«Ὁ ἀδόκητος θάνατος τοῦ μεγάλου Ἕλληνος μουσουργοῦ Δημήτρη Μητροπούλου ἀποτελεῖ πλῆγμα διὰ τὸν καλλιτεχνικὸν κόσμον καὶ ἐθνικὴν ἀπώλειαν μεγίστην. Ἡ ἑλληνικὴ κυβέρνησις, τιμώσα τὸ ἔργον τοῦ ἀνδρός, ἀπεφάσισε νὰ μεταφερθῇ ἡ σορὸς του εἰς Ἀθήνας καὶ νὰ ἀποδοθοῦν αἱ δέουσαι τιμαί, ἐκτὸς ἐὰν ἄλλως παρὰ τοῦ ἀποθανόντος ἔχῃ ὁρισθῇ διὰ διαθήκης».

ΤΟ ΩΔΕΙΟΝ ΑΘΗΝΩΝ

Τὸ Ὠδεῖον Ἀθηνῶν εὐθὺς ὡς ἐγνώσθη ὁ θάνατος τοῦ Μητροπούλου διέκοψε τὰ μαθήματα εἰς ὅλας τὰς τάξεις. Ἐπίσης συνεκλήθη ἐκτάκτως διὰ σήμερον τὸ Διοικητικὸν Συμβούλιον τοῦ Ἱδρύματος διὰ νὰ ἀποφασίσῃ περὶ τῆς συμμετοχῆς του εἰς τὸ ἐθνικὸν πένθος.

Η ΚΡΑΤΙΚΗ ΟΡΧΗΣΤΡΑ

Ἡ «Κρατικὴ Ὀρχήστρα Ἀθηνῶν» ἐξέδωσε τὸ κάτωθι ψήφισμα ἐπὶ τῷ θλιβερῷ ἀγγέλματι τοῦ θανάτου τοῦ Δημήτρη Μητροπούλου:

«Ἡ Κρατικὴ Ὀρχήστρα Ἀθηνῶν αἰσθάνεται τὴν ἀνάγκην νὰ ἐκφράσῃ δημοσίᾳ τὴν μεγάλην θλῖψιν τῶν μελῶν τοῦ καλλιτεχνικοῦ καὶ διοικητικοῦ προσωπικοῦ αὐτῆς διὰ τὸν πρόωρον θάνατον τοῦ διατελέσαντος εἰς τὰ παρελθὸν μεγάλου συνεργάτου της, τοῦ ὁποίου ἡ λαμπρὰ σταδιοδρομία εἰς τὸ διεθνὲς μουσικὸν προσκήνιον περιποιεῖ τιμὴν καὶ δόξαν εἰς ὁλόκληρον τὴν χώραν. Τὸ κενὸν τοῦ ἀδοκήτου θανάτου τοῦ μεγάλου αὐτοῦ Ἕλληνος Ἀρχιμουσικοῦ εἶναι δυσαναπλήρωτον καὶ ἡ παροῦσα ἔκφρασις ὀδύνης τῶν παλαιῶν συνεργατῶν καὶ φίλων του ὅς προστεθῇ εἰς τὰς ἑκατοντάδας παρομοίων

Ὁ ἐκλιπών διάσημος ἀρχιμουσικός Δημήτρης Μητρόπουλος

ΑΠΕΘΑΝΕΝ ΟΡΘΙΟΣ ΕΠΑΝΩ ΕΙΣ ΤΟ ΠΟΝΤΙΟΥΜ

ΜΙΛΑΝΟΝ, 2 Νοεμβρίου. Ἰδιαιτέρα Ὑπηρεσία.—Ὁ Δημήτρης Μητρόπουλος, ὁ κορυφαῖος Ἕλλην διευθυντής ὀρχήστρας, ἀπέθανεν αἰφνιδίως σήμερον τήν πρωΐαν συνεπείᾳ ἐγκεφαλικῆς αἱμορραγίας τήν ὁποίαν ὑπέστη ἐνῶ διηύθυνεν εἰς τό θέατρον τῆς «Σκάλας» δοκιμήν τῆς 3ης Συμφωνίας τοῦ Γκούσταβ Μάλερ. Ὁ θάνατος τοῦ διασήμου ἀρχιμουσικοῦ ἐπῆλθε καθ' ὁδόν καί ἐνῶ μετεφέρετο εἰς τήν ἐνταῦθα Πολυκλινικήν.

Ὁ διάσημος ἀρχιμουσικός ἔφθασεν εἰς τό περίφημον λυρικόν θέατρον τήν 10.15 πρωϊνήν, συνοδευόμενος ὑπό τῆς γραμματέως του κ. Τρούντυ Γκόθ. Εἰς τήν εἴσοδον καί πρό τοῦ καφενείου «Μπίφφι Σκάλα» συνήντησε τόν Ἕλληνα βαρύτονον κ. Ντίνον Ἐγκολφόπουλον, μετά τοῦ ὁποίου συνεζήτησεν ἐπ' ὀλίγον, δηλώσας εἰς σχετικήν ἐρώτησιν τοῦ τε λευταίου ὅτι αἰσθάνεται πολύ καλά εἰς τήν ὑγείαν του. Παρ' ὅλα ταῦτα, ὅταν ὁ Μητρόπουλος εἰσῆλθεν εἰς τό θέατρον παρεπονέθη διά τήν κόπωσιν ἡ ὁποία τόν κατεῖχε. «Αἰσθάνομαι, εἶχεν εἴπει χαρακτηριστικῶς, σάν πολύ παλαιό αὐτοκίνητον πού ἐξακολουθεῖ νά ἐργάζεται ἀκόμη...». Δέκα περίπου λεπτά ἀπό τήν στιγμήν τῆς ἐνάρξεως τῆς δοκιμῆς, ἡ μπαγκέττα ἔπεσεν ἀπό τό χέρι του, ἐνῶ ὁ ἴδιος, ἀφοῦ ἐκλονίσθη ὀλίγον, ἐσωριάσθη ἐπί τοῦ ἀναλογίου ἀναίσθητος. Ὁ ἰατρός τοῦ θεάτρου ὁ ὁποῖος ἔσπευσεν ἐπί τόπου, διέταξε τήν ἄμεσον μεταφοράν του εἰς νοσοκομεῖον. Ἀλλά ἐνῶ τό αὐτοκίνητον πού ἐκλήθη διά νά τόν παραλάβη κατηυθύνετο μέ μεγάλην ταχύτητα εἰς τήν ἐνταῦθα Πολυκλινικήν, ὁ μεγάλος μαέστρος ἐξέπνευσε.

Ο ΜΟΥΣΙΚΟΣ ΚΟΣΜΟΣ ΠΕΝΘΕΙ ΤΗΝ ΑΠΩΛΕΙΑΝ

Τό Ὠδεῖον Ἀθηνῶν, ἀμέσως ὡς ἔγινε γνωστός ὁ θάνατος τοῦ Μητροπούλου, διέκοψε τά μαθήματά του εἰς ἐκδήλωσιν πένθους καί τιμῆς πρός τήν μνήμην τοῦ ἐξόχου πνευματικοῦ τέκνου του. Τό διοικητικόν συμβούλιον τοῦ Ὠδείου θά συνέλθη σήμερον προκειμένου νά ἀποφασίση περί τῆς συμμετοχῆς του εἰς τό ἐθνικόν πένθος. Ἐν τῷ μεταξύ ἐξέδωκε τήν ἀκόλουθον ἀνακοίνωσιν: «Ὁ Δημήτρης Μητρόπουλος ἔπαυσε ἀπό χθές νά ζῇ. Μία κολοσσιαία μουσική φυσιογνωμία τοῦ αἰῶνος μας, μία ἀπό τίς μονοδικές περιπτώσεις τοῦ ἀνθρώπινου πνεύματος στόν τομέα τῆς Τέχνης, ἔφυγε τή στιγμή πού προετοίμαζε μία νέα μεγάλη του καλλιτεχνική προσφορά».

Η ΟΡΧΗΣΤΡΑ

Ἐξ ἄλλου, ἐκ τῆς Κρατικῆς Ὀρχήστρας ἀνεκοινώθησαν τά ἑξῆς:

«Ἡ Κρατική Ὀρχήστρα Ἀθηνῶν αἰσθάνεται τήν μεγάλην ἀνάγκην νά ἐκφράση δημοσίᾳ τήν μεγάλην θλῖψιν τῶν μελῶν τοῦ καλλιτεχνικοῦ καί διοικητικοῦ προσωπικοῦ αὐτῆς διά τόν πρόωρον θάνατον τοῦ διατελέσαντος εἰς τό παρελθόν μεγάλου συνεργάτου της, τοῦ ὁποίου ἡ λαμπρά σταδιοδρομία εἰς τό διεθνές μουσικόν προσκήνιον περιποιεῖ τιμήν καί δόξαν εἰς ὁλόκληρον τήν χώραν. Ο κ. ΚΑΛΟΜΟΙΡΗΣ

Ὁ μουσουργός κ. Μανώλης Καλομοίρης ἐδήλωσεν εἰς συντάκτην μας τά ἑξῆς: «Μέ συντριδήν ἔμαθα τήν βαρυτάτην ἀπώλειαν τοῦ μουσικοῦ κόσμου καί Ἰδιαίτερα τῆς Ἑλλάδος μέ τόν θάνατον τοῦ Δημήτρη Μητροπούλου».

Τέλος, ὁ καθηγητής τοῦ Ὠδείου καί συνθέτης κ. Γεώργιος Σκλάβος προέβη εἰς τήν ἀκόλουθον δήλωσιν: «Ἡ θλῖψις μου εἶναι ἀπερίγραπτος διά τόν θάνατον τοῦ Μητροπούλου. Ἦταν μία διεθνής φυσιογνωμία, πού ἀπό τά μαθητικά του χρόνια εἶχε δείξει τήν ἰδιοφυΐαν του. Ἂς μή ξεχνᾶμε ὅτι εἰς ἡλικίαν 24 ἐτῶν ἀνέβασε εἰς τό Δημοτικόν Θέατρον τό μελόδραμά του «Βεατρίκη». Ἀργότερα ἐθυσίασε τόν δημιουργόν εἰς τόν ἑρμηνευτήν τῶν μεγάλων ἔργων».

ΕΣΤΙΑΣ

ΜΙΑ ΜΟΥΣΙΚΗ ΔΟΞΑ

Ο ΜΗΤΡΟΠΟΥΛΟΣ

Ὁ θάνατος τοῦ Δημητρίου Μητροπούλου, εἰς ἡλικίαν 65 μόλις ἐτῶν, στερεῖ τήν Ἑλλάδα μιᾶς μεγάλης μουσικῆς φυσιογνωμίας μέ παγκόσμιον πραγματικῶς φήμην.

Γέννημα καί θρέμμα τοῦ Ὠδείου Ἀθηνῶν, ὁ Μητρόπουλος ἦτο ἀπό τούς καλλιτέρους μαθητάς τοῦ Βάσσενχοβεν εἰς τό πιάνο καί τοῦ Μαρσίκ εἰς τήν ἁρμονίαν καί τήν σύνθεσιν, μετεῖχε δέ καί τῆς ὀρχήστρας τοῦ Ὠδείου, ὡς βιρτουόζος τῶν.., κρουστῶν ὀργάνων. Ὅταν ἀπεφοίτησε, τῷ 1918, μέ τό Χρυσοῦν Μετάλλιον καί μίαν ὑποτροφίαν, ποῦ τοῦ εἶχεν ἐξασφαλίσει ὁ ἀείμνηστος Νάζος διά τάς Βρυξέλλας, ὁ ζωηρός νέος μέ τά πυκνά ὁλόξανθα μαλλιά, ἐθεωρεῖτο ὡς τό μεγαλείτερον τάλαντον τοῦ Ὠδείου καί εἶχεν ἤδη ἀνεβάσει καί τήν πρώτην του ὄπεραν «Βεατρίκη»· ἀλλά, πάντως, ἐξεκίνησε διά τάς Βρυξέλλας μέ τόν σκοπόν νά τελειοποιηθῇ πρῶτα εἰς τό ἁρμόνιον καί τό πιάνο. Ἀμέσως κατόπιν, ὅμως, ἐπροχώρησεν εἰς τό Βερολίνον· καί ἐκεῖ, ἐνῷ ἐφοίτα εἰς τήν τάξιν τοῦ Μπουζόνι καί ἐκέρδιζε καί ἕνα μικρόν μισθόν, ὡς βοηθός ἀρχιμουσικοῦ εἰς τήν Ὄπεραν, ἀπεφάσισε νά στραφῇ ὁριστικῶς πρός τήν διεύθυνσιν τῆς ὀρχήστρας.

Ἔτσι, ἐπέστρεψε τῷ 1926 εἰς τάς Ἀθήνας καί, μέ τήν ἐπάνοδον τοῦ Γεωργίου Νάζου εἰς τό Ὠδεῖον, ἐπανῆλθε καί αὐτός εἰς τό «παληό μας σπίτι», ὅπως τό ἔλεγε, ν' ἀναλάβῃ ὁριστικῶς τήν διεύθυνσιν τῆς Ὀρχήστρας. Καί ἀπό τότε ἤρχισε νά δημιουργῇ τήν παγκόσμιον φήμην του. Διότι, καθώς μοῦ ἔλεγε, πρό ὀλίγων μηνῶν ἀκόμη, ὁ διάσημος Μπάκχαους:

— Εἶχα ἔλθει, πρό τριάντα καί πλέον ἐτῶν νά παίξω στάς Ἀθήνας καί συνήντησα, στήν Ὀρχήστραν, ἀγνωστον ἀκόμη τότε, τόν Μητρόπουλον· ἀλλ' εἶπα ἀμέσως στήν γυναῖκα μου: Νά ἰδῇς, ὅτι αὐτός ὁ νέος θά γίνῃ πολύ σπουδαῖος !...

Πράγματι δέ, δέν ἐπέρασαν δύο ἔτη καί ἤρχιζαν αἱ μετακλήσεις τοῦ Ἕλληνος ἀρχιμουσικοῦ εἰς ὅλην τήν Εὐρώπην καί, ἀργότερα, εἰς τήν Ἀμερικήν, ὅπου καί προσελήφθη ἀπό τοῦ 1937, ὡς τακτικός διευθυντής τῆς Ὀρχήστρας τῆς Μιννεαπόλεως, διά νά διαδεχθῇ, ἀπό τοῦ 1949, τόν Μπρούνο Βάλτερ καί τόν Στοκόφσκυ ἰς τήν Φιλαρμονικήν καί εἰς τό «Μετροπόλιταν» τῆς Ν. Ὑόρκης.

*

Ὡς ἄνθρωπος, ὁ Μητρόπουλος εἶχε διατηρήσει, παρ' ὅλην τήν παγκόσμιον ἐπιτυχίαν του, τήν παλαιάν παιδικήν ἀφέλειαν καί τήν εὔθυμον διάθεσίν του.. Πρό δύο ἀκόμη ἐτῶν ἔτυχε νά συναντήσω εἰς ἕνα ἀεροπορικόν ταξίδι — ἔπειτα ἀπό 20 ὁλόκληρα χρόνια — ἕνα παλαιόν σύμβουλον τοῦ Ὠδείου καί διοικητικόν συνεργάτην του εἰς τήν Ὀρχήστραν. Καί τοῦ ἔλεγε:

— Θυμάστε, ποῦ δέν μοῦ ἐπετρέπατε παρά μόνον ἕνα μοντέρνο ἔργον — τό πολύ 20-25 λεπτά σέ κάθε πρόγραμμα. Δέν εἴχατε ἄδικο !... Ἐγώ τήν ἔπαθα, φοβοῦμαι, στήν Ν. Ὑόρκη μέ τά πολλά μοντέρνα ἔργα. Ἀρέσουν στούς κριτικούς καί δέν ἀρέσουν στόν κόσμο, ποῦ πληρώνει...

Τό γεγονός, ὅτι εἶχαν πλέον ἀρχίσει νά τόν παίρνουν τά χρόνια τόν ἔκανε κάπως μελαγχολικόν, ἀλλά, βεβαίως, δέν ἐννοοῦσε νά ἀφήσῃ τήν μπαγκέτταν, οὔτε χάριν τῆς ὑγείας του. Ἔλεγε, μεταξύ τῶν ἄλλων, πόσον αὐστηρά εἶναι ἡ φορολογία εἰς τήν Ἀμερικήν καί πῶς, ἐκ τοῦ πέραν τῶν 75.000 δολλαρίων ἐτησίου εἰσοδήματός του, δέν τοῦ ἀφίνει ἀπολύτως τίποτε ὁ φόρος:

— Πολύ καλά!...», τοῦ εἶπεν ὁ συνομιλητής του. «Γιατί δέν ἀρκεῖσαι τότε στά κοντσέρτα τῶν 75.000, γιά νά ξεκουράζεσαι καί περισσότερο;...

— Μά, ἐσεῖς ποῦ μέ ξέρετε τά λέτε αὐτά;...», ἀπήντησε μειδιῶν. «Ἐγώ εἶμαι καλλιτέχνης. Ἂν δέν διευθύνω, στάς συναυλίας ποῦ μ' ἐνδιαφέρουν, μπορῶ νά ζήσω;... Θά διευθύνω, λοιπόν, μέχρι τέλους — κι' ἂς τά παίρνῃ ὁ φορατζῆς!...

Αὐτό δέ καί ἔγινε! Διηύθυνε μέχρι τέλους!... Καί ὁ θάνατός του, ἐπάνω εἰς τό ἀναλόγιον τῆς Σκάλας τοῦ Μιλάνου, ἦτο ἴσως ὁ θάνατος τόν ὁποῖον καί ὁ ἴδιος θά ἤυχετο — ἐν πλήρει δράσει καί πρίν φθάσουν τά γηρατεῖα, ποὺ ἐφοβεῖτο.

Φιλόμουσος

τό βγάλη πέρα. Τί ἀφέλεια! Λές καί μποροῦσε αὐτό τό φαινόμενο, αὐτή ἡ ξεχωριστή καλλιτεχνική φύσις νά σκεπτεται καί νά μετρᾶ τούς παλμούς τῆς καρδιᾶς του, τή στιγμή πού παραδίδονταν ὁλόκληρος, πνεῦμα καί ψυχή, στή μουσική. Αὐτός πού τήν ἔκανε βίωμα καί πού αἰσθανόταν τό φοβερώτερο κενό, ὅταν δέν εἶχε μπροστά του τά μουσικά κείμενα, ἀπό τά ὁποῖα ἀντλοῦσε τήν πεμπτουσία καί ἑτοίμαζε πνευματικά καί ψυχικά τίς μνημειώδεις ἐκτελέσεις του.

Ἡ ἐφετεινή του τελευταία ἐξόρμησις ἦταν ἡ ἀποθέωσις τοῦ μαέστρου. Φρέσκος, ἀνανεωμένος, μᾶς πληροφοροῦσαν οἱ κριτικές, ρίχτηκε μέ πάθος στή δουλειά, ἀρχίζοντας ἀπό τή Νέα Ὑόρκη, περνώντας στό Σάλτσμπουργκ, στή Βιέννη, στό Μιλάνο, γιά νά μή μπορέση νά συνεχίση στήν Κολωνία ὅπου θά διηύθυνε συνέχεια.

Ἄρχισε μέ τή Φιλαρμονική τῆς Νέας Ὑόρκης διευθύνοντας τίς συμφωνίες τοῦ Μάλερ, μιά πού γιορτάζανε τά μουσικά κέντρα ἐφέτος τό ἔτος Μάλερ. Καί στάθηκε ὁ μεγάλος ἑρμηνευτής, ἡ μεγάλη ἀποκάλυψι ἀκόμη μιά φορά, τῆς πιό ὑφηλῆς καί πιό καθαρῆς τέχνης.

—Ἀλλοίμονό μας, εἶπαν οἱ μουσικοί τῆς Φιλαρμονικῆς τῆς Νέας Ὑόρκης, ἐάν δίναμε ὅ,τι δίνομε στό Μητρόπουλο καί στούς ἄλλους μαέστρους. Θά εἴχαμε τελειώσει τήν καρριέρα μας ἀπό τά πρῶτα χρόνια.

Αὐτός ὅμως ἐξακολουθοῦσε νά δίνη, ὅλο καί περισσότερο, ἐξακολουθοῦσε νά ζητᾶ συνεχῶς τό τέλειο, τό μοναδικό, τό ἄφθαστο ἐπίτευγμα. Πετέ του δέν ἦταν εὐχαριστημένος. Καί ὅταν ἀκόμη τά πλήθη ὄρθια τόν ἀποθέωναν καί δέν ἐννοοῦσαν νά ἐγκαταλείψουν τίς αἴθουσες, αὐτός γυρνώντας στό καμαρίνι του, εἶχε πάντα κάποια ἐπιφύλαξι, διετύπωνε κάποιο παράπονο, πώς ἕνα ὄργανο τῆς ὀρχήστρας δέν στάθηκε στό ὕψος του τήν κρίσιμη στιγμή. Πῶς ἦταν δυνατόν νά ζήση περισσότερο ὕστερα ἀπό μιά τέτοια ψυχική καί σωματική ἀνάλωσι;

Δέν θά ξεχάσω, τί νά πρωτοθυμηθῶ, τήν παράστασι τῆς «Ἠλέκτρας» τοῦ Στράους, στό Σάλτσμπουργκ. Ἦταν ἀπό τίς πιό συγκλονιστικές παραστάσεις πού γνώρισε ἡ πατρίδα τοῦ Μότσαρτ. Τραγουδιστές καί ὀρχήστρα εἶχαν ἀπομείνει ἄναυδοι γι' αὐτό πού μπόρεσαν νά δώσουν κάτω ἀπό τή μαγική του μπαγκέτα. Τό κοινό ἀνεβασμένο στά καθίσματα φώναζε καί χειρονομοῦσε ἔξαλλο καί τόν καλοῦσε στή σκηνή. Κι' αὐτός ριχμένος σέ μιά πολυθρόνα, χαμένος, ἀλλοιωμένος, κατάκοπος, ζώντας σέ ἄλλους κόσμους, τί νομίζετε πώς ἄνοιξε τό στόμα του γιά νά πῇ:

— Αὐτό τό κόρνο πάλι μοῦ τάκανε θάλασσα...

Ἀληθινό θαῦμα λοιπόν πώς μέ τέτοιες συγκλονιστικές δοκιμασίες καί μέ καρδιά ὀργανικά βλαμένη κατάφερε νά φθάση τά 63 χρόνια τῆς ζωῆς του.

Κι' τώρα πῶς νά τόν ἀνακαλέσω στή μνήμη μου. Νεαρό ξανθούλη τυμπανιστή στήν ὀρχήστρα τοῦ Συλλόγου Συναυλιῶν, μέ τά κατάξανθα φουντωτά μαλλιά, τά γαλανά φωτεινά μάτια, πού κατάφερνε νά δίνη προσωπικότητα στό πιό ἀχάριστο ὄργανο καί ὑπεγράμμιζε, χωρίς καί ὁ ἴδιος νά τό νοιώθη, τήν ἰδιαίτερη παρουσία του;

Μαέστρο μετά στό Σύλλογο Συναυλιῶν φλογερό, δυναμικό, γεμᾶτο πάθος, ἀνησυχίες καί ἀναζητήσεις;

Μήπως ἐπί κεφαλῆς τῆς συμφωνικῆς ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν πού ἐπί τῶν ἡμερῶν του γνώρισε τίς λαμπρότερες ἡμέρες τῆς σταδιοδρομίας της. Τότε πού τό θεῖο του ταλέντο ἔπαιρνε τήν ὁριστική του μορφή, μεγάλωνε κι' ἄρχισε νά ξεπερνᾶ τά ὅρια τῆς μικρῆς Ἑλλάδας. Τότε πού τόν ἐπεσήμαναν τό Παρίσι, τό Βερολῖνο, τό Λονδῖνον, τά μεγαλύτερα μουσικά κέντρα κι' ἄρχισαν νά τόν καλοῦν ὅλο καί περισσότερο, τόσο πού σιγά-σιγά καταντήσαμε νά τόν μοιραζόμαστε καί στό τέλος ἔφθασε νά τόν χάσουμε ὁριστικά. Ἦταν πολύ μεγάλος γιά νά μπορέση νά ζήση μέσα στά πλαίσια τῆς περιωρισμένης καλλιτεχνικῆς ζωῆς τῆς Ἀθήνας. Τῆς Ἀθήνας πού ἀγάπησε ὅσο λίγοι καί δέν ἔπαψε ποτέ νά τήν σκέπτεται καί νά τήν νοσταλγῇ. Εἶταν πολύ Ἕλληνας. Κι' αὐτό τό Μητρόπουλος ὁλόκληρο, ἀπαράλλαχτο, τυπωμένο σέ χιλιάδες πανώ καί προγράμματα σ' ὅλο τόν κόσμο, ἦταν ἡ μεγαλύτερη τιμή γιά τήν πατρίδα του. Δημήτρης Μητρόπουλος. Πῶς εἶναι δυνατόν τώρα νά σκεφθοῦμε πώς αὐτό τό ὄνομα θά ζῇ μόνο στή μνήμη μας καί θά ἀπουσιάζῃ ἀπό τή ζωντανή πραγματικότητα;

❁

Πάλαιψε, δούλεψε, ἀγωνίστηκε σκληρά γιά νά φθάση. Ἦταν ἀπ' αὐτούς πού πίστευαν πώς κανένα ταλέντο, ὅσο μεγάλο κι' ἄν εἶναι, δέν ὁλοκληρώνεται χωρίς τόν συνεχῆ μόχθο. Κι' αὐτό τό ἐφήρμοσε σ' ὅλη του τήν λαμπρή καί ἐκπληκτική σταδιοδρομία, μελετώντας χωρίς ποτέ νά εἶναι εὐχαριστημένος ἀπό τόν ἑαυτό του. Ὅταν κατέλαβε μέ τό σπαθί του τή θέσι τοῦ πρώτου μαέστρου τῆς μεγαλύτερης ὀρχήστρας τοῦ κόσμου, οἱ ἀντιδράσεις ὀρθώθηκαν γύρω του καί πῆγαν κυριολεκτικά νά τόν πνίξουν.

Ζήλειες, συμφέροντα τεράστια, φυλετικές διακρίσεις, ἀμείλικτος πόλεμος στά καλλιτεχνικά παρασκήνια τῆς μεγαλοπόλεως. Αὐτό μᾶς ἔλειπε. Ἕνας Ἕλληνας ἀπό τήν Ἀθήνα νά καταλάβη τή θέσι τοῦ Τοσκανίνι. Θαυμαστές του, πού τόν πρωτοκάλεσαν στήν Ἀμερική, τόν ἐγκατέλειψαν καί τοῦ ἔκαναν ἀμείλικτο πόλεμο. Ὁ Κουσσεβίτσκυ, πού τόν ἀπήγαγε σχεδόν ἀπό τό Μόντε-Κάρλο γιά νά διευθύνη στή Βοστώνη, μετά τίς πρῶτες ἐντυπωσιακές του ἐπιτυχίες, ἀνησύχησε, τόν ἐγκατέλειψε καί ἀφῆκε νά ἐννοηθῇ πώς ὅσο αὐτός θά ζῇ, δέν πρόκειται νά ξαναδιευθύνη στή Βοστώνη. Τότε τόν πῆρε ἡ Μινεάπολη. Καί σέ λίγο καιρό ἡ ὀρχήστρα της ἔγινε μια ἀπό τίς καλύτερες τῆς Ἀμερικῆς.

Σ' ὅλες τίς ἀντιδράσεις καί στίς ἀνθρώπινες μικρότητες, στάθηκε ὁ ἀγνός, ὁ ἀρχαγγελικός, ὁ ἄδολος ἄνθρωπος πού σκόρπισε ἀγάπη, καλοσύνη, συμπόνια καί ἀλληλεγγύη. Βοήθησε τούς συναδέλφους του, βοήθησε τά νέα ταλέντα, ἀναλώθηκε ἀνακαλύπτοντας καί ἑρμηνεύοντας τούς νέους πού κανένας δέν πρόσεχε καί κανένας δέν βοηθοῦσε. Ἦλθε σέ σύγκρουσι μέ τό συμβούλιο τῆς Φιλαρμονικῆς μόνο καί μόνο γιατί θεωροῦσε σάν καθῆκον καί ὑποχρέωσι νά περιλαμβάνη στά προγράμματα νέους συνθέτες. Βοήθησε νέα ταλέντα νά σπουδάσουν. Ἀγάπησε τούς μουσικούς τῆς ὀρχήστρας σάν παιδιά του καί αὐτοί πάλι τοῦ τό ἀνταπέδιδαν δίνοντας τόν καλύτερο ἑαυτό τους στήν ἐκτέλεσι.

❁

Καί τώρα τί σημασία μποροῦν νά ἔχουν ὅλα αὐτά; Νεκρολογία δέν γράφουμε. Εἶναι ἀδύνατο νά πιστέψωμε πώς ἡ καρδιά, ἡ μεγάλη αὐτή καρδιά ἔπαψε νά χτυπᾶ. Ὅσοι τόν εἶδαν ἐφέτος νά διευθύνη τόν θαυμασαν, ἀλλά καί γύρισαν μέ ἕνα αἴσθημα δέους καί βαθύτατης ἀνησυχίας: — Θά πέση κάποια ὥρα ἐπάνω ἀτό πόντιουμ... Δέν εἶναι πιά ἀνθρώπινη ὕπαρξις, εἶναι ἕνα πνεῦμα. Καί τό πνεῦμα αὐτό ἔσβησε ἐπάνω σέ μιά πρόβα σ' ἕνα ἔνδοξο μουσικό περιβάλλον, ἀνάμεσα σέ νότες, μουσικές μελωδίες, ἀνάμεσα στήν οἰκογένειά του, τούς μουσικούς μιᾶς ὀρχήστρας.

Ἔτσι ἔπρεπε νά τελειώση. Εἶπαν πώς εἶναι μόνος, ἔρημος καί δέν ἔχει κανένα συγγενῆ στόν κόσμο γιά νό τόν κλάψη. Λάθος. Ἔχει ὅλη τήν Ἑλλάδα. Ἔχει ὅλο τό διεθνῆ μουσικό κόσμο, τά ἀναρίθμητα, ἄγνωστα καί ἀπρόσωπα πλήθη πού τούς χάρισε ὑπέρτατες στιγμές καλλιτεχνικῆς συγκινήσεως. Ἔχει τή μουσική ἐπάνω ἀπ' ὅλα πού τήν ἀφίνει, χωρίς ὑπερβολή, ὀρφανή.

Ἐάν ἡ ἔκφρασις Ἐθνική ἀπώλεια δέν ἔχει χάσει τό νόημά της, μέ τό θάνατο τοῦ Μητροπούλου ἀποκτᾶ τήν πλήρη σημασία της.

ΛΟΝΔΙΝΟΝ, 2 Νοεμβρίου. Τοῦ ἀνταποκριτοῦ μας. — Ὅλαι αἱ βρετανικαί ἐφημερίδες ἀσχολοῦνται διά μακρῶν μέ τόν θάνατον τοῦ Δημήτρη Μητροπούλου, ὑπογραμμίζουσαι τήν ἑλληνικήν καταγωγήν του. Ἡ ἐφημερίς «Νταίηλυ Τέλεγκραφ» γράφει ὅτι ὁ Μητρόπουλος ὑπῆρξεν «ὁ πλέον ἐξαιρετικός μουσικός τόν ὁποῖον ἔδωσεν ἡ Ἑλλάς εἰς τήν Δύσιν κατά τόν παρόντα αἰῶνα».

ΜΙΑ ΜΕΓΑΛΗ ΕΛΛΗΝΙΚΗ ΚΑΙ ΔΙΕΘΝΗΣ ΑΠΩΛΕΙΑ

ΑΠΕΘΑΝΕ ΧΘΕΣ Ο Δ. ΜΗΤΡΟΠΟΥΛΟΣ

ΕΝΩ ΔΙΗΥΘΥΝΕ ΜΟΥΣΙΚΗΝ ΔΟΚΙΜΗΝ ΕΝ ΜΙΛΑΝΩ

Ὑπέστη ἐγκεφαλικὴν αἱμορραγίαν καὶ διακομιζόμενος εἰς κλινικήν, ἐξέπνευσεν.— Ἡ Σκάλα ἔδωσε τὴν «Ἡρωικὴν Συμφωνίαν» τοῦ Μπετόβεν εἰς μνημόσυνον. — Ἐκδηλώσεις τιμῆς ἀπὸ ὅλον τὸν κόσμον.

Βαρύτατον πένθος ἔπληξεν ὁλόκληρον τὸν ἑλληνικὸν καλλιτεχνικὸν κόσμον. Ὁ Δημήτρης Μητρόπουλος, ὁ ἔξοχος ἀρχιμουσικός, ὁ ὁποῖος ἐτίμησεν ὅσον ὀλίγοι τὸ ἑλληνικὸν ὄνομα εἰς τὴν ξένην καὶ ἐπέτυχε νὰ κατακτήσῃ κορυφαίαν θέσιν μεταξὺ τῶν ἀρχιμουσικῶν ὁλοκλήρου τοῦ κόσμου, δὲν ὑπάρχει πλέον εἰς τὴν ζωήν. Πράγματι, κατὰ τὰς πρώτας μεταμεσημβρινὰς ὥρας τῆς χθὲς τηλεγράφημα ἐκ Μιλάνου ἀνήγγελλε τὸν θάνατον τοῦ Δημητρίου Μητροπούλου, ἐπισυμβάντα καθ' ἣν στιγμὴν ὁ μεγάλος ἀρχιμουσικὸς διηύθυνεν εἰς τὴν Σκάλαν τοῦ Μιλάνου δοκιμὴν συναυλίας, ἡ ὁποία ἐπρόκειτο νὰ δοθῇ τὴν προσεχῆ Δευτέραν. Τὰ τηλεγραφήματα τὰ ὁποῖα ἀνήγγειλαν τὴν θλιβερὰν εἴδησιν καὶ τὴν ἀπήχησιν τὴν ὁποίαν εἶχεν ἡ ἀπώλεια εἰς τὸν διεθνῆ καλλιτεχνικὸν κόσμον παρατίθενται κατωτέρω:

ΑΠΕΘΑΝΕ ΜΕ ΤΗΝ ΜΠΑΓΚΕΤΑ ΣΤΟ ΧΕΡΙ

ΜΙΛΑΝΟΝ, 2. ('Ιδ. ὑπ.).—Ὁ Ἕλλην διευθυντὴς ὀρχήστρας καὶ συνθέτης Δημήτριος Μητρόπουλος, ἀπεβίωσε σήμερον ἐνταῦθα ἐξ ἐγκεφαλικῆς αἱμορραγίας, εἰς ἡλικίαν 64 ἐτῶν. Ὁ Δημήτρης Μητρόπουλος εἶχε φθάσει εἰς τὸ Μιλάνον χθὲς τὸ ἑσπέρας σήμερον δέ, μετὰ πολὺ πρωΐ εἰς τὴν Σκάλαν, προκειμένου ν' ἀρχίσῃ ἀμέσως δοκιμὰς μὲ τὴν ὀρχήστραν. Κατὰ τὴν διάρκειαν τῆς σημερινῆς δοκιμῆς, ἠσθάνθη αἰφνιδίαν ἀδιαθεσίαν. Παρεπονέθη τότε εἰς τοὺς φίλους του καὶ εἶπε: «Αἰσθάνομαι πολὺ κουρασμένος. Εἶμαι ἕνα παληὸ αὐτοκίνητο ποὺ ἐργάζεται ἀκόμη». Ὀλίγον ἀργότερον ἔγινε κάτωχρος καὶ δὲν κατώρθωσε παρὰ νὰ ψελλίσῃ μερικὰς λέξεις. Διηύθυνε τὴν στιγμὴν ἐκείνην τὴν Τρίτην Συμφωνίαν τοῦ Μάλερ. Ἐξαφνικά, ἡ μπαγκέττα ἔφυγεν ἀπὸ τὰ χέρια του καὶ ὁ ἀρχιμουσικὸς ἐσωριάσθη εἰς τὸ δάπεδον. Ἰατρὸς ὁ ὁποῖος ἐκλήθη ἐπειγόντως, ἐπεχείρησε μαλάξεις τῆς καρδιακῆς χώρας. Ἀμέσως σχεδόν, μετεφέρθη μὲ νοσοκομειακὸν αὐτοκίνητον εἰς τὴν Πολυκλινικὴν τοῦ Μιλάνου. Ὅταν ὅμως τὸ αὐτοκίνητον ἔφθασεν ἐκεῖ, ὁ Δημήτρης Μητρόπουλος, ἦτο πλέον νεκρός. Κατὰ τὴν γνώμην τῶν ἰατρῶν, ὁ θάνατος ἐπῆλθε συνεπείᾳ οὐχὶ καρδιακῆς προσβολῆς, ἀλλ' ἐγκεφαλικῆς αἱμορραγίας. Ὁ θάνατος ἐπῆλθεν ὀλίγον πρὸ τῆς μεσημβρίας.

Ὁ Διευθυντὴς τῆς Σκάλας τοῦ Μιλάνου κ. Γκιριγκέλλι, ἀφοῦ ἀνήγγειλε τὴν θλιβερὰν εἴδησιν, ἐδήλωσεν ὅτι αἰσθάνεται βαθυτάτην θλῖψιν διὰ τὴν ἀπώλειαν τοῦ μεγάλου μουσικοῦ.

Χθὲς εἰς τὴν Σκάλαν

Σήμερον τὴν ἑσπέραν, ἐν εἴδει μνημοσύνου, εἰς τὸ θέατρον τῆς Σκάλας, ἐξετελέσθη, ἀντὶ πάσης ἄλλης παραστάσεως, ἡ «Ἡρωικὴ Συμφωνία» τοῦ Μπετόβεν μὲ διευθυντὴν τῆς ὀρχήστρας τὸν Οὔγγρον Φέρεντς Φρικσάϋ.

Κατὰ νεώτερα τηλεγραφήματα, ὁ Μητρόπουλος ἔφθασε εἰς τὴν Σκάλαν, συνοδευόμενος ἀπὸ τὴν γραμματέα του Τρούντυ Γκόθ. Πρὸ τοῦ καφενείου «Μπίφφι Σκάλα», συνήντησε τὸν Ντίνον Ἐγκολφόπουλον μὲ τὸν ὁποῖον συνεζήτησεν ἐπ' ὀλίγον. Εἰς ἐρώτησιν τοῦ κ. Ἐγκολφοπούλου περὶ τῆς ὑγείας του, ὁ Μητρόπουλος, ἀπήντησεν ὅτι αἰσθάνεται καλά. Ἀκολούθως, εἰσῆλθεν εἰς τὴν Σκάλα καὶ ἤρχισε τὰς δοκιμάς.

Ἐξ ἄλλου, ἐκπρόσωπος τῆς Κρατικῆς Ὀπερας τῆς Βιέννης, εὐθὺς ὡς ἀνηγγέλθη ὁ θάνατος τοῦ Μητροπούλου, προέβη εἰς τὴν ἑξῆς δήλωσιν: «Τὰ μέλη τοῦ θιάσου τῆς Κρατικῆς Ὀπερας καὶ ἰδιαιτέρως τῆς ὀρχήστρας θὰ τὸν ἐνθυμοῦνται πάντοτε ὡς μίαν ἐκ τῶν μεγαλυτέρων προσωπικοτήτων τοῦ μουσικοῦ κόσμου, τοῦ ὁποίου ὁ συναισθηματισμὸς καὶ ἡ ἀνιδιοτέλεια, οὐδέποτε τὸν ἄφησαν νὰ μεριμνήσῃ διὰ τὸ ἄτομόν του, εἰς τὴν προσπάθειαν ἐπιτεύξεως τῶν καλλιτεχνικῶν σκοπῶν. Οὐδέποτε θὰ λησμονήσωμεν ὅτι ὁ Μητρόπουλος ἦτο ὁ ἐξόχως ἀγαθὸς ἀνήρ, διὰ τὸν ὁποῖον οὐδὲν ὑπῆρχεν εἰς τὸν κόσμον πέραν τῶν ὑπηρεσιῶν πρὸς τὴν μουσικὴν καὶ τὴν ἀνθρωπότητα».

Ἡ κηδεία του θὰ γίνῃ δημοσίᾳ δαπάνῃ εἰς τὰς Ἀθήνας

Ἐντολῇ τοῦ προέδρου τῆς Κυβερνήσεως, ἐδόθησαν ὑπὸ τοῦ ὑπουργοῦ Προεδρίας Κυβερνήσεως κ. Κ. Τσάτσου ὁδηγίαι εἰς Ἰταλίαν ὅπως ὁ νεκρὸς τοῦ Δημήτρη Μητροπούλου ταριχευθῇ, ἐν ὄψει τῆς μεταφορᾶς του εἰς Ἀθήνας. Ἡ μεταφορὰ τῆς σοροῦ θὰ πραγματοποιηθῇ δι' ἀεροσκάφους τῆς Ε.Β.Α., ἡ δὲ σορὸς τοῦ μεγάλου "Ελληνος ἀρχιμουσικοῦ θὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν ἱερὸν ναὸν τῆς Μητροπόλεως. Ἡ κηδεία θὰ γίνῃ δημοσίᾳ δαπάνῃ εἰς ἡμέραν καὶ ὥραν καθορισθησομένην.

Ἐγνώσθη ὅτι ὁ Δημήτρης Μητρόπουλος οὐδένα συγγενῆ κατέλιπεν.

Τί μεταδίδουν τὰ πρακτορεῖα

Ἐν τῷ μεταξύ, τὰ ξένα δημοσιογραφικὰ πρακτορεῖα ἐξακολουθοῦν τὴν μετάδοσιν βιογραφικῶν στοιχείων τοῦ ἐκλιπόντος ἀρχιμουσικοῦ: Ἀμερικανικὰ πρακτορεῖα ὑπενθυμίζουν ὅτι ὁ Σέργιος Κουσσεβίτσκυ ἦτο ἐκεῖνος ὁ ὁποῖος τὸν ἐκάλεσε νὰ ἐμφανισθῇ τὸ 1936 εἰς τὴν Βοστώνην καὶ ὅτι τὸ 1950 ἀνέλαβε τὴν διεύθυνσιν τῆς Φιλαρμονικῆς τῆς Νέας Ὑόρκης, ἀφοῦ ἐπὶ ἕνα ἔτος ἐμοιράσθη τὸ ἀναλόγιον τοῦ μαέστρου μαζὶ μὲ τὸν Λεοπόλδον Στοκόφσκυ. Προσθέτουν ἀκόμη ὅτι ὁ πατήρ του ἦτο δερματέμπορος, ὁ πάππος του ἱερεὺς τῆς Ὀρθοδόξου Ἐκκλησίας καὶ ἕνας θεῖος του Μητροπολίτης. Εἰς τὴν Μινεάπολιν ὁ Μητρόπουλος ἐθαυμάσθη διὰ τὴν προσπάθειάν του νὰ διδάξῃ εἰς τὸ κοινὸν τὴν νεότροπον [illegible]

Ὁ ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Ἰδιαιτέρως τονίζεται ἡ ἐκπληκτικὴ μουσική του μνήμη, ἡ ὁποία μόνον μὲ ἐκείνην τοῦ Τοσκανίνι εἶναι δυνατὸν νὰ παραβληθῇ. Λέγεται ὅτι ἐγνώριζεν ἀπὸ μνήμης ὑπὲρ τὰς 50 συμφωνίας. Ὁ Δημήτρης Μητρόπουλος, προσθέτουν, οὐδέποτε ἐνυμφεύθη, ἐπειδή, ὡς ἔλεγεν ὁ ἴδιος, ἐὰν ἐπιτυχία ἑνὸς γάμου εἶναι μία σοβαρὰ ἀσχολία καὶ δὲν νομίζω ὅτι ἤμπορῶ νὰ ἔχω ταυτοχρόνως δύο ἀσχολίας».

Τὸ Ὠδεῖον εἰς τὸ ὁποῖον ἀνῆκε

Ἡ διεύθυνσις καὶ τὸ προσωπικὸν τοῦ Ὠδείου Ἀθηνῶν ἐξέδωσαν τὸ ἑξῆς ψήφισμα διὰ τὸν θάνατον τοῦ Δ. Μητροπούλου.

«Ὁ Δημήτρης Μητρόπουλος ἔπαυσε ἀπὸ χθὲς νὰ ζῇ. Μία κολοσσιαία μουσικὴ φυσιογνωμία τοῦ αἰῶνος μας, μία ἀπὸ τὶς μοναδικὲς περιπτώσεις τοῦ ἀνθρώπινου πνεύματος στὸν τομέα τῆς Τέχνης, ἔφυγε τὴ στιγμὴ ποὺ προετοίμαζε μία νέα μεγάλη του καλλιτεχνικὴ προσφορά. Ἡ Διεύθυνσις καὶ τὸ Προσωπικὸν τοῦ Ὠδείου Ἀθηνῶν, ὅπου ἐπὶ πολλὰ χρόνια ἐδίδαξε σὰν Καθηγητὴς καὶ διηύθυνε τὴν συμφωνικὴν ὀρχήστρα του, μὲ βαθυτάτη ὀδύνη συνῆλθαν γιὰ νὰ ἀποφασίσουν τὸν τρόπο τῆς συμμετοχῆς τους στὸ βαρύτατο αὐτὸ πένθος».

Ἡ Κρατικὴ Ὀρχήστρα διὰ τὸν θάνατον τοῦ Δ. Μητροπούλου

Ἡ Κ.Ο.Α. ἐπὶ τῷ θλιβερῷ ἀγγέλματι τοῦ θανάτου τοῦ Δημήτρη Μητροπούλου ἐξέδωσε χθὲς τὴν κάτωθι ἀνακοίνωσιν:

«Ἡ Κρατικὴ Ὀρχήστρα Ἀθηνῶν αἰσθάνεται τὴν ἀνάγκην νὰ ἐκφράσῃ δημοσίᾳ τὴν μεγάλην θλῖψιν τῶν μελῶν τοῦ καλλιτεχνικοῦ καὶ διοικητικοῦ προσωπικοῦ αὐτῆς διὰ τὸν πρόωρον θάνατον τοῦ διατελέσαντος εἰς τὸ παρελθὸν μεγάλου συνεργάτου της, τοῦ ὁποίου ἡ λαμπρὰ σταδιοδρομία εἰς τὸ διεθνὲς μουσικὸν προσκήνιον περιποιεῖ τιμὴν καὶ δόξαν εἰς ὁλόκληρον τὴν χώραν. Τὸ κενὸν τοῦ ἀδοκήτου θανάτου τοῦ μεγάλου αὐτοῦ "Ελληνος Ἀρχιμουσικοῦ εἶναι δυσαναπλήρωτον καὶ ἡ παροῦσα ἔκφρασις ὀδύνης τῶν παλαιῶν συνεργατῶν καὶ φίλων του ἂς προστεθῇ εἰς τὰς ἑκατοντάδας παρομοίων ἐκδηλώσεων τοῦ διεθνοῦς μουσικοῦ κόσμου».

ΑΙ ΕΠΙΦΥΛΛΙΔΕΣ ΤΗΣ «ΚΑΘΗΜΕΡΙΝΗΣ»

ΕΝΑΣ ΜΥΣΤΗΣ ΠΟΥ ΕΛΕΙΨΕ

Ο ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

(ΟΛΙΓΑ ΔΙΑ ΤΗΝ ΣΤΑΔΙΟΔΡΟΜΙΑΝ ΤΟΥ)

Ὑπάρχουν προσωπικότητες τῆς Τέχνης, τῶν ὁποίων ἡ ποιότης καὶ ἡ ἐξαιρετικὴ προσφορὰ δημιουργοῦν περὶ ἑαυτὰς ἀτμόσφαιραν μυστηρίου καὶ εὐλαβοῦς θαυμασμοῦ. Δὲν θὰ ἦτο ὑπερβολὴ ἐὰν ἐλέγετο ὅτι ἀκριβῶς μία τέτοια προσωπικότης ὑπῆρξε καὶ ὁ Δημήτρης Μητρόπουλος: "Ενας μυστικιστής, ὁ ὁποῖος οὐδέποτε περιεβλήθη τὸ μοναχικὸν σχῆμα, προκειμένου νὰ τηρῇ μεταξὺ αὐτοῦ καὶ τῆς θεότητος μίαν ἀπόστασιν, ἕνας θρησκευόμενος τοῦ ὁποίου τὸ πάθος διὰ τὴν τελειότητα εὗρεν ἱκανοποίησιν εἰς τὴν Τέχνην, ἐπίγειον σύμβολον τοῦ κόσμου ἐκείνου τοῦ κάλλους καὶ τῆς ἀρετῆς, πρὸς τὸ ὁποῖον τείνει ἡ ἀνθρωπίνη ψυχή.

Ἐγεννήθη εἰς τὰς Ἀθήνας, τὴν 18ην Φεβρουαρίου 1896. Ἐὰν αἱ πατρικαὶ φιλοδοξίαι ἱκανοποιοῦντο, σήμερον πιθανὸν τὸ ὄνομα τοῦ Δημήτρη Μητροπούλου νὰ ἀνεγράφετο εἰς τὴν Ἐπετηρίδα τῶν ἀνωτέρων ἀξιωματικῶν τοῦ Βασιλικοῦ Ναυτικοῦ. Ὁ νεαρὸς Ἀθηναῖος ὅμως ἐπεθύμει νὰ ἀποκτήσῃ μόρφωσιν μουσικήν, πρὸς τοῦτο δὲ ἐνεγράφη εἰς τὸ Ὠδεῖον Ἀθηνῶν. Ἐφηβος ἤδη, ἐκδηλώνει τὴν τάσιν νὰ γίνῃ μοναχὸς εἰς τὸ "Αγιον "Ορος, ἀλλὰ παραιτεῖται τῆς ἰδέας, ὅταν τὸν πληροφοροῦν ὅτι δὲν θὰ ἠμπορῇ νὰ ἔχῃ μέσα εἰς τὸ κελλί του ἕνα ἁρμόνιον. Ἡ ἀγάπη πρὸς τὴν Τέχνην εἶχεν ὑπερισχύσει τῶν παρορμήσεων τοῦ μυστικοπαθοῦς χαρακτῆρος του, χωρὶς ὅμως νὰ τὰς ἐξαφανίσῃ τελείως: Τὴν τελευταίαν φορὰν κατὰ τὴν ὁποίαν ἐπεσκέφθη τὴν Ἑλλάδα, μαζὶ μὲ τὴν Φιλαρμονικὴν τῆς Βιέννης, τὸν Αὔγουστον τοῦ 1958, πολιορκημένος ἀπὸ ἕνα πλῆθος δημοσιογράφων, ἐψέλλισε μερικὰς λέξεις σεβασμοῦ διὰ τὸν "Αγιον Φραγκίσκον τῆς Ἀσσίζης καὶ διὰ τὸν Σαῖρεν Κίρκεγκωρντ, τὸν μεγάλον Δανὸν φιλόσοφον καὶ θεμελιωτὴν τοῦ χριστιανικοῦ ὑπαρξισμοῦ.

Εἰς τὸ Ὠδεῖον Ἀθηνῶν σπουδάζει πιάνο καὶ σύνθεσιν. Πρὶν τελειώσῃ τὰς μουσικάς του σπουδάς, ἔγραψεν ἕνα μελόδραμα, τὴν «Ἀδελφὴν Βεατρίκην» ἐπάνω εἰς κείμενον τοῦ Μωρὶς Μαίτερλινγκ. Ὁ αὐστηρότατος Σαὶν-Σάνς, ὁ ὁποῖος τὸ 1913 δὲν εἶχε διστάσει νὰ καταδικάσῃ ἕνα ἀριστούργημα ὡς ἡ «Ἱεροτελεστία τῆς Ἀνοίξεως» τοῦ Ἴγκορ Στραβίνσκυ, ἔτυχε νὰ εὑρίσκεται τότε εἰς τὰς Ἀθήνας, κατὰ τὴν διάρκειαν ἑνὸς ἀπὸ τὰ συχνὰ ταξίδιά του εἰς τὴν Μεσημβρίαν. Ἔλαβε γνῶσιν τῆς παρτιτούρας τοῦ Μητροπούλου καὶ μάλιστα τὴν ἐσχολίασεν εὐμενέστατα εἰς γαλλικὴν ἐφημερίδα.

Τὸ 1918, ὁ Δημήτρης Μητρόπουλος ἀποφοιτᾷ ἀπὸ τὸ Ὠδεῖον Ἀθηνῶν καὶ ἀναχωρεῖ ἀμέσως σχεδὸν διὰ τὰς Βρυξέλλας, ὅπου τελειοποιεῖται εἰς τὴν σύνθεσιν μὲ τὸν Γκιλσόν. Τὰς ἰδίας σπουδὰς συνεχίζει βραδύτερον εἰς τὸ Βερολῖνον μὲ τὸν περίφημον Φερρούτσιο Μπουζόνι. Ὁ Μπουζόνι, ὅπως ὁ ἴδιος παρεδέχετο μὲ εὐθύτητα, ἦτο ἐκεῖνος ὁ ὁποῖος ἔδωσεν εἰς τὰς σπουδὰς του προσανατολισμὸν διαφορετικόν: «Ἀπὸ ὅσα μοῦ εἶπεν ὁ Μπουζόνι, ἔχασα κάθε ἐκτίμησιν πρὸς τὸν ἑαυτόν μου ὡς συνθέτην καὶ ἀπεφάσισα νὰ γίνω ἀναδημιουργός, ἀντὶ δημιουργός».

Εἰς τὸ Βερολῖνον, διορίζεται βοηθὸς διευθυντοῦ ὀρχήστρας εἰς τὴν Κρατικὴν Ὄπεραν, ὅπου καὶ συνεπλήρωσεν ἐν τῇ πράξει τὰς γνώσεις του, παρὰ τὸ πλευρὸν ἀρχιμουσικῶν ὅπως ὁ Λέο Μπλέχ, ὁ "Εριχ Κλάϊμπερ κ.ἄ. Τὸ 1926, ἐκλήθη εἰς τὰς Ἀθήνας διὰ νὰ ἀναλάβῃ τὴν διεύθυνσιν τῆς τότε Συμφωνικῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν, τῆς μετέπειτα Κρατικῆς Ὀρχήστρας Ἀθηνῶν. Εἰς τὰ προγράμματά του περιελάμβανε πάντοτε ἔργα Ἑλλήνων συνθετῶν, κατορθώσας νὰ δώσῃ νέαν πνοὴν εἰς τὴν περιωρισμένην μουσικὴν κίνησιν τῆς ἐποχῆς.

★

Τὸ πρῶτο «ξεπέταγμα» τοῦ ἐκλιπόντος ἀρχιμουσικοῦ, ἐκτὸς τῶν ὁρίων τῆς Ἑλλάδος ἔγινε, περιέργως, εἰς τὴν Μόσχαν. Εἰς τὴν σοβιετικὴν πρωτεύουσαν ἔδωσε δύο συναυλίας. Ὅταν ἐπέστρεψεν, οἱ γνωστοὶ καὶ φίλοι του τὸν ἠρώτησαν διὰ τὰς ἐντυπώσεις του. Ὅπως ἔλεγεν ὁ Μητρόπουλος, μία ἀπὸ τὰς πλέον δυσκόλους στιγμὰς τῆς ζωῆς του ὑπῆρξεν ἡ εἴσοδός του εἰς τὴν μεγάλην αἴθουσαν συναυλιῶν τῆς Μόσχας. Ὑπῆρχον ἐκεῖ 3.000 ἄνθρωποι τελείως σιωπηλοί. Οὐδεὶς ψίθυρος ἢ χειροκρότημα ἐχαιρέτησε τὴν ἄνοδόν του εἰς τὸ ἀναλόγιον τοῦ ἀρχιμουσικοῦ. Ὅταν ἐτελείωσε τὸ πρῶτον ἔργον τοῦ προγράμματος, ἡ ἰδία νεκρικὴ σιγή. Μόλις ὅμως ἐστράφη διὰ νὰ χαιρετήσῃ, ὁλόκληρος ἡ ἀνδρωπομάζα ἐσηκώθη ὀρθία καὶ ἐχειροκρότει ζητωκραυγάζουσα, ἔμπλεως ἐνθουσιασμοῦ, ἐπὶ δέκα ὁλόκληρα λεπτά. Τότε, ἐξωμολογεῖτο ἀργότερον ὁ Μητρόπουλος, ἀπεφάσισε νὰ δοκιμάσῃ τὰς ἱκανότητάς του καὶ ἐκτὸς τῶν ὁρίων τῆς Ἑλλάδος.

Τὸ 1930, ἀναλαμβάνει μεγάλην περιοδείαν εἰς τὸ ἐξωτερικὸν καὶ δίδει συναυλίας εἰς τὸ Παρίσι, τὸ Λίβερπουλ, τὸ Βερολῖνον καὶ τὰς Βρυξέλλας. Τὸ 1932, διευθύνει συναυλίας εἰς τὴν Νεάπολιν, τὴν Φλωρεντίαν, τὸ Παρίσι καὶ τὸ Λονδῖνον. Ὁμοφώνως, οἱ μουσικοκριτικοὶ τῆς Εὐρώπης χαιρετίζουν εἰς τὸ πρόσωπόν του ἕνα μεγάλον δεξιοτέχνην καὶ ἕνα μεγάλον μουσικόν.

Χειμὼν τοῦ 1933. Ὁ Μητρόπουλος διευθύνει, χωρὶς μπαγκέττα, τὴν Ὀρχήστραν τοῦ Ὠδείου Ἀθηνῶν. Ἑρμηνεύει τὴν Πέμπτην Συμφωνίαν τοῦ Μπετόβεν. Ἡ ἀρχαία καὶ παγερὰ αἴθουσα τῶν «Ὀλυμπίων» εἶναι κατάμεστος κόσμου ὁ ὁποῖος συνωθεῖται διὰ νὰ μὴ αἰσθάνεται τὸ ψῦχος τοῦ Φεβρουαρίου. Ὅταν τελειώνῃ, τὸ κοινὸν χειροκροτεῖ ἐξαλλον ἀπὸ ἐνθουσιασμόν. Ἕνας εὔσωμος τραμβαγέρης ὅμως, δὲν ἠμπορεῖ νὰ ἀρκεσθῇ εἰς τὸ χειροκρότημα: Ἀνοίγει τὰ πελώρια χέρια του καὶ φωνάζει μὲ ὅλην του τὴν δύναμιν: «Βρέ, τί θεῖος ποὺ ἦταν!» Αὐτὸς ἦτο ὁ Δημήτρης Μητρόπουλος, ὅπως τὸν ἐγνώριζαν οἱ Ἀθηναῖοι τῆς ἐποχῆς ἐκείνης.

Τὸ 1934, ὁ Μητρόπουλος εὑρίσκεται καὶ πάλιν εἰς τὸ Βερολῖνον. Πρόκειται νὰ διευθύνῃ τὴν Φιλαρμονικὴν τῆς γερμανικῆς πρωτευούσης, εἰς μίαν ἐκτέλεσιν τοῦ Τρίτου Κοντσέρτου διὰ πιάνο, τοῦ Προκόφιεφ, μὲ σολίστ τὸν μεγάλον πιανίστα "Εγκον Πέτρι. Τὴν τελευταίαν στιγμήν, ὁ Πέτρι ἀσθενεῖ. Τὸν ἀναπληρώνει ὁ ἴδιος ὁ Μητρόπουλος, ὁ ὁποῖος λαμβάνει τὴν θέσιν τοῦ σολίστ, διευθύνων ἀπὸ τῆς θέσεως αὐτῆς καὶ τὴν ὀρχήστραν!

Τὸ 1937, ὁ Μητρόπουλος διορίζεται διευθυντὴς τῆς Συμφωνικῆς Ὀρχήστρας τῆς Μιννεαπόλεως. Εἰς τὴν θέσιν αὐτὴν παραμένει μέχρι τοῦ 1949, ὁπότε τὸν διαδέχεται ὁ "Ανταλ Ντοράττι. Ἀπὸ τοῦ 1949, διηύθυνε τὴν Φιλαρμονικὴν τῆς Νέας Ὑόρκης, διαδεχθεὶς εἰς τὴν θέσιν αὐτὴν ἕνα Τοσκανίνι καὶ ἕνα Μπρούνο Βάλτερ. Ἐπὶ κεφαλῆς τῆς ὀρχήστρας αὐτῆς, ἐπέστρεψε τὸ 1955 εἰς τὴν Ἑλλάδα, ἐμφανισθεὶς ἐνώπιον τοῦ ἀθηναϊκοῦ κοινοῦ διὰ πρώτην φορὰν μετὰ τὸν πόλεμον, μέσα εἰς τὰ πλαίσια τοῦ Φεστιβὰλ Ἀθηνῶν: Οἱ Ἀθηναῖοι τοῦ ἐπεφύλαξαν ὑποδοχὴν ἀποθεωτικήν: Χιλιάδες μουσοφίλων διενυκτέρευσαν ἐμπρὸς ἀπὸ τὰ ταμεῖα τοῦ Φεστιβάλ, εἰς τὴν γωνίαν τῶν ὁδῶν Πανεπιστημίου καὶ Ἀμερικῆς προκειμένου νὰ προμηθευθοῦν εἰσιτήρια. Αἱ συναυλίαι, λόγῳ τῆς κακοκαιρίας δὲν ἐδόθησαν εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ἀλλὰ εἰς τὸν «Ὀρφέα». Ὁ Μητρόπουλος καὶ ἡ ὀρχήστρα ἔδωσαν μίαν τρίτην συναυλίαν. Εἶχε διευθύνει τότε, μεταξὺ ἄλλων, τὴν Συμφωνίαν τῆς Μεταρρυθμίσεως, τοῦ Μέντελσον, τὴν Δευτέραν Συμφωνίαν τοῦ Σοῦμαν (εἰς μίαν ἑρμηνείαν ἄκρως νεωτεριστικήν), τὴν «Ἡρωικὴν» τοῦ Μπετόβεν, τὴν 10ην Συμφωνίαν τοῦ Σοστακόβιτς καὶ τοὺς Τέσσερις ἑλληνικοὺς χορούς τοῦ Σκαλκώτα. Οἱ μαθηταὶ τοῦ Ὠδείου Ἀθηνῶν ἀκόμη ἐνθυμοῦνται τὰς παραινέσεις του καὶ τὰς συμβουλάς του, εἰς τὸ ἀρχαῖον κτίριον τῆς ὁδοῦ Πειραιῶς, ὅπου πρὸς τιμήν του εἶχε δοθῇ μικρὰ ἑορτή: «Ἐθεώρει, μὲ μίαν συγκινητικὴν μετριοφροσύνην, τὸν ἑαυτόν του, ὡς ἕνα δημιούργημα τῆς τύχης καὶ ἦτο εὐγνώμων εἰς τὸν Θεὸν διὰ τὴν εὐνοιαν αὐτήν.

Τὸ 1958, ἦλθε καὶ πάλιν εἰς τὰς Ἀθήνας, τὴν φορὰν αὐτὴν ἐπὶ κεφαλῆς τῆς Φιλαρμονικῆς τῆς Βιέννης. Ἐφαίνετο βαθύτατα πικραμένος διὰ τὸν ὑποσκελισμόν του εἰς τὴν Φιλαρμονικὴν τῆς Νέας Ὑόρκης ἀπὸ τὸν Λέοναρντ Μπέρνσταϊν. Ἦτο σαφῶς καταβεβλημένος ἐκ τῶν πρώτων ἐκδηλώσεων τῆς καρδιακῆς παθήσεως, ἡ ὁποία ἐπρόκειτο νὰ ἀποβῇ δι' αὐτὸν μοιραία. Εἰς μίαν μακρὰν συνομιλίαν του μὲ τοὺς δημοσιογράφους ἐξέφραζε τὴν πικρίαν του δι' αὐτὸν τὸν λαβύρινθον τῶν πειραματισμῶν, εἰς τὸν ὁποῖον ἐχάνετο ἡ νεωτέρα γενεὰ τῶν μουσικῶν: Μὲ τρόμον ἔβλεπε τὰ μαγνητόφωνα καὶ τὰς ἠλεκτρονικὰς συσκευὰς νὰ ἀντικαθιστοῦν τοὺς μουσικοὺς τῆς συμφωνικῆς ὀρχήστρας

ΤΟΥ ΣΥΝΕΡΓΑΤΟΥ ΤΗΣ «ΑΠΟΓΕΥΜΑΤΙΝΗΣ» Κ. Μ. ΛΑΜΠΡΙΝΙΔΗ

Ὁ Μητρόπουλος δὲν ὑπάρχει πιά!

Ἔπεσε χθὲς στὶς ἐπάλξεις τῆς Τέχνης. Τῆς Τέχνης ποὺ ἀγάπησε καὶ ὑπηρέτησε τόσα χρόνια μὲ πίστι καὶ ἀφοσίωσι.

Ὁ μεγάλος ἀρχιμουσικός, ἡ δόξα τῆς Ἑλλάδος ἄφησε τὴν τελευταία του πνοὴ στὸ βάθρο τοῦ μαέστρου, μὲ τὴν μπαγκέττα στὸ χέρι. Ἕνας καινούργιος Διαγόρας. Διαγόρας τῆς μουσικῆς, ὁ Δημήτρης Μητρόπουλος ἔσβησε στὸ ἀναλόγιο, στὸ περιβάλλον του, ἀνάμεσα στοὺς μουσικούς, ποὺ ἐκινοῦντο ἀπὸ τὴ μαγικὴ μπαγκέττα του... Ἄφησε τὰ ἐπίγεια ἀπὸ τὴν μεγαλύτερη ὄπερα τοῦ κόσμου—τὴ «Σκάλα» τοῦ Μιλάνου — γιὰ ν' ἀνεβῇ στὸν Παρνασσό, ἀθάνατος ἀνάμεσα στοὺς ἄλλους ἀθανάτους τῆς μουσικῆς.

Χθὲς τὸ μεσημέρι ὅλες οἱ γραμμὲς τῶν τηλεπικοινωνιῶν τοῦ Μιλάνου διέκοψαν τὶς τακτικὲς μεταδόσεις του γιὰ νὰ στείλουν στὰ πέρατα τοῦ κόσμου μιὰ εἴδησι:

«Ἀπεβίωσε σήμερον ἐνταῦθα ἐξ ἐγκεφαλικῆς αἱμορραγίας εἰς ἡλικίαν 64 ἐτῶν, ὁ διεθνοῦς φήμης Ἕλλην μαέστρος Δημήτρης Μητρόπουλος».

Ἡ εἴδησις ἔφθασε στὴν ἄκρη τῆς οἰκουμένης καὶ μετὰ τὸ «φλὰς» τοῦ λυπηροῦ γεγονότος ἄρχισαν νὰ μεταδίδωνται οἱ λεπτομέρειες. Τὸ «Ἀθηναϊκὸ Πρακτορεῖον» μετέδωσε:

«Ὁ Δημ. Μητρόπουλος ἀπέθανε ἐκ συγκοπῆς ἐνῶ διηύθυνεν εἰς τὴν Σκάλαν πρόβαν τῆς τρίτης Συμφωνίας τοῦ Μάλερ διὰ κονσέρτο, ποὺ ἐπρόκειτο νὰ δώσῃ τὴν προσεχῆ Δευτέραν.

»Εἰς τὴν Σκάλαν ἔφθασε τὴν 10.15' πρωϊνὴν συνοδευόμενος ἀπὸ τὴν γραμματέα του Τρούντυ Γκόθ. Πρὸ τοῦ καφενείου «Μπίφφι Σκάλα» συνήντησε τὸν Ντίνον Ἐγκολφόπουλον, μὲ τὸν ὁποῖον συνεζήτησεν ἐπ' ὀλίγον.

»Εἰς ἐρώτησιν τοῦ κ. Ἐγκολφοπούλου περὶ τῆς ὑγείας του, ὁ μεγάλος μαέστρος ἀπήντησεν ὅτι αἰσθάνεται πολὺ καλά. Ἀκολούθως, εἰσῆλθεν εἰς τὴν Σκάλαν καὶ ἤρχισε τὴν δοκιμήν.

»Μετ' ὀλίγα λεπτά, ἐσταμάτησεν, ἐκάθησε καὶ ἔπιασε τὸ κεφάλι του προσπαθῶν νὰ εἴπῃ κάτι ἄλλὰ δὲν ἠδυνήθη νὰ προφέρῃ λέξιν διότι ἔπεσεν ἀπὸ τὸ κάθισμά του κατὰ γῆς.

»Τὸν παρέλαβεν ἐπειγόντως φορεῖον διὰ νὰ τὸν μεταφέρῃ εἰς τὴν Πολυκλινικήν, ὅπου ἔφθασε νεκρός».

Εἰς ἄλλο τηλεγράφημα ἀναφέρεται ὅτι ὁ θάνατος τοῦ διαπρεποῦς μαέστρου ἐπῆλθε καθ' ἣν στιγμὴν διηύθυνε δοκιμὴν τῆς Συμφωνικῆς Ὀρχήστρας τῆς Σκάλας.

«Δὲν εἶχον παρέλθει 20 λεπτά, ἐδήλωσε πρὸς τοὺς δημοσιογράφους ἐκπρόσωπος τοῦ θεάτρου, ἀφ' ἧς ἤρχισεν ἡ δοκιμή, ὁπότε ὁ Μητρόπουλος κατέπεσεν αἰφνιδίως ἐπὶ τοῦ ἀναλογίου. Ἀμέσως ὅλοι οἱ μουσικοὶ ἠγέρθησαν ἐκ τῶν θέσεών των καὶ ἔσπευσαν εἰς βοήθειάν του. Μετ' ὀλίγον κατέφθασε τὸ ἀσθενοφόρον πρὸς παραλαβήν του. Καθ' ὁδὸν ὅμως ἐπῆλθε τὸ μοιραῖον πρὶν ἢ οἱ ἰατροὶ δυνηθοῦν νὰ τοῦ προσφέρουν τὴν παραμικρὰν βοήθειαν...».

Μία χαρακτηριστικὴ φωτογραφία τοῦ διασήμου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητρόπουλου, ἐνῶ διευθύνει τὴν φιλαρμονικὴ ὀρχήστρα τῆς Νέας Ὑόρκης.

«Βεατρίκη», γραφὲν ἐπὶ τοῦ γαλλικοῦ κειμένου τοῦ Μαίτερλινγκ, ὀλίγον δὲ κατόπιν ἀνεχώρησε διὰ Βρυξέλλας ὅπου ἐπὶ ἓν ἔτος παρηκολούθησε μαθήματα συνθέσεως παρὰ τὸν Ζιλσόν. Ἀπὸ τοῦ 1921 μέχρι τοῦ 1924 ἐφοίτησεν εἰς τὴν Μουσικὴν Ἀκαδημίαν τοῦ Βερολίνου, ἐνῶ ταυτοχρόνως ἐξετέλει χρέη προπονητοῦ τῆς χορῳδίας καὶ τρίτου διευθυντοῦ ὀρχήστρας στὸ κρατικὸ μελόδραμα τῆς γερμανικῆς πρωτευούσης.

Στὸ Βερολῖνο ἐσπούδασε σύνθεσι μὲ τὸν διάσημο καθηγητὴ Φερούτσιο Μπουζόνι, ὁ ὁποῖος τοῦ εἶχε φερθῆ μὲ αὐστηρότητα, ποὺ ἀσφαλῶς τὸν ὠφέλησε. Ἀργότερα ὅταν ἐπανῆλθε στὴν Ἑλλάδα ὁ Μητρόπουλος ἀνέλαβε τὴν διεύθυνσιν τῆς ὀρχήστρας τοῦ Ἑλληνικοῦ Ὠδείου (1924—1925). κατόπιν δὲ τὴν τοῦ Συλλόγου Συναυλιῶν (1925—1927). Ἀπὸ τοῦ 1927 ἐτέθη ἐπὶ κεφαλῆς τῆς ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν, τὴν ὁποίαν διηύθυνε μέχρι τῆς ἀναχωρήσεώς του ἐξ Ἑλλάδος. Τὸ 1930 ὁ Δημήτριος Μητρόπουλος διηύθυνε τὴν ὀρχήστραν τῆς Φιλαρμονικῆς τοῦ Βερολίνου.

Ὁ ἀποθανὼν διάσημος ἀρχιμουσικός, ἀποχωρήσας τῆς διευθύνσεως τῆς ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν μετέβη τὸ ἔτος 1938 εἰς Ἀμερικὴν ὅπου ἀνεδείχθη ὡς μαέστρος διεθνοῦς φήμης διευθύνων τὴν ὀρχήστραν τῆς Μινεαπόλεως. Ἀργότερον ἀνέλαβε τὴν διεύθυνσιν τῆς ὀρχήστρας τῆς «Μετροπόλιταν Ὄπερα» τῆς Νέας Ὑόρκης. Τὴν ἐν λόγῳ ὀρχήστραν διηύθυνε μέχρι πρό τινος, ὁπότε παρητήθη διὰ λόγους ὑγείας.

Ὁ Μητρόπουλος ἔγραψε ἀρκετὰ ἔργα μεταξὺ τῶν ὁποίων μία σονάτα διὰ βιολὶ καὶ πιάνο, ὡς καὶ ἄλλα ἔργα μουσικῆς δωματίου, τεμάχια διὰ πιάνο, πλεῖστα τραγούδια. ἐκ τῶν ὁποίων τὴν «Κασσιανὴν» ἐπὶ στίχων τοῦ Παλαυᾶ τὸ «Κονσέρτο γκρόσσο», δι' ὀρχήστραν κ. ἄ. Διεσκεύασεν ἐπίσης δι' ὀρχήστραν τὴν «Φαντασίαν καὶ Φούγκαν» εἰς σὸλ ἔλασσον, ὡς καὶ τὸ «Πρελούντιο καὶ Φούγκα» εἰς σὶ ἔλασσον δι' ἐκκλησιαστικὸν ὄργανον τοῦ Μπάχ.

Ὁ ἀνυπέρβλητος μαέστρος ποὺ πολλοὶ τὸν θεωροῦν ἀνώτερο τοῦ Τοσκανίνι μολονότι διηύθυνε στὸ Παρίσι, στὸ Βερολῖνο καὶ στὶς Βρυξέλλες, ἀνεδείχθη κυρίως ὅταν ἀνέβηκε στὰ ἀμερικανικὰ ἀναλόγια. Στὶς Ἡνωμένες Πολιτεῖες ἀνεδείχθη ὁ Μητρόπουλος. Ἦταν τόση ἡ συμπάθεια μὲ τὴν ὁποία τὸν περιέβαλλον οἱ Ἀμερικανοὶ ὥστε, ἀντίθετα πρὸς τὴν συνήθειά τους νά... κουτσουρεύουν τὰ δύσκολα πολυσύλλαβα ἐπώνυμα, ἔμαθαν νὰ προφέρουν σωστὰ τὸ ὄνομά του χωρὶς νὰ τὸ κολοβώσουν. Ὁ Δημήτρης Μητρόπουλος ποὺ ξεκίνησε ἀπὸ τὰς Ἀθήνας, ἔμεινε «Ντιμίτρι Μητρόπουλος» στὸ Δυτικὸ Ἡμισφαίριο καὶ ἔτσι ἁπλώθηκε ἡ φήμη του σὲ κάθε γωνιὰ τῆς γῆς: Ὁ Ἕλλην Δημήτρης Μητρόπουλος, ἕνας πρεσβευτὴς τῆς Ἑλλάδος.

Ο ΑΞΕΧΑΣΤΟΣ ΜΑΕΣΤΡΟΣ

Ἂν τὸν Μητρόπουλο τὸν πολέμησαν οἱ συνάδελφοί του στὴν Ἑλλάδα, δὲν ἔπαψαν νὰ τὸν θαυμάζουν. Ὅταν γύρισε ἀπὸ τὸ Βερολῖνο ὅλοι φαντάστηκαν ὅτι στὸν Μητρόπουλο θὰ προσέφεραν τὴ θέσι τοῦ διευθυντοῦ τοῦ Ὠδείου Ἀθηνῶν. Κι' ὅμως δὲν ἔγινε αὐτό. Εὐτυχῶς ποὺ τὴν ἀξία τοῦ νέου μαέστρου τὴν διεπίστωσε ὁ μεγάλος μας ἀκαδημαϊκὸς κ. Μανώλης Καλομοίρης καὶ τὸν «ἅρπαξε» στὸ Ἑλληνικὸ Ὠδεῖο.

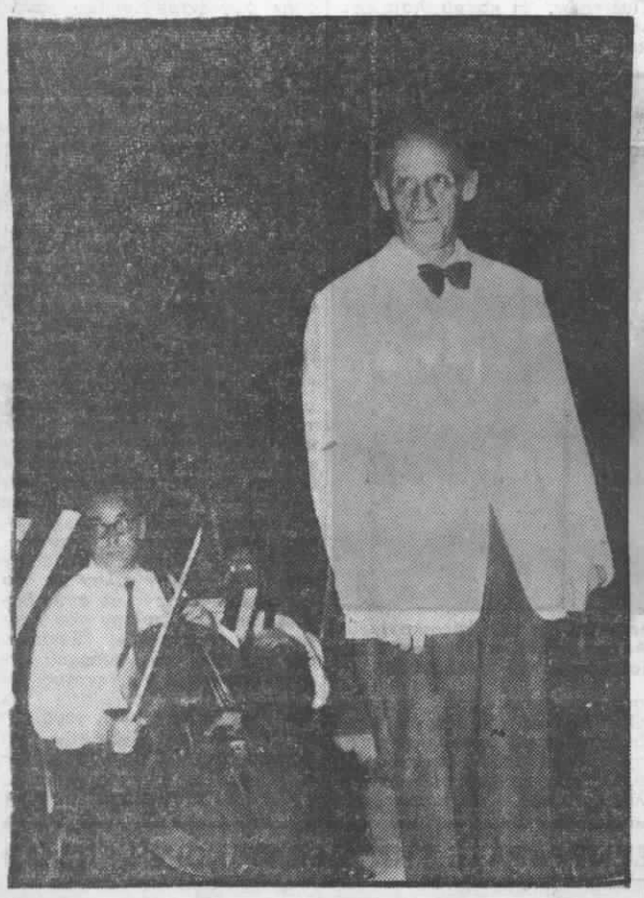
Ἐκεῖ ὁ Μητρόπουλος ἀνέλαβε τὴν διεύθυνσι τῆς ὀρχήστρας καὶ ἄρχισε νὰ θεμελιώνῃ τὸν μεγάλο μαέστρο ποὺ θὰ ἔκανε νὰ κρέμωνται ἀπὸ τὴν ἄκρη τῆς ράβδου του οἱ χιλιάδες τῶν ἀκροατῶν μαγεμένοι, ἐνῶ μὲ τὶς ἀνάλαφρες γρήγορες κινήσεις τῆς μπαγκέττας οἱ ἄψυχες νότες ζωντάνευαν ἀπὸ τὶς «πάρτες» κι' ἐδονοῦσαν τὶς χορδὲς κάθε ἀνθρώπινης ψυχῆς.

Ἡ δύναμις τοῦ μαέστρου ποὺ μᾶς ἄφησε χθὲς παρουσιάζεται μιὰ φορὰ ἀκόμη σὲ μιὰ σύντομη δήλωσι ἐκπροσώπων τῆς Ὄπερας τῆς Βιέννης ποὺ ἔγινε χθὲς μετὰ τὴ θλιβερὴ ἀγγελία:

«Τὰ μέλη τοῦ θιάσου τῆς Κρατικῆς Ὄπερας, λέγει ἡ δήλωσις, καὶ ἰδιαιτέρως τὰ μέλη τῆς ὀρχήστρας, θὰ τὸν ἐνθυμοῦνται πάντοτε ὡς μίαν ἐκ τῶν μεγαλυτέρων προσωπικοτήτων τοῦ μουσικοῦ κόσμου, τοῦ ὁποίου ἡ συναισθηματικὴ καὶ ἀνιδιοτελὴς προσωπικότης οὐδέποτε ἐμερίμνησε διὰ τὸ ἄτομόν του εἰς τὴν προσπάθειαν ἐπιτεύξεως τῶν καλλιτεχνικῶν σκοπῶν του.

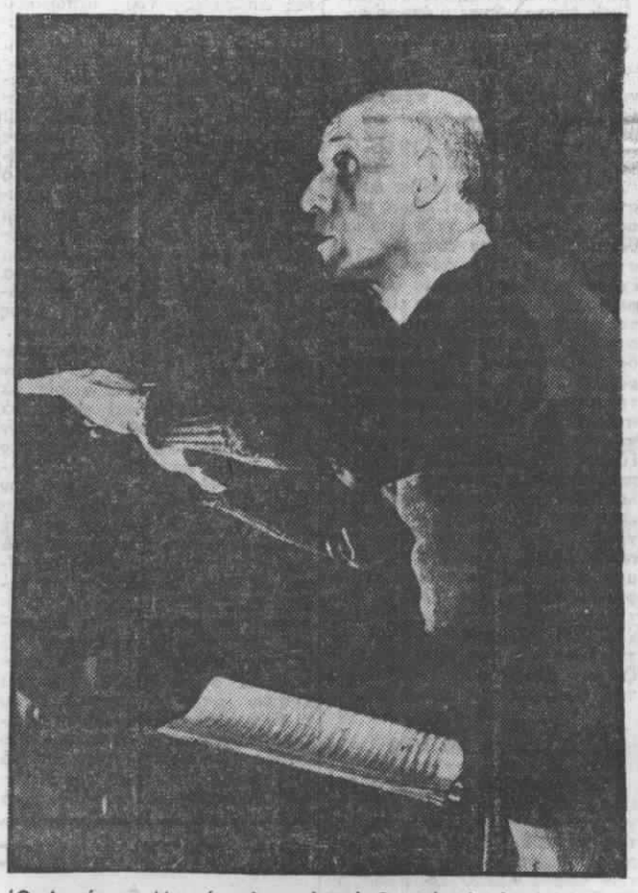
»Οὐδέποτε θὰ ξεχάσωμεν, προσθέτει ὁ ἐκπρόσωπος, ὅτι ὁ Μητρόπουλος ἦτο ὁ ἐξόχως ἀγαθὸς ἀνήρ, διὰ τὸν ὁποῖον οὐδὲν ὑπῆρχεν εἰς τὸν κόσμον πέραν τῶν ὑπηρεσιῶν πρὸς τὴν μουσικὴν καὶ τὴν ἀνθρωποτητα».

ΤΙ ΛΕΓΟΥΝ ΟΙ ΠΑΛΑΙΟΙ ΣΥΝΕΡΓΑΤΑΙ ΤΟΥ



Ἂν τὴν καλλιτεχνικὴ προσωπικότητα καὶ τὴν ἀξία τοῦ Μητροπούλου τὴν ἀναγνωρίζουν στὸ ἐξωτερικό, στὴν πατρίδα πρέπει μὲ ὑπερηφάνειαν νὰ τὴν παραδέχωνται οἱ σύγχρονοί του, οἱ φίλοι του, οἱ συνεργάται του.

Μὲ θλῖψι ὅλοι πληροφορήθηκαν τὸν θάνατο τοῦ μάγου τῆς μπαγκέττας καὶ ὅλοι μίλησαν μὲ συγκίνησι γι' αὐτόν.



—Θὰ μποροῦσε νὰ γίνῃ καὶ μεγάλος πιανίστας, μᾶς εἶπε γνωστὸς μαέστρος, ποὺ θέλησε νὰ κρατήσῃ ἀνωνυμίαν. Τὸν θυμοῦμαι νὰ παίζῃ πιάνο καὶ νὰ διευθύνῃ ταυτοχρόνως. Ὁ Δημήτρης Μητρόπουλος εἶχε μέσα του φλόγα. Ἦταν δημιουργός!

Κι' ἄλλος, φίλος τοῦ Μητροπούλου, ἐτόνισεν.

—"Οταν διηύθυνε μετεβάλλετο ἡ ὀρχήστρα. Ἡ ἑρμηνεία ἔπαιρνε ἄλλη ὄψι. Ὁ θάνατός του ὑπῆρξε μιὰ καλλιτεχνικὴ ἐθνικὴ ἀπώλεια. Κατέλιπε ἕνα κενὸ δυσαναπλήρωτο. Ἡ ἀνθρωπότης πρέπει νὰ θρηνήσῃ τὸν καλλιτέχνη.

Ὁ Δημήτρης Μητρόπουλος χαιρετᾶ τὸ κοινὸν ποὺ τὸν ἀποθεώνει μετὰ τὸ πέρας συναυλίας τῆς Φιλαρμονικῆς τῆς Βιέννης εἰς τὸ Ὠδεῖον Ἡρώδου.

Ὁ Δημήτρης Μητρόπουλος σὲ μιὰ δοκιμὴ μὲ τὴν Φιλαρμονικὴ Ὀρχήστρα τῆς Βιέννης.

Μὲ τὴν ἴδια κατάπληξι ἄκουσε τὴν θλιβερὴ πληροφορία καὶ ὁ κ. Μάριος Βάρβογλης. Τὸν παγώνει τὸ νέο. Στηρίζεται στὸ πιάνο του καὶ κυττάζει ἀπέναντι σὲ μιὰ κορνίζα δύο φωτογραφίες. Στὴν πρώτη ὁ Μητρόπουλος μαζὶ μὲ τὸν κ. Βάρβογλη χαμογελοῦν στὸν φακὸ τῶν φωτορεπόρτερς (φωτογραφία τοῦ 1955), ἐνῶ στὴ δεύτερη — ποὺ εἶναι καὶ παλαιότερη — ὁ Μητρόπουλος καθισμένος στὸ πιάνο διαβάζει τὶς νότες.

— Μπροστὰ στὸ πιάνο! μᾶς ἐξηγεῖ ὁ κ. Βάρβογλης. Σ' αὐτὸ τὸ πιάνο — καὶ μᾶς δείχνει τὸ πιάνο, πάνω στὸ ὁποῖο ἀκούμπησε ὅταν ἄκουσε πὼς ὁ Μητρόπουλος δὲν ὑπάρχει πιά. Εἶναι δικό του. Μοῦ τὸ χάρισε φεύγοντας ἀπὸ τὴν Ἑλλάδα.

Ὁ κ. Βάρβογλης συνδέεται διὰ μακρᾶς φιλίας μὲ τὸν μαέστρο ποὺ ἔφυγε χθές.

— "Οταν γύρισε ἀπὸ τὴν Γερμανία, μᾶς ἐκμυστηρεύεται, ὁ Μητρόπουλος μοῦ τύπωσε μὲ δικά του ἔξοδα τὸ «Τραγούδι τοῦ ἀγωγιάτη». Ἦταν ἁπλός, εὐγενικὸς καὶ αἰσθηματίας. Μὰ τὸν πότισαν πολλὲς πίκρες. Τὸν Μητρόπουλο θὰ ἔπρεπε νὰ τὸν εἶχαν κάνει καὶ ἀκαδημαϊκό. Παρ' ὅλες τὶς πίκρες, ὅμως, τὶς καλλιτεχνικές, ἀγαποῦσε τὸν τόπο του. Λάτρευε τὴν Ἑλλάδα.

Ὁ κ. Βάρβογλης θυμᾶται, θυμᾶται...

— Τὴν ὀρχήστρα τοῦ Ὠδείου, μᾶς λέει, πρὶν ἀπὸ τὸ 1924, τὴν διευθύναμε ὁ Καλομοίρης, ὁ Λαυράγκας κι' ἐγώ. "Οταν ἤρθε ὅμως ὁ Μητρόπουλος, πάψαμε νὰ κάνουμε ἐμεῖς τοὺς μαέστρους. Γιατί ὁ Μητρόπουλος ἤταν ὁ ἐνδεδειγμένος νὰ διευθύνῃ.

— Τὴν ἀξία τοῦ Μητροπούλου, προσθέτει ὁ κ. Βάρβογλης, δὲν θὰ τὴν κρίνω ἐγώ. Ἔχει διεθνῶς ἀναγνωρισθῆ καὶ ἀποτελεῖ τιμὴ γιὰ τὴν Ἑλλάδα. Ἡ ἔξοδός του ἀπὸ τὰ στενὰ ἑλληνικὰ πλαίσια συνέτεινε στὴν ἀνάδειξί του. Ἂν ἔμενε ἐδῶ, θὰ εἶχε τὴν τύχη ἑνὸς ἄλλου μεγάλου δημιουργοῦ: τοῦ Σκαλκώτα. Ὁ θάνατος τοῦ Μητροπούλου ὑπῆρξε μεγάλη καλλιτεχνικὴ ἀπώλεια, ἀλλὰ ὅλοι οἱ ἄνθρωποι ἐκεῖ θὰ καταλήξουμε.

Καὶ ὁ κ. Βάρβογλης τελειώνει μὲ ἕνα ἀφιέρωμα:

— Στὴ μνήμη τοῦ μεγάλου Δημήτρη Μητροπούλου, λέει, ἀφιερώνω τὸ ἔργο μου «Δάφνες καὶ κυπαρίσσια». Τὸ εἶχα σκεφθῆ νὰ τοῦ τὸ ἀφιερώσω ἐνόσω βρισκόταν στὴν ζωή. Δὲν πρόφθασα. Τὸ ἀφιερώνω τώρα.

Γιὰ τὸν θάνατο τοῦ Δημήτρη Μητροπούλου, τὸ πένθος εἶναι παγκόσμιο. Ὁλόκληρη ἡ ἀνθρωπότης θρηνεῖ τὸν μεγάλο καλλιτέχνη, ποὺ ἔπεσε πάνω στὴν μουσικὴ ἔπαλξι. Τὰ τηλεγραφήματα ἀπὸ ὅλον τὸν κόσμο ἀναφέρουν τὸ διεθνὲς καλλιτεχνικὸν πένθος.

Στὸ πένθος μετέχει ἡ πατρίδα του. Λαὸς καὶ κυβέρνησις πενθοῦν γιὰ τὸν μεγάλο ἀρχιμουσικό. Τὸ κράτος θὰ τιμήσῃ τὴν μνήμη του. Κατόπιν ἐντολῆς τοῦ πρωθυπουργοῦ κ. Καραμανλῆ, ἡ σορὸς τοῦ Μητροπούλου θὰ μεταφερθῆ στὰς Ἀθήνας καὶ θὰ ἐκτεθῆ σὲ λαϊκὸ προσκύνημα. Ἡ κηδεία του θὰ γίνῃ δημοσία δαπάνῃ.

Ὁ Μητρόπουλος δὲν ζῇ!

Ἡ μαγικὴ μπαγκέττα του δὲν θὰ συγκινήσῃ πλέον. Ὁ μεγάλος Ἕλλην καλλιτέχνης πέρασε στὴν ἀθανασία.

Τὸ κενὸν τοῦ ἀδοκήτου θανάτου τοῦ μεγάλου αὐτοῦ Ἕλληνος ἀρχιμουσικοῦ εἶναι δυσαναπλήρωτον καὶ ἡ παροῦσα ἔκφρασις ὀδύνης τῶν παλαιῶν συνεργατῶν καὶ φίλων του ἂς προστεθῇ εἰς τὰς ἑκατοντάδας παρομοίων ἐκδηλώσεων τοῦ διεθνοῦς μουσικοῦ κόσμου».

ΑΠΕΒΙΩΣΕ Ο ΜΕΓΑΣ ΕΛΛΗΝ ΜΟΥΣΙΚΟΣ Δ. ΜΗΤΡΟΠΟΥΛΟΣ

Θὰ κηδευθῇ εἰς Ἀθήνας δημοσίᾳ δαπάνῃ

ΑΘΗΝΑΙ, 2.—Τηλεγραφήματα ἀπὸ τὰς πρωτευούσας ὅλων τῶν Εὐρωπαϊκῶν χωρῶν, ὡς καὶ τῆς Οὐάσιγκτων ἀναφέρουν τὴν βαθυτάτην ἐντύπωσιν καὶ θλῖψιν, τὴν ὁποίαν προεκάλεσε παντοῦ ὁ αἰφνίδιος θάνατος τοῦ διασήμου Ἕλληνος ἀρχιμουσικοῦ Δημητρίου Μητροπούλου.

Ἐν τῷ μεταξὺ τηλεγράφημα τοῦ Ἀθηναϊκοῦ πρακτορείου ἐκ Μιλάνου, μεταδίδει τὰς ἀκολούθους πληροφορίας σχετικῶς μὲ τὸν θάνατον τοῦ Ἕλληνος ἀρχιμουσικοῦ.

Ὁ Δημήτριος Μητρόπουλος ἔφθασε εἰς τὴν Σκάλαν τοῦ Μιλάνου τὴν 10.15 πρωϊνὴν σήμερον συνοδευόμενος ἀπὸ τὸν γραμματέα του. Ὀλίγον πρὶν εἰσέλθῃ εἰς τὴν Σκάλαν συνήντησε γνωστὸν ἄτομον μὲ τὸ ὁποῖον συνωμίλησε ἐπ' ὀλίγον.

Εἷς ἐρώτησιν περὶ τῆς ὑγείας του ὁ μέγας μαέστρος ἀπήντησε ὅτι αἰσθάνεται πολὺ καλά.

Ἀκολούθως εἰσῆλθε εἰς τὴν Σκάλαν καὶ ἤρχισε τὴν δοκιμήν. Μετ' ὀλίγα ὅμως λεπτὰ ἐσταμάτησε, ἐκάθησε καὶ ἔπιασε τὸ κεφάλι του, προσπαθῶν νὰ εἴπῃ κάτι ἀλλὰ δὲν ἠδυνήθη νὰ προφέρῃ λέξιν, διότι ἔπεσε κατὰ γῆς.

Τὸ παρέλαβε ἐπειγόντως φορεῖον διὰ νὰ τὸν μεταφέρῃ εἰς τὴν πολυκλινικὴν ὅπου ὅμως ἔφθασε νεκρός. Ὁ Δημήτριος Μητρόπουλος ἐγεννήθη εἰς τὰς Ἀθήνας τὸ 1897. Διετέλε

σε Διευθυντὴς τῆς συμφωνικῆς ὀρχήστρας Ἀθηνῶν καὶ κατόπιν Δ)ντὴς τῆς φιλαρμονικῆς ὀρχήστρας τοῦ Βερολίνου, ὅταν τὸν ἐπρόσεξε ὁ Σέργιος Γουτσεβίτσκυ καὶ τὸν ἐκάλεσε εἰς Βοστώνην. Ἀπὸ τῆς στιγμῆς αὐτῆς ὁ Δημήτριος Μητρόπουλος ἐγένετο παγκόσμιως γνωστὸς καὶ ἐθεωρεῖτο ὡς εἷς ἐκ τῶν μεγαλυτέρων μαέστρων τοῦ κόσμου.

Ἐντολῇ τοῦ κ. πρωθυπουργοῦ ἐδόθησαν ὑπὸ τοῦ ὑπουργοῦ προεδρείας τῆς Κυβερνήσεως κ. Τσάτου ὁδηγίαι εἰς Ἰταλίαν ὅπως ὁ νεκρὸς τοῦ Δημήτρη Μητρόπουλου ταριχευθῇ ἐν ὄψει τῆς μεταφορᾶς του εἰς Ἀθήνας. Ἡ μεταφορὰ τῆς σοροῦ θὰ πραγματοποιηθῇ δι' ἀεροσκάφους τῆς ἑλληνικῆς Βασιλικῆς ἀεροπορίας. Ἡ σορὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ θὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν ἱερὸν ναὸν τῆς Μητροπόλεως. Ἡ κηδεία του θὰ γίνῃ δημοσίᾳ δαπάνῃ εἰς ἡμέραν καὶ ὥραν καθορισθησομένην.

ΠΗΓΑΙΟ ΤΑΛΕΝΤΟ, ΑΡΤΙΑ ΜΟΥΣΙΚΗ ΜΟΡΦΩΣΙΣ, ΑΚΑΤΑΒΛΗΤΟΣ ΕΡΓΑΤΙΚΟΤΗΣ

Τοῦ μουσικοῦ συνεργάτου μας κ. Γεωργίου Βώκου

Ὁ μουσικὸς συνεργάτης μας κ. ΓΕΩΡΓΙΟΣ ΒΩΚΟΣ, ὁ ὁποῖος συνεδέετο μετὰ τοῦ Δημ. Μητροπούλου, γράφει τὰ ἑξῆς διὰ τὴν προσωπικότητα τοῦ θανόντος:

Ὁ μάγος τῆς μπαγκέττας, ὁ Δημήτρης Μητρόπουλος δὲν ὑπάρχει πλέον εἰς τὴν ζωήν. Αὐτὴ ἡ μουσικὴ ἰδιοφυΐα, αὐτὸς ὁ ἀσύλληπτος σὲ μεγαλεῖο ἀρχιμουσικός, ποὺ μὲ τὶς ὀνειρώδεις ἑρμηνείες του, ἐπικεφαλῆς τῶν περιφημοτέρων ὀρχηστρῶν τοῦ κόσμου, ἐμάγευσε ἑκατομμύρια φιλομούσων, δὲν πρόκειται πιὰ νὰ χαρίσῃ τὴν μεγάλη εὐδαιμονία τῆς μουσικῆς του γοητείας. Ὁ θάνατος τοῦ Δημήτρη Μητροπούλου δὲν στερεῖ τὴν ἀνθρωπότητα ἁπλῶς ἀπὸ μία διακεκριμένη μουσικὴ προσωπικότητα, ἀλλὰ ἀπὸ ἕνα πραγματικὸν μουσικὸν φαινόμενον, μὲ ἀνυπέρβλητην καλλιτεχνικὴν ρομαλιότητα, μὲ ἀστειρευτες δυνάμεις δημιουργίας, ἐπιδοῦλη, σὲ βαθμὸ ποὺ ξέφευγαν ἀπ' τὰ ὅρια μιᾶς ἔστω ἐξαιρετικῆς μουσικῆς φύσεως. Γίγας τῆς τέχνης τῶν ἤχων καὶ τῶν ρυθμῶν, ὁ Μητρόπουλος ἔφθασε σὲ ἀπρόσιτες κορυφὲς καλλιτεχνικῆς δόξας καὶ ἀνήγαγε τὴν διεύθυνσι τῆς ὀρχήστρας σ' ἀπροσμέτρητη ἔκφρασι, σ' οὐράνιο τραγοῦδι, σὲ μουσικὴ προσφορά, ἀληθινὴ πηγὴ ἀσύλληπτης μελωδικῆς καὶ ἁρμονικῆς ὁμορφιᾶς.

Ἡ τέχνη τοῦ διευθύνειν γιὰ τὸν Μητρόπουλο δὲν ἀποτελοῦσε ἕνα μέσον ἀντικειμενικῆς καθοδηγήσεως τῶν μουσικῶν τῆς ὀρχήστρας στὶς τυποποιημένες διατάξεις τῶν ρυθμικῶν καὶ ἠχοχρωματικῶν ὅρων τῶν περιλαμβανομένων εἰς τὴν παρτιτοῦρα μιᾶς μουσικῆς συνθέσεως, ἀλλὰ ἔπαιρνε κολοσσιαίες διαστάσεις ψυχικῆς ἔρευνας στὴν βαθύτερη ἔννοια τῆς κάθε μουσικῆς μορφῆς, κάτι σὰν μουσικοαισθητικὴ ἀνατομία μὲ διαρκεῖς ἀναζητήσεις, εἰς τὸ πλαίσιον συνεχῶν φιλοσοφικῶν στοχασμῶν...

Ἔτσι ἡ ἑρμηνεία γινόταν ποίημα, φῶς θεϊκό, ἀριστουργηματικὸ ψηφιδωτὸ ἠχητικοτήτων κι' ἡ ἀνώτερη ἑρμηνεία ἀγκάλιαζε καὶ συνήρπαζε τὴν ὀρχήστρα καὶ τὸ κοινόν...

Ἀκατάμαχητος ὁ Μητρόπουλος... Τὰ χέρια του, ἐκεῖνα τὰ καταπληκτικὰ χέρια του, κι' ὅταν ἀκόμη τὰ ὄργανα τῆς ὀρχήστρας σὲ μιὰ στιγμὴ μουσικῶν παύσεων δὲν ἔπαιζαν, τραγουδοῦσαν... Ἦτσν αὐτὰ τὰ ἴδια, σὰν μιὰ φανταστικὴ ὀρχήστρα.

Γεννημένος μαέστρος ἦταν ὁ Μητρόπουλος... Προικισμένος μὲ θεία μουσικὰ δῶρα, ἀνεδείχθη κυρίαρχος τῆς ὀρχήστρας. Κάθε ἐκτέλεσι γιὰ τὸν Μητρόπουλο ἔπαιρνε φανταστικὴ — παραμυθένια ὄψι... Λὲς καὶ ὑπνώτιζε τοὺς μουσικούς... ὑπνώτιζε καὶ τὸ ἀκροατήριό του. Κι' ὅλοι τὸν ἀκολουθοῦσαν στὸ ταξίδι τῶν μουσικῶν του παραδείσων.

*

Ἐκεῖνα τὰ σχήματα ποὺ διέγραφαν τὰ χέρια του, ἦταν χάρμα ὀφθαλμῶν... Καὶ ἡ ἐλαχίστη κινησιολογία του καὶ ἡ παραμικρότερη ἔκφρασι τοῦ προσώπου του, ἀποτελοῦσαν τὴν ὀνειρώδη εἰκόνα ἑνὸς νέου μυριανθισμένου μουσικοῦ κάμπου, ἑνὸς μυστηριακοῦ περιβάλλοντος.

Κοντὰ στὸ ταλέντο κι' ἡ μουσικὴ μόρφωσι, ἡ μουσικὴ καλλιέργεια, μὲ τὶς ὁποῖες ἀνοίγονται διάπλατα γιὰ τὸν καλλιτέχνη οἱ πόρτες θεσπεσίων μουσικῶν ἐπιτεύξεων.

Κι' ὁ Μητρόπουλος ἦταν ἀληθινὸς κολοσσὸς ἀπὸ αὐτὴς τῆς ἀπόψεως. Ἀπορράμιλλος δεξιοτέχνης τοῦ πιάνου, ἀπόφοιτος τοῦ Ὠδείου Ἀθηνῶν, τῆς τάξεως τοῦ καθηγητοῦ Βασσενχόβεν, ἔδωσε ἐπανειλημμένως δείγματα τῆς πιανιστικῆς του ἐπιδόσεως καὶ μάλιστα συνδυάζοντας ταυτοχρόνως παίξιμο καὶ διεύθυνσι ὀρχήστρας. Ἦταν τόσο ἐξαιρετικὸς στὶς διπλωματικὲς του ἐξετάσεις στὸ πιάνο τὸ 1918, ὥστε βραβεύθηκε μὲ τὸ χρυσὸ μετάλλιο. Ἀπὸ θεωρητικῆς πλευρᾶς, ἐπίσης ὁ Μητρόπουλος ὑπῆρξε πλήρως κατηρτισμένος. Μαθητὴς τοῦ Μαρσὶκ στὴν ἁρμονία καὶ στὸ κοντραπούντο, ἀπέκτησε κοντὰ στὸν σοφὸ αὐτὸν διδάσκαλο ὠκεανὸ γνώσεων, οἱ ὁποῖες τοῦ στάθηκαν πολύτιμοι βοηθοὶ γιὰ τὴν κατοπινὴ ἀλματώδη του ἄνοδο καὶ παγκόσμια ἐπιβολή.

Ὁ Μαρσὶκ συχνὰ ἔλεγε: «Γιὰ τὸν Μητρόπουλο δὲν ὑπάρχει τίποτα τὸ μουσικὸ ἀκατόρθωτο... Ὁ Μητρόπουλος παίζει μὲ τὰ θέματα τῆς ἀντιστίξεως καὶ τῆς ἁρμονίας».

Ὁ ἄλλος δάσκαλός του τοῦ πιάνου, ὁ καὶ θεμελιωτὴς τῆς πιανιστικῆς τέχνης στὴν Ἑλλάδα, ὁ Βασσενχόβεν, συνεδούλευε τὸν νεαρὸ μαθητή του νὰ γίνῃ πιανίστας.

«Τέτοια δάκτυλα γιατὶ νὰ πᾶνε χαμένα, ἀφοῦ εἶνε καμωμένα γιὰ τὸ πιάνο;», ταῦλεγε συχνά...

Ὅλος αὐτὸς λοιπὸν ὁ θεωρητικὸς καὶ πιανιστικὸς ἐξοπλισμός, μαζὶ μὲ τὸ γιγαντιαῖο ταλέντο ἔδωσαν στὸν Μητρόπουλο τὰ φτερὰ γιὰ νὰ φτάσῃ τόσο ψηλά, ὥστε τὸ ὄνομά του νὰ καταστῇ θρυλικὸ στὸ παγκόσμιο μουσικὸ στερέωμα. Εἶχε κάτι ἐντελῶς δικό του ὁ Μητρόπουλος. Ἡ μαεστρική του δεινότης ἦταν ἀπέραντη... Ἡ μπαγκέττα του ἦταν ὁλόκληρο τὸ «εἶνε» του... Ὁ ψυχικός του σύνδεσμος μὲ τὴν ὀρχήστρα. Ἐκεῖ στὸ ἀναλόγιο τοῦ μαέστρου ἔδινε ὅλο του τὸ πνεῦμα, ὅλη τὴν ὕπαρξι. Τὴν στιγμὴ ποὺ διηύθυνε ἐμοιαζε μὲ ἡμίθεο... Ὁ μουσικὸς Μητρόπουλος γινόταν ὁ ἀνυπέρβλητος ἐξουσιαστὴς τῆς ὀρχήστρας καὶ μὲ τὴν σαγήνη του καὶ τὴν μεγάλη του τέχνη αἰχμαλώτιζε τοὺς πάντας. Καὶ σ' αὐτὸ τὸ ἀναλόγιο, μὲ τὴν μπαγκέττα στὸ χέρι ὁ Μητρόπουλος ἄφησε τὴν στερνή του πνοή... Ἀνάμεσα στὴν ἀγαπημένη του ὀρχήστρα, τὴν παντοτεινὴ συντρόφισσά του. Κι' ἀκόμη ὅταν γεμάτος δάφνες τέλειωσε τὶς σπουδές του στὴν Ἑλλάδα, ὁ Μητρόπουλος δὲν σταμάτησε νὰ μαθαίνῃ. Πῆγε στὶς Βρυξέλλες ὅπου πῆρε μαθήματα συνθέσεως ἀπὸ τὸν Γκίλσον καὶ κατόπιν στὸ Βερολῖνο. Ἀπὸ τὸ 1921 — 24, στὴν τάξι συνθέσεως τοῦ Μπουζόνι, ἐνῶ ταυτοχρόνως ἔκαμε χρέη ἐκγυμναστοῦ τῆς χορῳδίας καὶ τρίτου διευθυντοῦ ὀρχήστρας εἰς τὸ ἐκεῖ κρατικὸ μελόδραμα.

*

Ἀπ' τὰ 1924 — 25 γυρίζοντας στὴν Ἑλλάδα ἀνέλαβε τὴν διεύθυνσιν τῆς ὀρχήστρας τοῦ Ἑλληνικοῦ Ὠδείου καὶ ἐν συνεχείᾳ τοῦ Συλλόγου Συναυλιῶν κατὰ τὰ ἔτη 1925 — 27.

Ἀπὸ τὸ 1927 διηύθυνε τὴν τότε Συμφωνικὴ Ὀρχήστρα τοῦ Ὠδείου Ἀθηνῶν μέχρι τὸ 1937, ὁπότε ἔφυγε γιὰ τὴν Ἀμερική, ὅπου πλέον τὸν ἀγκάλιασε ἡ δόξα καὶ τὸν χρυσοστεφάνωσε.

Στὶς 18 Φεβρουαρίου τοῦ 1896 γεννήθηκε ὁ Μητρόπουλος. Ὁ πατέρας του, ἔμπορος τὸ ἐπάγγελμα, ἤθελε νὰ τὸν κάμῃ ἀξιωματικὸ τοῦ Ναυτικοῦ. Ἀλλὰ λίγο ἔλειψε ὁ Μητρόπουλος νὰ περιδληθῇ τὸ μοναχικὸν σχῆμα παρ' ὅτι ἔνοιωθε νὰ τὸν τραδᾷ καὶ ἡ μεγάλη δύναμις πρὸς τὴν μουσική. Καὶ μόνο τὸ ὅτι ὡς μοναχὸς δὲν θὰ τοῦ ἦταν δυνατὸν νὰ ἱκανοποιήσῃ τὴ ἔφεσί του πρὸς τὴν μουσικὴ τέχνη, τὸν τράδηξε ἀπὸ τὸν ἐκκλησιαστικὸ δρόμο καὶ τὸν ὠδήγησε στὸν μουσικό.

Ἡ Ἀμερικὴ γιὰ τὸν Μητρόπουλο ὑπῆρξε ὁ τόπος τῆς χρυσῆς μουσικῆς του συγκομιδῆς. Πρωτοδιορίστηκε μαέστρος τῆς Συμφωνικῆς Ὀρχήστρας τῆς Μιννεαπόλεως, ὅπου παρέμεινε σ' αὐτὴ τὴ θέσι μέχρι τὸ 1949 καὶ κατόπιν τῆς Φιλαρμονικῆς τῆς Νέας Ὑόρκης, διαδεχθεὶς τὸν Τοσκανίνι καὶ τὸν Μπρούνο Βάλτερ. Καὶ ἔμειναν ὡς παγκόσμια μουσικὰ γεγονότα οἱ συναυλίες ποὺ ἔδωσε τὸ θαυμαστῆς φήμης ἀμερικανικὸ ὀρχηστρικὸ συγκρότημα μὲ τὸν Μητρόπουλο ἐπὶ κεφαλῆς.

Ἡ φήμη τοῦ Μητροπούλου ἄρχισε νὰ ἐξαπλώνεται προοδευτικὰ ἀπ' τὸ 1930, ὅταν ἔκαμε τὴν πρώτη περιοδεία του στὸ Παρίσι, Λίδερπουλ, Βερολῖνον καὶ Βρυξέλλες. Τὸ 1932 διευθύνει συναυλίες στὴν Ρώμη, Νεάπολι, Φλωρεντία, Λονδῖνο καὶ Παρίσι.

Παραλλήλως — ὅπως ἀνέφερα — ὄχι λίγες φορὲς τοῦ δόθηκε ἡ εὐκαιρία νὰ ἐπιδείξῃ τὶς πιανιστικές του ἀρετὲς καὶ συγκεκριμένως τὸ 1934, ὅτε ἐπρόκειτο νὰ διευθύνῃ τὴν φιλαρμονικὴ τοῦ Βερολίνου μὲ τὸ τρίτο κονσέρτο γιὰ πιάνο τοῦ Προκόφιεφ, μὲ σολίστ τὸν Ἔγκο Πέτρι, ὁ ὁποῖος ὅμως ἀρρώστησε καὶ ἔτσι τὴν τελευταία στιγμὴ τὸν ἀνεπλήρωσε ὁ Μητρόπουλος, ὁ ὁποῖος παίζων πιάνο καὶ διευθύνων τὴν ὀρχήστρα ἐσημείωσε θριαμβευτικὴν ἐπιτυχίαν.

*

Ἀλλὰ κοντὰ σ' αὐτὰ ὅλοι μας ἔχουμε ὁλοζώντανες ἀκόμη τὶς μουσικὲς ἑρμηνεῖες τοῦ Μητρόπουλου, ὅταν δύο φορὲς ἐπισκέφθηκε τὴν Ἀθήνα, τὸ 1955 ἐπὶ κεφαλῆς τῆς Φιλαρμονικῆς Ὀρχήστρας καὶ πέρυσι μὲ τὴν Φιλαρμονικὴ τῆς Βιέννης.

Μάγεψε ὁ Μητρόπουλος... Ἡ μπαγκέττα του μᾶς πρόσφερε τὴ μουσικὴ ἐκείνη ἀμβροσία ποὺ ὀνειρεύεται νὰ γευθῇ κάθε θνητός. Ἦταν τὸ τραγοῦδι, τὸ αὐθόρμητο τραγοῦδι τῆς μεγάλης καλλιτεχνικῆς του ψυχῆς, δοσμένο μὲ ὅλη τὴν φλόγα τῆς μουσικῆς του ἰδιοφυΐας, τῆς εὐαισθησίας του, γιὰ τὴν πατρίδα του ...τὴν Ἑλλάδα...

Τὸ τελευταῖο μουσικό του ἀγκάλιασμα. Ἀκόμη νοιώθουμε τὴν παρήγορη ζεστασιά του.

Ὁ θάνατος πῆρε τὸν Μητρόπουλο ἀπὸ κοντά μας. Ὅλη ἡ ἀνθρωπότης θρηνεῖ τὸν χαμό του... Ὁ Μουσικὸς Γίγας Ἔπεσε, τὴν στιγμὴ ποὺ διηύθυνε σὲ δοκιμὴ τὴν συμφωνικὴ ὀρχήστρα τῆς Σκάλας τοῦ Μιλάνου

Μαεστρικὴ κορυφή, διρτυούζος πιανίστας. Ἀλλὰ καὶ λαμπρὸς συνθέτης.

Ἔγραψε τὴν «Συμφωνία τοῦ Χριστοῦ», τὴν «Κρητικὴ Γιορτή», τὸ «Κονσέρτο Γκρόσσο», «Βεατρίκη», σκηνικὴ μουσικὴ γιὰ τὴν «Ἠλέκτρα» καὶ τὸν «Ἱππόλυτον Στεφανηφόρο». Ἐπίσης «Τρεῖς χοροὺς τῶν Κυθήρων», 60 φούγκες διπλές, 30 χορικά, τὴν «Ἑλληνικὴ Σονάτα» κ. ἄ.

Ἔχει ἐπίσης διασκευάσει γιὰ μεγάλη ὀρχήστρα τὴν «Φαντασία καὶ Φούγκα σὲ σὸλ Ἔλασ.», τοῦ Μπὰχ καὶ τὸ «Πρελούντιο καὶ Φούγκα σὲ σὶ Ἔλασ.».

Ἀλλὰ πάνω ἀπ' ὅλα ὁ Μητρόπουλος ὑπῆρξε ὁ ἰδανικὸς μαέστρος, ὁ θαυμαστὸς ἑρμηνευτής, ὁ ἀπαράμιλλος τεχνίτης τῆς μπαγκέττας.

Μεγάλη προτίμησι εἶχε καὶ στὰ μοντέρνα συμφωνικὰ ἔργα ποὺ συχνὰ στὰ προγράμματά του περιελάμβανε.

Γι' αὐτὴ του τὴν ἐπίδοσι στὴ σύγχρονη μουσικὴ τιμήθηκε μὲ τὸ μετάλλιο Σαὶνμπεργκ.

Ἡ Ἑλλάδα ἔχασε τὸ ἐκλεκτό — τὸ τιμημένο — μουσικό της παιδί. Κι' ὁ κόσμος ὁλόκληρος τὸν δαφνοστεφανωμένο ἀρχιμουσικό...

Τὰ δάκρυά μας στέκονται ἀνήμπορα νὰ ἐκφράσουν τὴν ἀβάσταχτη λύπη μας... Ὑμνοι ἀγγέλων ἂς τὸν συνοδεύσουν στὸ αἰώνιο ταξίδι του..

λυτέρων προσωπικοτήτων τοῦ μουσικοῦ κόσμου, τοῦ ὁποίου ἡ συναισθηματικὴ καὶ ἀνιδιοτελὴς προσωπικότης οὐδέποτε ἐμερίμνησε διὰ τὸ ἄτομόν του εἰς τὴν προσπάθειαν ἐπιτεύξεως τῶν καλλιτεχνικῶν σκοπῶν του.

Οὐδέποτε θὰ ξεχάσωμεν— προσέθεσεν ὁ ἐν λόγῳ ἐκπρόσωπος — ὅτι ὁ Μητρόπουλος ἦτο ὁ ἐξόχως ἀγαθὸς ἄνήρ, διὰ τὸν ὁποῖον οὐδὲν ὑπῆρχεν εἰς τὸν κόσμον πέραν τῶν ὑπηρεσιῶν πρὸς τὴν μουσικὴν καὶ τὴν ἀνθρωπότητα».

Εἰς τὴν Ἀμερικήν, ἡ ὁποία ἀνέδειξε τὸν Μητρόπουλον ἀλλὰ καὶ ἀνεδείχθη ὑπ' αὐτοῦ εἰς τὸ καλλιτεχνικὸν ἐπίπεδον, ἡ ἀγγελία τοῦ θανάτου ἐσκόρπισε βαθεῖαν θλῖψιν εἰς τοὺς φίλους του καὶ εἰς τὰ ἑκατομμύρια τῶν Ἀμερικανῶν ποὺ τὸν εἶχον ἀκούσει νὰ διευθύνῃ καὶ οἱ ὁποῖοι, παρὰ τὴν ἀντιπάθειάν των πρὸς τὰ ξένα ὀνόματα, τὸ «δύσκολον» ὄνομα τοῦ Μητροπούλου ἦτο τὸ μόνον ποὺ ἐπρόφεραν ὀρθῶς. Εἰς τὸ μικρὸν μπὰρ τῆς Νέας Ὑόρκης, ὅπου ὁ Μητρόπουλος ἐσύχναζε φορῶν τὸ «κλειστὸν» μαῦρον πουλόβερ καὶ ἔμενεν ἕως ἀργὰ τὴν νύκτα συζητῶν μὲ τοὺς θαυμαστὰς καὶ τοὺς μαθητάς του, χθὲς τὴν ἑσπέραν ἐπεκράτει ἰδιαιτέρα κατήφεια. Ἀμίλητοι οἱ φίλοι του περιεφέροντο καὶ ἡ αἴσθησις τῆς ἀπωλείας ἦτο ἀποτυπωμένη εἰς τὸ πρόσωπόν των. Ἀκόμη καὶ ὁ μπάρμαν, ὁ ὁποῖος δὲν ἐγνώριζε πολλὰ ἀπὸ μουσικήν, σιωπηλὸς ἀνεμίγνυε τὰ ποτὰ καὶ συχνὰ ἐσπόγγιζε τοὺς ὀφθαλμούς του.

Ἡ μεταφορὰ τῆς σοροῦ θὰ πραγματοποιηθῇ δι' ἀεροσκάφους τῆς Ε.Β.Α., ἡ δὲ σορὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ θὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν Ἱερὸν Ναὸν τῆς Μητροπόλεως. Ἡ κηδεία θὰ γίνῃ δημοσίᾳ δαπάνῃ εἰς ἡμέραν καὶ ὥραν καθορισθησομένην.

Ἐγνώσθη ὅτι ὁ Δημήτρης Μητρόπουλος οὐδένα συγγενῆ κατέλιπεν.

Ὁ ὑπουργὸς Παιδείας κ. Γ. Βογιατζῆς, πληροφορηθεὶς τὸν θάνατον τοῦ μαέστρου Δ. Μητροπούλου, ἐδήλωσεν τὰ ἑξῆς: «Ὁ ἀδόκητος θάνατος τοῦ μεγάλου Ἕλληνος μουσουργοῦ Δ. Μητροπούλου ἀποτελεῖ πλῆγμα διὰ τὸν καλλιτεχνικὸν κόσμον καὶ ἐθνικὴν ἀπώλειαν μεγάλην. Ἡ Ἑλληνικὴ Κυβέρνησις, τιμῶσα τὸ ἔργον τοῦ ἀνδρός, ἀπεφάσισεν νὰ μεταφερθῇ ἡ σορὸς τοῦ ἐκλιπόντος εἰς Ἀθήνας καὶ νὰ ἀποδοθοῦν αἱ δέουσαι τιμαί, ἐκτὸς ἐὰν ἄλλως ἔχῃ ὁρισθῇ διὰ τῆς διαθήκης αὐτοῦ.

ΣΥΝΤΟΜΟΝ ΒΙΟΓΡΑΦΙΚΟΝ ΣΗΜΕΙΩΜΑ

Ὁ Δημήτρης Μητρόπουλος ἐγεννήθη εἰς Ἀθήνας τὸ 1896. Υἱὸς ἐμπόρου δερματίνων εἰδῶν, ἔγγονος ἱερέως καὶ ἀνεψιὸς ἀρχιεπισκόπου, ὁ Μητρόπουλος ἐσκόπευε κατ' ἀρχάς, λόγῳ τῆς βαθείας θρησκευτικῆς του φύσεως, νὰ ἀκολουθήσῃ τὸν μοναστικὸν βίον, παρὰ τὴν ἐπιθυμίαν τοῦ πατρός του, ὁ ὁποῖος τὸν πρώριζε διὰ τὸ Ναυτικόν. Ἐν τούτοις, τὴν πρόθεσίν του νὰ εἰσέλθῃ εἰς μοναστήριον, ἐματαίωσεν ὁ ἰδιος λόγω ἑνὸς κανόνος, ὁ ὁποῖος ἀπαγορεύει τὴν εἰσαγωγὴν μουσικῶν ὀργάνων εἰς τὰς Μονάς. Οὕτως, ἀπεφάσισε νὰ γίνῃ μουσικὸς καὶ συνθέτης. Μετὰ τὰς σπουδὰς του εἰς τὸ Ὠδεῖον Ἀθηνῶν, μετέβη εἰς τὸ Βερολῖνον, ὅπου ἐμελέτησε σύνθεσιν ὑπὸ τὸν Φερούτσιο Μπουζόνι. «Ἀπὸ ὅ,τι μοῦ εἶπεν ὁ Μπουζόνι, ἐξωμολογεῖτο ὁ ἴδιος ἀργότερον, ἔχασα κάθε ἐκτίμησιν πρὸς τὸν ἑαυτόν μου ὡς συνθέτην. Ἤκουσα τὸν Μπουζόνι, ἀφομοίωσα τὰς γνώσεις του καὶ κατέληξα εἰς ἀναδημιουργὸν (μαέστρον) ἀντὶ νὰ γίνω δημιουργὸς συνθέτης».

Ὁ νεαρὸς τότε συνθέτης τῆς ὄπερας «Ἀδελφὴ Βεατρίκη», ἐπεδόθη εἰς τὸ πιάνο καὶ τὴν διεύθυνσιν ὀρχήστρας. Εἰργάσθη ὡς μαέστρος εἰς τὴν συμφωνικὴν ὀρχήστραν τῶν Ἀθηνῶν καὶ ὡς φιλοξενούμενος μαέστρος εἰς τὴν Φιλαρμονικὴν τοῦ Βερολίνου, πρὶν ποσελκύσῃ τὴν προσοχὴν τοῦ Σεργίου Κουσεβίτσκυ, ὁ ὁποῖος τὸν προσεκάλεσεν εἰς τὴν Βοστώνην τὸ 1936.

Τὸ ἑπόμενος Ἔτος, ὁ Μητρόπουλος ὠνομάσθη μόνιμος διευθυντὴς τῆς Συμφωνικῆς Ὀρχήστρας τῆς Μιννεαπόλεως. Ἐπὶ 12 ἔτη παρέμεινεν εἰς τὴν θέσιν αὐτήν, τὴν ὁποίαν ἐλάμπρυνεν, ἐπευφημηθεὶς ὅσον ὀλίγοι μαέστροι ἀπὸ τὸ εὐρὺ κοινὸν τῶν Μεσοδυτικῶν Πολιτειῶν τῆς Ἀμερικῆς. Ἐν συνεχείᾳ, ὁ Μητρόπουλος — ὁ ὁποῖος ἔλεγε ὅτι δὲν ἐνυμφεύθη «διότι διὰ νὰ ἐπιτύχῃ ἕνας γάμος εἶνε ὁλόκληρη δουλειὰ καὶ δὲν νομίζω ὅτι δύναμαι νὰ κάμω δύο ἐργασίες συγχρόνως» — μετέβη εἰς τὴν Νέαν Ὑόρκην, ὅπου μέχρι τοῦ 1957 διετέλεσε μουσικὸς διευθυντὴς τῆς ἐκεῖ Φιλαρμονικῆς, διὰ νὰ καταστῇ ἀργότερον ἀρχιμουσικὸς αὐτῆς.

Μὲ τὴν ἁπλοϊκὴν ζωὴν ποὺ ἀκολουθοῦσε καὶ τὴν πηγαίαν ἀφέλειαν ποὺ τὸν διέκρινε, ὁ Μητρόπουλος ἤλθεν πολλάκις εἰς συγκρουσιν μὲ τοὺς μουσικοὺς κύκλους, οἱ ὁποῖοι «ἐσοκαρίζοντο» ὑπερμέτρως μὲ τὴν συνήθειάν του νὰ συνταξιδεύῃ μὲ τοὺς μουσικοὺς εἰς τὰ λεωφορεῖα, κατὰ τὰς διαφόρους περιοδείας τῆς Ὀρχήστρας. Ἐν τούτοις, ἅπαντες ὑπεκλίνοντο πρὸ τῆς μουσικῆς του ἰδιοφυΐας, ἦτο δὲ εἷς πάντας γνωστὴ ἡ περίφημος καταστᾶσα μουσικὴ του μνήμη.

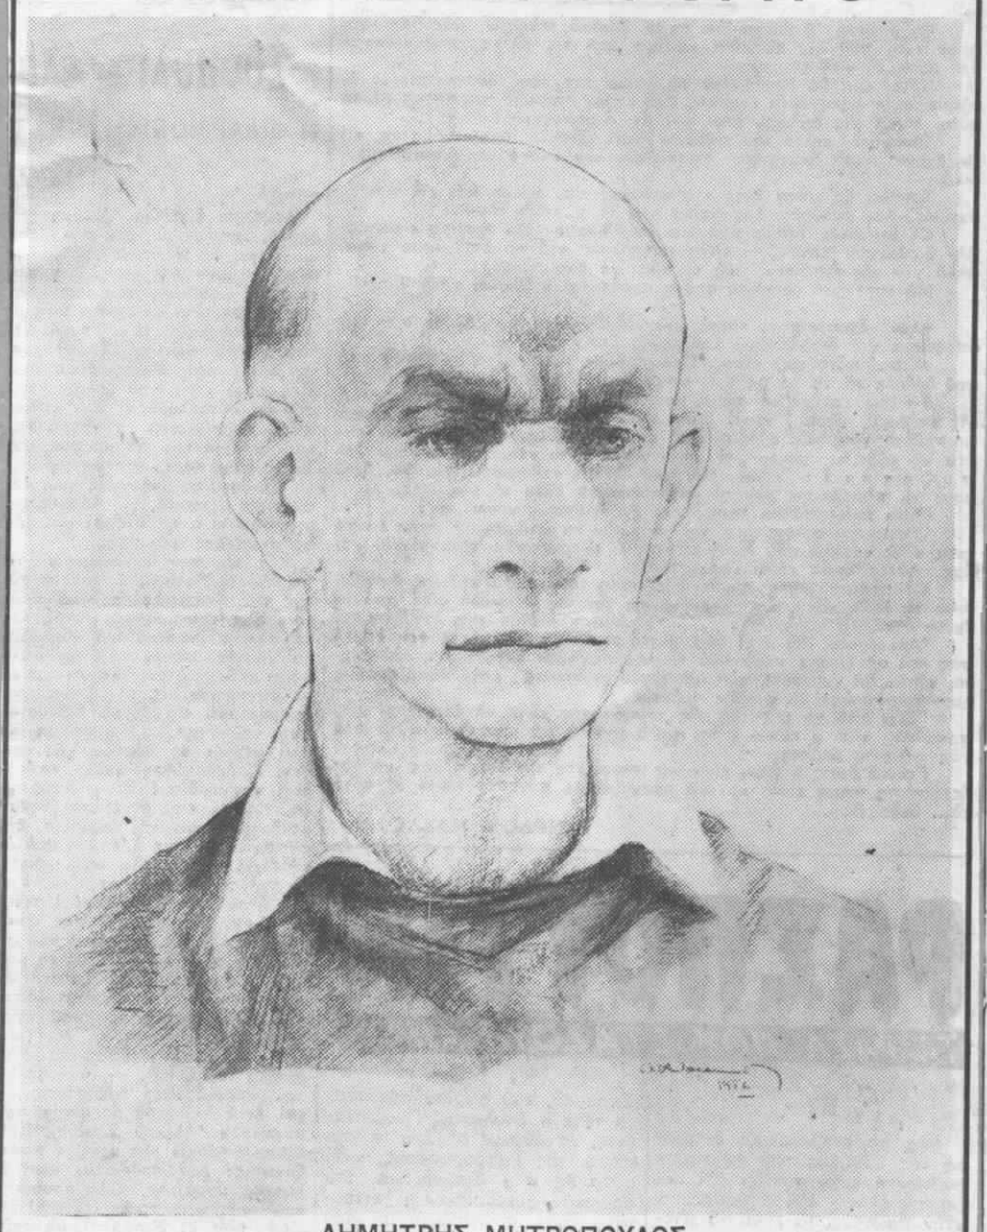
ΜΙΛΑΝΟΝ, 3. (Διεθνὴς Ἡνωμένος Τύπος).—Ὁ Δημήτρης Μητρόπουλος ἔπαυσε ἀπὸ χθὲς νὰ ὑπάρχῃ. Ὁ διάσημος Ἕλλην ἀρχιμουσικὸς ἔπεσε πραγματικὰ ἐπὶ τῶν ἐπάλξεων καθὼς ὁ θάνατος τὸν ἔπληξε κερυνοβόλα εἰς τὸ ἀναλόγιον τοῦ μαέστρου, τὴν στιγμὴν ποὺ διηύθυνε πρόβαν τῆς τρίτης συμφωνίας τοῦ Μάλερ διὰ κονσέρτο, εἰς τὴν Ὄπεραν τῆς Σκάλας τοῦ Μιλάνου. Ἅφωνοι οἱ μουσικοὶ τῆς ὀρχήστρας παρηκολούθησαν τὴν διαίαν συνάντησιν τοῦ μεγάλου μαέστρου μὲ τὴν τελευταίαν στιγμὴν τῆς ζωῆς του. Δευτερόλεπτα διήρκεσεν ἡ ἄνισος πάλη. Ὀλίγας στιγμὰς ἀργότερον, μία ἀπὸ τὰς μεγαλυτέρας μουσικὰς φυσιογνωμίας τοῦ αἰῶνος μας, ὁ διάδοχος, ὡς εἶχε ἀποκληθῇ, τοῦ Τοσκανίνι, εἶχε καταληφθῇ ἀπὸ τὸν ρόγχον τοῦ θανάτου, πεσμένος εἰς τὴν δάσιν τοῦ ἀναλογίου. Μερικὰ ἑκατοστὰ μακρύτερα, κοντὰ εἰς τὸ ἀριστερόν του χέρι, ἔκειτο ἡ μπαγκέττα.

Εἰς τὴν «Σκάλαν», ὅπου ὁ Μητρόπουλος ἐπρόκειτο νὰ ἐμφανισθῇ τὴν προσεχῆ Δευτέραν, ἔφθασε τὴν 10.15' πρωϊνήν, συνοδευόμενος ἀπὸ τὴν γραμματέα του Τρούντυ Γκόθ. Πρὸ τοῦ καφενείου «Μπίφφι Σκάλα» συνήντησε τὸν βαρύτονον Ἐγκολφόπουλον, μὲ τὸν ὁποῖον συνεζήτησεν ἐπ' ὀλίγον.

Εἰς ἐρώτησιν τοῦ κ. Ἐγκολφοπούλου περὶ τῆς ὑγείας του, ὁ μεγάλος μαέστρος ἀπήντησεν ὅτι αἰσθάνεται πολὺ καλά. Ἀκολούθως, εἰσῆλθεν εἰς τὴν «Σκάλα» καὶ ἤρχισε τὴν δοκιμήν.

Ἐπὶ εἴκοσι περίπου λεπτὰ διηύθυνε τὴν ὀρχήστραν, ὅταν, αἰφνιδίως, ἡ μπαγκέττα ἐξέφυγε ἀπὸ τὴν χεῖρα του καὶ ἔπεσε. «Μουδιασμένοι» οἱ μουσικοὶ ἤρχισαν ὁ εἷς μετὰ τὸν ἄλλον νὰ σταματοῦν, ἐνῶ ὁ Μητρόπουλος ἐκάθητο κάτωχρος καὶ ἔπιανε τὸ κεφάλι του, προσπαθῶν νὰ φθιβρίσῃ κάτι. Καμμίαν ἐν τούτοις λέξιν δὲν ἠδυνήθη νὰ προφέρῃ, ἔγειρε «μονοκόμματα» ἀπὸ τὸ κάθισμα καὶ ἔπεσε κατὰ γῆς. Ἀναστατωμένοι οἱ μουσικοὶ τῆς ὀρχήστρας ὥρμησαν κοντά του, ἰατρὸς δέ, κληθεὶς ἐπειγόντως, ἐπεχείρησε μαλάξεις τῆς καρδιακῆς χώρας. Ἐν σπουδῇ τὸν παρέλαβεν ἀκολούθως φορεῖον διὰ νὰ τὸν μεταφέρῃ εἰς τὴν Πολυκλινικὴν τοῦ Μιλάνου, ὅπου οἱ ἰατροὶ τῆς κλινικῆς, κατόπιν προκαταρκτικῆς διαγνώσεως, ἐδήλωσαν ὅτι ὁ 64 ἐτῶν μαέστρος ὑπέκυψεν εἰς τὸ μοιραῖον συνεπείᾳ ἐγκεφαλικῆς αἱμορραγίας.

ΔΙΕΘΝΕΣ ΠΕΝΘΟΣ



Μόλις ἐγνώσθη ἡ εἴδησις εἰς τὴν «Σκάλαν», οἱ μουσικοί, ποὺ πρὸ ὀλίγης ἀκόμη ὥρας ὑπῆκουαν εἰς τὴν μαγικὴν μπαγκέτταν, ἐδάκρυσαν καὶ παντοιοτρόπως ἐξεδήλωσαν τὴν βαθυτάτην θλῖψιν των. Ὁ διευθυντὴς τῆς «Σκάλας» ἐδήλωσεν ὅτι αἰσθάνεται βαθυτάτην ὀδύνην διὰ τὴν ἀπώλειαν τοῦ μεγάλου μουσικοῦ. Πρὸς τιμὴν του χθὲς τὴν ἑσπέραν ἡ «Σκάλα» — ἀπὸ τῆς ὁποίας ὁ Μητρόπουλος διὰ πρώτην φορὰν πρὸ 30 ἐτῶν εἶχε ἐμφανισθῇ εἰς τὸ Ἰταλικὸν κοινὸν—ἔπαιξεν ἐκτάκτως τὴν «Ἡρωικὴν» τοῦ Μπετόβεν, ὑπὸ τὴν διεύθυνσιν τοῦ Οὔγγρου μαέστρου Φέρεκ Φρίκσαιϋ.

ΤΟΥ κ. ΚΩΣΤΗ ΜΠΑΣΤΙΑ

ΕΝΑ ἀπὸ τὰ μένιστα τέκνα τῆς Ἑλλάδος καὶ ἀπὸ τὰ ὀλίγα κορυφαῖα ἀναστήματα τοῦ αἰῶνος, ὁ Δημήτρης Μητρόπουλος δὲν ὑπάρχει πλέον. Ἔφυγεν ἀπὸ τὴν πρόσκαιρον ζωὴν καὶ ἐπέρασεν εἰς τὴν αἰωνιότητα νέος τὴν ἡλικίαν, ἀφήσας τὴν τελευταίαν πνοήν του ἐπὶ τῶν ἐπάλξεων τῆς μεγάλης τέχνης ποὺ ἐπὶ ἤμισυ αἰῶνα ὑπηρέτησεν, ὡς πιστὸς μύστης καὶ πιστὸς λειτουργός της.

Ὁ Δημήτρης Μητρόπουλος ἀπέθανε ἐπάνω εἰς τὸ βάθρον τοῦ διευθυντοῦ τῆς ὀρχήστρας καὶ πρὸ τοῦ ἀναλογίου εἴκοσι λεπτὰ μετὰ τὴν ἔναρξιν τῆς δοκιμῆς μὲ τὴν ὀρχήστρα τῆς Σκάλας τοῦ Μιλάνου τοῦ 3ου κονσέρτου τοῦ Μάλερ.

Αἱ σκοτειναὶ δυνάμεις τῆς φθορᾶς εἶχαν ἐπισημάνει τὴν παρουσίαν των ἀπό τινων ἐτῶν καὶ ὁ μεγάλος μαέστρος εἶχεν εἰπεῖ ὀλίγας ἡμέρας πρὸ τοῦ θανάτου του «εἶμαι ἕνα παληὸ αὐτοκίνητο, γρειαζούμενο ἀκόμη».

Ἡ ἰδιοσυγκρασία τοῦ Δημήτρη Μητροπούλου ἦτο ἰδιοσυγκρασία μυστικοῦ. Ἐταλαντεύθη μεταξὺ τοῦ ἱεροῦ βήματος καὶ τοῦ ἀναλογίου. Προήρχετο ἀπὸ οἰκογένειαν ἡ ὁποία εἶχεν ἔμεσα πρὸ αὐτοῦ ἐκκλησιαστικὰ ἀναστήματα. Ἕνα τῶν ὁποίων ὑπῆρξεν ὁ Ἀρχιεπίσκοπος Πατρῶν καὶ φλογερὸς ἱεροκήρυξ Ἱερόθεος Μητρόπουλος. Ὑπῆρξε περίοδος κατὰ τὴν ὁποίαν ὁ Δημήτρης Μητρόπουλος ἐξεδήλωσεν ἐντόνους μοναχικὰς τάσεις μὲ σαφῆ προσανατολισμὸν πρὸς τὸν Ἁγιορειτικὸν ἀσκητισμόν. Δύο ἄνθρωποι ἐπάλαιαν μέσα του, ὁ μυστικιστὴς καὶ ὁ μουσικός. Καὶ ἐπεκράτησεν ὁ δεύτερος.

ΤΗΣ κ. ΑΛΕΞΑΝΔΡΑΣ ΛΑΛΑΟΥΝΗ

ΕΙΝΑΙ τραγικό, εἶναι ἀδάσταχτα ὀδυνηρὸ γι' αὐτὴ τὴ στηλη, ποὺ τόσες φορὲς ἐξεθειασε τὴ μεγαλοφυΐα του καὶ τὶς θεόπνευστες ἑρμηνεῖες του νὰ πρέπει τώρα νὰ γράψῃ αὐτὲς τὶς γραμμές: Ὁ Μητρόπουλος, ὁ μεγάλος Ἕλληνας ἀρχιμουσικός, ἕνας ἀπ' τοὺς πιὸ μεγάλους τοῦ κόσμου, δὲν ὑπάρχει πιά. Ἡ γεμάτη εὐαισθησία, καλωσύνη κι' ἀγάπη καρδιά του δὲν ἀνθεξε πιὰ στὸν ἀγώνα τοῦ ὡραίου καὶ τοῦ καλοῦ ποὺ δινόταν ὁλοκληρωτικά, ἀφιερώνοντας ὅλες του τὶς δυνάμεις, κάθε ἴνα τῆς ψυχῆς του καὶ τῆς σκέψης του. Γιατὶ ὁ Μητρόπουλος δὲν ἦταν ἁπλῶς μουσικός, ἦταν αὐτὴ καθαυτὴ ἡ ψυχὴ τῆς Μουσικῆς. Καὶ γι' αὐτό, ἐπειδὴ ἦταν ἀληθινὸς μουσικός, ἀληθινὸς καλλιτέχνης, ἦταν καὶ τόσο καλός, τόσο ἁγνός, τόσο σεμνός, τόσο Ἄνθρωπος. Ὅταν πρὶν λίγα χρόνια εἶχε διευθύνει στὴν Ἀθήνα, ἔπειτα ἀπὸ μακροχρόνια ἀπουσία, σὲ μιὰ συγκέντρωσι μουσικῶν, στὸ Ὠδεῖο Ἀθηνῶν, ὅπου εἶχαν παρευρεθῆ πολλοὶ ἀπ' τοὺς παληούς του συμμαθητές, ὁ Μητρόπουλος, ἀπαντῶντας στοὺς διθυραμβικοὺς ἐπαίνους ποὺ τοῦ ἔκαναν, εἶπε: «Μπᾶ, ναί, εἶχα ταλέντο, μὰ ὅλοι σας εἴχατε ταλέντο, μόνο ποὺ ἐμένα μὲ βοήθησε περισσότερο ἡ τύχη»!

Μόνο ἕνας ἀληθινὰ μεγάλος μποροῦσε νὰ πῇ αὐτὰ τὰ λόγια...

Ὅσοι τὸν γνώρισαν ἀπὸ πιὸ κοντά, ξέρουν πόσο μεγάλη, πόσο ἀπέραντη ἦταν ἡ καλωσύνη καὶ ἡ συμπόνοια του γιὰ τοὺς συνανθρώπους του, γιὰ τοὺς συναδέλφους του, γιὰ κάθε φτωχὴ καὶ βασανισμένη ὕπαρξι. Μόνο ὁ Θεὸς καὶ πολὺ λίγοι, ἐλάχιστοι φίλοι, ξέρουν τὶς καλωσύνες του.

Γιὰ τὴν Ἑλλάδα, ὁ Μητροπουλος ἦταν ἕνα μεγάλο κεφάλαιο: Ἂν ἡ Ἀμερικὴ τὸν εἶχε υἱοθετήσει, τί λέω, ἂν τὸν εἶχε υἱοθετήσει ὅλος ὁ κόσμος, ὁ Μητρόπουλος δὲν ἔπαυε νὰ εἶναι Ἕλληνας, ν' ἀνήκη στὴν

Ἐσταυρωμένος.

Καὶ οἱ μουσικαί του συνθέσεις καὶ αἱ μουσικαὶ προτιμήσεις του. ὅταν εἰσηγεῖτο τὰ προγράμματα τῶν συμφωνικῶν συναυλιῶν ποὺ διηύθυνε. ἀποκαλύπτουν τὸν ἄνθρωπον ποὺ ἐναγώνια ἀπεστρέφετο τὰ συμβατικὰ σχήματα. τὴν μουσικὴν τῶν καλῶν νωνεύσεων καὶ ἐπλησίαζε τὶς ἀγωνιώδεις ἀναζητήσεις. τὰς μουσικὰς ἐκφράσεις μιᾶς ταραχώδους ἐποχῆς ποὺ ἠγωνίζοντο νὰ προσεγγίσουν τὸ ὑπερβατικὸν καὶ μόνον. Δὲν ἦτο ὀπαδὸς τῶν μουσικῶν γλυκασμῶν καὶ δι' αὐτὸ δὲν κατώρθωσε ποτὲ νὰ καταστῇ νοητὸς εἰς τὰς μουσικὰς μετοιότητας ποὺ πιστεύουν ὅτι ἡ μουσικὴ εἶναι πρὸς τέρψιν τοῦ μέσου ἀνθρώπου. ἐνῶ ὁ Μητρόπουλος ἐπίστευεν ὅ.τι ἐπίστευαν καὶ οἱ μυστικοὶ τῆς ἐρήμου. ὅτι ἡ μουσικὴ εἶναι ἡ ἔκφρασις τοῦ δράματος τοῦ ἀνθρώπου τῆς πτώσεως. ἡ ἔκφρασις τῆς ἀγωνίας του. τῆς ἀβεβαιότητός του. τῆς τιτανικῆς πάλης του μεταξὺ γνώσεως καὶ ἀγνωσίας τῶν ἀνατάσεων καὶ τῶν πτώσεών του. κοντολογὶς ὁλοκλήρου τῆς δραματικῆς κλίμακος ποὺ ἐπάνω της κινεῖται εἰς ἐντελῶς παραδόξους ρυθμοὺς ἡ ἀγέλη τῶν λογικῶν προβάτων. Ἀπέκρουσε τοὺς συμβατισμοὺς ὑπὸ οἱανδήποτε μορφὴν καὶ ἂν ἐνεφανίζοντο. Ἰδίως ὑπὸ τὴν ἐθνικὴν μορφὴν καὶ συνέπιπτε μὲ τὴν σκέψιν καὶ τὴν φράσιν τοῦ Σολωμοῦ. κατὰ τὴν ὁποίαν τὸ ἔθνος πρέπει νὰ θεωρῇ ἐθνικὸν ὅ.τι εἶναι ἀληθές.

Ὑπῆρξεν μαθητὴς τοῦ Ὠδείου Ἀθηνῶν. ὅπου ἐσπούδασε πιάνο. σύνθεσιν. καὶ ὅπου ἀπέκτησε τὴν θεμελιακὴν μουσικήν του κατάρτισιν καὶ ὅταν τὸ 1918 ἀπεφοίτησεν ἀπὸ τὸ Ὠδεῖον Ἀθηνῶν ἐπῆγεν εἰς τὰς Βρυξέλλας ὅπου ἐτελειοποιήθη εἰς τὴν σύνθεσιν. Ἀκολουθεῖ ἡ περίοδος Βερολίνου ὅπου ὑπῆρξεν μαθητὴς τοῦ Μαουζόνι καὶ ἀκολούθως διορίζεται βοηθὸς διευθυντοῦ ὀρχήστρας ὑπὸ τοὺς Λεὸ Μπλὲν καὶ Ἔριν Κλάϊμπερ.

Τὸ 1926 ἐπιστρέφει εἰς τὰς Ἀθήνας καὶ ἀναλαμβάνει τὴν διεύθυνσιν τῆς Συμφωνικῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν ποὺ διοργάνωσε κατὰ τόσον ὑποδειγματικὸν τρόπον ὥστε νὰ δημιουργηθοῦν αἱ προϋποθέσεις διὰ τὴν μετέπειτα κρατικοποίησιν τῆς Συμφωνικῆς Ὀρχήστρας. Ἡ ἐργασία του ὡς διευθυντοῦ ὀρχήστρας εἰς τὰς Ἀθήνας προεκάλεσε τὴν προσοχὴν ξένων μουσικῶν προσωπικοτήτων καὶ ἀπὸ τοῦ 1930 ἀρχίζει ἡ διεθνὴς προβολὴ τοῦ Δημήτρη Μητρόπουλου ὡς διευθυντοῦ ὀρχήστρας καὶ ταυτοχρόνως ὡς σολίστ μεγάλων συμφωνικῶν συναυλιῶν. Τὸν ἀκούει καὶ τὸν χειροκροτεῖ τὰ Παρίσι. τὸ Βερολῖνον αἱ Βρυξέλλαι καὶ ὀλίγον βραδύτερον τὸ Λονδῖνον. ἡ Ρώμη. ἡ Νεάπολις. ἡ Φλωρεντία. Ἀνεπιφύλακτος εἶναι πλέον ἡ διεθνὴς κριτικὴ ὅτι ὁ Μητρόπουλος εἶναι ὁ μεγάλος δεξιοτέχνης τοῦ αἰῶνος.

Τότε ἡ φήμη του ξεπερνᾶ τὰ ὅρια τῆς Εὐρώπης καὶ τὸν ζητεῖ ἡ Ἀμερική. Πλέον τῆς δεκαετίας διευθύνει μὲ πρωτοφανῆ εἰς τὰ μουσικὰ χρονικὰ ἐπιτυγίαν τὴν Συμφωνικὴν Ὀρχήστραν τῆς Μιννεαπόλεως καὶ τὴν καθιστᾶ μία ἀπὸ τὰς πρώτας συμφωνικὰς ὀρχήστρας τοῦ κόσμου καὶ ἀπὸ τοῦ 1949 διαδέχεται τὸν Τοσκανίνι εἰς τὴν διεύθυνσιν τῆς Συμφωνικῆς Ὀρχήστρας τῆς Νέας Ὑόρκης. Τελευταίως συνειρονάζετο μὲ τὴν ὄπεραν τῆς Βιέννης καὶ τὴν Σκάλαν τοῦ Μιλάνου. εἶχεν δὲ ἀρχίσει διαπραγματεύσεις διὰ νὰ διευθύνῃ μίαν προσεχῆ μελοδραματικὴν ἐμφάνισιν τῆς Λυοικῆς Σκηνῆς εἰς τὴν Ἐπίδαυρον μὲ συμμετογὴν τῆς Μαρίας Κάλλας.

Ὁ θάνατός του δημιουργεῖ μέγα καὶ δυσαναπλήρωτον κενὸν εἰς τὴν παγκόσμιον μουσικὴν κίνησιν καὶ τὴν ἀποστερεῖ προώρως ἑνὸς τῶν ὀλίγων μεγίστων μουσικῶν ἀναστημάτων τοῦ αἰῶνος.

ΣΥΝΕΧΕΙΑ ΕΚ ΤΗΣ 1ης ΣΕΛ.

Ἑλλάδα, νὰ δοξάζῃ τὸ ἑλληνικὸ ὄνομα, νὰ θυμίζῃ παντοῦ πὼς ἡ Ἑλλάδα τοῦ πνεύματος καὶ τῆς τέχνης εἶναι πάντα ζωντανὴ καὶ συνεχίζει τὴ μεγάλη της παράδοσι.

Ἔκλεισε τὰ μάτια του σαν στρατιώτης πάνω στὴν τελευταία μάχη του: Οἱ γιατροί του, στὴν Ἀμερική, τὸν εἶχαν προειδοποιήσει μετὰ τὴν πρώτη καρδιακὴ προσβολή: Νὰ μὴ διευθύνῃ παρὰ δύο ἢ τρεῖς φορὲς τὸ χρόνο. Ἀλλὰ τί θὰ ἦταν ἡ ζωὴ γιὰ τὸν Μητρόπουλο χωρὶς μουσική; Καὶ φέτος, ἀκριβῶς, ὑποβλήθηκε στοὺς μεγαλύτερους κόπους. Στὶς ἑορτὲς τοῦ Σάλτσμπουργκ διηύθυνε δύο τεράστια ἔργα: Τὸ «Βιβλίο μὲ τὶς ἑπτὰ σφραγῖδες», τοῦ Φράντς Σμὶτ καὶ τὴν Ὀγδόη Συμφωνία —τὴν περίφημη «Συμφωνία τῶν Χιλίων»— τοῦ Γκούσταβ Μάλερ. Καὶ ὅλοι ἐθαύμαζαν τὶς ὑπέροχες ἑρμηνεῖες του, κι' ὅλοι ἀπορροῦσαν γιὰ τὴν ἀπέραντη μνήμη του. Τελευταῖα ἀκόμα, στὴ Βιέννη, ἔκανε σὲ πρώτη ἐκτέλεσι ἕνα νέο, περίπλοκο ἔργο τοῦ Βιεννέζου συνθέτη Βρόγκνερ. Καὶ οἱ κριτικοὶ δὲν ἤξεραν μὲ τὶ λόγια νὰ ἐκφράσουν τὸν θαυμασμό τους... Πόσο κόπο, πόσο ὁλοκληρωτικὸ δόσιμο ὅλης του τῆς ὑπόξεως ἀπαιτοῦσαν τέτοιες ἑρμηνεῖες. Καὶ ὅμως μπροστὰ σὲ τίποτα δὲν ὑποχωροῦσε. Πέθανε μὲ τὴ μπαγκέττα στὸ χέρι, διευθύνοντας, «κάνοντας» μουσική, ἐξαϋλωμένος, ἀπομονωμένος ἀπὸ κάθε γήϊνο, ἀτενίζοντας τὸν δικό του οὐρανό, τὸν οὐρανὸ τῆς Μουσικῆς.

Πέθανε; Ὤ, ὄχι, τέτοιες μορφὲς δὲν πεθαίνουν ποτέ. Περνοῦν στὴν αἰωνιότητα, στὴν ἀθανασία. Ὅλος ὁ κόσμος σήμερα θρηνεῖ τὸν χαμὸ τοῦ Δημήτρη Μητροπούλου, ἀλλὰ κι ὅλος ὁ κόσμος θὰ θυμᾶται αἰώνια τὴ μεγάλη μορφή του.

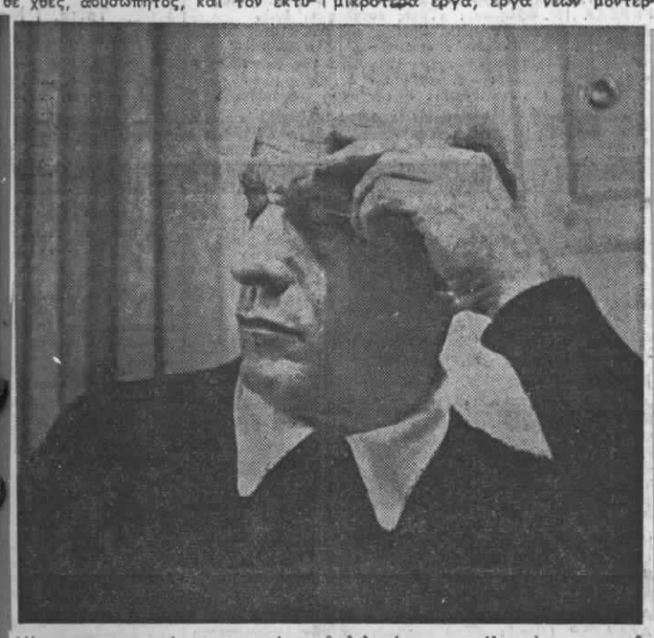
Ο ΜΕΓΑΣ ΕΛΛΗΝ ΠΟΥ ΑΠΕΘΑΝΕ ΧΘΕΣ

Ἡ «Δύναμις τοῦ πεπρωμένου» ὑπῆρξε τό τελευταῖον ἔργον πού διηύθυνεν ὁ Μητρόπουλος

Η ΚΗΔΕΙΑ ΤΟΥ ΘΑ ΓΙΝΗ ΕΙΣ ΤΑΣ ΑΘΗΝΑΣ



ΑΣΚΗΤΙΚΟΣ, ΜΥΣΤΙΚΟΠΑΘΗΣ ΑΛΛΑ ΚΑΙ ΓΝΗΣΙΟΣ ΡΩΜΙΟΣ!

Ἡ πρώτη φορά πού ὁ θάνατος πῆγε νά συναντήση τόν Μητρόπουλο ἦταν πρόπερσι στήν Ἀμερική. Τόν βρῆκε ἀδύνατο σωματικά, καταπονημένο, ἀλλά δέν τόν λύγισε. Ἐπανῆλθε χθές, ἀδυσώπητος, καί τόν ἐκτύπησε τήν ὥρα ἀκριβῶς πού ὁ μεγάλος μύστης ἔδινε τήν μάχη, τήν αἰώνια μάχη τοῦ πνεύματος, ἐπάνω στό πόντιουμ, ὄρθιος, μέ τά νεῦρα του τεντωμένα ἕως τό ἔσχατο ὅριο τῆς ἀντοχῆς τους καί μέ τό πνεῦμα του ἀνυψωμένο στούς μυστηριακούς κόσμους τοῦ Μάλερ. Ἐάν ἔψαχνε κανείς νά βρῆ ἕνα μοτίβο καί νά τό χρησιμοποιήση σάν ὑπόκρουσι αὐτῆς τῆς ὕστατης στιγμῆς τοῦ μεγάλου μαέστρου, τό μοτίβο αὐτό θά ἦταν οἱ πρῶτες νότες ἀπό τήν Πέμπτη Συμφωνία τοῦ Μπετόβεν. «Ἔτσι χτυπᾶ τό πεπρωμένο τήν πόρτα τοῦ ἀνθρώπου», εἶπαν γι' αὐτές τίς τέσσερις ὑποβλητικές νότες. Καί πράγματι, ἔτσι χτύπησε τό πεπρωμένο τήν παραβιασμένη ἀπό τήν προπέρσινη καρδιακή κρίσι πόρτα τοῦ Μητρόπουλου καί εἰσεχώρησε στόν ἐγκέφαλό του, ἕναν ἐγκέφαλο μέσα στόν ὁποῖον περιείχοντο πάνω ἀπό πενῆντα Συμφωνίες, πάνω δηλαδή ἀπό πενῆντα κόσμοι, καί ἄλλα τόσα μικρότερα ἔργα, ἔργα νέων μοντέρνων συνθετῶν, τά ὁποῖα ὁ κορυφαῖος μαέστρος ἐμάθαινε ἀπ' ἔξω πρίν τά διευθύνη. Μνήμη ἀπέραντη. Ἀλλά μόνον μνήμη; Ἐκεῖνα τά χέρια, τά νευρώδη χέρια, τά ἐκφραστικά, πού σχηματοποιοῦσαν τήν μουσική καί τήν ἔκαναν ἀπτή ζωντανή παράστασι; Τό ὁλέμμα, τό σπινθηροβόλο δαιμονιακό ὁλέμμα πού εἰσέδυε ὡς τό βάθος τοῦ ὑποσυνειδήτου τῶν μουσικῶν καί τούς παρέσυρε σάν μαγνητισμένος στόν χείμαρρο τῆς μουσικῆς.

Ὁ Δημήτρης Μητρόπουλος ἦταν μιά μεγαλοφυΐα. Μαέστροι ἰσάξιοί του, ὑπῆρξαν καί ἄλλοι. Ὁ Φουρτβαῒγκλερ, ὁ Μπροῦνο Βάλτερ, ὁ Καραγιάν καί ἄλλοι. Μάγος ὅμως σάν τόν Μητρόπουλο, φιλόσοφος τοῦ ἤχου, οὐδείς. Κάθε του ἑρμηνεία ἦταν καί μιά ἀναδημιουργία. Περίεργο εἶπαν, ἀκόμη τελευταῖα, οἱ κριτικοί τῆς Βιέννης. Τήν «Δύναμι τοῦ πεπρωμένου» — τί εἰρωνεία ἀλήθεια, τό ἔργο αὐτό νά εἶναι τό τελευταῖο πού διηύθυνε ὁ μεγάλος ὀρχιμουσικός — τήν ἔχουμε ἀκούσει πολλές φορές. Τήν φορά ὅμως αὐτή πού τήν διηύθυνε ὁ Μητρόπουλος ἀνακαλύψαμε ἕνα καινούργιο ἔργο. Τί συμβαίνει λοιπόν; Ἀλλοιώνει μήπως τίς παρτιτοῦρες ὁ Μητρόπουλος, ἐπεμβαίνει αὐθαίρετα καί τροποποιεῖ τήν σύνθεσι; Ὄχι ἀσφαλῶς. Εἰσδύει ἁπλῶς μέσα στό πνεῦμα τοῦ ἔργου καί ἀνασύρει τά σημεῖα ἀκριβῶς ἐκεῖνα πού θά ἀποκαλύψουν τόν χαρακτῆρα του. Ἔτσι, μ' αὐτόν τόν τρόπο δέν «ἑρμηνεύει» ἀλλά «ἀναδημιουργεῖ». Οἱ ὕμνοι γιά τόν Μητρόπουλο πού ἔχουν γραφῆ στά 30 τελευταῖα χρόνια μποροῦν νά ἀποτελέσουν ἕνα τόμο ὀγκώδη. Οἱοσδήποτε ἄλλος στή θέσι του, θά εἶχε ἀποκτήσει τήν ψυχολογία τῆς «βεντέττας». Ὁ Μητρόπουλος ὄχι. Ἁπλός, ταπεινός, ὅπως τόν θυμοῦνται οἱ παλαιοί Ἀθηναῖοι τόν καιρό πού μελετοῦσε στό στούντιό του τῆς λεωφόρου Ἀμαλίας, ἔτσι ἔμεινε σέ ὅλη τήν ὑπόλοιπη ζωή του.

Ἀσκητικός στό ἔπακρον, δέν ἀπελάμβανε ἀπό τά ἐγκόσμια παρά τήν χαρά τῆς μελέτης καί τῆς προσευχῆς. Δυό λειτουργίες πού ἦσαν γι' αὐτόν, τόν παρ' ὀλίγο ἀναχωρητή τοῦ Ἁγίου Ὄρους, ἀλληλένδετες. Ὅταν μελετοῦσε ἦταν σάν νά προσεύχεται καί ὅταν προσηύχετο, ὅταν δηλαδή ἤρχετο σέ ἐπικοινωνία μέ τό θεῖο, ἦταν τίς ὧρες πού μελετοῦσε, τίς ὧρες πού ἡ ψυχή του μετεωρίζετο στόν κόσμο τῶν ἤχων. Παρ' ὅλα αὐτά ὁ Μητρόπουλος δέν εἶχε ἀποβάλει ἀπό μέσα του τά χαρακτηριστικά τῆς ράτσας του. Ἦταν Ρωμηός χίλια τά ἑκατό. Στούς τρόπους, στήν ὁμιλία του, στίς χειρονομίες τῆς καθημερινῆς ζωῆς... «Τί γίνεται, βρέ παιδιά, σᾶς ἀποθύμισα», ἦταν οἱ πρῶτες λέξεις πού ἐξεστόμισε, ὅταν τό 1958 ἤλθε στήν Ἀθήνα, ἔπειτα ἀπό πολλά χρόνια ἐπί κεφαλῆς τῆς Φιλαρμονικῆς τῆς Νέας Ὑόρκης. Καί ἡ συζήτησις μέ τούς δημοσιογράφους ἐξακολούθησε στόν ἴδιο φιλικό τόνο, ἁπλῆ, εὐχάριστη.

Εἶναι ἀφέλεια νά θέλη κανείς μέ τίς λίγες αὐτές γραμμές νά δώση τήν φυσιογνωμία τοῦ Μητρόπουλου. Ἦταν τόσο μεγάλος, τόσο πολυσύνθετος, ὥστε νά προκαλῆ δέος...

ΕΔΙΔΕ ΜΕΓΑΛΑ ΠΟΣΑ ΣΕ ΦΙΛΑΝΘΡΩΠΙΚΑ ΕΡΓΑ

Ἡ ἐφημερίς «Νιού Γιόρκ Γουόρλντ Τέλεγραμ» δημοσιεύει ἐκτεταμένον βιογραφικόν σημείωμα καί σχόλια. Τονίζει μεταξύ ἄλλων, ὅτι ὁ Μητρόπουλος ἐκέρδιζε χιλιάδες δολλάρια τόν χρόνο, ἀλλά ἔδιδε τά περισσότερα σέ φιλανθρωπικά ἱδρύματα καί γιά ἐκπαιδευτικά ἔργα.

«ΗΤΑΝ ΜΕΓΑΛΟΦΥΪΑ»

Τί εἶδους ἄνθρωπος ἦταν ὁ Μητρόπουλος; ἐρωτᾶ ἡ ἐφημερίς. Καί δίδει τήν ἀπάντησιν: «Μία μεγαλοφυΐα. Ἐπίσης ἦταν ἀσκητής, φιλόσοφος καί βαθύτατα προσηλωμένος στήν θρησκεία. Γιά τόν Μητρόπουλον καμμία ὑπόθεσις δέν ἦταν πολύ μεγάλη, κανένας ἄνθρωπος πολύ μικρός. Ὁ Μητρόπουλος ἀπέφευγε τάς κοινωνικάς συγκεντρώσεις καί τήν δημοσιότητα περί τήν ἀναγνώρισιν τῆς φήμης του». Ἡ ἐφημερίς καταλήγει ὡς ἑξῆς: «Ὁ Μητρόπουλος ἀγαποῦσε πάντοτε νά λέγη ὅταν ἀποχαιρετοῦσε τούς φίλους του: «Γειά σας καί ὁ Θεός μαζί σας». Τίς ἐπιτυχίες του, προσθέτει ἡ ἐφημερίς, ὠνόμαζεν ὁ Ἴδιος «ἠθικούς θριάμβους» καί «πνευματικές νίκες»

Ο ΠΑΤΕΡΑΣ ΤΟΥ ΤΟΝ ΠΡΟΩΡΙΖΕ ΓΙΑ... ΑΞΙΩΜΑΤΙΚΟ

Ὁ Δημήτρης Μητρόπουλος γεννήθηκε στήν Ἀθήνα τόν Φεβρουάριο τοῦ 1896. Ὁ πατέρας του τόν προώριζε γιά ἀξιωματικό τοῦ ναυτικοῦ, ὁ ἴδιος ὅμως ἐπροτίμησε νά σπουδάση μουσική πρός τήν ὁποίαν ἀπό μικρός εἶχε ἐλπίσει. Ἐνεγράφη στό Ὠδεῖον Ἀθηνῶν καί παρηκολούθησε μαθήματα ἁρμονίας, ἀντιστίξεως καί πιάνου, μέ τούς Μαρσίκ καί Βασσενχόβεν.

— Πρίν ἀκόμη ἀποφοιτήσει ἀπό τό Ὠδεῖον ἔγραψε ἕνα μελόδραμα, τήν «Ἀδελφή Βεατρίκη», τό ὁποῖον καί ἐτέθη ὑπ' ὄψιν τοῦ Σαίν-Σάνς κατά τήν ἰδίαν Ἐλευσί του, μεταξύ 1915 — 1916. Ὁ Σαίν Σάνς ἔδειξε πολύ ἐνδιαφέρον γιά τήν σύνθεσι τοῦ Μητρόπουλου καί μάλιστα τήν ἐσχολίασε εὐμενῶς ἀπό τίς στῆλες γαλλικῆς ἐφημερίδος.

ΠΑΡ' ΟΛΙΓΟΝ ΘΑ ΕΓΙΝΕΤΟ ΜΟΝΑΧΟΣ ΤΟΥ ΑΓΙΟΥ ΟΡΟΥΣ

Τήν ἐποχή ἀκριβῶς ἐκείνην ὁ Μητρόπουλος ἠσθάνετο ἰδιαίτερη ἕλξι πρός τόν μοναχικό βίο, ἡ ὁποία ἐλίγο παρ' ὀλίγον νά τόν ὁδηγήση στίς σκῆτες τοῦ Ἁγίου Ὄρους. Ἡ ἀγάπη αὐτή πρός τήν θρησκεία τόν παρηκολούθησε σέ ὅλο τόν κατοπινό του βίο.

ΣΤΟΝ ΜΠΟΥΖΟΝΙ ΩΦΕΙΛΕ ΤΟ ΟΤΙ ΕΓΙΝΕ ΜΑΕΣΤΡΟΣ

Τό 1918 ὁ Μητρόπουλος ἀπεφοίτησε ἀπό τό Ὠδεῖον Ἀθηνῶν, τιμηθείς μέ χρυσό μετάλλιο καί εὐθύς ἀμέσως ἔφυγε στίς Βρυξέλλες ὅπου παρηκολούθησε ἀνώτερα μαθήματα κοντά στόν Ζιλσόν. Ἐν συνεχείᾳ πῆγε στό Βερολῖνο καί ὑπῆρξε μαθητής τοῦ Μπουζόνι, στόν ὁποῖον, ὅπως συχνά ἐξομολογεῖτο, χρεωστοῦσε τό ὅτι ἔγινε μαέστρος καί ὄχι συνθέτης: «Ἀπό ὅσα μοῦ εἶπε ὁ Μπουζόνι, ἐκμυστηρεύθηκε κάποτε ὁ Μητρόπουλος, ἔχασα κάθε ἐκτίμησι πρός τόν ἑαυτό μου ὡς συνθέτη καί ἔγινα ἀναδημιουργός ἀντί δημιουργός». Στό Βερολῖνο ἐπίσης ὁ Μητρόπουλος, εἶχε τήν εὐκαιρία νά ἐξασκηθῆ πρακτικά ὡς μαέστρος στήν Κρατική Ὄπερα, παρά τό πλευρό τοῦ Λέο Μπλέχ, τοῦ Ἔριχ Κλάϊμπερ κ.ἄ.

ΟΙ ΠΡΩΤΕΣ ΤΟΥ ΕΠΙΤΥΧΙΕΣ ΜΕ ΤΗΝ ΣΥΜΦΩΝΙΚΗ ΟΡΧΗΣΤΡΑ ΤΟΥ ΩΔΕΙΟΥ ΑΘΗΝΩΝ

Τό 1924, ὁ Μητρόπουλος ἐκλήθη στήν Ἀθήνα γιά νά ἀναλάβη τήν διεύθυνσιν τῆς Ὀρχήστρας τοῦ Ἑλληνικοῦ Ὠδείου. Τρία ἔτη ἀργότερα ἐτέθη ἐπί κεφαλῆς τῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν. Ἐργάσθηκε μέ ζῆλο σ' αὐτή τήν θέσι, καί κατάφερε νά δώση ὥθησι τεραστία στήν περιωρισμένη τότε μουσική κίνησι τῆς Ἀθήνας. Ἡ φήμη του ὡς μαέστρου δέν ἄργησε νά διαθῆ τά ὅρια τῆς Ἑλλάδος καί νά φθάση στά μεγαλύτερα μουσικά κέντρα τῆς Εὐρώπης. Τό 1930 διηύθυνε γιά πρώτη φορά στό Παρίσι. Ὕστερα στό Λίβερπουλ, στό Βερολῖνο, στίς Βρυξέλλες, στή Ρώμη, στήν Νεάπολι, στήν Φλωρεντία, στό Λονδῖνο.

Une grande perte pour la Grèce

Mitropoulos est mort

Sur l'ordre de M. Caramanlis, la dépouille du grand musicien sera transportée par avion à Athènes et exposée dans la Cathédrale

MILAN, 2 (AFP - AA). — Le compositeur grec et chef d'orchestre, Dimitri Mitropoulos, est mort aujourd'hui à Milan à l'age de 64 ans à la suite d'une crise cardiaque.

C'est alors qu'il dirigeait la répétition de la Troisième Symphonie de Mahler, au Théatre de la «Scala» à Milan, que le chef d'orchestre Dimitri Mitropoulos s'est écroulé, victime d'un malaise soudain. Très pale, il eut à peine le temps de prononcer quelques paroles. Appelé d'urgence, un médecin tenta des massages dans la région du cœur. Transporté en toute hate à l'hopital, Dimitri Mitropoulos devait y succomber.

Le directeur de la «Scala» de Milan, M. Ghirighelli, annonçant la mort de Mitropoulos, a déclaré qu'il éprouvait une profonde douleur pour la perte de ce grand musicien.

Mitropoulos se trouvait à Milan pour diriger une série de concerts.

***

Sur l'ordre du Président du Conseil M. Caramanlis, le ministre à la Présidence M. Tsatsos a donné instruction en Italie pour que le corps de Dimitri Mitropoulos soit embaumé en vue de son transfert à Athènes.

Le dépouille sera transportée à Athènes à bord d'un appareil de l'Aviation Royale Hellénique et sera exposée à l'hommage populaire dans la Cathédrale.

Les funérailles auront lieu aux frais de l'Etat.

Le jour et l'heure en seront fixés ultérieurement.

On apprend que Dimitri Mitropoulos n'a pas de parents lui survivant.

***

Informé de la mort du célèbre chef d'orchestre hellène, le ministre de l'éducation nationale, M. Voyatzis, a déclaré :

«La mort soudaine du grand musicien hellène Dimitri Mitropoulos, plongera dans la douleur le monde des arts et constitue une grande perte nationale. Le gouvernement hellénique honorant son œuvre a décidé le transfert de sa dépouille à Athènes où elle sera l'objet des honneurs qui lui sont dus, à moins que le défunt n'en ait disposé autrement par son testament».

***

La mort de Dimitri Mitropoulos a jeté la consternation dans les milieux artistiques grecs et dans l'opinion publique dans son ensemble qui le considérait comme une figure éminente du prestige hellénique dans le monde.

Né à Athènes en 1896, Dimitri Mitropoulos avait fait ses études musicales en Grèce et à Berlin où il s'enfermait pendant des jours et des nuits dans une petite église de Charlottenbourg où il s'était engagé — dit-on = comme organiste pour avoir la possibilité de jouer à loisir au grand orgue.

De 1927 à 1936 il dirigea l'Orchestre du Conservatoire d'Athènes devenu plus tard l'Orchestre National, et fut ainsi un des grands pionniers de la promotion du mouvement musical en Grèce.

Il dirigeait sans partition et soliste hors-pair, il joua souvent des concertos tout en dirigeant l'Orchestre.

Il fut l'animateur des concerts en plein air au Théatre Hérode Atticus.

Ayant acquis à Athènes même une renommée mondiale, et après avoir donné des brillants concerts en Europe il assuma en 1936 la direction de l'Orchestre Symphonique de Boston, puis de 1937 à 1949 celle de l'Orchestre Symphonique de Minneapolis. De 1951 à 1957 il dirigea l'Orchestre Philharmonique de New York et dans la suite fut chargé de la haute direction de cette institution.

En 1958 il dirigea, dans le cadre du Festival, des concerts à Athènes, où il fut accueilli avec les plus grands honneurs.

Surnommé en raison de sa vie austère «O Kosmokaloghéros» (moine dans le siècle) Dimitri Mitropoulos s'était particulièrement distingué dans l'interprétation des œuvres des compositeurs modernes et aussi de la musique grecque. Il avait notamment tiré de l'oubli l'œuvre du compositeur hellène Niko Skalkottas.

Son œuvre de compositeur comprend des Concerti Grossi, l'opéra «Béatrice», la musique pour la tragédie «Electre» de Sophocle, inspirées du filklore hellénique etc.

La Grèce perd en Dimitri Mitropoulos un fils qui l'avait honorée sur le plan mondial et dont l'œuvre aura profondément marqué sa génération et l'histoire artistique de son pays.

A GREAT CONDUCTOR PASSES

MITROPOULOS DIES OF STROKE AT LA SCALA

Milan, Wed., (R & AP)

Dimitri Mitropoulos, world-famous Greek-born conductor and composer, died today of a stroke while rehearsing at Milan's La Scala Opera House. He wa 64.

An Opera House spokesman said the conductor died on the way to hospital.

Mitropoulos was stricken while rehearsing Gustav Mahler's Symphony No. 3 at La Scala.

He stood motionless for a moment, then, suddenly, fell from the podium.

La Scala's physician, Dr. Giancarlo Biondi, rushed to assist him.

Mitropoulos had conducted the orchestra for about ten minutes. A few minutes earlier, he had complained that he was tired.

"I feel very fatigued," he said. "I am an old automobile which still works, however."

Then he lifted his baton and began the rehearsal for the concert that he was to conduct here on Nov. 7.

Mitropoulos had suffered a heart attack in Germany last year, but appeared to have recovered. He arrived here Tuesday night and went to the La Scala Opera House early Wednesday for the rehearsal.

ATHENS-BORN

He was born in Athens in 1896 and had studied both in Athens and Berlin.

After a series of successful concerts throughout Europe, he went to the United States in 1936 and was a guest conductor with the Boston Symphony Orchestra, the New York Symphony, Cleveland Symphony and Minneapolis Symphony in 1936 and 1937.

He was conductor of the Minneapolis Orchestra from then until 1949.

He first appeared with the New York Philharmonic in 1940 and 1941 and, with Leopold Stokowski, became its musical adviser in 1949 and 1950. He served as a conductor in 1950 and 1951.

Mitropoulos conducted for the Metropolitan Opera in New York.

ATHENS FUNERAL

In Athens, the Minister to the Prime Minister, Mr Constantine Tsatsos, last night sent instructions to Italy that the body of the late conductor be embalmed for transfer to Athens.

The body will be brought to Athens by a Greek Royal Air Force plane, and will lie in state at Athens Cathedral.

Date of the funeral will be announced later.

Mitropoulos left no relatives.

"WONDERFULLY GOOD MAN"

In Vienna, a spokesman for the Vienna State Opera said: "The members of the State Opera Company, and above all the orchestra, will remember him always as one of the greatest personalities of the musical world, whose passionate and selfless personality did not spare his own self in his pursuit of his artistic aims."

The spokesman added: "They will never forget that Mitropoulos was a wonderfully good man for whom nothing existed in the world except the service of music and of mankind."

He said the State Opera Company owed him not merely a long series of great evenings but also exemplary devoted work for the artistic aims of the house.

μέλη τῆς ὀρχήστρας θὰ τὸν ἐνθυμοῦνται πάντοτε ὡς μίαν ἐκ τῶν μεγαλυτέρων προσωπικοτήτων τοῦ μουσικοῦ κόσμου, τοῦ ὁποίου ἡ συναισθηματικὴ καὶ ἀνιδιοτελὴς προσωπικότης οὐδέποτε ἐμερίμνησε διὰ τὸ ἄτομόν του εἰς τὴν προσπάθειαν ἐπιτεύξεως τῶν καλλιτεχνικῶν σκοπῶν του.

«Οὐδέποτε θὰ ξεχάσωμεν — προσέθεσεν ὁ ἐν λόγω ἐκπρόσωπος — ὅτι ὁ Μητρόπουλος ἦτο ὁ ἐξόχως ἀγαθὸς ἀνήρ, διὰ τὸν ὁποῖον οὐδὲν ὑπῆρχεν εἰς τὸν κόσμον πέραν τῶν ὑπηρεσιῶν πρὸς τὴν μουσικὴν καὶ τὴν ἀνθρωπότητα».

ΕΙΣ ΑΜΕΡΙΚΗΝ

Ν. ΥΟΡΚΗ, 2. ('Ιδ. 'Υπηρ.) — 'Η εἴδησις διὰ τὸν θάνατον τοῦ παγκοσμίου κύρους "Ελληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου ἔγινε δεκτὴ μὲ βαθεῖαν πικρίαν, ἐκ μέρους τοῦ ἀμερικανικοῦ κοινοῦ. "Ολοι οἱ ραδιοσταθμοὶ τῶν 'Ηνωμένων Πολιτειῶν, ἀνέφεραν τὸν μεταστάντα ὡς ὑπέροχον μαέστρον καὶ ὑποδειγματικὸν ἑρμηνευτὴν τῆς συμφωνικῆς μουσικῆς.

Ἰδιαιτέρως ἐθλίβη ἡ πόλις τῆς Μιννεαπόλεως, τῆς ὁποίας τὴν ὀρχήστραν ὁ Μητρόπουλος διηύθυνεν ἐπὶ 12ετίαν καὶ ἀνέδειξεν αὐτὴν παγκοσμίου φήμης μουσικὸν συγκρότημα. Διὰ τὸ κοινὸν τῆς πόλεως αὐτῆς, ὁ "Ελλην ἀρχιμουσικὸς ἦτο κάτι μεταξὺ παραδόσεως καὶ θρύλου.

ΕΘΝΙΚΗ ΑΠΩΛΕΙΑ

'Ο ὑπουργὸς τῆς Παιδείας κ. Γ.Βογιατζῆς, πληροφορηθεὶς τὸν θάνατον τοῦ διεθνοῦς φήμης"Ελληνος μουσουργοῦ Δημήτρη Μητροπούλου, ἐδήλωσε χθὲς τὴν ἑσπέραν τὰ ἑξῆς:

«'Ο ἀδόκητος θάνατος τοῦ μεγάλου "Ελληνος μουσουργοῦ ἀποτελεῖ πλῆγμα διὰ τὸν καλλιτεχνικὸν κόσμον καὶ ἐθνικὴν ἀπώλειαν μεγίστην. 'Η 'Ελληνικὴ Κυβέρνησις, τιμῶσα τὸ ἔργον τοῦ ἀνδρός, ἀπεφάσισε νὰ μεταφερθῇ ἡ σορός του εἰς 'Αθήνας καὶ νὰ ἀποδοθοῦν αἱ δέουσαι τιμαί, ἐκτὸς ἐὰν ἄλλως παρὰ τοῦ ἀποθανόντος ἔχει ὁρισθῇ διὰ διαθήκης».

ΟΛΙΓΑ ΠΕΡΙ ΤΗΣ ΖΩΗΣ ΤΟΥ ΚΑΙ ΤΗΣ ΜΟΥΣΙΚΗΣ ΙΔΙΟΦΥΙΑΣ ΤΟΥ

'Ο "Ελλην ἀρχιμουσικὸς καὶ συνθέτης, ὁ ὁποῖος ἐξειλίχθη εἰς ἀπαράμιλλον μύστην τῆς κλασσικῆς μουσικῆς — τασσόμενος ὑπὸ τῶν αὐθεντικωτέρων κριτικῶν εἰς τὴν σειρὰν τῶν μεγάλων μορφῶν ὡς οἱ Μπροῦνο Βάλτερ, Τοσκανίνι καὶ Φουρτβάϊνκλερ — ἐνῶ παραλλήλως ὑπῆρξεν ἕνας ἐκ τῶν σημαντικωτέρων διεθνῶς πρωτοπόρων τῆς νεωτέρας μουσικῆς, ἐγεννήθη εἰς 'Αθήνας τὸ 1896. 'Ο πατέρας του, ἔμπορος τὸ ἐπάγγελμα, ἤθελε νὰ τὸν κάμῃ ἀξιωματικὸν τοῦ Ναυτικοῦ, ἐνῶ ὁ ἴδιος ἠσθάνετο κλίσιν διὰ τὴν μουσικὴν καί, ταυτοχρόνως, διὰ τὸ ἐκκλησιαστικὸν στάδιον. 'Η προδιάθεσίς του διὰ τὸ τελευταῖον τοῦτο ὠφείλετο προφανῶς εἰς τὸ οἰκογενειακὸν περιβάλλον του, καθ' ὅσον ὁ πάππος του ἦτο ἱερεὺς καὶ ὁ ἐπίσκεπος Πατρῶν 'Ιερόθεος (Μητρόπουλος) ὑπῆρξε θεῖος του. Μάλιστα, κατὰ μίαν ἀνεξακρίβωτον φήμην, ὁ νεαρὸς Δημήτριος, ἐνῶ διήνυε τὴν ἐφηβεικὴν ἡλικίαν του, ἀντιμετώπισε σοβαρῶς τὸ πρόβλημα νὰ περιβληθῇ τὸ μοναχικὸν σχῆμα καὶ νὰ μονάσῃ εἰς τὸ "Αγιον "Ορος. Εἶχεν ἤδη ἐγγραφῇ εἰς τὸ 'Ωδεῖον 'Αθηνῶν καί, κατὰ τὴν ἐποχὴν ἐκείνην, ἐπάλαιαν,εἰς τὸν ἐσωτερικόν του κόσμον, θρησκευτικὸς μυστικισμὸς μὲ τὴν λατρείαν τῆς μουσικῆς θρησκείας. Δὲν ἐβράδυναν νὰ ἐπικρατήσουν τελικῶς, αἱ ψυχικαὶ παρορμήσεις, ποὺ τὸν ὤθησαν εἰς τοὺς κόλπους τῆς μουσικῆς.

Πρὶν ἀκόμη ἀποπερατώσῃ τὰς ἐν 'Αθήναις σπουδάς του, ὁ Μητρόπουλος ἔδωσε δείγματα τῆς ἐξαιρετικῆς ἰδιοφυΐας του, τόσον διὰ τῆς ἐν γένει ἐπιδόσεώς του, ὅσον καὶ διὰ τῆς συνθέσεως ἑνὸς μελοδράματος, ὑπὸ τὸν τίτλον «'Η 'Αδελφὴ Βεατρίκη»» τὸ ὁποῖον ἔκρινε εὐμενέστατα ὁ γνωστὸς Γάλλος μουσικοσυνθέτης Σαὶν - Σάνς. 'Αποφοιτήσας τὸ 1918 τοῦ 'Ωδείου 'Αθηνῶν, ἀνεχώρησε χάριν εὐρυτέρων σπουδῶν εἰς Βρυξέλλας, ἀκολούθως δὲ μετέβη εἰς Βερολῖνον, ὅπου ὑπῆρξε μαθητὴς τοῦ Μπουζόνι καὶ συντόμως διεκρίθη, διορισθεὶς εἰς νεαρωτάτην ἡλικίαν, δοῦβδς διευθυντοῦ ὀρχήστρας.

Μόλις τριακονταετής, ὁ Μητρόπουλος ἐκλήθη ν' ἀναλάβῃ τὴν διεύθυνσιν τῆς Συμφωνικῆς ,Ορχήστρας τοῦ 'Ωδείου 'Αθηνῶν εἰς τὴν ὁποίαν διέχισε τὴν πρώτην θερμουργὸν πνοήν του ὡς ὑπεύθυνος πλέον διευθυντὴς μουσικοῦ συγκροτήματος. 'Η ὥθησις, τὴν ὁποίαν ἔδωσε ἀπὸ τῆς θέσεως ἐκείνης, εἰς τὴν σοβαρὰν μουσικὴν κίνησιν ἐν 'Ελλάδι, ὑπῆρξε τεραστία καὶ ἀπετέλεσε σταθμόν, διὰ τὰς ἐπιτεύξεις, ποὺ ἐσημειώθησαν εἰς τὴν ἑρμηνείαν τῶν κλασσικῶν μουσουργῶν, ἀπὸ τοῦ 1926 καὶ ἐντεῦθεν.

Τὸ ἔτος 1930 ἐχάραξε τὴν ἀπαρχὴν μιᾶς σημαντικῆς φάσεως εἰς τὴν καλλιτεχνικὴν πορείαν τοῦ Μητροπούλου. Τότε ἔκαμε τὴν πρώτην περιοδείαν του εἰς τὸ ἐξωτερικόν, ἐπισκεφθεὶς τὸ Βερολῖνον, τοὺς Παρισίους καὶ τὰς Βρυξέλλας. Αἱ ἐμφανίσεις του, ὡς διευθυντοῦ ὀρχήστρας, προσείλκυαν τὴν προσοχὴν τῶν μεγάλων ξένων κριτικῶν. Τὸ 1932 διηύθυνε συναυλίας εἰς Ρώμην, Λονδῖνον, Παρισίους, Νεάπολιν καὶ Φλωρεντίαν, μὲ τόσην δεξιοτεχνίαν, ὥστε τὸ ὄνομά του νὰ ὑπερβῇ τὰ ἑλληνικὰ ὅρια. Τὸ 1934 ὁ Μητρόπουλος ἐδραίωσεν διεθνῶς τὴν φήμην του, μὲ ἕνα ἀσυνήθη, διὰ τὰ μουσικὰ χρονικά, ἆθλον, ποὺ κατήγαγεν εἰς τὸ Βερολῖνον, ὅπου εἰς τὸ δυσχερέστατον Τρίτο Κοντσέρτο διὰ πιάνο τοῦ Προκόφιεφ, ὄχι μόνον διηύθυνε τὴν ὀρχήστραν μὲ ἐξαιρετικὴν ἀπόδοσιν, ἀλλὰ ταυτοχρόνως ἀνεπλήρωσε τὸν διάσημον σολίστ "Εγκον Πέτρι, ποὺ τὴν τελευταίαν στιγμήν, ἠμποδίσθη νὰ μετάσχῃ, ἀπὸ σοβαρὰν αἰτίαν. 'Απὸ τὴν στιγμὴν ἐκείνην, ὁ Μητρόπουλος ἐβάδιζεν ἀπὸ θριάμβου εἰς θρίαμβον, τασσόμενος πλέον μεταξὺ τῶν μεγαλυτέρων ἀρχιμουσικῶν τοῦ κόσμου.

Τὸ 1937 διωρίσθη διευθυντὴς τῆς Συμφωνικῆς 'Ορχήστρας τῆς Μιννεαπόλεως, ὅπου παρέμεινεν ἐπὶ δωδεκαετίαν, ἀναπτύξας μίαν ἀπαράμιλλον ἀπηδοτικότητα, καὶ ἀπὸ τοῦ 1949 ἦτο διευθυντὴς τῆς Φιλαρμονικῆς τῆς Νέας 'Υόρκης, διαδεχθεὶς δύο ἀρχιμουσικοὺς τεραστίας ὁλκῆς, ὅπως ἦσαν ὁ Μπροῦνο Βάλτερ καὶ ὁ Τοσκανίνι.

'Ο Μητρόπουλος, ὁ ὁποῖος ἐτιμήθη μὲ τὸ μετάλλιον Σαὶμπεργκ, εἰς τὸν τομέα τῆς συνθέσεως παρουσίασε: Τὴν «'Αδελφὴν Βεατρίκην», τὴν «Κρητικὴ Γιορτή», τὸ «Κοντσέρτο Γκρόσσο», τὴν ἐκτέλεσιν τοῦ ὁποίου διηύθυνε μὲ μεγάλην ἐπιτυχίαν ὁ ἴδιος εἰς τὸ Βερολῖνον, μουσικὴν διὰ τὴν «'Ηλέκτραν» τοῦ Σοφοκλέους καὶ τὸν «'Ιππόλυτον» τοῦ Εὐριπίδου, τὴν «Κασσιανὴν» ἐπὶ στίχων τοῦ Παλαμᾶ κ.ἄ.

Παρὰ τὸ ἀξιόλογον συνθετικόν του ἔργον, ὁ συνθέτης Μητρόπουλος ἐπισκιάζεται ἀπὸ τὸν μαέστρον Μητρόπουλον, ἀπὸ τὸν διευθυντὴν ὀρχήστρας, ποὺ θὰ παραμείνῃ ὡς μία μορφὴ ἡρωϊκοῦ ἱεροφάντου, εἰς τὰ χρονικὰ τῆς ἑρμηνείας τῶν κλασσικῶν, ὡρισμένα ἔργα τῶν ὁποίων ἀπέδιδε, κατὰ ἐντελῶς συγχρονισμένον τρόπον, ἰδικῆς του ἐμπνεύσεως. Εἰς τὸν τελευταῖον τοῦτον τομέα, τὸ ἔργον τοῦ Μητροπούλου, πρωτοπόρον πάντοτε εἰς τὴν τεχνικὴν παραμένει ἐντελῶς πρωτότυπον καὶ ἐγγίζει τὰ ὅρια μιᾶς νέας δημιουργίας.

Διεθνὴς συγκίνησις διὰ τὸν θάνατόν του

ΤΗΣ ΗΜΕΡΑΣ

Ο ΜΑΕΣΤΡΟΣ

ΕΝΑΣ ἀπὸ τοὺς μουσικοκριτικοὺς τῆς περασμένης γενεᾶς, ὁ ἀλησμόνητος Ψαρούδας, μοῦ ἔλεγε κάποτε γιὰ τὸν Δημήτρη Μητρόπουλο:

— Κατακρίνουν μερικοὶ τὸν Μητρόπουλο γιὰ τὸν τρόπο μὲ τὸν ὁποῖον διευθύνει μερικὰ ἀπὸ τὰ κλασσικὰ ἔργα. Δὲν ἔχουνε δίκαιο. Κι' ἐγὼ διαφωνῶ καμμιὰ φορὰ μὲ τὴν μπαγκέττα του, ἀλλὰ εἶμαι ὑποχρεωμένος ν' ἀναγνωρίσω ὅτι ὁ μεγάλος μαέστρος, ὁ μεγάλος διευθυντὴς ὀρχήστρας, πρέπει νὰ εἶναι σὰν τὸν μεγάλο ἠθοποιό, ποὺ ἑρμηνεύει ἕνα ρόλο. Καὶ ὅπως ἀλλοιώτικη ἑρμηνεία ἔδωνε ὁ "Αγγλος Κὴν σ' ἕνα ἔργο τοῦ Σαίξπηρ καὶ ἀλλοιώτικη ὁ Γάλλος Μουνὲ Σουλλύ, ἔτσι ἔχει τὸ δικαίωμα μ' ἀλλοιώτικη ἑρμηνεία νὰ διευθύνῃ ἕνας μαέστρος ἀπὸ ἕναν ἄλλον...

Αὐτὰ τὰ λόγια ἤτανε μιὰ σοφὴ ἀλήθεια τοῦ ἀλησμόνητου Ψαρούδα. Διότι, ἂν ἡ διεύθυνσις μιᾶς ὀρχήστρας γιὰ τὴν «Ποιμενικὴ» τοῦ Μπετόβεν, νὰ ποῦμε, ἤτανε τυποποιημένη, δὲν θὰ ὑπῆρχε κανένα ἰδιαίτερο ἐνδιαφέρον γιὰ τὸν ἄλφα ἢ βῆτα μαέστρο.

Πιστεύω ἀπόλυτα ὅτι ὁ προσωπικὸς χαρακτήρας ἑνὸς διευθυντοῦ ὀρχήστρας, μεταδίδεται στὴν μπαγκέττα του καὶ κατευθύνει τοὺς μουσικούς. "Ετσι, ἡ ἐκτελούμενη σύνθεσις, δηγεῖται ἀπὸ τὸν χαρακτήρα καὶ τὴν πεποίθησι τοῦ διευθυντοῦ τῆς ὀρχήστρας, ἀλλὰ ἡ πεποίθησις αὐτὴ ἀπορρέει ἀπὸ τὴν μουσική του μόρφωσι, ἡ ὁποία τοῦ ἐπέτρεψε νὰ ψυχολογήσῃ ὄχι μόνο τὴν ἐκτελούμενη συμφωνία, ἀλλὰ καὶ τὸ ὅλο ἔργο, τὴν ὅλη παραγωγὴ τοῦ συνθέτη.

'Ο Μητρόπουλος ἤτανε ἕνας ἀπὸ τοὺς ἐμπνευσμένους μαέστρους. Καὶ ἤτανε ἕνας ἀπὸ τοὺς λίγους μουσικοὺς ποὺ ἔφθασε στὸ σκαλοπάτι τοῦ μαέστρου, ἀνεβαίνοντας ὅλα τὰ σκαλοπατια ποὺ ὑπάρχουν πρὶν ἀπ' αὐτό.

Τὸν θυμᾶμαι —φοιτητὴς ἤμουν τότε, σαράντα δύο χρόνια πρίν, στὰ 1918— ποὺ ἐλάμβανε μέρος σὲ συναυλίες καὶ ρεσιτὰλ τοῦ 'Ωδείου 'Αθηνῶν, στὸ τότε Δημοτικὸ Θέατρο τῆς 'Αθήνας. Πρὶν ἀπ' αὐτὲς τὶς ἐμφανίσεις του, δὲν ἀπαξιοῦσε νὰ παρουσιάζεται καὶ σὰν «ἀκκομπανιατὲρ» σὲ ρεσιτὰλ τραγουδιοῦ. Δειλὰ-δειλὰ φαινότανε τὸ ὄνομά του τυπωμένο στὸ πρόγραμμα : Συνοδεύει ὁ κ. Δ. Μητρόπουλος.

Τὸν δεχότανε τὸ κοινὸ μ' ἐπιφύλαξι στὴν ἀρχή, μ' ὅλο ποὺ τὸ ὄνομά του εἶχε ἀρχίσει νὰ κυκλοφορῇ κι' ἔξω ἀπὸ τοὺς κύκλους τοῦ 'Ωδείου 'Αθηνῶν.

Τὸν θυμᾶμαι καλὰ τὸν ψηλό, ξερακιανὸ νέο, μὲ τὴν στεγνὴ ἀσκητικὴ μορφή. Τὰ δάκτυλά του ἦταν ἀδύνατα. κοκκαλιάκα καὶ νευρώδη, ἀλλὰ ἐνῶ «συνώδευε» τὸ τραγούδι, πολλοὶ ἀπὸ τοὺς ἀκροατὰς καταλαβαίνανε ὅτι αὐτὸς παρέσυρε τὸν τραγουδιστὴ καὶ αὐτὸς ἐκτελοῦσε τὸ τραγούδι, δίνοντας τὴν ταχύτητα καὶ τὸν ρυθμὸ τῆς δικῆς του, προσωπικῆς του ψυχολογίας.

"Αρχισε λοιπὸν —ἐσπούδαζε ἀκόμη τότε— σὰν ἀκκομπανιατὲρ καὶ ἀργότερα φάνηκε σὰν πιανίστας σὲ ρεσιτάλ. Μαζί του συμβάδιζε καὶ ἡ φήμη του ποὺ ὅλο καὶ μεγάλωνε, ὡς ὅτου τὸν τράβηξε ἡ 'Αμερική, αὐτὴ ἡ ἀπίθανη χώρα, ποὺ ἔννοεῖ ν' ἁρπάζῃ ἀπὸ τὴν Εὐρώπη ὅ,τι καλὸ τῆς βρίσκει.

Μ' αὐτὸν τὸν τρόπο ἡ 'Αμερικὴ εἶχε ἁποσπάσει τὸν Τοσκανίνι καὶ ἀργότερα τὸν Μητρόπουλο. Στὴ Μιννεάπολι, τὴν συμφωνικὴ ὀρχήστρα τῆς ὁποίας διηύθυνε πολλὰ χρόνια, κάθε μουσικὴ του γνώμη ἀποτελοῦσε «θέσφατον», ἀποτελοῦσε ἀξίωμα ποὺ δὲν ἐπιδεχότανε ἀντίρρησι. Καὶ δὲν εἶναι λίγοι οἱ νεώτεροι 'Αμερικανοὶ μαέστροι ποὺ διηύθυναν μὲ «Μητρόπουλο'ς μάννερ», μὲ τὴν ἑρμηνεία ποὺ εἶχε δώσει ὁ Μητρόπουλος.

'Η μουσική του γλῶσσα ἦταν ἀντιληπτὴ ἀπ' ὅλους. Καὶ ὁ σεβασμὸς ποὺ τοῦ εἶχανε σ' ὅλο τὸν κόσμο, φάνηκε ὅταν τὸν ἐκάλεσαν στὴν Μουσικὴ Μητρόπολι τοῦ Σάλτσμπουργκ, νὰ διευθύνῃ. Καὶ πρέπει νὰ γίνῃ γνωστόν, ὅτι οἱ Βιεννέζοι δὲν χαρτεύουν στὸ ζήτημα αὐτό. 'Η Βιέννη, δὲν ἔδειξε ἀκόμη ἐνδιαφέρον γιὰ τὴν Κάλλας, παρ' ὅλες της τὶς διεθνεῖς ἐπιτυχίες. "Ομως τὸν Μητρόπουλο, δὲν τὸν ἐκάλεσε ἁπλῶς, ἀλλὰ τὸν παρεκάλεσε νὰ διευθύνῃ Μότσαρτ, ἔστω κι' ἂν ἐπρόκειτο νὰ δώσῃ τὴν σφραγῖδα τῆς δικῆς του ἑρμηνείας.

Τὶς γραμμὲς αὐτὲς τὶς γράφει ἄνθρωπος, ποὺ ἤρθε σὲ σύγκρουσι κάποτε μὲ τὸν Μητροπουλο. 'Αλλὰ δὲν μπορῶ νὰ μὴν ὁμολογήσω ὅτι ἕνας μεγάλος καλλιτέχνης πέθανε, ἕνας μεγάλος ἑρμηνευτὴς καὶ ὁδηγός, ποὺ εἶχε γεννηθῇ στὴν χώρα τοῦ 'Ελικῶνος καὶ τῶν Μουσῶν, στὸν τόπο τοῦ 'Ορφέως καὶ τοῦ 'Αρίωνος...

Κι' αὐτὸς ἦταν ὁ Δημήτρης Μητρόπουλος.

Αὐτὸς εἶναι ὁ μεγάλος μαέστρος Δημήτρης Μητρόπουλος. Ὅσοι τὸν γνώριζαν ἀπὸ κοντά, βεβαιώνουν ὅτι ἦταν ἕνας ἄνθρωπος σκληρὰ αὐτοπειθαρχημένος, κοινωνὸς τῶν ἀθάνατων ἔργων τῆς μουσικῆς δημιουργίας καὶ τῶν ἁπλῶν ἀνθρώπων. Τὸ ἀστέρι του ξεχώριζε στὸ καλλιτεχνικὸ στερέωμα τῆς ἐποχῆς μας

ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Πέθανε ὁ Μητρόπουλος, ὁ μεγάλος μαέστρος! Τὸ τραγικὸ ἄγγελμα κυκλοφόρησε ἀστραπιαῖα σ' ὅλο τὸν κόσμο μὲ τὰ παραρτήματα τῶν ἐφημερίδων, μὲ ἔκτακτες ραδιοφωνικὲς ἐκπομπές, ἀπὸ στόμα σὲ στόμα. Σπάνια ὁ χαμὸς ἑνὸς ἀνθρώπου σκόρπισε παντοῦ τὸ πένθος.

Ὁ Δημήτρης Μητρόπουλος ἦταν μιὰ παγκόσμια δόξα. Τὸ ἀστέρι του ξεχώριζε στὸ μουσικὸ στερέωμα τῆς ἐποχῆς μας — καὶ θὰ λάμπει γιὰ καιρό. Γιατὶ τὸ μεγάλο του ἔργο δὲν πέθανε. Μένει ὁλοζώντανο. Καὶ τὸ παράδειγμα τοῦ ἀνθρώπου, ποὺ ἀναλώθηκε στὸν εὐγενικότερο ἀγώνα μὲ ἀκατάβλητο δυναμισμὸ κι' ἀπροσμέτρητο πάθος, θὰ φωτίζει τὸ δρόμο μας.

Γιὰ τὴν Ἑλλάδα τὸ πένθος εἶναι βαρύτατο κι' ἡ ἀπώλεια δικαιολογημένα προκαλεῖ αἰσθήματα συντριβῆς. Ὁ Δημήτρης Μητρόπουλος τίμησε τὸ ὄνομα τῆς πατρίδας του ὅσο ἐλάχιστοι μποροῦν σήμερα νὰ τὸ καυχηθοῦν. Κι' ἂν τὸ κενό, ποὺ ἄφησε ὁ αἰφνίδιος θάνατός του, μᾶς φαίνεται ἀκόμα μεγαλύτερο, εἶναι γιατὶ δὲν χάρηκε αὐτὸς ὁ τόπος ὅσο ἔπρεπε κι' ὅσο ἤθελε τὸν Ἰδιοφυῆ καλλιτέχνη καὶ στερήθηκε πρόωρα τὰ πολύτιμα διδάγματά του. Ἀλλοίμονο, ἡ μοῖρα τούτη συνεχίζεται γιὰ ὅλα τὰ ἄξια τέκνα τῆς ἑλληνικῆς γῆς...

Ἦταν κι' ἐκεῖνου ὁ καημὸς καὶ τὸ ὄνειρό του: Νὰ ἔχει ἐδῶ τὸ καλλιτεχνικό του ὁρμητήριο. Ποιός, ὅμως, νὰ νοιαστεῖ, ποιὸς νὰ δημιουργήσει τὶς προϋποθέσεις; Πόσοι σὰν τὸν Μητρόπουλο δὲν ὑποχρεώθηκαν ν' ἀποδημήσουν γιὰ νὰ μὴ πνιγοῦν μέσα στὸν φτωχοπροδρομισμὸ καὶ στὸ ἀντιδραστικὸ πνεῦμα, ποὺ καλλιεργοῦσαν καὶ καλλιεργοῦν οἱ κρατοῦντες — οἱ ἴδιοι ποὺ ἐμποδίζουν τὴν ἄνθιση τοῦ ἐθνικοῦ μας πολιτισμοῦ;

Σεμνός, ἀκούραστος, γενναῖος μαχητὴς τῆς μεγάλης μουσικῆς ἰδέας ὁ Δημήτρης Μητρόπουλος ξεκίνησε μονάχος. ἀδοήθητος, κι' ἔφτασε στὴν κορυφὴ μιᾶς σκληρῆς πορείας. χωρὶς κανένα συμβιβασμό, χωρὶς καμμιὰ παραχώρηση. Ἀλλὰ καὶ ποτὲ δὲν εἶδε τὴν τέχνη του σὰν προνόμιο τῶν «λίγων καὶ τῶν ἐκλεκτῶν». Ἑρμήνευε πάντα τὰ ἔργα ποὺ μιλοῦν στὴν ψυχὴ τῶν ἁπλῶν ἀνθρώπων κι' ἐκφράζουν τοὺς πόθους τους. Ἀπευθυνόταν στὸ μεγάλο κοινό. Κι' ἔπιανε τὴ μπαγκέττα πάνοπλος. Μὲ ἀπόλυτη γνώση κι' ἀφομοίωση τοῦ ἔργου, ποὺ θὰ ἐκτελοῦσε. Γινόταν ἕνα μαζί του. Μεθοῦσε ἀπ' τὶς ἰδέες του. Καὶ τὴ μέθη αὐτὴ τὴ μετέδιδε σὲ κάθε του συνεργάτη.

Ἀκαταπόνητος στὸ ἀναλόγιο. Πίστευε πὼς μόνο ἡ τελειότητα στὴν καλλιτεχνικὴ ἔκφραση μπορεῖ νὰ φέρει τὰ μηνύματα τῆς τέχνης ὁλοκάθαρα στὸ πνεῦμα καὶ στὴν καρδιὰ τοῦ ὁποιουδήποτε ἀκροατῆ. Ναί, ἦταν κοινωνὸς τῶν ἀθάνατων ἔργων τῆς μουσικῆς δημιουργίας καὶ τοῦ ἀνώνυμου πλήθους.

Τὸν εἶπαν μάγο τῆς μπαγκέττας. Καὶ ἦταν. Γιατὶ τὴν ὥρα ποὺ βρισκόταν στὸ ἀναλόγιο, μπρὸς στὸ κοινό, θαρρεῖς καὶ ἱερουργοῦσε. Δοσμένος ὁλόκληρος στὸ ὕψιστο χρέος τῆς ζωντανῆς ἑρμηνείας, ἄρχιζε τὴ μάχη. Μὲ τὸ πνεῦμα καὶ τὴν ψυχή του. μὲ τὸ σῶμα καὶ μὲ τὰ χέρια του — μὲ κεῖνα τὰ ἀεικίνητα δάχτυλα ποὺ μιλοῦσαν κι' ἔλεγες πὼς αὐτὰ ἔκρουαν ὅλες τὶς χορδὲς τῆς ὀρχήστρας, πὼς αὐτὰ χάριζαν τὴν πιὸ φλογερὴ ἀνάσα σ' ὅλα τὰ πνευστά...

Ἐκεῖ τὸν βρῆκε κι' ὁ θάνατος χθές, λίγο πρὶν ἀπ' τὸ μεσημέρι, σ' ἕνα θέατρο τοῦ Μιλάνου, σὲ ὥρα δοκιμῶν. Δὲν μποροῦσε νὰ τὸν βρεῖ ἄλλοῦ. Οἱ ἀληθινοὶ μαχητὲς πεθαίνουν σήμερα στὶς ἐπάλξεις. Κι' ὁ Μητρόπουλος δὲν Ἐλειψε ποτὲ ἀπ' τὴν πρώτη γραμμή. Ἂς τὸν προειδοποιοῦσε τὰ τελευταῖα χρόνια ὁ θάνατος. Δὲν τὸν λογάριαζε. Τὸν πολεμοῦσε μὲ τὴν μπαγκέττα στὸ χέρι. Κι' ἂν νικήθηκε αὐτὴ τὴ φορά, μιὰ μεγάλη ὀρχήστρα μ' ἐκεῖνον ὁδηγό, παίζει σήμερα τὸ μεγάλο πένθιμο καὶ ἡρωικὸ ἐμβατήριο...

Κάθε ἐμφάνιση τοῦ μεγάλου καλλιτέχνη ἦταν ἕνα μεγάλο μουσικὸ γεγονὸς καὶ προκαλοῦσε στοὺς φιλόμουσους πραγματικὸ συναγερμό

Ο ΔΙΑΣΗΜΟΣ ΕΛΛΗΝΑΣ ΑΡΧΙΜΟΥΣΙΚΟΣ

ΠΕΘΑΝΕ ΧΘΕΣ ΣΤΟ ΜΙΛΑΝΟ Ο ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Ἔπεσε πανω στό ἀναλόγιο ἐνῶ διηύθυνε δοκιμές τῆς ὀρχήστρας τῆς Σκάλας

ΠΑΓΚΟΣΜΙΑ ΣΥΓΚΙΝΗΣΙΣ ΓΙΑ ΤΟ ΘΑΝΑΤΟ ΤΟΥ. Η ΣΟΡΟΣ ΤΟΥ ΘΑ ΜΕΤΑΦΕΡΘΗ ΣΤΗΝ ΑΘΗΝΑ ΚΑΙ ΘΑ ΕΚΤΕΘΗ ΣΕ ΛΑ·Ι·ΚΟ ΠΡΟΣΚΥΝΗΜΑ

Ὁ Δημήτρης Μητρόπουλος δὲν ὑπάρχει πιά. Μὲ τεράστια συγκίνηση πληροφορήθηκε ὁλόκληρος ὁ κόσμος τὶς πρῶτες μεταμεσημβρινὲς ὧρες χθὲς πὼς ὁ διάσημος Ἕλληνας ἀρχιμουσικὸς καὶ συνθέτης πέθανε ξαφνικὰ στὸ Μιλάνο ἀπὸ ἐγκεφαλικὴ αἱμορραγία, σὲ ἡλικία 63 ἐτῶν.

Ὁ μεγάλος μαέστρος βρισκόταν στὸ Μιλάνο γιὰ νὰ διευθύνει μιὰ σειρὰ συναυλιῶν, ἀπ' τὶς ὁποῖες ἡ πρώτη θὰ ἐδίδετο τὴν προσεχῆ Δευτέρα. Χθὲς τὸ πρωί, ὁ Δημήτρης Μητρόπουλος πῆρε τὴ θέση του στὸ ἀναλόγιο τῆς Σκάλας τοῦ Μιλάνου, ὅπου πρὶν 30 χρόνια εἶχε κάνει τὴν πρώτη του ἐμφάνιση ἔξω ἀπ' τὴν Ἑλλάδα καὶ ἄρχισε νὰ διευθύνει τὶς δοκιμὲς τῆς πρώτης αὐτῆς συναυλίας. Σὲ μιὰ διακοπή, στράφηκε πρὸς τοὺς φίλους του καὶ εἶπε: «Αἰσθάνομαι πολὺ κουρασμένος. Εἶμαι σὰν ἕνα παλιὸ αὐτοκίνητο, ποὺ ἐξακολουθεῖ νὰ ἐργάζεται».

Μετὰ δέκα λεπτά, ὁ Μητρόπουλος ἄρχισε τὴ δοκιμὴ τῆς «Τρίτης Συμφωνίας» τοῦ Γκούσταφ Μάλερ. Ξαφνικὰ στάθηκε ἀκίνητος γιὰ μιὰ στιγμὴ κι' ἔπειτα ἔπεσε ἀναίσθητος πάνω στὸ ἀναλόγιο καὶ τὸ δάπεδο. Ἀμέσως, ὅλοι οἱ μουσικοὶ σηκώθηκαν ἀπ' τὶς θέσεις τους κι' ἔσπευσαν σὲ βοήθειά του, ἐνῶ σὲ λίγο κατέφθανε ἀσθενοφόρο ὄχημα νὰ τὸν παραλάβει. Προηγουμένως, ἕνας γιατρὸς ποὺ ἐκλήθη ἐπειγόντως, ἐπεχείρησε μαλάξεις τῆς καρδιακῆς χώρας, ἀλλὰ χωρὶς ἀποτέλεσμα. Ὁ Μητρόπουλος ἐξέπνευσε ἐνῶ μετεφέρετο στὴν Πολυκλινικὴ τοῦ Μιλάνου. Ἐκεῖ οἱ γιατροὶ περιορίσθηκαν νὰ διαπιστώσουν πὼς, κατὰ τὴ γνώμη τους, ὁ θάνατος εἶχε προέλθει ἀπὸ ἐγκεφαλικὴ αἱμορραγία.

ΠΑΓΚΟΣΜΙΑ ΣΥΓΚΙΝΗΣΙΣ

Ἡ εἴδησις τοῦ θανάτου τοῦ μεγάλου Ἕλληνα μαέστρου διαδόθηκε ἀστραπιαῖα στὸ Μιλάνο κι' ἀπὸ ἐκεῖ στὰ πέρατα τῆς οἰκουμένης. Ὅλα τὰ διεθνῆ δημοσιογραφικὰ πρακτορεῖα διέκοψαν τὶς ἐκπομπές τους καὶ ἄρχισαν νὰ μεταδίδουν τηλεγραφήματα σχετικὰ μὲ τὴν τεράστια συγκίνηση ποὺ προκάλεσε τὸ ἄγγελμα τοῦ θανάτου τοῦ κορυφαίου ἀρχιμουσικοῦ στὰ ἑκατομμύρια θαυμαστῶν του, φίλων τῆς μουσικῆς σ' ὅλες τὶς χῶρες.

Στὸ Μιλάνο, ὁ διευθυντὴς τῆς Σκάλας κ. Γκιριγκέλλι ἐδήλωσε ὅτι «αἰσθάνεται βαθύτατη ὀδύνη γιὰ τὴν ἀπώλεια τοῦ μεγάλου μουσικοῦ». Σὲ ἔνδειξη πένθους, ἡ Σκάλα τοῦ Μιλάνου ἀνέβαλε τὴ χθεσινὴ συναυλία, ποὺ ἐπρόκειτο νὰ διευθύνει ὁ μαέστρος Φ. Φρισκάϋ.

Στὴ Βιέννη, ἐξ ἄλλου, ὅπου ὁ Μητρόπουλος εἶχε ἀποθεωθεῖ πρὶν λίγες μόλις ἡμέρες, ὅταν διηύθυνε τὴν ὄπερα τοῦ Βέρντι «Ἡ δύναμις τοῦ πεπρωμένου» καὶ συναυλίες μὲ τὴ Φιλαρμονικὴ Ὀρχήστρα, ἐκπρόσωπος τῆς Κρατικῆς Ὄπερας τῆς αὐστριακῆς πρωτεύουσας ἐδήλωσε τὰ ἑξῆς:

«Τὰ μέλη τοῦ θιάσου τῆς Κρατικῆς Ὄπερας καὶ ἰδιαιτέρως τὰ μέλη τῆς ὀρχήστρας θὰ ἐνθυμοῦνται τὸν Μητρόπουλο πάντοτε σὰν μιὰν ἀπ' τὶς μεγαλύτερες προσωπικότητες τοῦ μουσικοῦ κόσμου. Συναισθηματικὴ καὶ ἀνιδιοτελὴς φυσιογνωμία, ποτὲ δὲν φρόντισε γιὰ τὸν ἑαυτό του, ἀφοσιωμένος στὴν προσπάθεια ἐπιτεύξεως ἀποκλειστικὰ καλλιτεχνικῶν σκοπῶν. Οὐδέποτε θὰ ξεχάσουμε ὅτι ὁ Μητρόπουλος ἦταν ὁ κατ' ἐξοχὴν ἄγαθὸς ἀνήρ, γιὰ τὸν ὁποῖο τίποτε δὲν ὑπῆρχε στὸν κόσμο πέρα ἀπὸ τὶς ὑπηρεσίες του πρὸς τὴ μουσικὴ καὶ τὴν Ἀνθρωπότητα».

Στὴν Ἀθήνα, τέλος ὁ θάνατος τοῦ Δημήτρη Μητρόπουλου, ποὺ ἔγινε γνωστὸς ἀπὸ ἔκτακτες ἐκδόσεις τῶν ἀπογευματινῶν ἐφημερίδων, προκάλεσε τεράστια συγκίνηση τόσο στὸν καλλιτεχνικὸ καὶ πνευματικὸ κόσμο, ὅσο καὶ στὸ φιλόμουσο κοινό, ποὺ εἶχε τὴν εὐκαιρία νὰ τὸν χειροκροτήσει δύο φορὲς μεταπολεμικὰ (στὰ 1955 καὶ στὰ 1958), γιὰ τὶς μνημειώδεις ἀναδημιουργίες του στὰ πλαίσια τοῦ Φεστιβὰλ Ἀθηνῶν. (Σημ.:

ΘΑ ΜΕΤΑΦΕΡΘΗ ΣΤΗΝ ΑΘΗΝΑ

Ἀνεκοινώθη χθὲς ἀργὰ τὴν νύκτα ὅτι ὁ ὑπουργὸς Προεδρίας κ. Τσάτσος ἔδωσε ὁδηγίες νὰ ταριχευθῇ ὁ νεκρὸς τοῦ Δημ. Μητροπούλου καὶ νὰ μεταφερθῇ στὴν Ἀθήνα. Σύμφωνα μὲ τὴν ἴδια ἀνακοίνωσι, ἡ μεταφορὰ τῆς σοροῦ θὰ πραγματοποιηθῇ δι' ἀεροσκάφους τῆς ΕΒΑ. ἡ δὲ σορὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ θὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν Ἱερὸν Ναὸν τῆς Μητροπόλεως. Ἡ κηδεία θὰ γίνῃ δημοσίᾳ δαπάνῃ εἰς ἡμέραν καὶ ὥραν καθορισθησομένην».

Η ΔΗΜΙΟΥΡΓΙΚΗ ΠΟΡΕΙΑ ΤΟΥ ΔΗΜΗΤΡΗ ΜΗΤΡΟΠΟΥΛΟΥ

Ὁ Δημήτρης Μητρόπουλος γεννήθηκε στὴν Ἀθήνα στὰ 1897. Ὁ πατέρας του ἦταν δερματέμπορος, ἀλλὰ ἐπειδὴ ὁ παππούς του ἦτανε παπᾶς κι' ἕνας θεῖος του μητροπολίτης (ὁ Πατρῶν Ἱερόθεος, ποὺ πέθανε στὰ 1903), ἡ οἰκογένεια προόριζε τὸν Μητρόπουλο γιὰ ἱερωμένο. Ἀργότερα, ὁ πατέρας του ἤθελε νὰ τὸν κάνει ναυτικό, ἀλλὰ ὅταν ὁ μικρὸς Δημήτρης ἄρχισε νὰ φοιτάει στὸ Ὠδεῖο ἄλλαξε γνώμη καὶ τοῦ ἐπέτρεψε ν' ἀφιερωθεῖ στὴ μουσική.

Ὁ Μητρόπουλος ἐσπούδασε στὶς τάξεις ἁρμονίας, ἀντίστιξης - φυγῆς καὶ πιάνου τοῦ Ὠδείου Ἀθηνῶν, ἀπ' ὅπου ἀποφοίτησε στὰ 1918 παίρνοντας τὸ χρυσὸ μετάλλιο γιὰ τὴν ἐπίδοσή του στὸ πιάνο. Ἀπ' τὰ μαθητικά του χρόνια, ὁ ἀργότερα διάσημος ἀρχιμουσικὸς ἔδωσε δείγματα τοῦ συνθετικοῦ ταλέντου του, μὲ τὸ συμφωνικὸ ποίημα «Ἡ Τραφή», ποὺ ἔγραψε στὰ 1916.

Μετὰ τὶς σπουδές του στὴν Ἀθήνα, πῆγε στὸ Βερολίνο, ὅπου μελέτησε συνθεση πλάι στὸν παγκόσμια διάσημο καθηγητὴ Φερρούτσιο Μπουζόνι. «Ἀπὸ ὅσα μοῦ εἶπε ὁ Μπουζόνι — ἐξομολογήθηκε κάποτε ὁ Μητρόπουλος — ἔχασα καθε ἐκτίμηση γιὰ τὸν ἑαυτό μου σὰν συνθέτη καὶ ἀντὶ γιὰ δημιουργὸς ἔγινα ἀναδημιουργός».

Ἵδρυσε στὴν Ἀθήνα στὰ 1920 κι' ἀνεφασε τὸ μελόδραμα του «Βεατρικη», γραμμένο πάνω στο γαλλικὸ κείμενο τοῦ Βέλγου θεατρικοῦ συγγραφέα Μωρὶς ντὲ Μαίτερλινκ κι' ὕστερα ξανάφυγε για τὶς Βρυξέλλες αὐτὴ τὴ φορά, ὁπου γιὰ ἕναν ἀκόμα χρόνο παρακολούθησε μαθήματα σύνθεσης κοντὰ στὸν Ζιλσον. Κατα τὴν περίοδο 1921—24 φοίτησε καὶ πάλι στὴ Μουσικὴ Ἀκαδημία τοῦ Βερολίνου, ἐνῶ ταυτόχρονα ἐκτέλουσε χρέη προπονητοῦ τῆς χορῳδίας καὶ τρίτου διευθυντοῦ ὀρχήστρας τῆς Κρατικῆς Ὄπερας τῆς τότε γερμανικῆς πρωτευούσας.

Στὰ 1924, ὁ Μητρόπουλος ξαναγύρισε στὴν Ἑλλάδα καὶ ἀνέλαβε τὴ διεύθυνση τῆς Ὀρχήστρας τοῦ Ἑλληνικοῦ Ὠδείου (1924—25) κι' ὕστερα τοῦ Συλλόγου Συναυλιῶν (1925—27). Ἀπ' τὰ 1927 ἦταν ἀρχιμουσικὸς τῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν, ὡς τὴν ἡμέρα ποὺ ἐγκατέλειψε τὴν Ἑλλάδα. Στὰ 1930 διηύθυνε τὴ φιλαρμονικὴ τοῦ Βερολίνου καὶ σὲ συνέχεια διηύθυνε διάφορες εὐρωπαϊκὲς ὀρχήστρες.

Στὰ 1936, ὁ διάσημος μαέστρος Σέργιος Κουσσεβίτσκυ τὸν ἐπρόσεξε καὶ τὸν ἐκάλεσε νὰ διευθύνει τὴ Συμφωνικὴ Ὀρχήστρα τῆς Βοστώνης. Ἀπ' τὸν ἑπόμενο χρόνο κι' ὡς τὰ 1949 ἦταν διευθυντὴς τῆς Συμφωνικῆς Ὀρχήστρας τῆς Μιννεαπόλεως. Ἀπ' τὰ 1951 ὡς τὰ 1957 διετέλεσε μουσικὸς διευθυντὴς τῆς Φιλαρμονικῆς τῆς Νέας Ὑόρκης, ἀργότερα δὲ ἔγινε ἀρχιμουσικὸς τῆς ἴδιας ὀρχήστρας. Τὸν Ἰανουάριο τοῦ 1959 ὁ Μητρόπουλος εἶχε ὑποστεῖ καρδιακὴ προσβολή, ἡ ὁποία τὸν ὑποχρέωσε ν' ἀποσυρθεῖ γιὰ ἀρκετὸ καιρὸ ἀπὸ τὴν ἐνεργὸ ὑπηρεσία.

Ὁ Μητρόπουλος δὲν εἶχε παντρεφτεῖ, συνήθιζε δὲ νὰ λέει πὼς ἐὸ γάμος εἶναι μιὰ ἐργασία καὶ δὲν νομίζω ὅτι μπορῶ νὰ κάνω ταυτοχρόνως δύο δουλειές». Εἶχε παροιμιώδη μουσικὴ μνήμη καὶ λεγότανε πὼς «μέσα στὸ μυαλό του ὑπῆρχαν πλήρεις 50 Συμφωνίες», μὲ τὴν ἔννοια πὼς μποροῦσε νὰ τὶς διευθύνει χωρὶς νὰ βλέπει τὶς νότες.

ΟΙ ΣΥΝΘΕΣΕΙΣ ΤΟΥ

Ὁ Μητρόπουλος, πέρα ἀπ' τὰ ἔργα ποὺ ἀναφέραμε παραπάνω, ἔγραψε καὶ τὰ ἑξῆς: μιὰ σονάτα γιὰ βιολὶ καὶ πιάνο καθὼς καὶ ἄλλα κομμάτια μουσικῆς δωματίου, κομμάτια γιὰ πιάνο, πολλὰ τραγούδια, ἀνάμεσα στὰ ὁποῖα τὴν «Κασσιανή» πάνω σὲ στίχους Κωστῆ Παλαμᾶ, ἕνα «Κοντσέρτο γκρόσσο» γιὰ ὀρχήστρα κ.ἄ.

Ἀκόμα εἶχε διασκευάσει γιὰ ὀρχήστρα δυὸ κλασσικὲς σύνθεσεις γιὰ ἐκκλησιαστικὸ ὄργανο τοῦ Ἰωάννη - Σεβαστιάνου Μπάχ: τὴν «Φαντασία καὶ Φούγκα» σὲ σόλ ἔλασσον καὶ τὸ «Πρελούντιο καὶ Φούγκα» σὲ σί ἔλασσον.

ΤΟ ΜΕΓΑΛΟ ΤΟΥ ΕΡΓΟ ΜΕΝΕΙ ΟΛΟΖΩΝΤΑΝΟ

ΣΕΜΝΟΣ, ΑΚΟΥΡΑΣΤΟΣ ΜΑΧΗΤΗΣ ΤΗΣ ΜΕΓΑΛΗΣ ΜΟΥΣΙΚΗΣ ΙΔΕΑΣ

Ὁ θρίαμβος τοῦ Δημήτρη Μητρόπουλου καὶ ἡ ἐκπληκτικὴ του σταδιοδρομία ἔκλεισαν χθὲς ἀναπάντεχα καθὼς βρισκόταν στὸ ἀναλόγιο τοῦ ἀρχιμουσικοῦ. «Ἕνας τέτοιος θάνατος ταίριαζε στὸν ἄνθρωπο ποὺ «ἐξ ἁπαλῶν ὀνύχων» μέχρι τὴν τελευταία του στιγμὴ στάθηκε ἕνας ἀπὸ τοὺς πιὸ πιστοὺς ἱεροφάντες στὴ διακονία τῆς τέχνης.

Οἱ θρίαμβοι τοῦ Μητρόπουλου στὰ μεγαλύτερα μουσικὰ κεντρα ὕστερα ἀπὸ τὴν ὁριστικὴ του ἀναχώρηση ἀπὸ τὴν Ἀθήνα πρὶν ἀπὸ τὸν πόλεμο, φτάνανε σὲ μᾶς ἐδῶ σὰν ἀντίλαλος. Οἱ ξένοι τεχνοκρίτες ξεπερνώντας ὁ ἕνας τὸν ἄλλον σὲ διθυραμβικοὺς ὕμνους, ἀναγνώριζαν στὸ πρόσωπο τοῦ Ἕλληνα μαέστρου τὸν ἐμπνευσμένο ἀναδημιουργὸ καὶ τὸν τοποθετοῦσαν ἀδίστακτα στὴν πρώτη γραμμὴ πλάϊ στὸν Τοσκανίνι, στὸ Φουρτβαΐγκλερ, στὸν Μπρούνο Βάλτερ, στὸ Στοκόφσκυ καὶ ἄλλους μεγάλους μύστες τῆς μπαγκέτας. «Εἶναι ἀδύνατο νὰ μιλήσει κανεὶς γι' αὐτὸν δίχως τὰ λόγια του νὰ πάρουν εὐθὺς ἐξ ἀρχῆς τὸν τόνο τῆς ὑπερβολῆς», γιὰ νὰ ἐπαναλάβουμε τὰ ἐπιγραμματικὰ λόγια ποὺ εἶπε κάποτε ὁ Λίστ γιὰ τὸ Βάγνερ. Ὁ Μητρόπουλος ἦταν ἕνα ἀπὸ τὰ θαυμαστὰ μουσικὰ φαινόμενα τοῦ αἰῶνα μας. Βαδίζοντας διαρκῶς δίχως ἀνάπαυλα, τὸν ἀνηφορικὸ δρόμο τῆς τέχνης, προχωροῦσε ἀπὸ θρίαμβο σὲ θρίαμβο, δίχως νὰ θαμπώνεται ἀπὸ τὴ δόξα.

Ἀπὸ τὰ πρῶτα του βήματα ὁ Μητρόπουλος ἐμφανίζεται σὰν ἕνα πνεῦμα ἀνήσυχο καὶ ἄπληστο, σὰν μιὰ μουσικὴ ἰδιοφυΐα γεμάτη ἀπὸ ἀντινομίες καὶ συγκρούσεις. Προσπαθοῦσε ν' ἀγκαλιάσει ὅλες τὶς ἐκδηλώσεις τῆς τέχνης του. Ὕστερα ἀπὸ τὴ λαμπρὴ του ἀποφοίτηση ἀπὸ τὸ Ὠδεῖο Ἀθηνῶν, ὅπου εἶχε σπουδάσει πιάνο καὶ ἀνώτερα θεωρητικά, πηγαίνει μὲ ὑποτροφία στὶς Βρυξέλλες γιὰ σπουδὲς ἐκκλησιαστικοῦ ὀργάνου καὶ σύνθεσης. Ὕστερα φεύγει γιὰ τὸ Βερολίνο παραμένοντας ἐκεῖ ἕξη χρόνια. Ἡ μελέτη τοῦ πιάνου ἐναλλάσσεται μὲ τὴ σπουδὴ καὶ τὴ δημιουργικὴ ἐνασχόληση στὴ σύνθεση. Παράλληλα ἡ ἐπίδοση τοῦ Μητρόπουλου στρέφεται ἐντατικὰ καὶ πρὸς τὴ διεύθυνση τῆς ὀρχήστρας.

Ἰδιοσυγκρασία περισσότερο ρομαντικὴ ὁ Μητρόπουλος —κι' αὐτὸ τὸ παρατηροῦσε κανεὶς στὸ γείμαρρο τρῳ ρομαντικοῦ μουσικοῦ πάθους ποὺ τὸν συνέπαιρνε στὶς ἑρμηνεῖες του— σὰν συνθέτης ἐμφανίζεται ἕνας τολμηρότατος νεωτεριστής, ὅπου ἐγγίζει τὶς πιὸ παρακινδυνευμένες ἐκρότητες. Τὸ πρόβλημα τῆς τεχνικῆς καὶ ἡ αἰσθητικὴ τῆς φόρμας τὸν ἀπασχολοῦν περισσότερο.

Ἀπὸ τὸν πρῶτο ἀκόμη καιρὸ τῆς σταδιοδρομίας του ἀρχίζει νὰ διαγράφεται καθαρὰ ὁ δρόμος ποὺ θ' ἀκολουθοῦσε ὁ Μητρόπουλος. Ἀπὸ τὴν ἐποχὴ ποὺ βρισκόταν στὸ Βερολίνο καὶ εἶχε καταλάβει τὴ θέση τοῦ τρίτου «κάπελ μάϊστερ» στὴν Κρατικὴ Ὄπερα, ὁ διεύθυνση τῆς ὀρχήστρας φάνηκε πὼς τὸν τραβοῦσε περισσότερο καὶ ἄρχισε νὰ βαραίνει στὴν πλάστιγγα τῆς καλλιτεχνικῆς του σταδιοδρομίας. Ἡ ἴδια ἡ μουσικὴ του ἰδιοσυγκρασία, ἡ μουσικὴ του φύση τοῦ ἐπέβαλαν ν' ἀκολουθήσει αὐτὸ τὸ δρόμο. Φάνηκε καθαρὰ ἀπ' τὴν ἀρχή, πὼς ὁ ἀρχιμουσικὸς Μητρόπουλος ὑπερακοντίζει τὸν συνθέτη. Ἔτσι, ἀπὸ τὸ 1936 ποὺ ἐπέστρεψε στὴν Ἀθήνα γιὰ ν' ἀναλάβει τὴ διεύθυνση τῆς συμφωνικῆς ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν καὶ σ' ὅλη τὴ μετέπειτα δράση του, σ' ὅλη τὴ διαδρομὴ τῆς ἐκπληκτικῆς του καρριέρας, λογαριαζόταν σὰν ἕνας μεγάλος ἀναδημιουργὸς μαέστρος, ἐνῶ σὰν συνθέτης δὲν εἶχε ἀνάλογη ἐξέλιξη.

Ἀμείλικτος ἐχθρὸς τῆς ρουτίνας ὁ Μητρόπουλος, προσπάθησε πάντοτε ν' ἀποφύγει τὴν «πεπατημένην» γι' αὐτὸ παλαιότερα μερικὲς ἑρμηνεῖες του, ἰδιαίτερα στὰ κλασσικὰ ἔργα, εἶχαν χαρακτηριστεῖ κάπως τολμηρὲς καὶ παρακινδυνευμένες. Μὲ τὸ πέρασμα τοῦ χρόνου ὁ μαέστρος ἐμφανίζεται πιὸ ὥριμος πιὰ καὶ κατασταλαγμένος, δίχως ὅμως νὰ τοῦ λείπει ἡ νεανικὴ ζωντάνια καὶ τὸ σφρίγος ποὺ πάντα χαρακτήριζαν τὶς ἑρμηνεῖες του. Ξέφευγε λίγο - λίγο ἀπὸ τὶς σπασμωδικὲς κινήσεις καὶ τὶς παράφορες ὁρμητικὲς ἐκδηλώσεις καὶ μόνο ὅταν τὸ πνεῦμα τοῦ ἔργου τὸ ἀπαιτοῦσε, ἀφηνόταν νὰ παρασυρθεῖ ἀπὸ τὴν δίνη τοῦ μουσικοῦ του αὐθορμητισμοῦ.

Τὸ 1955, τὴ χρονιὰ ποὺ ἐγκαινιαζόταν τὸ Φεστιβὰλ Ἀθηνῶν, ὁ ἀξέχαστος μαέστρος ὕστερα ἀπὸ τόσα χρόνια ἀπουσίας, ξαναπάταγε τὸ πόδι του μὲ μεγάλη συγκίνηση στὴν ἀγαπημένη του Ἀθήνα. Οἱ μουσικοὶ τῆς Κρατικῆς Ὀρχήστρας, τὸ ὠδεῖο Ἀθηνῶν, ποὺ τὸν ἐξέθρεψε μουσικά, ὁ Πανελλήνιος Μουσικὸς Σύλλογος ποὺ ὁ Μητρόπουλος ἦταν ἕνα ἀπὸ τὰ παλαιότερα μέλη του, οἱ μαθητές του καὶ μαζὶ ὅλος ὁ φιλόμουσος κόσμος τὸν ὑποδέχτηκαν μ' ἕνα, θὰ λέγαμε, ἐξαλλο ἐνθουσιασμό. Στὶς συναυλίες ποὺ ἀκολούθησαν μὲ τὴν Φιλαρμονικὴ τῆς Νέας Ὑόρκης οἱ ἑρμηνεῖες τοῦ Μητρόπουλου ἄγγιζαν τὸ κατακόρυφο τῆς μαεστρικῆς ἀναδημιουργίας. Ἰδιαίτερα ἀξέχαστη θὰ μᾶς μείνει ἡ ἐκτέλεση τῆς «10ης Συμφωνίας» τοῦ Σοστάκοβιτς, ποὺ γιὰ πρώτη φορὰ παιζόταν στὸν τόπο μας. Στὴν ἑρμηνεία τῆς Συμφωνίας τοῦ μεγάλου Σοβιετικοῦ συνθέτη, ἕνας μουσικὸς κραδασμὸς ποὺ ἐκπορευόταν ἀπὸ τὸν μαέστρο εἶχε συνεπάρει τοὺς μουσικοὺς καὶ ἡ ὀρχήστρα στὰ χέρια του εἶχε μεταβληθεῖ σ' ἕν

Τὰ μαγικὰ χέρια τοῦ Δημήτρη Μητρόπουλου ποὺ κλείνουν τὸ ἀσύλληπτο νόημα τῆς μουσικῆς

Πέντε χαρακτηριστικὲς καὶ ἐκφραστικὲς πόζες τοῦ Δημήτρη Μητροπουλου κατὰ τὴν τελευταίαν ἐμφάνισίν του στὰς Ἀθήνας τὸ 1958 ὅταν ἦλθε νὰ διευθύνη τὴν φιλαρμονικὴν ὀρχήστραν τῆς Βιέννης.

ΠΑΓΚΟΣΜΙΟΝ ΠΕΝΘΟΣ ΔΙΑ ΤΟΝ ΘΑΝΑΤΟΝ ΤΟΥ ΑΡΧΙΜΟΥΣΙΚΟΥ ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΥ

Ἀπέθανεν ὄρθιος εἰς σφικτὸν ἐναγκαλισμον τῆς Μούσης τὴν ὁποίαν ἐλάτρευε

Βαθυτάτη θλῖψις καὶ ὀδύνη συνέχει τὴν παγκοσμίαν ὡς καὶ τὴν ἑλληνικὴν μουσικὴν διὰ τὸν θάνατον τοῦ διαπρεποῦς ἀρχιμουσικοῦ Δημήτρη Μητροπούλου. Τὰ ξένα εἰδησεογραφικὰ πρακτορεῖα μετέδωσαν ἀστραπιαίως τὸν θάνατόν του ἐπὶ τῶν ἐπάλξεων τῆς τέχνης, ἐνῶ παραλλήλως τὰ μουσικὰ ἱδρύματα ὅλου τοῦ κόσμου ἐκφράζουν τὴν μεγάλην συγκίνησιν τῶν παραγόντων τῆς παγκοσμίου μουσικῆς κινήσεως εἰς ἀλλεπαλλήλους ἐκδηλώσεις καὶ ἀνακοινώσεις.

ΜΙΑ ΙΣΤΟΡΙΚΗ ΦΩΤΟΓΡΑΦΙΑ:
Οἱ Καλομοίρης (μέσον), Βάρβογλης (ἀριστερά), Μητρόπουλος (κέντρον) καὶ Ριάδης (δεξιά), κατὰ τὰ πρῶτα βήματα τῆς μουσικῆς κινήσεως στὸν τόπον μας, ὅταν ἱδρυσαν τὸν «Σύλλογον Συναυλιῶν».

Οἱ τελευταῖες του στιγμὲς εἰς τὴν Σκάλα

ΜΙΛΑΝΟΝ, 3. ('Ιδ. ὑπ.).—Αἱ συνθῆκαι ὑπὸ τὰς ὁποίας ἐτελεύτησε τὴν ζωήν του σήμερον ἐνταῦθα ὁ Δημήτρης Μητρόπουλος, ὑπῆρξαν ἄξιαι καλλιτέχνου τῆς ὁλκῆς τοῦ θανόντος. 'Ο Μητρόπουλος ἀπέθανεν ὄρθιος εἰς σφικτὸν ἐναγκαλισμὸν τῆς Μούσης, τὴν ὁποίαν ἐλάτρευσε καὶ ἐλάμπρυνεν ἐπὶ μακρὰ ἔτη.

Πράγματι, εἰς τὴν Σκάλαν τοῦ Μιλάνου ἐπρόκειτο νὰ δοθῇ τὴν προσεχῆ Δευτέραν ἡ Τρίτη Συμφωνία τοῦ Μάλερ καὶ τὴν συναυλίαν θὰ διηύθυνεν ὁ Μητρόπουλος. Διὰ σήμερον τὴν πρωΐαν εἶχεν ὁρισθῇ ἡ δοκιμή. Τὴν 10.15 πρωϊνὴν προσῆλθεν ὁ Μητρόπουλος συνοδευόμενος ἀπὸ τὴν γραμματέα του κ. Τροῦν τὸ Γκόθ. *Ἦτο εὐχαρις, ὑγιὴς καὶ τίποτε δὲν ἐπρόδιδε τὸ μετ' ὀλίγον τέλος του. 'Επροχώρει μὲ τὸ σύνηθες ζωηρόν του βῆμα, χαιρετῶν γνωστοὺς καὶ φίλους. 'Εθάδιζε βραδέως καὶ ἐβλεπε νὰ διαθέσῃ νὰ συνομιλῇ μὲ ὅσους συνήντα.

Εἰς τὸν χῶρον τῆς Σκάλας εὑρίσκεται τὸ καφενεῖον «Μπίφι Σκάλα», εἰς τὸ ὁποῖον λαμβάνουν τὰ ἀναψυκτικὰ των οἱ καλλιτέχναι. Καθ' ἣν στιγμὴν διήρχετο ὁ Μητρόπουλος τὰν ἀντελήφθη ὁ καθήμενος ἐκεῖ "Ελλην τενόρος Ντίνος 'Εγκολφόπουλος, ὅστις ἠγέρθη καὶ ἔσπευσε πρὸς συνάντησιν τοῦ μεγάλου μαέστρου. "Ορθιοι οἱ δύο καλλιτέχναι ἐσταμάτησαν ἐπὶ ἀρκετὰ λεπτὰ συνομιλοῦντες. 'Ο Μητρόπουλος ἐζήτησε πληροφορίας ἀπὸ τὸν συνομιλητήν του σχετικὰς μὲ τὴν καλλιτεχνικήν του δραστηριότητα καὶ ἐν συνεχείᾳ ἀντήλλαξαν τὰς τυπικὰς φράσεις περὶ ὑγείας. 'Ο 'Εγκολφόπουλος, γνωρίζων τὴν πάθησιν τοῦ Μητροπούλου, τοῦ ἐξέφρασε τὴν ἱκανοποίησίν του διότι τὸν εὗρισκε καλά. Καὶ ὁ Μητρόπουλος τοῦ ἀπήντησε:

—Δόξα τῷ Θεῷ, αἰσθάνομαι πολὺ καλά.

'Ακολούθως ὁ Μητρόπουλος ἐπροχώρησεν εἰς τὸ ἐσωτερικὸν τῆς Σκάλας καὶ ἦρχισε τὴν δοκιμήν, ἡ ὁποία ἐπροχώρει κανονικῶς καὶ χωρὶς τίποτε νὰ προδίδῃ τὰς θλιβερὰς ἐξελίξεις.

Εἶχον παρέλθει περίπου εἴκοσι λεπτὰ ἀπὸ τῆς ἐνάρξεως τῆς «πρόβας», ὅτε οἱ μουσικοὶ καὶ ἄλλοι παριστάμενοι εἶδον τὴν «μπαγκέττα» νὰ ἐκφεύγῃ ἀπὸ τὰς χεῖρας τοῦ καλλιτέχνου καὶ νὰ πέσῃ ἐπὶ τοῦ δαπέδου. 'Ο Μητρόπουλος εἶχε ὠχριάσει, ἀλλὰ τὸ χέρι του ἔκρατήθη ἀκόμη ἐπί τινα δευτερόλεπτα εἰς τὴν θέσιν ποὺ εὑρίσκετο μὲ τὴν «μπαγκέττα» προτοῦ καταπέσῃ. Οἱ παριστάμενοι ἔσπευσαν νὰ τοῦ προσφέρουν κάθισμα, εἰς τὸ ὁποῖον ἐκάθησε καὶ κατώρθωσε νὰ φέρῃ καὶ πάλιν τὰς δύο χεῖρας εἰς τὴν κεφαλήν του — αἰσθανόμενος προφανῶς ζάλην καὶ πιθανῶς πόνον ἀπὸ τὴν ἐγκεφαλικὴν αἱμορραγίαν, ἡ ὁποία τὸν εἶχε προσβάλει ἤδη. "Εσπευσαν νὰ τοῦ φέρουν νερό, ἐνῶ ἄλλοι τὸν ἠρώτων τί αἰσθάνεται. Δὲν ἠδυνήθη ὅμως νὰ προφέρῃ οὔτε λέξιν καὶ ἀντὶ ἄλλης ἀπαντήσεως — προτοῦ κἂν φθάσῃ τὸ νερὸ — ὁ Μητρόπουλος ἐξέφυγε τοῦ καθήματός του καὶ ἔπεσε κατὰ γῆς.

'Εν τῷ μεταξὺ εἶχεν εἰδοποιηθῇ ὁ ἰατρός της Σκάλας, ὁ ὁποῖος ἔφθασε καὶ ἦρχισε νὰ κάμνῃ ἐντόνους μαλάξεις εἰς τὴν καρδίαν τοῦ ἀσθενοῦς, ἐνῶ μετεκαλεῖτο ἐπειγόντως φορεῖον διὰ νὰ τὸν μεταφέρῃ εἰς νοσηλευτικὸν ἵδρυμα.

'Ο Δημήτρης Μητρόπουλος ἐξέπνευσε καθ' ὁδόν, ἐνῶ μετεφέρετο ἐν πάσῃ σπουδῇ εἰς τὸ νοσοκομεῖον, ὅπου οἱ ἰατροὶ μόνον τὸν θάνατόν του ἠδυνήθησαν νὰ διαπιστώσουν..

Εἰς τὴν Σκάλαν ἐπεκράτησε θλῖψις καὶ ἀνέκφραστος συγκίνησις. 'Η Διεύθυνσις κατ' ἀρχὰς ἀνεκοίνωσεν ὅτι θὰ ἀργήσῃ ἀπόψε εἰς ἔνδειξιν πένθους διὰ τὸν θάνατον τοῦ μεγάλου καλλιτέχνου. 'Ολίγον βραδύτερον ὅμως, ἐπεκράτησαν ἄλλαι σκέψεις καὶ ἀνεκοινώθη ὅτι θὰ δοθῇ ἀπόψε συναυλία εἰς μνήμην τοῦ Μητροπούλου μὲ τὴν «'Ηρωικὴν» συμφωνίαν τοῦ Μπετόβεν, ὑπὸ τοῦ Οὐγγρου μαέστρου Φέρεκ Φρίσκαϋ.

'Η συναυλία αὕτη ἦτο συγχρόνως ἀποχαιρετισμὸς πρὸς αὐτὸν καὶ λατρεία πρὸς τὰς ἀνωτέρας βαθμίδας τελειότητος τοῦ ἀνθρωπίνου πνεύματος. 'Ο Οὐγγρος μαέστρος διηύθυνεν εὐθυτενὴς τὴν ὀρχήστραν του ἐνῶ τὸ πυκνὸν ἀκροατήριον παρηκολούθει σύννουν.

Ἀνακοίνωσις τῆς Κρατικῆς Ὀρχήστρας

'Η εἴδησις τοῦ θανάτου τοῦ Δημήτρη Μητροπούλου γνωσθεῖσα εἰς τὰς Ἀθήνας διὰ τοῦ Ραδιοφωνικοῦ Σταθμοῦ 'Αθηνῶν καὶ ἐκτάκτων ἐκδόσεων ἐφημερίδων, προεκάλεσε βαθεῖαν συγκίνησιν εἰς τὸν λαόν.

'Ο ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος ἔδωσεν ἐντολὴν εἰς τὸ Γενικὸν 'Επιτελεῖον 'Αεροπορίας νὰ στείλῃ ἀεροσκάφος τῆς ΕΒΑ εἰς Μιλάνον διὰ τὴν μεταφορὰν τῆς σοροῦ τοῦ μεγάλου ἀρχιμουσικοῦ εἰς 'Αθήνας.

Ταυτοχρόνως ὁ ὑπουργὸς Προεδρίας κ. Τσάτσος ἐπεκοινώνησε τηλεφωνικῶς μὲ τὸν "Ελληνα πρόξενον εἰς τὸ Μιλάνον, πρὸς τὸν ὁποῖον ἔδωσεν ἐντολὴν ὅπως ὁ νεκρὸς τοῦ Μητροπούλου ταριχευθῇ προκειμένου μετὰ τὴν μεταφορὰν του εἰς 'Αθήνας νὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν ναὸν τῆς Μητροπόλεως. 'Η κηδεία θὰ γίνῃ δημοσία δαπάνῃ εἰς ἡμέραν καὶ ὥραν ὁρισθησομένην.

Ο ΥΠΟΥΡΓΟΣ ΤΗΣ ΠΑΙΔΕΙΑΣ

'Ο ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς προέβη χθὲς εἰς τὰς ἀκολούθους δηλώσεις: «'Ο ἀδόκητος θάνατος τοῦ μεγάλου "Ελληνος μουσουργοῦ Δημήτρη Μητροπούλου, ἀποτελεῖ πλῆγμα διὰ τὸν καλλιτεχνικὸν κόσμον καὶ ἐθνικὴν ἀπώλειαν μεγίστην. 'Η ἑλληνικὴ Κυβέρνησις, τιμῶσα τὸ ἔργον τοῦ ἀνδρός, ἀπεφάσισε νὰ μεταφερθῇ ἡ σορὸς του εἰς 'Αθήνας καὶ νὰ τῆς ἀποδοθοῦν αἱ δέουσαι τιμαί, ἐκτὸς ἐὰν ἄλλως ὑπὸ τοῦ ἀποθανόντος ἔχει ὁρισθῇ διὰ διαθήκης».

Ο ΑΚΑΔΗΜΑΪΚΟΣ ΜΑΝΩΛΗΣ ΚΑΛΟΜΟΙΡΗΣ

«'Ο ἀπροσδόκητος θάνατος τοῦ Δημήτρη Μητροπούλου ἐλύπησε βαθύτατα ὄχι μόνον τὸν ἑλληνικόν, ἀλλὰ καὶ τὸν διεθνῆ μουσικὸν κόσμον. Προσωπικῶς αἰσθάνομαι βαθύτατα συντετριμμένος, διότι μὲ τὸν ἐκλιπόντα διακεκριμένον καλλιτέχνην μὲ συνέδεαν συγκινητικαὶ ἀναμνήσεις καὶ θερμαὶ σχέσεις. Καὶ δὲν ἐχωρίσθημεν οὔτε εἰς τὴν 'Ακαδημίαν 'Αθηνῶν, τῆς ὁποίας ὁ Μητρόπουλος ὑπῆρξε ἐπίλεκτον μέλος».

Ο ΜΟΥΣΟΥΡΓΟΣ κ. Μ. ΒΑΡΒΟΓΛΗΣ

«Κόπηκε ἡ ἀνάσα μου σὰν ἄκουσα τὴν εἴδησι τοῦ χαμοῦ τοῦ μεγάλου τεχνίτη, τοῦ ἀδελφικοῦ φίλου. Δὲν μπορῶ νὰ φαντασθῶ νεκρὸ τὸν Μητρόπουλο. 'Από τὸ 1921 μᾶς συνέδεε μιὰ ἀδελφικὴ φιλία. Τὸ πρῶτο μου ἔργο τὸν «'Αγωνιάτη», μοῦ τὸ τύπωσε μὲ δικά του ἔξοδα.

»Τῶρα θὰ φρεθοῦν πολλοὶ — ὅλοι σχεδὸν — ποὺ θά... συγκινηθοῦν καὶ θὰ εἶναι αὐτοὶ ποὺ τὸν ἔκαναν νὰ φύγῃ πικραμένος ἀπὸ τὸν τόπο μας.

»Θυμᾶμαι ὅταν τὸν ἄκουσε ὁ μεγάλος Κόρτον — ἦταν πολὺ νέος ἀκόμα — νὰ συνοδεύῃ κάτι μοντέρνα τραγούδια ποὺ μοῦ εἶπε ὅτι οὐδέποτε στὴ ζωή του εἶχε ἀκούσει μὲ τέτοια μουσικότητα καὶ ἔκφρασι καλλιτέχνη νὰ συνοδεύῃ στὸ πιάνο. 'Αλλὰ καὶ μετά, σ' ὅλη του τὴ ζωή, ἔκανε ἐκεῖνο ποὺ γύρευε ὁ μεγάλος διευθυντὴς ὀρχήστρας Μπίλωφ: «'Ο μαέστρος δὲν πρέπει νὰ ἔχῃ τὸ κεφάλι του σκυμμένο ἐπάνω στὴν παρτιτούρα, ἀλλὰ νὰ ἔχῃ μέσα στὸ κεφάλι του τὴν παρτιτούρα». Γι' αὐτὸ ὁ Μητρόπουλος ἦταν μεγάλος».

Ο ΑΡΧΙΜΟΥΣΙΚΟΣ ΚΟΑ Θ. ΒΑΒΑΓΙΑΝΝΗΣ

«Αἰσθάνομαι ἰδιαιτέρως συγκεκινημένος λόγω τοῦ αἰφνιδίου θανάτου τοῦ τόσον ἀγαπητοῦ μου Δημήτρη Μητροπούλου, διότι δεκαπέντε ὁλόκληρα χρόνια συνειργάσθην μαζί του καὶ ἀλληλοεθωηθήθημεν πολλάκις. "Ητο ὄχι μόνον ἕνας μεγάλος καλλιτέχνης, ἀλλὰ καὶ ἕνας ἐξαίρετος ἄνθρωπος, ὁ ὁποῖος ἀγαποῦσε εἰλικρινῶς τοὺς συναδέλφους του».

ΑΝΑΚΟΙΝΩΣΙΣ ΤΗΣ ΚΡΑΤΙΚΗΣ ΟΡΧΗΣΤΡΑΣ

«'Η Κρατικὴ 'Ορχήστρα 'Αθηνῶν αἰσθάνεται τὴν ἀνάγκην νὰ ἐκφράσῃ δημοσίᾳ τὴν μεγάλην θλῖψιν τῶν μελῶν τοῦ καλλιτεχνικοῦ καὶ διοικητικοῦ προσωπικοῦ αὐτῆς διὰ τὸν πρόωρον θάνατον τοῦ διατελέσαντος εἰς τὸ παρελθὸν μεγάλου συνεργάτου της Δημήτρη Μητροπούλου, τοῦ ὁποίου ἡ λαμπρὰ σταδιοδρομία εἰς τὸ διεθνὲς μουσικὸν προσκήνιον περιποιεῖ τιμὴν καὶ δόξαν εἰς ὁλόκληρον τὴν χώραν.

»Τὸ κενὸν ἐκ τοῦ ἀδοκήτου θανάτου τοῦ μεγάλου αὐτοῦ "Ελληνος ἀρχιμουσικοῦ εἶναι δυσαναπλήρωτον καὶ ἡ παροῦσα ἔκφρασις ὀδύνης τῶν παλαιῶν συνεργατῶν καὶ φίλων του ἂς προστεθῇ εἰς τὰς ἑκατοντάδας παρομοίων ἐκδηλώσεων τοῦ διεθνοῦς μουσικοῦ κόσμου».

Ο ΜΕΓΑΛΟΣ ΕΛΛΗΝ

Δ. Μητρόπουλος

Πνεῦμα καὶ φλόγα

ΕΦΥΓΕ ΣΕ ΜΙΑ ΩΡΑΙΑ ΣΤΙΓΜΗ ΤΗΣ ΖΩΗΣ ΤΟΥ

Δύσκολα μπορεῖ κανεὶς νὰ πιστέψῃ ὅτι ὁ Δημήτρης Μητρόπουλος δὲν ὑπάρχει πιά. "Αν καὶ πρὸ δύο ἐτῶν ὁ Χάρος εἶχε ἁπλώσει τὶς φτεροῦγες του ἐπάνω του, ἐφαινικά, σὰν νὰ μετάνοωσε καὶ τὸν ἄφησε νὰ ζήσῃ.

Νὰ ζήσῃ γιὰ νὰ δοξασθῇ ἀκόμα; Αὐτὸ ἦταν ἀδύνατον. Τόνομά του ἔπρεπε νὰ γίνει θρῦλος. Δὲν ὑπῆρχε τιμή, δὲν ὑπῆρχε ἀναγνώρισις ποὺ νὰ μὴν εἶχε δοθεῖ στὸν "Ελληνα μουσικό. Στὴ Βιέννη καὶ στὸ Σάλτσμπουργκ δύο ὀνόματα ἦταν πάντα στεφανωμένα μὲ τὸ φωτοστέφανο τῆς δόξας. Τοῦ Καραγιὰν καὶ τοῦ Μητροπούλου. Τὸ ἴδιο στὸ Βερολῖνο, στὴ Βόρειο καὶ Νότιο 'Αμερική, στὴν 'Ιταλία.

'Ο Δημητράκης, ὅπως τὸν ἔλεγαν χαϊδευτικὰ οἱ φίλοι του, ἦταν ἀπὸ μικρὸς τὸ χαϊδεμένο παιδὶ τῆς μοίρας, χαϊδεμένος ἀπὸ τὸ δάσκαλο τοῦ πιάνου, τὸν περίφημο καθηγητὴ Βασενκόβεν, χαϊδεμένος ἀπὸ τὸν δάσκαλο τῆς συνθέσεως καὶ μαέστρο Μαρόϊκ.

"Οταν ἔφυγε ἀπὸ τὴν 'Ελλάδα νέος ἀκόμα, ὅλοι ξέραμε ὅτι δύσκολα θὰ ξαναγύριζε. 'Ο μεγάλος κόσμος τὸν τράβηξε, ὄχι τόσο γιατὶ ἤθελε ν' ἀρνηθῇ τὴν πατρίδα του ὅσο γιατὶ ἐκεῖ βρῆκε τὴν ἀναγνώρισι καὶ τὸ θαυμασμό. 'Εκεῖνοι πίστεψαν ἀμέσως ὅτι εἶχαν ἀνάμεσά τους τὸ πιὸ φωτεινὸ ἀστέρι στὸ μουσικὸ στερέωμα.

Καὶ τῶρα ἀκόμα, τοὺς τελευταίους μῆνες, ποὺ ἡ ἀρρώστεια καὶ τὰ χρόνια εἶχαν χαράξει βαθειὰ τὰ ἴχνη τους στὸν ἄλλοτε ξανθὸ ἔφηβο, ὁ Μητρόπουλος πνεῦμα καὶ φλόγα, διηύθυνε τὴν Φιλαρμονικὴ τῆς Βιέννης μὲ τὴν ἴδια δρμὴ ποὺ εἶχε ὅταν ἦταν εἰκοσάχρονος νεανίας.

"Ηταν ἕνα πολύπλευρο ταλέντο. Πιανίστας, συνθέτης, ἀλλὰ περισσότερο ἀπ' ὅλα ἦταν μαέστρος. 'Η μνήμη του, ξεπερνοῦσε τὰ ὅρια τοῦ θρύλου. "Οχι μόνον διηύθυνε ὅλα τὰ ἔργα, καὶ τὰ πιὸ μοντέρνα, ἀπ' ἔξω στὶς συναυλίες, ἀλλὰ τὰ ἐδίδασκε κι' ὅλας χωρὶς παρτιτούρα!

"Οποιος ἐτύγχησε νὰ παρευρεθῇ σὲ μιὰ τέτοια δοκιμή, ἔμενε ἐκστατικὸς μπροστὰ στὸ θαῦμα αὐτό. 'Ο πρὸ ὀλίγης ὥρας κουρασμένος γεροντάκος, μόλις ἔπιανε τὴν μπαγκέττα στὸ χέρι ὀρθωνόταν στὸ πόντιουμ, τὰ μάτια του σπίθιζαν καὶ κάθε του παρατήρησις εἶχε τὴν σφραγῖδα τοῦ μεγάλου. Οἱ μουσικοὶ τῆς Φιλαρμονικῆς τῆς Βιέννης, ὅλοι περίφημοι ἐκτελεσταί, τὸν ἄκουγαν μὲ σεβασμὸ καὶ θαυμασμὸ συγχρόνως.

Καὶ ὁ θάνατος ἀκόμα σεβάστηκε τὸ χαϊδεμένο αὐτὸ παιδὶ τῆς μοίρας καὶ τὸν πῆρε, σύμφωνα μὲ τὴν ἐπιθυμία του, σὲ μιὰ ὡραία στιγμὴ τῆς ζωῆς του: τὴν ὥρα ποὺ διηύθυνε θριαμβευτικὰ τὴν ὄπερα στὴ Σκάλα τοῦ Μιλάνου.

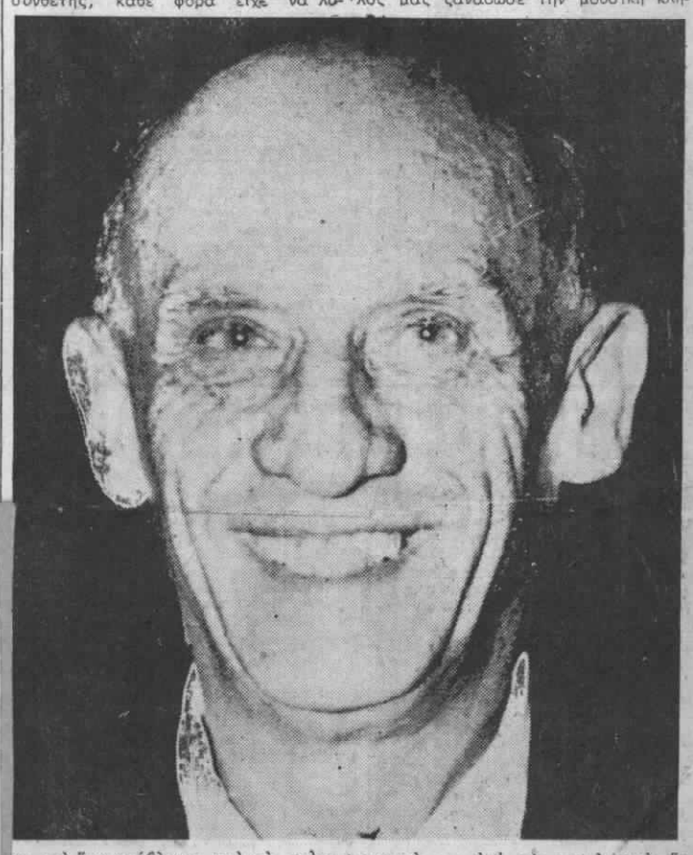
ΤΟΥ ΣΥΝΕΡΓΑΤΟΥ ΜΑΣ κ. ΦΟΙΒΟΥ ΑΝΩΓΕΙΑΝΑΚΗ

Σὲ πολὺ λίγες περιπτώσεις, σὲ παγκόσμια κλίμακα, ἡ τόσο κοινὴ φράση «ἔπεσε στὰς ἐπάλξεις», ξαναβρίσκει τὴν πρωταρχικὴ δραματική της ἔνταση, ὅπως στὸ θάνατο τοῦ Δημήτρη Μητρόπουλου. Τὸ τηλεγράφημα ἦταν ἁπλό, ψυχρό, ὅπως κάθε δημοσιογραφικὸ τηλεγράφημα στὴ σημερινὴ ἀγχώδη ἐποχή μας: Πέθανε ἀπὸ καρδιακὴ προσβολή, διευθύνοντας, σὲ δοκιμή, τὴν 3η συμφωνία τοῦ Μάλερ, στὴ Σκάλα τοῦ Μιλάνου.

Μὲ τὸ θάνατό του, ἡ Νεώτερη 'Ελλάδα χάνει τὴ μεγαλύτερη, παγκόσμια καθιερωμένη, μουσικὴ φυσιογνωμία της καὶ ὁ Κόσμος ἕναν ἀπὸ τοὺς δυὸ-τρεῖς κορυφαίους συγχρόνους μαέστρους.



Πολύμορφη προσωπικότητα ὁ Δημήτρης Μητρόπουλος, ἐνσάρκωνε τὸν σύγχρονο ἀνήσυχο πνευματικὸ τύπο τοῦ ἀνθρώπου, ποὺ οἱ ρίζες του χάνονται βαθιά, στὰ χρόνια τοῦ Μεσαίωνα καὶ τῆς 'Αναγέννησης.

Δεξιοτέχνης τοῦ πιάνου, πρωτοποριακὸς συνθέτης, διευθυντὴς ὀρχήστρας. 'Ο στοχασμός μαζὶ μὲ τὴ δράση, ἡ μουσικὴ δημιουργία μαζὶ μὲ τὴν ἐκτέλεση, ἔδωσαν στὸν Μητρόπουλο τὴ δυνατότητα μιᾶς τέλειας ἐποπτείας τῶν συγχρόνων καλλιτεχνικῶν ρευμάτων. Τοῦ ἐπέτρεψαν νὰ συλλάβῃ στὸ σύνολο καὶ στὶς λεπτομέρειές τους τὰ μουσικὰ προβλήματα τῆς ἐποχῆς του.

Μόνον ὅταν ἀντιμετωπίσουμε, θὰ λέγαμε, συνθετικὰ τὴν πολύμορφη δράση του, θὰ μπορέσουμε νὰ ἐκτιμήσουμε σωστὰ τὸν πιανίστα καὶ τὸν συνθέτη. Γιατὶ ὁ Μητρόπουλος δὲν εἶναι ὁ πιανίστας ἢ ὁ συνθέτης. Ἡ συνθετική του δραστηριότητα, ὅπως καὶ οἱ ἐμφανίσεις του ὡς δεξιοτέχνη πιανίστα, ὁλοκληρώνουν τὸν Μαέστρο - Μητρόπουλο. Πιανίστας ἢ συνθέτης, κάθε φορὰ εἶχε νὰ λύσῃ καὶ ἕνα πρόβλημα, ποὺ σὲ τελευταία ἀνάλυση ἐκμεταλλεύόταν ὁ Μαέστρος - Μητρόπουλος. Ἡ καλλιτεχνική του δραστηριότητα, μὲ ὁποιοδήποτε πρόσωπο καὶ ἂν παρουσιαζόταν, ἕνα εἶχε σκοπό: τὸν Μαέστρο, ποὺ ἐκκολαπτόταν, ἀπὸ τὰ πρῶτα χρόνια τῆς μουσικῆς του συνείδησης, στὸ βάθος τῆς προσωπικότητάς του. Σ' αὐτὴν του τὴν ἰδιότητα, ποὺ τελικὰ ὑπερίσχυσε καὶ τὸν καθιέρωσε, θὰ πρέπει ν' ἀναζητήσουμε τὴν καλλιτεχνική του προσφορά. Κι' ἂν θὰ θέλαμε νὰ συνοψίσουμε σὲ μιὰ φράση ποιὸ εἶναι τὸ χαρακτηριστικὸ στοιχεῖο ποὺ ἔφερε ὁ Μητρόπουλος στὴ διεύθυνση τῆς 'Ορχήστρας, θὰ λέγαμε ὅτι εἶναι: ὁ ρυθμικὸς τονισμὸς καὶ ἡ δυναμικὴ ἔκφραση.

'Ακολουθῶντας τὸ πνεῦμα τῆς σύγχρονης ἐποχῆς, ποὺ στὴ μουσικὴ δημιουργία ἐκφράζεται μὲ τὴν προβολὴ τοῦ ρυθμικοῦ στοιχείου, ὁ Μητρόπουλος μᾶς ξανάδωσε τὴν μουσικὴ κληρονομιὰ — ἀπ' τὰ προκλασικὰ ὡς τὰ σύγχρονα μουσικὰ ἔργα — ἀναβαπτισμένη μέσα σ' ἕνα καινούργιο φῶς καὶ μιὰ ἀναζωογονητικὴ δύναμη ποὺ τῆς δίδουν ὁ «τονισμός» καὶ ἡ προβολὴ τοῦ ρυθμικοῦ στοιχείου. 'Ο ρυθμός, τὸ πρωταρχικὸ αὐτὸ στοιχεῖο τῆς Μουσικῆς, ξαναπῆρε, μὲ τὸν Μητρόπουλο, τὴ θέση του. Οἱ ἐκτελέσεις του, ποὺ διακρίνονταν γιὰ τὴν ἐφηβική τους σφριγηλότητα, ἀποτελοῦσαν, πάντα, ἕνα κράμα δυναμισμοῦ καὶ τρυφερότητας, δραματικῆς ἔντα-

Ὁ ἄνθρωπος καὶ ὁ καλλιτέχνης

Μὲ τὸν θάνατον τοῦ Δημήτρη Μητροπούλου, ἡ παγκόσμιος μουσικὴ ἔχασε ἕνα ἀπὸ τὰ μεγαλύτερα στελέχη της.

'Ο Δημήτρης Μητρόπουλος ἐγεννήθη εἰς Ἀθήνας τὸ 1896. 'Απεφοίτησεν ἀπὸ τὸ 'Ωδεῖον 'Αθηνῶν τὸ 1918 καὶ ἐν συνεχείᾳ μετέβη δι' εὐρυτέρας σπουδὰς εἰς Βρυξέλλας καὶ εἰς Βερολῖνον, ὅπου καὶ ἀνέλαβε, μετὰ τὴν ἀποπεράτωσιν τῶν σπουδῶν του, τὴν θέσιν βοηθοῦ διευθυντοῦ τῆς Κρατικῆς 'Ορχήστρας. Τὸ 1926 ἐπέστρεψεν εἰς τὴν 'Ελλάδα καὶ ἀνέλαβε τὴν διεύθυνσιν τῆς Συμφωνικῆς 'Ορχήστρας τοῦ 'Ωδείου 'Αθηνῶν.

'Η μεγάλη, διεθνοῦς κλίμακος καρριέρα τοῦ Μητροπούλου ἐγκαινιάζεται ἀπὸ τοῦ 1932, ὁπότε μετέβη εἰς Φλωρεντίαν, Λονδῖνον καὶ Παρισίους καὶ διηύθυνε συναυλίας παγκοσμίου μουσικῆς ἀκτινοβολίας, ἀποσπάσας τὰς εὐνοϊκωτέρας κρίσεις τῶν μουσικῶν κύκλων τῆς Εὐρώπης. "Εκτοτε τὸ ἄστρον τοῦ Μητροπούλου ἤρχισε ν' ἀκτινοβολῇ λαμπρὸν εἰς τὸ παγκόσμιον μουσικὸν στερέωμα. Τὸ 1937 ἐκλήθη εἰς 'Ηνωμένας Πολιτείας, ὅπου τοῦ ἀνετέθη ἡ διεύθυνσις τοῦ φημισμένου μουσικοῦ συγκροτήματος τῆς Συμφωνικῆς 'Ορχήστρας Μιννεαπόλεως.

Τὸ 1949 ὁ Δημήτρης Μητρόπουλος, ἀρχιμουσικὸς πλέον μὲ παγκόσμιον ἀκτινοβολίαν, ἐκλήθη εἰς Νέαν 'Υόρκην καὶ τοῦ ἀνετέθη ἡ διεύθυνσις τῆς φημισμένης Συμφωνικῆς 'Ορχήστρας τῆς μεγαλουπόλεως, ἀπὸ τὴν διεύθυνσιν τῆς ὁποίας εἶχον περάσει προηγουμένως οἱ μεγάλοι μαέστροι Τοσκανίνι καὶ Μπρούνο Βάλτερ. Τὴν θέσιν ταύτην ὁ Μητρόπουλος ἐκράτησε μέχρι τοῦ θανάτου του, περιῆλθε δὲ ἐπικεφαλῆς τῆς ὀρχήστρας του τὰ μεγαλύτερα μουσικὰ κέντρα τοῦ κόσμου.

Τὸ 1959 ὁ Μητρόπουλος ὑπέστη τὸ πρῶτον προσβολὴν καρδιακοῦ ἐμφράγματος καὶ ἐκινδύνευσε σοβαρῶς. 'Αναρρώσας μετὰ ἑξάμηνον ἐπανῆλθεν ἐκ νέου εἰς τὴν διεύθυνσιν τῆς 'Ορχήστρας. 'Εσχάτως εἶχε μεταβῇ εἰς τὰς ἑορτὰς τοῦ Σάλτσμπουργκ, ὅπου διηύθυνε συμφωνικὰς συναυλίας εἰς τὸ μέγα τοῦτο παγκόσμιον φεστιβάλ καὶ ἐν συνεχείᾳ μετέβη εἰς Μιλάνον ὅπου καὶ τὸν εὗρεν ὁ θάνατος.

'Ο Δημήτρης Μητρόπουλος ἐκτὸς τοῦ ἔργου του ὡς ἀρχιμουσικοῦ, ἀφῆνει καὶ πλούσιον συνθετικὸν ἔργον. 'Εκ τῶν συνθέσεών του ἀναφέρομεν τὰ ἔργα «'Αδελφὴ Βεατρίκη», «Κρατικὴ Γιορτή», «Πασσακάλια 'Οτσινάτα», «Τρεῖς χοροὶ τῶν Κυθήρων», ἑξῆντα φούγκες, τριάντα χορικά, κύκλος μελῳδιῶν μὲ βάσιν τὰ «ἡδονικὰ» τοῦ Καβάφη, καθὼς καὶ σκηνικὴ μουσικὴ διὰ παραστάσεις ἀρχαίων τραγῳδιῶν. 'Ο ἀδόκητος θάνατος τοῦ Μητροπούλου εἰς ἡλικίαν 64 ἐτῶν πλήττει τὸν διεθνῆ μουσικὸν πολιτισμὸν καὶ στερεῖ τὴν 'Ελλάδα ἑνὸς ἐνδόξου τέκνου της.

'Ὡς συνθέτης, ὁ Μητρόπουλος ἀκολούθησε τὶς νεωτεριστικὲς τάσεις τῆς μουσικῆς δημιουργίας τῆς πρὶν καὶ μετὰ τὸν πρῶτο παγκόσμιο πόλεμο. Τὰ ἔργα του, κήρυκας τῶν νέων αὐτῶν μουσικῶν ἰδεῶν, ἦταν φυσικὸ νὰ παραμείνουν ἔξω ἀπὸ τὸ κλίμα τῆς ἑλληνικῆς μουσικῆς, ποὺ τὰ χρόνια ἐκεῖνα — 1920 μὲ 1935 — περνοῦσε ἀκόμα τὰ πρῶτα στάδια τῆς διαμόρφωσής της ὡς ἐθνικῆς μουσικῆς Σ

'Ο ἀποθανών μουσικός διηύθυνε τήν Φιλαρμονικήν τοῦ Βερολίνου ὅταν τόν ἐπρόσεξεν ὁ Σέργιος Μπουσεβίνσκυ καί τόν ἐκάλεσεν εἰς Βοστώνην. 'Από τῆς στιγμῆς ἐκείνης ὁ Μητρόπουλος ἐγένετο παγκοσμίως γνωστός καί ἐθεωρεῖτο ὡς εἷς ἐκ τῶν μεγαλυτέρων μαέστρων τοῦ κόσμου.

'Υπέστη ἐγκεφαλικήν αἱμορραγίαν ἐνῶ διηύθυνε τήν ὀρχήστραν τῆς «Σκαλας» τοῦ Μιλάνου

ΑΘΗΝΑΙ, 2.— Τηλεγραφήματα ἐκ τῶν πρωτευουσῶν ὅλων τῶν εὐρωπαϊκῶν χωρῶν ὡς καί τῆς Οὐάσιγκτων, ἀναφέρουν τήν βαθυτάτην ἐντύπωσιν καί θλῖψιν τήν ὁποίαν προεκάλεσεν παντοῦ ὁ αἰφνίδιος θάνατος τοῦ διασήμου Ἕλληνος ἀρχιμουσικοῦ καί διευθυντοῦ ὀρχήστρας Δημήτρη Μητροπούλου εἰς τό Μιλάνον.

'Εκ Μιλάνου μεταδίδονται αἱ ἑξῆς λεπτομέρειαι τοῦ θανάτου τοῦ Ἕλληνος ἀρχιμουσικοῦ:

'Ο Δημήτριος Μητρόπουλος ἔφθασεν εἰς τήν Σκάλαν τοῦ Μιλάνου τήν 10.15 πρωϊνήν σήμερον, συνοδευόμενος ὑπό τοῦ γραμματέως του. Πρό τοῦ καφενείου πλησίον τῆς Σκάλας, συνήντησε τόν μαέστρον τῆς Σκάλας τοῦ Μιλάνου.

Εἰς ἐρώτησίν του περί τῆς ὑγείας του ὁ μέγας ἀρχιμουσικός ἀπήντησεν ὅτι αἰσθάνεται πολύ καλά. 'Ακολούθως εἰσῆλθεν εἰς τήν Σκάλαν καί ἤρχισε τήν δοκιμήν. Μετ' ὀλίγα, ὅμως, λεπτά ἐσταμάτησεν, ἐκράτησε μέ τό χέρι τό κεφάλι του προσπαθῶν νά εἴπη κάτι, ἀλλά δέν ἠδυνήθη νά προφέρη λέξιν διότι ἔπεσε καταγῆς. Τόν παρέλαβεν ἐπειγόντως φορεῖον διά νά τόν μεταφέρη εἰς τήν πολυκλινικήν, ὅπου, ὅμως, ἔφθασε νεκρός.

'Ο Δημήτριος Μητρόπουλος ἐγεννήθη εἰς 'Αθήνας τό 1897. 'Αποφοίτησεν ἀπό τό 'Ωδεῖον 'Αθηνῶν τό 1918 καί μετέβη διά σπουδάς εἰς Βρυξέλλας καί εἰς Βερολῖνον, ὅπου διωρίσθη βοηθός τοῦ διευθυντοῦ τῆς κρατικῆς ὅπερας.

Διευθύνων τήν φιλαρμονικήν ὀρχήστραν τοῦ Βερολίνου τόν ἐπρόσεξεν ὁ Σέργιος Μποβσεβίσκυ καί τόν ἐκάλεσεν εἰς Βοστώνην. 'Από τῆς στιγμῆς αὐτῆς ἔγινε διάσημος.

Τό 1937 διωρίσθη διευθυντής τῆς συμφωνικῆς ὀρχήστρας τῆς Μιννεαπόλεως καί τό 1949 ἀνέλαβε τήν διεύθυνσιν τῆς Φιλαρμονικῆς τῆς Νέας 'Υόρκης, διαδεχθείς τόν Τοσκανίνι καί τόν Μπροῦνο Βάλτερ.

Διά τήν ἀριστοτεχνικήν ἑρμηνείαν τῶν μεγάλων συμφωνικῶν ἔργων ἐτιμήθη μέ τό μετάλλιον Σαϊνμπεργκ.

'Ο Δημήτριος Μητρόπουλος ἦτο ὁ καλύτερος πρεσβευτής τῆς 'Ελλάδος εἰς τό ἐξωτερικόν. 'Ο διάσημος μαέστρος ἐτίμησε τό ὄνομα τῆς Πατρίδος μας εἰς τήν ξένην ὅσον οὐδείς ἄλλος κατά τά τελευταῖα ἔτη.

'Η «φωνή τῆς 'Αμερικῆς» εἰς τήν ἐκπομπήν της τῆς 7.15, μετέδωσε τά ἑξῆς διά τόν θάνατον τοῦ Δημήτρη Μητροπούλου:

«'Ο μεγάλος Ἕλλην μαέστρος Δημήτρης Μητρόπουλος πέθανε σήμερα στό Μιλᾶνο ἀπό ἐγκεφαλικήν αἱμορραγία, ἐνῶ διηύθυνε τήν ὀρχήστρα τῆς Σκάλας τοῦ Μιλάνου.

ΤΟ ΜΕΓΑ ΜΟΥΣΙΚΟΝ ΠΕΝΘΟΣ

ΠΑΓΚΟΣΜΙΟΣ Η ΣΥΓΚΙΝΗΣΙΣ ΔΙΑ ΤΟΝ ΘΑΝΑΤΟΝ ΤΟΥ ΕΛΛΗΝΟΣ ΑΡΧΙΜΟΥΣΙΚΟΥ ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΥ

Η ΣΟΡΟΣ ΤΟΥ ΕΚΛΙΠΟΝΤΟΣ ΑΡΧΙΜΟΥΣΙΚΟΥ ΔΙΑΚΟΜΙΖΕΤΑΙ ΠΙΘΑΝΩΣ ΣΗΜΕΡΟΝ ΚΑΙ Η ΚΗΔΕΙΑ ΤΟΥ ΘΑ ΓΙΝΗ ΤΗΝ ΚΥΡΙΑΚΗΝ. — Η ΣΥΜΦΩΝΙΚΗ ΘΑ ΕΚΤΕΛΕΣΗ ΤΗΝ ΤΡΙΤΗΝ ΣΥΜΦΩΝΙΑΝ ΤΟΥ ΜΠΕΤΟΒΕΝ ΜΕΤΑ ΤΗΝ ΝΕ. ΚΡΩΣΙΜΟΝ ΑΚΟΛΟΥΘΙΑΝ.

Ἡ εἰς ὁλόκληρον τὸν κόσμον ἀπήχησις ἐκ τοῦ θλιβεροῦ ἀγγέλματος τοῦ θανάτου τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου, ὡς αὐτὴ ἐκδηλοῦται διὰ τοῦ Τύπου, ὑπῆρξε τεραστία. Εἰς τὸ Μιλᾶνον, οἱ μουσικοὶ τῆς ὀρχήστρας τὴν ὁποίαν διηύθυνεν ὁ Μητρόπουλος κατὰ τὴν στιγμὴν τοῦ θανάτου του, ἠγρύπνησαν ὁλόκληρον τὴν παρελθοῦσαν νύκτα, πλησίον τῆς σοροῦ του, εἰς ὁμάδας ἀνὰ πέντε. Ὡς μεταδίδεται ἀπὸ τὸ Μιλᾶνον, ἡ σορὸς ἐπρόκειτο ἐντὸς τῆς ἡμέρας νὰ μεταφερθῇ εἰς τὸ Ἰατροδικαστικὸν Ἰνστιτοῦτον, ὅπου θὰ ἐγίνετο νεκροψία.

Ἡ σορὸς διακομίζεται σήμερον εἰς Ἀθήνας

Ἀνεχώρησαν χθὲς τὴν 10.30' π.μ. ἀεροπορικῶς εἰς Μιλᾶνον ὁ Γεν. Διευθυντὴς Γραμμάτων καὶ Τεχνῶν κ. Κουρνούτος μετὰ τοῦ κ. Ἀλεξ. Δημητροπούλου, τμηματάρχου Πολ. Διευθύνσεως τοῦ ὑπουργείου τῶν Ἐξωτερικῶν, τῆς Κας Καίτης Κατσογιάννη καὶ ἑνὸς ὁπερατέρ, διὰ νὰ παραλάβουν καὶ συνοδεύσουν ἐνταῦθα τὴν σορὸν τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ, ἡ ὁποία ἔχει ἐν τῷ μεταξὺ ταριευθῇ, κατόπιν τηλεγραφικῆς ἐντολῆς τοῦ ὑπουργοῦ τῆς Προεδρίας τῆς Κυβερνήσεως κ. Κ. Τσάτσου πρὸς τὸν Ἕλληνα πρόξενον τοῦ Μιλάνου. Δὲν εἶναι γνωστὴ ἡ ἀκριβὴς ὥρα, κατὰ τὴν ὁποίαν θὰ μεταφερθῇ ἡ σορὸς ἐνταῦθα. Τὸ πιθανώτερον εἶναι ὅτι ἡ μεταφορά της θὰ γίνῃ τὰς ἀπογευματινὰς ὥρας σήμερον.

Ὁ ὑπουργὸς τῆς Παιδείας κ. Γ. Βογιατζῆς, ὁμιλῶν ἐπὶ τοῦ αἰφνιδίου θανάτου τοῦ Ἕλληνος ἀρχιμουσικοῦ, ἐδήλωσε τὰ ἑξῆς: «Ὁ ἀδόκητος θάνατος τοῦ μεγάλου Ἕλληνος μουσουργοῦ Δημήτρη Μητροπούλου ἀποτελεῖ πλῆγμα διὰ τὸν καλλιτεχνικὸν κόσμον καὶ ἐθνικὴν ἀπώλειαν μεγίστην. Ἡ ἑλληνικὴ Κυβέρνησις, τιμῶσα τὸ ἔργον τοῦ ἀνδρός, ἀπεφάσισε νὰ μεταφερθῇ ἡ σορός του εἰς Ἀθήνας καὶ νὰ ἀποδοθοῦν αἱ δέουσαι τιμαί, ἐκτὸς ἐὰν ἄλλως παρὰ τοῦ ἀποθανόντος ἔχει ὁρισθῇ διὰ διαθήκης».

Ἡ κηδεία τὴν Κυριακὴν

Ἡ σορὸς μεταφερομένη ἐνταῦθα θὰ ἐκτεθῇ δι' ὅλης τῆς ἡμέρας τοῦ Σαββάτου εἰς λαϊκὸν προσκύνημα, εἰς τὴν Μητρόπολιν, ἡ δὲ κηδεία τοῦ ἐκλιπόντος θὰ γίνῃ δημοσίᾳ δαπάνῃ, τὴν Κυριακήν. Κατὰ τὴν ὥραν τῆς ἐξόδου ἐκ τοῦ ναοῦ τῆς σοροῦ, ἡ Κρατικὴ Ὀρχήστρα θὰ ἐκτελέσῃ τὴν Τρίτην Συμφωνίαν τοῦ Μπετόβεν, εἰς τὴν ὁποίαν, ὡς γνωστόν, περιλαμβάνεται καὶ τὸ περίφημον πένθιμον ἐμβατήριον.

Εἰς τὴν Νέαν Ὑόρκην

ΗΝΩΜΕΝΑ ΕΘΝΗ, 3. ('Ιδ. ὑπηρ.). — Αἱ σημεριναὶ πρωιναὶ ἐφημερίδες τῆς Νέας Ὑόρκης δημοσιεύουν ἐν ἐκτάσει εἰς τὰς πρώτας σελίδας των, τὴν εἴδησιν τοῦ θανάτου καὶ βιογραφικὰ σημειώματα, καθὼς καὶ φωτογραφίας τοῦ Ἕλληνος μουσουργοῦ Δημήτρη Μητροπούλου.

Ἐξ ἄλλου, ἀπόψε εἰς μνήμην τοῦ Μητροπούλου ἡ Φιλαρμονικὴ τῆς Νέας Ὑόρκης θὰ παίξῃ «Οὔρλιχτ» ἀπὸ τὴν δευτέραν Συμφωνίαν τοῦ Μάλερ. Θὰ διευθύνῃ ὁ Λεονάρντ Μπερνστάϊν καὶ σολίστ θὰ εἶναι ἡ Τζέννη Τουρέλ. Καθ' ὅλην τὴν διάρκειαν τῆς χθεσινῆς παραστάσεως τοῦ «Μπόρις Γκουντούνωφ» εἰς τὴν Μετροπόλιταν Ὄπερα, ὁ γενικὸς διευθυντὴς αὐτῆς κ. Ρούντολφ Μπίγκ ὡμίλησε πρὸς τοὺς ἀκροατὰς καὶ ἡ ὀρχήστρα ἔπαιξεν εἰς μνήμην τοῦ Μητροπούλου τὸν «Ὀρφέα» τοῦ Γκλούκ, χωρὶς νὰ χρησιμοποιήσῃ μαέστρον ὀρχήστρας.

Ἡ ἐφημερὶς «Κήρυξ - Βῆμα τῆς Ν. Ὑόρκης», εἰς ἄρθρον της, πλέκει τὸ ἐγκώμιόν του, γράφουσα σχετικῶς: «Ὁ Μητρόπουλος δὲν ἀνήκει εἰς τὸ εἶδος ἐκεῖνο τῶν ἀρχιμουσικῶν ποὺ περιορίζονται εἰς τὰ στενὰ ὅρια τοῦ καθιερωμένου ρεπερτορίου. Ὁ Μητρόπουλος ἠρέσκετο νὰ ἐρευνᾷ τὴν μουσικὴν καὶ νὰ φθάνῃ εἰς τὰ ἀκρότατα ὅρια αὐτῆς». Περαιτέρω, ὁ συντάκτης τοῦ ἄρθρου ὑπογραμμίζει ὅτι οἱ σύγχρονοι μουσουργοί, περιλαμβανομένων καὶ τῶν Ἀμερικανῶν, ἐγνώριζον τὴν μεγίστην ἀξίαν τοῦ ἐκλιπόντος μαέστρου καὶ ἐγνώριζον ὅτι ἠμποροῦσαν νὰ βασίζωνται πλήρως ἐπ' αὐτοῦ εἰς ὅ,τι ἀφεώρα τὴν ἑρμηνείαν τῶν συνθέσεών των.

Ἡ παρισινὴ ἔκδοσις τοῦ «Κήρυκος - Βήματος τῆς Νέας Ὑόρκης», εἰς τὸ ἐκτενέστατον βιογραφικὸν σημείωμα ποὺ τοῦ ἀφιερώνει, ἀναφέρει πολλὰ χαρακτηριστικὰ τῆς προσωπικότητός του καὶ ἐπεισόδια ἀπὸ τὴν σταδιοδρομίαν του: Λόγου χάριν, οὐδεὶς ἐγνώριζεν ὅτι ἡ ἐπιτυχία ποὺ ἀπεκόμισεν ἐπανειλημμένως ὁ Μητρόπουλος εἰς τὸ Τρίτο Κοντσέρτο διὰ πιάνο τοῦ Προκόφιεφ, ὡς σολίστ καὶ ἀρχιμουσικὸς ταυτοχρόνως, ἔκαμε τὸν ἴδιον τὸν Προκόφιεφ ἔξω φρενῶν ἐπειδὴ ἐπροτιμοῦσε νὰ ἐμφανίζεται ὁ ἴδιος εἰς τὸ ἔργον αὐτὸ ὑπὸ τὴν διπλῆν ἰδιότητα. Ἐφ' ᾧ καὶ ἔγραψε ἕνα ἄλλο Κοντσέρτο, πρὸς ἰδίαν χρῆσιν, παραδεχόμενος ἐμμέσως ὅτι ὁ Μητρόπουλος, ὡς ἑρμηνευτής, τὰ ἐκατάφερνε καλύτερα ἀπὸ τὸν ἴδιον!

Ὁ βιογράφος του ἀναφέρει ἀκόμη τὰ ἔργα τὰ ὁποῖα παρουσίασεν εἰς πρώτην ἐκτέλεσιν εἰς Ἀμερικήν: Τὰ ἔργα αὐτὰ περιλαμβάνουν τὴν Δεκάτην Συμφωνίαν τοῦ Σοστακόβιτς, τὸ Κοντσέρτο γιὰ βιολὶ τοῦ ἰδίου συνθέτου καὶ τὸ τόσο πολὺ συζητηθὲν «Κοντσέρτο γιὰ τζάζζ καὶ ὀρχήστρα» τοῦ Ἐλβετοῦ Ρὸλφ Λήμπερμανν. Ἐπίσης ὑπενθυμίζει ὅτι ὁ Μητρόπουλος διὰ ἐνεφανίσθη ἀπὸ τῆς σκηνῆς τοῦ κινηματογράφου «Ρόξυ» μὲ τὴν Φιλαρμονικὴν τῆς Νέας Ὑόρκης καὶ ἔπαιζεν εἰς τὰ μεταξὺ τῶν προβολῶν τῆς ταινίας διαλείμματα, ἐν τῇ προσπαθείᾳ του νὰ κάμῃ τὸ κοινὸν νὰ ἀγαπήσῃ τὴν μουσικήν. Τὸ 1940, ὁ Μητρόπουλος εἶχε τιμηθῇ μὲ τὸ Μετάλλιον Μάλερ, διὰ τὴν προσπάθειάν του νὰ διαδώσῃ τὴν μουσικὴν τοῦ μεγάλου Βιεννέζου μουσουργοῦ: Ὡς γνωστόν, ἀπέβιωσεν ἐνῷ διηύθυνε τὴν Τρίτην Συμφωνίαν του, πιστὸς μέχρι τέλους εἰς τὸν εὐλαβικὸν θαυμασμόν του πρὸς τὸν συνθέτην τοῦ «Τραγουδιοῦ τῆς Γῆς».

Τί γράφουν οἱ «Τάϊμς»

Ὑπὸ τὸν τίτλον «Δημήτρης Μητρόπουλος: Ὁ μεγαλύτερος διευθυντὴς ὀρχήστρας τῆς Ἑλλάδος», οἱ «Τάϊμς» τοῦ Λονδίνου ἀφιερώνουν εἰς τὸν ἐκλιπόντα ἀρχιμουσικὸν μακρὰν νεκρολογίαν: Εἰς τὴν νεκρολογίαν αὐτὴν διαλαμβάνονται, πλὴν τῶν βιογραφικῶν στοιχείων, καὶ τὰ ἑξῆς: «Ἦτο ἕνας εὐγλωττος ὀπαδὸς τῆς νέας μουσικῆς, ἀπολύτως πεπεισμένος περὶ τῆς ἀξίας της». Περὶ τῶν ἑρμηνειῶν του, ὁ συντάκτης τοῦ σημειώματος γράφει τὰ ἑξῆς: «Αἱ ἑρμηνεῖαι τοῦ Μητροπούλου ἐχαρακτηρίζοντο ἀπὸ τὴν ἐμπύρετον ἔντασίν των. Εἰς τοὺς κλασσικούς, ἡ ὁρμὴ καὶ ἡ ζέσις του εἶχον κάποτε ὡς ἀποτέλεσμα ἑρμηνείας ἐκτὸς τεχνοτροπίας, ἀλλ' αὐτὴ ἡ ζέσις δὲν ἦτο προϊὸν ἐνδομύχου ἀδεβαιότητος, ἀλλὰ βαθείας γνώσεως τῆς μουσικῆς καὶ πεποιθήσεων ἀπὸ τὰς ὁποίας δὲν ἠμποροῦσε νὰ παρεκκλίνῃ. Λαμπρὸς ἑρμηνευτὴς ἦτο εἰς τὴν ρομαντικὴν μουσικήν, ἰδίᾳ δὲ τῆς Ρωσικῆς Σχολῆς. Κυρίως ὅμως ὑπερεῖχεν εἰς τὰ σύγχρονα ἔργα, ἀπὸ τὸν Ρίχαρντ Στράους μέχρι τῶν τελευταίων δωδεκαφθογγιστῶν».

Ἐν συνεχείᾳ, ὁ συντάκτης μνημονεύει τὰς πολυαρίθμους ἐμφανίσεις του εἰς τὴν Ἀγγλίαν, καὶ δὴ ἐκείνην τοῦ 1951 εἰς Ἐδιμβοῦργον, ὅταν διηύθυνε τὴν Τετάρτην Συμφωνίαν τοῦ Βὼν - Οὐίλλιαμς, περαίνων: «Εἴμεθα ἀπρόθυμοι εἰς τὸ νὰ παραδεχθῶμεν τὴν ἀξίαν ξένων ἑρμηνευτῶν βρεταννικῆς μουσικῆς, ἀλλὰ πολλοὶ μουσικοί μας οἱ ὁποῖοι ἐνόμιζον ὅτι ἐγνώριζον τὴν συμφωνίαν αὐτὴν καλά, ἠναγκάσθησαν νὰ συνθηκολογήσουν ὅταν ἤκουσαν τὴν ἑρμηνείαν του».

Ἐπίσης καὶ αἱ ἄλλαι βρεταννικαὶ ἐφημερίδες, «Γκάρντιαν», «Νταίηλυ Τέλεγκραφ» καὶ ἄλλαι, ἀφιερώνουν μακρὰς νεκρολογίας εἰς τὸν Δημήτρην Μητρόπουλον, ἐξαιρούσας τὴν μουσικὴν ἰδιοφυΐαν του καὶ συνοδευομένας ὑπὸ φωτογραφιῶν του. Ὁμοίως, ὁ ραδιοφωνικὸς σταθμὸς τοῦ Μπὶ Μπὶ Σὶ μετέδωσεν εἰς ἅπαντα τὰ δελτία εἰδήσεών του τὴν ἀγγελίαν τοῦ θανάτου τοῦ μεγάλου Ἕλληνος μουσικοῦ.

Εἰς τὸ Σάλτσμπουργκ

ΣΑΛΤΣΜΠΟΥΡΓΚ, 3. ('Ιδ. ὑπηρ.). — Κατόπιν τοῦ θανάτου τοῦ διεθνοῦς φήμης διευθυντοῦ ὀρχήστρας Δημήτρη Μητροπούλου, ἡ ὀργανωτικὴ ἐπιτροπὴ τοῦ φεστιβὰλ τοῦ Σάλτσμπουργκ, καλλιτεχνικῆς ἐκδηλώσεως, αἰφνιδίως εἰς τὸ θέατρον τῆς Σκάλας κορυφαίου Ἕλληνος μαέστρου Δημήτρη Μητροπούλου, ἐδήλωσε σήμερον ὅτι οὗτος ἔχει διατυπώσει κατὰ πᾶσαν πιθανότητα εἰς τήν διαθήκην του τὴν ἐπιθυμίαν ὅπως ἡ σορός του ἀποτεφρωθῇ. Ἡ κ. Γκόθ ἀπεκάλυψεν ἐπίσης ὅτι «ἐξ ὅσων δύναται νὰ γνωρίζῃ», ὁ Μητρόπουλος ἐπεθύμει νὰ ταφῇ εἰς Ἡνωμένας Πολιτείας. Ἐν τῷ μεταξύ ὅμως, κατὰ τηλεγραφήματα τοῦ Ἀσσοσιέϊτεντ Πρές πάντοτε, ἀεροπλάνον τῆς Ἑλληνικῆς Βασιλικῆς Ἀεροπορίας ἀφίκετο σήμερον τὴν πρωΐαν ἐνταῦθα προκειμένου νὰ παραλάβῃ τὴν σορὸν τοῦ ἐκλιπόντος διασήμου ἀρχιμουσικοῦ, διὰ νὰ τὴν μεταφέρῃ εἰς Ἀθήνας. Συμφώνως δέ πρός ὁδηγίας αἱ ὁποῖαι ἐδόθησαν ὑπό τοῦ Ἕλληνος ὑπουργοῦ παρά τῇ Προεδρίᾳ τῆς Κυβερνήσεως κ. Κ. Τσάτσου πρός τόν πρόξενον τῆς Ἑλλάδος εἰς τό Μιλᾶνον, τό ἀεροπλάνον μετά τῆς σοροῦ τοῦ ἐκλιπόντος δέον νά ἐπιστρέψῃ εἰς Ἀθήνας αὔριον (σήμερον) Παρασκευήν, κατά τάς πρώτας ἀπογευματινάς ὥρας. Παρά ταῦτα, ἡ κ. Γκόθ ἀναφερομένη εἰς τό θέμα τῆς κηδείας, εἶπεν ὅτι «αὐτὴ θά γίνῃ ἐνταῦθα». Πάντως, τά ἀμερικανικόν προξενεῖον τοῦ Μιλάνου ἀπέγειν ὅτι θά ἐπιμείνῃ νά ἐκτελεσθῇ ἡ τελευταία θέλησις τοῦ μεγάλου μουσικοῦ.

Μία ζωντανὴ φωτογραφία ποὺ ἐκδηλώνει ὅλην τὴν ἐσωτερικὴν ἔντασιν τοῦ Δημητρίου Μητροπούλου εἰς τὰς μεγάλας δι' αὐτὸν ὥρας τῶν δοκιμῶν ὀρχήστρας, ποὺ διηύθυνε πάντοτε μὲ ὅλον τὸ πάθος τῆς μουσικῆς του ἰδιοσυστασίας.

εἰς τὴν ὁποίαν ὁ διάσημος μουσικὸς συμμετεῖχε τακτικῶς ἀπὸ τοῦ 1954, ἐξέφρασε «τὴν βαθεῖαν λύπην της διὰ τὴν ἀπώλειαν ἑνὸς ἐκ τῶν μεγαλυτέρων συγχρόνων μουσικῶν». Εἰς Σάλτσμπουργκ θεωρεῖται ὡς «ἀλησμόνητος» ὁ τρόπος μὲ τὸν ὁποῖον ὁ Μητρόπουλος διηύθυνε τὸ «Ρέκβιεμ» τοῦ Μπερλιὸζ τὸ 1956, τὰ ἔργα τοῦ Φράντς Σμὶτ τὸ 1950, καὶ ἐφέτος τὴν 8ην Συμφωνίαν τοῦ Μάλερ.

Ἐπιθυμία νὰ καῇ ἡ σορός;

Συμφώνως πρὸς πληροφορίας αἱ ὁποῖαι δὲν ἐπεβεβαιώθησαν διὰ τὴν σορὸν τοῦ ἐκλιπόντος μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημητρίου Μητροπούλου ἐνδιαφέρεται καὶ ἡ Κυβέρνησις τῶν Ἡν. Πολιτειῶν, λόγω τοῦ ὅτι οὗτος ἦτο Ἀμερικανὸς ὑπήκοος. Κατὰ τὰς αὐτὰς πληροφορίας, ὁ Μητρόπουλος ἐπροστάτευεν ἕνα νέον Ἀμερικανὸν μουσικὸν ποὺ ὀνομάζεται Ντίξον καὶ ὁ ὁποῖος τὸν εἶχε συνοδεύσει εἰς τὸ Μιλᾶνον. Λέγεται δὲ ὅτι εἰς αὐτὸν ὁ Μητρόπουλος ἐξέφρασε τὰς τελευταίας του ἐπιθυμίας, αἱ ὁποῖαι μέχρι τῆς στιγμῆς δὲν ἀνεκοινώθησαν. Καὶ κατὰ μίαν ἄλλην πληροφορίαν, ὁ Μητρόπουλος εἶχεν ἐκφράσει τὴν ἐπιθυμίαν νὰ καῇ ἡ σορός του.

Ἡ συμμετοχὴ τοῦ ραδιοφώνου

Τὸ Ἐθνικὸν Ἵδρυμα Ραδιοφωνίας, ἅμα τῷ ἀγγέλματι τοῦ θανάτου τοῦ κορυφαίου ἀρχιμουσικοῦ, μετέδωσε χθὲς Πέμπτην καὶ ὥραν 9 μ. μ. ἔκτακτον συναυλίαν ἀπὸ τοῦ Ἐθνικοῦ Προγράμματος. Οἱ Ἕλληνες μουσικοὶ

Ἐξ ἄλλου ἡ Ἕνωσις Ἑλλήνων μουσουργῶν ἐξέδωσε τὸ κάτωθι ψήφισμα συμμετοχῆς εἰς τὸ πένθος διὰ τὸν Δ. Μητρόπουλον:

«Ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν ἐξέδωσε τὸ κάτωθι ψήφισμα συμμετοχῆς εἰς τὸ πένθος διὰ τὸν Δ. Μητρόπουλον:

«Ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν μὲ βαθύτατη ὀδύνη δέχτηκε τὸ θλιβερὸ ἄγγελμα τοῦ πρόωρου καὶ ἡρωικοῦ θανάτου τοῦ Δημήτρη Μητρόπουλου. Ἡ ἀπώλεια τοῦ μεγάλου Ἕλληνος Ἀρχιμουσικοῦ δημιουργεῖ ἕνα ἀνυπολόγιστο κενὸ τόσο στὸν ἑλληνικὸ πνευματικὸ χῶρο, ὅσο καὶ στὸ διεθνὲς μουσικὸ στερέωμα. Οἱ μεγαλοφυεῖς ἑρμηνεῖες του, κλασσικῶν καὶ νεωτέρων ἔργων, ὑπῆρξαν ἐπιτεύγματα ὑψίστης καὶ μοναδικῆς τέχνης, μεστὲς ἀπὸ πάθος, σαφήνεια, λαμπρότητα καὶ τεχνικὴν ἀρτιότητα. Ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν, ποὺ εἶχε τὸ προνόμιο νὰ συγκαταλέγῃ τὸν Δημήτρη Μητρόπουλο μεταξὺ τῶν ἱδρυτικῶν της μελῶν, θὰ κρατήσῃ πάντα στὴ μνήμη της μὲ εἰλικρινῆ εὐγνωμοσύνη καὶ θαυμασμὸ ὄχι μόνο τὸν μεγαλοφυῆ ἀναδημιουργὸ τῶν ἔργων τῶν Ἑλλήνων συνθετῶν, ἀλλὰ καὶ τὸν ἐμπνευσμένο καὶ βαθυστόχαστο δημιουργό. Ὁ Μητρόπουλος μὲ τὸν θάνατό του περνάει δικαιωματικὰ στὸ Πάνθεον τῶν μεγάλων μουσικῶν μορφῶν ὅλων τῶν ἐποχῶν».

Μία πρότασις

Ὁ ἀντιπρόεδρος τοῦ Δημοτικοῦ Συμβουλίου Ἀθηναίων κ. Λ. Πετρομανιάτης, ἀπηύθυνε πρὸς τὸν πρόεδρον τοῦ σώματος κ. Δ. Βρανόπουλον ἐπιστολήν, διὰ τῆς ὁποίας προτείνει ὅπως τὸ Δημοτικὸν Συμβούλιον μετάσχῃ εἰς τὸ παγκόσμιον πένθος διὰ τὴν ἀπώλειαν τοῦ ἀνυπερβλήτου Ἕλληνος μαέστρου Δημήτρη Μητροπούλου, δοξάσαντος τὴν Ἑλλάδα ἀνὰ τὴν Ὑφήλιον, διὰ ψηφίσματος διὰ τοῦ ὁποίου θὰ ἀποφασίζεται ὅπως δοθῇ τὸ ὄνομα αὐτοῦ εἰς κεντρικὴν ὁδὸν τῆς πρωτευούσης.

Τὸ Ἑλληνικὸν Ὠδεῖον

Τὸ Ἑλληνικὸν Ὠδεῖον ἐξέδωκε χθὲς τὴν ἀκόλουθον ἀνακοίνωσιν:

Τὸ Ἑλληνικὸν Ὠδεῖον, μὲ βαθεῖαν θλῖψιν ἐπληροφορήθη τὸν ἀδόκητον θάνατον τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου, διατελέσαντος ἐπὶ σειρὰν ἐτῶν καθηγητοῦ καὶ διευθυντοῦ τῆς Συμφωνικῆς Ὀρχήστρας ὡς καὶ τῶν μελοδραματικῶν παραστάσεων αὐτοῦ. Τὸ ἡμέτερον Ἵδρυμα μὲ αἰσθήματα εἰλικρινοῦς εὐγνωμοσύνης θὰ ἀναπολῇ τὴν σημαντικωτάτην ταύτην προσφορὰν τοῦ νέου τότε ἀλλὰ ἤδη κορυφαίου μουσικοῦ, ὁ ὁποῖος βραδύτερον καὶ μέχρι τῆς τελευταίας του πνοῆς ἐλάμπρυνε καὶ ἐδόξασε τὸ ἑλληνικὸν ὄνομα εἰς τὸν παγκόσμιον πνευματικὸν στίβον. Ἡ διοίκησις τοῦ Ἑλληνικοῦ Ὠδείου ἐπιφυλάσσεται, ἅμα τῇ ἀναγγελίᾳ τῆς ἡμέρας καὶ τοῦ τόπου τῆς ταφῆς τοῦ Δημήτρη Μητροπούλου νὰ καθορίσῃ τὰς ἐκδηλώσεις διὰ τῶν ὁποίων θὰ τιμήσῃ τὴν μνήμην τοῦ μεγάλου Ἕλληνος.

Ο ΚΟΣΜΟΣ ΠΕΝΘΕΙ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟΝ

ΥΣΤΑΤΟΙ ΣΤΙΓΜΑΙ ΤΟΥ ΜΑΕΣΤΡΟΥ...

Ἐξέπνευσεν ἀνάμεσα εἰς τό πρῶτο βιολί καί σέ μία βιόλα

«ΠΟΙΟΣ ΘΑ ΣΗΚΩΣΗ ΤΩΡΑ ΤΗΝ ΜΠΑΓΚΕΤΤΑ ΤΟΥ»;

ΜΙΛΑΝΟΝ, 3. ('Ιδ. ὑπηρ.).— Ἡ ἐφημερὶς «Μεσατζέρο» περιγράφει ὡς ἑξῆς τὰς τελευταίας στιγμὰς τοῦ Μητροπούλου:

Ὁ Μητρόπουλος ἔφθασεν ἐκ Γερμανίας εἰς τὸ Μιλᾶνον τὴν ἑσπέραν τῆς Τρίτης. Τὴν 10.30 π.μ. τῆς Τετάρτης μετέβη εἰς τὴν Σκάλα. Μετὰ δέκα λεπτά, εἰσελθὼν εἰς τὴν αἴθουσαν ὅπου εὑρίσκετο ἤδη ἡ ὀρχήστρα, ἤρχισε τὴν δοκιμὴν τῆς «Τρίτης Συμφωνίας» τοῦ Μάλερ. Προτοῦ ἀρχίση ὁ Μητρόπουλος ἐχαιρέτισε τὰ μέλη τῆς ὀρχήστρας, ποὺ ἐξέφρασαν τὴν λύπην των διότι ἡ κατάστασις τῆς ὑγείας του τὸν εἶχεν ἐμποδίσει νὰ παρευρεθῆ εἰς ἄλλα κοντσέρτα. Ὁ Μητρόπουλος περαίνων τὸν χαιρετισμόν του εἶπε: «Ὁ ἄνθρωπος ὅταν γηράσῃ ὁμοιάζει μὲ παληὸ αὐτοκίνητο ποὺ κουράζεται νὰ περιπατῆ». Ἔβωσε κατόπιν τὸ σύνθημα ἐνάρξεως τῆς δοκιμῆς. Ἐφόρεσε σπὸρ κοστούμι. Ὡς συνήθως, διηύθυνε χωρὶς παρτιτούρα. Εἰς τὰς πρώτας νότας τῆς συμφωνίας τὰ μέλη τῆς ὀρχήστρας εἶδαν τὸ πρόσωπον τοῦ διασήμου μαέστρου, ποὺ ἐφωτίζετο διαφανῶς ἀπὸ τὸ φῶς τοῦ ἀναλογίου του, νὰ σκληρύνεται καὶ κατόπιν νὰ ἀσπρίζῃ. Ἔπειτα, μετὰ μίαν στιγμὴν ἀκινησίας, ὁ μαέστρος ἔπεσεν εἰς τὸ δάπεδον, μεταξὺ τοῦ πρώτου βιολιοῦ καὶ τῆς βιόλας. Κατὰ τὴν πτῶσιν ὑπέστη τραῦμα εἰς τὸ φρύδι.

Οἱ μουσικοὶ συνεκεντρώθησαν ἀμέσως γύρω ἀπὸ τὸν Μητρόπουλον. Κατέφθασε καὶ ὁ ἰατρὸς τῆς ὑπηρεσίας ποὺ διέταξεν ἄμεσον μεταφορὰν εἰς νοσοκομεῖον. Τὴν μεταφορὰν παρηκολούθησε καὶ ὁ Γεν. Γραμματεὺς τῆς Σκάλας Ὀλντάνι. Ὁ Μητρόπουλος, ὅμως, εἶχεν ἤδη εἰσέλθει εἰς τὸ κῶμα. Κατὰ τὴν διάρκειαν τῆς μεταφορᾶς του ἐγένοντο ἐνέσεις, ἀλλ' ὅταν τὸ αὐτοκίνητον ἔφθασεν εἰς τὸ νοσοκομεῖον ὁ μαέστρος εἶχεν ἐκπνεύσει χωρὶς νὰ ἀνακτήσῃ τὰς αἰσθήσεις του.

Αἱ ἄλλαι ἰταλικαὶ ἐφημερίδες ἀποκαλύπτουν —ἐξ αὐτοπτῶν μαρτύρων— ὅτι ὁ «μέγας αὐτὸς τῆς μπαγκέττας» ὅταν χθὲς προσῆλθεν εἰς τὴν Σκάλαν διὰ νὰ ἄρχίσῃ τὴν τελευταίαν «πρόβαν» τῆς ζωῆς του, ὡσὰν νὰ προησθάνθη τὸν θάνατον, εἶπε πρὸς τοὺς μουσικοὺς τῆς ὀρχήστρας:

«Ὅπως βλέπετε εἶμαι ἀκόμη ζωντανός. Εἶμαι σὰν ἕνα παληὸ αὐτοκίνητο ποὺ ἐξακολουθεῖ νὰ λειτουργῇ, ἀλλὰ ποὺ χρειάζεται συχνὲς ἐπισκευές».

Μετὰ παρέλευσιν 20 λεπτῶν ὁ ἄνθρωπος τὸν ὁποῖον ὁ Τοσκανίνι ἐχαρακτήρισε κάποτε ὡς «τὸν μεγαλύτερον μαέστρον τοῦ κόσμου» ἦτο νεκρός.

Ὁ Μητρόπουλος διευθύνει...

Ὁ θάνατος τὸν εὗρῆκε ἐμπρὸς εἰς τὸ ἀναλόγιον, ἐν μέσῳ τῆς ὀρχήστρας του.

Ὁ παγκόσμιος τύπος ἀφιερώνει σήμερον μακρὰς νεκρολογίας διὰ τὸν Μητρόπουλον, ἐξυμνῶν τὸ καταπληκτικῶς δημιουργικὸν τάλαντόν του. Ὁ βρεταννικὸς τύπος ἀφιερώνει ὁλοκλήρους στήλας σήμερον εἰς τὸ ἔργον τοῦ Δημήτρη Μητροπούλου. Ὅλαι αἱ βρεταννικαὶ ἐφημερίδες ὑπενθυμίζουν τὴν τεραστίαν ἐντύπωσιν ποὺ ἔκαμεν εἰς τὸ βρεταννικὸν κοινὸν ὁ Ἕλλην μαέστρος, ὅταν τὸ 1951, εἰς τὸ φεστιβὰλ τοῦ Ἐδιμβούργου καὶ τὸ 1955 διηύθυνε τὴν 4ην Συμφωνίαν τοῦ Βὰν Οὐίλλιαμς. Ἡ Συμφωνία αὐτὴ ἐπῆρε ζωὴν εἰς τὰ χέρια τοῦ Μητροπούλου. Οἱ Ἄγγλοι διὰ πρώτην φορὰν ἤκουσαν ἕνα Βὰν Οὐίλλιαμς μὲ δύναμιν τὴν ὁποίαν οὔτε θὰ ἠμποροῦσαν νὰ φαντασθοῦν. Ἰδοὺ μερικαὶ χαρακτηριστικαὶ φράσεις τῶν βρεταννικῶν ἐφημερίδων:

«Ὁ Μητροπούλος, μαζὶ μὲ τὸν Νίκο Σκαλκώτα καὶ τὴν Μαρίαν Κάλλας ἦτο εἷς ἐκ τῶν πλέον ἐπιφανῶν καλλιτεχνῶν ποὺ ἐχάρισεν ἡ Ἑλλὰς εἰς τὴν Δυτικὴν Εὐρώπην κατὰ τὸν 20ὸν αἰῶνα». («Νταίηλυ Τέλεγκραφ»).

«Ὁ Μητρόπουλος προσπαθοῦσε πάντοτε νὰ βοηθήσῃ τὸ ἀκροατήριόν του νὰ κατανοήσῃ τὸ ἔργον τὸ ὁποῖον διηύθυνε. Μερικὲς φορὲς «ἔπαιζε» σὰν ἠθοποιός, ὅσα περιέγραφεν ἡ μουσική. Διηύθυνε τὴν «Ἱστορίαν ἑνὸς Στρατιώτου» τοῦ Στραβίνσκυ φορῶντας μίαν λερωμένην στολὴν Ἀμερικανοῦ στρατιώτου». («Νταίηλυ Μαίηλ»).

«Ὁ Μητρόπουλος παρέμεινεν εἰς ὅλην τὴν ζωήν του ἕνας βαθὺς θρησκευτικὸς ἄνθρωπος. Ἦτο ἕνας Σπαρτιάτης τῆς Μουσικῆς. Εἷς τοὺς ρομαντικοὺς συνθέτας καὶ ἰδιαιτέρως εἰς ἐκείνους τῆς ρωσικῆς σχολῆς ἡ ἑρμηνεία του ἦτο πραγματικὴ μαγεία. Ἀλλὰ οἱ μοντέρνοι συνθέται ἦσαν οἱ ἀγαπημένοι του. Εἰς τὴν ἑρμηνείαν τῶν συγχρόνων συμφωνικῶν ἔργων δὲν εἶχε τὸν ὅμοιόν του». («Τάϊμς»).

Αἱ ἀμερικανικαὶ ἐφημερίδες δὲν εὑρίσκουν ἐπίσης λόγους διὰ νὰ ἐξυμνήσουν τὸν Μητρόπουλον.

Χαρακτηριστικῶς ὁ «Κήρυξ — Βῆμα τῆς Νέας Ὑόρκης» γράφει: «Ὁ Μητρόπουλος δὲν ἀνῆκεν εἰς τὸ εἶδος ἐκεῖνο τῶν διευθυντῶν ὀρχήστρας ποὺ περιορίζονται εἰς τὰ στενὰ ὅρια τοῦ καθιερωμένου ρεπερτορίου. Ὁ Μητρόπουλος ἠρέσκετο νὰ ἐρευνᾷ τὴν μουσικὴν καὶ νὰ φθάνῃ εἰς τὰ ἀκρότατα ὅρια αὐτῆς. Οἱ σύγχρονοι μουσικοσυνθέται, περιλαμβανομένων τῶν Ἀμερικανῶν, ἐγνώριζον ὅτι ὁ Μητρόπουλος ἦτο μεγάλη ἀξία καὶ ὅτι, ἠδύναντο νὰ βασίζωνται ἐπ' αὐτοῦ εἰς ὅ,τι ἀφορᾷ **τὴν ἀπόδοσιν τῶν συνθέσεών των».**

ΣΟΒΑΡΟΝ ΖΗΤΗΜΑ ΑΝΕΦΥΗ ΔΙΑ ΤΗΝ ΜΕΤΑΦΟΡΑΝ ΤΗΣ ΣΟΡΟΥ ΤΟΥ ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΥ ΕΙΣ ΑΘΗΝΑΣ

Η ΕΠΙΘΥΜΙΑ ΤΟΥ ΟΠΩΣ ΚΑΙ ΕΙΣ ΚΡΕΜΑΤΟΡΙΟΝ

Σοβαρὸν ζήτημα ἀνέκυψε χθὲς ὅσον ἀφορᾷ τὴν μετακομιδὴν τῆς σοροῦ τοῦ Δημ. Μητροπούλου εἰς Ἀθήνας ἀπὸ τὸ Μιλᾶνον. Συγκεκριμένως ὁ μεγάλος μαέστρος ἔχει ἐκφράσει τὴν ἐπιθυμίαν εἰς τὴν διαθήκην του ὅπως ἡ σορός του καῇ. Τοῦτο ὅμως δὲν εἶναι ἐφικτὸν εἰς τὴν Ἑλλάδα, ἐλλείψει κρεματορίου καὶ διότι δὲν προβλέπεται ὑπὸ τῆς νομοθεσίας. Ἐὰν πάλιν ἡ τελευταία ἐπιθυμία τοῦ Μητροπούλου πραγματοποιηθῇ εἰς τὴν Ἰταλίαν, τότε δὲν θὰ εἶναι δυνατὴ ἡ πραγματοποίησις τῆς ἐξαγγελθείσης πανδήμου κηδείας του εἰς Ἀθήνας ἐφ' ὅσον ὁ νεκρὸς θὰ ἔχῃ μεταφερθῇ ἐδῶ ὡς τέφρα. Τὸ ζήτημα τοῦτο ἐλαβεν ἐντολὴν νὰ διερευνήσῃ ὁ μεταβὰς εἰς τὸ Μιλᾶνον διὰ τὴν μεταφορὰν τῆς σοροῦ διευθυντὴς Γραμμάτων καὶ Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κουρνοῦτος.

ΣΟΒΑΡΟΝ ΖΗΤΗΜΑ ΑΝΕΚΥΨΕ ΔΙΑ ΤΗΝ ΚΗΔΕΙΑΝ ΤΟΥ ΕΚΛΙΠΟΝΤΟΣ ΑΡΧΙΜΟΥΣΙΚΟΥ

Ο ΜΗΤΡΟΠΟΥΛΟΣ ΩΡΙΣΕ ΔΙΑ ΤΗΣ ΔΙΑΘΗΚΗΣ ΤΟΥ ΝΑ ΚΑΗ Η ΣΟΡΟΣ ΤΟΥ;

Ἑλληνικὴ ἀποστολὴ εὑρίσκεται εἰς Μιλᾶνον πρὸς διακομιδὴν τοῦ νεκροῦ εἰς Ἀθήνας ἐντὸς τοῦ ἀπογεύματος

Ἀπρόοπτον περιπλοκὴν ἐσημείωσε τὸ ζήτημα τῆς διακομιδῆς τῆς σοροῦ τοῦ αἰφνιδίως ἀποθανόντος εἰς Μιλᾶνον ἀρχιμουσικοῦ Δημήτρη Μητροπούλου καὶ τῆς κηδείας του εἰς Ἀθήνας. Καὶ τοῦτο διότι — συμφώνως πρὸς δήλωσιν τῆς κ. Γκόθ, γραμματέως τοῦ ἐκλιπόντος μαέστρου — ὁ Μητρόπουλος ἔχει διατυπώσει, κατὰ πᾶσαν πιθανότητα, εἰς τὴν διαθήκην του τὴν ἐπιθυμίαν ὅπως ἡ σορός του ἀποτεφρωθῇ. Ἐπίσης ἡ κ. Γκὸθ ἐδήλωσε χθὲς εἰς Μιλᾶνον ὅτι ὁ μαέστρος εἶχεν ἐκφράσει τὴν ἐπιθυμίαν νὰ ταφῇ εἰς 'Ην. Πολιτείας.

Ἤδη δημιουργεῖται σοβαρὸν ζήτημα, δεδομένου ὅτι εὑρίσκεται εἰς Μιλᾶνον ὁ γενικὸς διευθυντὴς Γραμμάτων καὶ Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κουρνοῦτος διὰ νὰ παραλάβῃ καὶ συνοδεύσῃ ἐντὸς τοῦ ἀπογεύματος τῆς σήμερον δι' εἰδικοῦ ἀεροπλάνου εἰς Ἀθήνας τὴν σορὸν τοῦ ἐκλιπόντος.

Ἀλλ' ἐὰν ὁ ἐπιφανὴς Ἕλλην ἀρχιμουσικὸς εἶχεν ἐκφράσει τὴν ἐπιθυμίαν νὰ καῇ ἡ σορός του, τοῦτο δὲν εἶναι ἐφικτὸν νὰ πραγματοποιηθῇ εἰς τὴν Ἑλλάδα καὶ λόγῳ ἐλλείψεως κρεματορίου καὶ διότι δὲν προβλέπεται τοῦτο ὑπὸ τῆς ἑλληνικῆς νομοθεσίας. Ἐὰν πάλιν, ἡ ἀποτέφρωσις τῆς σοροῦ γίνῃ εἰς Ἰταλίαν, εἶναι ἀδύνατος ἡ πραγματοποίησις τῆς ἐπισήμου κηδείας εἰς Ἀθήνας, διότι ὁ νεκρὸς θὰ διακομισθῇ εἰς Ἑλλάδα ὡς τέφρα.

Τὸ ὅλον ζήτημα θὰ ἐλύετο ἂν ἦτο γνωστὸν τὸ περιεχόμενον τῆς διαθήκης τοῦ θανόντος ἀρχιμουσικοῦ. Ἀλλ' ἡ διαθήκη εὑρίσκεται ἤδη εἰς χεῖρας Ἀμερικανοῦ συμβολαιογράφου.

Πάντως, σήμερον θὰ διευκρινισθῇ εἰς Μιλᾶνον τὸ ζήτημα καὶ θὰ ληφθοῦν σχετικαὶ ἀποφάσεις διὰ τὴν διακομιδὴν τῆς σοροῦ εἰς Ἀθήνας ἢ εἰς Ἡνωμένας Πολιτείας ἢ διὰ τὴν ἀποτέφρωσιν τοῦ νεκροῦ εἰς κρεματόριον τῆς Ἰταλίας.

Εἰς περίπτωσιν κατὰ τὴν ὁποίαν θὰ διακομισθῇ εἰς Ἀθήνας, ἡ σορὸς θὰ ἐκτεθῇ δι' ὅλης τῆς ἡμέρας τοῦ Σαββάτου εἰς λαϊκὸν προσκύνημα εἰς τὴν Μητρόπολιν, ἡ δὲ κηδεία θὰ γίνῃ δημοσίᾳ δαπάνῃ τὴν Κυριακήν. Κατὰ τὴν ὥραν τῆς ἐξόδου τῆς σοροῦ ἐκ τοῦ ναοῦ, ἡ κρατικὴ ὀρχήστρα θὰ ἐκτελέσῃ τὴν τρίτην Συμφωνίαν τοῦ Μπετόβεν, εἰς τὴν ὁποίαν περιλαμβάνεται καὶ τὸ περίφημον πένθιμον ἐμβατήριον.

ΕΝΑ ΠΑΛΙΟ ΑΥΤΟΚΙΝΗΤΟ

ΜΙΛΑΝΟΝ, 4. ('Ιδ. ὑπ.). — Αἱ ἰταλικαὶ ἐφημερίδες ἀποκαλύπτουν — ἐξ αὐτοπτῶν μαρτύρων — ὅτι ὁ «μάγος αὐτὸς τῆς μπαγκέττας», ὅπως ἀπεκάλυον τὸν Μητρόπουλον, ὅταν χθὲς προσῆλθεν εἰς τὴν Σκάλαν διὰ νὰ ἀρχίσῃ τὴν τελευταίαν «πρόβαν» τῆς ζωῆς του, ὡσὰν νὰ προησθάνθη τὸν θάνατον, εἶπε πρὸς τοὺς μουσικοὺς τῆς ὀρχήστρας:

«Ὅπως βλέπετε, εἶμαι ἀκόμη ζωντανός. Εἶμαι σὰν ἕνα παλιὸ αὐτοκίνητο ποὺ ἐξακολουθεῖ νὰ λειτουργῇ, ἀλλὰ ποὺ χρειάζεται συχνὲς ἐπισκευές».

Μετὰ παρέλευσιν 20 λεπτῶν, ὁ ἄνθρωπος, τὸν ὁποῖον ὁ Τοσκανίνι ἐχαρακτήρισε κάποτε ὡς «τὸν μεγαλύτερον μαέστρον τοῦ κόσμου», ἦτο νεκρός.

Η ΜΠΑΓΚΕΤΤΑ ΕΠΕΣΕ

«Ἡ μπαγκέττα ἔπεσε χθὲς ἀπὸ τὴν χεῖρα τοῦ Δημήτρη Μητροπούλου εἰς τὴν Σκάλαν τοῦ Μιλάνου. Ποῖος θὰ ἠμπορέσῃ νὰ τὴν σηκώσῃ;».

Ἡ φράσις αὐτὴ ἑνὸς ἐκπροσώπου τῆς Σκάλας δεικνύει παραστατικώτατα τὸ πραγματικῶς δυσαναπλήρωτον κενόν, ποὺ ἐδημιούργησεν ὁ θάνατος τοῦ μεγάλου Ἕλληνος μαέστρου εἰς τὸν κόσμον τῆς Μουσικῆς.

Συνεχίζονται, ἐξ ἄλλου, τὰ σχόλια τοῦ διεθνοῦς Τύπου, ἐκ τῶν ὁποίων παραθέτομεν τὰ πλέον ἐπιγραμματικά:

«Κήρυξ - Βῆμα τῆς Νέας Ὑόρκης»: Διὰ τὸν Μητρόπουλον ζωὴ ἐσήμαινε μουσικὴ καὶ τίποτε ἄλλο. Τοῦ ἤρεσε νὰ μὴ παραμένῃ εἰς τὰ στενὰ καθιερωμένα ρεπερτόρια, ἀλλὰ νὰ ἐρευνᾷ τὴν μουσικὴν καὶ νὰ διευρύνῃ τὰ ὅριά της. Ἡ ἀδύνατη, λιτή, ὡσὰν ἀσκητοῦ μορφή του, καταλήγει ἡ ἐφημερίς, θὰ παραμείνῃ ὁπωσδήποτε ἐπὶ μακρὸν χρονικὸν διάστημα εἰς τὴν μνήμην τῶν φίλων καὶ θαυμαστῶν του».

«Νταίηλυ Μαίηλ»: «Μία ἀπὸ τὰς ἀρετὰς τοῦ Δημήτρη Μητρόπουλου ἦτο ἡ ἀναμφισβήτητη προσπάθεια ποὺ κατέβαλλε πάντοτε, ὅπως τὸ ἀκροατήριόν του ἐννοῇ πλήρως τὴν μουσικὴν ποὺ ἠρμήνευε».

«Τάϊμς»: «Ἦτο ἕνας εὐγλωττος ὀπαδὸς τῆς νέας μουσικῆς, ἀπολύτως πεπεισμένος περὶ τῆς ἀξίας της».

ΕΝΩ ΣΥΝΕΧΙΖΕΤΑΙ ΤΟ ΠΕΝΘΟΣ ΔΙΑ ΤΟΝ ΘΑΝΑΤΟΝ ΤΟΥ

Ο ΜΗΤΡΟΠΟΥΛΟΣ ΥΠΗΡΞΕ Ο ΜΑΓΟΣ ΤΗΣ ΜΟΥΣΙΚΗΣ ΠΟΥ ΜΕΤΕΔΙΔΕ ΘΕΪΚΗ ΠΝΟΗ ΣΤΗΝ ΟΡΧΗΣΤΡΑ ΤΟΥ

Ἐδημιουργήθη ζήτημα διά τὴν μεταφορὰν τῆς σοροῦ εἰς τὴν Ἑλλάδα. - Ἡ διαθήκη τοῦ ἐκλιπόντος ἀρχιμουσικοῦ

ΤΟΥ ΣΥΝΕΡΓΑΤΟΥ ΜΑΣ κ. ΓΕΩΡΓΙΟΥ ΒΩΚΟΥ

...Εἶναι δυνατὸν τὰ ἀέτεια αὐτὰ χέρια νὰ μὴν κρατήσουν ποτὲ πιὰ τὴν μαγικὴ μπαγκέττα, ποὺ διαγράφοντας τὰ ἐκπάγλου ὁμορφιᾶς ρυθμικὰ της σχήματα μετέδιδε τὴν θεϊκὴ πνευματικότητα μιᾶς ὠνειρεμένης, μιᾶς ἀσύλληπτης μουσικῆς μυσταγωγίας στὴν ὀρχήστρα;

Εἶναι δυνατὸν αὐτὴ ἡ παραδεισένια μουσικὴ καρδιὰ νὰ μὴν ξανακτυπήσῃ, νὰ μὴ νοιώσῃ πιὰ τὸ μουσικὸ θαῦμα, ποὺ σὲ κάθε στιγμὴ ὁ μάγος τῆς μπαγκέττας, ὁ Δημήτρης Μητρόπουλος, πραγματοποιοῦσε;

Ὅμως δὲν εἶναι ἕνα κακὸ ὄνειρο... Εἶναι μιὰ πραγματικότητα, μιὰ ἐφιαλτικὴ πραγματικότητα...

Αὐτὸς ὁ κολοσσὸς τῆς μουσικῆς τέχνης, αὐτὴ ἡ φωτεινὴ καλλιτεχνικὴ φυσιογνωμία, ποὺ γύρω της συγκεντρώθηκαν οἱ φωτοστέφανοι τῶν ὑψηλοτέρων μουσικῶν ἑρμηνευτικῶν ἐπιτεύξεων, δὲν ὑπάρχει πιά...

Ὁ κόσμος ὁλόκληρος θρηνεῖ τὸν χαμό του... Καὶ περισσότερο ἀκόμα ἡ πατρίδα του: Ἡ Ἑλλάδα.

Ὄχι μόνον οἱ καθαυτὸ μουσικοὶ κύκλοι τῆς χώρας μας, ἀλλὰ καὶ τὸ σύνολον τοῦ ἑλληνικοῦ λαοῦ εἶναι βαθειὰ λυπημένο γιὰ τὸν θάνατο τοῦ δοξασμένου μουσικοῦ της παιδιοῦ, ποὺ μὲ τὴν θριαμβευτικὴ σταδιοδρομία του τίμησε τὸ ὄνομα τῆς Ἑλλάδας...

Σύμβολο ἔγινε ὁ Μητρόπουλος. Ἔφθασε ἐκεῖ ὅπου μόνον οἱ ἐκλεκτοὶ εἶναι προωρισμένοι νὰ βρέψουν τοὺς γλυκόχυμους καρποὺς τῆς μεγάλης τους τέχνης. Καὶ ὁ Μητρόπουλος στάθηκε ὁ φάρος μιᾶς ἰλιγγιώδους πορείας πρὸς ὅ,τι ὑψηλότερο, εὐγενικώτερο καὶ ἀγνότερο μπορεῖ νὰ ἐπιτελέσῃ ἡ ἀνθρώπινη διάνοια, ἡ βαθειὰ ποτισμένη μὲ τὴν πεμπτουσία τῆς ἰδιοφυΐας καὶ τῆς ὑπερδημιουργίας.

Οἱ Ἕλληνες συνόδελφοί του καὶ οἱ παιδαιτέροι ποὺ τὸν γνώρισαν καὶ τὸν παρακολούθησαν στὰ πρῶτα του ξεπετάγματα, ποὺ τὸν ἔφεραν στὸν δρόμο τοῦ θριάμβου, ἀλλὰ καὶ ἡ νεώτερη ἑλληνικὴ μουσικὴ γενεά, αὐτὴ ποὺ ἀτένιζε μὲ δέος καὶ θαυμασμὸ τὸν γίγαντα Μητρόπουλο, αὐτὴ ποὺ τὰ καλλιτεχνικά της ὄνειρα ἦταν γεμάτα ἀπὸ τὸ δράμα τοῦ ἡμιθέου τῆς μπαγκέττας νοιώθουν ὅτι κάποιο δυσαναπλήρωτο, κάποιο τεράστιο κενὸ μένει ὕστερα ἀπὸ τὸν χαμὸ τοῦ μουσικοῦ Ἱεροφάντη.

Γιατὶ ὁ Μητρόπουλος δὲν ἦταν μόνον ὁ ἀρχιμουσικὸς ποὺ συγκέντρωνε τὸν θαυμασμό, ἀλλὰ κι' ὁ ἄνθρωπος, ὁ πλημμυρισμένος ἀπὸ τὰ αἰσθήματα τῆς ἀγάπης γιὰ ὅλους, κι' ἔτσι γεννοῦσε πάλι τὴν ἀγάπη τῶν ἑκατομμυρίων συνανθρώπων του πρὸς αὐτόν...

Ὁ Μητρόπουλος ἔγινε ὁ μεγάλος καλλιτέχνης γιατὶ ὑπῆρχε παράλληλα ὁ ἀνιδιοτελής, ὁ ἀπηλλαγμένος ἀπὸ μικρότητες ἄνθρωπος, ὁ ἀποτοξινωμένος ἀπὸ κάθε στοιχεῖο ψυχικῆς φθορᾶς. Κι' ἂς μὴ νομισθῇ ὅτι ἀνθόσπαρτος κάμπος ἦταν μέχρις ἐνὸς σημείου ἡ ζωὴ τοῦ διασήμου μαέστρου ὥστου νὰ κατακτήσῃ τὴν δόξα καὶ νὰ ἐπιβληθῇ σὰν μιὰ μουσικὴ φύσις - φαινόμενον.

Πέρασε ἀπὸ ἀγκαθωτὰ μονοπάτια ὁ Μητρόπουλος, ματώθηκε, πόνεσε, ἀγωνίσθηκε καὶ μὲ ὁδηγὸ τὴν καλλιτεχνική του πίστη καὶ τὴν εὐφυΐα του νίκησε καὶ βρέθηκε τέλος τόσο ψηλά, σὰν κάτι σχεδὸν πρωτοφανέρωτο στὴν τέχνη τοῦ χειρισμοῦ τῆς μπαγκέττας.

Ὁ Δημήτρης Μητρόπουλος σὲ μιὰ χαρακτηριστικὴ στάσι διευθύνσεως ὀρχήστρας.

Οἱ παληοὶ συνάδελφοί του ἀναλογίζονται ἐκεῖνα τὰ χρόνια τῶν σπουδῶν, τότε ποὺ ὁ Δημητράκης, μαθητὴς ἀκόμη, κυριαρχοῦσε μὲ τὸ φλογερό του ταλέντο...

Γνωστὴ καθηγήτρια τοῦ πιάνου, συμμαθήτρια τοῦ Μητροπούλου στὸ ὠδεῖο, στὴν τάξι τοῦ θαυμασίου καθηγητοῦ τοῦ πιάνου Βασσενχόβεν, μοῦ ἔλεγε χθές:

«Ὁ Μαρσὶκ καὶ ὁ Βασσενχόβεν προσπαθοῦσαν ὁ καθένας γιὰ λογαριασμό του νὰ τραβήξουν τὸν Μητρόπουλο πρὸς τὰ δικά τους καλλιτεχνικὰ μονοπάτια.

—Πιανίστας πρέπει νὰ γίνῃς, τοῦλεγε ὁ Βασσενχόβεν.

—Εἶσαι γεννημένος γιὰ μαέστρος, ἐπέμενε ὁ Μαρσίκ, ὁ σοφὸς ἐκεῖνος μαίτρ τῆς ἁρμονίας καὶ τοῦ κοντραπούντου.

Καὶ στὸ τέλος ὁ Μητρόπουλος, τὸ καταπληκτικὸ αὐτὸ μουσικὸ ταλέντο, ἔγινε καὶ τὰ δύο: καὶ πιανίστας καὶ μαέστρος. Ἀλλὰ στὸ τέλος ἡ ἀγάπη του περισσότερο πρὸς τὴν μπαγκέττα, ὑπερίσχυσε.

Καὶ ἔγινε ὁ κολοσσὸς τῆς μαεστρικῆς τέχνης. Σὰν τὸν Τοσκανίνι, σὰν τὸν Μπρούνο Βάλτερ. Ἴσως καὶ παραπάνω... Γιατί; Μὰ ἐκεῖνο ποὺ εἶχε ὁ Μητρόπουλος σὰν διηύθυνε δὲν μπορεῖ νὰ βρεθῇ σὲ κανέναν ἄλλον ἀρχιμουσικό».

Μάγευε ὁ Μητρόπουλος. Γιατὶ εἶχε στὴν ψυχή του τὸ θεῖο δῶρο, τὸ τόσο σπάνιο.

Καὶ τὰ χέρια του μαγνήτιζαν... Τόμαθε ποιθενὰ αὐτό; Ὄχι... Εἶναι κάτι ποὺ δὲν διδάσκεται. Ἀπὸ τὴν στιγμὴ ποὺ γεννήθηκε, ὁ μουσικὸς μαγνήτης καὶ ἡ ἀκαταμάχητη σαγήνη ὑπῆρχαν σ' αὐτόν... Καὶ μέρα μὲ τὴ μέρα γινότανε ἰσχυρότερος, ὥσπου ἔφτασε νὰ μεταβληθῇ σὲ μιὰ μουσικὴ δύναμι τέτοια, ὥστε στὴν προσταγή της νὰ ὑποτάσσῃ τὴν κάθε ὀρχήστρα.

Ὁ δαιμόνιος αὐτὸς ἀρχιμουσικὸς κατώρθωνε νὰ διαβάζῃ τὴν παρτιτούρα «πρίμα βίστα», μεταφέροντάς την στὸ πιάνο!...

Καὶ γνωρίζουν οἱ ἀσχολούμενοι περὶ τὰ τοιαῦτα ἂν αὐτὸ ἀποτελῇ εὔκολο κατόρθωμα...

Ὕστερα δύο - τρία περάσματα μὲ τὸ ἐμάτι» καὶ ἡ παρτιτούρα γινόταν παιγνιδάκι στὰ χέρια τοῦ Μητροπούλου.

Ἡ τρομακτικὴ του μουσικὴ μνήμη ἀποτύπωνε τὰ πάντα, ἀπὸ τὴν παρτισιὸν μέχρι τὴν τελευταία λεπτομέρεια...

Νότες, παύσεις, χρωματισμούς, ρυθμό, ὀργανικὲς εἰσόδους καὶ πάνω ἀπ' ὅλα στύλ, ζωντάνια, μουσικὴ ἀλήθεια, ἑρμηνευτικὴ πιστότητα.

Ὅλα μέσα στὸ ἐκπληκτικὸ ἐκεῖνο μυαλό του. Τίποτε δὲν τοῦ διέφευγε στὴν πρόβα. Ὅταν ἔπιανε τὴν μπαγκέττα, μεταβαλλόταν σὲ ἡμίθεο. Συμπαρέσυρε ὁλόκληρη τὴν ὀρχήστρα καὶ οἱ μουσικοὶ τὸν ἀτένιζαν σὰν κάτι ὑπερκόσμιο.

Νοιώθανε τὸ βάρος τῆς ἐπιβολῆς του, ἀληθινὰ τρομερῆς, ἀλλὰ καὶ δημιουργικῆς. Μ'πως τὸ ἴδιο δὲν γινόταν καὶ ὅταν στὰ προπολεμικὰ χρόνια διηύθυνε τὴν συμφωνικὴ ὀρχήστρα τοῦ Ὠδείου Ἀθηνῶν; Ὅταν κρατοῦσε τὴν μπαγκέττα ὁ Μητρόπουλος, ἡ ὀρχήστρα, ὡς ἐκ θαύματος, μεταβαλλόταν καὶ οἱ ἑρμηνεῖες τῶν ἔργων ἔπαιρναν ἕνα πρωτοφανέρωτο φῶς.

Συναγερμὸς τότε... Ὄχι μόνο τὴν ἡμέρα τῆς συναυλίας, ἀλλὰ καὶ στὴν γενικὴ δοκιμὴ ποὺ δινόταν Κυριακὴ πρωί.

Ὅλοι ἔτρεχαν νὰ ἐξασφαλίσουν εἰσιτήριο γιὰ ν' ἀκούσουν τὴν ὀρχήστρα μὲ τὸν Μητρόπουλο... Γιατὶ ἤξεραν πὼς μουσικὴ μυσταγωγία θὰ ἦταν ἡ καλλιτεχνική του προσφορά.

Πῶς λοιπὸν τὰ μάτια μας γεμάτα ἀπὸ δάκρυα στὴ θύμησι ἐκείνου νὰ μὴν εἶναι;

Πῶς τῆς ψυχῆς ὁ σπαραγμὸς νὰ σταματήσῃ, σὰν ἡ εἰκόνα τοῦ μεγάλου νεκροῦ τὴν λύπη τὴν ἀβάσταχτη μᾶς φέρνει;...

Οἱ ἐκδηλώσεις πένθους γιὰ τὸν ἀδόκητο θάνατο τοῦ κορυφαίου ἀρχιμουσικοῦ Δημήτρη Μητρόπουλου συνεχίζονται. Τόσον τὸ Ἐθνικὸν Ἵδρυμα Ραδιοφωνίας, ὅσον καὶ ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν ἀπέστειλαν πρὸς τὸν τύπον τὰς κάτωθι ἀνακοινώσεις:

«Ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν μὲ βαθύτατη ὀδύνη δέχτηκε τὸ θλιβερὸ ἄγγελμα τοῦ πρόωρου καὶ ἡρωικοῦ θανάτου τοῦ Δημήτρη Μητρόπουλου.

Ἡ ἀπώλεια τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ δημιουργεῖ ἕνα ἀνυπολόγιστο κενὸ τόσο εἰς τὸν ἑλληνικὸ πνευματικὸ χῶρο, ὅσο καὶ στὸ διεθνὲς μουσικὸ στερέωμα. Οἱ μεγαλοφυεῖς ἑρμηνεῖες του, κλασικῶν καὶ νεωτέρων ἔργων, ὑπῆρξαν ἐπιτεύγματα ὑψίστης καὶ μοναδικῆς τέχνης, μαεστὲς ἀπὸ πάθος, σαφήνεια, λαμπρότητα καὶ τεχνικὴ ἀρτιότητα.

Ὁλόκληρος ὁ κόσμος πενθεῖ τὸν θάνατο τοῦ μεγάλου Μητρόπουλου. Ἰδιαίτερη εἶναι ἡ συγκίνησι τοῦ μουσικοῦ κόσμου τῆς χώρας μας καὶ πιὸ πολὺ ἐκείνων ποὺ ἔτυχε νὰ συνεργασθοῦν ἢ συνδέθηκαν μαζί του μὲ μιὰ δυνατὴ φιλία. Ὁ πόνος ποὺ ἔνοιωσαν μὲ τὴν ἀναπάντεχη εἴδησι, τὰ δάκρυα ποὺ κύλησαν στὰ πρόσωπά τους, παραχωροῦν, ὅσο περνοῦν οἱ μέρες τὴν θέσι τους στὶς ἀναμνήσεις τῆς ζωῆς ποὺ κορφολόγησαν κοντὰ στὸν μεγάλο καλλιτέχνη.

Ἕνας ἄνθρωπος στὸν τόπο μας ποὺ συνδέθηκε μὲ ἀδελφικὴ φιλία μὲ τὸν Δημήτρη Μητρόπουλο εἶναι ὁ μουσουργὸς κ. Μάριος Βάρβογλης. Ὅταν προχθὲς τοῦ ἀνγγείλαμε τὴν θλιβερὴ εἴδησι, τὸν εἴδαμε νὰ μὴν ἀντέχῃ τὸ βάρος τοῦ γεγονότος καὶ νὰ σωριάζεται σ' ἕνα ντιβάνι συντετριμμένος κυριολεκτικά. Κι' ὅταν ἀργότερα συνῆλθε προσπαθοῦσε νὰ θυμηθῇ μιὰ ζωὴ ὁλόκληρη δίπλα στὸν ἐκλιπόντα Ἀρχιμουσικό. «Δὲν μπορῶ νὰ φαντασθῶ τὸν Δημήτρη νεκρό, κλεισμένο σ' ἕνα φέρετρο, πνιγμένο ἀπὸ νεκρολούλουδα. Τὸν ἔβλεπα πάντα ἢ σᾶν ἕνα ἀνέφελο παιδί, ἢ σᾶν Διευθυντὴ μὲ τὴν μπαγκέττα στὸ χέρι νὰ καταπλήσσῃ.

Μερικὰ ἀξέχαστα

Ζητήσαμε ἀπὸ τὸν κ. Βάρβογλη νὰ μᾶς μιλήσῃ λίγο γιὰ τὴν ζωὴ τοῦ Μητρόπουλου, πρᾶγμα ποὺ ἔκανε μὲ προθυμία.

—Τὸν Γενάρη τοῦ 1921 ἔφθασα στὴν Ἀθήνα, ποὺ μὲ τηλεγράφημα τοῦ διευθυντοῦ τοῦ Ὠδείου Ἀθηνῶν ἐκαλούμην νὰ συμπληρώσω τὸ κενὸ ποὺ δημιούργησε ἡ μετάθεσι τοῦ Καλομοίρη στὸ Ἐθνικὸ Ὠδεῖο. Τότε γνώρισα τὸν Μητρόπουλο, ποὺ μόλις εἶχε τελειώσει τὶς σπουδές στὸ πιάνο πλάϊ στὸν Βασενχόβεν καὶ τὰ θεωρητικά του μαθήματα ἀπὸ τὸν Μαροίκ, ἄνθρωπο ποὺ μαζὶ μὲ τὴν οἰκογένεια Νεγρεπόντη συμπαρασταθήκαν μὲ μοναδικὴ στοργὴ στὸ Δημήτρη. Δὲν πέρασε πολὺς καιρὸς καὶ μιὰ μέρα ὁ διευθυντὴς τοῦ Ὠδείου μοῦ ζήτησε τὴν γνώμη μου γιὰ τὴν σκέψι του νὰ προωθήσῃ τὸν Μητρόπουλο στὴ θέσι τοῦ διευθυντοῦ. «Δὲν ξέρω, τοῦ εἶπα, γιὰ τὸ διοικητικὸ μέρος ἂν θὰ τὰ καταφέρῃ, ἀλλὰ σὰν μουσικὸς ἂν καὶ νέος ἀκόμα εἶμαι βέβαιος πὼς θὰ τιμήσῃ αὐτὴ τὴν θέσι». Δὲν εἶπε τίποτα στὸν Δημήτρη καὶ καλύτερα γιατὶ αὐτοὶ ποὺ «βλίβονται» σήμερα ἀντέδρασαν καὶ δὲν ἔγινε πραγματικότης αὐτὴ ἡ σκέψι τοῦ διευθυντοῦ. Ἐκείνη τὴν ἐποχὴ ἔφυγε κι' αὐτὸς κι' ἐγὼ καὶ μαζὶ μ' ἄλλους φτιάξαμε τὸν «Σύλλογο Συναυλιῶν» ἂν δὲν μὲ γελᾶ ἡ μνήμη μου στὰ 1921. Τότε παίχθηκε ἡ ὄπερα του «Ἀδελφὴ Βεατρίκη» μὲ πρωταγωνίστρια τὴν Παζινοῦ καὶ στὴν παράστασι παρευρέθη ὁ μεγάλος Γάλλος Σαὶν-Σάνς.

Μᾶς μίλησε ὕστερα γιὰ τὶς σπουδὲς τοῦ Μητρόπουλου στὸ Βερολῖνο καὶ στὶς Βρυξέλλες πλάϊ στοὺς μεγάλους Μπουζόνι καὶ Ζίλσον καὶ γιὰ τὰ διάφορα ἔργα του ποὺ δείχνουν μιὰ μοναδικὴ τόλμη γιὰ τὴν ἐποχὴ ἐκείνη.

«Ἀλλὰ τί νὰ θυμηθῶ πρῶτα καὶ τί ὕστερα ἀπὸ τὴν ζωὴ τοῦ διαλεχτοῦ φίλου; Τὸ πῶς ὅλα τὰ ἔργα μου σὲ πρώτη ἐκτέλεσι παρουσιάστηκαν ἀπὸ ἐκεῖνον; "Ἡ μήπως τὴν πίκρα του γιὰ τὸ «Ἀπόγευμα τῆς ἀγάπης», ποὺ ὅταν «θυμᾶμαι τὸν ἄκουσα νὰ μοῦ λέῃ: «Βάλτου ρίγανη, μωρὲ Μάριε! "Ἀδικα τὸ γράφεις... Δὲν θὰ στὸ παίξουν ἐδῶ...». Καθόμουν τότε στὴν ὁδὸ Πειραιῶς. Κι' ἀφοῦ μοῦπε τὰ παραπάνω λόγια ἔφυγε κι' ἐμεῖς εἴχαμε ἑτοιμάσει γιὰ φαγητό... Μᾶς εἶχε συνηθίσει σὲ τέτοιες παραξενιές. Μὰ ξαναγύρισε κρατώντας αὐγά, ζαμπὸν κι' ἕνα σωρὸ ἄλλα πράγματα. Πῆγε στὴν κουζίνα, φόρεσε μιὰ ποδιὰ καὶ βοήθησε τὴν γυναῖκα μου στὴν ἑτοιμασία τοῦ φαγητοῦ...

ΜΙΑ ΖΩΗ ΟΛΟΚΛΗΡΗ ΣΤΟ ΠΕΝΤΑΓΡΑΜΜΟ..

Στὸ Ὠδεῖο δίδασκε μάθημα μορφολογίας κάποτε. Τὸ περιστατικὸ ποὺ θὰ σᾶς ἀφηγηθῶ ἀφορᾶ τὴν συμπαράστασι τῆς οἰκογένειας Νεγρεπόντη στὴ σταδιοδρομία τοῦ Μητρόπουλου. "Εμεναν στὸ Σύνταγμα, στὴν ὁδὸ "Οθωνος. Σ' αὐτὸ τ' ἀρχοντικὸ σπίτι εἶχαν παραχωρήσει ὁλόκληρο διαμέρισμα στὸν Δημήτρη γιὰ νὰ μένῃ καὶ σὰν νὰ μὴν ἔφθανε αὐτό, εἶδα μιὰ μέρα τὴν Νεγρεπόντη (μητέρα τῆς "Αλκη Θρύλου) πεσμένη στὸ πάτωμα καὶ νὰ χαρακώνῃ σὲ χαρτιὰ πεντάγραμμα γιὰ νὰ τὸν βοηθήσῃ ἔτσι νὰ ἑτοιμασθῇ γιὰ τὸ μάθημα ποὺ σὲ λίγο θὰ παρέδιδε στοὺς μαθητάς του. Πόσες φορὲς δὲν πῆγα νὰ τὸν δῶ καὶ δὲν μ' ἄφησε ἡ σεβαστὴ δέσποινα: «Κοιμᾶται καὶ δὲν τὸν ξυπνῶ γιατὶ κουράστηκε πολύ!».

»Ἐκεῖνο ὅμως ποὺ δὲν θὰ ξεχάσω ποτέ, συνέχισε ὁ κ. Βάρβογλης, εἶναι ἕνα περιστατικὸ ποὺ συνέβη λίγο πρὶν φύγει γιὰ τὴν ξενητιά. "Ημουν ἄρρωστος κι' ἀπὸ τὸ παράθυρό μου τὸν εἶδα νὰ περνᾶ καὶ νὰ πηγαίνῃ στὴν κυρία Ἀργυροπούλου, ἀπέναντι. «Γειά σου, Μάριε... φώναξε ἀπὸ τὸν δρόμο. Θἄρθω νὰ σὲ δῶ σὲ λίγο». Πράγματι, δὲν πέρασε πολὺ ὥρα κι' ὁ Μητρόπουλος ἔφυγε ἀπὸ τὴν κυρία Ἀργυροπούλου καὶ περπατώντας ἀφηρημένος στὸ ἀπέναντι πεζοδρόμιο κατηυθύνθη γιὰ τὸ σπίτι του. Πικοάθηκα πολὺ καὶ σ' ἕνα πρόχειρο χαρτὶ τσιγκρύφα τοῦτα τὰ λόγια: «Σ' ἕνα ἄρρωστο ποὺ τοῦ ὑπόσχονται διαλεχτοὶ φίλοι ὅτι θὰ πᾶνε νὰ τὸν δοῦν, ὅταν δὲν κρατήσουν τὴν ὑπόσχεσί τους, ἁρπαχτσαίνει διπλά». Καὶ τὸ στειλα μὲ τὴν κόρη μου ποὺ τοῦ τὸ ἔτρεξε κάτω ἀπὸ τὴν πόρτα του. Δὲν πέρασαν οὔτε δέκα λεπτὰ κι' ἤρθε σπίτι. Μοῦπε πὼς κτύπησε τὸ κουδοῦνι μὰ δὲν τἄκουσα. Κι' ὅταν ἔβγαλε τὰ ποτὰ καθησε στὰ σκαλοπάτια κι' ἔγραψε ἕνα γράμμα πέντε χειρόγραφα που μοῦ τὸ πέταξε κάτω ἀπὸ τὴν πόρτα. Ἐκεῖ μοῦ δικαιολογεῖται πὼς ἔξχασε ὁλότελα τὴν ὑπόσχεσί του καὶ τὴν αὐνομιλία μας κι' ὅτι τὰ θυμήθηκε ὅλα μόλις πῆρε τὸ σημείωμά μου. Θὰ ψάξω κι' ἂν τὸ βρῶ ἐκεῖνο τὸ γράμμα θὰ στὸ δώσω. Λέξιζει τὸν κόπο νὰ τὸ διαβάσῃ κανείς, γιατὶ δείχνει τὸν ἄνθρωπο Μητρόπουλο σ' ὅλη του τὴν μεγαλωσύνη».

Η ΣΟΡΟΣ ΤΟΥ Θ' ΑΠΕΤΕΦΡΩΘΗ

ΜΙΛΑΝΟΝ, 3. ('Ασσοσ. Πρέσς)

Ο ΑΠΟΘΑΝΩΝ χθὲς διάσημος μουσικὸς διευθυντὴς Δημήτρης Μητρόπουλος ἐκφράζει εἰς τὴν διαθήκην του τὴν ἐπιθυμίαν του, ὅπως ἡ σορός του ἀποτεφρωθῇ. Τὰ ἀνωτέρω ἐδήλωσε σήμερον ἡ ἰδιαιτέρα γραμματεὺς τοῦ ἐκλιπόντος Μὶς Τρούντη Γκότ, ἡ ὁποία προσέθεσεν ἐπίσης ὅτι καθόσον γνωρίζει, ὁ ἐκλιπὼν ἐπεθύμει, ὅπως μετὰ τὸν θάνατόν του, ταφῇ εἰς τὰς Ἡνωμένας Πολιτείας.

Ἡ ἑλληνικὴ κυβέρνησις, ἐν ταὐτῷ στρατιωτικὸν ἀεροπλάνον τῷ μεταξύ ἀπέστειλε σήμερον ἐνδιὰ νὰ παραλάβῃ τὴν σορὸν τοῦ Μητροπούλου καὶ τὴν μεταφέρῃ εἰς "Αθήνας, ὅπου θὰ γίνῃ ἡ κηδεία του δημοσίᾳ δαπάνῃ.

Ἡ Μὶς Γκότ, ἐν τούτοις, ἐδήλωσεν ὅτι ἡ κηδεία τοῦ ἐκλιπόντος θὰ γίνῃ ἐν Μιλάνῳ καὶ ὅτι ἡ νεκρικὴ πομπὴ θὰ ἐκκινήσῃ ἐκ τῆς "Οπερας τῆς Σκάλας τοῦ Μιλάνου.

Τὸ ἐνταῦθα 'Αμερικανικὸν Προξενεῖον ἀπέφυγεν ἐπιμελῶς νὰ προβῇ εἰς σχόλια ἐπὶ τῆς Διαθήκης τοῦ ἐκλιπόντος, ἡ ὁποία εὑρίσκεται εἰς χεῖρας 'Αμερικανοῦ συμβολαιογράφου.

Ἡ ἐφημερὶς «Κήρυξ - Βῆμα» εἰς ἄρθρον της ἀφιερωμένον εἰς τὸν ἀποθανόντα Μέγαν Καλλιτέχνην, γράφει:

«Ὁ Μητρόπουλος δὲν ἀνῆκεν εἰς τὸ εἶδος ἐκεῖνο τῶν διευθυντῶν ὀρχήστρας ποὺ περιορίζονται εἰς τὰ στενὰ ὅρια τοῦ καθιερωμένου ρεπερτορίου. Ὁ Μητρόπουλος ἠρέσκετο νὰ ἐρευνᾷ τὴν μουσικὴν καὶ νὰ φθάνῃ εἰς τὰ ἀκροτατα ὅρια αὐτῆς».

Περαιτέρω, ὁ ἀρθρογράφος γράφει ὅτι οἱ σύγχρονοι μουσικοσυνθέται, περιλαμβανομένων τῶν 'Αμερικανῶν, ἐγνώριζον ὅτι ὁ Μητρόπουλος ἦτο μεγάλη ἀξία καὶ ὅτι ἠδύναντο νὰ βασίζωνται ἐπ' αὐτοῦ εἰς ὅ,τι ἀφορᾷ τὴν ἀπόδοσιν τῶν συνθέσεών των.

Τὸ πιθανώτερον εἶναι ὅτι ἡ μεταφορά της θὰ γίνῃ μεταξὺ 5ης καὶ 7ης ἀπογευματινῆς.

Η ΚΗΔΕΙΑ ΤΗΝ ΚΥΡΙΑΚΗΝ

Ἡ σορὸς μεταφερομένη ἐνταῦθα θὰ ἐκτεθῇ δι' ὅλης τῆς ἡμέρας τοῦ Σαββάτου εἰς λαϊκὸν προσκύνημα, εἰς τὴν Μητρόπολιν, ἡ δὲ κηδεία τοῦ ἐκλιπόντος θὰ γίνῃ δημοσίᾳ δαπάνῃ, τὴν Κυριακήν. ΘΑ ΚΑΗ ΕΙΣ ΤΟ ΜΙΛΑΝΟΝ;

ΜΙΛΑΝΟΝ, 4 Νοεμβρίου. Τοῦ ἀπεσταλμένου μας.— Ἡ σορὸς τοῦ ἐκλιπόντος διασήμου "Ελληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου θὰ μεταφερθῇ αὔριο τὸ πρωῒ ἀπὸ τὸ νεκροτομεῖο στὴ «Σκάλα τοῦ Μιλάνου» ἀπὸ ὅπου θὰ γίνῃ πιθανῶς ἡ νεκρώσιμος πομπὴ μέχρι τοῦ Δημοτικοῦ νεκροταφείου τῆς πόλεως. Ἐν συνεχείᾳ ἡ σορὸς θὰ μεταφερθῇ εἰς τὸ Λουγκάνο ὅπου θὰ γίνῃ ἡ καῦσις τοῦ νεκροῦ. Ἡ τύχη τῆς τέφρας του ἀγνοεῖται. Τὴν διαθήκην τοῦ ἐκλιπόντος ἔχει εἰς χεῖρας του ὁ δικηγόρος του εἰς Νέαν 'Υόρκην. Ἡ γραμματεύς τοῦ Μητρόπουλου κ. Τρούντυ Γκόθ, μοῦ ἐδήλωσεν ὅτι οὐδεὶς ἐνδιεφέρθη μέχρι στιγμῆς ἀπὸ ἑλληνικῆς πλευρᾶς διὰ τὸν Μητρόπουλον, οὔτε ὁ πρόξενος, οὔτε ἡ Λυρικὴ Σκηνή. «Εἴσθε ὁ πρῶτος "Ελλην ποὺ μέ ἐρωτᾶ διὰ τὸν νεκρόν» μοῦ εἶπε. Ἐν τῷ μεταξύ, κατὰ τὸ χθεσινὸ κονσέρτο ὑπὸ τὴν διεύθυνσιν τοῦ Φὸν Καραγιάν, κατὰ τὸ ὁποῖον ἐπαίχθη μὲ τὴν συμφωνικὴν τοῦ Βερολίνου ἡ «Μανὸν Λεσκὼ» τοῦ Πουτσίνι τὴν ὁποίαν ἰδιαιτέρως ἀγαποῦσε ὁ Μητρόπουλος, ἐτηρήθη ἑνὸς λεπτοῦ σιγὴ εἰς μνήμην τοῦ μεγάλου νεκροῦ.

Εἰς τὸ Μιλᾶνον, οἱ μουσικοὶ τῆς ὀρχήστρας τὴν ὁποίαν διηύθυνεν ὁ Μητρόπουλος, κατὰ τὴν στιγμὴν τοῦ θανάτου του, ἠγρύπνησαν ὁλόκληρον τὴν παρελθοῦσαν νύκτα, πλησίον τῆς σοροῦ του, εἰς ὁμάδας ἀνὰ πέντε.

Ι. ΒΑΝΔΩΡΟΣ

ΠΟΙΑ Η ΕΠΙΘΥΜΙΑ ΤΟΥ;

Τηλεγράφημα τοῦ 'Ασσοσιέιτεντ Πρὲς ἐκ Μιλάνου ἀναφέρει ὅτι ἡ κ. Τρούντυ Γκόθ, ἐδήλωσε χθὲς ὅτι ὁ ἀποθανὼν ἀρχιμουσικὸς ἔχει διατυπώσει κατὰ πᾶσαν πιθανότητα εἰς τὴν διαθήκην του τὴν ἐπιθυμίαν ὅπως ἡ σορός του ἀποτεφρωθῇ. Ἡ κ. Γκόθ ἀπεκάλυψεν ἐπίσης ὅτι «ἐξ ὅσων δύναται νὰ γνωρίζῃ», ὁ Μητρόπουλος ἐπεθύμει νὰ ταφῇ εἰς 'Ηνωμένας Πολιτείας. Ἡ κ. Γκόθ ἀναφερομένη εἰς τὸ θέμα τῆς κηδείας, εἶπεν ὅτι «αὔτη θὰ γίνῃ ἐνταῦθα». Πάντως, τὸ ἀμερικανικὸν προξενεῖον τοῦ Μιλάνου ἀπέφυγε νὰ προβῇ εἰς οἱονδήποτε σχόλιον σχετικῶς μὲ τὴν διαθήκην τοῦ Μητροπούλου, ἡ ὁποία, ὡς ἀνεφέρθη, εὑρίσκεται εἰς χεῖρας 'Αμερικανοῦ συμβολαιογράφου.

ΔΕΝ ΗΤΟ ΓΡΑΜΜΑΤΕΥΣ ΤΟΥ;

Ἐν τῷ μεταξύ, παρείχετο ἐκ μέρους φίλων τοῦ ἐκλιπόντος μαέστρου ἡ διευκρίνισις ὅτι ἡ αὐτοκαλουμένη γραμματεύς τοῦ Δημ. Μητρόπουλου, Ἑβραία ἐκ Φλωρεντίας, Τρούντυ Γκόθ, οὐδέποτε ὑπῆρξε γραμματεύς του, ἀλλὰ ἁπλῶς ἔνθερμη θαυμάστριά του, ἡ ὁποία τὸν ἠκολούθει εἰς τὰς ἀνὰ τὸν κόσμον περιοδείας του, δι' ἰδίων ἐξόδων.

ΕΚΔΗΛΩΣΕΙΣ ΠΕΝΘΟΥΣ

Ἐν τῷ μεταξὺ συνεχίζονται εἰς ὁλόκληρον τὸν κόσμον αἱ ἐκδηλώσεις πένθους διὰ τὸν θάνατον τοῦ μεγάλου "Ελληνος καλλιτέχνου. Συγκεκριμένως ἡ 'Οργανωτικὴ Ἐπιτροπὴ τοῦ Φεστιβὰλ τοῦ Σάλτσμπουργκ, εἰς τὸ ὁποῖον οὗτος συμμετεῖχε τακτικῶς ἀπὸ τοῦ 1954, «ἐξέφρασε τὴν βαθεῖαν λύπην της διὰ τὴν ἀπώλειαν ἑνὸς ἐκ τῶν μεγαλυτέρων συγχρόνων μουσικῶν». Ὑπενθυμίζεται ὅτι εἰς τὴν αὐστριακὴν αὐτὴν πόλιν θεωρεῖται ὡς ἀλησμόνητος ὁ τρόπος μὲ τὸν ὁποῖον ὁ Δημήτρης Μητρόπουλος διηύθυνε τὸ περίφημον «Ρέκβιεμ» τοῦ "Εκτορος Μπερλιόζ τὸ ἔτος 1956, τὰ ἔργα τοῦ Φράντς Σμὶτ τὸ 1959 καὶ ἐφέτος τὴν 8ην Συμφωνίαν τοῦ Γκούσταβ Μάλερ.

Εἰς ἄρθρον, ἐξ ἄλλου, τῆς ἐφημερίδος «Κήρυξ - Βῆμα» τῆς Νέας 'Υόρκης σχετικὸν μὲ τὸν ἐκλιπόντα "Ελληνα μαέστρον, ἀναφέρεται ὅτι διὰ τὸν Μητρόπουλον «ζωὴ ἐσήμαινε μουσικὴ καὶ τίποτε ἄλλο». Ἡ ἐφημερὶς προσθέτει: «Τοῦ ἤρεσε νὰ μὴ παραμένῃ εἰς τὰ στενὰ καθιερωμένα ρεπερτόρια, ἀλλὰ νὰ ἐρευνᾷ τὴν μουσικὴν καὶ νὰ διευρύνῃ τὰ ὅριά της. "Ολοι οἱ σύγχρονοι συνθέται τὸν ἐθεώρουν φίλον των καὶ ἐβασίζοντο ἐπ' αὐτοῦ εἰς ὅ,τι ἀφεώρα τὴν ἑρμηνείαν τῶν ἔργων των. Ἡ ἀδύνατη, λίγο ὡσὰν ἀσκητοῦ, μορφὴ του, καταλήγει ἡ ἐφημερίς, θὰ παραμείνῃ ὁπωσδήποτε ἐπὶ μακρὸν χρονικὸν διάστημα εἰς τὴν μνήμην τῶν φίλων καὶ θαυμαστῶν του».

Ἡ ἐφημερὶς «Νταίηλυ Μαίηλ» τοῦ Λονδίνου ἀναφέρει ὅτι μία ἀπὸ τὰς ἀρετὰς τοῦ Δημήτρη Μητρόπουλου ἦτο ἡ ἀναμφισβήτητη προσπάθεια ποὺ κατέβαλε πάντοτε ὅπως τὸ ἀκροατήριόν του ἐννοῇ πλήρως τὴν μουσικὴν ποὺ ἠρμήνευε. Ἡ προσπάθειά του αὐτή, τονίζει, ἔφθανεν εἰς τόσον μεγάλον βαθμόν, ὥστε κάποτε, διὰ νὰ ἀκολουθήσῃ περισσότερον τὸ «κλῖμα» τῆς συνθέσεως «ἡ Ἱστορία ἑνὸς Σπρατιώτου» τοῦ 'Ιγκόρ Στραβίνσκυ, τὴν ὁποίαν θὰ ἐξετέλει, ἐνεφανίσθη εἰς τὸ πόντιουμ φέρων πολεμικὴν ἀμερικανικὴν στρατιωτικὴν στολήν!

Μία ἄλλη βρεταννικὴ ἐφημερίς, ἡ «Νταίηλυ Τέλεγκραφ» ὑπενθυμίζει εἰς σχετικὸν ἄρθρον της τὰς ἐμφανίσεις τοῦ "Ελληνος ἀρχιμουσικοῦ εἰς τὸ πλαίσιον τοῦ Φεστιβὰλ τοῦ Ἐδιμβούργου κατὰ τὸ 1950 καὶ 1956, ὅταν ἠρμήνευσε μὲ δυναμισμὸν καὶ ἔντασιν τὴν 4ην Συμφωνίαν τοῦ Βρετανικοῦ συνθέτου Βὼν Οὐίλλιαμς.

Ἐξ ἄλλου, αἱ ἐφημερίδες τοῦ Λονδίνου «Τάϊμς» καὶ «Γκάρντιαν» ἀφιερώνουν μακρὰς νεκρολογίας εἰς τὸν Δημήτρην Μητρόπουλον, ἐξαίρουσαι τὴν μουσικὴν ἰδιοφυΐαν του, παραθέτουσαι καὶ φωτογραφίας του. Ἐπίσης, ὁ ραδιοφωνικὸς σταθμὸς τοῦ Μπὶ - Μπὶ - Σί μετέδωσεν εἰς ἅπαντα τὰ δελτία εἰδήσεών του τὴν ἀγγελίαν τοῦ θανάτου τοῦ μεγάλου "Ελληνος μουσικοῦ.

Κατὰ τηλεγραφήματα ἐκ Νέας 'Υόρκης, αἱ χθεσιναὶ πρωϊναὶ ἐφημερίδες τῆς πόλεως δημοσιεύουν ἐν ἐκτάσει εἰς τὰς πρώτας των σελίδας τὴν εἴδησιν τοῦ θανάτου καὶ βιογραφικὰ σημειώματα, καθὼς καὶ φωτογραφίας τοῦ Δημήτρη Μητροπούλου.

ΨΗΦΙΣΜΑ ΤΩΝ ΚΑΛΛΙΤΕΧΝΙΚΩΝ ΟΡΓΑΝΩΣΕΩΝ

ΑΘΗΝΑΙ, 3.— Βαθυτάτην συγκίνησιν προεκάλεσεν εἰς τοὺς καλλιτεχνικοὺς κύκλους τῶν Ἀθηνῶν, ὁ θάνατος τοῦ διασήμου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου. Ἐν τῷ μεταξύ, ὑπὸ τοῦ ὑπουργοῦ προεδρίας τῆς κυβερνήσεως, ἐδόθησαν ὁδηγίαι εἰς Ἰταλίαν, ὅπου ἀπεβίωσεν ὁ Μητρόπουλος, ὅπως ἡ σορὸς αὐτοῦ ταριχευθῇ ἐν ὄψει τῆς διακομιδῆς της εἰς Ἀθήνας. Ἡ διακομιδὴ θὰ πραγματοποιηθῇ αὔριον (σήμερον) μὲ ἀεροσκάφος τῆς βασιλικῆς ἀεροπορίας.

Ὁ ὑπουργὸς παιδείας κ. Βογιατζῆς πληροφορηθεὶς τὸν θάνατον τοῦ διασήμου μαέστρου, ἐδήλωσε τὰ ἑξῆς:

—Ὁ ἐξόκτητος θάνατος τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημ. Μητροπούλου, ἀποτελεῖ πλῆγμα διὰ τὸν καλλιτεχνικὸν κόσμον καὶ ἐθνικὴν ἀπώλειαν μεγίστην. Ἡ ἑλληνικὴ κυβέρνησις, τιμῶσα τὸ ἔργον τοῦ ἀνδρός, ἀπεφάσισε νὰ μεταφερθῇ ἡ σορός του εἰς Ἀθήνας καὶ νὰ ἀποδοθοῦν αἱ δέουσαι τιμαί, ἐκτὸς ἐὰν ἄλλως ὑπὸ τοῦ ἀποθανόντος ἔχει ὁρισθῇ διὰ διαθήκης.

Ἐγνώσθη ὅτι ἡ σορὸς τοῦ μεγάλου Ἕλληνος καλλιτέχνου θὰ ἐκτεθῇ εἰς λαϊκὸν προσκύνημα εἰς τὸν ναὸν τῆς μητροπόλεως, ἡ κηδεία δὲ θὰ γίνῃ δημοσίᾳ δαπάνῃ. Ὁ Δημήτρης Μητρόπουλος οὐδένα συγγενῆ κατέλιπε.

Ὁ διάσημος Ἕλλην ἀρχιμουσικὸς Δημήτρης Μητρόπουλος, ὁ ὁποῖος ἀπεβίωσεν εἰς Μιλάνον.

ΤΑ ΕΚΔΟΘΕΝΤΑ ΨΗΦΙΣΜΑΤΑ

Ὀλίγον μετὰ τὴν ἀναγγελίαν τοῦ θανάτου τοῦ Δημήτρη Μητροπούλου συνεκλήθη ἐκτάκτως τὸ συμβούλιον τοῦ ὠδείου Ἀθηνῶν καὶ ἔλαβεν ὡς πρώτην ἀπόφασιν τὴν διακοπὴν τῶν μαθημάτων τοῦ ὠδείου μέχρι τῆς ταφῆς τοῦ νεκροῦ τοῦ διασήμου μαέστρου. Ἐξ ἄλλου ἡ διεύθυνσις καὶ τὸ προσωπικὸν τοῦ ὠδείου Ἀθηνῶν ἐξέδωσαν τὸ κατωτέρω ψήφισμα:

«Ὁ Δημήτρης Μητρόπουλος ἔπαυσε νὰ ζῇ. Μία κολοσσιαία μουσικὴ φυσιογνωμία τοῦ αἰῶνος μας, μία ἀπὸ τὶς μοναδικὲς περιπτώσεις τοῦ ἀνθρωπίνου πνεύματος στὸν τομέα τῆς τέχνης, ἔφυγε τὴ στιγμὴ ποὺ προετοίμαζε μιὰ νέα του μεγάλη καλλιτεχνικὴ προσφορά. Ἡ διεύθυνσις καὶ τὸ προσωπικὸν τοῦ ὠδείου Ἀθηνῶν, ὅπου ἐπὶ πολλὰ χρόνια ἐδίδαξε σὰν καθηγητὴς καὶ διηύθυνε τὴν συμφωνικὴ ὀρχήστρα του, μὲ βαθυτάτη ὀδύνη συνήλθαν γιὰ νὰ ἀποφασίσουν τὸν τρόπον τῆς συμμετοχῆς τους στὸ βαρύτατο αὐτὸ πένθος».

Ἡ Λυρικὴ Σκηνὴ ἐπίσης ἐξέδωσε τὸ κατωτέρω ψήφισμα:

«Τὸ διοικητικὸν συμβούλιον τῆς Ἐθνικῆς Λυρικῆς Σκηνῆς συνελθὸν ἐκτάκτως σήμερον τὴν 2 Νοεμβρίου ἐπὶ τῷ θλιβερῷ ἀγγέλματι τοῦ θανάτου τοῦ μεγίστου τῶν μουσικῶν τοῦ αἰῶνος Δημήτρη Μητροπούλου, ἐπισυμβάντος ἐν Μιλάνῳ, ἀπεφάσισεν ὅπως ἡ Ἐθνικὴ Λυρικὴ Σκηνὴ μετάσχῃ τοῦ πανελληνίου καὶ παγκοσμίου πένθους· ἐπεφυλάχθη δὲ νὰ καθορίσῃ τὸν τρόπον τῆς συμμετοχῆς εἰς τὸ πένθος ἀφ' ἧς καθορισθῇ ἂν ἡ σορὸς τοῦ ἐκλιπόντος μεγάλου τέκνου τῆς Ἑλλάδος θὰ διακομισθῇ ἐνταῦθα πρὸς ἐνταφιασμόν».

Τέλος, ἡ κρατικὴ ὀρχήστρα Ἀθηνῶν ἐξέδωκε τὸ ἀκόλουθον ψήφισμα:

«Ἡ κρατικὴ ὀρχήστρα Ἀθηνῶν αἰσθάνεται τὴν ἀνάγκην νὰ ἐκφράσῃ δημοσίᾳ τὴν μεγάλην θλῖψιν τῶν μελῶν τοῦ καλλιτεχνικοῦ καὶ διοικητικοῦ προσωπικοῦ αὐτῆς διὰ τὸν πρόωρον θάνατον τοῦ διατελέσαντος εἰς τὸ παρελθὸν μεγάλου συνεργάτου της, τοῦ ὁποίου ἡ λαμπρὰ σταδιοδρομία εἰς τὸ διεθνὲς μουσικὸν προσκήνιον περιποιεῖ τιμὴν καὶ δόξαν εἰς ὁλόκληρον τὴν χώραν. Τὸ κενὸν τοῦ ἀδοκήτου θανάτου τοῦ μεγάλου αὐτοῦ Ἕλληνος ἀρχιμουσικοῦ εἶναι δυσαναπλήρωτον καὶ ἡ παροῦσα ἔκφρασις ὀδύνης τῶν παλαιῶν συνεργατῶν καὶ φίλων του ἂς προστεθῇ εἰς τὰς ἑκατοντάδας παρομοίων ἐκδηλώσεων τοῦ διεθνοῦς μουσικοῦ κόσμου».

ΗΡΕΥΝΑ ΤΗΝ ΜΟΥΣΙΚΗΝ

Ν. ΥΟΡΚΗ, 3. (Ἀσσ. Πρές). — Ἡ ἐφημερὶς «Κήρυξ Βῆμα» τῆς Νέας Ὑόρκης εἰς σημερινὸν ἄρθρον της ἀφιερωμένον εἰς τὸν ἀποθανόντα διάσημον διευθυντὴν ὀρχήστρας Δημήτριον Μητρόπουλον, πλέκει τὸ ἐγκώμιον αὐτοῦ. Ἡ ἐφημερὶς γράφει σχετικῶς: «Ὁ Μητρόπουλος δὲν ἀνῆκεν εἰς τὸ εἶδος ἐκείνο τῶν διευθυντῶν ὀρχήστρας, ποὺ περιορίζονται εἰς τὰ στενὰ ὅρια τοῦ καθιερωμένου ρεπερτορίου. Ὁ Μητρόπουλος ἠρέσκετο νὰ ἐρευνᾷ τὴν μουσικὴν καὶ νὰ φθάνῃ εἰς τὰ ἄκρότατα ὅρια αὐτῆς».

Περαιτέρω ὁ ἀρθρογράφος γράφει ὅτι οἱ σύγχρονοι μουσικοσυνθέται, περιλαμβανομένων τῶν Ἀμερικανῶν, ἐγνώριζον ὅτι ὁ Μητρόπουλος ἦτο μεγάλη ἀξία καὶ ὅτι ἠδύναντο νὰ βασίζωνται ἐπ' αὐτοῦ εἰς ὅ,τι ἀφορᾷ τὴν ἀπόδοσιν τῶν συνθέσεών των.

ΚΑΘΟΔΗΓΗΤΗΣ ΤΩΝ ΣΥΝΘΕΤΩΝ

ΝΕΑ ΥΟΡΚΗ, 3. (Ἀσσ. Πρές). — Ἡ ἐφημερὶς «Νιοὺ Γιόρκ Χέραλντ Τριμπιούν» σχολιάζουσα τὸν εἰς Ἰταλίαν ἐπισυμβάντα θάνατον τοῦ Ἕλληνος ἀρχιμουσικοῦ Δημητρίου Μητροπούλου τονίζει ὅτι «ζωὴ ἐσήμαινε δι' αὐτὸν μουσικὴ καὶ οὐδὲν ἕτερον». Εἰς ἄρθρον της ἡ ἐφημερὶς τονίζει: «Οὗτος ἠρέσκετο νὰ ἐρευνᾷ τὴν μουσικὴν νὰ ἐπεκτείνῃ τὰ ὅριά της καὶ νὰ συγχρονίζῃ τοὺς συνθέτας, οἱ ὁποῖοι ἀνεγνώριζον εἰς τὸ πρόσωπόν του τὸν καθοδηγητήν. Εἶνε χαρακτηριστικὸν ὅτι οὗτος ἐπρόκειτο νὰ κάμῃ δοκιμὴν μιᾶς ἐκ τῶν ὀλιγώτερον γνωστῶν συμφωνιῶν τοῦ Μάλερ ὅτε ἐδέχθη τὸ μοιραῖον πλῆγμα εἰς Ἰταλίαν. Ἡ εἰκὼν τῆς λεπτῆς ἀσκητικῆς φυσιογνωμίας του ἐπὶ τοῦ βάθρου εἶνε μία ἐξ ἐκείνων, ἡ ὁποία θὰ μένῃ ἐπὶ πολὺ εἰς τὴν μνήμην πολλῶν».

Κατὰ τὴν διάρκειαν τῆς χθεσινῆς παραστάσεως τοῦ «Μπόρις Γκουντούνωφ» εἰς τὴν «Μετροπόλιταν Ὄπερα», ὁ γενικὸς διευθυντὴς αὐτῆς ὡμίλησε πρὸς τοὺς ἀκροατὰς καὶ ἡ ὀρχήστρα ἔπαιξεν εἰς μνήμην τοῦ Μητροπούλου τὸν «Ὀρφέα» τοῦ Γκλούκ, χωρὶς νὰ χρησιμοποιήσῃ μαέστρον ὀρχήστρας.

Ο ΜΕΓΑΛΟΣ ΕΛΛΗΝ ΑΡΧΙΜΟΥΣΙΚΟΣ ΠΟΥ ΜΑΣ ΕΦΥΓΕ

ΒΑΘΥΤΑΤΗ ΕΞΑΚΟΛΟΥΘΕΙ ΕΙΣ ΟΛΟΝ ΤΟΝ ΚΟΣΜΟΝ Η ΣΥΓΚΙΝΗΣΙΣ ΔΙΑ ΤΟΝ ΘΑΝΑΤΟΝ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Ἡ σορὸς μεταφέρεται σήμερον ἐνταῦθα

Σ' ὅλον τὸν κόσμον ἐξακολουθεῖ ἡ συγκίνησις ἀπὸ τὸν αἰφνίδιο θάνατο τοῦ Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου κατὰ τὴν ὥρα ποὺ διηύθυνε τὴν ὀρχήστρα τῆς Σκάλας τοῦ Μιλάνου, γιὰ τὴν συναυλία τῆς Δευτέρας.

Ὅλες οἱ ἐφημερίδες ἐξακολουθοῦν νἀφιερώνουν σχόλια ὑπογεγραμμένα ἀπὸ τοὺς διαπρεπεστέρους κριτικούς καὶ παντοῦ ἐγκωμιάζεται ἡ προσωπικότης του καὶ τὸ βαρὺ πλῆγμα ποὺ ὑφίσταται μὲ τὸν θάνατόν ἡ μουσικὴ τέχνη.

Τηλεγράφημα ἀπὸ τὸ Σάλτσμπουργκ, ἀναφέρει χαρακτηριστικὼς τὰ ἀκόλουθα:

«Κατόπιν τοῦ θανάτου τοῦ διεθνοῦς φήμης Ἕλληνος διευθυντοῦ ὀρχήστρας Δημήτρη Μητρόπουλου, ἡ ὀργανωτικὴ ἐπιτροπὴ τοῦ φεστιβὰλ τοῦ Σάλτσμπουργκ, καλλιτεχνικῆς ἐκδηλώσεως εἰς τὴν ὁποίαν ὁ διάσημος μουσικὸς συμμετεῖχε τακτικῶς ἀπὸ τοῦ 1954, ἐξέφρασε «τὴν βαθεῖαν λύπην της διὰ τὴν ἀπώλειαν ἑνὸς ἐκ τῶν μεγαλυτέρων συγχρόνων μουσικῶν». Εἰς Σάλτσμπουργκ θεωρεῖται ὡς «ἁλησμόνητος» ὁ τρόπος μὲ τὸν ὁποῖον ὁ Μητρόπουλος διηύθυνε τὸ «Ρέκβιεμ» τοῦ Μπερλιὸζ τὸ 1956, τὰ ἔργα τοῦ Φράντς Σμὶτ τὸ 1959, καὶ ἐφέτος τὴν 8ην συμφωνίαν τοῦ Μάλερ».

ΕΙΣ ΤΗΝ ΕΛΛΑΔΑ

Βαθυτάτη ἐπίσης εἶναι ἡ ἐπικράτησα συγκίνησις εἰς τὰς Ἀθήνας καὶ εἰς ὅλην τὴν Ἑλλάδα ἀπὸ τῆς στιγμῆς ποὺ ἀνηγγέλθη ὁ αἰφνίδιος θάνατος τοῦ Μητροπούλου. Τὰ πνευματικὰ σωματεῖα τὸ ἕνα μετὰ τὸ ἄλλο ἐκδίδουν ψηφίσματα καὶ ἀνακοινώσεις καὶ ἐκφράζουν τὴν κοινὴν θλῖψιν. Μεταξὺ τῶν πρώτων καὶ ἡ «Ἕνωσις τῶν Ἑλλήνων Μουσουργῶν».

Ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν, λέγει ἡ σχετικὴ ἀνακοίνωσίς της, μὲ βαθύτατη ὀδύνη δέχτηκε τὸ θλιβερὸ ἄγγελμα τοῦ πρώρου καὶ ἡρωϊκοῦ θανάτου τοῦ Δημήτρη Μητροπούλου. Ἡ ἀπώλεια τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ δημιουργεῖ ἕνα ἀνυπολόγιστο κενὸ τόσο στὸν ἑλληνικὸ πνευματικὸ χῶρο ὅσο καὶ στὸ διεθνὲς μουσικὸ στερέωμα. Οἱ μεγαλοφυεῖς ἑρμηνεῖες του, κλασικῶν καὶ νεωτέρων ἔργων, ὑπῆρξαν ἐπιτεύγματα ὑψίστης καὶ μοναδικῆς τέχνης, μεστὲς ἀπὸ πάθος, σαφήνεια, λαμπρότητα καὶ τεχνικὴν ἀρτιότητα. «Ἡ Ἕνωσις Ἑλλήνων Μουσουργῶν, ποὺ εἶχε τὸ προνόμιο νὰ συγκαταλέγῃ τὸν Δημήτρη Μητρόπουλο μεταξὺ τῶν ἱδρυτικῶν της μελῶν, θὰ κρατήσῃ πάντα στὴ μνήμη της μὲ εἰλικρινῆ εὐγνωμοσύνη καὶ θαυμασμὸ ὄχι μόνο τὸν μεγαλοφυῆ ἀναδημιουργὸ τῶν ἔργων τῶν Ἑλλήνων συνθετῶν, ἀλλὰ καὶ τὸν ἐμπνευσμένο καὶ βαθυστόχαστο δημιουργό.

Ὁ Μητρόπουλος μὲ τὸν θάνατό του περνάει δικαιωματικὰ στὸ πάνθεον τῶν μεγάλων μουσικῶν μορφῶν ὅλων τῶν ἐποχῶν».

Παραλλήλως τὸ Ἐθνικὸν Ἵδρυμα Ραδιοφωνίας συμμετέχει ἀπὸ τῆς προχθὲς ποικιλοτρόπως, στὸ γενικὸν πένθος.

Ἀπόψε εἰς τὰς 9.15 θὰ μεταδοθῇ ἀπὸ τοῦ ἐθνικοῦ προγράμματος ἠχογράφησις ἀπὸ τὴν παράστασιν τῆς Μετροπόλιταν Ὄπερα τῆς Νέας Ὑόρκης τῆς πρώτη πράξεως τῆς Ὄπερας τοῦ Βέρντι «Σιμὼν Μπόκκανέγκρα» ὑπὸ τὴν διεύθυνσιν Δημήτρη Μητρόπουλου καὶ τὴν ἡμέραν τῆς κηδείας του τὸ τρίτον πρόγραμμα θὰ μεταδίδῃ ἀποκλειστικῶς ἔργα τὰ ὁποῖα διηύθυνεν ὁ Μητρόπουλος.

Η ΜΕΤΑΦΟΡΑ ΤΗΣ ΣΟΡΟΥ

Ἡ σορὸς τοῦ Μητροπούλου θὰ μεταφερθῇ ἐντὸς τῆς ἡμέρας διὰ τοῦ ἀεροσκάφους τὸ ὁποῖον ἐστάλη χθὲς ἐντεῦθεν στὸ Μιλάνον. Τὴν σορὸν θὰ παραλάβῃ ὁ ἀναχωρήσας εἰς Μιλάνον διὰ τοῦ ἀεροσκάφους διευθυντὴς Γραμμάτων καὶ Τεχνῶν κ. Κορνούτος.

ΠΝΕΥΜΑΤΙΚΑ ΠΕΝΘΗ

ΕΠΙΤΑΦΙΟΝ (ΕΙΣ ΔΗΜΗΤΡΗΝ ΜΗΤΡΟΠΟΥΛΟΝ)

ΤΟΥ κ. ΜΑΝΟΛΗ ΘΡ. ΡΟΥΝΗ

Θὰ τὸν κρατήσωμεν ἱερὰν καὶ προσφιλῆ μνήμην—ἀπληκτικὸν μάγον τῶν ἤχων, ἀνυπέρβλητον ἀναδημιουργὸν μουσικῶν κειμένων καὶ ποιητὴν ὑψηλῆς δυνάμεως καὶ θρησκευτικῆς ἀσκήσεως.

Οἱ Ἕλληνες τῆς νεωτέρας γενεᾶς εἴχομεν τὴν εὐλογημένην προνομίαν νὰ τὸν ἀντικρύσωμεν τὸ φθινόπωρον τοῦ 1955 καὶ τὸ θέρος τοῦ 1958 καὶ νὰ βαπτισθῶμεν εἰς τὴν μαγικὴν καὶ φλογερὰν ἀκτινοβολίαν τῆς ἀνεπαναλήπτου ἑρμηνείας του.

Ἦτο ἕνας ὡραῖος, βαθύ, καὶ ἀρητόρευτος ἀσκητής, ποὺ εἰς τὸ γλυκύ, ὑπερήφανον μέτωπόν του ἔλαμπε τὸ πλούσιον πνεῦμα του καὶ ἐδηλοῦτο, κατ' ἔκτυπον προβολήν, ἡ ἐναρμόνιος ὡραιότης τοῦ ψυχικοῦ βώλου.

Ὁ Δημήτρης Μητρόπουλος ὑπῆρξεν ἰδιοσυγκρασία καὶ πάθος ἀσκητοῦ. Καὶ δὲν εἶναι συμπτωματικὸν γεγονὸς ὅτι καὶ κατὰ τὴν προσωπικήν του ζωὴν καὶ κατὰ τὴν οἰκογενειακήν του προέλευσιν ὁ Δημήτρης Μητρόπουλος συνεδέετο στενώτατα πρὸς τὴν μορφήν, τὴν παράδοσιν καὶ τὸ μυστικὸν σῶμα τῆς Χριστιανικῆς Ὀρθοδοξίας. Καὶ ἐὰν εἰς τὴν ὁριστικὴν ἠθικὴν ἐκλογήν του ἐπέλεξε τὸ ἀναλόγιον τοῦ ἀρχιμουσικοῦ εἶναι ἐπίσης ἀκριβές ὅτι ἐπὶ μακρὸν ἐτυλαντεύθη ἐνώπιον τοῦ Ἱεροῦ βήματος καὶ ἐξεδήλωσε ζωηρὰν τὴν διάθεσιν νὰ προσέλθῃ μοναχὸς εἰς τὸν ἁγιορειτικὸν ἀσκητισμὸν τῆς ὀρθοδοξίας. Εἰς τὰ βάθη τῆς καρδίας του ὁ Ἄθως, ὑψηλὸν καὶ πολύαθλον σύμβολον πνευματικῆς ἀσκήσεως καὶ ἠθικῆς περισυλλογῆς, διεμήνυσε τὴν ἱερὰν καὶ πολυδύναμον πρόσκλησιν.

Εἰς τὰς οἰκογενειακὰς ρίζας του ἡ Χριστιανικὴ Ὀρθοδοξία καὶ εἰς τὴν ἱερατικὴν τάξιν της, ὑψοῦτο ἐπὶ μακρὰν σειρὰν ἐτῶν ὡς στίβος πνευματικῆς καὶ ἐγκοσμίου ἀθλήσεως. Ἀπὸ τὰς σελίδας τῆς προσφάτου ἐκκλησιαστικῆς ἱστορίας ἀναλάμπει σεμνὸν ἀνάστημα ὀρθοδόξου φρονήματος καὶ φλογερὸς κήρυξ χριστιανικοῦ λόγου ὁ Ἱεράρχης Μητροπολίτης Ἰατρῶν.

Αὐτὸν τὸν ἱερὸν στίβον ἐπεπόθησεν ἐκ βαθέων ὁ Δημήτρης Μητρόπουλος. Εἰς τὴν πολυάνθρωπον Νέαν Ὑόρκην ἕνας μέγας Ἐσταυρωμένος βυζαντινῆς τέχνης ἀπετέλει τὸν μόνον διάκοσμον τοῦ λιτοῦ σπουδαστηρίου καὶ τὸ ὕστατον καταφύγιον τοῦ Δημήτρη Μητροπούλου εἰς τὰς μυστικὰς ὥρας τῶν πνευματικῶν ἀνασυνιάξεων.

Διότι ὁ Δημήτρης Μητρόπουλος ὑπῆρξε κατ' ἐξοχὴν πνευματικὸς ἄνθρωπος καὶ θρησκευτικὴ ὕπαρξις. Εἰς τὴν ἔκτασιν τοῦ ἐγκοσμίου καὶ τοῦ πνευματικοῦ βίου του ὁ Δημήτρης Μητρόπουλος, ἤγγισεν, μετὰ βαθείας βιώσεως, ὅρια καὶ μέτρα πνευματικοῦ ἀθλήματος καὶ θρησκευτικοῦ δραματισμοῦ.

Εἰς τὴν πολυάνθρωπον Νέαν Ὑόρκην ὁ Δημήτρης Μητρόπουλος ἐβίωσεν ὡς ἀσκητὴς τῆς ἐρήμου πισιεύων, ὅπως καὶ οἱ μυστικοὶ τῆς ἐρήμου, ὅτι ἡ μουσικὴ εἶναι «ἡ ἔκφρασις τοῦ δράματος τοῦ ἀνθρώπου τῆς πιώσεως ἡ ἔκφρασις τῆς ἀγωνίας του, τῆς ἀβεβαιότητός του, τῆς τιτανικῆς πάλης του μεταξὺ γνώσεως καὶ ἀγνωσίας, τῶν ἀνατάσεων καὶ τῶν πτώσεών του, ἐν ἑνὶ λόγῳ ὁλοκλήρου τῆς δραματικῆς κλίμακος, ποὺ ἐπάνω της κινεῖται εἰς ἐντελῶς παραδόξους ρυθμοὺς ἡ

Ὁ Δημήτρης Μητρόπουλος ὁ ἐκπληκτικὸς μάγος τῶν ἤχων καὶ ὁ ἀνυπέρβλητος ποιητὴς τῆ ἁρμονίας κατέκτησε ἤδη τὴν ὁριστικὴν ὑπέρβασιν τῆς ἐγκοσμίου τάξεως. Ἔπεσεν, δεχθεὶς τὴν διάκρισιν τῆς θείας εὐνοίας, ἐπὶ τοῦ ἀναλογίου καὶ ὁ θάνατός του ἐνθυμίζει τοὺς μυστικοὺς τῆς ἐρήμου τοὺς θησκεύτας, κατὰ τὴν ἐν προσευχῇ συνομιλίαν των μετὰ τοῦ Κυρίου.

Πέραν τοῦ πικροῦ ὀρσήμου τοῦ θανάτου θὰ κρατήσωμεν ἄσβυστον τὴν μνήμην τοῦ Δημήτρη Μητροπούλου.

Τὸ χέρι του—ἡ κίνησις, τὸ πλούσιον χρῶμα, ὁ βαθὺς παλμός, τὸ θρησκευτικὸν ρίγος, τὸ ἱερὸν πάθος, ἡ σοφὴ ἐγρήγορσις. Διακεκριμένη εὔνοια τοῦ Θεοῦ καὶ τῆς μοίρας ἠθέλησε νὰ τὸν ἀντικρύσωμεν τὸ φθινόπωρον τοῦ 1955 καὶ τὸ θέρος τοῦ 1958 εἰς τὸν Ὀρφέα καὶ εἰς τὸ Θέατρον Ἡρῴδου τοῦ Ἀττικοῦ καὶ θὰ κρατήσωμεν ζωηρὸν τὴν συγκίνησιν καὶ τὴν δόνησιν τῆς καλλιτεχνικῆς ἀκτινοβολίας του. Ὑπὸ τὴν σοφὴν ὁδηγίαν του ἡ μουσικὴ ἐγίνετο ψυχὴ καὶ ἄμεσον βίωμα—ἔξοδος καὶ ὑπέρβασις εἰς ὅρια ἐπέκεινα τοῦ κόσμου τούτου.

Εἰς τὸν Ἡρῴδην τὸν Ἀττικὸν ὑπὸ τὴν σκιὰν τῆς Ἀκροπόλεως ὁ Δημήτρης Μητρόπουλος ἔλαμπε τὴν ὑκτα ἐκείνην τοῦ Αὐγούστου 1958 ἄλλην ποιητὴς τῶν ἤχων καὶ τῆς ἁρμονίας.

Ἡ 3η Συμφωνία τοῦ Γκούστοβ Μάλερ ἐστάθη ἡ τελευταία μουσικὴ ἀναδημιουργία τοῦ μεγάλου Ἕλληνος.

Ὅσοι ἠγάπησαν τὴν μαγικὴν τέχνην τοῦ Δημήτρη Μητροπούλου, ὅσοι ἐξαξίδευσαν εἰς τὸ λυρικὸν πέλαγος τῆς ἁρμονίας καὶ τῆς μαγείας του θὰ τὸν θρηνήσουν μὲ τὸ δάκρυ καὶ μὲ τὴν βαθεῖαν οἰμωγὴν τῆς καρδίας των.

Καὶ ἡ Ἑλλάς, γενναῖον λίκνον καὶ μητρικὴ κοιτὶς τοῦ οἰκουμενικοῦ Δημήτρη Μητροπούλου, θὰ τὸν προπέμψῃ μὲ τὸ ἡρωϊκὸν καὶ πένθιμον ἐμβατήριον τοῦ στίχου της:

Μακρὺς ὁ λάκκος π' ἄνοιξε καὶ
κλεῖ τὸ γίγαντά μας.

ΜΑΝΟΛΗΣ ΘΡ. ΡΟΤΝΗΣ

Ἡ σορὸς τοῦ Δ. Μητροπούλου ἐξ Ἰταλίας διακομίζεται σήμερον εἰς Ἀθήνας, ἀφοῦ δὲ ἐκτεθῇ αὔριον εἰς λαϊκὸν προσκύνημα ἐν τῷ Ναῷ τῆς Μητροπόλεως θὰ γίνῃ ἡ κηδεία τὴν 10 π. μ. τὴν Κυριακήν. Κατὰ τὴν ἔξοδον τῆς νεκρικῆς πομπῆς ἐκ τοῦ Ναοῦ ἡ Κρατικὴ Ὀρχήστρα θὰ ἐκτελέσῃ τὴν «Ἡρωϊκὴν Συμφωνίαν» τοῦ Μπεθόβεν.

Ἡ ὥρα κατὰ τὴν ὁποίαν θὰ μεταφερθῇ ἡ σορὸς ἐνταῦθα δὲν κατέστη δυνατὸν νὰ γνωσθῇ εἰσέτι, πάντως τὸ πιθανώτερον εἶνε ὅτι θὰ φθάσῃ τὰς ἀπογευματινὰς ὥρας τῆς σήμερον.

ΠΟΥ ΘΑ ΤΑΦΗ Ο ΜΗΤΡΟΠΟΥΛΟΣ;

Ἡ σορὸς τοῦ μεγάλου μαέστρου ἐπιδιώκεται νὰ καῇ καὶ ἡ ταφὴ νὰ γίνῃ εἰς τὴν Ἀμερικήν.—Ἐὰν δὲν ἀποφευχθῇ αὐτό, πάντως, θὰ μεταφερθῇ ἐδῶ καὶ θὰ γίνῃ ἡ κηδεία καὶ ἐπιμνημόσυνος τελετὴ εἰς τὴν Ἀκαδημίαν. — Αἱ ἐκδηλώσεις παγκοσμίου πένθους.

ΤΟΥ κ. ΑΧ. ΜΑΜΑΚΗ

Συνεχίζονται αἱ παγκόσμιοι ἐκδηλώσεις πένθους διὰ τὸν θάνατον τοῦ Δημήτρη Μητρόπουλου καὶ οἱ ἐφημερίδες ὅλου τοῦ Κόσμου ἀφιερώνουν ὕμνους εἰς μνήμην τοῦ διασήμου "Ελληνος ἀρχιμουσικοῦ. Ἡ σορὸς τοῦ μεγάλου καλλιτέχνου ἀναμένεται, ὅτι θὰ διακομισθῇ ἐντὸς τῆς ἡμέρας εἰς Ἀθήνας διὰ τοῦ στρατιωτικοῦ ἀεροπλάνου, τὸ ὁποῖον ἀπεστάλη εἰς τὸ Μιλάνον πρὸς παραλαβήν της. Ἐπὶ τόπου ἔχουν, ἐξ ἄλλου, μεταβῇ ὁ διευθυντὴς Γραμμάτων καὶ Καλῶν Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κουρνοῦτος, ὁ κ. Ἀλέξανδρος Δημητρόπουλος τοῦ ὑπουργείου Ἐξωτερικῶν, καθὼς καὶ ἡ παιδικὴ φίλη τοῦ Μητροπούλου κ. Καίτη Κατσογιάννη.

— "Εως τὴν ὥρα, ποὺ γράφονται αὐτὲς οἱ γραμμές, δὲν εἶχεν ἀποσαφηνισθῇ ἡ τελικὴ ἐξέλιξις τοῦ γεγονότος, ποὺ μετέδωσαν ξένα Πρακτορεῖα, σύμφωνα μὲ τὸ ὁποῖον ὁ Μητρόπουλος εἶχεν ἐκφρασει τὴν ἐπιθυμίαν νὰ καῇ ἡ σορός του καὶ ὅτι ὑπάρχει διαθήκη, ποὺ ἀναφέρει, ὅτι θὰ πρέπει νὰ ἐνταφιασθῇ εἰς τὴν Ἀμερικὴν ἡ ὅτι, ἐπειδὴ ὁ μεταστὰς εἶχε τὴν ἀμερικανικὴν ὑπηκοότητα, προεβλήθη ἀπὸ ἐπισήμου ἀμερικανικῆς πλευρᾶς ἡ ἀξίωσις ὁ ἐνταφιασμὸς τοῦ μεγάλου καλλιτέχνου νὰ γίνῃ εἰς τὰς Ἡνωμ. Πολιτείας. Σημειωτέον, τὰ Πρακτορεῖα ποὺ ἔθεσαν εἰς κυκλοφορίαν αὐτὲς τὶς εἰδήσεις ἀνέφεραν, ὅτι τὰ ἀνωτέρω ὑποστηρίχθησαν καὶ ἀπὸ τὴν γραμματέα τοῦ Μητροπούλου Ἰρούντυ Γκότ.

— Πάντως, εἶναι γεγονός, ὅτι ἀνέκυψεν αὐτὸ τὸ θέμα, ποὺ ἀπὸ ἑλληνικῆς πλευρᾶς καταβάλλεται προσπάθεια νὰ παραμερισθῇ. Διατυποῦται ἡ ἐλπίς, ὅτι τὸ ζήτημα θὰ διακανονισθῇ καὶ δι' αὐτὸ καὶ ὑπάρχει ἡ ἐντύπωσις, ὅτι ἡ σορὸς τοῦ διασήμου ἀρχιμουσικοῦ θὰ διακομισθῇ εἰς Ἀθήνας ἐντὸς τῆς ἡμέρας. Δέον, ὅμως, νὰ σημειωθῇ, ὅτι καὶ ἐὰν τὸ πρᾶγμα δὲν ρυθμισθῇ, ἡ προοπτική, ἀπὸ ἐπισήμου ἑλληνικῆς πλευρᾶς, εἶναι, ἐν πάσῃ περιπτώσει, νὰ μεταφερθῇ ἐδῶ ὁ νεκρός, νὰ γίνῃ ἐπίσημος κηδεία, καθὼς καὶ εἰσικὴ τιμητικὴ ἐκοήλωσις εἰς τὴν Ἀκαδημίαν καὶ κατοπιν ἡ μεταφορὰ καὶ ὁ ἐνταφιασμὸς εἰς τας Ἡνωμένας Πολιτείας. Ἐν πάσῃ περιπτωσει, τὸ ζήτημα θὰ διευκρινισθῇ ἐντὸς τῆς ἡμερας, ἀπασχολεῖ δέ, ὡς ἐγνώσθη, καὶ τὸν ἀμερικανικὸν Τύπον.

— Ἄλλα τηλεγραφήματα ἐκ Νέας Ὑόρκης ἀναφέρουν ὅτι αἱ χθεσιναὶ πρωϊναὶ ἐφημερίδες τῆς πόλεως δημοσιεύουν ἐν ἐκτάσει εἰς τὰς πρώτας των σελίδας τὴν εἴδησιν τοῦ θανάτου καὶ βιογραφικὰ σημειώματα, καθὼς καὶ φωτογραφίας τοῦ Δημήτρη Μητροπούλου. Ἐξ ἄλλου, χθὲς εἰς μνήμην του ἡ Φιλαρμονικὴ της Νέας Ὑόρκης ἔπαιξεν «Οὔρλιχτ» ἀπὸ τὴν Δευτέραν Συμφωνίαν τοῦ Μάλερ. Διηύθυνεν ὁ Λέοναρντ Μπερνστάϊν καὶ σολίστ ἦτο ἡ Τζέννη Τούρελ. Κατὰ τὴν διάρκειαν τῆς χθεσινῆς παραστάσεως τοῦ «Μπόρις Γκοντούνωφ» εἰς τὴν Μετροπόλιταν Ὄπερα ὁ γενικὸς διευθυντὴς αὐτῆς κ. Ρούντολφ Μπῖγκ ὡμίλησε πρὸς τοὺς ἀκροατὰς καὶ ἡ ὀρχήστρα ἔπαιξεν εἰς μνήμην τοῦ Μητροπούλου ἀπόσπασμα ἀπὸ τὸν «Ὀρφέα» τοῦ Γκλούκ, χωρὶς μαέστρον.

— Ἐπίσης, αἱ ἐφημερίδες τοῦ Λονδίνου «Τάϊμς» καὶ «Γκάρντιαν» ἀφιερώνουν μακρὰς νεκρολογίας εἰς τὸν Δημήτρην Μητρόπουλον, ἐξαίρουσαι τὴν μουσικὴν ἰδιοφυΐαν του, παραθέτουσαι καὶ φωτογραφίας του. Ἐξ ἄλλου, ὁ ραδιοφωνικὸς σταθμὸς τοῦ Μπῆ - Μπῆ - Σὶ μετέδωσεν εἰς ἅπαντα τὰ δελτία εἰδήσεών του τὴν ἀγγελίαν τοῦ θανάτου τοῦ μεγάλου "Ελληνος μουσικοῦ.

— Ἐν τῷ μεταξύ, συνεχίζεται ἐδῶ ἡ ἔκδοσις ψηφισμάτων συμμετοχῆς εἰς τὸ μεγάλο καλλιτεχνικὸν πένθος. Οὕτως, ἡ "Ενωσις Ἑλλήνων Μουσουργῶν ἐξέδωκε τὴν ἀκόλουθον ἀνακοίνωσιν :

Ἡ "Ενωσις Ἑλλήνων Μουσουργῶν μὲ βαθυτάτη ὀδύνη δέχτηκε τὸ θλιβερὸ ἄγγελμα τοῦ πρώρου καὶ ἡρωϊκοῦ θανάτου τοῦ Δημήτρη Μητρόπουλου.

Ἡ ἀπώλεια τοῦ μεγάλου "Ελληνος ἀρχιμουσικοῦ δημιουργεῖ ἕνα ἀνυπολόγιστο κενό, τόσο στὸν ἑλληνικὸ πνευματικὸ χῶρο ὅσο καὶ στὸ διεθνὲς μουσικὸ στερέωμα. Οἱ μεγαλοφυεῖς ἑρμηνεῖες του, κλασικῶν καὶ νεωτέρων ἔργων ὑπῆρξαν ἐπιτεύγματα ὑψίστης καὶ μοναδικῆς τέχνης, μεστὲς ἀπὸ πάθος, σαφήνεια, λαμπρότητα καὶ τεχνικὴν ἀρτιότητα.

Ἡ "Ενωσις Ἑλλήνων Μουσουργῶν, ποὺ εἶχε τὸ προνόμιον νὰ συγκαταλέγῃ τὸν Δημήτρη Μητροπούλο μεταξὺ τῶν ἱδρυτικῶν της μελῶν, θὰ κρατήσῃ πάντα στὴ μνήμη της μὲ εἰλικρινῆ εὐγνωμοσύνη καὶ θαυμασμό, ὄχι μόνο τὸν μεγαλοφυῆ ἀναδημιουργὸ τῶν ἔργων τῶν Ἑλλήνων συνθετῶν, ἀλλὰ καὶ τὸν ἐμπνευσμένο καὶ βαθυστόχαστο δημιουργό.

Ὁ Μητρόπουλος, μὲ τὸν θάνατό του, περνάει δικαιωματικὰ στὸ Πάνθεον τῶν μεγάλων μουσικῶν μορφῶν ὅλων τῶν ἐποχῶν.

— Ὁ παγκόσμιος Τύπος δημοσιεύει, ἐξ ἄλλου, ἀναλυτικὰ βιογραφικὰ σημειώματα τοῦ ἀξέχαστου ἀρχιμουσικοῦ καὶ ὑπενθυμίζει, μεταξὺ ἄλλων, ὅτι ὁ πατὴρ Μητρόπουλος προώριζε τὸν ἐκλιπόντα μεγάλον καλλιτέχνην δι' ἀξιωματικὸν τοῦ Ναυτικοῦ. Ὁ ἴδιος, ὅμως, ἐπροτίμησε νὰ ἀκολουθήσῃ τὴν ἔντονον κλίσιν του πρὸς τὴν μουσικὴν καὶ ἐνεγράφη, ἀντὶ εἰς τὴν Σχολὴν Δοκίμων, εἰς τὸ Ὠδεῖον Ἀθηνῶν. Εἰς τὸ Ὠδεῖον ὁ Δημήτρης Μητρόπουλος παρηκολούθησε μαθήματα ἀντιστίξεως, ἁρμονίας καὶ πιάνου μὲ καθηγητὰς τὸν Μαρσὶκ καὶ τὸν Βασσενχόβεν. Ὁ δὲ εθνοῦς φήμης "Ελλην μαέστρος, ὁ ὁποῖος ἐγεννήθη τὸν Φεβρουάριο τοῦ 1896 στὴν Ἀθήνα, ἀπεφοίτησεν ἀπὸ τὸ Ὠδεῖον Ἀθηνῶν τὸ 1918 τιμηθεὶς μάλιστα καὶ μὲ χρυσὸ μετάλλιο. Παράλληλα μὲ τὶς λαμπρὲς σπουδές του ὁ Μητρόπουλος, πρὶν ἀκόμη συμπληρώσῃ τὸ εἰκοστὸν δεύτερον ἔτος τῆς ἡλικίας του, εἶχε συνθέσει ἕνα μελόδραμα, τὴν «Ἀδελφὴ Βεατρίκη» διὰ τὸ ὁποῖον ὁ Σαὶν Σάνς, ὅτα· εἶχεν ἔλθει ἐδῶ ἐκεῖνον τὸν καιρὸ καὶ τοῦ ἔτέθη ὑπ' ὄψιν ἡ ἐργασία αὐτὴ τοῦ νεαροῦ "Ελληνος συνθέτου, ἐξεφράσθη εὐμενέστατα. Σὲ λίγο ὁ Μητρόπουλος

ξεκίνησε νὰ δοκιμάσῃ τὸ ταλέντο του καὶ ἔξω ἀπὸ τὰ ὅρια τῆς Ἑλλάδος. Παρηκολούθησε κατ' ἀρχὴν μαθήματα κοντὰ στὸν Ζιλσὸν στὶς Βρυξέλλες καὶ κατόπιν ἐπῆγεν εἰς τὸ Βερολῖνον, ὅπου τελικὰ ἀπηρνήθη τὰ ὀνειρά του διὰ τὴν σύνθεσιν. Ὁ ἴδιος, μάλιστα, ἔλεγε συχνά, ὅτι ὀφείλει στὸν Μπουζόνι, τοῦ ὁποίου ὑπῆρξε μαθητής, τὸ ὅτι ἔγινε μαέστρος καὶ ὄχι συνθέτης. Πάντως, εἰς τὸ Βερολῖνον διηύθυνε διὰ πρώτην φορὰν τὴν ὀρχήστρα τῆς Κρατικῆς Ὄπερας παρὰ τὸ πλευρὸν τοῦ Λέο Μπάχ, τοῦ "Εριχ Κλάϊμπερ κ. ἄ.

— "Εκτοτε ἤρχισε ν' ἀνεβαίνῃ σταθερὰ τὴν κλίμακα τῆς ἐπιτυχίας. Τὸ 1924 ἐπιστρέφει στὴν Ἀθήνα καὶ ἀναλαμβάνει τὴν διεύθυνσιν τῆς ὀρχήστρας τοῦ Ἑλληνικοῦ Ὠδείου. Τρία χρόνια ἀργότερα εἶναι ἐπὶ κεφαλῆς τῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν καὶ χάρι στὴν ἰδιαίτερη ἀξία του, τὸν ἐνθουσιασμό του καὶ τὶς ἄοκνες προσπάθειές του, σύντομα γίνεται ὁ οὐσιαστικὸς παράγων τῆς μουσικῆς, περιωρισμένης τότε, κινήσεως τῶν Ἀθηνῶν, ποὺ ἀρχίζει νὰ προσλαμβάνῃ μεγαλύτερη ἔκτασι. Καὶ ἡ ἀνοδος τοῦ Μητροπούλου συνεχίζεται. Εἰς τὰ 1930 πηγαίνει στὸ Παρίσι, ὅπου διευθύνει καὶ ἐν συνεχείᾳ τὸν καλοῦν στὸ Βερολῖνον, τὶς Βρυξέλλες, τὴν Ρώμη, τὸ Λονδῖνον, τὴν Νεάπολιν καὶ τὴν Φλωρεντία. Τέσσερα χρόνια κατόπιν ἕνα ἀπρόβλεπτο ἀτύχημα ἔγινεν ἀφορμὴ ὁ Μητρόπουλος νὰ ἐδραιώσῃ παγκοσμίως τὴν φήμην του ὡς καλλιτεχνικοῦ φαινομένου. Συγκεκριμένως, εἰς τὰ 1934 βρέθηκε εἰς τὸ Βερολῖνον ὅπου εἶχε κληθῇ νὰ διευθύνῃ τὴν Φιλαρμονικὴν μὲ σολίστ τὸν πιανίστα "Εγκον Πέτρι. Τὴν τε λευταία, ὅμως, στιγμὴ ἡ ὀρχήστρα ἔμεινε χωρὶς σολίστ. Καὶ τότε ὁ Μητρόπουλος ἀνεπλήρωσε τὸν "Εγκον Πέτρι καὶ συγχρόνως διηύθυνε τὴν ὀρχήστραν ἀπὸ τὴν θέσιν τοῦ σολίστ. Ἔπαιξε τὸ κοντσέρτο διὰ πιάνο τοῦ Προκόφιεφ. Ἡ ἐπιτυχία ὑπῆρξε τεραστία καὶ ἡ καθιέρωσις ἀπόλυτος.

— Ἀπὸ τὸ 1936 ἄρχισε ἡ καριέρα του εἰς τὴν Ἀμερικήν. Κατ' ἀρχὰς ἐκλήθη ἀπὸ τὸν Κουσσεβίτσκυ καὶ διηύθυνε συναυλίες στὴν Βοστώνη. Ἐν συνεχείᾳ ἀνέλαβε τὴν διεύθυνσιν τῆς Συμφωνικῆς Ὀρχήστρας τῆς Μινεαπόλεως. Μέσα σὲ λίγα χρόνια ἡ ἄσημη ἐκείνη ὀρχήστρα ἔγινε χάρις στὸν Μητρόπουλο μία ἀπὸ τὶς καλύτερες τοῦ Νέου Κόσμου. Κατόπιν εἰς τὰ 1949 ὁ Μητρόπουλος διαδέχεται τὸν Τοσκανίνι εἰς τὴν διεύθυνσιν τῆς Φιλαρμονικῆς Ὀρχήστρας τῆς Νέας Ὑόρκης. "Εκτοτε ἐπὶ 11 ὁλόκληρο χρόνια ὁ μεγάλος "Ελλην ἀρχιμουσικὸς δὲν ἔπαυστ νὰ γνωρίζῃ ἀλλεπαλλήλους θριάμβους.

— "Ηδη ἐκτὸς τῶν ἄλλων τιμητικῶν ἐκδηλώσεων εἰς μνήμην του ὁ δημοτικὸς σύμβουλος κ. Πετρομανιάτης δι' ἐπιστολῆς του πρὸς τὸν πρόεδρον τοῦ δημοτικοῦ Συμβουλίου κ. Βρανόπουλον ἐζήτησεν ὅπως μία ἀπὸ τὰς κεντρικὰς ὁδοὺς τῆς πρωτευούσης ἀποκτήσῃ τὸ ὄνομα τοῦ μεγάλου ἀρχιμουσικοῦ. Ἀσφαλῶς ἡ πρότασις θὰ γίνῃ ἀποδεκτή.

— Ἐξ ἄλλου, συμμετέχοντας εἰς τὰς ἐκδηλώσεις πένθους τὸ Ἐθνικὸν "Ιδρυμα Ραδιοφωνίας μετέδωσε χθὲς Πέμπτην, ὥραν 9ην μ.μ., ἔκτακτον συναυλίαν ἀπὸ τοῦ Ἐθνικοῦ Προγράμματος. Ἡ ἠχογραφημένη συναυλία ἐτέλει ὑπὸ τὴν διεύθυνσιν τοῦ ἐκλιπόντος ἀρχιμουσικοῦ. Χθές, ἐπίσης, κατὰ τὴν ἔναρξιν τοῦ Γ' Προγράμματος, εἰς τὰς 7 μ.μ., ἐτηρήθη ἑνὸς λεπτοῦ σιγή. Ἐξ ἄλλου, μεθαύριον, πρὸ τῆς ἐνάρξεως τῆς συναυλίας εἰς τὸ θέατρον «Κεντρικὸν» θὰ τηρηθῇ ἑνὸς λεπτοῦ σιγή. Παράλληλα, τὸ Ε. Ι. Ρ. θὰ ἀφιερώσῃ ὁλόκληρον τὸ Γ' Πρόγραμμα κατὰ τὴν ἡμέραν τῆς κηδείας εἰς τὴν μετάδοσιν ἔργων, τὰ ὁποῖα διηύθυνεν ὁ Δημήτρης Μητρόπουλος. Προηγουμένως, ἀπόψε, εἰς τὰς 9.15', ἀπὸ τὸ Ἐθνικὸν Πρόγραμμα θὰ μεταδοθῇ ἠχογράφησις ἀπὸ τὴν παράστασιν τῆς Μετροπόλιταν "Οπερα τῆς Νέας Ὑόρκης τῆς πρώτης πράξεως τῆς ὄπερας τοῦ Βέρντι «Σιμὸν Μποκανόγκρα» ὑπὸ τὴν διεύθυνσιν ἐπίσης τοῦ Δημήτρη Μητρόπουλου.

— Συνεχίζω θυμίζοντας, ὅτι ὑπὸ τὴν διεύθυνσιν τοῦ Θ. Βαβαγιάννη, μὲ συμμετοχὴν ὡς σολίστ τοῦ διασήμου "Ελληνος πιανίστα Γεωργίου Θέμελη μὲ τὸ «Κοντσέρτο γιὰ πιάνο καὶ ὀρχήστρα» τοῦ Σούμαν, δίδεται ἡ ἐναρκτήριος συναυλία τῆς Κρατικῆς Ὀρχήστρας Ἀθηνῶν τὴν προστχῆ Δευτέραν καὶ ὥραν 8.30 μ.μ. εἰς τὸ θέατρον «Κοτοπούλη». Εἰς τὸ πρόγραμμα τῆς συναυλίας, τὸ ὁποῖον περιλαμβάνει εἰς πρώτην ἐκτέλεσιν καὶ τὴν «4ην Συμφωνία» τοῦ Μαρτίνου, ἐπῆλθε μικρὰ μεταβολή : Ἀντὶ τῆς εἰσαγωγῆς «Ἐγκαίνια» τοῦ Μπετόβεν, θὰ παιχθῇ ἡ «Φαντασία καὶ φούγκα» Μπὰχ - Μητροπούλου, ὡς ἐλαχίστη προσφορὰ εἰς τὸν μεγάλον "Ελληνα ἀρχιμουσικόν, εἰς μνήμην τοῦ ὁποίου ἀφιεροῦται ὁλόκληρος ἡ συναυλία. Σημειωτέον, ὅτι τὴν συναυλίαν θὰ τιμήσῃ διὰ τῆς παρουσίας Του ὁ Βασιλεύς.

ΕΛΛΗΝΙΚΑΙ ΕΙΔΗΣΕΙΣ

'Αθῆναι.— Βαθεῖαν θλῖψιν προεκάλεσεν ἡ εἴδησις τοῦ θανάτου τοῦ "Ελληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου εἰς ὅλας σχεδόν τάς εὐρωπαϊκάς χώρας καθώς καί εἰς Ν. 'Υόρκην καί Οὐασιγκτῶνα.

'Εξ ἄλλου τηλεγράφημα τοῦ 'Αθηναϊκοῦ πρακτορείου ἐκ Μιλάνου, ἀναφέρει τά ἀκόλουθα σχετικῶς μέ τόν θάνατον τοῦ "Ελληνος ἀρχιμουσικοῦ:

'Ο Δημήτρης Μητρόπουλος ἔφθασεν εἰς τήν Σκάλαν τοῦ Μιλάνου τήν 10.50' πρωϊνήν χθές συνοδευόμενος ὑπό τοῦ γραμματέως του. Πρό τοῦ πλησίον τοῦ κτιριούτης ὄπερας εὑρισκομένου καφενείου συνηντήθη μέ τόν κ. 'Εγκολφόπουλον, μετά τοῦ ὁποίου συνωμίλησιν ἐπ' ὀλίγον. Εἰς ἐρώτησιν περί τῆς ὑγείας του, ὁ μαέστρος ἀπήντησεν ὅτι αἰσθάνεται πολύ καλά. 'Αμέσως κατόπιν εἰσῆλθενεἰς τήν Σκάλαν καί ἤρχισεν τάς δοκιμάς. Δέν ἐπέρασαν ὅμως ὀλίγα λεπτά καί ἐθεάθη αἰσθανόμενος αἰφνιδίως ἀδιαθεσίαν καί πιάνων τήν κεφαλήν του, προσεπάθη νά συγκρατηθῇ, ἀλλά ματαίως, διότι εὐθύς ἀμέσως ἔπεσε κατά Γῆς. 'Εζητήθη ἐπειγόντως φορεῖον, τό ὁποῖον τόν μετέφερεν εἰς τήν πολυκλινικήν νεκρόν πλέον».

Ἡ στερνή δοκιμή τοῦ Μητρόπουλου σταμάτησε σέ μιάν ἀναπάντεχη παύση

Ο ΜΑΕΣΤΡΟΣ ΠΕΘΑΝΕ

Ο ΑΝΘΡΩΠΟΣ πού σωριάσθηκε νεκρός τήν περασμένη Τετάρτη μπροστά στούς μουσικούς τῆς Σκάλας τοῦ Μιλάνου, θά μποροῦσε, ἄν ἤθελε, νά ἔχη παρατείνει τή ζωή του. Θά μποροῦσε νἄχη διαλέξει τή θεμιτή λύση τοῦ ἀποτραβηγμένου γέροντα πού προσέχει τή ραγισμένη καρδιά του καί ζῆ μέ τίς ἀναμνήσεις μιᾶς ἔνδοξης καρριέρας. Ἀλλά μιά τέτοια φρονιμάδα ὁ Δημήτρης Μητρόπουλος θά τήν θεωροῦσε σάν ἀπαράδεκτη συνθηκολόγηση. Κάτι παραπάνω : σάν ἕνα ἐκούσιο θάνατο. Γιατί γι' αὐτόν ζωή δέν ἐσήμαινε : διατήρηση, ἐσήμαινε : δράση. «Ἀναδημιουργό» ὠνόμαζε τόν ἑαυτό του ἀπό τότε πού εἶχε ἀποφασίσει νά ἐγκαταλείψη τή σύνθεση καί ν' ἀφοσιωθῆ στήν ἑρμηνεία. Ὅσοι ὅμως εὐτύχησαν νά τόν ἀκούσουν, ξέρουν ὅτι ὁ χαρακτηρισμός τοῦ δημιουργοῦ τοῦ ταίριαζε πέρα γιά πέρα. Γιατί τί ἄλλο εἶναι αὐτός πού ἀποκαλύπτει τίς ἀφανέρωτες ἀρετές ἑνός ἔργου, πού καταφέρνει νά δώση ἕναν παρθενικό παλμό σέ χιλιοακουσμένες συμφωνίες καί ξαναβρίσκει τά βαθύ σκίρτημα τῆς μουσικῆς γένεσης διευθύνοντας τό ἔργο ἑνός ἄλλου;

Τό ἀδιάκοπο κυνήγημα τῆς τελειότητας ἦταν ἡ ἀκοίμητη ἔγνοια του. Αὐτή πού κάνει τό πνεῦμα ν' ἀστράφτη. Αὐτή πού καίει τό κορμί. Καί φτάνοντας στίς ἀνυπέρβλητες ἐκτελέσεις, πού τόν ἔκαναν ἴνδαλμα τοῦ κοινοῦ, μετατόπιζε ἀκόμα μακρύτερα τίς ἀπαιτήσεις πού εἶχε ἀπό τόν ἑαυτό του κι' ἀπό τούς ἄλλους. Ἔτσι ξόδεψε, ἀφιλόκερδα, γενναιόψυχα τίς τελευταῖες του δυνάμεις.

Κι' ὅταν κερασυνοβολήθηκε πάνω στό ἀναλόγιο, στήν ἀρχή τῆς τελευταίας του δοκιμῆς, τά νευρώδη, πλαστικά του χέρια πού μετουσίωναν τούς ἤχους, δέν μπόρεσαν νά προλάβουν τή στριγγή παραφωνία τοῦ θανάτου.

Ὁ συνεργάτης μας κ. Γ. Κ. ΠΗΛΙΧΟΣ, πού γνώριζε προσωπικά τό μεγάλο Ἕλληνα μαέστρο, δίνει ἐδῶ, γιά χάρη τῶν ἀναγνωστῶν τοῦ «ΤΑΧΥΔΡΟΜΟΥ», μιά σύντομη βιογραφία του, καθώς καί χαρακτηριστικά ἀποσπάσματα ἀπό συνομιλίες πού εἶχε μαζί του.

Ο ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ πέθανε! Πέθανε ὅπως ἀκριβῶς ἤθελε νά πεθάνη: Πάνω στό πόντιουμ, ὄρθιος, μέ τήν μπαγκέττα στό χέρι, ἀντίκρυ σέ ἔγχορδα, πνευστά καί κρουστά ὄργανα. Ἕλληνας, ἐπιθυμοῦσε ἕνα ἡρωϊκό θάνατο. Ἕνα θάνατο πάνω στίς ἐπάλξεις τῆς Τέχνης καί ὄχι ἕνα θάνατο πάνω σέ κρεβάτι νοσοκομείου. Ἔτσι ἀκριβῶς ἔγινε. Λίγο πρίν σημάνη 12 μεσημέρι, τήν περασμένη Τετάρτη, ὁ θάνατος πῆγε καί τόν συνάντησε μέσα στό μεγαλύτερο λυρικό θέατρο τοῦ Κόσμου, στήν Σκάλα τοῦ Μιλάνου, ὅπου ὁ μεγάλος μαέστρος προβάριζε μέ τήν ὀρχήστρα τοῦ θεάτρου ἕνα ἀπό τά πιό ἀγαπημένα του ἔργα: Τήν 3η Συμφωνία τοῦ Μάλερ. Τόν σημάδεψε ὁ θάνατος ἴσα στήν καρδιά του, τήν στιγμή πού ὁ Ἕλληνας ἀρχιμουσικός ὕψωνε τά χέρια γιά νά ἐρωτεύση τό δυνατό σημεῖο ἀπό τό «ἀλλέγκρο» τοῦ ἔργου. Τά ὑψωμένα χέρια ὕστερα ἀπό δύο δευτερόλεπτα λύγισαν χωρίς νά πρέπει, ἐνῶ τήν ἴδια στιγμή οἱ μουσικοί τῆς ὀρχήστρας σηκώθηκαν ὄρθιοι καί πρίν προλάβουν νά ἀγγίξουν τόν μαέστρο τους, τόν ἔβλεπαν νά χάνη τήν ἰσορροπία του καί νά πέφτη κάτω ἀπ' τό πόντιουμ θανάσιμα χτυπημένος. Ὅταν οἱ μουσικοί—τά παιδιά του—ἔτρεξαν νά τόν σηκώσουν, ἐκεῖνος μ' ἕνα αἱμάτωμα στό σαγόνι καί μ' ἕνα σχίσιμο στό ἀριστερό του φρύδι ἦταν ἤδη νεκρός!

Μιά ὥρα ἀργότερα τό γεγονός τοῦ θανάτου τοῦ μεγάλου Ἕλληνα μαέστρου διωχετεύόταν ἀπό τά τηλέτυπα τῶν διαφόρων δημοσιογραφικῶν πρακτορείων πρός κάθε γωνιά τῆς γῆς. Στήν ἀρχή ἡ εἴδηση ἦταν ξερή: «Σήμερα τό μεσημέρι ἀπέθανε σέ ἡλικία 64 ἐτῶν ὁ διάσημος Ἕλλην μαέστρος Δημήτρης Μητρόπουλος. Ὁ θάνατος τοῦ Ἕλληνος ἀρχιμουσικοῦ ἔπῆλθε κατόπιν ἐγκεφαλικῆς αἱμορραγίας καθ' ἥν στιγμήν διηύθυνε σέ δοκιμή τήν 3η Συμφωνία τοῦ Μάλερ μέ τήν Ὀρχήστρα τῆς Σκάλας τοῦ Μιλάνου».

Ὕστερα τά δημοσιογραφικά τηλεγραφήματα «μιλοῦσαν» γιά τήν ζωή καί τήν καλλιτεχνική δράσι τοῦ μεγάλου μαέστρου. Μεταφέρουμε ἐδῶ τά κυριώτερα σημεῖα: Ὁ Δημήτρης Μητρόπουλος γεννήθηκε στήν Ἀθήνα, στίς 18 Φεβρουαρίου τοῦ 1896. Ὁ παπποῦς του ἦταν παπᾶς, ὁ πατέρας του ἔμπορος κι' ὁ ἴδιος ἀμφιταλαντεύθηκε μεταξύ τοῦ νά γίνη ἀξιωματικός ἤ νά ἀκολουθήση τόν μοναχικό βίο στό Ἅγιον Ὄρος. Τελικά διάλεξε τήν μουσική. Ὕστερα ἀπό τίς σπουδές του στό Ὠδεῖο Ἀθηνῶν (1918), πῆγε στίς Βρυξέλλες κι' ἔκανε σύνθεση πλάι στόν Γκίλσον, ἀλλά ὅταν ἀργότερα γνώρισε στό Βερολῖνο τόν Μπουζόνι, τόν Λέο Μπλέχ καί τόν Ἔριχ Κλάϊμπερ ἀνεκάλυψε ὅτι ἦταν προορισμένος νά γίνη ἀναδημιουργός κι' ὄχι δημιουργός. Τό 1926 ξαναγυρίζει στήν Ἀθήνα γιά νά ἀναλάβη τήν διεύθυνση τῆς Συμφωνικῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν, πού ἐπί τῶν ἡμερῶν του ἀποτελεῖ ἕνα ἀξιολογώτατο συγκρότημα ὄχι μόνο πρόθυμο νά ἑρμηνεύη τούς ἀναγνωρισμένους ξένους μουσουργούς, ἀλλά καί πολλούς ἄγνωστους νέους Ἕλληνες συνθέτες. Τήν πρώτη περιοδεία του στό ἐξωτερικό ἐπιχειρεῖ ὁ Δημήτρης Μητρόπουλος τό 1930 καί διευθύνει διαδοχικά στό Παρίσι, στό Λίβερπουλ, στό Βερολῖνο καί στίς Βρυξέλλες. Δυό χρόνια ἀργότερα ξαναπερνάει τά σύνορα τῆς Ἑλλάδος καί ἐμφανίζεται ὡς μαέστρος στήν Ρώμη, στήν Νεάπολη, στήν Φλωρεντία, στό Λοντῖνο καί πάλι στό Παρίσι. Τό 1934 τόν ξανακαλοῦν στό Βερολῖνο νά διευθύνη τήν Φιλαρμονική Ὀρχήστρα. Στό πρόγραμμα περιλαμβάνεται καί τό δυσκολώτατο τρίτο κοντσέρτο γιά πιάνο τοῦ Προκόφιεφ πού ἐπρόκειτο νά τό ἑρμηνεύση, ὡς σολίστ, ὁ διάσημος πιανίστας Ἔγκον Πέτρι. Ὁ Πέτρι ὅμως τήν τελευταία στιγμή ἀρρωσταίνει καί τότε ὁ Μητρόπουλος ἀντί νά ματαιώση τήν συναυλία ἤ ν' ἀλλάξη τό πρόγραμμα, ἐμφανίζεται ὁ ἴδιος ὡς σολίστ καί μαέστρος μαζί. Τό μουσικό κοινό καί ἡ κριτική τοῦ Βερολίνου ἀποθεώνουν τόν Μητρόπουλο γιά τήν διπλῆ ἄψογη ἑρμηνεία του, ἐνῶ συγχρόνως ὅλος ὁ κόσμος πληροφορεῖται ἀπό τίς ἐφημερίδες τό γεγονός τῆς ἀπρόοπτης, ἀλλά τόσο ἐπιτυχημένης διπλῆς ἐμφανίσεως τοῦ Μητροπούλου. Τό ὄνομά του ἀρχίζει ἀπό τότε νά ὑπόσχεται καί νά σημαίνη πολλά καί τρία χρόνια ἀργότερα, τό 1937 τοποθετεῖται διευθυντής τῆς Ὀρχήστρας τῆς Μινεαπόλεως, ἡ ὁποία μέσα σέ λίγα χρόνια γίνεται κάτω ἀπό τήν καθοδήγησή του μιά ἀπό τίς τρεῖς πρῶτες ὀρχήστρες τῆς Ἀμερικῆς καί μιά ἀπό τίς καλύτερες τοῦ κόσμου. Τό 1949 διαδέχεται τόν Τοσκανίνι στήν διεύθυνση τῆς Φιλαρμονικῆς Ὀρχήστρας τῆς Νέας Ὑόρκης καί ἀναγνωρίζεται συγχρόνως σάν ἕνας ἀπό τούς 10 πρώτους μαέστρους τοῦ κόσμου, πλάϊ στόν Φουρτβαῆγκλερ, τόν Τοσκανίνι, τόν Κλέμενς Κράους, τόν Τόμας Μπήτσαμ, τόν Κνάπερτσμπους, τόν Εὐγένιο Γιόχουμ, τόν Μπροῦνο Βάλτερ, τόν Σέργιο Κουσσεβίτσκυ καί τόν Σάρλ Μύνχ. Στήν Φιλαρμονική τῆς Νέας Ὑόρκης, μέ τήν ὁποία ἀλώνισε τόν Νέο Κόσμο καί τήν γηραιά Εὐρώπη ἀποσπώντας παντοῦ διθυραμβική ἀναγνώριση κοινοῦ καί κριτικῆς, παρέμεινε σάν καλλιτεχνικός διευθυντής μέχρι πρόπερσι, ὁπότε τόν διαδέχθηκε ὁ Ἀμερικανός μαέστρος Λέοναρντ Μπερνστάϊν. Στά χρόνια πού ἀκολούθησαν ὡς τήν στιγμή τοῦ θανάτου του, ὁ Μητρόπουλος ἐξακολουθεῖ νά ἐργάζεται ἀδιάκοπα μέ μόνη παύση ἕνα διάστημα δυόμισυ μηνῶν, ὅταν χρειάσθηκε νά μπῆ σέ νοσοκομεῖο ὕστερα ἀπό μιά καρδιακή προσβολή πού ἔπαθε στήν Νέα Ὑόρκη καί πού στάθηκε σάν προάγγελος τοῦ θανάτου του πού θά ἐρχόταν νά τόν συναντήση στό Μιλᾶνο, μέσα στό μεγάλο θέατρο τῆς Σκάλας. Ἐφέτος τό καλοκαῖρι ξεκίνησε γιά τήν Εὐρώπη, ἀρχίζοντας μιά θριαμβευτική περιοδεία τόν Αὔγουστο ἀπό τό Σάλτσμπουργκ. Ἐκεῖ, στίς 28 Αὐγούστου, ὁ Δημήτρης Μητρόπουλος, διευθύνοντας τήν 8η τοῦ Μάλερ, πού ἀποκαλεῖται ἡ «Συμφωνία τῶν Χιλίων», μέ τήν Φιλαρμονική τῆς Βιέννης καί δύο μεγάλες χαρωδίες — τῆς Ὄπερας τῆς Βιέννης καί τῆς Ἑταιρείας Φίλων τῆς Μουσικῆς — ἔφθασε στό ἀπόγειο τῆς καλλιτεχνικῆς ἀποδόσεώς του καί ἀναγνωρίσθηκε ὡς ὁ «Γίγας τῆς μουσικῆς, ὁ πρῶτος μαέστρος τοῦ κόσμου». Ἀκολούθησε ἡ παραίτηση τοῦ Καραγιάν ἀπό τήν διεύθυνση τοῦ Φεστιβάλ τοῦ Σάλτσμπουργκ καί ἡ θέση προσφέρθηκε στόν Δημήτρη Μητρόπουλο πού ἀρνήθηκε νά τήν δεχθῆ. Δέν ἤθελε τίτλους ὁ μεγάλος μαέστρος. Ἤθελε μόνο μιά μπαγκέττα καί μιά ὀρχήστρα. Τά βρῆκε καί τά δυό ὕστερα ἀπό λίγες ἡμέρες στήν Βιέννη ὅπου γνώρισε νέους θριάμβους στήν Κρατική Ὄπερα καί σέ συναυλίες μέ τήν προσφιλῆ του Φιλαρμονική Ὀρχήστρα τῆς πόλεως. Τήν περασμένη Τρίτη ἄφησε τήν Βιέννη γιά νἀρθῆ στό Μιλᾶνο, νά διευθύνη στήν Σκάλα κι' ἀπό κεῖ νά συνεχίση στήν Κολωνία, μετά στήν Νέα Ὑόρκη, μετά... Ἀλλά ὁ θάνατος τόν πρόλαβε. Τόν περίμενε τήν ἑπομένη τῆς ἡμέρας πού ἔφθασε στό Μιλᾶνο καί τοῦ πῆρε τήν μπαγκέττα ἀπό τό χέρι τήν ὥρα πού βρισκόταν πάνω στό πόντιουμ, ἀπέναντι ἀπ' τήν ὀρχήστρα τῆς Σκάλας, ὅταν προβάριζε μαζί του ἕνα ἀπό τά ἔργα πού θά ἑρμήνευε στήν συναυλία τῆς ἐρχομένης Δευτέρας.

Ἴσως βρεθοῦν πολλοί νά ποῦν, ὅτι ὁ Μητρόπουλος, ξέροντας ὅτι εἶναι ἄρρωστος ἀπό τήν καρδιά του καί ἐπιμένοντας νά διευθύνη, ἐπιζητοῦσε τόν θάνατο, περιφρονώντας τήν ζωή. Ὄχι, ὁ Μητρόπουλος δέν περιφρονοῦσε τήν ζωή. Μπορεῖ νά τοῦ ἄρεσε ἡ μόνωση, ἀλλά ἀγαποῦσε ὅσο ἴσως κανείς ἄλλος τήν ζωή. Ὁ ἴδιος, ὅταν τά τελευταῖα χρόνια εἶχα τήν σπάνια τύχη νά τόν συναντήσω ἐδῶ καί στό ἐξωτερικό ἀρκετές φορές, μοῦ εἶχε ἐπανειλημμένως ἐκφράσει τήν ἀγάπη του γιά τήν ζωή. Τήν πρώτη φορά πού τόν συνάντησα στά μέσα Ἰουνίου τοῦ 1957 στήν Φλωρεντία, ὕστερα ἀπό τήν θριαμβευτική πρεμιέρα τοῦ «Ἐρνάνη» στό «Τεάτρο Κομουνάλε» καθώς ὑπέγραφε αὐτόγραφα σέ ἑκατοντάδες θαυμαστῶν του πού τόν περίμεναν στήν πλαγία ἔξοδο τοῦ θεάτρου καί τόν ρώτησα μετά ἄν αἰσθανόταν κουρασμένος, Ἐκεῖνος χαμογελαστός μοῦ ἀπάντησε :

«Ναί εἶμαι κουρασμένος. Ἀλλά ἀκριβῶς αὐτή ἡ κούραση μοῦ δίνει τήν αἴσθηση ὅτι ζῶ καί συγχρόνως τήν ἀφορμή νά ἀναπαυθῶ».

Δύο μέρες ἀργότερα ξανασυνάντησα τόν Δημήτρη Μητρόπουλο στό ἴδιο θέατρο. Τήν φορά αὐτή ὅμως μέσα σ' ἕνα θεωρεῖο κι' ἐνῶ στήν σκηνή χόρευε ἕνα μπαλλέτο μιά σουίτα ἑνός μοντέρνου συνθέτη. Πλάϊ στό μεγάλο μαέστρο καθόταν ὁ ἐνδυματολόγος Ἀντώνης Φωκᾶς. Σέ μιά στιγμή ὁ Μητρόπουλος γύρισε πρός τό μέρος μου καί σχεδόν φωναχτά εἶπε :

«Σέ πολύ λίγες περιπτώσεις τό μπαλλέτο εἶναι τέχνη καί νομίζω ὅτι τώρα δέν πέσαμε στίς «λίγες αὐτές περιπτώσεις». Θά μοῦ ἐπιτρέψετε νά φύγω. Προτιμῶ νά πάω νά δῶ μιά ἀστυνομική ταινία σέ κανένα κινηματογράφο».

Ὅταν ὕστερα ἀπό ἕνα χρόνο τόν ξανασυνάντησα ἐδῶ στήν Ἀθήνα, τόν Σεπτέμβριο τοῦ 1958, στό σπίτι τῶν ἀδελφῶν Κατσογιάννη, στήν Μαγκουφάνα, πηδώντας ἕνα βράδυ τόν μαντρότοιχο, πού προστάτευε τόν μαέστρο ἀπό τίς δημοσιογραφικές ἐπιδρομές, θυμήθηκα νά τόν ρωτήσω ἄν ἐξακολουθῆ νά πηγαίνη στόν κινηματογράφο. Ἐκεῖνος τότε μοῦ ἔδωσε αὐτή τήν ἀπάντηση:

«Βεβαίως, γιατί θεωρῶ τόν Κινηματογράφο θαυμάσιο μέσο ψυχαγωγίας γιά ἀνθρώπους σάν καί μένα πού ξοδεύουμε τήν ζωή μας στήν ὑπηρεσία τῆς Τέχνης, χωρίς νά ἔχουμε περιθώρια ἀπολαύσεως τῆς ζωῆς ἐκ τοῦ φυσικοῦ».

Ἀλλά ἐκτός ἀπό τόν κινηματογράφο, ὁ Μητρόπουλος εὐχαριστιόταν καί μέ πολλά ἄλλα ἁπλᾶ πράγματα: Κάπνιζε ἀδιάκοπα, ἀπό τά φαγητά εἶχε ἀδυναμία ἰδιαίτερη στόν μουσακᾶ, τά φασόλια καί τό γιαουρτι, ἔτρωγε πολλά φροῦτα. Ἐπίσης πάντα ἔκλεβε λίγον καιρό ἀπό τίς ἐπαγγελματικές ἀσχολίες του γιά νά διαβάση φιλοσοφικά βιβλία ἀλλά καί λογοτεχνικά. Θαύμαζε τόν Καζαντζάκη κι' ἀπ' ἀπ' τά ἔργα του προτιμοῦσε τόν «Φτωχούλη τοῦ Θεοῦ».

Στό βάθος ἦταν ἕνας ἀσκητής, ἀφιερωμένος μέ πάθος στήν τέχνη τῆς μουσικῆς. Ἦταν ἀκόμα ἕνας ἄνθρωπος γεμάτος αἰσθήματα ἀγάπης γιά τόν διπλανό του καί ἕνας ἀδιόρθωτος ἐραστής τῆς φύσεως. Ἀπό πολύ νέος σκαρφάλωνε σέ ψηλές βουνοκορφές «ἀπ' ὅπου—ὅπως ὁ ἴδιος ἔλεγε—μπορεῖ ὁ ἄνθρωπος νἀρθῆ πιό κοντά στό Θεό». Ἡ ἀδυναμία του γιά τήν ὀρειβασία τοῦ ἄφησε μιά συνήθεια πού χαρακτήριζε τήν ἐμφάνισή του: τά πολύ φαρδειά παπούτσια.

— Ἡ συνήθειά μου νά φοράω πάντα φαρδειά παπούτσια—μοῦ ἐξωμολογήθηκε κάποτε—ξεκινάει: ἀπό τήν ἐποχή τῆς νιότης μου, τότε πού φανατικός ὀρειβάτης σκαρφάλωνα στά βουνά μέ τίς φαρδειές ὀρειβατικές ἀρβύλες. Σήμερα ἐξακολουθῶ νά φοράω φαρδειά παπούτσια, γιατί τά βρίσκω ξεκούραστα καί ἀκόμη γιατί μπορῶ μ' αὐτά νά πατάω πιό στέρεα πάνω στό πόντιουμ ὅταν διευθύνω.

Ἀλλά νά, πού γιά μιά φορά, τό μεσημέρι τῆς περασμένης Τετάρτης, δέν μπόρεσαν τά φαρδειά παπούτσια νά κρατήσουν ὄρθιο τόν Δημήτρη Μητρόπουλο. Ὁ θάνατος ἦταν ἔξω ἀπό τούς ὑπολογισμούς τοῦ μεγάλου καί ἀλησμόνητου Ἕλληνα μαέστρου.

ΗΡΘΕ Η ΩΡΑ ΤΩΝ ΜΟΥΣΙΚΩΝ

Ὁ συνθέτης Γ. Σισιλιάνος πιστεύει πώς ἡ ὀρχήστρα τῆς Ραδιοφωνίας μπορεῖ νά κινητοποιήση τίς μουσικές δυνάμεις τοῦ τόπου καί νά προβάλη τήν παραγωγή του

ΕΡΩΤΗΣΗ : Νομίζετε ὅτι τό ἀθηναϊκό κοινό μπορεῖ νά συντηρήση δύο Ὀρχήστρες;

ΑΠΑΝΤΗΣΗ : Τό νομίζω ἀπόλυτα, ὅπως ἐξ ἄλλου συντηρεῖ πιό πολλά ἀπό εἴκοσι θέατρα κάθε εἴδους, καθώς καί πλῆθος ἀπό αἴθουσες ἐκθέσεων εἰκαστικῶν Τεχνῶν, πού λειτουργοῦν σ' ὅλες τίς καλλιτεχνικές περιόδους τοῦ χρόνου. Τό Ἀθηναϊκό, τό Ἑλληνικό γενικώτερα Κοινό, εἶναι ἴσως τό πιό ἐνδιαφέρον καί τό πιό εὐαίσθητο Κοινό πού γνώρισα ὅσα χρόνια γύριζα κι' ἐγώ στήν Ξενητειά, στήν ἀρχή σά σπουδαστής κι' ἀργότερα σάν ἐπισκέπτης.

Γιατί ἔχει τήν ἱκανότητα νά «δέχεται» τά ὄμορφα πράγματα μ' ἕνα ἐνθουσιασμό πού συγκινεῖ καί ἐνισχύει, ἔχοντας ταυτόχρονα τήν εὐγένεια ν' ἀφήνη νά διαφαίνεται ἡ ἀπαρέσκειά του ὅταν δίχως ποτέ ν' ἀποθαρρύνη οὔτε καί ν' ἀποδοκιμάζη.

Συγκεκριμένα, οἱ συναυλίες τῆς Συμφωνικῆς Ὀρχήστρας τοῦ Ε.Ι.Ρ. πού, ὅπως ξέρετε, ἄρχισαν κι' ὁλας ἀπ' τίς ἀρχές τοῦ Ὀκτώβρη καί θά ἐξακολουθήσουν κάθε δεκαπέντε, Κυριακή πρωΐ στίς 11 στό θέατρο «Κεντρικό», ἔρχονται νά συμπληρώσουν ἕνα κενό πού ἄφησαν οἱ συναυλίες τῆς Κρατικῆς Ὀρχήστρας ἀφ' ὅτου μεταφέρθηκαν στό «Ρέξ» κάθε Δευτέρα βράδυ.

Ἐξ ἄλλου εἶναι πιά καιρός ἡ Ἀθήνα ν' ἀποκτήση καί μιά δεύτερη σοβαρή καλλιτεχνική ἐκδήλωση, ὅταν ἄλλες πρωτεύουσες μέ πληθυσμό ἴδιο ἤ καί συχνά μικρότερο, συντηροῦν δύο καί τρεῖς αὐτοτελεῖς Συμφωνικές Ὀρχήστρες, ἔχουν δέ πλῆθος ἄλλων καλλιτεχνικῶν ἐκδηλώσεων κάθε εἴδους καί γιά κάθε γοῦστο, ὄχι πιά μέσα στήν ἴδια ἑβδομάδα ἀλλά μέσα στήν ἴδια μέρα.

ΕΡΩΤ. : Ποιά εἶναι ἡ προοπτική σας γιά τή σύνθεση τῆς Ὀρχήστρας τοῦ Ε.Ι.Ρ.; Σκοπεύετε νά προσλάβετε ἀποκλειστικούς μουσικούς; Ἐάν ναί, ἀπό ποῦ θά ἀντλήσετε τό ὑλικό σας; Θά χρησιμοποιήσετε στελέχη ὑπάρχοντα ἤ θά προσπαθήσετε νά δημιουργήσετε καινούργια;

ΑΠΑΝΤ. : Κανένας δέν μπορεῖ λογικά νά ὑποστηρίξη ὅτι ὁ ἀριθμός τῶν μουσικῶν πού ἐνεργά «κυκλοφορεῖ» τώρα στήν Ἀθήνα εἶναι σέ θέση νά καλύψη ἱκανοποιητικά τίς ἀνάγκες τριῶν δημοσίων μουσικῶν ὀργανισμῶν, ὅπως εἶναι ἡ Κρατική Ὀρχήστρα, ἡ Λυρική Σκηνή καί τό Ραδιόφωνο. Οἱ ἴδιοι μουσικοί μοιράζονται στίς ἴδιες αὐτές δουλειές, μέ ἀποτέλεσμα — γιά νά κερδίσουν τή ζωή πού δέν τούς ἐξασφαλίζει ἀποκλειστικά κανένας ἐργοδότης—νά καταπονοῦνται σέ τρόπον ὥστε οἱ καλλιτεχνικές τους δυνάμεις νά παρουσιάζωνται συχνά μειωμένες. Ἔτσι, ἄν προσθέσουμε καί τίς ἀνάγκες πού τυχόν γεννάει σέ μουσικούς κάθε καλοκαῖρι τό Φεστιβάλ Ἀθηνῶν, τούς μουσικούς πού ἀπασχολεῖ τό Ἐθνικό Θέατρο γιά τίς ὑποκρούσεις τῶν Τραγωδιῶν, καθώς κι' ὁ κινηματογράφος, ἔχουμε μπροστά μας τήν εἰκόνα ἑνός ἐπαγγέλματος ὅπου ἡ ζήτηση ἐργασίας εἶναι σημαντικά μεγαλύτερη ἀπό τήν προσφορά!

Προσωπικά πιστεύω πώς ἡ εἰκόνα εἶναι μονάχα φαινομενική. Ἀλοτε, ὅταν τό ἐπάγγελμα τοῦ μουσικοῦ ἐθεωρεῖτο «κλειστό», ἦταν ἴσως φυσικό νά ὑπάρξη ἀπ' τή μεριά τῶν μουσικῶν ἕνα εἶδος θάλεγα «ἄμυνας», στήν προσπάθειά τους νά κρατήσουν τήν προσφερόμενη ἐργασία μέσα σ' ἕνα κύκλο ἐξαιρετικά περιωρισμένο συναδέλφων τους, ἀχρηστεύοντας τούς «νεοφερμένους» σέ τέτοιο σημεῖο ὥστε νά τούς ἀναγκάζουν νά στραφοῦν πρός ἄλλα, ἀσχετα ἐπαγγέλματα. Τό ἀποτέλεσμα ἀποδείχτηκε ὀλέθριο, ἀφοῦ, μετά τήν ἀποχώρησή τους ἀπό τήν ἐνεργό μουσική ζωή, ἄφησαν πίσω τους κενά τέτοια ὥστε ν' ἀναγκάσουν ἕναν κρατικό μουσικό ὀργανισμό, ὅπως ἡ Κρατική Ὀρχήστρα Ἀθηνῶν, νά καταφύγη στήν εὔκολη ἴσως ἀλλά ἀναποφεύκτη πλέον λύση τῆς μετακλήσεως μουσικῶν ἀπ' τό ἐξωτερικό. Ὁ καιρός πού οἱ μουσικοί γιά νά ζήσουν ἀναγκάζονταν νά ξενυχτοῦν, κάθε βράδυ παίζοντας στίς κάθε λογῆς κοσμικές ταβέρνες καί κέντρα διασκεδάσεως—ἀφοῦ ἡ πραγματική μουσική δραστηριότητα τοῦ Τόπου ἐξαντλούνταν σέ πέντε - δέκα Συμφωνικές Συναυλίες τό χρόνο — πέρασε ὁριστικά. Σήμερα σχεδιάζεται ἡ ἐγκατάσταση Τηλεοράσεως. Ἡ Λυρική Σκηνή παρουσιάζει ἔργα ἰδιαιτέρων ἀξιώσεων πού φυσικά ἀπαιτοῦν ἐξαντλητικές δοκιμές. Τό Ραδιόφωνο ἦρθε ἡ ὥρα του νά ζητήση δικαιωματικά νά παίξη τόν ρόλο πού ἔχει ὑποχρέωση νά παίξη μέσα στήν ἑλληνική μουσική δραστηριότητα. Ἔτσι, ἄν ὑπολογίσουμε καί τήν νεοσύστατη Συμφωνική Ὀρχήστρα Βορείου Ἑλλάδος, ἔχουμε στόν τόπο μας 4 κρατικούς μουσικούς ὀργανισμούς κι' ὁ καθένας ἀπ' αὐτούς μέ δικές του καλλιτεχνικές κατευθύνσεις, δική του «εἰδικότητα», δικό του πρόγραμμα ἐνεργείας στόν τρόπο παρουσιάσεως τῆς ἐργασίας του. Δέν εἶναι ποτέ δυνατό ὁ μουσικός πού σήμερα τό πρωΐ λ. χ. «προβάρει» μιά ὄπερα, τό ἴδιο βράδυ νά παρουσιασθῆ φρέσκος, ξεκούραστος, καλοντυμένος γιά νά λάβη μέρος σέ μιά συναυλία τῆς Κρατικῆς Ὀρχήστρας. Ἔπειτα ὑπάρχει καί τό Ραδιόφωνο. Τό Ραδιόφωνο συντηρεῖ ὀρχήστρα, ἔχει ὡρισμένο προορισμό πού πρέπει νά ἐκπληρώση, κι' ἀνάμεσα στούς σκοπούς του εἶναι ἀσφαλῶς κι' ἡ μόρφωση τοῦ Κοινοῦ τῆς Ἐπαρχίας πού, ἤ δέν διαθέτει ραδιοφωνικό Σταθμό, ἤ δέν εἶναι δυνατό νά δημιουργήση δική της Συμφωνική Ὀρχήστρα. Τό Ραδιόφωνο λοιπόν πρέπει νά στείλη τήν Ὀρχήστρα του στήν Ἐπαρχία. Πρέπει ἴσως κάπως ἀργότερα, νά τήν στείλη νά δώση συναυλίες καί στό Ἐξωτερικό καί τοῦτο ὄχι τόσο γιά λόγους γοήτρου ὅσο γιά λόγους προπαγάνδας καί προωθήσεως τοῦ ἑλληνικοῦ συμφωνικοῦ ἔργου, τοῦ "Ελληνα Ἀρχιμουσικοῦ τοῦ "Ελληνα ἐκτελεστοῦ. Πῶς θά γίνουν ὅλα τοῦτα ἄν δέν φθάση κάποτε νά διαθέτη ἀποκλειστικούς μουσικούς;

ΗΡΘΕ Η ΩΡΑ ΤΩΝ ΜΟΥΣΙΚΩΝ

Μέ ρωτᾶτε ἀπό ποῦ τό Ε. Ι. Ρ. θ' ἀντήση τό ὑλικό σέ ἀποκλειστικούς μουσικούς πού χρειάζεται. Θ' ἀπαντήσω ἀπερίφραστα: Ἀπό τοῦτο τόν τόπο, πού τόσες κρύβει μέσα του καλλιτεχνικές δυνάμεις καί δυνατότητες καί πού πρέπει σύντομα νά προσφέρη τό ἔμψυχο καλλιτεχνικό ὑλικό πού χρειάζεται γιά νά καλυφθοῦν οἱ τεράστιες ἀνάγκες πού παρουσιάζονται κάθε μέρα ὄχι μόνο στό Ραδιόφωνο, ἀλλά καί στήν Λυρική, καί στό Ἐθνικό Θέατρο ἀκόμα, πού καθῶς πιστεύω, πρέπει κι' αὐτό σύντομα ν' ἀποκτήση δική του ἔστω καί ἰδιόμορφη, ἱκανή νά καλύψη τίς ἀνάγκες του, ὀρχήστρα. Πιστεύω πώς ἔφθασε ἡ ὥρα τῶν Μουσικῶν. Ὑπάρχει τόπος γιά ὅλους, ἀρκεῖ νά πληρωθοῦν οἱ ὅροι δημιουργίας τους, πού εἶναι πρῶτα ἡ προσωπική τους σπουδή σάν μουσικῶν—ἀτόμων κι' ὕστερα ἡ «συλλογική» τους θάλεγα σπουδή, πού εἶναι ἡ θητεία τους μέσα σέ μιά ὀρχήστρα, ὑπό τήν καθοδήγηση ἑνός ἔμπειρου Δάσκαλου — Ἀρχιμουσικοῦ.

Μένει τό θέμα (ἡ προϋπόθεση μάλιστα, θάλεγα) τῆς ἀμοιβῆς τῶν μουσικῶν. Πιστεύω ἀπόλυτα ὅτι οἱ "Ελληνες μουσικοί πρέπει, πρίν ἀπ' ὅλα, νά ἐξασφαλίσουν τή ζωή τους ἀπό μιά δουλειά. Γιατί ἡ ὀρχήστρα ἐκείνη πού ἀποτελεῖται ἀπό μουσικούς πού δέν κατατρύχονται ἀπ' τή σκέψη τῆς σκληρῆς βιοπάλης, ἐπειδή ὁ ἐργοδότης τους (εἴτε εἶναι τό Κράτος, εἴτε κάποιος ἰμικρατικός ὀργανισμός) φρόντισε νά τούς ἐξασφαλίση οἰκονομικά, δέν εἶναι σπατάλη οὔτε πολυτέλεια, ἀρκεῖ φυσικά κι' οἱ μουσικοί νά εἶναι πραγματικοί καλλιτέχνες κι' ὄχι ἔμποροι! Ὁ Μουσικός τότε θά ἀποδώση, ὅταν φθάση νά θεωρήση σπίτι του τόν μουσικό ὀργανισμό στόν ὁποῖο στεγάζεται, καί θά γίνη «σπίτι» του ἀπό τή στιγμή πού θά εἶναι σέ θέση νά τόν στεγάζη. Ἀλλά καί θά τόν στεγάζη ὅσο θά ἀποδίδη ἱκανοποιητικά.

ΕΡΩΤ. : Ποιές εἶναι οἱ ὑλικές δυνατότητες τῆς Ὀρχήστρας τοῦ Ε.Ι.Ρ.; Ὑπάρχουν κονδύλια διαθέσιμα ἤ θά δημιουργηθοῦν;

ΑΠΑΝΤ. Τό Ε.Ι.Ρ. δέν εἶναι ἐπιχορηγούμενος κρατικός ὀργανισμός. Τό μόνο του ἔσοδο εἶναι οἱ συνδρομές τῶν ἀκροατῶν του. Μέ τό ἔσοδό του αὐτό ἀγωνίζεται νά ἀνταποκριθῆ στίς ποικίλες ὑποχρεώσεις πού ἔχει καί ἀπέναντι στό Κοινό πού ἀποτείνεται καί θέλει νά διαπαιδαγωγήση, ἀλλά καί ἀπέναντι στό πνευματικό καί καλλιτεχνικό γενικά κεφάλαιο τοῦ τόπου πού πρέπει νά ἀναδείξη καί νά προβάλη. Ἔκανε, καί εἶμαι βέβαιος ὅτι θά κάνη καί στό μέλλον, ὅ,τι μπορεῖ καλύτερο — μέσα στό πλαίσιο τῶν οἰκονομικῶν του πάντα δυνατοτήτων — ὄχι μόνο γιά νά συντηρήση καί τίς δυό του Ὀρχῆστρες, τήν Ἐλαφρά καί τήν Συμφωνική, ἀλλά καί νά τίς παρουσιάση μπροστά στό ἑλληνικό κοινό μέ τήν κολύτερη δυνατή σύνθεση καί τούς καλύτερους μαέστρους. Τό μέλλον εἶναι εὐοίωνο : ἔτσι τοὐλάχιστο πιστεύω προσωπικά.

ΕΡΩΤ. Μετά τήν λήξη τῆς συμβάσεως Λιτσάουερ, πῶς θά ἀντιμετωπισθῆ τό θέμα τῆς θέσεώς του; Πρόκειται γιά θέση μόνιμη ἤ θά διατηρηθῆ μόνον ὅσο χρειάζεται γιά νά ἐπιτευχθῆ ἡ ἀναδιοργάνωση τῆς Ὀρχήστρας;

ΑΠΑΝΤ. Ὅπως δήλωσε κι' ὁ Ἴδιος ὁ Γενικός Διευθυντής τοῦ Ε. Ι.Ρ., ἡ σύμβαση Λιτσάουερ ἔγινε γιατί ἡ Συμφωνική Ὀρχήστρα τοῦ Ραδιοφώνου χρειάστηκε κάποιον Ἀρχιμουσικό — Δάσκαλο πού, πέρα ἀπ' τήν παρακολούθηση καί τήν ἐκπαίδευσή της, θά τήν παρακολουθοῦσε ἀπό πολύ κοντά καί θά τήν παρακολουθοῦσε ἀποκλειστικά. Σήμερα στήν Ἑλλάδα, μ' ὅλο πού ὑπάρχουν κάμποσοι καθ' ὅλα ἄξιοι Ἕλληνες ἀρχιμουσικοί, κανένας τους δέν θά ἦταν ἀσφαλῶς διατεθειμένος νά θυσιάση ὅλες τίς ἄλλες του ἀσχολίες στή Λυρική Σκηνή καί στήν Κρατική Ὀρχήστρα γιά νά ἀφοσιωθῆ ἀποκλειστικά στήν Ὀρχήστρα τοῦ Ραδιοφώνου.

Προσωπικά πιστεύω ὅτι τό Ραδιόφωνο πρέπει πάντα νά ἔχει ἕναν δικό του, μόνιμο ἀρχιμουσικό.

Ο ΑΡΧΙΜΟΥΣΙΚΟΣ ΠΡΕΠΕΙ ΝΑ ΕΙΝΑΙ ΝΕΟΣ

Γιά τώρα, ὁ ἀρχιμουσικός αὐτός ἦταν ἀνάγκη νά εἶναι ξένος, γιά νά μπορῆ, ἀνεπηρέαστος ἀπ' τά ἑλληνικά πρόσωπα, καταστάσεις καί πράγματα νά κάνη ἀντικειμενικά τή δουλειά του, δίζοντας τό θέμα τῆς Ὀρχήστρας τοῦ Ε.Ι.Ρ. στίς σωστές του βάσεις. Ἐπί πλέον, ὁ ἀρχιμουσικός αὐτός χρειάστηκε νά εἶναι καί ὁλότελα ἀδέσμευστος ἀπό ὁποιεσδήποτε ἄλλες ὑποχρεώσεις. Στό μέλλον ὁ ἀρχιμουσικός τοῦ Ε.Ι.Ρ. θά πρέπει νά θεωρῆ τήν δουλειά του στό Ραδιόφωνο σάν κυρία του πάντα ἀπασχόληση, ἄν καί ὄχι ἀποκλειστική, διευθύνοντας μερικές μόνο συναυλίες τό χρόνο (ἐνῶ τίς ὑπόλοιπες θά τίς διηύθυναν ἄλλοι, ἐκτός Ραδιοφώνου "Ελληνες καί ξένοι ἀρχιμουσικοί) ἀλλά παραμένοντας πάντα ὁ καλλιτεχνικός διευθυντής καί ὑπεύθυνος τῆς Ὀρχήστρας. Ἕνας τέτοιος ἀρχιμουσικός θά πρέπει νά ἀναζητηθῆ ἀνάμεσα σ' ἀνθρώπους νέους, πού δέν ἐφθάρησαν μέσα στή ρουτίνα τῆς καλλιτεχνικῆς ζωῆς, πού νάχουν ἰδέες νέες, νέα σχέδια, ἀνθρώπους μέ ἐνθουσιασμό καί πίστη στήν ἀποστολή τοῦ Ραδιοφώνου, καί σάν μέσου ἐπικοινωνίας τῆς ἑλληνικῆς Μουσικῆς Τέχνης μέ τόν ἔξω κόσμο, ἀλλά καί σάν μέσου μορφωτικοῦ τοῦ μεγάλου Κοινοῦ μέσα καί ἔξω ἀπ' τήν Ἑλλάδα.

ΕΡΩΤ. : "Οσον ἀφορᾶ τά προγράμματα: Ποιές εἶναι οἱ γενικές κατευθύνσεις σας; Θά ἀκολουθήσετε τίς προτιμήσεις τοῦ Κοινοῦ, ὅπως μποροῦμε νά ποῦμε ὅτι γίνεται στίς ἐκπομπές γενικά τοῦ Ε.Ι.Ρ. καί στίς συναυλίες τῆς Κρατικῆς Ὀρχήστρας, ἤ θά ἐπιχειρήσετε τήν ἀναμόρφωση τοῦ προγράμματος ἔστω καί ἄν ἡ νέα γραμμή του δέν θά εἶναι τῆς ἀπολύτου ἀρεσκείας τοῦ Κοινοῦ; Καί πιό συγκεκριμένα: Τι ποσοστό θά ἀντιπροσωπεύη στά προγράμματά σας ἡ πρωτοποριακή μουσική ἤ μᾶλλον, θά λέγαμε, ἡ μή καθιερωμένη ἀπ' τή συχνές ἐπαναλήψεις μουσική;

ΑΠΑΝΤ. Κυρία μας ἐπιδίωξη εἶναι φυσικά νά προσφέρουμε στούς ἀκροατές μας κάτι πού δέν θά μποροῦν νά βροῦν ἀλλοῦ ἐκτός ἀπ' τό Ραδιόφωνο. Ἀλλά καί τό Ραδιόφωνο ἔχει ἀνάγκη πρῶτα νά ἐλκύση τό ἀκροατήριό του, (γιατί ἀλλοιῶς θἄχη ἐντελῶς ἀποτύχει) καί ταὐτόχρονα νά τό ἐκπαιδεύση, προσφέροντάς του ὅ,τι ὑπάρχει ἐκλεκτό. Μαζί μ' αὐτά ἔχει κιόλας τήν ὑποχρέωση νά προβάλη καί νά ἀναδείξη τό ἑλληνικό πνευματικό κεφάλαιο στόν τομέα τῆς Μουσικῆς.

ΤΑ ΕΛΛΗΝΙΚΑ ΕΡΓΑ

Προσπαθοῦμε νά κρατήσουμε τά προγράμματα ἀπό δίσκους σ' ἕνα ἐπίπεδο ὅσο γίνεται πιό ὑψηλό, προσφέροντας μουσική ποιότητας γιά κάθε γοῦστο καί γιά κάθε κατηγορία ἀκροατῶν. Ὅσο γιά τά «ζωντανά» προγράμματα, συμφωνικῆς κυρίως μουσικῆς — αὐτά παρουσιάζουν ἀρκετά λεπτά σημεῖα καί ἔχουν ἀνάγκη μιᾶς ἰδιαίτερης φροντίδας.

Τό Ραδιόφωνο, παρουσιάζοντας ἐφέτος γιά πρώτη φορά δημοσία τήν Συμφωνική του Ὀρχήστρα, οὔτε πρέπει, ἀλλά καί οὔτε ἔχει τήν πρόθεση νά ἀντιστρατευθῆ τίς Συναυλίες τῆς Κρατικῆς Ὀρχήστρας Ἀθηνῶν. Ἀντίθετα μάλιστα: εἰλικρινής μας προσπάθεια εἶναι νά τήν συμπληρώσουμε (τό ἰδεῶδες μάλιστα θἄταν νά τό κάνουμε σέ ἁρμονική καί ἐποικοδομητική συνεργασία μέ τούς ἰθύνοντες τήν ΚΟΑ), προσφέροντας προγράμματα μέ ἔργα, ἑλληνικά καί ξένα, ἀπ' αὐτά πού τό ἑλληνικό κοινό δέν εἶχε μέχρι σήμερα τήν εὐκαιρία νά ἀκούση ἤ ν' ἀκούση συχνά. Οἱ προτιμήσεις μας θά στραφοῦν ἰδιαίτερα, ἄν καί ὄχι ἀποκλειστικά, ἀφ' ἑνός στό προκλασσικό καί ἀφ' ἑτέρου στό σύγχρονο ρεπερτόριο. Ἰδιαίτερη φροντίδα θά ληφθῆ γιά τήν παρουσίαση ἔργων Ἑλλήνων συνθετῶν. Κάθε μιά ἀπό τίς Συναυλίες τοῦ Ε.Ι.Ρ. θά περιέχη κι' ἀπό ἕνα ἑλληνικό ἔργο ἀξιώσεων, κάνοντας τήν ἐκλογή ἀπό ἐκεῖνα τά ἑλληνικά ἔργα πού δέν παίχθηκαν ἀκόμα ἤ πού παίζονται σέ ἀραιά χρονικά διαστήματα.

Γιά ὅλ' αὐτά ὅμως χρειάζονται ἐπίπονες δοκιμές τῆς Ὀρχήστρας, φροντίδες καί ἐπί πλέον δαπάνες. Θά δημιουργηθοῦν ἀκόμα μεγάλα καί δύσκολα ἐμπόδια, πού τό Ε. Ι.Ρ. πρόθυμα ἀπεφάσισε νά ὑπερπηδήση, ὄχι πιά μέ τήν ἐλπίδα, ἀλλά μέ τήν βεβαιότητα ὅτι θἄχη συμπαραστάτες του ὄχι μόνο τούς μουσικούς τῆς ὀρχήστρας του, πού μέ τήν φιλοτιμία πού τούς διακρίνει θά προσφέρουν τόν καλύτερο ἑαυτό τους, ἀλλά καί τό κοινό τῆς πρωτεύουσας, πού θά περιβάλη τήν ἀνανεωτική αὐτή προσπάθεια μέ τήν ἐμπιστοσύνη καί τό ἐνδιαφέρον του.

Ὁ Γ. Σισιλιάνος μέ τόν μεγάλο μαέστρο ποῦ χάσαμε...

ΕΡΩΤ. : Πῶς ἀντιμετωπίζετε τό θέμα τῶν σολίστ;

ΑΠΑΝΤ.: Μέ τόν ἴδιο ἀκριβῶς τρόπο πού κάθε κρατικός ἤ ἡμικρατικός ὀργανισμός πρέπει νά ἀντιμετωπίζη τήν προβολή ἤ τήν ἐκμετάλλευση τοῦ ἑλληνικοῦ καλλιτεχνικοῦ καί πνευματικοῦ κεφαλαίου στό σύνολό του. Κι' ὅλας μέσα στόν τόπο ὑπάρχουν κάμποσοι θεσμισμένοι πιά καλλιτέχνες. Στό ἐξωτερικό τό ἑλληνικό ὄνομα τιμᾶται μέ καλλιτέχνες διεθνοῦς πλέον ἀκτινοβολίας, ὅπως ἡ Μαρία Κάλας, ἡ Μπαχάουερ, ὁ Καρούδης, ὁ Ζαχαρίου, ἡ "Ελενα Νικολαΐδου, ὁ Μοσχονᾶς, ὁ Δημήτρης Χωραφᾶς καί, μέχρι πρίν λίγες ἡμέρες, ὁ μεγάλος Δημήτρης Μητρόπουλος. Πλάϊ σ' ὅλους αὐτούς, νέοι "Ελληνες καλλιτέχνες φανερώνονται κάθε μέρα, μερικοί δέ ἀπ' αὐτούς μέ μιά τέτοια δράση στό ἐξωτερικό, ὥστε νά ἐπιτρέπη τίς πιό ἐλπιδοφόρες προβλέψεις γιά τό μέλλον. Πρόθεσή μας εἶναι νά ζητήσουμε συμμετοχή στά προγράμματά μας ὅλων τῶν ἄξιων Ἑλλήνων σολίστ, εἴτε ζοῦν στήν Ἑλλάδα, εἴτε κάνουν καρριέρα στό ἐξωτερικό. "Ομως σοβαρή μέριμνά μας θά εἶναι ἡ προβολή καί ἡ ἀνάδειξη τῶν νέων μας ἐκείνων πού ἔχουν τά φυσικά προσόντα νά ἀνέβουν».

Στό Ε.Ι.Ρ. ὑπάρχει ἡ ἐκπομπή «Ἡ ὥρα τῶν νέων Ἑλλήνων καλλιτεχνῶν», ὅπου τρεῖς νέοι καλλιτέχνες, διαφόρου εἰδικότητος, δίνουν ἕνα ἡμίωρο ρεσιτάλ, μέ συνοδεία πιάνου. Ἀπό τό καλοκαίρι ἐγκαινιάσθηκε καί συναυλία μέ νέους "Ελληνες σολίστ καί συνθέτες, ἀπ' ὅπου ἀκούστηκαν δυό "Ελληνες μουσικοί (καί μάλιστα ὁ ἕνας γιά πρώτη φορά) καί ἕνας νέος "Ελληνας συνθέτης. Τό καθεστώς αὐτό θά συνεχισθῆ καί στό μέλλον.

Πλάϊ στούς "Ελληνες σολίστ, τό Ε.Ι.Ρ. θά παρουσιάση ἐφέτος μέ τήν Συμφωνική του Ὀρχήστρα καί μερικούς ξένους καλλιτέχνες, ἀνάμεσα στούς ὁποίους ὁ διάσημος Ἰταλός βιολοντσελίστας Ἐνρῖκο Μαϊνάρντι κι' ὁ ἐπίσης διάσημος πιανίστας Γκέοργκ Ντέμους.

ΤΑ ΣΧΟΛΙΑ ΤΩΝ ΕΚΠΟΜΠΩΝ

ΕΡΩΤ. : Θά ἦταν δυνατόν οἱ ἐπεξηγήσεις τῶν προγραμμάτων πού γίνονται σέ ὡρισμένες ἐκπομπές νά ἐπεκταθοῦν σέ ὅλες;

ΑΠΑΝΤ.: Νομίζω ὄχι, ἀφοῦ τότε, στό σύνολό του, τό μουσικό πρόγραμμα θά γέμιζε ἀπό προφορικό λόγο, πού συχνά θά ἐνοχλοῦσε ἤ ἁπλῶς δέν θά ἐνδιέφερε ἐκείνη ἀκριβῶς τήν κατηγορία τῶν ἀκροατῶν, πρός τήν ὁποίαν ἀποτείνονται μερικές ἐκπομπές καί τοῦ Ἐθνικοῦ, ἀλλά κυρίως τοῦ Τρίτου Προγράμματος. Εἶναι πιά ἀπό τήν πεῖρα ἀποδεδειγμένο, ὅτι καί ἕνα σύντομο ἀκόμα σημείωμα, ὅταν δέν ἔχη νά προσθέση κάτι ἀπόλυτα ἀναγκαῖο σ' ἕνα συγκεκριμένο μουσικό πρόγραμμα, ἀντί νά ὠφελῆ, ἀντίθετα κουράζει, δημιουργεῖ στόν πληροφορημένο, ἀλλά καί στόν μέσο ἐπίσης ἀκροατή, τό αἴσθημα μιᾶς ὄχι εὐχάριστης ἀναμονῆς, πού καταντάει ἐπιζήμια γιά τήν μουσική πού ἐπακολουθεῖ καί πού φέρνει, βέβαια, τό κύριο βάρος τῆς ἐκπομπῆς.

Τό Ε.Ι.Ρ. προλογίζει καί σχολιάζει ἐκεῖνες ἀκριβῶς τίς ἐκπομπές, πού ἔχουν ἀπόλυτη ἀνάγκη ἐπεξηγήσεων. Καί αὐτές ἀκριβῶς εἶναι οἱ ἐκπομπές πού ἐξαιρεῖτε στήν ἐρώτησή σας. Στίς περιπτώσεις ἐκπομπῶν μέ ἐπεξηγηματικά σχόλια θά προστεθοῦν ἐφέτος οἱ ἐκπομπές "Οπερας. οἱ ἐκπομπές μέ μουσική τοῦ 20οῦ αἰῶνος καθώς καί μιά νέα σειρά 52 ἐκπομπῶν, ὅπου οἱ ἀκροατές μας θἄχουν τήν εὐκαιρία νά ἀκούσουν ὑπεύθυνα γραμμένα σχόλια πάνω σέ μουσικά ἔργα καί συνθέτες πού ἔπαιξαν ἕνα σημαντικό ρόλο στήν δημιουργία τῆς μουσικῆς γλώσσας ἀπό τόν Μεσαίωνα, πού πρωτογράφτηκε μουσική σέ πεντάγραμμο, μέχρι τῶν πρωτεργατῶν τῆς ἀφηρημένης Μουσικῆς Τέχνης τῆς ἐποχῆς μας.

ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Ο ΔΗΜΙΟΥΡΓΟΣ ΚΑΙ Ο ΑΝΑΔΗΜΙΟΥΡΓΟΣ

Ἂν ἡ νεώτερη Ἑλλάδα δέν ἔδωσε ὡς τώρα στή μουσική τέχνη κανένα ἔργο πού νά μπορή νά σταθῆ πλάϊ σ' ἐκεῖνα πού ἄφησαν οἱ μεγάλοι ξένοι δημιουργοί, ἔδωσε ὡστόσο κάτι πού μπορεῖ στά χρόνια μας νά εἶναι σημαντικώτερο: τό ἀναδημιουργικό ἔργο τοῦ Δημήτρη Μητρόπουλου. Σ' αὐτά τά χρόνια, πού εἶναι ἀναμφισβήτητα μιά περίοδος κάμψεως τῆς δημιουργίας καί ὅπου δέν μποροῦμε νά ξεύρωμε ποιούς ἀπό τούς κορυφαίους σήμερα μουσουργούς θά ἀναγνωρίσουν οἱ μελλούμενες γενιές ὡς μεγάλους δημιουργούς, ἀφοῦ οὔτε ἐμεῖς τούς νιώθομε ἀληθινά μεγάλους ὅταν δέν τούς ἀπορρίπτωμε ἀνεπιφύλακτα, ἤ ἂν δέν τούς θεωρήσουν ὅλους σάν ἐλάσσονες μουσουργούς παρακμῆς, γιά τοῦτο μονάχα μποροῦμε νά εἴμαστε σίγουροι: ὅτι ἡ ἐποχή μας θά μείνη στήν ἱστορία τῆς μουσικῆς ὡς ἡ ἐποχή τῆς πιό θαυμαστῆς ἀναδημιουργίας στόν τομέα τῆς συμφωνικῆς μουσικῆς, καί ὅτι τά ὀνόματα τῶν μεγάλων ἀρχιμουσικῶν της θά προβάλλωνται πάντοτε τιμητικά κι' ἀνάμεσά τους, σάν ἕνα ἀπό τά λαμπρότερα, τό ὄνομα τοῦ δικοῦ μας Δημήτρη Μητρόπουλου.

Ὡς δημιουργός ξεκίνησε ὁ Μητρόπουλος καί,

παρ' ὅλες τίς δόξες πού γνώρισε πάνω στό βάθρο τοῦ ἀρχιμουσικοῦ, μέσα του καταχωνιάστηκε ἡ πίκρα πού ἀφήνουν τά μεγάλα ὀνειρα ὅταν δέν γίνουν κάποτε πραγματικότης. Νά ἐγκατέλειψε ἄραγε τήν δημιουργία ὁ Μητρόπουλος γιατί ὡς μουσουργός ἔνιωσε ἐκεῖνο πού δέν θέλησε νά δῆ ὡς ἀρχιμουσικός: ὅτι δηλαδή οἱ δρόμοι, πού εἶχε κι' ὅλας χαράξει ἡ μουσική δημιουργία καί πού ἐκεῖνος ἀκολούθησε, ὁδηγοῦσαν σ' ἕνα ἀδιέξοδο; Καί νά θέλησε ἄραγε νά μείνη μέ αὐταπάρνηση πιστός στό πρῶτο του ξεκίνημα, ὡς ἀρχιμουσικός πλέον καί ὄχι ὡς δημιουργός, γιά νά κρατήση μέσα του ἀνέπαφη τήν ὁρμή τῆς νιότης του, ἐκεῖνη πού τόν εἶχε κάνει νά πιστέψη στά τόσα ἐλπιδοφόρα μηνύματα τῆς μουσικῆς πρωτοπορίας, μ' ὅλο πού ὕστερα διαψεύσθηκαν; Ὅπως καί νἄναι, ἐμᾶς τούς Ἕλληνες ὁ Μητρόπουλος πρέπει νά μᾶς ἐνδιαφέρη καί ὡς ἀρχιμουσικός ἀλλά καί ὡς μουσουργός. Καί τοῦτο, γιατί εἶναι ὁ πρῶτος Ἕλλην μουσουργός ἀπό τούς συγχρόνους του, πού μέσα στό παραλήρημα τοῦ μουσικοῦ ἐθνικισμοῦ, πού συνέπεσε μέ τά χρόνια τῆς νιότης του παίρνει κι' ὅλας μιά στάση διαφορετική καί, χωρίς νά ἀγνοῆ ὁλότελα τόν μουσικό ἐθνικισμό, βλέπει πῶς ἡ ἑλληνική μουσική τέχνη μπορεῖ νά δρῆ τόν δρόμο της, ἀφοῦ πρῶτα ἐνταχθῆ ἀνεπιφύλακτα στήν εὐρωπαϊκή μουσική τέχνη. Εἶναι ὁ πρῶτος πού δέν θέλει τήν μουσική Ἑλλάδα νά εἶναι μιά ἐπαρχία τῆς μουσικῆς Εὐρώπης καί νά προβάλλη πάντα τό ἠθογραφικό χρῶμα της καί τίς ἐξωτερικές ἰδιοτυπίες της. Κι' ἂν παράτησε τίς προσπάθειές του γιά τήν εὐθυγράμμιση τῆς ἑλληνικῆς μουσικῆς δημιουργίας μέ τίς τελευταῖες τάσεις τῆς εὐρωπαϊκῆς μουσικῆς τέχνης, ἴσως νά ἦταν ἡ ἑλληνική ψυχή του πού τόν ἐμπόδισε νά προχωρήση ὡς δημιουργός σ' ἕνα δρόμο παρακμῆς, πού δέν ἐναρμονιζόταν μέ ἐκεῖνο πού ἡ ψυχή του ἀποζητοῦσε, χωρίς ὡστόσο νά μπορῆ νά δρῆ ἕναν ἄλλο δρόμο πού νά εἶναι πάντα στό πλαίσιο τῆς εὐρωπαϊκῆς μουσικῆς τέχνης.

❁

Ἴσως ὅλα αὐτά νά εἶναι αὐθαίρετες εἰκασίες. Ἐκεῖνο πάντως πού εἶναι ἀναμφισβήτητο εἶναι τό γεγονός ὅτι μέ τόν ἀρχιμουσικό Μητρόπουλο ἡ Ἑλλάς ἐμφανίζεται πιά ἰσότιμη στόν διεθνῆ μουσικό στίβο, στόν πιό σημαντικό σήμερα τομέα τῆς μουσικῆς τέχνης. Ἀκρίτας τῆς ἑλληνικῆς τέχνης στόν τομέα αὐτόν τῆς ἀναδημιουργίας, ὁ Δημήτρης Μητρόπουλος παλεύει μόνος του στά μεγάλα διεθνῆ μουσικά κέντρα, κρατῶντας ὑκέραιο τό ἑλληνικό ὄνομά του. Δέν τοῦ εἶναι πλεονέκτημα αὐτό τό ὄνομα, ὅπως θά συνέβαινε στήν περίπτωση πού θά παρουσιαζόταν ὡς ἐθνικός μουσουργός καί θά μποροῦσε ἔτσι, προβάλλοντας τήν ἐθνική ἰδιοτυπία, νά ἀποφύγη τά μέτρα συγκρίσεως. Ἦταν ἕνα μειονέκτημα πού τόν ἔφερε ἀντιμέτωπο μέ ὀργανωμένες ξένες ἀντιζηλίες, οἱ ὁποῖες κρατοῦσαν γερά τά πόστα, ἤ ἐπεχείρησαν νά τόν τορπιλλίσουν καί κάποτε τό ἐπέτυχαν.

Τόν Μητρόπουλο τόν εἴδαμε ἐμεῖς νά μᾶς ἐπιστρέφη νικητής καί μέ τήν αἴγλη τῆς παγκόσμιας ἀναγνωρίσεως, κι' ὅμως τόν ἀκούσαμε νά ἀποδίδη μέ σεμνότητα τήν καταπληκτική ἄνοδό του στήν τύχη πού τόν βοήθησε. Δέν τόν ἀκούσαμε νά λέγη τίποτε γιά τίς ἀντιδράσεις πού ἀντιμετώπισε, γιά τίς πίκρες πού δοκίμασε καθώς πάλευε στά ξένα ὁλομόναχος, γιά τήν σκληρή καί ἀδιάκοπη ἐργασία του, γιά ὅλη αὐτή τήν ὑπεράνθρωπη προσπάθεια πού κατέβαλε, πάντα ἀνεβαίνοντας, ὥσπου νά φτάση στίς πιό ψηλές κορυφές τοῦ Ἑλικῶνα, αὐτός ὁ ἀκατατόνητος ἄλλοτε ὀρειβάτης τῶν ἑλληνικῶν δουνῶν.

Μά νά πού προχθές ἐπλήρωσε τό τίμημα. Δέν λύγισε γιά νά περάση ἔπειτα τά ὕστερνά του ἀργοπεθαίνοντας σ' ἕνα κρεβάτι μέσα στόν τόπο ὅπου πρωτοεῖδε τό φῶς καί πού νοερά ἔμεινε πάντοτε δεμένος μαζί του. Παλληκάρι, κι' ἂς εἶχε περάσει τά ἑξήντα του χρόνια, ἔπεσε σάν παλληκάρι ἐκεῖ πού τόν ἔταξε τό χρέος του στήν Τέχνη. Σέ ξένο τόπο καί μπροστά σέ ξένους μουσικούς τόν βρῆκε ὁ κεραυνός τῆς μοιραίας ἐκείνη στιγμή, πού τό ἤξευρε ἐκεῖνος, χωρίς ὡστόσο νά δειλιάση, πῶς θά ἔρθη πιό γρήγορα ὅσο ἐπέμενε νά στέκεται στήν θέση του ὀρθός καί μαχητής. Κι' ὅμως, δέν ἦταν πιά ξένος γιά τούς μουσικούς τῆς Σκάλας τοῦ Μιλάνου, πού ἀποσβολωμένοι τόν εἶδαν νά γκρεμίζεται ἀπό τό βάθρο του, ἀφοῦ λίγο πρίν τούς μιλοῦσε μιά γλῶσσα τόσο γνώριμη. Οὔτε ἦταν ξένος γιά τούς μουσικούς πού ἔπαιξαν στίς ἄλλες μεγάλες ὀρχῆστρες πού διηύθυνε, οὔτε στίς χιλιάδες τῶν ἀκροατῶν πού τόν ἐπευφήφησαν σ' ὅλα τά μεγάλα μουσικά κέντρα ἀπό τήν Ἀμερική ἕως τήν Ρωσία καί τό Ἰσραήλ. Ἦταν πιά δικός τους.

Δικός τους ἀλλά καί δικός μας καί μάλιστα ἀπό πολύ πρίν μᾶς τόν πάρουν τά ξένα. Γιατί ὁ Μητρόπουλος ἐδῶ στόν τόπο του εἶχε τίς πρῶτες ἐπιτυχίες του, ἐδῶ τόν ἀγκάλιασε ἕνας ὁλόκληρος κόσμος, πού ὡστόσο λένε πώς δέν ξεύρει νά ἀναγνωρίση τίς δικές του ἀξίες. Γιά τόν Μητρόπουλο, ἡ ἀναγνώριση ἦρθε ἀπό τούς δικούς του πρῶτα καί πολύ πρίν ἀπό τήν καθιέρωσή του ἀπό τούς ξένους. Κι' αὐτό εἶναι τίτλος τιμῆς γιά τό ἑλληνικό κοινό.

Ἀπό τόν Δημήτρη Μητρόπουλο θά μείνουν πιά, μαζί μέ τήν δόξα του, τήν δόξα πού χάρισε στήν Ἑλλάδα, καί τήν ἀνάμνηση πού ἄφησε σέ ὅσους τόν γνώρισαν ἀπό κοντά ἤ πάνω στό βάθρο τοῦ ἀρχιμουσικοῦ, τά ἔργα του πού ἴσως νά ἐνδιαφέρουν μονάχα ἐμᾶς τούς Ἕλληνες καί ἦχοι πού χάραξε ἀναδημιουργώντας τά ἔργα μεγάλων μουσουργῶν. Τί θά μπορέση ὅμως νά δώση τήν ζωντανή παρουσία ἐκείνου πού, γεμᾶτος ψυχή, τήν πρόσφερε ἁπλόχερα γιά νά τήν μεταδώση μαζί μέ αὐτούς τούς ἦχους σάν θεῖο δῶρο στούς συνανθρώπους του;

ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Μέ τόν αἰφνίδιον θάνατον τοῦ Δημήτρη Μητροπούλου, ἡ Ἑλλάς ἔχασεν ἕνα διακεκριμένον καλλιτέχνην ὁ ὁποῖος ἐτίμησε τήν χώραν μας εἰς τό ἐξωτερικόν. Πραγματικῶς μία μεγάλη ἐθνική ἀπώλεια πρέπει νά θεωρηθῆ ὁ θάνατος τοῦ μεγάλου μαέστρου. Ὑπῆρξε καθ' ὅλα τά ἔτη τῆς παραμονῆς του εἰς τό ἐξωτερικόν, ὅπου διηυθυνε τάς πλέον φημισμένας ὀρχήστρας τοῦ κόσμου, ὁ καλύτερος πρεσβευτής τῆς Ἑλλάδος εἰς τήν ἀλλοδαπήν. Δικαίως συνεπῶς τό ἐπίσημον κράτος ἀπεφάσισε νά γίνη ἡ κηδεία του δημοσία δαπάνη καί νά τοῦ ἀποδοθοῦν αἱ προσήκουσαι τιμαί. Ἠξιζε πολλά, πάρα πολλά, ὁ ἀείμνηστος μουσουργός.

Ὁ Μητρόπουλος ὀλίγον πρὸ τοῦ θανάτου του, εἰς τὴν «Σκάλαν» τοῦ Μιλάνου.

ΚΑΤΟΠΙΝ ΡΗΤΗΣ ΕΠΙΘΥΜΙΑΣ ΤΟΥ ΜΕΤΑΣΤΑΝΤΟΣ

Η ΣΟΡΟΣ ΤΟΥ ΔΗΜΗΤΡΗ ΜΗΤΡΟΠΟΥΛΟΥ ΘΑ ΚΑΗ ΣΗΜΕΡΟΝ ΕΙΣ ΤΟ ΛΟΥΓΚΑΝΟΝ

Ἡ σποδὸς του θὰ μεταφερθῆ εἰς τὰς Ἀθήνας αὔριον ἤ τὴν προσεχῆ Δευτέραν

Ἡ σορὸς τοῦ Μητροπούλου θὰ καῆ σήμερον εἰς τὴν Ἰταλίαν. Ἡ ἀπόφασις αὐτὴ ἐλήφθη ὅταν ἠνοίχθη ἡ διαθήκη τοῦ μεγάλου μαέστρου ἀπὸ τὸν πληρεξούσιον Ἀμερικανὸν δικηγόρον του κ. Ντίξον. Ρητὴ ἐκφράζεται ἐντὸς αὐτῆς ἡ τελευταία θέλησις τοῦ «μάγου τῆς μπαγκέττας»: Νὰ καῆ ἡ σορός του καὶ νὰ τοποθετηθῆ ἡ σποδὸς εἰς ἑλληνικὴν λήκυθον.

Ὡς ἦτο ὅμως φυσικὸν τὸ πρόγραμμα τῆς μεταφορᾶς εἰς Ἑλλάδα τῆς σοροῦ ἀνετράπη. Οἱ εἰς Ἰταλίαν μεταβάντες διὰ νὰ συνοδεύσουν τὸ λείψανον τοῦ Δημήτρη Μητροπούλου Ἕλληνες ἐντεταλμένοι, δὲν ἠδυνήθησαν νὰ ἐπέμβουν. Ὁ πληρεξούσιος δικηγόρος κ. Ντίξον ἐπέμεινε πρὸς στιγμὴν εἰς τὸ ὅτι ἐφ' ὅσον ὁ μεγάλος ἀρχιμουσικὸς ἦτο Ἀμερικανὸς ὑπήκοος, ἔπρεπε καὶ νὰ ταφῆ εἰς Ἀμερικὴν καὶ μόνον πρὸ τῆς ἐπιμονῆς τῆς ἑλληνικῆς κυβερνήσεως ὑπεχώρησεν. Ἀλλὰ δὲν ἦτο δυνατὸν νὰ παραβλεφθῆ καὶ ἡ τελευταία θέλησις τοῦ Μητροπούλου. Ἔτσι ἠκολουθήθη ἡ μέση λύσις. Σήμερον ἐκ Ρώμης ὁ ταριχευθεὶς νεκρὸς θὰ μεταφερθῆ εἰς Λουγκάνο διὰ νὰ καῆ, δεδομένου ὅτι τὸ Λουγκάνο εἶναι ἡ μόνη πόλις τῆς Ἰταλίας ποὺ διαθέτει «κρεματόριουμ» καὶ ἀφοῦ τοποθετηθῆ ἡ τέφρα εἰς λήκυθον θὰ εὑρίσκεται τὴν ἑσπέραν αὔριον ἤ τὸ πολὺ τὴν πρωΐαν τῆς Δευτέρας εἰς Ἀθήνας. Σήμερον ἐξ ἄλλου ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Π. Κανελλόπουλος καὶ ὁ ὑπουργὸς Προεδρίας κ. Κ. Τσάτσος θὰ συνέλθουν εἰς σύσκεψιν διὰ νὰ καθορίσουν τὸ πρόγραμμα τῆς κηδείας.

ΤΟ ΠΡΟΚΥΠΤΟΝ ΠΡΟΒΛΗΜΑ

Ὅμως εἶναι δυνατὸν νὰ γίνη κηδεία ὡς τὴν ὁρίζει τὸ τυπικὸν τῆς Ἐκκλησίας; Βεβαίως ὄχι. Ἡ τούλάχιστον οὐδέποτε ἔχει συμβῆ νὰ κηδεύεται ἡ σποδὸς ἑνὸς νεκροῦ μὲ τοὺς κανόνας τῆς ἑλληνικῆς Ὀρθοδόξου Ἐκκλησίας. Τί θὰ γίνη λοιπόν; Δὲν θὰ ταφῆ ὁ Μητρόπουλος ὅπως ὁ κάθε χριστιανὸς ἔχει δικαίωμα εἰς τοῦτο; Ἡ εἴδησις διὰ τὴν ἀνωμαλίαν ποὺ προεκάλεσεν ἡ τελευταία ἐπιθυμία τοῦ μεγάλου μαέστρου ἐγνώσθη ἀργὰ χθὲς τὴν νύκτα καὶ κατὰ συνέπειαν δὲν διηυκρινίσθησαν εἰσέτι αἱ ἀπόψεις τῶν ἁρμοδίων ἐπὶ τοῦ θέματος. Διὰ ζητήματα τῆς σπουδαιότητος αὐτῆς ἀποφασίζει ἡ Ἱερὰ Σύνοδος, ἀλλὰ καὶ αὐτὴ ἀκόμη, μετὰ περισκέψεως καὶ δυσκολίας καὶ κατόπιν μακρᾶς προεργασίας δύναται νὰ ἀποφανθῆ ἐὰν εἶναι δυνατὸν νὰ ταφῆ μὲ τὴν ἀκολουθίαν τῆς κηδείας ἡ σποδός.

Ἐκτὸς τούτου ὑπάρχει καὶ τὸ πρόβλημα, τὸ γενικώτερον ποὺ θὰ ἐδημιούργει ἕνα τέτοιο προηγούμενον. Ποτὲ εἰς τὴν Ἑλλάδα δὲν ἔχει συμβῆ αὐτό, ἔτσι δὲ ἐὰν ἐγένετο ἐξαίρεσις, ἔστω καὶ διὰ μίαν προσωπικότητα, ὅπως ἦταν ὁ Μητρόπουλος, τὸ σκάνδαλον θὰ ἦτο μέγα.

Τὸ πιθανώτερον λοιπὸν εἶναι νὰ συμβῆ ὅ,τι ἔγινε καὶ κατὰ τὴν μετακομιδὴν τῶν ὀστῶν τοῦ ἐθνικοῦ ποιητοῦ Ἀνδρέα Κάλβου ἀπὸ τὸ Λονδῖνον. Νὰ ψαλῆ δηλαδὴ ἕνα τρισάγιον ἐπὶ τῆς σποδοῦ καὶ νὰ τοποθετηθῆ αὐτὴ εἰς τὴν πατρικὴν γῆν χωρὶς οὐδεμίαν ἄλλην θρησκευτικὴν τελετήν.

Ἀλλὰ καὶ πάλιν ἡ λύσις αὐτὴ δὲν καλύπτει τὸ γεννώμενον πρόβλημα. Διότι ἐὰν συνέβη αὐτὸ μὲ τὰ ὀστᾶ τοῦ Κάλβου, νὰ ψαλῆ δηλαδὴ μόνον τρισάγιον, εἶχε προηγηθῆ ἐν τούτοις ἡ τελετὴ τῆς κηδείας. Διὰ τὸν νεκρὸν ὅμως τοῦ Μητροπούλου δὲν πρόκειται ἐκ τῶν μέχρι τοῦδε δεδομένων νὰ συμβῆ αὐτό.

Εἶναι ἐξ ἄλλου ἐνδεχόμενον ἡ τελευταία αὐτὴ ἐπιθυμία τοῦ μεγάλου ἀρχιμουσικοῦ νὰ ἐκληφθῆ ὑπὸ τῆς Ἱερᾶς Συνόδου ὡς ἠθελημένη ἀπόσχισις τοῦ θανόντος ἐκ τοῦ ὀρθοδόξου δόγματος, ἐκτὸς ἐὰν ὁ Μητρόπουλος αἰτιολογῆ εἰς τὴν διαθήκην του τὴν ἀπόφασίν του νὰ καῆ ὁ νεκρός του. Πρᾶγμα ποὺ ἐπὶ τοῦ παρόντος δὲν εἶναι γνωστόν. Ἐν προκειμένῳ ὅμως ἄνθρωποι ποὺ ἐγνώρισαν τὸν μεγάλον μαέστρον βεβαιώνουν τὸ βαθύτατον θρησκευτικὸν αἴσθημα ποὺ τὸν κατεῖχε πάντοτε καὶ δι' αὐτὸν ἀκριβῶς τὸν λόγον ἐξέπληξεν ἡ τελευταία του θέλησις.

Πάντως πρέπει νὰ θεωρῆται βέβαιον ὅτι ἡ σποδὸς τοῦ Μητροπούλου δὲν θὰ κηδευθῆ. Ἡ τέφρα τοῦ «μάγου τῆς μπαγκέττας» θὰ ταφῆ κατὰ πᾶσαν πιθανότητα χωρὶς τοὺς τυπικοὺς κανόνας τῆς Ἐκκλησίας καὶ μόνον μὲ ἕνα ἁπλοῦν τρισάγιον.

Ἰσάξιος τῶν μεγάλων

Ποσο μεγάλος ἦταν ὁ Μητρόπουλος σὰν ἑρμηνευτὴς τῶν μεγάλων ἔργων τοῦ ρεπερτορίου, τὸ διαπιστώνει κανεὶς τώρα μὲ τὴν παγκόσμια ὀδύνη ποὺ προκάλεσε ὁ πρόωρος χαμός του καὶ τὴν παγκόσμια ἀναγνώρισι τῆς ἀξίας του. Ὅλες οἱ ἐφημερίδες, ὅλου τοῦ κόσμου ποϋγραψαν γιὰ τὸν θάνατό του, τὸν κατατάσσουν ἀνάμεσα στοὺς μεγάλους τῆς γενεᾶς τῶν μεγάλων μαέστρων. Ὁ διάσημος συγγραφεὺς μουσικῶν ἔργων Ντόναλντ Μπρούκ παραλληλίζει τὸν Μητρόπουλο μὲ τὸν θουρτβαΐνγκλερ. («Ὅπως κι' ὁ θουρτβαΐνγκλερ, γράφει, ὁ Μητρόπουλος ἦταν ψηλὸς καὶ φαλακρὸς καὶ οἱ χειρονομίες του στὴν διεύθυνσι τῆς ὀρχήστρας εἶχαν μιὰ διακριτικὴ ὁμοιότητα μὲ ἐκεῖνες τοῦ διάσημου Γερμανοῦ. Εἶναι κεῖνο ποὺ θὰ μπορούσαμε ν' ἀποκαλέσουμε νευρῶδες στύλ, χωρὶς βέβαια αὐτὸ νὰ σημαίνη πῶς ὁ Μητρόπουλος ἢ ὁ θουρτβαΐνγκλερ ἦταν νευρωτικοὶ τύποι. Ἦταν φανερὸ ἐν τούτοις ὅτι ἡ μουσικὴ τούς κατεῖχε κυριολεκτικά: Φαινόταν σὰ νὰ τούς ἀπορροφᾶ τόσο ἀπόλυτα, ὥστε διηύθυναν σὰ νὰ ἦσαν κυριαρχημένοι ἀπὸ ἕνα παράξενο πνεῦμα ποὺ ἔρριχνε τὴ σκιὰ του πάνω σ' ὅλη τους τὴν προσωπικότητα. Ὅμως οἱ προσωπικότητες καὶ τῶν δυό ἔβαζαν τὴ σφραγίδα τους στὶς ἑρμηνεῖες τους γιατί κι' οἱ δυό τους ἔβαζαν πολὺ ἀπὸ τὸ προσωπικό τους αἴσθημα στὰ ἔργα ποὺ ἑρμήνευαν. Ἦταν τόση ἡ γοητεία τους καὶ ἡ ἐπιβολή τους στὴν ὀρχήστρα, ὥστε ὕστερα ἀπὸ τὶς πρῶτες δοκιμές, κάθε μέλος τῆς ὀρχήστρας ἤξερε ἀκριβῶς τί ζητοῦσε ἀπ' αὐτὸ ὁ μαέστρος»...

Ἐκεῖνο ποὺ ἀξίζει νὰ ὑπογραμμισθῆ παραλλήλως εἶναι ἡ ἀνθρωπίνη μορφὴ τοῦ Μητροπούλου. Ὁ ἀλτρουϊσμός του ὑπῆρξε συγκινητικός, ἡ γενναιοδωρία του πρὸς τοὺς πτωχοὺς καὶ τοὺς πάσχοντας ἀπεριόριστος, καίτοι μόνον ἐλάχιστα, ὡς πιστεύεται, περιστατικὰ ἔγιναν γνωστὰ λόγω τῶν ἰδιαιτέρων φροντίδων ποὺ ἐλάμβανε, διὰ νὰ καλύπτη τὰς ἐκδηλώσεις συμπαραστάσεώς του πρὸς τοὺς ἀδυνάτους καὶ τοὺς ἐξηθλιωμένους μὲ τὸν πέπλον τῆς μυστικότητος. Ἐξ ἄλλου, ἡ ἁπλότης του καὶ ἡ ἀπέριττος συμπεριφορά του, ἡ κατευθεκτικότης πρὸς τοὺς ὑφισταμένους του, ἰδίως μουσικούς, ὑπῆρξαν πρωτοφανεῖς διὰ τὸν διάσημον ἀρχιμουσικὸν καὶ ἀπετέλεσαν κτυπητὴν ἀντίθεσιν μὲ τὸν «δεντεττισμὸν» ἀρκετῶν μεγάλων μορφῶν τῆς Τέχνης. Ὁ ἐπιτυχέστερος ἴσως καὶ συντομώτερος χαρακτηρισμὸς τοῦ Μητροπούλου, ἔγινε μόλις ἐγνώσθη ὁ θάνατός του ὑπὸ τοῦ διευθυντοῦ τῆς Κρατικῆς Ὄπερας τῆς Βιέννης.

— Ὁ Μητρόπουλος ὑπῆρξεν ὁ ἐξόχως ἀγαθὸς ἄνθρ, διὰ τὸν ὁποῖον οὐδὲν ὑπῆρχεν εἰς τὸν κόσμον πέραν τῶν ὑπηρεσιῶν πρὸς τὴν μουσικὴν καὶ πρὸς τὴν ἀνθρωπότητα.

ΤΑ ΘΕΑΤΡΙΚΑ ΝΕΑ

Θά καῆ σήμερα ἡ σορός τοῦ Μητρόπουλου στό Λουγκάνο τῆς Ἑλβετίας

Ἡ τέφρα θά μεταφερθῆ πιθανόν τό ἀπόγευμα στήν Ἑλλάδα ἐντός ληκύθου

Ἐντός τῆς ἡμέρας πρόκειται νά διευκρινισθῆ ὁριστικά τό ζήτημα τῆς ταφῆς τοῦ Δημήτρη Μητρόπουλου, τό ὁποῖον, ὡς γνωστόν, ἔχει περιπλακῆ λόγω ἀφ' ἑνός τῆς ἐπιθυμίας τοῦ ἐκλιπόντος μαέστρου ὅπως ἡ σορός του καῆ καί τῶν ἀντιφατικῶν ἀφ' ἑτέρου πληροφοριῶν περί τοῦ τόπου στόν ὁποῖον ἐπεδύθη νά ἐναποτεθῆ ἡ τέφρα του.

— Κατά τήν δήλωσι τῆς κ. Τρούντι Γκόθ, ἐμφανιζομένης ὡς γραμματέως τοῦ Μητρόπουλου, ἡ τέφρα πρέπει νά ταφῆ στίς Ἡνωμένες Πολιτεῖες σύμφωνα μέ ἐκφρασθεῖσαν ἐπιθυμία του. Κατ' ἄλλην ὅμως ἄποψι, ἡ ὁποία αὐτή τήν στιγμή φαίνεται καί ἐπικρατεστέρα, ἐπιθυμία τοῦ Μητρόπουλου ἦταν νά καῆ ἡ σορός του σέ κρεματόριο, ἡ δέ τέφρα νά ἐναποτεθῆ σέ ἑλληνική λήκυθο καί νά μεταφερθῆ στήν Ἑλλάδα.

— Ἡ ἐπιθυμία αὐτή τοῦ Μητρόπουλου εἶναι διατυπωμένη σαφῶς στήν διαθήκη του ἡ ὁποία βρίσκεται στά χέρια τοῦ μαέστρου Τζίμ Ντίξον, μαθητοῦ καί προστατευομένου τοῦ μεγάλου μαέστρου. Ὁ Ντίξον, πού εἶναι καί ὁ ἐκτελεστής τῆς διαθήκης, πρέπει ἤδη νά βρίσκεται στό Μιλάνο, ὁπότε θά ἔλθη σέ ἐπαφή μέ τήν ἑλληνική ἀντιπροσωπεία καί θά φροντίση γιά τήν ἐδῶ μεταφορά τῆς τέφρας τοῦ Μητρόπουλου.

ΘΑ ΜΕΤΑΦΕΡΘΗ ΣΤΗΝ ΕΛΒΕΤΙΑ ΓΙΑ ΝΑ ΚΑΗ

Τό πότε θά κομισθῆ ἡ τέφρα στήν Ἀθήνα θά διευκρινισθῆ ἐντός τῆς ἡμέρας, ὁπότε καί θά ὁρισθῆ ὁ τόπος ὅπου θά τελεσθῆ ἡ προετοιμαζομένη τελετή εἰς μνήμην τοῦ Μητρόπουλου.

— Ἐν τῷ μεταξύ, ἡ σορός τοῦ Μητρόπουλου μεταφέρεται σήμερα στό Λουγκάνο τῆς Ἑλβετίας γιά νά καῆ σέ εἰδικό κρεματόριο. Ἡ λήκυθος μέ τήν τέφρα θά ἀποσταλῆ αὐθημερόν στό Μιλάνο ἀπό ὅπου, κατά πᾶσαν πιθανότητα, θά τήν παραλάβη ἡ ὑπό τόν κ. Κουρνοῦτον ἀντιπροσωπεία.

Η ΕΚΚΛΗΣΙΑ ΘΑ ΑΡΝΗΘΗ ΤΗΝ ΤΕΛΕΣΙ ΜΝΗΜΟΣΥΝΟΥ ;

Εἶναι ἐν τούτοις πιθανόν, μετά τήν ἐδῶ μεταφορά τῆς σποδοῦ τοῦ Μητροπούλου, νά δημιουργηθῆ ἄλλη σοβαρά περιπλοκή λόγω τῆς ἀρνήσεως τῆς ἐκκλησίας νά εὐλογήση τήν σχετική τελετή.

— Ἐκκλησιαστικοί κύκλοι ἐδήλωσαν χθές σχετικῶς ὅτι ἡ καῦσις τῶν νεκρῶν εἶναι εἰδωλολατρικόν κατάλοιπον καί ὅτι ἡ Ἐκκλησία στίς περιπτώσεις αὐτές ἀρνεῖται νά τελῆ θρησκευτική τελετήν. Ἔτσι, κατά τούς αὐτούς κύκλους, ἐάν ἡ τέφρα τοῦ Μητρόπουλου μεταφερθῆ στήν Ἀθήνα, ἡ Ἐκκλησία δέν θά ἔχη κομμιά ἀμφιβολία, ἀντιθέτως μάλιστα θά ἀπαγορεύση τήν τέλεσι θρησκευτικοῦ μνημοσύνου.

Ο ΜΗΤΡΟΠΟΥΛΟΣ ΕΖΗΤΗΣΕ ΝΑ ΜΕΤΑΦΕΡΘΗ Η ΤΕΦΡΑ ΤΟΥ ΣΤΗΝ ΕΛΛΑΔΑ

Κατά χθεσινό, ἐξ ἄλλου, τηλεγράφημα ἀπό τήν Νέα Ὑόρκη, ὁ κ. Μπάρτον Χόκερ, διαχειριστής τῆς περιουσίας τοῦ Μητροπούλου στήν Νέα Ὑόρκη ἐδήλωσεν ὅτι ὁ ἐκλιπών θά ταφῆ ὁπωσδήποτε εἰς Ἑλλάδα. Συγκεκριμένως ὁ κ. Χόκερ διεμήνυσεν ὅτι εἰς ἐπιστολήν, τήν ὁποίαν τοῦ ἀπέστειλεν ὁ μαέστρος στίς 10 Ἀπριλίου τοῦ 1959 ἀνεφέροντο τά ἑξῆς:

«Ἐπιθυμῶ ὅπως εἰς περίπτωσιν θανά του μου μή ἀποσταλοῦν ἄνθη. Τυχόν δωρεαί αἱ ὁποῖαι θά ἀπέβλεπον εἰς τήν ἐπ' ὀνόματί μου δημιουργίαν σταθεροῦ κεφαλαίου διά φιλανθρωπικούς σκοπούς, ἐξόν νά χρησιμοποιηθοῦν ὑπέρ τῶν Ἀμερικανῶν συνθετῶν. Τήν διαχείρισιν τοῦ κεφαλαίου αὐτοῦ νά ἀναλάβη ἡ Ἑταιρεία τῆς φιλαρμονικῆς τῆς Νέας Ὑόρκης. Ἐπίσης ἐπιθυμῶ ὅπως ἡ σορός μου ἀποτεφρωθῆ μέ τήν μεγαλυτέραν δυνατήν οἰκονομίαν, προηγουμένως δέ νά μή ἐκτεθῆ εἰς κοινήν θέαν. Μετά τήν ἀποτέφρωσιν ἡ τέφρα μου δέον ν' ἀποσταλῆ εἰς Ἑλλάδα».

— Προηγουμένως ὁ κ. Χόκερ, ὁμιλῶν γιά τήν σχετική διασκασία, ἐδήλωσεν ὅτι προβλέπεται ὅτι ἡ σορός θά μεταφερθῆ σήμερα στήν Ἑλβετία πρός ἀποτέφρωσιν, θά ἐπανέλθη δέ αὐθημερόν ἡ τέφρα ἐντός ληκύθου στό Μιλάνον, γιά νά παραληφθῆ ἐν συνεχείᾳ τίς ἀπογευματινές ὧρες σήμερα ἀπό ἑλληνικό ἀεροσκάφος καί νά μεταφερθῆ στήν Ἀθήνα.

—Ὅπως τηλεγραφεῖται, ἐξ ἄλλου ἀπό τήν Νέα Ὑόρκη ὁ δικηγόρος κ. Τζών Ρέντυ ἐδήλωσε σήμερα ὅτι πραγματοποιήθη τό μέγεθος τῆς περιουσίας τοῦ ἐκλιπόντος μαέστρου, πρόκειται νά γίνη λεπτομερής καταγραφή τῶν περιουσιακῶν του στοιχείων.

ΤΟ ΩΔΕΙΟΝ ΑΘΗΝΩΝ ΘΑ ΤΙΜΗΣΗ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟ

Σέ κοινή συνεδρίασι τοῦ Διοικητικοῦ Συμβουλίου τοῦ Ὠδείου Ἀθηνῶν καί τοῦ Καθηγητικοῦ Συλλόγου ἀντηλλάγησαν σκέψεις γιά τίς ἐκδηλώσεις πού ἐπιβάλλονται νά γίνουν γιά τόν θάνατο τοῦ Δημήτρη Μητροπούλου. Ἀπεφασίσθη ὅπως τό Διοικητικόν Συμβούλιον καί τό προσωπικόν τοῦ Ὠδείου παραστοῦν στό ἀεροδρόμιον κατά τήν ἄφιξιν τῆς σοροῦ τήν ἡμέραν δέ τῆς κηδείας παρακολουθήσουν τήν ἐκφοράν.

— Κατά τήν σημερινή ἐπανάληψι τῶν μαθημάτων πού διενόπησαν λόγω πένθους, θά γίνη σέ κάθε αἴθουσα διδασκαλίας παρά τῶν οἰκείων Καθηγητῶν ἀνάπτυξις τοῦ ἔργου τοῦ Δημήτρη Μητροπούλου. Ἀκολούθως ἀπεφασίσθη ὅπως κατά τόν χρόνον τοῦ προσκυνήματος παραστέκωνται τιμητικῶς παρά τό φέρετρον τοῦ θανόντος παλαιοί συνάδελφοι καί συμμαθηταί του στό Ὠδεῖον Ἀθηνῶν σέ συνεννόησι δέ μέ τήν Κρατική Ὀρχήστρα νά παρακληθῆ αὕτη ὅπως κατά τήν ἐκφοράν ἀνακρούση τό πένθιμον ἐμβατήριον ἀπό τήν Ἡρωϊκήν Συμφωνίαν τοῦ Μπετόβεν.

ΝΑ ΕΝΤΟΙΧΙΣΘΗ Η ΚΑΡΔΙΑ ΚΑΙ ΝΑ ΣΤΗΘΗ Η ΠΡΟΤΟΜΗ ΤΟΥ

Ὡσαύτως ἐπροτάθη ὅπως ἐντοιχισθῆ στό Ὠδεῖον Ἀθηνῶν ἡ καρδιά τοῦ Μητροπούλου, καθ' ὃν τρόπον ἀναλόγως ἔχει ἐντοιχισθῆ ἡ καρδιά τοῦ Ὑψηλάντη στό Ἀμαλιεῖον καί τοῦ Μπενάκη στό Μουσεῖο του, πέραν δέ τῶν συνήθων τιμητικῶν ἐκδηλώσεων φιλοτεχνηθῆ προτομή τοῦ Μητροπούλου ἡ ὁποία νά στηθῆ ἐν καιρῷ στό Ὠδεῖον Ἀθηνῶν.

—Πάντως τό πρόγραμμα τῶν ἐκδηλώσεων θά προσαρμοσθῆ μέ τό ὅλον πρόγραμμα τῆς πενθίμου τελετῆς.

ΤΟ ΩΔΕΙΟΝ ΘΕΣΣΑΛΟΝΙΚΗΣ

Τό Ὠδεῖον Θεσσαλονίκης ἀπέστειλε πρός τό Ὠδεῖον Ἀθηνῶν τό ἀκόλουθον τηλεγράφημα:

ΧΑΤΣΑΤΟΥΡΙΑΝ ΚΑΙ Ο·Ι·ΣΤΡΑΧ ΓΙΑ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟ

Ἡ χθεσινή ἐκπομπή τοῦ ραδιοφωνικοῦ σταθμοῦ τῆς Μόσχας ἀφιερώθη στήν μνήμη τοῦ Δημήτρη Μητρόπουλου καί μετά ἀναμετάδοσι ἠχογραφημένου κοντσέρτου ὑπό τήν διεύθυνσι τοῦ ἐκλιπόντος μεγάλου Ἕλληνος ἀρχιμουσικοῦ, μετεδόθησαν δηλώσεις τοῦ διασήμου συνθέτου Ἀράμ Χατσατουριάν καί τοῦ φημισμένου Ρώσου διολιστοῦ Δαβίδ Ὄϊστραν.

— Συγκεκριμένα ὁ Ἀράμ Χατσατουριάν ἐδήλωσε τά ἑξῆς:

«Εἶμαι γεμάτος λύπη καί πένθος. Χάσαμε ἕναν ἀπό τούς μεγαλύτερους μουσικούς τοῦ κόσμου. Χάσαμε τήν τέχνη του. Ὅταν ἐμφανίστηκε στήν Μόσχα εἶχα τήν εὐτυχία νά τόν παρακολουθήσω. Οἱ Μοσχοβίτες ἐχειροκρότησαν μέ θέρμη τόν πολύμορφο καλλιτέχνη, σάν πιανίστα, μαέστρο καί συνθέτη. Ἀξέχαστες θά μοῦ μείνουν σ' ὅλη μου τή ζωή οἱ ἐντυπώσεις ἀπό αὐτό τό κοντσέρτο. Περιμέναμε νέα ἐπίσκεψι τοῦ Μητρόπουλου στή Μόσχα. Μέ βαθειά λύπη βλέπουμε ὅτι δέν θά πραγματοποιηθῆ πιά...»

— Ἐξ ἄλλου, ὁ διάσημος διολιστής Δαβίδ Ὄϊστραχ, πού θεωρεῖται σήμερα ὁ μεγαλύτερος τοῦ κόσμου, εἶπε τά ἑξῆς:

«Στόν μουσικό κόσμο σημειώθηκε μιά μεγάλη ἀπώλεια. Ὁ Μητρόπουλος ὑπῆρξε ἕνας μεγάλος μουσικός, διάσημος μαέστρος καί ἄξιος προπαγανδιστής τῆς σύγχρονης μουσικῆς καί συγκεκριμένα τῆς σοβιετικῆς. Ἦταν ὁ πρῶτος ἑρμηνευτής τοῦ κοντσέρτου γιά διολί καί ὀρχήστρα τοῦ Δ. Σοστακόβιτς, τό ὁποῖο εἶχα τήν εὐτυχία νά παίξω μαζί του στήν Ν. Ὑόρκη. Ὁ θάνατός του ρίχνει σέ βαρύ πένθος ὅλο τόν κόσμο».

ΝΕΑ ΥΟΡΚΗ, 4. (Ἀσσοσ. Πρές)

Ὁ ΣΥΜΒΟΛΑΙΟΓΡΑΦΟΣ τοῦ ἐκλιπόντος μεγάλου Ἕλληνος μουσικοῦ διευθυντοῦ Μητροπούλου κ. Χόκερ, ἀνεκοίνωσε σήμερον τό περιεχόμενον ἐπιστολῆς ὑπό ἡμερομηνίαν 10 Ἀπριλίου 1959, περιεχούσης ὁδηγίας τοῦ Μητροπούλου πρός αὐτόν, διά τήν περίπτωσιν θανάτου του.

Αἱ ὁδηγίαι αὗται ἔχουν ὡς ἑξῆς:

«Ἐπιθυμία μου εἶναι, ὅπως εἰς περίπτωσιν θανάτου μου μή σταλοῦν ἄνθη. Θά ἐπεθύμουν ἐν τούτοις, ὅπως ἀντί ἀνθέων γίνουν συνεισφοραί εἰς Ἐν ταμεῖον τό ὁποῖον θά ἔφερε τό ὄνομά μου καί θά ἐχρησιμοποιεῖτο ὑπό τῆς «Φιλαρμονικῆς τῆς Νέας Ὑόρκης» διά τήν ἐνίσχυσιν τῶν Ἀμερικανῶν μουσουργῶν. Μετά τόν θάνατόν μου δέν ἐπιθυμῶ ὅπως ἡ σορός μου ἐκτεθῆ εἰς κοινήν θέαν. Ἐπιθυμῶ, ὅπως αὕτη ἀποτεφρωθῆ τό ταχύτερον καί ἄνευ διατυπώσεων καί ἐν συνεχείᾳ ἡ τέφρα ἀποσταλῆ καί ἐναποτεθῆ κάπου εἰς τήν προσφιλῆ μου γενέτειραν, τήν Ἑλλάδα.

Ποῦ θά καῆ

ΜΙΛΑΝΟΝ, 4. (Ἀσσ. Πρ.).— Τελική ἀπόφασις σχετικά μέ τήν κηδείαν τοῦ ἀποθανόντος παγκοσμίου φήμης Ἕλληνος διευθυντοῦ ὀρχήστρας Δημητρίου Μητροπούλου, δέν ἐλήφθη εἰσέτι, ἐκ μέρους ὅμως ἐπισήμων ἐκπροσώπων τῆς ἑλληνικῆς κυβερνήσεως ἐξεφράζετο σήμερον ἡ ἐλπίς, ὅτι ἡ κηδεία τοῦ ἐκλιπόντος θά καταστῆ δυνατόν νά τελεσθῆ εἰς Ἀθήνας μέ ὅλην τήν ἐπιβαλλομένην μεγαλοπρέπειαν διά τό μεγάλο ὄνομα τοῦ ἐκλιπόντος.

Χθές ἀφίκετο ἐνταῦθα ἀεροπλάνον τῆς Ἑλληνικῆς Βασιλικῆς Ἀεροπορίας μέ τήν ἐντολήν, ὅπως παραλάβη τήν σορόν τοῦ μεγάλου νεκροῦ καί τήν μεταφέρη εἰς τήν γενέτειράν του.

Ὁ ἐκπρόσωπος τοῦ ἐνταῦθα ἑλληνικοῦ προξενείου ἐπεβεβαίωσε σήμερον, ὅτι πράγματι ἐπιθυμία τοῦ ἐκλιπόντος Μητροπούλου ἦτο, ὅπως, μετά τόν θάνατόν του, ἡ σορός του καῆ. Ταυτοχρόνως ὁ Ἕλλην γενικός πρόξενος κ. Θεόδωρος Μελετίου ἐξέφρασε τήν ἐλπίδα, ὅτι ἡ τέφρα τοῦ μεγάλου μουσικοῦ διευθυντοῦ θά ἐναποτεθῆ πρός ἀνάπαυσιν ἐν Ἑλλάδι.

Μολονότι τοῦτο δέν εἶναι ὁριστικόν ἀκόμη, φαίνεται πάντως μᾶλλον βέβαιον, ὅτι ὁ νεκρός τούς Μητροπούλου θά μεταφερθῆ ἐν πομπῇ ἀπό τήν Σκάλαν τοῦ Μιλάνου, ὅπου ὁ μέγας καλλιτέχνης ὑπέκυψεν εἰς καρδιακήν προσβολήν, εἰς τό κοιμητήριον «Μονουμεντάλε» τοῦ Μιλάνου, ὅπου ἀναπαύεται καί ὁ μέγας μαέστρος Ἀρτοῦρο Τοσκανίνι.

Εἰς τό «Μονουμεντάλε» θά καῆ ἡ σορός τοῦ μεγάλου νεκροῦ καί ἐν συνεχείᾳ ἡ τέφρα του θά μεταφερθῆ εἰς Ἀθήνας, ὅπου θά λάβη χώραν δευτέρα μεγαλοπρεπής κηδεία δημοσίᾳ δαπάνῃ.

Ἡ Ἐκκλησία

Ἐξ ἁρμοδίων ἑλληνικῶν πηγῶν ἐδηλοῦτο ὅτι ἐάν ὁ νεκρός τοῦ Μητροπούλου καῆ, τότε, συμφώνως πρός τήν Ὀρθόδοξον θρησκείαν, δέν εἶναι δυνατόν νά γίνη εἰς τήν Ἑλλάδα οὔτε κηδεία, οὔτε καί ἐκκλησιαστικόν μνημόσυνον. Ἡ Ἐκκλησία θεωρεῖ τήν καῦσιν τοῦ νεκροῦ ὡς πρᾶξιν εἰδωλολατρικήν.

Ἐπίσης ἀνεφέρετο ὅτι τό κράτος δύναται νά τελέση μόνον φιλολογικόν μνημόσυνον τοῦ Μητροπούλου.

Πληροφορούμεθα, τέλος, ὅτι ἐάν ἡ ταφή γίνη εἰς Ἰταλίαν, θά γίνη συμφώνως πρός τό ξένον δόγμα.

Ὁ ἀείμνηστος Μητρόπουλος ἐνῶ διηύθυνε μέ τήν γνωστήν μαγείαν του μίαν ἀπό τάς ἀλησμονήτους συναυλίας. Ἀλησμονήτους συναυλίας. Ἡ φωτογραφία ἐλήφθη ὀλίγας ἡμέρας πρό τοῦ θανάτου του, ἐνῶ διηύθυνε δοκιμάς τῆς ὀρχήστρας τῆς «Σκάλας» τοῦ Μιλάνου.

Η ΣΟΡΟΣ ΤΟΥ Δ. ΜΗΤΡΟΠΟΥΛΟΥ ΕΚΑΗ ΕΙΣ ΚΡΕΜΑΤΟΡΙΟΝ ΤΟΥ ΛΟΥΓΚΑΝΟ

ΔΕΝ ΕΛΗΦΘΗ ΟΡΙΣΤΙΚΗ ΑΠΟΦΑΣΙΣ ΜΕΤΑΦΟΡΑΣ ΤΗΣ ΤΕΦΡΑΣ ΕΙΣ ΕΛΛΑΔΑ

Η ΟΡΓΑΝΩΣΙΣ ΚΑΛΛΙΤΕΧΝΙΚΟΥ ΜΝΗΜΟΣΥΝΟΥ

Κατόπιν ἐκφρασθείσης διά διαθήκης ἐπιθυμίας τοῦ ἐκλιπόντος Ἕλληνος διασήμου ἀρχιμουσικοῦ Δημήτρη Μητροπούλου ἡ σορός του ἐκάει εἰς τήν πόλιν Λουγκάνο, εὑρισκομένην εἰς τά σύνορα Ἰταλίας καί Ἑλβετίας, ἐντός τῶν ἡμερῶν δέ πρόκειται νά μεταφερθῆ ἡ τέφρα εἰς Ἀθήνας ὅπου καί θά ἐναποτεθῆ εἰς τό ὀστεοφυλάκιον τοῦ Α΄ Νεκροταφείου μέχρι τῆς ἀνεγέρσεως Μαυσωλείου ὅπου καί θά ἐναποτεθῆ ὁριστικῶς.

Τοῦτο ἀνεκοίνωσε χθές ὁ συμβολαιογράφος τοῦ Μητροπούλου ἐπιδείξας μίαν ἐπιστολήν του εἰς τήν ὁποίαν ἔδιδεν ὁδηγίας εἰς περίπτωσιν θανάτου του. Τό κείμενον τῆς ἐπιστολῆς ἔχει ὡς ἀκολούθως:

«Ἐπιθυμία μου εἶναι, ὅπως εἰς περίπτωσιν θανάτου μου μή σταλοῦν ἄνθη. Θά ἐπεθύμουν ἐν τούτοις, ὅπως ἀντί ἀνθέων γίνουν συνεισφοραί εἰς Ἐν ταμεῖον τό ὁποῖον θά ἔφερε τό ὄνομά μου καί θά ἐχρησιμοποιεῖτο ὑπό τῆς «Φιλαρμονικῆς τῆς Νέας Ὑόρκης» διά τήν ἐνίσχυσιν τῶν Ἀμερικανῶν μουσουργῶν. Μετά τόν θάνατόν μου δέν ἐπιθυμῶ ὅπως ἡ σορός μου ἐκτεθῆ εἰς κοινήν θέαν. Ἐπιθυμῶ ὅπως αὕτη ἀποτεφρωθῆ τό ταχύτερον καί ἄνευ διατυπώσεων καί ἐν συνεχείᾳ ἡ τέφρα ἀποσταλῆ καί ἐναποτεθῆ κάπου εἰς τήν προσφιλῆ μου γενέτειραν, τήν Ἑλλάδα».

Ἡ ἐπιθυμία ὅμως τοῦ διασήμου ἀρχιμουσικοῦ νά καῆ ἡ σορός του ἀποκρούει τήν δυνατότητα ὑπό τῆς Ὀρθοδόξου Ἐκκλησίας νά γίνη κηδεία ἤ μνημόσυνον ὑπέρ ἀναπαύσεως τῆς ψυχῆς του καθ' ὅσον ἡ καῦσις τῶν νεκρῶν θεωρεῖται ὑπό τῆς Ἐκκλησίας μας ὡς εἰδωλολατρικόν ἔθιμον.

Μέχρι στιγμῆς ὅμως δέν ἐννώσθη ἐάν καί ἡ σποδός τοῦ Μητροπούλου μεταφερθῆ τελικῶς εἰς Ἀθήνας καθ' ὅσον ἐξεφράσθη καί ὑπό τῆς ἀμερικανικῆς κυβερνήσεως ἡ ἐπιθυμία ὅπως αὕτη μεταφερθῆ εἰς Η.Π.Α. Λεδομένου ὅμως ὅτι ὁ ἴδιος ὁ ἐκλιπών καλλιτέχνης ἐκφράζει τήν ἐπιθυμίαν του νά ἐναποτεθῆ εἰς τήν γενέτειράν του, τό ὑπουργεῖον Ἐξωτερικῶν ἐνεργεῖ διά τήν εἰς Ἀθήνας μεταφοράν τῆς σποδοῦ, παραλλήλως δέ γίνεται σκέψις ὅπως ἐναποτεθῆ εἰς τό κτίριον τοῦ Ἐθνικοῦ Ὠδείου. Ἐπειδή ὅμως ἡ Ἐκκλησία μας ἀπαγορεύει τήν τέλεσιν οἱασδήποτε θρησκευτικῆς τελετῆς, τό μόνον τό ὁποῖον ἐπιτρέπετοι νά γίνη ὡς ἐκδήλωσις πρός τήν καλλιτεχνικήν ἰδιοφυΐαν τοῦ μεγάλου μύστου εἶναι νά διοργανωθοῦν καλλιτεννικά μνημόσυνα. Τό τελικόν πρόγραμμα πάντων τῶν ἐκδηλώσεων ἀπό ἑλληνικῆς πλευρᾶς, γιά τόν ἀδόκητον θάνατον τοῦ Δημήτρη Μητροπούλου, καταρτίζεται ὑπό τῆς κυβερνήσεως, τῆς Ἀκαδημίας καί τοῦ Ὠδείου Ἀθηνῶν.

Ἐν τῷ μεταξύ ἡ θάνατός του ἔγει βυθίσει εἰς πένθος τόν διεθνῆ καλλιτεχνικόν κόσμον, ὁ ὁποῖος ἐκδηλώνει τήν λύπην του ὑπό μορφήν νεκρολογιῶν, ψηφισμάτων καί μακροσκελῶν ὄρθρων τά ὁποῖα ἀναφέρονται εἰς τήν ζωήν καί τό ἔργον τό ὁποῖον θά μείνη ἄσβεστον εἰς τήν ψυχήν τῶν φιλομούσων.

Ἐν τῷ μεταξύ τό ἀεροσκάφος τῆς ΕΒΑ τό ὁποῖον εἶχε μεταβῆ εἰς Μιλάνον πρός παραλαβήν τῆς σοροῦ τοῦ Δημήτρη Μητροπούλου παραμένει ἀκόμη ἐκεῖ μέχρις ὅτου ἀποφασισθῆ ἐάν ἡ τέφρα τῆς σοροῦ μεταφερθῆ τελικῶς εἰς τήν πατρίδα τοῦ καλλιτέννου τήν ὁποίαν τόσον ὑπερηγάπα καί τήν ὁποίαν προέβαλε διεθνῶς μέ τήν ἀπαράμιλλον τέγνην του.

Σημ. «Βραδυνῆς»: Διευκρινίζεται ὅτι ὁ ἀναφερόμενος ὡς δικηγόρος κ. Ντίξον εἰς τόν ὁποῖον ὁ ἐκλιπών μεγάλος Ἕλλην καλλιτέχνης εἶχεν ἐμπιστευθῆ τήν διαθήκην του ἦταν μαθητής τοῦ Μητροπούλου νιά πολλά γρόνια, εἶναι διευθυντής ὀρνήστρας ἔγει ἔλθει δύο φοράς εἰς τήν Ἑλλάδα τήν δευτέραν δέ φοράν διηύθυνε τήν Κρατικήν Ὀρνήστραν εἰς τό Ὠδεῖον Ἡρώδου Ἀττικοῦ.

ΑΝΕΚΥΨΑΝ ΑΠΡΟΒΛΕΠΤΑ ΕΜΠΟΔΙΑ

ΑΓΝΩΣΤΟΝ ΕΙΣΕΤΙ ΑΝ ΘΑ ΜΕΤΑΦΕΡΘΗ ΕΙΣ ΑΘΗΝΑΣ Η ΣΟΡΟΣ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

ΥΠΑΡΧΕΙ ΔΙΑΘΗΚΗ ΟΡΙΖΟΥΣΑ ΤΗΝ ΚΑΥΣΙΝ ΤΗΣ ΣΟΡΟΥ ΚΑΙ ΤΗΝ ΜΕΤΑΦΟΡΑΝ ΤΗΣ ΣΠΟΔΟΥ ΕΙΣ ΑΜΕΡΙΚΗΝ;

ΤΟ ΖΗΤΗΜΑ ΘΑ ΔΙΕΥΚΡΙΝΙΣΘΗ ΕΝΤΟΣ ΤΗΣ ΗΜΕΡΑΣ

Ἡ μεταφορά τῆς σοροῦ τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου, δέν κατέστη δυνατόν νά πραγματοποιηθῆ χθές λόγω τῶν ἐμποδίων τά ὁποῖα παρενεβλήθησαν. Τοῦτο, μολονότι, ἡ Κυβέρνησις ἀπό τῆς πρώτης στιγμῆς εἶχεν ἀποφασίσει τήν μεταφοράν, ἀπέστειλε δέ εἰς τό Μιλάνον εἰδικόν ἀεροπλάνον τῆς Ε.Β.Α. μέ ἀντιπροσωπείαν ἐπί κεφαλῆς τῆς ὁποίας ἐτέθη ὁ διευθυντής Γραμμάτων καί Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κουρνοῦτος. Μέχρι τῆς στιγμῆς εἶναι ἄγνωστον ἂν θά καταστῆ τελικῶς δυνατόν νά μεταφερθῆ εἰς Ἀθήνας ἡ σορός.

Χθεσινά πληροφορίαι ἐκ Μιλάνου ἀνέφερον ὅτι ὁ ἐκλιπών μεγάλος Ἕλλην μαέστρος εἶχεν ἐκφράσει ἐγγράφως τήν ἐπιθυμίαν ὅπως μετά τόν θάνατόν του ἡ σορός καῆ εἰς κρεματόριον καί ἡ σποδός μεταφερθῆ εἰς τάς Ἡνωμένας Πολιτείας.

Ἄλλαι ἐκ Μιλάνου ἐπίσης πληροφορίαι, ἀνέφερον ὅτι μετά τήν καῦσιν τοῦ νεκροῦ, ἡ σποδός πρόκειται νά μεταφερθῆ καί ἐναποτεθῆ εἰς Ἀθήνας, ἐφ' ὅσον δέν θά ἔχη διατυπωθῆ εἰς τήν διαθήκην διαφορετική ἐπιθυμία τοῦ ἐκλιπόντος.

Τπ προκῦψαν θέμα ἀναμένεται ὅτι θά διευκρινισθῆ ἐντός τῆς ἡμέρας. Τό ὑπουργεῖον Προεδρίας τῆς Κυβερνήσεως δέν παρέσχε χθές νεωτέρας πληροφορίας. Πάντως, οἱ ἐκπρόσωποι τῆς Κυβερνήσεως ἐτέλουν χθές εἰς συνεχῆ ἐπικοινωνίαν μέ τάς Ἰταλικάς ἀρχάς τοῦ Μιλάνου καί τήν ἑλληνικήν εἰδικήν ἀντιπροσωπείαν, ἡ ὁποία ἀναμένει ἐκεῖ τάς ἐξελίξεις τοῦ ἀνακύψαντος θέματος.

Ἐάν δέν κατορθωθῆ τελικῶς ἡ μεταφορά τῆς σοροῦ, θά τελεσθῆ ἐν καιρῷ εἰς Ἀθήνας μνημόσυνον καί πάντως ὄχι θρησκευτικόν, ἐκ τοῦ λόγου ὅτι ἡ ἑλληνική ὀρθόδοξος ἐκκλησία δέν δέχεται τήν καῦσιν τῶν νεκρῶν, θεωροῦσα αὐτήν ὡς ἀντιτιθεμένην εἰς τό πνεῦμα τοῦ χριστιανισμοῦ καί τούς ἐκκλησιαστικούς κανόνας.

Ο ΜΑΡΙΟΣ ΒΑΡΒΟΓΛΗΣ ΑΦΗΓΕΙΤΑΙ:

Τί ἀπέγιναν τὰ μουσικὰ χειρόγραφα τοῦ Δημ. Μητροπούλου;

ΠΡΕΠΕΙ ΝΑ ΥΠΑΡΧΟΥΝ ΣΤΑ ΣΥΡΤΑΡΙΑ ΤΟΥ ΑΝΕΚΔΟΤΕΣ ΣΥΝΘΕΣΕΙΣ. — ΑΚΟΜ Η ΜΕΡΙΚΕΣ ΑΞΕΧΑΣΤΕΣ ΑΝΑΜΝΗΣΕΙΣ ΑΠΟ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟ ΚΑΙ ΤΟΝ ΡΙΑΔΗ

Ἀπὸ τὴν ἐνδιαφέρουσαν συζήτησιν μὲ τὸν μουσουργὸ Μάριο Βάρβογλη γύρω στὶς ἀναμνήσεις του καὶ τὸν φιλικό δεσμό του μὲ τὸν Μητροπούλο, μᾶς γεννήθηκαν μερικὰ ἐρωτηματικά. Τί θὰ γίνῃ τὸ ἀνέκδοτο συνθετικὸ ἔργο του; Θὰ ἀκολουθήσῃ τὴν τύχη τῶν χειρογράφων τοῦ Ριάδη; Θὰ τὸ πάρουν οἱ ἐπιτήδειοι καὶ μὲ μικρὲς μετατροπὲς νὰ τὰ ἐμφανίσουν γιὰ δικά τους;

Ἂς ἐξετάσουν τὸ ζήτημα οἱ ἁρμόδιοι, γιατὶ ὅπως μᾶς ἐτόνισεν ὁ κ. Βάρβογλης «ὁ Μητρόπουλος δὲν ἦταν μόνο μεγαλοφυὴς μαέστρος ἀλλὰ καὶ ἔξοχος συνθέτης. Τὸ θεῖο ταλέντο του κι' ἡ σκληρὴ πάλη του γιὰ τὸ τέλειο — μᾶς εἶπε — ἀναζητοῦσαν καὶ στὴ σύνθεσι τὸ πρωτότυπο, τὸ μοναδικό. Αὐτὸ εὔκολα μπορεῖ νὰ τὸ διαπιστώσῃ κανεὶς ἂν δῇ τὶς «Φοῦγκες» τοῦ Μπὰχ ποὺ μοῦχει χαρίσει. Ἐπάνω στὴν παρτιτούρα θὰ δῇ τὶς ἀναλύσεις ποὺ ἔκανε ὁ Δημήτρης, νέος ἀκόμα, μὲ κόκκινο μελάνι. Τώρα, μελετώντας τοῦτες τὶς σημειώσεις του, καταλαβαίνω πόσο μεγάλος ἦταν καὶ στὴ σύνθεσι καὶ ἀναρωτιέμαι: Ὅταν ἦταν νέος συνέθετε τόσο καλά, τώρα φτασμένος πιὰ δὲν θὰ ἐργαζόταν στὸ χῶρο τῆς συνθέσεως; Ἀσφαλῶς ναί. Γι' αὐτὸ προβάλλει σήμερα ἕνα μεγάλο θέμα: τὰ χειρόγραφα τοῦ Μητρόπουλου ποὺ δὲν πρέπει νὰ χαθοῦν».

ΒΙΩΜΑ ΤΟΥ ΤΟ ΠΕΝΤΑΓΡΑΜΜΟ

Ζητήσαμε καὶ χθὲς ἀπὸ τὸν κ. Βάρβογλη νὰ μᾶς πῇ κι' ἄλλα χαρακτηριστικὰ περιστατικὰ ἀπὸ τὴν ζωὴ τοῦ ἀρχιμουσικοῦ.

— Σ' αὐτὲς τὶς περιπτώσεις — συνεχίζει ὁ διακεκριμένος μουσουργός μας — πρέπει νὰ ξεχάσῃ πρῶτα κανεὶς γιὰ νὰ ξαναθυμηθῇ ὕστερα καὶ θἄναι τότε σίγουρος πως ὅ,τι πῇ θἄναι σωστό, ἀφοὺ θἄχουν ξεκαθαρίσει τὰ συναισθήματά του. Μονον τότε θὰ μπορῇ νὰ πῇ μὲ βεβαιότητα πὼς δὲν ἀδίκησε μια μεγάλη μορφή, καὶ δὲν καπηλεύτηκε μιὰ ὑπέροχη μνήμη. Πῶς νὰ τὸν ξαναφέρω στὴ μνήμη μου; Νεαρὸ ξανθούλη τυμπανιστὴ στὴν ὀρχήστρα τοῦ «Συλλογου Συναυλιῶν», μὲ τὰ φουντωτὰ μαλλιὰ καὶ τὰ γαλανὰ φωτεινὰ μάτια; Μαέστρο μετὰ στὸν ἴδιο σύλλογο, φλογερό, δυναμικό, γεμάτο πάθος, ἀνησυχίες καὶ ἀναζητήσεις; Ἢ μήπως σὰν ἐπικεφαλῆς τῆς συμφωνικῆς ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν ποὺ ἔπι τῶν ἡμερῶν του γνώρισε τὶς μεγαλύτερες ὀξέες της; Ἢ μήπως θὰ πρέπει νὰ τὸν ξεχωρίσω, γιατὶ σ' ὅλες τὶς ἀντιδράσεις καὶ τὶς ἀνθρώπινες μικρότητες στάθηκε ὁ ἄγνός, ὁ ἀρχαγγελικός, ὁ ἄδολος ἄνθρωπος ποὺ σκόρπισε ἀγάπη, καλωσύνη, βοήθεια;... Ἂς τὸν φέρω καλύτερα στὴ μνήμη μου σὰν φίλο, σάν ἕνα μέλος μιᾶς συντροφιᾶς κι' ἂς τρέξῃ αὐτὸς ὁ λογισμὸς ν' ἀνασκαλέψῃ τὰ θαλτονέρια τῆς μνήμης σ' ἀλλοτινὲς περιπλανήσεις μας, σ' ἐκδρομές, ἂν κι' εἶναι δύσκολο πολὺ νὰ τὸν ξεχωρίσῃς ἀπὸ τὸ πεντάγραμμο, ποὺ ἦταν τὸ δίωμά του.

»Πρὶν ἀνεβῇ νὰ κατοικήσῃ στὸ σπίτι ποὺ τοῦ παρεχώρησε ἡ οἰκογένεια Νεγρεπόντη, ἔμενε στὸ Φάληρο. Ὁ Δημήτρης κουραζόταν πολὺ γιατὶ δούλευε σκληρὰ γιὰ νὰ φθάσῃ. Ἦταν ἀπ' αὐτοὺς ποὺ πίστευαν πὼς κανένα ταλέντο ὅσο μεγάλο κι' ἂν εἶναι, δὲν ὁλοκληρώνεται χωρὶς τὸν συνεχῆ μόχθο. Αὐτὴ τὴν κούρασι τὴν καταλάβαινε ἡ μάνα του κι' οὐδέποτε τὸν ξυπνοῦσε ὅταν κοιμόταν, ὁποιοσδήποτε κι' ἂν τὸν ζητοῦσε. Ποτὲ δὲν κατέβηκα ὡς ἐκεῖ γιὰ νὰ τὸν δῶ καὶ νὰ τὸ κατορθώσω ἀμέσως. Ἔπρεπε νὰ κάνω ἀρκετές δόλτες στὴν ἀκρογιαλιὰ ὡς τὴν ὥρα ποὺ θὰ ξυπνοῦσε μόνος του. Καὶ σ' ὅλο αὐτὸ τὸ χρονικὸ διάστημα ἔφερνα στὸ νοῦ μου τοὺς τοίχους τοῦ σπιτιοῦ τοῦ Σιμπέλιους ποὺ ἦταν γραμμένη ἡ φράσις: «Ἐδῶ μένει ὁ Σιμπέλιους. Μὴν τὸν ἐνοχλεῖτε». Αὐτὸν τὸν ρόλο τὸν εἶχε ἀναλάβει τόσο καλὰ ἡ στοργικὴ μάνα του, ἄσχετα ἂν θύμωνε ὁ Δημήτρης γιατὶ δὲν τὸν ξυπνοῦσαν.

ΑΝΤΙ ΣΤΟ ΣΟΥΝΙΟ ΣΤΗΝ ΠΑΡΝΗΘΑ

Ἡ κυρία Βάρβογλη μὲ τὰ σπασμένα ἑλληνικά της (εἶναι ξένη τὴν καταγωγή), μᾶς ἀφηγεῖται τὸ παρακάτω περιστατικό, ποὺ καὶ σ' αὐτὴς τὴν μνήμη ὁ μεγάλος νεκρὸς κρατεῖ μιὰ ζηλευτὴ θέσι.

— Ἦρθε μιὰ μέρα μὲ τὸν σωφέρ του, τὸν Ἤδη Πανᾶ κι' ἕνα ἄλλο ζευγάρι ποὺ δὲν θυμᾶμαι, γιὰ νὰ μᾶς πάρουν καὶ νὰ πᾶμε γιὰ δόλτα καὶ φαγητὸ ὡς τὸ Σούνιο. Ξεκινήσαμε νύκτα καὶ μ' ὁδηγὸ τὸν μακαρίτη. Ἦταν καλοκαίρι κι' εἶχε ἕνα φεγγάρι ὁλόγιομο. Τὸ περίεργο εἶναι πὼς πλανηθήκαμε ἀρκετὲς ὧρες σὲ κάποιες κορδέλλες δρόμου, χωρὶς νὰ βλέπουμε πουθενὰ θάλασσα. Ἡ κατάληξί μας ἦταν στὴν Πάρνηθα ἢ καλύτερα μόνο σταθμός, γιατὶ κατάλυμά μας τελικὸ ἦταν τὰ χωράφια καὶ τὸ ξενοδοχεῖο... τῶν ἀστέρων ποὺ μᾶς φιλοξένησε νηστικούς! Καὶ σὰν νὰ μὴν ἔφθαναν ὅλα αὐτά, ἄρχισε καὶ μιά... συναυλία τῶν ὑπομονευτικῶν τετραπόδων! Ἐμεῖς τρομάξαμε ἐνῶ ὁ Δημήτρης, σὰν παιδὶ ἀνέμελο χόρευε, πηδοῦσε κι' ἔκανε ὅ,τι ἀπίθανο μπορεῖ κανεὶς νὰ φαντασθῇ. Καὶ δὲν φύγαμε ἀπὸ κεῖ, μόνον ὅταν ἡ πρωινὴ δροσιὰ μᾶς εἶχε τρυπήσει τὰ κόκκαλα!... ,

Δ. ΜΗΤΡΟΠΟΥΛΟΣ

Ὑπῆρξε, πράγματι, μία ἀπὸ τὰς ἐπιφανεστέρας μουσικὰς μορφὰς τοῦ κόσμου ὁ ἐκλιπὼν μέγας μαέστρος Δημ. Μητρόπουλος.

Ἐτίμησε τὸ Ἑλληνικὸν ὄνομα, ὅσαν ἐλάχιστοι, εἰς τὴν ξένην. Ἦτο περιζήτητος εἰς τοὺς μεγαλειτέρους μουσικοὺς ὀργανισμοὺς τοῦ κόσμου. Εἰς τὴν περίφημον Μετροπόλιταν τῆς Ν. Ὑόρκης — ὁποία συγγένεια καὶ εἰς τὸ ὄνομα ἀκόμη! — ἔδρεψε δάφνας.

Εἰς τὰς ἐπάλξεις πῶν ὡραίων δημιουργιῶν του ἔπεσεν ὁ κορυφαῖος μαέστρος. Ὁ μουσηγέτης Ἀπόλλων τὸν συναπεκόμισεν εἰς τὴν αἰωνίαν γαλήνην τοῦ μουσικοῦ του Πανθέου, ἐνῶ διηύθυνε μίαν συμφωνίαν εἰς τὴν Σκάλαν τοῦ Μιλάνου.

Αὐτὴ εἶναι ἡ προνομιακὴ μοῖρα τῶν μεγάλων μορφῶν...

Ὁ παγκόσμιος Τύπος σπανίως ἀφιέρωσε τόσα ἐγκώμια εἰς τὴν μνήμην καὶ τῶν μεγαλειτέρων ἀκόμη καλλιτεχνικῶν μορφῶν, ὅσα εἰς τὸν Ἕλληνα μουσικοσυνθέτην καὶ πιανίστα, τὸν ὁποῖον αὐτὸς ὁ Τοσκανίνι, παραμερίζων ἀκόμη καὶ τὴν προσωπικὴν του φήμην, ἐχαρακτήρισεν, ὡς τὸν μεγαλείτερον μαέστρον τοῦ κόσμου...

5 ΝΟΕ 1960

ΜΕ ΤΟ ΘΑΝΑΤΟ τοῦ Δημήτρη Μητρόπουλου, ἀποκτᾶ ἐπικαιρότητα ἡ σχιαγράφησις τῆς φυσιογνωμίας του, ποὺ ἐμφανίζεται ἀπὸ τὸ βιβλίο «Οἱ μεγάλοι τοῦ καιροῦ μας» τοῦ κ. Γιώργου Γιαννακοπούλου. Τὴν ἀναδημοσιεύω χάριν τῶν ἀναγνωστῶν τῆς στήλης αὐτῆς.

«Εἶναι ἀλήθεια ὅτι ὁ Τύπος πρόσφερε καὶ προσφέρει πολλὰ στὸν πολιτισμό. Κάποτε ὅμως κινεῖται κι ἀπὸ ταπεινὰ τυχοδιωκτικὰ ἐλατήρια καὶ πέφτει σ' ἐπιπολαιότητες, ποὺ κανέναν δὲν ὠφελοῦν.

Ὁ Δημήτρης Μητρόπουλος, ὁ Ἕλλην μαέστρος ποὺ εἶναι σήμερα διευθυντὴς τῆς φιλαρμονικῆς τῆς Ν. Ὑόρκης, ὑπῆρξε τελευταῖα τὸ θῦμα ἑνὸς τέτοιου ἐπεισμοῦ μιᾶς ὡρισμένης μερίδας τοῦ ἑλληνικοῦ τύπου.

Τὸν συκοφάντησαν κατὰ τὸν αἰσχρότερο τρόπο. Ἔγραψαν, πὼς τάχα ἔβρισε τὴν Ἑλλάδα καὶ τοῦ ἔψαλαν τὸν ἐξάψαλμο. Ἡ ἀλήθεια ὅμως εἶναι — γιὰ νἄμαστε εἰλικρινεῖς — πὼς ἂν ὑπάρχη κάποιος, ποὺ ἀδικήθηκε ἀνάμεσα στὸν Μητρόπουλο καὶ στοὺς συμπατριῶτες του, αὐτὸς εἶναι ὁ Μητρόπουλος. Γιατί, δυστυχῶς, τὸ «Κανένας προφήτης στὸν τόπο του» ἔχει μιὰ τραγικὴ ἐφαρμογὴ στὴ χώρα μας, ὅπου ἀναγκάστηκε νὰ πῇ τὸ κώνιο ἕνας Σωκράτης!

Ἀλλὰ ποιὲς ἦταν οἱ τρομερὲς αὐτὲς δηλώσεις τοῦ Μητρόπουλου, ποὺ ξεσήκωσαν τόση ἀγανάκτηση; Ὁ ἄνθρωπος εἶχε δηλώσει, ἀπαντώντας σὲ σχετικὴ ἐρώτηση δημοσιογράφου, πὼς ὁ καλλιτέχνης δὲν ἀνήκει μονάχα στὴ χώρα του, θὰ σ' ὁλόκληρη τὴν οἰκουμένη. Καὶ πὼς τὰ στενὰ ὅρια τῆς Ἑλλάδος δὲν θὰ μποροῦσαν νὰ ἱκανοποιήσουν τὸ καλλιτεχνικό του δαιμόνιο.

Τί φυσικώτερο καὶ τί ἀληθινώτερο ἀπὸ μιὰ τέτοια ἀντίληψη ἑνὸς Μητρόπουλου, ποὺ ἴσως νὰ εἶναι σήμερα ὁ μεγαλύτερος διευθυντὴς ὀρχήστρας τοῦ κόσμου, μετὰ τὸν Φιὸρτ Βαϊγκλερ;

Τώρα ἔχουν ὅλοι καταλάβει τὴν γκάφα τους σὲ βάρος τοῦ μεγάλου μαέστρου. Κι ἐγκατέλειψαν εὐτυχῶς τὴν ἀνόητη ἐκστρατεία ἀναγνωρίζοντας τὴν διεθνῆ του ἀξία. Κι ἦταν πιὰ καιρός. Γιὰ ν' ἀποφύγουμε τὴν γελοιοποίηση.

Πῶς ἔφτασε ὅμως ὁ Μητρόπουλος στὸ σημερινὸ κολοφῶνα τῆς δόξας του, ποὺ ἀντανακλᾶ ταυτόχρονα καὶ στὴν Ἑλλάδα;

***

ΓΕΝΝΗΘΗΚΕ στὶς 18 Φεβρουαρίου 1896. Ὁ πατέρας του ἦταν ἔμπορος καὶ φιλοδοξοῦσε νὰ τὸν κάνῃ ἀξιωματικὸ τοῦ ναυτικοῦ. Ὁ Δημήτρης ὅμως ἤθελε νὰ γίνῃ... κα λόγερος. Ἀγαποῦσε τὴ μόνωση κι ἦταν τύπος κλειστὸς στὸν ἑαυτό του. Μὰ ἀγαποῦσε καὶ κάτι ἄλλο ἀκόμη περισσότερο: τὴ μουσική. Ὁ μοναχικὸς δίος, μέσα στοὺς τέσσερις τοίχους τοῦ ἀφιλόξενου κι ἀσκητικοῦ κελλιοῦ, δὲν προσφέρονταν γιὰ νὰ ἱκανοποιήσῃ τὸ μουσικό του πάθος. Κι' ἔτσι παράτησε πολὺ νωρὶς τὰ μοναχικά του ὄνειρα καὶ ἀφωσιώθηκε ὁλότελα στὴ μουσική.

Ὅταν ὑπηρετοῦσε τὴ θητεία του, ἔπαιζε τύμπανο στὴν ὀρχήστρα τοῦ Συλλόγου Συναυλιῶν, στὸ Ἰντεάλ. Ἡ φλόγα τῆς ψυχῆς του ἐκδηλώνονταν καὶ στὸ ἄχαρο ὄργανο ἀκόμη, ποὺ ἔπαιζε τότε, ἀπ' τέτοια μάλιστα σημεῖο ποὺ νὰ τὸν προσέξουν καὶ νὰ μιλᾶνε γι' αὐτόν, λὲς κι' ἦταν ὁ σολίστ τῆς ὀρχήστρας.

Πρὶν ἀκόμη τελειώσῃ τὸ Ὠδεῖο Ἀθηνῶν, παρουσίασε τὸ πρῶτο του ἔργο, τὴν «Ἀδελφὴ Βεατρίκη», ἕνα μελόδραμα ποὺ ἔγραψε πάνω στὸ γαλλικὸ λιμπρέττο τοῦ Μωρὶς Μαίτερλινγκ. Ὁ Γάλλος συνθέτης Σαὶν—Σάν, ποὺ βρίσκονταν τότε στὴν Ἀθήνα, ἔγραψε τὰ καλύτερα λόγια σὲ γαλλικὴ ἐφημερίδα γι' αὐτὸ τὸ ἔργο.

Τὸ 1918 τέλειωσε τὸ Ὠδεῖο Ἀθηνῶν μὲ ἄριστα, Χρυσὸ Μετάλλιο κι ὑποτροφία γιὰ τὸ ἐξωτερικό. Πῆγε πρῶτα στὶς Βρυξέλλες, ὅπου τελειοποιήθηκε στὴ σύνθεση ἀπὸ τὸν Γκίλσον. Κι ὕστερα πῆγε στὸ Βερολῖνο, ὅπου διετέλεσε μαθητὴς τοῦ Μπουζόνι. Ἐκεῖ διωρίστηκε βοηθὸς διευθυντῆ ὀρχήστρας στὴν κρατικὴ ὄπερα καὶ συμπλήρωσε πρακτικὰ τὶς γνώσεις του κοντὰ στὸν Λέο Μπὲχ καὶ στὸν Ἔριχ Κλάϊμπερ.

Τὸ 1926, γεμάτος ὄνειρα κι αἰσιοδοξία γύρισε στὴν Ἑλλάδα, γιὰ ν' ἀναλάβῃ τὴν διεύθυνση τῆς Συμφωνικῆς Ὀρχήστρας τοῦ Ὠδείου Ἀθηνῶν. Ἦταν πιὰ φτασμένος μαέστρος. Τὰ ξανθά του μαλλιὰ εἶχαν ἀραιώσει γιὰ καλά, ἔτσι ποὺ νὰ διαγράφεται ἀποφασιστικὰ ἡ χαρακτηριστική του φαλάκρα. Ἦταν χλωμός, νευρώδης, μὲ μάτια ποὺ ἀστραποβολοῦσαν ἀπὸ πίστη κι ἐνθουσιασμὸ γιὰ τὴν ἀνώτερη Τέχνη.

***

Η ΣΥΜΦΩΝΙΚΗ ΟΡΧΗΣΤΡΑ στὴν Ἀθήνα γνώρισε μέρες θριάμβων κάτω ἀπὸ τὴ θεία του μπαγκέτα. Παρὰ τὶς μικρότητες τοῦ περιβάλλοντος καὶ τὶς πίκρες ποὺ τὸν πότισαν, ὁ Μητρόπουλος ἐπεβλήθη μὲ τὴν ἀφθαστη ἀξία του καὶ τὸ ἀναμφισβήτητο κι ἀσύγκριτο ταλέντο του.

Τὸ 1930 ἔκανε τὴν πρώτη του περιοδεία στὸ ἐξωτερικό. Ἐπεσκέφθηκε τὸ Παρίσι, τὸ Λίβερπουλ, τὸ Βερολῖνο, τὶς Βρυξέλλες. Τὸ 1932 διηύθυνε συναυλίες στὴ Ρώμη, στὴ Νεάπολη, στὴ Φλωρεντία, στὸ Λονδῖνο κι ἀπέσπασε τὶς ἐνθουσιωδέστερες κριτικὲς ἀπὸ ξένους διεθνοῦς κύρους μουσικοκριτικούς. Τὸ 1934 ἐπρόκειτο νὰ διευθύνῃ τὴ φιλαρμονικὴ τοῦ Βερολίνου σὲ μιὰ ἐκτέλεση τοῦ τρίτου κοντσέρτου γιὰ πιάνο τοῦ Προκόπιεφ. Ὁ σολίστ ὅμως Ἔγκον Πέτρι ἀρρώστησε. Κι ὁ Μητρόπουλος τὸν ἀντικατέστησε διευθύνοντας ταὐτόχρονα ἀπὸ τὴ θέση τοῦ σολίστ τὴν φιλαρμονικὴ καὶ κερδίζοντας τὸ γενικὸ θαυμασμό.

Τὸν ἴδιο χρόνο βρέθηκε στὸ Μόντε Κάρλο, ὅπου διηύθυνε δύο συναυλίες. Στάθηκε τυχερός. Εἶχε τόση μεγάλη ἐπιτυχία, ὥστε ἀνέβηκε στὸ καμαρίνι του ὁ μεγάλος Ρωσοαμερικανὸς μαέστρος Σέργιος Κουσεβίτσκυ καὶ τοῦ πρότεινε νἄρθη γιὰ δυὸ συναυλίες μὲ τὴν ὀρχήστρα του στὴ Βοστώνη. Τὸν ἄλλο χρόνο διέσχιζε γιὰ πρώτη φορὰ τὸν Ἀτλαντικό. Κι ἀπὸ τότε πήγαινε κάθε χρόνο κι ἔμενε ὅλο καὶ περισσότερο καιρό. «Ὥσπου μιὰ μέρα σ' ἕνα σημείωμά του ἕνας μεγάλος κριτικὸς τῆς Μινεαπόλεως χάραξε τὸ φωτεινὸ δρόμο τῆς καινούργιας του πορείας:

— Εἶναι μεγάλη πολυτέλεια γιὰ τὴν Ἑλλάδα μιὰ τέτοια μεγαλοφυΐα.

Τὸν ἴδιο χρόνο ὑπέγραφε συμβόλαιο, γιὰ νὰ διευθύνῃ τὴν ὀρχήστρα τῆς Μινεαπόλεως γιὰ δέκα χρόνια, ἀπὸ τὸ 1940—1950. Ἡ Ἑλλάδα τὸν εἶχε χάσει πιὰ γιὰ πάντα.

Ὁ Μητρόπουλος μεταμόρφωσε κυριολεκτικὰ τὴν ὀρχήστρα τῆς Μινεαπόλεως. Τῆς ἔδωσε ζωή, τῆς διαχέτευσε τὴν φλόγα τῆς ψυχῆς του καὶ τὸν παλμὸ τῆς δικῆς του καρδιᾶς. Κι' οἱ ὑπηρεσίες του ἀναγνωρίστηκαν πανηγυρικά. Εἶχε γίνει τὸ ἴνδαλμα τῆς Μινεαπόλεως. Κι ἡ φήμη του ἁπλώθηκε σ' ὁλόκληρη τὴν Ἀμερική.

Σὰν τέλειωσε τὸ συμβόλαιό του, τὸ 1950, ἡ Νέα Ὑόρκη ἔκανε τ' ἀδύνατα δυνατὰ γιὰ νὰ τὸν κερδίσῃ. Τοῦ ἔκανε δελεαστικὲς προτάσεις. Καὶ χρησιμοποίησε κάθε εἶδους πίεση γιὰ ν' ἀναλάβῃ ὁ μεγάλος μαέστρος τὴ διεύθυνση τῆς φιλαρμονικῆς τῆς Νέας Ὑόρκης. Ἔτσι ἀπὸ τὸ 1950 ὁ Ἕλληνας ἀρχιμουσικὸς διευθύνει μὲ ἐξαιρετικὴ ἐπιτυχία τὴ φιλαρμονική, ποὺ διηύθυναν κατὰ καιροὺς οἱ μεγαλύτεροι ἀρχιμουσικοὶ τοῦ κόσμου, ὅπως π. χ. ὁ Τοσκανίνι κι ὁ Μπρούνο Βάλτερ.

***

ΑΛΛΑ ΚΙ Ο ΜΗΤΡΟΠΟΥΛΟΣ δὲν πέφτει παρακάτω. Κάθε συναυλία του ἀποτελεῖ καλλιτεχνικὸ γεγονὸς κι ἔχει γίνει μιὰ ἀπὸ τὶς μεγαλύτερες φυσιογνωμίες τοῦ Νέου Κόσμου καὶ τοῦ παγκοσμίου μουσικοῦ πανθέου.

Συχνὰ τὸν προσκαλοῦν οἱ μεγαλύτερες ὀρχήστρες τῆς Εὐρώπης. Αὐτὸς ὅμως ἀρνιέται μ' εὐγένεια. Ἔχει τόση πολλὴ δουλειά, ποὺ δὲν τοῦ μένει καιρός.

Ὁ διευθυντὴς τοῦ Φεστιβὰλ τοῦ Σάλτσμπουργκ Ἔλεγε τὸ 1950 σὲ Ἕλληνα δημοσιογράφο, ποὺ τοῦ ἔκανε λόγο γιὰ τὸν Μητρόπουλο:

— Τὸν περιμένουμε πάντα. Κρατοῦμε μιὰ ἡμερομηνία ἀνοιχτὴ γιὰ κάθε ἐνδεχόμενο. Ἐπὶ τέλους ἐφέτος θὰ ἐμφανισθῇ καὶ θὰ διεγείρῃ μὲ τὴν τέχνητου τὸ πιὸ μουσικὸ καὶ τὸ πιὸ δύσκολο κοινό.

Ὁ Μητρόπουλος δὲν εἶναι μονάχα μεγάλος μαέστρος, ἀλλὰ καὶ διαλεχτὸς συνθέτης. Ἐκτὸς ἀπὸ τὴν «Ἀδελφὴ Βεατρίκη», ἔχει γράψει τὴν «Συμφωνία τοῦ Χριστοῦ», τὴν «Κρητικὴ Γιορτή», τὸ «Κοντσέρτο Γκρόσσο», τὴν «Πασακάλια Ε' Ὀστινάτα», σκηνικὴ μουσικὴ γιὰ τὴν «Ἠλέκτρα» τοῦ Σοφοκλῆ καὶ τὸν «Ἱππόλυτο» τοῦ Εὐριπίδη, τοὺς «Τρεῖς χοροὺς τῶν Κυθήρων», 60 φοῦγκες διπλές, 30 χορικά, τὴν «Ἑλληνικὴ σονάτα», μελωδίες γιὰ τὰ «Ἡδονικὰ» τοῦ Καβάφη, τὴν «Κασσιανή» σὲ στίχους τοῦ Παλαιᾶ, διασκευὲς τῆς «Φαντασίας τῆς Φούγκ σὲ σόλ Ἔλασσον» καὶ τοῦ «Πρελούντιο καὶ Φούγκας σὲ σὶ Ἔλασσον» τοῦ Μπὰχ καὶ ἄλλα.

Ὁ Μητρόπουλος εἶναι μουσικὴ μεγαλοφυΐα χωρὶς προηγούμενο γιὰ τὴν Ἑλλάδα. Διευθύνει πάντα χωρὶς νότες κι ἔχει τεράστια μνήμη κι εὐαισθησία. Πρὶν ἀπὸ λίγα χρόνια τοῦ ἔγιναν προτάσεις νἄρθη ν' ἀναλάβῃ τὴ διεύθυνση τῆς Ἑλληνικῆς Κρατικῆς Ὀρχήστρας καὶ τῆς Λυρικῆς Σκηνῆς. Ἀρνήθηκε εὐγενικά. Ἡ Ἑλλάδα δὲν τὸν χωράει. Πνίγεται στὸ στενό της χῶρο. Κι οἱ μεγάλοι καλλιτέχνες, ὅπως πολὺ σωστὰ ἔχει πῆ ὁ ἴδιος, δὲν ἀνήκουν μονάχα στὴ χώρα τους. Ἀνήκουν σ' ὁλόκληρη τὴν οἰκουμένη».

ΘΑ ΑΝΑΦΕΡΘΩ πάλι στὸν μουσικολόγο Ντόναλντ Κούκ, συγγραφέα τοῦ βιβλίου "Gallery of conductors", γιὰ νὰ ὑπογραμμίσω μιὰν ἄλλην ἀρετὴ τοῦ ἐκλιπόντος μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητρόπουλου, τὴν ἀπαράμιλλη ἀρετή του ὡς ἑρμηνευτοῦ τῶν μεγάλων ἔργων τῆς μουσικῆς. Εἴτε Γερμανούς, εἴτε Γάλλους εἴτε Ἰταλούς συνθέτες. Δι ηὐθυνε, στά χέρια του ὑφίσταντο μιά ἀληθινή ἀνανέωσι πού ἔκανε τά πασίγνωστα ἔργα τοῦ ρεπερτορίου ν' ἀκούωνται γεμᾶτα δροσιά καί φρεσκάδα. «Οἱ ἑρμηνεῖες τοῦ Μπετόβεν καί τοῦ Μπράμς, ἰδιαίτερα — γράφει ὁ Κούκ — εἶχαν κάτι τό βαθύτατα πνευματικό καί συναρπαστικό. Ὁ Μητρόπουλος εἶχε μιάν ἀσυνήθιστη ἱκανότητα νά κρατῆ ἀδιάπτωτη τή γοητεία τοῦ συνθέτου σταθερή ὡς τό τέλος τῆς κάθε ἐκτελέσεως, ὄχι μέ ἐντυπωσιακά ἐφφέ, ἀλλά δημιουργώντας μιάν ἀτμόσφαιρα ποιητικῆς εὐγλωττίας. Ἔβαζε ὅλα τά ὄργανα νά παίζουν μέ ἀπόλυτη ἀκρίβεια, πετυχαίνοντας ν' ἀκούωνται κι' οἱ πιό μικρές κι' ἀσήμαντες νότες. Ἐάν εἶχε κάτι νά πῆ μέ τά πνευστά, τά ἔκενε νά ἠχοῦν μέ τέτοιαν ἐκφραστικότητα, ὥστε μέ τρία ὄργανα ἐξέφραζε πολλές φορές ἐκεῖνο πού ἤλεγε καί μ' ὅλη τήν ὀρχήστρα. Ἦταν ἕνας ἀπό τούς σπάνιους μαέστρους πού ἤξερε πραγματικά τήν ζωτική σπουδαιότητα τῆς τέλειας ἰσορροπίας, πού ἐκτιμοῦσε ἄριστα τό γεγονός ὅτι ἕνα ἀσήμαντο πολλοστημόριο ἀποχρώσεως ἀρκοῦσε γιά ν' ἀλλοιώσῃ ὅλη τήν ἀτμόσφαιρα ἑνός λεπτοῦ σημείου τῆς ἑρμηνείας. Τό οὐσιῶδες αὐτό στοιχεῖο πού δέν τό ἀντιλαμβάνονται πολλοί, ἀκόμη καί μουσικοί, ἦταν ἐκεῖνο πού ἔκανε τόν Μητρόπουλο μαέστρο μεγάλου διαμετρήματος πού ἐνέπνεε σεβασμό πολύ μεγαλύτερον ἀπ' ὅσον πολλοί ἄλλοι ἐξ ἴσου διάσημοι συνάδελφοί του».

Ψυχές πολύ συγγενικές

Ο ΜΗΤΡΟΠΟΥΛΟΣ ἀγαποῦσε πολύ, ὡς γνωστόν, καί ἑρμήνευε μέ πάθος τήν μουσική τοῦ Μάλερ. Ποιός ἦταν αὐτός ὁ συνθέτης; Θά σᾶς δώσω μιά ὄψι μόνο τοῦ πορτραίτου του: Τόν Μάρτιο τοῦ 1907, οἱ πολιτικές δολοπλοκίες ἐξαναγκασαν τόν Γκούσταβ Μάλερ νά παραιτηθῆ ἀπό τή θέσι τοῦ Διευθυντοῦ τῆς Ὄπερας τῆς Βιέννης. Τόν Ἰούνιο τοῦ ἰδίου χρόνου, μιά πολυαγαπημένη του κόρη, ἡλικίας 4 χρονῶν, πέθανε. Ὕστερ' ἀπό μερικές μέρες ἐπληροφορεῖτο πώς εἶχε προσβληθῆ ἀπό ἀνίατη ἀρρώστια τῆς καρδιᾶς. Τόν ἴδιο χρόνο, ἐγκατέλειπε τή Βιέννη γιά τή Νέα Ὑόρκη, ὅπου γιά τέσσερα χρόνια ἀνελάμβανε τήν διεύθυνσι τῆς Μετροπόλιταν Ὄπερα. Κάτω ἀπ' αὐτές τίς συνθῆκες ὁ Μάλερ συνέλαβε τήν ἰδέα καί ἐδημιούργησε ἕνα ἀριστούργημά του πού ἔχει τόν χαρακτηριστικό τίτλο: «Τό τραγοῦδι τῆς Γῆς». Τήν ἐμπνευσι τοῦ τήν ἔδωσαν ὅλα τά παραπάνω γεγονότα καί τήν ἀφορμή κάτι κινέζικα ποιήματα πού ἔλαβε μεταφρασμένα. Ἡ σύνθεσι πού ἐβγῆκε μέ τόν τίτλο «Τό τραγοῦδι τῆς Γῆς», εἶναι ἕνα εἶδος μουσικῆς φιλοσοφίας γιά τά ἐγκόσμια, ἕνα μακρύ συμφωνικό ποίημα, μέ συνοδεία δυό ἀνθρωπίνων φωνῶν: ἑνός βαρυτόνου κι' ἑνός τενόρου. Τό ἔργο αὐτό, πού τό συνέθεσε τό 1908, ὁ Μάλερ δέν τ' ἄκουσε ποτέ. Μονάχα μερικούς μῆνες μετά τόν θάνατό του, τό 1911, τό ἐξετέλεσε γιά πρώτη φορά στό Μόναχο, ὁ ἀγαπημένος του μαθητής καί μέγας κατόπιν διευθυντής ὀρχήστρας Μπροῦνο Βάλτερ. Μουσική γεμάτη πάθος, αὐτή ἡ μακρά μελωδική φράσι πού μοιάζει σάν ἐξιστόρησι τῆς ζωῆς, εἶναι τό μουσικό πέρασμα ἀπό τόν ρομαντισμό στή σύγχρονη ἐποχή. Σήμερα, μέ τήν γαλήνη πού δίνει ἡ ἀπόστασι, ἡ μουσική τοῦ Μάλερ παίρνει τήν θέσι πού τῆς ἀνήκει. Κι' ἀνάμεσα στή μουσική αὐτή «Τό τραγοῦδι τῆς Γῆς», πού εἶναι ἕνα ἀπό τά ὑστατα ἔργα του, ἔχει τόν χαρακτῆρα μιᾶς διακριτικῆς ἀποχρώσεως στήν πελώρια τοιχογραφία τῶν ἤχων πού μᾶς ἐκληροδότησε ὁ μουσουργός αὐτός—φιλόσοφος.

Κατόπιν τῶν πληροφοριῶν ὅτι δὲν λάθη χώραν κηδεία κατὰ τὸν συνήθη τύπον, ἀλλὰ θὰ γίνῃ ἡ καῦσις τοῦ νεκροῦ καὶ θὰ διακομισθῇ ἡ σποδὸς αὐτοῦ, ἀπεφασίσθη νὰ μὴ ἐκδοθῇ ἀκόμη σχετικὸν ψήφισμα, διὰ νὰ προσαρμοσθῇ τοῦτο μὲ τὸ ὅλον πρόγραμμα τῆς πενθίμου τελετῆς.

Η ΣΟΡΟΣ ΤΟΥ ΔΗΜΗΤΡΗ ΜΗΤΡΟΠΟΥΛΟΥ ΘΑ ΚΑΗ ΕΙΣ ΤΗΝ ΕΛΒΕΤΙΑΝ ΚΑΙ Η ΤΕΦΡΑ ΘΑ ΕΝΑΠΟΤΕΘΗ ΕΙΣ ΑΘΗΝΑΣ

Εἰς τὴν διαθήκην του διατυπώνει παράκλησιν

ὅπως μὴ κατατεθοῦν ἄνθη ἐπὶ τοῦ φερέτρου

ΘΑ ΤΕΛΕΣΘΟΥΝ ΜΟΝΟΝ ΜΝΗΜΟΣΥΝΑ

ΑΘΗΝΑΙ, 4.— 'Εγνώσθη, ὅτι ὁ ἐκλιπὼν μεγάλος "Ελλην μαέστρος Δημήτρης Μητρόπουλος, εἶχεν ἐκφράσει ἐγγράφως ἐπιθυμίαν, ὅπως μετὰ τὸν θάνατόν του, ἡ σορός του καῇ εἰς κρεματόριον.

Δὲν ἐξηκριβώθη ἐν τούτοις ἐὰν εἰς τὴν διαθήκην, ὅπως ἀναφέρουν ἄλλαι πληροφορίαι, καθορίζονται ὡς τόπος ἐναποθέσεως τῆς σποδοῦ του αἱ 'Ηνωμέναι Πολιτεῖαι. Πάντως κατόπιν αὐτοῦ, θεωρεῖται βέβαιον ὅτι δὲν θὰ γίνῃ κηδεία εἰς τὰς 'Αθήνας. 'Αντὶ τούτου, ἡ κυβέρνησις ἀπεφάσισεν ὅπως τελεσθοῦν θρησκευτικὸν μνημόσυνον εἰς τὸν μητροπολιτικὸν ναὸν καὶ καλλιτεχνικὸν εἰς τὴν 'Ακαδημίαν 'Αθηνῶν. 'Ο χρόνος τελέσεως τοῦ μνημοσύνου δὲν ἔχει εἰσέτι καθορισθῇ.

'Εν τῷ μεταξὺ ὁ ἀντιπρόεδρος τοῦ δημοτικοῦ συμβουλίου 'Αθηνίων κ. Λ. Πετρομανιάτης, ἀπηύθυνεν ἐπιστολὴν πρὸς τὸν πρόεδρον τοῦ σώματος κ. Δ. Βρανόπουλον, διὰ τῆς ὁποίας προτείνει ὅπως τὸ δημοτικὸν συμβούλιον μετάσχῃ εἰς τὸ παγκόσμιον πένθος διὰ τὴν ἀπώλειαν τοῦ ἀνυπερβλήτου "Ελληνος μαέστρου Δημήτρη Μητροπούλου, δοξάσαντος τὴν 'Ελλάδα ἀνὰ τὴν ὑφήλιον, ἀποφασισθῇ δὲ ὅπως δοθῇ τὸ ὄνομα αὐτοῦ εἰς κεντρικὴν ὁδὸν τῆς πρωτευούσης.

ΘΑ ΤΑΦΗ ΕΙΣ ΤΗΝ ΕΛΛΑΔΑ

ΝΕΑ ΥΟΡΚΗ, 4. ('Ασσ. Πρές).— Οἱ ἐκτελεσταὶ τῆς διαθήκης τοῦ ἀποδιώξαντος εἰς Μιλᾶνον "Ελληνος ἀρχιμουσικοῦ ἀνεκοίνωσαν σήμερον ὅτι ἡ θέσις τῆς ὁριστικῆς ταφῆς τοῦ Δημήτρη Μητροπούλου θὰ εἶναι ἡ γενέτειρά του 'Ελλάς. 'Η σορὸς τοῦ ἀρχιμουσικοῦ ὅστις ἀπεβίωσεν αἰφνιδίως ἐπὶ τοῦ βάθρου τῆς "Οπερας τῆς Σκάλας τοῦ Μιλάνου τὴν παρελθοῦσαν Τετάρτην, θὰ μεταφερθῇ ἀεροπορικῶς εἰς 'Ελβετίαν διὰ καῦσιν ἀκολούθως δὲ θὰ ἐπαναφερθῇ εἰς Μιλᾶνον ὁπόθεν θὰ μεταφερθῇ εἰς 'Αθήνας δι' ἑλληνικοῦ στρατιωτικοῦ ἀεροπλάνου, τὸ ὁποῖον ἀπέστειλεν ἡ ἑλληνικὴ κυβέρνησις.

'Ο κ. Μπάρτον Χόρκερ, οἰκονομικὸς ἀντιπρόσωπος τοῦ ἀποδιώξαντος μαέστρου ἀνεκοίνωσεν ὅτι ἡ τέφρα τοῦ διασήμου ἀρχιμουσικοῦ θὰ παραδοθῇ εἰς τὸ ἑλληνικὸν 'Ωδεῖον 'Αθηνῶν. 'Ο Μητρόπουλος ἦτο 'Αμερικανὸς πολίτης καὶ νόμιμος κάτοικος τῆς πολιτείας τῆς Νέας 'Υόρκης. 'Ο κ. Χόρκερ ἐδήλωσεν ὅτι δὲν γνωρίζει λεπτομερείας τῆς κηδείας, ἡ ὁποία θὰ τελεσθῇ εἰς 'Ελλάδα. Οὕτως ἐδήλωσε πάντως ὅτι ὁ Μητρόπουλος διατυπώνει εἰς τὴν διαθήκην του τὴν παράκλησιν ὅπως μὴ κατατεθοῦν ἄνθη ἐπὶ τοῦ φερέτρου του καὶ τὰ δι' αὐτὰ χρήματα διατεθοῦν δι' ἀγαθοεργοὺς σκοπούς.

ΝΕΚΡΩΣΙΜΟΣ ΤΕΛΕΤΗ

'Εκπρόσωπος τοῦ ἐνταῦθα ἑλληνικοῦ προξενείου ἐπεβεβαίωσε σήμερον ὅτι ὁ Μητρόπουλος εἶχε ζητήσει ὅπως ἡ σορός του καῇ. 'Εξ ἄλλου, ὁ γενικὸς πρόξενος τῆς 'Ελλάδος κ. Θ. Μελετίου ἐξέφρασε τὴν ἐλπίδα, ὅτι ἡ σορὸς τοῦ μουσικοσυνθέτου θὰ ἐναπετίθετο τελικῶς εἰς τὴν 'Ελλάδα. "Αν καὶ οὐδὲν εἰσέτι εἶναι ὁριστικὸν πιστεύεται, ὅτι θὰ λάβῃ χώραν νεκρώσιμος τελετὴ εἰς τὴν Σκάλαν τοῦ Μιλάνου, ὅπου ὁ Μητρόπουλος εὗρε τὸν θάνατον, συνεπείᾳ καρδιακῆς προσβολῆς.

'Ο κ. Τζὼν Ρέντυ, δικηγόρος ἐκ Νέας 'Υόρκης, ὅστις χειρίζεται τὰ τῆς ἐκτελέσεως τῆς διαθήκης τοῦ Μητροπούλου ἐδήλωσεν ὅτι ἔρευνα πρόκειται νὰ ἀναληφθῇ προτοῦ καθορισθῇ τὸ ποσὸν τῆς διαθήκης τοῦ μουσικοσυνθέτου, πλὴν οὗτος ὑπελόγισε τοῦτο ὡς «μέτριον». Μία ἔρευνα διὰ τοὺς συγγενεῖς αὐτοῦ, προσέθεσεν ὁ κ. Ρέντυ, ἀνελήφθη ἤδη καὶ ἡ ἐκτέλεσις τῆς διαθήκης θὰ ἀναμείνῃ τὸ ἀποτέλεσμά της. 'Ακολούθως οὗτος ἐδήλωσεν ὅτι προφανῶς ἡ διαθήκη δὲν θὰ ἐκτελεσθῇ πρὸ τῆς παρελεύσεως ἓξ ἢ ἑπτὰ ἑβδομάδων.

'Εξ ἄλλου, πληροφορίαι ἐκ Μιλάνου ἀναφέρουν, ὅτι ὡς ἐδήλωσεν ἐκεῖ ἡ γραμματεὺς τοῦ Μητροπούλου κ. Τρούντυ Γκόθ, οὐδεὶς μέχρι τοῦ ἀπογεύματος, ἀπὸ ἑλληνικῆς πλευρᾶς, εἶχεν ἐνδιαφερθῇ διὰ τὸν Μητρόπουλον, οὔτε ὁ πρόξενος, οὔτε ἡ Λυρικὴ Σκηνή.

Τὸ φιλόμουσον κοινὸν τῆς Νέας 'Υόρκης, τὸ ὁποῖον εἶχεν ἰδιαιτέραν ἐκτίμησιν διὰ τὸν ἀποδιώξαντα μαέστρον, συνεκινήθη μενάλως ἐκ τοῦ θανάτου του.

Maestro's ashes will come to Greece today

Milan, Saturday, (AP)

Personalities of the music world paid last respects to fame of conductor Dimitri Mitropoulos at Milan's Institute of Legal Medicine Saturday.

Mitropoulos died on the podium of La Scala's Opera House during a rehearsal Wednesday.

Later Saturday afternoon the body of the Greek-born maestro will be delivered to Greek Consular authorities and taken by car to Lugano, Switzerland, for cremation. The maestro's ashes will then be moved back to Italy and taken to Milan's Malpensa airport where a Greek Royal Air Force plane is to fly them to Athens Sunday.

Visitors only — but not flowers — were admitted Saturday morning in the hall where Mitropoulos was lying in state. Bouquets sent by admirers and music lovers were sent to the Institute chapel.

In his will Mitropoulos requested that there should be no elaborate ceremonies or flowers and that money should instead be spent on charity.

The ashres will lie in state for one day at the Herod Attrikos theatre, according to Athens reports.

The Academy and the Athens Conservatory will hold a ceremony at which Deputy Premier P. Canellopoulos will speak.

ΑΝΑΜΝΗΣΕΙΣ

Πολλοὶ διατυπώνουν μὲ ἀπορίαν τὸ ἐρώτημα:

—Μὰ εἶναι λοιπὸν τόσο δύσκολη καὶ κουραστικὴ δουλειὰ νὰ διευθύνῃ κανεὶς μιὰ συμφωνικὴ ὀρχήστρα;

Σ' αὐτοὺς λοιπὸν ἀντὶ ἄλλης ἀπαντήσεως παραθέτω τὴν περιγραφὴ μιᾶς πρόβας τῆς ὀρχήστρας τοῦ 'Ωδείου 'Αθηνῶν μὲ τὸ Μητρόπουλο, πού ἔτυχε νὰ παρακολουθήσω τὸν Αὔγουστο τοῦ 1939, λ.γο πρὶν φύγη ὁριστικὰ γιὰ τὴν 'Αμερική.

'Η ὥρα εἶναι δέκα παρὰ πέντε πρωϊνή. Τὰ θερμόμετρα δείχνουν 36 βαθμοὺς στὴ σκιά. 'Η ἀτμόσφαιρα τῆς αἰθούσης εἶναι βαρειά, ὁ ἀερισμὸς σχεδὸν ἀνύπαρκτος, ὁ φωτισμὸς φτωχότατος, τόσο που ἀναγκάζονται ν' ἀνάψουν τὰ φῶτα. Οἱ μουσικοὶ προσέρχονται διαστικοί, κουρασμένοι, ἱδρωμένοι, μερικοὶ ξαγρυπνισμένοι. 'Η σκηνὴ τῆς αἰθούσης, διότι ἡ αἴθουσα τοῦ 'Ωδείου 'Αθηνῶν ἔχει μικρὴ σκηνή, μεταβάλλεται σὲ βεστιάριο. 'Επάνω στὰ καθίσματα καὶ στὰ πιάνα ἀποθετοῦνται καπέλλα, γραβάτες, σακκάκια, γυναικεῖες τσάντες, θῆκες διολιῶν καὶ μερικοὶ προνομιοῦχοι ἀκροατές. Εἰς τὰς δέκα ἀρχίζει ἡ δοκιμὴ τῆς συμφωνικῆς ὀρχήστρας. Δέκα παρὰ ἕνα λεπτὸ χτυπᾶ τὸ τελευταῖο κουδούνι καὶ οἱ μουσικοὶ καταλαμβάνουν τὶς θέσεις τους. Θέσεις τους εἶναι σχῆμα λόγου, δεδομένου ὅτι στὴν αἴθουσα αὐτὴ τὰ καθίσματα εἶναι κινητὰ καὶ ὁλόκληρη ἡ ὀρχήστρα ἀποτελεῖ μιὰ μάζα συνωθουμένων καὶ διαγωνιζομένων ἀνθρώπων. Οἱ πάρτες εὑρίσκονται στὰ ἀναλόγια.

'Ο μαέστρος χωρὶς σακκάκι μὲ ἕνα λευκὸ μπλουζάκι μὲ κοντὰ μανίκια—παρακαλῶ προσέξατε αὐτὸ τὸ μπλουζάκι, γιατί κατὰ τὴ διαδρομὴ τῆς δοκιμῆς θὰ ἀλλάξη σχήματα καὶ χρώματα—προσέρχεται καὶ καταλαμβάνει τὴ θέσι του. Δηλαδὴ ἕνα κάθισμα ἐπάνω στὴ σκηνή. Πλάι, σ' ἕνα ἄλλο κάθισμα, εἶναι κρεμασμένο τὸ σακκάκι του καὶ τρία τέσσερα μαντήλια. Τίποτε ἄλλο. Οὔτε νότες, οὔτε ἀναλόγιο, οὔτε μπαγκέτα. 'Η ὀρχήστρα φλυαρεῖ, χουρδίζει, σκουπίζει τὸν ἱδρῶτα, ποὺ ρέει ἄφθονα εἰς τὴν ἀσφυκτικὴ αἴθουσα μὲ τὴ βροντώδη ἀκουστική. 'Ασθμαίνει πρὶν ἀκόμη βγάλη μιὰ νότα. 'Ο μαέστρος σηκώνει τὰ χέρια του καὶ φωνάζει: 'Εμπρός, πᾶμε. Τὴ συμφωνία παρακαλῶ. 'Η συμφωνία δὲν εἶναι γνωστὴ στοὺς μουσικούς. Παίζεται γιὰ πρώτη φορά. Εἶναι στριφνὴ καὶ δύσκολη. Πᾶμε. Τὰ χέρια ὑψώνονται, κινοῦνται ρυθμικά. Οἱ μουσικοὶ παίζουν κυττάζοντας μιὰ τὶς νότες, μιὰ τὸν ἀρχιμουσικό. 'Ο ρυθμὸς εἶναι ἀλέγκρο διβάτσε. Λίγα μέτρα μουσικῆς καὶ τὰ χέρια κατεβαίνουν. "Οχι ἔτσι. Πιὸ ζωηρά, ἀκοῦτε τὰ χέρια μου. Χτυπᾶ μὲ τὶς παλάμες του. Τὸ ἴδιο συνέχεια. Τὰ τσέλλα πιὸ βιμπράτο. 'Η ὀρχήστρα παίζει, ὁ μαέστρος τραγουδᾶ μαζί, παπαπάμ, παραπαπάμ. Τὰ χέρια, κινοῦνται, τὰ δάχτυλα σφίγγονται καὶ στρέφονται ἀπειλητικὰ πότε πρὸς τὰ βιολιὰ καὶ πότε πρὸς τὶς διόλες. "Ενα τσίριγμα τοῦ κλαρίνου, καὶ τὰ χέρια ἀκινητοῦν. "Οχι ἔτσι, ὄχι ἔτσι. Πιὸ ἁπαλά, πιὸ τραγουδιστά. 'Εμπρὸς ἀπὸ τὸ 9. 'Η μουσικὴ ἐδῶ εἶναι ἁπαλή, μελωδική, βασισμένη περισσότερο στὰ ἔγχορδα, μὲ συγκοπὲς τῆς ἄρπας καὶ τῶν κοντραμπάσων. Λίγα ἀκόμα μέτρα καὶ τὰ κόρνα ἔχουν σοβαρώτατο ρόλο. Τὸ σῆμα τοῦ μαέστρου δίδεται, ἀλλὰ μπαίνουν καθυστερημένα καὶ σκληρά. "Οχι ἔτσι, πρὸς Θεοῦ! Τὰ χέρια σταματοῦν καὶ ὁ ἱδρὼς κυλᾶ ἀπὸ τὴν ἀσκητικὴ φαλάκρα, ρέει στὰ μάγουλα, ποτίζει τὴν ὠμοπλάτη καὶ τὸ στῆθος. Πάλι τὰ κόρνα, στρωτὰ καὶ βελούδινα. Τὸ θέμα εἶναι ποιητικὸ Τραλαλαλάάά... Τὸ ἴδιο ἀπὸ τὸ 16. Κάποιος μουσικὸς που παίζει διόλα ἐρωτᾶ ἐὰν εἰς τὸ δωδέκατο μέτρο, μετὰ ἀπὸ τὸ λά ὑπάρχει παῦσις. 'Ο μαέστρος, μὲ εὐκινησία αἰλούρου, πηδᾶ, πλησιάζει καὶ ἀνακαλύπτει τὴν παῦσι πού δὲν ξεχωρίζει ὁ μουσικός. Παρακαλῶ νὰ τὴν σημειώσετε. 'Ανεβαίνει στὴ σκηνὴ καὶ ξαναρχίζει. 'Η ὀρχήστρα παίζει τώρα ὁμαλά. Δὲν ὑπάρχουν στὸ σημεῖο αὐτὸ δυσκολίες. 'Ο μαέστρος ξεχνιέται. Η φράσις εἶναι μελωδικὴ καὶ εὔκολη. Τὰ χέρια, τὰ ἐξαίσια αὐτὰ χέρια, ἀνοίγουν καὶ κλείνουν ρυθμικά, ἐκφραστικά. Κυματίζουν, ἀλλάζουν σχήματα, ἱκετεύουν, διατάσσουν, ἀπειλοῦν γίνονται φτερούγες, παίζουν μαζί. Τὸ κεφάλι του στρέφεται πρὸς τὰ ἐπάνω. Τὰ μάτια του κλείνουν καὶ ταξιδεύουν σ' ἄλλους κόσμους. Πόσο λίγο κρατᾶ ἡ γαλήνη καὶ ἡ ψευδαίσθησις ὅτι ὅλα τάχα πηγαίνουν καλά, ὅλα εἶναι ὡραῖα καὶ καθάρια μουσική; Τὰ κοντραμπάσσα σ' ἕνα χαρακτηριστικὸ κ

Ἐντὸς τῆς ἡμέρας, οἱ ἁρμόδιοι κυβερνητικοὶ παράγοντες θὰ ρυθμίσουν τὰ τῆς ἐπισήμου ὑποδοχῆς τῆς ληκύθου, ἡ ὁποία περιέχει τὴν σποδὸν τοῦ νεκροῦ. Ἐγνώσθη πάντως ὅτι εἰς τὸ ἀεροδρόμιον θὰ ὑποδεχθοῦν τὴν σποδὸν τοῦ μεγάλου μαέστρου ἐπίσημοι, ἐκπρόσωποι μουσικῶν καὶ ἄλλων καλλιτεχνικῶν ὀργανώσεων, οἱ εὑρισκόμενοι εἰς Ἀθήνας συγγενεῖς, ἐκ μητρός, τοῦ Μητροπούλου, σπουδασταὶ μουσικῶν σχολῶν, θαυμασταὶ τοῦ ἐκλιπόντος ἀρχιμουσικοῦ, καὶ ἀπόσπασμα τὸ ὁποῖον θὰ ἀποδώσῃ τιμάς.

Ἀπὸ τὸ ἀεροδρόμιον, καὶ συμφώνως πρὸς τὸ καταρτιζόμενον πρόγραμμα, εἰς τὸ ὁποῖον ἐνδέχεται νὰ ἐπέλθουν ἀλλαγαί, ἡ σποδὸς τοῦ Δημήτρη Μητροπούλου θὰ μεταφερθῇ ἐν πομπῇ καὶ θὰ ἐναποτεθῇ εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ὅπου ὁ ἀείμνηστος μαέστρος εἶχεν ἐπανειλημμένως διευθύνει συναυλίας.

Εἰς τὸ Ἡρώδειον θὰ γίνῃ ἀμέσως μετὰ τὴν μεταφορὰν ἢ μετὰ παρέλευσιν 48 ὡρῶν τελετή, ἡ ὁποία θὰ περιλαμβάνῃ ὁμιλίας ἐκπροσώπου τῆς Κυβερνήσεως καὶ ἀντιπροσώπων τῶν καλλιτεχνικῶν ὀργανώσεων σχετικὰς μὲ τὴν προσωπικότητα, τὸ ἔργον καὶ τὴν σημασίαν τῆς προσφορᾶς τοῦ Μητροπούλου εἰς τὴν μουσικήν.

Ἡ σποδὸς τοῦ Μητροπούλου θὰ ἐκτεθῇ εἰς προσκύνημα μὲ τιμητικὴν φρουρὰν μουσικῶν, θὰ παραμείνῃ δὲ εἰς τὸ Ὠδεῖον τοῦ Ἡρώδου μέχρι τοῦ ἀπογεύματος τῆς Δευτέρας ἢ τῆς Τρίτης (καὶ τοῦτο παραμένει εἰσέτι ἀκαθόριστον), ὁπότε ἐν πομπῇ θὰ μεταφερθῇ εἰς τὸ Ὠδεῖον Ἀθηνῶν, ὅπου ἡ λήκυθος θὰ ἐναποτεθῇ εἰς εἰδικὴν προθήκην.

Ἐξ ἄλλου, ὑπὸ τῆς Ἀκαδημίας καὶ τοῦ Ὠδείου Ἀθηνῶν θὰ τελεσθῇ καλλιτεχνικὸν μνημόσυνον, εἰς τὸ ὁποῖον, ὡς ἐγνώσθη, θὰ ὁμιλήσῃ ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος. Ἐκτὸς τῶν ἀνωτέρω, θὰ γίνουν καὶ ἄλλαι καλλιτεχνικαὶ ἐκδηλώσεις ὑπὸ διαφόρων ὀργανώσεων καὶ σωματείων εἰς μνήμην τοῦ μεγάλου νεκροῦ, ὁ ὁποῖος ἐτίμησε τὸ ἑλληνικὸν ὄνομα εἰς ὁλόκληρον τὸν κόσμον.

Σχετικῶς μὲ τὸ ἀνακύψαν θέμα τῆς θρησκευτικῆς τελετῆς, πού, ὡς ἐγνώσθη ἤδη, δὲν πρόκειται νὰ γίνῃ, πληροφορούμεθα ἐξ ἁρμοδίων ἐκκλησιαστικῶν κύκλων ὅτι τοῦτο ὀφείλεται εἰς τὸ ὅτι οἱ κανόνες τῆς Ὀρθοδόξου Ἐκκλησίας ἀπαγορεύουν ρητῶς τὴν καῦσιν τῶν νεκρῶν. Ἀπαιτεῖται δὲ διὰ τὴν περίπτωσιν ἀπόφασις τῆς Ἱερᾶς Συνόδου, ἡ ὁποία ὅμως θὰ ἐδημιουργοῦσε προηγούμενον. Ἐπειδὴ δὲ ἀνεφέρθη ὡς προηγούμενον ἡ θρησκευτικὴ τελετὴ πού ἔγινε κατὰ τὴν μετακομιδὴν τῶν ὀστῶν τοῦ ποιητοῦ Ἀνδρέα Κάλβου ἐκ μέρους τῶν ἐκκλησιαστικῶν ἀρχῶν, ὑπενθυμίζεται ὅτι ἐπρόκειτο περὶ ὀστῶν νεκροῦ, ὁ ὁποῖος εἶχε κηδευθῇ καθολικῶς. Προστίθεται ὅτι ἡ Ἐκκλησία θὰ ἐκήδευε μετὰ πολλῶν τιμῶν ἕναν ἄνδρα, ὡς ὁ ἀείμνηστος Μητρόπουλος, ἂν ἡ σορός του δὲν ἐτίθετο εἰς τὸ κρεματόριον πρὸς καῦσιν.

Ὀργάνωσις ἐκδηλώσεων

Εἰς κοινὴν συνεδρίασιν τοῦ Διοικητικοῦ Συμβουλίου τοῦ Ὠδείου Ἀθηνῶν καὶ τοῦ Καθηγητικοῦ Συλλόγου ἀντηλλάγησαν σκέψεις διὰ τὴν ὀργάνωσιν ἐκδηλώσεων εἰς μνήμην τοῦ Δ. Μητροπούλου. Μεταξὺ αὐτῶν εἶναι καὶ πρότασις διὰ τὴν φιλοτέχνησιν ὑπὸ Ἕλληνος γλύπτου τῆς προτομῆς τοῦ μεγάλου μαέστρου, ἡ ὁποία, ὡς πληροφοραύμεθα, θὰ πραγματοποιηθῇ τελικῶς.

Παραλλήλως τὸ Δημοτικὸν Συμβούλιον Πειραιῶς ἀπεφάσισε, κατὰ τὴν τελευταίαν του συνεδρίασιν, ὅπως δοθῇ εἰς μίαν τῶν ὁδῶν τῆς πόλεως τὸ ὄνομα τοῦ ἐκλιπόντος μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημ. Μητροπούλου.

Λέγω τῆς ἐλλείψεως σαφῶν εἰδήσεων ἀπὸ τὸ Μιλάνον, χθὲς καὶ προχθές, σχετικῶς μὲ τὸν ἀκριβῆ χρόνον τῆς ἐδῶ μεταφορᾶς τῆς σποδοῦ τοῦ Μητροπούλου ἐπεκράτησε ἀσάφεια καὶ δὲν κατέστη δυνατὸν νὰ κατατεθῇ ἀπὸ τῆς πρώτης στιγμῆς τὸ σχετικὸν πρόγραμμα ὑποδοχῆς καὶ ἐκδηλώσεων. Συνέπεια δὲ τῆς ἀσαφείας ταύτης ἦτο καὶ τὸ ὅτι ὁ διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. Θ. Βαβαγιάννης, μέλη τῆς ὀρχήστρας καὶ τιμητικὸν ἀπόσπασμα τῆς ἀεροπορίας, εἶχον κατέλθει χθὲς εἰς τὸ ἀεροδρόμιον διὰ τὴν ὑποδοχὴν τῆς σποδοῦ τοῦ Μητροπούλου.

Προσκύνημα εἰς Μιλᾶνον

ΜΙΛΑΝΟΝ, 5. (Ἰδ. ὑπ.).— Ἡ σορὸς τοῦ διασήμου Ἕλληνος διευθυντοῦ ὀρχήστρας Δημητρίου Μητροπούλου θὰ μεταφερθῇ ἀεροπορικῶς εἰς Ἑλβετίαν σήμερον πρὸς ἀποτέφρωσιν. Σήμερον ἠνοίχθησαν ἐπὶ τρεῖς ὥρας αἱ θύραι τοῦ νεκρικοῦ θαλάμου τοῦ μεγάρου ἰατροδικαστικῶν ἐρευνῶν, ὅπου ἔχει ἐναποτεθῇ ἡ σορὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ, καὶ πυκνὸν πλῆθος παρήλασε πρὸ αὐτῆς. Τὸ λαϊκὸν προσκύνημα ἐπρόκειτο νὰ σταματήσῃ περὶ ὥραν 14ην (Γκρήνουϊτς) (4 μ.μ. Ἑλλάδος), ὁπότε ἡ σορὸς θὰ ἐτοποθετεῖτο ἐπὶ νεκροφόρου καὶ θὰ μετεφέρετο εἰς Λουγκάνο τῆς Ἑλβετίας, ὅπου πρόκειται νὰ καῇ. Εἰς τὴν Ἰταλίαν ἀπαγορεύεται ἡ καῦσις τῶν νεκρῶν. Κατόπιν ἡ σποδὸς τοῦ ἀνδρός, τὸν ὁποῖον ὁ Ἀρθοῦρος Τοσκανίνι ἀπεκάλεσε κάποτε «ἕνα ἀπὸ τοὺς μεγαλυτέρους διευθυντὰς ὀρχήστρας τῆς ἐποχῆς μας», θὰ μεταφερθῇ εἰς Ἀθήνας δι' ἀεροπλάνου τῆς E.B.A.

Οἱ μουσικοὶ τῆς Σκάλας

Οἱ πρῶτοι, οἱ ὁποῖοι παρήλασαν πρὸ τοῦ φερέτρου ἦσαν μουσικοὶ τῆς Σκάλας τοῦ Μιλάνου καὶ φιλόμουσοι. Ὁ νεκρικὸς θάλαμος εἶχεν ἐπενδυθῇ ἐσωτερικῶς διὰ μελανῶν παραπετασμάτων περὶξ δὲ τοῦ φερέτρου εἶχον τοποθετηθῇ ἐξ δενδρύλλια. Ἄνθη δὲν ὑπῆρχον, συμφώνως πρὸς σχετικὴν ἐπιθυμίαν τοῦ ἐκλιπόντος. Οἱ στέφανοι, πού ἀπεστάλησαν ἀπό τινας θαυμαστὰς τοῦ Μητροπούλου, μετεφέρθησαν εἰς τὴν πλησιεστέραν ἐκκλησίαν. Ὁ Μητρόπουλος, ὡς γνωστόν, ἀπέθανε κατὰ τὴν διάρκειαν τῆς πρώτης δοκιμῆς συναυλίας, τὴν ὁποίαν ἐπρόκειτο νὰ δώσῃ εἰς τὴν Σκάλα τὴν Δευτέραν. Ἀρχικῶς οἱ ἰατροὶ ἐνόμισαν, ὅτι οὗτος ἀπέθανεν ἐξ ἐγκεφαλικῆς αἱμορραγίας, ἡ γενομένη ὅμως ἀργότερον νεκροψία ἀπεκάλυψεν, ὅτι ὁ θάνατος προῆλθεν ἐκ συγκοπῆς τῆς καρδίας.

Νεώτεραι πληροφορίαι ἀναφέρουν, ὅτι μουσικοί, χορευταὶ καὶ γενικῶς καλλιτέχναι ἀπεχαιρέτησαν σήμερον τὸ ἀπόγευμα τὸν νεκρὸν τοῦ Μητροπούλου, ὁ ὁποῖος μεταφέρεται πρὸς καῦσιν εἰς Λουγκάνο. Οἱ καλλιτέχναι καὶ τὰ μέλη τοῦ μπαλλέτου τῆς Σκάλας ἐδάκρυσαν, καθὼς ἡ σορὸς μετεφέρετο ἐπὶ τῆς νεκροφόρου.

Τὸ φέρετρον μετεφέρθη ἐκ τοῦ νεκρικοῦ θαλάμου ἐπὶ τῶν ὤμων τοῦ μαέστρου Φραντζέσκο Σιτσιλιάνι, διευθυντοῦ τῆς «Σκάλας» καὶ ἐπτὰ μουσικῶν καὶ ἐναπετέθη ἐπὶ τῆς νεκροφόρου Εἰς τὴν σύντομον αὐτὴν τελετὴν παρευρίσκοντο ὁ κ. Ἀντόνιο Γκιριγκέλλι, ἐκ τῶν ἡγετικῶν στελεχῶν τῆς Σκάλας, ὁ γενικὸς γραμματεὺς κ. Λουΐτζι Ὀλντάνι, διευθυνταὶ ὀρχήστρας, μουσικοί, τὸ μπαλλέτο τῆς Σκάλας καὶ πλῆθος θαυμαστῶν τοῦ ἐκλιπόντος μεγάλου μουσικοῦ. Ἐπίσης, ἀπὸ ἑλληνικῆς πλευρᾶς παρόντες ἦσαν ὁ γενικὸς πρόξενος τῆς Ἑλλάδος κ. Μελετίου, ὁ γενικὸς διευθυντὴς Καλῶν Τεχνῶν κ. Γ. Κουρνούτος, ὁ σύμβουλος τῆς ἑλληνικῆς πρεσβείας κ. Ἀλεξ. Δημητρόπουλος καὶ τὰ τέσσαρα μέλη τοῦ πληρώματος τοῦ ἑλληνικοῦ ἀεροπλάνου, τὸ ὁποῖον θὰ μεταφέρῃ αὔριον τὴν σποδὸν εἰς Ἀθήνας.

Τὴν ἀμερικανικὴν Κυβέρνησιν ἀντεπροσώπευεν ὁ ὑποπρόξενος τῶν Ἡν. Πολιτειῶν κ. Τζὼν Βαντερδέεν.

Ὁ κ. Κουρνούτος, ὁμιλῶν πρὸς τοὺς δημοσιογράφους, ἐδήλωσεν: «Ἕνας μεγάλος υἱὸς τῆς Ἑλλάδος ἐπανέρχεται εἰς τὴν πατρίδα. Ἡ Ἑλλὰς πειθεῖ τὸν θάνατόν του, διότι ἦτο ὑπερήφανος διὰ τὴν Ἰδιοφυΐαν του. Ὁ Μητρόπουλος συνήθιζε νὰ λέγῃ ὅτι ἡ μουσικὴ ἦτο κάτι, πού φέρει τὸν ἄνθρωπον πλησιέστερον πρὸς τὸν Θεόν. Τώρα ἀσφαλῶς οὗτος εὑρίσκεται εἰς τὸ βασίλειον τῶν αἰωνίων μελῳδιῶν».

Ὁ κ. Τζέϊμς Ντίκσον, νεαρὸς Ἀμερικανὸς σπουδαστὴς τῆς Βοστώνης, πρόκειται νὰ συνοδεύσῃ τὴν σποδὸν εἰς Ἀθήνας. Οὗτος ἦτο προστατευόμενος τοῦ Μητροπούλου. Λέγεται ὅτι ἔχει εἰς τὴν κατοχήν του ἐπιστολὴν τοῦ ἐκλιπόντος μουσικοῦ, διὰ τῆς ὁποίας τὸν ἐξουσιοδοτεῖ ὅπως παρακολουθήσῃ τὴν κηδείαν του, ὁπουδήποτε ἤθελεν αὕτη τελεσθῇ.

Εἰς τὴν τελετὴν παρίστατο καὶ ἡ κ. Κουτσογιάννη, στενὴ φίλη τοῦ Μητροπούλου.

ΚΑΛΛΙΤΕΧΝΙΚΑ ΠΕΝΘΗ

Ο ΘΑΝΑΤΟΣ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Ὁ θάνατος τοῦ Δημήτρη Μητρόπουλου, τοῦ μεγαλύτερου σύγχρονου μαέστρου τῆς Δύσης, καὶ ἑνὸς ἐκ τῶν πρώτων ἂν ὄχι τοῦ πρώτου ὁλοκλήρου τοῦ κόσμου, δημιούργησε πολλὴ πίκρα καὶ θλίψη σ' ὅλο τὸ φιλότεχνο παγκόσμιο κοινὸ καὶ ἰδιαίτερα στοὺς φίλους τῆς μουσικῆς.

Ὁ Μητρόπουλος, ποὺ ἔδωσε τόσα πολλὰ στὸν τομέα τῆς μουσικῆς τέχνης μέχρι τὴν τελευταία του πνοή, δὲν ἦταν μόνο ὁ καλλιτέχνης μὲ τὴν τρομερὴ δύναμη, μὲ τὴν ξεχωριστὴ ἰδιοφυΐα, μὲ τὴν ἀνυπέρβλητη ἀποδοτικότητα. Ἦταν ἀκόμη ὁ Ἕλληνας, ποὺ μὲ τὴν φήμη του, ἐδραίωσε σ' ὁλόκληρο τὸν κόσμο καὶ τὴν φήμη τῆς Ἑλλάδας, σὰν χώρας ποὺ γεννᾶ ἀκριβοὺς καὶ ξεχωριστοὺς ἀνθρώπους στὸν τομέα τοῦ πνεύματος καὶ τῆς τέχνης.

Ὁ Δημήτρης Μητρόπουλος ἦταν ὁ καλλιτέχνης, ὁ πραγματικὸς καλλιτέχνης, ποὺ σ' ὅλο τὸ φωτεινό του πέρασμα ἀπὸ τὴ ζωή, διατήρησε τὴν καλλιτεχνική του ὑπόσταση καὶ συνεΐδηση στὸ ἀκέραιο, λαμβανομένου ὑπ' ὄψιν ὅτι καὶ τὴν τελευταία του πνοὴ τὴν ἄφησε μὲ τὴν μπαγκέτα στὸ χέρι! Ἴσως γι' αὐτὸ ὁ Μητρόπουλος θαυμάζεται σήμερα ἀπὸ τοὺς λίγους τυχεροὺς καλλιτέχνες ἀπ' αὐτοὺς δηλαδὴ ποὺ κάνουν τὸν ὡραιότερο θάνατο, δουλεύοντας μέχρι τὴν τελευταία στιγμὴ γιὰ τὸ ἰδανικό τους. Καὶ τὸ ἰδανικὸ τοῦ Μητρόπουλου ἦ ἂν ἦμουσική, ἡ γεμάτη αὐτὴ ἔννοια, τὴν ὁποία τόσο διεύρυνε καὶ τόσο ἀνέπτυξε μὲ τὴν ἀξιόλογη προσφορά του.

Ἡ Ἑλλάδα ἀπὸ τὴ μιὰ ὡς τὴν ἄλλη ἄκρη, πένθησε γιὰ τὸ χαμό του καὶ στὸ πένθος αὐτὸ συμμετεῖχε καὶ ἡ Κρήτη μὲ ἰδιαίτερη συγκίνηση, γιατὶ ἐκτὸς τοῦ ὅτι εἶναι τὸ μέρος ἐκεῖνο ποὺ ἐκτιμᾶ καὶ πονεῖ τὸν κάθε καλλιτέχνη καὶ τὴ δουλειά του, εἶναι καὶ ὁ τόπος τὸν ὁποῖο ὁ Μητρόπουλος ἐπισκέφτηκε λίγο πρὶν τὸν πόλεμο, γιὰ νὰ τὸν θαυμάσει, ὅπως ὁ ἴδιος εἶπε, τότε καὶ νὰ ἐμπνευστεῖ.

Ἡ Κρήτη λοιπὸν ποὺ ἴσως συνέτεινε μ' ἐκεῖνο τὸ ταξείδι του, στὴν ἀνάπτυξη τῆς μουσικῆς του ἔμπνευσης, λυπᾶται ἀφάνταστα γιὰ τὸ χαμό του καὶ σὰν Ἕλληνα καὶ σὰν φίλου της, ἀλλὰ κυρίως σὰν μεγάλου καὶ ἀσύγκριτου ἀληθινοῦ καλλιτέχνη.

ΕΚΕΙΝΟΙ ΠΟΥ ΦΕΥΓΟΥΝ

ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ

Ο ΜΕΓΑΛΟΣ ΝΕΚΡΟΣ

Πρὶν λίγες μέρες μιὰ φυσιογνωμία μεγάλη ἔπαψε νὰ ὑπάρχῃ.

Τὸ νῆμα μιᾶς ζωῆς ἑκόπη πάνω στὸ μεσουράνημά της.

Ὁ Δημήτρης Μητρόπουλος δὲν ζῇ πιά. Ὁ Μεγάλος μάγος τῆς Μπαγκέτας ἄφησε τὴν τελευταία του πνοή, πάνω στὴ πανέμορφη τοῦ Μιλάνου πολιτεία.

Μέσα στὴν περίφημη «σκάλα» του, τὰ νευρικά του χέρια, διηύθυναν τὴν ὀρχήστρα της, ποὺ τόσο πολὺ ἀγάπησε καὶ ἐλάτρεψε, γιὰ τελευταία φορά.

Ἡ Μεγαλύτερη Φυσιογνωμία τῆς Μουσικῆς, σφάλισε γιὰ πάντα τὰ μάτια της.

Δὲν θὰ ξανασκορπίσει πιὰ ρίγη, συγκίνησι καὶ ἐνθουσιασμοῦ, στοὺς φίλους τῆς μουσικῆς, ποὺ τόσο τὸν ἐκτίμησαν καὶ τὸν ἀνέβασαν στὰ οὐράνια ὕψη τῆς καλλιτεχνικῆς δόξας. Ὁ καλύτερός μας «πρεσβευτὴς» σταμάτησε ἀπότομα τὴ δράσι του, μέσα στὸ ἀποκορύφωμα τῆς δημιουργίας του, γιὰ νὰ πάῃ καὶ νὰ συναντήσῃ τοὺς ἄλλους γίγαντες τῆς τέχνης, στὸν ἀθάνατο «Παρνασσό», ἐκεῖ ποὺ βρίσκονται ἄφθαρτα ὅλα τὰ μεγάλα πνεύματα.

Δίκαια ὅλος ὁ κόσμος ἔκλαψε γιὰ τὸν θάνατο τοῦ μεγάλου αὐτοῦ καλλιτέχνη.

Καὶ πιὸ δίκαιος ἀκόμα ὁ χαρακτηρισμὸς πολλῶν προσωπικοτήτων ὅτι ὁ μεγάλος νεκρός μας, ἦταν ἕνα «φαινόμενο» καλλιτεχνικῆς δημιουργίας.

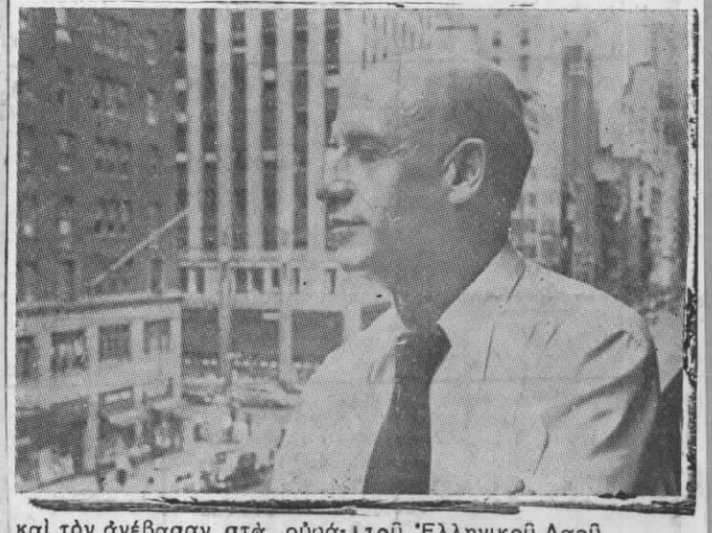
Τὸ πέρασμά του θὰ μείνῃ γιὰ πάντα ζωντανὸ στοὺς πνευματικοὺς κύκλους.

Καὶ θὰ μείνῃ σὰν Φάρος.

Γιατὶ ὁ Μητρόπουλος δὲν ἦταν ἕνας συνηθισμένος καλλιτέχνης.

Ἦταν στὸ στέμμα τῆς τέχνης, διαμάντι ἀνεκτίμητο, τοῦ Ἑλληνικοῦ Λαοῦ.

Αὔριον αὐτὸς ποὺ ἀσκήτεψε ἀπὸ μικρὸς στὴν ἐκκλησία τῆς τέχνης, θὰ σκεπαστῇ ἀπὸ τὴν προνομιοῦχο Ἀττικὴ γῆ.



Τὸ κενοτάφιό του θἆναι σύμβολο, καὶ ἡ μνήμη του θὰ διατηρῆται ἀνέπαφη.

Ἰδιαίτερα αὐτοὶ ποὺ ἡ τύχη τοὺς βοήθησε νὰ νοιώσουν ἀπὸ κοντὰ τὶς συγκινήσεις πού προσέφερε ἡ ἀσκητικὴ μορφὴ τοῦ Μάγου τῆς Μπαγκέτας δὲν πρόκειται εὔκολα νὰ τὸν ξεχάσουν.

Τὸ στερνὸ χειροκρότημα θὰ εἶναι ὁ τελευταῖος χαιρετισμὸς ἀλλὰ καὶ ἡ τελευταία ἐκδήλωσις ἀγάπης τοῦ Λαοῦ, σ' αὐτὸν ποὺ τόσο τὸν ἀγάπησε.

Αὐτὸ τὸ χειροκρότημα καὶ ἡ ἀληθινὴ ἀγάπη ὅλων μας, πρὸς τὸν μέγαν νεκρόν, ἂς ἀποτελέσουν τὴν καλύτερη παρηγοριὰν γιὰ τὸν σκληρὰ δοκιμασθέντα κόσμο τῆς τέχνης.

Η ΤΕΛΕΥΤΑΙΑ ΔΟΚΙΜΗ ΠΟΥ ΔΙΗΥΘΥΝΕΝ Ο ΜΗΤΡΟΠΟΥΛΟΣ

Δυο στιγμιότυπα ἀπὸ τὴν τελευταίαν δοκιμὴν τοῦ Δημητρίου Μητροπούλου μὲ τὴν Ὀρχήστραν τῆς Σκάλας τοῦ Μιλάνου. Ὁ Μητρόπουλος διηύθυνε τὴν 3ην Συμφωνίαν τοῦ Μάλερ.

Η ΣΠΟΔΟΣ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ ΦΘΑΝΕΙ ΣΗΜΕΡΟΝ ΕΙΣ ΑΘΗΝΑΣ

ΔΑΚΡΥΟΝΤΑ ΠΛΗΘΗ ΘΑΥΜΑΣΤΩΝ ΤΟΥ ΠΑΡΗΛΑΣΑΝ ΧΘΕΣ ΠΡΟ ΤΗΣ ΣΟΡΟΥ ΤΟΥ

ΜΙΛΑΝΟΝ, 5. (Γιουνάϊτεντ).— Ἡ τέφρα τοῦ Μητροπούλου ἐπανέρχεται αὔριον εἰς τὴν γῆν, τῆς γενετείρας του, εἰς τὰς Ἀθήνας. Λήκυθος περιέχουσα τὴν σποδόν, ἀπὸ τὸ Λουγκάνο τῆς Ἑλβετίας ὅπου ἐγένετο ἡ ἀποτέφρωσις τοῦ νεκροῦ, ἀναμένεται ν' ἀφιχθῇ ἐπὶ εἰδικῶς διατεθέντος ἀεροπλάνου τὰς ἀπογευματινὰς ὥρας τῆς αὔριον εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ, ὅπου καὶ θὰ τύχῃ ἐπισήμου ὑποδοχῆς. Σήμερονὴ σορὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ ἐξετέθη ἐπὶ τρίωρον εἰς προσκύνημα εἰς τὸ παρεκκλήσιον τῆς Ἰατροδικαστικῆς σχολῆς ἐν Μιλάνῳ, ὅπου ὅλος ὁ μουσικὸς κόσμος τῆς Σκάλας καὶ πλήθη λαοῦ ἐθρήνησαν τὸν Μητρόπουλον μὲ συγκινητικὰς ἐκδηλώσεις. Ἐν τῷ μεταξὺ μεταδίδεται ἐκ Μιλάνου ὅτι κατόπιν Ἰατροδικαστικῆς ἐξετάσεως διεπιστώθη ὅτι ὁ θάνατος ὀφείλετο οὐχὶ εἰς ἐγκεφαλικὴν αἱμορραγίαν, ὡς ἀρχικῶς ἐπίστευσαν οἱ ἰατροὶ ποὺ τὸν ἐξήτασαν, ἀλλὰ εἰς συγκοπὴν τῆς καρδίας.

Ἡ ἀποτέφρωσις τῆς σοροῦ τοῦ Μητροπούλου ἐγένετο κατόπιν ἐπεμβάσεως τοῦ ἐκτελεστοῦ τῆς διαθήκης του νέου Ἀμερικανοῦ συνθέτου κ. Τζὶμ Ντίξον. ὁ ὁποῖος, ὡς ἐπληροφορήθη τὸν θάνατον τοῦ διδασκάλου καὶ προστάτου του, ἔσπευσε νὰ τηλεγραφήσῃ εἰς Ἀθήνας καὶ Μιλάνον γνωστοποιῶν τὸ κείμενον τῆς διαθήκης, διὰ τοῦ ὁποίου ἐπιστοποιεῖτο ἡ ἐπιθυμία τοῦ ἐκλιπόντος ὅπως ἡ σορὸς του καῇ καὶ ἡ τέφρα του τοποθετηθῇ ἐντὸς ἑλληνικοῦ ἀμφορέως καὶ μεταφερθῇ εἰς τὰς Ἀθήνας.

Πέραν τῆς διαθήκης αὐτῆς, ὁ ἀποθανὼν ἀρχιμουσικὸς ἐξέφραζε τὴν ἰδίαν ἐπιθυμίαν του εἰς ἐπιστολὴν πρὸς τὸν ἐν Ν. Ὑόρκῃ διαχειριστὴν τῆς περιουσίας του κ. Μπάρτον Χόκερ, σταλεῖσαν τὴν 10ην Ἀπριλίου 1959. Τὸ κείμενον τῆς ἐπιστολῆς αὐτῆς, ἀνακοινωθὲν παρὰ τοῦ κ. Χόκερ πρὸς τὸν τύπον ἔχει ὡς ἀκολούθως:

«Ἐπιθυμῶ ὅπως εἰς περίπτωσιν θανάτου μου μὴ μοῦ ἀποσταλοῦν ἄνθη. Τυχὸν δωρεαὶ αἱ ὁποῖαι θὰ ἀπέβλεπον εἰς τὴν ἐπ' ὀνόματί μου δημιουργίαν σταθεροῦ κεφαλαίου διὰ φιλανθρωπικοὺς σκοποὺς ἐπιθυμῶ ὅπως διατεθοῦν ὑπὲρ τῶν Ἀμερικανῶν συνθετῶν. Τὴν διαχείρισιν τοῦ κεφαλαίου αὐτοῦ νὰ ἀναλάβῃ ἡ Ἑταιρία τῆς Φιλαρμονικῆς τῆς Νέας Ὑόρκης.

»Ἐπίσης ἐπιθυμῶ ὅπως ἡ σορός μου ἀποτεφρωθῇ μὲ τὴν μεγαλυτέραν δυνατὴν οἰκονομίαν, προηγουμένως δὲ νὰ μὴ ἐκτεθῇ εἰς κοινὴν θέαν. Μετὰ τὴν ἀποτέφρωσιν ἡ σποδός μου δέον νὰ ἀποσταλῇ εἰς τὴν Ἑλλάδα».

Αἱ τελευταῖαι αὐταὶ ἐπιθυμίαι τοῦ Μητροπούλου ἐξεπληρώθησαν μὲ τὴν σημερινὴν ἀποτέφρωσιν τοῦ νεκροῦ του καὶ τὴν μεταφοράν του αὔριον εἰς Ἀθήνας.

Ὁ νεκρὸς παρέμεινε εἰς τὸ νεκροφυλάκιον τοῦ Ἰνστιτούτου τῆς Ἰατροδικαστικῆς τοῦ Μιλάνου μέχρι τῆς 4ης μ.μ. καὶ ἀκολούθως μετεφέρθη εἰς Λουγκάνο τῆς Ἑλβετίας διὰ τὴν ἀποτέφρωσίν του. Πρὸ τῆς μεταφορᾶς τοῦ νεκροῦ αἱ θύραι τοῦ νεκροφυλακίου ἠνοίχθησαν διὰ τρεῖς ὥρας καὶ καθ' ὅλον τὸ διάστημα τοῦτο πλῆθη θαυμαστῶν τοῦ ἐκλιπόντος παρήλαυνον πλησίον τοῦ φερέτρου διὰ τὸν τελευταῖον ἀποχαιρετισμόν. Ἐκ τῶν πρώτων ποὺ ἔσπευσαν νὰ τὸν ἀποχαιρετήσουν ἦσαν ὅλοι οἱ μουσικοί, χορευταὶ καὶ ἀοιδοὶ τῆς Σκάλας τοῦ Μιλάνου — μεγαλυτέρας ὅπερας τοῦ κόσμου — ἀλλὰ καὶ πλῆθη μουσοφίλων.

Τὸ δωμάτιον ἦτο κεκαλυμμένον μὲ μαύρους πέπλους καὶ τὸ φέρετρον περιεβάλλετο ἀπὸ ἓξ μικρὰ δενδρύλλια. Συμφώνως πρὸς τὴν ὑστάτην ἐπιθυμίαν τοῦ νεκροῦ, οὐδεὶς στέφανος ἀνθέων εἰσήχθη εἰς τὸν χῶρον αὐτόν, ὅλα δὲ τὰ ἄνθη τὰ ὁποῖα ἀπεστάλησαν ὑπὸ θαυμαστῶν του ἐναπετέθησαν εἰς τὴν πλησιεστέραν ἐκκλησίαν.

Εἰς τὰς τέσσαρας ἀκριβῶς, τὸ φέρετρον, ἀπὸ ξύλον δρυός, βασταζόμενον ἀπὸ τὸν ἀρχιμουσικὸν καὶ διευθυντὴν τῆς Σκάλας Φραντσέσκο Σισιλιάνι καὶ ἑπτὰ μουσικούς τῆς περιφήμου ὅπερας καὶ παρακολουθούμενον ἀπὸ πλήθος δακρυόντων μουσικῶν καὶ ἰταλικοῦ λαοῦ, μετεφέρθη εἰς τὴν νεκροφόρον καὶ δι' αὐτῆς εἰς Λουγκάνο τῆς Ἑλβετίας διὰ τὴν ἀποτέφρωσιν. Παρόντες κατὰ τὴν ἐκφορὰν ἐκτὸς τῶν ἀντιπροσώπων τῶν ἑλληνικῶν καὶ ἰταλικῶν ἀρχῶν, ἦσαν ἐπίσης ὁ διευθυντὴς τοῦ Ραδιοσταθμοῦ τῆς Βιέννης δρ. Κόχ, ἀντιπρόσωποι τῶν Λυρικῶν Σκηνῶν τῆς Βιέννης καὶ τοῦ Σάλτσμπουργκ καὶ μέλη τῆς Φιλαρμονικῆς Ὀρχήστρας τῆς Βιέννης.

Η ΑΠΟΤΕΦΡΩΣΙΣ

Ὅταν ἡ σορὸς ἔφθασε εἰς τὸ κρεματόριον τοῦ Λουγκάνο, εἰς τὸ βόρειον ἄκρον τῆς πόλεως, τὸ φέρετρον ἀπὸ τῆς νεκροφόρου μετέφερον πάλιν δύο μουσικοὶ τῆς ὀρχήστρας τοῦ ραδιοσταθμοῦ τοῦ Λουγκάνο καὶ δύο ἀνώτεροι δημοτικοὶ ὑπάλληλοι. Εἰς τὴν ἁπλῆν αἴθουσαν τοῦ παρεκκλησίου δὲν ὑπῆρχον ἄνθη. Μόνον ἕνας

ΕΝΟΣ ΛΕΠΤΟΥ ΣΙΓΗ ΕΙΣ ΤΟ «ΚΑΡΝΕΓΚΥ ΧΩΛ»

Θὰ διαφυλαχθῇ εἰς τὸ θέατρον Ἡρώδου τοῦ Ἀττικοῦ

ΑΘΗΝΑΙ, 5.— Τηλεγράφημα τοῦ ἐν Μιλάνῳ γενικοῦ προξένου τῆς Ἑλλάδος πρὸς τὴν κυβέρνησιν, ἀνέφερεν, ὅτι ἡ σποδὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου, θὰ διακομισθῇ εἰς Ἀθήνας τὸ ἀπόγευμα αὔριον (σήμερον) τὴν 3.30΄.

Εἰς τὸ τηλεγράφημα τοῦ Ἕλληνος προξένου ἀναφέρεται ἐπίσης, ὅτι ἡ σορὸς τοῦ Μητροπούλου μετεφέρθη εἰς Λουγκάνο τῆς Ἐλβετίας ὅπου καὶ ἀπετεφρώθη εἰς τὸ ἐκεῖ κρεματόριον συμφώνως πρὸς τὴν τελευταίαν ἐπιθυμίαν τοῦ νεκροῦ.

Ἐντὸς τῆς ἡμέρας, οἱ ἁρμόδιοι κυβερνητικοὶ παράγοντες θὰ ρυθμίσουν τὰ τῆς ἐπισήμου ὑποδοχῆς τῆς λήκυθου, ἡ ὁποία περιέχει τὴν σποδὸν τοῦ νεκροῦ.

Εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ θὰ παρευρίσκωνται ὁ κ. Κανελλόπουλος καὶ οἱ ὑπουργοὶ κ.κ. Τσάτσος, καὶ Βογιατζῆς ἀντιπρόσωποι τῶν μουσικῶν Ἱδρυμάτων οἱ εὑρισκόμενοι εἰς Ἀθήνας συγγενεῖς, ἐκ μητρός, τοῦ Μητροπούλου, σπουδασταὶ μουσικῶν σχολῶν, θαυμασταὶ τοῦ ἐκλιπόντος ἀρχιμουσικοῦ, καὶ ἀπόσπασμα τὸ ὁποῖον θὰ ἀποδώσῃ τιμάς.

Ἀπὸ τὸ ἀεροδρόμιον συμφώνως πρὸς τὸ καταρτιζόμενον πρόγραμμα, εἰς τὸ ὁποῖον ἐνδέχεται νὰ ἐπέλθουν ἀλλαγαί, ἡ σποδὸς τοῦ Δημήτρη Μητροπούλου θὰ μεταφερθῇ ἐν πομπῇ καὶ θὰ ἐναποτεθῇ εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ὅπου ὁ ἀείμνηστος μαέστρος εἶχεν ἐπαναλάβει συναυλίας. Εἰς τὸ Ἡρῶδειον θὰ γίνῃ ἀμέσως μετὰ τὴν μεταφορὰν ἡ μετὰ παρέλευσιν 48 ὡρῶν τελετή, ἡ ὁποία θὰ περιλαμβάνῃ ὁμιλίας ἐκπροσώπου τῆς κυβερνήσεως καὶ ἀντιπροσώπων τῶν καλλιτεχνικῶν ὀργανώσεων σχετικὰς μὲ τὴν προσωπικότητα, τὸ ἔργον καὶ τὴν σημασίαν τῆς προσφορᾶς τοῦ Μητροπούλου εἰς τὴν μουσικήν.

ΛΑΪΚΟΝ ΠΡΟΣΚΥΝΗΜΑ

Ἡ σποδὸς τοῦ Μητροπούλου θὰ ἐκτεθῇ εἰς προσκύνημα μὲ τιμητικὴν φρουρὰν μουσικῶν, θὰ παραμείνῃ δὲ εἰς τὸ Ὠδεῖον τοῦ Ἡρώδου μέχρι τοῦ ἀπογεύματος τῆς Δευτέρας ἢ τῆς Τρίτης (καὶ τοῦτο παραμένει εἰσέτι ἀκαθόριστον), ὁπότε ἐν πομπῇ θὰ μεταφερθῇ εἰς τὸ Ὠδεῖον Ἀθηνῶν, ὅπου ἡ λήκυθος θὰ ἐναποτεθῇ εἰς εἰδικὴν προθήκην.

Ἐξ ἄλλου, ὑπὸ τῆς Ἀκαδημίας καὶ τοῦ Ὠδείου Ἀθηνῶν θὰ τελεσθῇ καλλιτεχνικὸν μνημόσυνον εἰς τὸ ὁποῖον, ὡς ἐγνώσθη, θὰ ὁμιλήσῃ ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Π. Κανελλόπουλος. Ἐκτὸς τῶν ἀνωτέρω θὰ γίνουν καὶ ἄλλαι καλλιτεχνικαὶ ἐκδηλώσεις ὑπὸ διαφόρων ὀργανώσεων καὶ σωματείων εἰς μνήμην τοῦ μεγάλου νεκροῦ, ὁ ὁποῖος ἐτίμησε τὸ ἑλληνικὸν ὄνομα εἰς ὁλόκληρον τὸν κόσμον.

Σχετικῶς μὲ τὸ ἀνακῦψαν θέμα τῆς θρησκευτικῆς τελετῆς, ἡ ὁποία ὡς ἐγνώσθη ἤδη, δὲν πρόκειται νὰ γίνῃ, ἐξ ἀρμοδίων ἐκκλησιαστικῶν κύκλων ἐτονίσθη ὅτι τοῦτο ἀφείλεται εἰς τὸ ὅτι οἱ κανόνες τῆς ὀρθοδόξου ἐκκλησίας ἀπαγορεύουν ρητῶς τὴν καῦσιν τῶν νεκρῶν. Ἀναπείθεται δὲ διὰ τὴν περίπτωσιν ἀπόφασις τῆς Ἱερᾶς συνόδου, ἡ ὁποία, ὅμως, θὰ ἐδημιούργει προηγούμενον. Ἐπειδὴ δὲ ἀνεφέρθη ὡς προηγούμενον ἡ θρησκευτικὴ τελετὴ ἡ ὁποία ἔγινε κατὰ τὴν μετακομιδὴν τῶν ὀστῶν τοῦ ποιητοῦ Ἀνδρέα Κάλβου ἐκ μέρους τῶν ἐκκλησιαστικῶν ἀρχῶν, ὑπενθυμίζεται ὅτι ἐπρόκειτο περὶ ὀστῶν νεκροῦ ὁ ὁποῖος εἶχε κηδευθῇ κανονικῶς. Προστίθεται ὅτι ἡ ἐκκλησία θὰ ἐκήδευε μετὰ πολλῶν τιμῶν ἕνα ἄνδρα, ὡς ὁ ἀείμνηστος Μητρόπουλος, ἂν ἡ σορός του δὲν ἐτίθετο εἰς τὸ κρεματόριον πρὸς καῦσιν.

ΟΡΓΑΝΩΣΙΣ ΕΚΔΗΛΩΣΕΩΝ

Εἰς κοινὴν συνεδρίασιν τοῦ διοικητικοῦ συμβουλίου τοῦ Ὠδείου Ἀθηνῶν καὶ τοῦ καθηγητικοῦ συλλόγου ἀντηλλάγησαν σκέψεις διὰ τὴν ὀργάνωσιν ἐκδηλώσεως εἰς μνήμην τοῦ Δ. Μητροπούλου. Μεταξὺ αὐτῶν εἶναι καὶ πρότασις διὰ τὴν φιλοτέχνησιν ὑπὸ Ἕλληνος γλύπτου τῆς προτομῆς τοῦ μεγάλου μαέστρου, ἡ ὁποία, ὡς ἐγνώσθη, θὰ πραγματοποιηθῇ τελικῶς.

Παραλλήλως, τὸ δημοτικὸν συμβούλιον Πειραιῶς ἀπεφάσισε, κατὰ τὴν τελευταίαν του συνεδρίασιν, ὅπως δοθῇ εἰς μίαν τῶν ὁδῶν τῆς πόλεως τὸ ὄνομα τοῦ ἐκλιπόντος μεγάλου Ἕλληνος ἀρχιμουσικοῦ.

Ὁ ἀδύνατος στρατιώτης μὲ τὰ μπλὲ μάτια.—Ἡ «Βεατρίκη».— Ἡ μικρὴ ἄρρωστη ἀδελφή.— Ἡ ἀγάπη του στὰ παιδιά.— Ἡ δόξα καὶ ἡ νοσταλγία γιὰ τὴν Ἑλλάδα.—Ἡ μοναξιά του.

ΜΙΑ ΑΦΗΓΗΣΙ ΤΗΣ κ. ΚΑΤΙΝΑΣ ΠΑΞΙΝΟΥ

Ἡ κ. Κατίνα Παξινοῦ συνεδέετο διὰ στενῆς φιλίας μὲ τὸν Δημήτρη Μητρόπουλον, φιλίαν ἡ ὁποία ἐξεκίνησεν ὅταν καὶ οἱ δύο ἐσπούδαζαν ἀκόμη μουσικὴν καὶ παρέμεινεν ἀκμαία μέχρι τέλους. Συνειργάσθησαν, ἐξ ἄλλου, ἐπανειλημμένως δεξιούμενοι, ὅτι ἡ κ. Παξινοῦ, ποὺ ἄρχισε τὴν καριέρα της μὲ τὸ μελόδραμα, δὲν ἔχει μόνον ἀρτιωτάτην μουσικὴν μόρφωσιν, ἀλλὰ καὶ συνέθεσεν ἡ ἰδία τὴν μουσικὴν διὰ τὸν «Οἰδίποδα Τύραννον», ἡ ὁποία χρησιμοποιεῖται πάντοτε εἰς τὰς παραστάσεις τοῦ Ἐθνικοῦ Θεάτρου, ἐνῷ, ἀφ' ἑτέρου, ὁ Μητρόπουλος εἶχε πάντοτε ζωηρὸν ἐνδιαφέρον διὰ τὸ Θέατρον καὶ διετέλεσεν ἐπὶ ἓξη ἀρχιμουσικὸς τοῦ Ἐθνικοῦ.

Τὸ κατωτέρω ἄρθρον ἀποβαίνει ἀναμνήσεις τῆς κ. Παξινοῦ διὰ τὸν Μητρόπουλον, ὅπως τὰς ἀφηγήθη ἡ ἰδία εἰς τὸν συνεργάτην μας.

Ὁ Δημήτρης Μητρόπουλος καὶ ἡ Κατίνα Παξινοῦ γνωρίσθηκαν τὸ 1918 καὶ ἡ φιλία τους διατηρήθηκε ὡς προχθές. Τότε (τὸ 1918 ἡ Παξινοῦ μόλις εἶχε ἐπιστρέψη ἀπὸ τὴν Ἑλβετία, ὅπου εἶχε σπουδάση μουσικὴ καὶ ἀναζητοῦσε ἀκόμα πανιατέρ. Μιὰ μέρα ὁ Καλομοίρης, ποὺ ἦταν ἀξιωματικός, ἔργο ἀποτελούμενο ἀπὸ ὀκτὼ κομμάτια, καθένα ἀπὸ τὰ ὁποῖα ἐκάλυπτε τρεῖς καὶ τέσσερες σελίδες. Ὁ Μητρόπουλος τὸ εἶχε παίξη μόνο μιὰ φορά— ἐκεῖνη τὴ μοναδικὴ φορὰ στὴν Ἀθήνα, πρὶν 40 περίπου χρόνια! Ἀλλὰ τὸ θυμόταν σὰν νὰ τὸ εἶχε παίξη χθές. Κι' ἐπειδὴ δὲν βρῆκε στὸ Παρίσι τὸ ἔργο, κάθησε

Ὁ Ἀλέξης Μινωτῆς, ἡ Κατίνα Παξινοῦ καὶ ὁ μαέστρος στὶς δοκιμὲς τῆς «Ἠλέκτρας».

καὶ τὸ ἔγραψε ὁλόκληρο— στίχους καὶ μουσικὴ— ἀπὸ μνήμης!

⁂

Ἀκούστηκε ὅτι ἦταν μισέλλην. Ἡ φήμη αὐτὴ ἴσως νὰ καλλιεργήθηκε ἀπὸ ἐκείνους ποὺ τὸν ἐσπρωξαν στὴν ἐξορία — καὶ στὴ δόξα — ἀλλὰ ἡ πραγματικότητα εἶναι ἐντελῶς διαφορετική. Δὲν ἤθελε νὰ φύγη ἀπὸ τὴν Ἑλλάδα. "Οταν ἔφευγε γιὰ πρώτη φορὰ στὴ Γερμανία μὲ ἔξοδα τοῦ Μπενάκη καὶ τοῦ Νεγρεπόντη πῆδηξε ἀπὸ τὸ πλοῖο τὴν ὥρα ποὺ σήκωναν τὴν σκάλα καὶ γύρισε στοὺς φίλους του. «Δὲν μπορῶ νὰ φύγω» τοὺς εἶπε. «Μοῦ εἶναι ἀδύνατο ν' ἀφήσω τὸν τόπο μου». Καὶ χρειάσθηκε ἡ ἴδια ἡ Παξινοῦ, ποὺ εἶχε πάντα μεγάλη ἐπιρροὴ στὸ νεαρὸ Μητρόπουλο, ν' ἀγωνισθῇ σκληρὰ γιὰ νὰ τὸν πείση: «Πρέπει νὰ φύγης. Πρέπει νὰ φτάσης ψηλὰ — καὶ θὰ φτάσης».

Ὁ Μητρόπουλος διευθύνει.

"Εφυγε. Ἀλλὰ ἡ σκέψη του, ἡ ψυχή του, τὰ μάτια του πάντα γύριζαν — πότε γελαστὰ καὶ πότε δακρυσμένα — στὴν Ἑλλάδα. Γύρισε τὸ 1929 καὶ ξανάφυγε τὸ 1936. Ἀλλὰ δὲν ἔπαψε νὰ ρωτᾶ, νὰ πάσχη γιὰ τὴν Ἑλλάδα. "Οταν τὸ 1941 ἡ Παξινοῦ βρέθηκε πρόσφυγας στὴν Ἀμερική, ὁ Μητρόπουλος ἦταν στὴ Μινεάπολη. Τὴν πῆρε ἀμέσως στὸ τηλέφωνο. Ἡ φωνή του ἀκούστηκε βραχνή, ταραγμένη: «Κατίνα, μίλησέ μου γιὰ τὴν Ἑλλάδα. Πῶς δέχτηκε τὴν ἦττα; Πῶς εἶναι ἡ Ἀθήνα μὲ τοὺς Γερμανούς;».

⁂

Ἴσως γιὰ καμμιὰ ἄλλη διασημότητα τῆς ἐποχῆς μας δὲν γράφτηκαν οἱ φανταστικὲς πληροφορίες ποὺ γράφτηκαν γιὰ τὸν Μητρόπουλο. Τὸ κοινὸ πασχίζε νὰ μαντέψη τί κρυβόταν πίσω ἀπὸ τὸ κέρινο καὶ χλωμὸ ἐκεῖνο πρόσωπο μὲ τὰ γκριζογάλανα μάτια. «Εἶναι ἕνας ψυχρὸς ἄνθρωπος ποὺ ἐνδιαφέρεται μόνο γιὰ νότες», ἔγραψε κάποτε μία ἐξέχη ἐφημερίδα. Ἀλλὰ ὁ Μητρόπουλος δὲν ἦταν ψυχρός. "Ηταν ἕτοιμος ν' ἀγωνισθῇ καὶ νὰ πονέση γιὰ κάθε τι στὸ ὁποῖο πίστευε. "Οταν ἦταν στὴ Γερμανία, ἀρρώστησε ἡ Ἐλενίτσα — ἡ ἀδελφούλα του — ποὺ λάτρευε. Ἀπὸ κακὴ διάγνωση, οἱ γιατροὶ τῆς ἔκαναν θεραπεία γιὰ τύφο. Ἀποτέλεσμα — καλπάζουσα φυματίωση. Ὁ θάνατος ἐρχόταν μὲ σταθερὰ καὶ βέβαια βήματα. Ὁ Μητρόπουλος ἔκανε μία ἀπελπισμένη χειρονομία. Ταξίδεψε: ἀπὸ τὸ Βερολῖνο στὴν Ἐλβετία ὅπου νοσηλευόταν ἡ μικρὴ γιὰ νὰ τὴν πάρη μαζί του στὴ Γερμανία. Ἐξακολουθοῦσε νὰ εἶναι πολὺ φτωχός. Τὰ χρήματα ποὺ εἶχε δὲν ἔφθαναν γιὰ βαγκὸν - λί. Πῆρε δύο εἰσιτήρια τρίτης θέσεως. Οἱ ἐπιβάτες τοῦ βαγονιοῦ ἔβλεπαν παραξενεμένοι ἐκεῖνο τὸν ξανθὸ νέο μὲ τὸ τριμμένο κουστούμι ποὺ κρατοῦσε στὴν ἀγκαλιά του μία ἀδύνατη κοπελλίτσα δεκαπέντε ἐτῶν καὶ τὴ νανούριζε τρυφερά. Κανεὶς ἀπὸ τοὺς ἐπιβάτες τοῦ βαγονιοῦ ἐκείνου δὲν μποροῦσε νὰ σκεφθῇ ὅτι τὰ λιπόσαρκα ἐκεῖνα δάχτυλα ποὺ χάϊδευαν τὰ μαλλιὰ τῆς μικρῆς ἄρρωστης θὰ ἔσφιγγαν ὕστερα ἀπὸ μερικὰ χρόνια τὴν μαγικώτερη μπαγκέττα τοῦ κόσμου...

⁂

Ἡ ἀδελφή του πέθανε στὰ χέρια του ὕστερα ἀπὸ μερικοὺς μῆνες. Κάτι ἔσπασε τότε μέσα του. Ἀλλὰ δὲν ἔπαψε ποτὲ νὰ λατρεύη τὰ παιδιά. "Ηξερε πάντα πόσα παιδιὰ εἶχαν οἱ μουσικοί του. Τί ἡλικία εἶχαν, ἀπὸ ποιὲς ἀρρώστειες εἶχαν περάσει. Μία μέρα στὴ Ν. Ὑόρκη ἔδωσε στὴν Παξινοῦ 1000 δολλάρια. «Θέλω νὰ πᾶς καὶ νὰ μοῦ ἀγοράσης δῶρα γιὰ παιδιά», τῆς εἶπε. «Ἐδῶ ἔχω τί νούμερο ροῦχα καὶ παπούτσια φοροῦν τὰ παιδιὰ τῶν μουσικῶν μου (τῆς ἔδαλε στὸ χέρι ἕνα χαρτὶ γεμάτο ἀριθμοὺς ποὺ τοὺς εἶχε γραμμένα μὲ τὸ χέρι του). Κύτταξε νὰ κάνης καλὰ ψώνια», συνέχισε χαμογελῶντας. Τὰ δῶρα ἀγοράσθηκαν καὶ ἡ μέρα τῆς διανομῆς τους ἦταν γιὰ τὸν Μητρόπουλο μία μέρα ἀληθινὰ εὐτυχισμένη. Τὸ πρόσωπό του, ἐκεῖνο τὸ χλωμὸ πρόσωπο ἐπάνω στὸ ὁποῖο ἡ πίκρα εἶχε χαράξει τὸ ἀποτύπωμά της, ἔλαμπε χαρούμενο, ὅπως πρὶν 40 χρόνια στὴν Ἀθήνα ὅταν προετοίμαζε τὴν παράσταση τῆς «Βεατρίκης».

⁂

Καθὼς τὰ χρόνια κυλοῦσαν ἡ μοναξιὰ τὸν κύκλωνε ὅλο καὶ περισσότερο. "Ηταν μόνος, θὰ πέθαινε μόνος. Αὐτὴ ἡ σκέψη τὸν πίκραινε περισσότερο. Δὲν θέλησε νὰ παντρευτῇ (ἴσως νὰ μὴν τὸν ἄφησε ἡ μουσική, ἴσως νὰ τὸν ἐμπόδιζε ἡ ἀνάμνηση ἑνὸς ἔρωτα ποὺ δὲν βρῆκε τὴν ὁλοκλήρωσή του) καὶ ὁ θαυμασμὸς τοῦ κόσμου δὲν ἔφτανε γιὰ νὰ θερμάνη τὴν ψυχή του. Ἡ συχνὴ παρουσία τῆς Παξινοῦ στὴ Ν. Ὑόρκη ἦταν μία ὄαση στὴ μοναξιά του. Τοῦ μαγείρευε στὸ διαμέρισμά της τὰ ἀγαπημένα του φαγητὰ — μουσακὰ μελιτζάνες, κάστανα μὲ τὸ κρέας. Ἐκεῖ, στὸ φωτεινὸ διαμέρισμα τοῦ ξενοδοχείου, τὰ παλιὰ ξαναζοῦσαν. Τὰ μάτια τοῦ Μητρόπουλου, μάτια ἑνὸς ἀνθρώπου ποὺ ἔχει δῆ τὰ πλήθη νὰ παραληροῦν στὴ θέα του βούρκωναν καθὼς ξαναζοῦσε τὸ ξεκίνημά του: «Πῶς πέρασαν ἀλήθεια τὰ χρόνια Κατίνα. Πῶς πέρασαν...».

⁂

Ὄχι. Δὲν προαισθανόταν τὸν θάνατό του. Δὲν τὸν ἤθελε, δὲν τὸν σκεπτόταν, δὲν τὸν περίμενε. Εἶχε ἀκόμη πολλὰ νὰ δώση. Ὁ θάνατος μποροῦσε νὰ περιμένη. Ἡ ζωὴ τὸν εἶχε ἀνάγκη — οἱ ἄνθρωποι τὸν λάτρευαν. Κάποτε εἶπε στὴν Κατίνα Παξινοῦ: «Δὲν θέλω νὰ πεθάνω στὸ κρεβάτι. Ἂν μὲ ἀγαπᾶ ὁ Θεὸς πρέπει νὰ μοῦ στείλη τὸ θάνατο καθὼς θὰ στέκωμαι ὄρθιος».

Κι' ὁ Θεὸς τοῦ ἔστειλε τὸ θάνατο, σὰν τελευταία ἀπόδειξη τῆς ἀγάπης Του...

Κακὴ θέλησις;

Αἱ ὑπάρχουσαι πληροφορίαι ἀποκλείουν κακὴν θέλησιν τῆς Ἐκκλησίας εἰς τὸ ζήτημα τῆς κηδείας Μητροπούλου. Ὁ μεγάλος Ἕλλην ἀρχιμουσικὸς ἦτο θρησκευόμενος χριστιανός. Καὶ κανένα λόγον δὲν θὰ εἶχεν ὁ Κλῆρος νὰ μὴ συμμετάσχη εἰς τὰς ἀπονεμομένας ἀπὸ ὁλόκληρον τὴν Ἑλλάδα τιμὰς πρὸς τὸν νεκρόν. Τὸ περίεργον ὅμως εἶναι, ὅτι, καθὼς βεβαιώνει ὁ καθηγητὴς κ. Ἀλεβιζάτος, οὐδὲν κανονικὸν κώλυμα δημιουργεῖται — ἐκ τῆς καύσεως τῆς σοροῦ — εἰς τὴν Ἐκκλησίαν ὅπως ἐκτελέσῃ τὸ χρέος της καὶ συνοδεύσῃ τὴν σποδὸν μὲ τὰς ἐπιταφίους εὐχάς της. Ἐπιτρέπεται ὅμως νὰ φαντασθῶμεν τόσην ἀμάθειαν εἰς τὸ περιβάλλον τῆς ἀνωτάτης διοικήσεως τῆς Ἐκκλησίας, ὥστε νὰ ἀγνοοῦν οἱ ἁρμόδιοι τοὺς ἱεροὺς κανόνας; Νομίζομεν ὅτι ὀφείλεται ἐντὸς τῆς ἡμέρας κάποια ἐξήγησις — ὑπεύθυνος — πρὸς τὸ κατάπληκτον κοινόν.

ΡΕΠΟΡΤΑΖ ΤΟΥ ΜΟΥΣΙΚΟΥ ΣΥΝΕΡΓΑΤΟΥ ΤΗΣ «ΑΚΡΟΠΟΛΕΩΣ» κ. Γ. ΒΩΚΟΥ

ΜΙΛΑΝΟΝ, 6. (Διεθνὴς Ἡνωμένος Τύπος). — Ἡ σορὸς τοῦ Δημήτρη Μητρόπουλου μεταφέρθη χθὲς ἀεροπορικῶς εἰς Λουγκάνο τῆς Ἑλβετίας, ὅπου καὶ ἑκάη (ὁ ἰταλικὸς νόμος δὲν ἐπιτρέπει τὴν ἀποτέφρωσιν) εἰς τὸ ἐκεῖ κρεματόριον, συμφώνως μὲ τὴν τελευταίαν ἐπιθυμίαν τοῦ ἐκλιπόντος μεγάλου μαέστρου. Ἐν συνεχείᾳ ἡ τέφρα, τοποθετημένη ἐντὸς ἑλληνικῆς ληκύθου, θὰ μεταφερθῇ σήμερον εἰς Ἀθήνας, ὅπου καὶ θὰ ἐναποτεθῇ τελικῶς. Χθὲς τὴν πρωΐαν αἱ θύραι τοῦ Ἱνστιτούτου Ἰατρικῆς τοῦ Μιλάνου ἤνοιξαν ἐπὶ τρίωρον διὰ λαϊκὸν προσκύνημα, χιλιάδες δὲ ἀνθρώπων πάσης τάξεως διῆλθον ἀργὰ πρὸ τοῦ νεκροῦ.

Πρῶτοι προσῆλθον οἱ μουσικοὶ τῆς Σκάλας τοῦ Μιλάνου καὶ φίλοι τοῦ ἐκλιπόντος μαέστρου. Ἡ αἴθουσα ὅπου εὑρίσκετο τὸ φέρετρον ἔφερε πένθιμον διάκοσμον, συμφώνως δὲ πρὸς τὴν τελευταίαν ἐπιθυμίαν τοῦ μεταστάντος, δὲν ἐπετράπη ἡ κατάθεσις στεφάνων. Τὰ ὀλίγα δὲ ἄνθη ποὺ προσεκομίσθησαν ἀπεστάλησαν εἰς τὴν πλησιεστέραν ἐκκλησίαν.

Ἐν τῷ μεταξὺ ἐγνώσθη μετὰ τὴν πραγματοποιηθεῖσαν προχθὲς νεκροψίαν ὅτι ὁ θάνατος τοῦ Δημήτρη Μητροπούλου προῆλθεν ἐκ συγκοπῆς καρδίας καὶ ὄχι ἐξ ἐγκεφαλικῆς αἱμορραγίας, ὡς εἶχον ἀπὸ φαν-θῇ οἱ ἰατροὶ ἐκ τῆς πρώτης προχείρου διαγνώσεως.

Η ΠΑΡΑΛΑΒΗ ΤΗΣ ΣΠΟΔΟΥ

Σχετικῶς, ὁ καλλιτεχνικὸς συνεργάτης μας κ. Γεώργιος Βῶκος, γράφει τὰ ἑξῆς:

Ἡ σποδὸς τοῦ Δημήτρη Μητρόπουλου θὰ μεταφερθῇ εἰς τὰς Ἀθήνας σήμερον δι' εἰδικῶς διατεθέντος ἀεροπλάνου, τὸ ὁποῖον ὑπολογίζεται ὅτι θὰ προσγειωθῇ εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ τὰς ἀπογευματινὰς ὥρας. Ἤδη, ἐρρυθμίσθησαν τὰ τῆς παραλαβῆς τῆς ληκύθου, ἥτις περιέχει τὴν τέφραν. Κρατεῖ ἐπίσης σκέψις ὅπως γίνῃ ἐπιμνημόσυνος τελετὴ εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ εἴτε ἀμέσως, εἴτε μετὰ παρέλευσιν 48 ὡρῶν, κατὰ τὴν ὁποίαν θὰ ὁμιλήσουν ἐκπρόσωπος τῆς κυβερνήσεως καὶ ἀντιπρόσωπος τῶν καλλιτεχνικῶν ὀργανώσεων. Μετὰ τὴν τελετὴν ταύτην, ἡ λήκυθος θέλει παραδοθῇ εἰς τὸ Ὠδεῖον Ἀθηνῶν.

Η ΔΙΑΘΗΚΗ

Ἐν τῷ μεταξὺ πρὶν ἢ ρυθμισθῇ τὸ ζήτημα τῆς μεταφορᾶς εἰς Ἑλλάδα τῆς σποδοῦ τοῦ διασήμου ἀρχιμουσικοῦ, προέκυψαν ποικίλα ζητήματα, τὰ ὁποῖα ἀπέρρευσαν ἐκ τῆς διαθήκης τοῦ ἐκλιπόντος μαέστρου καὶ τῆς ἐν αὐτῇ ἀναφερομένης ἐπιθυμίας του — συμφώνως πρὸς τὴν δήλωσιν τοῦ κ. Τζὶμ Ντίξον — ὅπως μετὰ τὴν καῦσιν τῆς σοροῦ του, ἡ σποδός του ἐνατοποθετηθῇ εἰς λήκυθον καὶ μεταφερθῇ εἰς Ἑλλάδα. Παραλλήλως ὑπῆρχε καὶ ἡ δήλωσις τῆς γραμματέως τοῦ Μητροπούλου κ. Γκὸθ μὲ τὸν ἰσχυρισμὸν ὅτι συμφώνως πρὸς τὴν ἐκφρασθεῖσαν πρὸς αὐτὴν ἐπιθυμίαν του, ἡ τέφρα του ἔπρεπε νὰ μεταφερθῇ εἰς Ἀμερικὴν ὅπου καὶ νὰ ταφῇ. Κατὰ συνέπειαν αἱ ἀντιφατικαὶ αὐταὶ πληροφορίαι προὶς στιγμὴν ἐδημιούργησαν μίαν μορφὴν περιπλοκῆς. Παρ' ὅλ' αὐτὰ ἡ καρδιὰ τοῦ διασήμου μαέστρου παρέμεινεν πάντα καὶ βαθειὰ ἑλληνική. Γνήσιο τέκνον τῆς Ἑλλάδος ὁ Μητρόπουλος, ἐδῶ εἰς τὰ ἄγια ἑλληνικὰ χώματα θὰ εὕρῃ τὴν τελευταίαν του κατοικίαν καὶ τὴν αἰωνίαν ἀνάπαυσιν.

Ἐν τῷ μεταξὺ ἡ ἑλληνικὴ Κυβέρνησις προέβη εἰς ὅλας τὰς ἀπαραιτήτους ἐνεργείας διὰ τὴν πραγματοποίησιν τῆς μεταφορᾶς τῆς σποδοῦ τοῦ Μητροπούλου εἰς Ἑλλάδα. Τόσον ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος, ὅσον καὶ ὁ ὑπουργὸς Προεδρίας τῆς Κυβερνήσεως κ. Κ. Τσάτσος, ἐπελήφθησαν ἐν τάχει καὶ προσωπικῶς τοῦ διακανονισμοῦ τοῦ ζητήματος, τὸ ὁποῖον διὰ τὴν χώραν μας ἀποτελεῖ ἐθνικὸν θέμα, γύρω ἀπὸ τὸν μεγάλον Μητρόπουλον τιμήσαντα τόσον τὸ ἑλληνικὸν ὄνομα κατὰ τὴν ἰλιγγιώδη πορείαν, ἀνοδον καὶ ἐπιβολήν του εἰς τὸ παγκόσμιον μουσικὸν στερέωμα.

Η ΜΕΤΑΦΟΡΑ ΤΗΣ ΛΗΚΥΘΟΥ

Ἡ μεταφορὰ σήμερον τῆς ληκύθου, περιεχούσης τὴν τέφραν τοῦ Μητροπούλου κρατεῖ εἰς συγκίνησιν ὄχι μόνον τὴν ἑλληνικὴν Πρωτεύουσαν, ἀλλὰ καὶ ὁλόκληρον τὴν Ἑλλάδα. Ποικίλαι τιμητικαὶ ἐκδηλώσεις διὰ τὸν ἐκλιπόντα μεγάλον ἀρχιμουσικὸν θέλουν λάβει χώραν.

Εἰς συνεδρίασιν τοῦ διοικητικοῦ συμβουλίου τοῦ Ὠδείου Ἀθηνῶν καὶ τοῦ Καθηγητικοῦ Συλλόγου, ἀπεφασίσθη ὅπως τὸ συμβούλιον καὶ τὸ ἄλλο προσωπικὸν τοῦ Ὠδείου, παραστοῦν εἰς τὸ ἀεροδρόμιον κατὰ τὴν σημερινὴν ἄφιξιν τῆς σποδοῦ τοῦ Μητροπούλου.

Τὸ Ὠδεῖον Θεσσαλονίκης ἐξ ἄλλου ἀπέστειλε πρὸς τὸ Ὠδεῖον Ἀθηνῶν τὸ ἀκόλουθον τηλεγράφημα: «Συμβούλιον Ὠδείου Θεσσαλονίκης, πληροφορηθὲν μετὰ βαθυτάτης ὀδύνης ἀδόκητον θάνατον μεγάλου Ἕλληνος μουσικοῦ Μητρόπουλου, ἐκφράζει ἐγκάρδια συλλυπητήρια πρὸς τὸ Ὠδεῖον Ἀθηνῶν, τοῦ ὁποίου ὑπῆρξε μαθητὴς καὶ εἰς τῶν στυλοβατῶν».

Ἐπίσης ὁ Ραδιοφωνικὸς Σταθμὸς Ἑνόπλων Δυνάμεων ἀφιέρωνει ἐξ ὁλοκλήρου τὴν σημερινήν του ἐκπομπὴν «Θεατρικὸς κόσμος» εἰς τὴν μνήμην τοῦ Δημήτρη Μητροπούλου.

Πάντως ἡ περίπτωσις τῆς καύσεως τῆς σοροῦ τοῦ Μητροπούλου καὶ ἡ μεταφορὰ εἰς Ἑλλάδα τῆς τέφρας του, συντελεῖ εἰς τὴν ἐξ ὁλοκλήρου ἀναθεώρησιν τοῦ προγράμματος ἀποδόσεως μεταθανατίων τιμῶν εἰς τὸν κορυφαῖον μαέστρον, διότι αὐτομάτως δημιουργεῖ θέμα ἀρνήσεως τῆς Ἐκκλησίας νὰ εὐλογίσῃ τὴν σχετικὴ τελετή, συμφώνως μὲ τὰ κρατοῦντα εἰς τοὺς κόλπους τῆς Ὀρθοδόξου Ἐκκλησίας, ἥτις καὶ ἀπαγορεύει τὴν καῦσιν τῶν νεκρῶν.

Πολλοὶ ἱεράρχαι ἐρωτηθέντες σχετικῶς μὲ τὸ θέμα τῆς ταφῆς τῆς σποδοῦ τοῦ ἀποδιώσαντος Ἕλληνος μαέστρου Δημ. Μητρόπουλου, ἐδήλωσαν ὅτι ἡ Ὀρθόδοξος Ἐκκλησία ἀπαγορεύει τὴν καῦσιν τῶν νεκρῶν καὶ ὡς ἐκ τούτου δὲν πρόκειται νὰ τελέσῃ νεκρώσιμον ἀκολουθίαν ἢ ἐπιμνημόσυνον δέησιν ἐπὶ τῆς σποδοῦ.

Σχετικῶς πληροφορούμεθα ὅτι εἶνε ἡ πρώτη φορὰ κατὰ τὴν ὁποίαν ἡ Ὀρθόδοξος Ἐκκλησία ἀντιμετωπίζει θέμα κηδεύσεως τῆς τέφρας νεκροῦ. Ἐπὶ τοῦ θέματος τούτου, ὁ τέως πρύτανις τοῦ Πανεπιστημίου κ. Γρ. Παπαχιμαὴλ εἰς σύγγραμμά του, ὑποστηρίζει ὅτι εἶνε ἀπαράδεκτος ἡ καῦσις τῶν νεκρῶν καὶ ἀπαγορεύεται, διότι ἡ Ὀρθόδοξος Ἐκκλησία πιστεύει εἰς τὴν ἀνάστασιν τῶν νεκρῶν. Ἐξ ἄλλου καὶ λόγω τοῦ ὅτι ἐκυκλοφόρησαν φῆμαι ὅτι ἡ συνερχομένη αὔριον Δευτέραν Ἱερὰ Σύνοδος ἐπρόκειτο νὰ ἀσχοληθῇ μὲ τὸ θέμα τοῦτο, ὑπεστηρίχθη ὑπὸ τῶν προαναφερθέντων ἱεραρχῶν, ἐκ τῶν ὁποίων ὁ εἷς εἶνε συνοδικὸς, ὅτι ἡ Ἱερὰ Σύνοδος δὲν εἶνε ἁρμοδία νὰ συζητήσῃ τὸ θέμα, δοθέντος ὅτι τοῦτο ἐμπίπτει εἰς τὰ γενικώτερα θέματα τῆς Πίστεως. Τέλος ὁ καθηγητὴς τῆς Θεολογικῆς Σχολῆς τοῦ Πανεπιστημίου Ἀθηνῶν κ. Γερ. Κονιδάρης, ἐρωτηθεὶς ἐπὶ τοῦ προκειμένου, ἐδήλωσεν ὅτι ἐν οὐδεμιᾷ περιπτώσει δύναται νὰ γίνῃ κηδεία. «Θὰ ἠδύνατο ἴσως νὰ γίνῃ βραδύτερον ἐπιμνημόσυνος δέησις, ἐτόνισεν ὁ κ. Κονιδάρης, ἐὰν ὁ ἴδιος δὲν εἶχεν παραγγείλει τὴν καῦσιν τῆς σοροῦ του, πρᾶγμα τὸ ὁποῖον ἀποτελεῖ παράβασιν τῆς ὀρθοδόξου πίστεώς του».

ΓΕΩΡΓΙΟΣ ΒΩΚΟΣ

ΝΕΩΤΕΡΑΙ ΠΛΗΡΟΦΟΡΙΑΙ

Νεώτερα τηλεγραφήματα ἐκ Ρώμης, ἀναφέρουν ὅτι χθὲς περὶ τὴν μεσημβρίαν, τὸ φέρετρον μεταφέρθη ἐπὶ τῶν ὤμων τοῦ μαέστρου Φραντζέσκο Σισιλιάνι καὶ ἑπτὰ μουσικῶν τῆς «Σκάλας», εἰς τὴν ἀναμένουσαν νεκροφόραν. Παρόντες ἦσαν ὁ γενικὸς πρόξενος τῆς Ἑλλάδος, ὁ κ. Γ. Κουρνούτος, διευθυντὴς Καλῶν Τεχνῶν, ὁ σύμβουλος τῆς ἑλληνικῆς πρεσβείας τῆς Ρώμης κ. Δημητρόπουλος καὶ τὸ τετραμελὲς πλήρωμα τοῦ ἑλληνικοῦ ἀεροπλάνου, τὸ ὁποῖον σήμερον θὰ μεταφέρῃ τὴν τέφραν εἰς Ἀθήνας. «Ἕνα μεγάλον τέκνον τῆς Ἑλλάδος θὰ ἐπιστρέψῃ εἰς τὴν πατρίδα», ἐδήλωσεν ὁ κ. Κουρνούτος πρὸς τοὺς δημοσιογράφους. «Ἡ Ἑλλὰς πενθεῖ τὸν θάνατόν του, τὸ ἴδιον ὅπως ἦτο ὑπερήφανος καὶ διὰ τὴν ἰδιοφυΐαν του. Ὁ Μητρόπουλος συνήθιζε νὰ λέγῃ ὅτι ἡ μουσικὴ εἶνε κάτι ποὺ πλησιάζει τὸν ἄνθρωπον πρὸς τὸν Θεόν. Τώρα θὰ εὑρίσκεται ἀσφαλῶς εἰς τὸ βασίλειον τῶν αἰωνίων μελῳδιῶν».

Ἀφ' ἑτέρου, ὁ Ἀμερικανὸς σπουδαστὴς Τζαίημς Ντίκσον, προστατευόμενος τοῦ Μητροπούλου, ἀνεμένετο νὰ ἀφιχθῇ ἐνταῦθα ἐκ Βοστώνης, προκειμένου νὰ συνοδεύσῃ τὴν τέφραν τοῦ διδασκάλου του εἰς Ἀθήνας. Οὗτος εἶνε κάτοχος ἐπιστολῆς τοῦ ἐκλιπόντος, διὰ τῆς ὁποίας ἐξουσιοδοτεῖται νὰ ἀκολουθήσῃ τὴν ταφὴν του «ὁπουδήποτε τοῦ κόσμου».

ΜΕΤΑΦΕΡΕΤΑΙ ΣΗΜΕΡΟΝ ΑΕΡΟΠΟΡΙΚΩΣ ΕΙΣ ΑΘΗΝΑΣ Η ΣΠΟΔΟΣ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Η ΣΟΡΟΣ ΤΟΥ ΕΚΑΗ ΕΙΣ ΛΟΥΓΚΑΝΟ ΕΛΒΕΤΙΑΣ

Ἀρμοδίως ἀνεκοινώθη ὅτι, ὡς γάλου μουσικοῦ. Ἀκολούθως, ἡ ἀνέφερε πρὸς τὴν Κυβέρνησιν ὁ ἐν Μιλάνῳ γενικὸς πρόξενος τῆς Ἑλλάδος, ἡ σορὸς τοῦ ἐκλιπόντος μεγάλου Ἕλληνος διευθυντοῦ ὀρχήστρας Δ. Μητροπούλου, μετεφέρθη χθὲς εἰς Λουγκάνο τῆς Ἑλβετίας, ὅπου καὶ ἀπετεφρώθη εἰς τὸ ἐκεῖ κρεματόριον, συμφώνως πρὸς τὴν τελευταίαν ἐπιθυμίαν του.

Κατὰ παρασχεθείσας πληροφορίας, ἡ σποδὸς τοῦ ἀποθανόντος μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου μεταφέρεται εἰς Ἀθήνας δι' ἀεροπλάνου, τὸ ὁποῖον θὰ φθάσῃ ἐνταῦθα τὴν 4ην μ.μ. σήμερον Κυριακήν. Εἰς τὸ ἀεροπλάνον, ἡ σποδὸς θὰ τοποθετηθῇ ἐντὸς ἀρχαίας ληκύθου καὶ θὰ μεταφερθῇ εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ὅπου ἐν ἐπισήμῳ τελετῇ θὰ ὁμιλήσῃ ὁ Ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος, διὰ τὸ ἔργον τοῦ ἐκλιπόντος μεκὸν στρατιωτικὸν ἀεροπλάνον θὰ τὴν μεταφέρῃ τὴν Κυριακὴν εἰς Ἀθήνας.

Μόνον ἐπισκέπται, ἄνευ ἀνθέων καὶ στεφάνων ἐπετράπη ὅπως εἰσέλθουν σήμερον εἰς τὴν αἴθουσαν, ὅπου εἶναι ἐκτεθειμένη ἡ σορὸς τοῦ μεγάλου καλλιτέχνου.

Αἱ ἀνθοδέσμαι καὶ οἱ στέφανοι, οἱ ὁποῖοι ἐστάλησαν ὑπὸ τῶν θαυμαστῶν τοῦ ἐκλιπόντος μαέστρου ἐστάλησαν εἰς τὸ παρεκκλήσιον τοῦ Ἱνστιτούτου.

Διὰ τῆς διαθήκης του ὁ ἐκλιπὼν ἐξέφρασε τὴν ἐπιθυμίαν ὅπως μὴ δαπανηθοῦν ποσὰ δι' ἄνθη, ἀλλὰ ἂν πρόκειται νὰ δαπανηθοῦν τοιαῦτα, νὰ διατεθοῦν εἰς φιλανθρωπικὰ ἔργα.

ΥΣΤΑΤΟΣ ΦΟΡΟΣ ΤΙΜΗΣ ΠΡΟ ΤΗΣ ΣΟΡΟΥ ΤΟΥ ΜΕΓΑΛΟΥ ΚΑΛΛΙΤΕΧΝΟΥ ΕΙΣ ΙΤΑΛΙΑΝ

ΜΙΛΑΝΟΝ, 5. (Ἀσσ. Πρέσς).— Ὅλαι αἱ μεγάλαι προσωπικότητες τοῦ μουσικοῦ κόσμου τῆς Ἰταλίας ἀπετισαν σήμερον ὕστατον φόρον τιμῆς πρὸ τῆς σοροῦ τοῦ μεγάλου Ἕλληνος μαέστρου Δημήτρη Μητροπούλου, ἡ ὁποία εὑρίσκεται ἐκτεθειμένη εἰς τὸ ἐνταῦθα Ἱνστιτοῦτον Ἰατροδικαστικῆς.

Ἀργὰ τὸ ἀπόγευμα ἡ σορὸς τοῦ μεγάλου καλλιτέχνου θὰ παραδοθῇ εἰς τὰς ἐνταῦθα ἑλληνικὰς προξενικὰς ἀρχάς, αἱ ὁποῖαι δι' αὐτοκινήτου θὰ τὴν μεταφέρουν εἰς Λουγκάνο τῆς Ἑλβετίας, ὅπου θὰ ἀποτεφρωθῇ.

Ἐκ Λουγκάνο ἡ τέφρα θὰ μεταφερθῇ καὶ πάλιν εἰς Ἰταλίαν, ὅπου θὰ τὴν παραλάβῃ εἰς τὸ ἀεροδρόμιον Μαλπένσα τοῦ Μιλάνου ἑλληνικὸν ἀεροπλάνον, τὸ ὁποῖον θὰ μεταφέρῃ τὴν σορὸν εἰς Ἀθήνας.

Τὰ περαιτέρω θὰ καθορισθοῦν ἀπὸ συμφώνου μετὰ τοῦ συνοδεύοντος τὴν σποδὸν Ἀμερικανοῦ κ. Ντίξον, ὁ ὁποῖος εἶναι ἐκτελεστὴς τῆς διαθήκης τοῦ Μητροπούλου.

Δέον νὰ σημειωθῇ ὅτι εἰς τὸ ἀεροδρόμιον θὰ παρίστανται κατὰ τὴν μεταφορὰν τῆς σποδοῦ ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος καὶ οἱ ὑπουργοὶ κ.κ. Τσάτσος καὶ Βογιατζῆς.

Πληροφορούμεθα ἐπίσης ὅτι ὑπὸ τῆς Ἐκκλησίας μας δὲν ἀπαγορεύεται ἐπισήμως ἡ τέλεσις οἱασδήποτε ἐπιμνημοσύνου δεήσεως, ἐὰν ὁ νεκρὸς καῇ. Δηλαδή, εἶναι δυνατὸν νὰ ψαλῇ ἁπλῶς τρισάγιον ἐπὶ τῆς σποδοῦ τοῦ Δημήτρη Μητροπούλου, ὄχι ὅμως νὰ γίνῃ τελετὴ μὲ ἐπίσημον χαρακτῆρα.

ΑΝΑΜΝΗΣΕΙΣ ΜΙΑΣ ΦΙΛΙΑΣ...

Ο ΜΑΕΣΤΡΟΣ ΣΤΟ ΘΕΑΤΡΟ

Ὁ μεγάλος Μητρόπουλος εἶχε τὸ πάθος τῆς σκηνῆς καὶ τὴν ἀγαποῦσε σὰν τὴ μουσικὴ

ΤΟΥ Κ. ΑΛΕΞΗ ΜΙΝΩΤΗ

Ἦταν στὰ καλὰ χρόνια τοῦ Ἐθνικοῦ ποὺ ὁ Μητρόπουλος φίλος ἀγαπημένος ἦρθε νὰ βοηθήσῃ σὰν ἀρχιμουσικὸς στὸ ἀνέβασμα τοῦ «Πέερ Γκὴντ» μὲ τὴ γνωστὴ μουσικὴ τοῦ Γκρὴγκ. Νωρὶς τὸ φθινόπωρο τοῦ 1935 ἄρχισαν οἱ πρόβες τοῦ Ἰψενικοῦ συμβολικοῦ ἔπους μὲ τὶς ἀφάνταστες τεχνικὲς κι' ἑρμηνευτικὲς δυσκολίες, μὲ τὶς ἀπειράριθμες εἰκόνες, τὰ μύρια ὅσα πρόσωπα καὶ τὴν ὡραία πικρή του ποίηση.

Ὁ Δημητράκης, ἔτσι τὸν λέγαμε οἱ περισσότεροι παλιοὶ καὶ καινούργιοι του φίλοι, δρασκελοῦσε δυό - δυὸ τὶς σκάλες κάθε πρωΐ, διέσχιζε τὴ σκηνή, γλυστροῦσε ἔριζα στὸ πλαΐ ποὺ ἦταν τὸ πιάνο, μᾶς κοίταζε γιὰ ἕνα λεπτὸ βγάζοντας τὸ κλασσικὸ μπερέ, γιὰ νὰ δῇ σὲ ποιὰ σκηνὴ βρισκόμαστε, κι' ἀρχιζε νὰ παριστάνῃ μαζί μας, μὲ τὴν φυσιογνωμία, μὲ τὸ βαθύ του μάτι, μὲ τὰ χέρια τὰ παροιμιῶδη καὶ μὲ τὰ εὐλίγιστα πόδια νὰ κτυπᾷ τὸ ρυθμό, νὰ ὑποδεικνύῃ τὴν κίνηση, νὰ κυκλώνῃ τὰ σύνολα, νὰ χορογραφῇ ἐκεῖ ἐπὶ τόπου καὶ ἐκ τοῦ προχείρου, νὰ μᾶς κάνῃ νὰ χορεύουμε σὰν νάταν τὸ φυσικώτερο τῶν πραγμάτων γιὰ νὰ μᾶς συνδέσῃ μὲ τὸ χρόνο τῆς μουσικῆς, γιὰ νὰ μᾶς ἀλαφρώσῃ ὅσο γίνονταν ἀπ' τὸ σωματικό μας βάρος.

Κατωρθώναμε νὰ ἐκτελοῦμε, ὅπου χρειάζονταν, τὶς πιὸ ἐκφραστικὲς καὶ ρυθμικὲς κινήσεις μιμούμενοι τὶς δικές του κι' ἀκολουθῶντας τοὺς τονισμούς ποὺ μᾶς ὑπέβαλε, σὰν νάμαστε ὄργανα μουσικὰ κάτω ἀπ' τὴ μαγικὴ του μπαγκέττα. Ἡ παρουσία του στὴν πρόβα ἦταν δύναμη, ἔμπνευση καὶ μοχλὸς τόλμης ἀδοκίμαστης, ὡς τὰ τότε γιὰ ὅλους ἀπὸ τὸ σκηνοθέτη καὶ τοὺς πρωταγωνιστὲς ὡς τ ὸ ν τελευταῖο κομπάρσο. Εἶχε τὸ πάθος τοῦ θεάτρου — ἦταν γεννημένος γιὰ τὸ θέατρο γι' αὐτὸ τὸ λάτρευε. Τὸν ἔβλεπα ἀπὸ τὴ σκηνὴ μετὰ ὅταν ἄρχισαν οἱ παραστάσεις νὰ διευθύνῃ τὴν ὀρχήστρα ἀπὸ κάτω, καὶ διάκριναν νὰ καταγράφωνται στὸ εὐκίνητο κι' εὐαίσθητό του πρόσωπο ὅλες κι' οἱ λεπτότερες ἀκόμη ἀποχρώσεις κάθε ἐκφράσης, οἱ πιὸ μύχιες πλευρὲς τοῦ κάθε συναισθήματος ποὺ παρουσίαζαν οἱ ρόλοι, ποὺ ἐμεῖς παλεύαμε νὰ ἐνσαρκώσουμε.

Στὴν τελευταία πρᾶξη, θυμᾶμαι, ποὺ βουλιάζει τὸ καράβι ποὺ μεταφέρει ἀπ' τὴν μακρυνὴ ξενητειὰ τὸν πολύπλαγκτοπήρωα πίσω στὴν πατρίδα, μοῦ φαίνουνταν στὴν ἀπόσταση, σὰν ἕνας καταπληκτικὸς ταχυδακτυλουργὸς ποὺ στὰ μακρυὰ του δάκτυλα εἶχε δεμένο μὲ ἀόρατους σπάγγους τὸ σκαρί μας, ποὺ τὸ ρουφοῦσαν τὰ φανταστικὰ νερά, καὶ τ' ἀνεβοκατέβαζε, τὸ παιζε, τὸ γλυστροῦσε, τὸ μπατάριζε, τὸ κατεπόντιζε μέσ' τὴν μουσικὴ ποὺ ξεχύνονταν καὶ πλημμυροῦσε μὲ τὰ κύματα τῶν ἤχων τὴν ψεύτικη μας κουβέρτα καὶ μᾶς ἔκανε τὸν συνάδελφο, ποὺ ἔπαιζε τὸν καπετάνιο κι' ἐμένα νὰ πνιγώμαστε ἀληθινὰ ἀπὸ συγκίνηση.

Κάθε βράδυ, κάθε ἀπόγευμα καὶ βράδυ, σὰν εἴχαμε δυὸ παραστάσεως μὲ τὴν δυναμικότητα καὶ τὸ γοῦστο του.

Τὴν τελευταία φορὰ ποὺ τὸν εἶδα στὴ Μετροπόλιταν τῆς Ν. Ὑόρκης, διηύθυνε τὴν «Μπάτερφλάϋ» κι' εἶχε συνεργαστῆ μ' ἕνα σκηνογράφο ποὺ εἶχαν καλέσει ἀπ' τὸ Τόκιο ἐπίτηδες γι' αὐτὴν τὴν καινούργια παρουσίαση τοῦ ἔργου. Ἦταν πραγματικὰ κάτι ἄσχετο μὲ ὅ,τι ξέραμε πρὶν γι' αὐτὴν τὴν ὄπερα. Ἡ μουσικὴ εἶχε ἀλλάξει. Τὰ tempi ἦταν ἀλλοιώτικα. Τὸ ὅλον ὕφος διαφορετικό. Εἶχε ἕνα στὺλ κλασσικὸ ζάλεγες, στέρεο, ἀπίρριττο καὶ συνάμα ρεαλιστικό. Κι' ὄχι γκαρίσματα καὶ κλάψες καὶ Ἰαπωνίας ἀποκρηάτικες, παρὰ ἕνα γνήσιο σοβαρὸ ἔργο τέχνης. Δὲν ξέρω ἢ μάλλον ξέρω κάπως ἀπὸ τὴν ἐλάχιστή μου πεῖρα σ' αὐτὸ τὸ εἶδος, πῶς γίνεται κατορθωτὸ νὰ λάβῃ ἀληθινὴ σάρκα καὶ ὀστᾶ μιὰ παράσταση ὅπερας, ὅταν μπῇ σ' ἐνέργεια φαντασία, ἐπιμονὴ κι' ἐργασία — ὅταν μ' ἄλλα λόγια γίνῃ «μεράκι», ποὺ λέμε ἡ δουλειά. Κι' ὅταν μάλιστα ἕνας Μητρόπουλος ἐμφυσοῦσε τὴν ζωοδότρα του πνοὴ στὰ νεκρωμένα ἀπ' τὴν ρουτίνα μελοδραματικὰ τεμάχια μουσικῆς.

Τὸ πρῶτο δημιουργικὸ του ἔργο ποὺ φανερώθηκε ἐδῶ στὰ πολύ νεανικά του χρόνια ἦταν ἡ ὅπερα «Θεατρίκη» μὲ τὸ μῦθο παρμενο ἀπ' τὸ γνωστὸ ἔργο τοῦ Μαίτερλιγκ. Τὸ χειρόγραφο σπαρτίτο ἀπ' τὸν ἴδιο, βρίσκεται στὸ σπίτι μας. Ὅποιος τοῦ ρίξῃ μιὰ ματιὰ βλέπει στὶς σελίδες του μυριάδες σημειώσεις, σκηνοθετικὲς ὁδηγίες, λεπτομέρειες φωτισμοῦ, χίλιες - δυὸ ὑποδείξεις καθαρῶς θεατρικὲς ὄξω ἀπὸ τὶς μουσικές. Ἡ Κατίνα Παξινοῦ ποὺ τραγούδησε πρώτη τὴν ὁμώνυμη ἡρωΐδα στὸ παλιὸ Δημοτικὸ Θέατρο μοῦ περιγράφει τὸ πρωτοποριακὸ γιὰ τὴν ἐποχὴ ἐκεῖνη ἀνέβασμα τοῦ ἔργου ποὺ ὀφείλουνταν στὶς ἰδέες καὶ στὶς σκηνικὲς ἱκανότητες τοῦ συνθέτη ποὺ διηύθυνε καὶ τὴν παράσταση ἀπ' τὸ ὑποβολεῖο. Τὴν μουσικὴ διεύθυνση εἶχε ὁ δάσκαλός του ὁ Μαρσίκ. Ἀλλὰ καὶ στὴν μεγαλύτερη καὶ πιὸ ἀξιόλογη καλλιτεχνικὴ ἐπίδοση μὲ τὴν ὁποία ἀσχολήθηκε ὁ Μητρόπουλος, ἡ ὁποία ἔμελλε νὰ τὸν καθιερώσῃ διεθνῶς, ἦταν ἡ ὄπερα «Ἐλέκτρα» τοῦ Ρίχαρντ Στράους, ποὺ ἀνέβασε στὴν Σκάλα τοῦ Μιλάνου τὸ 1934 μὲ τὴν Μαρία Κάλλας, ποὺ ἔστειλε ἕνα συγχαρητήριο τηλεγράφημα καὶ στὴ Νέα Ὑόρκη ποὺ εἰδωθήκαμε μετά, εἶχε κι' ὅλας σχέδια γιὰ θεατρικὴ συνεργασία. Εἶχε γράψει στὴ Σκάλα τοῦ Μιλάνου πῶς τὸν Πάρσιφαλ τοῦ Βάγκνερ ποὺ τοῦ πρότειναν νὰ διευθύνῃ ἤθελε νὰ τὸν ἐπιμεληθῶ ἐγὼ ὡς σκηνοθέτης. Ὅταν τοῦ ἐξέφρασα τὸν δισταγμό μου καὶ τὶς δικαιολογημένες ἀμφιβολίες γιὰ τὴν καταλληλότητά μου, μὲ διαβεβαίωσε πὼς δὲν ὑπῆρχε λόγος ἀνησυχίας γιατὶ αὐτὸς θὰ βοηθοῦσε καὶ στὴν παραμικρὴ λεπτομέρεια. «Ξέρεις τὸ πάθος μου γιὰ τὴ Σκηνὴ» μοῦ εἶπε καὶ πάλι. Καὶ πράγματι σὲ λίγο διάστημα εἶχα μήνυμα ἀπὸ τὸν καλλιτεχνικὸ διευθυντὴ τῆς Σκάλας Σισιλιάνι ποὺ μ' ἔκανε κοινωνὸ τῆς πρότασης τοῦ Μητρόπουλου καὶ μὲ καλοῦσε νὰ συνεννοηθοῦμε.

Στὰ φιλικὰ αὐτὰ ἂς τὰ ποῦμε καλλιτεχνικὰ σχέδια ἦταν καὶ ἡ ἐκτέλεσις τῶν ἔργων τοῦ Κὰρλ Ὄρφ, «Τοῦ Οἰδίποδα» καὶ τῆς «Ἀντιγόνης» ποὺ ὅπως πίστευε θὰ μποροῦσα νὰ σκηνοθετήσω μὲ τὴν βοήθειά του καὶ ὑπὸ τὴν αἰγίδα του. Ὅλα αὐτὰ φυσικὰ ἔμειναν γιὰ τὸ μέλλον, γιατὶ ἦταν πάντα ἀπὸ πρὶν κλεισμένος γιὰ ἕνα καὶ δυὸ χρόνια μὲ συμβόλαια προτεραιότητος.

Ἀγαποῦσε τὸ θέατρο καὶ δὲν ἀποχωρίζονταν ποτὲ τὸ Μετροπόλιταν, μὰ ἡ μεγάλη του ἀγάπη ἦταν βέβαια δοσμένη περισσότερο στὴ Συμφωνικὴ τῆς Νέας Ὑόρκης ποὺ ἀπ' ὅταν ἀνέλαβε τὴν διεύθυνσή της τὴν εἶχε δοξάσει καὶ λογαριάζονταν πιὰ ἡ πρώτη καὶ καλύτερη τοῦ Νέου Κόσμου, ξεπερνώντας τὴν παγκόσμια φήμη τῶν Φιλαρμονικῶν τῆς Βοστώνης καὶ τῆς Φιλα

ΜΙΑ ΑΛΛΗ ΠΛΕΥΡΑ ΤΟΥ ΜΕΓΑΛΟΥ ΜΑΕΣΤΡΟΥ

Ο ΜΗΤΡΟΠΟΥΛΟΣ ΩΣ ΟΡΕΙΒΑΤΗΣ

Ἦταν στενὰ συνδεδεμένος καὶ μὲ τὴν Ἑλληνικὴ φύσι

— ΠΩΣ ΠΕΡΙΓΡΑΦΕΙ Ο ΙΔΙΟΣ ΜΙΑ ΑΝΑΒΑΣΙ ΣΤΟΝ ΟΛΥΜΠΟ

Ὁ μεγάλος ἀρχιμουσικός, πού ξαφνικὰ τὸν ἔ-πε ἡ ἀνθρωπότης προχθὲς στὸ Μιλᾶνο, τὴν ὥρα ποὺ ἀνεβαισμένος πάνω στὸ πόντιουμ τῆς ὀρχή-στρας ἱερουργοῦσε μὲ τὴ μπαγκέτα του, ἴσως ἐλά-χιστοι θὰ γνωρίζουν πόσο στενὰ ἦταν δεμένος ὄχι μόνο μὲ τὸν ἀχανῆ κόσμο τῶν ἤχων ἀλλὰ καὶ μὲ τὴ φύση. Δὲν ἦταν μόνον ἡ ἄϋλη θωπεία τῆς Τέ-χνης πού ἀγγιζε καίρια τὸ πνεῦμα του καὶ τὴν ψυ-χή του, ἀλλὰ καὶ ἡ ὁμορφιὰ τοῦ φυσικοῦ περιβάλ-λοντος καὶ ξεχωριστὰ τοῦ βουνοῦ, πού ἐρέθιζε τὴ φαντασία του καὶ ἔδινε φτερὰ στὰ λιγνὰ πόδια του. Ἡ καλλιτεχνικὴ του ἰδιοφυΐα ἴσως ἐγκαίρως νὰ εἶχε αἰσθανθῆ αὐτὸ πού εἶχε πῆ ὁ Γκαίτε, ὅτι ἡ φύσις μόνον εἶναι πλούσια καὶ μονάχα αὐτὴ φτιάχνει τὸν μεγάλο καλλιτέχνη. Καθὼς ὅλα τὰ μεγάλα πνεύματα, ὁ Πετράρχης, ὁ Μονταίνιος, ὁ Ραμπελαί, ὁ Σατωμπριάν, ὁ Οὐγκώ, ὁ Ζὰν Ζὰκ Ρουσσώ, ἔτσι καὶ ὁ Μητρόπουλος ἐγύρευε μὲ ἱερὸ πάθος τὰ ἀπροσπέλαστα ὕψη. Καὶ τὰ ἔφτασε δι-πλὰ αὐτὰ τὰ ἀκροούρανα. Μὲ τὸ πνεῦμα καὶ μὲ τὸ σῶμα. Νιώθοντας ἔντονη ροπὴ γιὰ τὸ βουνὸ ὁ Μητρόπουλος, εἶχε ζωηρὰ ἐκδηλώσει τὴν κλίση του αὐτὴ καὶ γιὰ νὰ μπορῆ εὔκολα νὰ ἐπικοινωνῆ μαζί του, εἶχε ἀποτελέσει ἀρχικὰ μέλος τοῦ Συνδέσμου «ἡ Ὑπαίθριος Ζωὴ» καὶ μὲ τὴ συντροφιὰ διαλε-χτῶν συναδέλφων τοῦ βουνοῦ, καθὼς τοῦ Γ. Στα-μπολῆ, τοῦ Δημ. Παπαευστρατίου, τοῦ Θεόδωρου καὶ Γιάννη Βαβαγιάννη, τοῦ Γιάννη Ράπτη, τοῦ Γιώργου Δαδιώτη καὶ ἄλλων μελῶν τότε τῆς Ὑπαι-θρίου Ζωῆς, γύριζε καὶ χαιρόταν τὴν τέλεια χαρὰ πού ἔδινε ἐκεῖνα τὰ χρόνια ἡ ἀπαραμόρφωτη καὶ ἥ-συχη ἀκόμα Ἀττικὴ καὶ τὰ γύρω βουνά της Πάρ-νηθας, τῆς Πεντέλης καὶ τοῦ Ὑμηττοῦ, γεμᾶτα γαλῆνη καὶ ρέμβη. Ἀργότερα ἔγινε μέλος τοῦ Ἑλ-ληνικοῦ Ὀρειβατικοῦ Συνδέσμου καὶ μὲ καινούρ-γιες ὀρειβατικὲς συντροφιές, ὅπως τοῦ Β. Λεον-τόπουλου, τοῦ Ἠλ. Νικόπουλου, τοῦ Ἀντ. Μαρί-νου καὶ ἄλλων, μετὰ τὴν ὁλοβδόμαδη κοπιαστικὴ ἐργασία, σὰν καθηγητὴς τοῦ Ὠδείου καὶ διευθυν-τὴς τῆς Συμφωνικῆς Ὀρχήστρας, ἔφευγε γιὰ τίς κορφὲς τῶν βουνῶν νὰ χορτάσῃ τὴν πολύμορφη μα-γεία τοῦ φυσικοῦ κάλλους, πού ξεδιπλωνόταν πο-λύχρωμο σκηνικὸ στὰ διψασμένα καὶ ἀνήσυχα μά-τια του. Θυμᾶμαι τώρα μιὰ ἀνάβαση πού εὐτύχη-σα νὰ κάνω στὶς κορυφὲς τοῦ Ὀλύμπου μὲ τὸ Δη-μήτρη Μητρόπουλο καὶ μὲ μιὰ ὀλιγομελῆ ὁμάδα ἐκλεκτῶν συναδέλφων τοῦ Ἑλληνικοῦ Ὀρειβατικοῦ Συνδέσμου, ἀνάμεσα στοὺς ὁποίους ἦταν ἡ κ. Ρα-κτιβάν, ὁ πρόεδρος τοῦ Ε.Ο.Σ. Β. Λεοντόπουλος, ὁ Ἀντώνης Μαρῖνος, ὁ Δ. Χατζηϊωάννου, ὁ Νῖκος Μαλτέζος καὶ ἄλλοι. Ἦταν στὶς 15 Σεπτεμβρίου τοῦ 1932.

Ἀνεβήκαμε ἀπὸ τὸ Λιτόχωρο στὴ Μονὴ Ἁγίου Διονυσίου κι' ἀπὸ κεῖ περνώντας ἀπὸ τὰ Πριόνια, φτάσαμε τὸ βράδυ στὸ ὀρειβατικὸ καταφύγιο (2.100 μ.). Ἀνάψαμε φωτιὰ στὸ τζάκι, ρίξαμε κού-ταυρο κι' ὕστερα καθήσαμε ὁλόγυρα ἀπολαμβά-νοντας, μετὰ τὸ φαγητό, τὴ θαλπωρὴ μέσα στὴν ἀρκετὰ τσουχτερὴ γύχτα τοῦ Ὀλύμπου. Ἐννέα ὁ-λάκαιρες ὧρες ἀνεβαίναμε. Ὁ Μητρόπουλος εὐκί-νητος, σβέλτος, μὲ κεῖνο τὸ στεγνὸ κορμί του, βά-διζε εὐδιάθετος καὶ ἀκούραστος. Τὴν ἄλλη μέρα τὸ πρωῒ ὁ Μητρόπουλος, μὲ τὸ σακκίδιο στὴν πλά-τη, μὲ λίγα τρόφιμα κι' ἕνα παραπανίσιο πουλόβερ μέσα, συντροφευμένος ἀπὸ ἕνα τμῆμα τῆς ὁ-μάδος, κι' ἀπὸ τὸν ὁδηγὸ τοῦ Ὀλύμπου, τὸν Κά-καλο, ξεκίνησε πρωῒ - πρωῒ γιὰ τὴν κατάκτηση τῶν ψηλότερων κορυφῶν Σκολειό (2.911 μ.), Μύτι-κας (2.917 μ.) καὶ Θρόνος τοῦ Διός (2.909 μ.). Ἐγὼ καὶ ἄλλα δυὸ μέλη τῆς συντροφιᾶς, ἀνεβήκα-με ἀπ' εὐθείας ἀπὸ τὰ ζωνάρια στὴν κορυφὴ Θρό-νος τοῦ Διός, ὅπου καὶ τοὺς συναντήσαμε.

❁

Ντυμένος τὸ πουλόβερ του ὁ Μητρόπουλος καὶ μὲ τὸ μπερὲ στὸ κεφάλι, εἶχε ἀναγείρει στὸν πέτρινο πυργίσκο τοῦ ὑψομέτρου καὶ βύθιζε τὴ ματιά του στὰ ὀλύμπια χάη πού ἄνοιγαν γύρω μας, τύτυχῆς γιατί εἶχε πατήσει τίς μυθικὲς κορφὲς τοῦ Διὸς-Δία τοῦ. Περιέφερε τὸ ὀξὺ κι' ἄλλοτε ρεμβώδες βλέμ-μα του γύρω στὶς ἡλιολουσμένες κορφὲς κι' ἔπειτα στὰ βαθειὰ βάραθρα τῶν ὀνομαστῶν καζανιῶν τοῦ ἐικοῦ βουνοῦ. Κάποια στιγμὴ ἀκούστηκε νὰ λέῃ: φαντάζομαι τὴ μεγαλοπρέπεια τοῦ Ὀλύμπου τὴν ὥ-ρα πού ἀρχινᾶνε οἱ καταιγίδες καὶ τὰ ἀστραποβρον-τᾶ νὰ συγκλονίζουν τὸ βουνό. Ἦταν σὰν νὰ μιλοῦσε μ' αὐτὲς τίς θεῖες ἀστραπές, πού ὁλόιδι νιώσαμε ἀργότερα ν' ἀναπηδοῦν ἀπὸ τὰ νευρώδη καὶ ὡστόσο διάφανα, σχεδὸν ἀερένια, χέρια του ὅταν διηύθυνε, σὰν σταλμένος ἀπὸ τούς θεούς, τὴν ὀρχήστρα του.

Τὸ ἀπομεσήμερο γυρίσαμε στὸ καταφύγιο, κάτω ἀπὸ τὰ γιγαντιαῖα ρόμπολα, γευτήκαμε πάλι τὸ θέ-σπος τῆς φωτιᾶς καὶ τὴν πνευματικὴ συντροφιὰ τοῦ Μητρόπουλου. Τὴν ἑπομένη κατεβήκαμε στὸ "Α-συλο τῶν Μουσῶν, ὅπως εἶχε ὀνομάσει τὴν σπηλιά του ὁ ζωγράφος Ἰθακήσιος, περνώντας ἀπὸ ἕνα πυ-κνὸ καὶ ἄφωτο δάσος ὀξυᾶς ἀπὸ τὰ πιὸ ὄμορφα τῆς Ἑλλάδος. Τὰ ξερόφυλλα εἴχανε στρώσει χλωμὸ τά-πητα κάτω ἀπὸ τὰ πόδια μας καὶ στὸ πλάϊ κελά-ρυζε τραγουδιστὴ πηγή. Πλημμυρισμένοι ἀπὸ μιὰ παγανιστικὴ διάθεση, εἴχαμε πεῖ, τότε, μὲ τὸν γί-γαντα αὐτὸν τῶν ἤχων, νὰ ἀξιωθοῦμε κάποτε νὰ ξα-νπᾶμε στὸν Ὄλυμπο, νὰ μείνωμε μὲ ἀντίσκηνα ἕνα ἑκαήμερο μέσα σ' αὐτὴ τὴν ἀποθέωση τοῦ δάσους. Ἡ μουσική του εὐαισθησία, πίστευα, βάβρισκε μονα-δικὲς στιγμὲς μέσα σ' ἕνα τέτοιο παρθένο χῶρο νὰ κουρσέψῃ τοὺς κελαηδισμοὺς τῶν πουλιῶν, τὸν ψίθυρο τοῦ δάσους καὶ τὰ παιχνίδια τῶν σκίουρων στοὺς κορμοὺς τῶν ἀρχαίων δένδρων. Δὲν εἶχε ὅμως τὴν ἴδια γνώμη ὁ μάγος ἀρχιμουσικὸς πού χάσαμε. Ὁ Μητρόπουλος εἶχε προσθέσει τότε ὅτι ἡ ἔμπνευση δὲν μπορεῖ νὰ ἐπηρεασθῆ καὶ νὰ εἶναι ἀποδοτικὴ ἀπὸ αὐτὴ τὴν ἄμεση ἐπαφὴ μὲ τὸ ἀντικείμενο. Ἡ καλλι-τεχνικὴ δημιουργία, εἶχε πεῖ, θάρθει ἀργότερα. Ὁ-ταν θὰ εἶναι κανεὶς μακρυὰ καὶ ἡ νοσταλγία θὰ τὸν κυριεύῃ καὶ θὰ ἐρεθίζῃ δημιουργικὰ τὴ φαντασία του. Δὲν ἀξιωθήκαμε νὰ ξαναπᾶμε στὸν Ὄλυμπο. Ἴσως αὐτὴ ἡ τέλεια σύζευξή του μὲ τὴν φύση νὰ ἦταν μιὰ ἐναρμόνιση μὲ τὸν ἐσωτερικό του κόσμο καὶ νὰ βεν-θοῦσε νὰ ἀναπηδᾶ ἀπὸ τὸν ἀστέρευτο κρουνὸ τῆς ἀναλοφυΐας του πιὸ ἀκεραιωμένο τὸ ὑψιπετές ἔρ-γο του.

❁

Δὲν ἦταν αὐτὴ ἀπὸ τίς μεγαλύτερες ὀρειβασίες τοῦ Μητρόπουλου. Εἶχε στὸ ἐνεργητικό του πολλὲς ἄλλες, πολυήμερες καὶ ὄχι λιγώτερο ἐπίπονες, σὰν τὴν δωδεκαήμερη μὲ τὴν Ὑπαίθριο Ζωὴ ἀπὸ τὸ Πήλιο στὰ Τέμπη κι' ἀπὸ κεῖ στὰ Μετέωρα, στὸ Μέ-τσοβο καὶ στὰ Γιάννενα μὲ τὰ πόδια. Ὅμως ὁ Ὄ-λυμπος ἔμεινε στὴν ψυχή του ὄχι μόνο μιὰ ὑλικὴ μά περισσότερο μιὰ πνευματικὴ κατάκτηση.

Παραθέτω ἐδῶ μιὰ σύντομη περικοπὴ ἀπὸ ἕνα ἄρθρο τοῦ Μητρόπουλου, δημοσιευμένο στὸ περιό-δικὸ «Ἐκδρομικὰ» τὸ 1933, μ' ἐντυπώσεις του ἀπὸ τὴν ἀνάβασή μας αὐτὴ στὸν Ὄλυμπο:

«...Μοῦ ἔλαχε ὁ κλῆρος νὰ γράψω αὐτὰ τὰ λόγια. Εἶ-χα τὴν εὐτυχία μαζὶ μὲ τοὺς ἄλλους ὀκτὼ συντρόφους ν' ἀνέβω τὸ πολυθρύλητο βουνό μας. Μὲ λαχτάρα περί-μενα τὴ μέρα πού θὰ ξεκινούσαμε. Οὔτε κοιμόμουνα κάν τὴ νύχτα, ξανάγινα πάλι παιδὶ γεμᾶτο ἀπὸ αὐτὸ τὸ με-γάλο σκοπό: Θ' ἀνέβω στὸν Ὄλυμπο... Ἄγριες καὶ ἀ-πρόσιτες οἱ κορυφὲς αὐτές, δίνουν πραγματικὰ τὴν ἐν-τύπωση πὼς μόνο Θεοὶ μποροῦν νὰ κατοικοῦν ἐκεῖ πάνω. Εἶναι τέτοια ἡ ἐπίδραση αὐτῆς τῆς ἀσύγκριτης θέας πού ξεχειλάει κανεὶς ἀπὸ ἐνθουσιασμό, αἰσθάνεται τὸν ἑαυτό του Θεό. Μόλις ἔφτασα στὸ Σκολειὸ καὶ ἀντίκρυσα τὸ μεγαλεῖο τῆς φύσης, φώναξα μὲ ὅλη τὴν δύναμη τῆς ψυχῆς μου: «Εἶναι ἡ εὐτυχέστερη μέρα τῆς ζωῆς μου. Τώ-ρα πιὰ μπορῶ νὰ πεθάνω μὲ τὴν θεϊκὴ αὐτὴ εἰκόνα στὴν ψυχή μου»... Νὰ ζῆ κανεὶς δὲν ἔχει σημασία, ν' ἀνε-βαίνῃ ψηλὲς κορυφὲς βουνῶν, ν' ἀγκαλιάζῃ τὴ φύση, αὐτὸ ἔχει σημασία. Νύχτα ταξιδεύουμε τώρα γιὰ τὴν Ἀθήνα, ἐπιστρέφοντας μ' ἕνα τραῖνο ὑπεργεμᾶτο. Οὔτε ἰδέα γιὰ ὕπνο. Μὲ ἀνοιχτὰ μάτια ὀνειρευόμαστε τὸ τί εἴχαμε, ζήσει, πὼς ἴσως εἴχαμε ζήσει τίς εὐτυχέστερες μέρες τῆς ζωῆς μας».

Τώρα πού ὁ γίγας αὐτὸς τῶν ἤχων, στὸν ὁποῖον ἔλαχε ἡ μεγάλη εὔνοια τῆς μοίρας νὰ πεθάνῃ ἕνα θάνατο δοξασμένο καὶ ἀντάξιό του, δὲν ὑπάρχει πιά, οἱ ὀρειβάτες φίλοι του ἂς σκύψουμε πάνω ἀπὸ τὸ σήνωμά του καὶ ἂς ἀποθέσουμε στὰ διάφανα χέρια του μὲ εὐγνωμοσύνη γιὰ τὴ χαρὰ πού μᾶς ἔδωσε λί-γα κλαδιὰ ἐλάτου ἀπὸ τὸν Ὄλυμπο στὸν ἀγαπημένο αὐτὸν τῶν Μουσῶν. Σ' αὐτὸν πού εἶχε κάνει σκοπὸ τῆς ζωῆς του αὐτὸ πού εἶχε πεῖ ὁ Σίλλερ: «Δὲν ὑ-πάρχει ὡραιότερο καὶ περισσότερο ἱερωμένο λειτούρ-γημα ἀπὸ τοῦ νὰ κάνη κανένας εὐτυχισμένους τοὺς ἀνθρώπους».

Ν. ΑΛΗΘΕΙΑΣ ΘΕΣ)ΚΗΣ

ΜΕΤΑ ΤΗΝ ΑΠΟΤΕΦΡΩΣΙΝ

Η ΣΠΟΔΟΣ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ ΜΕΤΕΦΕΡΘΗ ΧΘΕΣ ΕΙΣ ΑΘΗΝΑΣ

ΕΝΑΠΕΤΕΘΗ ΔΙΑ ΛΑΪΚΟΝ ΠΡΟΣΚΥΝΗΜΑ ΕΙΣ ΤΟ ΗΡΩΔΕΙΟΝ

ΑΘΗΝΑΙ, 7.— Τὴν 4.30 μ.μ. ἡ σποδὸς τοῦ μεγάλου Ἕλληνος ἀρχιμου-σικοῦ Δημήτρη Μητροπούλου μετεφέρ-θη ἀεροπορικῶς εἰς Ἀθήνας, δι' εἰ-δικοῦ ἀεροπλάνου τῆς Ε.Β.Α.

Κατὰ τὸ πρόγραμμα ἡ σποδὸς ἀ-πὸ τοῦ ἀεροδρομίου μετεφέρθη ἐν πομπῇ καὶ ἐναπετέθη εἰς τὸ Ὠδεῖον Ἡ-ρώδου τοῦ Ἀττικοῦ, ὅπου ὁ ἀείμνη-στος μαέστρος ἐπαγειλημμένως εἶχε διευθύνει συναυλίας.

Ἐν συνεχείᾳ ἡ σποδὸς ἐξετέθη εἰς κοινὸν προσκύνημα μὲ τιμητικὴν φρου-ρὰν μουσικῶν, θὰ παραμείνῃ δὲ εἰς τὸ Ὠδεῖον μέχρι τοῦ ἀπογεύματος τῆς σήμερον ἡ τῆς Τρίτης, ὁπότε ἐν πομπῇ θὰ μεταφερθῇ εἰς τὸ Ὠδεῖον τῶν Ἀθηνῶν, ὅπου ἡ λήκυθος θὰ ἐ-ναποτεθῇ εἰς εἰδικὴν προθήκην.

Ἐξ ἄλλου ὑπὸ τῆς Ἀκαδημίας καὶ τοῦ Ὠδείου Ἀθηνῶν θὰ τελεσθῇ καλ-λιτεχνικὸν μνημόσυνον εἰς τὸ ὁποῖον, ὡς ἐγνώσθη, θὰ ὁμιλήσῃ ὁ ἀντιπρό-εδρος τῆς Κυβερνήσεως κ. Κανελλό-πουλος. Ἐκτὸς τῶν ἀνωτέρω θὰ γί-νουν καὶ ἄλλαι ἐκδηλώσεις ὑπὸ δι-φόρων ὀργανώσεων καὶ σωματείων εἰς μνήμην τοῦ μεγάλου μουσικοῦ.

Η ΘΡΗΣΚΕΥΤΙΚΗ ΤΕΛΕΤΗ

Σχετικῶς μὲ τὸ ἀνακύψαν ζήτημα τῆς θρησκευτικῆς τελετῆς, ἡ ὁποία, ὡς ἐγνώσθη, δὲν θὰ γίνῃ, ἀριθμοὶ ἐκκλησιαστικοὶ κύκλοι ἐδήλουν ὅτι τοῦτο ὀφείλεται εἰς τὸ ὅτι οἱ κα-νόνες τῆς Ὀρθοδόξου Ἐκκλησίας ἀ-παγορεύουν ρητῶς τὴν καῦσιν τῶν νε-κρῶν. Ἐν ἐναντίᾳ περιπτώσει θὰ ἀ-πητεῖτο ἀπόφασις τῆς Ἱερᾶς Συνό-δου, ἀλλὰ τοῦτο θὰ ἐδημιούργει προ-ηγούμενον. Πάντως ἂν ἦσαν ἄλλως τὰ πράγματα ἡ Ἐκκλησία, προσέθε-τον οἱ αὐτοὶ κύκλοι, ἦτο διατεθειμένη νὰ κηδεύσῃ μετὰ πολλῶν τιμῶν ἕναν ἄνδρα, ὡς ὁ Μητρόπουλος.

ΟΜΙΛΙΑ ΤΟΥ κ. ΚΑΡΝΙΟΥΤΟΥ

Ὁ κ. Καρνιούτος, ὁμιλῶν πρὸς τοὺς δημοσιογράφους, ἐσημείωσεν: «Ἕ-νας μεγάλος υἱὸς τῆς Ἑλλάδος ἐπα-νέρχεται εἰς τὴν πατρίδα. Ἡ Ἑλλὰς πενθεῖ τὸν θάνατόν του, διότι ἦτο ὑ-περήφανος διὰ τὴν ἐθνοφυΐαν του. Ὁ Μητρόπουλος συνήθιζε νὰ λέγῃ ὅτι ἡ μουσικὴ εἶναι κάτι, ποὺ φέρει τὸν ἄνθρωπον πλησιέστερον πρὸς τὸν Θε-όν. Τώρα ἀσφαλῶς οὗτος εὑρίσκεται εἰς τὸ βασίλειον τῶν αἰωνίων μελω-διῶν».

Ὁ κ. Τζέημς Ντίκσον, νεαρὸς Ἀ-μερικανὸς σπουδαστὴς τῆς Βοστώνης, ἀφῆχθη εἰς Ἀθήνας, λέγεται δὲ ὅτι ἔχει εἰς τὴν κατοχήν του ἐπιστολὴν τοῦ ἐκλιπόντος μουσικοῦ, διὰ τῆς ὁ-ποίας τὸν ἐξουσιοδοτεῖ ὅπως παρακο-λουθήσῃ τὴν κηδείαν του, ὁπουδήποτε ἤθελεν αὐτὴ τελεσθῇ.

Εἰς τὴν τελετὴν παρίστατο καὶ ἡ κ. Κουτσογιάννη, στενὴ φίλη τοῦ Μη-τροπούλου.

ΑΘΗΝΑΙ, 7.— Ἡ ἀφιχθεῖσα δι' εἰδικοῦ ἀεροπλάνου σποδὸς τοῦ με-γάλου Ἕλληνος ἀρχιμουσικοῦ Δημή-τρη Μητρόπουλου, παρελήφθη ὑπὸ τοῦ κ. Βαβαγιάννη τοποθετηθεῖσα δὲ ἐπὶ τζὶπ καὶ σχηματισθείσης τῆς σχετι-κῆς πομπῆς, μετεφέρθη εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ὅπου καὶ ἐ-τοποθετήθη εἰς εἰδικὸν θάθρον.

Κατὰ τὴν τελετὴν τῆς τοποθετή-σεως παρευρέθη ἐκπρόσωπος τοῦ Βα-σιλέως, ὁ ἀντιπρόεδρος τῆς Κυβερ-νήσεως κ. Κανελλόπουλος, ὁ Δήμαρ-χος Ἀθηναίων κ. Τσουκαλᾶς καὶ ἐκ-πρόσωποι τοῦ κόσμου τῆς μουσικῆς καὶ τοῦ θεάτρου.

Κατὰ τὴν τοποθέτησιν τῆς σποδοῦ ἐπὶ τοῦ θάθρου ὑπὸ τοῦ κ. Βαβα-γιάννη, τὸ κοινὸν τὸ ὁποῖον παρηκο-λούθη τὴν τελετήν, ἐξέσπασεν εἰς πα-ρατεταμένον χειροκρότημα.

Κατετέθη στέφανος δάφνης ἐκ μέ-ρους τοῦ Βασιλέως, ὁ δὲ κ. Κανελ-λόπουλος ἐξεφώνησεν συγκινητικὸν λόγον. Ἀκολούθως ἡ Κρατικὴ Ὀρχή-στρα ἐξετέλεσε τὴν «Ἡρωϊκὴ» τοῦ Μπε-τόβεν ἄνευ μαέστρου.

Χρονολογία

Ἐγνώσθη ὅτι ἡ Ἀκαδημία Ἀθηνῶν, τῆς ὁποίας ὁ Δημήτρης Μητρόπουλος ἦ-ταν μέλος, πρόκειται νὰ ὀργανώσῃ φι-λολογικὸ μνημόσυνο τοῦ ἐκλιπόντος ἀρ-χιμουσικοῦ.

— Κατὰ τὸ ἐν λόγω μνημόσυνον θὰ δοθῇ ἡ εὐκαιρία νὰ ἀναλυθῇ τὸ ὅλον ἔργον τοῦ μεγάλου καλλιτέχνου, δεδο-μένου ὅτι χθὲς, στὴν τελετὴ πού ἔγινε στὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, οὔτε ἡ παράστασις ἦταν κατάλληλη, οὔτε ὁ χρόνος ἐπαρκὴς γιὰ ἀνάλυσι τοῦ ἔργου, προσωπικότητος ὅπως ὁ Μητρόπουλος.

Η ΣΥΝΑΥΛΙΑ ΤΗΣ ΚΡΑΤΙΚΗΣ ΕΙΣ ΜΝΗΜΗΝ ΜΗΤΡΟΠΟΥΛΟΥ

Ἐν τῷ μεταξύ, ἡ ἀπρφινὴ ἐναρκτή-ρια συναυλία τῆς Κρατικῆς Ὀρχήστρας Ἀθηνῶν, πού θὰ δοθῇ στὶς 8.30 στὸ θέατρο «Κοτοπούλη», κατὰ ληφθεῖσαν ἀ-πόφασιν, θὰ ἀφιερωθῇ στὴ μνήμη τοῦ με-γάλου μαέστρου.

—Τὴν συναυλία θὰ διευθύνῃ ὁ Θ. Βαβαγιάννης μὲ σολίστ τὸν Γεώργιο Θέ μελη, ὁ ὁποῖος θὰ ἑρμηνεύσῃ τὸ «Κοντσέρτο γιὰ πιάνο καὶ Ὀρχήστρα» τοῦ Σούμαν. Στὸ πρόγραμμα περιελήφθη καὶ ἡ «Φαντασία καὶ φούγκα» τῶν Μπὰχ-Μητροπούλου, ὡς ἐλαχίστη προσφορὰ σπὸν ἐκλιπόντα διάσημο ἀρχιμουσικό. Τὴν συναυλία θὰ παρακολουθήσῃ καὶ ὁ Βασιλεύς.

ΣΥΓΚΙΝΗΤΙΚΗ ΤΕΛΕΤΗ

Εὐθὺς μόλις προσεγειώθη τὸ ἀεροπλάνον ὁ γενικὸς διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. Βαβαγιάννης ἐπραχώρησε πρὸς τὴν κλίμακά του, τὴν ἀνῆλθε καὶ παρέλαβεν ἀπὸ τὰ χέρια τοῦ ἐπιβαίνοντος διευθυντοῦ Γραμμάτων καὶ Καλῶν Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κουρνούτου τὸ κιβώτιον μὲ τὴν σποδὸν τοῦ Δημήτρη Μητροπούλου. Ἐν συνεχείᾳ, συνοδευόμενος ἀπὸ τὸν κ. Κουρνοῦτον, τὸν ἐκπρόσωπον τοῦ ὑπουργείου Ἐξωτερικῶν κ. Δημητρόπουλον, ποὺ ἐπίσης εἶχε μεταβῆ εἰς τὸ Μιλᾶνον, καὶ ἀνώτερον ἀξιωματικὸν τῆς Ἀεροπορίας, ἐπροχώρησε πρὸς τὸ μέρος ὅπου ἀνέμενον οἱ ἐπίσημοι. Τὸ παρατεταγμένον τιμᾶμα ἀπέδιδε τὰς νενομισμένας τιμάς, ἐνῶ συγχρόνως ἡ μπάντα τῆς Ἀεροπορίας ἀνέκρουε πένθιμον ἐμβατήριον. Μὲ ἀργὸν βῆμα καὶ ὑπὸ τὴν γενικὴν συγκίνησιν ἡ τετρὰς ἐπλησίασεν εἰσάνοικτὸν τζὶπ τῆς Ἀεροπορίας καὶ ὁ κ. Βαβαγιάννης παρέδωσε τὸ κιβώτιον μὲ τὴν τέφραν εἰς τὸν ἐπὶ κεφαλῆς τῆς τετράδος ποὺ ἐπέβαινε. Προηγουμένως ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος ἐκάλυψε μὲ τὴν Κυανόλευκον τὴν κάλπιδα ποὺ περιεῖχε τὴν σποδόν. Καὶ ἐνῶ τὸ συγκεντρωμένον πλῆθος ἐξεσπούδασεν εἰς ζωηρὸν χειροκρότημα εἰς μνήμην τοῦ μεγάλου νεκροῦ τὸ αὐτοκίνητον ἐξεκίνησε πλαισιωμένον ἀπὸ μοτοσυκλεττιστάς. Ἀκολουθοῦσαν τιμητικῶς ἐπιβαίνοντες τῶν αὐτοκινήτων τὰ μέλη τῆς Κυβερνήσεως καὶ ἡ κρατικὴ ἀντιπροσωπεία, ἡ ὁποία εἶχε μεταβῆ εἰς τὸ Μιλᾶνον.

ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΗΡΩΔΟΥ

Περὶ τὴν 4.30΄ ἀπογευματινὴν ἡ πένθιμος συνοδεία ἔφθασεν εἰς Ἀθήνας καὶ κατηυθύνθη εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἐνωρίτερον τὸ κάτω ἀπὸ τὴν Ἀκρόπολιν ἀρχαῖον θέατρον εἶχεν ἀσφυκτικῶς γεμίσει ἀπὸ κόσμον. Ἔκαιμε μάλιστα ἰδιαιτέραν ἐντύπωσιν τὸ γεγονὸς ὅτι οἱ περισσότεροι ἀπὸ τὰς τρεῖς καὶ πλέον χιλιάδας ποὺ εἶχον συρρεύσει εἰς τὸ Ὠδεῖον Ἡρώδου ἀνῆκον εἰς τὰς λαϊκὰς τάξεις, μὲ πυκνὴν ἐκπροσώπησιν καὶ τῆς νέας γενεᾶς. Πλῆθη κόσμου εἶχον συγκεντρωθῆ καὶ εἰς τὴν ὁδὸν Διονυσίου Ἀρεοπαγίτου. Εἰς τὸ πεζοδρόμιον πρὸ τῆς κλίμακος ποὺ ὁδηγεῖ πρὸς τὸ ἀρχαῖον θέατρον εὑρίσκετο ἀντιπροσωπεία ἐπιλέκτων στελεχῶν τῆς Κρατικῆς Ὀρχήστρας, μὲ ἐπὶ κεφαλῆς τὸν Βύρωνα Κολάσην. Μόλις ἔφθασε τὸ αὐτοκίνητον τὸ φέρον τὴν τέφραν τῆς σοροῦ τοῦ Μητροπούλου, ὑπὸ τὴν γενικὴν καὶ ζωηρὰν πάντοτε συγκίνησιν, ὁ γενικὸς διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας παρέλαβεν ἐκ νέου τὸ κιβώτιον καὶ ἐπροχώρησε πρὸς τὸ ἀρχαῖον ᾠδεῖον. Μαζὶ τὰ μέλη τῆς Κυβερνήσεως, ὁ κ. Μπαστιᾶς, ἐκπρόσωποι τῶν στελεχῶν τῆς Κρατικῆς Ὀρχήστρας, καθὼς ἐπίσης καὶ ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς. Ἐνῷ ἡ πομπὴ εἰσήρχετο εἰς τὸ ὑπερπλήρες Ὠδεῖον Ἡρώδου ἀντήχησαν ζωηρὰ σαλπίσματα καὶ ταυτοχρόνως οἱ τρεῖς χιλιάδες ποὺ εἶχαν καταλάβει τὰς κερκίδας του ἔσπευσαν εἰς ἕνα παρατεταμένον χειροκρότημα.

ΣΤΕΦΑΝΟΣ ΤΟΥ ΒΑΣΙΛΕΩΣ

Ὁ κ. Βαβαγιάννης ἐπροχώρησε καὶ ἐτοποθέτησε τὴν κάλπιδα μὲ τὴν τέφρα τοῦ ἀειμνήστου ἀρχιμουσικοῦ ἐπὶ βάθρου ποὺ ἔφερε τὰ ἐθνικὰ χρώματα. Εὐθὺς κατόπιν οἱ ἐπίσημοι κατέλαβον τοὺς εἰδικοὺς θώκους εἰς τὰς κερκίδας τοῦ ἀρχαίου θεάτρου καὶ ἤρχισεν ἡ ἐκδήλωσις πρὸς τιμὴν τοῦ μεγάλου καλλιτέχνου. Μαζὶ μὲ τοὺς ἐπισήμους — σημειωτέον — κατέφθασαν καὶ ὅλοι οἱ ἐκπρόσωποι τοῦ μουσικοῦ κόσμου ποὺ εἶχον κατέλθει εἰς τὸ ἀεροδρόμιον. Ἐκτὸς ὅμως αὐτῶν εἰς τὸ Ὠδεῖον Ἡρώδου προσῆλθον οἱ ἀκαδημαϊκοὶ Στράτης Μυριβήλης καὶ Ἠλίας Βενέζης, ὁ διευθυντὴς τῆς Ἐθνικῆς Πινακοθήκης κ. Μαρίνος Καλλιγᾶς, ὁ γενικὸς διευθυντὴς τοῦ Ε. Ι. Ρ. κ. Σπυρομίλιος καὶ ὡρισμένοι ἄλλοι ἐκπρόσωποι τοῦ πνευματικοῦ καὶ καλλιτεχνικοῦ κόσμου. Τὰ μέλη τῆς Κρατικῆς Ὀρχήστρας μὲ τὰ ὄργανά των εἶχον θέσεις μέσα εἰς τὴν σφενδόνην. Ἡ ἐκδήλωσις ἤρχισε μὲ κατάθεσιν στεφάνου ἐκ μέρους τοῦ ἐκπροσώπου τοῦ Βασιλέως.

Ο κ. ΚΑΝΕΛΛΟΠΟΥΛΟΣ

Μετὰ ταῦτα ἐπροχώρησε πρὸς τὸ βάθρον, ὅπου εἶχεν ἐναποτεθῆ τὸ κιβώτιον μὲ τὴν τέφραν, ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος, ὁ ὁποῖος, ἐν καταφανεῖ συγκινήσει κατέθεσε τὸν στέφανον τῆς Κυβερνήσεως καὶ εἶπε τὰ ἑξῆς:

«Ἡ ἑλληνικὴ Κυβέρνησις πενθεῖ καὶ τιμᾷ τὸ ἔξοχον τέκνον τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο. Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει στοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης. Ἡ μάχη ποὺ ἔδωσε στὴν ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἐφεῦρε ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μάλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης εὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων. Ἡ μουσικὴ ἔχει μέσα της— ὅταν εἶναι γνήσια—τὸ ὑπέρτατο νόημα τῆς ζωῆς καὶ τοῦ θανάτου. Ἔχει μέσα της κάτι πολὺ περισσότερο: τὸ νόημα τοῦ Σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τὸ νόημα αὐτὸ — κ' ἔκαμε μυριάδες ἀνθρώπους νὰ τὸ ζήσουν — μ' ἕναν τρόπο ποὺ ἔφερε τὸν ἴδιον καὶ κάθε γνήσιο ἀκροατή του ὡς τὰ κράσπεδα τῆς ἕδρας τοῦ Θεοῦ. Ὅπως πολλοὶ ἀληθινοὶ καὶ μεγάλοι Ἕλληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἀνῆκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν Ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς Πατρίδος. Ἐσήμαινε, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος. Ὁ Δημήτρης Μητρόπουλος ἦταν Ἕλλην κατ' ἐξοχήν. Ἦταν, ταυτόχρονα, καλὸς πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δυὸ αὐτὲς ἰδιότητες — ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς — ταιριάζουν ἄριστα μεταξύ τους. Καὶ ἦταν, τέλος, στὴν ἔννοια ποὺ ἔδωσαν στὴν λέξι αὐτὴ μερικοὶ μεγάλοι Ἕλληνες τῆς Ἀρχαιότητος, κοσμοπολίτης. Ὁ ἀττικὸς οὐρανὸς ὑποδέχεται σήμερα τὸν Δημήτρη Μητρόπουλο καθαρὸς καὶ ἀνέφελος τὴν ὥρα ποὺ δύει ὁ ἥλιος. Ὅπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καὶ ὁ Δημήτρης Μητρόπουλος. Μιὰ τέτοια δύσις εἶναι στὴν ὁμορφιὰ της αἰώνια».

Ο ΜΑΝΩΛΗΣ ΚΑΛΟΜΟΙΡΗΣ

Μετὰ ταῦτα κατέθεσε στέφανον ἐκ μέρους τῆς Ἀκαδημίας Ἀθηνῶν ὁ μουσουργὸς Πετρίδης. Ὁ κ. Πετρίδης ἀνέγνωσεν ἐν συνεχείᾳ συγκινητικὸν κείμενον τοῦ κορυφαίου μας συνθέτου ἀκαδημαϊκοῦ Μανώλη Καλομοίρη, ὁ ὁποῖος, ἀσθενών, δὲν ἠδυνήθη νὰ παραστῆ. Ὁ ἀποχαιρετισμὸς τοῦ Καλομοίρη ἔχει ἐπὶ λέξει ὡς ἀκολούθως:

«Καθηλωμένο μῆνες τώρα στὸ κρεββάτι μὲ βρῆκε τὸ φοβερὸ μήνυμα τοῦ χαμοῦ τοῦ Δημήτρη Μητρόπουλου. Καὶ παρ' ὅλη τὴν συντριβή μου καὶ τὴν ἀδυναμία μου νὰ συγκεντρωθῶ, πιστὸς στὸ κέλευσμα τῆς Ἀκαδημίας Ἀθηνῶν, ἀλλὰ καὶ στὴν παρόρμησι τῆς ψυχῆς καὶ τῆς καρδιᾶς μου, ἔρχομαι χάρις καὶ στὴν προθυμία τοῦ συναδέλφου κ. Πέτρου Πετρίδη νὰ χαιρετίσω τὸν ἐνδοξότερο μουσικὸ ποὺ ἐτούτη ἡ Γῆ τῶν ἡρώων τοῦ πνεύματος καὶ τῆς ἀνδρείας ἀνάτησε μαζὶ μὲ τὸν μυρωμένο ἀέρα καὶ τὸν φλοῖσβο τοῦ Παλαιοῦ Φαλήρου. Σὰ φωτεινὸ μετέωρο τὸν ἀνέβασε νὰ φωτίσῃ ὅλο τὸν πολιτισμένο κόσμο καὶ νὰ χαρίσῃ στὶς πονεμένες καρδιὲς τῶν ἀνθρώπων τὸ ὑπέρθεο τραγούδι ἑνὸς ἥρωα καὶ ἑνὸς ἁγίου. Ἥρωας καὶ ἅγιος τῆς Τέχνης ὁ Δημήτρης Μητρόπουλος. Ἕνας ἀπὸ τοὺς μεγαλυτέρους ἀναδημιουργοὺς τοῦ αἰῶνά μας, ἐχάρισε ὅπως ὁ Τοσκανίνι καὶ ὁ Φουρτβέγκλερ τὴν θέρμη καὶ τὸν παλμὸ ποὺ τὸν ἐβοήθησε ὁλόκληρο, ἀλλὰ ἐσάλπισε καὶ ἐμπρὸς στὴν ἐκθαμβη Ἀνθρωπότητα τὸ σάλπισμα τῆς αἰώνιας καὶ ἀκατάλυτης ψυχῆς τῶν Σαλαμίνων ποὺ δὲν χάνεται στὰ τάρταρα ἀλλὰ μονάχα ξαποσταίνει στὴν ζωὴ ξαναφαίνεται καὶ λαοὺς ἀνασταίνει. Πῶς στὸ νέο ξανθὸ παιδί, ποὺ κάποια εὐλογημένη μέρα ἐκεῖ στὰ 1912 ἔκθαμβος πρωτογνώρισα τὸ δαιμόνιο ποὺ συνεκλόνιζε ὅλο τὸ εἶναι του θὰ ἔφθανε στὶς ἀπάτητες κορυφὲς ὅπου πουλὶ δὲν φτέρωσε, μήτε τὶς εἶδε ἀνθρώπου μάτι, κάθε μέρα ποὺ τὸν παρακολουθοῦσα μαθητὴ κ' ὕστερα ὥριμο καλλιτέχνη, ὅταν γύρισε ἀπὸ τὴν Γερμανία, μ' ἔκανε ν' ἀνακράξω στὸν «Ἐλεύθερο Τύπο»: «Οὐκ ἐγὼ εἰμὶ τὸ φῶς ἀλλὰ ὁ πίσω μου ἐρχόμενος». Καὶ ἀλήθεια μὲ τὸ τράμορφο τάλαντο τοῦ δημιουργοῦ, τοῦ συνθέτη ποὺ ἀπὸ παιδὶ χάρισε στὴν ἑλληνικὴ μουσικὴ ἔργα ὅπως ἡ «Ταφὴ», ἡ «Κριτικὴ γιορτὴ», ἡ «Βεστρίκη» καὶ τὰ τραγούδια σὲ στίχους τοῦ Παλαιμᾶ, τοῦ Σικελιανοῦ, δείχνουνε πῶς καὶ στὸν δημιουργικὸ τομέα θὰ μποροῦσε νὰ δώσῃ ἀθάνατα ἀριστουργήματα. Τὸ ἴδιο καὶ στὴν ἀπόδοσί του σὰν πιανίστας. Ἕνας καταπληκτικὸς πιανίστας θάμπωνε τοὺς ἀκροατάς του μὲ τὴν ἴδια ὑποβλητικὴ δύναμι ποὺ τοῦ βρίσκαμε ἀργότερα στὶς μοναδικὲς ἀναδημιουργίες του ὡς μαέστρου. Ὅμως ὁ δαίμονας τῆς ἀναδημιουργίας τὸν συνεπῆρε στὸ τέλος ὁλόκληρο καὶ σφράγισε μὲ τὴν φλόγα του ὅλη του τὴν ζωή, ὅλη του τὴν ὕπαρξι. Ἀπὸ τὸν καιρὸ ποὺ στὰ 1924 κατέβηκε στὴν Ἑλλάδα ὡς τὴν στιγμὴ ποὺ ἐπάνω στὶς ἐπάλξεις βρῆκε στὸ πόντιουμ τῆς Σκάλας τοῦ Μιλάνου τὸν ὡραιότερο θάνατο ποὺ μποροῦσε νὰ ὀνειρευθῇ ἕνας καλλιτέχνης, ὁ Μητρόπουλος ἀπαρνήθηκε ὅλα τὰ ἐγκόσμια γιὰ νὰ δοθῇ ἀποκλειστικὰ καὶ μόνο στὴν διακονία τῆς Τέχνης τῶν ἤχων καὶ τῶν ρυθμῶν. Ἅγιος, γιατὶ δὲν γνώρισε ἄλλη χαρά, ἄλλη ἀπόλαυσι ἀπὸ τὸ ζωντάνεμα τοῦ παλμοῦ καὶ τῆς ψυχῆς τῶν μεγάλων μουσουργῶν καὶ τῶν συγχρόνων του σκαπανέων τῆς Τέχνης. Ἀδιαφορῶντας ἂν τὰ προγράμματά του μερικὲς φορὲς ἐξένιζαν, γιὰ τὴν τολμηρότητά τους, τοὺς ὑπερσυντηρητικούς, ἀγωνίσθηκε γιὰ ὅ,τι πίστευε ὡραῖο καὶ διώσιμο στὴν Τέχνη. Αὐτὸν τὸν ἥρωα καὶ αὐτὸν τὸν ἅγιο θρηνεῖ σήμερα ὅλη ἡ Ἀνθρωπότης ποὺ γυρεύει τὴν παρηγοριὰ καὶ τὴν λησμονιὰ στῆς Τέχνης τὰ ἀθάνατα νερά. Τὸν θρηνῶ κ' ἐγὼ ἕνας ταπεινὸς ἐργάτης καὶ δουλευτὴς τῆς ἑλληνικῆς μουσικῆς ἰδέας, ἀλλὰ τὸν θρηνεῖ κ' ἡ Ἀκαδημία Ἀθηνῶν, ποὺ ἀπὸ τὰ 1933 πρῶτο Ἕλληνα μουσικὸ τὸν εἶχε τιμήσει ὀνομάζοντάς τον πρόεδρο μέλος της καὶ ἀπὸ τὰ 1959 τοῦ ἀπένειμε τὸν πιὸ τιμητικὸ τίτλο ποὺ ἀπὸ τὸ καταστατικό της μποροῦσε νὰ τοῦ ἀπονείμῃ, τὸν ἐξέλεξε ἐπίτιμο μέλος τῆς Ἀκαδημίας. Τιμὴ ποὺ ἀπενεμήθη μόνο στὸν καρκινολόγο ἰατρὸ κ. Παπανικολάου καὶ στὸν Πρόεδρο τῶν Ἡνωμένων Πολιτειῶν Ντουάϊτ Ἄϊζενχάουερ. Αἰωνία σου ἡ μνήμη Δημήτρη Μητρόπουλε καὶ ἂς εἶναι ἀνάλαφρος ὁ ἀέρας τῆς Ἀττικῆς ποὺ βροσίζει τὴ σποδό σου ἀνάλαφρος σὰν τὴν μυρωμένη αὔρα τοῦ Παλιοῦ Φαλήρου καὶ σὰν τὸ σκέρτσο τῆς Ἡρωϊκῆς Συμφωνίας τοῦ Μπετόβεν ποὺ τόσες φορὲς μὲ τὴν θεία σου Τέχνη ἐμάγεψες τὶς ψυχές μας. Αἰωνία σου ἡ μνήμη».

Μετὰ τὸν κ. Πετρίδην καὶ τὴν ἀνάγνωσιν τοῦ ὡς ἄνω κειμένου τοῦ Μανώλη Καλομοίρη κατέθεσε στέφανον μὲ θερμὴν προσφώνησιν ὁ δήμαρχος κ. Τσουκαλᾶς, ποὺ ἀπεχαιρέτησε τὸν ἀπελθόντα διαπρεπῆ Ἀθηναῖον καλλιτέχνην.

ΟΙ ΑΛΛΟΙ ΣΤΕΦΑΝΟΙ

Ἐπηκολούθησε κατάθεσις πολλῶν ἄλλων στεφάνων. Σημειωτέον ὅτι δοθέντος ὅτι ὁ Μητρόπουλος εἶχεν ἀποκλείσει καὶ εἰς τὴν διαθήκην τὴν κατάθεσιν λουλουδιῶν ὅλα τὰ στεφάνια ποὺ κατετέθησαν χθὲς ἦσαν δάφνινα. Διαδοχικῶς πρὸ τοῦ βάθρου ἐπάνω εἰς τὸ ὁποῖον εἶχεν ἐναποτεθῆ τὸ κιβωτίδιον μὲ τὴν τέφραν ἀπὸ τὴν καῦσιν τοῦ νεκροῦ παρήλασαν καὶ κατέθεσαν στεφάνους οἱ ἑξῆς: Ὁ κ. Κυριακίδης ἐκ μέρους τοῦ Ὠδείου Ἀθηνῶν, ὁ κ. Βαβαγιάννης ἐκ μέρους τῆς Κρατικῆς Ὀρχήστρας, ὁ κ. Κωστὴς Μπαστιᾶς ἐκ μέρους τῆς Λυρικῆς Σκηνῆς, ὁ κ. ΟΙ ΜΟΥΣΙΚΟΙ ΤΗΣ ΟΡΧΗΣΤΡΑΣ

Μετὰ τὴν κατάθεσιν τῶν στεφάνων ἡ Κρατικὴ Ὀρχήστρα, χωρὶς μαέστρον, ἀπέδωσεν ὑπὸ τὴν γενικὴν συγκίνησιν καὶ μὲ ὀρθίους ὅλους τοὺς παρισταμένους τὸ δεύτερον μέρος τῆς Τρίτης Συμφωνίας τοῦ Μπετόβεν, εἰς τὸ ὁποῖον περιέχεται καὶ τὸ πένθιμον ἐμβατήριόν του. Μετὰ τὴν ἀπόδοσιν τοῦ ὕστατου αὐτοῦ φόρου τιμῆς πλείαρχος τοῦ Ἐμπορικοῦ Ναυτικοῦ, εὑρισκόμενος μεταξὺ τῶν παρισταμένων, ἐζήτησε μεγαλοφώνως ἀπὸ τὸν κ. Κανελλόπουλον τὴν ἄδειαν νὰ ὁμιλήσῃ καὶ ἐξέφρασε τὴν ἰδιαιτέραν συγκίνησιν τοῦ ἀνωνύμου πλήθους διὰ τὴν μεγάλην ἀπώλειαν. Ὁ ἐν λόγῳ ναυτικὸς ἀνέφερε χαρακτηριστικὸν ἐπεισόδιον ποὺ τοῦ συνέβη εἰς τὴν Νέαν Ὑόρκην καὶ πιστοποιεῖ τὴν τεραστίαν ἀπήχησιν ποὺ εἶχεν ὁ ἐκλιπὼν μεταξὺ τοῦ ἀμερικανικοῦ Κοινοῦ. Μετὰ ταῦτα ὁ κ. Κυριακίδης, ὡς ἐκπρόσωπος τοῦ Ὠδείου Ἀθηνῶν, παρέλαβεν ἀπὸ χειρῶν τοῦ κ. Βαβαγιάννη τὴν σποδὸν τοῦ Μητροπούλου καὶ ἐξεκίνησε διὰ τὸ Μιλᾶνον.

**«Ὁ θάνατος τοῦ Δημήτρη Μητρόπουλου δημιουργεῖ παγκόσμιον δυσαναπλήρωτον κενόν. Ἀνῆκεν εἰς τὴν προνομιοῦχον κατηγορίαν τῶν ὀλίγων ἀνθρώπων, οἱ ὁποῖοι ὑπηρέτησαν τὴν Τέχνην εἰς τὴν ὑψηλήν της στάθμην. Ἡ σποδὸς του ἐξετέθη ἀπὸ σήμερον εἰς τὸ Ὠδεῖον Ἀθηνῶν εἰς λαϊκὸν προσκύνημα

Μελωδία ἀγγέλων, ἀπόκοσμο τραγούδι, αἰώνιος μνήμη ἀντήχησε χθὲς στὸν οὐράνιο θόλο τῆς ἑλληνικῆς πρωτεύουσας...

Τὸ δοξασμένο παιδὶ τῆς μητέρας Ἑλλάδας, τὸ σύμβολο τῆς μουσικῆς ἰδιοφυΐας, ὁ ἀσύλληπτος σὲ φλόγα ὑπερδημιουργίας, ἀκατάδλητη ἐργατικότητα καὶ καλλιτεχνικὴ πίστι, ὁ ἐκλεκτὸς τῶν ἐκλεκτῶν, ὁ Δημήτρης Μητρόπουλος, βρίσκεται στὰ φιλόξενα καὶ ἅγια χώματα τῆς πατρίδος...

Μὰ τὸ σῶμα δὲν ὑπάρχει πιά. Τὰ μαγικὰ ἐκεῖνα χέρια ποὺ κρατοῦσαν τὴν χρυσὴ μπαγκέττα, δὲν θὰ τὰ ἰδοῦμε ποτὲ νὰ συναρπάζουν τὴν ὀρχήστρα καὶ νὰ προσφέρουν τὸ μουσικὸ νέκταρ ἀπὸ μιὰ πέμπτη ἢ μιὰ ποιμενικὴ μπετοβενικὴ συμφωνία. Ὅλα αὐτὰ ἀποτελοῦν ἕνα ὄνειρο... Μιὰ ἀνάμνησι, κάτι σὰν θεία μουσικὴ μυσταγωγία ποὺ πέρασε, ἀφοῦ ἡ ψυχὴ τοῦ ἱεροφάντη πέταξε στοὺς μουσικοὺς παραδείσους, ἐκεῖ ποὺ ἦταν προωρισμένη νὰ βρῇ τὴν ἄφθαρτη ὁμορφιὰ τῆς μεγάλης τέχνης...

Ἀπὸ μιὰ ἀνθόσπαρτη διαδρομὴ θριάμβου τί ἔμεινε; Ἡ τέφρα... Ἀπ' τὸν κολοσσὸ τῆς μπαγκέττας, ἀπ' τὸν φωτεινὸ ἐκεῖνο ἐγκέφαλο, ἀπ' τὴν τρομερὴ δύναμι ποὺ μὲ τὴν μουσική της μαγεία αἰχμαλώτιζε τοὺς πάντας, σκορπώντας κύματα καλλιτεχνικῆς γοητείας, τί ἀπόμεινε γιὰ νὰ μᾶς τὸν θυμίζῃ; Ἡ τέφρα... Ἀπ' τὴν θαυμαστὴ μουσικὴ προσωπικότητα τοῦ Μητρόπουλου, ἀπὸ τὸ μουσικό του φῶς τὸ ἐκτυφλωτικό, τίποτε παρὰ λίγη στάχτη, σὲ μιὰ λήκυθο...

Κι' ὅμως, ἂν τὸ σῶμα τοῦ μαέστρου, τῆς ἀδυσώπητης φωτιᾶς ἔγινε θυρά, ἡ ψυχή του, τὸ πνεῦμα του, ἡ θεσπέσια τέχνη του, μένουν στὴν καρδιά μας, βαθειὰ χαραγμένες, κτῆμα τῶν συνανθρώπων του ποὺ τὸν γνώρισαν, παρακολουθήσανε τὴν ἀλματώδη, τὴν ἐκπληκτικὴ ἄνοδο κι' ἐπιβολὴ καὶ τοῦ ἀφιέρωσαν ὄχι μόνο τὸν θαυμασμὸ ἀλλὰ καὶ τὴν ἀγάπη τους...

"Ετσι ἀτενίσαμε χθὲς τὴν τεφροδόχο. Μὲ τὰ μάτια τῆς ψυχῆς βλέπαμε ὄχι σὰν ἕνα κουτὶ ποὺ περιεῖχε τὴν στάχτη τοῦ μάγου μαέστρου, ἀλλὰ τὸν ἴδιο τὸν Μητρόπουλο, σὰν μιὰ φανταστικὴ, σὰν μιὰ φυσιογνωμία ἐξαϋλωμένη, ποὺ μὲ τὴν μπαγκέττα στὸ χέρι, θὰ ἔδινε τὸ σύνθημα γιὰ ν' ἀρχίσῃ νὰ σκορπᾷ τοὺς θεϊκούς της ἤχους μιὰ ἀόρατη ὀρχήστρα...

Στὶς 2 τὸ μεσημέρι τὸ «Ντακότα» ποὺ μετέφερε τὴν σποδὸ προσγειώνεται στὸ ἀεροδρόμιο τῆς Ἐλευσῖνος, ὅπου παρέμεινε μέχρι τὶς 3.45, ὅτε ἀπεγειώθη γιὰ τὸν ἀερολιμένα τοῦ Ἑλληνικοῦ. Εἰς τὴν Ἐλευσῖνα συναντᾶμε τὸν διευθυντὴν Γραμμάτων καὶ Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κορνοῦτον, ὁ ὁποῖος μετὰ τῆς προσωπικῆς φίλης τοῦ Μητροπούλου κ. Κατσογιάννη καὶ τοῦ κ. Δημητροπούλου, εἶχαν ἀποσταλῆ εἰς Μιλᾶνον γιὰ νὰ παραλάβουν τὴν σορὸν τοῦ μεγάλου μαέστρου, διδομένου ὅτι ἀκόμη δὲν εἶχε γνωσθῆ ἡ ἐπιθυμία του ὅπως καῆ.

— Παντοῦ συγκίνησις καὶ θλῖψις γιὰ τὴν ἀπώλεια τοῦ μαέστρου μας, μοῦ λέγει ὁ κ. Κορνοῦτος. Ὁλόκληρος ὁ κόσμος πενθεῖ τὸν θάνατό του. Στὸ Μιλᾶνο ὁμιλοῦν περὶ ἑνὸς σπανίου μουσικοῦ φαινομένου, ποὺ ἔσβησε σὲ πρώρα...

— Πότε φύγατε ἀπ' τὸ Μιλᾶνο;

— Σήμερα (χθὲς) στὶς 9 τὸ πρωΐ. Τὸ Σάββατο στὶς 2½ τ' ἀπόγευμα ἡ σορὸς τοῦ Μητρόπουλον μετεφέρθη εἰς Λουγκάνο τῆς Ἑλβετίας. Ἡ καῦσις ἐτελείωσε στὶς 8.20 τὸ βράδυ. Η ΟΡΧΗΣΤΡΑ ΧΩΡΙΣ ΑΡΧΙΜΟΥΣΙΚΟΝ

Ἀπὸ τὴν χθεσινὴν ἐπιμνημόσυνον τελετὴν διὰ τὸν ἐκλιπόντα διάσημον ἀρχιμουσικὸν Δημήτριον Μητρόπουλον, εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἐνώπιον τῆς τεφροδόχου κάλπης (καλυμμένης μὲ τὴν κυανόλευκον) ἡ Ὀρχήστρα, τὴν ὁποίαν ἄλλοτε διηύθυνεν ὁ ἴδιος, ἐκτελεῖ τὸ Πένθιμον Ἐμβατήριον τῆς Ἡρωϊκῆς Συμφωνίας μὲ κενὸν τὸ ἀνάβαθρον τοῦ ἀρχιμουσικοῦ. Ὁ κ. Βαβαγιάννης, ἱστάμενος κάτω (ἀριστερᾷ), ἔδωκεν ἁπλῶς τὸ σῆμα τῆς ἐνάρξεως.

ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΗΡΩΔΟΥ

Στὶς 4.35 ἡ πομπὴ φθάνει στὸ Ὠδεῖον Ἡρώδου. Ὁ ἀναμένων εἰς τὰ Προπύλαια κ. Βαβαγιάννης παραλαμβάνει τὴν τεφροδόχον, ἐνῶ ὁ κόσμος, ὁ ὁποῖος ἔχει κατακλύσει τὸν ἔξωθι τοῦ Ὠδείου χῶρον χειροκροτεῖ, ὅπως τὸ ἴδιο θὰ χειροκροτοῦσε τὸν μεγάλο μαέστρο, ἂν ἐκείνη τὴν στιγμὴ σὰν ἡμίθεος τῆς τέχνης, χαιρετοῦσε τὸ κοινὸν ὕστερα ἀπὸ μιὰ μεγαλειώδη μουσικὴ ἑρμηνεία.

Ὁ κ. Βαβαγιάννης περισταιχούμενος ἀπὸ τὸν διευθυντὴν τοῦ Ὠδείου Ἀθηνῶν κ. Φαραντάτον, τὸν πρόεδρον τοῦ διοικητικοῦ συμβουλίου κ. Κυριακίδην καὶ καθηγητὰς τοῦ Ὠδείου, κατευθύνεται πρὸς τὸ παλκοσένικο, ὅπου καὶ ἐναποθέτει τὴν τεφροδόχο.

Οἱ κερκίδες τοῦ ἀρχαίου καλλιτεχνικοῦ χώρου εἶναι γεμάτες ἀπὸ κόσμο, ὁ ὁποῖος βαθύτατα συγκεκινημένος, ἦλθε νὰ δώσῃ τὸν τελευταῖον χαιρετισμὸν εἰς τὸν κορυφαῖον ἀρχιμουσικόν.

"Ολοι σηκώνονται ὄρθιοι. Οἱ μουσικοὶ τῆς ὀρχήστρας, ποὺ ἔχουν καταλάβει θέσεις κάτωθεν τοῦ παλκοσένικου, θὰ νοιώσουν ὅπως καὶ πρῶτα τὴν φωτεινὴ παρουσία ἐκείνου, ποὺ στὰ παλήτερα χρόνια τοὺς ἔπαιρνε σὲ ὠνειρεμένους μουσικοὺς κόσμους.

Τὴν στιγμὴν ποὺ ὁ κ. Βαβαγιάννης κρατώντας τὴν τεφροδόχον εἰσήρχετο εἰς τὸ Ὠδεῖον, ἡ σάλπιγγα σημαίνει «προσοχή». Ἀντιπρόσωπος τοῦ Βασιλέως καταθέτει δάφνινο στεφάνι καὶ ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος μὲ τὴν συγκίνησι ἀποτυπωμένη στὸ πρόσωπό του ὡμίλησεν ὡς ἑξῆς, καταθέσας δάφνινον στέφανον ἐκ μέρους τῆς κυβερνήσεως ἐπὶ τῆς σποδοῦ τοῦ ἀειμνήστου ἀρχιμουσικοῦ:

«Ἡ ἑλληνικὴ κυβέρνησις πενθεῖ καὶ τιμᾷ τὸ ἔξοχο τέκνο τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο. Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει στοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης.

Ἡ μάχη ποὺ ἔδωσε στὴ ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἔφεῦρε ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μᾶλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης αὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων. Ἡ μουσικὴ ἔχει μέσα της—ὅταν εἶναι γνήσια—τὸ ὑπέρτατο νόημα τῆς ζωῆς καὶ τοῦ θανάτου. "Εχει μέσα της κάτι πολὺ περισσότερο: Τὸ νόημα τοῦ σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τὸ νόημα αὐτὸ — ἢ ἔκαμε μυριάδες ἀνθρώπους νὰ τὸ ζήσουν—μ' ἕναν τρόπο ποὺ ἔφερε τὸν ἴδιον καὶ κάθε γνήσιο ἀκροατή του, ὡς τὰ κράσπεδα τῆς ἕδρας τοῦ θεοῦ.

"Οπως πολλοὶ ἀληθινοὶ καὶ μεγάλοι "Ελληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἀνῆκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς πατρίδος. Ἐσήμαινε, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος.

Ὁ Δημήτρης Μητρόπουλος ἦταν "Ελλην κατ' ἐξοχήν. "Ηταν, ταυτόχρονα, καλὸς πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δύο αὐτὲς ἰδιότητες—ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς—ταιριάζουν ἄριστα μεταξύ τους. Καὶ ἦταν, τέλος, στὴν ἔννοια ποὺ ἔδωσαν στὴ λέξι αὐτὴ μερικοὶ μεγάλοι "Ελληνες τῆς ἀρχαιότητος, κοσμοπολίτης.

Ὁ ἀττικὸς οὐρανὸς ὑποδέχεται σήμερα τὸν Δημήτρη Μητρόπουλο καθαρὸς καὶ ἀνέφελος τὴν ὥρα ποὺ δύει ὁ ἥλιος.

"Οπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καὶ ὁ Δημήτρης Μητρόπουλος. Μιὰ τέτοια δύσι εἶναι στὴν ὁμορφιὰ της αἰώνιος».

Μετὰ τὸ τέλος τῆς ὁμιλίας τοῦ κ. Κανελλοπούλου, ἤρχισεν ἡ κατάθεσις στεφάνων ἐκ δάφνης. Ἡ Ἀκαδημία Ἀθηνῶν—ὁ Μητρόπουλος ἀπὸ πέρυσι ἦτο ἐπίτιμος ἀκαδημαϊκὸς—διὰ τοῦ ἀκαδημαϊκοῦ κ. Πετρίδη, καταθέτει στέφανον καὶ ἀναγινώσκει τὸν ὕστατο χαιρετισμὸ τοῦ μὴ δυνηθέντος νὰ προσέλθῃ λόγῳ ἀσθενείας ἀκαδημαϊκοῦ κ. Μαν. Καλομοίρη, πρὸς τὸν Μητρόπουλον. Στεφάνους ἐπίσης κατέθεσαν ὁ Δῆμος Ἀθηναίων διὰ τοῦ κ. Τσουκαλᾶ, ὁ κ. Κυριακίδης ἐκ μέρους τοῦ διοικητικοῦ συμβουλίου τοῦ Ὠδείου Ἀθηνῶν, ὁ κ. Βαβαγιάννης ὡς παλαιὸς μαθητὴς τοῦ Μητροπούλου καὶ ἐκ μέρους τῆς Κρατικῆς, ὁ κ. Μπαστιᾶς ἐκ μέρους τῆς Λυρικῆς Σκηνῆς, ὁ κ. Σπυρομήλιος ἐκ μέρους τοῦ ΕΙΡ, ὁ κ. Εὐαγγελάτος ἐκ μέρους τῆς Ἑνώσεως Ἑλλήνων Μουσουργῶν καὶ τοῦ Ἑλληνικοῦ Ὠδείου, ὁ κ. Βάρβογλης ἐκ μέρους τοῦ Συνδέσμου Ἑλλήνων Συνθετῶν, ὁ κ. Ὀρφεὺς ἐκ μέρους τῆς Συμφωνικῆς Ὀρχήστρας Βορείου Ἑλλάδος, ὁ κ. Μυριβήλης ἐκ μέρους τῆς Ἐθνικῆς Ἑταιρίας Ἑλλήνων Λογοτεχνῶν, ἡ κ. Νίτσα Σγουροῦ ἐκ μέρους τοῦ Κρατικοῦ Ὠδείου Θεσσαλονίκης, ἡ κ. Κρινὼ Καλομοίρη ἐκ μέρους τοῦ Ἐθνικοῦ Ὠδείου, ὁ κ. Παλλάντιος ἐκ μέρους τῆς Χορῳδίας Ἀθηνῶν, ὁ κ. Χυτήρης ἐκ τοῦ Πανελληνίου Μουσικοῦ Συλλόγου, ὁ κ. Θᾶνος ἐκ τοῦ Σωματείου Ἠθοποιῶν Μελοδράματος καὶ Ὀπερέττας, ὁ κ. Μεσολογγίτης ἐκ μέρους τοῦ Σωματείου Ἠθοποιῶν, ὁ κ. Παπαχρήστος ἐκ μέρους τοῦ ΑΣΠΕΛΣ, ἡ κ. Τριάντη ἐκ μέρους τῶν «Φίλων τῆς μουσικῆς», ὁ κ. Χαμουδόπουλος ἐκ μέρους τῆς Ἑνώσεως Θεατρικῶν καὶ Μουσικῶν Κριτικῶν, οἱ μαθηταὶ τοῦ Ὠδείου Ἀθηνῶν καὶ ὁ Σύλλογος ἀποφοίτων τοῦ Ὠδείου Θεσσαλονίκης.

Κατόπιν ἡ Κρατικὴ Ὀρχήστρα ἑρμήνευσε τὸ «Πένθιμο ἐμβατήριο» τῆς Ἡρωϊκῆς Συμφωνίας τοῦ Μπετόβεν, ποὺ ὅλοι τὸ ἤκουσαν ὄρθιοι.

Εἰς μίαν στιγμὴν ἕνας ἐκ τῶν θεατῶν ἐζήτησε τὴν ἄδειαν ἀπὸ τὸν κ. Κανελλόπουλον νὰ ὁμιλήσῃ καὶ ὁ κ. ἀντιπρόεδρος προθύμως ἀπεδέχθη.

«Ἐξ ὀνόματος τοῦ ἐμπορικοῦ ναυτικοῦ τῆς Ἑλλάδος—εἶπε ὁ ἄγνωστος ὁμιλητὴς—στέλλω τὸν τελευταῖον χαιρετισμὸν πρὸς τὸν μεγάλον νεκρόν. "Οταν βρισκόμουν στὴ Νέα Ὑόρκη, εἶχα πάει σὲ κάποιο ἑστιατόριο. Στὸ διπλανό μου τραπέζι κάποιος ρουφοῦσε θορυβωδῶς τὴν σούπα του. Μὲ πλησίασε τὸ γκαρσόνι:

— Ξέρεις ποιός εἶναι αὐτός;

— Ποῦ νὰ ξέρω... τοῦ ἀπάντησα.

— Εἶσαι τυχερὸς ποὺ κάθεσαι κοντά του. Εἶναι ὁ "Ελληνας μαέστρος, ὁ συμπατριώτης σου Μητρόπουλος, ἡ περιφημότερη μπαγκέττα τοῦ κόσμου».

*

Ἐν συνεχείᾳ ὁ κ. Βογιατζῆς παραδίδει εἰς τὸν πρόεδρον τοῦ διοικητικοῦ συμβουλίου τοῦ Ὠδείου Ἀθηνῶν τὴν τεφροδόχο καὶ αὐτὸς εἰς τὸν διευθυντὴν τοῦ Ὠδείου Ἀθηνῶν κ. Φαραντάτον, ὁ ὁποῖος μὲ τιμητικὴν συνοδείαν ἀπὸ καθηγητὰς τὴν παραδίδει εἰς τοὺς σμηνίτας, οἱ ὁποῖοι καὶ τὴν μεταφέρουν εἰς τὸ Ὠδεῖον Ἀθηνῶν. Ἐκεῖ πάλιν παραλαμβάνει τὴν σποδὸν ὁ κ. Φαραντάτος καὶ τὴν ἐναποθέτει ἐπὶ βάθρου εὑρισκομένου εἰς τὸ παλκοσένικο τῆς αἰθούσης συναυλιῶν τοῦ Ὠδείου, ὅπου καὶ θὰ παραμείνῃ σήμερον ἐκτεθειμένη εἰς λαϊκὸν προσκύνημα κατὰ τὰς ὥρας 9—12 π. μ. καὶ 5—7 μ.μ.

Ἀκολούθως ἀνελθὼν ὁ κ. Κυριακίδης εἰς τὴν σκηνήν, ἐκάλεσεν ὅλους τοὺς παρισταμένους ν' ἀναφωνήσουν: «Αἰωνία σου ἡ μνήμη Δημήτρη Μητρόπουλε».

ΓΕΩΡΓΙΟΣ ΒΩΚΟΣ

Η ΠΙΟ ΚΑΛΗ ΦΙΛΗ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Ἡ Καίτη Κατσογιάννη, ἡ πιὸ καλὴ κι' ἡ πιὸ ἀφωσιωμένη φίλη τοῦ Δημήτρη Μητροπούλου, εἶναι ἡ μόνη ποὺ συνώδευσε ἀπὸ τὸ Μιλάνο τὴν σορό του μέχρι τὸ κρεματόριο τοῦ Λουγκάνο, στὴν Ἑλβετία. Ἐπῆρε τὴν σορὸ τοῦ ἀγαπημένου της μαέστρου ποὺ τόσο ἀγνώριζε καὶ τόσο εἶχε θαυμάσει καὶ τὴν μετέμερε στὸ Λουγκάνο γιὰ νὰ πραγματοποιήσῃ κι' αὐτὴ τὴν τελευταία ἐπιθυμία του.

Τὴν συναντῶ εἰς τὸ ἀεροδρόμιο τῆς Ἐλευσῖνος καὶ μοῦ ἀφηγεῖται συντετριμμένη ὅλη αὐτὴ τὴν τραγικὴ ἱστορία.

— Δὲν ὑπῆρχε πιὸ ὅμορφος θάνατος, ἀπὸ τὸν θάνατο τοῦ Δημήτρη Μητροπούλου. Πέθανε ὅπως τὸ ἐπιθυμοῦσε. Ἐπάνω στὸ «πόντιουμ» τὴν ὥρα ποὺ διηύθυνε τὴν δοκιμὴ τῆς Σκάλας. Ἐκεῖ ἀνάμεσα στοὺς ἤχους τῶν βιολιῶν καὶ τῆς ὀρχήστρας, μέσα στοὺς φθόγγους τῆς μουσικῆς τὸν ἐπῆρε ὁ θάνατος. Καὶ τὸν ἐπῆρε σὲ μιὰ στιγμή. Χωρὶς καθόλου νὰ ὑποφέρῃ. Μιὰ στιγμὴ ἔγειρε στὸ «πόντιουμ» κι' ἡ μπαγκέττα ξέφυγε ἀπὸ τὰ χέρια του. Αὐτὸς ἦταν ὁ θάνατός του. Κι' ἔτσι μοῦ τὸν περιέγραψαν οἱ καλλιτέχνες τῆς Σκάλας, ποὺ ἔτρεξαν κοντά του. Σ' ἕνα λεπτὸ ὁ Δημήτρης Μητρόπουλος δὲν ζοῦσε πλέον!...

— Τὸν γνωρίζατε ἀπὸ τὰ παιδικά χρόνια σας;

— Τὸν γνώριζα ἀπὸ πολλὰ χρόνια. Ἀπὸ τότε ποὺ γύρισε ἀπὸ τὸ Βερολῖνο κι' ἦταν ἀκόμη στὰ πρῶτα βήματα τῆς δόξης του. "Ηταν γιὰ μένα ἕνας καλὸς φίλος. Στὸ σπίτι μας περνοῦσε ὅλον τὸν καιρὸ ποὺ βρισκόταν στὴν Ἑλλάδα. Ἐγὼ τὸν φρόντιζα σὰν μάννα καὶ σὰν ἀδελφή. Ἐκεῖ στὸ σπίτι μας στὸ ἐπάνω Ἡράκλειο, μέσα στὴν εἰδυλλιακὴ ὁμορφιὰ τῆς ἐξοχῆς. Σὲ ἐμένα ἐρχόταν γιὰ νὰ ξεκουρασθῇ καὶ νὰ συζητήσῃ πολὺ ὥρα. "Ηταν κάτι περισσότερο ἀπὸ ἕνας καλὸς ἄνθρωπος. "Ηταν ἕνας πονεμένος ἀσκητὴς ποὺ ζητοῦσε τὴν λύτρωσι κι' ἔκανε τὸν πόνο του μουσικὴ κι' ἄγκιξε τὴν καρδιὰ τῶν ἀνθρώπων καὶ τὴν ἐπῆρε γιὰ νὰ τὴν ξεκουράσῃ στὰ θεῖα φτερά του.

— "Ηταν ἀλήθεια ὅτι ἡ μοῖρα στὰ πρῶτα βήματά του τὸν πλήγωσε πολύ; Εἶναι ἀλήθεια ὅτι τοῦ ἐστοίχισε ἀφάνταστα ὁ θάνατος τῆς ἀγαπημένης του ἀδελφῆς Ἑλένης;

Ἡ κ. Καίτη Κοιτσογιάννη.

— Ναὶ ἦταν ἕνας ἀπὸ τοὺς καημούς του. Μιὰ ἀπ' τὶς πίκρες του γιατὶ αὐτὸ τ' ἄρρωστο κορίτσι πέθανε μέσα στὴν ἀγκαλιὰ του χωρὶς νὰ μπορῇ νὰ τὸ βοηθήσῃ γιατὶ ἐκεῖνο τὸν καιρὸ ἦταν φτωχός.

Ο ΛΟΓΟΣ ΤΟΥ ΑΝΤΙΠΡΟΕΔΡΟΥ κ. Π. ΚΑΝΕΛΛΟΠΟΥΛΟΥ: «ΕΔΩΚΕ ΚΑΙ ΕΚΕΡΔΙΣΕ ΤΗΝ ΜΑΧΗΝ ΤΟΥ ΜΟΥΣΙΚΟΥ ΠΝΕΥΜΑΤΟΣ!»

ΕΝΑΣ ΠΛΟΙΑΡΧΟΣ ΕΓΕΙΡΕΤΑΙ ΑΠΟ ΤΟ ΠΛΗΘΟΣ ΚΑΙ ΜΙΛΕΙ ΓΙΑ ΤΟΝ ΜΕΓΑΛΟ ΜΟΥΣΙΚΟ

Ἡ ἑλληνικὴ πρωτεύουσα ὑπεδέχθη χθὲς τὸ ἀπόγευμα μὲ βαθυτάτην συγκίνησιν τὴν σποδὸν τοῦ μεγάλου τέκνου της : τοῦ Δημήτρη Μητροπούλου, ποὺ ἀφοῦ κατηύγασε τὸν διεθνῆ ὁρίζοντα μὲ τὴν ἐκτυφλωτικὴν λάμψιν τῆς μεγαλοφυΐας του, ἔφυγε ξαφνικὰ ἀπὸ τὸν κόσμο τῶν θνητῶν διὰ νὰ παραμείνῃ σὰν μιὰ αἰωνία δόξα καὶ ἕνα φωτεινὸ μετέωρο ποὺ ἐτίμησε τὸ ἑλληνικὸ ὄνομα.

Αἱ ἀποφάσεις διὰ τὴν μεταφορὰν τῆς σποδοῦ τοῦ Δημήτρη Μητροπούλου—τοῦ ὁποίου ἡ σορὸς εἶχε προηγουμένως ἀποτεφρωθῆ εἰς τὸ Λουγκάνο τῆς Ἑλβετίας—ἐλήφθησαν προχθὲς τὸ ἑσπέρας καὶ ἔτσι παρέστη ἀνάγκη αἱ τελευταῖαι πληροφορίαι καὶ τὸ πρόγραμμα τῆς τελετῆς νὰ μεταδοθοῦν ἐπανειλημμένως ἀπὸ ραδιοφώνου. Ἡ ἀναγγελία ἐπροκάλεσε ζωηρὰν συγκίνησιν καὶ πλῆθη κόσμου συνέρρευσαν εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ, ἐνῶ ἄλλοι θαυμασταὶ τοῦ ἔργου τοῦ ἐκλιπόντος ἀρχιμουσικοῦ ἔσπευδαν εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ.

Εἰς τὸ ἀεροδρόμιον προσῆλθον ἐν τῷ μεταξὺ ὁ Ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος, ὁ ὑπουργὸς τῆς Προεδρίας κ. Τσάτσος, ὁ ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς, ὁ Γεν. ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΗΡΩΔΟΥ ΑΤΤΙΚΟΥ

Ἡ ἄφιξις τῆς πομπῆς εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ—ποὺ ἦτο κατάμεστον κόσμου — ἀνηγγέλθη διὰ παρατεταμένου σαλπίσματος. Εὐθὺς ἀμέσως οἱ παριστάμενοι ἐπίσημοι, μεταξὺ τῶν ὁποίων ἀντιπρόσωπος τῆς Α. Τότε ἐν μέσῳ ἐπιβλητικῆς σιγῆς εἰσῆλθεν ὁ κ. Βαβαγιάννης μεταφέρων τὴν σποδὸν τὴν ὁποίαν ἠκολούθουν ὁ Ἀντιπρόεδρος καὶ τὰ μέλη τῆς Κυβερνήσεως. Εὐθὺς ὡς ἡ σποδὸς ἐτοποθετήθη ἐπὶ εἰδικοῦ βάθρου κεκαλυμμένου μὲ τὰ ἑλληνικὰ χρώματα, τὸ παριστάμενον πλῆθος ἐξέσπασεν εἰς παρατεταμένα χειροκροτήματα, εἰς ἔνδειξιν θαυμασμοῦ διὰ τὸ ἔργον τοῦ Μητροπούλου.

Ο ΒΑΣΙΛΕΥΣ ΚΑΙ Η ΚΥΒΕΡΝΗΣΙΣ

Ὅταν ἀποκατεστάθη ἡσυχία ἀντιπρόσωπος τῆς Α. Μ. τοῦ Βασιλέως προσῆλθε πρὸ τῆς σποδοῦ καὶ κατέθεσε στέφανον δάφνης ἐκ μέρους τοῦ Ἄνακτος.

Ο ΛΟΓΟΣ ΤΟΥ κ. ΚΑΝΕΛΛΟΠΟΥΛΟΥ

Ἐν συνεχείᾳ κατέθεσε στέφανον ἐκ μέρους τῆς Κυβερνήσεως ὁ Ἀντιπρόεδρος αὐτῆς κ. Κανελλόπουλος, ὁ ὁποῖος κατεχόμενος ὑπὸ βαθείας συγκινήσεως, εἶπε τὰ ἑξῆς:

«Ἡ Ἑλληνικὴ Κυβέρνησις πενθεῖ καὶ τιμᾷ τὸ ἔξοχο τέκνο τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο.

Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει στοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης.

Ἡ μάχη ποὺ ἔδωσε στὴ ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο, ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἐφεύρε ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μᾶλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης εὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων. Ἡ μουσικὴ ἔχει μέσα της — ὅταν εἶναι γνήσια — τὸ ὑπέρτατο νόημα τῆς ζωῆς καὶ τοῦ θανάτου. Ἔχει μέσα της κάτι πολὺ περισσότερο: Τὸ νόημα τοῦ Σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τὸ νόημα αὐτὸ — κι' ἔκαμε μυριάδες ἀνθρώπους νὰ τὸ ζήσουν — μ' ἕναν τρόπο ποὺ ἔφερε τὸν ἴδιον καὶ κάθε γνήσιο ἀκροατή του, ὡς τὰ κράσπεδα τῆς ἕδρας τοῦ Θεοῦ.

Ὅπως πολλοὶ ἀληθινοὶ καὶ μεγάλοι Ἕλληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἀνῆκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς Πατρίδος. Ἐσήμαινεν, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ παναθρώπινου χαρακτῆρος τῆς Ἑλλάδος.

Ὁ Δημήτρης Μητρόπουλος ἦταν Ἕλλην κατ' ἐξοχήν. Ἦταν, ταὐτόχρονα, καλὸς πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δύο αὐτὲς ἰδιότητες — ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς— ταιριάζουν ἄριστα μεταξύ των. Καὶ ἦταν, τέλος, στὴν ἔννοια ποὺ ἔδωσαν στὴ λέξι αὐτὴ μερικοὶ μεγάλοι Ἕλληνες τῆς ἀρχαιότητος, κοσμοπολίτης.

Ὁ Ἀττικὸς οὐρανὸς ὑποδέχεται σήμερα τὸν Δημήτρη Μητρόπουλο καθαρὸς καὶ ἀνέφελος τὴν ὥρα ποὺ δύει ὁ ἥλιος.

Ὅπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καὶ ὁ Δημήτρης Μητροπουλος. Μιὰ τέτοια δύσι εἶναι στὴν ὁμορφιά της αἰώνια.

ΟΙ ΑΛΛΟΙ ΟΜΙΛΗΤΑΙ

Μετὰ τὸν κ. Κανελλόπουλον ὡμίλησεν ἐκ μέρους τῆς Ἀκαδημίας Ἀθηνῶν ὁ μουσουργὸς καὶ ἀκαδημαϊκὸς κ. Π. Πετρίδης, ὁ ὁποῖος ἀφοῦ κατέθεσε στέφανον, ἀνέγνωσε μήνυμα τοῦ ἀσθενοῦντος ἀκαδημαϊκοῦ κ. Μανώλη Καλομοίρη. Εἰς τὸ μήνυμα αὐτὸ ὁ κ. Καλομοίρης ὑπενθυμίζει τὴν πρώτην δειλὴν ἐμφάνισιν τοῦ ξανθοῦ ἐφήβου — τοῦ Δημήτρη Μητροπούλου — περὶ τὸ 1912 καὶ ὑπογραμμίζει τὴν ἔνδοξον σταδιοδρομίαν του, ἡ ὁποία ἔφερεν εἰς τὴν σκέψιν ὅλων τῶν ἀνθρώπων τὴν Ἑλλάδα τῶν Σαλαμίνων.

Ἐν συνεχείᾳ κατέθεσαν στεφάνους ὁ Δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς, ὁ Πρόεδρος τοῦ Ὠδείου Ἀθηνῶν κ. Κυριακίδης, ὁ Γενικὸς Διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας Ἀθηνῶν κ. Βαβαγιάννης, ὁ Γεν. Διευθυντὴς τῆς Λυρικῆς Σκηνῆς κ. Κ. Μπαστιᾶς, ὁ Γενικὸς Διευθυντὴς τοῦ Ἐθνικοῦ Ἱδρύματος Ραδιοφωνίας κ. Σπυρομίλιος, ὁ Πρόεδρος τῆς Ἑνώσεως Ἑλλήνων Μουσουργῶν κ. Εὐαγγελάτος, ὁ Πρόεδρος τοῦ Συλλόγου Ἑλλήνων Συνθετῶν κ. Βάρβογλης, ἐκπρόσωπος τῆς Συμφωνικῆς Ὀρχήστρας Βορείου Ἑλλάδος, ὁ Πρόεδρος τῆς Ἐθνικῆς Ἑταιρίας Ἑλλήνων Λογοτεχνῶν κ. Μυριβήλης, ἐκπρόσωπος τοῦ Ὠδείου Θεσσαλονίκης, ἐκπρόσωπος τοῦ κ. Μανώλη Καλομοίρη, ὁ κ. Ἀντ. Εὐαγγελάτος ὡς ἐκπρόσωπος τοῦ Ἑλληνικοῦ Ὠδείου, ὁ κ. Παλλάντιος ἐκ μέρους τῆς Χορῳδίας Ἀθηνῶν, ὁ Πρόεδρος τοῦ Πανελληνίου Μουσικοῦ Συλλόγου κ. Χυτήρης, ὁ Πρόεδρος τοῦ Σωματείου Ἠθοποιῶν Μελοδράματος κ. Θάνος, ὁ κ. Παπαχρήστου ἐκ μέρους τοῦ Ἀλληλοβοηθητικοῦ Ταμείου τοῦ προσωπικοῦ τῆς Ε. Λ. Σ., ἡ κυρία Τριάντη ἐκ μέρους τῶν «Φίλων τῆς Μουσικῆς», ἀντιπροσωπεία μαθητῶν τοῦ Ὠδείου Ἀθηνῶν καὶ ὁ κ. Χαμουδόπουλος, ἐκ μέρους τῆς Ἑνώσεως Ἑλλήνων Μουσικῶν Κριτικῶν.

Η ΤΡΙΤΗ ΣΥΜΦΩΝΙΑ ΧΩΡΙΣ ΑΡΧΙΜΟΥΣΙΚΟΝ

Ὅταν ἡ κατάθεσις τῶν στεφάνων ἐτελείωσε, ἡ Κρατικὴ Ὀρχήστρα Ἀθηνῶν, χωρὶς τὴν διεύθυνσιν ἀρχιμουσικοῦ ἐξετέλεσε μέσα εἰς ἀτμόσφαιραν γενικῆς συγκινήσεως τὸ δεύτερον μέρος τῆς Γ' Συμφωνίας τοῦ Μπετόβεν, τὸ γνωστὸν πένθιμον ἐμβατήριον. Ἡ συμβολικὴ αὐτὴ ἐκτέλεσις εἰς μνήμην τοῦ Δημήτρη Μητρόπουλου ἐπροκάλεσε θύελλαν χειροκροτημάτων.

Καὶ τότε, ὅταν ἡ ἐκτέλεσις ἐτελείωσε, ἐσημειώθη καὶ μία ἐκτὸς προγράμματος ἐκδήλωσις. Ἀπὸ τὰς κερκίδας ἐσηκώθη ἕνας κατασυγκινημένος ἄνθρωπος ὁ ὁποῖος εἶπε:

—Εἶμαι πλοίαρχος τοῦ ἐμπορικοῦ ναυτικοῦ καὶ ὅπου ἐπῆγα ἀντελήφθην ὅτι ὁ Δημήτρης Μητρόπουλος ἦτο πασίγνωστος. Μία ἡμέρα στὴν Νέα Ὑόρκη μέσα σ' ἕνα ἐστιατόριον ἄκουσα ἀπὸ ἀπιθάνους ἀνθρώπους νὰ ἐξαίρεται ἡ προσωπικότης του. Δὲν ἔχω καμμιὰ ἐξουσιοδότησι νὰ μιλήσω ἐκ μέρους τῶν συναδέλφων μου, πιστεύω ὅμως ὅτι ὅλοι οἱ Ἕλληνες ναυτικοὶ θὰ αἰσθάνωνται τὸν ἴδιο θαυμασμὸ καὶ θὰ εἶναι σύμφωνοι μαζί μου.

Ἡ παρεμβολὴ αὐτὴ κατεχειροκροτήθη καὶ κατόπιν ὁ ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς παρέδωσε τὴν κάλπιδα μὲ τὴν σποδὸν εἰς τὸν πρόεδρον τοῦ Δ. Σ. τοῦ Ὠδείου Ἀθηνῶν κ. Κυριακίδην, ὁ ὁποῖος καὶ τὴν μετέφερεν εἰς τὸ ἀναμένον τζίπ. Ἐκεῖ ἡ πομπὴ ἀνεσχηματίσθη καὶ μέσα εἰς ἐκδηλώσεις εἰλικρινοῦς πένθους, κατηυθύνθη εἰς τὸ Ὠδεῖον Ἀθηνῶν ὅπου ἐναπετέθη ἡ τέφρα τοῦ ἐκλιπόντος ἐνδόξου Ἕλληνος.

ΘΑ ΓΙΝΗ ΠΡΟΤΟΜΗ

Ἐγνώσθη ὅτι τὸ Ὠδεῖον Ἀθηνῶν σκέπτεται νὰ ἀναθέσῃ εἰς γλύπτην τὴν φιλοτέγνησιν τῆς προτομῆς τοῦ Δ. Μητροπούλου.

Ἐξ ἄλλου ὁ Δῆμος Πειραιῶς ἀπεφάσισεν ὅπως δοθῆ τὸ ὄνομα τοῦ ἐκλιπόντος εἰς μίαν τῶν ὁδῶν τοῦ Πειραιῶς. Δὲν ἐγνώσθη κατὰ ποῖον τρόπον θὰ τιμήσῃ ὁ Δῆμος Ἀθηναίων τὸν ἀποθανόντα ἀοιδιμοῦσικόν.

Ἐν τῷ μεταξὺ διάφορα, ἄλλα ἰδρύματα καὶ ὀργανώσεις ἐκτὸς τῶν ψηφισμάτων τὰ ὁποῖα ἐξεδώκαν, κινοῦνται πρὸς διοργάνωσιν καλλιτεχνικῶν ἐκδηλώσεων. Μεταξὺ ἄλλων ἡ Ἕνωσις Φιλομούσων Ἑλλάδος ἀπεφάσισε ὅπως εἰς τὴν συναυλίαν τῆς 19ης τοέχοντος τηρηθῆ ἑνὸς λεπτοῦ σιγή, ἀντὶ στεφάνου, βραβευθῆ ὁ καλύτερος ἐκτελεστὴς συναυλιῶν τῆς ΕΦΕ καὶ ἀπὸ τοῦ ἔτους δίδεται συναυλία ἀποκλειστικῶς μὲ ἔργα τοῦ Δ. Μητροπούλου.

ΣΗΜΕΡΟΝ Η ΣΥΝΑΥΛΙΑ ΧΩΡΙΣ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟΝ

ΜΙΛΑΝΟΝ 7. (Τοῦ ἀπεσταλμένου μας).—Σήμερα, στὶς 9 τὸ βράδυ, ὁ ἀείμνηστος Μητρόπουλος ἐπρόκειτο νὰ δώσῃ στὴν «Σκάλα» τὴν ἀναγγελθεῖσαν ἀπὸ ἡμερῶν συναυλίαν μὲ ἔργα τοῦ Μάλλερ, Μπετόβεν καὶ ἄλλων διασήμων μουσουργῶν. Οἱ Μιλανέζοι εἶχαν ἤδη προμηθευθῆ τὰ εἰσιτήρια, τὰ ὁποῖα εἶχαν ἐξαντληθῆ ἀπὸ τὴν παρελθοῦσαν ἑβδομάδα. Ἡ τιμή τους ἦταν 3.500 λιρέττες, ἤτοι 175 ἑλληνικὲς δραχμές. Δυστυχῶς ὅμως ἡ μοῖρα δὲν τὸν ἄφησε νὰ τὴν πραγματοποιήσῃ. Καὶ τὴν περασμένη Τετάρτη, κατὰ τὴν ὥραν τῆς δοκιμῆς τῆς τρίτης Συμφωνίας τοῦ Μάλλερ, ἔπεσε στὴ σκηνή, σ' αὐτὴν ποὺ ἄλλοτε κατεχειροκροτεῖτο, γιὰ νὰ μὴ σκιωθῆ ποτέ. Ἐκεῖ ἐπάνω, στὸ βάθρο ποὺ διηύθυνε κατὰ τὴν ἡμέραν ἐκείνη τὴν ὀρχήστρα τῆς «Σκάλας» τοῦ Μιλάνου, ἔμεινε «τιμῆς ἕνεκεν» μέχρι τὴν ἄλλη μέρα τὸ πρωῒ ὁπότε καὶ μετεφέρθη στὸν νεκρικὸν θάλαμον τοῦ μεγάρου τῶν Ἰατροδικαστικῶν Ἐρευνῶν τοῦ Μιλάνου.

Ἀπὸ τῆς 11ης πρωϊνῆς τῆς Τετάρτης, τὰ πλήθη συνωθοῦντο ἔξω θι τῆς «Σκάλας» γιὰ νὰ δοῦν καὶ νὰ μάθουν συγετικὰ μὲ τὸν θάνατο τοῦ μαέστρου. Πάνω στὰ προγράμματα τῆς συναυλίας τοῦ Γερμανοῦ μαέστρου Καραγιάν, εἶχαν τοιχοκολληθῆ πένθιμα ἀγγελτήρια, τὰ ὁποῖα ἀνέφεραν τὸν θάνατον τοῦ Δημήτρη Μητρόπουλου. Οἱ Μιλανέζοι μὲ δάκρυα στὰ μάτια ἐδιάβαζαν τὸ θλιβερὸ γεγονὸς καὶ μονολογοῦσαν: «Κὲ πεκάτο»:—Τί κρῖμα...

Τὴν Παρασκευὴ τὸ βράδυ, συνήντησα στὴν «Σκάλα» τὸν Διευθυντή της κ. Φραντζέσκο Σιτσιλιάνι, ἀπὸ τὸν ὁποῖον ἐζήτησα νὰ μοῦ δώσῃ τὸ πρόγραμμα τῆς συναυλίας ποὺ θὰ ἔδινε σήμερα τὸ βράδυ ὁ «Γκράντε Μαέστρο».

Δυστυχῶς, μὲ ἐπληροφόρησε, τὸ πρόγραμμα δὲν ἔχει τυπωθῆ. Βρίσκεται ὅμως στοιχειοθετημένο στὸ τυπογραφεῖο. Ἡ ἐκτύπωσίς του ἐπρόκειτο νὰ γίνῃ τὴν Τετάρτη τὸ ἀπόγευμα, ἡ ὁποία ἐξ ἀφορμῆς τοῦ θλιβεροῦ γεγονότος ἐματαιώθη. Καὶ ὁ κ. Σιτσιλιάνι προσέθεσεν:

—Ὁ θάνατος τοῦ Μητρόπουλου ἦταν μιὰ ἀπὸ τὶς μεγαλύτερες ἀπώλειες τοῦ μουσικοῦ κόσμου.

«ΑΘΗΝΑΪΚΗ» ΔΕΥΤΕΡΑ 7 Νοεμβρίου 196

ΕΚΗΔΕΥΘΗ Ο ΜΑΓΟΣ ΤΩΝ

ΜΕ ΤΟ ΥΣΤΑΤΟΝ ΧΕΙΡΟ Η ΑΘΗΝΑ ΑΠΕΧΑΙΡΕΤ ΤΟΝ ΝΕΚΡΟΝ ΤΟΥ ΜΕΓΑΛΟ

Ἐκδηλώσεις συγκινήσεως κατὰ τὴν μεταφορὰν τῆς σποδοῦ ὑπὸ τοὺς ἤχους τῆς Κρατικῆς Ὀρχήστρας, ἡ ὁποία ἐξετέλει πένθιμον ἐμβατήριον.

ΘΑ ΓΙΝΗ ΠΡΟΤΟΜΗ ΕΙΣ ΤΟ ΩΔΕΙΟΝ

Ὁ μουσικὸς κόσμος οἱ φίλοι τῆς μουσικῆς, ἡ καλλιτεχνικὴ οἰκογένεια, τὸ ἀνώνυμον πλῆθος, τὸ ἐπίσημον κράτος, αἱ Ἀθῆναι καὶ ὁλόκληρος ἡ Ἑλλάς, παρισταμένη νοερῶς εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ἀπεχαιρέτησε γθὲς τὸν μεγάλον ποὺ ἔφυγε. Τοῦ ἀπηύθυνε τὸ ὕστατον χειροκρότημα μὲ δάκρυα στὰ μάτια σὰν νὰ ἔχανε τὸ πιὸ ἀγαπημένο πρόσωπο...

Στοὺς καλλιτέχνας, ἔγινε παράδοσις πιά, τὸ τελευταῖο χειροκρότημα εἶναι μιὰ ἐκδήλωσις κι' ἕνα μέσον τοῦ πλήθους γιὰ νὰ ἐκφράσῃ τὰ βαθειά κι' εὐγενικὰ αἰσθήματά του. Εἶναι μιὰ τελευταία ἀπόδοσι τιμῆς κι' ἕνα ἔσχατο «εὐχαριστῶ» γιὰ ὅ,τι προσέφερε αὐτὸς ποὺ φεύγει... Εἶναι μιὰ ἀναγνώρισις τοῦ ἔργου του, μιὰ δικαίωσις τοῦ ἀκαμάτου μόχθου του...

Ὁ Δημήτρης Μητρόπουλος δὲν εἶχε, βέβαια, ἀνάγκη τῶν τελευταίων χειροκροτημάτων. Ἦταν ὁ καθιερωμένος. Ὅμως ἐκεῖνοι ποὺ ἔμειναν αἰσθάνθηκαν ἔτσι ἀθέλητα, ἴσως, ταπεινότητα κι' εἰλικρινά, νὰ τοῦ ἐξωτερικεύσουν τὴν ἀπέραντη εὐγνωμοσύνη τους γιὰ τὴν θυσία του στὴν τέχνη τῆς μουσικῆς καὶ γιὰ τὴν φήμη ποὺ ἔδωσε στὴν Ἑλλάδα. Αὐτὸ τὸ νόημα εἶχαν τὰ χθεσινὰ χειροκροτήματα..

⁂

Τὸ ἀεροσκάφος τῆς Βασιλικῆς Ἀεροπορίας ποὺ μετέφερε τὴν σποδὸν ἔφθασε γθὲς τὸ ἀπόγευμα εἰς τὰς 4, εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ.

Ὀλίγον προηγουμένως εἶχον κατέλθει εἰς τὸ ἀεροδρόμιον ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος, ὁ ὑπουργὸς Παιδείας κ. Γ. Βογιατζῆς, ὁ ὑπουργὸς Προεδρίας Κυβερνήσεως κ. Κ. Τσάτσος, ἀνώτεροι ὑπάλληλοι, ἐκπρόσωποι ὅλων τῶν καλλιτεχνικῶν ὀργανώσεων, καθηγηταὶ καὶ μαθηταὶ τοῦ Ὠδείου, τὸ τιμητικὸν ἀπόσπασμα τῆς Ἀεροπορίας κ. ἄ.

Ἅμα τῇ προσγειώσει τοῦ στρατιωτικοῦ ἀεροπλάνου ἀξιωματικὸς τῆς Βασιλικῆς Ἀεροπορίας ἐν καταφανῆ συγκινήσει καὶ μέσα εἰς ἀπόλυτον σιγήν, κατεβίβασε τὴν λήκυθον μὲ τὴν σποδὸν τοῦ κορυφαίου μαέστρου καὶ τὴν ἐτοποθέτησε εἰς τὸ εἰδικῶς ἀναμένον τζίπ.

Ἐν συνεχείᾳ καὶ ἐνῶ τὸ πλῆθος τῶν ἐπιβατῶν καὶ τὸ προσωπικὸν τοῦ ἀεροδρομίου παρακολουθοῦσε μὲ ἔκδηλα τὰ ἴχνη τοῦ σεβασμοῦ πρὸς ἕνα νεκρόν, ἡ πομπὴ μὲ τὸ στρατιωτικὸν τζὶπ ἐπὶ κεφαλῆς, κατηυθύνθη εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἐκεῖ ἠκούσθησαν καὶ τὰ πρῶτα ζωηρὰ χειροκροτήματα, τὰ ὁποῖα ἀργότερον κατὰ τὴν διάκοπειαν τῆς μικρᾶς καὶ ἀπερίττου τελετῆς, ἐπανελήφθησαν πλειστάκις, τόσον ἀπὸ τὸν ἐντὸς ὅσον καὶ ἀπὸ τὸν ἐκτὸς τοῦ θεάτρου κόσμον.

Ὁ μεγάλος μουσικός, ποὺ μὲ τὴν μαγικὴ μπαγκέττα του εἶχε διευθύνει πολλὲς συναυλίες εὑρίσκετο καὶ πάλιν στὸν γνώριμον χῶρον του. Ἀλλὰ πόσον διαφορετικαὶ ἦσαν τώρα αἱ συνθῆκαι! Δὲν εἶχε ἀπέναντί του ἕνα ἀγωνιῶδες, ἕνα ἀνυπόμονον πλῆθος ἕτοιμο νὰ τὸν γειροκροτήσῃ γιὰ νὰ κινήσῃ τὴν ῥάβδον του, ἕτοιμο νὰ δεχθῆ τὶς θεῖες μελῳδίες ποὺ ἔβγαιναν ἀπὸ τὴν ὀργήστρα τῆς ἐξουσίας του, ἕτοιμο νὰ νοιώθῃ βαθειὰ καὶ νὰ χαρῇ τὴν μουσικήν του. Τὸ ὑφεσινὸ πλῆθος ἔστεκε βωβόν. Κι' ἐκεῖνος; Κι' ἐκεῖνος δὲν ἦταν τίποτε ἄλλο ἀπὸ λίγη τέφρα, ὅ,τι εἶχε ἀπομείνει ἀπὸ τὴν προχθεσινὴν καῦσιν τοῦ σώματός του σύμφωνα μὲ τὴν τελευταία

Dimitri Mitropoulos, Whose Life Was Music

New York knew Dimitri Mitropoulos well, for the climax of his career as a conductor came here, first at the Philharmonic and later at the Metropolitan Opera. Not every conductor is equally at home in symphony and in opera, but Mr. Mitropoulos was no ordinary musician. To his dramatic understanding and technical mastery he joined a sense of dedication and devotion to his art.

Mr. Mitropoulos wasn't the kind of conductor who stayed within the safe confines of the standard repertory. He liked to explore music and extend its frontiers, and modern composers, Americans not excepted, knew him as their friend. It was typical that he should have been rehearsing one of the lesser-known Mahler symphonies when he was fatally stricken in Italy yesterday.

Although he had undergone a serious attack a few years ago, Mr. Mitropoulos took up the burdens of his calling once again simply because life to him meant music, and nothing else. We had been counting upon seeing and listening to him this season at the Metropolitan and in Carnegie Hall. Now we shall never have that privilege. But the picture of his lean, spare, ascetic figure upon a podium is one that will long dwell in many memories.

ΣΧΟΛΙΑ—ΒΙΒΛΙΟΚΡΙΣΙΑ—ΕΙΔΗΣΕΙΣ

ΔΗΜΗΤΡΗΣ ΜΗΤΡΟΠΟΥΛΟΣ
(1896-1960)

Τὸ καλοκαίρι τοῦ 1939, στὸ 'Ωδεῖο τοῦ 'Ηρώδη τοῦ 'Αττικοῦ, ὕστερ' ἀπὸ μιὰν ἔξοχη ἐκτέλεση, τὸν κατευοδώσαμε γιὰ τὸ μεγάλο ταξίδι, τὴν κατάκτηση τοῦ κόσμου μὲ τὴν μαγικὴ δύναμη τῆς μπαγκέτας, καὶ τὸ φθινόπωρο τοῦ 1960 μᾶς γύρισε μιὰ φούχτα στάχτη, ποὺ τὴν ὑποδεχθήκαμε, πάλι στὸ 'Ωδεῖο τοῦ 'Ηρώδη τοῦ 'Αττικοῦ, μὲ δάκρυα καὶ χειροκροτήματα... Ἔτσι θριαμβευτικὰ καὶ θεαματικὰ τερμάτισε τὴν πορεία του, μιὰν ἐπίπονη, βασανιστικὴ πορεία, ὁ Δημήτρης Μητρόπουλος. Εὐτυχής, γιατί «κάηκε», ἀναλώθηκε ὁλόκληρος γιὰ μιὰν ἰδέα κ' ἕνα πάθος. Τὴν ἰδέα ὅτι ἡ Μουσικὴ εἶναι ἡ «ὁδὸς» πρὸς τὴν αἰωνιότητα καὶ τὴν τελειότητα, δηλαδὴ πρὸς τὸ Θεό, ὄχι ὅπως τὸν αἰσθάνονται στὰ μέτρα τους οἱ μικρὲς ψυχές, ἀλλὰ ὅπως τὸν μαντεύουν μέσα στὸν ἴλιγγό τους οἱ μεγάλες. Καὶ τὸ πάθος νὰ μεταδώσει τὴ δική του φλόγα στοὺς ἄλλους, ν' ἀνάψει καὶ στῶν ἄλλων τὶς καρδιὲς τὴν πυρκαγιὰ τῆς «φλεγομένης καὶ μὴ καιομένης βάτου», τὴ φωτιὰ τῆς μουσικῆς, ποὺ ἀναστάτωνε τὴ δική του. Ἡ πίστη του βρῆκε — πράγμα σπάνιο—στὸν κόσμο τοῦτο τὴν ἀνταμοιβή της. Τοῦ ἀναγνωρίστηκε τὸ δικαίωμα καὶ τοῦ δόθηκε ἡ χάρη νὰ ζήσει τὴν ἰδέα καὶ τὸ πάθος του ἕως τὴν «ἄκρη» τους. Ἔμεινε σ' ὁλόκληρη τὴ ζωή του μιὰ διαρκῶς ἐμπύρετη, ἀνεξάντλητη σὲ ἀποχρώσεις εὐαισθησία, μιὰ διαρκῶς τεντωμένη χορδὴ ποὺ ἤξερε ὄχι ἁπλῶς νὰ μεταδίνη τὸν παλμό της, ἀλλὰ νὰ κεραυνοβολῆ τοὺς ἄλλους μὲ τὶς μουσικὲς δονήσεις της — καὶ στὸ τέλος, ὅταν πιὰ ἡ μικρή, φτωχὴ καρδιά του ἔσπασε ἀπὸ τὸν ἀγώνα καὶ τὴν ἀγωνία, γκρεμίστηκε ἀπὸ τὸ πόδιο, σὰ νὰ τὸν βρῆκε κατάστηθα τὸ βέλος τῆς Ἀρᾶς ποὺ δὲν ἐπιτρέπει στὸν ἄνθρωπο νὰ ὑπερβῆ τὸ «ὅριο»...

Ὁ Δημήτρης Μητρόπουλος δοξάστηκε ὄχι σὰ μουσουργός, ἀλλὰ σὰν ἑρμηνευτής. Νέος ἔγραψε μουσικὴ καὶ ὁ ἴδιος ἀναφέρεται λ.χ. μιὰ ὄπερά του, καθὼς καὶ μιὰ σειρὰ ἀπὸ μικρὲς συνθέσεις του. Προσωπικὰ θυμᾶμαι τὴν ἐντύπωση ποὺ ἔκαμαν τὰ ὅσα — ἂν δὲν γελιέμαι — καβαρικά του «ποιήματα» (μουσικὴ γιὰ πιάνο σὲ στίχους τοῦ Καβάφη) σ' ἕνα μικρὸ κύκλο ποὺ μαζὶ μὲ τὸν ποιητὴ τ' ἀκούσαμε κάποτε νὰ ἐκτελοῦνται στὴν 'Αλεξάντρεια ἀπὸ τὸν πιανίστα Σόλωνα Κρητικὸ (ἐδῶ καὶ τριάντα τόσα χρόνια). Μουσικὴ ἀπόκρημνη, ποὺ δὲν σὲ παρακολουθοῦσε φιλικὰ ὕστερ' ἀπὸ τὴν ἀκρόαση, περισσότερη δεξιοτεχνία παρὰ ὑποβολή. Ἄλλα ἔργα του προσωπικὰ δὲν ἔτυχε ν' ἀκούσω· νομίζω μάλιστα ὅτι καὶ ὁ ἴδιος στὸ τέλος δὲν ἦταν βέβαιος γιὰ τὴν ἀξία τους· γι' αὐτὸ ἐγκατέλειψε τὴ σύνθεση καὶ δόθηκε στὴν ἑρμηνεία, ὅπου πραγματικὰ θριάμβευσε. Εἶναι ἄραγε γι' αὐτὸ λιγότερο σημαντικός, «μικρότερος» ἀπὸ τοὺς δημιουργικοὺς μουσουργούς;

Τὸ πρόβλημα τῆς «ἑρμηνείας» τῶν ἔργων Τέχνης εἶναι δύσκολο, καὶ παρουσιάζει τόσες ἀπόψεις, ποὺ περιπλέκει καὶ φέρνει σὲ ἀμηχανία τοὺς ἀμύητους. Ὁ «ἁπλὸς» ἄνθρωπος δὲν μπορεῖ νὰ καταλάβει γιατὶ ἐγκωμιάζεται, ἀποθεώνεται κάποτε ὁ καλὸς ἐκτελεστὴς (ἴδίως ὁ διευθυντὴς τῆς ὀρχήστρας, ποὺ οὔτε κὰν ὁ ἴδιος «παίζει»), ἀφοῦ ἐπὶ τέλους δὲν εἶναι ὁ δημιουργός, ὁ συνθέτης τοῦ ἐκτελούμενου ἔργου. Ἕνας «ἄλλος» ἔχει συλλάβει καὶ πλάσει, ἔχει δημιουργήσει καὶ «γράψει» τὴ μουσικὴ σύνθεση· αὐτὸς ἁπλῶς τὴ «διαβάζει» καὶ τὴν ἀποδίνει πιστά, σύμφωνα μὲ τὴ βούληση καὶ τὶς ρητὲς ὁδηγίες τοῦ μουσουργοῦ... Καὶ ὅμως δὲν εἶναι καθόλου παθητικὸς ἢ ἀσήμαντος ὁ ρόλος ἐκείνου ποὺ «ἐκτελεῖ» ἕνα ἔργο μουσικῆς, ὅπως κ' ἕνα δράμα ἢ μιὰ χορευτικὴ σύνθεση. Γιατὶ — ἁπλούστατα — ὑπάρχουν καλλιτεχνήματα ποὺ βγαίνουν ἕτοιμα, τελειωμένα ἀπὸ τὸ χέρι τοῦ δημιουργοῦ, καὶ ἄλλα ποὺ ἀπὸ τὴν ἴδια τὴ φύση τους γεννιοῦνται ἀτελείωτα, καὶ πρέπει νὰ βρεθεῖ ὁ τ ρ ί τ ο ς ποὺ θὰ τ' ἀποτελειώσει. Ποὺ θὰ κατορθώσει δηλαδὴ ν' ἀνακαλύψει μὲ τὴν εὐαισθησία του ὅσες ἀξίες κρύβονται μέσα τους, καὶ νὰ τὶς ἀναδείξει, νὰ τὶς φέρει στὸ φῶς μὲ τὴ δεξιοτεχνία του. Αὐτὸς εἶναι ὁ ἐμπνευσμένος ἑρμηνευτής. Δημιουργὸς καὶ κεῖνος, ἀφοῦ μὲ τὴ δική του φαντασία καὶ δύναμη τὸ καλλιτεχνικὸ ἔργο γίνεται ἐκεῖνο ποὺ εἶναι. Ὀρθότερα: ἐκεῖνο ποὺ προορίζεται νὰ εἶναι. Χωρὶς τὴν παρέμβαση τούτου τοῦ τρίτου (ἀνάμεσα στὸ μουσουργὸ καὶ στὸν ἀκροατή) τὸ καλλιτέχνημα εἶναι μιὰ δυνατότητα μονάχα, μιὰ προσδοκία καὶ ἀναμονή. Γιὰ νὰ πραγματωθῆ, ν' ἀποκτήσει οὐσιαστικὴν ὑπόσταση καὶ ν' ἀκτινοβολήσει, νὰ ἐλευθερώσει τὴν ἐνέργεια ποὺ ὑπάρχει μέσα του, χρειάζεται τὸν ἄξιο ἑρμηνευτὴ ποὺ θὰ τὸ δεχτεῖ στοὺς κόλπους του, θὰ τὸ θρέψει μὲ τὸ αἷμα τῆς καρδιᾶς του καὶ μὲ τὴ δική του δύναμη (ἑπομένως καὶ μὲ τὴ

δική του εὐθύνη) θὰ τὸ δώσει ὁριστικά, ἕτοιμο, μεστό, ἀποτελειωμένο, στὸν κόσμο ποὺ τὸ περιμένει.

Ὁρισμένες λοιπὸν τέχνες (αὐτὲς ποὺ οἱ ἀρχαῖοι 'Αριστοτελικοὶ τὶς ὀνόμαζαν «πρακτικές», γιατὶ ἀπαιτοῦν τὸν ἐκτελεστὴ γιὰ νὰ ὁλοκληρωθοῦν) φτάνουν στὸ ἀποτέλεσμά τους ὄχι μὲ μιὰ καὶ μόνη, ἀλλὰ μὲ πολλὲς γεννήσεις. Αὐτὸ λ.χ. συμβαίνει στὸ Θέατρο, στὴν Ὄρχηση καὶ προπάντων στὴ Μουσική. Ἡ «παρτιτοῦρα» τῆς ἀρτιότερα γραμμένης συμφωνίας εἶναι ἀκόμη ἕνα σχεδίασμα, ἕνα σκίτσο, μιὰ σειρὰ συμβόλων, ποὺ γιὰ ν' ἀποκρυπτογραφήσει κανεὶς καὶ ν' ἀποδώσει τὸ νόημά της, δὲν ἀρκεῖ νὰ ξέρει τὰ μυστικὰ τοῦ πενταγράμμου, τὶς νότες, τὶς κλίμακες καὶ τὰ κλειδιά τους. Κάτι ἄλλο χρειάζεται πολὺ μεγάλο καὶ πολὺ σπάνιο: ψυχὴ εὐαίσθητη καὶ πνεῦμα φωτεινό, ἱκανὸ νὰ συλλάβει καὶ νὰ ξαναγεννήσει ὅ,τι ἐκείνη ἡ ἄλλη ψυχή, ἐκεῖνο τὸ ἄλλο πνεῦμα, ὁ πρῶτος δημιουργός, ἔπλασε ἀπὸ τὴ δική του ἐμπειρία καὶ ἀπὸ τὸ δικό του πόνο. Ὥστε δὲν ἔχει μόνο ἕ ν α γεννήτορα τὸ μουσικὸ ἔργο, ἀλλὰ δ ύ ο : τὸ συνθέτη καὶ τὸν ἑρμηνευτή του. Ποὺ πρέπει νὰ βρίσκονται, ὡς μεγέθη ἀνθρώπινα καὶ μεγέθη καλλιτεχνικά, σὲ κάποια συστοιχία μεταξύ τους, γιὰ νὰ συμπράξουν ἁρμονικὰ καὶ νὰ βγεῖ κάτι πρωτότυπο καὶ σημαντικὸ ἀπὸ τὴ σύμπραξή τους. Ἀλλιώτικα τὰ προϊόντα τῆς συνεργασίας τους θὰ εἶναι νόθα, καὶ μὲ τέτοιες νοθεῖες ἡ Τέχνη μόνο νὰ διαπομπευθεῖ μπορεῖ, ὄχι νὰ προκόψει. Εὐτυχία γιὰ τὸν ἄξιο συνθέτη εἶναι νὰ πέσει τὸ ἔργο του στὰ χέρια ἑνὸς ἄξιου ἑρμηνευτῆ· καὶ εὐλογία γιὰ τὸν ἄξιο ἑρμηνευτὴ εἶναι νὰ γίνει ὁ ἐξάγγελος ἑνὸς ἄξιου συνθέτη. Στὶς περιπτώσεις αὐτὲς ἡ εἰσφορὰ τοῦ ἑνὸς στὸ τελικὸ ἀποτέλεσμα δὲν διαχωρίζεται μὲ σαφήνεια ἀπὸ τὴν καταβολὴ τοῦ ἄλλου. Ποιός θὰ μποροῦσε νὰ προσδιορίσει σὲ μιὰ λαμπρὴν ἐκτέλεση τῆς Ἐννάτης τί «ἀνήκει» στὸν Μπετόβεν καὶ τί στὸν Φουρτβαῒγκλερ; Τί εἶχε «βρεῖ» μέσα στὸν Σοπὲν καὶ τί τοῦ εἶχε «δώσει» ἕνας Ρουμπινστάϊν; Πῶς θὰ ἦταν ὁ Μάλερ χωρὶς τὴ μπαγκέτα τοῦ Μητρόπουλου καὶ ὁ Μητρόπουλος χωρὶς τὸ κείμενο τοῦ Μάλερ;

Λέγεται συνήθως: Μαζὶ μὲ τὸν ἑρμηνευτὴ γάνεται καὶ ἡ ἑρμηνεία του, τοῦ πρώτου ὅμως δημιουργοῦ τὸ ἔργο μένει. Ἀλλὰ καὶ τοῦτο, ἂν καλοεξετάσομε, δὲν ἀληθεύει πάντα. Τοῦ κλασικοῦ ἔργου ἡ ἱστορία γράφεται μὲ τὶς ἑρμηνεῖες ποὺ δέχεται καὶ ποὺ τὸ ἔχουν ἀναδείξει. Καὶ ἀπὸ τὴν ἱστορία αὐτὴ (ὅπως ἀπὸ κάθε ἱστορία) τίποτα δὲν γάνεται. Ὕστερ' ἀπὸ μιὰ πρωτότυπη καὶ βαθιὰ προσωπικὴν ἑρμηνεία του τὸ ἔργο ἔχει κερδίσει (στὸ περιεχόμενο καὶ στὴ μορφή του) κάτι τόσο σημαντικό, ποὺ δὲν τὸ ἀποβάλλει πιὰ ποτέ. Ἰδίως σήμερα ποὺ μὲ τὴν ἀποτύπωση σὲ δίσκους, οἱ ἑρμηνεῖες τῶν μεγάλων μουσικῶν συνθέσεων δὲν ἀποθησαυρίζονται πιὰ μόνο στὴ μνήμη ὅσων ἀξιώθηκαν νὰ τὶς ἀκούσουν. Καὶ τοῦ Μητρόπουλου λοιπὸν οἱ ἀναδημιουργίες δὲν πρόκειται ν' ἀφανιστοῦν μαζί του. Ἐκείνη ἡ ἄκρα σοβαρότητα καὶ ἀκρίβεια, ἡ τρομακτική, σεισμικὴ ἔνταση, ὁ ὑψηλὸς τόνος ποὺ ἔδινε σὲ ὅσα ἔργα ἀνάσταινε μὲ τὴν ἀγάπη καὶ τὴν πίστη του, ἔχουν ἤδη γίνει ἕνα μὲ τὴ βαθύτερη οὐσία τους καὶ θὰ διαιωνιστοῦν μαζί της. Ἐδῶ μᾶς ἦρθε μόνο ἡ τέφρα, ἡ φλόγα του ἔχει περάσει ἀλλοῦ καὶ ἐκεῖ θὰ μείνει. Ὅπως θὰ μείνει στὴ μνήμη τῶν φίλων βαθιὰ χαραγμένη, ἡ ἀσκητικὴ μορφὴ καὶ ἡ εὐγενική, παιδιάστικη καρδιά του.

Ἀνάμεσα σὲ δυὸ μακρές, ἀτελείωτες σιωπὲς ἕνας «λόγος», τραγούδι καὶ θρῆνος μαζί, εἶναι ὁ ἄνθρωπος. Μιὰ μικρὴ παρένθεση ποὺ ἀνοίγει ἔτσι ξαφνικά, καὶ ἔπειτα κλείνει. Δὲν σημαίνει ποὺ εἶναι τόσο σύντομη. Σημασία ἔχει τὸ τί μπορεῖ νὰ χωρέσει μέσα της. Γιατὶ πραγματικὰ μπορεῖ κάποτε νὰ περιλάβει ἕνα ἀπέραντο πνευματικὸ καὶ ἠθικὸ μεγαλεῖο.

ΕΠΑΝΗΛΘΕ ΧΘΕΣ ΕΙΣ ΤΗΝ ΠΑΤΡΙΟΝ ΓΗΝ

Ἡ σποδός τοῦ Δ. Μητροπούλου ἐναπετέθη στό Ὠδεῖον Ἀθηνῶν

ΣΕΜΝΗ ΤΕΛΕΤΗ ΣΤΟ ΘΕΑΤΡΟΝ ΗΡΩΔΟΥ

Ἀπεδόθη ὕστατος φόρος τιμῆς

Ἡ σποδός τοῦ Δημήτρη Μητρόπουλου μετεφέρθη χθές εἰς τάς Ἀθήνας καί ἐναπετέθη εἰς τό Ὠδεῖον Ἀθηνῶν — εἰς τό μουσικόν ἵδρυμα πού τόν ἐγαλούχησε. Προηγουμένως, ὁ πολιτικός, πνευματικός καί καλλιτεχνικός κόσμος τῆς Ἑλλάδος, ἀπέτισε, εἰς εἰδικήν τελετήν εἰς τό Ὠδεῖον Ἡρῴδου τοῦ Ἀττικοῦ, τόν ὕστατον φόρον τιμῆς εἰς τόν μεγάλον ἀρχιμουσικόν, ὁ ὁποῖος, διά τῆς ἀκτινοβολίας τῆς προσωπικότητός του, ἐλάμπρυνε τήν Ἑλλάδα καί ἐδόξασε τήν ἑλληνικήν τέχνην.

Τό εἰδικῶς διατεθέν διά τήν μεταφοράν τῆς σποδοῦ ἀεροσκάφος τῆς Βασιλικῆς Ἀεροπορίας εἶχε φθάσει ἀπό τό Μιλάνον εἰς τάς 2 καί 20 μ.μ. εἰς τόν οὐρανόν τῆς Ἀττικῆς, ἀλλά ἐπειδή εἶχεν ἀνακοινωθῆ ὡς ὥρα ὑποδοχῆς τῆς σποδοῦ ἡ 4η μ.μ., διετάχθη ταῦτο νά προσγειωθῆ εἰς τό ἀεροδρόμιον Ἐλευσῖνος, ἀπό ὅπου νά ἔλθη τήν ὁρισθεῖσαν ὥραν εἰς τό Ἑλληνικόν.

Ἐν τῷ μεταξύ, ἀπό τῆς 3 μ.μ. εἰς τό ἀεροδρόμιον τοῦ Ἑλληνικοῦ εἶχε παραταχθῆ διά τήν ἀπόδοσιν τιμῶν ἄγημα τῆς Βασιλικῆς Ἀεροπορίας, μέ ἐπί κεφαλῆς τήν μουσικήν τοῦ σώματος. Τήν 3.45 ἤρχισαν νά καταφθάνουν οἱ συγγενεῖς τοῦ νεκροῦ, οἱ ἐκπρόσωποι τῶν καλλιτεχνικῶν ὀργανώσεων καί ἄλλες προσωπικότητες τοῦ καλλιτεχνικοῦ κόσμου.

Εἰς τό ἀεροδρόμιον προσῆλθε καί ἡ ὑπέργηρος χήρα Μιλτιάδου Νεγρεπόντη, ἡ ὁποία ἐβοήθησε τόν Μητρόπουλον εἰς τά πρῶτα του βήματα εἰς τήν τέχνην.

Ὀλίγον πρό τῆς προσγειώσεως τοῦ ἀεροπλάνου προσῆλθαν ἐκπρόσωποι τοῦ ἐπισήμου κράτους, ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Παν. Κανελλόπουλος, οἱ ὑπουργοί κ.κ. Κ. Τσάτσος καί Βογιατζῆς καί ὁ δήμαρχος κ. Ἄγγ. Τσουκαλᾶς.

Η ΠΑΡΑΔΟΣΙΣ ΤΗΣ ΣΠΟΔΟΥ

Μόλις τό ἀεροπλάνο προσγειώθη εἰς τό ἀεροδρόμιον, ἐξῆλθε κρατῶν τήν κάλπην μέ τήν λήκυθον πού περιέχει τήν σποδόν τοῦ μεγάλου μουσικοῦ ὁ διευθυντής Γραμμάτων καί Θεάτρου τοῦ ὑπουργείου Παιδείας Γ. Κουρνοῦτος, ὁ ὁποῖος μαζί μέ τόν ἐκπρόσωπο τοῦ ὑπουργείου Ἐξωτερικῶν κ. Δημητρόπουλο εἶχαν μεταβῆ εἰς τό Μιλάνο γιά τήν μεταφορά τοῦ λειψάνου τοῦ ἐκλιπόντος μαέστρου. Εὐθύς ἀμέσως τό τιμητικόν ἄγημα ἀπέδωσε τιμάς, ἐνῶ ἡ μουσική τῆς Βασιλικῆς Ἀεροπορίας ἀνέκρουσε τό Πένθιμο Ἐμβατήριο τοῦ Μπετόβεν. Ἀκολούθως ὁ κ. Κουρνοῦτος ἐπέδωσε τήν κάλπην εἰς τόν προσωρινό διευθυντή τῆς Κρατικῆς Ὀρχήστρας κ. Θ. Βαβαγιάννην, ὁ ὁποῖος ἀκολουθούμενος ἀπό τόν κ. Κουρνοῦτο καί τόν κ. Δημητρόπουλο τήν παρέδωσε εἰς τόν ἀντιπρόεδρον τῆς κυβερνήσεως κ. Παν. Κανελλόπουλον.

ΠΕΡΙΕΒΛΗΘΗ ΜΕ ΕΛΛΗΝΙΚΗΝ ΣΗΜΑΙΑΝ

Ὁ κ. Π. Κανελλόπουλος, φανερά συγκινημένος, περιέβαλε ἀμέσως τήν κάλπην μέ τήν ἑλληνικήν σημαίαν ἐνῶ ταυτοχρόνως ἡ Κατίνα Παξινοῦ κλαίουσα ἠσπάσθη τήν λήκυθον. Ὁ ἀντιπρόεδρος τῆς κυβερνήσεως παρέδωσε ἐν συνεχείᾳ τήν κάλπην εἰς ἀνώτατον ἀξιωματικόν τῆς ἀεροπορίας διά νά τήν μεταφέρη εἰς τό Ὠδεῖον τοῦ Ἡρῴδου τοῦ Ἀττικοῦ.

Ἐσχηματίσθη κατόπιν μία μεγάλη φάλαγξ αὐτοκινήτων, τῆς ὁποίας προηγεῖτο αὐτοκίνητον τῆς ἀστυνομίας μέ τόν διευθυντήν κ. Ρακιντζῆ καί τόν διευθυντήν Ἀσφαλείας κ. Καραμπέτσον. Ἠκολούθει τό τζίπ μέ τήν κάλπην, τήν ὁποίαν ἐκράτει ὁ ὑποσμηναγός κ. Ν. Γεωργαντζᾶς καί εἵποντο τά αὐτοκίνητα τῶν ἐπισήμων.

ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΗΡΩΔΟΥ

Ἡ πομπή ἔφθασεν εἰς τό Ὠδεῖον Ἡρῴδου τοῦ Ἀττικοῦ τήν 4.35. Μέ τήν ἄφιξιν τοῦ τζίπ μέ τήν σποδόν, τό ἀναμένον πλῆθος ἄρχισε νά χειροκροτῆ παρατεταμένα. Εἰς τήν εἴσοδον τοῦ Ὠδείου τήν κάλπην παρέλαβε πάλιν ὁ Θ. Βαβαγιάννης. Τήν στιγμήν πού τήν ἔφερε μέσα εἰς τό ἀρχαῖον θέατρον, μία σάλπιγξ ἐσήμαινε τό «προσοχή», ἐνῶ ὁ κόσμος ἐξέσπασε καί πάλιν εἰς χειροκροτήματα. Ἡ κάλπη ἐνεπετέθη εἰς εἰδικόν βάθρον, ἐνῶ ἀριστερά της καί δεξιά ἔκαιγαν φλόγες. Ἀμέσως ὁ ἐκπρόσωπος τοῦ Βασιλέως ἀντισυνταγματάρχης κ. Ἀλέξανδρος Καραμανώλης κατέθεσε δάφνινον στέφανον.

Ο ΛΟΓΟΣ ΤΟΥ κ. ΚΑΝΕΛΛΟΠΟΥΛΟΥ

Ἀκολούθως, τόν λόγο ἔλαβεν ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος ὁ ὁποῖος πλημμυρισμένος ἀπό συγκίνησιν εἶπε τά ἑξῆς :

«Ἡ Ἑλληνική Κυβέρνησις πενθεῖ καί τιμᾶ τό ἔξοχο τέκνο της Ἑλλάδος, τόν Δημήτρη Μητρόπουλο. Καί τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει στούς γενναίους, σέ ὅσους ἔπεσαν στό πεδίο τῆς μάχης. Ἡ μάχη πού ἔδωσε στή ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τήν ἔδωσε καί τήν ἐκέρδισε σ' ἕνα πεδίο πού ἦταν ὁ κόσμος ὁλόκληρος, καί μέ ὅπλα τά πιό μυστηριώδη ὅπλα πού ἐφεῦρε ὁ ἄνθρωπος ἤ πού ὁ ἴδιος μόλλον ὁ Θεός, σέ μιάν ὥρα μεγάλης εὐνοίας, παρέδωσε στά χέρια καί στό πνεῦμα τῶν ἀνθρώπων. Ἡ μουσική ἔχει μέσα της—ὅταν εἶναι γνήσια—τό ὑπέρτατο νόημα τῆς ζωῆς καί τοῦ θανάτου. Ἔχει μέσα της κάτι πολύ περισσότερο: Τό νόημα τοῦ Σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τό νόημα αὐτό—κ' ἔκαμε μυριάδες ἀνθρώπους νά τό ζήσουν—μ' ἕναν τρόπο πού ἐφερε τόν ἴδιον καί κάθε γνήσιο ἀκροατή του, ὡς τά κράσπεδα τῆς ἕδρας τοῦ Θεοῦ. Ὅπως πολλοί ἀληθινοί καί μεγάλοι Ἕλληνες ἀπό τούς ἀρχαίους ἤδη χρόνους, ἔτσι καί ὁ Δημήτρης Μητρόπουλος ἄνηκε στόν κόσμο ὁλόκληρο, εἶχε δοθῆ στήν ἀνθρωπότητα. Αὐτό δέν ἐσήμανε διόλου τήν ἀπάρνησι τῆς Πατρίδος. Ἐσήμανε, ἀντίθετα, τήν πιό ὡραία καί πιό οὐσιαστική ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος. Ὁ Δημήτρης Μητρόπουλος ἦταν Ἕλλην κατ' ἐξοχήν. Ἦταν, ταυτόχρονα, καλός πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δυό αὐτές ἰδιότητες — ὅπως τό ἀποδεικνύει ἡ καρδιά ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς — ταιριάζουν ἄριστα μεταξύ τους. Καί ἦταν, τέλος, στήν ἔννοια πού ἔδωσαν στή λέξι αὐτή μερικοί μεγάλοι Ἕλληνες τῆς ἀρχαιότητος, κοσμοπολίτης. Ὁ Ἀττικός οὐρανός ὑποδέχεται σήμερα τόν Δημήτρη Μητρόπουλο καθαρός καί ἀνέφελος τήν ὥρα πού δύει ὁ ἥλιος. Ὅπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καί ὁ Δημήτρης Μητρόπουλος. Μιά τέτοια δύσι εἶναι στήν ὁμορφιά της αἰώνια».

ΥΠΗΡΞΕΝ ΗΡΩΣ

Ἐν συνεχείᾳ κατέθεσε στέφανον ἐκ μέρους τῆς Ἀκαδημίας Ἀθηνῶν ὁ μουσουργός κ. Πετρίδης ὁ ὁποῖος ἀνέγνωσε καί τόν ἑξῆς ἀποχαιρετισμό τοῦ Μανώλη Καλομοίρη :

«Καθηλωμένο μήνες τώρα στό κρεβάτι μέ δῶκε τό φοβερό μήνυμα τοῦ γιοῦ τοῦ Δημήτρη Μητρόπουλου. Καί παρ' ὅλη τή συντριβή μου καί τήν ἀδυναμία μου νά συγκεντρωθῶ, πιστός στό κάλεσμα τῆς Ἀκαδημίας Ἀθηνῶν, ἀλλά καί στήν παρόρμησι τῆς ψυχῆς καί τῆς καρδιᾶς μου, ἔρχομαι νά χαιρετήσω τόν ἐνδοξότερο μουσικό πού ἐτούτη ἡ Γῆ τῶν ἡρώων τοῦ πνεύματος καί τῆς ἀνθρείας ἀνάστησε μαζί μέ τό μυρωμένο ἄερα καί τό φλοίσβο τοῦ Παληοῦ Φαλήρου. Σά φωτεινό μετέωρο τόν ἀνέβασε νά φωτίση ὅλο τόν πολιτισμένο κόσμο καί νά χαρίση στίς πονεμένες καρδιές τῶν ἀνθρώπων τό ὑπέρθεο τραγούδι ἑνός ἥρωα καί ἑνός ἁγίου. "Ηρωας καί ἅγιος τῆς τέχνης ὁ Δημήτρης Μητρόπουλος. Ἕνας ἀπό τούς μεγαλύτερους ἀναδημιουργούς τοῦ αἰώνα μας, ἐχάραξε ὅπως ὁ Τοσκανίνι καί ὁ Φούρτβένγκλερ τή θέσι καί τόν παλμό πού τόν ἐβόνοῦσε ὁλόκληρο, ἀλλά ἐσάλπισε καί ἐμπρός στήν ἐκθαμβη ἀνθρωπότητα τό σάλπισμα τῆς αἰωνιας καί ἀκατάλυτης ψυχῆς τῶν Σαλαμίνων πού δέν χάνεται στά τάφτορα ἀλλά μονάχα ξαπωσταίνει στή ζωή, ξαναφαίνεται καί λαούς ἀναστaίνει.

»Πῶς τό νέο ξανθό παιδί—πού κάποια εὐλογημένη μέρα ἐκεῖ στά 1912 ἔκθαμβος πρωτογνώρισα—τό δαιμόνιο πού συνεκλόνιζε ὅλο τό εἶναι του θά ἔφθανε στίς ἀπάτητες κορυφές ὅπου πουλί δέ φτέρωσε μήτε τίς εἶδε ἀνθρώπου μάτι ; Κάθε μέρα πού τόν παρακολουθοῦσα μαθητή καί ὕστερα ὥριμο καλλιτέχνη, ὅταν γύριζε ἀπό τή Γερμανία μ' ἔκανε ν' ἀνακράξω στόν «Ἐλεύθερο Τύπο» : Οὐκ ἐγώ εἰμί τό φῶς ἀλλά ὁ ὀπίσω μου ἐρχόμενος ! Καί ἀλήθεια μέ τό τρίμορφο τάλεντο τοῦ δημιουργοῦ, τοῦ συνθέτη πού ἀπό παιδί χάρισε στήν Ἑλληνική Μουσική ἔργα ὅπως ἡ «Ταφή», ἡ «Κρητική Γιορτή», ἡ «Θεατρίκη» καί τά τραγούδια σέ στίχους τοῦ Παλαμᾶ, τοῦ Σικελιανοῦ, δείχνουνε πώς καί στό δημιουργικό τομέα θά μποροῦσε νά δώση ἀθάνατα ἀριστουργήματα. Τό ἴδιο καί στήν ἀπόδοσί του σάν πιανίστας. Ἕνας καταπληκτικός πιανίστας θάμπωνε τούς ἀκροατάς του μέ τήν ἴδια ὑποβλητική δύναμι πού τοῦ βρίσκαε ἀργότερα στίς μοναδικές ἀναδημιουργίες του ὡς μαέστρου.

»Ὅμως ὁ δαίμονας τῆς ἀναδημιουργίας τόν συνεπῆρε στό τέλος ὁλόκληρο καί σφράγισε μέ τή φλόγα του ὅλη του τή ζωή, ὅλη του τήν ὕπαρξι. Ἀπό τόν καιρό πού στά 1924 κατέβηκε στήν Ἑλλάδα ὡς τή στιγμή πού ἐπάνω στίς ἐπάλξεις βρῆκε στό πόντιουμ τῆς Σκάλας τοῦ Μιλάνου τόν ὡραιότερο θάνατο πού μποροῦσε νά ὀνειρευτῆ ἕνας καλλιτέχνης, ὁ Μητρόπουλος ἀπαρνήθηκε ὅλα τά ἐγκόσμια γιά νά δοθῆ ἀποκλειστικά καί μόνο στή διακονία τῆς Τέχνης τῶν ἤχων καί τῶν ρυθμῶν. Ἅγιος, γιατί δέ γνώρισε ἄλλη χαρά, ἄλλη ἀπόλαυσι ἀπό τό ζωντάνεμα τοῦ παλμοῦ καί τῆς ψυχῆς τῶν μεγάλων μουσουργῶν καί τῶν συγχρόνων του σκαπανέων τῆς Τέχνης. Ἀδιαφορώντας ἂν τά προγράμματά του μερικές φορές ξένιζαν, γιά τήν τολμηρότητα τούς ὑπερσυντηρητικούς, ἀγωνίστηκε γιά ὅ,τι πίστευε ὡραῖο καί διώσιμο στήν τέχνη.

»Αὐτόν τόν ἥρωα καί αὐτόν τόν ἅγιο θρηνεῖ σήμερα ὅλη ἡ ἀνθρωπότης πού γυρεύει τήν παρηγοριά καί τή λησμονιά στῆς τέχνης τά ἀθάνατα νερά. Τόν θρηνῶ κι' ἐγώ ἕνας ταπεινός ἐργάτης καί δουλευτής τῆς Ἑλληνικῆς Μουσικῆς Ἰδέας, ἀλλά τόν θρηνεῖ καί ἡ Ἀκαδημία Ἀθηνῶν, πού ἀπό τά 1933 πρῶτον Ἕλληνα μουσικό τόν εἶχε τιμήσει ὀνομάζοντάς τον πρόσεδρο μέλος της καί ἀπό τά 1959 τοῦ ἀπένειμε τόν πιό τιμητικό τίτλο πού ἀπό τό καταστατικό της μποροῦσε νά τοῦ ἀπονείμη, τόν ἐξέλεξε ἐπίτιμο μέλος της Ἀκαδημίας. Τιμή πού ἀπενεμήθη μόνο στόν καρκινολόγο Ἰατρό κ. Παπανικολάου καί στόν Πρόεδρο τῶν Ἡνωμένων Πολιτειῶν Ντουάϊτ Ἀΐζενχάουερ. Αἰωνία σου ἡ μνήμη Δημήτρη Μητρόπουλε καί ἂς εἶναι ἀνάλαφρος ὁ ἀέρας τῆς Ἀττικῆς πού δροσίζει τή σποδό σου, ἀνάλαφρος σάν τήν μυρωμένη αὔρα τοῦ Παληοῦ Φαλήρου καί σάν τό σκέρτσο τῆς Ἡρωϊκῆς Συμφωνίας τοῦ Μπετόβεν πού τόσες φορές μέ τή θεία σου τέχνη ἐμάγεψες τίς ψυχές μας. Αἰωνία σου ἡ μνήμη».

ΤΟ ΜΕΤΑΛΛΙΟΝ ΤΩΝ ΑΘΗΝΩΝ

Ἀκολούθως ὁ Δήμαρχος Ἀθηναίων κ. Ἄγγελος Τσουκαλᾶς εἶπε τά ἑξῆς : «Ὁ Δῆμος Ἀθηναίων ἀπονέμει τό Μετάλλιον τῆς πόλεως τῶν Ἀθηνῶν καί καταθέτει τό δάφνινο τοῦτο στέφανον ὡς φόρον ὑπερτάτης τιμῆς πρός τόν μεγάλο Μητρόπουλο».

Η ΑΡΕΤΗ ΥΠΗΡΞΕ ΤΟ ΣΥΜΒΟΛΟΝ ΤΗΣ ΖΩΗΣ ΤΟΥ

Ἐν συνεχείᾳ ὡμίλησεν ὁ πρόεδρος τοῦ Διοικητικοῦ Συμβουλίου τοῦ Ὠδείου Ἀθηνῶν κ. Ἀρ. Κυριακίδης ὁ ὁποῖος εἶπε, μεταξύ ἄλλων, τά ἑξῆς :

«Τά δάκρυα τῶν μαθητῶν καί συνεργατῶν τοῦ Δημήτρη Μητρόπουλου εἶναι ἀστείρευτα. Ὁ μεγάλος μαέστρος πού ἔφερε τήν δόξα στήν πατρίδα του ἐπέστρεψε πλέον διά παντός εἰς αὐτήν. Σήμερα πού αἱ ἀκτῖνες τοῦ δύοντος Ἀττικοῦ ἡλίου παίρνουν μιά λάμψι γιά νά καταυγάσουν τόν Ἱερό Βράχο, κλείνομε εὐλαβῶς τό γόνυ στόν μεγάλο δάσκαλο».

Ἀκολούθως κατέθεσαν στεφάνους ἐκ μέρους τῆς Κρατικῆς Ὀρχήστρας ὁ Θ. Βαβαγιάννης, ὁ ὁποῖος εἶπε τά ἑξῆς :

«Πολυαγαπημένε μαέστρο. Στόν ἱερό αὐτό χῶρο ποῦ πρίν ἀπό λίγα χρόνια ἀντήχησε ἡ ἀθάνατη τέχνη σου, ἤλθαμε σήμερα προσκυνηταί τῆς ἄγιας μνήμης σου. Ἡ ζωή του γεμάτη αὐταπάρνησι καί μεγαλεῖο κάνει τήν προσφορά τῆς μικρῆς μας χώρας στόν τομέα τῆς τέχνης δυσανάλογα μεγάλη. Ἡ ἀθέατη παρουσία σου θά γεμίση τό εἶναι μας καί θά μᾶς ὁδηγῆ στήν ἀρετή, πού ὑπῆρξε πάντοτε τό σύμβολο τῆς ζωῆς σου. Μέσα ἀπό τόν τάφο σου θ' ἀναβλύζη αἰώνιο φῶς καί ζωή γιά τίς μέλλουσες γενεές, μικρή παρηγοριά γιά μᾶς πού τόσο πιστά σ' ἀγαπήσαμε καί σοῦ παρασταθήκαμε. Ἡ εὐγνωμοσύνη μας ἂς σέ συντροφεύη στό μακρυνό σου ταξίδι κι' ἂς εἶναι αἰώνια ἡ μνήμη σου».

ΜΠΑΣΤΙΑΣ: ΔΗΜΙΟΥΡΓΕΙΤΑΙ ΠΑΓΚΟΣΜΙΟΝ ΚΕΝΟΝ

Μετά τόν λόγο ἔλαβε ὁ Κωστῆς Μπαστιᾶς ὁ ὁποῖος εἶπε μεταξύ τῶν ἄλλων τά ἑξῆς ἐκ μέρους τῆς Λυρικῆς Σκηνῆς:

«Δέν εἶναι ἡ θλῖψι γιά τόν χαμό ἑνός ἀτόμου, οὔτε γιά τόν χαμό μιᾶς ἀξίας. Εἶναι ἡ θλῖψι γιά τόν χαμό ἑνός παγκοσμίου κενοῦ πού δημιουργεῖ ὁ χαμός τοῦ Μητροπούλου».

Ἐγώ 'μαι κεῖνο τό πουλί
πού τήν φωτιά σιμώνω
καίγομαι, στάχτη γίνομαι
καί πάλι ξανανιώνω».

ΥΠΟ ΤΗΝ ΠΑΝΕΛΛΗΝΙΟΝ ΣΥΓΚΙΝΗΣΙΝ

Η ΠΡΟΧΘΕΣΙΝΗ ΣΕΜΝΗ ΤΕΛΕΤΗ ΤΗΣ ΥΠΟΔΟΧΗΣ ΤΗΣ ΣΠΟΔΟΥ ΤΟΥ ΔΗΜΗΤΡΙΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

ΔΙΕΚΟΜΙΣΘΗ ΚΑΙ ΕΝΑΠΕΤΕΘΗ ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΑΘΗΝΩΝ

Μὲ ἐκδηλώσεις βαθυτάτης συγκινησεως ἀλλὰ καὶ ἐπισημότητος ἡ πρωτεύουσα ὑπεδέχθη προχθὲς τὴν σποδὸν τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου, ἡ δημιουργικὴ ζωὴ καὶ ἡ καλλιτεχνικὴ δρᾶσις τοῦ ὁποίου ἐτίμησαν τὸ ἑλληνικὸν ὄνομα εἰς ὁλόκληρον τὸν κόσμον.

Τὸ ἀεροσκάφος τῆς Βασιλικῆς Ἀεροπορίας ποὺ μετέφερε τὴν τέφραν τοῦ νεκροῦ ἀνεχώρησε τὴν πρωΐαν τῆς Κυριακῆς ἀπὸ τὸ Μιλάνον καὶ ἔφθασε τὴν 2.30 μ.μ. εἰς τὴν Ἐλευσῖνα, ἀπ' ὅπου κατόπιν ἀπεγειώθη διὰ νὰ φθάσῃ τὴν 4ὴν μ.μ. εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ, ὡς εἶχε προγραμματισθῆ. Εἰς τὸν χῶρον τῆς προσγειώσεως τοῦ ἀεροσκάφους εἶχε παραταχθῆ τμῆμα τῆς Βασιλικῆς Ἀεροπορίας καὶ ἡ μουσικὴ της, ἀνέμενον δὲ διὰ νὰ ἀποτίσουν φόρον τιμῆς εἰς μνήμην τοῦ Δημήτρη Μητροπούλου ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος, οἱ ὑπουργοὶ Προεδρίας κ. Κ. Τσάτσος καὶ Παιδείας κ. Γ. Βογιατζῆς, ὁ διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. Θ. Βαβαγιάννης, ὁ διευθυντὴς τῆς Λυρικῆς Σκηνῆς κ. Κ. Μπαστιᾶς καὶ πολλοὶ ἄλλοι ἐκπρόσωποι τοῦ μουσικοῦ μας κόσμου, μεταξὺ τῶν ὁποίων ὁ κ. Α. Εὐαγγελάτος, ὁ κ. Γ. Σκλάβος, ὁ κ. Σπ. Φαραντάτος, ὁ κ. Μ. Παλλάντιος, ὁ κ. Ἰωσ. Μπουστιντοῦτ, ὁ κ. Πονηρίδης, ἡ κ. Κρινιὼ Καλομοίρη, ὁ πρόεδρος καὶ ὁ γενικὸς γραμματεὺς τοῦ Πανελληνίου Μουσικοῦ Συλλόγου κ.κ. Χυτήρης καὶ Βαρδάκης, πολλοὶ ἐκ τῶν καλλιτεχνῶν τῆς Λυρικῆς Σκηνῆς καὶ ἐκπρόσωποι ὅλων τῶν Ὠδείων, ἡ κ. Κατίνα Παξινοῦ, οἱ ἐκ μητρὸς συγγενεῖς τοῦ ἐκλιπόντος καὶ πλῆθος κόσμου. Τὴν τάξιν ἐτήρησε πολυάριθμος ἀστυνομικὴ δύναμις ὑπὸ τὴν ἐπίβλεψιν τῶν κ.κ. Θ. Ρακιντζῆ καὶ Καραμπέτσου.

Μετὰ τὴν προσγείωσιν τοῦ ἀεροπλάνου ὁ διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. Θ. Βαβαγιάννης ἐπροχώρησε καὶ ἀνελαβὼν τὴν κλίμακα του παρέλαβεν ἀπὸ τὰς χεῖρας τοῦ διευθυντοῦ Γραμμάτων καὶ Καλῶν Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Γ. Κουρνούτου τὸ κιβωτίδιον μὲ τὴν σποδὸν τοῦ Δημήτρη Μητροπούλου. Ἐν συνεχείᾳ καὶ ἐνῶ τὸ παρατεταγμένον στρατιωτικὸν τμῆμα ἀπέδιδε τὰς νενομισμένας τιμάς, ἐπροχώρησε, συνοδευόμενος ὑπὸ τοῦ κ. Κουρνούτου, τοῦ ἐκπροσώπου τοῦ ὑπουργείου Ἐξωτερικῶν κ. Ἀλ. Δημητροπούλου καὶ ἀνωτέρου ἀξιωματικοῦ τῆς ἀεροπορίας, πρὸς τὸ μέρος ὅπου ἀνέμενον οἱ ἐπίσημοι. Συγχρόνως ἡ μπάντα τῆς ἀεροπορίας ἀνέκρουε πένθιμον ἐμβατήριον. Ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος ἐκάλυψε τὸ κιβωτίδιον ποὺ περιεῖχε τὴν τέφραν τοῦ Μητροπούλου, μὲ τὴν κυανόλευκον καὶ κατόπιν ὁ κ. Βαβαγιάννης μὲ τὴν σποδὸν ἐπεβιβάσθη τοῦ τζὶπ, τὸ ὁποῖον ἐξεκίνησε θραδέως, περιβαλλόμενον ἀπὸ τιμητικὸν ἀπόσπασμα μοτοσυκλεττιστῶν. Ἠκολούθουν τὰ αὐτοκίνητα τῶν ἐπισήμων καὶ ἰδιωτικὰ αὐτοκίνητα.

Κατὰ μῆκος τῆς παραλιακῆς λεωφόρου πλῆθη κόσμου ποὺ εἶχον συγκεντρωθῆ ἀπεκαλύπτοντο μὲ συγκίνησιν καθὼς διήρχετο ἡ πομπή, ἡ ὁποία ἔφθασε περὶ τὴν 4.30 μ.μ. εἰς τὸ Ὠδεῖον τοῦ Ἡρώδου, ποὺ ἦτο ἀσφυκτικῶς πλῆρες κόσμου, ὑπολογιζομένου εἰς 3.000. Εἰς τὸ πεζοδρόμιον ποὺ εὑρίσκεται πρὸ τῆς κλίμακος, ἡ ὁποία ὁδηγεῖ εἰς τὸ Ὠδεῖον, εὑρίσκετο ἀντιπροσωπεία ἐπιλέκτων στελεχῶν τῆς Κρατικῆς Ὀρχήστρας, μὲ ἐπὶ κεφαλῆς τὸν κ. Βύρ. Κολάσην, ἐνῶ ἄλλα πλῆθη κόσμου εἶχον συγκεντρωθῆ εἰς τὴν ὁδὸν Διονυσίου Ἀρεοπαγίτου.

Μόλις ἔφθασε τὸ αὐτοκίνητον τὸ φέρον τὴν τέφραν, ὁ κ. Βαβαγιάννης παρέλαβεν ἐκ νέου τὸ κιβωτίδιον καὶ ἐπροχώρησε πρὸς τὸ Ὠδεῖον, ἀκολουθούμενος ὑπὸ τῶν ἐπισήμων καὶ τῶν ἐκπροσώπων τοῦ μουσικοῦ κόσμου. Ἐνῶ ἡ πομπὴ εἰσήρχετο εἰς τὸ Ὠδεῖον ἀντήχησαν ζωηρὰ σαλπίσματα καὶ ταυτοχρόνως αἱ τρεῖς χιλιάδες ποὺ εἶχον καταλάβει τὰς κερκίδας ἐξέσπασαν εἰς ἕνα παρατεταμένον χειροκρότημα. Ὁ κ. Βαβαγιάννης ἐπροχώρησε καὶ ἐναπέθεσε τὸ κιβωτίδιον μὲ τὴν τέφραν τοῦ μεγάλου μαέστρου ἐπὶ βάθρου ποὺ ἔφερε τὰ ἐθνικὰ χρώματα καὶ οἱ ἐπίσημοι κατέλαβον τὰς θέσεις των εἰς τὸ Ὠδεῖον, ὅπου ἐν τῷ μεταξὺ εἶχον προσέλθει οἱ ἀκαδημαϊκοὶ κ.κ. Στ. Μυριβήλης καὶ Ἠλ. Βενέζης, ὁ διευθυντὴς τῆς Ἐθνικῆς Πινακοθήκης κ. Μαρ. Καλλιγᾶς, ὁ γενικὸς διευθυντὴς τοῦ Ε.Ι.Ρ. κ. Π. Σπυρομίλιος καὶ πολλοὶ ἄλλοι ἐκπρόσωποι τοῦ καλλιτεχνικοῦ κόσμου. Τὰ μέλη τῆς Κρατικῆς Ὀρχήστρας μὲ τὰ ὀργανά των εἶχον καταλάβει θέσεις μέσα εἰς τὴν σφενδόνην.

Ἀμέσως ἤρχισεν ἡ τιμητικὴ ἐκδήλωσις εἰς μνήμην τοῦ Μητροπούλου μὲ κατάθεσιν στεφάνου ἐκ μέρους ἐκπροσώπου τοῦ Βασιλέως.

Ὁ λόγος τοῦ κ. Π. Κανελλοπούλου

Κατόπιν ἐπροχώρησε πρὸς τὸ βάθρον ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος καὶ κατέθεσεν ἐκ μέρους αὐτῆς στέφανον, εἰπών, ἐν καταφανεῖ συγκινήσει, τὰ ἑξῆς:

«Ἡ ἑλληνικὴ Κυβέρνησις πενθεῖ καὶ τιμᾷ τὸ ἔξοχον τέκνον τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο. Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει στοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης. Ἡ μάχη ποὺ ἔδωσε στὴν ζωὴ του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδησε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἐφεῦρε ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μᾶλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης εὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων. Ἡ μουσικὴ ἔχει μέσα της —ὅταν εἶναι γνήσια— τὸ ὑπέρτατο νόημα τῆς ζωῆς καὶ τοῦ θανάτου. Ἔχει μέσα της κάτι πολὺ περισσότερο: τὸ νόημα τοῦ Σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τὸ νόημα αὐτὸ —κ' ἔκαμε μυριάδες ἀνθρώπους νὰ τὸ ζήσουν— μ' ἕναν τρόπο ποὺ ἔφερε τὸν ἴδιον καὶ κάθε γνήσιο ἔκφραστὴ του ὡς τὰ κράσπεδα τῆς ἕδρας τοῦ Θεοῦ. Ὅπως πολλοὶ ἀληθινοὶ καὶ μεγάλοι Ἕλληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἀνῆκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν Ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς πατρίδος. Ἐσήμαινε, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος. Ὁ Δημήτρης Μητρόπουλος ἦταν "Ελλην κατ' ἐξοχήν. Ἦταν ταυτόχρονα καλὸς πολίτης τῶν Ἡνωμ. Πολιτειῶν. Οἱ δυὸ αὐτὲς ἰδιότητες —ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς— ταιριάζουν ἄριστα μεταξύ τους. Καὶ ἦταν, τέλος, στὴν ἔννοια ποὺ ἔδωσαν στὴν λέξι αὐτὴ μερικοὶ μεγάλοι Ἕλληνες τῆς ἀρχαιότητος, κοσμοπολίτης. Ὁ ἀττικὸς οὐρανὸς ὑποδέχεται σήμερα τὸν Δημήτρη Μητρόπουλο καθαρὸς καὶ ἀνέφελος τὴν ὥρα ποὺ δύει ὁ ἥλιος. Ὅπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καὶ ὁ Δημήτρης Μητρόπουλος. Μιὰ τέτοια δύσις εἶναι στὴν ὁμορφιά της αἰώνια».

Ὁ διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. ΒΑΒΑΓΙΑΝΝΗΣ παραδίδων εἰς τὸν ἀντιπρόεδρον τῆς Κυβερνήσεως κ. Π. Κανελλόπουλον τὸ κιβώτιον μὲ τὴν τέφραν τοῦ Δημ. Μητροπούλου.

Μία ἄποψις τοῦ Ἡρωδείου ὅπου εἶχον συγκεντρωθῆ πλῆθη κόσμου διὰ νὰ τιμήσουν τὴν σποδὸν τοῦ Δημ. Μητροπούλου. Ἡ στιγμὴ κατὰ τὴν ὁποίαν ἡ κρατικὴ ὀρχήστρα, ἡ ὁποία περιελάμβανε πολλοὺς παλαιοὺς μουσικούς, ἐκτελεῖ τὸ πένθιμον ἐμβατήριον τῆς Τρίτης Συμφωνίας τοῦ Μπετόβεν.

ΑΠΟ ΤΗΝ ΔΙΑΚΟΜΙΔΗΝ ΤΗΣ ΣΠΟΔΟΥ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ ΚΑΙ ΤΗΝ ΕΠΙΜΝΗΜΟΣΥΝΟΝ ΤΕΛΕΤΗΝ

Ἀπὸ τὴν διακομιδὴν τῆς σποδοῦ τοῦ ἐκλιπόντος διασήμου Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου καὶ τὴν ἐπιμνημόσυνον τελετὴν εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἀριστερὰ ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος, παραλαμβάνει τὴν τεφροδόχον μὲ τὴν σποδὸν τοῦ Μητροπούλου ἀπὸ τὸν διευθυντὴν Κρατικῆς Ὀρχήστρας κ. Βαβαγιάννην. Εἰς τὸ κέντρον, μία ἄποψις τοῦ χώρου τοῦ Ὠδείου κατὰ τὴν ἐπιμνημόσυνον τελετήν. Ἡ Κρατικὴ Ὀρχήστρα, χωρὶς μαέστρον, ἐκτελεῖ τὸ πένθιμον ἐμβατήριον ἀπὸ τὴν 3ην Συμφωνίαν (Ἡρωϊκήν) τοῦ Μπετόβεν, ἐνῶ ἡ τεφροδόχος καλυμμένη μὲ τὴν γαλανόλευκον ἔχει ἐναποτεθῆ ἐπὶ τῆς σκηνῆς

Ἡ καῦσις τῶν νεκρῶν

ΕΙΧΕ ΔΙΚΑΙΩΜΑ Η ΕΚΚΛΗΣΙΑ ΝΑ ΑΡΝΗΘΗ ΔΕΗΣΙΝ ΠΡΟ ΤΗΣ ΣΠΟΔΟΥ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ;

Γνῶμαι θεολόγων

Ἡ μὴ συμμετοχὴ τῆς Ἐκκλησίας εἰς τὴν διακομιδὴν τῆς τέφρας τοῦ Μητροπούλου ἔδωσεν ἀφορμήν, ὡς ἦτο φυσικόν, ποικίλων σχολίων.

Ὑπεύθυνοι ἐκκλησιαστικοὶ παράγοντες ἐκφέρουν διαφόρους γνώμας ἐπὶ τῆς ἀρνήσεως τῆς Ἐκκλησίας νὰ τελέσῃ νεκρώσιμον δέησιν, ἐπειδὴ ὁ Μητρόπουλος ἐζήτησε διὰ τῆς διαθήκης του νὰ καῇ μετὰ θάνατον.

Ὡς γνωστόν, ἡ καῦσις τῶν νεκρῶν εἰς τὴν Ὀρθόδοξον Ἐκκλησίαν δὲν συνηθίζεται, χωρὶς ὅμως, καὶ νὰ ἀπαγορεύεται. Ἐπειδὴ ἡ καῦσις ἦτο εἰδωλολατρικὸν ἔθιμον, οἱ Χριστιανοὶ ἀντετάχθησαν ἀπὸ τοὺς πρώτους αἰῶνας εἰς τὴν πρᾶξιν αὐτήν, ἀκόμη καὶ διὰ τὸν ἑξῆς λόγον:

Κατὰ τὰ πρῶτα χρόνια, εἰς τοὺς Χριστιανοὺς εἶχον ἐπικρατήσει αἱ λεγόμεναι «ἐνθουσιαστικαὶ τάσεις», ἐπιστεύετο δὲ ὅτι ἡ ἀνάστασις τῶν νεκρῶν, τὴν ὁποίαν ἀνήγγειλεν ὁ Χριστός, θὰ ἐπραγματοποιεῖτο πολὺ σύντομα καὶ κυρίως, ὅτι θὰ ἐγίνετο ἡ ἀνάστασις τῶν σωμάτων.

Ἐν τούτοις, ὡς δηλώνουν ἀρμόδιοι καθηγηταί, οὐδεὶς Κανὼν Οἰκουμενικὸν ἢ ἄλλων Συνόδων ἀπηγόρευσε τὴν καῦσιν τῶν νεκρῶν, ἐνῶ οἱ Πατέρες τῆς Ἐκκλησίας διὰ τῶν ἀποφάσεών των προέβλεψαν καὶ τὰς μικροτέρας λεπτομερείας τοῦ χριστιανικοῦ βίου.

Ὁ καθηγητὴς κ. Ἀμίλκας Ἀλιβιζάτος εἰς ἐπιστολήν του πρὸς πρωϊνὴν ἐφημερίδα λέγει τὰ ἑξῆς:

«Μὲ δεδικαιολογημένην ἔκπληξιν ἀνέγνωσα εἰς τὰς σημερινὰς ἐφημερίδας, ὅτι ἡ «Ἐκκλησία» (ποία) δὲν θὰ ἀποδώσῃ τὰ ἐκκλησιαστικὰ νόμιμα εἰς τὰ (οἱαδήποτε) λείψανα τοῦ σκηνώματος τοῦ ἀειμνήστου μεγάλου μουσουργοῦ Δ. Μητροπούλου. Περισσότερον δὲ ἐξεπλάγην διότι ἀνεγράφη, ὅτι ἡ «Ἐκκλησία» θὰ πράξῃ τοῦτο διότι «κατὰ τὸ δόγμα» τῆς Ὀρθοδόξου Ἐκκλησίας ἀπαγορεύεται μέχρι στερήσεως τῶν ἐπιταφίων ἐκκλησιαστικῶν εὐχῶν ἡ καῦσις τῶν νεκρῶν, ἐνῷ τοιοῦτον δόγμα εἶναι ὅλως ἀνύπαρκτον. Προφανῶς, λοιπόν, τὴν ἔκφρασιν τούτων ὡς ἐκ μέρους τῆς «Ἐκκλησίας» προερχομένων ἔδωκεν ὁ πειρός τις καὶ ἄνευ οἱασδήποτε ὡς πρὸς τοῦτο μορφώσεως κληρικός, χωρὶς νὰ ἀντιληφθῇ, ὅτι διὰ τούτου ἠδίκησεν εἰς τὰ ὄμματα τῆς Κοινωνίας τὴν Ἐκκλησίαν. Ἡ Ἐκκλησία μας εἶναι βέβαιος, ὅτι μὴ περιφρονοῦσα τοὺς λόγους τοῦ Κυρίου «ἄφετε τοὺς νεκροὺς θάψαι τοὺς ἑαυτῶν νεκροὺς» (Ματθ. 8, 22) δὲν εἶναι δυατόν, εὑρισκομένη πρὸ τόσων ἄλλων ἀλύτων ὑπερόγκων ζητημάτων τὰ ὁποῖα ἔχει πρὸ αὐτῆς νὰ ἀσχολῆται σπουδαιοφανῶς μὲ τὴν κατάστασιν τῶν σκηνωμάτων τῶν ποτὲ ἀνθρώπων, εἴτε ταῦτα εἶναι «γῆ εἴτε σποδός».

Βεβαίως ὑπάρχει ἀρχαιοτάτη χριστιανικὴ συνήθεια καταστᾶσα ἐκκλησιαστική (ὄχι ἱερά) παράδοσις, οἱ νεκροὶ νὰ θάπτωνται κατὰ τὸν συνήθη γνωστὸν τρόπον. Οὐχὶ σπανίως, ὅμως, ἡ παράδοσις αὕτη διακόπτεται ὅταν δι' ὡρισμένους λόγους τὸ κοινὸν σκήνωμα μετατρέπεται εἰς κόνιν ἢ ἄμορφον ὕλην, ὅτε τὰ ὑπὸ τοιαύτην μορφὴν λείψανα παραδίδονται καὶ αὐτὰ εἰς τὴν μητέρα γῆν μὲ τὴν αὐτὴν εὐχετικὴν τάσιν καὶ πρᾶξιν τῆς Ἐκκλησίας. Συνεπῶς, μὴ ὑπάρχοντος δόγματος ἀπαγορεύοντος τὴν ἐκκλησιαστικὴν ταφὴν τῆς «σποδοῦ» τῶν καέντων σωμάτων δὲν βλέπω πῶς εἶναι δυνατὸν νὰ στερηθῇ τὸ ὑπὸ οἱανδήποτε μορφὴν σκήνωμα ἑνὸς Ὀρθοδόξου Χριστιανοῦ καὶ δὴ, ὡς γνωστόν, διακρινομένου διὰ τὴν εἰς Χριστὸν πίστιν καὶ εὐσέβειάν του τῆς ἐκκλησιαστικῆς του ταφῆς. Ἀληθῶς δὲ καὶ ὁ τύπος, κακὴν προσφέρει ὑπηρεσίαν ἀποδίδων εἰς τὴν Ἐκκλησίαν πράγματα, τὰ ὁποῖα οὔτε προφανῶς θὰ εἶπε, ἀλλ' οὔτε καὶ δύναται νὰ ὑποστηριξῇ θεολογικῶς καὶ κανονικῶς. Συνεπῶς εἶμαι βέβαιος, ὅτι ἡ Ἐκκλησία θὰ τελέσῃ τὰ ἐκκλησιαστικῶς νόμιμα καὶ ἐπὶ τῆς «σποδοῦ» τοῦ Μητροπούλου, παρέχουσα τὰς εὐχάς της ὡς πρέπει εἰς τὸν δικαιούμενον τούτων νεκρόν».

Ὁ πρόεδρος τῆς Ἀκαδημίας καὶ καθηγητὴς τῆς Θεολογικῆς Σχολῆς κ. Παναγιώτης Μπρατσιώτης εἰς συντάκτην μας εἶπεν, ὅτι «εἶναι παλαιοτάτη παράδοσις ἡ ταφὴ τῶν νεκρῶν, ὡς γίνεται μέχρι σήμερον καὶ ἡ Ἐκκλησία ἔχει λάβει τὸ παράδειγμα ἐκ τοῦ τρόπου ταφῆς τοῦ Χριστοῦ.

»Δὲν ὑπάρχει, βεβαίως, οὔτε ἱερὸς Κανών, οὔτε δόγμα ποὺ νὰ ἀπαγορεύῃ τὴν καῦσιν τῶν νεκρῶν.

»Ἡ Ἐκκλησία — προσέθεσεν ὁ κ. καθηγητής, ὡς εἶναι εἰς θέσιν νὰ γνωρίζῃ ἐκ σχετικῆς συνομιλίας του μετὰ τοῦ Μακ. Ἀρχιεπισκόπου Θεοκλήτου—δὲν θὰ εἶχεν ἀντίρρησιν, ἐφ' ὅσον ὑπῆρχε κλίβανος ἐν Ἑλλάδι, νὰ τελέσῃ τὴν νεκρώσιμον ἀκολουθίαν κανονικῶς καὶ ἐν συνεχείᾳ νὰ καῇ ὁ νεκρός, ὡς ἐγένετο ἐν Λονδίνῳ παλαιότερον ὑπὸ τῶν ἐκπροσώπων τῆς Ὀρθοδόξου Ἐκκλησίας διὰ τὸν ἐκεῖ ἀποθανόντα γραμματέα τοῦ Βασιλέως Κωνσταντίνου Μελᾶν.

»Τὸ νὰ φαλῇ, ὅμως, ἀκολουθία νεκρώσιμος, τῆς ὁποίας τὰ κείμενα ὁμιλοῦν περὶ ἐπαναφορᾶς τοῦ ἀνθρωπίνου σώματος εἰς τὴν χωματώδη προέλευσίν του, εἶναι κόπως «πρωτότυπον».

Καὶ κατέληξεν ὁ κ. Μπρατσιώτης, ὅτι εἶναι βέβαιος, καὶ μᾶς τὸ εἶπεν ὑπεβύνως, ὅτι ἡ Ἐκκλησία δὲν ἔχει καμμίαν ἀντίρρησιν νὰ ἀπευθύνῃ ἐπιμνημόσυνον δέησιν διὰ τὸν μεγάλον Ἕλληνα μαέστρον Δημήτρη Μητρόπουλον.

Ὁ καθηγητὴς τῆς Θεολογικῆς Σχολῆς ἐπίσης κ. Ἰωάν. Καρμίρης, ὁ ὁποῖος εἶναι καὶ κυβερνητικὸς ἐπίτροπος τῆς Συνόδου, ὑπῆρξεν, ὡς πληροφορούμεθα, ἀπόλυτος καὶ προέτεινον ὅπως ἡ Ἐκκλησία μὴ συμμετάσχῃ εἰς τὰς μεταθανατίους τελετὰς τῆς Πολιτείας διὰ τὸν Μητρόπουλον.

Χθές, ἄλλωστε, μετὰ τὴν συνεδρίαν τῆς Συνόδου, εἰς τὴν ὁποίαν, ὡς γνωρίζομεν, δὲν συνεζητήθη τὸ θέμα, ἔλεγεν εἷς ἀρχιερεύς, ὅτι «ἡ Ἐκκλησία δὲν πρέπει οὔτε τρισάγιον νὰ διαβάσῃ, διότι καταπατεῖται ἡ παράδοσις».

Ὁ πρόεδρος τῆς Ἑταιρίας Λαϊκῶν Θεολόγων κ. Α. Κεραμίδας, μᾶς εἶπε τὰ ἑξῆς:

«Ἐπὶ 135 χρόνια, ἡ Ἐκκλησία μας, ἀφ' ὅτου κατέστη ἐλευθέρα, δὲν ἔχει λάβει ἀπόφασιν ἐπὶ τοῦ θέματος τῆς καύσεως τῶν νεκρῶν. Οἱ ἱεροὶ Κανόνες οὐδαμοῦ τὴν ἀπαγορεύουν. Δογματικὴν σημασίαν δὲν ἔχει ἡ πρᾶξις καὶ δι' αὐτὸ δὲν ἀπασχολεῖ τὴν δογματικήν.

»Ἡ γνώμη μου, ὡς Θεολόγου, Ὀρθοδόξου Χριστιανοῦ, εἶναι, ὅτι ἔπρεπε νὰ γίνῃ τοὐλάχιστον ἐπιμνημόσυνος δέησις διότι δὲν ἐμεσολάβησεν αὐτοκτονία διὰ νὰ ἀπαγορευθῇ αὕτη, ἀλλὰ φυσικὸς θάνατος.

»Ἐφ' ὅσον δὲν ἔχει ἀποφανθῇ ἐπισήμως ἡ Ἐκκλησία μας, ὤφειλεν ἡ διοικοῦσα Ἐκκλησία ὄχι βέβαια νὰ κηδεύσῃ τὸν νεκρόν, ὡς σταχτῆ, διότι τοῦτο θὰ προεκάλει τὸν Λαόν, ἀλλὰ νὰ διαβάσῃ ἐπιμνημόσυνον δέησιν.

»Ἡ δέησις ἐπὶ σποδοῦ δὲν ἀπαγορεύεται καὶ ἔχει γίνει πολλάκις ὅταν Χριστιανοὶ κατεκάησαν εἰς πυρκαϊὰς ἢ εἰς δυστυχήματα. Διὰ τοῦτο φρονῶ, ὅτι ἦτο παράλειψις ἡ ἄρνησις, ἐὰν ἐγένετο ἐπισήμως τοιαύτη, νὰ φαλῇ δέησις ὑπὲρ ἀναπαύσεως τῆς ψυχῆς τοῦ ἀρχιμουσικοῦ Μητροπούλου».

Η ΕΚΚΛΗΣΙΑ ἠρνήθη ν' ἀποδώσῃ τὰ ἐκκλησιαστικῶς νόμιμα εἰς τὰ λείψανα τοῦ σκηνώματος τοῦ ἀειμνήστου μεγάλου μουσουργοῦ Δ. Μητροπούλου μὲ τὸ αἰτιολογικὸν ὅτι ἐδημιουργεῖτο κώλυμα λόγῳ τῆς καύσεώς του. Ἔτσι ἡ σποδός του, ἡ ὁποία μετεφέρθη προχθὲς εἰς τὰς Ἀθήνας ἔτυχε μόνον πολιτικῶν καὶ πνευματικῶν τιμῶν. Πρὸς τὴν ἀποψιν, ἐν τούτοις, αὐτὴν τῆς Ἐκκλησίας διεφώνησε δημοσίᾳ ὁ διαπρεπὴς καθηγητὴς τῆς Θεολογικῆς Σχολῆς τοῦ Πανεπιστημίου Ἀθηνῶν κ. Ἀμίλκας Ἀλιβιζάτος, ὁ ὁποῖος ὑπεστήριξεν ὅτι ὑπάρχει μὲν παρ' ἡμῖν ἀρχαιοτάτη ἐκκλησιαστικὴ συνήθεια νὰ θάπτωνται οἱ νεκροί, οὐδὲν ὅμως ὑπάρχει δόγμα ἀπαγορεῦον τὴν ἐκκλησιαστικὴν ταφὴν τῆς σποδοῦ τῶν καέντων σωμάτων καὶ ὅτι συνεπῶς οὐδεὶς εἶχε δικαίωμα νὰ στερήσῃ τὸ σκήνωμα ἑνὸς ὀρθοδόξου χριστιανοῦ καὶ μάλιστα ἐντόνως θρησκευομένου, ὅπως ἦτο ὁ Μητροπουλος, τῆς ἐκκλησιαστικῆς του ταφῆς. Πῶς, λοιπόν, ἡ διοίκησις τῆς Ἐκκλησίας ἔλαβε τὴν ἀπόφασιν αὐτήν:

Ἡ σποδὸς τοῦ Δημήτρη Μητροπούλου εὑρίσκεται ἀπὸ προχθὲς τὸ βράδυ εἰς τὰς Ἀθήνας. Συμφώνως πρὸς τὴν ἐπιθυμίαν τοῦ μάγου τῆς μπαγκέττας, ὅπως τὴν ἐξέφρασε ρητῶς εἰς τὴν διαθήκην του, ἡ περιέχουσα τὴν τέφραν του λήκυθος ἐναπετέθη εἰς τὴν καταλλήλως διακοσμηθεῖσαν αἴθουσα συναυλιῶν τοῦ Ὠδείου Ἀθηνῶν καὶ ἐξετέθη εἰς λαϊκὸν προσκύνημα ἐπὶ τριήμερον ἀπὸ 10 π.μ. ἕως 12 μ. καὶ ἀπὸ 5 μ.μ. ἕως 6 μ.μ. Παρὰ τὴν λήκυθον ἐτοποθετήθη ἐναλλασσομένη τιμητικὴ φρουρὰ ἐκ μαθητῶν καὶ μαθητριῶν τοῦ Ὠδείου.

Τὸ εἰδικῶς διατεθὲν διά τὴν ἐκ Μιλάνου μεταφορὰν τῆς σποδοῦ ἀεροσκάφος τῆς Ἑλληνικῆς Ἀεροπορίας ἔφθασε προχθὲς τὴν 2.20 μ.μ. ὑπεράνω τοῦ ἀεροδρομίου Ἑλληνικοῦ. Ἐπειδή, ὅμως, ὡς ὥρα ὑποδοχῆς τῆς σποδοῦ εἶχε καθορισθῆ ἡ 4 μ.μ., τὸ ἀεροσκάφος προσεγειώθη καὶ παρέμεινεν ἐπί μίαν καὶ ἡμίσειαν ὥραν εἰς τὸ ἀεροδρόμιον Ἐλευσῖνος, διά νὰ ἐπανέλθῃ ἀργότερον εἰς τὸ Ἑλληνικόν.

Ἀπὸ τῆς 3 μ.μ. εἶχε παραταχθῆ εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ ἄγημα τῆς Βασιλικῆς Ἀεροπορίας διά τὴν ἀπόδοσιν τιμῶν, μὲ ἐπικεφαλῆς τὴν μουσικήν του σώματος. Τήν 3.45 μ.μ., ἔφθασαν οἱ συγγενεῖς τοῦ νεκροῦ, ἐκποόσωποι τῶν καλλιτεχνικῶν ὀργανώσεων καί συνεργάται καί φίλοι τοῦ ἐκλιπόντος διασήμου ἀρχιμουσικοῦ. Ὀλίγον πρό τῆς προσγειώσεως τοῦ ἀεροσκάφους προσῆλθον ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος, οἱ ὑπουργοί Προεδρίας τῆς Κυβερνήσεως καί Παιδείας κ.κ. Κ. Τσάτσος καί Γ. Βογιατζῆς καί ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς.

ΠΛΗΘΗ ΚΟΣΜΟΥ ΠΑΡΕΛΑΥΝΟΥΝ ΠΡΟ ΤΗΣ ΣΠΟΔΟΥ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Συγκινητικαὶ ἐκδηλώσεις τοῦ Κοινοῦ

ΤΟΥ ΣΥΝΕΡΓΑΤΟΥ ΜΑΣ κ. ΓΕΩΡΓ. ΒΩΚΟΥ

Ἀπὸ χθὲς προσκύνημα στὴν σποδὸ τοῦ Μητροπούλου, στὴν αἴθουσα συναυλιῶν τοῦ Ὠδείου Ἀθηνῶν.

Σκεπασμένη μὲ τὴν ἑλληνικὴ σημαία, ἡ τεφροδόχος κάλπη, σύμβολον μιᾶς μουσικῆς μεγαλοφυΐας ποὺ ἔζησε, θριάμβευσε καὶ στὸ τέλος ἔδωσε τὴν ἴδια του τὴν ὕπαρξι γιὰ τὴν τέχνη...

Στεφάνια δάφνινα, σ' ἐκεῖνον ποὺ τῆς πατρίδας τ' ὄνομα σ' ὅλη τὴν οἰκουμένη τίμησε...

Καὶ τώρα πάλι ξανὰ στὴν μητέρα Ἑλλάδα...

Κάθε στιγμή, ἀπὸ χθές, περνοῦν μπροστὰ ἀπὸ τὴν τεφροδόχο ὄχι μόνον ἄνθρωποι ποὺ ἡ μαγεία τῆς μουσικῆς του προσφορᾶς εἶχε γεμίσει εὐγνωμοσύνη γιὰ τὸν καλλιτεχνικὸ ἱεροφάντη, ἀλλὰ καὶ ξένοι πρὸς κάθε μουσικὸ δογματισμό... Ἄνθρωποι ποὺ δὲν θὰ ἔτυχε νὰ τὸν ἰδοῦν ποτὲ νὰ διευθύνῃ τὴν ὀρχήστρα μὲ τὸν ἀπαράμιλλο τρόπο ποὺ μόνον αὐτὸς ἤξερε...

Μὰ ὁ μαγνήτης τοῦ μάγου τῆς μπαγκέττας δὲν συνέπαιρνε μόνον ὅσους τὸν ἔζησαν στὶς ὀνειρώδεις ἐκεῖνες στιγμὲς τῆς μουσικῆς ἐξαϋλώσεως. Ὁ Μητρόπουλος ἦταν θρῦλος... Ἦταν κάτι τὸ ἀσύλληπτο, τὸ φανταστικό... Κι' αὐτὸς ἀκριβῶς ὁ θρῦλος μαγνήτιζε κι' ἐκείνους ἀκόμη ποὺ δὲν εἶχαν τὴν εὐτυχία νὰ ζήσουν μαζί του τὴν ὑπέροχη τελετουργία τῶν ἤχων, τὴν θεία μουσικὴ μυσταγωγία.

Γι' αὐτὸ ἀπὸ χθὲς ὁ τόπος ποὺ ἔχει τοποθετηθῇ ἡ τεφροδόχος τοῦ ἀσύγκριτου μαέστρου ἀτενίζεται σὰν κάτι ἱερό, σὰν κάτι ὑπερκόσμιο... Λογῆς - λογῆς ἄνθρωποι...

Σιωπηλοί, μὲ ὑγρὰ μάτια... Πόσοι στοχασμοὶ καὶ πόσος πόνος. Πόσες ἀναμνήσεις... Ὁ Μητρόπουλος ἔφθασε στοὺς μουσικοὺς παραδείσους...

Μαθηταὶ ὠδείων διαβαίνουν μπροστὰ ἀπὸ τὴν τεφροδόχο. Ἐκεῖ μέσα βρίσκεται ὁ καταπληκτικὸς μουσικός...

Μένει ἀθάνατος στὴν ψυχὴ ὅλων ὁ Μητρόπουλος...

Μιὰ σπουδάστρια τοῦ πιάνου κλαίει... Αὐτὰ τὰ δάκρυα μιλοῦν εὔγλωττα γιὰ τὸν σπαραγμὸ τῆς ψυχῆς τῆς παιδούλας... Θρηνεῖ τὸ θαῦμα, τὸ ἑλληνικὸ μουσικὸ θαῦμα... Κι' ὕστερα, ἀκίνητη γιὰ πολλὴ ὥρα ἀτενίζει πρὸς τὰ ἐκεῖνον, πρὸς τὴν τεφροδόχο...

Κάτι ψιθυρίζουν τὰ χείλη της. Προσευχὴ ἄραγε... Λόγια ἀμέτρητης καλλιτεχνικῆς ἀγάπης; Ποιὸς ξέρει... Εἶναι ὁλόκληρη δοσμένη στὴν φανταστικὴ εἰκόνα ἐκείνου...

Ἔρχονται κι' ἄλλοι, κι' ἄλλοι... Καὶ πάντα δάκρυα ἐκδηλώνουν τῆς καρδιᾶς τὸν σπαραγμὸ γιὰ τὸν χαμὸ τοῦ τιμημένου μουσικοῦ παιδιοῦ τῆς Ἑλλάδος.

Εἶναι τόσο κοντά μας... Ἀκόμη πέρυσι μᾶς χάρισε τὶς οὐράνιες ἐκεῖνες στιγμὲς μὲ τὴν Φιλαρμονικὴ τῆς Βιέννης. Πῶς νὰ σβήσουν αὐτά;

Καὶ τὸ προσκύνημα στὴν τέφρα τοῦ κολοσσοῦ τῆς μπαγκέττας συνεχίζεται...

Τίποτε δὲν εἶναι Ἱκανὸ νὰ μᾶς κάμῃ νὰ ξεχάσουμε τὸν ἐμπνευσμένο μουσικὸ ἑρμηνευτή...

Μιὰ ἰλιγγιώδης πορεία πρὸς τὴν δόξα... Ἔφθασε στὴν κορυφή... Καὶ ἐκεῖ ἔπεσε, δαφνοστεφανωμένος... Τί περισσότερο νὰ ἐπιθυμοῦσε ὁ μαέστρος;

—Ἀλήθεια, ψιθυρίζει κάποιος ποὺ στέκεται δίπλα μου, τί παραπάνω νὰ ποθήσῃ; Ὁ διαλεχτὸς τῶν διαλεχτῶν... Μουσικὸς κατακτητής...

Ἡ τέχνη τὸν ἔσφιξε στὴν ἀγκαλιά της. Τοῦ τὰ ἔδωσε ὅλα...

Τὸν ἀνέβασε τόσο ψηλά, ὥστε νὰ τὸν καταστήσῃ ἀθάνατο στὶς ψυχὲς τῶν ἀνθρώπων... Ἐλαμψε στὸ παγκόσμιο μουσικὸ στερέωμα... Κυριάρχησε, ἀλλὰ ἔμεινε πάντα σεμνός, δίχως ἴχνος κακίας ἢ ἐγωκεντρισμοῦ, αὐτὸς ὁ μεγάλος Μητρόπουλος...

Ἦταν δυνατὸν μεθυσμένος ἀπὸ τιμὲς καὶ δόξα αὐτὸς ὁ φωτισμένος καλλιτέχνης νὰ εἶχε ἀποκτήσει κάποιο ἀπὸ ἐκεῖνα ποὺ τὸ μεθύσι τῆς δόξας δίνει στὸν ἄνθρωπο...

Ὁ Μητρόπουλος ξεπέρασε τ' ἀνθρώπινα... Ἔμεινε ἄτρωτος ἀγνός, πάνω ἀπὸ μικρότητες... Γι' αὐτὸ ἔγινε γίγας τῆς τέχνης...

Ρίχνω μιὰ ματιὰ γύρω μου... Δάκρυα, θλῖψις σὲ κάθε πρόσωπο, στὸ προσκύνημα ποὺ θὰ συνεχισθῇ καὶ σήμερα καὶ αὔριο...

ΓΕΩΡΓΙΟΣ ΒΩΚΟΣ

Ἡ σποδὸς τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ ἔχει τοποθετηθῇ εἰς τὴν αἴθουσαν τῶν συναυλιῶν τοῦ Ὠδείου Ἀθηνῶν. Τὰ πλήθη προσέρχονται καὶ ἀποδίδουν τὸν τελευταῖο χαιρετισμὸ στὸν μάγο τῆς μπαγκέττας.

ΜΕΤΕΦΕΡΘΗ ΕΙΣ ΑΘΗΝΑΣ Η ΤΕΦΡΑ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ ΚΑΙ ΕΞΕΤΕΘΗ ΕΙΣ ΛΑΪΚΟΝ ΠΡΟΣΚΥΝΗΜΑ

Η ΣΥΓΚΙΝΗΤΙΚΗ ΤΕΛΕΤΗ ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΗΡΩΔΟΥ ΤΟΥ ΑΤΤΙΚΟΥ

Ἡ τέφρα τοῦ Μητροπούλου εὑρίσκεται ἀπὸ προχθὲς εἰς τὴν πατρίδα καὶ ἐν τῷ μέσῳ τοῦ λαοῦ ἀπὸ τὸν ὁποῖον ἐξεπήγασε. Ὁ ἑλληνικὸς λαὸς τὴν ὑπεδέχθη μὲ ἐκδηλώσεις τόσον γνησίας ἀγάπης καὶ ὑπερηφανείας ποὺ ἀσφαλῶς ὀρθώνουν τὴν ἐπιβλητικώτεραν ἀπὸ τὰς κορυφὰς τῆς δόξης ποὺ ὑπέταξεν ἡ δύναμις τῆς τέχνης του. Πέραν τῶν νεκρολογιῶν καὶ τῆς ἐπισήμου τελετῆς ἡ ἐπιβλητικὴ παρουσία τοῦ λαοῦ καὶ αἱ γνήσιαι ἐκδηλώσεις τῆς ἀγάπης του ἦσαν τὸ ἐξέχον χαρακτηριστικὸν τῆς προχθεσινῆς ὑποδοχῆς τῆς σποδοῦ τοῦ Μητροπούλου. Αἱ λαϊκαὶ ἐκδηλώσεις ἤρχισαν μὲ τὴν ἀφιξιν τῆς σποδοῦ εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ, συνεχίσθησαν ἀργότερα εἰς τὴν τελετὴν τοῦ Ὠδείου Ἡρώδου τοῦ Ἀττικοῦ καὶ ἐξακολουθοῦν ἀκόμη εἰς τὸ Ὠδεῖον Ἀθηνῶν ὅπου ἔχει ἐναποτεθῇ ἡ σποδός του.

Τὸ εἰδικὸν ἀεροπλάνον τὸ ὁποῖον μετέφερεν τὴν τέφραν τοῦ Μητροπούλου ἀπὸ τὸ Μιλάνον προσεγειώθη εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ εἰς τὰς 4.05' μ. μ. τῆς παρελθούσης Κυριακῆς. Εἰς τὸν ἀερολιμένα εἶχον ἀπὸ τὰς 3 μ. μ. συγκεντρωθῇ συγγενεῖς τοῦ Μητροπούλου, κορυφαῖοι ἐκπρόσωποι τῶν καλλιτεχνικῶν ἱδρυμάτων καὶ πλῆθος κόσμου. Πρὸ τοῦ χώρου τῆς προσγειώσεως τοῦ ἀεροπλάνου εἶχε παραταχθῇ τιμητικὸν ἀπόσπασμα καὶ μουσικὴ τῆς Βασιλικῆς Ἀεροπορίας διὰ τὴν ἀπόδοσιν τιμῶν εἰς τὸν νεκρόν. Εἰς τὴν αἴθουσαν τῶν ἐπισήμων εὑρίσκοντο ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος, ὁ ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς καὶ ὁ ὑπουργὸς τῆς Προεδρίας κ. Τσάτσος. Μεταξὺ τῶν συγκεντρωμένων ἐκπροσώπων διαφόρων καλλιτεχνικῶν ἱδρυμάτων ἦσαν οἱ διευθυνταὶ τῆς Λυρικῆς Σκηνῆς, ὁ Πρόεδρος καὶ ὁ Διευθυντὴς τοῦ Ὠδείου Ἀθηνῶν, ὁ διευθυντὴς τῆς κρατικῆς ὀρχήστρας. Παρευρίσκοντο ἐπίσης ἡ κ. Κρινιὼ Καλομοίρη, ἡ κ. Κατίνα Παξινοῦ καὶ ἡ κυρία Νεγρεπόντη, ἡ ὁποία ἀναφέρεται ὡς ὑποστηρίξασα τὸν Μητροπούλου εἰς τὰς ἀρχὰς τῆς καλλιτεχνικῆς του σταδιοδρομίας καὶ πολλοὶ ἄλλοι καλλιτέχναι.

Κατὰ τὴν προσγείωσιν τοῦ ἀεροπλάνου ποὺ ἔφερε τὴν τέφραν τοῦ Μητροπούλου οἱ ἐπίσημοι εἶχον παραταχθῇ εἰς δύο στίχους ὑποδοχῆς. Ἐνῶ ἡ μουσικὴ τῆς Ἀεροπορίας ἤρχισε ἀνακρούουσα πένθιμον ἐμβατήριον, μὲ ἀργὸν βῆμα ὁ διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. Βαβαγιάννης συνοδευόμενος ὑπὸ ἀνωτέρου ἀξιωματικοῦ τῆς Ἀεροπορίας κατηυθύνετο πρὸς τὸ ἀεροσκάφος εἰς τὴν θύραν τοῦ ὁποίου εὑρίσκετο ὁ διευθυντὴς Γραμμάτων καὶ Θεάτρου τοῦ ὑπουργείου Παιδείας κ. Κουρνούτος κρατῶν τὴν τεφροδόχον κάλπην μὲ τὴν σποδὸν τοῦ Μητροπούλου. Ὁ κ. Κουρνούτος μετὰ τοῦ ἐκπροσώπου τοῦ ὑπουργείου Ἐξωτερικῶν κ. Δημητροπούλου καθὼς καὶ ὁ Ἀμερικανὸς συνθέτης καὶ προστατευόμενος τοῦ Μητροπούλου κ. Ντίξον, εἶχαν συνοδεύσει τὴν σποδὸν ἀπὸ τοῦ Μιλάνου. Πρὸ τῆς θύρας τοῦ ἀεροπλάνου ὁ κ. Βαβαγιάννης παρέλαβε τὴν τεφροδόχον καὶ ἐνῶ συνεχίζετο ἡ ἀνάκρουσις τοῦ πενθίμου ἐμβατηρίου κατηυθύνθη ἀργὰ πρὸς τὴν θέσιν τῶν ἐπισήμων, ὅπου καὶ παρέδωσε τὴν τεφροδόχον εἰς τὸν κ. Κανελλόπουλον. Ὁ ἀντιπρόεδρος τῆς κυβερνήσεως προφανῶς συγκεκινημένος ἐκάλυψε τὴν κάλπην μὲ τὴν κυανόλευκον μεταξὺ δύο ἀνημμένων πυρσῶν. Ἐν τῷ μεταξὺ οἱ ἐπίσημοι κατέλαβον τὰς θέσεις των εἰς τὰς κερκίδας τοῦ ἀρχαίου θεάτρου, ὅπου εὑρίσκοντο ἤδη ὁ ὑπασπιστὴς τοῦ Βασιλέως, ὁ δήμαρχος κ. Τσουκαλᾶς, ἀκαδημαϊκοί, καὶ πλεῖστοι ἐκπρόσωποι καλλιτεχνικῶν ἱδρυμάτων καὶ ὀργανώσεων.

ΕΠΙΜΝΗΜΟΣΥΝΟΣ ΤΕΛΕΤΗ

Τὴν ἔναρξιν τῆς ἐπιμνημοσύνου τελετῆς ἐσήμανεν ἡ κατάθεσις στεφάνου δάφνης ἐκ μέρους τοῦ ἐκπροσώπου τοῦ Βασιλέως ἀντισυνταγματάρχου κ. Α. Καραμανώλη. Ἀκολούθως τὸν λόγον ἔλαβεν ὁ κ. Κανελλόπουλος, ὁ ὁποῖος εἶπεν ὅτι ἡ ἑλληνικὴ κυβέρνησις ἀφιερώνει εἰς τὸν Μητροπουλον στέφανον δάφνης, ὅπως ἀξίζει εἰς ὅσους ἔπεσαν εἰς τὸ πεδίον τῆς μάχης. Ἡ μάχη ποὺ ἔδωσε εἰς τὴν ζωήν του ὁ Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἐφεύρεν ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μάλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης εὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων.

Μετὰ τὸν κ. Κανελλόπουλον κατέθεσε στέφανον δάφνης ἐκ μέρους τῆς Ἀκαδημίας Ἀθηνῶν ὁ μουσουργὸς κ. Πετρίδης, ὁ ὁποῖος ἀνέγνωσε ἀποχαιρετισμὸ πρὸς τὸν Μητρόπουλο, γραμμένον ἀπὸ τὸν συνθέτη Μανώλην Καλομοίρη. Ὁ κ. Καλομοίρης, γράφων ἀπὸ τὴν κλίνην τῆς ἀσθενείας, ἐχαιρέτα τὸν Μητρόπουλον ὡς τὸν πιὸ ἔνδοξο μουσικὸ ποὺ ἀνέδειξε ἡ ἑλληνικὴ γῆ καὶ ἕναν ἀπὸ τοὺς μεγαλυτέρους μουσικοὺς ἀναδημιουργοὺς τοῦ αἰῶνος μας, μαζὶ μὲ τὸν Τοσκανίνι καὶ τὸν Φουρτβέγκλερ καὶ ἐπίσης ὡς ἅγιον ποὺ δὲν ἐγνώρισεν ἄλλην ἀπόλαυσιν καὶ χαρὰν ἐκτὸς ἀπὸ αὐτὴν τῆς τέχνης του.

Ἀκολούθως ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς κατέθεσε στέφανον δάφνης πρὸ τῆς τεφροδόχου καὶ ὑπέμνησεν ὅτι αἱ Ἀθῆναι, ἰδιαιτέρα πατρὶς τοῦ Μητροπούλου, τὸν εἶχον ἤδη τιμήσῃ μὲ τὸ χρυσοῦν Μετάλλιον τῆς Πόλεως. Ἐν συνεχείᾳ κατέθεσε στέφανον δάφνης καὶ ὡμίλησεν ὁ πρόεδρος τοῦ Διοικητικοῦ Συμβουλίου τοῦ Ὠδείου Ἀθηνῶν κ. Κυριακίδης, ὁ διευθυντὴς τῆς ὀρχήστρας κ. Βαβαγιάγης, ἐκ μέρους τῆς Κρατικῆς Ὀρχήστρας, ὁ διευθυντὴς τῆς Λυρικῆς Σκηνῆς κ. Κ. Μπαστιάς, ὁ διευθυντὴς τοῦ Ε.Ι.Ρ. κ. Σπυρομήλιος, ὁ κ. Εὐαγγελᾶτος ἐκ μέρους τῆς Ἑνώσεως Ἑλλήνων Μουσουργῶν, ὁ κ. Βάρβογλης ἐκ μέρους τοῦ Συνδέσμου τῶν Ἑλλήνων Συνθετῶν, ὁ κ. Μυριβήλης ἐκ μέρους τῆς Ἑταιρίας Ἑλλήνων Λογοτεχνῶν, ἐκπρόσωπος τοῦ Κρατικοῦ Ὠδείου Θεσσαλονίκης, ἡ κ. Κρινιὼ Καλομοίρη ἐκ μέρους τοῦ Ἐθνικοῦ Ὠδείου καὶ σειρὰ ἄλλων ἐκπροσώπων καλλιτεχνικῶν ἱδρυμάτων καὶ ὀργανώσεων. Οἱ στέφανοι, τοποθετούμενοι ἑκατέρωθεν τῆς τεφροδόχου μὲ τὴν σποδὸν τοῦ Μητροπούλου, ἐκάλυψαν ὅλον τὸ μῆκος τῆς σκηνῆς τοῦ ἀρχαίου θεάτρου. Κάθε μίαν ἀπὸ τὰς ἀποχαιρετιστηρίους προσφωνήσεις συνώδευαν ζωηρὰ τὰ χειροκροτήματα τῶν χιλιάδων λαοῦ ποὺ εἶχε κατακλύσῃ τὸ θέατρον. Ἐνῶ ἐτελείωναν οἱ ἐκπρόσωποι τῶν πνευματικῶν ὀργανώσεων, ναυτικὸς ἐκ τοῦ ἀκροατηρίου ἐζήτησε τὴν ἄδειαν ν' ἀποχαιρετήσῃ τὸν Μητρόπουλον ἐκ μέρους τῶν Ἑλλήνων ναυτιλλομένων καὶ ἀπηύθυνεν ἐκ τῆς θέσεώς του ὀλίγας λέξεις.

Πὴν κατάθεσιν τῶν στεφάνων ἠκολούθησεν ἡ ἐπιβλητικωτέρα στιγμὴ τῆς τελετῆς τοῦ ἀποχαιρετισμοῦ στὸν Μητρόπουλο. Ρίγη συγκινήσεως διαπερνοῦν τὸ ἀκροατήριο, ὅταν ἡ Κρατικὴ Ὀρχήστρα ἀρχίζῃ νὰ ἀνακρούῃ τὸ πένθιμον ἐμβατήριον ἀπὸ τὴν Ἡρωϊκὴν Συμφωνίαν τοῦ Μπετόβεν. Τὸ κοινὸν ἐγείρεται αὐθορμήτως, τὸ μιμοῦνται οἱ ἐπίσημοι καὶ ὅλοι ἵστανται σὲ μαρμαρίνην ἀκινησίαν. Οἱ τελευταῖοι χαιρετισμοὶ τῆς ἡμέρας ροδίζουν εἰς τὰ λευκὰ μάρμαρα τῆς Ἀκροπόλεως. Ὁ χρόνος ἔχει ἀκινητήσει εἰς μίαν στιγμὴν ὑπερηνίνης ἀνατάσεως. Εἶναι ἕνα αἴσθημα ποὺ γίνεται πολὺ ἔντονον ἀπὸ κάτι ποὺ παρατηρεῖται κάτω ἐκεῖ εἰς τὴν Ὀρχήστραν τοῦ θεάτρου: τὸ πόντιουμ, πρὸ τῶν ὀργάνων τῆς Κρατικῆς, ἡ θέσις τοῦ Μαέστρου εἶναι κενή. Τὴν ὀρχήστραν διευθύνει διὰ τελευταίαν φορὰν ἡ σκιὰ τοῦ Μητροπούλου.

ΤΡΙΗΜΕΡΟΝ ΠΡΟΣΚΥΝΗΜΑ

Κατὰ τὸν ἐπιβλητικὸν αὐτὸν τρόπον ἔληξεν ἡ ἐπιμνημόσυνος τελετή. Ὁ ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς παρέλαβεν ἀπὸ τοῦ βάθρου της τὴν τεφροδόχον, τὴν παρέδωσεν εἰς τὸν πρόεδρον τοῦ Ὠδείου κ. Κυριακίδην καὶ αὐτὸς εἰς τὸν διευθυντὴν τοῦ Ἱδρύματος κ. Φαραντάτον, ὁ ὁποῖος τὴν συνώδευσεν, ἐπὶ τοῦ αὐτοκινήτου πάντοτε καὶ μὲ τὴν συνοδείαν ἀνδρῶν τῆς Β. Ἀεροπορίας, εἰς τὸ Ὠδεῖον Ἀθηνῶν, ὅπου καὶ ἐκτίθεται εἰς τριήμερον λαϊκὸν προσκύνημα.

Ὁ λαὸς τῶν Ἀθηνῶν συρρέει τώρα εἰς τὸ κτίριον τοῦ Ὠδείου διὰ νὰ ἀποχαιρετήσῃ τὸν Μητρόπουλον διὰ τελευταίαν φορὰν. Αἱ θύραι τοῦ Ὠδείου εἶναι ἀνοικταὶ μεταξὺ 10—12 π. μ. καὶ 5—6 μ. μ., πλῆθη δὲ Ἀθηναίων ἐξακολουθοῦν συρρέοντα διὰ νὰ ἀποχαιρετήσουν τὸν μεγάλον Ἕλληνα μουσικόν.

Ἐξ ἄλλου, ἡ Ἀκαδημία Ἀθηνῶν, τῆς ὁποίας ὁ Μητρόπουλος ἦτο ἐπίτιμον μέλος, διοργανώνει καλλιτεχνικὸν μνημόσυνον, εἰς τὸ ὁποῖον θὰ ἀναλυθῇ καὶ ἐξαρθῇ τὸ ὅλο ἔργον τοῦ μεγάλου καλλιτέχνου.

Ἐν τῷ μεταξὺ ἡ χθεσινὴ ἐναρκτήριος συναυλία τῆς Κρατικῆς Ὀρχήστρας, ὑπὸ τὴν διεύθυνσιν τοῦ κ. Βαβαγιάννη, ἀφιέρωσε τὸ πρόγραμμά της εἰς τὴν μνήμην τοῦ Μητροπούλου καὶ περιέλαβεν εἰς αὐτὸ τὴν διασκευὴν Μητροπούλου τοῦ ἔργου τοῦ Μπὰχ «Φαντασία καὶ Φούγκα». Τὸ πρόγραμμα παρηκολούθησεν ὁ Βασιλεύς.

Ἐν τῷ μεταξὺ αἱ διεθνεῖς ἐκδηλώσεις πένθους συνεχίζονται. Ἀπασαι αἱ ἐφημερίδες τοῦ δυτικοῦ Βερολίνου δημοσιεύουν τὴν εἴδησιν τοῦ θανάτου τοῦ Μητροπούλου, συνοδεύουσαι αὐτὴν διὰ μακρῶν ἐγκωμιαστικῶν περιγραφῶν τοῦ βίου, τῆς προσωπικότητος καὶ τοῦ ἔργου τοῦ ἐκλιπόντος μουσουργοῦ.

Γενικῶς ἡ ἀπώλεια τοῦ Δημήτρη Μητροπούλου διὰ τὴν μουσικὴν χαρακτηρίζεται ἡ μεγαλυτέρα ἀπὸ τῆς ἐποχῆς τοῦ θανάτου τοῦ ἀρχιμουσικοῦ Φουρτβέγκλερ.

ΟΙ ΚΡΗΤΕΣ ΣΠΟΥΔΑΣΤΑΙ ΔΙΑ ΤΟΝ ΜΗΤΡΟΠΟΥΛΟΝ

Τὸ διοικητικὸν συμβούλιον τοῦ Συλλόγου Κρητῶν Σπουδαστῶν, συμμετέχον εἰς τὸ πένθος διὰ τὸν θάνατον τοῦ Δημ. Μητροπούλου, ὀργανώνει μουσικὸν ἀπόγευμα μὲ ἔργα Ἑλλήνων συνθετῶν καὶ σύντομον σκιαγράφησιν τῆς καλλιτεχνικῆς προσωπικότητος τοῦ Μητροπούλου. Ἡ συγκέντρωσις θὰ πραγματοποιηθῇ τὴν προσεχῆ Πέμπτην εἰς τὴν αἴθουσαν τῆς Παγκρητίου Ἑνώσεως, 7 Γενναδίου καὶ ὥραν 7.30 μ. μ.

ΦΩΤΕΙΝΗ ΣΕΛΙΔΑ ΣΤΟ ΠΑΝΑΡΧΑΙΟ ΒΙΒΛΙΟ ΤΗΣ ΠΝΕΥΜΑΤΙΚΗΣ ΕΛΛΑΔΟΣ

ΤΟΥ κ. Δ. Α. ΧΑΜΟΥΔΟΠΟΥΛΟΥ

Γυρίζω τριανταπέντε, ἀκριβῶς χρόνια πίσω.

Ἕνας εὐκίνητος νέος ξεκινᾶ ἀπ' τὸ Παληὸ Φάληρο γιὰ τὴν Ἀθήνα, χωρὶς νὰ χρησιμοποιήσῃ μεταφορικὸ μέσο.

Κατὰ τὸν ἴδιο τρόπο ἐπιχειρεῖ καὶ ἀντίστροφα τὴν πορεία, ὕστερ' ἀπ' τὴ δουλειά του.

Καὶ ὁ περίπατος αὐτὸς ἐπαναλαμβάνεται συχνά, παρ' ὅλο ποὺ ἡ Λεωφόρος Συγγροῦ βρίσκεται σὲ κατάσταση ὄχι εὐχάριστη γιὰ τὸν πεζοπόρο.

Ἀλλὰ ὁ ἐσωτερικὸς πληθωρισμός, ὁ ἐσωτερικὸς ἐνθουσιασμὸς καὶ ἡ δύναμη τῆς ζωῆς καὶ τῆς δημιουργίας, ποὺ ὑπάρχουν μέσα στὸν ζωηρὸν αὐτὸν ἄνθρωπο δὲν τὸν ἀφήνουν νὰ μείνῃ ἥσυχος οὔτε γιὰ μιὰ στιγμή.

Καὶ ἐκδηλώνονται σὲ ὅλους τοὺς τομεῖς τοῦ βίου του, ἀπὸ τὸ ὑλικὸ φαινόμενο τῆς πεζοπορίας καὶ τῶν μακρυνῶν περιπάτων ἕως τὴν ἄϋλη δημιουργία, τὸ ξαναζωντάνεμα, δηλαδή, τῶν ἄψυχων σημείων τοῦ μουσικοῦ πενταγράμμου.

Ρυθμὸς καὶ ἦχος ἀποτελοῦν τὸ χῶρο, μέσα στὸν ὁποῖον ἀναπνέει.

Καὶ ὁ ρυθμὸς καὶ ὁ ἦχος τοῦ δίνουν τὰ φτερὰ καὶ τὴν ἀνάλαφρη κίνηση, αὐτὴν, ποὺ ὑπερνικᾶ τὴν ὕλη καὶ τὰ ἐμπόδια.

Τὸ ἀνεκτίμητο δῶρο, ποὺ τοῦ χάρισε ὁ Θεός, νὰ κάνῃ τοὺς συναν θρώπους του εὐτυχισμένους μὲ τὸ ξαναζωντάνεμα αὐτὸ τῶν μουσικῶν σημείων καὶ ἡ ἐνθουσιώδης, ἡ φλογερή του Ἰδιοσυγκρασία, ποὺ σὰν καταρράκτης χύνεται καὶ τρέφει τὴ μουσικὴ ὁρμή του, ἔχουν, καθὼς συντελεῖται μέσα του ἡ ἕνωση ταλάντου καὶ Ἰδιοσυγκρασίας καὶ καθὼς τὸ μέγα πάθος του ἐνσαρκώνεται σ' ὅ,τι μᾶς προσφέρει ὡς μουσικὸς ἐκτελεστὴς καὶ ἑρμηνευτής, ἕνα ἄφθαρτο μεγαλεῖο, ἀδιάφορο ἂν ἡ προσφορὰ αὐτὴ ἐκδηλώνεται μὲ κίνηση ἢ ἀκινησία.

Γιατὶ τὸν Δημήτρη Μητρόπουλο καὶ κατὰ τὴ στιγμὴ τῆς ἀκινησίας ἀκόμα τὸν ἔβλεπες καὶ τὸν ἔνοιωθες μέσα στὴν κίνηση.

Ἔζησα ἀπὸ πολὺ κοντὰ μιὰ τέτοια ὑπέροχη στιγμὴ του «κινήσεως ἐν τῇ ἀκινησίᾳ».

Ἤμουν τότε μέλος τῆς Συμφωνικῆς Ὀρχήστρας, ποὺ διηύθυνε ὁ Μητρόπουλος. Ἦταν ἡμέρα συναυλίας καὶ παίζαμε τὴν ὥρα ἐκείνη τὴν Πρώτη Συμφωνία τοῦ Μπετόβεν.

Τὸ τελευταῖο μέρος τῆς Συμφωνίας αὐτῆς ἀρχίζει μὲ μιὰ μουσικὴ κλίμακα, ποὺ διαδέχεται γενικὴ παύση τῆς ὀρχήστρας καὶ ὕστερα ἄλλη κλίμακα, πάλι παύση κ.ο.κ.

Ἡ πρώτη κλίμακα εἶναι μικρή: ἔχει τρία, μόνο, σκαλοπάτια· ἡ δεύτερη, ποὺ ἀκολουθεῖ ὕστερ' ἀπ' τὴ γενικὴ παύση τῆς ὀρχήστρας, πλουτίζεται μὲ νέο σκαλοπάτι, ἡ τρίτη ἐπίσης, ὡς τὴ συμπλήρωση τῆς μουσικῆς κλίμακος, ποὺ, ὁλοκληρωμένη πιά, ἀποτελεῖ τὴν ἀρχὴ τοῦ θέματος τοῦ τελευταίου τούτου μέρους τῆς Συμφωνίας.

Ὁ Μητρόπουλος διηύθυνε τὴν ὀρχήστρα ὡς τὴν ὁριστικὴ διαμόρφωση τῆς κλίμακος, ποὺ ἀποτελεῖ, ὅπως ἀνέφερα, τὴν εἴσοδο τοῦ θέματος· καὶ μετά, κατέβασε ἀξαφνα τὰ γέρια (τότε δὲ χρησιμοποιοῦσε «μπαγκέττα») καὶ ἄφησε τὴν ὀρχήστρα νὰ παίξῃ μόνη της. Πῶς κυλοῦσε τὸ κομμάτι, μὲ τί ρυθμὸ πήγαιναν ὅλα, τί ἐνωμένα ποὺ ἦταν τὰ ὄργανα, σὰν ἕνα σῶμα;

Ἕνοιωθες ὅτι κάποιος σὲ κρατοῦσε, προσέχοντάς σε μὴ ξεφύγῃς ἀπ' τὸ δρόμο σου. Ἀκίνητα τὰ χέρια, ἀκίνητο τὸ σῶμα τοῦ Μητροπούλου, ἀλλὰ ἔνοιωθες τὴ δύναμη, τὴν κίνηση, τὸ μαγνητικὸ ρευστὸ κάτω ἀπ' τὴ φαινομενικὴ αὐτὴ ἠρεμία καὶ ἀκινησία.

Καὶ τὰ μάτια του σπιθοβολοῦσαν καὶ κύτταζαν πρὸς ὅλες τὶς διευθύνσεις καὶ παρακολουθοῦσαν τ

καὶ ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς. Ἐνῶ ἡ πομπὴ εἰσήρχετο εἰς τὸ ὑπερπλήρες Ὠδεῖον Ἡρώδου, ἀντήχησαν ζωηρὰ σαλπίσματα καὶ ταυτοχρόνως αἱ τρεῖς χιλιάδες ποὺ εἶχον καταλάβει τὰς κερκίδας, ξεσποῦσαν εἰς ἕνα παρατεταμένον χειροκρότημα.

Ὁ κ. Βαβαγιάννης, παρέλαβε ἐκ νέου ἀπὸ τὸ αὐτοκίνητον τὴν κάλπιδα μὲ τὴν σποδόν, ἐπροχώρησε καὶ τὴν ἐτοποθέτησεν ἐπὶ βάθρου, φέροντος τὰ ἐθνικὰ χρώματα.

Εὐθὺς κατόπιν, οἱ ἐπίσημοι κατέλαβον τὰς εἰδικὰς θέσεις των εἰς τὰς κερκίδας τοῦ ἀρχαίου θεάτρου καὶ ἤρχισεν ἡ ἐκδήλωσις πρὸς τιμὴν τοῦ μεγάλου καλλιτέχνου. Εἰς τὸ Ὠδεῖον, ἐκτὸς τῶν εἰς τὸ ἀεροδρόμιον κατελθόντων, οἱ ὁποῖοι καὶ προσῆλθον ἐπίσης, εἶχον συγκεντρωθῆ οἱ Ἀκαδημαϊκοὶ κ.κ. Σ, Μυριβήλης καὶ Ἡλ. Βενέζης, ὁ διευθυντὴς τῆς Ἐθνικῆς Πινακοθήκης κ. Μ. Καλιγᾶς καὶ ὁ διευθυντὴς τοῦ Ε.Ι.Ρ. κ. Σπυρομήλιος.

Τὰ μέλη τῆς Κρατικῆς Ὀρχήστρας, εἶχον μὲ τὰ ὄργανά των καταλάβει θέσεις ἐντὸς τῆς σφενδόνης.

Η ΕΚΔΗΛΩΣΙΣ

Πρῶτος κατετέθη ὁ στέφανος τοῦ Βασιλέως, ὑπὸ τοῦ ἁρμοδίου ἐκπροσώπου τῶν ἀνακτόρων καὶ κατόπιν ὁ τῆς Κυβερνήσεως, ὑπὸ τοῦ ἀντιπροέδρου της κ. Κανελλοπούλου, ὁ ὁποῖος, ἐν καταφανεῖ συγκινήσει δι' ἐμπνευσμένου λόγου ἀπέτισε φόρον τιμῆς πρὸς τὸν καλλιτέχνην ποὺ ἐτίμησε τὸ ὄνομα τῆς πατρίδος εἰς τὰ πέρατα τῆς Γῆς, τονίσας ὅτι «ὁ Μητρόπουλος, ἔζησε τὸ νόημα τοῦ σύμπαντος ποὺ ἔχει μέσα της ἡ μουσικὴ καὶ ἔκαμε ἀκόμη χιλιάδας ἀνθρώπους νὰ τὸ ζήσουν, μ' ἕνα τρόπον, ποὺ ἔφερε τὸν ἴδιον καὶ τὸν γνήσιον ἀκροατήν του εἰς τὰ κράσπεδα τῆς ζώρας τοῦ Θεοῦ. Ὅπως πολλοὶ ἀληθινοὶ καὶ μεγάλοι Ἕλληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἄνηκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν Ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς Πατρίδος. Ἐσήμαινε, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος. Ὁ Δημήτρης Μητρόπουλος ἦταν Ἕλλην κατ' ἐξοχήν. Ἦταν ταυτόχρονα καλὸς πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δύο αὐτὲς ἰδιότητες — ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων Ἑλλήνων τῆς Ἀμερικῆς — ταιριάζουν ἄριστα μεταξύ τους».

Ἀκολούθως, κατετέθη ὁ στέφανος τῆς Ἀκαδημίας Ἀθηνῶν ἀπὸ τὸν μουσουργὸν Πετρίδην, ὁ ὁποῖος ἀκολούθως ἀνέγνωσε συγκινητικὸν κείμενον, τοῦ ὁρισθέντος ὑπὸ τῆς Ἀκαδημίας ὁμιλητοῦ, ἀλλὰ μὴ προσελθόντος λόγω ἀσθενείας κ. Μαν. Καλομοίρη. Τὸ κείμενον αὐτό, κατέληγεν ὡς ἑξῆς:

«Αἰωνία σου ἡ μνήμη Δημήτρη Μητρόπουλε καὶ ἂς εἶναι ἀνάλαφρος ὁ ἀέρας τῆς Ἀττικῆς ποὺ δροσίζει τὴ σποδό σου ἀνάλαφρος σὰν τὴν μυρωμένη αὔρα τοῦ Παληοῦ Φαλήρου καὶ σὰν τὸ πνεῦμα τῆς Ἡρωϊκῆς Συμφωνίας τοῦ Μπετόβεν ποὺ τόσες φορὲς μὲ τὴν θεία σου Τέχνη ἐμάγευες τὶς ψυχές μας. Αἰωνία σου ἡ μνήμη».

Ἐπηκολούθησε κατάθεσις πλεί στων στεφάνων, ὅλων ἐκ δάφνης, δεδομένου ὅτι ὁ μεγάλος ἀρχιμουσικός, ἀπέκλεισε διὰ τῆς διαθήκης του κατάθεσιν στεφάνων ἐξ ἀνθέων.

Μετὰ τὴν κατάθεσιν τῶν στεφάνων, ἡ Κρατικὴ Ὀρχήστρα, χωρὶς μαέστρον, ἀπέδωσε ὑπὸ τὴν γενικὴν συγκίνησιν καὶ μὲ ὀρθίους ὅλους τοὺς παρισταμένους, τὸ δεύτερον μέρος τῆς Τρίτης Συμφωνίας τοῦ Μπετόβεν, εἰς τὸ ὁποῖον περιέχεται καὶ τὸ πένθιμον ἐμβατήριον του. Μετὰ τὴν ἀπόδοσιν τοῦ ὑστάτου αὐτοῦ φόρου τιμῆς, πλοίαρχος τοῦ Ἐμπορικοῦ Ναυτικοῦ, εὐρισκόμενος μεταξὺ τῶν παρισταμένων, ἐζήτησε μεγαλοφώνως ἀπὸ τὸν κ. Κανελλόπουλον τὴν ἄδειαν νὰ ὁμιλήσῃ καὶ ἐξέφρασε τὴν ἰδιαιτέραν συγκίνησιν τοῦ ἀνωνύμου πλήθους διὰ τὴν μεγάλην ἀπώλειαν.

Ο κ. ΒΟΓΙΑΤΖΗΣ

Δέον νὰ σημειωθῇ, ὅτι τὴν ἐσπέραν τῆς Κυριακῆς ὡμίλησεν ἀπὸ ραδιοφώνου διὰ τὸν Δημήτρη Μητρόπουλον καὶ ὁ ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς, ὁ ὁποῖος, μεταξὺ ἄλλων ἐτόνισεν ὅτι: «Ὁ δρόμος τοῦ Δημήτρη Μητρόπουλου ὑπῆρξεν ἀνηφορικός, συνεχῶς ἀνηφορικός, χωρὶς διακοπὰς ἀποσυνθετικάς, αἱ ὁποῖαι ἀναγκάζουν τὸν ἄνθρωπον εἰς κατολισθήσεις. Ἀνήρχετο, ἀδιασκόπως ἀνήρχετο πρὸς τὰ ὑψηλὰ πεδία τῆς Τέχνης κοὶ τῆς πνευματικῆς ὡριμάνσεως. Τὸν ὠνόμασαν μέγαν δεξιοτέχνην, ἀλλ' ἡ δεξιοτεχνία αὐτὴ ὑπῆρξε κοσμὸς τοῦ σκληροτέρου μόχθου ὁ ὁποῖος κάποτε ὑπερέβαινε τὰς φυσικάς του δυνάμεις. Φυσικὸν ἦτο τὸ πνεῦμα ν' ἀποβῇ νικητής, τὸ τάλαντον ἐμπλουτισμένον νὰ θριαμβεύσῃ, ἀλλὰ τὸ φθαρτὸν σῶμα νὰ καμφθῇ. Καὶ ἔπεσεν ὡς δρῦς πανύψηλος ἐπάνω εἰς τὴν ἔπαλξιν τῆς Τέχνης. Ἔπεσεν ὡς μέγας μαέστρος, ὡς μέγας μύστης, ὡς μέγας ἱεροφάντης, ἐπάνω εἰς τὸν βωμὸν τὸν ὁποῖον διηκόνισεν ἐπὶ ἡμισυ σχεδὸν αἰῶνα. Ἂν ὅμως τὸ σῶμα ἐκάμφθη, τὸ πνεῦμα τοῦ Μητρόπουλου δὲν ἀπέθανεν, ἀλλ' ἀκτινοβολεῖ ὡς τηλαυγὴς φάρος, ὡς μέγα παιδευτικὸν παράδειγμα πρὸς μίμησιν, ὡς ὑποθήκη πρὸς τοὺς μεταγενεστέρους. Ἡ Ἑλλὰς κλαίει πρώτη διὰ τὴν πρόωρον ἀπώλειάν του, διότι ὁ Μητρόπουλος ἦτο τέκνον της. Ὑπῆρξεν ἕνα ἀπὸ τὰ ὀλίγα καλύτερα τέκνα της».

Μετὰ τὰς συγκινητικὰς ἐκδηλώσεις εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ἡ σποδὸς τοῦ Μητροπούλου μετεφέρθη εἰς τὸ Ὠδεῖον Ἀθηνῶν, ὅπου καὶ ἐναπετέθη πρὸς φύλαξιν.

Ο ΓΙΓΑΣ ΤΗΣ ΜΟΥΣΙΚΗΣ ΠΟΥ ΕΦΥΓΕ

Ο ΑΓΝΩΣΤΟΣ ΜΗΤΡΟΠΟΥΛΟΣ

ΟΙ κ.κ. ΒΟΛΩΝΙΝΗΣ ΚΑΙ ΕΥΑΓΓΕΛΑΤΟΣ ΑΦΗΓΟΥΝΤΑΙ ΑΓΝΩΣΤΑ ΕΠΕΙΣΟΔΙΑ ΤΗΣ ΖΩΗΣ ΤΟΥ

ΤΟΥ ΣΥΝΕΡΓΑΤΟΥ ΜΑΣ κ. ΚΩΝ. Δ. ΔΗΜΗΤΡΕΛΙΑ

Ὁ ΑΞΕΧΑΣΤΟΣ Μητρόπουλος, ποὺ αἱ Ἀθῆναι ἐδέχθησαν προχθὲς τὴν σποδόν του, μέσα εἰς ἐκδηλώσεις βαθυτάτου πένθους, δὲν ὑπῆρξεν ἕνας ἐκ τῶν τριῶν ἢ τεσσάρων μεγίστων διευθυντῶν ὀρχήστρας τοῦ κόσμου, ὅπως ἐγράφη κατὰ τὰς ἡμέρας αὐτάς. Ὑπῆρξεν ὁ μεγαλύτερος ὅλων τῶν ἀρχιμουσικῶν τῆς νεωτέρας ἐποχῆς! Ἔτσι τουλάχιστον τὸν ἐχαρακτήρισε μία ἄλλη δόξα τῆς μουσικῆς, ὁ θρυλικὸς Ἀρτοῦρο Τοσκανίνι, εἰς συνομιλίαν του, γενομένην πρὸ ἐτῶν μὲ Ἕλληνα καλλιτέχνην. Ἡ ἀναγνώρισις αὐτὴ τῶν πρωτείων εἰς τὸν Ἕλληνα μάγον τῆς μπαγκέττας, διδομένη εἰς τὴν δημοσιότητα ἔστω καὶ μετὰ τὸν θάνατόν του, ἔχει μίαν ἰδιαιτέραν σημασίαν. Ἀλλὰ περὶ τῆς ἐξομολογήσεως αὐτῆς τοῦ Τοσκανίνι θὰ ὁμιλήσω κατωτέρω, διὰ ν' ἀνοίξω, ἐν τῷ μεταξύ, μίαν παρένθεσιν.

Σκοπὸς τῆς ἐρεύνης αὐτῆς εἶναι νὰ φέρῃ εἰς φῶς ὡρισμένα ἄγνωστα καὶ χαρακτηριστικὰ στιγμιότυπα ἀπὸ τὴν ζωὴν τοῦ ἐκλιπόντος μεγαλοφυοῦς μαέστρου, ποὺ ἀσφαλῶς θὰ βοηθήσουν εἰς τὸ νὰ συνθέσῃ κανεὶς τὴν πολύπλευρον, τὴν ἀσύλληπτον θὰ ἦτο δυνατὸν νὰ λεχθῇ, προσωπικότητα τοῦ καλλιτέχνου καὶ τοῦ ἀνθρώπου. Καὶ ὅπως εἶναι φυσικόν, αἱ αὐθεντικώτεραι πηγαὶ εἶναι ὡρισμένα ἀπὸ τὰ ἄτομα ἐκεῖνα, ποὺ ἐγνώρισαν καλὰ τὸν μεγάλον μαέστρο.

Ο ΙΔΕΤΗΣ «ΜΑΕΣΤΡΟΣ» ΕΠΑΙΖΕ «ΑΜΑΔΕΣ»

Εἶναι ζήτημα ἂν ὑπάρχῃ κανεὶς μεταξὺ τῶν ἀνθρώπων τοῦ μουσικοῦ μας κόσμου, ποὺ νὰ ἐγνώρισε τὸν Μητρόπουλον εἰς τόσον μακρυνὴν ἐποχὴν καὶ νὰ διετήρησε ἔκτοτε τόσην ἐπαφὴν μαζί του, ὅσον ὁ καθηγητὴς τοῦ Ὠδείου Ἀθηνῶν καὶ πρῶτος σολίστ βιολιοῦ τῆς Κρατικῆς Ὀρχήστρας, κ. Φρ. Βολωνίνης.

Ὁ ἐξαιρετικὸς καλλιτέχνης, εἶχε τὴν εὐγενῆ καλωσύνην νὰ μοῦ προσφέρῃ πολυτιμότατον ὑλικόν. Μετεφέρθη νοερῶς μισὸν περίπου αἰῶνα πρὸς τὰ πίσω, εἰς τὰ 1912, ὅταν μόλις 10ετὴς ἐπήγαινε εἰς τὸ σπίτι τοῦ Μητροπούλου, εἰς τὸ Παλαιὸν Φάληρον. Ὁ Δημήτρης ἦτο τότε 16 ἐτῶν καὶ ἐσπούδαζεν εἰς τὸ Ὠδεῖον Ἀθηνῶν. Ὁ συνομιλητής μας, ποὺ περιεπτύχθη τὸ βιολί ἀπὸ ἡλικίας 6 ἐτῶν, ἦτο ὁ μικρότερος μιᾶς καλλιτεχνικῆς συντροφιᾶς, ποὺ ἐλάμβανε μέρος εἰς μουσικὰς ἀσκήσεις καὶ οἰκογενειακὰ κοντσέρτα, τὰ ὁποῖα ἔδιδοντο εἰς τὸ σπίτι τοῦ Μητροπούλου. Ἡ παιδικὴ ὀρχήστρα τὸν ἀπεκάλει μαέστρο καὶ ἔβλεπε εἰς αὐτὸν κάτι μεταξὺ μυσταγωγοῦ καὶ προφήτου, ὅπως θὰ ἠμποροῦσε νὰ πῇ κανεὶς μὲ τὸ λεξιλόγιον τῶν ὡρίμων ἀνθρώπων.

— Ὁ ἔφηβος ἐκεῖνος, ποὺ εἶχε κυριολεκτικῶς ἀπορροφηθῆ ἀπὸ τὴν μουσικὴ — παρατηρεῖ ὁ κ. Βολωνίνης — ἐνῶ ἔδιδε ἐντύπωσιν ἑνὸς ἀσκητοῦ, εἶχε στιγμὰς ἀπιστεύτου παιδικότητος. Ἔτσι, μεταξὺ ἄλλων, ἔπαιζε «ὁμάδες» μὲ τὰ παιδικὰ μέλη τῆς ὀρχήστρας του, ποὺ δὲν ἔπαυσαν καὶ αὐτά, νὰ εἶναι παιδιά. Ὁ ἴδιος, ποὺ κατόπιν ἐπέταξε εἰς δυσθεώρητα ὕψη τῆς Τέχνης, ἔμεινε, εἰς τὸ βάθος, ἕνα μεγάλο παιδί, μέχρι τέλους τῆς ζωῆς του.

ΤΟ 1924 ΕΙΣ ΤΟ ΘΕΑΤΡΟΝ «ΚΕΝΤΡΙΚΟΝ» ΤΩΝ ΑΘΗΝΩΝ

Τὰ χρόνια ἐπέρασαν, ὁ Μητρόπουλος, ἀποφοιτήσας ἀπὸ τὸ Ὠδεῖον Ἀθηνῶν, ἐτελειοποίει τὰς σπουδάς του εἰς τὰς Βρυξέλλας, ὁ Βολωνίνης μετεξεπαιδεύετο εἰς τὸ Κονσερβατουὰρ τῶν Παρισίων. Καὶ οἱ δύο ἔκαμαν ἀνωτέρας σπουδὰς ὡς ὑπότροφοι, καθ' ὅτι εἶχαν τιμηθῆ μὲ τὸ χρυσοῦν μετάλλιον. Ἡ ὡριμότης τοῦ Μητροπούλου παρουσίαζε μίαν ἰλιγγιώδη ἄνοδον, μὲ κύριον διακριτικὸν τὴν ἔντονη τάσιν πρὸς τὴν νέαν μουσικήν. Τὸ 1924, τὸ ἄλλοτε παιδὶ καὶ ὁ ἄλλοτε ἔφηβος μαέστρος, εὑρέθησαν εἰς τὴν ἰδίαν αἴθουσαν τῶν Ἀθηνῶν, εἰς τὸ θέατρον «Κεντρικόν», διὰ νὰ ἑρμηνεύσουν μίαν τολμηροτάτην σύνθεσιν, πρὸ πάντων διὰ τὴν ἐποχὴν ἐκείνην, τὴν «Ἱστορία τοῦ Στρατιώτη», τοῦ Στραβίνσκυ.

— Πῶς ἐδέχθη τὸ κοινὸν τὴν ἐκτέλεσίν της;

— Μὲ παταγώδη σφυρίγματα — μοῦ ἀπαντᾶ μειδιῶν ὁ συνομιλητής μου. Παρ' ὅλον ποὺ ἡ αἴθουσα ἦτο γεμάτη ἀπὸ ἐκλεκτὸν κοινόν, οἱ πρὸ 36 ἐτῶν θιασῶται τῆς συμφωνικῆς μουσικῆς ὄχι μόνον τῶν Ἀθηνῶν ἀλλὰ καὶ εὐρωπαϊκῶν μεγαλουπόλεων μὲ μεγάλην μουσικὴν παράδοσιν ἦσαν εἰς σημαντικὸν ποσοστόν, ἀνεξοικείωτοι μὲ τὰς μουσικὰς σχολὰς αὐτοῦ τοῦ εἴδους.

Ὁ κ. Βολωνίνης μετέσχε, ὡς πρῶτο βιολί, ἀπὸ τὸ 1926, τῆς Συμφωνικῆς Ὀρχήστρας Ἀθηνῶν, μὲ μαέστρο τὸν Μητρόπουλο, ἔζησε κοντὰ του ὅλο τὸ γιγαντιαῖον ἔργον τῆς ἀναπτύξεως τῆς κλασσικῆς μουσικῆς εἰς τὴν Ἑλλάδα καὶ παρηκολούθησε τοὺς θριάμβους του, ποὺ τὸν ἔκαμαν διεθνῆ προσωπικότητα.

Ὁ Δημήτρης παρέμεινε ἀμετάβλητος. Ἕνα μεγάλο παιδί, γεμᾶτο ἁπλότητα, στοργικὸ πρὸς ὅλο τὸν κόσμο καὶ πρὸ πάντων πρὸς τοὺς ὑφισταμένους του μουσικούς.

Ο ΑΛΤΡΟΥΙΣΜΟΣ ΤΟΥ ΠΡΟΣ ΤΟΥΣ ΠΑΣΧΟΝΤΑΣ

Ἦλθε ὁ πόλεμος καὶ ἡ κατοχὴ τῆς Ἑλλάδος, ἡ ἀπελευθέρωσις. Τὸ 1946 ὁ κ. Βολωνίτης ἔκαμε καλλιτεχνικὴν περιοδείαν εἰς τὴν Ἀμερικὴν καὶ ἔδωσε συναυλίαν εἰς τὴν ὀνομαστὴν αἴθουσαν «Κάρνεζυ Χώλ». Ὁ Μητρόπουλος, ὁ ὁποῖος ἦτο διευθυντὴς τῆς ὀνομαστῆς ὀρχήστρας τῆς Μιννεαπόλεως, μόλις ἐπληροφορήθη τὸ γεγονὸς ἀπὸ τὰς ἐφημερίδας, ἔσπευσε νὰ συναντήσῃ τὸν παλαιὸν φίλον καὶ νὰ τοῦ προσφέρῃ τὴν θέσιν τοῦ β' βιολιοῦ, τὴν μόνην ποὺ ἦτο κενή, εἰς τὴν ὀρχήστραν. Ὁ κ. Βολωνίτης ἔμεινεν εἰς αὐτὴν ἐπὶ τρία ἔτη.

— Ποῖα πράγματα σᾶς ἔκαμαν ἰδιαιτέραν ἐντύπωσιν, κατὰ τὸ διάστημα αὐτό; ἐρωτοῦμε τὸν καθηγητὴν τοῦ Ὠδείου Ἀθηνῶν.

— Πολλὰ πράγματα. Πρῶτα-πρῶτα, ὁ ἀπέραντος ἀνθρωπισμὸς τοῦ μαέστρου μὲ τὴν διεθνῆ προβολήν, ὁ ὁποῖος ἐμοίραζε τὰ χρήματά του εἰς τοὺς πάσχοντας. Τὰ περιστατικὰ τοῦ εἴδους αὐτοῦ εἶναι πάμπολλα. Ἐδοκίμαζε ἰδιαιτέραν συγκίνησιν, ὅταν ἐπρόκειτο περὶ ἀρρώστων. Δύο περιπτώσεις εἶναι ἀρκετὰ χαρακτηριστικαί. Ἡ σύζυγος ἑνὸς μέλους τῆς ὀρχήστρας (δεύτερο κόρνο) μὲ τὰς ἐπανειλημμένας ἀσθενείας της, εἶχε φέρει τὸν μουσικὸν εἰς οἰκονομικὸν ἀδιέξοδον καὶ εὑρίσκετο ἀκόμη εἰς τὴν κλινικήν. Ὁ Μητρόπουλος, μόλις τὸ ἐπληροφορήθη, μοῦ ἔδωσε ἕνα σημαντικὸν ποσὸν καὶ μὲ ἐπεφόρτισε νὰ πληρώσω τὰ νοσήλεια, ἀφοῦ μὲ ἐξώκρισεν, ὅτι ἐπ' οὐδενὶ λόγῳ θ' ἀποκαλύψω τὴν ἐντολήν του. Ὁ ταλαιπωρημένος οἰκογενειάρχης κατεπλάγη, ὅταν διεπίστωσεν ὅτι τὸ χρέος του εἶχεν ἐξοφληθῆ, ἀδυνατῶν νὰ φαντασθῇ ποῖος ἦτο ὁ μέγας φιλάνθρωπος. Καί, ἔως τὴν στιγμὴν αὐτήν, δὲν τὸ ἔμαθε. Ἐξ ἄλλου, ὁ μεγάλος αὐτὸς ἀνθρωπιστής, δὲν ἐδίστασε νὰ πληρώσῃ ἐξ ἰδίων τὴν ἀμοιβὴν ἑνὸς ἄλλου μέλους τῆς ὀρχήστρας, τὸ ὁποῖον, διὰ σοβαρώτατον κώλυμα, δὲν μετέσχεν εἰς τὴν τρίμηνον τουρνὲ τοῦ συγκροτήματος τῆς Μιννεαπόλεως καί, διὰ τὸν λόγον αὐτόν, ἐστερήθη τῶν ἀποδοχῶν του, ἀπὸ τὸν οἰκονομικὸν διευθυντήν.

Η ΣΤΟΡΓΗ ΤΟΥ ΠΡΟΣ ΤΟΥΣ ΕΛΛΗΝΑΣ ΜΟΥΣΙΚΟΥΣ

Ἀλλὰ τὸ κεφάλαιον τῆς ζωῆς τοῦ Μητροπούλου - Ἀνθρώπου, δὲν ἤρχισεν εἰς τὴν Ἀμερικήν, ἀλλὰ εἰς τὴν ἀγαπημένην του πατρίδα, τὴν Ἑλλάδα. Πρὶν ἀπεδείξῃ ἐμπράκτως τὰ γενναῖα του αἰσθήματα πρὸς τοὺς ξένους, τὰ εἶχεν ἐκδηλώσει πρὸς τοὺς Ἕλληνας ὑφισταμένους του μουσικούς. Ὁ κ. Γ. Τσιριγώτης, ποὺ μετέχει σήμερον, ὡς πρῶτο κόρνο, εἰς τὴν Συμφωνικὴν Ὀρχήστραν καὶ εἰς τὴν ὀρχήστραν τῆς Λυρικῆς Σκηνῆς, ἔχει ἕνα ἐξαιρετικοῦ τύπου ὄργανον, ποὺ τοῦ ἔστειλε πρὸ πολλῶν ἐτῶν ὁ Μητρόπουλος, ἐκτελῶν παλαιοτέραν του ὑπόσχεσιν. Ἀνάλογα δῶρα ἔστειλεν εἰς ὁρκετοὺς Ἕλληνας μουσικούς, ὅπως καὶ συνέδραμε ἄλλους εἰς δυσκόλους στιγμὰς τῆς ζωῆς των. Ἔτσι, τὸ 1938, μόλις εἶχεν ἀρχίσει ν' ἀξιοποιῇ οἰκονομικῶς τοὺς καλλιτεχνικούς θριάμβους του, ἐνίσχυσε μὲ 25.000 τῆς ἐποχῆς ἐκείνης, ἕνα βιολοντσελλίστα, ποὺ ἀντιμετώπιζε ἕνα οἰκογενειακὸν δρᾶμα, λόγω ἀσθενείας καὶ ποὺ ἐξακολουθεῖ σήμερον νὰ μετέχῃ σημαντικοῦ μουσικοῦ συγκροτήματος τῶν Ἀθηνῶν. Ἐννοεῖται, ὅτι τὰ περιστατικὰ αὐτὰ εἶναι ὀλίγα ἀπὸ τὰ πολλά, ποὺ συνθέτουν τὴν ψυχὴν τοῦ μεγάλου ἀνθρώπου καὶ καλλιτέχνου.

ΑΓΝΩΣΤΗ ΕΞΟΜΟΛΟΓΗΣΙΣ ΤΟΥ ΤΟΣΚΑΝΙΝΙ

Μετὰ τὴν παρεμβολὴν αὐτήν, ἂς συνεχίσωμε τὴν ἐνδιαφέρουσαν ἀφήγησιν τοῦ κ. Βολωνίνη:

— Εἰς τὴν Μιννεάπολιν —μᾶς λέγει ὁ ἔγκριτος μουσικὸς— ἐλάτρευαν κυριολεκτικῶς τὸν Μητρόπουλο. Ἐθαύμαζαν, μεταξὺ ἄλλων, τὴν μουσικὴν μνήμην του. Δὲν θὰ λησμονήσω ποτέ, ὅτι ὁ ἀξέχαστος μαέστρος ἐμελέτησε ἐπ' ὀλίγον, ἐνῶ ἐταξίδευε μαζί μου μὲ τραῖνο, μίαν νέαν σύνθεσιν, ποὺ ἔβλεπε διὰ πρώτην φορά. Τὴν ἑπομένην, διηύθυνε τὴν ἐκτέλεσίν της, χωρὶς νὰ ρίξῃ ἄλλη ματιὰ στὴν «παρτιτούρα».

Ἐκεῖνο, ὅμως, ποὺ μὲ συνεκλόνισε, ἦτο μιὰ ἐξομολογησις τοῦ μεγάλου Τοσκανίνι, τὸν ὁποῖον εἶχα τὴν τιμὴν νὰ γνωρίσω εἰς τὴν Ἀμερικήν. «Ἔχεις τὸ εὐτύχημα —μοῦ εἶπε— ὅτι παίζεις ὑπὸ τὴν διεύθυνσιν τοῦ ΜΕΓΑΛΥΤΕΡΟΥ ΜΑΕΣΤΡΟΥ ΤΟΥ ΚΟΣΜΟΥ». Καὶ μὲ τὴν εὐκαιρίαν αὐτὴν —συνέχισε ὁ κ. Βολωνίνης— πρέπει νὰ σᾶς πῶ καὶ κάτι ἄλ

ΜΙΑ ΙΔΕΑ ΠΟΥ ΠΡΕΠΕΙ ΝΑ ΜΕΛΕΤΗΘΗ

ΝΑ ΓΙΝΗ ΜΟΥΣΕΙΟΝ ΤΟ ΣΠΙΤΙ ΤΟΥ ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΥ

ΠΡΟΣΚΥΝΗΜΑ ΤΩΝ ΦΙΛΟΜΟΥΣΩΝ ΟΛΟΥ ΤΟΥ ΚΟΣΜΟΥ.-Η ΤΕΦΡΑ ΤΟΥ ΔΕΝ ΠΡΕΠΕΙ ΝΑ ΠΑΡΑΜΕΙΝΗ ΣΤΟ ΕΤΟΙΜΟΡΡΟΠΟ ΩΔΕΙΟ

ΑΝΑΜΝΗΣΕΙΣ ΤΗΣ ΠΑΛΑΙΑΣ ΕΝΟΙΚΟΥ κ. Μ. ΣΤΑΜΑΤΙΑΔΟΥ

Στὸν ἀριθμὸ 19 τῆς ὁδοῦ Τρίτωνος, στὸ Παλιὸ Φάληρο, εὑρίσκεται τό σπίτι στὸ ὁποῖο γεννήθηκε ὁ Δημήτρης Μητρόπουλος καὶ στὸ ὁποῖο πέρασε τὰ παιδικὰ χρόνια του. Σήμερα τὸ σπίτι αὐτὸ ἀγοράσθηκε ἀπὸ τὸν ἀνώτερον ὑπάλληλον τῆς Ἀγροτικῆς Τραπέζης κ. Κωνσταντόπουλον, ὁ ὁποῖος καὶ ἀγωνίζεται νὰ τὸ κάμη κατοικήσιμον. Μέσα σ' αὐτὸ σὰν σκιὰ ζῆ ἐπίσης ἡ κ. Μαρίκα Σταματιάδου, ποὺ ὁλόκληρες δεκατίες ἔζησε μαζὶ μὲ τὴν μητέρα τοῦ Δημήτρη Μητρόπουλου καὶ τὸν γνώρισε ἀπὸ μικρόν. Ἡ κυρία Σταματιάδου στάθηκε κοντὰ στὴν μητέρα τοῦ Δημήτρη Μητρόπουλου τὴν κυρία Ἀγγελική. Αὐτὴ ἦταν πάντα ἡ συντροφιὰ τῶν τελευταίων χρόνων της. Αὐτὴ ἦταν ἡ νοσοκόμος της κι' αὐτὴ τῆς ἔκλεισε τὰ μάτια λίγο πρὶν ἀπὸ τὸ Πάσχα τοῦ 1946, ὅταν ἀνεπαύθη. Μέσα σ' αὐτὸ τὸ σπίτι ὡστόσο ὑπεβλήθη σὲ πολλὲς δοκιμασίες. Κι' ἡ μοῖρα τὸ θέλησε, ὕστερα ἀπὸ ἕναν ὁλόκληρο ἀγῶνα δικαστικὸ νὰ μείνη τέλος σ' ἕνα δωματιάκι πληρώνοντας ἐνοίκιον!... Τὸ λάθος δὲν ἦταν τῆς οἰκογενείας Μητροπούλου οὔτε τῶν συγγενῶν της. Ὅλα τὰ φταίει ἡ Κατοχή. Τότε ἐπωλήθη τὸ σπίτι. Κι' ὕστερα δγῆκε σ' ἕνα πλῆθος πλειστηριασμῶν μέχρις ὅτου περιῆλθε στὸ σημερινὸ ἰδιοκτήτη του.

Ὡστόσο, τὸ σπίτι στὸ ὁποῖο γεννήθηκε κι' ἔζησε ὁ Δημήτρης Μητρόπουλος δὲν θὰ ἔπρεπε νὰ χαθῆ ἔτσι καὶ νὰ σβήση ἀπὸ τὸ πρόσωπον τῆς γῆς!... Θὰ μποροῦσε ἴσως νὰ τ' ἀγοράση τὸ Κράτος, νὰ τοῦ δώση τὸν παλιὸ ρυθμόν του καὶ τὴν εἰδυλλιακήν του ὁμορφιάν. Θὰ μποροῦσε νὰ τὸ διατηρήση, νὰ τοποθετήση ἐκεῖ τὴν τεφροδόχον τοῦ διασήμου καὶ ἀθάνατου μαέστρου, νὰ τὸ κάνη ἕνα μουσεῖον Μητροπούλου. Ἕναν ἀληθινὸν ναόν του, στὸν ὁποῖο νὰ διατηρηθῆ ἡ ἀνάμνησίς του. Στὸ Ὠδεῖον Ἀθηνῶν δὲν θὰ μπορέση νὰ μείνη γιὰ πολὺ ἡ τέφρα. Ὅλο τὸ κτίριο εἶνε ἐρειπωμένο. Εἶνε σπίτι ποὺ κτίσθηκε τὸ 1835! Ἐκεῖ ἔμεινε ὁ Ἀρμανσπεργκ. Ἡ μεγάλη κόρη του, ὅπως εἶνε γνωστόν, εἶχε ἐρωτευθῆ τὸν Ὄθωνα κι' ὁ πατέρας της εἶχε τὴν χιμαιρικὴν ἰδέαν νὰ τὴν πατρέψη μὲ τὸν νεαρὸν τότε βασιλέα Ὄθωνα κι' ἐκείνη νὰ γίνη βασίλισσα τῆς Ἑλλάδος! Μὰ ἀλλοιῶς γράφηκε κι' ἡ μοῖρα τοῦ Ὄθωνος κι' ἡ μοῖρα τῆς μεγάλης ἀπὸ τὶς τρεῖς κόρες τοῦ Ἀρμανσπεργκ. Ἐκεῖ λειτούργησε καὶ λειτουργεῖ τὸ Ὠδεῖον Ἀθηνῶν. Σ' αὐτὸ τὸ ἐρείπιον. Ὅταν προχθὲς ἀνοίχθηκε ἡ πόρτα τῆς αἰθούσης τῶν συναυλιῶν, ἡ μούχλα καὶ ἡ ὑγρασία ἦταν ἀπερίγραπτη!... Ὁ ἀριστερὸς τοίχος τῆς πρὸς τὸ μέρος τῆς σκηνῆς, εἶχε ἕνα λευκὸ μπάλωμα ἀπὸ ἀσβέστη! Τὸ πάτωμα εἶχε σάπια σανίδια. Ὁ διάκοσμός του ἦταν ἀπογοητευτικός!... Σαὐτὸ τὸ ἐτοιμόρροπο κτίριο θὰ φυλαχθῆ ἡ σποδὸς τοῦ διασήμου μαέστρου; Ποῦ θὰ τοποθετηθῆ; Σ' ἕνα ὑγρὸ καὶ ἐρειπωμένο δωμάτιο; Τί λέγουν πάνω σ' αὐτὸ οἱ παλιοὶ συμμαθηταί του καὶ εἰλικρινεῖς φίλοι του; Γιατὶ δὲν ὑπάρχει ἀμφιβολία, ὅτι ζοῦνε ἀκόμη οἱ ἄνθρωποι ποὺ τὸν πίκραναν καὶ τὸν πλήγωσαν. Ποὺ ἔχουν σήμερα ὑψηλὲς θέσεις καὶ ποὺ ἀκόμη, γιατὶ νὰ κοροϊδευώμαστε, θὰ ἤθελαν νὰ λησμονηθῆ ὁ διεθνοῦς φήμης μαέστρος μὲ τὴν ἀφελῆ σκέψιν ὅτι εἶνε ποτὲ δυνατὸν νὰ φωτισθοῦν αὐτοί, ἐνῶ ἔχει ἀπὸ καιρὸ ἀποκαλυφθῆ ἡ γυμνότητά τους καὶ ἡ μετριότης τοῦ ταλέντου τους! Ἂς μὴ κρύψουμε τὴν ἱεράν αὐτὴν κάλπην στοὺς ὑγροὺς κι' ἐρειπωμένους τοίχους ἑνὸς οἰκήματος ποὺ πρόκειται συντόμως νὰ γκρεμισθῆ. Ἂς τῆς δώσουμε τὴν ἀνάλογη τιμή. Ἂς τὴν γυρίσουμε στὸ πατρικό σπίτι τοῦ Παλιοῦ Φαλήρου κι' ἂς γίνη τέλος αὐτὸ ἕνα μουσεῖον τοῦ Δημήτρη Μητρόπουλου. Μιὰ ἔνδοξη ἱστορία σαράντα πέντε χρόνων ζωῆς καὶ θριάμβων!... Ὅλες οἱ χῶρες, ὅλοι οἱ φίλοι τοῦ Δημήτρη Μητρόπουλου θὰ συμβάλουν ἀσφαλῶς σ' αὐτὸ τὸ ἔργον. Δὲν πρέπει ἡ Ἑλλὰς νὰ χάση αὐτὴ τὴν εὐκαιρία γιὰ τὸν τουρισμόν της. Κοντὰ στοὺς ἀρχαιολογικοὺς θησαυρούς της θὰ ἔχη νὰ ἐπιδείξη κι' ἕνα «κοσμοπολίτη» ἕναν «Δια γόρα», ἕναν ἀληθινὰ ἀθάνατον: Τὸν Δημήτρη Μητρόπουλο. Τὸ μουσεῖο τῆς ζωῆς του καὶ τῆς τέχνης του. Ὅλες τὶς καλλιτεχνικές του ἀναμνήσεις, μέσα σ' αὐτὸ τὸ σπίτι ποὺ γεννήθηκε...

Μὰ ἂς ἰδοῦμε τί λέγει ἡ «σκιὰ» αὐτοῦ τοῦ σπιτιοῦ, ἡ κυρία Μαρία Σταματιάδου:

— Εἶνε ἀλήθεια, μᾶς εἶπε, ὅτι τὸ σπίτι τοῦ Δημήτρη Μητρόπουλου τὸ ἔκαναν ἀγνώριστο οἱ ἰδιοκτῆτες ποὺ τὸ ἐπῆραν. Ἄλλοτε ἦταν σωστὸς παράδεισος. Εἶχε τριάντα πεῦκα ἄμορφα ὀλόδροσα παρτέρια μὲ θαυμκάσια λουλούδια. Πάγκους ὅπου ἠρέσκετο ὁ Δημήτρης νὰ ξεκουράζεται. Τὸ σπίτι εἶχε 24 δωμάτια καὶ θεόρατες φοινικιές. Δυὸ - τρεῖς σώζονται ἀκόμη καὶ σήμερα. Μὰ τὸ σπίτι κατὰ τὸ κέφι τοῦ κάθε ἰδιοκτήτη διαρρυθμίζεται καὶ χάνει τὴν παλιὰ ἀρχοντιά του. Γίνεται χῶρος ἐκμεταλλεύσιμος.... Καὶ νὰ σκεφθῆτε ὅτι αὐτὸ τὸ σπίτι θὰ ἦτανε δικό μου. Μὰ τὸ ἔφαγαν οἱ δικαστικοὶ ἀγῶνες, τὰ χρέη καὶ τὰ ἔξοδα.

— Κυρὰ Μαρία θὰ ἤθελα νὰ μᾶς πῆς ὅ,τι γνωρίζεις γιὰ τὸν Δημήτρη Μητρόπουλο καὶ τὴν μητέρα του...

Ἡ κυρὰ Μαρία μᾶς κυττάζει κατάματα.

— Τί νὰ σᾶς πῶ μέσα σ' αὐτὰ τὰ χαλάσματα; Δὲν βλέπετε; Ἔπεσε τσεκούρι καὶ ἀξίνα. Ὅλα γκρεμίζονται κι' ἀλλάζουν μορφή... Τὸ πονῶ αὐτὸ τὸ ἀρχοντικὸ γιατὶ σ' αὐτὸ ἔζησα ἀπὸ μικρὸ κοριτσάκι. Ἐγὼ ἔζησα τὴν μάννα τοῦ Δημήτρη Μητρόπουλου. Μαζὶ συζητούσαμε τὶς ἐπιτυχίες του καὶ τοὺς θριάμβους του. Μαζὶ μὲ τὸν Δημήτρη μιλούσαμε συχνά. Ἐγὼ τὸν ἔπαιρνα ἀπὸ τὸ χέρι καὶ τὸν ὡδηγοῦσα ὡς τὴν πολυθρόνα, στὴν ὁποία ἦταν κατάκοιτη ἡ μητέρα του. Ἐγὼ τὴν στόλιζα, τὴν ἔντυνα, τὴν κτένιζα καὶ τὴν ὡδηγοῦσα στὸν κῆπο, ἀφοῦ ἑτοίμαζα τὰ διάφορα τραπεζάκια γιὰ τὸ μπρίτζ. Ἡ Ἀγγελικὴ Μητροπούλου κάθε ἡμέρα περίμενε τὶς φίλες της καὶ τοὺς καλούς της φίλους. Ὅλη ἡ κοσμικὴ ζωὴ τῆς παλιᾶς Ἀθήνας περνοῦσε ἀπὸ τὸ σπίτι της...

— Κι' ὁ Δημήτρης Μητρόπουλος;

— Αὐτὸς εἶχε τὴν ζωή του. Τὴν ἰδιορρυθμία του. Μοναδική του ἀγάπη ἡ μουσική. Ἀποτραβιόταν στὴν ἄκρη τοῦ σπιτιοῦ σ' ἕνα δωματιάκι κι' ἐκεῖ ζοῦσε τὴ ζωή του μὲ τὸ βιολί του καὶ τὸ πιάνο του. Ἀγαποῦσε παθολογικὰ τὴν μάννα του καὶ μ' αὐτὴν κλεινόταν ὧρες καὶ ὧρες καὶ συζητοῦσαν. Ξέρω πὼς τὸ ὄνειρο τοῦ πατέρα του ἦταν νὰ τὸν κάνη ἀξιωματικὸ τοῦ Ναυτικοῦ, μὰ ἐκεῖνος ἀγαποῦσε μοναδικὰ τὴν μουσική.

— Ἤξερες τὴν ἐπιθυμία του νὰ γίνη καλόγερος στὸ Ἅγιον Ὄρος;

— Ναί, ἦταν ἀλήθεια. Εἶχε ἀπὸ μικρός, ὅπως ἄκουγα ἀπὸ τὴν μητέρα του μιὰ φοβερὴ προσήλωσι στὰ θεῖα. Ὧρες ὁλόκληρες τὶς περνοῦσε μέσα στὶς ἐκκλησίες τοῦ Παλαιοῦ Φαλήρου μὲ τοὺς παπάδες.... Καὶ τέλος βρῆκε τὸν δρόμο του καὶ δόθηκε στὴν μουσική. Πῆγε στὸ Βερολῖνο. Ἄρχισε πιὰ τὴν ζωή του.

— Πόσο χρονῶν ἦταν ἡ ἀδελφή του ἡ Ἑλένη σὰν ἀρρώστησε;

— Δὲν εἶχε ἀκόμη τελειώσει τὸ γυμνάσιον. Ἡ μητέρα της τὴν ἔπηγε στὴν Ἐλβετία γιὰ νὰ τὴν σώση. Ἔτρεξε ἐκεῖ κι' ὁ Δημήτρης καὶ τὴν ἐπῆρε στὸ Βερολῖνο μὰ δὲν πρόλαβε νὰ τὴν δισώση. Πέθανε σὲ λγο. Κι' ὁ Δημητράκης πικράθηκε... Ὁ Καῖρης, ἀπὸ τὴν Αἴγυπτο βοήθησε τὸν Δημήτρη στὶς σπουδές του. Ἔπειτα τὸν εἴχαμε πιὰ ἐπισκέπτη στὸ πατρικὸ σπίτι. Ἡ μητέρα του ἀλληλογραφοῦσε μαζί του. Τῆς ἔστελνε χρήματα. Μὰ δημιουργήθηκαν πολλὰ μπερδέματα μὲ τοὺς συγγενεῖς. Δὲν ἤθελε κανέναν πιὰ ἀπὸ αὐτοὺς νὰ ἀντικρύση. Μόνο μὲ τὸν Ἀντώνη Σκὼκο διατηροῦσε τὴν παλαιὰ καὶ ἀδιατάρακτη φιλία του.

— Πότε πέθανε ἡ μητέρα τοῦ Δημήτρη Μητρόπουλου;

— Τὸ 1946. Ἔνα πρωί. Ἐδῶ στὸν κῆπο ποὺ τὴν εἶχα βγάλει μὲ τὴν πολυθρόνα της. Τὴν εἶχα κτενίσει καὶ περιποιηθῆ. Περίμενε τὶς φίλες της νὰ παίξουν μπρίτζ. Ἔγειρε καὶ πέθανε, σὲ μιὰ στιγμή. Ἀπὸ συγκοπὴ τῆς καρδιᾶς... Σὲ μιὰ στιγμή.. Ἔπειτα τὸ σπίτι...διελύθη. Πάει τὸ ἀρχοντικό. Ἤρθαν οἱ ξένοι. Κι' ἐγὼ μένω σ' ἕνα μικρὸ δωματιάκι καὶ πληρώνω ἐνοίκιο!... Γυρίζω στὸ σπίτι τοῦ Δημήτρη Μητροπούλου μὲ κάποιο δέος. Μέσα στὰ χαλάσματα ποὺ ἀποκαλύπτουν ὡστόσο ὅτι κάποτε αὐτὸ τὸ σπίτι ἦταν ἕνα ἀπὸ τὰ πιὸ πλούσια ἀρχοντικὰ τοῦ Παλαιοῦ Φαλήρου ἐδῶ κι ἑξῆντα χρόνια!...

Ἡ κ. Κατίνα Σκώκου, ἡ σύζυγος τοῦ πλέον ἀγαπημένου νεανικοῦ φίλου καὶ καθηγητοῦ τοῦ Ἀντώνη Σκώκου, ποὺ μᾶς ἀφησε τὸ 1951, μοῦ ἀνέφερε ἐπίσης σὲ μιὰ συνομιλία:

— Μὲ τὸν ἄνδρα μου ἦταν ἀχώριστοι. Μαζὶ σπουδάσαμε στὸ Βερολῖνο. Ὁ Δημήτρης Μητρόπουλος μὲ τὴν Νεγρεπόντη μᾶς βάφτισε καὶ τὸ παιδί μας. Στὰ παλιὰ χρόνια ἦταν ἕνας ἀπὸ τοὺς πιὸ μανιώδεις ὀρειβάτες. Ὁ Δημήτρης Μητρόπουλος ἦταν ἀπὸ τοὺς πρώτους ποὺ ἀνέβηκε στὴν κορυφὴ τοῦ Ὀλύμπου. Τ' ἄρεσαν καὶ τὸν γοήτευαν τὰ ψηλὰ βουνά! Ἦταν δοσμένος σὲ κάθε τι ὡραῖο. Σιγὰ - σιγὰ ἀπομακρύνθηκε ὅμως τελείως ἀπὸ τὸν ὑλικὸ κόσμο. Ἦταν ἀσκητικὸς καὶ ζοῦσε μόνον στὸν κόσμο τῆς μουσικῆς καὶ τοῦ πνεύματος. Τὰ πρῶτα χρόνια ἦταν κεφᾶτος, ζωηρός. Ἔπειτα ἡ πίκρα ἄρχισε νὰ σταλάζη στὴν καρδιά του. Ἀγωνίσθηκε νὰ ἀνυψωθῆ ἀπὸ τὰ πάθη τνῶ ἀνθρώπων. Ἦταν ἀφάνταστα εὐαίσθητος. Κι' ἡ ἀσκητική μορφή του εἶχε μιὰ ἀπεριγραπτη μελαγχολία. Τὴν ψυχή του, τὴν πληγωμένη ψυχή του μόνο στὸ βλέμμα του μποροῦσες νὰ τὴν ἀντικρύσης. Κι' ἂν εἶχε κανεὶς τὸ χάρισμα νὰ καταλαβαίνη τὴν μουσική, μποροῦσε νὰ νοιώση αὐτὰ τὰ ξεσπάσματα τοῦ μεγάλου καημοῦ του μέσα στὴν θεϊκὴ ἁρμονία τῶν ἤχων της...

Στὸν ἀριθμὸ 19 τῆς ὁδοῦ Τρίτωνος, στὸ Παλιὸ Φάληρο ἡ σκαπάνη δουλεύει στὸ σπίτι ποὺ γεννήθηκε ὁ Δημήτρης Μητρόπουλος. Εἶνε καιρὸς ἂν θέλουν νὰ τὸ διασώσουν καὶ νὰ τὸ κάνουν Μουσεῖο τῆς ζωῆς του καὶ τῶν θριάμβων του νὰ ἔρθουν σὲ σχετικὲς συνεννοήσεις μὲ τὸν σημερινὸν ἰδιοκτήτη. Εἶνε ἁμαρτία νὰ χαθῆ τὸ σπίτι τοῦ Δημήτρη Μητροπούλου, ἐνῶ μπορεῖ νὰ γίνη ἕνα θαυμάσιο μουσεῖον. Σ' αὐτὸ μπορεῖ νὰ ἐναποθετηθῆ κι' ἡ τέφρα τῆς σορροῦ τοῦ ἀθάνατου μαέστρου. Τοῦ μοναδικοῦ Ἕλληνα ποὺ δόξασε στὸν τομέα τῆς μουσικῆς τόσο λαμπρὰ τὴν Ἑλλάδα σ' ὅλη τὴν ὑδρόγειον. Εἶνε ἀκόμη καιρὸς νὰ τὸν γλυτώσουν ἀπὸ τούς... ἄσπονδους «φίλους» του καὶ νὰ διασώσουν στοὺς αἰῶνες τὴν μνήμη του. Εἶνε καιρὸς νὰ τὸν διασώσουν ἀπὸ τούς... γρύλους ποὺ θέλουν νὰ κάνουν τ' ἀηδόνια, στὸν Παραδείσιο κῆπο τῆς μουσικῆς!...

ΜΕ ΕΚΔΗΛΩΣΕΙΣ ΒΑΘΥΤΑΤΟΥ ΠΕΝΘΟΥΣ Η ΣΠΟΔΟΣ ΤΟΥ ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΥ ΕΝΑΠΕΤΕΘΗ ΕΙΣ ΤΟ ΩΔΕΙΟΝ ΑΘΗΝΩΝ

Χωρὶς μαέστρον ἡ κρατικὴ ὀρχήστρα ἀπέδωσε τὸ πένθιμον ἐμβατήριον

ΕΤΙΜΗΘΗ ΩΣ ΗΡΩΣ Ο ΜΕΓΑΣ ΚΑΛΛΙΤΕΧΝΗΣ

ΑΘΗΝΑΙ, 7.— Μὲ συγκινητικὰς ἐκδηλώσεις βαθυτάτου πένθους καὶ εἰλικρινοῦς λύπης τοῦ καλλιτεχνικοῦ καὶ φιλοτέχνου κόσμου διεκομίσθη τὴν Κυριακὴν εἰς τὰς Ἀθήνας, ἡ σποδὸς τοῦ Δημήτρη Μητροπούλου καὶ ἔγινεν εἰδικὴ τιμητικὴ ἐκδήλωσις εἰς μνήμην του. Τὸ ἀεροπλάνον, τὸ ὁποῖον μετέφερε τὴν κάλπιδα μὲ τὴν τέφραν τοῦ νεκροῦ, ἀνεχώρησε τὴν πρωΐαν τῆς Κυριακῆς ἀπὸ τὸ Μιλᾶνον καὶ ἔφθασε τὴν 2.30΄ ἀπογευματινὴν εἰς Ἐλευσῖνα.

Ἀπὸ ἐκεῖ ἔφυγε καὶ τὴν 4ην μ.μ., ὅπως εἶχε προγραμματισθῆ, τὸ «Ντακότα» τῆς στρατιωτικῆς ἀεροπορίας προσγειώθη εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ. Ἐκεῖ, εἰς τὸν χῶρον ὅπου ἔγινεν ἡ προσγείωσις, εἶχε παραταχθῆ τμῆμα τῆς βασιλικῆς ἀεροπορίας καὶ ἡ μουσική της, προσῆλθον δὲ ὅπως ἀποτίσουν φόρον τιμῆς εἰς τὴν μνήμην τοῦ μεγάλου ἀρχιμουσικοῦ ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος, οἱ ὑπουργοὶ κ.κ. Τσάτσος καὶ Βογιατζῆς, ὁ γενικὸς διευθυντὴς τῆς λυρικῆς σκηνῆς κ. Μπαστιᾶς, καθὼς καὶ πλῆθος ἐπιλέκτων ἐκπροσώπων τοῦ μουσικοῦ κόσμου. Μεταξὺ ἄλλων παρέστησαν οἱ κ.κ. Βαβαγιάννης, Παρίδης, Εὐαγγελᾶτος, Σκλάβος, Φαραντάτος, Πουηρίδης, Πολλάντιος, Μπουστίντουί, ἡ κ. Κρινιὼ Καλομοίρη, ὁ πρόεδρος καὶ ὁ γενικὸς γραμματεὺς τοῦ πανελληνίου μουσικοῦ συλλόγου κ.κ. Χυτήρης καὶ Βαρδάκης, πολλοὶ καλλιτέχναι τῆς λυρικῆς σκηνῆς καὶ ἐκπρόσωποι ὅλων τῶν ὠδείων. Προσῆλθεν ἐπίσης ἡ Κατίνα Παξινοῦ.

Εἰς τὴν ἐκδήλωσιν παρέστησαν καὶ οἱ κάτωθι συγγενεῖς τοῦ Μητροπούλου ἐκ μητρός: Γουλιέλμος Ἀναγνωστόπουλος, Ἑλένη Χλωροῦ, Σωσὼ Χρύσα, Λουΐζα Ζαράνη, Αἰκατερίνη Βενετσανοπούλου, Βασιλικὴ Ἀναγνωστοπούλου, Ἑλένη Καραπιπέρη καὶ Δημήτριος Λαλαούνης, ὅλοι, ὅπως ἀναφέρουν, ἐξάδελφοί του πρῶτοι. Ἐπίσης παρευρέθησαν οἱ ἀνεψιοί του Νίκος Ἀναγνωστόπουλος, Ἀγησίλαος Ἀναγνωστόπουλος, Μάρω Μανουσάκη, Ἕλλη Μακρῆ καὶ Ἄγγελος Μιχαλόπουλος.

ΣΥΓΚΙΝΗΤΙΚΑΙ ΕΚΔΗΛΩΣΕΙΣ

Εὐθὺς μόλις προσεγειώθη τὸ ἀεροπλάνον ὁ γενικὸς διευθυντὴς τῆς κρατικῆς ὀρχήστρας κ. Βαβαγιάννης ἐπροχώρησε πρὸς τὴν κλίμακά του, τὴν ἀνῆλθε καὶ παρέλαβεν ἀπὸ τὰ χέρια τοῦ ἐπιβαίνοντος διευθυντοῦ γραμμάτων καὶ καλῶν τεχνῶν τοῦ ὑπουργείου παιδείας κ. Κουρνούτου τὸ κιβώτιον μὲ τὴν σποδὸν τοῦ Δημήτρη Μητροπούλου. Ἐν συνεχείᾳ, συνοδευόμενος ἀπὸ τὸν κ. Κουρναῦτον, τὸν ἐκπρόσωπον τοῦ ὑπουργείου ἐξωτερικῶν κ. Δημητρόπουλον, ποὺ ἐπίσης εἶχε μεταβῆ εἰς τὸ Μιλᾶνον καὶ ἀνώτερον ἀξιωματικὸν τῆς ἀεροπορίας, ἐπροχώρησε πρὸς τὸ μέρος ὅπου ἀνέμενον οἱ ἐπίσημοι. Τὸ παρατεταγμένον τμῆμα ἀπέδιδε τὰς νενομισμένας τιμάς, ἐνῷ συγχρόνως ἡ μπάντα τῆς ἀεροπορίας ἀνέκρουε πένθιμον ἐμβατήριον. Μὲ ἀργὸν βῆμα καὶ ὑπὸ τὴν γενικὴν συγκίνησιν ἡ τετρὰς ἐπλησίασεν εἰς ἀνοικτὸν τζὶπ τῆς ἀεροπορίας καὶ ὁ κ. Βαβαγιάννης παρέδωσε τὸ κιβώτιον μὲ τὴν τέφραν εἰς τὸν ἐπὶ κεφαλῆς τῆς τετράδος ποὺ ἐπέβαινε. Προηγουμένως ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος ἐκάλυψε μὲ τὴν κυανόλευκον τὴν κάλπιδα ποὺ περιεῖχε τὴν σποδόν.

Τὴν 4.30 μ.μ. ἡ πένθιμος συνοδεία ἔφθασεν εἰς Ἀθήνας καὶ κατηυθύνθη εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἐνωρίτερον τὸ κάτω ἀπὸ τὴν Ἀκρόπολιν ἀρχαῖον θέατρον εἶχεν ἀσφυκτικῶς πληρωθῆ ἀπὸ κόσμον. Ἔκειμε μάλιστα ἰδιαιτέραν ἐντύπωσιν τὸ γεγονὸς ὅτι οἱ περισσότεροι ἀπὸ τὰς τρεῖς καὶ πλέον χιλιάδας ποὺ εἶχον συρρεύσει εἰς τὸ Ὠδεῖον Ἡρώδου ἀνῆκον εἰς τὰς λαϊκὰς τάξεις, μὲ πυκνὴν ἐκπροσώπησιν καὶ τῆς νέας γενεᾶς. Πλήθη κόσμου εἶχον συγκεντρωθῆ καὶ εἰς τὴν ὁδὸν Διονυσίου Ἀρεοπαγίτου. Εἰς τὸ πεζοδρόμιον πρὸ τῆς κλίμακος ποὺ ὁδηγεῖ πρὸς τὸ ἀρχαῖον θέατρον εὑρίσκετο ἀντιπροσωπεία ἐπιλέκτων στελεχῶν τῆς κρατικῆς ὀρχήστρας. Μόλις ἔφθασε τὸ αὐτοκίνητον τὸ φέρον τὴν τέφραν τῆς σοροῦ τοῦ Μητροπούλου, ὑπὸ τὴν γενικὴν καὶ ζωηρὰν πάντοτε συγκίνησιν, ὁ γενικὸς διευθυντὴς τῆς κρατικῆς ὀρχήστρας παρέλαβεν ἐκ νέου τὸ κιβώτιον καὶ ἐπροχώρησε πρὸς τὸ ἀρχαῖον Ὠδεῖον. Μαζὶ τὰ μέλη τῆς κυβερνήσεως, ὁ κ. Μπαστιᾶς, ἐκπρόσωποι τῶν στελεχῶν τῆς κρατικῆς ὀρχήστρας, καθὼς ἐπίσης καὶ ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς. Ἐνῶ ἡ πομπὴ εἰσήρχετο εἰς τὸ ὑπερπλῆρες Ὠδεῖον Ἡρώδου ἀντήχησαν ζωηρὰ σαλπίσματα καὶ ταυτοχρόνως οἱ τρεῖς χιλιάδες κόσμου, αἱ ὁποῖαι εἶχον καταλάβει τὰς κερκίδας του ἐξέσπασαν εἰς ἕνα παρατεταμένον χειροκρότημα.

Ὁ κ. Βαβαγιάννης ἐπροχώρησε καὶ ἐτοποθέτησε τὴν κάλπιδα μὲ τὴν τέφραν τοῦ ἀειμνήστου ἀρχιμουσικοῦ ἐπὶ βάθρου τὸ ὁποῖον ἔφερε τὰ ἐθνικὰ χρώματα. Εὐθὺς κατόπιν οἱ ἐπίσημοι κατέλαβον τοὺς εἰδικοὺς θώκους εἰς τὰς κερκίδας τοῦ ἀρχαίου θεάτρου καὶ ἤρχισεν ἡ ἐκδήλωσις πρὸς τιμὴν τοῦ μεγάλου καλλιτέχνου. Εἰς τὸ Ὠδεῖον Ἡρώδου προσῆλθον οἱ ἀκαδημαϊκοὶ Στράτης Μυριβήλης καὶ Ἡλίας Βενέζης, ὁ διευθυντὴς τῆς ἐθνικῆς πινακοθήκης κ. Μαρῖνος Καλλιγᾶς, ὁ γενικὸς διευθυντὴς τοῦ Ε.Ι.Ρ., κ. Σπυρομίλιος καὶ ὡρισμένοι ἄλλοι ἐκπρόσωποι τοῦ πνευματικοῦ καὶ καλλιτεχνικοῦ κόσμου. Τὰ μέλη τῆς κρατικῆς ὀρχήστρας μὲ τὰ ὄργανά των εἶχαν θέσεις μέσα εἰς τὴν σφενδόνην. Ἡ ἐκδήλωσις ἤρχισε μὲ κατάθεσιν στεφάνου ἐκ μέρους τοῦ ἐκπροσώπου τοῦ βασιλέως.

Ο ΕΝΔΟΞΟΤΕΡΟΣ ΤΩΝ ΜΟΥΣΙΚΩΝ

Ἀκολούθως ἐπροχώρησε πρὸς τὸ βάθρον ὅπου εἶχε ἐναποτεθῆ τὸ κιβώτιον μὲ τὴν τέφραν, ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος, ὁ ὁποῖος ἐν καταφανεῖ συγκινήσει κατέθεσε στέφανον, εἰπὼν μεταξὺ ἄλλων, ὅτι ἡ Ἑλληνικὴ κυβέρνησις πενθεῖ καὶ τιμᾶ τὸ ἔξοχον τέκνον τῆς Ἑλλάδος καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει εἰς τοὺς γενναίους, οἱ ὁποῖοι ἔπεσαν εἰς τὰ πεδία τῆς μάχης. Μετὰ ταῦτα κατέθεσε στέφανον ἐκ μέρους τῆς ἀκαδημίας Ἀθηνῶν ὁ μουσουργὸς κ. Πετρίδης, ὅστις ἀνέγνωσεν ἐν συνεχείᾳ συγκινητικὸν κείμενον τοῦ κορυφαίου μας συνθέτου ἀκαδημαϊκοῦ Μανώλη Καλομοίρη, ὁ ὁποῖος, ἀσθενῶν, δὲν ἠδυνήθη νὰ παραστῆ. Εἰς τὸ κείμενον τοῦ κ. Καλομοίρη ἀναφέρεται, ὅτι «ὁ μυρωμένος ἀέρας τοῦ Παλαιοῦ Φαλήρου, σὰ φωτεινὸ μετέωρο ἀνέβασε τὸν Μητρόπουλο, γιὰ νὰ φωτίσῃ ὅλον τὸν κόσμον καὶ νὰ χαρίσῃ στὶς πονεμένες καρδιὲς τῶν ἀνθρώπων τὸ ὑπέρθεο τραγούδι ἑνὸς ἥρωα. Ἐν συνεχείᾳ ἀναφέρεται, ὅτι ὁ Μητρόπουλος ὑπῆρξεν ἕνας ἀπὸ τοὺς μεγαλυτέρους ἀναδημιουργοὺς τοῦ αἰῶνος μας καὶ ἐχάρισεν ὅπως ὁ Τοσκανίνι καὶ ὁ Φουρτβέγκλερ τὴν θέρμη καὶ τὸν παλμόν, ἀπὸ τὸν ὁποῖον ἐδονεῖτο ὁλόκληρος.

Μετὰ τὸν κ. Πετρίδην καὶ τὴν ἀνάγνωσιν τοῦ ὡς ἄνω κειμένου τοῦ Μανώλη Καλομοίρη κατέθεσε στέφανον μὲ θερμὴν προσφώνησιν ὁ δήμαρχος κ. Τσουκαλᾶς, ὁ ὁποῖος ἀπεχαιρέτησε τὸν ἀπελθόντα διαπρεπῆ Ἀθηναῖον καλλιτέχνην. Ἐπηκολούθησε κατάθεσις πολλῶν ἄλλων στεφάνων. Σημειωτέον ὅτι δοθέντος ὅτι ὁ Μητρόπουλος εἶχεν ἀποκλείσει καὶ εἰς τὴν διαθήκην τὴν κατάθεσιν ἀνθέων, οἱ στέφανοι οἱ ὁποῖοι κατετέθησαν ἦσαν δάφνινοι.

Ὁ μαέστρος κ. Βαβαγιάννης, διακομίζει τὴν σποδὸν τοῦ μεγάλου καλλιτέχνου Δημήτρη Μητροπούλου.

Μετὰ τὴν κατάθεσιν τῶν στεφάνων ἡ κρατικὴ ὀρχήστρα, χωρὶς μαέστρον, ἀπέδωσεν ὑπὸ τὴν γενικὴν συγκίνησιν καὶ μὲ ὀρθίους ὅλους τοὺς παρισταμένους τὸ δεύτερον μέρος τῆς ἡρωϊκῆς συμφωνίας τοῦ Μπετόβεν, εἰς τὸ ὁποῖον περιέχεται καὶ τὸ πένθιμον ἐμβατήριόν του. Ἐν συνεχείᾳ ὁ κ. Κυ

ΧΙΛΙΑΔΕΣ ΛΑΟΥ ΑΠΕΝΕΙΜΑΝ ΤΟΝ ΥΣΤΑΤΟΝ ΧΑΙΡΕΤΙΣΜΟΝ ΣΤΟ ΩΔΕΙΟΝ ΗΡΩΔΟΥ

Ἡ καλλιτεχνικὴ οἰκογένεια, ἡ Ἀθήνα καὶ ὁλόκληρη ἡ Ἑλλὰς μὲ βαθειὰ συγκίνησι ἀπηύθυναν προχθὲς τὸν ὕστατο χαιρετισμό πρὸς τὸ τιμημένο παιδί τους, πρὸς τὸ σύμβολο τῆς μεγαλειώδους μουσικῆς δυνάμεως, ποὺ ἡ δόξα τὸν περιέβαλλε μὲ τὸ χρυσό της στεφάνι: τὸ Δημήτρη Μητρόπουλο.

Τόσα χρόνια τίμησε τὸ ἑλληνικὸ ὄνομα. Ἡ φήμη του ἔγινε ἡ ἠχὼ τῆς ἀνυπολόγιστης μουσικῆς του ἀξίας.. Καὶ στὴν τέφρα του ἀτενίσαμε τὸν γίγαντα τῆς Τέχνης, καὶ τὴν προσμονὴ μιᾶς νέας μουσικῆς πανδαισίας, σὰν ἡ μπαγκέττα του ἐκεῖ στὸν κόσμο τῶν ὀνείρων καὶ τῆς αἰωνιότητος δώση τὸ σύνθημα γιὰ μιὰ ὑπερτάτη καὶ θεϊκὴ καλλιτεχνικὴ ἐκδήλωσι...

Λιβανωτὸς καὶ ἀφιέρωμα ἡ προχθεσινὴ ἡμέρα: Στὴν μνήμη ἐκείνου ποὺ πιστὸς στὰ καλλιτεχνικά του ἰδανικά, ἔδωσε τὰ πάντα γιὰ τὴν μουσική, καὶ στὸ τέλος πρόσφερε τὴν ἴδια του τὴν ζωή, λατρεύοντας τὴν πάναγνη μορφὴ τῆς θείας τῶν Ἤχων Τέχνης.

Ἡ τέφρα του βρίσκεται ἀπὸ προχθὲς στὴν ἀγκαλιὰ τῆς μητέρας Ἑλλάδας.

Στὸ ἀερολιμένα τοῦ Ἑλληνικοῦ ἀπὸ τὶς 3 τ' ἀπόγευμα περίμεναν πολλοὶ ἐκ τοῦ καλλιτεχνικοῦ κόσμου, παλαιοὶ συνάδελφοί του, καθηγηταὶ Ὠδείων, σολίστ, συνθέται, καθὼς καὶ ἄλλοι λάτρεις τῆς μεγάλης τέχνης τῆς περιφημότερης μπαγκέττας τοῦ κόσμου. Τὸ ἀεροσκάφος τῆς Βασιλικῆς Ἀεροπορίας προσγειώθηκε στὸ ἀεροδρόμιο τοῦ Ἑλληνικοῦ στὶς 4 τ' ἀπόγευμα ἀκριβῶς.

Τοῦ ἀεροπλάνου ἐπέβαιναν ὁ διευθυντὴς Γραμμάτων τοῦ ὑπουργείου Παιδείας κ. Κουρνοῦτος, ὁ κ. Δημητρόπουλος καὶ ἡ κυρία Κατσογιάννη, ἡ ὁποία ὑπῆρξεν προσωπικὴ φίλη τοῦ διασήμου μαέστρου.

Προηγουμένως βρεθήκαμε, στὸ ἀεροδρόμιο τῆς Ἐλευσῖνος ὅπου τὸ φέρον ἀπ' τὸ Μιλᾶνον τὴν σποδὸν τοῦ Μητροπούλου ἀεροσκάφος εἶχε προσγειωθῆ ἀπὸ τὶς 2 μ. μ. παραμεῖναν μέχρι τῆς 3.45΄, ὁπότε ἀπεγειώθη γιὰ τὸ ἀεροδρόμιο τοῦ Ἑλληνικοῦ.

Κατὰ τὴν συνάντησίν μας εἰς τὴν Ἐλευσῖνα μὲ τὸν κ. Κουρνοῦτον πληροφορηθήκαμε τὰ ὅσα μεσολάβησαν μέχρις ὅτου παραληφθῆ ἡ τέφρα τοῦ Μητρόπουλου.

«Εἰς ὅλον τὸν κόσμον — μᾶς λέγει ὁ κ. Κουρνοῦτος — μεγάλη ἡ συγκίνησις καὶ ἡ θλῖψις γιὰ τὸν θάνατο τοῦ διασημοτέρου μαέστρου. Στὸ Μιλᾶνο οἱ πάντες ἀνεπιφυλάκτως ἐκφράζονται περὶ τῆς ἀπωλείας ἑνὸς σπανίου μουσικοῦ φαινομένου....

Τὸ Σάββατο ἡ σορὸς τοῦ Μητροπούλου στὶς 2 τ' ἀπόγευμα μετεφέρθη εἰς Λουγκάνο τῆς Ἑλβετίας ὅπου καὶ ἐκάη εἰς τὸ ἐκεῖ κρεματόριο. Ἡ θλιβερὴ αὐτὴ διαδικασία ἐτελείωσε στὶς 8.20΄ τὸ βράδυ, καὶ ἐν συνεχείᾳ ἡ σποδὸς του πλέον στὶς 9.30΄ μετεφέρθη εἰς τὸ ἀεροδρόμιο Μολπένσα ὅπου καὶ μᾶς παρεδόθη.

Κατὰ τὴν ἄφιξιν τοῦ ἀεροσκάφους — συμπληρώνει ὁ κ. Κουρνοῦτος — εἶχε παραταχθῆ φρουρὰ καραμπινιέρων εἰς τὸ ἀεροδρόμιον. Παρευρίσκοντο ἐπίσης καὶ τρεῖς φίλοι ἀπ' τὴν Βιέννη τοῦ ἀειμνήστου ἀρχιμουσικοῦ, ὁ ἀγαπητὸς μαθητὴς τοῦ Μητροπούλου κ. Τζὴμ Ντίξον καὶ ἡ γραμματεύς του κυρία Γκόθ».

⁂

Στὶς 4 παρὰ 20΄ εἰς τὸν ἀερολιμένα τοῦ Ἑλληνικοῦ ἔφθασαν ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Π. Κανελλόπουλος, ὁ ὑπουργὸς Προεδρίας τῆς Κυβερνήσεως κ. Κ. Τσάτσος καὶ ὁ ὑπουργὸς τῆς Παιδείας κ. Βογιατζῆς.

Τμῆμα ἐκ σμηνιτῶν, καὶ ἡ μουσικὴ τῆς ἀεροπορίας εἶχον παραταχθῆ γιὰ ν' ἀποδώσουν τιμὲς εἰς τὴν σποδὸν τοῦ Μητροπούλου.

Ὅταν τὸ ἀεροσκάφος προσγειώθηκε, ἐξῆλθε ὁ ἐπὶ κεφαλῆς τῆς ἀποστολῆς διὰ τὴν παραλαβὴν τῆς σπονδοῦ τοῦ Μητροπούλου κ. Γ. Κουρνοῦτος κρατῶν τὴν τεφροδόχον κάλπην καὶ ἐνῶ ἡ μουσικὴ τῆς ἀεροπορίας ὑπὸ τὴν διεύθυνσιν τοῦ ἀρχιμουσικοῦ κ. Πουλημένου ἀνέκρουε τὴν «Προσευχὴ» τοῦ Μπορτενιάνσκι «Ὁρκίζομαι στὴν δύναμι τῆς χριστιανικῆς ἀγάπης», προχωρεῖ ὁ κ. Βαβαγιάννης, ὁ ὁποῖος ὑπῆρξε παλαιὸς μαθητὴς τοῦ Μητροπούλου, καὶ παραλαμβάνει ἀπὸ τὸν κ. Κουρνοῦτον τὴν τεφροδόχον.

Ὁ κ. Βαβαγιάννης συνοδευόμενος ἀπὸ τὸν κ. Κουρνοῦτον, τὸν κ. Δημητρόπουλον καὶ ἀνώτερον ἀξιωματικὸν τῆς Ἀεροπορίας πλησιάζει τὸν ἀντιπρόεδρον τῆς Κυβερνήσεως κ. Κανελλόπουλον, ὁ ὁποῖος μὲ καταφανῆ συγκίνησι καλύπτει τὴν τεφροδόχον μὲ τὴν ἑλληνικὴν σημαίαν.

Κατόπιν ἡ τεφροδόχος παραδίδεται εἰς βαθμοφόρον τῆς ἀεροπορίας πλησιωμένον ἀπὸ δύο σμηνίτας, οἵτινες ἐπιβαζόμενοι τζίπ, ἀνεχώρησαν κατευθυνόμενοι εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ὅπου καὶ θὰ ἐγίνετο ἐπιμνημόσυνος τελετή.

Αὐτοκίνητον τῆς Ἀστυνομίας Πόλεων προηγεῖται τῆς τιμητικῆς πομπῆς, ἀκολουθεῖ τὸ τζὶπ τὸ φέρον τὴν τέφραν τοῦ Μητροπούλου, τὸ ὁποῖον πλαισιώνουν τρεῖς μοτοσυκλεττίσται τῆς ἀεροπορίας καὶ ἕπονται κατὰ σειρὰν τὰ αὐτοκίνητα τοῦ ἀντιπροέδρου τῆς Κυβερνήσεως κ. Κανελλοπούλου, τοῦ ὑπουργοῦ Προεδρίας Κυβερνήσεως κ. Τσάτσου καὶ τοῦ ὑπουργοῦ Παιδείας κ. Βογιατζῆ, καθὼς καὶ τοῦ καλλιτεχνικοῦ κόσμου, ἐκ παλαιῶν του συναδέλφων, καθηγητῶν τῶν ὠδείων καὶ ὀργανώσεων τῶν Τεχνῶν καὶ τῶν Γραμμάτων.

⁂

Εἰς τὶς 4.35 ἡ τιμητικὴ πομπὴ φθάνει στὸ Ὠδεῖον Ἡρώδου. Εἰς τὰ προπύλαια ἀναμένει ὁ κ. Βαβαγιάννης, ὁ ὁποῖος παραλαμβάνει τὴν τεφροδόχον ἐνῶ τὸ κοινὸν ποὺ ἔχει κατακλύσει τὸν γῦρο χῶρον χειροκροτεῖ, ὅπως θὰ χειροκροτοῦσε τὸν ἡμίθεο τῆς μπαγκέττας, ὕστερα ἀπὸ μνημειώδη ἑρμηνεία μιᾶς Μπετοβενικῆς συμφωνίας.

Περιστοιχούμενος ὁ κ. Βαβαγιάννης ἀπὸ τὸν διευθυντὴν τοῦ Ὠδείου Ἀθηνῶν κ. Φαραντάτον, τὸν πρόεδρον τοῦ διοικητικοῦ συμβουλίου κ. Κυριακίδην καὶ καθηγητὰς τοῦ Ὠδείου, κατευθύνεται πρὸς τὸ παλκοσένικο ὅπου καὶ ἐναποθέτει τὴν τεφροδόχο.

Κατάμεστο τὸ Ἀρχαῖο Ὠδεῖο... Οἱ στιγμὲς γεμᾶτες συγκίνησι καὶ ἀναπόληση ἀπὸ κάποιο εὐτυχισμένο παρελθὸν ὅταν ὁ μάγος τῆς μπαγκέττας προκαλοῦσε μὲ τὶς ὀνειρώδεις ἑρμηνεῖες του ἀφάνταστο ἐνθουσιασμό...

Ὅταν ὁ κ. Βαβαγιάννης εἰσήρχετο εἰς τὸ ἀρχαῖον Ὠδεῖον, κρατῶν τὴν τεφροδόχο κάλπη, ἡ σάλπιγγα σήμανε «προσοχή». Ὄρθιοι οἱ χιλιάδες κόσμου παρακολουθοῦν τὴν τελετουργίαν... Ἀντιπρόσωπος τοῦ Βασιλέως καταθέτει δάφνινο στεφάνι καὶ ἐν συνεχείᾳ ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος ὡμίλησεν ὡς ἑξῆς, καταθέσας ἐπίσης δάφνινον στεφάνι ἐκ μέρους τῆς Κυβερνήσεως.

«Ἡ ἑλληνικὴ Κυβέρνησις πενθεῖ καὶ τιμᾷ τὸ ἔξοχο τέκνο τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο. Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει στοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης.

Ἡ μάχη ποὺ ἔδωσε στὴ ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἔφερε ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μᾶλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης εὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων. Ἡ μουσικὴ ἔχει μέσα της— ὅταν εἶνε γνήσια — τὸ ὑπέρτατο νόημα τῆς ζωῆς καὶ τοῦ θανάτου. Ἔχει μέσα της κάτι πολὺ περισσότερο: Τὸ νόημα τοῦ σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τὸ νόημα αὐτό — ἢ ἔκαμε μυριάδες ἀνθρώπους νὰ τὸ ζήσουν — μ' ἕναν τρόπο ποὺ ἔφερε τὸν ἴδιον καὶ κάθε γνήσιο ἀκροατή του, ὡς τὰ κράσπεδα τῆς ἕδρας τοῦ θεοῦ.

Ὅπως πολλοὶ ἀληθινοὶ καὶ μεγάλοι Ἕλληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἀνῆκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς πατρίδος. Ἐσήμαινε, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος.

Ὁ Δημήτρης Μητρόπουλος ἦταν Ἕλλην κατ' ἐξοχήν. Ἦταν, ταυτόχρονα, καλὸς πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δύο αὐτὲς ἰδιότητες — ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς — ταιριάζουν ἄριστα μεταξύ τους. Καὶ ἦταν, τέλος, στὴν ἔννοια ποὺ ἔδωσαν στὴ λέξι αὐτὴ μερικοὶ μεγάλοι Ἕλληνες τῆς ἀρχαιότητος, κοσμοπολίτης.

Ὁ ἀττικὸς οὐρανὸς ὑποδέχεται σήμερα τὸν Δημήτρη Μητρόπουλο καθαρὸς καὶ ἀνέφελος τὴν ὥρα ποὺ δύει ὁ ἥλιος.

Ὅπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καὶ ὁ Δημήτρης Μητρόπουλος. Μιὰ τέτοια δύσι εἶνε στὴν ὁμορφιά της αἰώνια».

Ἐπηκολούθησε ἡ κατάθεσις στεφάνων τῆς Ἀκαδημίας Ἀθηνῶν διὰ τοῦ ἀκαδημαϊκοῦ κ. Πετρίδη, τοῦ Δήμου Ἀθηναίων διὰ τοῦ κ. Τσουκαλᾶ, τοῦ διοικητικοῦ συμβουλίου τοῦ Ὠδείου Ἀθηνῶν διὰ τοῦ κ. Χαμουδοπούλου, μαθητῶν τοῦ Ὠδείου Ἀθηνῶν καὶ ἀποφοίτων τοῦ Ὠδείου Θεσσαλονίκης.

Ἡ Κρατικὴ Ὀρχήστρα ἐν συνεχείᾳ ἑρμήνευσε τὸ «Πένθιμο ἐμβατήριο» ἀπὸ τὴν Ἡρωϊκὴ συμφωνία τοῦ Μπετόβεν καὶ ἡ τεφροδόχος διὰ τοῦ ὑπουργοῦ τῆς Παιδείας κ. Βογιατζῆ παρεδόθη εἰς τὸν κ. Κυριακίδην καὶ ἀπὸ αὐτὸν εἰς τὸν κ. Φαραντάτον, ὁ ὁποῖος τὴν μετέφερεν εἰς τὴν Αἴθουσαν Συναυλιῶν τοῦ Ὠδείου Ἀθηνῶν, ὅπου ἐξετέθη εἰς λαϊκὸν προσκύνημα, τὸ ὁποῖον θὰ συνεχισθῆ σήμερον καὶ αὔριον καὶ κατὰ τὶς ὧρες 9—12 π.μ. καὶ 5—7 μ.μ.

ΓΕΩΡΓΙΟΣ ΒΩΚΟΣ

Ἡ παιδικὴ φίλη τοῦ Δημήτρη Μητρόπουλου κ. Κατίνα Κατσογιάννη, συνομιλεῖ μὲ τὸν συνεργάτην μας κ. Θ. Δράκον, ὀλίγον μετὰ τὴν ἄφιξίν της εἰς τὸ ἀεροδρόμιον. Ἡ κ. Κατσογιάννη εἶνε ἡ μόνη ποὺ παρέστη κατὰ τὴν καῦσιν τῆς σοροῦ τοῦ Μητρόπουλου στὸ κρεματόριον τοῦ Λουγκάνο...

Η ΠΕΡΙΓΡΑΦΗ ΤΟΥ κ. ΘΕΟΔ. ΔΡΑΚΟΥ

Ἐξ ἄλλου ὁ συνεργάτης μας κ. Θ. ΔΡΑΚΟΣ γράφει τὰ ἑξῆς διὰ τὴν μεταφορὰν καὶ τὸ λαϊκὸ προσκύνημα τῆς τέφρας τοῦ Δημήτρη Μητροπούλου:

Ἀπὸ τὸ πρωὶ τῆς χθὲς συνεχίζεται τὸ προσκύνημα τῆς κάλπης ποὺ φέρει τὴν τέφρα τοῦ Δημήτρη Μητροπούλου στὸ Ὠδεῖον Ἀθηνῶν. Στὴν αἴθουσα συναυλιῶν, πάνω στὸ παλκοσένικο, σ' αὐτὸ τὸ κτίριο ποὺ ἦταν ἡ παλιὰ κατοικία τοῦ Ἄρμανσπεργκ. Ἀπὸ ἐκεῖ ποὺ ἀκούστηκε γιὰ πρώτη φορὰ ἡ μουσικὴ κι' ἐδόθηκαν οἱ πρῶτες ἐπίσημες δεξιώσεις τὴν ἐποχὴ τῆς ἀφίξεως τοῦ Βασιλέως Ὄθωνος στὴν Ἀθήνα, σωστὰ ἑκατὸν εἴκοσι χρόνια!.. Ἐκεῖ ἐτοποθετήθη ὁ Δημήτρης Μητρόπουλος. Μέσα στὸ Ὠδεῖο ποὺ σπούδασε. Ποὺ δοκίμασε τὶς πρῶτες συγκινήσεις τῆς μουσικῆς ἐπιτυχίας καὶ τῆς διακρίσεως τοῦ ταλέντου του. Σ' αὐτὸ τὸ παλκοσένικο ποὺ ὡς ἔφηβος μὲ τὰ ξανθὰ μαλλιὰ καὶ τὰ φωτεινὰ γαλάζια μάτια δοκίμασε τὴν χαρὰ νὰ πλησιάσῃ καὶ νὰ ἀγγίξῃ τὶς καρδιὲς τῶν ἀκροατῶν του.

Ἐζήσαμε ὅλες τὶς συγκινητικὲς στιγμὲς τῆς ἀφίξεως τῆς κάλπης ποὺ ἔφερε τὴν σποδὸν τοῦ Δημήτρη Μητρόπουλου. Εἴδαμε ὅλους τοὺς παλιοὺς φίλους του καὶ τοὺς συμμαθητάς του κι' ἀκούσαμε τὶς συγκινητικὲς ἀφηγήσεις τους. Ζήσαμε τὴν τελευταία συνάντησι τοῦ Δημήτρη Μητροπούλου μὲ τὸ κοινὸ τῶν συναυλιῶν, ἐκεῖ στὸ θέατρο Ἡρώδου τοῦ Ἀττικοῦ καὶ τὸν χαιρετισμὸ ὅλων τῶν ἐπισήμων. Ὅταν στὶς 2.20 τὸ μεσημέρι τῆς Κυριακῆς ἡ «Ντακότα» τῆς Ε. Β.Α. προσγειώθη στὸ ἀεροδρόμιο τῆς Ἐλευσῖνος κατέβηκαν ἀπὸ αὐτὴν ἡ κ. Καΐτη Κατσογιάννη, ἡ παλιὰ κι' ἀγαπημένη φίλη τοῦ Δημήτρη Μητροπούλου, ὁ γενικὸς διευθυντὴς Γραμμάτων καὶ Θεάτρου κ. Κουρνοῦτος καὶ ὁ ἐκπρόσωπος τοῦ ὑπουργείου Ἐξωτερικῶν κ. Δημητρόπουλος. Κι' ὁ μεγάλος μαέστρος ἔμεινε μόνος σ' αὐτὸ τὸ ἀεροσκάφος. Αὐτὸ τὸ γιγάντιο πουλὶ μὲ τὰ ἁπλωμένα φτερά, ποὺ ἦταν ἕτοιμο γιὰ νὰ πετάξῃ πάλι μέσα στὸ χρυσὸ ἑλληνικὸ φῶς καὶ τὸ γαλάζιο τοῦ οὐρανοῦ τῆς Ἀττικῆς.

Ἡ ἐπίσημος ὑποδοχὴ εἶχε καθορισθῆ γιὰ τὴν 4 μ. μ. στὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ καὶ ἔπρεπε νὰ δοθῆ καιρὸς νὰ παραταχθῆ τὸ ἄγημα, νὰ ἔρθουν οἱ ἐπίσημοι καὶ οἱ συγγενεῖς καὶ φίλοι. Ἦταν μιὰ τυπικὴ ἀνωμαλία ὡς πρὸς τὴν ὥραν ἀφίξεως τοῦ ἀεροσκάφους. Ἀπεγειώθη ἐνωρίτερον καὶ ὅταν ἐδόθη τὸ σῆμα δὲν ἦτο δυνατὸν πλέον νὰ εἰδοποιηθοῦν καὶ νὰ ἀφιχθοῦν μέσα σέ τρεῖς ὧρες στὸ ἀεροδρόμιον.

Κι' ἔτσι τοὺς εἴδαμε στὸ ἀεροδρόμιον τῆς Ἐλευσῖνος. Ὁ κ. Δημητρόπουλος συνεννοεῖται μὲ τὶς ἁρμόδιες Ἀρχές. Ὁ κ. Κουρνοῦτος συγκινημένος μιλεῖ γιὰ τὸ ταξίδι στὸ Μιλάνο καὶ γιὰ τὸν ἐπίλογο τῆς ζωῆς τοῦ ἀθάνατου Δημήτρη Μητροπούλου. Καὶ ἡ κ. Καΐτη Κατσογιάννη πνιγμένη ἀπὸ τὴν συγκίνησι μᾶς ἀφηγεῖται:

— Πέθανε ὅπως ἐπιθυμοῦσε. Εἶχεν ἕνα ὡραῖο θάνατο. Δὲν πόνεσε, δὲν ὑπέφερε, δὲν τὸν κατάλαβε καθόλου. Σ' ἕνα λεπτό. Σὲ μιὰ στιγμή. Ἐκεῖ, στὸ πόντιουμ, ποὺ ὅλο τὸ μυαλό του ἦταν δοσμένο στὶς νότες τοῦ ἀγαπημένου συνθέτου του Μάλερ. Ἐκεῖ ἀνάμεσα στοὺς φίλους του τῆς ὀρχήστρας τῆς Σκάλας τοῦ Μιλάνου. Σήκωσε τὴν μπαγκέττα, μὲ ἐκείνην τὴν τόσο χαρακτηριστικὴ κίνησι τῶν χεριῶν του ποὺ μιλοῦσαν, ἔγειρε πάνω στὸ πόντιουμ καὶ ἀνεπαίσθητα αἰώνια. Κι' ἡ ψυχή του φτερούγισε πάνω στὶς θεῖες νότες τῆς μουσικῆς, ἔγινε ἕνα μ' αὐτὲς κι' ἀνέβηκε πάνω πρὸς τὸν Δημιουργό του. Ὁ Δημήτρης Μητρόπουλος εὐνοήθηκε ἀπὸ τὸν Θεὸν ποὺ λάτρεψε καὶ τοῦ ἔδωσε τὴν χαρὰν τῶν καλῶν ἀνθρώπων.

Ἦταν χριστιανὰ τὰ τέλη τῆς ζωῆς του. Ἀνώδυνα, εἰρηνικά.... Πέθανε μέσα στὸν κόσμο τῶν ἀνθρώπων ποὺ ἀγάπησε, μέσα στὸν ἱερὸ ναὸ τῆς μουσικῆς: Στὴν Σκάλα τοῦ Μιλάνου!... Ὡραῖος θάνατος γι' αὐτόν. Τραγικὴ ἀπώλεια γιὰ τὸ διεθνὲς κοινὸν τῶν φίλων τῆς θείας ἁρμονίας....

Καὶ ἡ κ. Καΐτη Κατσογιάννη μᾶς ἀφηγεῖται κατόπιν πῶς τὸν ἐφρόντισαν οἱ φίλοι του. Πῶς τὸν μετέφεραν στὸ Ἰνστιτοῦτον Ἰατροδικαστικῆς τοῦ Μιλάνου. Τὸ προσκύνημα ὅλων τῶν Ἰταλῶν καλλιτεχνῶν πρὸ τῆς σοροῦ του.

— Ὁ Δημήτρης Μητρόπουλος δὲν ἤθελε τὰ ἄνθη.. Δὲν ἤθελε νὰ τὸν ἀντικρύσουν νεκροστολισμένον. Ἤθελε νὰ τὸν θυμοῦνται ὁλοζώντανον. Νὰ στέκεται λυγερόκορμος σὰν κυπαρίσσι μὲ τ' αὐτὶ καὶ τὸ μάτι στὴν ὀρχήστρα. Ἕτοιμος πάντα μὲ τὶς κινήσεις τῶν χεριῶν του νὰ δώσῃ τὴν καρδιὰ καὶ τὴν συγκίνησι τῶν διασήμων συνθετῶν. Νὰ τὴν μεταφέρῃ στὴν καρδιὰ τῶν ἀκροατῶν του. Νὰ κάνῃ τὶς νότες τὶς ἄψυχες νὰ πάρουν τὴν θεϊκὴ ἁρμονία τους.

Ἑξῆ δενδράκια παράστεκαν στὸ φέρετρό του. Κι' οἱ φίλοι μὲ βουρκωμένα μάτια περνοῦσαν ἀπὸ μπροστά του καὶ τὸν χαιρετοῦσαν....

ΠΩΣ ΕΓΙΝΕ Η ΚΑΥΣΙΣ

— Πῶς ἔγινε ἡ καῦσις τῆς σοροῦ τοῦ Δημήτρη Μητροπούλου;

— Μά, ὅπως εἶνε γνωστόν, στὸ Λουγκάνο. Στὴν Ἰταλία δὲν ὑπάρχει κρεματόριο. Οἱ Καθολικοὶ ἀπαγορεύουν τὴν καῦσιν τῶν νεκρῶν. Ἦταν ὅμως αὐτό, ἡ τελευταία ἐπιθυμία τοῦ Μητροπούλου. Ἔπρεπε νὰ γίνῃ σεβαστῆ. Ἔτσι ἐγὼ τὸν συνώδευσα εἰς τὸ Λουγκάνο τῆς Ἑλβετίας. Ὁ Φραντζέσκο Σισιλιάνι ὁ ἀρχιμουσικὸς καὶ διευθυντὴς τῆς Σκάλας κι' ἑπτὰ μουσικοὶ ὑπεβάσταζαν τὸ δρύϊνο φέρετρον. Γιὰ τὸ Λουγκάνο φύγαμε τὸ μεσημέρι. Τὸ βράδυ γυρίσαμε πάλι στὸ Μιλάνο μὲ τὴν κάλπην ποὺ ἔφερε τὴν τέφραν τοῦ Δημήτρη Μητροπούλου. Ἤμουν ἡ μόνη ποὺ τὸν ἠκολούθησα ὡς ἐκεῖ καὶ παρευρέθην στὴν ἀποτέφρωσίν του. Μέχρι τῆς τελευταίας στιγμῆς ποὺ τὸ σῶμα του εἰσήχθη στὸν κλίβανον δὲν ἤθελα νὰ τὸν χάσω ἀπὸ τὰ μάτια μου... Μέχρι τὴν τελευταία στιγμή...

Ἐνῶ τὸ σῶμα τοῦ Δημήτρη Μητροπούλου καιγόταν μέσα στὸν κλίβανο τοῦ κρεματορίου, στὸ παρεκκλήσιό του, ὁ μοναδικὸς Ἕλλην μουσικὸς ποὺ διαμένει στὸ Λουγκάνο, ὁ κ. Ἄγγελος Μπάρβας, καθισμένος στὸ ἁρμόνιον μὲ δάκρυα στὰ μάτια, ἔπαιζε μιὰ φούγκα τοῦ Μπάχ. Καὶ κοντά του παράστεκαν οἱ ἀντιπρόσωποι τῶν Λυρικῶν Σκηνῶν τῆς Βιέννης καὶ τοῦ Σάλτσμπουργκ, τῆς Φιλαρμονικῆς Ὀρχήστρας καὶ τοῦ ραδιοσταθμοῦ. Ἔπειτα, συνέχισεν ἡ κ. Κατσογιάννη, γυρίσαμε πάλι στὸ Μιλᾶνο. Καὶ τὴν Κυριακὴ μὲ τὸ ἀεροπλάνο τὸν φέραμε ἐδῶ...

— Ἤσαστε παιδικὴ φίλη του;

— Τὸν γνώρισα ἀπὸ τὰ πρῶτα χρόνια ποὺ νέος γύρισε ἀπὸ τὸ Βερολῖνο, μετὰ τὶς σπουδές του. Ἀπὸ τότε κάθε φορὰ ποὺ ἐρχόταν στὴν Ἑλλάδα τοῦ ἄρεσε νὰ ξεκουράζεται στὸ σπίτι μου. Ἦταν ἁπλός, ἀσκητικός, ἥρεμος. Γεμάτος καλωσύνη. Κι' ἀγαποῦσε τὰ παιδιά... Ὅλα τὰ παιδιὰ τοῦ ξυπνοῦσαν τὴν ψυχή του καὶ τοῦ γιάτρευαν ἕνα παλιὸ πλήγωμα...

Η ΠΡΩΤΗ ΠΙΚΡΑ ΤΟΥ ΜΗΤΡΟΠΟΥΛΟΥ

Κι' ἀλήθεια, ὁ Δημήτρης Μητρόπουλος ὅταν φτωχὸς σπούδαζε στὸ Βερολῖνο, τὸ 1918, ἡ ἀδελφούλα του ἀρρώστησε βαρειὰ καὶ τὴν μετέφεραν στὴν Ἑλβετία. Μὰ ἦταν πολὺ βασανισμένη. Ἔτρεξε ὁ φτωχὸς σπουδαστής, ὁ Δημήτρης Μητρόπουλος νὰ τὴν πάρῃ καὶ νὰ τὴν μεταφέρῃ στὸ Βερολῖνο. Σ' ἕνα βαγόνι τῆς τρίτης θέσεως, οἱ ἐπιβάτες τοῦ τραίνου ἔβλεπαν συγκινημένοι αὐτὸν τὸν ξανθὸ νέον μὲ τὰ γαλανὰ μάτια καὶ τὸ τριμμένο παλιὸ κοστούμι νὰ κρατᾶ στὴν ἀγκαλιά του ἕνα μικρὸ ἄρρωστο κοριτσάκι καὶ νὰ προσπαθῇ νὰ τὸ ξεκουράσῃ ἀπὸ τὸ ἐπίπονο ταξίδι. Ὁ Δημήτρης Μητρόπουλος κρατοῦσε στὴν ἀγκαλιά του τὴν ἀδελφούλα του Ἑλένη ποὺ ἀγωνίσθηκε σκληρὰ νὰ διασώσῃ. Μὰ ἐκείνην τὴν ἐγλύτωσε ἀπὸ τὰ βάσανα καὶ τὴν ἐπῆρε ἔπειτα ἀπὸ λίγο ὁ Θεός. Ὅμως ἡ πίκρα ἔμεινε μέσα στὴν ψυχὴ τοῦ Μητρόπουλου. Ἡ πρώτη πίκρα. Κι' ὕστερα ἀκολούθησαν πολλὲς ἄλλες ἀπὸ συναδέλφους καὶ φίλους μὰ ποὺ τὶς ξεχνοῦσε μέσα στὴν μουσική.

Μᾶς εἶπαν ὅτι ἦταν ὑπερβολικὰ αὐαίσθητος ὁ Δημήτρης Μητρόπουλος. Σὲ ἡλικία 17 χρόνων ἤθελε νὰ πάῃ στὸ Ἅγιον Ὄρος γιὰ νὰ καλογερέψῃ. Τὸν ἔπεισαν ν' ἀλλάξῃ ἀπόφασι μὲ τὴν παρατήρ

Ο ΜΕΓΑΛΟΣ ΑΡΧΙΜΟΥΣΙΚΟΣ ΓΥΡΙΣΕ ΓΙΑ ΠΑΝΤΑ ΣΤΗΝ ΠΑΤΡΙΚΗ ΤΟΥ ΓΗ

Η ΣΠΟΔΟΣ ΤΟΥ ΔΗΜ. ΜΗΤΡΟΠΟΥΛΟΥ ΣΤΗ ΜΕΓΑΛΗ ΑΙΘΟΥΣΑ ΤΩΝ ΣΥΝΑΥΛΙΩΝ ΤΟΥ ΩΔΕΙΟΥ ΑΘΗΝΩΝ

Πλῆθος κόσμου παρακολούθησε προχθὲς τὴν εἰδικὴ τιμητικὴ ἐκδήλωση στὸ Ὠδεῖο Ἡρώδου τοῦ Ἀττικοῦ

Ὁ Δημήτρης Μητρόπουλος γύρισε γιὰ πάντα στὴν πατρική του γῆ. Ἀπὸ τὴν Κυριακὴ ἀργὰ τὸ ἀπόγευμα ἡ σποδὸς τοῦ μεγάλου Ἕλληνα μαέστρου βρίσκεται τοποθετημένη σὲ εἰδικὸ βάθρο στὴ μεγάλη αἴθουσα συναυλιῶν τοῦ Ὠδείου Ἀθηνῶν, τοῦ μουσικοῦ ἱδρύματος ποὺ γαλούχησε τὴ μεγαλύτερη μουσικὴ δόξα τῆς Ἑλλάδος. Αὐτὴ ἡ ταπεινὴ σάλλα ἑνὸς ἀθηναϊκοῦ ὠδείου εἶναι ἡ τελευταία κατοικία τοῦ διάσημου νεκροῦ καὶ ἀπὸ χθὲς τὸ πρωὶ πλήθη κόσμου σπεύδουν νὰ προσκυνήσουν τὴ σποδό του καὶ νὰ τὴ ράνουν μὲ λίγα λουλούδια τῆς Ἀττικῆς.

Τὸ πένθος καὶ ἡ συγκίνηση ποὺ προκάλεσε ὁ θάνατος τοῦ Μητρόπουλου δὲν περιορίσθηκε μόνο ἀνάμεσα στὸ φιλότεχνο κοινό, ἀλλὰ συμμετέχουν σ' αὐτὸ πλατύτατα στρώματα τοῦ ἑλληνικοῦ λαοῦ. Αὐτὸ ἀποδεικνύεται ἀπὸ τὸ πλῆθος τοῦ ἀνώνυμου κοινοῦ καὶ ἰδιαίτερα τῶν νέων, ποὺ ἔσπευσαν νὰ γεμίσουν ἀσφυκτικὰ τὶς κερκίδες τοῦ ἀρχαίου θεάτρου τοῦ Ἡρώδου τοῦ Ἀττικοῦ καὶ νὰ ἀποχαιρετίσουν τὴν Κυριακὴ τὸ ἀπόγευμα τὸν Δημήτρη Μητρόπουλο καὶ ἀπὸ τὸ προσκύνημα ποὺ ἄρχισε ἀπὸ χθὲς στὴ σποδό του.

Ἡ σποδὸς τοῦ μεγάλου ξενητεμένου Ἕλληνα ἀρχιμουσικοῦ ἔφθασε στὶς 4 τὸ ἀπόγευμα τῆς Κυριακῆς στὸ ἀεροδρόμιο τοῦ Ἑλληνικοῦ μὲ εἰδικὸ ἀεροπλάνο. Ἀπὸ τὶς 3 ἡ ὥρα στὸν ἀερολιμένα εἶχε παραταχθεῖ ἄγημα τῆς ἀεροπορίας καὶ ἡ μπάντα τοῦ σώματος γιὰ νὰ ἀποδώσουν τιμὲς ἐνῶ λίγο ἀργότερα ἄρχισαν νὰ φθάνουν οἱ συγγενεῖς τοῦ νεκροῦ, οἱ ἐκπρόσωποι τῶν καλλιτεχνικῶν καὶ πνευματικῶν ὀργανώσεων, καθὼς καὶ ἄλλες προσωπικότητες τοῦ μουσικοῦ κόσμου. Ἐκ μέρους τῆς κυβερνήσεως παρέστησαν ὁ ἀντιπρόεδρος κ. Π. Κανελλόπουλος, οἱ ὑπουργοὶ κ.κ. Βογιατζῆς καὶ Τσάτσος, καθὼς καὶ ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς.

Ὅταν τὸ ἀεροπλάνο προσγειώθηκε στὸ Ἑλληνικὸ ὁ διευθυντὴς Γραμμάτων τοῦ ὑπουργείου Παιδείας κ. Κουρνοῦτος, ὁ ὁποῖος μαζὶ μὲ ἐκπρόσωπο τοῦ ὑπουργείου Ἐξωτερικῶν εἶχαν μεταβεῖ στὸ Μιλάνο γιὰ τὴ μεταφορὰ τοῦ νεκροῦ, παρέδωσε τὴν κάλπη μὲ τὴ σποδὸ τοῦ Μητρόπουλου στὸν προσωπινὸ διευθυντὴ τῆς Κρατικῆς ὀρχήστρας κ. Θ. Βαβαγιάννη, ἐνῶ τὸ τιμητικὸ ἄγημα ἀπέδιδε τιμὲς καὶ ἡ μπάντα τῆς ἀεροπορίας ἀνέκρουε τὸ Πένθιμο ἐμβατήριο τοῦ Μπετόβεν. Ἀφοῦ ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος ἐκάλυψε τὴν κάλπη μὲ τὴν ἑλληνικὴ σημαία ἡ λήκυθος παρεδόθη σὲ ἀνώτατο ἀξιωματικὸ τῆς ἀεροπορίας καὶ ἡ πομπὴ ξεκίνησε γιὰ τὴν Ἀθήνα.

Στὶς 4.35 μ.μ. ἡ πομπὴ ἔφθασε στοῦ Ἡρώδου τοῦ Ἀττικοῦ, ὅπου τὸ πλῆθος ποὺ περίμενε ἀπὸ ὥρα ξέσπασε σὲ παρατεταμένα χειροκροτήματα. Τὴ στιγμὴ ποὺ ὁ Θ. Βαβαγιάννης ἔμπαινε στὸ ἀρχαῖο θέατρο κρατώντας τὴν κάλπη μία σάλπιγ-

Πλῆθος κόσμου προσέρχεται ἀπὸ χθὲς στὸ Ὠδεῖο Ἀθηνῶν γιὰ νὰ προσκυνήσει τὴ σποδὸ τοῦ μεγάλου Ἕλληνα ἀρχιμουσικοῦ ἡ ὁποία ὅπως δείχνει ἡ φωτογραφία καλυμμένη ἀπὸ τὴν ἑλληνικὴ σημαία καὶ δάφνι να στεφάνια, φρουρεῖται τιμητικῶς ἀπὸ δυὸ σπουδαστὲς τοῦ Ὠδείου

γὰ σήμανε «προσοχὴ» ἐνῶ ὁ κόσμος χειροκροτοῦσε μὲ συγκίνηση. Ἡ κάλπη τοποθετήθηκε σὲ εἰδικὸ βάθρο ποὺ δεξιὰ καὶ ἀριστερά της ἔκαιγαν φλόγες. Ὁ πρῶτος στέφανος ποὺ κατατέθηκε — ἂς σημειωθεῖ ὅτι ὅλοι οἱ στέφανοι ἦταν δάφνινοι γιατὶ ὁ Μητρόπουλος εἶχε ἐκφράσει τὴν ἐπιθυμία νὰ μὴ κατατεθοῦν ἄνθη — ἦταν ἀπὸ ἐκπρόσωπο τοῦ βασιλέως.

Κατόπιν μίλησε ὁ ἀντιπρόεδρος τῆς κυβερνήσεως κ. Κανελλόπουλος, ὁ ὁποῖος μεταξὺ ἄλλων, εἶπε τὰ ἑξῆς:

«Ἡ ἑλληνικὴ κυβέρνησις πενθεῖ καὶ τιμᾶ τὸ ἔξοχο τέκνο τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο. Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως ἀξίζει ἀτοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης. Ἡ μάχη ποὺ ἔδωσε στὴ ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος».

Σὲ συνέχεια ὁ μουσουργὸς κ. Π. Πετρίδης κατέθεσε στέφανο ἐκ μέρους τῆς Ἀκαδημίας Ἀθηνῶν καὶ διάβασε ἀποχαιρετισμὸ τοῦ ἄρρωστου ἀκαδημαϊκοῦ Μανώλη Καλομοίρη. «Ἔρχομαι — ἔγραφε μεταξὺ ἄλλων ὁ ἄρρωστος μουσουργὸς — νὰ χαιρετίσω τὸν ἐνδοξότερο μουσικὸ ποὺ ἐτούτη ἡ γῆ τῶν ἡρώων τοῦ πνεύματος καὶ τῆς ἀνδρείας ἀνάστησε μαζὶ μὲ τὸ μυρωμένο ἀέρα καὶ τὸ φλοῖσβο τοῦ Παληοῦ Φαλήρου. Σὰ φωτεινὸ μετέωρο τὸν ἀνέβασε νὰ φωτίσῃ ὅλο τὸν πολιτισμένο κόσμο καὶ νὰ χαρίσῃ στὶς πονεμένες καρδιὲς τῶν ἀνθρώπων τὸ ὑπέρθεο τραγούδι ἑνὸς ἥρωα καὶ ἑνὸς ἁγίου. Ἥρωας καὶ ἅγιος τῆς Τέχνης ὁ Δημήτρης Μητρόπουλος. Ἕνας ἀπὸ τοὺς μεγαλύτερους ἀναδημιουργοὺς τοῦ αἰώνα μας, ἐχάρισε ὅπως ὁ Τοσκανίνι καὶ ὁ Φούρτβέγκλερ τὴ θέρμη καὶ τὸν παλμὸ ποὺ τὸν ἐδονοῦσε ἁλόκληρο».

Ἀκολούθως ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς εἶπε τὰ ἑξῆς: «Ὁ δῆμος Ἀθηναίων ἀπονέμει τὸ μετάλλιον τῆς πόλεως τῶν Ἀθηνῶν καὶ καταθέτει τὸ δάφνινο τοῦτο στεφάνι ὡς φόρον ὑπερτάτης τιμῆς πρὸς τὸν μεγάλο Μητρόπουλο».

Ἐκ μέρους τοῦ διοικητικοῦ συμβουλίου τοῦ Ὠδείου Ἀθηνῶν μίλησε ὁ πρόεδρός του κ. Ἀρ. Κυριακίδης, ὁ ὁποῖος εἶπε:

«Τὰ δάκρυα τῶν μαθητῶν καὶ συνεργατῶν τοῦ Δημήτρη Μητρόπουλου εἶναι ἀστείρευτα. Ὁ μεγάλος μαέστρος ποὺ ἔφερε τὴν δόξα στὴν πατρίδα του ἐπέστρεψε πλέον διὰ παντὸς εἰς αὐτήν. Σήμερα ποὺ αἱ ἀκτῖνες τοῦ δύοντος ἀττικοῦ ἡλίου παίρνουν μιὰ λάμψι γιὰ νὰ καταυγάσουν τὸν Ἱερὸ Βράχο, κλίνομε εὐλαβῶς τὸ γόνυ στὸν μεγάλο δάσκαλο».

Τὸν στέφανο τῆς Κρατικῆς Ὀρχήστρας συνόδευσαν τὰ παρακάτω λόγια, ποὺ εἶπε ὁ μαέστρος Θ. Βαβαγιάννης: «Πολυαγαπημένε μαέστρο. Στὸν ἱερὸ αὐτὸ χῶρο ποὺ πρὶν ἀπὸ λίγα χρόνια ἀντήχησε ἡ ἀθάνατη τέχνη σου, ἤλθαμε σήμερα προσκυνηταὶ τῆς ἁγίας μνήμης σου. Ἡ ζωή σου γεμάτη αὐταπάρνησι καὶ μεγαλεῖο κάνει τὴν προσφορὰ τῆς μικρῆς μας χώρας στὸν τομέα τῆς τέχνης δυσανάλογα μεγάλη. Ἡ ἀθέατη παρουσία σου θὰ γεμίζῃ τὸ εἶναι μας καὶ θὰ μᾶς ὁδηγῇ στὴν ἀρετή, ποὺ ὑπῆρξε πάντοτε τὸ σύμβολο τῆς ζωῆς σου. Μέσα ἀπὸ τὸν τάφο σου θ' ἀναβλύζῃ αἰώνιο φῶς καὶ ζωὴ γιὰ τὶς μέλλουσες γενεές, μικρὴ παρηγοριὰ γιὰ μᾶς ποὺ τόσο πιστὰ σ' ἀγαπήσαμε καὶ σοῦ παρασταθήκαμε. Ἡ εὐγνωμοσύνη μας ἂς σὲ συντροφεύῃ στὸ μακρυνό σου ταξίδι κι' ἂς εἶναι αἰώνια ἡ μνήμη σου».

Στεφάνους κατέθεσαν ἐπίσης οἱ κ.κ. Σπυρομήλιος, ἐκ μέρους τοῦ Ε.Ι.Ρ., Ἀντίοχος Εὐαγγελάτος, ἐκ μέρους τῆς Ἑνώσεως Ἑλλήνων Μουσουργῶν, Μάριος Βάρβογλης, ἐκ μέρους τοῦ Συνδέσμου Ἑλλήνων Συνθετῶν καὶ Θεὼς καὶ οἱ μουσικοὶ τῆς Κρατικῆς Ὀρχήστρας, ἡ Ἐθνικὴ Ἑταιρία Ἑλλήνων Λογοτεχνῶν, τὸ Κρατικὸ Ὠδεῖο Θεσσαλονίκης, κ. ΜΙΑ ΔΙΚΑΙΑ ΔΙΑΜΑΡΤΥΡΙΑ

ΜΕΤΑ τὴν γενομένην τὸ ἀπόγευμα τῆς Κυριακῆς τελετὴν ἐν τῷ Ὠδείῳ τοῦ Ἡρώδου Ἀττικοῦ πρὸς τιμὴν τοῦ Δημήτρη Μητρόπουλου, ὁ ὑπουργὸς τῆς Παιδείας κ. Γ. Βογιατζῆς παρέδωσε τὴν λήκυθον μὲ τὴν τέφραν τοῦ διασήμου Ἕλληνος μαέστρου εἰς τὸν διευθυντὴν τοῦ Ὠδείου Ἀθηνῶν κ. Σ. Φαραντάτον, ὁ ὁποῖος, συνοδείᾳ τῶν καθηγητῶν τοῦ Ἱδρύματος μετέφερεν εἰς τὸ Ὠδεῖον Ἀθηνῶν καὶ κατέθεσε αὐτὴν εἰς τὴν αἴθουσα συναυλιῶν, ἡ ὁποία εἶχε διακοσμηθῇ καταλλήλως, παρουσίᾳ ὅλου τοῦ προσωπικοῦ καὶ πλήθους κόσμου. Παρὰ τὴν λήκυθον ἐτοποθετήθη τιμητικὴ φρουρὰ ἐκ μαθητῶν καὶ μαθητριῶν τοῦ Ὠδείου. Ἡ αἴθουσα θὰ παραμείνῃ ἀνοικτὴ διὰ τὸ Κοινὸν ἐπὶ τριήμερον καὶ κατὰ τὰς ὥρας 10 - 12 π. μ. καὶ 5 - 6 μ.μ. Ἐν τῷ μεταξύ, ἡ κ. Ἑλένη Μαλαφέκα — Περπέσα, τμηματάρχης τοῦ ὑπουργείου Παιδείας, ἔθεσεν εἰς τὴν διάθεσιν τοῦ ὑπουργοῦ Παιδείας κ. Βογιατζῆ τὸ ποσὸν τῶν δρχ. 1.000 εἰς μνήμην Δημήτρη Μητρόπουλου, ὡς ἐλαχίστου δεῖγμα φόρου τιμῆς πρὸς τὸν μεταστάντα διὰ τὴν πολύτιμον αὐτοῦ συμπαράστασιν εἰς τὸ συνθετικὸν ἔργον τοῦ συζύγου της Χαρίλαου Περπέσα, τοῦ ὁποίου ἔργα διηύθυνε κατ' ἐπανάληψιν ἐν Ἑλλάδι καὶ εἰς Ἡνωμένας Πολιτείας τῆς Ἀμερικῆς. Συμφώνως πρὸς ἐκφρασθεῖσαν ὑπὸ τῆς κ. Περπέσα ἐπιθυμίαν, τὸ ἀνωτέρω ποσὸν δύναται νὰ διατεθῇ κατὰ τὴν κρίσιν τοῦ κ. Βογιατζῆ, ἐφ' ὅσον ἐντὸς ἔτους ἀπὸ τῆς κηδείας τοῦ ἐκλιπόντος δὲν ἤθελε συσταθῇ ἐν Ἑλλάδι ἴδιον Ἵδρυμα «Δημήτρη Μητρόπουλου», ἐκπληροῦν τοὺς σκοποὺς διὰ τοὺς ὁποίους ἐμόχθησεν ὁ ἀείμνηστος ἀρχιμουσικός.

Ὁ μεγάλος Μητρόπουλος κατὰ φωτογραφίαν του πρὸ 20ετίας εἰς τὴν Ἀμερικὴν μαζὶ μὲ τὴν Κατίνα Παξινοῦ. Ὡς γνωστόν, ὁ κορυφαῖος ἀρχιμουσικὸς συνεδέετο δι' ἰδιαιτέρας φιλίας μὲ τὴν διαπρεπῆ τραγῳδόν.

ΠΩΣ ΑΠΕΘΑΝΕ

ΑΠΟ χθεσινὴ ἐπιστολὴ τοῦ Ἕλληνος τενόρου Ἀντόνιο Κωνσταντίνο, Παπαϊωαννταντίνου, ποὺ βρισκόταν στὸ Μιλάνο τὴν ἡμέρα τοῦ θανάτου τοῦ Δημήτρη Μητρόπουλου, ἐγνώσθησαν ὡρισμένες λεπτομέρειες τῶν τελευταίων στιγμῶν τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ.

Ὁ καθηγητὴς Καροῦζο, πρώτη «τρόμπα» τῆς Σκάλας, διηγήθηκε στὸν Ἕλληνα τενόρο πῶς «ἔσβυσε» ὁ Μητρόπουλος: «Μπαίνοντας στὴν αἴθουσα τῶν δοκιμῶν, ὕστερα ἀπὸ τέσσαρα χρόνια, ποὺ εἶχε νὰ ἔλθῃ στὴ Σκάλα, μὲ χαιρέτησε πρῶτον ἀπ' ὅλους μὲ θερμὴ χειραψία. Ἄρχισε ἀμέσως τὴν πρόβα, ὕστερα, ὅμως, ἀπὸ μερικὲς παύσεις εἶπε στοὺς μουσικούς: «Γιὰ νὰ μὴ σταματοῦμε κάθε τόσο, σᾶς ἐξηγῶ πῶς πρέπει νὰ κάνουμε ὅλο τὸ ἔργο». Μετὰ ἀπὸ αὐτὴ τὴν «συνεννόησι», ἡ πρόβα ἄρχισε ἀπὸ τὴν ἀρχή. Ἡ ὀρχήστρα εἶχε παίξει 40 περίπου μέτρα, ὅταν ἀκολούθησε ἕνα «σόλο» τῆς «τρόμπας», ποὺ ἄρχιζε «φόρτε» καὶ τελείωνε «πιανίσσιμο». Ἀκριβῶς σ' αὐτὸ τὸ «σόλο» ὁ Μητρόπουλος κάθησε καὶ πλησιάζοντας στὸ «ντιμινουέντο» ἔκλινε τὸ κεφάλι, σὰ νὰ ἤθελε νὰ ἐκφράσῃ τὸν χρωματισμὸ τοῦ «πιανίσσιμο». Ἔτσι, τοὐλάχιστον, νόμισαν οἱ μουσικοὶ τῆς ὀρχήστρας. Ὅταν, ὅμως, τὸ κεφάλι του ἔφθασε χαμηλότερα καὶ τὸ σῶμα παρεσύρθη πρὸς τὸ κενόν, ἀντελήφθησαν ὅλοι, ὅτι δὲν ἐπρόκειτο γιὰ μιὰ συνήθη κίνησι χρωματισμοῦ, ἀλλὰ γιὰ τὸ τέλος μιᾶς μεγαλοφυΐας. Πέφτοντας, χτύπησε τὸ πηγούνι του, ἐνῶ ἕνας ρόγχος ἠκούσθη καὶ ἀμέσως δεύτερος, βαθύτερος, καὶ ὁ Μητρόπουλος παρέδωσε τὸ πνεῦμα στὰ χέρια τῶν μουσικῶν, μέσα στὸ θέατρο, ποὺ ἀγάπησε περισσότερο ἀπὸ κάθε τι ἄλλο στὴ ζωή του».

ΔΙΚΑΙΑ ΔΙΑΜΑΡΤΥΡΙΑ

Ἐλάβαμε τὴν ἀκόλουθον ἀπολύτως δικαιολογημένην διαμαρτυρίαν τοῦ συνδέσμου καθηγητῶν τοῦ Ὠδείου:

Ἀξιότιμε κ. Διευθυντά,

Τὸ Διοικητικὸν Συμβούλιον τοῦ Συνδέσμου Καθηγητῶν τῶν Ὠδείων καὶ Σολίστ παρακαλεῖ ὑμᾶς, ὅπως εὐαρεστηθῆτε καὶ δημοσιεύσητε εἰς τὸ ἔγκριτον φύλλον σας τὴν κάτωθι διαμαρτυρίαν μας:

Ὁ ἡμέτερος Σύνδεσμος, κατόπιν εἰσηγήσεως τοῦ ὑπουργείου Παιδείας, συμπεριελήφθη εἰς τὸν ὑπὸ τοῦ ὑπουργείου Προεδρίας τῆς Κυβερνήσεως καταρτισθέντα κατάλογον καὶ ἐκλήθη ἐπισήμως νὰ συμμετάσχῃ εἰς τὴν ἐν τῷ Ὠδείῳ Ἡρώδου τοῦ Ἀττικοῦ γενομένην χθὲς τελετήν, εἰς μνήμην τοῦ ἐκλιπόντος μεγαλοφυοῦς ἀρχιμουσικοῦ Δημήτρη Μητρόπουλου. Ἀνταποκρινόμενοι εἰς τὴν πρόσκλησιν, παρέστημεν, τόσον τὸ Διοικητικὸν Συμβούλιον ὅσον καὶ τὰ μέλη τοῦ Συνδέσμου εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ, κατὰ τὴν ἄφιξιν τῆς τέφρας τοῦ μεγάλου νεκροῦ καὶ ἐν συνεχείᾳ, ἀκολουθοῦντες δι' αὐτοκινήτων τὴν πομπήν, ὁμοῦ μετὰ τῶν ἄλλων καλλιτεχνικῶν Ὀργανισμῶν, ἐφθάσαμεν εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἀλλὰ παραδόξως, εἰς τὸν πρὸ τοῦ Ὠδείου χῶρον δὲν μᾶς ἐπετράπη ἡ εἴσοδος εἰς τὸ θέατρον, παρὰ τὸ γεγονὸς ὅτι ἐγνωστοποιήσαμεν εἰς τοὺς ἐπὶ κεφαλῆς ἀστυνομικοὺς τὴν ἰδιότητά μας.

Τὰ ἀνωτέρω ἀνακοινοῦμεν διὰ τοῦ Τύπου, ἵνα μὴ παρεξηγηθῇ ἀφ' ἑνὸς ἡ σημειωθεῖσα ἀπουσία τοῦ Συνδέσμου μας κατὰ τὴν ἐντὸς τοῦ Ὠδείου Ἡρώδου τοῦ Ἀττικοῦ τελετὴν καὶ ἡ γενομένη κατάθεσις τοῦ στεφάνου μας παρ' ἀγνώστου εἰς ἡμᾶς προσώπου καὶ ἄνευ τῆς ἐκφωνήσεως τοῦ προετοιμασθέντος παρ' ἡμῶν λόγου καὶ ἀφ' ἑτέρου διὰ νὰ ἐκφράσωμεν τὴν πικρίαν μας διὰ τὴν ἀκουσίαν αὐτὴν ἀπουσίαν τοῦ Συνδέσμου μας, πλεῖστα τῶν μελῶν τοῦ ὁποίου ὑπῆρξαν συμμαθηταί, συνεργάται καὶ φίλοι τοῦ ἐκλιπόντος μεγάλου ἀρχιμουσικοῦ.

LE MESSAGER D'ATHENES
- 8 NOE. 1960

L'ELITE INTELLECTUELLE DE LA GRECE S'EST RECUEILLIE A L'ODEON HERODE DEVANT LES CENDRES DE MITROPOULOS

Discours du vice-président M. Canellopoulos

Les cendres de Dimitri Mitropoulos ont été apportées dimanche dernier à Athènes et placées au musée de l'Odéon.

Le monde intellectuel et artistique de la Grèce a auparavant, au cours d'une cérémonie spéciale au Théatre Hérode Atticus, rendu le dernier hommage au grand chef d'orchestre dont la personnalité mondiale a rehaussé le prestige de la Grèce à l'étranger.

Depuis les 3 heures de l'après midi un détachement de l'aviation royale ayant en tête la fanfare avait pris place à l'aéoroport d'Hellinikon. A 3 h. 45 arrivaient les parents du defunt, les représentants des organisations artistiques ainsi que plusieurs personnalités du monde intellectuel. Parme celles-ci se trouvait la veuve de Miltiade Negreponti qui aida Mitropoulos dans ses premiers pas.

Peu avant l'atterrissage de l'avion arrivaient le vice-président du Conseil, M. Cannellopoulos ainsi que les ministres MM. C. Tsatsos, Voyatzis et le maire d'Athènes, M. A. Tsoucalas.

Dès que l'avion atterrit, le directeur de la section des Lettres et du Théatre au ministère de l'Education Nationale, M. G. Cournoutos est descendu de l'appareil tenant à la main l'urne contenant les restes du grand musicien. M. Cournoutos était accompagné de M. Dimitropoulos du ministère des affaires étrangères.

Aussitot après, le détachement militaire rendit les honneurs pendant que la fanfare de l'Aviation Royale jouait le marche funèbre de Beethoven.

M. Cournoutos remit l'urne au directeur de l'Orchestre d'Etat, M. Th. Vavayannis qui, suivi de MM. Cournoutos et Dimitropoulos la remit au vice-président du Conseil, M. Canellopoulos.

M. Canellopoulos profondément ému entoura aussitot l'urne du drapeau hellénique pendant que Mme Paxinou, en pleurs, baisait l'urne.

Le vice-président du Conseil remit ensuite le précieux objet à un officier supérieur de l'aviation pour être transporté à l'Odéon d'Hérode Atticus.

Une grande file de voitures à la tête de laquelle se trouvait une jeep contenant l'urne se rendit ensuite aux pieds de l'Acropole.

A L'ODEON HERODE ATTICUS

Le cortège arriva à l'Odéon Hérode Atticus à 4 h. 35 p.m. A l'arrivée de la jeep contenant l'urne, la foule commença à applaudir frénétiquement.

L'urne fut déposée par M. Vavayannis sur un socle spécial. Aussitot après, le représentant du Roi, lieutenant-colonel Alexandre Canellopoulos y déposa une couronne de lauriers.

LE DISCOURS DE M. CANELLOPOULOS

Le vice-président du Conseil, M. Canellopoulos, tout ému, prit ensuite la parole en ces termes:

«Le gouvernement hellénique, en deuil, honore le digne fils de la Grèce, Dimitri Mitropoulos. Il lui remet une couronne de lauriers, tout comme aux vaillants combattants qui tombent sur le champ d'honneur. La bataille lancée par Dimitri Mitropoulos pendant sa vie a été glorieuse. Il l'a donnée et l'a gagnée sur un terrain mondial avec les armes les plus mystérieuses que l'homme ait jamais créées ou plutot avec celles que Dieu dans un moment de grande bonté a remises entre des mains humaines.

La musique renferme en elle-même — lorsqu'elle est véritable — le sens réel de la vie et de la mort. Elle renferme, de plus, quelque chose de bien plus important: Le sens de l'Infini. Dimitri Mitropoulos a connu ce sens et a permis à des milliers d'êtres humaines de le connaître, de façon telle qu'il parvenait, aussi bien lui-même que ses auditeurs, d'atteindre les assises du trone de Dieu.

Tout comme un grand nombre de Grecs — depuis les temps les plus anciens — Dimitri Mitropoulos appartenait au monde entier. Ceci ne signifiait nullement qu'il avait renié sa patrie. Bien au contraire. ceci était la plus belle confirmation du caractère humanitaire de la Grèce.

Dimitri Mitropoulos était Grec par excellence. Il était également un bon citoyen des Etats-Unis.

Ces deux qualités — ainsi que le prouvent les centaines de milliers de Grecs d'Amérique — vont parfaitement de pair. Mitropoulos était enfin cosmopolite, en donnant à ce mot le sens que lui attribuaient les Grecs de l'antiquité.

Le ciel de l'Attique, pur et sans nuages, accueille aujourd'hui Dimitri Mitropoulos à l'heure où le soleil se couche. Tout comme le soleil de l'Attique, Dimitri Mitropoulos s'est éteint. Une pareille mort demeure éternellement belle».

Après le discours de M. Canellopoulos, le compositeur Pétridis déposa une couronne au nom de l'Académie d'Athènes. Il lut ensuite une lettre d'adieu de M. Manolis Calomiris qui, alité, ne pouvait assister à la cérémonie.

LA MEDAILLE D'ATHENES

Prenant la parole, le maire d'Athènes, M. Tsoukalas, a dit:

«La municipalité d'Athènes décerne la Médaille de la Ville et dépose une couronne le lauriers comme preuve de suprême hommage au grand Mitropoulos».

Le président du Conseil d'administration de l'Odéon d'Athènes, M. A. Kyriakidis, a prononcé ensuite des paroles émues. Puis M. Th. Vavayannis a déposé une couronne au nom de l'Orchestre d'Etat.

Enfin au nom de la Scène Lyrique, M. Costi Bastias, a prononcé un discours dont voici un passage:

«Ce n'est pas la douleur que l'on éprouve pour la perte d'une personne, ou pour la perte d'une valeur. C'est la douleur que l'on éprouve pour le vide mondial que crée la disparition de Dimitri Mitropoulos».

LES COURONNES

Des couronnes de laurier ont été ensuite déposées par les musiciens de l'Orchestre d'Etat, par la Société Nationale des Intellectuels Grecs, par l'Odéon de Thessalonique, par Mme Crinio Calomiris au nom de l'Odéon National, par la Chorale d'Athènes, par la Ligue Musicienne Panhellénique, par le président de la corporation des artistes, par Mme Alexandra Triandi au nom des amis de la musique, par les élèves de l'Odéon d'Athènes, par l'Union des Critiques de musique et de théatre, par la Ligue des diplomés de l'Odéon de Thessalonique.

L'Orchestre d'Etat a joué, aussitot après, sans chef la marche funèbre de Beethoven.

Le ministre de l'éducation nationale, M. Voyatzis, a remis ensuite l'urne à M. S. Pharadatos qui l'a portée à l'Odéon d'Athènes où elle a été déposée.

ΑΘΗΝΑΙ, 7 (Τοῦ ἀνταποκριτοῦ μας).— Μὲ συγκινητικὲς ἐκδηλώσεις βαθυτάτου πένθους καὶ εἰλικρινοῦς λύπης τοῦ καλλιτεχνικοῦ καὶ φιλότεχνου κόσμου διεκομίσθη χθὲς εἰς τὰς Ἀθήνας ἡ σποδὸς τοῦ Δημήτρη Μητροπούλου καὶ ἔγινεν εἰδικὴ τιμητικὴ ἐκδήλωσις εἰς μνήμην του. Τὸ ἀεροπλάνον ποὺ μετέφερε τὴν κάλπιδα μὲ τὴν τέφραν τοῦ νεκροῦ ἀνεχώρησε χθὲς τὸ πρωὶ ἀπὸ τὸ Μιλάνον καὶ ἔφθασε τὴν 2.30' ἀπογευματινὴν εἰς Ἐλευσῖνα. Ἀπὸ ἐκεῖ τὴν 4ην ἀπογευματινήν, ὅπως εἶχε προγραμματισθῆ, τὸ «Ντακότα» τῆς στρατιωτικῆς Ἀεροπορίας προσγειώθη εἰς τὸ ἀεροδρόμιον τοῦ Ἑλληνικοῦ. Ἐκεῖ, εἰς τὸν χῶρον ὅπου ἔγινεν ἡ προσγείωσις, εἶχε παραταχθῆ τμῆμα τῆς Βασιλικῆς Ἀεροπορίας καὶ ἡ μουσικὴ της, προσῆλθον δὲ ὅπως ἀποτίσουν φόρον τιμῆς εἰς τὴν μνήμην τοῦ μεγάλου ἀρχιμουσικοῦ ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως καὶ Ἀρχηγὸς Ἐθνικῆς Ἀμύνης κ. Κανελλόπουλος, οἱ ὑπουργοὶ κ. κ. Τσάτσος καὶ Βογιατζής, ὁ γενικὸς διευθυντὴς τῆς Ἐθνικῆς Λυρικῆς Σκηνῆς κ. Μπαστιᾶς, καθὼς καὶ πλῆθος ἐπιλέκτων ἐκπροσώπων τοῦ μουσικοῦ κόσμου. Ὁμοίως παρέστησαν οἱ ἐκ μητρὸς ἐξάδελφοι τοῦ μετασταθέντος, καθὼς καὶ πλῆθος κόσμου. Πολυάριθμος ἀστυνομικὴ δύναμις ἐτήρει τὴν τάξιν.

Κατάμεστον τὸ θέατρον Ἡρώδου τοῦ Ἀττικοῦ ἀπὸ κόσμον, ὁ ὁποῖος παρακολουθεῖ τὴν εἰς μνήμην Δημ. Μητροπούλου συναυλίαν χωρὶς μαέστρον, τῆς Συμφωνικῆς Ὀρχήστρας Ἀθηνῶν

Εὐθὺς μόλις προσεγειώθη τὸ ἀεροπλάνον ὁ γενικὸς διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας κ. Βαβαγιάννης ἐπροχώρησε πρὸς τὴν κλίμακά του, τὴν ἀνῆλθε καὶ παρέλαβεν ἀπὸ τὰ χέρια τοῦ ἐπιβαίνοντος διευθυντοῦ Γραμμάτων καὶ Καλῶν Τεχνῶν τοῦ ὑπουργείου Παιδείας κ. Κουρνούτου τὸ κιβώτιον μὲ τὴν σποδὸν τοῦ Δημήτρη Μητροπούλου. Ἐν συνεχείᾳ, συνοδευόμενος ἀπὸ τὸν κ. Κουρνούτον, τὸν ἐκπρόσωπον τοῦ ὑπουργείου Ἐξωτερικῶν κ. Δημητρόπουλον, ποὺ ἐπίσης εἶχε μεταβῆ εἰς τὸ Μιλάνον, καὶ ἀνώτερον ἀξιωματικὸν τῆς Ἀεροπορίας, ἐπροχώρησε πρὸς τὸ μέρος ὅπου ἀνέμενον οἱ ἐπίσημοι. Τὸ παρατεταγμένον τμῆμα ἀπέδιδε τὰς νενομισμένας τιμάς, ἐνῶ συγχρόνως ἡ μπάντα τῆς Ἀεροπορίας ἀνέκρουε πένθιμον ἐμβατήριον. Μὲ ἀργὸν βῆμα καὶ ὑπὸ τὴν γενικὴν συγκίνησιν ἡ τετρὰς ἐπλησίασεν εἰς ἀνοικτὸν τζὶπ τῆς Ἀεροπορίας καὶ ὁ κ. Βαβαγιάννης παρέδωσε τὸ κιβώτιον μὲ τὴν τέφραν εἰς τὸν ἐπὶ κεφαλῆς τῆς τετράδος ποὺ ἐπέβαινε. Προηγουμένως ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος ἐκάλυψε μὲ τὴν Κυανόλευκον τὴν κάλπιδα ποὺ περιεῖχε τὴν σποδόν. Καὶ ἐνῶ τὸ συγκεντρωμένον πλῆθος ἐξεσπούσειν εἰς ζωηρὸν χειροκρότημα εἰς μνήμην τοῦ μεγάλου νεκροῦ τὸ αὐτοκίνητον ἐξεκίνησε πλαισιωμένον ἀπὸ μοτοσυκλεττιστάς. Ἀκολουθοῦσαν τιμητικῶς ἐπιβαίνοντες τῶν αὐτοκινήτων τὰ μέλη τῆς Κυβερνήσεως καὶ ἡ κρατικὴ ἀντιπροσωπεία, ἡ ὁποία εἶχε μεταβῆ εἰς τὸ Μιλάνον.

πένθιμος συνοδεία ἐφθασεν εἰς Ἀθήνας καὶ κατηυθύνθη εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ. Ἐνωρίτερον τὸ κάτω ἀπὸ τὴν Ἀκρόπολιν ἀρχαῖον θέατρον εἶχεν ἀσφυκτικῶς γεμίσει ἀπὸ κόσμον. Ἔκαμε μάλιστα ἰδιαιτέραν ἐντύπωσιν τὸ γεγονὸς ὅτι οἱ περισσότεροι ἀπὸ τὰς τρεῖς καὶ πλέον χιλιάδας ποὺ εἶχον συρρεύσει εἰς τὸ Ὠδεῖον Ἡρώδου ἀνῆκον εἰς τὰς λαϊκὰς τάξεις, μὲ πυκνὴν ἐκπροσώπησιν καὶ τῆς νέας γενεᾶς. Πλήθη κόσμου εἶχον συγκεντρωθῆ καὶ εἰς τὴν ὁδὸν Διονυσίου Ἀρεοπαγίτου. Εἰς τὸ πεζοδρόμιον πρὸ τῆς κλίμακος ποὺ ὁδηγεῖ πρὸς τὸ ἀρχαῖον θέατρον εὑρίσκετο ἀντιπροσωπεία ἐπιλέκτων στελεχῶν τῆς Κρατικῆς Ὀρχήστρας, μὲ ἐπὶ κεφαλῆς τὸν Βύρωνα Κολάσην. Μόλις ἔφθασε τὸ αὐτοκίνητον τὸ φέρον τὴν τέφραν τῆς σοροῦ τοῦ Μητροπούλου, ὑπὸ τὴν γενικὴν καὶ ζωηρὰν πάντοτε συγκίνησιν, ὁ γενικὸς διευθυντὴς τῆς Κρατικῆς Ὀρχήστρας παρέλαβεν ἐκ νέου τὸ κιβώτιον καὶ ἐπροχώρησε πρὸς τὸ ἀρχαῖον ὠδεῖον. Μαζὶ τὰ μέλη τῆς Κυβερνήσεως, ὁ κ. Μπαστιᾶς, ἐπρόσωποι τῶν στελεχῶν τῆς Κρατικῆς Ὀρχήστρας, καθὼς ἐπίσης καὶ ὁ δήμαρχος Ἀθηναίων κ. Τσουκαλᾶς. Ἐνῶ ἡ πομπὴ εἰσήρχετο εἰς τὸ ὑπερπλήρες Ὠδεῖον Ἡρώδου ἀντήχησαν ζωηρὰ σαλπίσματα καὶ ταυτοχρόνως οἱ τρεῖς χιλιάδες ποὺ εἶχαν καταλάβει τὰς κερκίδας του ξεσπούσαν εἰς ἕνα παρατεταμένον χειροκρότημα.

ΣΤΕΦΑΝΟΣ ΤΟΥ ΒΑΣΙΛΕΩΣ

Ὁ κ. Βαβαγιάννης ἐπροχώρησε καὶ ἐτοποθέτησε τὴν καλπίδα μὲ τὴν τέφρα τοῦ ἀειμνήστου ἀρχιμουσικοῦ ἐπὶ βάθρου ποὺ ἔφερε τὰ ἐθνικὰ χρώματα. Εὐθὺς κατόπιν οἱ ἐπίσημοι κατέλαβον τοὺς εἰδικοὺς θώκους εἰς τὰς κερκίδας τοῦ ἀρχαίου θεάτρου καὶ ἤρχισεν ἡ ἐκδήλωσις πρὸς τιμὴν τοῦ μεγάλου καλλιτέχνου. Μαζὶ μὲ τοὺς ἐπισήμους — σημειωτέον — κατέφθασαν καὶ ὅλοι οἱ ἐκπρόσωποι τοῦ μουσικοῦ κόσμου ποὺ εἶχον κατέλθει εἰς τὸ ἀεροδρόμιον. Ἐκτὸς δὲ μως αὐτῶν εἰς τὸ Ὠδεῖον Ἡρώδου προσῆλθον καὶ πολλοὶ ἄλλοι ἐκπρόσωποι τοῦ πνευματικοῦ καὶ καλλιτεχνικοῦ κόσμου. Τὰ μέλη τῆς Κρατικῆς Ὀρχήστρας μὲ τὰ ὄργανά των εἶχον θέσεις μέσα εἰς τὴν σφενδόνην. Ἡ ἐκδήλωσις ἤρχισε μὲ κατάθεσιν στεφάνου ἐκ μέρους τοῦ ἐκπροσώπου τοῦ Βασιλέως.

Ο κ. ΚΑΝΕΛΛΟΠΟΥΛΟΣ

Μετὰ ταῦτα ἐπροχώρησε πρὸς τὸ βάθρον, ὅπου εἶχεν ἐναποτεθῆ τὸ κιβώτιον μὲ τὴν τέφραν, ὁ ἀντιπρόεδρος τῆς Κυβερνήσεως κ. Κανελλόπουλος, ὁ ὁποῖος, ἐν καταφανεῖ συγκινήσει κατέθεσε τὸν στέφανον τῆς Κυβερνήσεως καὶ εἶπε τὰ ἑξῆς:

«Ἡ ἑλληνικὴ Κυβέρνησις πενθεῖ καὶ τιμᾶ τὸ ἔξοχον τέκνον τῆς Ἑλλάδος, τὸν Δημήτρη Μητρόπουλο. Καὶ τοῦ ἀφιερώνει στέφανον ἐκ δάφνης, ὅπως δέξῃ στοὺς γενναίους, σὲ ὅσους ἔπεσαν στὸ πεδίο τῆς μάχης. Ἡ μάχη ποὺ ἔδωσε στὴν ζωή του ὁ Δημήτρης Μητρόπουλος ἦταν ἔνδοξη. Τὴν ἔδωσε καὶ τὴν ἐκέρδισε σ' ἕνα πεδίο ποὺ ἦταν ὁ κόσμος ὁλόκληρος καὶ μὲ ὅπλα τὰ πιὸ μυστηριώδη ὅπλα ποὺ ἐφεῦρε ὁ ἄνθρωπος ἢ ποὺ ὁ ἴδιος μᾶλλον ὁ Θεός, σὲ μιὰν ὥρα μεγάλης εὐνοίας, παρέδωσε στὰ χέρια καὶ στὸ πνεῦμα τῶν ἀνθρώπων. Ἡ μουσικὴ ἔχει μέσα της — ὅταν εἶναι γνήσια — τὸ ὑπέρτατο νόημα τῆς ζωῆς καὶ τοῦ θανάτου. Ἔχει μέσα της κάτι πολὺ περισσότερο: τὸ νόημα τοῦ Σύμπαντος. Ὁ Δημήτρης Μητρόπουλος ἔζησε τὸ νόημα αὐτὸ — κ' ἔκαμε μυριάδες ἀνθρώπους νὰ τὸ ζήσουν — μ' ἕναν τρόπο ποὺ ἔφερε τὸν ἴδιον καὶ κάθε γνήσιο ἀκουστή του ὡς τὰ κοάσπεδα τῆς Ἕδρας τοῦ Θεοῦ. Ὅπως πολλοὶ ἐλληνικοὶ καὶ μεγάλοι Ἕλληνες ἀπὸ τοὺς ἀρχαίους ἤδη χρόνους, ἔτσι καὶ ὁ Δημήτρης Μητρόπουλος ἀνῆκε στὸν κόσμο ὁλόκληρο, εἶχε δοθῆ στὴν Ἀνθρωπότητα. Αὐτὸ δὲν ἐσήμαινε διόλου τὴν ἀπάρνησι τῆς Πατρίδος. Ἐσήμαινε, ἀντίθετα, τὴν πιὸ ὡραία καὶ πιὸ οὐσιαστικὴ ἐπικύρωσι τοῦ πανανθρώπινου χαρακτῆρος τῆς Ἑλλάδος. Ὁ Δημήτρης Μητρόπουλος ἦταν "Ἕλλην κατ' ἐξοχήν. Ἦταν, ταυτόχρονα, καλὸς πολίτης τῶν Ἡνωμένων Πολιτειῶν. Οἱ δυὸ αὐτὲς ἰδιότητες — ὅπως τὸ ἀποδεικνύει ἡ καρδιὰ ἑκατοντάδων χιλιάδων Ἑλλήνων τῆς Ἀμερικῆς — ταιριάζουν ἄριστα μεταξύ τους. Καὶ ἦταν, τέλος, στὴν ἔννοια ποὺ ἔδωσαν στὴν λέξι αὐτὴ μερικοὶ μεγάλοι Ἕλληνες στὴν λέξι αὐτὴ μερικοὶ μεγάλοι Ἕλληνες τῆς Ἀρχαιότητος, κοσμοπολίτης. Ὁ ἀττικὸς οὐρανὸς ὑποδέχεται σήμερα τὸν Δημήτρη Μητρόπουλο καθαρὸς καὶ ἀνέφελος τὴν ὥρα ποὺ δύει ὁ ἥλιος.

"Οπως δύει ὁ ἥλιος τῆς Ἀττικῆς, ἔτσι ἔδυσε καὶ ὁ Δημήτρης Μητρόπουλος. Μιὰ τέτοια δύσις εἶναι στὴν ὁμορφιὰ της αἰώνια».

ΟΙ ΑΛΛΟΙ ΣΤΕΦΑΝΟΙ

Μετὰ ταῦτα κατέθεσε στέφανον ἐκ μέρους τῆς Ἀκαδημίας Ἀθηνῶν ὁ μουσουργὸς Πετρίδης.

Μετὰ τὴν κατάθεσιν τῶν στεφάνων ἡ Κρατικὴ Ὀρχήστρα, χωρὶς μαέστρον, ἀπέδωσεν ὑπὸ τὴν γενικὴν συγκίνησιν καὶ μὲ ὀρθίους ὅλους τοὺς παρισταμένους τὸ δεύτερον μέρος τῆς Τρίτης Συμφωνίας τοῦ Μπετόβεν, εἰς τὸ ὁποῖον περιέχεται καὶ τὸ πένθιμον ἐμβατήριόν του.

ΕΛΕΥΘΕΡΙΑΣ
10 ΝΟΕ 1960

Μὰ πρέπει νὰ ἐπανεξετασθῆ κατὰ πόσον τὸ σημερινὸν κτίριον τοῦ Ὠδείου Ἀθηνῶν εἶναι ὁ καταλληλότερος χῶρος διὰ νὰ ἐναποτεθῆ τελικῶς ἡ λήκυθος μὲ τὴν σποδὸν τοῦ Δημήτρη Μητροπούλου. Οὐδεὶς ἀρνεῖται τὸν δεσμὸν τοῦ ἐκλιπόντος μεγάλου μουσικοῦ μὲ τὸ Ὠδεῖον, ἀλλ' ὁ Μητρόπουλος ἀνήκει γενικώτερον εἰς τὸ Ἔθνος. Καὶ ἔπειτα ἡ παροῦσα κατάστασις τοῦ κτιρίου καὶ τὸ γεγονὸς ὅτι πάντοτε ὑπάρχει τὸ σχέδιον κάπου ἀλλοῦ νὰ μεταφερθῆ τὸ Ὠδεῖον Ἀθηνῶν, θὰ ἔπρεπε νὰ ληφθοῦν σοβαρῶς ὑπ' ὄψιν. Ἴσως ὁ καταλληλότερος χῶρος ἀναπαύσεως διὰ τὸν Μητρόπουλον θὰ ἦτο κάπου κοντὰ εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ, ὅπου ἐπαίχθη καὶ παίζεται ἡ πρωτότυπος μουσικὴ του εἰς διάφορα ἀρχαῖα δράματα καὶ ὅπου ἐγνώρισεν ὁ ἴδιος μερικοὺς ἀπὸ τοὺς μεγαλυτέρους θριάμβους του ὡς ἀρχιμουσικός.

MITROPOULOS' ASHES BROUGHT TO ATHENS

Thousands pay homage to great maestro

The ashes of Greek-born conductor Dimitri Mitropoulos were flown to Athens Sunday from Milan, where he died last week at the age of 64. Cremation had taken place Saturday in Switzerland.

The urn containing the ashes was taken to the Herod Atticus Theatre, where a public ceremony took place. Yesterday it was placed in the Athens Conservatory, for viewing by the public.

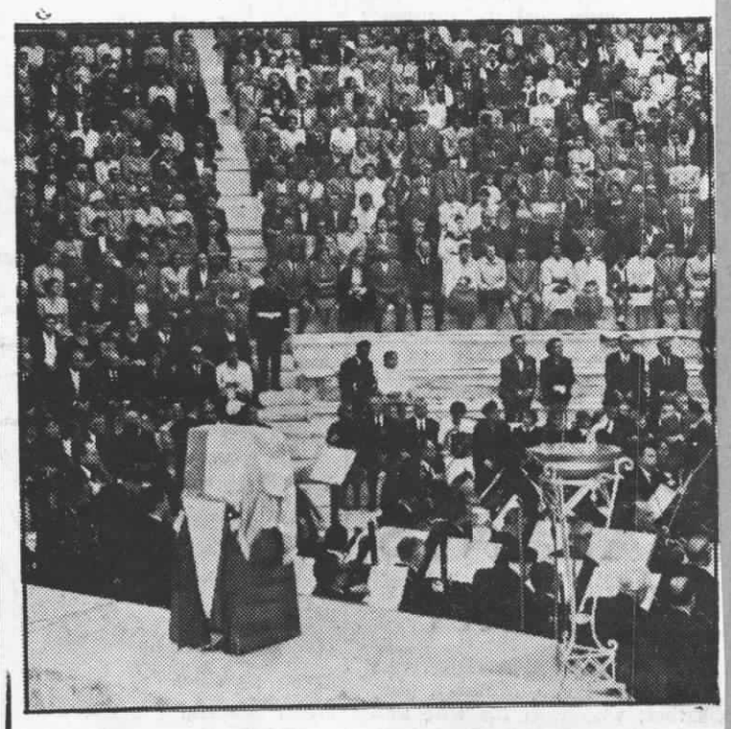
The ashes were accompanied from Italy by Director of the Education Ministry Mr Kornoutos and two friends of the late Mitropoulos, Mrs Kaitsoyanni and Mr Demetropoulos.

At Elefsina airport Greek representatives of the music world and the theatre waited to pay homage. they included Director of the Athens Conservatory Mr Farantatos, Conductor of the Athens State Orchestra Mr Vavayannis, Director of the Greek Opera Mr Bastias, Director of the National Conservatory Mrs Krino Kalomoiri, Greek composers, musicians, and old friends.

From Elefsina airport, where the plane landed at 3.45 p.m., the ashes were transferred to a Greek Royal Air Force plane, which landed at Ellinikon Airport at 4.20 p.m. There Deputy Premier Canellopoulos, Minister to the Prime Minister Tsatsos, Minister of Education Voyatzis, and other officials, with large crowds, were waiting. The ashes were carried by Mitropoulos' student, Mr Vavayannis, in an urn covered with the Greek flag, onto a jeep, to be transferred to the Herod Atticus theater, where the late maestro had given many a memorable concert.

WREATHS

The theater of Herod Atticus was full to capacity when the King's representative and the Deputy Premier gave short orations and laid wreaths.



Wreaths weer also laid by representatives of the Academy, the Mayor of Athehns, the Athens State Orchestra, the Greek Opera, theh National Broadcasting System, the Union of Greek Musicians and Composers, the Athens Choir, the Union of Greek Opera Actors, the Union of Greek Theater actors, and Athens and Salonika Consenvatories, while the State Orchestra played the Funeral March by Beethoven.

After the ceremony, Minister of Education Voyatzis, handed the urn to Mr Farantatos, Director of the Athens Conservatory, to be taken to the conservatory.

NEW YORK TRIBUTE

The New York Philharmonic Orchestra, which was conducted by Dimitri Mitropoulos until a few years ago, dedicated Sunday's concert to the memory of the great maestro, with Mahler's "Resurrection" symphony which Mitropoulos was conducting last Wednesday at La Scala, Milan when he died.

The Metropolitan Opera of New York announced yesterday that six distinguished Russian composers, Dimitri Shostakovich, Krehinikof, Dandjevic, Amirof and Zaroustowsky, cabled their great sorrow at the maestro's death. Another Russian composer, Aram Katchachurian, in a broadcast on Radio Moscow, said yesterday that "Mitropoulos was one of the greatest musicians in the world."

Last tribute to Mitropoulos: the great conductor's ashes are placed in the Herod Atticus theatre, and before them the Athens State Orchestra plays memorial music — without a conductor.

Ο ΘΑΝΑΤΟΣ ΤΟΥ Δ. ΜΗΤΡΟΠΟΥΛΟΥ

Ὁ ἐκλιπών, ἕνας μεγάλος φίλος τοῦ Ἰσραήλ

Ὁ αἰφνίδιος θάνατος τοῦ Ἕλληνος ἀρχιμουσικοῦ Δημήτρη Μητροπούλου, συνεκίνησεν ἰδιαιτέρως τοὺς πολυπληθεῖς φίλους του εἰς τὸ Ἰσραήλ.

Ὡς γνωστὸν ὁ Δημήτρης Μητρόπουλος εἶχε μεταβῆ πρὸ διετίας εἰς Ἰσραήλ, ὅπου διηύθυνε σειρὰν συναυλιῶν τῆς φιλαρμονικῆς ὀρχήστρας τῆς χώρας. Ἐκτὸς αὐτοῦ ὑπεστήριξε καὶ ἀνέδειξε πολλοὺς νέους ἰσραηλινοὺς μουσικοσυνθέτας, μετὰ τῶν ὁποίων εὑρίσκετο εἰς συνεχῆ ἀλληλογραφίαν. Ὁ Μητρόπουλος ἐπρόκειτο νὰ μεταβῇ εἰς Ἰσραὴλ

Δημήτρης Μητρόπουλος

κατὰ τὸ 1961 διὰ σειρὰν ἐμφανίσεων.

Λόγῳ μιᾶς καρδιακῆς προσβολῆς, ὁ Μητρόπουλος δὲν ἠδυνήθη νὰ διευθύνῃ τὴν Φιλαρμονικὴν Ὀρχήστραν τοῦ Ἰσραὴλ εἰς τὰς συναυλίας ποὺ ἔδωσεν αὕτη εἰς τὸ Ὠδεῖον Ἡρώδου τοῦ Ἀττικοῦ κατὰ τὴν διάρκειαν τοῦ Φεστιβὰλ Ἀθηνῶν τὸ 1959.

Σύσσωμος ὁ ἰσραηλινὸς τύπος, ἀφιέρωσε μακροσκελέστατα ἄρθρα ἐπὶ τῇ ἀγγελίᾳ τοῦ θανάτου τοῦ μεγάλου ἀρχιμουσικοῦ.

Ο ΜΕΓΑΛΟΣ ΜΑΣ ΝΕΚΡΟΣ

Ὁ ἀείμνηστος ἀρχιμουσικὸς Δημήτρης Μητρόπουλος, Διευθυντὴς τῆς Μητροπόλιταν Ὄπερας τῆς Νέας Ὑόρκης, τοῦ ὁποίου ὁ θάνατος δημιουργεῖ παγκόσμιον δυσαναπλήρωτον κενὸν εἰς τὴν Τέχνην καὶ τοῦ ὁποίου ἡ ἀνέσπερος δόξα θὰ διαιωνίζῃ τὴν ἀκατάλυτον αἴγλην καὶ δύναμιν τῆς Μητροπολιτικῆς—Ἀποδημικῆς Ἑλλάδος.

ΜΑΚΕΔΟΝΙΑΣ ΘΕΣΣΑΛΟΝΙΚΗΣ
10 ΝΟΕ 1960

ΞΑΚΟΛΟΥΘΕΙ ἡ συζήτησις διὰ τὴν ἐκκλησιαστικὴν ταφὴν τῆς σποδοῦ τοῦ μεγάλου Ἕλληνος ἀρχιμουσικοῦ, Δημήτρη Μητροπούλου καὶ ἐκφέρονται κρίσεις μὲ πολλὴν, νομίζω, προχειρότητα. Τὸ θέμα εἶναι ἐκτάκτως σημαντικὸν καὶ δὲν εἶναι εὔκολον καὶ εἰς τὴν ἐκκλησίαν νὰ λάβῃ τὰς ἀποφάσεις της καὶ εἰς τὸν θρησκευόμενον ἑλληνικὸν λαὸν νὰ δεχθῇ χωρὶς «κοσκίνισμα» αὐτὰς τὰς ἀποφάσεις.

Εἶναι ἡ πρώτη φορά, ἂν δὲν ἀπατῶμαι ποὺ ἐτέθη εἰς τὴν Ἑλλάδα παρόμοιον θέμα καὶ φυσικὴ ἐκ τούτου ἡ ἀπορία, ἂν ἠμποροῦσε νὰ γίνῃ κηδεία καὶ εἰς τὴν σποδὸν ὅπως γίνεται καὶ εἰς τὸν νεκρόν. Ὁ καθηγητὴς κ. Ἀλυδιζάτος, κρίνων κανόνας καὶ κείμενα ἐγνωμάτευσεν ὅτι εἶναι δυνατή. Ἀλλὰ ἡ γνώμη του εἶναι μία γνώμη καὶ ἡ ἑρμηνεία ποὺ δίδει μία ἑρμηνεία. Δὲν ὑπάρχει ρητὸς κανὼν ὁρίζων ὅτι ἠμπορεῖ νὰ γίνεται κηδεία, ἀκόμη δὲ ἡ συνήθεια ποὺ πολλάκις ἀντικαθιστᾶ τὸν κανόνα. Ἡ περίπτωσις τῆς σποδοῦ τοῦ Μητροπούλου, εἶναι ἡ πρώτη, ἐπαναλαμβάνω, ποὺ παρουσιάζεται εἰς τὴν Ἑλλάδα.

Πιθανὸν αὔριον, νὰ εἶναι ἡ πολλοστή. Σήμερον, ὅμως, εἶναι ἡ μοναδικὴ καὶ δὲν εἶναι εὔκολον νὰ ἐφαρμοσθοῦν καινοτομίαι χωρὶς βαθεῖαν μελέτην τοῦ θέματος καὶ τὴν λῆψιν ἀποφάσεων. Ἡ ἐκκλησία δὲν εἶναι μία ἐπιχείρησις διὰ νὰ προβαίνῃ εἰς τολμηρὰ καὶ ρηξικέλευθα βήματα.

ΠΡΟΣ ΑΡΣΙΝ ΤΩΝ ΠΑΡΕΞΗΓΗΣΕΩΝ

Ο ΓΙΑΝΝΗΣ ΣΙΔΕΡΗΣ ΓΙΑ ΤΗΝ «ΒΕΑΤΡΙΚΗ» ΤΟΥ Δ. ΜΗΤΡΟΠΟΥΛΟΥ ΚΑΙ ΤΗΝ ΠΑΞΙΝΟΥ

ΑΠΟ ΚΟΡΩΝΗΣ, ΚΟΡΩΝΑΚΗΣ ΚΙ' ΑΠΟ ΤΕΝΟΡΟΣ ΒΑΡΥΤΟΝΟΣ!

Ἡ Κατίνα Παξινοῦ, σέ συνέντευξί της γιὰ τὸν Δημήτρη Μητρόπουλο, ποὺ δημοσιεύθηκε σὲ πρωϊνὴ ἐφημερίδα τῆς περασμένης Κυριακῆς, ἀνέφερε ἀναλυτικῶς, ὅτι στὴν παράστασι τῆς «Βεατρίκης» του, ἔλαβε μέρος καὶ ὁ Κορώνης, πού... ἔχανε συνεχῶς τὰ λόγια του! Τὴν ἴδια ἀνακρίβεια, ἡ κ. Παξινοῦ ἐπανέλαβε καὶ σὲ ραδιοφωνικὴ συνέντευξί της, τὴν ἴδια ἡμέρα. Ὁ τενόρος Μιχάλης Κορώνης — πού τὸ 1918 ἦταν ἀκόμη νήπιο—διεμαρτυρήθη μὲ ἐπιστολή του, πού δημοσιεύθηκε στὰ χθεσινὰ Θεατρικὰ «Νέα».

"Ηδη, ὁ ἐξαίρετος Ἱστορικὸς τοῦ Νεοελληνικοῦ Θεάτρου κ. Γιάννης Σιδέρης βάζει μιὰ καλὴ τάξι στὰ πράγματα στὴν θέσιν τους, δίνοντας κάθε σχετικὴ πληροφορία μὲ τὴν παράστασι τῆς «Θεατρίκης» τοῦ Δημήτρη Μητροπούλου.

«Ἀγαπητά «Νέα»,

Θὰ πάρω τὸ θάρρος ν' ἀπασχολήσω τὶς στῆλες σου, κυριως γιὰ νὰ μὴ στενοχωριέται ἄδικα ὁ φίλος Μιχάλης Κορώνης ὡς πρὸς τὴν κ. Παξινοῦ, πού, βεβαίως, δὲν ἔκανε λάθος ἐντελῶς· τί ἀνάγκη νὰ τὸν παρουσιάση πρεσβύτερο; Βεβαίως, δὲν ἔχω ἁρμοδιότητα νὰ μιλήσω γιὰ ἕνα μελόδραμα οὔτε μοῦ πέφτει λόγος νὰ διαφεντέψω τὴν πρωταγωνίστρια τῆς «Βεατρίκης».

Μ' ἐνδιαφέρει ὅμως τὸ γεγονὸς ἀπὸ δύο ἀπόψεις: α) Τὸ λιμπρέτο τῆς «Βεατρίκης» εἶναι ἀπὸ τοῦ Μαίτερλιγκ τ' ὁμώνυμο «Θαῦμα», δημοσιευμένο στὰ «Παναθήναια» (τόμος ΚΓ'), μετάφραση «ΑΒΓ») καὶ ὁ Μαίτερλιγκ ἔχει ἐπίδραση σέ συγγραφεῖς μας καὶ β) Στή «Βεατρίκη»—ὅπερα τοῦ Μητροπούλου—τό κύριο πρόσωπο τό τραγούδησε στή νεαρή της ἡλικία μία τωρινὴ πρώτη γυναίκα τοῦ θεάτρου μας—καὶ μία ἁπλῆ ἠθοποιός νά τό εἶχε τραγουδήσει πάλι θά μ' ἐνδιέφερε ὡς ἐρευνητή.

"Ας μέ παρακολουθήση λοιπόν ὁ κ. Μ. Κορώνης νά δῆ πῶς ἔγινε τό «λάθος»: Τό ἔργο παίχθηκε στίς 13 Μαΐου 1920 (ἐπανάληψη στίς 16). Ἀπό τή μελέτη μου ξέρω τά ἑξῆς: "Οτι μαζί μέ τήν κ. Παξινοῦ παίξανε ὁ Κίμων Τριανταφύλλου («Πατρίς», 15 Μαΐου 1920)· ἡ πληροφορία εἶναι μέσα σέ μιά κριτική ἐπαινετική γιά ἐκείνην. Ἡ «Ἑστία», 14 Μαΐου, ἀναγράφει καί τ' ὄνομα τῆς κ. Μάγγης Τριανταφύλλου (Καρατζᾶ). "Εχει ἡ «Ἑστία» κι' ἕνα ἄρθρο τοῦ Μαρσίκ γιά τή μουσική, ὅτι ἦταν «πλήρης ζωῆς καί εἰλικρινείας, ἡ partition του ἀποδεικνύει μουσικόν χαρακτῆρα ὑφηλόν καί πρωτότυπον. Δέν ὑπάρχει καμμία κοινοτοπία εἰς τήν μουσικήν του ἀντίληψιν, καμμία ὑποχώρησις πρός τήν... ἀπομίμησιν τοῦ τύπου τοῦ παλαιοῦ μελοδράματος...» (15 Μαΐου). Τό Ὠδεῖον Ἀθηνῶν ἐχορήγησε κάθε εὐκολία γιά τή διδασκαλία.

Γιά τ' ἄλλα πρόσωπα δέν ἤξερα ἐπί καιρό τίποτα· ἕνα ὅμως ἐξόχως φιλικό μου καί ἀγαπητό πρόσωπο, πού δέν ἀγνοοῦσε τήν ἐπιθυμία μου νά μάθω τούς τραγουδιστές πού τραγούδησαν μέ τήν κ. Παξινοῦ, μοῦ διεβίβασε, τελευταία, ἕνα ἀντίγραφο τοῦ προγράμματος—κι' ἐλπίζω νά φροντίση ὥστε ν' ἀποκτήση τό Θεατρικό Μουσεῖο καί τό πρωτότυπο· ἀπό τό ἀντίγραφο αὐτό σημειώνω τή διανομή: «Ἀδελφή Βεατρίκη» Κα Κ. Ι. Παξινοῦ, 'Η ἡγουμένη δνίς Κ. Ἀνδρεάδου (πρός Θεού, ὄχι ἡ Κατερίνα, πού δέ θά εἶχε δάλει ἀκόμη στό νοῦ της κάν τό θέατρο—ἄς μήν ἔχουμε καμμιά καινούργια παρεξήγηση!), Ἀδελφή Ἐγλαντίνη, δνίς Ε. Ρουμπέν, Κλεμένς Κα Λ. Χοϊδᾶ, Εὐτυχία δνίς Π. Δρίδα, Βαλδίν δνίς Λ. Πετραλιᾶ, Ρεζίνα δνίς Κ. Παπαναγιώτου (Οὐρανοί! Ὄχι ἡ Κάκια, ἄν καί ἡ ἀγαπητή καί ὡραία Κασσάνδρα τῆς «Ὀρέστειας» γράφεται «Παναγιώτου» καί δέν εἶχε κάν γενηθῆ στό 1920—ἀλλοίμονο!), 'Η μικρή Ἀλέττα Κα Μ. Τριανταφύλλου (Καρατζά), ὁ πρίγκιψ Μπελιντόρ κ. Κ. Τριανταφύλλου, ὁ Ἱερεύς κ. Λ. Κορωνάκης. Ἰδού ἡ πέτρα τοῦ σκανδάλου, τό τελευταῖο πρόσωπο, ἕνας ψηλός νέος βαρύτονος· ἡ κ. Παξινοῦ αὐτόν ἐννοοῦσε καί τόν εἶπε «Κορώνη», πού ἴσως καί νά τόν ἔλεγαν ἔτσι στόν κύκλο τους. "Ας ἡσυχάση λοιπόν ὁ τενόρος τῆς Λυρικῆς Σκηνῆς. Στό γράμμα του γράφει γιά τήν κ.
